CORPORATE OVERVIEW

# About Us

Hospitality, Sustainability & Creditability

# Hospitality with Purpose

We are Eco Hotels and Resorts Limited, a listed hospitality company focused on building a new generation of responsible, accessible and sustainable hotels across India. Guided by our core ethos of “People, Planet and Profit,” we seek to demonstrate that hospitality can deliver meaningful guest experiences while creating long-term value for our stakeholders and reducing our environmental impact.

With sustainability at the heart of our business model, we are building a portfolio designed around modern comfort, operational efficiency and conscious hospitality. Our approach combines sustainable design, energy-efficient technologies and responsible operating practices to minimise carbon impact and operational waste across our brands.

We operate across a diverse range of destinations and travel segments, including business, leisure, pilgrimage, wellness and regional tourism. Our portfolio encompasses differentiated hospitality formats designed to serve evolving traveller needs while maintaining a consistent commitment to eco-conscious hospitality.

*"Comfort, care and sustainability can, and must, coexist."*

## Building a Sustainable Hospitality Ecosystem

Our philosophy extends beyond the hotel room. We are developing an integrated hospitality ecosystem that brings together thoughtfully designed accommodation, vegetarian and wellness-oriented food and beverage experiences, banquet facilities and guest services.

Our flagship Sahar restaurant reflects our commitment to inclusive and conscious dining, offering pure vegetarian, No Onion and No Garlic cuisine while following practices designed to avoid cross-contamination. Our portfolio also includes concepts such as GG’s rooftop lounge, Kick in the Brick and EcoSip Cafe, creating differentiated dining and social experiences within our hospitality ecosystem.

Kota – Sahar Restaurant

**Our Ethos — People. Planet. Profit.**

Our ethos is built on a simple yet powerful belief: hospitality must create value for people, respect the planet and deliver sustainable profitability. This philosophy of People, Planet and Profit is at the heart of every decision we make—from the way we design and operate our hotels to the experiences we create for our guests and the value we deliver to our stakeholders.

We believe that responsible growth and commercial success are not competing priorities. They are complementary. As we expand, we remain committed to building a hospitality platform that combines purpose with performance, creating lasting value for our guests, employees, partners, communities and investors.

## Our Hospitality — Hospitality with Heart and Intent

For us, hospitality is more than rooms, rates and amenities. It is about creating a sense of care, belonging and connection. We strive to make every stay comfortable, seamless and meaningful, while ensuring that every guest feels welcomed and valued.

Across our brands, we maintain a consistent philosophy of uncompromised comfort, impeccable cleanliness, genuine hospitality, swift arrivals and departures, prompt issue resolution and wholesome breakfast experiences. These standards reflect our commitment to delivering dependable quality at every touchpoint.

We believe that the true measure of hospitality lies not only in what we provide, but in how we make our guests feel. From thoughtfully designed spaces and quality essentials to warm and attentive service, we strive to create experiences that guests remember long after their stay.

**Our Sustainability — Building Responsibly. Growing Consciously.**

Sustainability is not an initiative that sits alongside our business—it is embedded within our business model. We are committed to building and operating hotels that minimise environmental impact while delivering comfort, efficiency and value.

Our approach combines eco-conscious design, energy efficiency, responsible operations, technology-led solutions and low-carbon development. Through our phased expansion strategy, we are refurbishing and developing properties in line with our environmental commitments, while our modular construction approach is designed to deliver faster development with lower emissions.

Our journey is progressing from carbon neutral towards carbon net zero. We believe that every new hotel should not simply add another address to our portfolio, but contribute to a more responsible model of hospitality.

For us, sustainability also extends to the choices we make around food and wellbeing. Our Satva philosophy reflects mindful consumption, vegetarianism and values rooted in spiritual, ethical and ecological considerations.

## Our Credibility — Trust Earned Through Consistency

We believe credibility is built over time—through transparency, accountability, consistency and the ability to deliver on our commitments.

As a listed hospitality company, we operate with a strong sense of responsibility towards our shareholders and stakeholders. Our growth is supported by a disciplined business model designed to balance scalability, financial discipline, operational standards and sustainability.

Our credibility is strengthened by the standards we uphold across our properties, the consistency of our brand promise and our commitment to responsible growth. As we expand into new markets, we remain focused on building a trusted hospitality brand that guests, partners, employees and investors can rely upon.

We measure our progress not merely by the number of hotels or rooms we add, but by the quality of the experiences we create, the trust we earn and the long-term value we build.

**Atithi Devo Bhava — Our Guest. Our Responsibility. Our Honour.**

At the heart of our hospitality philosophy lies the timeless Indian principle of “Atithi Devo Bhava” — the guest is equivalent to God. For us, this is more than a traditional expression. It is a responsibility that guides the way we welcome, serve and care for every guest who walks through our doors.

We believe every guest deserves to be treated with respect, warmth, dignity and genuine care. Whether a guest is travelling for business, leisure, pilgrimage, wellness or a family occasion, we strive to create an environment where they feel comfortable, respected and at home.

As we grow across India, we remain rooted in this timeless value. Our hotels may evolve, our brands may expand and our destinations may change, but our commitment to the guest remains constant. Because for us, hospitality begins with a welcome, is strengthened by care, and is remembered through the experience.

**We are building an India-focused hospitality platform — People, Planet and Profit, together under one purpose.**

CORPORATE OVERVIEW

# Business Model

A Multi-Engine Growth Strategy for Scalable  
Hospitality

# A Multi-Engine Growth Strategy

We have built a multi-engine, asset-light business model that combines operational excellence, capital efficiency and sustainable expansion. Rather than relying on a single operating structure, we deploy multiple partnership models that allow us to grow across business, leisure and spiritual destinations while optimising returns for both property owners and investors.

Our approach enables us to expand rapidly, maintain brand consistency and strengthen our presence across India’s fast-growing hospitality markets, where organised hotel demand continues to accelerate.

## 1. LEASING MODEL

### Transforming Existing Assets into High-Performing Hotels

Our leasing model enables us to rapidly expand by partnering with property owners who possess strategically located hotel assets. We lease properties, refurbish them to align with our brand standards and sustainability principles, and operate them under the Eco Hotels portfolio. This model allows us to accelerate market entry while minimising upfront capital investment.

- Faster market entry through existing assets
- Lower capital intensity with scalable growth
- Brand-led refurbishment and operational upgrades
- Long-term value creation for property owners and stakeholders

## 2. MANAGEMENT CONTRACTS

### Managing Hospitality. Maximising Value.

Under this model, property owners retain ownership of the hotel while we assume responsibility for day-to-day operations, brand management, revenue optimisation, marketing, guest experience and operational standards. Across India’s organised hospitality sector, management agreements have become the preferred expansion model for branded operators.

- Revenue management and distribution
- Brand standards and quality assurance
- Digital marketing and OTA optimisation
- Staff training and operational excellence
- Guest experience management

## 3. REVENUE SHARING MODEL

### Shared Success Through Aligned Incentives

Instead of relying solely on fixed lease commitments, both parties participate in the property’s commercial success through a pre-agreed revenue-sharing structure, encouraging stronger occupancy, higher guest satisfaction and improved operational performance.

- Shared commercial upside
- Performance-driven partnership
- Greater flexibility across diverse markets
- Long-term alignment between owner and operator

# Enterprise. Build. Operate. Trade.

Our proprietary EBOT™ (Enterprise, Build, Operate, Trade) model is a full-spectrum, end-to-end hospitality development and investment platform designed to address the evolving needs of India’s budget and midscale hospitality market. The model brings together investment structuring, project development, sustainable construction, professional hotel operations and asset lifecycle management under one integrated framework.

EBOT is central to our asset-light growth strategy, allowing us to pursue growth with greater speed, operational control and capital efficiency, while keeping sustainability at the forefront.

**E** **Enterprise — Creating the Foundation for Investment**

We support investors in setting up a dedicated enterprise and managing the essential processes required to take the project from concept to execution — company incorporation, banking arrangements, statutory compliance, land identification and sourcing, title due diligence, negotiations and acquisition support, with market and location feasibility validated through partners such as CBRE, HVS and Knight Frank.

**B** **Build — Building Faster, Smarter and More Sustainably**

Our development approach combines hospitality expertise with the 3D volumetric steel modular construction technology of Modulex, our Group company — delivering a 100-room hotel in under 52 weeks with up to 60% lower CO<sub>2</sub> emissions compared with conventional construction.

**O** **Operate — Turning Assets into High-Performing Hospitality Businesses**

We take responsibility for professional hotel operations — revenue management, guest experience, brand standards, sustainability compliance, sales and marketing, food and beverage, distribution and operational controls — under a hybrid lease model offering the investor either a minimum return or a revenue share, whichever is higher.

**T** **Trade — Creating Value Across the Asset Lifecycle**

The Trade phase provides a structured pathway for asset monetisation and exit, including sale and buyback options. Upon sale, the investor receives a 10% annualised hurdle rate before Eco Hotels receives a 20% carried interest on capital gains.

**EBOT™ — a full-cycle model for building sustainable hospitality assets and creating long-term value.**

# Restaurant Franchise & Catering

## 4. RESTAURANT FRANCHISE MODEL

### Scaling Our Food & Beverage Brands

Our hospitality ecosystem extends beyond hotels through a growing portfolio of differentiated restaurant concepts, including Sahar, GG’s Rooftop Lounge, Kick in the Brick and EcoSip Cafe. Our restaurant franchise model enables entrepreneurs and developers to bring these brands into new markets while benefiting from our operational systems, culinary expertise, brand standards, marketing support and supply chain guidance.

- Brand identity and design guidance
- Standardised operating procedures
- Menu development and culinary training
- Marketing and promotional support
- Quality assurance and operational audits

## 5. CATERING BUSINESS

### Outside Catering

Our Outside Catering business extends our food and beverage expertise beyond our hotels and restaurants, enabling us to serve corporate events, weddings, social celebrations, private functions and institutional gatherings at external venues — creating cross-selling opportunities with our banquet, events and hospitality businesses.

**One platform. Five growth engines. One purpose — building responsible hospitality that creates value for people, partners and the planet.**

**CORPORATE OVERVIEW**

# Eco Brands

One Philosophy. A Portfolio Designed for Every Journey.

# Our Eco Brands

We are building a diverse portfolio of hospitality brands that enables us to serve India’s evolving traveller across business, leisure, pilgrimage, wellness and regional tourism. While each brand has a distinct character, format and guest proposition, they are united by our core philosophy of People, Planet and Profit and our commitment to delivering comfort with conscience.

Our brand architecture is designed to address a wide spectrum of hospitality needs—from value-led short stays and business travel to mid-premium experiences, premium hospitality, pilgrimage, wellness and destination-led stays. Each brand has a clearly defined segment, star category, scale and guest proposition.

01

## EcoValue

**Budget-Smart. Purpose-Driven.**

**Segment:** Economy / Budget      **Star Category:** 2-Star+      **Typical Keys:** 15–35

EcoValue is our entry-level economy brand, designed for travellers who prioritise affordability, cleanliness, functionality and essential comfort — particularly suited to budget-conscious travellers, pilgrimage markets, transit locations and high-volume short-stay destinations. A typical EcoValue property has 15–35 keys, 2-Star+ positioning and an indicative price range of ₹1,500–₹3,500. Our operating property in Kochi demonstrates this proposition with 16 rooms.

*"Affordable hospitality without compromising on the essentials."*

02

## EcoXpress

**Compact Hotels. Complete Comfort.**

**Segment:** Smart Midscale      **Star Category:** 3-Star+      **Typical Keys:** 30–65

EcoXpress is our smart midscale hospitality brand for business travellers, transit guests, pilgrims and short-stay leisure travellers — typically 30–65 keys, 3-Star+, priced ₹2,500–₹4,500. Our EcoXpress Varanasi property illustrates the concept with 30 rooms for pilgrims, leisure travellers and business guests.

