Sub: Submission of Revised Annual Report for the Financial Year 2025-26

Dear Sir/ Madam,

Pursuant to Regulation 34 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we had submitted the Annual Report of Dhabriya Polywood Limited for the Financial Year 2025-26 on September 07, 2026.

During a post-submission review, it was identified that an inadvertent typographical error occurred, was noticed on the Cover Page of the Annual Report, where the Financial Year was inadvertently printed as **2026-27** instead of **2025-26**.

To ensure full transparency and accurate disclosures, we have rectified the necessary information and attached the Revised Annual Report for the FY 2025-26.

Please note that except for the correction on the cover page, there are no changes to the financial statements, auditor reports, or any other disclosures within the Annual Report. The rectified document is also being uploaded to the Company's website at <https://www.polywood.org/wp-content/uploads/2020/12/Annual-Report-2025-26.pdf>.

We request you to kindly take the Revised Annual Report on record and update your database accordingly. Any inconvenience caused is deeply regretted.

Thanking you,

Dear Shareholder,

It is my immense privilege to present the Annual Report for the past financial year. Thanks to your unwavering support, strategic execution by our leadership team, and the relentless dedication of our employees, we have achieved the highest financial results ever recorded in our company's history.

Highlights of the Year

We report a period of substantial financial achievement, featuring some of the highest revenue and profit figures in our company's history.

While these results represent remarkable growth on an absolute basis, they still fell short of our own internal targets and high ambitions.

- **Revenue Growth:** our consolidated revenues and net earnings reached historic highs, proving the fundamental strength and resilience of our core business model.
- **Margin & Profitability Expansion:** Operating leverage, better product mix, premiumization strategy, manufacturing efficiencies and disciplined execution across businesses significantly improved our Profitability and EBITDA margins.
- **Enhanced Shareholder Value:** Reinvested strategically for future expansion while rewarding your confidence through enhanced dividend payouts and capital return programs.

Fueling Future Growth: Our Largest-Ever ₹100 Crore Strategic Capex Programme

Surpassing our previous financial peaks gives us the momentum and resources needed to double down on what drives our competitive edge. To capitalize on this exceptional momentum, the Board has approved a ₹100 crore strategic capital expenditure programme to be deployed over FY26 to FY28—representing the most significant capex programme in the company's history.

During FY26, we have already hit the ground running, deploying approximately ₹27 crore toward:

- **Extrusion Line Expansion:** Scaling up our manufacturing capabilities for PVC and WPC profile extrusion lines.
- **Dedicated Infrastructure:** Building specialized manufacturing infrastructure tailored for our growing aluminium glazing and windows division.
- **Modernization & Automation:** Upgrading legacy systems by modernizing and fully automating our existing extrusion lines to maximize efficiency and precision.

The remaining deployment over FY27 and FY28 will further strengthen our manufacturing footprint and enable us to seamlessly scale into new categories.

Expanding Horizons: New Verticals & Total Solutions

We are exceptionally excited about the addition of new verticals, including WPC Doors, WPC Wall & Ceiling Panels, and Aluminium Windows, Doors & Glazing Systems. These new categories significantly expand our addressable market and strengthen our positioning as a comprehensive building material solutions company. By offering a broader, integrated suite of products, we can better serve our customers under one roof while driving higher wallet share and long-term value.

Looking Ahead with Confidence

As we look to the horizon, we do so with supreme confidence in our business model and our strategic roadmap. We remain highly optimistic about the opportunity landscape. With our diversified product portfolio, expanding distribution network, improving brand strength, healthy order book for project related business, and upcoming capacities, we believe the company is well-positioned for sustained growth. On behalf of the Board of Directors, I want to thank our exceptional employees and executive leadership for their tireless commitment. Most importantly, thank you—our shareholders—for believing in our journey and standing by our vision.

We look forward to be more focused on sustainable and long-term value creation for every stakeholder.

A person who has acquired the shares and has become a member of the Company after the dispatch of the Notice of the AGM and prior to the Cut-off date i.e. Wednesday September 23, 2026, shall be entitled to exercise his/her vote either electronically i.e. remote e-voting or e-voting system on the date of the AGM by following the process mentioned in this part.
15. Subject to the provisions of the Act, Final Dividend of ₹ 0.70 (7%), per share as recommended by the Board of Directors, if declared at the AGM, will be paid within a period of 30 days from the date of

declaration to those members or their mandates whose names appear as beneficial owners with Depositories or in the Register of members as on Wednesday, September 23, 2026, subject to deduction of Income Tax at source wherever applicable to all the beneficial owners in respect of shares held in dematerialized form as per the data as may be made available by CDSL and National Securities Depository Limited ("NSDL") as on Wednesday, September 23, 2026.

16. Payment of Dividend through electronic means:

To avoid loss of dividend warrants in transit and undue delay in receipt of dividend warrants, the Company provides the facility to the Members for remittance of dividend directly in electronic mode through National Automated Clearing House (NACH). Members holding shares in electronic form are hereby informed that bank particulars registered against their respective depository accounts will be used by the Company for payment of dividend. The Company or its Registrars cannot act on any request received directly from the Members holding shares in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the Depository Participant of the Members.

17. Dividend income will be taxable in the hands of Members and the Company is required to deduct tax at source from dividend paid to Members at the applicable tax rates under Income Tax Act, 2025, depending upon category and residential status of the shareholder. The Members are requested to update their Residential Status, PAN and Category with the Company/RTA (in case of shares held in physical mode) and with the Depository Participants (in case of shares held in Demat mode) to determine the appropriate TDS/withholding tax rate applicable, verify the documents and provide exemption. In case the PAN is not registered, the tax will be deducted at a higher rate of 20%.

A Resident individual shareholder with PAN, who is not liable to pay income tax can avail the benefit of non-deduction of tax at source by submitting relevant forms latest by September 23, 2026. Members are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate of 20%.

Non-resident shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents by 11:59 P.M. (IST) on September 23, 2026. Non-resident shareholders may submit the aforementioned documents by sending an email to RTA at info@bigshareonline.com or to the Company at cs@polywood.org on or before 11:59 P.M. (IST) on September 23, 2026.

Non-Resident Indian Members are requested to inform the Company's RTA immediately of:

- ⇒ Change, if any, in their residential status on return to India for permanent settlement.
- ⇒ Particulars of their bank account maintained in India with complete name, branch, account type, account number and address of the bank with pin code number, if not furnished earlier.

18. The Company has uploaded the details of the unpaid/unclaimed amounts lying with the Company on the website of the Company at www.polywood.org. Those Members who have not so far claimed their dividend are advised to claim it from the Company. Further as per the requirement of Section 124(2) of the Act, the Company has uploaded the details of unclaimed dividend in respect of final dividends declared for the financial year 2024-25 on the website of the Company. Shareholders may kindly check the said information and if any dividend amount is appearing as unpaid against their name, they may lodge their claim, duly supported by relevant documents to the Company.

19. Transfer of Unclaimed Dividend Amounts to the Investor Education and Protection Fund (IEPF): Pursuant to the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules"), dividends that are unpaid or unclaimed for a period of 7 (seven) years from the date of their transfer to the Unpaid Dividend Account are required to be transferred by the Company to the IEPF, administered by the Central Government. Further, according to the said IEPF Rules, shares in respect of which dividend has not been claimed by the shareholders for 7 (seven) consecutive years or more shall also be transferred to the demat account of the IEPF Authority.

During Financial Year 2025-26, the Company is not required to transferred any funds to IEPF.

20. The Register of Members and the Share Transfer Books of the Company will remain closed from **September 24, 2026 to September 30, 2026** (both days inclusive) for the purpose of payment of dividend, if any Declared/approved in the AGM.
21. The Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the EGM/AGM will be provided by CDSL.
22. Members joining the meeting through VC, who have not already cast their vote by means of remote e-voting, shall be able to exercise their right to vote through e-voting at the AGM. The Members who have cast their vote by remote e-voting prior to the AGM may also join the AGM through VC but shall not be entitled to cast their vote again. Once the vote on a resolution is cast by the Member, he/she shall not be allowed to change it subsequently or cast the vote again.
23. The voting rights of the Members shall be in proportion to their share in the paid-up equity share capital of the Company as on the Cutoff date i.e. Wednesday, September 23, 2026
24. CS Manish Sancheti, Practicing Company Secretary (M. No. FCS 7972 & C.P. No. 8997) Partner of M/s. CSM & Co., Company Secretaries, Jaipur has been appointed as the Scrutinizer for providing facility to the members of the Company to scrutinize the voting at the AGM and remote e-voting process in a fair and transparent manner.
25. To support the "Green Initiative", Members who have not registered their email addresses are requested to register the same with the Company's Registrar and Share Transfer Agent/their Depository Participants, in respect of shares held in electronic mode.

26. **VOTING THROUGH ELECTRONIC MEANS:**

General Instructions

1. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020, May 05, 2020, January 13, 2021, December 08, 2021, December 14, 2021, May 05, 2022, December 28, 2022, September 25, 2023 and September 19, 2024, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM/EGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the EGM/AGM will be provided by CDSL.
2. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
3. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
4. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not

available for this AGM/EGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.

5. In line with the MCA Circulars, the Notice calling the AGM has been uploaded on the website of the Company at www.polywood.org. The Notice can also be accessed from the websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
6. The AGM/EGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with the MCA Circular No. 14/2020 dated April 08, 2020 and MCA Circular No. 17/2020 dated April 13, 2020, MCA Circular No. 20/2020 dated May 05, 2020, MCA Circular No. 2/2021 dated January 13, 2021, MCA Circular No. 19/2021 dated December 08, 2021, MCA Circular No. 21/2021 dated December 14, 2021, MCA Circular No. 03/2022 dated May 05, 2022, MCA Circular Nos. 10/2022, 11/2022 dated December 28, 2022, followed by MCA Circular Nos. 09/2023 dated September 25, 2023, 09/2024 dated September 19, 2024 and 03/2025 dated September 22, 2025.

