Summarizing the Q1 2026 business performance, Mr. Prashant Kumar, Vice President - Sales and Marketing, KSB Limited, said, "FY2026 has started in a challenging environment, but our strong presence in key markets demonstrates the strength of our positioning. Demand across water and wastewater, energy and commercial building segments and our standard businesses continues to affirm our relevance in core segments.

Recent order wins in water and wastewater, mining, petrochemicals and power showcase our competitive edge. With a diversified portfolio and a solid standard business base, we are geared up to face uncertainties and capture new opportunities, driving growth in the periods ahead."

Mr. Mahesh Bhave, Chief Financial Officer at KSB Limited, commented:

“Despite a challenging geopolitical and macroeconomic environment, the Company delivered a stable and steady performance in Q1 FY26. Strong operational efficiency and financial discipline supported resilience and consistency during the quarter.”

About KSB Limited

KSB Limited, founded in 1960 in India, is a part of KSB SE & Co. KGaA, one of the world’s leading suppliers of pumps, valves, and systems. Combining innovative technology with excellent service to provide intelligent solutions, the company offers robust and reliable solutions catering to the diverse needs of customers in India and overseas across sectors such as power, oil, building services, process engineering, water treatment, and water transport. KSB specializes in Centrifugal End Suction Pumps, High-Pressure Multistage Pumps, Industrial Gate, Globe and Check Valves, Submersible Motor Pumps, Monobloc and Mini Monobloc Pumps, Hydro pneumatic Systems, and Control Valves.

Today, the KSB Group has a presence across all continents through its own sales and marketing companies, manufacturing facilities, and service operations. In 2025, the Group generated consolidated annual sales revenue exceeding €3 billion.