*"Efficient hospitality, thoughtfully designed around the modern traveller."*

03

## The Eco

**Mid-Premium with a Mindful Soul.**

**Segment:** Mid-Premium / Full-Service      **Star Category:** 3-Star+      **Typical Keys:** 40–100

Our flagship mid-premium proposition, combining comfort, community and conscience through full-service 3-Star+ accommodation, rooftop experiences, banquet facilities, meeting spaces and 24-hour dining — typically 40–100 keys, priced ₹3,000–₹6,000. Being expanded across destinations including The Eco Bengaluru and The Eco Vadodara.

*"Contemporary comfort where hospitality, community and conscience come together."*

04

The Eco Grand

Luxury Rooted in Responsibility.

Segment: Premium / Upper Upscale

Star Category: 4-Star+

Typical Keys: 75–150

Our premium proposition for travellers seeking greater space, elevated comfort, curated dining and wellness — larger rooms, signature interiors, multiple restaurants, bar and pub, swimming pool and wellness facilities. Typically 75–150 keys, 4-Star+, priced ₹3,500–₹7,499. The Eco Grand Mysuru is a planned 109-key flagship.

*"Premium experiences that combine indulgence with responsibility."*

| The Eco Boutique | Boutique / Destination           | Not specified           | Property-specific | Intimate, character-led and destination-oriented stays               |
| The Eco Resort   | Resort / Leisure & Wellness      | Not specified           | Property-specific | Leisure, wellness and experiential destination hospitality           |

# The Satva Philosophy, Boutique & Resort

## The Satva Philosophy — Where Hospitality Meets Mindful Living

Satva is not a separate star category; it is a philosophical and culinary designation within our brand architecture. Where a property is predominantly vegetarian, we append “Satva” to the underlying brand—for example, The Eco Satva, EcoXpress Satva or EcoValue Satva. The Satva experience is anchored by Sahar, our pure vegetarian restaurant inspired by Jain and Vaishnav traditions, following a strict No Onion and No Garlic philosophy.

## The Eco Boutique — Intimate Stays. Distinctive Experiences.

The Eco Boutique represents our more intimate and character-led hospitality offering, designed for leisure travellers, families, spiritual retreats and intimate getaways. Our Eco Boutique Satva Udaipur property reflects this proposition, combining contemporary comfort with sustainable hospitality.

*"Personalised hospitality shaped by the character of the destination."*

## The Eco Resort — Escape. Reconnect. Renew.

The Eco Resort extends our portfolio into destination-led hospitality, participating in the growing segments of leisure, wellness, recreation and experiential travel, complementing our urban, business and pilgrimage-led hotels.

*"Purposeful escapes that reconnect guests with place, people and themselves."*

**Different segments. Different formats. Different experiences. One Eco philosophy.**

# Our Restaurant Brands

Our food and beverage portfolio is an integral part of our hospitality proposition. Our restaurant brands have been consciously developed around vegetarian-first cuisine, mindful consumption, contemporary dining formats and memorable social experiences.

PURE VEGETARIAN · SATTVIC · CONSCIOUS

## Sahar

Our flagship pure vegetarian dining concept, inspired by Jain and Vaishnav traditions. Kitchens strictly exclude onion and garlic, with dedicated cutlery, crockery, glasses and utensils to prevent cross-contamination.

*A pure vegetarian, sattvic dining experience rooted in Indian values and mindful living.*

OPEN-TO-SKY · VIBRANT · VEGETARIAN

## GG's

Our open-to-sky rooftop dining and family lounge concept, offering Pan-Asian and Continental vegetarian cuisine. Our Kota property's double-deck rooftop lounge demonstrates the scale of the concept.

*A lively rooftop vegetarian dining experience where food, views and social occasions come together.*

MUSIC · ENERGY · FLAVOUR

## Kick in the Brick

Our energetic vegetarian restobar and family lounge concept, combining music, entertainment, socialising and vegetarian food with a Continental and Indian menu, built for the young and the young-at-heart.

*An energetic vegetarian restobar where food, music and entertainment come together.*

CRAFTED COFFEE · THOUGHTFUL MOMENTS

## EcoSip Café

Our specialty coffee concept, built around carefully sourced beans, premium equipment and trained baristas — complementing our hotels while providing an independent café experience.

*A specialty coffee destination built around craftsmanship, quality and thoughtful service.*

| Brand             | Core Format                        | Culinary Proposition               | Experience                         |
|-------------------|------------------------------------|------------------------------------|------------------------------------|

Our F&B concepts are designed to become destinations in themselves — creating additional guest touchpoints, attracting local communities, enhancing hotel revenues and strengthening brand engagement.

**Different flavours. Different occasions. One conscious approach to hospitality.**

# Our Six Core Strengths

01

### Sustainable Hospitality

**Industry Insight:** Sustainability is increasingly moving from a differentiator to a fundamental expectation in hospitality. Travellers, investors and hotel operators are placing greater emphasis on energy efficiency, responsible development and lower-carbon operations.

**Our Positioning:** We have built sustainability into the core of our business model. Our People, Planet and Profit philosophy guides the way we design, develop and operate our hotels. Our journey from carbon neutral towards carbon net zero reflects our long-term commitment to responsible hospitality.

02

### Accessible Premium Hospitality

**Industry Insight:** India’s hospitality opportunity is expanding beyond the largest metropolitan markets. Demand for quality accommodation is growing across Tier II and Tier III cities, supported by rising incomes, improving connectivity, domestic travel and the growth of leisure and spiritual tourism.

**Our Positioning:** We are positioned to bridge the gap between affordability and quality. Our multi-brand architecture enables us to serve different customer segments and price points while maintaining our fundamental promise of comfort, cleanliness, service and sustainability.

03

### India-Centric, Multi-Destination Growth

**Industry Insight:** Domestic tourism continues to be the principal engine of India’s hospitality growth, while Tier II and Tier III cities and spiritual destinations are emerging as important sources of new demand.

**Our Positioning:** We are building a pan-India hospitality platform rooted in India’s emerging travel corridors, spanning business centres, pilgrimage destinations, leisure markets, wellness destinations and regional tourism hubs.

04

### Consistent Guest Experience

**Industry Insight:** As hotel supply becomes increasingly organised and competitive, consistency in service and guest experience is becoming a critical differentiator.

**Our Positioning:** Across our brands, we have established common service principles including uncompromised comfort, premium beds and linen, impeccable cleanliness, genuine hospitality, one-minute check-in and check-out, prompt issue resolution and wholesome breakfast experiences.

05

### Purpose-Led Indian Hospitality

**Industry Insight:** India’s travel ecosystem is becoming increasingly diverse, with strong growth across leisure, wellness, spiritual and experience-led travel, alongside greater interest in conscious consumption.

**Our Positioning:** Our Satva philosophy reflects mindful consumption, vegetarianism and spiritual, ethical and ecological considerations. At the heart of our service philosophy is “Atithi Devo Bhava.”

06

### Scalable, Asset-Light Growth

**Industry Insight:** India’s organised hotel sector is entering a strong expansion cycle. Asset-light models, management contracts and franchise-led expansion are increasingly important for scaling hotel platforms efficiently.

**Our Positioning:** Alongside leased and managed properties, our proprietary EBOT model provides an integrated pathway for developing and operating sustainable hospitality assets, with an ambition to operate 5,000+ rooms across India.

# Management Discussion and Analysis

## Management Discussion and Analysis

### 1. Economic and Industry Overview

The Indian hospitality industry continued its recovery and entered a phase of structural growth during FY2025–26. Domestic tourism, pilgrimage and spiritual travel, leisure travel, corporate travel, MICE activities, destination events and improving connectivity remained key drivers of hotel demand.

The hospitality sector is also witnessing increasing consumer preference for differentiated, sustainable and experience-led accommodation. At the same time, the industry remains exposed to inflationary pressures, rising employee and operating costs, competition from established hotel chains and alternative accommodation platforms, and the significant capital and working-capital requirements associated with expansion.

Against this backdrop, Eco Hotels and Resorts Limited ("EHRL" or "the Company") continued to build its presence as a sustainable hospitality platform, with an emphasis on an asset-light expansion model, multiple hotel brands and strategically located properties in high-demand tourism, business and pilgrimage markets.

### 2. Company Overview and Business Strategy

**Eco Hotels and Resorts Limited is a BSE-listed hospitality company promoted by Eco Hotels UK PLC. The Company is developing a portfolio of hospitality offerings across multiple segments through brands including THE ECO, THE ECO GRAND, ECO RESORT, ECO BOUTIQUE, ECOXPRESS, ECOVALUE, and THE ECO SATVA.**

**Its food and beverage portfolio includes brands such as SAHAR, GG'S, KICK IN THE BRICK, ECO SIP CAFE AND BANQUET HALL – SAMPARK.**

The Company's strategy is based on creating a scalable hospitality platform with a differentiated focus on sustainability, vegetarian food offerings, efficient operating formats and locations with attractive tourism and business potential.

The Company is pursuing an asset-light approach, including long-term lease arrangements, management/operating arrangements and selective development opportunities. This strategy is intended to enable faster network expansion while reducing the capital intensity associated with outright ownership of hotel properties.

During FY2025–26, management continued to focus on increasing its operating footprint, establishing its brands in new markets and creating a platform capable of generating operating leverage as newly launched properties mature.

### 3. Business Performance During FY2025–26

FY2025–26 represented an important transition year for the Company from an early-stage expansion platform towards a larger operating hospitality business.

**The Company's consolidated total revenue increased substantially during the year, reaching approximately Rs.498.91 lakh, compared with approximately Rs.109.24 lakh in FY2024–25, representing growth of approximately 357%.**

Consolidated revenue from operations increased from approximately Rs.16.56 lakh in FY2024–25 to approximately Rs. 485.18 lakh in FY2025–26. The significant increase reflects the addition and ramp-up of new properties during the year.

**However, the Company remained in an investment and expansion phase. Consolidated loss after tax increased to approximately Rs.1083.39 lakh, compared with approximately Rs. 354.84 lakh in FY2024–25. The increase in loss reflects the Company's continued investment in expansion, operating infrastructure, property-related costs and other expenses incurred in building the platform.**

**The March 2026 quarter demonstrated continuing improvement in the operating scale, with consolidated total revenue of approximately Rs.247.39 lakh, compared with approximately Rs.10.09 lakh in the corresponding quarter of the previous year.**

The financial performance should therefore be viewed in the context of the Company's rapid expansion and the relatively short operating history of several of its properties. Management's key objective remains to convert increasing room inventory and occupancy into improved operating leverage, cash generation and, ultimately, sustainable profitability.

## 4. Operational Expansion

A significant feature of FY2025–26 was the acceleration in the Company's hotel expansion programme.

**New properties in Varanasi and Vadodara commenced operations towards the end of September 2025. The performance of these properties provided encouraging evidence of demand in the Company's target markets.**

**The Varanasi property recorded occupancy of approximately 85% in December 2025, with 100% occupancy achieved on multiple days. The Kochi property also recorded occupancy of approximately 80% during November and December 2025.**

These operating indicators demonstrate the potential of the Company's location strategy, particularly in markets supported by pilgrimage, leisure and business demand.

**The Company also expanded its presence in Ayodhya, a major spiritual tourism destination. The 33-room property was launched in March 2026, providing the Company with a strategic presence in one of India's rapidly developing pilgrimage markets.**

**The Company also signed its first boutique property in Udaipur, comprising 20 rooms and a rooftop vegetarian restaurant. The property is intended to strengthen the Company's presence in the leisure and experiential tourism segment. This property started from June 01 2026.**

## 5. Market and Location Strategy

The Company is following a location-led expansion strategy, with a focus on destinations that offer strong structural demand rather than relying solely on traditional metropolitan markets.

