Item No. 7:

The Members of the Company, at the 23rd Annual General Meeting held on September 29, 2014 had approved the appointment of Mr. Nehal Shah (DIN: 00020062), as Independent Directors of the Company, for a period of five consecutive years for a term upto 28th September, 2019. Thereafter Mr. Nehal Shah has vacated the office pursuant to completion of his tenure as an Independent Director.

A brief profile of the Directors to be appointed/ re-appointed is given in the table below on "Details of the Directors seeking appointment/ reappointment in forthcoming Annual General Meeting.

The Company has received a declaration from Mr. Nehal Shah that he meets the criteria of independence as prescribed both under Section 149 of the Act and Regulation 16 of SEBI (Listing Obligations & Disclosure Requirements) Regulation, 2015. In the opinion of the Board, he fulfills the conditions for appointment as an Independent Director as specified in the Act and possesses the requisite skills, qualifications, experience, expertise, knowledge and holds the highest standards of integrity. The Company has also received a declaration that he has applied online for inclusion of his name in the data bank maintained by the institute and upon registration he has been exempted for the online proficiency self-assessment test conducted by the institute. Further, in compliance with circular no. LIST/ COMP/14/2018-19 issued by BSE Limited, he has not been debarred from holding the office of Director by virtue of any SEBI order or any other authority.

As per Section 149(10) of the Companies Act, 2013 ("the Act"), an Independent Director shall hold office for a term of upto five consecutive years on the Board of a Company, but shall be eligible for re-appointment on passing a special resolution by the Company. As per Section 149(11) of the Act, no Independent Director shall hold office for more than two consecutive terms, but shall be eligible for appointment after the expiration of three years of ceasing to become an independent Director.

In line with the aforesaid provisions of the Act, and in view of long, rich experience, continued valuable guidance to the management, recommendation of the Nomination and Remuneration Committee and strong Board performance of the Independent Directors, it is proposed to re-appoint him for the second term as Independent Director on the Board of the Company for a further period of five years, upto the conclusion of the 35th Annual General Meeting (AGM), subject to the approval of the Members.

The Company has received a notice in writing under Section 160 of the Act, from members proposing their candidature for the office of Independent Director of the Company. In the opinion of the Board, the Independent Director fulfill the conditions specified in the Act and all of them are independent of the management. He is not disqualified from being appointed as a Director in terms of Section 164 of the Companies Act, 2013 and have given his consent to act as a Director.

The Performance evaluation of the Independent Directors was conducted by the entire Board (excluding the Director being evaluated) on the basis of criteria such as Transparency, Analytical Capabilities, Performance, Leadership, Ethics and ability to take balanced decisions regarding stakeholders, etc.

Accordingly, based on the performance evaluation of the Independent Directors, the Nomination & Remuneration Committee and Board of Directors of the Company at their meeting held on 13th August, 2021 have approved and recommended the reappointment of the aforesaid Independent Director, for a second term as provided in the resolutions, and he shall not be liable to retire by rotation at the Annual General Meeting as provided under Section 152(6) of the Companies Act, 2013.

The Board considers that his continued association would be of immense benefit to the Company and it is desirable to continue to avail services of the Independent Directors. The Board recommends passing of the Resolution at Item No. 7 of the Notice as a Special Resolution.

None of the Directors or Key Managerial Personnel of the Company and their relatives, other than Independent Director for his appointment, are in any way concerned or interested in the Resolutions, as set out in item no. 7 of the Notice.

MANAGEMENT DISCUSSION AND ANALYSIS**INDIAN ECONOMIC OVERVIEW**

With an overall slowdown in the global economy which is estimated to have contracted by around 3.3% in 2020 on account of COVID-19 pandemic, the prospects in 2021 have shown sizeable improvement and the negative growth is expected to be reversed with positive growth of 6% expected to moderate to 4.4% in 2022. These are unprecedented and uncertain times. Globally, the COVID-19 pandemic has caused massive disruptions across every sphere of human and business activity. There has been an adverse economic impact on people, communities and countries.

The vaccination drive has picked up momentum PAN-India and the outlook remains positive with the advent of new vaccines reaching the market. Emerging Markets like India have witnessed a slowdown and there is economic fallout registered on account of sustained lockdowns in various parts of the Country. Growth in India is estimated to have contracted to -7.3% in FY 2021 with the country witnessing a second wave of the pandemic in March, 2021. The localised lockdowns have resumed which are likely to impair economic activity. However, the COVID-19 pandemic has severely impacted economies worldwide. Basis the fallout, the International Monetary Fund has projected a sharp contraction of the global economy to a status much worse than what resulted from the 2008-09 financial crisis.

The measures taken by the government to contain spread of the COVID-19 pandemic have had an impact on the economic activities as well as on the data collection mechanisms. Estimates are, therefore, likely to undergo sharp revisions for the aforesaid causes in due course. V-shaped economic recovery is expected due to mega vaccination drive, recovery in the services sector and strong growth in consumption and investment coupled with resurgence in high frequency indicators such as power demand, rail freight, e-way bills, GST collection, steel consumption, etc.

GLOBAL TEXTILE INDUSTRY

The COVID-19 pandemic has impacted each and every business in some way or the other, the global textile industry has been drastically impacted. Asia, being one of the largest markets for textile industry in the world has suffered due to sudden drop in international demand for their products coupled with prolonged lockdowns and restrictions in majority of Asian countries. Shortage of cotton and other raw materials and several supply chain disruptions have worsened the situation globally. It is estimated that exports to major buying regions in the European Union, United States, and Japan might decline by approx. 70%. The key markets in the textile industry are China, European Union, the United States and India, all of which were affected due to the COVID-19 pandemic.

INDIAN TEXTILE INDUSTRY

The textiles and apparels sector is a major contributor to the Indian economy in terms of foreign exchange earnings and employment. Textile & garments industry in India is expected to reach US\$223 Billion by 2021 from US\$140.4 Billion in 2018. India is the third-largest textile manufacturing industry and contributes approximately 6% to the total textile production, globally.

India ranks 2nd as the largest producer of textiles and garments and is the 5th largest exporter of textiles spanning apparel, home and technical products.

The Indian textile industry is set for growth, buoyed by both strong domestic consumption as well as export demand. Favourable demographic, rising per capital income and a shift in customer preference to branded products is expected to revive the textile industry which has been severely impacted by the COVID-19 pandemic.

The Government of India is working on major initiatives and reforms in the Textile sector, including launch of a 'Mega Integrated Textile Region and Apparel (MITRA) Park' scheme to establish seven textile parks with state-of-the-art infrastructure, common utilities and R&D lab over a three-year period; starting a focused product scheme; positioning the country as a global hub in the man-made fibre (MMF) and technical textiles segments. Competitive advantage, robust demand, favourable government policies, increasing investments and urbanization are expected to be the key drivers for revival of the industry.

GLOBAL TEXTILE AND APPAREL INDUSTRY

FY 2020-21 brought in a lot of changes for the apparel industry. As the COVID-19 pandemic impacted economies around the world, the apparel industry was significantly affected. Consumer behavior shifted, discretionary spends were curtailed, supply chains were disrupted and towards the end of the financial year many regions were in the grip of a second wave of infections which dampened hopes of a spontaneous revival.

