Net Profit	49.0	43.1	69.9	240.9

Summarizing the Q1 2025 performance, Mr. Prashant Kumar, Vice President – Sales and Marketing, KSB Limited, stated “This quarter, we registered steady growth in sales revenue, marking a 9.4% increase over the corresponding quarter in Q1 2024.

The Solar segment continued to perform well, driven by various orders under the PM-KUSUM scheme. We are also witnessing strong momentum in our sunrise segments, including Domestic, Building, and Water & Waste Water (WWW).

We recently concluded the Asia West Dealer Conference in Goa, which brought together over 100 dealers. The event was a great success — we recognized top performers and shared our vision for 2025, further strengthening our enduring partnerships.

With this strong start to the fiscal year, KSB remains confident and committed to delivering excellence, advancing sustainability, and creating long-term value for all stakeholders.”

About KSB Limited

KSB Limited Founded in 1960 in India is a part of KSB SE & Co KGaA., one of the world's leading suppliers of pumps, valves and systems. Combining innovative technology and excellent service to provide intelligent solutions, the company has been offering innovative and sturdy solutions to cater to the myriad needs of the Indian Customer may it be in power, oil, building services, process engineering, water treatment, water transport, etc. The activities of KSB's in-house research centre focus on the areas of hydraulics, sealing technology, materials, production technology and automation.