The Company's target markets include:

- Pilgrimage and spiritual destinations;
- Leisure and tourist destinations;
- Metropolitan and business centres;
- Emerging Tier-II cities;
- High-growth suburban markets; and
- Locations supported by improving transport connectivity.

The Company's presence in Varanasi, Ayodhya and Udaipur illustrates its strategy of combining spiritual tourism with leisure and experiential travel.

The Company believes that the growth of domestic tourism, rising travel frequency and improving connectivity will continue to create opportunities for branded accommodation in emerging destinations.

## 6. Brand Portfolio

The Company's multi-brand strategy is intended to address different customer segments while allowing it to deploy an appropriate hotel format depending upon the location and demand characteristics.

The portfolio includes brands positioned across economy, mid-market, upscale and boutique formats.

This approach provides flexibility in developing properties with different room counts, service levels and ancillary offerings.

The Company also intends to develop its food and beverage portfolio alongside its hotel brands. Restaurants, rooftop dining, banqueting and other food and beverage offerings are expected to contribute to customer engagement as well as non-room revenue.

The Company's emphasis on vegetarian food offerings provides a further point of differentiation, particularly in pilgrimage and family-oriented tourism markets.

## 7. Sustainability and Environmental Positioning

Sustainability remains an important component of the Company's business positioning.

The Company seeks to integrate environmentally responsible practices into hotel design and operations, with emphasis on efficient resource utilization, responsible consumption and reduction of environmental impact.

The sustainability proposition is intended to serve both as an environmental commitment and as a business differentiator.

Going forward, the Company intends to further strengthen sustainability practices across its portfolio through energy efficiency, water conservation, waste management, responsible sourcing and environmentally conscious operating practices, wherever commercially and operationally feasible.

## 8. Financial Performance

### Consolidated Financial Performance (Indian Rs. in Lakhs)

| Particulars             | FY2025-26 | FY2024-25 | Change             |
|-------------------------|-----------|-----------|--------------------|
| Revenue from Operations | 485.18    | 16.56     | Significant growth |
| Total Revenue           | 498.91    | 109.24    | 357%               |
| Loss Before Tax         | 1146.85   | 297.48    | Increased          |
| Loss After Tax          | 1083.39   | 354.84    | Increased          |

\*The FY2025–26 consolidated loss figure is presented based on the reported audited results; the final Annual Report should be used for the Company's exact classification of profit/loss line items.

The substantial increase in revenue reflects the scaling up of the Company's operating portfolio. However, the corresponding increase in operating and other expenses resulted in continued losses.

Management recognizes that revenue growth alone is not sufficient to create long-term shareholder value. The Company's focus will increasingly shift towards improving property-level profitability, optimizing costs, increasing occupancy, enhancing average room rates and generating positive operating cash flows.

## 9. Quarterly Momentum

The fourth quarter of FY2025–26 showed a further increase in operating scale.

**Consolidated total revenue for Q4 FY2025–26 was approximately Rs. 247.24 lakh, compared with approximately Rs. 10.08 lakh in Q4 FY2024–25.**

The Company's Q3 FY2025–26 revenue from operations was approximately Rs.179.31 lakh, compared with Rs. 3.63 lakh Q3 FY2024–25. The improvement in quarterly revenue reflected the contribution from recently launched properties and improving occupancy levels.

The progressive increase in quarterly revenue indicates that the Company's newly commissioned properties are beginning to contribute meaningfully to the overall revenue base.

## 10. Profitability

The Company continued to report losses during FY2025–26.

The principal reason is the Company's current stage of development. Several properties are in the initial ramp-up phase, while corporate, operating, lease and expansion-related expenses are being incurred ahead of the full realization of revenue potential.

The Company expects that increasing occupancy, maturation of properties, improved room-rate realization, greater utilization of food and beverage facilities and operating leverage can progressively improve property-level economics.

Management is therefore focused on achieving a sustainable balance between expansion and profitability.

The key profitability priorities are:

- Improving occupancy;
- Enhancing Average Daily Rate (ADR);
- Increasing Revenue per Available Room (RevPAR);
- Improving food and beverage contribution;
- Controlling employee and operating expenses;

- Improving procurement efficiency;
- Optimizing property-level staffing;
- Increasing direct bookings; and
- Improving cash conversion.

## 11. Balance Sheet and Financial Resources

The Company's expansion strategy requires adequate financial resources to support property development, lease commitments, deposits, working capital, corporate infrastructure and operating expenses.

During FY2025–26, the Company continued the process of raising funds through its partly paid-up rights issue. The rights issue and subsequent call-money process are intended to strengthen the Company's financial resources and support its business plan.

The Company is required to carefully manage its liquidity position while continuing to expand its operating portfolio.

Management's financial priorities include maintaining adequate liquidity, aligning expansion expenditure with expected operating returns, improving cash generation and ensuring disciplined deployment of capital.

The increase in lease-related liabilities associated with the Company's expansion model also requires careful monitoring. Management intends to evaluate new properties on the basis of location quality, expected demand, commercial terms, projected operating performance and long-term cash-flow potential.

## 12. Asset-Light Business Model

The Company's asset-light strategy remains a central component of its growth plans.

Under this model, the Company can expand its hotel network without necessarily investing the full amount required to acquire hotel real estate.

The strategy offers several potential advantages:

- Faster expansion;
- Lower upfront capital requirements;
- Access to strategic locations;
- Greater portfolio flexibility;
- Potentially improved return on capital over the long term; and
- Ability to deploy capital towards brand building, technology and operating infrastructure.

However, an asset-light model also involves contractual lease obligations, minimum guarantees or fixed commitments in certain arrangements. Therefore, careful property-level underwriting and due diligence remain critical.

Management intends to balance growth with commercial discipline and avoid expansion that could place disproportionate pressure on cash flows.

## 13. Business Development and Expansion Pipeline

During FY2025–26, the Company developed an extensive expansion pipeline covering both existing and new markets.

**The Company's expansion opportunities included properties in markets such as Ayodhya, Udaipur, Shirdi, Chhatrapati Sambhaji Nagar, Mysore, Ayodhya 2 and Dombivli, among others.**

The proposed properties include greenfield and brownfield opportunities, with varying room capacities and ancillary facilities such as restaurants and banquet spaces.

The Company has emphasized that proposed properties are subject to due diligence and commercial evaluation before final agreements are executed.

Management believes that a diversified portfolio across spiritual, leisure and business destinations can reduce concentration risk and create multiple sources of future revenue growth.

## 14. Food and Beverage Business

Food and beverage are an important complementary revenue stream for the Company's hospitality business.

The Company's F&B brands and concepts are intended to provide differentiated vegetarian dining experiences and increase revenue generated per guest.

Restaurants, rooftop outlets, banquets and event spaces can also attract customers who are not staying at the hotel, thereby increasing asset utilization.

The Company intends to strengthen F&B revenues by:

- Developing differentiated restaurant concepts;
- Increasing banquet and event business;
- Improving menu engineering;
- Optimizing food costs;
- Increasing restaurant utilization; and
- Integrating F&B offerings with the hotel guest experience.

## 15. Digitalization and Technology

Technology is increasingly important in hospitality operations and customer acquisition.

The Company intends to leverage digital channels for reservations, customer engagement, revenue management, marketing and operational monitoring.

Digital initiatives can assist the Company in:

- Improving direct bookings;
- Reducing dependence on third-party distribution;
- Personalizing customer offers;
- Monitoring guest feedback;
- Optimizing room pricing;
- Improving operational efficiency; and
- Building customer loyalty.

Going forward, the Company will continue to evaluate technology investments that provide measurable improvements in guest experience, revenue generation or operating efficiency.

## 16. Human Resources

Hospitality is a service-intensive industry in which employee capability and engagement have a direct impact on customer satisfaction.

As the Company expands its operating portfolio, recruitment, training and retention of skilled personnel will remain important priorities.

Management intends to strengthen standardized operating procedures, training programmes and service-quality monitoring across properties.

The Company also recognizes the importance of creating a positive workplace environment and developing managerial capabilities capable of supporting a growing multi-location hotel portfolio.

## 17. Risk Management

The Company's principal business risks and mitigation measures include the following:

### Market and Demand Risk

Hotel demand can be affected by economic conditions, travel patterns, seasonality and changes in consumer spending.

**Mitigation: The Company is diversifying its portfolio across business, leisure and pilgrimage destinations.**

#### **Competition Risk**

The Company competes with established hotel chains, independent hotels, serviced apartments and online accommodation platforms.

**Mitigation: Multiple brands, differentiated offerings, sustainable positioning and strategic locations are intended to provide competitive differentiation.**

#### **Expansion Risk**

Rapid expansion can create execution, staffing and working-capital challenges.

**Mitigation: Management intends to undertake due diligence and evaluate the commercial viability of individual properties before entering into definitive arrangements.**

#### **Financial and Liquidity Risk**

The Company remains in an expansion phase and has reported losses.

**Mitigation: Management is focused on improving cash flows, raising appropriate capital, controlling costs and progressively increasing property-level profitability.**

#### **Lease and Fixed Commitment Risk**

An asset-light model can result in lease liabilities and fixed contractual commitments.

**Mitigation: Property selection and contractual negotiations are being undertaken with greater emphasis on expected demand, occupancy potential and sustainable cash flows.**

#### **Human Capital Risk**

Shortages of trained hospitality personnel may affect service quality and operating costs.

**Mitigation: Training, employee development and standardized operating procedures are being strengthened.**

#### **Regulatory Risk**

Hotels are subject to multiple regulatory, environmental, safety, licensing and statutory requirements.

**Mitigation: The Company continues to maintain compliance systems and appropriate internal controls.**

## **18. Internal Controls and Corporate Governance**

The Company recognizes that effective internal controls are essential as its operations expand across multiple locations.

Internal controls are designed to safeguard assets, support reliable financial reporting, promote operational efficiency and ensure compliance with applicable laws and regulations.

The Company has constituted appropriate Board-level committees in accordance with applicable regulatory requirements, including the Audit Committee, Nomination and Remuneration Committee, Stakeholders' Relationship Committee and Corporate Social Responsibility Committee.

The Company also undertakes periodic review of its governance and compliance framework.

As the business expands, management intends to further strengthen financial controls, property-level reporting, procurement controls, information systems and compliance monitoring.

## **19. Outlook**

Management remains optimistic about the long-term prospects of the Indian hospitality sector and the Company's ability to participate in its growth.

The Company's growth strategy is supported by:

- Increasing domestic travel;
- Growth in pilgrimage and spiritual tourism;
- Rising demand for branded accommodation;

- Expansion of tourism infrastructure;
- Growth of Tier-II and Tier-III markets;
- Increasing preference for experiential travel;
- Opportunities in boutique and mid-market hospitality; and
- The scalability of the Company's asset-light operating model.

The Company intends to continue expanding its portfolio while improving the performance of existing properties.

Management's immediate focus will be on increasing the contribution of newly opened hotels, stabilizing occupancy, improving room-rate realization and enhancing property-level operating margins.

## 20. Outlook for FY2026–27

FY2026–27 is expected to be an important year for the Company's transition from expansion-led growth towards operating leverage.

The Company has communicated an ambitious business plan for FY2026–27, including further additions to its hotel portfolio. Management's ability to execute this expansion while maintaining financial discipline will be a key determinant of future performance.

The Company expects new properties to contribute progressively as they commence operations and move through their initial ramp-up phase.