Securities and Exchange Board of India ("SEBI") also issued Circular Nos. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020, SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021, SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022, Circular No. SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 05, 2023, SEBI/HO/CFD/CFD-PoD-2/P/CIR/2023/167 dated October 07, 2023 and Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2024/133 dated October 03, 2024

7. In continuation to this Ministry's General Circular No. 20/2020 dated 05.05.2020, General Circular No. 02/2022 dated 05.05.2022, General Circular No. 10/2022 dated 28.12.2022 and General Circular No. 09/2023 dated 25.09.2023 and 09/2024 dated 19.09.2024 and 03/2025 dated 22.09.2025 after due examination, it has been decided to allow companies to conduct their AGMs through VC or OAVM in accordance with the requirements laid down in Para 3 and Para 4 of the General Circular No. 20/2020 dated 05.05.2020.

The instructions for the shareholders for remote e-voting and joining virtual meeting are as under:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Sunday, September 27, 2026, at 09:00 a.m. and ends on Tuesday, September 29, 2026, at 05:00 p.m. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Wednesday, September 23, 2026, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to Master Circular No. HO/49/14/14(7)2025-CFD-POD2/I/3762/2026 dated January 30, 2026, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to

listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of Master Circular No. HO/49/14/14(7)2025-CFD-POD2/I/3762/2026 dated January 30, 2026, on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

MANAGEMENT DISCUSSION AND ANALYSIS

Economy Overview

Global

The International Monetary Fund (IMF) stated that despite withstanding higher trade barriers and elevated uncertainty last year, global economic activity now faces a major test due to the outbreak of war in the Middle East. Assuming that the conflict remains limited in duration and scope, global growth is projected to slow to 3.1 percent in 2026 and 3.2 percent in 2027. Global headline inflation is projected to rise modestly in 2026 before resuming its decline in 2027. Slowdown in growth and increase in inflation are expected to be particularly pronounced in emerging market and developing economies.

Growth in advanced economies is likely to stabilise at around 1.8%. The US is expected to moderate to 2.3% as fiscal stimulus declines and consumer savings normalise. Meanwhile, the Euro Area continues a fragile and uneven recovery at 0.9%. This is constrained by high energy transition costs and structural labour shortages. Emerging Market and Developing Economies (EMDEs) remain key drivers of global demand. However, they face rising vulnerability to external shocks and volatile capital flows. China's growth is projected to hold at 4.5%. This reflects its ongoing shift from property-led growth to high-tech manufacturing, green energy, and domestic consumption.

End of Fiscal 2026 saw significant supply-side disruptions in energy markets from the Middle East conflict, leading to spike in energy prices. Brent crude prices rose from \$70/bbl towards \$100/bbl, posing fresh stagflationary risks for the global economy.

Outlook

Given the challenge of forming stable, real-time assumptions for projections, the IMF World Economic Outlook report adopted a 'reference forecast' instead of a conventional baseline, assuming the war remains contained in duration, intensity, and reach, with disruptions easing by mid-2026, in line with commodity futures as of March 10, 2026.

Under this reference view, global growth is projected at 3.1 percent in 2026 and 3.2 percent in 2027. Global

inflation is expected to rise to 4.4 percent in 2026 before easing to 3.7 percent in 2027.

India

The Indian economy is estimated to grow at 7.6% in FY 2025-26, up from 7.1% in FY 2024-25, as RBI rate cuts along with cuts in personal tax and GST led to recovery in consumption demand. Inflation remained benign through much of FY26, with full-year CPI estimated at an exceptionally low 2.1%. This created room for 125 basis points of cumulative rate cuts, supporting consumption and investment.

However, macro stability was accompanied by currency volatility. The Indian rupee depreciated sharply by 9.88% during FY26 — its steepest fall since FY12 — touching ₹95 against the US dollar. This reflected global capital flows, a strong dollar environment, and geopolitical uncertainties.

Outlook

The year under review underscores a defining divergence: a world grappling with uncertainty, and an India navigating it with confidence. In a global environment marked by fragmentation and caution, India stands out as a rare convergence of stability, scale and structural opportunity. India is expected to retain its position as the fastest-growing major economy.

Growth will be shaped by a combination of strong domestic demand and resilient private consumption, supported by low inflation and GST rationalisation, alongside stable export performance with improved access to key markets. This momentum is further reinforced by sustained policy support, ongoing economic reforms, and a favourable demographic advantage.

While risks persist, particularly from elevated energy prices, subsidy pressures on government spending, and uncertainty in global demand, India's macroeconomic fundamentals remain strong. Over the medium term, sustained consumption, gradual investment recovery, and expanding global trade linkages are expected to reinforce India's position as a key driver of global economic growth. Indian construction and building materials industry

Construction materials form the foundation of every structure, shaping its strength, efficiency, appearance, and environmental footprint. From ancient times, natural options like stone and wood have been prized for their durability, resilience, and aesthetic appeal, with varieties such as granite, limestone, and marble symbolizing permanence and grandeur. The advent of manufactured materials like concrete, steel, and glass transformed modern building practices, offering affordability, versatility, and enhanced structural capacity, especially through innovations like reinforced concrete that combine compressive and tensile strength. Ultimately, the choice of materials extends beyond functionality and design, influencing sustainability through factors such as energy used in extraction and production, transportation demands, recyclability, and long-term performance, making material selection a critical decision in today's environmentally conscious construction landscape.

The construction materials market is experiencing significant transformation, driven by supply chain disruptions, evolving regulatory frameworks, and advances in material innovation that are reshaping sourcing strategies and investment priorities. For industry leaders, aligning business strategies with these shifting procurement drivers and performance expectations has become essential in navigating this dynamic environment. Valued at USD 1.39 trillion in 2025, the market expanded to USD 1.46 trillion in 2026 and is expected to sustain growth at a CAGR of 5.19%, ultimately reaching USD 1.99 trillion by 2032.

Growing emphasis on energy-efficient and eco-friendly construction is fueling demand for materials that enhance sustainability and minimize carbon emissions. The global construction materials market plays a crucial role in supporting rising infrastructure needs and expanding building activity worldwide. Key growth drivers include large-scale investments, rapid urbanization, and increasing population pressures, while the sector continues to face hurdles such as volatile raw material costs and stringent environmental regulations.

In 2025, U.S. tariff measures created significant cost and supply pressures on metals, specialty glass, and polymers. Companies responded by diversifying suppliers, shifting toward domestic and nearshore sourcing, and bolstering inventory strategies. Procurement schedules and material choices were adjusted, with some projects substituting

inputs to avoid tariff exposure. These changes also led to renegotiated contracts, tighter cost controls, and added customs compliance requirements. As a result, strategic planning now emphasizes supplier redundancy, scenario modelling, and resilient partnership structures to manage trade volatility.

The India building materials market size reached USD 44.4 billion in 2025 and is expected to grow to USD 64.5 billion by 2034, reflecting a CAGR of 4.24% during 2026–2034. Growth is fueled by rapid urbanization, expanding infrastructure, and rising construction activity, while increasing demand for sustainable, energy-efficient materials and technological advancements further shape the market's trajectory. Key segments driving this expansion include cement, steel, glass, and eco-friendly alternatives.

(Source: Research and Market, IMARC Group, Mordor Intelligence)

Outlook

The construction materials sector is on a strong growth path, propelled by large-scale housing and infrastructure initiatives and the increasing integration of technology and automation to streamline operations and logistics. Market consolidation is reshaping the competitive landscape, with dominant players expanding through acquisitions to secure stronger positions. Sustainability has become a central theme, driving demand for eco-conscious materials that reduce environmental impact. Yet, the industry continues to grapple with challenges such as price pressures from unorganized competitors, inconsistent standards, volatile input costs, and supply chain disruptions that threaten profitability. A shortage of skilled labour further complicates installation and technical support needs. Although government-led projects are expected to sustain demand, environmental issues ranging from dust and noise to ecological damage from resource extraction pose significant obstacles. Added to this are high transportation expenses, restrictive zoning regulations, and limitations on natural resource use, all of which intensify supply chain constraints and make market expansion increasingly complex.

Indian Plastic/PVC Industry

Polyvinyl chloride (PVC) is a synthetic thermoplastic polymer made from vinyl chloride monomers, valued for its durability, corrosion resistance, lightweight nature, and long service life. The PVC market has experienced

significant growth, driven by demand from construction, automotive, and packaging industries. The expansion of the construction sector, particularly in infrastructure projects, has notably increased PVC consumption.

PVC wall panels are also used for both aesthetic and functional purposes, while PVC roofing membranes are valued for their waterproof and energy-efficient qualities, making them suitable for various building types. Consumers are increasingly informed about the environmental impacts of various materials, including PVC, which drives demand for products perceived as sustainable and eco-friendly. A significant number of consumers are willing to pay a premium for sustainable products, indicating a commitment to their values, which encourages manufacturers to develop eco-friendly PVC options.

In the construction sector, there is a noticeable trend towards sustainable materials, including PVC, that comply with green building standards and certifications. The rising demand for sustainable packaging is prompting manufacturers to innovate PVC solutions that minimize environmental impact. Manufacturers are focused on creating PVC products that are both sustainable and aesthetically pleasing, meeting consumer preferences while emphasizing durability to reduce the need for frequent replacements. This trend not only benefits businesses but also supports broader environmental sustainability initiatives.

