Talent: Professional Entrepreneurs at work kotak

C JAYARAM

- Joined Kotak in 1990; First charge | Vice President, Kotak Mahindra Finance
- ☐ Current charge | Joint Managing Director, Kotak Mahindra Bank
- On being a professional entrepreneur | When I joined Kotak, I didn't really foresee that I would be running a business for the Group. As it turns out, I have been involved with building more than four businesses. Each one has presented its own set of challenges and opportunities. I can't think of too many companies which offer their people this kind of a canvas.

DIPAK GUPTA

- Joined Kotak in 1992; First charge | Senior Manager, Kotak Mahindra Finance
- Current charge | Joint Managing Director, Kotak Mahindra Bank
- On being a professional entrepreneur | I used to be an engineer and then a consultant. My first job at Kotak was to look after the Lease and Hire Purchase business. We built one of the largest leasing businesses in the country. When Ford Credit came to India around 1995-96, we entered into a joint venture with them and it was very interesting discussing, debating and negotiating with them. I went on to become the head of that joint venture. Running different businesses while still being in the same fold gives you the twin benefit of a deeper perspective and wider all-round growth.

SHANTI EKAMBARAM

- Joined Kotak 1991; First charge | Senior Manager Bill Discounting
- Current charge | President Consumer Banking, Kotak Mahindra Bank
- On being a professional entrepreneur | I joined Kotak from a foreign bank. Since financial services was still a new area I was apprehensive but here was a company that seemed young and hungry. In the back of my mind, I knew I could always go back to a MNC if things didn't work out. That was 16 years ago and I'm still here and raring to go. I have run the Bill Discounting business, serviced FIIs and started the M&A desk. When we entered into a strategic alliance with Goldman Sachs, I moved to look after that business and we dominated the GDR and private placement markets. I subsequently moved into the domestic Investment Banking business to develop corporate relationships, then head Fixed Income. In 1998, I took over as the CEO of the Investment Bank and we went on to top the league tables. In 2003 when the bank project was launched I was given the opportunity to build the wholesale bank. I handled the corporate banking business till Mar-14, I am now handling consumer banking business. I don't think any MNC would give me so many opportunities for learning and growth.

ARVIND KATHPALIA

- Current charge | President and Group Chief Risk Officer, Kotak Mahindra Bank
- On being a professional entrepreneur | I joined Kotak Mahindra Bank in 2003 after working for two decades in a Foreign Bank in a variety of Senior Leadership roles. The nature of my first role in Kotak - the thrill of setting up the technology platform, Operations policies and processes for a new bank was truly entrepreneurial. There were daily "innovations" to ensure we met the challenges of the market as the new bank ramped up. I learnt more and never had worked harder (without ever feeling it) in any of my previous roles. In 2009, at the height of the banking crisis I moved to head the Risk function - having never worked in the function earlier - that's Kotak.

JAIMIN BHATT

- Joined Kotak in 1995; First charge | Proprietary Investments
- Current charge | President & Group CFO
- On being a professional entrepreneur | My initial work at Kotak was in the area of Proprietary Investments, where I worked with Narayan (S.A.). Around the time of the Ford JV, I was invited to be on the team structuring the JV and that was very exciting. I moved to the Investment Bank and handled M&A. I was involved in a number of exciting transactions. Thereafter my role grew into larger operational role at the Investment Bank and also included doing structuring work for the Group. What stands out for me is the freedom and sense of responsibility that one gets and this, in turn, instills a lot of selfconfidence. As you grow and inculcate the same sense of self-confidence in those around you, it becomes a part of the culture.

K.V.S.MANIAN

- Joined Kotak in 1995; First charge | Compliance, Kotak Mahindra Capital Company;
- Current charge | President Group Treasury, Global Markets, Corporate, Institutional & Investment Banking, Kotak Mahindra Bank
- On being a professional entrepreneur | After two years in Investment Banking, I moved into Corporate Finance. I was instrumental in turning around and building the Retail Asset Finance Division (including the early stages of the Commercial Vehicle and Personal Loans Businesses). When the Group restructured its business in preparation for the conversion to a bank, I managed the team working on viability, decision making and structuring of the banking business as a project. I now oversee the Personal customer segment comprising of the Home Finance Division, the Consumer Services Group, Credit Cards and the Auto Finance Business, in addition to the Branch Banking and Retail Liabilities business. I handled the consumer banking business till Mar-14, I am now handling corporate banking business. It's been a diverse set of responsibilities and looking back, I realize that I had no prior experience in any of the functions.

MOHAN SHENOI

- Joined Kotak in 2002;
- Current charge | President In charge of Integration Management Office
- On being a professional entrepreneur | Very few in the banking industry have the experience of starting a new bank. I had this rare privilege of associating with two banks right from their inception. The first was ICICI Bank and the second is Kotak Mahindra Bank. I was instrumental in setting up and managing the treasury in both banks. At Kotak, Treasury is one of the important contributors to the revenues of the Bank. Over a 29-year banking career, I have worked in branch banking, credit, recoveries, strategic planning and retail banking (apart from treasury). The environment at Kotak allows me to leverage this diversity of experience to the fullest.