Management will focus on the following priorities during FY2026–27:

1. **Accelerating hotel openings in carefully selected markets;**
2. **Improving occupancy at existing properties;**
3. **Increasing ADR and RevPAR through effective revenue management;**
4. **Expanding F&B and banquet revenues;**
5. **Improving operating margins through scale and cost control;**
6. **Strengthening cash flows;**
7. **Optimizing lease and property-level economics;**
8. **Building brand awareness across target markets;**
9. **Expanding distribution and direct booking channels; and**
10. **Maintaining financial and operational discipline while scaling the business.**

## 21. Strategic Priorities

The Company's medium- to long-term strategy can be summarized under five key priorities:

### Scale

Build a meaningful pan-India hospitality portfolio through a combination of asset-light and selective development opportunities.

### Brand

Establish Eco Hotels as a differentiated, sustainable and customer-focused hospitality brand across multiple price points.

### Profitability

Transition from expansion-led revenue growth to sustainable property-level profitability and operating cash generation.

### Sustainability

Embed environmental and responsible hospitality practices across the portfolio.

### Customer Experience

Deliver consistent service, differentiated F&B concepts and technology-enabled guest experiences.

## 22. Key Performance Indicators

Going forward, management intends to place increasing emphasis on operating indicators that more directly reflect the performance of the hospitality business.

These include:

- Occupancy percentage;
- Average Daily Rate (ADR);
- Revenue per Available Room (RevPAR);
- Revenue from rooms;
- Food and beverage revenue;
- Revenue per occupied room;
- Property-level EBITDA;
- EBITDA margin;
- Operating cash flow;
- Direct booking contribution;
- Guest satisfaction scores; and
- Number of operational rooms/keys.

These indicators will provide a more meaningful assessment of the Company's operational progress as its hotel portfolio expands.

## 23. Management Assessment

FY2025–26 was a transformational year for Eco Hotels and Resorts Limited.

The Company delivered substantial growth in revenue as newly launched properties began contributing to the business. Properties in Varanasi, Vadodara and Kochi demonstrated encouraging demand, while the launch of the Company's Ayodhya property and expansion into Udaipur further strengthened its presence in high-potential tourism markets.

At the same time, the Company's financial results reflect the costs associated with rapid expansion. The significant increase in revenue has not yet translated into profitability, and the Company continues to operate in an investment and scale-up phase.

Management's principal challenge and opportunity is therefore to convert the expanding hotel network into sustainable and profitable operations.

The Company's strategy of combining an asset-light model, multiple brands, strategic locations, differentiated vegetarian F&B concepts and sustainability-led positioning provides a platform for future growth. However, disciplined execution, liquidity management, property-level profitability and prudent expansion will remain critical.

Management believes that the Company is well positioned to participate in India's long-term hospitality growth and remains focused on creating a scalable, sustainable and financially stronger hospitality enterprise.

  - (iii) The Company has engaged the services of Bigshare Services Private Limited as the Agency to provide e-voting facility.
  - (iv) Voting rights shall be reckoned on the paid-up value of shares registered in the name of the member / beneficial owner (in case of electronic shareholding) as on the cut-off date, September 23, 2026.
  - (v) A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date, i.e. September 23, 2026 only shall be entitled to avail the facility of e-voting / remote e-voting.
  - (vi) Any person who becomes a member of the Company after dispatch of the Notice of the Meeting and holding shares as on the cut-off date i.e. September 23, 2026 may obtain the User ID and password from BIG SHARE SERVICES PRIVATE LIMITED (Registrar & Transfer Agents of the Company).

**THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:**

- i. The voting period begins on September 27, 2026 at 09.00 A.M. and ends on September 29, 2026 at 05.00 P.M. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of September 23, 2026 may cast their vote electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

**In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.**

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.
1. Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode** is given below:

| Type of shareholders                                                                                          | Login Method                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

A certificate has been obtained from M/s Kamal Lahoty & Co., Company Secretaries, confirming that none of the Directors on the Company’s Board have been debarred or disqualified from being appointed or continuing as Directors by the Securities and Exchange Board of India (SEBI), the Ministry of Corporate Affairs (MCA), or any other statutory authority. This certificate is attached as **Annexure I** to this Report.

**Independent Directors:**

The Independent Directors of the Company fully comply with the requirements specified under Regulation 16(1) (b) of the SEBI Listing Regulations, 2015. The Company has also received declarations from each Independent Director, affirming their compliance with the independence criteria outlined in the said Regulation, as well as Section 149(6) of the Companies Act, 2013, and the applicable rules thereunder.

None of the Independent Directors of the Company had any material pecuniary relationships or transactions with the Company, its Promoters, or its management during the Financial Year 2025–26 that, in the judgment of the Board, could affect their independence.

In the opinion of the Board, all Independent Directors are genuinely independent of the management and fully satisfy the criteria of independence as defined under the Companies Act, 2013 and the SEBI Listing Regulations, 2015.

As per the applicable provisions of the SEBI Listing Regulations, 2015, the Company has issued formal letters of appointment to all Independent Directors. The terms and conditions of their appointment are disclosed on the Company’s website at <https://www.ecohotels.in/ecohotels.in/investor-relations.html>

Furthermore, the tenure of the Independent Directors is in full compliance with the provisions of the Companies Act, 2013 and the SEBI (LODR) Regulations, 2015.

**Limit on the number of Directorships:**

None of the Directors serves as a director in more than 10 public limited companies, in accordance with Section 165 of the Companies Act, 2013. Additionally, no Director acts as an Independent Director in more than seven listed companies, or in more than three listed companies if they are serving as a Whole-time Director in any listed company, as specified under Regulation 17A of the SEBI (LODR) Regulations.

All Directors also comply with the committee membership limits set out in Regulation 26 of the SEBI (LODR) Regulations. No Director is a member of more than 10 committees or serves as the Chairman of more than five committees across all listed entities where they hold directorships.

**Review of Legal Compliance Reports:**

During the year under review, the Board periodically reviewed compliance reports concerning the various laws applicable to the Company, as prepared by the Management

Board Performance Evaluation:

The Company has established a formal Policy for evaluating the performance of the Board, Committees, and individual Directors, including Independent Directors. This policy encompasses criteria such as preparedness for meetings, constructive contributions, business acumen, communication with fellow Board members, adherence to the code of conduct, and alignment with vision and strategy.

Both the Board and the Nomination and Remuneration Committee conduct annual reviews of individual directors’ performance, focusing on their contributions to meetings, engagement, domain expertise, and compliance. Additionally, a dedicated Board meeting is held to evaluate the collective performance of the Board, Committees, and individual directors.

Furthermore, independent directors convene separately to assess the performance of non-independent directors, the Board as a whole, and the Chairman, considering input from both executive and non-executive directors. This comprehensive evaluation process ensures accountability, transparency, and continuous improvement in governance practices.

Succession Plan:

The Board constantly evaluates the contribution of its members and recommends to the Members their reappointment, if thought fit, upon the expiry of their respective tenures. The Nomination & Remuneration Committee regularly reviews the succession requirements and competency planning priorities of the Board and senior management.

Independent Directors’ Meeting:

A separate meeting of the Independent Directors of the Company was held on November 12, 2025 without the attendance of Non-Independent Directors and Members of the Management. The Independent Directors reviewed (i) the performance of Non-Independent Directors and the Board as a whole; (ii) the performance of the Chairman of the Board taking into account the views of the Executive Directors and Non-Executive Directors; and (iii) assessed the quality, quantity and timeliness of flow of information between the Company management and the Board required to effectively and reasonably perform their duties. All Independent Directors were attended the Meeting.

Remuneration of the Directors:

A. Remuneration to Managing Director, Whole-time Director:

## INDEPENDENT AUDITOR'S REPORT

### To the Members of ECO HOTELS AND RESORTS LIMITED

#### Report on the Audit of the Standalone Financial Statements Opinion

We have audited the accompanying standalone financial statements of Eco Hotels and Resorts Limited ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and notes to standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2021, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, its loss including total comprehensive loss, the changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We have conducted the audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibility under those Standards are further described in the Auditors' Responsibility for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended March 31, 2026. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For the matter below, our description of how our audit addressed the matter is provided in that context. We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor’s responsibilities for the audit of the standalone Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone Ind AS financial statements.

### **Other Matter**

The financial statements of the Company for the year ended March 31, 2025, were audited by another auditor who expressed an unmodified opinion on those statements on 20.05.2025.

### **Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of the Management and Board of Directors for the Standalone Financial Statements**

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive loss, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibility for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Management, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter

should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, based on our audit we report, to the extent applicable that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

c) The standalone balance sheet, the standalone statement of Profit and Loss (including other comprehensive loss), the standalone statement of changes in equity and the standalone statement of cash flow dealt with by this Report are in agreement with the books of account.

d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Accounting Standards) Rules 2021.

e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations which would impact its financial position.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in the other notes to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.  
(b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in the Other note to the standalone financial statements, no funds (which are material either individually or in aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.  
(c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The company has not declared or paid any dividend during the year and has not proposed final dividend for the year.

vi. Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the financial year ended March 31, 2026 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

2. As required by the Companies (Auditor’s Report) Order, 2020 (“the Order”) issued by the Central Government of India in terms of Section 143(11) of the Act, we give in “**Annexure B**” a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

### **Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Eco Hotels and Resorts Limited (“the Company”) as of March 31, 2026 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

#### **Management’s and Board of Directors’ Responsibilities for Internal Financial Controls**

The Management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to standalone financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting controls with reference to Standalone Financial Statements of the company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI) and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Standalone Financial Statements both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls systems with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone Financial Statements included obtaining an understanding of internal financial controls over with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to Standalone Financial Statements.

#### **Meaning of Internal Financial Controls over financial reporting**

A company’s internal financial control with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the standalone financial statements.

**Inherent Limitations of Internal Financial Controls over financial reporting**

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial control with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Standalone Financial Statements and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).

## **“Annexure B” to the Independent Auditors’ Report**

The Annexure referred to in paragraph 1 of our Independent Auditors’ Report to the members of the Company on the financial statements for the year ended 31<sup>st</sup> March 2026, we report that:

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- i. a) A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment;  
  
B) The Company does not have any intangible assets hence; this sub clause is not applicable.
  
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its property, plant and equipment by which all property, plant and equipment are verified in a phased manner at reasonable intervals. In accordance with this programme, property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
  
- c) The Company does not have any immovable properties and hence reporting under clause (i)(c) of paragraph 3 of the Order is not applicable.

d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its property, plant and equipment (including right of use assets) or intangible assets or both during the year.

e) To the best of our knowledge and according to information and explanations given to us, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

ii. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the physical verification of inventory has been conducted at reasonable intervals by the management during the year and in our opinion, the coverage and procedure of such verification by the management is appropriate. No discrepancies were noticed on verification between the physical stocks and book records that were more than 10% in aggregate of each class of inventory.

(b) According to the information and explanations given to us, and on the basis of our examination of the records of the Company, the company has not been sanctioned any working capital limit from banks or financial institutions on the basis of security of current assets at any point of time during the year hence reporting under clause (ii) (b) of paragraph 3 of the Order is not applicable.

iii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not provided any guarantee or security or granted any secured or unsecured advances in the nature of loans to companies, firms, limited liability partnerships or other parties during the year. The Company has made investments in its second-tier subsidiary company, in respect of which the requisite information is as below. The

Company has not made any investments or granted any unsecured loans to firms, limited liability partnership during the year.

(a) Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company has made investments in its second-tier subsidiary, details of which are given below:

| Particulars                                         | Amount (Rs.in Lakhs) |
|-----------------------------------------------------|----------------------|
| <u>Aggregate amount invested during the year</u>    |                      |
| - Second Tier Subsidiary Company                    | 0.0001               |
| <u>Balance outstanding as at balance sheet date</u> |                      |
| - Investment in Subsidiary Companies                | 10,082.98            |

(b) According to the information and explanations given to us and based on the audit procedures conducted by us, investments made are, prima facie, not prejudicial to the interest of the Company.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of loans and advances in the nature of loans given during the current year, the repayment of principal and payment of interest has been stipulated and the repayments or receipts have been regular.

d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans and advances in the nature of loans given during the year.