The apparel business is considered to be one of the most challenging businesses as factors such as short product life cycle, volatile fashions, unpredictable market trends and impulse purchase nature of the customer are to be given utmost importance by the manufacturers so as to sustain themselves in the apparel segment. The second wave of the pandemic muted the consumer sentiments and discretionary spends that are likely to dominate the consumption landscape.

INDIAN TEXTILE AND APPAREL INDUSTRY

The apparels market in India is undergoing a metamorphosis as never seen before. The change being witnessed can be attributed to several

factors including the work from home culture, subdued purchasing power of the masses, shifts in the buying behaviour, demography dynamics, growing urbanisation, opening up of the retail segment to private and foreign players and changing trends/lifestyle. The Indian apparel industry employs approx. 1.3 Crore people as a part of its workforce, even today it is one of the largest providers of employment in the country. The industry contributes to 4.9% of India's total export and India is the 6th largest exporter of Apparel in the world.

As travel was restricted, people sheltered from the virus in their homes and as India Inc. followed work from home policy for its employees, the consumer buying behaviour has undoubtedly shifted over the past year. Digital consumption has taken lead and to ensure sustainability and growth in the coming years. The companies developed engaging and social experiences to encourage consumers to connect.

The year 2020-21 has massively impacted the Indian Apparel industry. Consumer purchase of apparel was badly hit due to lockdowns, loss of job and economic recession. Lockdown restrictions across the country resulted in a slump in the retail sales.

A major factor behind the robustness of India's textile industry is its strong production base with a wide range of fibres and yarns. India is among the top producers of jute and silk, and beyond its natural fibres such as cotton, jute, silk and wool; and synthetic, its manmade fibres such as polyester, viscose, nylon and acrylic have also created a niche for themselves in the market.

The major challenges in the Indian apparel industry are increasing competition, sustained discounting that is expected to moderate margins and product obsolescence due to ever-evolving fashion trends.

BUSINESS OVERVIEW

The Company continues to sustain with its overall performance in the financial year 2020-21 driven by the average performance in existing and new business. There is substantial growth in both the segments in which your Company operates i.e. Traditional Textile segment and Technical Textile Segment. Your company has continued to put in all possible efforts to boost exports, during the year under review achieved Export sales (F.O.B.) to the tune of ₹ 22.52/- Crores.

INDUSTRY STRUCTURE AND DEVELOPMENT:

Your Company operates mainly in two broad areas: Traditional Textiles Division and Polymer Based Technical Textile Division. The Traditional Textile Division is having two separate units for Weaving and Processing.

In textile division, the Company operates in three separate units i.e. "Maheeka Textech" (A Weaving Unit), Mahalaxmi Global (A Trading Unit) and "Mahalaxmi Fabric Mills" (A Fabric Processing Unit). Maheeka Textech is a high-tech weaving unit which includes warping and sizing. This unit has automatic rapier looms and airjet looms for weaving of various types of fabrics. Maheeka Textech also has facility for manufacturing speciality fabrics used for technical textiles. Mahalaxmi Global mainly operates in shirting and high value fabrics. Mahalaxmi Fabric Mills a processing unit is engaged in dyeing, bleaching, printing and processing of various types of fabrics and at the end of the chain its fabric range goes in to high quality Apparel and Home Textiles, catering to Domestic as well as Global Market. The Company has end-to-end complete facility from warping, sizing, weaving, dyeing, bleaching, printing, processing and finishing of various types of fabrics such as cotton, polyester, Bottom-weight and other blends.

Polymer Based Technical Textile & Rubber Division at MRT manufactures Offset Rubber Printing Blankets and a range of other niche rubber products. This division is manufacturing Offset Rubber Printing Blankets used in Sheet Fed, Web and Security Printing Applications.

The Company has commenced the project of manufacturing Textile based Digital Print Media substrates for use in digital banners & signage printing. The product range would include Back-lite, Front-lite, Hoardings and Banners. The Company also manufactures various types of Technical Coated Fabrics. The fabric would be coated with Acrylics, PU, PVC and Rubber and other different polymers. The said Technical Coated Fabric would be used for various applications such as Tarpaulins, Awnings, Covers, Defense Application, Healthcare, Medical Substrates, Transport, Automotive, Aeronautic & Space, Architectural Membranes, Flexible Membranes for Civil Structures, Blinds, Protective Clothing, Home Furnishing, Geo Textiles, Industrial Fabrics, Sports, Environmental Pollution control, etc.

Since a long time MRT has been exporting its products to many countries, The Company operates across multiple products and business in

diverse markets and environment. This includes manufacturing of Polymer Coated Engineered Fabrics having diverse end uses. The Company is having domestic market, as well as exports to various countries across the globe. The Company have well equipped laboratory, quality assurance team and equipment to produce and offer its premium product line, with speciality character and performance, to match all kind of national or international norms and standards. The company regularly participates in international exhibitions enabling it to keep abreast with the latest global trends.

STRENGTH AND WEAKNESS:

Indian textile industry is as old as the word textile itself. This industry holds a significant position in India by providing the most basic need of Indians. Starting from the procurement of raw materials to the final production stage of the actual textile, the Indian textile industry works on an independent basis.

In addition to availability of large labor force with required skills at a comparatively cheap rate, Indian Textile Industry has a great advantage in that India is the third largest cotton producing country in the World. The Indian textile industry is autonomous and self-governing. Cheap labour and strong entrepreneurial skills have always been the backbone of the Indian Apparel and textile Industry.

The Ministry of Textiles under the Government of India has taken some significant steps to promote the textile industry and Technical textile industries in the Country. Technology Up-gradation Fund Scheme aims at making available funds to the domestic textile industry for technology up-gradation and setting up for new units. This scheme aims to generate annual growth in volume terms in cloth production and in value terms in exports by increasing domestic value addition and technology depth and enhancing global competitiveness. The Indian Government and State Government have come up with a number of exports promotion policies for the textile and technical textile sector.

However, one of the biggest weakness of the Textile industry is its old machines, spinning and processing sector lacks modernization and there is a need of introducing new technology and also India has relatively less number of shuttle-less loom.

Obsolescence of technology, risk in industrial environment from competition, changing customer needs may affect company's business.

OPPORTUNITIES AND THREATS:

The future for the Indian textile industry looks promising, buoyed by both strong domestic consumption as well as export demand. With consumerism and disposable income on the rise, the retail sector has experienced a rapid growth in the past decade with the entry of several international players into the Indian market. The rise of e-commerce and emerging retail industry and malls provide huge opportunities for the apparel and home textiles. The organized apparel segment is expected to grow at a compound annual growth rate (CAGR) of ~8% over a 10-year period. There is scope for growth in the textile industry as India's share in the global trade in textiles is weak, compared to other countries, based on the availability of raw material and skills. The free trade environment is a good opportunity for Indian textile industry to increase its share in the global market.

The Company has established all its manufacturing facilities within a radius of 50 kilometers from each other and in the event of any natural calamity in the region, the operations of the Company may be hampered. Looking to the strategic advantage of being closer to the market, port and specific concessions extended by the State Government, it is a trade-off call for the continuing benefits to the organisation. The Company is not ruling out future expansions at geographically different locations to mitigate such risks.

Volatility in the foreign currencies could impact export earnings of the Company. However, as of now, a major part of the revenues is derived from domestic market with no significant imports of inputs. The Company follows prudent financial measures that are subjected to periodic reviews to hedge its revenues in foreign currency.

