

Conquering all Odds...

ANNUAL REPORT 2012-13

MAHARASHTRA SEAMLESS LIMITED

Combating adversities

By implementing highly competitive
Lean Manufacturing Strategies,
effective Cost Cutting measures and
strict Quality Control practices,
Maharashtra Seamless Limited (MSL) has sailed right
through the challenging phases.

A look back at the Financial Year 2012-13 suggests that it was a year of challenges. The slowdown in the domestic economy and continued dumping of pipes in the Indian market resulted in a steep decline in the demand and order inflow. But MSL as always, took the challenges head-on and managed to sustain its position as a leading player in the market.

MSL, the Seamless & ERW pipes and tubes manufacturing giant acted responsibly towards its shareholders' interest while demonstrating that only the fittest survives in this industry.

Investing in possibilities

Going beyond the conventional ways of doing business, MSL has diversified into generating energies from renewable sources- a better sustainable business interest, serving the eco-system as well.

MSL strives to operate responsibly and profitably. It takes steps towards lowering down the use of energies which cannot be replenished. The 7 MW Wind Power generation plant at Satara, Maharashtra and the 5 MW Solar Power project located at Pokaran, Rajasthan allotted under Jawahar Lal National Solar Mission are two successfully running projects empowered by Maharashtra Seamless Limited.

Advantages of Power Division:

- *
Environment friendly 'Green Power'
- *
100% accelerated depreciation
- *
Sales Tax benefit

Renewing initiatives

MSL takes steps towards its advancement by strengthening value addition and product line extension.

Increasing its total capacity to manufacture Seamless pipes to 550,000 TPA, the Company has set up another 200,000 TPA 6" Seamless pipe plant near Mangaon (Maharashtra), which uses MPM Technology to provide good quality and higher productivity. This state-of-the-art facility not only manufactures Drill Pipes, but it is also capable of manufacturing high thickness as well as long length pipes. This would open new horizons for the company to broaden its product offering for Oil & Gas, Boiler and Automobile segment.

Enriching lives

Much beyond the parameters of profit and loss, MSL takes up the task of giving back to the society by means of ensuring sustainable development of its employees, the society and the environment it operates in.

Welfare of the people

Within the organization

The Company strongly believes that its true strength lies in its workforce. That is why, Maharashtra Seamless Limited considers one of its main priorities to support its employees in climbing the ladder of success according to their individual aspirations and potential. The right approach to training, performance evaluation and capability development helps the Company to prepare its team against the ever-changing market realities.

Around the organization

Corporate Social Responsibility (CSR) is a vital part of the Company's operations. Various CSR programs of the Company are undertaken to pursue a corporate strategy that enables realization of the twin goals of shareholders' value enhancement and societal value creation in a mutually reinforcing manner. Regular initiatives are taken to improve the Health, Education and Environmental standards in nearby villages. The Company also encourages the development of human capital of the nation by expanding human capabilities through skills development, vocational training and much more.

Chairman's Statement

D.P. Jindal

Chairman- D.P. Jindal Group

Dear Shareholders,

It gives me immense pleasure to express my deepest gratitude to our shareholders, customers, business associates, bankers and employees for their continued support to your Company. As you know, 2012-13 was a challenging year for the Indian economy. Most of the economic parameters have looked concerning as rising inflation and stiff interest rates have stifled growth. There has been a marked slowdown in FDI which has put pressure on rupee and further contributed to uncertainty in business confidence. Some of the large expected investments have either been dropped or just fizzled out. This has been a setback of huge proportions and has sent disturbing signals to the world at large.

While the US economy has stabilised with the aggressive monetary policy of the US Federal Reserve, Europe continued to struggle with high unemployment and low growth rates. There are growing signals that US may not see another round of Quantitative easing which has caused grave concerns to emerging markets like India. Stiff Oil prices and currency devaluation have further burdened the dwindling foreign exchange reserves of imported oil dependent countries like India.

The year saw a perceptible slowdown in the Indian economy coupled with sluggish investment scenario. Various international credit agencies have reduced Indian growth forecast to 5.0% for the current year, which came as a setback to an otherwise promising economy. Indian industry is nervous and anxiously waiting for the Government of India to take some pro-growth policy measures to put Indian economy back on track. It is imperative that the country boosts up domestic manufacturing sector which has traditionally been the backbone of Indian economy. Unfair and injurious trade practice of dumping of goods has devastated domestic manufacturing industry and caused irreparable damage to Indian dominance in quality manufacturing.

Steel Pipe Scenario

I am proud to state that despite these uphill challenges, your Company has been successfully working hard without losing its focus on sustaining excellence. The year saw another bout of severe slowdown in seamless pipe demand due to indefinite postponement of large infrastructure projects. Along with the industry, your Company also faced stiff competition from unfair dumping. It is unfortunate that despite several appeals

for imposition of anti-dumping duties, the response from the Government has been inadequate. Your Company hopes that the Government will take urgent note of the deteriorating health of the seamless pipe industry due to unfair dumping and take corrective measures. Your company is hopeful of an early affirmative action from the Government of India.

Key Financial Parameters of MSL in last year

Your Company has been successful in navigating its way through difficult times with its prudent finance policy and was able to minimize damage due to unprecedented market slowdown. Your Company will continue to operate with optimum cost structure as there may be more difficult times ahead for the Indian seamless pipe industry. Your company will regularly review and take appropriate steps to prepare for external shocks and is optimistic of delivering reasonable reward to its stakeholders even in these adverse conditions.

During the year, the Company achieved a turnover of ₹ 1722 Crore against ₹ 2292 Crore during last year. The profit for the year being ₹ 153 Crore as against ₹ 311 Crore in the last year.

Growth & Expansion

Slowdown is an opportunity for introspection and to look at options for overcoming adversities. Your Company has been reducing wasteful expenses and has made itself a more efficient corporate. Your Company has reduced costs without compromising on efficiency and productivity. There has been a renewed focus on product development and aggressive search for new markets. Your Company has ventured into new export market and is working closely with large global Oil & Gas corporates for vendor registration. Your Company is making all efforts to minimize bottlenecks in production process and has made fresh investment on state-of-the-art quality testing equipment.

Human Resources

Even as most of the corporates have been cutting down on manpower, your Company has been careful in any such exercise. While your Company has rationalized head counts in non-essential areas, it continues to invest in upgrading knowledge of its quality manpower. Your Company is proud of its committed team of employees and feels that their

contribution to the success of the Company must be duly recognized and appreciated.

Valued Customers

Your Company is proud of its valued customers who have stood by us in all times and have been the source of strength in tough times. Your Company stands for world-class quality and customer satisfaction. New investments were made in R&D to improve quality and provide new value-added products to customers. During the year, several new development orders were successfully executed, thus confirming your Company's ability to be a leader in innovation.

Corporate Social Responsibility

Your Company is conscious of its responsibility towards the society and the country. New initiatives in imparting education to less privileged and creating employment opportunities for women were introduced during the year. Your Company recognizes its responsibility towards the eco system. It will further invest in improving quality of life in surrounding villages and partner with local administration in social welfare initiatives.

Information Technology

Technology is a key driver in future growth of your Company and is a high priority area. Your Company is striving to build an integrated platform for customers, employees and other stakeholders. This initiative will help us build an efficient supply chain and give competitive advantage. This and several other initiatives have helped your Company to be more responsive to market and give higher customer satisfaction.

Corporate Governance

Your company believes in complete compliance with corporate governance laws and has zero tolerance towards any compromise. Dedicated internal and external audit teams ensure that best accounting practices are followed in both letter and spirit. Your Company has always stood for shareholders' value maximization and will always take proactive steps for fulfilling its promise of transparency and law compliance.

Thank you,

D. P. Jindal

Message from the Managing Director

Saket Jindal
Managing Director

Dear Shareholders,

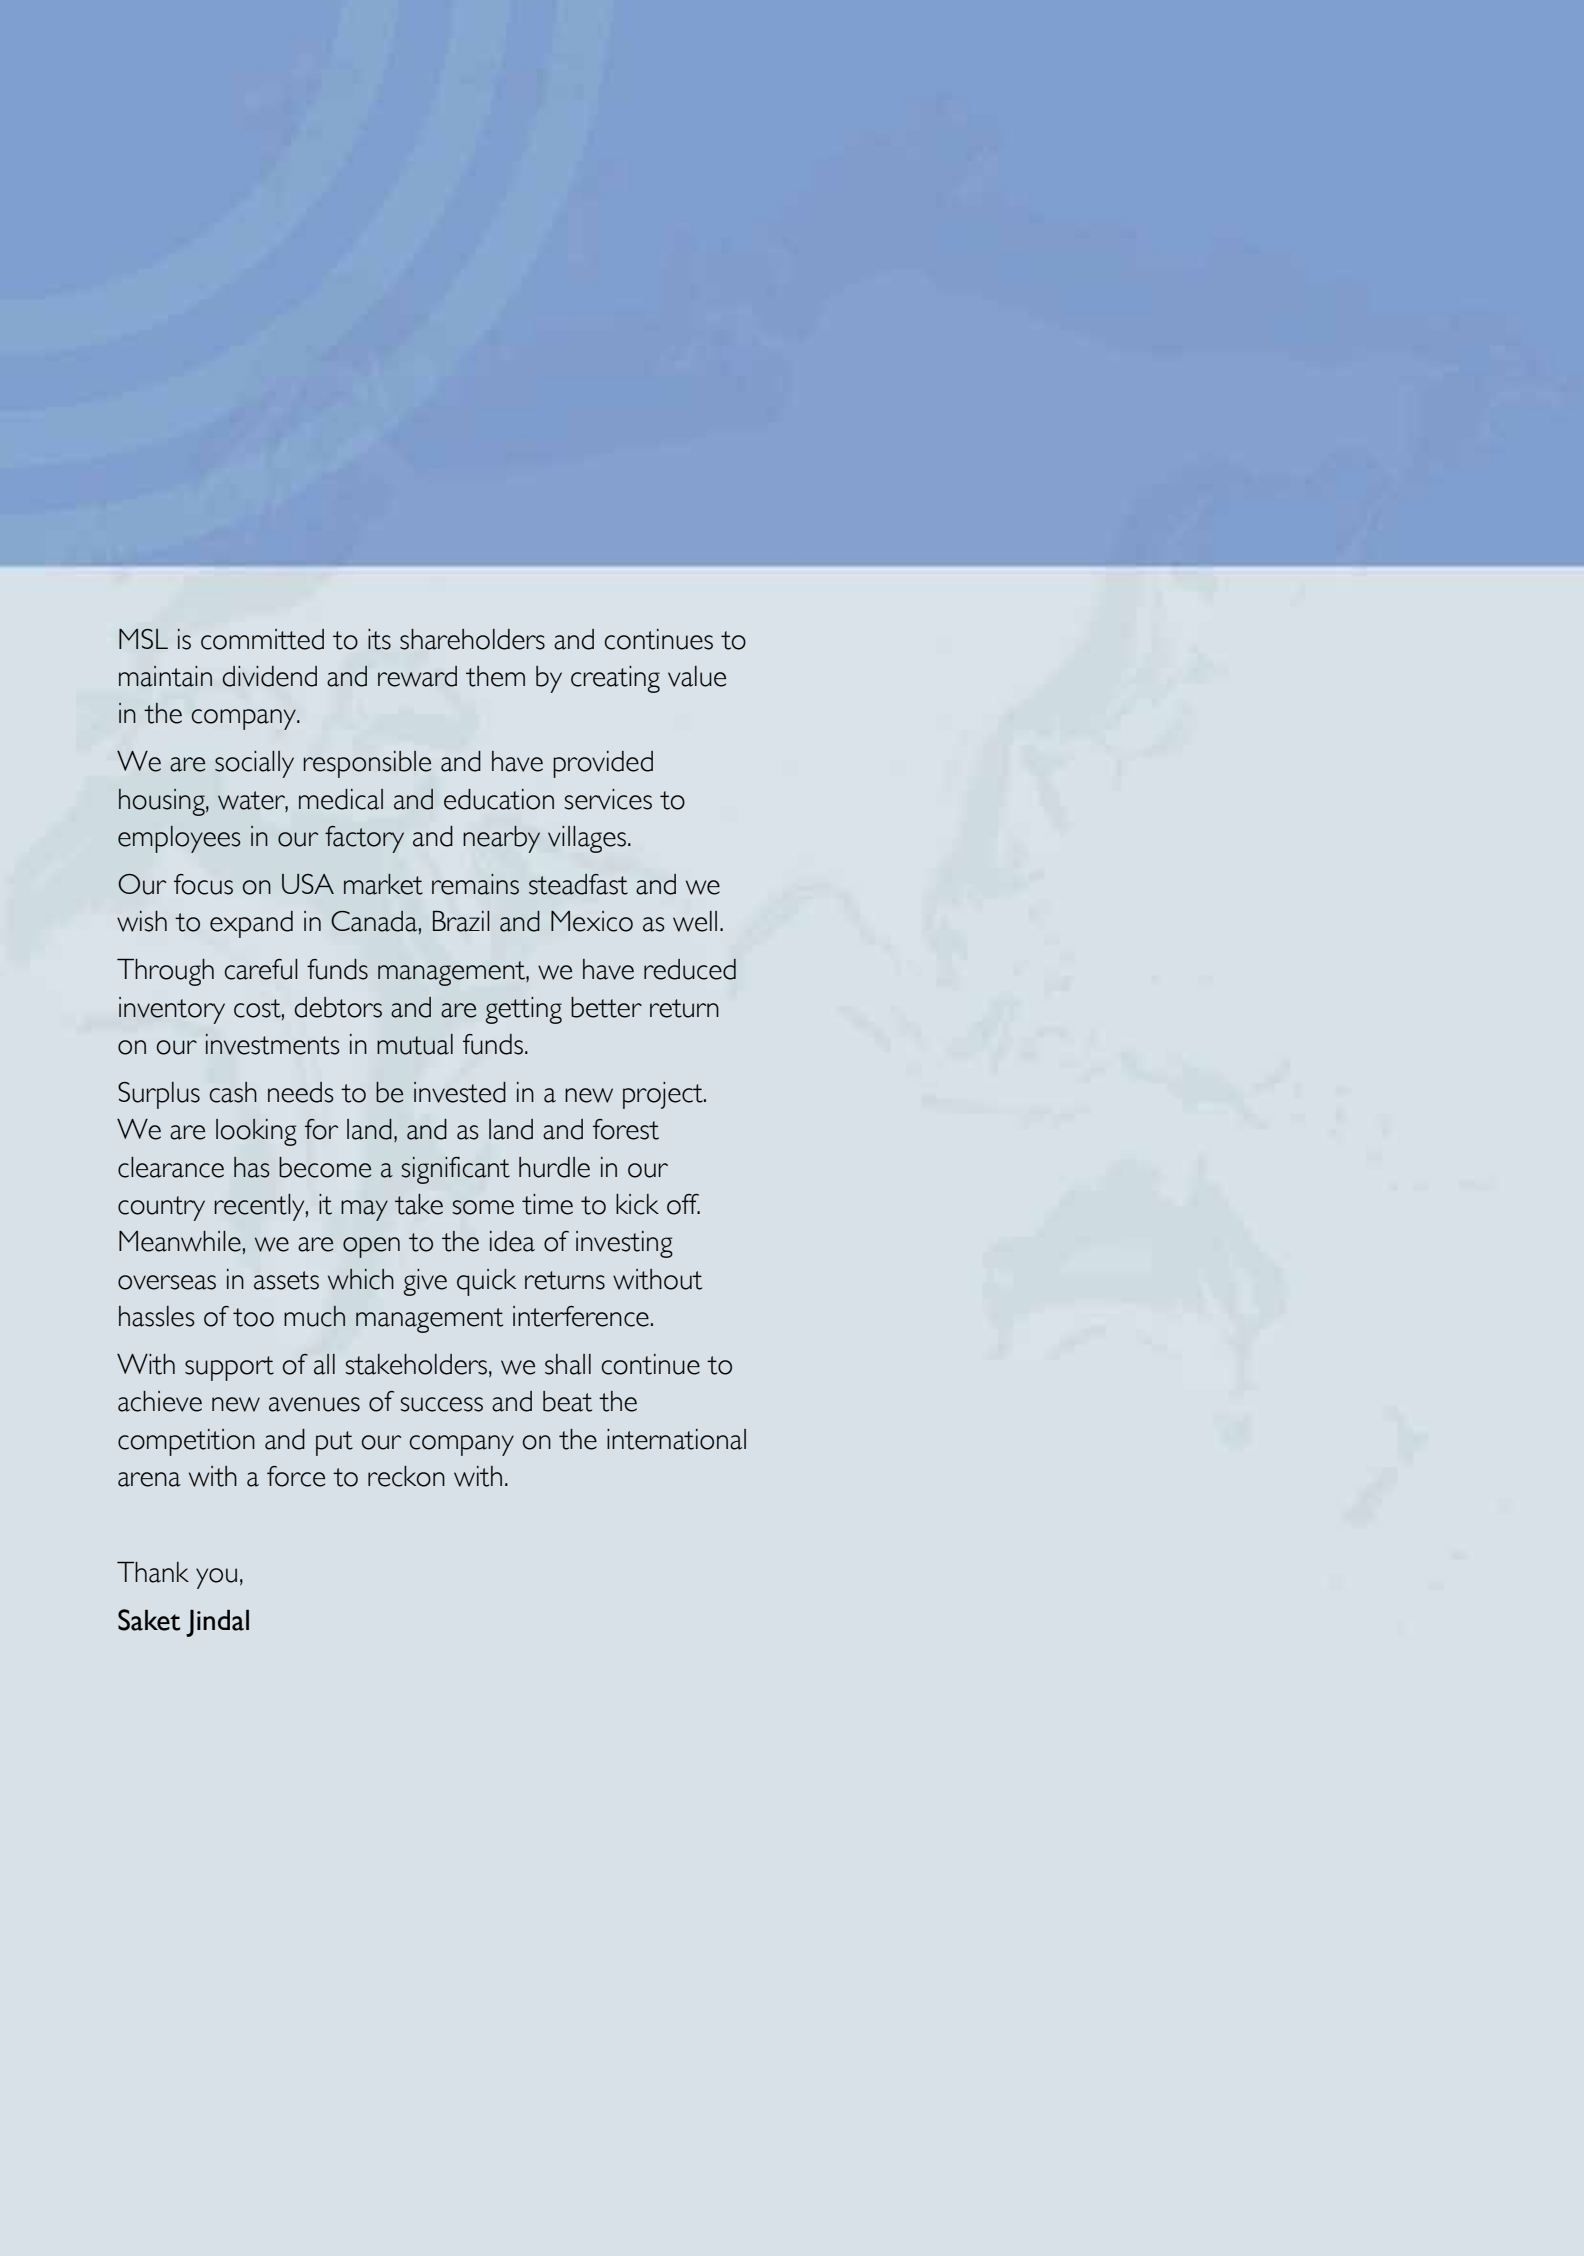

It has been a very competitive year and we have still managed to stay above the competition.

We have managed to do cost cutting and boost employee morale and also improved our systems and processes.

Our IT systems are being revamped and we are lobbying with the government to give protection against imports which are coming into the country at dumping prices.

Our solar project is giving consistent results and we may expand in this sector. Renewable energy has a promising future and gives us mileage in terms of Corporate Social Responsibility.

Our capacity expansion in seamless should give dividends when the market picks up. Currently, due to lack of stability in government policy and lack of foreign investment, the demand for our product is lacklustre. We are exploring more markets overseas to tap new customers as we are getting better realisations because the exchange rate favouring us now.

MSL is committed to its shareholders and continues to maintain dividend and reward them by creating value in the company.

We are socially responsible and have provided housing, water, medical and education services to employees in our factory and nearby villages.

Our focus on USA market remains steadfast and we wish to expand in Canada, Brazil and Mexico as well.

Through careful funds management, we have reduced inventory cost, debtors and are getting better return on our investments in mutual funds.

Surplus cash needs to be invested in a new project. We are looking for land, and as land and forest clearance has become a significant hurdle in our country recently, it may take some time to kick off. Meanwhile, we are open to the idea of investing overseas in assets which give quick returns without hassles of too much management interference.

With support of all stakeholders, we shall continue to achieve new avenues of success and beat the competition and put our company on the international arena with a force to reckon with.

Thank you,

Saket Jindal

MANAGEMENT DISCUSSION & ANALYSIS

FORWARD LOOKING STATEMENTS

The statement in the Directors' Report and Management Discussion and Analysis Report contains "forward-looking statements" about the business, financial performance, skills and prospects of the Company. Statements about the plans, intentions, expectations, beliefs, estimates, predictions or similar expression for future are forward-looking statements.

Forward-looking statements should be viewed in the context of many risk issues, and events that could cause the actual performance to be different from that contemplated in the Directors' Report and Management Discussion and Analysis Report, including but not limited to, risks arising from uncertainties as to future Oil & Gas prices and their impact on investment programs by Oil & Gas companies, steel prices worldwide and domestic, economic and political conditions. We cannot assure that outcome of this forward looking statement will be realized.

The Company disclaims any duty to update the information given in the aforesaid report.

Introduction and Overview of Domestic Market Situation

The Financial year 2012-13 has been a year of challenges. The slowdown in the domestic economy and continued dumping of pipes by foreign suppliers has adversely affected domestic market. The demand from export market also slowed down during the period. The Prime Minister's Economic Advisory Council in its release of a review for 2012-13 has mentioned that the slippage has been on two accounts:

- Vigour in economic recovery (be it in terms of output and income or investment) has diminished following heightened stress from global crisis.
- Delays in projects due to delays in issuance of clearances and lack of fuel for power plants.

The Review has suggested growth strategies by way of speedy project clearances and enhanced energy availability. It has also emphasized on more attractive investment environment. This would increase industrial activity. Net FDI during the year FY13 which was around USD 18 billion is expected to touch USD24 billion in FY14 backed by higher inbound inflows of the order of USD 36 billion. All this is expected to improve capital investment and also business environment. Further the interest rate curve moving south ward consequent to drop in inflationary pressures, domestic demand is expected to improve.

The demand outlook for the company going forward therefore looks positive.

Global Demand Outlook

The International Monetary Fund (IMF) in its world economic outlook release has pegged the world growth at 3.25% in 2013 moving up to 4% in 2014. It further states in its review that economic activity in advanced countries has stabilized and in emerging and developing economies have picked up, with continued support from policy measures renewing confidence. Some of the main observations in the outlook are as under:

1. Manufacturing and Trade cycles has begun to re-accelerate (particularly, for emerging market economies).
2. Strong positive political decisions in advanced countries.
3. Monetary policy rates are expected to remain low for the next three years.
4. Global inflationary pressures have moderated.

All this augers well for global demand. The export market has shown substantial improve since the end of Feb' 2013. The enquiries from export markets are increasing and going forward is seen to be growing with new opportunities.

Review of Operations

Year under review stated above was a difficult year consequent to fall in demand and order inflow. The company had therefore to reduce its production which led to lower sales volume. The sales during the year under review were ₹1722 Cr. as against ₹2291 Cr. for the previous year. Correspondingly, the Net Profit was also lower at ₹153 Cr. as against ₹310 Cr. during previous year. In the back drop of slowing domestic economy and pressure on account of increase in input costs the results are satisfactory

Future Outlook

The company could not utilize its capacity due to dumping of pipes by foreign suppliers.

In view of this the industry filed an application for imposition of safeguard duty on imported seamless pipes in India to protect the domestic producers against serious injury caused by increased dumping of seamless pipes.

The application was examined and it was prime-facie found that increased imports have caused and are threatening to cause serious injury to the domestic producers of seamless pipes and accordingly it was decided to initiate investigations in the matter by the Government.

There is a strong case for levy of anti-dumping/safeguard duty on imports in India and dumping of seamless pipes. The industry has provided substantial employment and has also incurred substantial investment. Since the industry is both capital and human resource intensive it provides direct and indirect development in a substantial manner. It is therefore in the interest of all constituents that an appropriate safeguard duty is imposed on imports. There has been significant surge in imports consequent to dumping by foreign suppliers, causing serious injury to domestic industry. The company is confident that in view of domestic environment the safeguard duty would eventually be imposed. With the improvement in domestic environment and strengths of the company as delineated below the performance going forward would improve substantially.

- a) Capability to introduce high quality products.
- b) Manufacturing products to International standards and maintaining product quality consistency.
- c) Strong Quality Control Team.
- d) Strategically located production site.
- e) Constant emphasis on Research and Development.

The Company is also increasing its marketing efforts. This would result in improved order inflow and it is expected that the production will be restored to the original levels during the fourth quarter of the current financial year.

The year also saw input cost pressures. The year witnessed increase in rates of fuel and electricity. The input pressures are expected to continue. The company would however mitigate the same by taking suitable strategic actions.

Risk Factors

Operations in general are susceptible to possible changes in fiscal, monetary and economic policies of the Government especially with regard to fuel, power and freight costs. The major challenge for our industry is that it is raw material and energy intensive. With prudent business and risk management practices, the company is continuously looking at ways to minimize this impact by judicious buying, adequate storage, developing alternate vendors, exploring alternative sources of energy, etc.

Internal Control System and their Adequacy

The company has an adequate system of internal controls to provide reasonable assurance:

- That assets are safeguarded and protected against loss from unauthorized use or disposition.
- That transactions are authorized, recorded and reported properly and
- That accounting records are properly maintained and financial statements are reliable
- Statutory requirements are duly complied.

The key elements of internal control system are as follows:

- Clearly defined organization structure.
- Management control through monthly MIS system.

The internal auditors have access to all records and information of the company. The Audit Committee and Board periodically review the findings and recommendations of the auditors and take necessary corrective actions wherever necessary. The audit committee also reviews the performance of internal auditors, adequacy of internal control systems and ensures compliance of Internal Control Systems. The Audit Committee and Board recognize the work of the auditors as an independent check on the information received from the management on the operations and performance of the company.

Risk Strategy

The company is exposed to variety of risks in the course of its business activities. Risk management therefore forms a central element in the management of the company and is geared to minimizing present and future potential risk. The company is hedging these risks by taking appropriate hedges/steps.

Corporate Social Responsibility

Corporate Social Responsibility (CSR) programs of the Company are undertaken to pursue a corporate strategy that enables realization of the twin goals of shareholder value enhancement and societal value creation in a mutually reinforcing manner. Social investment programs in the economic vicinity of the Company's operations are undertaken with a view to ensure the long term sustainability of such interventions.

The Company contributes to sustainable development in areas of strategic interest through initiatives designed in a manner that addresses the challenges faced by the local villages. Policies are undertaken to improve the standards of Environment, Health and Education and provide sustainable facilities for health and education in nearby villages. The Company encourages the development of human capital of the Nation by expanding human capabilities through skills development, vocational training etc.

Total Quality Management

The very foundation of the Company's growth has been Total Quality Management (TQM).

Pursuing relentless commitment to quality, the Company is constantly innovating processes and systems to deliver superior competitive capabilities. TQM is part of everyday activity and process that the Company operates.

Human Resource Development

The Company's human resource management systems are designed to enhance employee engagement, organizational capability and vitality so as to ensure a world class business.

The human resource philosophy, strategy and processes of the Company have been designed to attract and retain quality talent and nurture workplace challenges that keep employees highly engaged, motivated and committed to innovation and customer delight. This talent has, through strong alignment with the Company's vision, successfully built and sustained the Company's standing as one of India's most valuable corporations.

The Company fosters a culture that rewards performance, continuous learning, collaboration and capability development across the organization, to be future- ready and meet head-on challenges posed by ever-changing market realities. The Company's unflagging commitment to investing in talent development ensures performance and achievement of the highest order.

INDEPENDENT AUDITORS' REPORT

To the Members of

Maharashtra Seamless Limited

1) Report on the Financial Statements

We have audited the accompanying financial statements of Maharashtra Seamless Limited (the "Company"), which comprise the Balance Sheet as at March 31, 2013, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information, which we have signed under reference to this report.

2) Management's Responsibility for the Financial Statements

The Company's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of Section 211 of 'the Companies Act, 1956' of India (the "Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3) Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

4) An audit involves performing procedures to obtain audit evidence, about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Management, as well as evaluating the overall presentation of the financial statements.

5) We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

6) Opinion

In our opinion, and to the best of our information and according to the explanations given to us, the accompanying financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- i) In the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- ii) In the case of the Statement of Profit and Loss, of the Profit for the year ended on that date; and
- iii) In the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

7) Emphasis of Matter

We draw attention to Note No 2.33 to the Financial Statements, relating to the company has given interest free loan of ₹ 11.60 crores during the year (Previous Year ₹ 48 Crores) to Maharashtra Seamless Limited Employee Welfare Trust which had been formed with the sole objective of employee welfare. Our opinion is not qualified in this regard.

8) Report on Other Legal and Regulatory Requirements

As required by 'the Companies (Auditor's Report) Order, 2003', as amended by 'the Companies (Auditor's Report) (Amendment) Order, 2004', issued by the Central Government of India in terms of sub-section (4A) of Section 227 of the Act (hereinafter referred to as the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.

9) As required by Section 227(3) of the Act, we report that:

- i) We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit;
- ii) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- iii) The Balance Sheet, Statement of Profit and Loss and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- iv) In our opinion, the Balance Sheet, Statement of Profit and Loss and Cash Flow Statement dealt with by this report comply with the Accounting Standards referred to in sub-section (3C) of Section 211 of the Act;
- v) the basis of written representations received from the directors as on March 31, 2013, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2013, from being appointed as a director in terms of clause (g) of sub-section (1) of Section 274 of the Act.

I SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Preparation of Financial Statements

These financial statements have been prepared on an accrual basis and under historical cost convention, except for certain fixed assets which had been revalued and in compliance, in all material aspects with the applicable accounting principles in India, the applicable Accounting Standards notified under Section 211 (3C) and the other relevant provisions of Companies Act, 1956.

All the assets and liabilities have been classified as current or non current as per the company's normal operating cycle and other criteria set out in Schedule VI of the Companies Act, 1956. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the company has ascertained its operating cycle to be 12 months for the purpose of current - non current classification of assets and liabilities.

b) Use of Estimates

The preparation of financial statements requires use of estimates and assumptions to be made that affect the reported amounts of assets, liabilities and disclosure of contingent liabilities on the date of financial statements and the reported amounts of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

c) Revenue Recognition

Sale of goods is recognized at the point of despatch to customers and is stated net of Sales Return & Sales Tax and inclusive of Excise Duty. Inter Division transfer of goods for captive consumption/ internal uses are at market value. Dividend income is accounted when right to receive the same is established. All other income is accounted for on accrual basis. Claims are accounted for, in the year of settlement.

d) Fixed Assets & Depreciation

i) Tangible Fixed Assets

Tangible Fixed Assets other than those, which have been revalued, are stated at cost of acquisition, construction less accumulated depreciation and impairment losses. The cost comprises of purchase price and any other directly attributable cost of bringing the assets to working condition for its intended use. Tangible Fixed Assets, which have been revalued, are stated at the revalued figures, on the basis of revaluation report of Approved Valuer, less depreciation.

ii) Depreciation & Amortisation

Depreciation on Fixed Assets including revalued assets has been provided on Straight Line Method basis at the rates and in the manner specified in Schedule XIV of the Companies Act, 1956. The additional depreciation on revalued assets has been calculated on the basis of estimated life of the assets revalued. The additional depreciation on account of Revaluation has been adjusted from Revaluation Reserve.

iii) Expenditure during construction period

Expenditure incurred during implementation of new / expansion project is included under Capital Work in Progress and the same is allocated to the respective Fixed Assets on completion / erection.

iv) Impairment of Assets

Impairment loss is recognized wherever the carrying amount of an asset is in excess of its recoverable amount and the same is recognized as an expense in the statement of profit and loss and carrying amount of the asset is reduced to its recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the asset over its remaining useful life.

Reversal of impairment losses recognized in prior years is recorded when there is an indication that the impairment losses recognized for the asset no longer exist or have decreased.

v) Intangible Assets

Intangible Assets are stated at cost of acquisition less accumulated Depreciation / Amortization. This includes computer software packages.

e) Investments

Investments are classified as Non - Current or Current based on the Management intention at the time of purchase. Non - Current investments are valued at their acquisition cost. Current investments are stated at lower of cost or fair market value. The provision for diminution in the value of long - term investments is made only if such a decline is other than temporary in the opinion of the Management.

f) Inventories

Raw Materials are valued at lower of cost (FIFO basis) or net realisable value.

Work - in - Process is valued at direct material cost plus conversion cost depending upon the stage of completion or estimated net realisable value whichever is lower.

Finished goods are valued at lower of cost or net realisable value. Cost for this purpose includes direct material cost plus conversion cost and other direct overheads incurred to bring the goods to their present location & conditions. Excise Duty on goods manufactured by the company and remaining in inventory is included as a part of valuation of finished goods.

Stores & Spares parts are valued at lower of cost (Weighted Average Method) or net realisable value.

Scrap is valued at net realisable value.

g) **Employee Benefits**

- i) Short term employee benefits are recognised as an expense at the undiscounted amount in the Profit & Loss Account of the year in which the related service is rendered.
- ii) Post employment and other long term benefits are recognised as an expense in the Profit & Loss Account for the year in which the employee has rendered services. The expense is recognised at the present value of the amounts payable determined using actuarial valuation techniques at the end of Financial Year. Actuarial gains and losses in respect of post employment and other long term benefits are charged to the Profit & Loss Account.
- iii) Payment to defined contribution retirement benefit scheme, if any, is charged as expenses during the year in which related services are rendered.

h) **Foreign Currency Transactions**

Foreign currency transactions are recorded at the rate of exchange prevailing on the date of the transactions. Monetary assets and liabilities related to foreign currency transactions remaining unsettled are translated at year end rate.

The differences in translation of Monetary assets and liabilities and realized gains and losses on foreign exchange transaction are recognized in Profit & Loss Account.

Non-monetary items are carried at cost.

i) **Borrowing Cost**

Borrowing costs directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of asset upto the date when such asset is ready for its intended use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

j) **Income-Tax**

- i) The company, in accordance with relevant tax provision and tax advices wherever considered necessary, calculates the current Income Tax liability.
- ii) Deferred Tax Assets and Liabilities are recognised for future tax consequences attributable to the timing differences that results between the profits offered for income tax and profit as per the financial statements. Deferred Tax Assets and Liabilities are measured as per the tax rates / laws that have been enacted or substantively enacted at the Balance Sheet date.
- iii) Minimum Alternate Tax credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal tax during the specified period.

k) **Financial Derivatives Transactions**

In respect of Forward Exchange contracts entered into to hedge foreign currency risks, the difference between the forward rate and exchange rate at the inception of the contract is recognized as income or expense over the life of the contract. Further, the exchange differences arising on such contracts are recognised as income or expense along with the exchange differences on the underlying assets / liabilities. Further, in case of other contracts with committed exchange rates, the underlying is accounted at the rate so committed. Profit or loss on cancellations / renewals of forward contracts is recognised during the year.

Premium / Discount on forward foreign exchange contracts are pro-rated over the period of contract.

l) **Events occurring after the Balance Sheet Date**

Events occurring after the Balance Sheet date and till the date on which the financial statement are approved, which are material in the nature and indicate the need for adjustments in the financial statements have been considered.

m) **Provisions, Contingent Liabilities and Contingent Assets**

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources.

Liabilities which are material, and whose future outcome cannot be ascertained with reasonable certainty, are treated as contingent, and disclosed by way of notes to the accounts.

Contingent Assets are neither recognized nor disclosed in the financial statement. Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENT

To The Board of Directors of Maharashtra Seamless Limited

We have audited the accompanying consolidated financial statements (the "Consolidated Financial Statement") of Maharashtra Seamless Limited (the "Company"), and its Subsidiaries, Joint Venture and Associate Companies; hereinafter referred to as the "Group" which comprise the Consolidated Balance Sheet as at March 31, 2013, the Consolidated Statement of Profit and Loss and Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information, which we have signed under reference to this report.

Management's Responsibility for the Financial Statements

The Company's Management is responsible for the preparation of these financial statements that give a true and fair view of the consolidated financial position, performance and consolidated cash flows of the Group in accordance with the Accounting Standards referred to in sub-section (3C) of Section 211 of 'the Companies Act, 1956' of India (the "Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence, about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Company's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Management, as well as evaluating the overall presentation of the consolidated financial statements.

We did not audit the financial statement of Subsidiary Company, Maharashtra Seamless (Singapore) Pte. Limited and Joint Venture Companies Gondhkari Coal Mining Limited, Dev Drilling Pte. Ltd., whose financial statement reflects total assets of ₹ 16,934 lacs as at 31st March 2013, and total revenues of ₹ 143.34 lacs for the year ended 31st March 2013 and two Associates Companies which constitute net loss of ₹ 4.76 lacs for the year then ended,. These financial statements have been audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included in respect of the Subsidiaries, Joint Ventures and Associates is based solely on the report of the other auditors.

The financial statements of Joint Ventures Hydril Jindal International Private Limited, Gondhkari Coal Mining Limited and Dev Drilling and Associates Jindal Pipes (Singapore) Pte Ltd. & Star Drilling Pte. Ltd. for the year ended 31st March 2013 is reflected in Consolidated Financial Statements on the basis of unaudited financial information provided by the Management of the Subsidiaries, Joint Venture and Associates Companies.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

We report that consolidated that financial statements have been prepared by the company in accordance with the requirements of accounting standard (AS 21), "Consolidated Financial Statements", Accounting Standard (AS 27) ON " Financial Reporting of Interests in Joint Ventures" and an associates company accounted on the equity method in accordance with Accounting Standards (AS 23) "Accounting for Investments in Associates " as notified by the Companies (Accounting Standards) Rules, 2006 and on the basis of the separated financial statements of Maharashtra Seamless Limited and its subsidiary, associates and joint ventures included in the consolidated financial statements.

INDEPENDENT AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENT

Based on our audit and information and explanations given to us and on the consideration of the separate audit reports on individual audited financial statements of Maharashtra Seamless Limited and its Subsidiaries, Associates and Joint Venture, we are of the opinion that the said financial statements give a true and fair view in conformity with the accounting principal generally accepted in India:

- i) In the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- ii) In the case of the Statement of Profit and Loss, of the Profit for the year ended on that date; and
- iii) In the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to Note No 2.34 to the Financial Statements, relating to the company has given interest free loan of ₹ 11.60 crores during the year (Previous Year ₹ 48 Crores) to Maharashtra Seamless Limited Employee Welfare Trust which had been formed with the sole objective of employee welfare. Our opinion is not qualified in this regard.

SIGNIFICANT ACCOUNTING POLICIES

A Principles of Consolidation

- a) The Consolidated Financial Statements have been prepared in accordance with Accounting Standard 21 (AS 21) on 'Consolidated Financial Statements', Accounting Standard 23 (AS 23) on 'Accounting for Investments in Associates in Consolidated Financial Statements' and Accounting Standard 27 (AS 27) on 'Financial Reporting of Interests in Joint Venture' as notified under section 211 of the Companies Act, 1956 and on the basis of separate audited financial statements of Maharashtra Seamless Limited, its Subsidiaries, Associates and Joint Ventures. Reference in the notes to "Group" shall mean to include Maharashtra Seamless Limited, and its Subsidiaries, Associates and Joint Ventures consolidated in these Financial Statements, unless otherwise stated.
- b) The consolidated financial statements have been prepared on the following basis:
 - i) The Financial Statements of the Subsidiaries are combined on a line by line basis, by adding together the book values of like items of Assets, Liabilities, Income and Expenses in the ratio of the shareholding in the subsidiary, after eliminating intra-group balances and intra-group transactions in accordance with AS 21 on 'Consolidated Financial Statements'.
 - ii) In case of an Associate, the investment in the associate is accounted for using Equity method in accordance with AS 23 on 'Accounting for Investments in Associates in Consolidated Financial Statements'.
 - iii) The Financial Statements of jointly controlled entities have been combined by applying proportionate consolidation method on line by line basis on items of the Assets, Liabilities, Income and Expenses after eliminating proportionate share of unrealised profits or losses in accordance with Accounting Standards - 27 on "Financial Reporting of Interests in Joint Ventures"
 - iv) The difference between the cost of investments in the Subsidiaries / Associates / Joint Ventures, over the net assets at the time of acquisition of the investment in the Subsidiaries / Associates / Joint Ventures is recognized in the Financial Statements as Goodwill or Capital Reserve in consolidation, as the case may be.
 - v) The Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and necessary adjustments required for deviations, if any, have been made in the Consolidated Financial Statements.

B Other Significant Accounting Policies

These are set out under "Significant Accounting Policies" as given in the Company's Standalone Financial Statements.