(e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same parties.

(f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment. Hence, reporting under clause (iii)(f) of paragraph 3 of the Order is not applicable.

iv. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has complied with the provisions of Section 185 and Section 186 of the Companies Act, 2013 in respect of investments made, as applicable. The Company has not provided any loans, advances, guarantee or securities that are covered under the provisions of sections 185 and 186 of the Companies Act, 2013.

v. The Company has not accepted any deposit or amounts which are deemed to be deposits within the meaning of Section 73 to 76 or any other relevant provisions of the Act. Hence, reporting under clause (v) of paragraph 3 of the Order is not applicable.

vi. The maintenance of cost records as specified by the Central Government under section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company is not applicable to the Company. Thus, reporting under clause (vi) of paragraph 3 of the order of is not applicable to the Company.

**vii. In respect of statutory dues:**

(a) Undisputed statutory dues, including Goods and Service tax, Provident Fund, Employees' State Insurance, Income-tax, duty of Custom, cess and other material statutory dues applicable to the Company have generally been regularly deposited by it with the appropriate authorities though there has been a delay in respect of remittance of tax deducted at source dues.

There were no undisputed amounts payable in respect of Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Customs Duty, Cess and other material statutory dues in arrears as at March 31, 2026, for a period of more than six months from the date they became payable.

(b) There are no statutory dues referred in sub-clause (a) above which have not been deposited on account of disputes as on March 31, 2026.

viii. There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.

ix. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) According to the information and explanations given to us by the management, the Company has not taken any term loan during the year; hence reporting under clause (ix)(c) of paragraph 3 of the Order is not applicable.

(d) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.

(e) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associate or joint venture.

(f) According to the information and explanations given to us and procedures performed by us, we report that the company has not raised any loans by way of pledge of securities held in its subsidiaries, joint venture or associate companies during the year and hence reporting on clause (ix)(f) of paragraph 3 of the Order is not applicable.

x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause (x)(a) of paragraph 3 of the Order is not applicable.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.

xi. (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

(b) According to the information and explanations given to us and to the best of our knowledge, no report under subsection (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

(c) According to the information and explanations given to us by the management, there were no whistle blower complaints received by the Company during the year.

xii. According to the information and explanations given to us, the Company is not a Nidhi Company and hence reporting under clause (xii) of paragraph 3 of the Order is not applicable.

xiii. In my opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Section 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.

xiv. (a) Based on the information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.

(b) We have considered, the internal audit reports issued to the Company during the year and covering the period upto March 31, 2026.

- xv. In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.
- xvi. (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and hence, reporting under clause (xvi)(a), (b) and (c) of paragraph 3 of the Order is not applicable.  
(b) The Group does not have any Core Investment Company (CIC) as part of the group and accordingly reporting under clause (xvi)(d) of paragraph 3 of the Order is not applicable.
- xvii. The company has incurred cash losses of Rs. 8,43,65,961/- in the current year and of Rs.2,57,26,866/- in the immediately preceding financial year.
- xviii. There has been a resignation of the statutory auditor during the year following the completion of his two-year tenure as initially determined by the Board of Directors. Further, there were no issues, objections or concerns raised by the outgoing auditor in relation to his resignation.

According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements and our knowledge of the Board of Directors and management plans and based on my examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

- xix. In our opinion and according to the information and explanations given to us, the Company does not fulfil the thresholds under section 135 of Companies Act, 2013 and hence, the Company is not liable for any payments towards Corporate Social Responsibility. Accordingly, clause (xx) of paragraph 3 of the Order is not applicable.

## **INDEPENDENT AUDITOR'S REPORT**

### **To the Members of ECO HOTELS AND RESORTS LIMITED**

#### **Report on the Audit of the Consolidated Financial Statements**

##### **Opinion**

We have audited the accompanying consolidated financial statements of Eco Hotels and Resorts Limited (herein after referred to as the "Holding Company"), and its subsidiaries, (Holding Company and its subsidiaries together referred to as "the Group") which comprise the Balance Sheet as at 31<sup>st</sup> March 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and notes to consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2021, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, its loss including total comprehensive loss, the changes in equity and its cash flows for the year ended on that date.

##### **Basis for Opinion**

We have conducted the audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibility under those Standards are further described in the Auditors' Responsibility for the Audit of the consolidated financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our

audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2026. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For the matter below, our description of how our audit addressed the matter is provided in that context. We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated Ind AS financial statements.

### **Other Matter**

The financial statements of the Company for the year ended March 31, 2025, were audited by another auditor who expressed an unmodified opinion on those statements on 20.05.2025.

### **Information Other than the Consolidated Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our

audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of the Management and Board of Directors for the Consolidated Financial Statements**

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance, total comprehensive loss, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are responsible for overseeing the Company's financial

reporting process.

### **Auditor's Responsibility for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entity included in the Consolidated Financial Statements, which have been audited by other auditor, such other auditor remains responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Other Matters**

We did not audit the financial statements / financial information of the ultimate subsidiary "Eco Hotels Ayodhya Private Limited", whose financial statements / financial information reflect total assets of Rs. 1.00 Lakhs as at March 31, 2026, total revenues of Rs. Nil and decrease in the net cash flows amounting to Rs. 0.04 in Lakhs for the year ended 31st March, 2026, as considered in the consolidated financial statements. This financial statements / financial information has been audited by other auditor whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the reports of the other auditor.

Our opinion on the consolidated financial statements and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect

to our reliance on the work done and the reports of the other auditor and the financial statements / financial information certified by the Management.

**Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, based on our audit and consideration of report of other auditor on separate financial statements and other information of subsidiary as noted in the Other Matter paragraph we report, to the extent applicable that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of aforesaid Consolidated Financial Statements.

b) In our opinion, proper books of account as required by law relating to preparation of aforesaid Consolidated Financial Statements have been kept by the Company so far as it appears from our examination of those books and the reports of other auditors;

c) The Consolidated Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Loss, the Statement of Cash Flow and Statement of Changes in Equity dealt with by this Report are in the agreement with the books of account maintained for the purpose of preparation of the Consolidated Financial Statements.

d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Accounting Standards) Rules 2021.

e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors of Holding Company and the reports of Statutory Auditor of its subsidiary companies, none of the directors of the Group is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.

f) With respect to the adequacy of the internal financial controls under Clause (1) of Sub-section 3 of section 143 of the companies Act, 2013 ("the Act") over financial reporting of the

group and the operating effectiveness of such controls, refer to our separate Report in “**Annexure A**”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Group’s internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Group Company does not have any pending litigations which would impact its consolidated financial position.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company.
- iv. (a) The Management of the Holding Company has represented that, to the best of its knowledge and belief, as disclosed in the other notes to the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Group to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Group (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management of the Holding Company has represented to us and the other auditor of such subsidiary respectively that, to the best of its knowledge and belief, as disclosed in the Other note to the consolidated financial statements, no funds (which are material either individually or in aggregate) have been received by the Group from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise that the Group shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. The company has not declared or paid any dividend during the year and has not proposed final dividend for the year.
- vi. Based on our examination, which included test checks, the Holding Company has used accounting software systems for maintaining its books of account for the financial year ended March 31, 2026 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Holding Company as per the statutory requirements for record retention.

Similarly, in the case of Subsidiary incorporated in India – Eco Hotels India Private Limited, the feature of recording audit trail (edit log) facility of the accounting software used for maintaining its books of accounts was enabled and operated

throughout the year for all the relevant transactions recorded in the software systems. Further, for the period where audit trail (edit log) facility was enabled and operated throughout the year for the respective accounting software, we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Similarly, in the case of Subsidiary incorporated in India – Eco Hotels Ayodhya Private Limited, the feature of recording audit trail (edit log) facility of the accounting software used for maintaining its books of accounts was enabled and operated throughout the year for all the relevant transactions recorded in the software systems. Further, for the period where audit trail (edit log) facility was enabled and operated throughout the year for the respective accounting software, we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

2. With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, according to the information and explanations given to us, and based on the audit report under section 143 issued by us and the auditors of respective company included in the consolidated financial statements, as provided to us by the Management of the Holding Company we report that CARO is applicable to the Holding Company and its chain subsidiaries included in the consolidated financial statements. We have reported that there are no qualifications or adverse remarks in the CARO report of the Group.

## **Annexure “A” to the Independent Auditor’s Report**

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date to the Members of Eco Hotels and Resorts Limited

### **Report on the Internal Financial Controls with reference to consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

In conjunction with our audit of the Consolidated Financial Statements of Eco Hotels and Resorts Limited (hereinafter referred to as the “Holding Company”) as at and for the year ended 31st March, 2026, we have audited the internal financial controls with reference to Consolidated Financial Statements of the Holding Company and its subsidiary companies, which are companies incorporated in India, as of that date.

### **Management’s and Board of Directors’ Responsibilities for Internal Financial Controls**

The Management and the Board of Directors of the Holding Company are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Holding Company’s internal financial controls over financial reporting controls with reference to Consolidated Financial Statements of the company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants

of India (ICAI) and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Consolidated Financial Statements both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group and its associates incorporated in India, internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over financial reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that,

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated financial statements.

#### **Inherent Limitations of Internal Financial Controls over financial reporting**

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial control with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, the Holding Company which is incorporated in India and its subsidiaries which are incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2026, based on the criteria for internal financial control with reference to Consolidated Financial Statements established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).

**Other Matters**

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated Financial Statements in so far as it relates to two Indian subsidiaries which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India. Our opinion is not modified in respect of the above matters.

## **ECO HOTELS AND RESORTS LIMITED**

### **Notes to the Consolidated Financial Statements for the year ended March 31, 2026**

#### **1. Corporate Information**

The company is engaged in the business of building hotels, management and operations of hotels, services which are allied service in hospitality business such as food and beverages, banquet rentals, ticket booking, car rentals, tours, etc.

#### **2. Significant Accounting Policies**

##### **i) Statement of Compliance**

These financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

##### **ii) Basis of Preparation and Presentation**

a) The accounts of the company are prepared under the historical convention using accrual method of accounting. The company has incurred huge losses. The net worth of the company is completely eroded. After change in management, change in main activity of business and change in promoters, the company is hopeful for the revival in its business activities in future and hence these financial statements have been prepared on going concern basis, despite accumulated losses.

b) A number of Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has established policies and procedures with respect to the measurement of fair values. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. The best estimate of the fair value of a financial instrument on initial recognition is normally the transaction price – i.e. the fair value of the consideration given or received. If the Company determines that the fair value on initial recognition differs from the transaction price and the fair value is evidenced neither by a quoted price in an active market for an identical asset or liability nor based on a valuation technique that uses only data from observable markets, then the financial instrument is initially measured at fair value, adjusted to defer the difference between the fair value on initial recognition and the transaction price. Subsequently that difference is recognised in Statement of Profit and Loss on an appropriate basis over the life of the instrument but no later than when the valuation is wholly supported by observable market data or the transaction is closed out. In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

Assets and Liabilities are classified as Current or Non-Current as per the provisions of Schedule III to the Companies Act, 2013 and the Company's Normal Operating Cycle. Based on the nature of business, the Company has ascertained its operating cycle as 12 months for the classification of assets and liabilities.

c) Basis of Consolidation

The Company consolidates all entities which are controlled by it. The Company establishes control when; it has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect the entity's returns by using its power over relevant activities of the entity. Entities controlled by the Company are consolidated from the date control commences until the date control ceases. The results of subsidiaries acquired, or sold, during the year are consolidated from the effective date of acquisition and up to the effective date of disposal, as appropriate. The financial statements of the Group companies are consolidated on a line-by-line basis and all inter-company transactions, balances, income and expenses are eliminated in full on consolidation. Changes in the Company's interests in subsidiaries that do not result in a loss of control are accounted for as equity transactions. The carrying amount of the Company's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to shareholders of the Company. Assets and liabilities of entities with functional currency other than the functional currency of the Company have been translated using exchange rates prevailing on the balance sheet date. Statement of profit and loss of such entities has been translated using weighted average exchange rates. Translation adjustments have been reported as foreign currency translation reserve in the statement of changes in equity. When a foreign operation is disposed off in its entirety or partially such that control, significant influence or joint control is lost, the cumulative amount of exchange differences related to that foreign operation recognised in OCI is reclassified to statement of profit and loss as part of the gain or loss on disposal.

The Consolidated Financial Statements consists of Eco Hotels and Resorts Limited, its subsidiary company - Eco Hotels India Private Limited which was incorporated on 18.03.2008 and its second-tier subsidiary – Eco Hotels Ayodhya Private Limited which was incorporated on 29.01.2025.

d) Use of estimates and judgements:

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgements, and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed in Notes. Accounting Estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

e) Critical estimates and judgements:

- Useful lives of property, plant and equipment and intangible assets:

Property, plant and equipment and intangible assets represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. Useful lives of intangible assets are determined on the basis of estimated benefits to be derived from use of such intangible assets. The Company reviews the useful lives of property, plant and equipment and intangible assets at the end of each reporting period. Their reassessments may result in change in the depreciation / amortisation expense in future periods.

- Fair value measurements and valuation processes:

Some of the Company's assets and liabilities are measured at fair value at each balance sheet date or at the time they are assessed for impairment. In estimating the fair value of an asset or a liability, the Company uses market observable data to the extent it is available. Where Level 1 inputs are not available, the Company engages third party valuers, where required, to perform the valuation. Information about the valuation techniques and inputs used in determining the fair value of various assets and liabilities require estimates to be made by the management and are disclosed in the notes to the financial statements.

- Actuarial Valuation

The determination of Company's liability towards defined benefit obligation to employees is made through independent actuarial valuation including determination of amounts to be recognised in the Statement of Profit and Loss and in Other Comprehensive Income. Such valuation depends upon assumptions determined after taking into account discount rate, salary growth rate, expected rate of return, mortality and attrition rate. Information about such valuation is provided in notes to the financial statements.

iii) Property, Plant and Equipment

All Property Plant & Equipments are stated at cost of acquisition, less accumulated depreciation and accumulated impairment losses, if any. Direct costs are capitalised until the assets are ready for use and includes freight, duties, taxes and expenses incidental to acquisition and installation. Subsequent expenditures related to an item of Property Plant & Equipment are added to its carrying value only when it is probable that the future economic benefits from the asset will flow to the Company & cost can be reliably measured. Losses arising from the retirement of, and gains or losses arising from disposal of Property, Plant and Equipment are recognised in the Statement of Profit and Loss.

Depreciation is provided on a pro-rata basis on the straight-line method ('SLM') over the estimated useful lives of the assets specified in Schedule II of the Companies Act, 2013.

iv) Impairment of Assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

v) Retirement Benefits

- Defined Contribution Plan:

Contribution payable to recognised provident fund, ESIC which are substantially defined contribution plan, is recognised as expense in the Statement of Profit and Loss, as they are incurred.

- Defined Benefit Plan:

For defined plans in the form of gratuity, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur.

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability (asset) are recognised in the Statement of Profit and Loss.

Remeasurements of the net defined benefit liability (asset) comprising actuarial gains and losses and the return on the plan assets (excluding amounts included in net interest on the net defined benefit liability/asset), are recognised in Other Comprehensive Income. Such remeasurements are not reclassified to the Statement of Profit and Loss in the subsequent periods. The retirement benefit obligation recognised in the Balance Sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

vi) Inventories

Inventories are valued at the lower of cost and net realizable value. Cost includes purchase Stock of food and beverages and stores and operating supplies are carried at the lower of cost (computed on a Weighted Average basis) or net realizable value. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and selling expenses. Cost includes the fair value of consideration paid including duties and taxes (other than those refundable), inward freight, and other expenditure directly attributable to the purchase. Trade discounts and rebates are deducted in determining the cost of purchase.

vii) Foreign Currency Transactions

- Initial Recognition: Transactions denominated in foreign currencies are recorded at the exchange rates prevailing on the date
- Conversion: At the year end, monetary items denominated in foreign currencies are converted into rupee equivalents at the year-end exchange rates.
- Exchange Differences: All exchange differences arising on settlement and/or conversion on foreign currency transaction are included in the Profit & Loss Account.

viii) Taxation

- Provision for Current Tax is made with reference to taxable income computed for the accounting period, for which the financial statements are prepared by the tax rates as applicable. However, the company has not provided for income tax as there is no income tax payable.
- Deferred Tax Provision is created in the books of the company as in the opinion of the management, since, the operations have started, they are reasonably certain that there will be sufficient future income to recover Deferred Tax Assets. Deferred tax assets are recognised to the extent that it is regarded as probable that deductible temporary differences can be realised. The Company estimates deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans, including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and thereby the tax charge in the Statement of Profit and Loss.

ix) Leases:

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgement. The Company uses

significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

x) Provisions and Contingent Liabilities

- Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).
- Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Refer Note No. 35 (iv) for additional details.
- The Final GST Output liability, claim of Input tax credit and the amount of GST debited to Profit and Loss account, are subject to finalization of GST Audit, which is not complete as on the date of signing this Balance Sheet. Due to this reason, the impact on Financial Statements on account of GST credit mismatch cannot be stated.

xi) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Sale of goods: Revenue from sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, based on the applicable incoterms. Amounts disclosed as revenue are net of returns, trade allowances, rebates, GST, value added taxes and amounts collected on behalf of third parties. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and the revenue recognition criteria have been complied.

xii) Cash and Cash Equivalents

In the cash flow statement, cash and cash equivalents includes cash on hand and demand deposits with banks.

xiii) Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

- Fair value of financial assets and financial liabilities

All financial assets and liabilities are carried at amortised cost. The management consider that the carrying amounts of financial assets and liabilities recognized in the financial statements approximate their fair value as on March 31, 2026 and March 31, 2025.

- Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost and trade receivables. For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses. Further, for the purpose of measuring lifetime expected credit loss ("ECL") allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which considers historical credit loss experience and adjusted for forward-looking information.

**Recent pronouncements**

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2026, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

**Financial assets, financial liabilities and equity instruments**

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

xiv) Earnings Per Share (EPS)

EPS is calculated by dividing the Profit / (loss) attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. Numbers used for calculating basic and diluted earnings per equity share are as stated below:

|                                          | For the year ended | For the year ended |

xv) Segment Reporting:

An entity shall report separately information about each operating segment that:

- has been identified as an Operating Segment or results from aggregating two or more of those segments, and
- exceeds the quantitative thresholds as specified in Ind AS 108 – Operating Segments

However, the company does not fall into any of the above stated criteria and hence the company does not qualify as a reportable segment and thus no segment reporting is provided.

xvi) Investments

- **Investments in the nature of equity in subsidiaries and associates:**

The Company has elected to recognize its investments in equity instruments in subsidiaries at cost being long term in nature in the standalone financial statements in accordance with the provisions of applicable Ind AS. Investment in subsidiaries are measured at cost less impairment loss, if any.

**xviii) Related Party Disclosures**

### **Note No. 30: OTHER NOTES**

- i) Figures in the brackets are those relating to previous year.
- ii) Expenditure in foreign currency during the financial year on account of:  
Foreign Traveling Expenses - Rs.a (Rs. Nil)
- iii) Critical accounting judgements and key sources of estimation uncertainties:  
The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/ materialise.
- iv) Contingent Liabilities (to the extent not provided for):  
The Company is a party to various appellate, judicial, and arbitration proceedings arising in the ordinary course of business. These include claims made by third parties and matters under litigation where the proceedings are currently in early stages or where the potential financial impact remains indeterminate. Based on legal evaluations, management believes that these proceedings are not likely to have a material adverse effect on the financial position of the Company, except as specifically disclosed.

(a) Pending Matters relating to Lease Agreements:

1. **Eco Hotels and Resorts Limited vs. Hotel Pal Palace and others The Company has initiated legal proceedings against Hotel Pal Palace and its partners (Case No. 110/2026) in the District Court of Nagpur.**

Nature of Dispute: The Company has filed an application under Section 9 of the Arbitration and Conciliation Act, 1996, seeking interim measures to ensure specific performance of the lease agreement and to restrain the owners from creating any third-party charge or encumbrance on the property.

Status: The matter is currently pending before the District Court. Following the resolution of the Section 9 application, the Company intends to pursue further interim relief and merits under Section 17 of the Arbitration and Conciliation Act before the Arbitral Tribunal.

Financial Impact: As the matter pertains to specific performance and interim protection of rights, the monetary impact is not currently quantifiable.

2. **Eco Hotels and Resorts Limited vs. Hotel Pal Palace and others (Arbitrator Appointment) The Company has moved the Hon'ble Bombay High Court (Case No. 209/2026) regarding the appointment of an Arbitral Tribunal.**

Nature of Dispute: The Company has filed an application under Section 11 of the Arbitration and Conciliation Act, 1996, requesting the Court to appoint a Sole

Arbitrator to adjudicate the disputes arising out of the lease agreement with Hotel Pal Palace.

Status: The matter is currently pending before the Bombay High Court. The invocation of the arbitration clause is intended to resolve all substantive claims and disputes between the parties.

Financial Impact: The potential liability or recovery remains indeterminate at this preliminary stage, pending the constitution of the Arbitral Tribunal and the filing of specific claims.

### **3. Sandeep Khurana vs. Eco Hotels India Private Limited (NCLT, Kochi)**

The Company is contesting a petition (CP/10/KOB/2025) filed before the Hon'ble National Company Law Tribunal (NCLT), Kochi Bench.

Nature of Dispute: The petitioner, a former director of the Company, has sought directions for the production and delivery of copies of the minutes of all Board Meetings held during and/or after his tenure.

Company's Position: The Company has formally opposed this demand. Management, based on legal advice, maintains that under the Companies Act, 2013, an erstwhile director does not have an absolute statutory right to demand copies of Board minutes unless specifically required for submission to a Court or other statutory bodies in relation to a pending legal proceeding. The Company views this petition as a procedural tactic related to the petitioner's other disputed claims.

Status: The matter is currently pending and is scheduled for a final hearing on May 28, 2026.

Financial Impact: As the current petition is limited to the production of records and does not involve a direct monetary claim, there is no immediate financial outgo anticipated.

### **4. Sandeep Khurana vs. Eco Hotels India Private Limited (NCLT, Kochi)**

The Company is contesting a petition filed under the relevant provisions of the Companies Act, 2013 (CP/25/KOB/2025) before the Hon'ble National Company Law Tribunal (NCLT), Kochi Bench.

Nature of Dispute: The petitioner, Mr. Sandeep Khurana, has sought the recasting of the Company's financial statements from Financial Year 2019-20 to the current date. The petition seeks to incorporate certain financial claims previously raised by the petitioner.

Company's Position: The Company maintains that the underlying financial claims were already adjudicated and disposed of by the same Bench in a prior petition filed under the Insolvency and Bankruptcy Code (IBC). The Company contends that the current petition is an attempt to relitigate settled matters and is without merit. Consequently, the Company has not acknowledged any debt or the necessity to restate its historical

financial records.

Status: The matter is currently active and is scheduled for its next hearing on April 13, 2026.

Financial Impact: There is no liquidated claim for a specific sum mentioned in this specific petition; however, the request for recasting financials poses a contingent risk to the Company's reported historical data. Management believes the likelihood of an adverse outcome is remote.

#### **5. Sandeep Khurana vs. Eco Hotels India Private Limited (NCLAT, Chennai)**

The Company is currently defending an appeal (Company Appeal (AT)(Ins) No. 528/CN/2025) filed before the Hon'ble National Company Law Appellate Tribunal (NCLAT), Chennai Bench.

Nature of Dispute: The petitioner has filed this appeal challenging the order passed by the NCLT, Kochi Bench, which had previously dismissed his Insolvency Petition filed against the Company under the Insolvency and Bankruptcy Code (IBC). The underlying dispute pertains to a financial claim of Rs. 124.90 lakhs on account of alleged professional fees.

Company's Position: The Company maintains that the dismissal of the petition by the NCLT confirms that there is no "operational debt" or default as alleged. The Company intends to vigorously defend the NCLT's original order and maintains that the claim is legally untenable. Consequently, the demand continues to be treated as a "claim not acknowledged as debt."

Status: The matter is currently pending adjudication before the Appellate Tribunal and the next date of hearing is 29.04.2026.

Financial Impact: The disputed amount of Rs. 124.90 lakhs is disclosed as a contingent liability. Based on the favorable ruling from the lower court (NCLT), management, in consultation with legal counsel, does not anticipate any immediate financial liability and has accordingly made no provision in the financial statements

#### **(ii) On account of matters in dispute:**

Amounts in respect of claims asserted by Revenue Authorities against the Company, which are currently under dispute, are summarized below:

| Particulars                                    | March 31,2026 (Amt in lakhs) | March 31,2025 (Amt in lakhs) |
|------------------------------------------------|------------------------------|------------------------------|
| Income Tax (TDS)<br>Including Interest amount. | 196.462                      | 172.542                      |

#### **Note on Income Tax (TDS) Matters:**

The Company is currently engaged in disputes with the Income Tax Authorities regarding the treatment of certain items and adjustments made during the assessment process.

The Company's appeals against these orders are pending before various Income Tax Appellate Authorities.

Nature of Dispute: The majority of these disallowances and adjustments are repetitive in nature, having been consistently raised by the Department across multiple assessment years.

Management's Assessment: Based on legal advice and the merits of the cases, the Company expects favorable outcomes. It is noted that a significant portion of these demands has either been previously discharged or is currently subject to rectification applications filed by the Company to correct errors apparent from the record.

Financial Impact: No provision has been made in the financial statements as these claims are not acknowledged as debts. Future cash outflows, if any, are dependent on the final judgments and orders from the relevant Appellate Authorities or Tribunals.

v) Trade Payables:

**Dues of small enterprises and micro enterprises**

The disclosure pursuant to the Micro, Small and Medium Enterprises Development Act, 2006, (MSMED Act) for dues to micro enterprises and small enterprises as at March 31, 2026 and March 31, 2025 is as under:

Dues remaining unpaid to any supplier:

## **INDEPENDENT AUDITOR'S REPORT**

**To the Members of ECO HOTELS AND RESORTS LIMITED**

### **Report on the Audit of the Standalone Financial Statements**

#### **Opinion**

We have audited the accompanying standalone financial statements of Eco Hotels and Resorts Limited ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and notes to standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2021, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, its loss including total comprehensive loss, the changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We have conducted the audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibility under those Standards are further described in the Auditors' Responsibility for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

## **Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended March 31, 2026. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For the matter below, our description of how our audit addressed the matter is provided in that context. We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone Ind AS financial statements.

### **Other Matter**

The financial statements of the Company for the year ended March 31, 2025, were audited by another auditor who expressed an unmodified opinion on those statements on 20.05.2025.

### **Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of the Management and Board of Directors for the Standalone Financial Statements**

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive loss, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibility for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Management, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter

should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, based on our audit we report, to the extent applicable that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

c) The standalone balance sheet, the standalone statement of Profit and Loss (including other comprehensive loss), the standalone statement of changes in equity and the standalone statement of cash flow dealt with by this Report are in agreement with the books of account.

d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Accounting Standards) Rules 2021.

e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure A**”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations which would impact its financial position.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in the other notes to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.  
(b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in the Other note to the standalone financial statements, no funds (which are material either individually or in aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.  
(c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The company has not declared or paid any dividend during the year and has not proposed final dividend for the year.

vi. Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the financial year ended March 31, 2026 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "**Annexure B**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

## **Annexure “A” to the Independent Auditor’s Report**

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date to the Members of Eco Hotels and Resorts Limited

### **Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Eco Hotels and Resorts Limited (“the Company”) as of March 31, 2026 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

### **Management’s and Board of Directors’ Responsibilities for Internal Financial Controls**

The Management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to standalone financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting controls with reference to Standalone Financial Statements of the company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI) and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Standalone Financial Statements both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those

Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls systems with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone Financial Statements included obtaining an understanding of internal financial controls over with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Standalone Financial Statements.

### **Meaning of Internal Financial Controls over financial reporting**

A company's internal financial control with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

### **Inherent Limitations of Internal Financial Controls over financial reporting**

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial control with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Standalone Financial Statements and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).

## **“Annexure B” to the Independent Auditors’ Report**

The Annexure referred to in paragraph 1 of our Independent Auditors’ Report to the members of the Company on the financial statements for the year ended 31<sup>st</sup> March 2026, we report that:

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

i. a) A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment;

B) The Company does not have any intangible assets hence; this sub clause is not applicable.

b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its property, plant and equipment by which all property, plant and equipment are verified in a phased manner at reasonable intervals. In accordance with this programme, property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.

c) The Company does not have any immovable properties and hence reporting under clause (i)(c) of paragraph 3 of the Order is not applicable.

d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its property, plant and equipment (including right of use assets) or intangible assets or both during the year.

e) To the best of our knowledge and according to information and explanations given to us, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

ii. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the physical verification of inventory has been conducted at reasonable intervals by the management during the year and in our opinion, the coverage and procedure of such verification by the management is appropriate. No discrepancies were noticed on verification between the physical stocks and book records that were more than 10% in aggregate of each class of inventory.

(b) According to the information and explanations given to us, and on the basis of our examination of the records of the Company, the company has not been sanctioned any working capital limit from banks or financial institutions on the basis of security of current assets at any point of time during the year hence reporting under clause (ii) (b) of paragraph 3 of the Order is not applicable.

iii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not provided any guarantee or security or granted any secured or unsecured advances in the nature of loans to companies, firms, limited liability partnerships or other parties during the year. The Company has made investments in its second-tier subsidiary company, in respect of which the requisite information is as below. The

Company has not made any investments or granted any unsecured loans to firms, limited liability partnership during the year.

(a) Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company has made investments in its second-tier subsidiary, details of which are given below:

| Particulars                                                                                 | Amount (Rs.in Lakhs) |
|---------------------------------------------------------------------------------------------|----------------------|
| <u>Aggregate amount invested during the year</u><br>- Second Tier Subsidiary Company        | 0.0001               |
| <u>Balance outstanding as at balance sheet date</u><br>- Investment in Subsidiary Companies | 10,082.98            |

(b) According to the information and explanations given to us and based on the audit procedures conducted by us, investments made are, prima facie, not prejudicial to the interest of the Company.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of loans and advances in the nature of loans given during the current year, the repayment of principal and payment of interest has been stipulated and the repayments or receipts have been regular.

d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans and advances in the nature of loans given during the year.

(e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same parties.

(f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment. Hence, reporting under clause (iii)(f) of paragraph 3 of the Order is not applicable.

- iv. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has complied with the provisions of Section 185 and Section 186 of the Companies Act, 2013 in respect of investments made, as applicable. The Company has not provided any loans, advances, guarantee or securities that are covered under the provisions of sections 185 and 186 of the Companies Act, 2013.
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits within the meaning of Section 73 to 76 or any other relevant provisions of the Act. Hence, reporting under clause (v) of paragraph 3 of the Order is not applicable.
- vi. The maintenance of cost records as specified by the Central Government under section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company is not applicable to the Company. Thus, reporting under clause (vi) of paragraph 3 of the order of is not applicable to the Company.

**vii. In respect of statutory dues:**

(a) Undisputed statutory dues, including Goods and Service tax, Provident Fund, Employees' State Insurance, Income-tax, duty of Custom, cess and other material statutory dues applicable to the Company have generally been regularly deposited by it with the appropriate authorities though there has been a delay in respect of remittance of tax deducted at source dues.

There were no undisputed amounts payable in respect of Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Customs Duty, Cess and other material statutory dues in arrears as at March 31, 2026, for a period of more than six months from the date they became payable.

(b) There are no statutory dues referred in sub-clause (a) above which have not been deposited on account of disputes as on March 31, 2026.

viii. There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.

ix. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) According to the information and explanations given to us by the management, the Company has not taken any term loan during the year; hence reporting under clause (ix)(c) of paragraph 3 of the Order is not applicable.

(d) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.

(e) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associate or joint venture.

(f) According to the information and explanations given to us and procedures performed by us, we report that the company has not raised any loans by way of pledge of securities held in its subsidiaries, joint venture or associate companies during the year and hence reporting on clause (ix)(f) of paragraph 3 of the Order is not applicable.

- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause (x)(a) of paragraph 3 of the Order is not applicable.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.

- xi. (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) According to the information and explanations given to us and to the best of our knowledge, no report under subsection (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) According to the information and explanations given to us by the management, there were no whistle blower complaints received by the Company during the year.
- xii. According to the information and explanations given to us, the Company is not a Nidhi Company and hence reporting under clause (xii) of paragraph 3 of the Order is not applicable.
- xiii. In my opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Section 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. (a) Based on the information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered, the internal audit reports issued to the Company during the year and covering the period upto March 31, 2026.

- xv. In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.
- xvi. (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and hence, reporting under clause (xvi)(a), (b) and (c) of paragraph 3 of the Order is not applicable.
- (b) The Group does not have any Core Investment Company (CIC) as part of the group and accordingly reporting under clause (xvi)(d) of paragraph 3 of the Order is not applicable.
- xvii. The company has incurred cash losses of Rs. 8,43,65,961/- in the current year and of Rs.2,57,26,866/- in the immediately preceding financial year.
- xviii. There has been a resignation of the statutory auditor during the year following the completion of his two-year tenure as initially determined by the Board of Directors. Further, there were no issues, objections or concerns raised by the outgoing auditor in relation to his resignation.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements and our knowledge of the Board of Directors and management plans and based on my examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our

reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

- xx. In our opinion and according to the information and explanations given to us, the Company does not fulfil the thresholds under section 135 of Companies Act, 2013 and hence, the Company is not liable for any payments towards Corporate Social Responsibility. Accordingly, clause (xx) of paragraph 3 of the Order is not applicable.

## **ECO HOTELS AND RESORTS LIMITED**

### **Notes to the Standalone Financial Statements for the year ended March 31, 2026**

#### **1. Corporate Information**

The company is engaged in the business of building hotels, management and operations of hotels, services which are allied service in hospitality business such as food and beverages, ticket booking, car rentals, tours, etc.

#### **2. Significant Accounting Policies**

##### **i) Statement of Compliance**

These financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

##### **ii) Basis of Preparation and Presentation**

a) The accounts of the company are prepared under the historical convention using accrual method of accounting. The company has incurred huge losses in the earlier years. However, after a change in the management, change in the main activity of business and change in promoters, the company is hopeful for the revival in its business activities in future and hence these financial statements have been prepared on going concern basis, despite accumulated losses.

b) A number of Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has established policies and procedures with respect to the measurement of fair values. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. The best estimate of the fair value of a financial instrument on initial recognition is normally the transaction price – i.e. the fair value of the consideration given or received. If the Company determines that the fair value on initial recognition differs from the transaction price and the fair value is evidenced neither by a quoted price in an active market for an identical asset or liability nor based on a valuation technique that uses only data from observable markets, then the financial instrument is initially measured at fair value, adjusted to defer the difference between the fair value on initial recognition and the transaction price. Subsequently that difference is recognised in Statement of Profit and Loss on an appropriate basis over the life of the instrument but no later than when the valuation is wholly supported by observable market data or the transaction is closed out. In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

Assets and Liabilities are classified as Current or Non-Current as per the provisions of Schedule III to the Companies Act, 2013 and the Company's Normal Operating Cycle. Based on the nature of business, the Company has ascertained its operating cycle as 12 months for the classification of assets and liabilities.

c) Use of estimates and judgements:

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgements, and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed in Notes. Accounting Estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

d) Critical estimates and judgements:

- Useful lives of property, plant and equipment and intangible assets:

Property, plant and equipment and intangible assets represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. Useful lives of intangible assets are determined on the basis of estimated benefits to be derived from use of such intangible assets. The Company reviews the useful lives of property, plant and equipment and intangible assets at the end of each reporting period. Their reassessments may result in change in the depreciation / amortisation expense in future periods.

- Fair value measurements and valuation processes:

Some of the Company's assets and liabilities are measured at fair value at each balance sheet date or at the time they are assessed for impairment. In estimating the fair value of an asset or a liability, the Company uses market observable data to the extent it is available. Where Level 1 inputs are not available, the Company engages third party valuers, where required, to perform the valuation. Information about the valuation techniques and inputs used in determining the fair value of various assets and liabilities require estimates to be made by the management and are disclosed in the notes to the financial statements.

- Litigation

From time to time, the Company is subject to legal proceedings, the ultimate outcome of each being always subject to many uncertainties inherent in litigation. A provision for litigation is made when it is considered probable that a payment will be made and the amount of the loss can be reasonably estimated. Significant judgment is made when evaluating, among other factors, the probability of unfavorable outcome and the ability to make a reasonable estimate of the amount of potential loss. Litigation provisions are reviewed at each accounting period and revisions made for the changes in facts and circumstances.

- Actuarial Valuation

The determination of Company's liability towards defined benefit obligation to employees is made through independent actuarial valuation including determination of amounts to be recognised in the Statement of Profit and Loss and in Other Comprehensive Income. Such valuation depends upon assumptions determined after taking into account discount rate, salary growth rate, expected rate of return, mortality and attrition rate. Information about such valuation is provided in notes to the financial statements.

iii) Property, Plant and Equipment

All Property Plant & Equipments are stated at cost of acquisition, less accumulated depreciation and accumulated impairment losses, if any. Direct costs are capitalised until the assets are ready for use and includes freight, duties, taxes and expenses incidental to acquisition and installation. Subsequent expenditures related to an item of Property Plant & Equipment are added to its carrying value only when it is probable that the future economic benefits from the asset will flow to the Company & cost can be reliably measured. Losses arising from the retirement of, and gains or losses arising from disposal of Property, Plant and Equipment are recognised in the Statement of Profit and Loss.

Depreciation is provided on a pro-rata basis on the written down value (WDV) over the estimated useful lives of the assets specified in Schedule II of the Companies Act, 2013.

iv) Impairment of Assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

v) Retirement Benefits

- Defined Contribution Plan:

Contribution payable to recognised provident fund, ESIC which are substantially defined contribution plan, is recognised as expense in the Statement of Profit and Loss, as they are incurred.

- Defined Benefit Plan:

For defined plans in the form of gratuity, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur.

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability (asset) are recognised in the Statement of Profit and Loss. Remeasurements of the net defined benefit liability (asset) comprising actuarial gains and losses and the return on the plan assets (excluding amounts included in net interest on the net defined benefit liability/asset), are recognised in Other Comprehensive Income. Such remeasurements are not reclassified to the Statement of Profit and Loss in the subsequent periods. The retirement benefit obligation recognised in the Balance Sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

vi) Inventories

Inventories are valued at the lower of cost and net realizable value. Stock of food and beverages and operating supplies are carried at the lower of cost (computed on a Weighted Average basis) or net realizable value. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and selling expenses. Cost includes the fair value of consideration paid including duties and taxes (other than those refundable), inward freight, and other expenditure directly attributable to the purchase. Trade discounts and rebates are deducted in determining the cost of purchase.

vii) Foreign Currency Transactions

- Initial Recognition: Transactions denominated in foreign currencies are recorded at the exchange rates prevailing on the date
- Conversion: At the year end, monetary items denominated in foreign currencies are converted into rupee equivalents at the year-end exchange rates.
- Exchange Differences: All exchange differences arising on settlement and/or conversion on foreign currency transaction are included in the Profit & Loss Account.

viii) Taxation

- Provision for Current Tax is made with reference to taxable income computed for the accounting period, for which the financial statements are prepared by the tax rates as applicable. However, the company has not provided for income tax as there is no income tax payable.
- During the year, Deferred Tax Provision is created in the books of the company as in the opinion of the management, since, the operations have started, they are reasonably certain that there will be sufficient future income to recover Deferred Tax Assets. Deferred tax assets are recognised to the extent that it is regarded as probable that deductible temporary differences can be realised. The Company estimates deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans, including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and thereby the tax charge in the Statement of Profit and Loss.

ix) Leases:

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgement. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

x) Provisions and Contingent Liabilities

- Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).
- Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Please refer to Note no. 36 (iii) for additional details.
- The Final GST Output liability, claim of Input tax credit and the amount of GST debited to Profit and Loss account, are subject to allowability of ITC as per the GST Law. Due to

this reason, the impact on Financial Statements on account of GST credit mismatch cannot be stated.

xi) Revenue recognition

- **Rooms, Food & Beverages and Banquets:** Revenue is recognised at the transaction price that is allocated to the performance obligation. Revenue includes room revenue, food and beverage sale and banquet services which is recognised once the rooms are occupied, food and beverages are sold and banquet services have been provided as per the contract with the customer. Revenue is measured at the fair value of the consideration received or receivable.
- **Other Allied Services:** In relation to laundry income, airport transfers income and other allied services, the revenue has been recognised by reference to the time of service rendered.
- **Interest:** Interest income is accrued on a time proportion basis using the effective interest rate method.

xii) Cash and Cash Equivalents

In the cash flow statement, cash and cash equivalents includes cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Debt Instruments

The Company classifies its debt instruments as subsequently measured at amortised cost, fair value through Other Comprehensive Income or fair value through profit or loss based on its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

xiii) Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

- Fair value of financial assets and financial liabilities

All financial assets and liabilities are carried at amortised cost. The management consider that the carrying amounts of financial assets and liabilities recognized in the financial statements approximate their fair value as on March 31, 2026 and March 31, 2025.

- Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost and trade receivables. For trade receivables or any contractual right to receive cash or another financial asset that result from

transactions that are within the scope of Ind AS 18, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses. Further, for the purpose of measuring lifetime expected credit loss ("ECL") allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

### **Recent pronouncements**

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2026, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

### **Financial assets, financial liabilities and equity instruments**

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

#### **xiv) Earnings Per Share (EPS)**

EPS is calculated by dividing the Profit / (loss) attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. Numbers used for calculating basic and diluted earnings per equity share are as stated below:

|                                  | <b>For the year ended</b> | <b>For the year ended</b> |

#### **xv) Segment Reporting**

An entity shall report separately information about each operating segment that:

- has been identified as an Operating Segment or results from aggregating two or more of those segments, and exceeds the quantitative thresholds as specified in Ind AS 108 – Operating Segments

However, the company does not fall into any of the above stated criteria and hence the company does not qualify as a reportable segment and thus no segment reporting is provided.

xvi) Investments

- **Investments in the nature of equity in subsidiaries and associates:**

The Company has elected to recognize its investments in equity instruments in subsidiaries at cost being long term in nature in the standalone financial statements in accordance with the provisions of applicable Ind AS. Investment in subsidiaries are measured at cost less impairment loss, if any.

**Actuarial Assumptions**

We have used actuarial assumptions selected by the Company. The Company has been advised that the assumptions selected should be unbiased and mutually compatible and should reflect the Company's best estimate of the variables of the future. The Company has also been advised to consider the requirement of Para 44 of IndAS 19 in this regard.

**(i) Financial Assumptions**

The principal financial assumptions used in the valuation are shown in the table below:

| Particulars                    | As at<br>March 31,2026 | As at<br>March 31,2025 |
|--------------------------------|------------------------|------------------------|
| Discount rate (per annum)      | 7.20%                  | 6.70%                  |
| Salary growth rate (per annum) | 9.00%                  | 9.00%                  |
| Attrition Rate (per annum)     | 13%                    | 13%                    |

The discount rate indicated above reflects the estimated timing and currency of benefit payments. It is based on the yields/ reates available on applicable bonds as on the current valuation date.

The salary growth rate indicated above is the Company's best estimate of an increase in salary of the employees in future years, determined considering the general trend in inflation, seniority, promotions, past experience and other relevant factors such as demand and supply in employment market, etc.

(ii) **Demographic Assumptions**

The principal demographic assumptions used in the valuation are shown in the table below:

| Particulars                                             | As at<br>March 31,2026 | As at<br>March 31,2025 |

(iii) **Sensitivity Analysis**

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The results of sensitivity analysis is given below :

## **Note No. 37: OTHER NOTES**

i) Figures in the brackets are those relating to previous year.

ii) Critical accounting judgements and key sources of estimation uncertainties:

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

iii) Contingent Liabilities (to the extent not provided for):

The Company is a party to various appellate, judicial, and arbitration proceedings arising in the ordinary course of business. These include claims made by third parties and matters under litigation where the proceedings are currently in early stages or where the potential financial impact remains indeterminate. Based on legal evaluations, management believes that these proceedings are not likely to have a material adverse effect on the financial position of the Company, except as specifically disclosed.

(a) Pending Matters relating to Lease Agreements:

**1. Eco Hotels and Resorts Limited vs. Hotel Pal Palace and others The Company has initiated legal proceedings against Hotel Pal Palace and its partners (Case No. 110/2026) in the District Court of Nagpur.**

Nature of Dispute: The Company has filed an application under Section 9 of the Arbitration and Conciliation Act, 1996, seeking interim measures to ensure specific performance of the lease agreement and to restrain the owners from creating any third-party charge or encumbrance on the property.

Status: The matter is currently pending before the District Court. Following the resolution of the Section 9 application, the Company intends to pursue further interim relief and merits under Section 17 of the Arbitration and Conciliation Act before the Arbitral Tribunal.

Financial Impact: As the matter pertains to specific performance and interim protection of rights, the monetary impact is not currently quantifiable.

**2. Eco Hotels and Resorts Limited vs. Hotel Pal Palace and others (Arbitrator Appointment) The Company has moved the Hon'ble Bombay High Court (Case No. 209/2026) regarding the appointment of an Arbitral Tribunal.**

Nature of Dispute: The Company has filed an application under Section 11 of the Arbitration and Conciliation Act, 1996, requesting the Court to appoint a Sole Arbitrator to adjudicate the disputes arising out of the lease agreement with Hotel Pal Palace.

Status: The matter is currently pending before the Bombay High Court. The invocation of the arbitration clause is intended to resolve all substantive claims and disputes between the parties.

Financial Impact: The potential liability or recovery remains indeterminate at this preliminary stage, pending the constitution of the Arbitral Tribunal and the filing of specific claims.

iv) **Trade Payables:**

**Dues of small enterprises and micro enterprises**

The disclosure pursuant to the Micro, Small and Medium Enterprises Development Act, 2006, (MSMED Act) for dues to micro enterprises and small enterprises as at March 31, 2026 and March 31, 2025 is as under:
