Measures from Government and Regulator

Continued Pause in Policy Rate

RBI's MPC voted unanimously to maintain status-quo (repo rate @ 4%) even in the December meeting and continued with its accommodative stance for as long as necessary to revive growth.

Revision of Risk Weights for Individual Housing Loans

The risk weights for individual housing loans by banks to be linked with only LTV ratios for all incremental sanctions up to 31 March 2022 as against both LTV ratio & loan size. Such loans with LTV up to 80% will attract a risk weight of 35% & those with LTV between 80% to 90% will attract a risk weight of 50%.

Restrictions on Dividend Payout by Banks & NBFCs/HFCs

RBI has asked Scheduled Commercial Banks & Co-operative banks to not make any dividend payout for FY20. As for NBFCs/HFCs, it has proposed certain minimum thresholds on capital & asset quality and capped their dividend payout based on a matrix of capital & asset quality levels.

Waiver of interest on interest during Moratorium

Following the instructions of Honorable Supreme Court after multiple hearings on the "waiver of interest on interest" case, the Government has directed all lending institutes to credit the difference between compound & simple interest for 6 months of the moratorium period to eligible borrowers by 05 November 2020. Reimbursement from the Government of equivalent amount can then be claimed by the lending institute by 15 December 2020.