While the global textile industry is advancing technologically, local textile industry still relied on import of second hand textile machineries. Moreover; huge tariff barriers are faced by the Industry on account of preferential tariff arrangements.

SEGMENTAL REVIEW AND ANALYSIS: (SEGMENT WISE PERFORMANCE)

The performance of our Technical Textile unit has been well and noted the significant increase in the turnover as well as in the profit. The Traditional Textile Unit performs steady and has been some growth in jobwork. Due to a general market recession, the demand and prices for textile products remained weak. In the Domestic market, with the help of continuous new product development and increasing value added product supply, the Company is offering a wide range of high quality products to all categories of the customers with continual developments in blends, weaving structures, designs, finishes, etc. This should enhance our margins in due course in spite of increase in labour cost, power cost, etc. In exports, due to a globally weak retail sentiment, mainly in the Europe, the pressure would remain on sales & prices.

OUTLOOK:

During the year under review, the Rubber/Technical Textile Industry has performed reasonably well in comparison to the performance of the previous year. In the mid-long term, the Indian textile industry is expected to grow very strongly with growth being balanced from both domestic consumption as well as exports demand. In the near-term, domestic demand would depend on the revival of the macroeconomic factors. On exports front, there are both positive and negative factors.

Your company is looking grow selectively in high value-added segments within textiles, for maximum capital efficiency as well as de-risked

business model. The company is taking all efforts to improve the quality and productivity to get more orders at competitive rates. Due to well-established of weaving dying, bleaching and printing units, the Company is able to quote better rates and maintain high quality & productivity in the finished goods manufactured. The company's business is committed to achieve world benchmark quality besides expanding on new product line specially in Technical Coated Fabrics offering from new clients. These measures will ensure the company maintaining its strong position in the domestic market as well as its presence in the world market. Moreover the other raw material Synthetic Rubber being imported, hence volatility in foreign currency and price in international market may impact the cost of production. Barring unforeseen circumstances, the company is confident of achieving better results in the current year.

KEY RISKS & CONCERNS

The textile business, like other businesses, is susceptible to various risks. The primary risk factor is raw material prices, mainly cotton and the biggest component of cost. Cotton prices are increasing regularly as are other input costs including power and logistics. Since cotton is an agricultural produce, it suffers from climatic and seasonal volatility. Whereas such volatility in case of a product higher in the textile value chain is generally passed through an increase in value added products in the basket provides insulation against such volatilities.

Textile industry is always subject to facing crisis in a cyclical way. Timely action is needed to overcome this situation by taking corrective and proactive steps, then and there.

INTERNAL CONTROL SYSTEM:

The Company has an adequate system of internal control implemented by the management towards achieving efficiency in operations, optimum utilization of resources and effective monitoring thereof and compliance with applicable laws. The internal control is supplemented by an extensive programme of internal audits.

The internal audit programme is finalized in consultation with the internal auditors and the audit committee of the Board. The Audit Committee is briefed on the findings by the internal auditors, every quarter, along with the remedial actions that have been recommended or have been taken by the management to plug systemic weaknesses. The audit committee of the Board meets periodically to review various aspects of the performance of the company and also review the adequacy and effectiveness of the internal control system and suggests improvement for strengthening then from time to time.

FINANCIAL AND OPERATIONAL PERFORMANCE:

The financial performance during the year under review has marginal growth in terms of sales and profit earned by the Company. Please refer to brief description of the Company's financial highlights during the year and State of Company's Affair in the Board of Directors Report.

During FY 2020-21, the market remained exposed to intermittent bouts of volatility due to domestic developments as well as uncertainty surrounding the evolution of global financial markets which impacted the market sentiments and liquidity conditions significantly.

| Particulars | FY 2020-21 | FY 2019-20 | % change |
|---------------------------------|------------|------------|----------|
| Debtor Turnover (Times) | 4.60 | 5.05 | -8.96% |

| Operating Profit Margin (%) | 6.48 | 4.26 | 51.96% |
| Net Profit Margin (%) | 0.04 | 0.03 | 66.65% |

During the current financial year there has been marginally decrease in Operating Profit Margin whereas marginal increase in Net Profit Margin mainly due to volatility in market globally of the Rubber/Technical Textile Segment in which your Company operates.

The Net Worth of the Company stood at ₹ 94.03 crore as on March 31, 2021. Return on Net worth for the year 2020-21 stands at 6.49 % as against 5.47 % for 2019-20.

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 in the preparation of these financial statements including the recoverability of carrying amounts of financial and non financial assets. INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF

MAHALAXMI RUBTECH LIMITED

Report on the audit of Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of **MAHALAXMI RUBTECH LIMITED** ("the Company"), which comprise of the Balance Sheet as at March 31, 2021 and the statement of profit and loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2021, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Emphasis of Matter

We draw attention to Note 42 to Standalone Ind AS Financial Statements, which describes the uncertainties and the impact of Covid-19 pandemic on the Company's operations and results as assessed by the management. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

| Key Audit Matters | How our audit addressed the key audit matter |
|---|--|
| <p>Estimation of provision for sales returns and discounts and volume rebates in the financial statements.</p> <p>Revenue from sale of products is presented net of returns, discounts and volume rebates in the financial statements.</p> <p>The management determines the returns, discounts and rebates on the basis of various factors such as the current and expected operating environment, sales returns variability and expected achievement of targets against various ongoing schemes floated.</p> <p>We determined the estimates associated with sales returns, discounts and volume rebates on sale of products as a key audit matter in view of it having significant impact on the recognized revenue and the involvement of management judgment in estimating the amounts at which these are expected to be settled.</p> | <p>In this regard, our audit procedures included:</p> <p>Understanding the policies and procedures applied to estimate the sales returns, discounts and volume rebates including evaluation and testing of the design and operating effectiveness of controls related to these estimates.</p> <p>Obtained management's calculations for the respective estimates and assessed the reasonableness of assumptions used by the management in determining the amount of estimates based on understanding of the market conditions.</p> <p>Assessed the reasonableness of estimates made by the management in the past by comparing the provisions recognized in the earlier financial years with their subsequent settlement, ratio analysis of discounts, volume rebates and sales returns as a percentage of sale of last few years.</p> <p>Verified, if any credit notes were issued and/or adjustments made after the balance sheet date and their impact if any on the reported amounts.</p> <p>Based on the above procedures performed, the estimates made by the management in respect of sales returns and discounts and rebates on sales were considered to be reasonable.</p> |

Information other than the Standalone Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the other information. The other information obtained at the date of this auditor's report is information included in the Directors' Report including the Annexures to the Directors' report, but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon,

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i) Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii) Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- v) Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that

the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication..

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of the section 143 of the Act, we give in the **Annexure "A"**, a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

“Annexure A” to the Independent Auditors’ Report on the Standalone Financial Statements of Mahalaxmi Rubtech Limited

Referred to in paragraph 1 under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the Standalone Financial Statements of the Company for the year ended March 31, 2021:

- 1) In respect of fixed assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;
 - (b) According to the information and explanations given to us, the company has adopted a policy of physical verification of the fixed assets in a phased manner, designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the program, a portion of the fixed asset has been physically verified by the management during the year and no material discrepancies between the books records and the physical fixed assets have been noticed.
 - (c) According to the information and explanations given to us and on the basis of our examination of the records of the company, the title deeds of immovable properties are held in the name of the company.
- 2) In respect of inventories:
 - a. According to the information and explanations given to us, the inventories have been physically verified by the management during the year. In our opinion the frequency of verification is reasonable.
 - b. According to the information and explanations given to us, the discrepancies noticed on physical verification of the inventory as compared to books records were not material and have been properly dealt with in the books of account.
- 3) According to the information and explanations given to us and in our opinion the Company has granted unsecured and interest free loan to its subsidiary companies only covered in the Register maintained under section 189 of the Act.
 - a. The terms and conditions of the grant of such loans are not prima facie prejudicial to the interest of the company;
 - b. The principal amount of the loan have been repaid as stipulated.
- 4) According to the information and explanations given to us and in our opinion, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 In respect of loans, investments, guarantees, and security.
- 5) According to the information and explanations given to us, the Company has not accepted any deposits within the meaning of Section 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3 (v) of the Order are not applicable.
- 6) We have broadly reviewed the maintenance of cost records by the company as specified by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013 and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained by the company. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- 7) According to information and explanation given to us, in respect of statutory dues:
 - a. According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income-Tax, Sales tax, Goods & Service Tax, Duty of Customs, Duty of Excise, Value added Tax, Cess and any other statutory dues with the appropriate authorities.
 - b. There were no undisputed amounts payable in respect of the above in arrears as at March 31, 2021 for a period of more than six months from the date they become payable.
 - c. There are no dues of income tax, sales tax, service tax, goods and service tax, duty of customs, duty of excise, value added tax which have not been deposited on account of any dispute.
- 8) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues to banks and financial institutions. The Company has not taken any loan from the government and has not issued any debentures.
- 9) Based upon the audit procedures performed and the information and explanations given by the management, the company has not raised moneys by way of initial public offer or further public offer including debt instruments. To the best of our knowledge and belief and according to the information and explanations given to us, the term loans obtained during the year were, prima facie, applied by the company for the purpose for which they were obtained, other than temporary deployment pending application.

- 10) Based upon the audit procedures performed and the information and explanations given by the management, we report that no fraud by the Company or fraud on the company by its officers or employees has been noticed or reported during the year.
- 11) Based upon the audit procedures performed and the information and explanations given by the management, the managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act;
- 12) In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 3 (xii) of the Order are not applicable to the Company.
- 13) In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable Ind AS.
- 14) Based upon the audit procedures performed and the information and explanations given by the management, the company has made preferential allotment of equity shares during the year under review. We further report that the company has complied with the requirement of Section 42 of the Companies Act, 2013 and the amounts raised have been applied by the company during the year for which the funds were raised other than temporary deployment pending utilization.
- 15) Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company and hence not commented upon.
- 16) In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not applicable to the Company and hence not commented upon.

“Annexure B” to the Independent Auditors’ Report on the Standalone Financial Statements of Mahalaxmi Rubtech Limited

(Referred to in paragraph 2(f) under “Report on other legal and regulatory requirements” of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **MAHALAXMI RUBTECH LIMITED** (“the Company”) as of March 31, 2021 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for the Internal Financial Controls.

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls.. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control

over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

47 Financial Risk Management

The principal financial assets of the Company include loans, trade and other receivables, and cash and bank balances that derive directly from its operations. The principal financial liabilities of the company, include loans and borrowings, trade and other payables and the main purpose of these financial liabilities is to finance the day to day operations of the company.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks and that advises on financial risks and the appropriate financial risk governance framework for the Company.

This note explains the risks which the company is exposed to and policies and framework adopted by the company to manage these risks:

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: foreign currency risk, interest rate risk, investment risk.

(i) Foreign currency risk

The company operates internationally and business is transacted in several currencies.

The export sales of company comprise around 17% of the total sales of the company, Further the company also imports certain assets and material from outside India. The exchange rate between the Indian rupee and foreign currencies has changed substantially in the future. Consequently the company is exposed to foreign currency risk and the results of the company may be affected as the rupee appreciates/ depreciates against foreign currencies. Foreign exchange risk arises from the future probable transactions and recognized assets and liabilities denominated in a currency other than company's functional currency.

The company measures the risk through a forecast of highly probable foreign currency cash flows and manages its foreign currency risk by appropriately hedging the transactions. The Company uses a derivative financial instruments such as foreign exchange forward contracts to mitigate the risk of changes in exchange rates on foreign currency exposures.

The following table summarizes the company's exposure foreign currency risk from financial instruments at the end of each reporting period:

Foreign Currency Risk Sensitivity

The impact on the Company's profit before tax due to changes in the fair value of monetary assets and liabilities including foreign currency derivatives on account of reasonably possible change in USD and Euro exchange rates (with all other variables held constant) will be as under:

| Particulars | Net Impact on Profit before Tax | |
|--------------------------|---------------------------------|------------------|
| | As at 31/03/2021 | As at 31/03/2020 |
| USD sensitivity | | |

| INR/EURO -Increase by 5% | -24280 | -14967 |
| INR/EURO -Decrease by 5% | 24280 | 14967 |

(ii) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates.

As the Company has no significant interest-bearing assets, the income and operating cash flows are substantially independent of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates, which are included in interest bearing loans and borrowings in these financial statements. The company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

At the reporting date the interest rate profile of the Company's interest bearing financial instrument is at its fair value:

Exposure to Interest Rate risk

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

₹ in Lakhs

| Particulars | As at March 31, 2021 | As at March 31, 2020 |
|--|----------------------|----------------------|

A change of 50 bps in interest rate would have following impact on Profit before tax

| Particulars | As at March 31, 2021 | As at March 31, 2020 |
|---|----------------------|----------------------|
| 50 bps increase would decrease the profit before tax by | -17.22 | -16.70 |
| 50 bps decrease would increase the profit before tax by | 17.22 | 16.70 |

(iii) Investment Risk

The company is exposed to equity price risk arising from equity investments.

The company manages equity price risk by investing in fixed deposits/Fixed Maturity Plans. The company does not actively trade equity investments. Protection principle is given high priority by limiting company's investments to fixed deposits/Fixed Maturity plans only.1

Liquidity Risk

The financial liabilities of the company, other than derivatives, include loans and borrowings, trade and other payables. The company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The company monitors its risk of shortage of funds to meet the financial liabilities using a liquidity planning tool. The company plans to maintain sufficient cash and deposits to meet the obligations as and when fall due.

The below is the detail of contractual maturities of the financial liabilities of the company at the end of each reporting period:

₹ in Lakhs

| Particulars | As at 31-3-2021 | As at 31-3-2020 |
|------------------------------------|-----------------|-----------------|
| Borrowings | | |
| expiring within one year | 2820.14 | 2575.43 |

| Other Financial liabilities | | |
| expiring within one year | 229.81 | 216.13 |
| expiring beyond one year | - | - |
| | 229.81 | 216.13 |

Credit Risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables which are typically unsecured. Credit risk on cash and bank balances is limited as the company generally invests in deposits with banks and financial institutions with high credit ratings assigned by credit rating agencies. Investments primarily include investment in liquid mutual fund units, bonds, fixed maturity plan etc. issued by institutions having proven track record. The Company's credit risk in case of all other financial instruments is negligible.

The company assesses the credit risk for the overseas customers based on external credit ratings assigned by credit rating agencies. The company also assesses the creditworthiness of the customers internally to whom goods are sold on credit terms in the normal course of business. The credit limit of each customer is defined in accordance with this assessment. Outstanding customer receivables are regularly monitored and any shipments to overseas customers are generally covered by ECGC.

The impairment analysis is performed on client to client basis for the debtors that are past due at the end of each reporting date. The company has not considered an allowance for doubtful debts in case of trade receivables that are past due but there has not been a significant change in the credit quality and the amounts are still considered recoverable.

The maximum exposure to credit risk at the reporting date is the carrying value of trade receivables as disclosed at Note 8

Write off policy

The financial assets are written off, in case there is no reasonable expectation of recovering from the financial asset.

48 Capital Management

The capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the company. The primary objective of the company's capital management is to maintain optimum capital structure to reduce cost of capital and to maximize the shareholder value.

The company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants which otherwise would permit the banks to immediately call loans and borrowings. In order to maintain or adjust the capital structure, the company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

The Company monitors capital using a gearing ratio, which is net debt divided by total equity. The Company's gearing ratio was as follows:

₹ in Lakhs

| Particulars | Financial Year ended 31.03.2021 | Financial Year ended 31.03.2020 |
|---------------------------------|---------------------------------|---------------------------------|
| Total Borrowings | 3832.55 | 3339.45 |
| Less: Cash and cash equivalents | 660.45 | 634.03 |
| Net debt | 3172.10 | 2705.42 |
| Total equity | 9448.05 | 8834.05 |
| Gearing ratio | 33.57% | 30.62% |

Further, there have been no breaches in the financial covenants of any interest-bearing loans and borrowing during the year ended 31st March 2021.

A General Information

Mahalaxmi Rubtech Limited (the "Company") is a listed public limited company domiciled in India and was incorporated on 25th September, 1991 under the provisions of the Companies Act, 1956 applicable in India. Its registered office is located at 47, New Cloth market, Ahmedabad. The Company is primarily engaged in the business of manufacturing of traditional textile and technical textile products.

B Significant accounting policies

Significant accounting policies adopted by the company are as under:

(a) Basis of Preparation of Financial Statements

(i) Statement of Compliance with Ind AS

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 (the "Act") read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

Accounting policies have been consistently applied to all the years presented except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(ii) Basis of measurement

The financial statements have been prepared on a historical cost convention on accrual basis, except certain financial assets and liabilities measured at fair value.

All the amounts included in the consolidated financial statements are reported in Indian rupees, unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures. Previous year figures have been regrouped/ re-arranged, wherever necessary.

(iii) Current and non current classification

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Act.

(b) Use of estimates

The preparation of financial statements in conformity with Ind AS requires the management to make estimate and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying financial statements are based upon the management's evaluation of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates, if any, are recognized in the year in which the estimates are revised and in any future years affected.

(c) Property, plant and equipment

The Company had applied for the one time transition exemption of considering the carrying cost on the transition date i.e. 1st April, 2016 as the deemed cost under IND AS. Hence regarded thereafter as historical cost.

Property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to Statement of Profit and Loss during the year in which they are incurred.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'.

Depreciation methods, estimated useful lives

The Company depreciates property, plant and equipment over their estimated useful lives using the straight line method. The estimated useful lives of assets are taken as prescribed useful lives under Schedule II to the Companies Act, 2013. The

management believes that such estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Depreciation on addition to property plant and equipment is provided on pro-rata basis from the date of acquisition. Depreciation on sale/deduction from property plant and equipment is provided up to the date preceding the date of sale, deduction as the case may be. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in Statement of Profit and Loss under 'Other Income'.

(d) Investment properties

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

(e) Intangible Assets

Intangible assets are stated at acquisition cost, net of accumulated amortization.

The Company has amortized intangible assets over their estimated useful lives using the straight line method. The estimated useful lives of intangible asset is 10 years.

(f) Investments in subsidiaries, associates

Investments in subsidiaries, associates are recognised at fair value.

(g) Borrowing cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

(h) Foreign Currency Transactions

(a) Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is the Company's functional and presentation currency.

(b) Transactions and balances

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction. Gains/Losses arising out of fluctuation in foreign exchange rate between the transaction date and settlement date are recognised in the Statement of Profit and Loss.

All monetary assets and liabilities in foreign currencies are restated at the year end at the exchange rate prevailing at the year end and the exchange differences are recognised in the Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

(i) Financial Instruments.

Fair value measurement

The Company has valued financial assets and Financial Liabilities, at fair value. Impact of fair value changes as on date of transition, is recognised in opening reserves and changes there after are recognised in Statement of Profit and Loss Account or Other Comprehensive Income, as the case may be.

Financial Assets

The company classifies its financial assets as those to be measured subsequently at fair value (either through other comprehensive income or through Profit or loss) and those to be measured at amortised cost.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable to transaction costs.

(j) Revenue Recognition

The company derives revenues primarily from sale of manufactured goods, traded goods, job work and related services.

Revenue is recognised when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the companys activities as described below:

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of trade allowances, rebates and amounts collected on behalf of third parties and is not recognised in instances where there is uncertainty with regard to ultimate collection. In such cases revenue is recognised on reasonable certainty of collection.

Sale of products:

Revenue from sale of products is recognised when significant risks and rewards in respect of ownership of products are transferred to customers based on the terms of sale. Revenue from sales is based on the price specified in the sales contracts, net of all discounts, returns and goods & service tax at the time of sale.

(k) Taxes

Tax expense for the year, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the year.

(a) Current income tax

Current tax assets and liabilities are measured at the amount expected to be recovered or paid to the taxation authorities in accordance with the relevant prevailing tax laws. Tax expenses relating to the items in profit & loss account shall be treated as current tax as part of profit and loss and those relating to items in other comprehensive income shall be recognised as part of OCI.

(b) Deferred tax

Deferred income tax is recognised for all the temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the year and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

At each balance sheet , the company re-assesses unrecognised deferred tax assets, if any, and the same is recognised to the extent it has become probable that future taxable profit will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

(l) Assets classified as held for sale

The Company classifies non-current assets (or disposal group) as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use.

Non-current assets (or disposal group) held for sale are measured at the lower of their carrying amount and the fair value less costs to sell. Assets and liabilities (or disposal group) classified as held for sale are presented separately in the balance sheet.

Property, plant and equipment and intangible assets once classified as held for sale are not depreciated or amortized.

(m) Leases

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as a lessee are shown as other non current assets . Payments made under operating leases (net of any incentives received from the lesser) are charged to Statement of Profit and Loss on a straight-line basis over the period of the lease .

(n) Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

Raw materials, finished goods, semi finished goods, trading goods and stores and spare parts are valued at lower of cost and net realizable value. Cost includes purchase price, (excluding taxes those subsequently recoverable by the enterprise from the concerned revenue authorities), freight inwards and other expenditure incurred in bringing such inventories to their present location and condition. Fent, rags and rejections are stated at net realisable value. In determining the cost, FIFO method is used.

(o) Impairment of assets

The carrying value of assets / cash generating units at the Balance Sheet date are reviewed for impairment, if any indication of impairment exists. If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is

recognised for such excess amount. The impairment loss is recognised for such excess amount.

(p) Provisions and contingent liabilities

Provisions are recognized when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

(q) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks, cash on hand and short-term deposits net of bank overdraft with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, cash in banks and short-term deposits net of bank overdraft.

(r) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(I) Financial assets

(i) Initial recognition and measurement

At initial recognition, financial asset is measured at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

(ii) Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

a) at amortized cost; or b) at fair value through other comprehensive income; or c) at fair value through profit or loss. The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

(iii) Impairment of financial assets

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. the impairment methodology applied depends on whether there has been a significant increase in credit risk.

(iv) Derecognition of financial assets

A financial asset is derecognized only when

- a) the rights to receive cash flows from the financial asset is transferred or
- b) retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the financial asset is transferred then in that case financial asset is derecognized only if substantially all risks and rewards of ownership of the financial asset is transferred. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

(II) Financial liabilities

(i) Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss and at amortized cost, as appropriate.

(ii) Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized.

(iii) Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss as finance costs.

(s) Employee Benefits

(I) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the year in which the employees render the related service are recognized in respect of employees' services up to the end of the year and are measured at the amounts expected to be paid when the liabilities are settled.

(II) Other long-term employee benefit obligations

(i) Defined contribution plan

Provident Fund: Contribution towards provident fund is made to the regulatory authorities, where the Company has no further obligations, apart from the contributions made on a monthly basis which are charged to the Statement of Profit and Loss.

Employee's State Insurance Scheme: Contribution towards employees' state insurance scheme is made to the regulatory authorities, where the Company has no further obligations apart from the contributions made on a monthly basis which are charged to the Statement of Profit and Loss.

(ii) Defined benefit plans

Gratuity: The Company provides for gratuity, a defined benefit plan (the 'Gratuity Plan') covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary. The Company's liability is actuarially at the end of each year. Actuarial losses/gains are recognized in the other comprehensive income in the year in which they arise.

(t) Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Company's earnings per share is the net profit or loss for the year after deducting preference dividends and any attributable tax thereto for the year, if any. The weighted average number of equity shares outstanding during the year and for all the years presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

(u) Research & Development

Expenditure on research and development is recognised as an expense when it is incurred. Expenditure which results in increase in property, plant and equipment are capitalised and depreciated in accordance with the policies stated for property, plant & equipment.

(v) Government grants

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the company will comply with all the attached conditions. All government grants are initially recognised by way of setting up as deferred income. Government grants relating to income are recognised in the profit & loss account. Government

grants relating to purchase of property, plant & equipment are subsequently recognised in profit & loss on a systematic basis over the expected life of the related depreciable assets. Grants recognised in Profit & Loss as above are presented within other income.

(w) Inter divisional transactions

Inter divisional transactions are eliminated as contra items. Any unrealised profits on unsold stocks on account of inter divisional transactions is eliminated while valuing the inventory.

(x) Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future years.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the year end date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

(i) Taxes

Significant assumptions and judgements are involved in determining the provision for tax based on tax enactments, relevant judicial pronouncements including an estimation of the likely outcome of any open tax assessments/ litigations. Deferred income tax assets are recognised to the extent that it is probable that future taxable income will be available, based on estimates thereof.

(ii) Defined benefit plans (gratuity benefits and leave encashment)

The cost of the defined benefit plans such as gratuity and leave encashment are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each year end.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF

MAHALAXMI RUBTECH LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated financial statements of **MAHALAXMI RUBTECH LIMITED** (hereinafter referred to as “the Holding Company”) and its subsidiaries (the Holding Company and its subsidiaries together referred to as ‘the Group’), which comprising of the Consolidated Balance Sheet as at March 31, 2021, the Consolidated statement of profit and loss, including Other Comprehensive Income, the Consolidated Statement of Changes in Equity, the Consolidated Statement of Cash Flows for the year then ended and notes to the Consolidated financial statements including a summary of significant accounting policies and other explanatory information (herein after referred to as “Consolidated Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 as amended (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2021, and their consolidated profit including other comprehensive income, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the ‘Auditor’s Responsibility for the Audit of the Consolidated Financial Statements’ section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matter

We draw attention to Note “42” to the Consolidated Financial Statements, which describes the uncertainties and the impact of Covid-19 pandemic on the Group’s operations and results as assessed by the management. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Information other than the Financial Statements and Auditor's report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon,

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiaries, is traced from their financial statements audited by the other auditors.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company as aforesaid.

In preparing the Consolidated financial statements, the respective Board of Directors of the Companies included in the Group are responsible for assessing the Company's ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those the respective Board of Directors of the Companies included in the Group are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i) Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii) Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may

cause the Group to cease to continue as a going concern.

- v) Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- vi) Obtain sufficient appropriate audit evidence regarding the financial information of the Holding Company or business activities within the Group of which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2021 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (i) The Consolidated Financial Statements include two subsidiaries which reflect total assets of Rs.266.42 lakhs as at 31st March,2021, total revenue of Rs.176.26 lakhs and net cash inflow of Rs. (7.32) lakhs for the year then ended which have been audited by other auditors.
- (ii) We did not audit the financial statements and other financial information, in respect of subsidiaries. These financial statements and other financial information have been audited by other auditors whose financial statements, other financial information and auditor's report have been furnished to us by the management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of subsidiaries, and our report in terms of sub-section (3) of section 143 of the Act, in so far as relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.
- (iii) Our opinion on the consolidated financial statements and our report on Other Legal and Regulatory Requirements above, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditor.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditor's on separate financial statements and the other financial information of subsidiaries, as noted in the other matter paragraph we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors;
 - (c) The consolidated balance sheet, consolidated Statement of profit and loss including the statement of Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Cash Flow dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) On the basis of written representations received from the directors of the Holding Company as on March 31, 2021 and taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors who are appointed under section 139 of the Act, of its subsidiaries, none of the directors of the Group companies is disqualified as on March 31, 2021 from being

appointed as a director in terms of section 164(2) of the Act.

- (f) with respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated financial statements of the Holding Company and its subsidiary companies, refer to our separate report in the **Annexure-A** to this report.
- (g) in our opinion and based on the consideration of reports of other statutory auditors of the subsidiaries, the managerial remuneration for the year ended 31st March, 2021 has been paid / provided by the Holding Company and its subsidiaries to their directors in accordance with the provisions of section 197 read with Schedule V to the Act.
- (h) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries, as noted in the "Other Matters" paragraph:
 - i. The consolidated financial statements disclose the impact of pending litigations on its consolidated financial position of the Group;
 - ii. The provision has been made in the Consolidated Financial Statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiaries.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF MAHALAXMI RUBTECH LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit report of the Consolidated Financial Statements of **MAHALAXMI RUBTECH LIMITED** as of and for the year ended 31st March, 2021, we have audited the internal financial controls over financial reporting of **MAHALAXMI RUBTECH LIMITED** (hereinafter referred to as the “Holding Company”) and its subsidiaries, which are companies incorporated in India, as of that date.

Management’s Responsibility for the Internal Financial Controls.

The respective Board of Directors of the Holding Company and its subsidiaries, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Holding Company and its subsidiaries, internal financial controls over financial reporting with reference to these consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, both issued by ICAI, and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls.. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting with reference to these consolidated financial statements.

Meaning of Internal Financial Controls Over Financial Reporting with reference to these consolidated financial statements

A company’s internal financial control over financial reporting with reference to these consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting with reference to these consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting with reference to these consolidated financial statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these consolidated financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors, as referred to in “Other Matters” paragraph, the Holding Company and its subsidiaries, which are companies incorporated in India

have maintained, in all material respects, an adequate internal financial controls system over financial reporting with reference to these consolidated financial statements and such internal financial controls over financial reporting with reference to these consolidated financial statements were operating effectively as at March 31, 2021, based on the internal control over financial reporting with reference to these consolidated financial statements criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

Our report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls system over financial reporting with reference to these consolidated financial statements of the Holding Company, in so far it relates to separate financial statements of two subsidiaries is based on the corresponding reports of the auditors of such subsidiaries.

47 Financial Risk Management

The principal financial assets of the Company include loans, trade and other receivables, and cash and bank balances that derive directly from its operations. The principal financial liabilities of the company, include loans and borrowings, trade and other payables and the main purpose of these financial liabilities is to finance the day to day operations of the company.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks and that advises on financial risks and the appropriate financial risk governance framework for the Company.

This note explains the risks which the company is exposed to and policies and framework adopted by the company to manage these risks:

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: foreign currency risk, interest rate risk, investment risk.

(i) Foreign currency risk

The company operates internationally and business is transacted in several currencies.

The export sales of company comprise around 17% of the total sales of the company, Further the company also imports certain assets and material from outside India. The exchange rate between the Indian rupee and foreign currencies has changed substantially in the future. Consequently the company is exposed to foreign currency risk and the results of the company may be affected as the rupee appreciates/ depreciates against foreign currencies. Foreign exchange risk arises from the future probable transactions and recognized assets and liabilities denominated in a currency other than company's functional currency.

The company measures the risk through a forecast of highly probable foreign currency cash flows and manages its foreign currency risk by appropriately hedging the transactions. The Company uses a derivative financial instruments such as foreign exchange forward contracts to mitigate the risk of changes in exchange rates on foreign currency exposures.

The following table summarizes the company's exposure foreign currency risk from financial instruments at the end of each reporting period:

| INR/EURO -Increase by 5% | -24280 | -14967 |
| INR/EURO -Decrease by 5% | 24280 | 14967 |

(ii) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates.

As the Company has no significant interest-bearing assets, the income and operating cash flows are substantially independent of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates, which are included in interest bearing loans and borrowings in these financial statements. The company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

At the reporting date the interest rate profile of the Company's interest bearing financial instrument is at its fair value:

Exposure to Interest Rate risk

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

|---|----------------------|----------------------|
| 50 bps increase would decrease the profit before tax by | -17.24 | -16.70 |
| 50 bps decrease would increase the profit before tax by | 17.24 | 16.70 |

(iii) Investment Risk

The company is exposed to equity price risk arising from equity investments.

The company manages equity price risk by investing in fixed deposits/Fixed Maturity Plans. The company does not actively trade equity investments. Protection principle is given high priority by limiting company's investments to fixed deposits/Fixed Maturity plans only.

Liquidity Risk

The financial liabilities of the company, other than derivatives, include loans and borrowings, trade and other payables. The company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The company monitors its risk of shortage of funds to meet the financial liabilities using a liquidity planning tool. The company plans to maintain sufficient cash and deposits to meet the obligations as and when fall due.

The below is the detail of contractual maturities of the financial liabilities of the company at the end of each reporting period:

| Particulars | As at 31-3-2021 | As at 31-3-2020 |
|------------------------------------|-----------------|-----------------|
| Borrowings | | |
| expiring within one year | 2822.39 | 2575.63 |

| expiring within one year | 229.98 | 209.16 |
| expiring beyond one year | 0.02 | 2.45 |
| | 230.01 | 211.61 |

Credit Risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables which are typically unsecured. Credit risk on cash and bank balances is limited as the company generally invests in deposits with banks and financial institutions with high credit ratings assigned by credit rating agencies. Investments primarily include investment in liquid mutual fund units, bonds, fixed maturity plan etc. issued by institutions having proven track record. The Company's credit risk in case of all other financial instruments is negligible.

The company assesses the credit risk for the overseas customers based on external credit ratings assigned by credit rating agencies. The company also assesses the creditworthiness of the customers internally to whom goods are sold on credit terms in the normal course of business. The credit limit of each customer is defined in accordance with this assessment. Outstanding customer receivables are regularly monitored and any shipments to overseas customers are generally covered by ECGC.

The impairment analysis is performed on client to client basis for the debtors that are past due at the end of each reporting date. The company has not considered an allowance for doubtful debts in case of trade receivables that are past due but there has not been a significant change in the credit quality and the amounts are still considered recoverable.

The maximum exposure to credit risk at the reporting date is the carrying value of trade receivables as disclosed at Note 8

Write off policy

The financial assets are written off, in case there is no reasonable expectation of recovering from the financial asset.

48 Capital Management

The capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the company. The primary objective of the company's capital management is to maintain optimum capital structure to reduce cost of capital and to maximize the shareholder value.

The company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants which otherwise would permit the banks to immediately call loans and borrowings. In order to maintain or adjust the capital structure, the company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total equity.

The Company's gearing ratio was as follows:

₹ in Lakhs

| Particulars | Financial Year ended 31.03.2021 | Financial Year ended 31.03.2020 |
|---------------------------------|---------------------------------|---------------------------------|
| Total Borrowings | 3837.06 | 3339.85 |
| Less: Cash and cash equivalents | 663.42 | 644.32 |
| Net debt | 3173.63 | 2695.53 |
| Total equity | 9426.32 | 8812.39 |
| Gearing ratio | 33.67% | 30.59% |

Further, there have been no breaches in the financial covenants of any interest-bearing loans and borrowing during the year ended 31st March 2021.

1 The Company overview

The Consolidated Financial Statements comprise financial Statements of "Mahalaxmi Rubtech Limited" ('the Holding Company') and its subsidiary (collectively referred to as "the Group") for the year ended 31st March, 2021.

The principal activities of the Group, is manufacturing of traditional textile and technical textile products.

2 Summary of Significant accounting policies

2.1 Basis of preparation

(i) Compliance with Ind AS

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 (the "Act") read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

Accounting policies have been consistently applied to all the years presented except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(ii) Basis of measurement

The Consolidated financial statements have been prepared on a historical cost convention on accrual basis, except certain financial assets and liabilities measured at fair value.

All the amounts included in the consolidated financial statements are reported in Indian rupees, unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures. Previous year figures have been regrouped/ re-arranged, wherever necessary.

2.2 Principles of Consolidation

- The financial statements of the Holding company and its subsidiary are combined on a line by line basis by adding together like items of assets, liabilities, equity, income, expenses and cash flows, after fully eliminating intra-group balances and intra group transactions.
- The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances.
- The carrying amount of the parent's investment in subsidiary is offset (eliminated) against the parent's portion of equity in the subsidiary.
- The financial statements of the following subsidiary company have been considered for consolidation

| Name of the Entity | Relationship | % of holding |
|-----------------------------------|--------------|--------------|
| Globale Tessile Private Limited | Subsidiary | 100% |
| Mahalaxmi Exports Private Limited | Subsidiary | 100% |

2.3 Use of estimates

The preparation of consolidated financial statements in conformity with Ind AS requires the management to make estimate and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying financial statements are based upon the management's evaluation of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis.

Revisions to accounting estimates, if any, are recognized in the year in which the estimates are revised and in any future years affected.

2.4 Property, plant and equipment

Property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured. Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is

classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'.

Depreciation methods, estimated useful lives

The Company depreciates property, plant and equipment over their estimated useful lives using the straight line method. The estimated useful lives of assets are taken as prescribed useful lives under Schedule II to the Companies Act, 2013. The management believes that such estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Depreciation on addition to property plant and equipment is provided on pro-rata basis from the date of acquisition.

Depreciation on sale/deduction from property plant and equipment is provided up to the date preceding the date of sale, deduction as the case may be. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in Statement of Profit and Loss under 'Other Income'.

2.5 Investment properties

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

2.6 Intangible Assets

Intangible assets are stated at acquisition cost, net of accumulated amortization.

The Company has amortized intangible assets over their estimated useful lives using the straight line method. The estimated useful lives of intangible asset is 10 years.

2.7 Revenue Recognition

Revenue is recognised when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities as described below:

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of trade allowances, rebates and amounts collected on behalf of third parties and is not recognised in instances where there is uncertainty with regard to ultimate collection. In such cases revenue is recognised on reasonable certainty of collection.

The Company has adopted Ind AS 115 'Revenue from contracts with customers' made effective from April 1, 2018. Based on the assessment done by the management, there is no material impact on the revenue recognised during the period;

In respect of above, the amounts received in advance are reflected in the Balance sheet under "Other Current and Non-current Liabilities" as "Advance from Customers".

Sale of products:

Revenue from sale of products is recognised when significant risks and rewards in respect of ownership of products are transferred to customers based on the terms of sale. Revenue from sales is based on the price specified in the sales contracts, net of all discounts, returns and goods and service tax at the time of sale.

2.8 Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows : Raw Materials, finished goods, semi finished goods, trading goods and stores and spare parts are valued at lower of cost and net realizable value. Cost includes purchase price, (excluding taxes those subsequently recoverable by the enterprise from the concerned revenue authorities), freight inwards and other expenditure incurred in bringing such inventories to their present location and condition. Fent, rags and rejections are stated at net realisable value. In determining the cost, FIFO method is used.

2.9 Leases

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as a lessee are shown as other non current assets. Payments made under operating leases (net of any incentives received from the lesser) are charged to Statement of Profit and Loss on a straight-line basis over the period of the lease.

2.10 Assets classified as held for sale

The Company classifies non-current assets (or disposal group) as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use.

Non-current assets (or disposal group) held for sale are measured at the lower of their carrying amount and the fair value less costs to sell. Assets and liabilities (or disposal group) classified as held for sale are presented separately in the balance sheet.

Property, plant and equipment and intangible assets once classified as held for sale are not depreciated or amortized.

2.11 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks, cash on hand and short-term deposits net of bank overdraft with an original maturity of three of months or less, which are subject to an insignificant risk of changes in value.

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, cash in banks and short-term deposits net of bank overdraft.

2.12 Borrowing cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.13 Foreign Currency Transactions

(a) Functional and presentation currency

Items included in the consolidated financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is the Company's functional and presentation currency.

(b) Transactions and balances

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction. Gains/Losses arising out of fluctuation in foreign exchange rate between the transaction date and settlement date are recognised in the Statement of Profit and Loss.

All monetary assets and liabilities in foreign currencies are restated at the year end at the exchange rate prevailing at the year end and the exchange differences are recognised in the Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

2.14 Financial Instruments.

Fair value measurement

The Company has valued financial assets and Financial Liabilities, at fair value. Impact of fair value changes are recognised in Statement of Profit and Loss Account or Other Comprehensive Income, as the case may be.

Financial Assets

The company classifies its financial assets as those to be measured subsequently at fair value (either through other comprehensive income or through Profit or loss) and those to be measured at amortised cost.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable to transaction costs.

2.15 Taxes

Tax expense for the year, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the year.

(a) Current income tax

Current tax assets and liabilities are measured at the amount expected to be recovered or paid to the taxation authorities in accordance with the relevant prevailing tax laws. Tax expenses relating to the items in profit & loss account shall be treated as current tax as part of profit and loss and those relating to items in other comprehensive income shall be recognised as part of OCI.

(b) Deferred tax

Deferred income tax is recognised for all the temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in financial statements. Deferred income tax is determined using tax rates (and

laws) that have been enacted or substantially enacted by the end of the year and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

2.16 Impairment of assets

The carrying value of assets / cash generating units at the Balance Sheet date are reviewed for impairment, if any indication of impairment exists. If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised for such excess amount.

2.17 Provisions and contingent liabilities

Provisions are recognized when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

2.18 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(a) Financial assets

(i) Initial recognition and measurement

At initial recognition, financial asset is measured at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset.

Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

(ii) Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

- a) at amortized cost; or
- b) at fair value through other comprehensive income; or
- c) at fair value through profit or loss.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

(iii) Impairment of financial assets

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

(iv) Derecognition of financial assets

A financial asset is recognised only when

- a) the rights to receive cash flows from the financial asset is transferred or
- b) retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

(b) Financial liabilities

(i) Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss and at amortized cost, as appropriate.

(ii) Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss Financial liabilities at fair value through profit or loss include

financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized.

(iii) Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss as finance costs.

2.19 Employee Benefits

(a) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the year in which the employees render the related service are recognized in respect of employees' services up to the end of the year and are measured at the amounts expected to be paid when the liabilities are settled.

(b) Other long-term employee benefit obligations

(i) Defined contribution plan

Provident Fund: Contribution towards provident fund is made to the regulatory authorities, where the Company has no further obligations, apart from the contributions made on a monthly basis which are charged to the Statement of Profit and Loss.

Employee's State Insurance Scheme: Contribution towards employees' state insurance scheme is made to the regulatory authorities, where the Company has no further obligations apart from the contributions made on a monthly basis which are charged to the Statement of profit and loss.

(ii) Defined benefit plans

Gratuity: The Company provides for gratuity, a defined benefit plan (the 'Gratuity Plan') covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary. The Company's liability is actuarially at the end of each year. Actuarial losses/gains are recognized in the other comprehensive income in the year in which they arise.

2.20 Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Company's earnings per share is the net profit or loss for the year after deducting preference dividends and any attributable tax thereto for the year, if any. The weighted average number of equity shares outstanding during the year and for all the years presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

2.21 Research & Development

Expenditure on research and development is recognised as an expense when it is incurred. Expenditure which results in increase in property, plant and equipment are capitalised and depreciated in accordance with the policies stated for property, plant & equipment.

2.22 Government grants

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the company will comply with all the attached conditions. All government grants are initially recognised by way of

setting up as deferred income. Government grants relating to income are recognised in the profit & loss account. Government grants relating to purchase of property, plant & equipment are subsequently recognised in profit & loss on a systematic basis over the expected life of the related depreciable assets. Grants recognised in Profit & Loss as above are presented within other income.

2.23 Inter divisional transactions

Inter divisional transactions are eliminated as contra items. Any unrealised profits on unsold stocks on account of inter divisional transactions is eliminated while valuing the inventory.

2.24 Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future years.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the year end date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

(a) Taxes

Significant assumptions and judgements are involved in determining the provision for tax based on tax enactments, relevant judicial pronouncements including an estimation of the likely outcome of any open tax assessments/ litigations. Deferred income tax assets are recognised to the extent that it is probable that future taxable income will be available, based on estimates thereof.

(b) Defined benefit plans (gratuity benefits and leave encashment)

The cost of the defined benefit plans such as gratuity and leave encashment are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each year end.
