

A large roll of metal sheet piling is the central focus of the image, positioned in a factory or industrial setting. The roll is made of many thin, overlapping sheets of metal, creating a textured, circular appearance. The background shows industrial structures, including pipes and beams, which are slightly out of focus. The lighting is bright, highlighting the metallic sheen of the roll.

Business Segments

Engineering Business

Tube Products of India (TPI) - Most preferred supplier of precision tubes, ERW and CDW to major automotive companies in India & abroad.

Mobility Division

TI Cycles was the first bicycle company to change the cycle retail landscape, both in urban and rural areas.

Metal Formed Products

TI Metal Forming is pioneer in Sheet Metal Formed Products, Fine Blanked Components, Industrial Chains, Motor Casings, etc.

Major Subsidiaries

CG Power – Manufacturer of Industrial and Power segment products, OSAT facility through CG Semi Pvt Ltd, Axiro Semiconductor Pvt Ltd.
Shanthi Gears – Manufacturer of power transmission products
Sedis – Manufacturer of Industrial & Engineering class chains in France
TICMPL – Engaged in manufacturing of EV (3W, Tractor, M&H CV and SCV).
TI Medical – Manufacturer of medical and surgical consumables
3XPER Innoventure – CDMO and API business
KCALTech – Manufacturer of Aluminum Condenser Tubes used in HVAC Applications.

New Acquisitions/Companies at TII & its Subsidiaries level

Axiro Semiconductor Private Limited:

- ❑ During the year, CG Power has incorporated, **Axiro Semiconductor Private Limited** as wholly owned subsidiary in connection with definitive agreement entered into with **Renesas Electronics America Inc.** and other affiliate entities of **Renesas Electronics Corporation** for acquisition of **Radio Frequency ('RF')** components business, in order to enter into the semi-conductor design business for a consideration of USD 36 Million. Subsequent to the year end, during April 2025, upon payment of consideration, the Company has obtained control over the RF Components business from Renesas Electronics America Inc. and other affiliate entities of Renesas Electronics Corporation.
- ❑ The company formed 3 subsidiaries namely - Axiro Semiconductor Inc (incorporated on 23rd December 2024), Axiro Semiconductor Turkey Arastirma ve Gelitirme A.S. (incorporated on 7th March 2025) and Axiro Semiconductor (Shenzhen) Co., Ltd. (incorporated on 20th March 2025)

Kcaltech System India Private Limited

- ❑ During the quarter, TII acquired 67% of equity share capital of M/s. **Kcaltech System India Private Limited** (engaged in the business of manufacture of aluminum tubes and parts as used in **Heating Ventilation and Air Conditioning** ("HVAC") applications in automobiles segment) for a consideration of ₹62 Cr.

Engineering Division

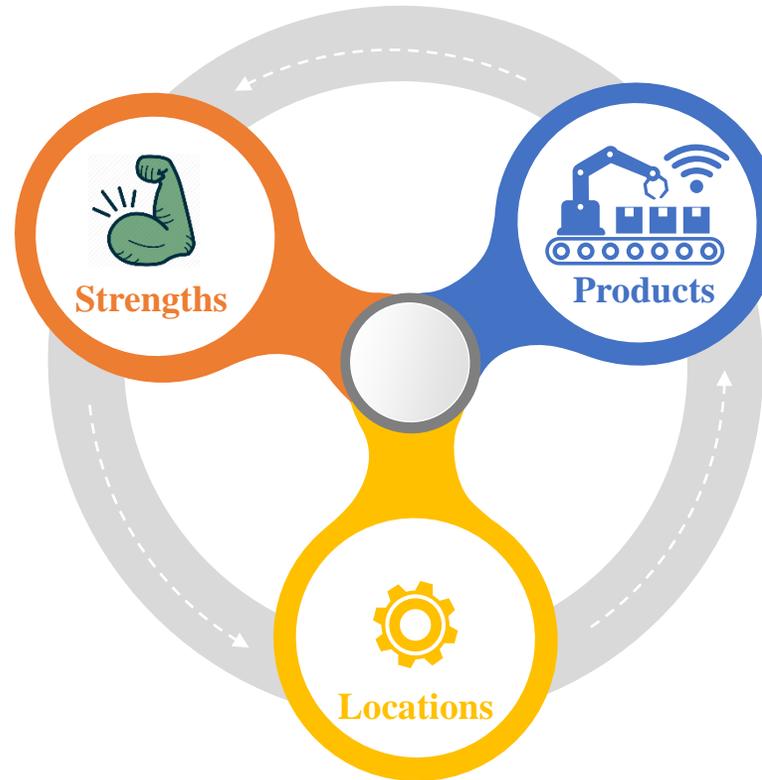

- ❑ One of the World's Largest manufacturer of Cold Drawn Welded Precision Tubes
- ❑ One of the leading precision tube manufacturer for the automotive industries
- ❑ Specially designed tubes for the hydraulic and pneumatic applications
- ❑ Precisely develop products based on the needs of every industry

Key Strengths, Products & Manufacturing Locations

Key Strengths

- Market leader and preferred Indian supplier in CDW Tubes.
- Major manufacturer with the engineering expertise to offer customized, application specific CRSS and tubular products.
- State-of-the-art manufacturing facilities proximately located to customers in key geographies.

Manufacturing Locations

Tamil Nadu - Avadi and Tiruttani
Maharashtra – Shirwal and Nashik
Punjab - Mohali and Rajpura

Metal Formed Products

Metal Formed Products

- ❑ Specialized in manufacturing Cold roll formed sections and components
- ❑ Preferred supplier of Auto OEMs in various segments. Leader in manufacturing of car doorframes in India, servicing major OEMs in India.
- ❑ Has diversified product segments like Auto components (Chains, Kits, etc.), Doorframes, Railways (Coach parts), Fine Blanking.

Key Strengths, Products & Manufacturing Locations

Key Strengths

- Market leader in automotive drive and cam chains.
- Preferred supplier for roll formed car doorframes in India.
- Capability to offer just-in-time service and last mile connectivity to customers.
- World class high speed presses and process capabilities for manufacturing high quality, fine blanked products of very close tolerance.
- Global manufacturer of repute for safety critical components for the Automotive industry.
- Robotic automation and high precision fabrication capabilities for the Railway sector.

Manufacturing Locations

- Tamil Nadu - Chennai, Kakkalur, Hosur
- Haryana – Bawal
- Uttrakhand - Laksar
- Gujarat – Sanand
- Andhra – Medak
- Maharashtra – Aurangabad, Pune

- The company is engaged in the business of manufacture of Aluminum Condenser Tubes and parts as used in Heating Ventilation and Air Conditioning ("HVAC") applications in automobiles sector.

The Spirit of the Murugappa Group

These five lights guide us as we navigate through professional and personal decisions.

The light of
INTEGRITY
that gives us the courage to
always do the right thing

The light of
RESPONSIBILITY
that gives us the humility to
think about the world around us

The light of
PASION
that provides us with
the desire to win

The light of
RESPECT
that inspires people
around us to perform

The light of
QUALITY
which makes us
dream of excellence