UPVC Windows and Doors

The uPVC doors and windows market in India has experienced remarkable expansion in recent years. The India uPVC Doors & Windows market is driven by several key factors. Firstly, rapid urbanization and increased construction activities boost demand for durable and energy-efficient building materials. Secondly, the rising awareness about environmental sustainability promotes the adoption of UPVC due to its recyclable nature and superior thermal insulation properties.

The uPVC doors and windows market in India is the rapid urbanization and an increase in construction activities across the country. As more people move to cities in search of better economic opportunities, there is a rising demand for housing and infrastructure development. This urban growth translates into an increased need for both residential and commercial buildings, driving the demand

for building materials, including uPVC doors and windows.

The growing emphasis on aesthetics and durability in the construction industry is also fueling the demand for uPVC doors and windows in India. As consumer preferences evolve, there is a shift towards materials that not only offer functionality but also enhance the overall look and feel of a property. uPVC doors and windows meet this demand by combining aesthetic appeal with exceptional performance.

These products are available in a wide variety of designs, colors, and finishes, allowing property owners to choose options that align with their interior and exterior design preferences. The material's smooth finish, along with the ability to incorporate different textures, allows for greater customization and style. Whether in contemporary apartments or traditional homes, uPVC doors and windows provide a sleek, modern look that complements a wide range of design themes.

In addition to aesthetics, uPVC is known for its impressive durability. Unlike wood, uPVC is resistant to rotting, warping, and corrosion, ensuring that it maintains its appearance and functionality over time, even in harsh weather conditions. This low-maintenance material requires minimal upkeep compared to wooden windows and doors, which often need regular painting or sealing to prevent damage. The long lifespan and robust nature of uPVC make it an attractive option for homeowners and builders seeking long-term value.

As the Indian middle class continues to grow and more people are investing in home renovations and new constructions, the demand for aesthetically pleasing, durable, and low-maintenance materials such as uPVC is expected to rise significantly. This trend is contributing to the steady growth of the uPVC doors and windows market in the country.

Your Company is perfectly poised to play a major role in this upward trend with a wide range of premium quality customizable uPVC windows & doors backed by impeccable end-to-end solutions across the country. Our world-class manufacturing infrastructure has helped us making as one of the most trusted & preferred uPVC windows and doors suppliers delivering complete end-to-end solutions with maximum efficiency. All our high-quality uPVC window and door systems are built to meet the highest European quality standards and deliver

unmatched performance over a long period of time with minimal maintenance.

As the Indian market looks to make the switch to the superior benefits of uPVC windows and doors, we are excited to be at the forefront of this trend and deliver exceptional products to more and more delighted customers across the country.

21. Risk Management

Risk Management is an integral and important component of Corporate Governance. Your Company believes that a robust Risk Management ensures adequate controls and monitoring mechanisms for a smooth and efficient running of the business. A risk-aware organization is better equipped to maximize shareholder value. Your Company has a well-defined risk management framework in place. The risk management framework works at various levels across the Company. These levels form the strategic defence cover of the Company's risk management. The Company has a robust organizational structure for managing and reporting on risks. The Company follows well-established and detailed risk assessment and minimization procedures, which are periodically reviewed by the Board. The Company's Business Risk Management Framework helps in identifying risks and opportunities that may have a bearing on the organization's objectives, assessing the terms of likelihood and Magnitude of impact and determining response strategy.

Your Company has identified the following risks and successfully mitigate risk arising from time to time:

(a) Macroeconomic and uncertainty in external environment

The Company's operations are exposed to economic risks, commercial instability and global events beyond the control of the Company which might have an adverse impact on it. The business may underperform as a result of the economic slowdown.

Mitigation Strategies: The Company's revenue stream is diversified from multi geographies,

thereby reducing its dependency on one market. Further, it maintains a strong balance sheet, liquidity position and relationship with stakeholders which enables it to mitigate any uncertainties.

(b) Commodity & Raw Material Price Risk

Risk of price fluctuation on basic raw materials like PVC resin as well as finished goods used in the process of manufacturing. This may lead to rise in input cost in turn putting pressure on the Company's margin and profitability.

Mitigation Strategies: Your Company commands excellent business relationship with suppliers. In case of major fluctuation either upwards or downwards, the matter will be mutually discussed and compensated both ways. Further, its long-standing relationship with suppliers gives the Company a better bargaining position. Moreover, its established presence across the globe enables it to procure raw material from different geographies at competitive price.

(c) Quality Risk

Inability to maintain the quality of the products as well as adhered to relevant quality standards might have an adverse impact on the Company's reputation as well as financial position.

Mitigation Strategies: Your Company adheres to stringent quality standards and ensures that all its products are defect-free and of superior quality. The Company has also received various quality certification.

(d) Technology Risk

With the advent of technology, the need for enhanced systems and processes to boost operational efficiency and provide better customer satisfaction has surged. The company may face difficulties if it fails to adapt to a changing environment.

Mitigation Strategies: Our manufacturing facilities are equipped with advanced gear and technologies that increases the Company's efficiency. It also maintains and tracks the proper functioning of equipment and replaces them when necessary.

(e) Higher competitive intensity

Competition can be aggressive on prices or trade promotions. Competition can invest more in advertising to gain consumer mindshare. Competition can launch superior products. More players can enter the market. Your Company is always exposed to competition Risk particularly from Chinese products. The increase in competition can create pressure on margins, market share etc.

Mitigation Strategies: Our products have a good price value equation and have a long-term trust of our customers, enabling us to defend our market. Over the years, the Company has established itself as one of the most trusted companies in its sector by continuous efforts to enhance the brand image of the Company, by focusing on R&D, quality, cost, timely delivery, best customer service and by introducing new product range commensurate with demands.

(f) Product Risk

The Company's inability to manufacture different products could hurt offtake.

Mitigation Strategies: The Company is engaged in the manufacturing of uPVC Doors, Windows, PVC Profiles and D-Stona Sheets & mouldings. The wide portfolio of products will enable the Company to cater to the different market segments, thereby enhancing visibility.

(g) Environment Risk

The Plastic industry is one of the environment concern industries in the country. Any change in government regulation viz ban on plastic may hinder our manufacturing and related process which may adversely affect our business and financial condition of the Company.

Mitigation Strategies: In the last 25 years your company has been an undeniable part of the "Save Trees" campaign by bringing into the minds of the people to use PVC and uPVC Products. The company has always focused on innovation & technology in order to actively support the concern "Save Trees" by providing high-quality wood substitute and environment friendly products to its customers. Further, the company has almost saved eight lakhs trees every year by providing wood substitute products.

(h) Human Resource Risk

A skilled and talented workforce is the key to an organization's success. Attrition and non-availability of the required talent resource can affect the overall performance of the Company.

Mitigation Strategies: Your Company's ability to deliver value is dependent on its ability to attract, retain and nurture talent. By continuously benchmarking the best HR practices across the industry and carrying out necessary improvements to attract and retain the best talent. We regularly undertake training and development programmes to enhance the skill of its employee. Further, the company also conducts health check-ups to ensure the safety and wellbeing of its workforce. Also, recruitment is across almost all states of India which helps to mitigate this risk and we do not anticipate any major issue for the coming years.

INDEPENDENT AUDITOR'S REPORT

To the Members of Dhabriya Polywood Limited Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of **DHABRIYA POLYWOOD LIMITED** (hereinafter referred to as "the Holding Company") and its Subsidiaries (the Holding Company and its Subsidiaries together referred to as "the Group"), as listed in "Annexure 1", which comprise the Consolidated Balance Sheet as at 31st March, 2026, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement, for the year ended on that date, and notes to the Consolidated Financial Statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditor on separate Financial Statements and on the other financial information of the subsidiary, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of consolidated state of affairs of the Group as at 31st March, 2026, their consolidated profit including other comprehensive income, consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) as specified under section 143(10) of the Act. Our

responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the code of ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's code of ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditor in terms of their reports referred to in the Other Matters section below, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements for the financial year ended March 31, 2026. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matter to be communicated in our report. We have fulfilled the responsibilities described in the Auditors' responsibilities for the audit of the Consolidated Financial Statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Consolidated Financial Statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Consolidated Financial Statements.

Key Audit Matter	How the matter was addressed in our audit
A. Revenue Recognition ⇒ The Group's revenue is principally derived from sale of products of PVC-uPVC Profile Sections, Doors, Windows, Modular Furniture Products and others. Revenue from sale of goods is recognized when control of the products being sold is transferred to the customer and when there are no unfulfilled obligations. ⇒ The performance obligations in the contracts are fulfilled at the time of dispatch, delivery or	<u>Our audit procedure:</u> ⇒ We assessed the appropriateness of the revenue recognition accounting policies by comparing them with applicable Indian Accounting Standards (Ind AS). ⇒ Evaluated the process followed by the management for revenue recognition including understanding and testing of key controls related to recognition of revenue in correct period.

upon formal customer acceptance depending on terms of order / contract with the customer.

- ⇒ Revenue is measured at fair value of the consideration received or receivable after deduction of any trade/volume discounts and taxes or duties collected.

Hence, we identified revenue recognition as a key audit matter since revenue is significant to the financial statements and is required to be recognized as per the requirements of applicable accounting framework.

⇒ Performed substantive testing on samples selected using statistical sampling of revenue transactions, recorded during the year by testing the underlying documents to determine whether revenue has been recognized correctly.

⇒ Tested, on a sample basis, specific revenue transactions recorded before and after the financial year end date including examination of credit notes issued after the year end to determine whether the revenue has been recognized in the appropriate financial period. and timely. Based on the above stated procedures, no significant exceptions were noted in revenue recognition.

B. Inventory Existence and Valuation

- ⇒ Inventory is held in various locations by the Group. There are complexities and manual process involved in determining inventory quantities on hand and valuation of the same due to the Group's presence across different locations within the country, diverse & numerous inventory products and work in progress at different stages of the processes at various manufacturing units.
- ⇒ Therefore, inventory quantities and valuation is identified as a key audit matter.

Our audit procedure:

- ⇒ We have attended inventory counts, which we selected based on financial significance and risk, observed management's inventory count procedures to assess the effectiveness, selected a sample of inventory products and compared the quantities counted to the quantities recorded and ensured inventory adjustments, if any, are recorded in the books of accounts.
- ⇒ Assessed whether the management's internal controls relating to inventory's valuation are appropriately designed and implemented.
- ⇒ Discussed with the management on the management's process of identifying the stages of completion and valuing work in progress stock at the time of book closure process.
- ⇒ Verified the correctness of valuation made by the management on a sample basis, with regard to the cost and net realizable value of inventory.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Consolidated Financial Statements, Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information, and, in doing so, consider whether such other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these Consolidated Financial Statements in terms of the requirements of the Act that gives a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with the Companies (Indian accounting standards) Rules 2015, as amended from time to time.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing & detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent, and design,

implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Management and Board of Directors of the companies included in the Group responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the audit of Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ⇒ Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ⇒ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section

143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and its subsidiaries, which are companies incorporated in India, have adequate internal financial controls system in place and the operating effectiveness of such controls.

- ⇒ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ⇒ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- ⇒ Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- ⇒ Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the Financial Statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditor, such other auditor remains responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of

any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The Consolidated Financial Statements include the financial statements and other financial information, in respect of one subsidiary, whose Ind AS financial statements and other financial information reflects total assets of ₹5346.26 Lakhs as at March 31, 2026, total revenues of ₹7567.91 Lakhs, total net profit after tax of ₹1400.03 Lakhs, total comprehensive income of ₹1405.12 Lakhs and net cash outflow of ₹178.82 Lakhs, for the year ended on that date, as considered in the Consolidated Financial Statements, which have been audited by their respective auditor. These Ind AS financial statements and other financial information have been audited by other auditor whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it related to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of section 143(3) of the Act, in so far as it relates to aforesaid subsidiaries, are based solely on the reports of the other auditor.

Our opinion on the Consolidated Financial Statements and our report on the Other Legal and Regulatory Requirements below, is not modified in respect of above matters with respect to our reliance on the work done and

the reports of the other auditor and financial information certified by the management.

Report on Other Legal and Regulatory Requirements

As required by section 197(16) of the Act based on our audit and on the consideration of the reports of the other auditor, referred to in paragraph "Other Matters" hereinabove, on separate financial statements of the subsidiaries, we report that the Holding Company and three subsidiary companies, incorporated in India whose financial statement have been audited under the Act have paid remuneration to their respective directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.

As required by clause (xxi) of paragraph 3 of Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of Section 143(11) of the Act based on the consideration of the Order reports issued till date by us and by the respective other auditor as mentioned in paragraph "Other Matters" above, of companies included in the consolidated financial statements for the year ended March 31, 2026 and covered under the Act we report that there are no qualifications or adverse remarks reported in the respective Order reports of such companies.

As required by section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditor on separate financial statements and other financial information of the subsidiaries, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditor.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
- (d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with

Companies (Indian Accounting Standards) Rules, 2015, as amended.

- (e) On the basis of the written representations received from the Directors of the Holding Company as on 31st March, 2026, taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditor of its subsidiary companies incorporated in India, none of the directors of the Group companies in India is disqualified as on 31st March, 2026 from being appointed as a Director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company and its subsidiary companies incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls with reference to Consolidated Financial Statements of those companies.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditor on separate financial statements as also the other financial information of the subsidiaries, as noted in the 'Other Matters' paragraph:
 - i. The Consolidated Financial Statements discloses the impact of pending litigations on its consolidated financial position of the Group;
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies.
 - i. (a). The respective managements of the Holding Company and its subsidiary companies whose financial statements have been audited under the Act have represented to us and the other auditor of such subsidiary respectively that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed

funds or share premium or any other sources or kind of funds) by the Holding Company or its subsidiary companies to or in any other person or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company, or any such subsidiary company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b). The respective managements of the Holding Company and its subsidiary companies whose financial statements have been audited under the Act have represented to us and the other auditor of such subsidiary respectively that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Holding Company or its subsidiary companies from any person or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company, or any such subsidiary company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c). Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances performed by us and that performed by the auditor of the subsidiary companies, nothing has come to our or other auditor's notice that has caused us or other auditor to believe that the representations under sub-clause (a) and (b) above, contain any material misstatement.

(d). The final dividend proposed in the previous year, declared and paid by the Holding and a subsidiary company, whose financial statements have been audited under the Act, during the year is in accordance with Section 123 of the Act, as applicable.

The Board of Directors of the Holding and a subsidiary company, which is a company

incorporated in India, whose financial statements have been audited under the Act, where applicable, have proposed final dividend for the year which is subject to the approval of the members of the Holding and such subsidiary company at the ensuing respective Annual General Meetings. Such dividend proposed is in accordance with Section 123 of the Act, as applicable.

(e). Based on our examination which included test checks and based on the other auditor's reports of its subsidiary companies, which are companies incorporated in India whose financial statements have been audited under the Act, have used an accounting software for maintaining their respective books of account for the year ended 31st March, 2026, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective software. Further, during the course of our audit we and the respective other auditor, whose reports have been furnished to us by the

Management of the Holding Company, did not come across any instance of audit trail feature being tempered with in respect of the accounting software for the period for which the audit trail feature was operating, and the audit trail has been preserved by the Holding Company and its subsidiary companies as per the statutory requirements for record retention in the respective accounting software where audit trail is enabled.

ANNEXURE – 2 TO THE INDEPENDENT AUDITOR'S REPORT

Referred to under "Report on Other Legal and Regulatory Requirements" of our report of even date to the members of **Dhabriya Polywood Limited** on the Consolidated Financial Statements for the year ended March 31, 2026

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements of the Company as of and for the year ended March 31, 2026, we have audited the internal financial controls over financial reporting of **DHABRIYA POLYWOOD LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and in subsidiaries together referred to as "the Group"), as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to Consolidated Financial Statements based on the internal control with reference to Consolidated Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls with reference to Consolidated Financial Statements of Holding Company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in

accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Consolidated Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to these Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to these Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditor of the subsidiary company in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls with reference to Consolidated Financial Statements.

Meaning of Internal Financial Controls over Financial Reporting with reference to these Consolidated Financial Statements

A Group's internal financial controls with reference to these Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Group's internal financial controls with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Group; (2) provide reasonable assurance that transactions are

recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Group are being made only in accordance with authorizations of Management and Directors of the respective company in the Group; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Group's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting with reference to these Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to these Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to these Consolidated Financial Statements to future periods are subject to the risk that the internal financial control with reference to these consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditor, as referred to in the Other Matters below, the Holding Company and its subsidiary Companies which are Companies incorporated in India, have, in all material respects, an adequate internal financial controls with

reference to these Consolidated Financial Statements and such internal financial controls with reference to these Consolidated Financial Statements were operating effectively as at March 31, 2026, based on the criteria for internal financial control with reference to Consolidated Financial Statements established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to these Consolidated Financial Statements of the Holding Company, in so far as it relates to separate financial statements of three subsidiary companies, which are companies incorporated in India, is based on the corresponding report of the auditor of such subsidiary companies incorporated in India. Our opinion is not modified in respect of this matter with respect to our reliance on the work done by and on the reports of the other auditor.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2026

1. CORPORATE INFORMATION

The Consolidated Financial Statements comprise financial statements of "Dhabriya Polywood Limited" (the Holding Company) [CIN: L29305RJ1992PLC007003] and its subsidiaries collectively referred to as "the Group", for the year ended 31st March, 2026. The Holding Company is a listed entity incorporated in India and its equity shares are listed at the Bombay Stock Exchange (BSE). The registered office of the Holding Company is situated at B-9D-1, Malviya Industrial Area, Jaipur – 302017 (Rajasthan)

The principal activities of the Group consists of manufacturing & supply of Extruded PVC Profile Sections, Dstona Sheets & Moldings for various furnishing & furniture applications (i.e. Doors, Partitions, Ceiling, Paneling, fencing, prefabs, interior & furnishing etc.), uPVC Windows & Door Systems, Aluminum Windows & Doors, and of Modular Furniture Products. All the product range of Group is developed & produced on Save Tress concept without using natural wood. Further details about the business operations of the Group are provided 'Segment Reporting' in the notes to these Consolidated Financial Statements.

2. SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF PREPERATION AND PRESENTATION

(i) Compliance with Ind AS

These Consolidated Financial Statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act and guidelines issued by the Securities and Exchange Board of India (SEBI). The accounting policies are applied consistently to all the periods presented in the financial statements.

(ii) Historical cost convention

The Consolidated Financial Statements have been prepared on a historical cost basis except

for certain financial instruments which are measured at fair value at the end of each reporting period.

(iii) Current and non-current classification

The Group present assets and liabilities in the Balance Sheet based on current / non-current classification considering normal operating cycle of 12 months being the time elapsed between deployment of resources and the realization / settlement in cash and cash equivalents there-against.

(iv) Rounding of amounts

All amounts disclosed in the Consolidated Financial Statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

B. USE OF ESTIMATES AND JUDGEMENTS

The estimates and judgements used in the preparation of the consolidated financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognized in the period in which the results are known/materialized.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

C. PRINCIPLES OF CONSOLIDATION

Subsidiaries

Subsidiaries are all entities over which the Holding Company has control. The Holding Company controls an entity when the Holding Company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the

entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Holding Company. They are deconsolidated from the date that control ceases.

The acquisition method of accounting is used to account for business combinations by the Group.

The Group combines the financial statements of the Holding Company and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Holding Company.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and consolidated balance sheet respectively.

The interest of non-controlling shareholders is initially measured either at fair value or at the non-controlling interests' proportionate share of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity of subsidiaries.

D. PROPERTY, PLANT AND EQUIPMENT (INCLUDING CAPITAL WORK-IN-PROGRESS)

On transition to Ind AS the Group had adopted the optional exemption under Ind AS 101 to use the carrying value of the Property, plant and equipment as the deemed cost. Subsequently Property, plant and equipment are stated at cost of acquisition or construction net of recoverable taxes, trade discount and rebates less

accumulated depreciation and accumulated impairment losses, if any. For this purpose, cost includes deemed cost which represents the carrying value of property, plant and equipment recognized as at 1st April, 2016 measured as per the previous GAAP. Cost of acquisition or construction is inclusive of freight, duties, relevant taxes, incidental expenses and interest on loans attributable to the acquisition of qualifying assets, up to the date of commissioning of the assets. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for qualifying assets, up to the date of commissioning of the assets. All repair and maintenance costs are recognized in profit or loss as incurred. Assets are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use.

Capital work-in-progress – Assets which are not yet ready for their intended use are carried at cost comprising direct cost, related incidental expenses and attributable interest.

Depreciation methods, estimated useful lives and residual value

Depreciation on Property, plant and equipment is provided to the extent of depreciable amount on the Written Down Value (WDV) Method on the basis of useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 to allocate their cost, net of their residual values, over their estimated useful lives. Depreciation on additions and deletion during the year has been provided on pro rata basis with reference to the date of addition and deletion. The residual values and useful lives are reviewed and adjusted if appropriate at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the statement of profit and loss within other income or other expenses, as applicable.

E. INVESTMENT PROPERTY

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Group, is classified as

investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. Investment properties are depreciated using the written down value method over their estimated useful life.

F. IMPAIRMENT OF ASSETS

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period. The Group bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the Group's cash-generating units to which the individual assets are allocated.

Impairment losses, if any, are recognized in the statement of profit and loss. After impairment depreciation is provided on the revised carrying amount of the asset over its remaining useful life. An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the group estimates the asset's or cash-generating unit's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's

recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit and loss unless the asset is carried at a revalued amount, in which case the reversal is treated as a revaluation increase.

G. FOREIGN CURRENCY TRANSACTIONS

The functional currency of the Group is Indian rupee. Transactions denominated in foreign currencies are normally recorded on initial recognition at the exchange rate prevailing at the time of transaction. Monetary items (i.e. liabilities and assets etc.) denominated in foreign currency at the year-end are translated at the functional currency closing rate of exchange at the reporting date.

Any income or expenses on account of exchange difference either on settlement of monetary items or on reporting these items at rates different from rates at which these were initially recorded / reported in previous Consolidated Financial Statements are recognized as income / expense in the statement of profit and loss except in cases where they relate to acquisition of fixed assets in which case they are adjusted to the carrying cost of such assets.

H. CASH AND CASH EQUIVALENTS

For the purpose of presentation in the cash flow statement, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

I. TRADE RECEIVABLES

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. Trade

receivables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment, if any.

J. INVENTORIES

Raw materials, Packing Materials, stores, spares & consumables, work in progress and finished goods are stated at the lower of cost and net realizable value. Cost of raw materials, packing materials comprises cost of purchases, non-refundable purchase taxes and any directly attributable expenses related to inventories. Cost of raw materials, packing materials, stores, spares & consumables is determined on a first in first out method. Cost of work-in-progress and finished goods comprises materials and appropriate proportion of all variable and fixed overhead expenditures, which is allocated on a systematic basis. Costs of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs of purchased inventory are determined after deducting rebates and discounts, if any. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

K. TRADE AND OTHER PAYABLES

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within twelve months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

L. BORROWING

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in the statement of profit and loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as

transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

M. REVENUE RECOGNITION

Sale of Goods: - Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment, net of returns and allowances, trade discounts and volume rebates. Sales of products is net of goods and service tax.

Revenue is recognized when the significant risks and rewards of ownership have been transferred to the customer, recovery of the consideration is probable, the associated costs can be estimated reliably, there is no continuing management involvement with the goods nor it exercises effective control over the goods and the amount of revenue can be measured reliably. The timing of the transfer of risks and rewards varies depending on the individual terms of the sales arrangements.

Income from Services: Revenue from sale of services are recognized when services are rendered and related costs are incurred. Income from services is net of goods and service tax.

Other Income: Interest income from a financial asset is recognized when it is probable that the economic benefit will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective rate applicable, which is the rate that discounts estimated future cash receipts through the expected life of the financial assets to that asset's net carrying amount on initial recognition.

N. BORROWING COST

Borrowing Costs directly attributable to the acquisition, construction and production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognized in Profit and Loss in the period in which they are incurred.

O. EMPLOYEE BENEFITS

Short Term Employee Benefits

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Post-Employment Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Group pays specified contributions to a separate entity. The Group makes specified monthly contributions towards Provident Fund (PF) and Employee State Insurance (ESI) to the eligible employees. The Group's contribution is recognized as employee benefit expenses in Profit and Loss during the period in which the employee renders the related service.

Defined Benefit Plans

The Group provides for gratuity, a defined benefit retirement plan to the employees whoever has completed five years of service with the Group at the time of retirement, death while in employment or on termination of employment or otherwise as per the provisions of The Payment of Gratuity Act, 1972. Group accounts for liability of future gratuity benefits bases on an external actuarial valuation on projected unit credit method carried out

annually for assessing liability as at the balance sheet date.

P. CURRENT TAX AND DEFERRED TAX

Current Income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss i.e. in other comprehensive income. Management periodically evaluates positions take in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax is provided on temporary differences between the tax bases of assets and liabilities and their carrying amounts at the reporting date. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Group has a legally enforceable right for such set off. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are reassessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss i.e. in other comprehensive income.

Q. PROVISIONS AND CONTINGENT LIABILITIES

Provisions are recognized when the Group has a present obligation (legal or constructive) as a result of a past event, for which it is probable that a cash outflow may be required and a reliable estimate can be made of the amount of the obligation. The amount recognized as a provision is the best estimate of the

consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursements will be received and the amount of the receivable can be measured reliably.

Contingent liabilities are disclosed after evaluation of the facts and legal aspects of the matter involved, in line with the provisions of Ind AS 37. The Group records a liability for any claims where a potential loss probable and capable of being estimated and discloses such matters in its financial statements, if material. For potential losses that are considered possible, but not probable, the Group provides disclosures in the financial statements but does not record a liability in its financial statements unless the loss becomes probable.

R. FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss ("FVTPL")) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in statement of profit and loss.

FINANCIAL ASSETS

Initial recognition and measurement:

On initial recognition, a financial asset is recognized at fair value. All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI) depending on the classification of the financial assets. Financial assets are not reclassified subsequent to their recognition, except if and in the period the Group changes its business model for managing financial assets.

Derecognition

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the contractual rights to receive the cash flows from the asset.

Impairment of financial assets

The Group assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Group recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the lifetime expected credit losses, if the credit risk on the financial asset has increased significantly since initial recognition.

FINANCIAL LIABILITIES AND EQUITY INSTRUMENTS

Classification as equity

Equity instruments issued by the Group are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity

instruments issued by the Group are recognized at the proceeds received, net of direct issue costs. Repurchase of the Group's own equity instruments is recognized and deducted directly in equity. No gain or loss is recognized in statement of profit and loss on the purchase, sale, issue or cancellation of the Group's own equity instruments.

Financial liabilities

Financial liabilities are recognized when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit or loss. In case of trade payables, they are initially recognized at fair value and subsequently, these liabilities are held at amortized cost, using the effective interest method.

All financial liabilities are subsequently measured at amortized cost using the effective interest method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

Interest expense are included in the 'Finance costs' line item. The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Derecognition of financial liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially

modified, such an exchange or Modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Offsetting

Financial assets and financial liabilities are offset, and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

S. SEGMENT REPORTING

Operating segments are reported in a manner consistent with the internal reporting provided to the chief executive officer, the chief financial officer and the chairman and managing director, all of them constitute as chief operating decision maker ('CODM').

T. EARNING PER SHARE

Basic earnings per share is calculated by dividing the net profit for the current year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The number of shares used in computing diluted earnings per share comprises the weighted average share considered for calculating basic earnings per share, and also the weighted average number of shares, which would have been issued on the conversion of all dilutive potential equity shares. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares as appropriate.

U. DIVIDEND PAYMENT

A final dividend, including tax thereon if applicable, on equity shares is recorded as a liability on the date of approval by the shareholders. An interim dividend, including tax thereon if applicable, is recorded as a liability on the date of declaration by the Board of directors.

V. SEGMENT REPORTING

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

Identification of segments:

In accordance with Ind AS 108 – Operating Segment, the operating segments used to present segment information are identified on the basis of information reviewed by the Group’s management to allocate resources to the segments and assess their performance. An operating segment is a component of the Group that engages in business activities from which it earns revenues and incurs expenses, including revenues and expenses that relate to transactions with any of the Group’s other components. Results of the operating segments are reviewed regularly by the Board of Directors which has been identified as the chief operating decision maker, to make decisions about resources to be allocated to the segment and assess its performance and for which discrete financial information is available.

Allocation of common costs:

Common allocable costs are allocated to each segment accordingly to the relative contribution of each segment to the total common costs.

Unallocated items:

Revenue, expenses, assets and liabilities which relate to the Group as a whole and are not allocable to segments on reasonable basis have been included under unallocated revenue, expenses, assets and liabilities.

Segment accounting policies :

The Group prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the consolidated financial statements of the Group as a whole.

W. OPERATING CYCLE

Based on the nature of products / activities of the Group and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Group has determined its operating cycle as twelve months for the

purpose of classification of its assets and liabilities as current and non-current.

X. RECENT ACCOUNTING PRONOUNCEMENTS

a) Application of new and revised Indian Accounting Standards (Ind AS)

All the Ind AS issued and notified by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the consolidated financial statements are authorised, have been considered in preparing these consolidated financial statements.

b) New and amended standards adopted by the Company

The Ministry of Corporate Affairs vide notification dated 7 May 2025 and 13 August 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended certain accounting standards (see below), and are effective for annual reporting periods beginning on or after April 01, 2025:

- ⇒ Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1;
- ⇒ Supplier Finance Arrangements – Amendments to Ind AS 7 and Ind AS 107
- ⇒ International Tax Reform – Pillar Two Model Rules – Amendments to Ind AS 12
- ⇒ Lack of Exchangeability – Amendments to Ind AS 21

These amendments did not have any material impact on the amounts recognized in prior periods and are not expected to significantly affect the current or future periods.

3. **CRITICAL ESTIMATES AND JUDGEMENTS**

The preparation of the Consolidated Financial Statements in conformity with recognition and measurement principles of Ind AS requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which estimates are revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the key assumptions concerning the future, and other sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities in future are:

i) Useful lives and residual value of property, plant and equipment and intangible assets:

Useful life and residual value are determined by the management based on a technical

evaluation considering nature of asset, past experience, estimated usage of the asset, vendor's advice etc. and same is reviewed at each financial year end.

ii) Taxation:

Tax expense is calculated using applicable tax rate and laws that have been enacted or substantially enacted. In arriving at taxable profit and all tax bases of assets and liabilities, the Group determines the taxability based on tax enactments, relevant judicial pronouncements and tax expert opinions, and makes appropriate provisions which includes an estimation of the likely outcome of any open tax assessments / litigations, if any. Any difference is recognised on closure of assessment or in the period in which they are agreed.

Deferred income tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, unabsorbed depreciation and unused tax credits could be utilized.

40. FINANCIAL INSTRUMENTS

(a) Capital Risk Management

For the purpose of the Group's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity shareholders of the Company. The Group's objective when managing capital is to safeguard its ability to continue as a going concern so that it can continue to provide returns to shareholders and other stakeholders.

The Group manages its capital structure and makes adjustments in light of changes in the financial condition and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders (buy back its shares) or issue new shares.

In order to achieve this overall objective, the Group's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. The Group has complied with these covenants and there have been no breaches in the financial covenants of any interest-bearing loans and borrowings. No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2026 and March 31, 2025.

The Group monitors its capital using gearing ratio which is net debt divided to total equity. Net debt includes, interest bearing loans and borrowings less cash and cash equivalents, bank balances other than cash and cash equivalents.

(c) Financial Risk Management objects and policies

In its ordinary operations, the Group's activities expose it to the various types of risks, which are associated with the financial instruments and markets in which it operates. The Group has a risk management policy which covers the foreign exchanges risks and other risks associated with the financial assets and liabilities such as interest rate risks and credit risks. The risk management policy is approved by the board of directors. The following is the summary of the main risks.

Market Risk

Market Risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of the change in the market prices. The Group is exposed in the ordinary course of its business to risks related to changes in foreign currency exchange rates, commodity prices and interest rates.

Interest Rate Risk

Interest rate risk arises from the sensitivity of financial assets and liabilities to changes in market rates of interest. The Company is exposed to interest rate risk arising mainly from long term borrowings with floating interest rates. The Company is exposed to interest rate risk because the cash flows associated with floating rate borrowings will fluctuate with changes in interest rates. The Company manages the interest rate risks by entering into different kinds of loan arrangements with varied terms.

At the reporting date the interest rate profile of the Company's interest-bearing financial instruments is as follows:

Particulars	As At 31 st March, 2026	As At 31 st March, 2025
Financial Assets		
Fixed Rate		
Security Deposit	0.00	0.00
Bank Deposit	447.23	360.32

Variable Rate Instruments		
Loan repayable on demand	4311.61	2281.61
Total	7647.91	5338.02

Interest rate sensitivity: The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	As At 31 st March, 2026	As At 31 st March, 2025
0.5% Increase in Rate - Loan repayable on demand:		
Impact on P&L	(21.56)	(11.41)
0.5% Decrease in Rate - Loan repayable on demand:		
Impact on P&L	21.56	11.41

Foreign Currency Risk

The Company is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the USD related to the imports of its raw material and capital assets. Foreign exchange risk arises from future commercial transactions and recognized assets and liabilities denominated in a currency that is not the Company's functional currency (INR). Foreign currency exposures that are not hedged by derivative instruments outstanding as on the balance sheet date are as under:

Derivative outstanding as at the reporting date – Nil

Particulars of unhedged foreign currency exposure as at the reporting date:

Credit Risk

Credit risk refers to the risk that a counter party will default on its contractual obligations resulting in financial loss to the Group. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of credit worthiness as well as concentration risks.

Group's credit risk arises principally from the trade receivables and advances. Customer credit risk is managed centrally by the Group and subject to established policy, procedures and control relating to the customer credit risk management. Credit quality of a customer is assessed based on financial position, past performance, business/economic conditions, market reputation, expected business etc. Based on that credit limit and credit terms are decided. Outstanding customer receivables are regularly monitored. Trade receivables consist of a large number of customers spread across diverse industries and geographical areas with no significant concentrations of credit risk. The outstanding trade receivables are regularly monitored and appropriate action is taken for collection of overdue receivables.

Liquidity Risk

The Group manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities. Expected contractual maturity for financial liabilities:

INDEPENDENT AUDITOR'S REPORT

To the Members of DHABRIYA POLYWOOD LIMITED

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of **DHABRIYA POLYWOOD LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the Standalone Financial Statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements ("the financial statements") give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and Other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2026, its profit including other comprehensive income, its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in

accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements for the financial year ended 31st March 2026. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matter to be communicated in our report. We have fulfilled the responsibilities described in the Auditors' responsibilities for the audit of the Standalone Financial Statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Standalone Financial Statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Standalone Financial Statements.

Key Audit Matter	How the matter was addressed in our audit
A. Revenue Recognition	Our audit procedure:
⇒ The Company's revenue is principally derived from sale of products of PVC-uPVC Profile Sections, Doors, Windows and others. Revenue from sale of goods is recognized when control of the products being sold is transferred to the customer and when there are no unfulfilled obligations.	⇒ We assessed the appropriateness of the revenue recognition accounting policies by comparing them with applicable Indian Accounting Standards (Ind AS).
	⇒ Evaluated the process followed by the management for revenue recognition including understanding and testing of key controls related to recognition of revenue in correct period.

- ⇒ The performance obligations in the contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on terms of order / contract with the customer.
- ⇒ Revenue is measured at fair value of the consideration received or receivable after deduction of any trade/volume discounts and taxes or duties collected.

Hence, we identified revenue recognition as a key audit matter since revenue is significant to the financial statements and is required to be recognized as per the requirements of applicable accounting framework.

B. Inventory Existence and Valuation

- ⇒ Inventory is held in various locations by the Company. There are complexities and manual process involved in determining inventory quantities on hand and valuation of the same due to the Company's presence across different locations within the country, diverse & numerous inventory products and work in progress at different stages of the processes at various manufacturing units.

Therefore, inventory quantities and valuation is identified as a key audit matter.

- ⇒ Performed substantive testing on samples selected using statistical sampling of revenue transactions, recorded during the year by testing the underlying documents to determine whether revenue has been recognized correctly.
- ⇒ Tested, on a sample basis, specific revenue transactions recorded before and after the financial year end date including examination of credit notes issued after the year end to determine whether the revenue has been recognized in the appropriate financial period. and timely. Based on the above stated procedures, no significant exceptions were noted in revenue recognition.

Our audit procedure:

- ⇒ We have attended inventory counts, which we selected based on financial significance and risk, observed management's inventory count procedures to assess the effectiveness, selected a sample of inventory products and compared the quantities counted to the quantities recorded and ensured inventory adjustments, if any, are recorded in the books of accounts.
- ⇒ Assessed whether the management's internal controls relating to inventory's valuation are appropriately designed and implemented.
- ⇒ Discussed with the management on the management's process of identifying the stages of completion and valuing work in progress stock at the time of book closure process.
- ⇒ Verified the correctness of valuation made by the management on a sample basis, with regard to the cost and net realizable value of inventory.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during

the course of the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting

Standards (Ind AS) specified under Section 133 of the Act, read with the Companies (Indian accounting standards) Rules 2015, as amended from time to time.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the audit of Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ⇒ Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ⇒ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- ⇒ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
- ⇒ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ⇒ Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in

aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements for the financial year ended 31st March 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

- (d) In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued there under;
- (e) On the basis of the written representations received from the Directors of the Company as on 31st March 2026, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2026 from being appointed as a Director in terms of Section 164(2) of the Act;
- (f) With respect to the adequacy of the internal financial controls of the Company with reference to these Standalone Financial Statements and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**" to this report;
- (g) In our opinion, the managerial remuneration for the year ended 31st March 2026 has been paid/ provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements;
 - (ii) The Company did not have any long-term contracts including derivative contracts;

hence, the question of any material foreseeable losses does not arise;

(iii) There were no amounts required to be transferred to the Investor Education and Protection Fund by the Company.

(iv) (a). The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b). The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c). Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations

under sub-clauses (a) and (b) above contain any material misstatement.

(v) The final dividend proposed for the previous year, declared and paid by the Company during the year in accordance with Section 123 of the Act, as applicable

As stated in Note 42 to the Standalone Financial Statements, the Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend proposed is in accordance with section 123 of the Act, as applicable.

(vi) Based on our examination, which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with, and the audit trail has been preserved by the Company as per the statutory requirements for record retention in the accounting software where audit trail is enabled.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in Paragraph 1 under "Report on Other Legal and Regulatory Requirements" section of our report of even date to the members of **DHABRIYA POLYWOOD LIMITED** on the Standalone Financial Statements for the year ended on 31st March 2026.

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) In respect of its Property, plant and equipment:
 - a. The Company has maintained proper records showing full particulars including quantitative details and situation of Property, plant and equipment.
 - b. Property, plant and equipment have been physically verified by the management in a phased periodical manner, which in our opinion is reasonable having regard to the size of the Company and nature of its assets. According to information and explanation given to us, no material discrepancies were noticed on such physical verification.
 - c. According to the information and explanations given to us and the records examined by us and based on the examination of the registered sale deeds and lease agreements provided to us, we report that, the title deeds, comprising all the immovable properties of land (freehold and/or leasehold), are held in the name of the Company as at the Balance Sheet date.
 - d. The Company has not revalued its Property, Plant and Equipment during the year. Accordingly, reporting under clause 3(i)(d) of the Order is not applicable.
 - e. There are no proceedings initiated during the year or are pending against the Company as at 31st March 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

- (ii)
 - a. The management has conducted physical verification of inventory in phased manner at reasonable intervals to cover all the items during the year. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed.
 - b. The Company has a working capital limit in excess of Rs 5 crore, sanctioned by banks based on the security of current assets. The quarterly statements, in respect of the working capital limits have been filed by the Company with such banks and such statements are in agreement with the books of account of the Company for the respective periods, which were not subject to audit.
- (iii) The Company has not granted any loans, secured or unsecured, to Companies, Firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Act.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable to the Company.
- (vi) We have broadly reviewed the accounts and records maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under Section 148(1) of the Companies Act, 2013 read with Companies (Cost Records & Audit) Rules, 2014 and we are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made detailed examination of the records with a view to determine whether they are accurate and complete.

(vii) In our opinion and according to information and explanations given to us and based on the audit procedures performed by us in respect of statutory dues:

- a. The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.
- b. There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues arrears as at 31st March 2026 for a period of more than six months from the date they became payable.

(viii) According to the information and explanations given to us, we report that no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which have not been previously recorded in the books of accounts.

(ix) a. In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to banks and financial institutions.

b. According to the information and explanations given to us and on the basis of our audit procedures, we report that the company has not been declared willful defaulter by any bank or financial institution or other lender.

c. In our opinion and according to the information and explanations given to us, the term loans were applied for the purposes for which the loans were obtained.

d. According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.

e. According to the information and explanations

given to us and on an overall examination of the financial statements of the company, we report that the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures. Accordingly, reporting under clause 3(ix)(e) of the Order is not applicable.

f. According to the information and explanations given to us and procedures performed by us, we report that the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies. Accordingly, reporting under clause 3(ix)(f) of the Order is not applicable.

(x) a. The company has not raised money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.

b. According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year and hence reporting under clause 3(x)(b) of the Order is not applicable.

(xi) a. According to the information and explanations given to us and as represented by the Management and based on our examination of the books and records of the Company and in accordance with generally accepted auditing practices in India, no case of material fraud by the Company or on the Company has been noticed or reported during the year.

b. According to the information and explanations given to us including the representation made to us by the management of the Company, no report under sub-section 12 of section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014, with the Central Government for the period covered by our audit.

c. According to the information and explanations given to us including the representation made to

us by the management of the Company, there are no whistle-blower complaints received by the Company during the year.

(xii) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.

(xiii) According to the information and explanations given by the management and based on our examination, the transactions with the related parties are in compliance with section 177 and 188 of the Act, where applicable. The Company has disclosed the details of the related party transactions in the Notes to the Standalone Financial Statements, as required by the applicable Indian Accounting Standards.

(xiv) a. The Company has an adequate internal audit system manned by in-house internal audit department, which is commensurate with the size and nature of its business as required under the provisions of section 138 of the Act.

b. We have considered, the internal audit reports issued by the Internal Auditors of the Company during the year under audit and till date, in determining the nature, timing and extent of our audit procedures.

(xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with them and accordingly, provisions of Section 192 of the Act are not applicable to the Company.

(xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clause 3(xvi) of the Order is not applicable to the Company.

(xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.

(xviii) There has been no resignation of the Statutory Auditors during the year.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) According to the information and explanations given to us, Company does not have any unspent amounts towards Corporate Social Responsibility in respect of any ongoing or other than ongoing project as at the end of the financial year. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

(xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in Paragraph 2(f) under "Report on Other Legal and Regulatory Requirements" section of our report of even date

Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Standalone Financial Statements of **DHABRIYA POLYWOOD LIMITED** ("the Company") as of 31st March 2026 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the criteria for internal financial control with reference to Standalone Financial Statements established by the Company considering the essential components of internal control stated in the "Guidance Note on Audit of Internal Financial Controls Over Financial Reporting" (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Standalone Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal

financial controls with reference to Standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone Financial Statements reporting included obtaining an understanding of internal financial controls with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to these Standalone Financial Statements.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial control with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

All the product range of Company are developed & produced on *Save Tress* concept without using natural wood.

2. MATERIAL ACCOUNTING POLICIES

A. BASIS OF PREPERATION AND PRESENTATION

(i) Compliance with Ind AS

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act and guidelines issued by the Securities and Exchange Board of India (SEBI). The accounting policies are applied consistently to all the periods presented in the financial statements.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis except for certain financial instruments which are measured at fair value at the end of each reporting period.

(iii) Current and non-current classification

The All assets and liabilities have been classified as current or non-current based on the Company's normal operating cycle for each of its businesses, as per the criteria set out in the Schedule III to the Act.

(iv) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

B. USE OF ESTIMATES AND JUDGEMENTS

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognized in the period in which the results are known/materialized.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

C. PROPERTY, PLANT AND EQUIPMENT (INCLUDING CAPITAL WORK-IN-PROGRESS)

On transition to Ind AS the Company had adopted the optional exemption under Ind AS 101 to use the carrying value of the Property, plant and equipment as the deemed cost. Subsequently Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and accumulated impairment losses, if any. For this purpose, cost includes deemed cost which represents the carrying value of property, plant and equipment recognized as at 1st April, 2016 measured as per the previous GAAP. Cost of acquisition or construction is inclusive of freight, duties, relevant taxes, incidental expenses and interest on loans attributable to the acquisition of

qualifying assets, up to the date of commissioning of the assets. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for qualifying assets, up to the date of commissioning of the assets. All repair and maintenance costs are recognized in profit or loss as incurred. Assets are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use.

Capital work-in-progress – Assets which are not yet ready for their intended use are carried at cost comprising direct cost, related incidental expenses and attributable interest.

Depreciation methods, estimated useful lives and residual value

Down Value Method on the basis of useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 to allocate their cost, net of their residual values, over their estimated useful lives. Depreciation on additions and deletion during the year has been provided on pro rata basis with reference to the date of addition and deletion. The residual values and useful lives are reviewed and adjusted if appropriate at the end of each reporting period. Gains and losses on disposals, if any, are determined by comparing proceeds with carrying amount. These are included in the statement of profit and loss within other income or other expenses, as applicable.

D. INVESTMENT PROPERTY

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. Investment properties are depreciated using the

written down value method over their estimated useful life.

E. IMPAIRMENT OF ASSETS

The carrying amount of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss will be recognized in the Statement of Profit and Loss wherever the carrying amount of an asset exceeds its estimated recoverable amount. When an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in profit or loss. Provision for impairment will be reviewed periodically and amended depending on changes in circumstances.

F. CASH AND CASH EQUIVALENTS

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value.

For the purpose of presentation in the cash flow statement, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts, if any, are shown within borrowings in current liabilities in the balance sheet.

G. TRADE RECEIVABLES

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. Trade receivables are recognized initially at fair value and subsequently measured at amortized cost

using the effective interest method, less provision for impairment, if any.

H. INVENTORIES

Raw materials, Packing Materials, stores, spares & consumables, work in progress and finished goods are stated at the lower of cost and net realizable value. Cost of raw materials, packing materials comprises cost of purchases, non-refundable purchase taxes and any directly attributable expenses related to inventories. Cost of raw materials, packing materials, stores, spares & consumables is determined on a first in first out method. Cost of work-in-progress and finished goods comprises materials and appropriate proportion of all variable and fixed overhead expenditures, which is allocated on a systematic basis.

Costs of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs of purchased inventory are determined after deducting rebates and discounts, if any. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

I. INVESTMENT IN SUBSIDIARIES

A subsidiary is an entity controlled by the Company. Control exists when the Company has power over the entity, is exposed, or has rights to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns.

Investments in subsidiaries are carried at cost. The cost comprises price paid to acquire investment and directly attributable cost. The Company reviews its carrying value of long-term investments in equity shares of subsidiaries carried at cost at the end of each reporting period. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

J. TRADE AND OTHER PAYABLES

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within twelve months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

K. BORROWING

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in the statement of profit and loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

L. BORROWING COST

Borrowing Costs directly attributable to the acquisition, construction and production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognized in Profit and Loss in the period in which they are incurred.

M. PROVISIONS AND CONTINGENT LIABILITIES

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, for which it is probable that a cash outflow may be required and a reliable estimate can be made of the amount of the obligation. The amount recognized as a provision is the best estimate of

the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursements will be received and the amount of the receivable can be measured reliably.

Contingent liabilities are disclosed after evaluation of the facts and legal aspects of the matter involved, in line with the provisions of Ind AS 37. The Company records a liability for any claims where a potential loss probable and capable of being estimated and discloses such matters in its financial statements, if material. For potential losses that are considered possible, but not probable, the Company provides disclosures in the financial statements but does not record a liability in its financial statements unless the loss becomes probable.

N. REVENUE RECOGNITION

Sale of Goods: - Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment, net of returns and allowances, trade discounts and volume rebates. Sales of products is net of Goods and Service Tax.

Revenue is recognized when the significant risks and rewards of ownership have been transferred to the customer, recovery of the consideration is probable, the associated costs can be estimated reliably, there is no continuing management involvement with the goods nor it exercises effective control over the goods and the amount

of revenue can be measured reliably. The timing of the transfer of risks and rewards varies depending on the individual terms of the sales arrangements.

Income from Services: Revenue from sale of services are recognized when services are rendered and related costs are incurred. Income from services is also net of Goods and Service Tax.

Other Income: Interest income from a financial asset is recognized when it is probable that the economic benefit will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective rate applicable, which is the rate that discounts estimated future cash receipts through the expected life of the financial assets to that asset's net carrying amount on initial recognition.

O. EMPLOYEE BENEFITS

Short Term Employee Benefits

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Post-Employment Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund (PF) and Employee State Insurance (ESI) to the eligible employees. The Company's contribution is recognized as employee benefit expenses in Profit and Loss during the period in which the employee renders the related service.

Defined Benefit Plans

The Company provides for gratuity, a defined benefit retirement plan to the employees whoever has completed five years of service with the Company at the time of retirement, death while in employment or on termination of employment or otherwise as per the provisions of The Payment of Gratuity Act, 1972. Company accounts for liability of future gratuity benefits bases on an external actuarial valuation on projected unit credit method carried out annually for assessing liability as at the balance sheet date.

P. FOREIGN CURRENCY TRANSACTIONS

The functional currency of the Company is Indian rupee. Transactions denominated in foreign currencies are normally recorded on initial recognition at the exchange rate prevailing at the time of transaction. Monetary items (i.e. liabilities and assets etc.) denominated in foreign currency at the year-end are translated at the functional currency closing rate of exchange at the reporting date.

Any income or expenses on account of exchange difference either on settlement of monetary items or on reporting these items at rates different from rates at which these were initially recorded / reported in previous financial statements are recognized as income / expense in the statement of profit and loss except in cases where they relate to acquisition of fixed assets in which case they are adjusted to the carrying cost of such assets.

Q. INCOME TAXES

Current Income Tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss i.e. in other comprehensive income or equity.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to

interpretation and establishes provisions where appropriate.

Deferred tax is provided on temporary differences between the tax bases of assets and liabilities and their carrying amounts at the reporting date. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are reassessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss i.e. in other comprehensive income.

R. FINANCIAL INSTRUMENTS

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss ("FVTPL")) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in statement of profit and loss.

FINANCIAL ASSETS

Initial recognition and measurement:

On initial recognition, a financial asset is recognized at fair value. All recognized financial

assets are subsequently measured in their entirety at either amortized cost or fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI) depending on the classification of the financial assets. Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the contractual rights to receive the cash flows from the asset.

Investment in Subsidiaries:

The Company's investment in equity instruments of Subsidiaries are accounted for at cost as per Ind AS 27, including adjustment for fair value of obligations, if any, in relation to such subsidiaries.

Impairment of financial assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the lifetime expected credit losses, if the credit risk on the financial asset has increased significantly since initial recognition.

FINANCIAL LIABILITIES AND EQUITY INSTRUMENTS

Classification as equity

Equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received, net of direct issue costs. Repurchase of the Company's own equity instruments is recognized and deducted directly in equity. No gain or loss is recognized in statement of profit and loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial liabilities

Financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit or loss. In case of trade payables, they are initially recognized at fair value and subsequently, these liabilities are held at amortized cost, using the effective interest method.

All financial liabilities are subsequently measured at amortized cost using the effective interest method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss. Interest expense are included in the 'Finance costs' line item. The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Derecognition of financial liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial

liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or Modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Offsetting

Financial assets and financial liabilities are offset, and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

S. EARNING PER SHARE

Basic earnings per share is calculated by dividing the net profit for the current year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The number of shares used in computing diluted earnings per share comprises the weighted average share considered for calculating basic earnings per share, and also the weighted average number of shares, which would have been issued on the conversion of all dilutive potential equity shares. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares as appropriate.

T. DIVIDEND PAYMENT

A final dividend, including tax thereon if applicable, on equity shares is recorded as a liability on the date of approval by the shareholders. An interim dividend, including tax thereon if applicable, is recorded as a liability on the date of declaration by the Board of directors.

U. OPERATING CYCLE

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has

determined its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

V. RECENT ACCOUNTING PRONOUNCEMENTS:

a. Application of new and revised Indian Accounting Standards (Ind AS)

All the Ind AS issued and notified by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the standalone financial statements are authorised, have been considered in preparing these standalone financial statements.

b. New and amended standards adopted by the Company

The Ministry of Corporate Affairs vide notification dated 7 May 2025 and 13 August 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended certain accounting standards (see below), and are effective for annual reporting periods beginning on or after 1 April 2025:

- ⇒ Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1;
- ⇒ Supplier Finance Arrangements – Amendments to Ind AS 7 and Ind AS 107
- ⇒ International Tax Reform – Pillar Two Model Rules – Amendments to Ind AS 12
- ⇒ Lack of Exchangeability – Amendments to Ind AS 21

These amendments did not have any material impact on the amounts recognized in prior periods and are not expected to significantly affect the current or future periods.

3. CRITICAL ESTIMATES AND JUDGEMENTS

The preparation of the financial statements in conformity with recognition and measurement principles of Ind AS requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which estimates are revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the key judgements and estimations concerning the future and other sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities in future are:

(i) **Useful lives and residual value of property, plant and equipment and intangible assets:**

Useful life and residual value are determined by the management based on a technical evaluation considering nature of asset, past experience, estimated usage of the asset, vendor's advice etc. and same is reviewed at each financial year end.

(ii) **Taxation:**

Tax expense is calculated using applicable tax rate and laws that have been enacted or substantially enacted. In arriving at taxable profit and all tax bases of assets and liabilities, the Company determines the taxability based on tax enactments, relevant judicial pronouncements and tax expert opinions, and makes appropriate provisions which includes an estimation of the likely outcome of any open tax assessments / litigations, if any. Any difference is recognized on closure of assessment or in the period in which they are agreed.

Deferred income tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, unabsorbed depreciation and unused tax credits could be utilized.

(iii) **Impairment of investments:**

The Company reviews its carrying value of long-term investments in equity shares of subsidiaries and other companies carried at cost at the end of each reporting period. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

39. FINANCIAL INSTRUMENTS

(a) Capital Risk Management

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity shareholders of the Company. The Company's objective when managing capital is to safeguard its ability to continue as a going concern so that it can continue to provide returns to shareholders and other stakeholders.

The Company manages its capital structure and makes adjustments in light of changes in the financial condition and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders (buy back its shares) or issue new shares.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. The Company has complied with these covenants and there have been no breaches in the financial covenants of any interest-bearing loans and borrowings. No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2026 and March 31, 2025.

The Company monitors its capital using gearing ratio which is net debt divided to total equity. Net debt includes, interest bearing loans and borrowings less cash and cash equivalents, bank balances other than cash and cash equivalents.

(c) Financial Risk Management objects and policies

In its ordinary operations, the company's activities expose it to the various types of risks, which are associated with the financial instruments and markets in which it operates. The Company has a risk management policy which covers the foreign exchanges risks and other risks associated with the financial assets and liabilities such as interest rate risks and credit risks. The risk management policy is approved by the board of directors. The following is the summary of the main risks.

Market Risk

Market Risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of the change in the market prices. The Company is exposed in the ordinary course of its business to risks related to changes in foreign currency exchange rates, commodity prices and interest rates.

Interest Rate Risk

Interest rate risk arises from the sensitivity of financial assets and liabilities to changes in market rates of interest. The Company is exposed to interest rate risk arising mainly from long term borrowings with floating interest rates. The Company is exposed to interest rate risk because the cash flows associated with floating rate borrowings will

fluctuate with changes in interest rates. The Company manages the interest rate risks by entering into different kinds of loan arrangements with varied terms.

At the reporting date the interest rate profile of the Company's interest-bearing financial instruments is as follows:

Particulars	As at 31 st March, 2026	As at 31 st March, 2025

Credit Risk

Credit risk refers to the risk that a counter party will default on its contractual obligations resulting in financial loss to the Company. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of credit worthiness as well as concentration risks.

Company's credit risk arise principally from the trade receivables and advances. Customer credit risk is managed centrally by the Company and subject to established policy, procedures and control relating to the customer credit risk management. Credit quality of a customer is assessed based on financial position, past performance, business/economic conditions, market reputation, expected business etc. Based on that credit limit and credit terms are decided. Outstanding customer receivables are regularly monitored. Trade receivables consist of a large number of customers spread across diverse industries and geographical areas with no significant concentrations of credit risk. The outstanding trade receivables are regularly monitored, and appropriate action is taken for collection of overdue receivables.

Liquidity Risk

The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities. Expected contractual maturity for financial liabilities:
