1. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE INSTEAD OF HIMSELF AND A PROXY NEED NOT BE A MEMBER OF THE COMPANY. THE INSTRUMENT APPOINTING A PROXY SHOULD, HOWEVER, BE DEPOSITED AT THE REGISTERED OFFICE OF THE COMPANY NOT LESS THAN 48 HOURS BEFORE THE COMMENCEMENT OF THE MEETING.**
2. **A PERSON SHALL ACT AS PROXY FOR ONLY 50 MEMBERS AND HOLDING IN AGGREGATE NOT MORE THAN 10 PERCENT OF THE TOTAL SHARE CAPITAL OF THE COMPANY CARRYING VOTING RIGHTS. MEMBER HOLDING MORE THAN 10 PERCENT OF THE TOTAL SHARE CAPITAL OF THE COMPANY CARRYING VOTING RIGHTS MAY APPOINT A SINGLE PERSON AS PROXY AND SUCH PERSON SHALL NOT ACT AS PROXY FOR ANY OTHER MEMBER.**

3. Corporate Members intending to send their authorized representatives to attend the meeting are requested to send to the Company a certified copy of the Board Resolution authorizing their representatives to attend and vote on their behalf at the meeting.
4. An Explanatory statement pursuant to Section 102 of the Companies Act, 2013 (the "Act") in respect of item no. 3 to 5 of the notice set out above, is annexed hereto.
5. Register of Members and Share Transfer Books of the Company will remain closed from **18th September, 2018 to 25th September, 2018** (both days inclusive).
6. The requirement to place the matter relating to appointment of Auditors for ratification by members at every Annual General Meeting is done away with vide notification dated May 7, 2018 issued by the Ministry of Corporate Affairs, New Delhi. Accordingly, no resolution is proposed for ratification of appointment of Auditors, who were appointed in the Annual General Meeting held on 27th September, 2017.
7. Details of Directors retiring by rotation / seeking appointment / re-appointment at the ensuing Meeting are provided in the "Annexure" to the Notice pursuant to the provisions of (i) the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and (ii) Secretarial Standard on General Meetings ("SS-2"), issued by the Institute of Company Secretaries of India.
8. The members holding shares in physical form are requested to intimate to the Registrar and Transfer Agent (R&TA), Sarthak Global Limited, 170/10, Film Colony, R.N.T. Marg, Indore (MP) 452001 for change of address, if any, at the earliest, quoting their registered folio number, change of address in respect of shares held in demat form is required to be intimated to the concerned Depository Participant.
9. (a) The amount of dividend that is unclaimed for a period of seven years are required to be transferred to the Investor Education and Protection Fund (IEPF) of the Central Government. The Company has transferred the unpaid or unclaimed dividends for the financial year 2009-10 to the Investor Education and Protection Fund (IEPF).
(b) In compliance with the provisions of Sections 124 and 125 of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ('IEPF Rules') as amended from time to time, the Company has transferred 3,67,222 underlying Equity Shares, in aggregate in respect of 3004 Members on which dividends remained unpaid or unclaimed for a period of seven consecutive years or more, to the Demat Account of IEPF Authority.
The Members, whose unclaimed dividends/shares have been transferred to IEPF, may claim the same by making an application to the IEPF Authority in Form No. IEPF-5 available on www.iepf.gov.in.
(c) Shares on which dividends remain unclaimed for seven consecutive years will be transferred to the IEPF as per Section 124 of the Companies Act, 2013 and the applicable rules. Members are advised to visit the web link: <http://www.anikgroup.com/Details%20of%20equity%20shares%20liable%20to%20transfer%20IEPF-Anik.pdf> to ascertain details of shares liable for transfer in the name of IEPF Authority.
10. SEBI has mandated that transfer of securities would be carried out in dematerialized form only with effect from 05.12.2018. As per the said amendment 'except in case of transmission or transposition of securities, requests for effecting transfer of securities shall not be processed unless the securities are held in the dematerialized form with a depository'. The shareholders who continue to hold their shares in physical form, advising them to get the same dematerialized before 05.12.2018. Shareholder may also visit the website of Company www.anikgroup.com for procedure to dematerialize their shares.

 - ii. Original Cancelled Cheque Leaf bearing name of the shareholder OR Copy of Bank Passbook/ Statement showing name of account holder attested by bank having MICR/IFSC etc. (of the first holder in case of joint holding).

Members holding shares in physical form are requested to submit the above mentioned details/ documents to Registrar & Share Transfer Agent (RTA) Sarthak Global Limited, 170/10, Film Colony, R.N.T. Marg, Indore (MP) 452001.
12. Members are requested to :
 - a. Complete the attendance slip and deliver the same at the entrance of the meeting hall.
 - b. Bring their copies of the Annual Report at the time of attending the Annual General Meeting.
 - c. Send their questions at least 10 days in advance of the Annual General Meeting about any further information on accounts so as to enable the Company to answer their question satisfactorily.
13. All documents referred to in the accompanying Notice and Explanatory Statements are open for inspection at the Registered Office of the Company on all working days except Saturday between 11.00 a.m. to 1.00 p.m. upto the date of the Annual General Meeting.
14. Members who hold shares in dematerialized form are requested to bring their Client ID and DP ID Nos. for easy identification of attendance at the meeting.
15. In terms of circulars issued by the Securities and Exchange Board of India (SEBI), it is now mandatory to furnish a copy of PAN card to the Company or its RTA in the following cases viz. transfer of shares, deletion of name, transmission of shares and transposition of shares.

16. The Notice of Annual General Meeting and Annual Report of the Company for the year 2017-18, circulated to the Members of the Company, is available on the Company's website viz. www.anikgroup.com.
17. Electronic copy of the Notice of Annual General Meeting and Annual Report is being sent to all the Members whose e-mail addresses are registered with the Company/Depository Participants(s) for communication purposes unless any Member has requested for a hard copy of the same. For the Members who have not registered their e-mail address, physical copies of the Notice of Annual General Meeting and Annual Report is being sent in the permitted mode.

Members are requested to update their e-mail address with depository participants (DP) for shares held in electronic form or with the Registrar and Transfer Agent at anik@sarthakglobal.com in case the shares are held in physical form.

18. Remote E-Voting

- (I) In compliance with provisions of Section 108 of the Companies Act, 2013 read with the relevant Rules made thereunder and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to provide members facility to exercise their right to vote at the 42nd Annual General Meeting (AGM) by electronic means and the business may be transacted through e-voting Services provided by Central Depository Services (India) Limited (CDSL).

The instructions for shareholders voting electronically are as under:

- (i) The remote e-voting period begins on Saturday, 22nd September, 2018 at 9.00 a.m. and ends on Monday, 24th September, 2018 at 5.00 p.m. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on 18th September, 2018 i.e. cut-off date (record date), may cast their vote electronically. The remote e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) The shareholders should log on to the e-voting website www.evotingindia.com.
- (iv) Click on Shareholders/ Members.
- (v) Now Enter your User ID :
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DPID followed by 8 Digits Client ID,
 - c. Members holding shares in Physical Form should enter Folio Number registered with the Company.
- (vi) Next enter the Image Verification as displayed and Click on Login.
- (vii) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any Company, then your existing password is to be used.
- (viii) If you are a first time user, follow the steps given below:

	For Members holding shares in Demat Form and Physical Form
PAN	<p>Enter your 10 digit alpha-numeric PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders).</p> <ul style="list-style-type: none"> Members who have not updated their PAN with the Company/Depository Participant are requested to use the first letter of their name and the 9 digits of the sequence number (which is printed on address sticker), in the PAN field. In case the sequence number is less than 9 digits enter the applicable number of 0's before the number after the first character of the name in CAPITAL letters. Eg. If your name is Ramesh Kumar with sequence number 1 then enter R000000001 in the PAN field.
Dividend Bank Details OR Date of Birth (DOB)	<p>Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login.</p> <ul style="list-style-type: none"> If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (v).

- (ix) After entering these details appropriately, click on "SUBMIT" tab.
- (x) Members holding shares in physical form will then directly reach the Company selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other Company on which they are eligible to vote, provided that Company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (xi) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (xii) Click on the EVSN for "ANIK INDUSTRIES LIMITED" on which you choose to vote.

- (xiii) On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xiv) Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
- (xv) After selecting the resolution you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
- (xvi) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- (xvii) You can also take out print of the votes cast by clicking on “Click here to print” option on the Voting page.
- (xviii) If a demat account holder has forgotten the login password then enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xix) Shareholders can also cast their vote using CDSL’s mobile app m-Voting available for android based mobiles. The m-Voting app can be downloaded from google playstore. Iphone and Windows phone users can download the app from the App Store and Windows Phone Store respectively. Please follow the instructions as prompted by the mobile app while voting on your mobile.
- (xx) Note for Non-Individual Shareholders and Custodians:
- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) are required to log on to www.evotingindia.com and register themselves as Corporates.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - After receiving the login details a compliance user should be created using the admin login and password. The Compliance user would be able to link the account(s) for which they wish to vote on.
 - The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
 - A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- (xxi) In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions (“FAQs”) and e-voting manual available at www.evotingindia.com under help section or write an email to helpdesk.evoting@cdslindia.com.
- (II) (a) Mr. L. N. Joshi, FCS 5201, Practicing Company Secretary (CP No 4216) has been appointed as Scrutinizer to scrutinize the e-voting process in a fair and transparent manner.
- (b) The Scrutinizer shall, immediately after the conclusion of voting at the general meeting, would count the votes cast at the meeting, thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and make, not later than 48 hours of conclusion of the meeting, a consolidated Scrutinizer’s report of the total votes cast in favor or against, if any, to the Chairman or a person authorised by him in writing who shall countersign the same.
19. Voting is provided to the members through remote e-voting and at the annual general meeting of the Company. A Member can opt for only one mode of voting i.e. either through e-voting or at the Annual General Meeting of the Company.
20. The members who have cast their vote by remote e-voting may also attend the Meeting but shall not be entitled to cast their vote again.
21. If a Member casts votes by both modes, then voting done through remote e-voting shall prevail.
22. At the meeting, after all the items of the notice have been discussed, the Chairman will order poll in respect of all the items. Poll will be conducted and supervised under the Scrutinizer appointed for remote e-voting as stated above. After conclusion of the poll, the Chairman may declare the meeting as closed.
23. The Results declared along with the Scrutinizer’s Report shall be placed on the Company’s website www.anikgroup.com not later than 48 hours of conclusion of the Annual General Meeting of the Company and will be communicated to the Stock Exchange(s).
24. A route map and prominent land mark for easy location to the venue of AGM is attached to this Notice.

Dated: 24th August, 2018

By order of the Board of Directors

SHAILESH KUMATH

COMPANY SECRETARY

**ANNEXURE TO THE NOTICE****EXPLANATORY STATEMENT AS REQUIRED UNDER SECTION 102 OF THE COMPANIES ACT, 2013.****ITEM NO. 3**

Mr. Manish Shahra (DIN : 00230392), Jt. Managing Director of the Company, was appointed by the Board as Chairman and Managing Director of the Company w.e.f. 01st June, 2018 for remaining period of his tenure at the same remuneration that was drawn by him in the capacity of Jt. Managing Director subject to the approval of the members in General Meeting.

All other terms and conditions of his appointment for his current tenure will be same as approved by the members of the Company at their Annual General Meeting held on 29.09.2016.

Pursuant to the provisions of (i) the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and (ii) Secretarial Standard on General Meetings ("SS-2"), issued by the Institute of Company Secretaries of India, Details of Mr. Manish Shahra are provided and forms a part of the Notice.

This explanatory statement may also be read and treated as disclosure in compliance with the requirements of Section 190 of the Companies Act, 2013 and regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Board recommends the Special Resolution at Item No. 3 for approval of the members.

Save and except Mr. Manish Shahra and their relatives to the extent of their shareholding interest, if any, none of the Directors or Key Managerial Personnel of the Company or their relatives is, in any way, concerned or interested financially or otherwise in the Special Resolution set out at Item No. 3 of the Notice.

ITEM NO. 4

In the 38th Annual General Meeting held on 11.09.2014, Mr. Vijay Rathi (DIN: 01474776) was appointed as an Independent Director of the Company for a term of five years.

The Board, based on the performance evaluation and as per the recommendation of the Nomination and Remuneration Committee, his background and experience and contributions made by him during his tenure, considers that, the continued association of aforesaid Independent Director would be beneficial to the Company and it is desirable to continue to avail his services as an Independent Director. Accordingly, he is proposed to be re-appointed as an Independent Director of the Company, not liable to retire by rotation, for second term of 5 (five) consecutive years on the Board of the Company.

The Proposed appointee is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given his consent to act as a Director. The Company has also received declaration from appointee that he meets the criteria of independence as prescribed both under Section 149(6) of the Act and under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

In the opinion of the Board, proposed appointee fulfils the conditions for appointment as an Independent Director as specified in the Act and the Listing Regulations. He is independent of the management. Copy of draft letter of appointment of proposed appointee setting out the terms and conditions of appointment is available for inspection by the members at the registered office of the Company on all working days (except Saturdays, Sundays and Public Holidays) between 10:00 am to 12:00 pm up to the date of the AGM.

The Company has received notices in writing under section 160 of the Act, proposing his candidature for the office of Director of the Company.

This statement may also be regarded as an appropriate disclosure under the Act and the Listing Regulations.

Pursuant to the provisions of (i) the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and (ii) Secretarial Standard on General Meetings ("SS-2"), issued by the Institute of Company Secretaries of India, Details of Mr. Vijay Rathi are provided and forms a part of the Notice.

The Board recommends the Special Resolution set out at Item No. 4 of the Notice for approval by the members.

Save and except Mr. Vijay Rathi, none of the other Directors or Key Managerial Personnel of the Company or their relatives is, in any way, concerned or interested, financially or otherwise, in the special resolution set out at Item No. 4 of the Notice.

ITEM NO. 5

Mr. Nilesh Jagtap (DIN: 08206539) was appointed by the Board as an additional director of the Company w.e.f. 25th August, 2018 and he holds office up to the date of the ensuing Annual General Meeting.

The Company has received a notice under Section 160 of the Companies Act, 2013 ("the Act") along with the deposit of the requisite amount proposing his candidature for the office of Director of the Company.

Mr. Nilesh Jagtap has given a declaration to the Board that he meets the criteria of independence as provided under section 149(6) of the Act. In the opinion of the Board, he fulfils the conditions specified in the Act and the Rules framed thereunder for appointment as Independent Director and he is independent of the management.

Section 149(10) of the Act provided that an independent director shall hold office for a term of upto five consecutive years on the Board. Further, section 149(13) of the Act, states that the provision relating to retirement of directors by rotation shall not apply to the appointment of independent directors. In compliance with the provisions of the Companies Act, 2013, it is proposed to appoint Mr. Nilesh Jagtap as an independent director of the Company to hold office for a term of 5 years w.e.f. 25.08.2018.

NOTICE

Pursuant to the provisions of (i) the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and (ii) Secretarial Standard on General Meetings ("SS-2"), issued by the Institute of Company Secretaries of India, Details of Mr. Nilesh Jagtap are provided and forms a part of the Notice.

A copy of the draft letter of appointment of Mr. Nilesh Jagtap as an Independent Director, setting out the terms and conditions, is available for inspection by the Members at the registered office of the Company on all working days (except Saturdays, Sundays and Public Holidays) between 10:00 am to 12:00 pm up to the date of the AGM.

The Board recommends the Ordinary Resolution at Item No. 5 for approval of the members.

Save and except Mr. Nilesh Jagtap, None of the Directors or Key Managerial Personnel of the Company or their relatives is, in any way, concerned or interested financially or otherwise in the Ordinary Resolution set out at Item No. 5 of the Notice.

INDIAN ACCOUNTING STANDARDS (Ind AS)

As mandated by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards ("Ind AS") from 1st April, 2017. The financial statements of the Company for the financial year 2017-18 have been prepared in accordance with Ind AS, prescribed under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 and the other recognized accounting practices and policies to the extent applicable.

DIVIDEND

Your Company is exploring new business opportunities; therefore it is necessary to conserve the funds to meet these investment opportunities, which your Board believes would enhance the shareholders wealth in coming period. Thus, your Board has not recommended any dividend for the financial year 2017-18.

AMOUNT TRANSFERRED TO RESERVE

The Board of Directors has not proposed any amount for transfer to reserves for the year ended 31st March 2018.

OPERATIONS

During the year, Company's total revenue stood at Rs. 63,649.57 Lacs as compared to previous year figures Rs. 49,840.06 Lacs. The net profit for the year decreased and stood at Rs. 1,383.65 Lacs as compared to previous year net profit of Rs. 3,639.49 Lacs.

On a consolidated basis, the total revenue stood at Rs. 63,649.57 Lacs as compared to previous year figures Rs. 49,704.12 Lacs and net profit for the year stood at Rs. 1,381.57 Lacs as compared to previous year figures Rs. 3,578.36 Lacs.

Management of the Company under the direction of your Board of Director is continued in achieving the targets of cutting down in the cost of operations and getting efficiency in this area by using better alternated resources/means.

BUSINESS EXPANSION & DIVERSIFICATION

Mining Business

On Mining Business front, the year under review can be termed as satisfactory being after several problems appeared due to Mines and Minerals (Development & Regulations) Amendment Act, 2015, your company has managed to protect few mineral concessions and process of obtaining necessary permissions/approvals from Forest and Environment Department are at advance stage, which your company expect to receive in next one year, thereafter operations from the said mine can be started. Your Company is contesting the issues come up due to the Amendment Act before the Court of Law but it may take substantial time. But your Company is optimistic of overcoming these hurdles.

Further, sincere efforts of your Company are continue to set up mineral based industry in Madhya Pradesh to use explored minerals from own mines in future.

Better profitability and turnover is expected from these activities in future.

Real Estate Business

The integrated township project 'Active Acres' at Kolkata launched few years back by M/s. Mahakosh Property Developers, a partnership wherein your Company is partner with major stake, is continuously getting good response from all segments of public even in the phase of recession in the Real Estate Sector which is a good sign of your Company's reputation and confidence it gain amongst its valuable customers. 4 towers of the project are completed and bookings/sales of about 99% of the residential units has been done and more than 600 happy & fully satisfied families have started living in township. 5th tower is also near to completion and construction work of 6th tower is started, wherein booking of about more than 50% of the residential units has been done, which will result in good profits in the years to come. In addition to that one Commercial Tower is also being constructed and near to completion with approx. 240000 sq. ft. saleable area, various famous brands have approached for getting space in the said commercial building on lease/sale basis.

During last year Company has also started one more project of service apartments and luxury residences in the name of 'One Rajarhat' at Kolkata comprising 320 apartments. Company has received a very good response and booking of more than 160 units has been done.

DEPOSITS

The Company has not accepted any deposits from the public within the meaning of Section 73 of the Companies Act, 2013 read with the rules made thereunder.

The Company has not received any unsecured loan from director during the financial year.

SHARE CAPITAL

ANNEXURE 'D' TO BOARD'S REPORT**NOMINATION AND REMUNERATION POLICY**

This Nomination and Remuneration Policy is being formulated in compliance with Section 178 of the Companies Act, 2013 read along with the applicable rules thereto and Regulation 19 of Listing Regulation, as amended from time to time. This policy on nomination and remuneration of Directors, Key Managerial Personnel and Senior Management has been formulated by the Nomination and Remuneration Committee and has been approved by the Board of Directors.

DEFINITIONS

“Act” means the Companies Act, 2013 and Rules made thereunder, as amended from time to time.

“Board” means Board of Directors of the Company.

“Company” means “Anik Industries Limited”.

“Committee” means Nomination and Remuneration Committee of the Company as constituted or reconstituted by the Board.

“Directors” means Directors of the Company.

“Remuneration” means any money or its equivalent given or passed to any person for services rendered by him and includes perquisites as defined under the Income-tax Act, 1961;

“Key Managerial Personnel” means:

- i) The Chief Executive Officer or the Managing Director or the Manager;
- ii) The Company Secretary;
- iii) The Whole-time Director;
- iv) The Chief Financial Officer; and
- v) such other officer as may be prescribed

“Senior Management” means the personnel of the Company who are members of its core management team excluding Board of Directors.

“Policy” or **“This policy”** means Nomination and Remuneration Policy.

“Independent Director” means a Director referred to in Section 149 (6) of the Companies Act, 2013 and the Listing Agreement with the Stock Exchanges.

NOMINATION AND REMUNERATION COMMITTEE

The Board constituted a Nomination and Remuneration Committee consisting of three or more non-executive directors out of which at least one half are independent directors. The Chairman of the Committee is an independent director.

ROLE OF THE COMMITTEE

The role of the Committee is as under:

- (a) To formulate the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy, relating to the remuneration of the directors, key managerial personnel and other employees;
- (b) To formulate criteria for evaluation of Independent Directors and the Board;
- (c) To carry out evaluation of every Director's performance;
- (d) To devise a policy on Board diversity;
- (e) To identify persons who are qualified to become directors and who may be appointed in Senior Management in accordance with the criteria laid down, and recommend to the Board their appointment and removal;
- (f) To recommend to the Board on remuneration payable to the Directors, Key Managerial Personnel and Senior Management;
- (g) To ensure that level and composition of remuneration is reasonable and sufficient, relationship of remuneration to performance is clear and meet appropriate performance benchmarks;
- (h) To carry out any other function as is mandated by the Board from time to time and / or enforced by any statutory notification, amendment or modification, as may be applicable.

POLICY FOR APPOINTMENT OF MANAGERIAL PERSONNEL, DIRECTOR, KMP AND SENIOR MANAGEMENT:**I. Appointment criteria and qualifications**

- (a) The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Managerial Personnel, Director or KMP or Senior Management and recommend to the Board his /her appointment.
- (b) A person should possess adequate qualification, expertise and experience for the position he /she is considered for appointment. The Committee has discretion to decide whether qualification, expertise and experience possessed by a person is sufficient /satisfactory for the concerned position.
- (c) Appointment of Independent Directors is also subject to compliance of provisions of Section 149 of the Companies Act, 2013, read with Schedule IV and rules thereunder and the Listing Agreement.

- (d) The proposed appointee shall also fulfill the following requirements for appointment as a director:
- i. Shall possess a Director Identification Number;
 - ii. Shall not be disqualified under the Companies Act, 2013;
 - iii. Shall give his written consent to act as a Director;
 - iv. Shall endeavour to attend all Board Meetings and wherever he is appointed as a Committee Member, the Committee Meetings;
 - v. Shall abide by the Code of Conduct established by the Company for Directors and Senior Management Personnel;
 - vi. Such other requirements as may be prescribed, from time to time, under the Companies Act, 2013, Equity Listing Agreements and other relevant laws.

II. Removal

Due to reasons for any disqualification mentioned in the Act or under any other applicable Act, rules and regulations there under, the Committee may recommend, to the Board with reasons recorded in writing, removal of a Director, KMP or Senior Management Personnel subject to the provisions and compliance of the said Act, rules and regulations.

III. Retirement

The Director, KMP and Senior Management Personnel shall retire as per the applicable provisions of the Act and the prevailing policy of the Company. The Board will have the discretion to retain the Director, KMP, Senior Management Personnel in the same position/ remuneration or otherwise even after attaining the retirement age, for the benefit of the Company.

POLICY FOR REMUNERATION OF MANAGERIAL PERSONNEL, DIRECTOR, KMP AND SENIOR MANAGEMENT:

I. Remuneration to Executive Directors and Key Managerial Personnel

The Board, on the recommendation of the Nomination and Remuneration Committee, shall review and approve the remuneration payable to the Executive Directors of the Company within the overall limits approved by the shareholders.

The Board, on the recommendation of the Nomination and Remuneration Committee, shall also review and approve the remuneration payable to the Key Managerial Personnel of the Company.

The Executive Director and Key Managerial Personnel shall be eligible for a monthly remuneration as may be approved by the Board. The breakup of the pay scale and quantum of perquisites including employer's contribution to P.F, pension scheme, medical expenses, club fees etc. shall be decided and approved by the Board/the Person authorized by the Board and approved by the shareholders and Central Government, wherever required.

II. Remuneration to Non-Executive and Independent Directors

The Board, on the recommendation of the Nomination and Remuneration Committee, shall review and approve the remuneration payable to the Non-Executive and Independent Directors of the Company within the overall limits approved by the shareholders.

Non-Executive and Independent Directors shall be entitled to sitting fees for attending the meetings of the Board and the Committees thereof. The amount of such fees shall be decided by the Board on recommendation of the Nomination and Remuneration Committee.

The Non-Executive and Independent Directors shall also be entitled to profit related commission in addition to the sitting fees, if approved by the Board on recommendation of the Nomination and Remuneration Committee.

The remuneration payable to the Non-Executive and Independent Director shall be subject to ceiling/limits as provided under the Companies Act, 2013 and rules made thereunder.

III. Remuneration to other employees

Employees shall be assigned grades according to their qualifications and work experience, competencies as well as their roles and responsibilities in the organization. Individual remuneration shall be determined within the appropriate grade and shall be based on various factors such as job profile, skill sets, seniority, experience and prevailing remuneration levels for equivalent jobs.

REVIEW AND AMENDMENT

The Nomination and Remuneration Committee or the Board may review and amend the Policy as and when it deems necessary.

In case of any amendment(s), notification(s), clarification(s), circular(s) etc. issued by the relevant authorities, not being consistent with the provisions laid down under this Policy, then such amendment(s), notification(s), clarification(s), circular(s) etc. shall prevail upon the provisions hereunder and this Policy shall stand amended accordingly from the effective date as laid down under such amendment(s), clarification, circular(s) etc.

ANNEXURE 'E' TO BOARD'S REPORT

ANNUAL REPORT ON CORPORATE SOCIAL RESPONSIBILITY (CSR) ACTIVITIES FOR THE YEAR 2017-18

- A brief outline of the Company's CSR policy, including overview of projects or programmes proposed to be undertaken and a reference to the web-link to the CSR policy and projects or programmes:**

Corporate Social Responsibility is strongly connected with the principles of sustainability; an organization should make decisions based not only on financial factors, but also on the social and environmental consequences.

Anik Industries Ltd. has always been committed to the cause of social service and has repeatedly channelized a part of its resources and activities such that it positively affects the society socially, ethically and also environmentally. - In case the company has failed to spend the two per cent of the average net profit of the last three financial years or any part thereof, the company shall provide the reasons for not spending the amount in its Board report.**

The Company is in process to identify suitable projects for CSR activities. The Company shall find out ways and means to spend the same in the coming months and shall submit the relevant report in the ensuing year. We are continuously looking at new CSR initiatives to give back to the society.

- A responsibility statement of the CSR committee that the implementation and monitoring of CSR policy, is in compliance with CSR objectives and policy of the Company.**

We hereby declare that implementation and monitoring of the CSR policy are in compliance with CSR objectives and policy of the Company

Manish Shahra
Chairman, CSR Committee

ANNEXURE 'F' TO BOARD'S REPORT

FORM NO. MR-3 SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31.03.2018

[Pursuant to section 204(1) of the Companies Act, 2013 and rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Anik Industries Limited
(CIN: L24118MH1976PLC136836)
610, TULSIANI CHAMBERS, NARIMAN POINT,
MUMBAI (Maharashtra)- 400 021

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Anik Industries Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year 01st April, 2017 to 31st March, 2018, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by Anik Industries Limited ("the Company") for the financial year ended on 31st March, 2018 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 (**Not applicable to the Company during the audit period**);
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 (**Not applicable to the Company during the audit period**);
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (**Not applicable to the Company during the audit period**);
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (**Not applicable to the Company during the audit period**); and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (**Not applicable to the Company during the audit period**);
- (vi) Other applicable laws:
 - (a) Food Safety and Standards Act, 2006, and rules made thereunder;
 - (b) The Legal Metrology Act, 2009
 - (c) The Real Estate (Regulation and Development) Act, 2016;

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by the Institute of Company Secretaries of India.
- (ii) The Securities and Exchange Board of India (Listing Obligations and Disclosure requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above. However some forms have been filed with ROC with additional fee.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through and there were no dissenting views by any members of the Board during the period under review.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period the Company has not incurred any specific events / actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A. INDUSTRY STRUCTURE AND DEVELOPMENTS

The Financial year 2017-18 was an eventful year for adoption of Goods and Service Tax (GST). The Government (Govt.) had taken several initiatives in 2017-18 in the areas of infrastructure, easing the process of doing business, allowing further FDI, starting campaigns on smart cities and encouraging start-ups. The Economic Survey 2017-18 forecasts a growth rate of 7 to 7.5 per cent for 2018-19, as compared to 6.7 per cent in 2017-18. With mass population and powerful purchasing power, India is amongst one of the fastest growing consumer market and expected to be the strongest economy in the world in coming future. However, worldwide slow down and external challenges have also affected Indian economy.

Your Company is primarily engaged in the business of Wind power Generation Reality, Trading of Agri- Commodities, Coal & Edible oil.

In terms of wind power installed capacity, India is amongst top five countries in the world. India has rapidly grown in the Wind Power Energy Sector, despite being a relative newcomer. The unexploited resource has the potential to sustain the growth of wind energy in future.

B. OPPORTUNITIES & THREATS

(I) Wind Power:

With the encouraging policy for renewable energy, this sector has shown great growth pace which helped India to become the new “Wind Superpower”. The Company has Two Wind Power projects at Nagda Hills, Dewas (M.P.) and Jaisalmer (Rajasthan) are successfully generating energy.

(II) Real Estate:

On the front of Real Estate business, the integrated township project ‘Active Acres’ at Kolkata launched few years back by M/s. Mahakosh Property Developers, a partnership wherein your Company is partner with major stake, is continuously getting good response from all segments of public even in the phase of recession period in the Real Estate Sector, where, 4 towers completed and booking/sales of about 99% of the residential units has been done and more than 600 families have started living in township and 2 tower are under construction, wherein booking of about more than 50% of the residential units has been done, which is a good sign of your Company’s reputation and sustainability which will result in good profits in the years to come.

In addition to above, during the year Company also started one more project of serviced apartments and luxury residences in the name of ‘One Rajarhat’ at Kolkata comprising 320 apartments. Company has received a very good response and booking of 160 units has been done.

(III) Others:

In current year monsoon improved in all over India, therefore good quantity of agri commodities is expected. The symptoms of global commodity business are favorable for coming future and suitable steps of Government and Reserve Bank of India will also keep lower movement in exchange rates. The Company proposes to continue to recognize the full potential in agro commodities & coal in the coming period.

Few years back your Company has diversified in mining business. Few of the mines allotted to your Company are in process of getting necessary permissions/ approvals to start commercial production in short span of time. Further, sincere efforts of your Company are continue to set up mineral based industry in Madhya Pradesh to use explored minerals from own mines in future. However, recently introduced Amendment Act, 2015 having stringent provisions, has created obstacles in existing mining application/ proposals and process of allotment, which is going to affect mining industry to substantial extent.

The future performance of your Company would depend to a large extent on its ability to successful diversification, market of commodities. We are hopeful that through the combination of market developments and expansion activity, there will be healthy growth over the next few years.

C. SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The company has disclosed business segment as the primary segment. Based on the criteria mentioned in Ind AS 108 “Operating Segment” the company has identified its reportable segments. The various segments identified by the company comprised as under: -

Wind Power Unit	-	Wind Turbine Power Unit
Real Estate	-	Construction and Development of Housing Project
Others	-	Trading of Coal, Agri Commodities, Edible Oils Etc.

The Company has identified geographical segments as the secondary segment. Secondary segments comprise of domestic and export markets. However, company has no export sales.

The segment wise performance in detail is given in **Note 41** to the audited accounts of the Company as available in this annual report.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

D. OUTLOOK

The Wind Power Projects of the Company are generating electricity satisfactorily. Electricity produced in Rajasthan Plant is being sold to Rajasthan Electricity Board (RSEB) while in Madhya Pradesh we have captive consumption in our plant and remaining electricity is sold to Madhya Pradesh Electricity Board. We see ecological power generation as the sunrise industry of tomorrow and have positioned ourselves to save the nature and to reap the reward for our stakeholders.

In current year monsoon improved in all over India. The symptoms of global commodity business are favorable for coming future and suitable steps of Government and Reserve Bank of India will also keep lower movement in exchange rates. The Company proposes to continue to recognize the full potential in agro commodities & coal in the coming period.

With our strong focus on core business activities and our competitive position, better performance is expected in the years to come.

E. RISK AND CONCERNS

The major risks and concerns attributed to the performance of the Company are:

- The Company is exposed to risks from market fluctuation of foreign exchange. Hence the erratic movement in foreign exchange rates and international prices of dairy products may influence the performance of the Company. Change in duty structure may affect adversely.
- Increase in input costs, change in tax structure, change in interest rates, changes in govt. policies/ laws of land, development and stability of Indian economy against the negative external and internal forces may also impact the overall performance of the Company.
- Profitability may be affected on account of competition from existing and prospective manufacturers of the Company's products.

F. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Your Company has a good and effective internal control system for its various units in respect of efficiency of operations, financial reporting, proper recording and safeguarding of assets, compliance with applicable laws and regulations etc.

Pursuant to Section 134 of the Companies Act, 2013, the Board, through the Operating Management has laid down Internal Financial Controls and procedures to be followed by the Company. The adequacy of the same has been reported by the statutory auditors of your Company in their report.

H. INFORMATION TECHNOLOGY

SAP has been implemented in all plants, depots, regional offices and head office of the Company enabling better supply chain, debtors control at operational level and access to consolidated data of the Company since the system is integrated. Among other benefits, SAP will provide real-time data, support in strategy formulations, lead to adoption of uniform and transparent business practices, render cost optimization and value enhancement.

I. MATERIAL DEVELOPMENT IN HUMAN RESOURCES/INDUSTRIAL RELATIONS FRONT

Your Company considers the quality of its human resources to be most important asset and constantly endeavors to attract and recruit best possible talent. The number of people employed during the year was 67.

The industrial relations of the Company continue to remain harmonious and cordial with focus on improving productivity and quality.

J. CAUTIONARY STATEMENT

Statements in this Management Discussion and Analysis Report describing the Company's objectives, projections, estimates and expectations may constitute "forward looking statements" within the meaning of applicable laws and regulations. Actual results might differ materially from those either expressed or implied.

REPORT ON CORPORATE GOVERNANCE

COMPANY'S PHILOSOPHY

The Company believes that since the trust of our stakeholders is the best asset, therefore we believe in attaining highest level of transparency, fairness & professionalism towards all our stakeholders including shareholders, employees, customers, the government, lenders and the society at large and aims at providing maximum return to all our stakeholders by way of value creation.

The Company complies with all the stipulations laid down in the listing agreement, Listing Regulations & with all other provisions of various acts as and when applicable on the Company to ensure good corporate governance.

1. BOARD COMPOSITION

The Company's policy is to maintain optimum combination of Executive and Non-Executive Directors. The Non-Executive Directors with their diverse knowledge, experience and expertise bring their independent judgment in the deliberations and decisions of the Board. As on March 31st, 2018, the Company has Seven Directors and out of the Seven Directors, four (more than 50%) are Independent Directors.

The composition of the Board is in conformity with Regulation 17 of the SEBI Listing Regulations read with Section 149 of the Act.

None of the Directors on the Board is a member of more than 10 Committees and Chairman of more than 5 Committees across all the Companies in which he/she is a Director.

All the Independent Directors have confirmed that they meet the criteria as mentioned under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Section 149 of the Companies Act, 2013.

CEO/CFO CERTIFICATION

To

The Board of Directors,

Anik Industries Ltd.

In relation to the Audited Financial Accounts of the Company as at March 31, 2018, we hereby certify that:

- (a) We have reviewed financial statements and the cash flow statement for the year ended March 31, 2018 and that to the best of our knowledge and belief:
 - (i) These statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - (ii) These statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
- (b) There are, to the best of our knowledge and belief, no transactions entered into by the Company during the year ended March 31, 2018, which is fraudulent, illegal or violative of the Company's code of conduct.
- (c) We accept responsibility for establishing and maintaining internal controls for financial reporting and we have evaluated the effectiveness of internal control systems of the Company pertaining to financial reporting and we have disclosed to the auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps have taken or proposed to be taken to rectify these deficiencies.
- (d) We have indicated to the auditors and the Audit committee, wherever applicable:
 - (i) Significant changes in internal control over financial reporting during the year;
 - (ii) Significant changes in accounting policies during the year and that the same have been disclosed in the notes to the financial statements; and
 - (iii) Instances of significant fraud of which they have become aware and the involvement therein, if any, of the management or an employee having a significant role in the Company's internal control system over financial reporting.

Auditors' Certificate Regarding Compliance of Conditions of Corporate Governance

To

The Members of

ANIK INDUSTRIES LIMITED

1. We have examined the compliances of conditions of corporate governance by Anik Industries Limited for the year ended March 31, 2018 as stipulated in regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and para C and D of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

Management Responsibility

2. The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in the SEBI Listing Regulations.

Auditors Responsibility

3. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
4. We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.
5. We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India (the ICAI), the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

7. Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of the SEBI Listing Regulations during the year ended March 31, 2018.
8. We state that such compliance is neither an assurance as to the further viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITORS REPORT

To

The Members of

ANIK INDUSTRIES LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying Standalone Ind AS financial statements of Anik Industries Limited ("The Company") which comprise the Balance Sheet as at March 31, 2018, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (the Act) with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India. This Responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provision of the Act, the accounting and auditing standard and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India, of the state of affairs of the company as at 31st March, 2018, and its profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Other Matter

The comparative financial information of the Company for the year ended 31st March 2017 and transition date opening balance sheet as at 1st April 2016 included in these Ind AS financial statements are based on the statutory financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 audited by the predecessor auditor whose report for the year ended 31st March, 2017 and 31st March, 2016 dated 03.06.2017 and 04.06.2016 respectively expressed an unmodified opinion on those financial statements and have been restated to comply with Ind AS. Adjustments made to the previously issued said financial information, prepared in accordance with the Companies (Accounting Standards) Rules, 2006, to comply with Ind AS have been audited by us.

Our opinion on the financial statements above and our report on Other Legal and Regulatory Requirements below is not modified in respect of these matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub section (11) of section 143 of the Act, we give in the Annexure A statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company, so far as appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the branches not visited by us.
 - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian accounting standards specified under section 133 of the act, read with rules framed thereunder.
 - e) On the basis of the written representations received from the directors as on 31st March 2018 taken on records by the Board of Director, none of the directors is disqualified as on 31st March, 2018 from being appointed as a director in terms of section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - a. The company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statement – refer note 35 to the financial statement;
 - b. The Company did not have any long term contract including derivative contract for which there were any material foreseeable losses.
 - c. There were no amount which, is required to be transferred, to the Investor Education and Protection Fund by the company.

Annexure A to Independent Auditor's Report

Referred to in paragraph (1) under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date to the members of Anik Industries Limited on the Standalone Ind AS financial statements for the year ended 31st March, 2018.

- i. In respect of its Fixed Assets :
 - a. The Company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets.
 - b. As explained to us, the fixed assets of the Company have been physically verified by the management during the year, which in our opinion is reasonable, having regard to the size of the Company and the nature of its assets. No material discrepancies between the book records and the physical inventory have been noticed. In our opinion, the frequency of verification is reasonable.
 - c. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company except The lease deed in respect of the land at Jaisalmer costs Rs. 20000 on which Wind Mill is installed, is yet to be executed.
- ii. In respect of its Inventories:

The inventories has been physically verified by the Management during the year. In our opinion, the frequency of verification is reasonable and no material discrepancies were noticed.
- iii. According to the information and explanations given to us, the Company has not granted any loans secured or unsecured to company, firms, LLPs or other parties covered in the register maintained under section 189 of the Companies Act, 2013.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to loans granted, the investments made, guarantee given and security provided.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted deposits from the public within the meaning of Section 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the Rules, framed there under. As informed to us no Order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other Tribunal.
- vi. In our opinion and according to the information and explanations given to us central government has not prescribed the maintenance of cost records under sub-section (1) of Section 148 of the Companies Act, 2013. The provisions of para 3 (vi) of the Order is not applicable to the company.
- vii. In respect of Statutory dues :
 - a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion the Company is generally regular in depositing undisputed statutory dues including provident fund, employee's state insurance, income tax, sales tax, service tax, goods and service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues with the appropriate authorities. There were no undisputed statutory dues in arrears, as at 31st March, 2018 for a period of more than six months from the date they became payable.
 - b) According to the information and explanations given to us, there are no dues of sales tax, value added tax, income tax, service tax, goods and service tax, duties of customs, duties of excise which have not been deposited with appropriate authorities on account of any dispute except as follows :

Name of the Statute	Nature of Dispute	Amount Involved (Rs. in lacs)	Period to which the Amount Relates	Forum where Dispute is Pending

Annexure B To the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Anik Industries Limited ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

A. General Information

Anik Industries Limited (Formerly known as Madhya Pradesh Glychem Industries Limited) was incorporated as a Limited Company on February 10, 1976 (hereinafter referred to as the Company).

The main business activities in which Company is dealing in Wind Power Generation, Housing & Property Developments, Trading activities by Import and Export of edible oil & other commodities.

The shares of the Company are listed at the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE).

B. Significant accounting policies
i. Statement of compliance

The separate financial statements have been prepared in accordance with Indian Accounting standards ("Ind AS") notified, under section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standard) Amendment Rules 2016 and the relevant provisions of the Act.

Upto the year ended 31st March 2017, the company prepared its financial statements in accordance with the requirement of previous GAAP, which included Standards notified under the Companies (Accounting Standards) Rules, 2006. These financial statements are the first financial statements of the company under Ind AS. The date of transition to Ind AS is 1st April 2016.

The Company applied Ind AS 101 – First-time Adoption of the Indian Accounting Standards (Ind AS 101). A statement provides an explanation of how the adoption of Ind AS has impacted the equity as on April 1, 2016, statement of financial position and results of operations of the Company for the year ended March 31, 2017.

Refer Note 52 for details of first-time adoption exemptions availed by the company.

ii. Basis of Preparation

The financial statements have been prepared on accrual basis and under the historical cost convention except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Division II of Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The company has identified twelve months as its operating cycle.

Functional and presentation currency

These separate financial statements are presented in Indian rupees, which is the Company's functional currency. All amounts have been rounded to the nearest Lacs unless otherwise indicated.

iii. Use of Estimates, Judgments and Assumptions

The preparation of financial statements in accordance with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

Significant areas of estimation, uncertainty and critical judgements in applying accounting policies that have significant effect on amount recognised in the financial statements are

- i. Allowance for bad debts,
- ii. Recognition and measurement of provisions and contingencies
- iii. Recognition of deferred tax
- iv. Measurement of defined benefit obligation
- v. Impairment test of non financial Assets.

iv. Revenue

Revenue is measured at the fair value of the consideration received or receivable. Revenue is recognized to the extent that it is probable that the economic benefit will flow to the company and the revenue can be measured reliably and there is no continuing effective control/managerial involvement in respect of the revenue activity as described below.

a. Sale of goods

Revenue from sale of goods is recognized when the significant risks and rewards of ownership of the goods have been transferred to the buyer either at the time of dispatch or delivery or when the risk of loss transfers.

Revenue from sales is measured net of returns, trade discounts and volume rebates, VAT, GST but inclusive of excise duty wherever applicable. Further, the revenue amount is adjusted for the time value of money if that contract contains a significant financing component.

The timing of the transfer of control varies depending on the individual terms of the sales agreement.

Revenue from sale of power is recognized when delivered and measured based on contractual arrangements after giving allowances for wheeling and transmission loss.

b. Income from Projects

Income from real estate sales is recognised on the transfer of all significant risks and rewards of ownership to the buyers and it is not unreasonable to expect ultimate collection and no significant uncertainty exists regarding the amount of consideration. However if, at the time of transfer substantial acts are yet to be performed under the contract, revenue is recognised on proportionate basis as the acts are performed, i.e. on the percentage of completion basis.

When the outcome of a construction contract can be estimated reliably, revenue and costs are recognised by reference to the stage of completion of the contract activity at the end of the reporting period, measured based on the proportion of contract costs incurred for work performed to date relative to the estimated total contract costs, except where this would not be representative of the stage of completion. Variations in contract work, claims and incentive payments are included to the extent that the amount can be measured reliably and its receipt is considered probable.

When the outcome of a construction contract cannot be estimated reliably, contract revenue is recognised to the extent of contract costs incurred that it is probable will be recoverable. Contract costs are recognised as expenses in the period in which they are incurred.

When it is probable that total contract costs will exceed total contract revenue, the expected loss is recognised as an expense immediately.

When contract costs incurred to date plus recognised profits less recognised losses exceed progress billings, the surplus is shown as amounts due from customers for contract work. For contracts where progress billings exceed contract costs incurred to date plus recognised profits less recognised losses, the surplus is shown as the amounts due to customers for contract work. Amounts received before the related work is performed are included in the balance sheet, as a liability, as advances received. Amounts billed for work performed but not yet paid by the customer are included in the balance sheet under trade receivables, whereas amount not billed for work performed are included as unbilled revenue under other current assets.

Further, in accordance with the Guidance Note on Accounting for Real Estate Transactions (for entities to whom Ind AS is applicable) issued by the Institute of Chartered Accountants of India, revenues will be recognized from these real estate projects only when

- i. All critical approvals necessary for commencement of the project have been obtained and
- ii. the actual construction and development cost incurred is at least 25% of the total construction and development cost (without considering land cost) and
- iii. when at least 10% of the sales consideration is realised and
- iv. where 25% of the total saleable area of the project is secured by contracts of agreement with buyers.

d. Interest and Dividend

Interest income is recognized on accrual basis using the effective interest method. Dividend income is recognised in profit or loss on the date on which the company's right to receive payment is established.

v. Inventories

Inventories are valued at lower of cost and net realizable value, except by-product/scrap is valued at net realizable value. Cost of inventory is arrived at by using Moving Average Price Method. Cost of inventory is generally comprises of cost of purchases, cost of conversion and other cost incurred in bringing the inventories to their present location and condition.

The cost of construction material is determined on the basis of Moving Average price method. Construction work in progress includes cost of land, premium for development rights, construction cost and allocation of interest & manpower cost and expenses incidental to the projects, under taken by the company.

vi. Property, Plant and Equipment

a. Recognition and measurement

Items of Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any, except for freehold land which is not depreciated.

The cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, acquisition or construction cost including borrowing costs, any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in statement of profit or loss.

The Company has opted to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind ASs, measured as per the previous GAAP and use that as its deemed cost as at the date of Transition.

b. Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the company.

c. Depreciation

Depreciation on property, plant and equipment is provided on straight line method per the useful life of the assets in the manner as specified in Schedule II to the Companies Act, 2013. The estimated useful life of assets and estimated residual value is taken as prescribed under Schedule II to the Companies Act, 2013.

Depreciation on additions during the year is provided on pro rata basis with reference to date of addition/installation. Depreciation on assets disposed/discarded is charged up to the date on which such asset is sold.

The estimated useful lives, residual value and depreciation method are reviewed at the end of each balance sheet date, any changes therein are considered as changes in estimate and accordingly accounted for prospectively.

vii. Intangible Assets

a. Recognition and measurement

Computer softwares have finite useful lives and are measured at cost less accumulated amortisation and any accumulated impairment losses. As on transition date i.e. April 1, 2016 the same are measured at carrying value adjusted for Ind AS.

The Company has opted to elect to continue with the carrying value for all of its intangible assets as recognised in the financial statements as at the date of transition to Ind ASs, measured as per the previous GAAP and use that as its deemed cost as at the date of Transition.

b. Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates or when the development stage is achieved. All other expenditure, including expenditure on internally generated goodwill and brands, when incurred is recognised in statement of profit or loss.

c. Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values using the straight-line method over their estimated useful lives and is generally recognised in statement of profit or loss. Computer software are amortised over their estimated useful life of 3 years.

Amortisation methods, useful lives and residual values are reviewed at each reporting date and adjusted prospectively, if required.

viii. Employee benefits

a. Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

b. Defined benefit plans

The liability for gratuity a defined benefit plan is determined annually by a qualified actuary using the projected unit credit method.

The company pays gratuity to the employees who have completed 5 Yrs of service with company at the time when the employee leaves the company as per the payment of gratuity act 1972.

Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in OCI. Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset), to the net defined liability (asset) at the start of the financial year after taking into account any changes as a result of contribution and benefit payments during the year. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in profit or loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

c. Other employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of obligation as at the Balance sheet date determined based on an actuarial valuation.

d. Defined Contribution Plan

The company's payments to the defined contribution plans are recognized as expenses during the period in which the employees perform the services that payment covers. Defined contribution plan comprise of contribution to the employees' provident fund with government, Employees' State Insurance and Pension Scheme.

ix. Income Tax

Income tax expense comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to items recognised directly in equity or in Other Comprehensive Income (OCI).

a. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date. Current tax also includes any tax arising from dividends.

Current tax assets and liabilities are offset only if, the Company:

- has a legally enforceable right to set off the recognised amounts; and
- intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

b. Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably, and it is probable that the future economic benefit associated with the asset will be realised.

Deferred tax assets and liabilities are offset only if:

- the entity has a legally enforceable right to set off current tax assets against current tax liabilities; and
- the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

x. Segment Accounting Policies

- The company has disclosed business segment as the primary segment. Based on the criteria mentioned in Ind AS 108 "Operating Segment" the company has identified its reportable segments.

The Chief Operating Decision Maker (CODM) evaluates the company's performance and allocates resources based on an analysis of various performance indicators by operating segments. The CODM reviews revenue and gross profit as performance indicator for all of the operating segments. The various segment identified by the company comprised as under: -

Name of Segment		Comprised of
Wind Power Unit	-	Wind Turbine Power Unit
Real Estate	-	Construction and Development of Housing Project
Others	-	Trading of Coal, Agri Commodities, Edible Oils Etc.

- (ii) Segment revenue, segment results, segment assets and segment liabilities include respective amounts directly identified with the segment and also an allocation on reasonable basis of amounts not directly identified. The expenses which are not directly relatable to the business segment are shown as unallocated corporate cost. Assets and liabilities that cannot be allocated between the segments are shown as unallocable corporate assets and liabilities respectively.

The Company has identified geographical segments as the secondary segment. Secondary segments comprise of domestic and export markets. However, company has no export sales.

xi. Foreign currency transactions

Transactions in foreign currencies are translated into the respective functional currencies of the company at the exchange rates at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Difference arising on settlement of monetary items are generally recognised in statement of profit and loss.

Non-monetary items that are measured based on historical cost in a foreign currency are not translated. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Exchange difference arising out of these transactions are generally recognised in statement of profit and loss.

xii. Borrowing cost

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying asset are capitalised as part of the cost of that asset till the date it is ready for its intended use or sale. Qualifying asset are the assets that necessarily takes a substantial period of time to get ready for its intended use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

xiii. Cash and Cash Equivalent

Cash and cash equivalent includes the cash and Cheques in hand, bank balances, demand deposits with bank and other short term, highly liquid investments with original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Bank overdraft are shown within borrowings in current liabilities in the balance sheet and forms part of financing activities in the cash flow statement. Book overdraft are shown within other financial liabilities in the balance sheet and forms part of operating activities in the cash flow statement.

xiv. Cash Flow Statement

Cash flows are reported using indirect method, whereby profit/ (loss) before tax is adjusted for the effect of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments and items of income or expenses associated with investing or financing cash flow. The cash flow from operating, investing and financing activities of the company is segregated based on the available information.

xv. Earning Per Share

- Basic earnings per shares is arrived at based on net profit / (loss) after tax available to equity shareholders divided by weighted average number of equity shares, adjusted for bonus elements in equity shares issued during the year (if any) and excluding treasury shares.
- Diluted earnings per shares is calculated by dividing Profit attributable to equity holders after tax divided by weighted average number of shares considered for basic earning per shares including potential dilutive equity shares.

xvi. Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized if, as a result of a past event, the company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation and there is reliable estimate of the amount of obligation.

A disclosure for contingent liabilities is made where there is a possible obligation arising from past events, the existence of which will be confirmed only on the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arise from past events where it is not probable that an outflow of resources will be required to settle or a reliable estimate of the amount can not be made.

xvii. Leases

As a Lessee

A lease is classified at the inception date as finance lease or an operating lease. Leases under which the company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of lease, whichever is lower. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized in finance costs in the statement of profit and loss.

Other leases are treated as operating leases, with payments are recognized as expense in the statement of profit and loss on a straight line basis over the lease term, unless the payments are structured to increase in line with the expected general inflation to compensate for the lessor's expected inflationary cost increases.

xviii. Non –Current Assets Held For Sale

Non Current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and sale is considered highly probable. They are measured at lower of their carrying amount and fair value less cost to sell. Non current asset are not depreciated or amortised while they are classified as held for sale.

xix. Impairment of Non Financial Assets

The company assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial assets are impaired. If any such indication exists, the company estimates the amount of impairment loss. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or group of assets is considered as cash generating unit. If any such indication exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognized in profit or loss and reflected in an allowance account. When the company considers that there are no realistic prospects of recovery of the asset, the

relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognized, then the previously recognized impairment loss is reversed through profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in Statement of Profit and Loss.

xx. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign currency foreign exchange forward contracts, interest rate swaps and currency options; and embedded derivatives in the host contract.

i. Financial assets

Classification

The Company shall classify financial assets and subsequently measured at amortised cost, fair value through other comprehensive income (FVOCI) or fair value through profit or loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

All financial assets are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset, in the case of financial assets not recorded at fair value through profit or loss. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the company commits to purchase or sell the asset.

Measured at amortised cost

A financial asset is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss. This category generally applies to trade and other receivables.

Measured at fair value through other comprehensive income (FVOCI)

A financial asset is measured at FVOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Financial assets included within the FVOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the profit and loss.

On derecognition of the non-derivative debt instruments designated at FVOCI, cumulative gain or loss previously recognised in OCI is reclassified from the equity to profit and loss. Whereas On derecognition of the equity instruments designated at FVOCI, cumulative gain or loss previously recognised in OCI is reclassified from the equity to retained earnings.

Interest earned whilst holding FVOCI debt instrument is reported as interest income using the EIR method.

Financial Asset at fair value through profit and loss (FVTPL)

FVTPL is a residual category for financial asset. Any financial asset, which does not meet the criteria for categorization as at amortized cost or as FVOCI, is classified as at FVTPL.

In addition, the group company may elect to classify a financial asset, which otherwise meets amortized cost or FVOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Financial assets included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial assets) is primarily derecognised (i.e. removed from the company's balance sheet) when:

- i. The rights to receive cash flows from the asset have expired, or
- ii. The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
- iii. When the company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company continues to recognise the transferred asset to the extent of the company's continuing involvement. In that case, the company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained.
- iv. Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the company could be required to repay.

Impairment of financial assets

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.
- b) Trade receivables.

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

- i. Trade receivables which do not contain a significant financing component.
The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.
- ii. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ii. Financial liabilities

Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss or amortised costs.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The company's financial liabilities include trade and other payables, loans and borrowings, financial guarantee contracts and derivative financial instruments.

Financial liabilities at fair value through profit or loss.

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind-AS 109 **Financial Instruments** are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/loss are not subsequently transferred to P&L. However, the company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to interest-bearing loans and borrowings.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Derivative financial instruments

The company uses derivative financial instruments, such as forward currency contracts, interest rate swaps and forward commodity contracts, to hedge its foreign currency risks, interest rate risks and commodity price risks, respectively. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Offsetting

Financial assets and financial liabilities are offset and the net amount is presented in the balance sheet when, and when the company has a legally enforceable right to set off the amount and it intends either to settle then on a net basis or to realize the asset and settle the liability simultaneously.

Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values, for financial instruments.

The Company has an established control framework with respect to the measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

xxi. Standards issued but not yet effective

Ind AS 115 Revenue from Contracts with Customers

Ind AS 115 was issued in February 2015 and establishes a five-step model to account for revenue arising from contracts with customers. Under Ind AS 115 revenue is recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer. The new revenue standard will supersede all current revenue recognition requirements under Ind AS. This standard will come into force from accounting period commencing on or after 1st April 2018. The company will adopt the new standard on the required effective date. During the current year, the company performed a preliminary assessment of Ind AS 115

Ind AS 21, Foreign currency transactions

On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 effective from April 1, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency.

These amendments are effective for annual periods beginning on or after 1 April 2018.

The company will adopt the standard on 1-April, 2018, by using cumulative catch up transition method and accordingly the comparative for the year ending 31-March, 2018 will not be retrospectively adjusted.

NOTE - 48.

The company is required to spend on CSR activities under section 135 of the Companies Act, 2013 for the year ended March 31st 2018 is Rs 4.07 lacs (Pre. year Rs.0.16 lacs) calculated as per section 198 of the Companies Act, 2013. Expenditure incurred (Paid through Bank) on CSR activities during the year Rs. Rs.4.07 lacs (Pre.Year Rs.0.71 lacs) other than capital expenditure.

NOTE-49 Exceptional Items

- a (i) During the year 2016-17 the Company had transferred its Dairy Business on a slump sale basis for a lump sum consideration of Rs. 44568.95 lacs to Anik Milk Product Pvt Ltd as a going concern w.e.f. 1st September 2016. Dairy Business sold is considered as discontinued operation from that date. Accordingly the following assets and liabilities have been transferred:

Particulars	Rs.	Rs.
Assets :		
Fixed Assets	8,760.99	
Inventories	3,129.84	
Trade Receivables	702.00	
Other Current Assets	1,354.60	
Total		13,762.10
Liabilities :		
Trade Payables	1,770.73	
Other Current Liabilities	1,044.92	
Total		2,815.65
Net Assets Transferred		11,131.77
Consideration Received		44,098.80
Profit /gain shown as Exceptional Item in Statement of Profit & Loss		32967.03

- (ii) The amount of Revenue and expenses pertaining to the discontinued operation of Dairy Business are as under:

Particulars	2016-17
Revenue	24,098.60
Expenses	27,759.39
Profit/(loss) before taxes	(3660.79)
Tax Expenses	(7.98)
Profit/(loss) after taxes	(3,668.76)

- b During the year 2016-17 the company has written off non realizable claims of debtors to the tune of Rs.Nil (Prev.year Rs. 9500.00 lacs) and the same has been disclosed as an exceptional item.
- c Loss on sale of company's stake in subsidiary viz Revera Milk Food Product Pvt Ltd of Rs.Nil (prev.year Rs.2839.73 lacs)

NOTE -50 Financial risk management objectives and policies

In its ordinary operations, the companies activities expose it to the various types of risks, which are associated with the financial instruments and markets in which it operates. The company has a risk management policy which covers the foreign exchanges risks and other risks associated with the financial assets and liabilities such as interest rate risks and credit risks. The risk management policy is approved by the board of directors. The following is the summary of the main risks:

a) Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates (currency risk) and interest rates (interest rate risk), will affect the companies income or value of it's holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

i) Interest rate risk

Interest rate risk is the risk the the fair value or future cash flow of a financial instrument will fluctuate because of changes in market interest rate. Fair value interest rate risk is the risk of changes in fair value of fixed interest bearing financial instrument because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing financial instrument will fluctuate because of fluctuations in the interest rates.

The Company's exposure to the risk of changes in market interest rates relates primarily to the borrowing from banks. Currently company is not using any mitigating factor to cover the interest rate risk.

(Rs. in lacs)

PARTICULARS	As at 31 st March, 2018	As at 31 st March, 2017	As at 1 st April, 2016
Interest rate risk exposure			
Borrowings from banks	5,124.68	808.29	13,062.62
Total borrowings	5,124.68	808.29	13,062.62

Interest rate sensitivity

The sensitivity analysis below have been determined based on exposure to interest rates for borrowing at the end of the reporting period and the stipulated change taking place at the beginning of the financial year and held constant throughout the reporting period in case of term loans that have floating rates. If the interest rates had been 1% higher or lower and all the other variables were held constant, the effect on Interest expense for the respective financial years and consequent effect on companies profit in that financial year would have been as below:

PARTICULARS	For the year 2017-18	For the year 2016-17
Impact on Profit or Loss for the year decrease	51.25	8.08
Impact on Profit or Loss for the year Increase	(51.25)	(8.08)

ii) Foreign currency risk

The Company enters into transactions in currency other than its functional currency and is therefore exposed to foreign currency risk. The Company analyses currency risk as to which balances outstanding in currency other than the functional currency of that Company. The company enters in to derivative financial instrument such foreign currency forward contract to mitigate the risk of changes in exchange rate on foreign currency exposure.

PARTICULARS	As at 31 st March, 2018	As at 31 st March, 2017	As at 1 st April, 2016
Receivable in Foreign currency	4,627.76	4,372.42	3,900.27
Payable in Foreign currency	168.38	504.84	4,484.90

PARTICULARS	As at 31 st March, 2018	As at 31 st March, 2017	As at 1 st April, 2016
Outstading forward contracts	617.98	2,442.62	2,457.52

Sensitivity to foreign currency risk

The following table demonstrates the sensitivity in the USD currencies if the currency rate is increased/(decreased) by 1% with all other variables held constant. The below impact on the Company's profit before tax is based on changes in the fair value of unhedged foreign currency monetary assets and liabilities at balance sheet date:

PARTICULARS	Sensitivity analysis			
	For the year ended 31st March 2018		For the year ended 31st March 2017	
	USD	USD	USD	USD
	Increase	Decrease	Increase	Decrease
Sensitivity to foreign currency risk	44.59	(44.59)	38.68	(38.68)

Working

PARTICULARS	For the year ended 2017-18	For the year ended 2016-17	As at 1st April 2016
Receivable	71.15	70.65	58.87
Payable	2.59	8.35	67.69
Net	68.56	62.31	(8.82)

(b) Credit risk

Credit risk is the risk that arises from the possibility that the counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Financial assets that are subject to such risk, principally consist of trade receivables, Investments and loans and advances. None of the financial instruments of the company results in material concentration of credit risk. Financial assets are written off when there is no reasonable expectation of recovery, however, the Company continues to attempt to recover the receivables. Where recoveries are made, these are recognised in the Statement of Profit and Loss. The impairment for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each balance sheet date.

Trade and other receivables

To Manage trade and other receivables, the company periodically assesses the financial reliability of customers, taking in to account the financial conditions, economic trends, analysis to historical bad debts and ageing of such receivables.

The ageing analysis of the trade receivables has been considered from the date the invoice falls due

(Rs. in lacs)

Provided during the year	16.57
Reversed during the year	-
Balance as at 31st March, 2018	368.75

Investments The Company limits its exposure to credit risk by generally investing in liquid securities and only with counter-parties that have a good credit rating. The Company does not expect any losses from non-performance by these counter-parties apart from those already given in financials, and does not have any significant concentration of exposures to specific industry sectors or specific country risks.

(c) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company has obtained fund and non-fund based working capital lines from various banks. The company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, process and policies related to such risk are overseen by senior management. Management monitors the company's net liquidity position through rolling forecasts on the basis of expected cash flows.

Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity shareholders of the Company. The Company's objective when managing capital is to safeguard its ability to continue as a going concern so that it can continue to provide returns to shareholders and other stake holders.

The Company manages its capital structure and makes adjustments in light of changes in the financial condition and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders (buy back its shares) or issue new shares. No changes were made in the objectives, policies or processes for managing capital during the year ended 31st March, 2018 and 31st March, 2017.

To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the Ind AS. An explanation for each level is given below.

Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

NOTE- 52 Transition to Ind AS:

For the purposes of reporting as set out in Note A - B, we have transitioned our basis of accounting from Indian generally accepted accounting principles ("IGAAP") to Ind AS. The accounting policies set out in note B have been applied in preparing the financial statements for the year ended March 31, 2018, the comparative information presented in these financial statements for the year ended March 31, 2017 and in the preparation of an opening Ind AS balance sheet at April 1, 2016 (the "transition date"). In preparing our opening Ind AS balance sheet, we have made certain adjustments to amounts reported in financial statements prepared in accordance with IGAAP. An explanation of how the transition from IGAAP to Ind AS has affected our financial position, financial performance and cash flows is set out in the following tables and the notes that accompany the tables. On transition, we did not revise estimates previously made under IGAAP except where required by Ind AS.

Exemptions and exceptions availed

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from Indian GAAP to Ind AS :

Ind AS Optional Exemptions :

Property, Plant and Equipment & Intangible Assets

IND AS 101 permits to measure all its property, plant and equipment at their previous GAAP carrying value i.e. being deemed cost represented by Gross Block reduced by accumulated depreciation on 1st, April 2016.

Leases

In accordance with Ind-AS transitional provisions, the company opted to determine whether an arrangement existing at the date of transition contains a lease on the basis of facts and circumstances existing at the date of transition rather than at the inception of the arrangement.

Fair value of financial assets and liabilities

The Company has financial receivables and payables that are non-derivative financial instruments. Under previous GAAP, these were carried at transaction cost less allowances for impairment, if any. Under Ind AS, these financial assets and liabilities are initially recognised at fair value and subsequently measured at amortised cost, less allowance for impairment, if any. For transactions entered into on or after the date of transition to Ind AS, the requirement of initial recognition at fair value is applied prospectively.

Investment in Subsidiaries

Ind AS 101 permit a first-time adopter to elect to continue with the carrying value for all of its investment in subsidiaries are recognised in the financial statements at the date of transition to Ind AS, measure previous GAAP carrying value as per the previous GAAP and use that as its deemed cost as at the date of transition. Accordingly, the Company has elected to measure all of its investments in subsidiaries at their previous GAAP carrying value.

Estimates

The estimates at 1st April, 2016 and at 31st March, 2017 are consistent with those made for the same dates in accordance with Indian GAAP (after adjustment to reflect any differences if any, in accounting policies) apart from the following items where application of Indian GAAP did not require estimation.

- Impairment of financial assets based on expected credit loss method.
- Investment in debt instruments carried at Amortised Cost.
- investment in equity instruments carried at Fair Value through profit or loss.

The estimates used by the Company to present these amounts in accordance with Ind AS reflect conditions as at the transition date and as of 31st March, 2017.

Ind AS mandatory exceptions

Classification and measurement of financial assets

The Company has classified the financial assets in accordance with Ind AS 109 on the basis of facts and circumstances that exists at the date of transition to Ind AS.

Derecognition of financial assets & financial liabilities

The company has elected to apply the derecognition requirements for financial assets & financial liabilities in accordance with Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS.

Impact of transition to Ind AS

The following is a summary of the effects of the differences between Ind AS and Indian GAAP on the Company's total equity shareholders' funds and profit and loss for the financial period for the period previously reported under Indian GAAP following the date of transition of Ind AS

Transition to Ind AS Reconciliation

The following reconciliations provide a quantification of the effect of significant differences arising from the transition from previous GAAP to Ind AS in accordance with Ind AS 101:

The presentation requirements under Previous GAAP differs from Ind AS and hence Previous GAAP information has been regrouped for ease of reconciliation with Ind AS. The Regrouped Previous GAAP information is derived from the Financial Statements of the Company prepared in accordance with Previous GAAP.

Notes on First time Adoption
I Property, Plant & Equipment:

on the date of transition i.e., 1 St April ,2016 the company has elected to measure all its property ,plant and equipment at their previous GAAP carrying value i.e., being deemed cost

II Defined benefit obligation:

Under Previous GAAP, the cost relating to post employment benefit obligation ncluding acturial gain/losses were recognised in profit and loss. Under the Ind AS , actuarial gain/losses on the net defined liability are recognised in the comprehensive income instead of profit & loss.

III Ind AS 109 requires transaction costs incurred towards borrowings to be deducted from the transaction value on initial recognition .These cost are recognised in profit & loss over the tenure of borrowings as a part of the interest expense by applying effective interest rate method.

IV Deferred tax have been recognized on adjustments made on transition to Ind As on 1st April 2016 to retained earnings

V Investments

Under Previous GAAP, the group made Investments are recorded at cost. Under Ind AS the investments has been fair valued through profit & loss

VI Trade Receivables

The Company measures recovery of debtors on expected Credit loss Model. The difference between the present value and carrying amount is recognised in retained earnings as on transition date i.e., 1 st April ,2016

VII Non –Current Assets Held For Sale

Non Current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and sale is considered highly probable. They are measured at lower of thier carrying amount and fair value less cost to sell. Non current asset are not depreciated or amortised while they are classified as held for sale.

Independent Auditors Report

To

The Members of

ANIK INDUSTRIES LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated Ind AS financial statements of Anik Industries Limited (hereinafter referred to as “the Holding Company”) and its subsidiary (the Holding and its subsidiary together referred to as “the Group”) and its associate, comprising the Consolidated Balance Sheet as at 31st March, 2018, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated Ind AS financial statements”).

Management’s Responsibility for the Consolidated Financial Statements

The Holding Company’s Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as “the Act”) that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, the Consolidated Statement of Changes in Equity and consolidated cash flows of the Group including its associate, in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associate and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid

Auditor’s Responsibility

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company’s preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company’s Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors’ in terms of their reports referred to in the Other Matters Paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditors on separate financial statements/financial information of the subsidiaries and associate referred to below in Other Matter paragraph, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associate entities as at 31st March, 2018, and their consolidated profit, including consolidated other comprehensive income, consolidated statement of changes in equity and their consolidated cash flows for the year ended on that date.

Other Matter

- a. We did not audit the financial statements of one subsidiary whose financial statements reflect total assets of Rs.14571.88 lacs as at 31st March, 2018, total revenues of Nil and net loss of Rs. 1.75 lacs and cash outflows amounting to Rs. 9.79 lacs for the year ended on that date as considered in the consolidated Ind AS financial statements. The Consolidated Ind AS financial statements also include the Group’s share of net loss of Rs. 37.08 lacs for the year ended 31st March, 2018 as considered in the consolidated Ind AS financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports

INDEPENDENT AUDITORS REPORT ON CONSOLIDATED FINANCIAL STATEMENT

have been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amount and disclosures included in respect of these subsidiaries and our report in terms of sub-section (3) and (11) of section 143 of the Act, insofar as it relates to the aforesaid subsidiaries and its associate, is based solely on the reports of the other auditor.

- b. The comparative financial information of the Group for the year ended 31st March 2017 and transition date opening balance sheet as at 1st April 2016 included in these consolidated Ind AS financial statements are based on the previously issued consolidated financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 audited by the predecessor auditor whose report for the year ended 31st March, 2017 and 31st March, 2016 dated 03.06.2017 and 04.06.2016 respectively expressed an unmodified opinion on those consolidated financial statements and have been restated to comply with Ind AS. Adjustments made to the said consolidated financial information, prepared in accordance with the Companies (Accounting Standards) Rules, 2006, to comply with Ind AS have been audited by us.

Our opinion on the consolidated Ind AS financial statements above and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements/information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by section 143 (3) of the Act, we report, to the extent applicable that:
 - a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as appears from our examination of those books and reports of the other auditor.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated statement of changes in equity and the Consolidated Cash Flow Statement dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements.
 - d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Indian accounting standards specified under section 133 of the Act, read with rules framed thereunder.
 - e) On the basis of the written representations received from the directors of the Holding company, as on 31st March 2018 taken on records by the Board of Directors of the Holding Company and the reports of the statutory auditor of its subsidiary company incorporated in India, none of the directors of the Group companies incorporated in India, is disqualified as on 31st March, 2018 from being appointed as a director in terms of section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and its Subsidiaries Company incorporated in India and the operating effectiveness of such controls, refer to our separate report in "Annexure A"; and
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended) in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated Ind AS financial statements disclosed the impact of pending litigations on the consolidated financial position of the Group—refer note 33 to the consolidated financial statements;
 - ii. The Group did not have any long term contract including derivative contract for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding company and its subsidiary company incorporated in India.

Annexure A To the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended 31st March, 2018, we have audited the internal financial controls over financial reporting of Anik Industries Limited ("the Holding Company") and its subsidiary companies which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its subsidiary companies which are companies incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company and its Subsidiaries which are companies incorporated in India, internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and obtained by other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

INDEPENDENT AUDITORS REPORT ON CONSOLIDATED FINANCIAL STATEMENT

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to subsidiary company, which are companies incorporated in India, is based on the corresponding reports of the auditors of such company incorporated in India.

A. GENERAL INFORMATION

Anik Industries Limited (Formerly known as Madhya Pradesh Glychem Industries Limited) was incorporated as a Limited Company on February 10, 1976 (hereinafter referred to as the Company). The company and its subsidiary collectively referred as “the Group”. The main business activities in which Company is dealing in Wind Power Generation, Housing & Property Developments, Trading activities by Import and Export of edible oil & other commodities. The consolidated financial statements as at 31st March, 2018 presents the financial position of the Group as well as its associate.

The shares of the Company are listed at the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE).

A. Significant accounting policies

i. Statement of compliance

The consolidated financial statements have been prepared in accordance with Indian Accounting standards (“Ind AS”) notified, under section 133 of the Companies Act, 2013 (‘Act’) read with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standard) Amendment Rules 2016 and the relevant provisions of the Act.

Upto the year ended 31st March 2017, the company prepared its consolidated financial statements in accordance with the requirement of previous GAAP, which included Standards notified under the Companies (Accounting Standards) Rules, 2006. These consolidated financial statements are the first financial statements of the group under Ind AS. The date of transition to Ind AS is 1st April 2016.

The Group applied Ind AS 101 – First-time Adoption of the Indian Accounting Standards (Ind AS 101). A statement provides an explanation of how the adoption of Ind AS has impacted the equity as on April 1, 2016, statement of consolidated financial position and results of operations of the Group for the year ended March 31, 2017.

Refer Note 52 for details of first-time adoption exemptions availed by the Group.

ii. Basis of Preparation

The Consolidated financial statements have been prepared on accrual basis and under the historical cost convention except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below.

All assets and liabilities have been classified as current or non-current as per the Group’s normal operating cycle and other criteria set out in Division II of Schedule III to the Companies Act, 2013. The Group has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The company has identified twelve months as its operating cycle.

Functional and presentation currency

These consolidated financial statements are presented in Indian rupees, which is the Company’s functional currency. All amounts have been rounded to the nearest rupees in lakhs unless otherwise indicated.

iii. Use of Estimates, Judgments and Assumptions

The preparation of consolidated financial statements in accordance with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

Significant areas of estimation, uncertainty and critical judgements in applying accounting policies that have significant effect on amount recognised in the financial statements are

- i. Allowance for bad debts,
- ii. Recognition and measurement of provisions and contingencies
- iii. Recognition of deferred tax
- iv. Measurement of defined benefit obligation
- v. Impairment test of non financial Assets.

iv. Revenue

Revenue is measured at the fair value of the consideration received or receivable. Revenue is recognized to the extent that it is probable that the economic benefit will flow to the Group and the revenue can be measured reliably and there is no continuing effective control/managerial involvement in respect of the revenue activity as described below.

a. Sale of goods

Revenue from sale of goods is recognized when the significant risks and rewards of ownership of the goods have been transferred to the buyer either at the time of dispatch or delivery or when the risk of loss transfers.

Revenue from sales is measured net of returns, trade discounts and volume rebates, VAT, GST but inclusive of excise duty wherever applicable. Further, the revenue amount is adjusted for the time value of money if that contract contains a significant financing component.

The timing of the transfer of control varies depending on the individual terms of the sales agreement.

Revenue from sale of power is recognized when delivered and measured based on contractual arrangements after giving allowances for wheeling and transmission loss.

b. Income from Projects

Income from real estate sales is recognised on the transfer of all significant risks and rewards of ownership to the buyers and it is not unreasonable to expect ultimate collection and no significant uncertainty exists regarding the amount of consideration. However if, at the time of transfer substantial acts are yet to be performed under the contract, revenue is recognised on proportionate basis as the acts are performed, i.e. on the percentage of completion basis.

When the outcome of a construction contract can be estimated reliably, revenue and costs are recognised by reference to the stage of completion of the contract activity at the end of the reporting period, measured based on the proportion of contract costs incurred for

work performed to date relative to the estimated total contract costs, except where this would not be representative of the stage of completion. Variations in contract work, claims and incentive payments are included to the extent that the amount can be measured reliably and its receipt is considered probable.

When the outcome of a construction contract cannot be estimated reliably, contract revenue is recognised to the extent of contract costs incurred that it is probable will be recoverable. Contract costs are recognised as expenses in the period in which they are incurred.

When it is probable that total contract costs will exceed total contract revenue, the expected loss is recognised as an expense immediately.

When contract costs incurred to date plus recognised profits less recognised losses exceed progress billings, the surplus is shown as amounts due from customers for contract work. For contracts where progress billings exceed contract costs incurred to date plus recognised profits less recognised losses, the surplus is shown as the amounts due to customers for contract work. Amounts received before the related work is performed are included in the balance sheet, as a liability, as advances received. Amounts billed for work performed but not yet paid by the customer are included in the balance sheet under trade receivables, whereas amount not billed for work performed are included as unbilled revenue under other current assets.

Further, in accordance with the Guidance Note on Accounting for Real Estate Transactions (for entities to whom Ind AS is applicable) issued by the Institute of Chartered Accountants of India, revenues will be recognized from these real estate projects only when

- i. All critical approvals necessary for commencement of the project have been obtained and
- ii. the actual construction and development cost incurred is at least 25% of the total construction and development cost (without considering land cost) and
- iii. when at least 10% of the sales consideration is realised and
- iv. where 25% of the total saleable area of the project is secured by contracts of agreement with buyers.

d. Interest and Dividend

Interest income is recognized on accrual basis using the effective interest method. Dividend income is recognised in profit or loss on the date on which the company's right to receive payment is established.

v. Inventories

Inventories are valued at lower of cost and net realizable value, except by-product/scrap is valued at net realizable value. Cost of inventory is arrived at by using Moving Average Price Method. Cost of inventory is generally comprises of cost of purchases, cost of conversion and other cost incurred in bringing the inventories to their present location and condition.

The cost of construction material is determined on the basis of Moving Average price method. Construction work in progress includes cost of land, premium for development rights, construction cost and allocation of interest & manpower cost and expenses incidental to the projects, undertaken by the company.

vi. Property, Plant and Equipment

a. Recognition and measurement

Items of Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any, except for freehold land which is not depreciated.

The cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, acquisition or construction cost including borrowing costs, any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in statement of profit or loss.

The Group has opted to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind ASs, measured as per the previous GAAP and use that as its deemed cost as at the date of Transition.

b. Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.

c. Depreciation

Depreciation on property, plant and equipment is provided on straightline method per the useful life of the assets in the manner as specified in Schedule II to the Companies Act, 2013. The estimated useful life of assets and estimated residual value is taken as prescribed under Schedule II to the Companies Act, 2013.

Depreciation on additions during the year is provided on pro rata basis with reference to date of addition/installation. Depreciation on assets disposed/discarded is charged up to the date on which such asset is sold.

The estimated useful lives, residual value and depreciation method are reviewed at the end of each balance sheet date, any changes therein are considered as changes in estimate and accordingly accounted for prospectively.

vii. Intangible Assets

a. Recognition and measurement

Computer softwares have finite useful lives and are measured at cost less accumulated amortisation and any accumulated impairment losses. As on transition date i.e. April 1, 2016 the same are measured at carrying value adjusted for Ind AS.

The Group has opted to elect to continue with the carrying value for all of its intangible assets as recognised in the financial statements as at the date of transition to Ind ASs, measured as per the previous GAAP and use that as its deemed cost as at the date of Transition.

b. Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates or when the development stage is achieved. All other expenditure, including expenditure on internally generated goodwill and

brands, when incurred is recognised in statement of profit or loss.

c. Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values using the straight-line method over their estimated useful lives and is generally recognised in statement of profit or loss. Computer software are amortised over their estimated useful life of 3 years.

Amortisation methods, useful lives and residual values are reviewed at each reporting date and adjusted prospectively, if required.

viii. Employee benefits

a. Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

b. Defined benefit plans

The liability for gratuity a defined benefit plan is determined annually by a qualified actuary using the projected unit credit method.

The Group pays gratuity to the employees who have completed 5 Yrs of service with company at the time when the employee leaves the company as per the payment of gratuity act 1972.

Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in OCI. Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset), to the net defined liability (asset) at the start of the financial year after taking into account any changes as a result of contribution and benefit payments during the year. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in profit or loss. The Group recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

c. Other employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of obligation as at the Balance sheet date determined based on an actuarial valuation.

d. Defined Contribution Plan

The group's payments to the defined contribution plans are recognized as expenses during the period in which the employees perform the services that payment covers. Defined contribution plan comprise of contribution to the employees' provident fund with government, Employees' State Insurance and Pension Scheme.

ix. Income Tax

Income tax expense comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to items recognised directly in equity or in Other Comprehensive Income (OCI).

a. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date. Current tax also includes any tax arising from dividends.

Current tax assets and liabilities are offset only if, the Group:

- a) has a legally enforceable right to set off the recognised amounts; and
- b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

b. Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably, and it is probable that the future economic benefit associated with the asset will be realised.

Deferred tax assets and liabilities are offset only if:

- a) the entity has a legally enforceable right to set off current tax assets against current tax liabilities; and
- b) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

x. Segment Accounting Policies

- (i) The Group has disclosed business segment as the primary segment. Based on the criteria mentioned in Ind AS 108 "Operating Segment" the company has identified its reportable segments.

The Chief Operating Decision Maker (CODM) individual companies evaluates the performance and allocates resources based on an analysis of various performance indicators by operating segments. The CODM reviews revenue and gross profit as performance indicator for all of the operating segments. The various segment identified by the company comprised as under: -

Name of Segment	-	Comprised of
Wind Power Unit	-	Wind Turbine Power Unit
Real Estate	-	Construction and Development of Housing Project
Others	-	Trading of Coal, Agri Commodities, Edible Oils Etc.

- (ii) Segment revenue, segment results, segment assets and segment liabilities include respective amounts directly identified with the segment and also an allocation on reasonable basis of amounts not directly identified. The expenses which are not directly relatable to the business segment are shown as unallocated corporate cost. Assets and liabilities that cannot be allocated between the segments are shown as un-allocable corporate assets and liabilities respectively.

The Group has identified geographical segments as the secondary segment. Secondary segments comprise of domestic and export markets. However, company has no export sales.

xi. Foreign currency transactions

Transactions in foreign currencies are translated into the respective functional currencies of the Group at the exchange rates at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Difference arising on settlement of monetary items are generally recognised in statement of profit and loss.

Non-monetary items that are measured based on historical cost in a foreign currency are not translated. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Exchange difference arising out of these transactions are generally recognised in statement of profit and loss.

xii. Borrowing cost

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying asset are capitalised as part of the cost of that asset till the date it is ready for its intended use or sale. qualifying asset are the assets that necessarily takes a substantial period of time to get ready for its intended use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

xiii. Cash and Cash Equivalent

Cash and cash equivalent includes the cash and Cheques in hand, bank balances, demand deposits with bank and other short term, highly liquid investments with original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Bank overdraft are shown within borrowings in current liabilities in the balance sheet and forms part of financing activities in the cash flow statement. Book overdraft are shown within other financial liabilities in the balance sheet and forms part of operating activities in the cash flow statement.

xiv. Cash Flow Statement

Cash flows are reported using indirect method, whereby profit/ (loss) before tax is adjusted for the effect of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments and items of income or expenses associated with investing or financing cash flow. The cash flow from operating, investing and financing activities of the company is segregated based on the available information.

xv. Earning Per Share

- Basic earnings per shares is arrived at based on net profit / (loss) after tax available to equity shareholders divided by weighted average number of equity shares, adjusted for bonus elements in equity shares issued during the year (if any) and excluding treasury shares.
- Diluted earnings per shares is calculated by dividing Profit attributable to equity holders after tax divided by weighted average number of shares considered for basic earning per shares including potential dilutive equity shares.

xvi. Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized if, as a result of a past event, the company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation and there is reliable estimate of the amount of obligation.

A disclosure for contingent liabilities is made where there is a possible obligation arising from past events, the existence of which will be confirmed only on the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arise from past events where it is not probable that an outflow of resources will be required to settle or a reliable estimate of the amount can not be made.

xvii. Leases

Group as a Lessee

A lease is classified at the inception date as finance lease or an operating lease. Leases under which the group assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of lease, whichever is lower. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized in finance costs in the statement of profit and loss.

Other leases are treated as operating leases, with payments are recognized as expense in the statement of profit and loss on a straight line basis over the lease term, unless the payments are structured to increase in line with the expected general inflation to compensate for the lessor's expected inflationary cost increases.

xviii. Non –Current Assets Held For Sale

Non Current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and sale is considered highly probable. They are measured at lower of their carrying amount and fair value less cost to sell. Non current asset are not depreciated or amortised while they are classified as held for sale.

xix. Impairment of Non Financial Assets

The group assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial assets are impaired. If any such indication exists, the group estimates the amount of impairment loss. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or group of assets is considered as cash generating unit. If any such indication exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognized in profit or loss and reflected in an allowance account. When the group considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognized, then the previously recognized impairment loss is reversed through profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in Statement of Profit and Loss.

xx. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign currency foreign exchange forward contracts, interest rate swaps and currency options; and embedded derivatives in the host contract.

i. Financial assets

Classification

The Group shall classify financial assets and subsequently measured at amortised cost, fair value through other comprehensive income (FVOCI) or fair value through profit or loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

All financial assets are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset, in the case of financial assets not recorded at fair value through profit or loss. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the company commits to purchase or sell the asset.

Measured at amortised cost

A financial asset is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss. This category generally applies to trade and other receivables.

Measured at fair value through other comprehensive income (FVOCI)

A financial asset is measured at FVOCI if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- The asset's contractual cash flows represent SPPI.

Financial assets included within the FVOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the profit and loss.

On derecognition of the non-derivative debt instruments designated at FVOCI, cumulative gain or loss previously recognised in OCI is reclassified from the equity to profit and loss. Whereas On derecognition of the equity instruments designated at FVOCI, cumulative gain or loss previously recognised in OCI is reclassified from the equity to retained earnings.

Interest earned whilst holding FVOCI debt instrument is reported as interest income using the EIR method.

Financial Asset at fair value through profit and loss (FVTPL)

FVTPL is a residual category for financial asset. Any financial asset, which does not meet the criteria for categorization as at amortized cost or as FVOCI, is classified as at FVTPL.

In addition, the group may elect to classify a financial asset, which otherwise meets amortized cost or FVOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Financial assets included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial assets) is primarily derecognised (i.e. removed from the company's balance sheet) when:

- i. The rights to receive cash flows from the asset have expired, or
- ii. The group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
- iii. When the group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company continues to recognise the transferred asset to the extent of the group's continuing involvement. In that case, the group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained.
- iv. Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the group could be required to repay.

Impairment of financial assets

In accordance with Ind-AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.
- b) Trade receivables.

The Group follows 'simplified approach' for recognition of impairment loss allowance on:

- i. Trade receivables which do not contain a significant financing component.

The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

- ii. For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ii. Financial liabilities

Classification

The Group classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss or amortised costs.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The group's financial liabilities include trade and other payables, loans and borrowings, financial guarantee contracts and derivative financial instruments.

Financial liabilities at fair value through profit or loss.

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the group that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind-AS 109 **Financial Instruments** are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/loss are not subsequently transferred to P&L. However, the company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to interest-bearing loans and borrowings.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Derivative financial instruments

The group uses derivative financial instruments, such as forward currency contracts, interest rate swaps and forward commodity contracts, to hedge its foreign currency risks, interest rate risks and commodity price risks, respectively. Such derivative financial

instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Offsetting

Financial assets and financial liabilities are offset and the net amount is presented in the balance sheet when, and when the group has a legally enforceable right to set off the amount and it intends either to settle then on a net basis or to realize the asset and settle the liability simultaneously.

Measurement of fair values

The Group's accounting policies and disclosures require the measurement of fair values, for financial instruments.

The Group has an established control framework with respect to the measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of an asset or a liability, the Group uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

xxi. Standards issued but not yet effective

Ind AS 115 Revenue from Contracts with Customers

Ind AS 115 was issued in February 2015 and establishes a five-step model to account for revenue arising from contracts with customers. Under Ind AS 115 revenue is recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer. The new revenue standard will supersede all current revenue recognition requirements under Ind AS. This standard will come into force from accounting period commencing on or after 1st April 2018. The company will adopt the new standard on the required effective date. During the current year, the company performed a preliminary assessment of Ind AS 115

Ind AS 21, Foreign currency transactions

On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 effective from April 1, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency.

These amendments are effective for annual periods beginning on or after 1 April 2018.

The group will adopt the standard on 1 April, 2018, by using cumulative catch up transition method and accordingly the comparative for the year ending 31 March, 2018 will not be retrospectively adjusted.

Basis of Consolidation

a) The Consolidated financial statements relate to Anik Industries Ltd (the Company) and its subsidiaries and associates as under :

Entity	Basis of Consolidation	Country of Incorporation	% age of Shareholding of the Company	% age of Share in Profit / Loss
M/s Revera Milk & Foods Pvt. Ltd.	Subsidiary	India	77.78%	(0.34%)
Mahakosh Property Developers	Associate	India	21.00%	(2.69%)

- The financial statements of the Holding company and its subsidiary have been combined on a line to line basis by adding together like items of assets, liabilities, equity, income and expenses.
- The financial statements of Associates have been consolidated using the Equity method of accounting.
- Intragroup balances, intragroup transactions and resulting unrealized profits/(losses) have been eliminated in full.
- Non controlling interest in the net assets of subsidiaries has been separately disclosed in the consolidated financial statements. Non controlling interest in income for the year has been separately disclosed in the statement of profit and loss.
- Figures pertaining to the subsidiary and the associate have been reclassified to bring them in line with holding company's financial statements.
- Goodwill represents the difference between the Company's share in the net worth of subsidiary and the cost of acquisition at each point of time of making the investment in the subsidiary.
- The Consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances.

ANIK INDUSTRIES LIMITED

Nature and purpose of Reserves
General Reserve

The general reserve is created from time to time transfer of profits from retained earnings. General reserve is created by transfer from component of equity to another and is not an item of other comprehensive income, items included in general reserve will not be reclassified subsequently to statement of profit and loss.

Security Premium Reserve

Security Premium Reserve is created on receipts of premium on issue of equity shares. The reserve can be utilised in accordance with the provisions of the Companies Act, 2013.

Profit/(loss) after taxes	(3,668.76)

- b During the year 2016-17 the company has written off non realizable claims of debtors to the tune of Rs.Nil (Prev.year Rs. 9500.00 Lacs) and the same has been disclosed as an exceptional item.
- c Loss on sale of company's stake in subsidiary viz Revera Milk Food Product Pvt Ltd of Rs.Nil (prev.year Rs.2839.73 Lacs)

NOTE-48 Financial risk management objectives and policies

In its ordinary operations, the Group activities expose it to the various types of risks, which are associated with the financial instruments and markets in which it operates. The company has a risk management policy which covers the foreign exchanges risks and other risks associated with the financial assets and liabilities such as interest rate risks and credit risks. The risk management policy is approved by the board of directors. The following is the summary of the main risks:

a) Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates (currency risk) and interest rates (interest rate risk), will affect the Group income or value of its holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

i) Interest rate risk

Interest rate risk is the risk the the fair value or future cash flow of a financial instrument will fluctuate because of changes in market interest rate. Fair value interest rate risk is the risk of changes in fair value of fixed interest bearing financial instrument because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing financial instrument will fluctuate because of fluctuations in the interest rates.

The Group's exposure to the risk of changes in market interest rates relates primarily to the borrowing from banks. Currently company is not using any mitigating factor to cover the interest rate risk.

(Rs. in lacs)

	PARTICULARS	As at 31st March, 2018	As at 31st March, 2017
	<u>Interest rate risk exposure</u>		
	Borrowings from banks	5,124.68	808.30
	Total borrowings	5,124.68	808.30

Interest rate sensitivity

The sensitivity analysis below have been determined based on exposure to interest rates for borrowing at the end of the reporting period and the stipulated change taking place at the beginning of the financial year and held constant throughout the reporting period in case of term loans that have floating rates. If the interest rates had been 1% higher or lower and all the other variables were held constant, the effect on Interest expense for the respective financial years and consequent effect on companies profit in that financial year would have been as below:

	PARTICULARS	For the year 2017-18	For the year 2016-17
	Impact on Profit or Loss for the year decrease	51.25	8.08
	Impact on Profit or Loss for the year Increase	(51.25)	(8.08)

ii) Foreign currency risk

The Company enters into transactions in currency other than its functional currency and is therefore exposed to foreign currency risk. The Company analyses currency risk as to which balances outstanding in currency other than the functional currency of that Company. The company enters in to derivative financial instrument such foreign currency forward contract to mitigate the risk of changes in exchange rate on foreign currency exposure.

Following table analysis foreign currency assets and liabilities on balance sheet date.

	PARTICULARS	As at 31st March, 2018	As at 31st March, 2017
	Receivable in Foreign currency	4,627.76	4,372.42
	Payable in Foreign currency	168.38	504.84

	PARTICULARS	As at 31st March, 2018	As at 31st March, 2017
	Outstading forward contracts	617.98	2,442.62

Sensitivity to foreign currency risk

The following table demonstrates the sensitivity in the USD currencies if the currency rate is increased/(decreased) by 1% with all other variables held constant. The below impact on the Company's profit before tax is based on changes in the fair value of unhedged foreign currency monetary assets and liabilities at balance sheet date:

PARTICULARS	Sensitivity analysis			
	For the year ended 31st March 2018		For the year ended 31st March 2017	
	USD Increase	USD Decrease	USD Increase	USD Decrease
Sensitivity to foreign currency risk	44.59	(44.59)	38.68	(38.68)

Working

	PARTICULARS	For the year 2017-18	For the year 2016-17
	Receivable	71.15	0.00
	Payable	2.59	8.35
	Net	68.56	(8.34)

(b) Credit risk

Credit risk is the risk that arises from the possibility that the counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Financial assets that are subject to such risk, principally consist of trade receivables, Investments and loans and advances. None of the financial instruments of the company results in material concentration of credit risk. Financial assets are written off when there is no reasonable expectation of recovery, however, the Group continues to attempt to recover the receivables. Where recoveries are made, these are recognised in the Statement of Profit and Loss. The impairment for financial assets are based on assumptions about risk of default and expected loss rates. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each balance sheet date.

Trade and other receivables

To Manage trade and other receivables, the company periodically assesses the financial reliability of customers, taking in to account the financial conditions, economic trends, analysis to historical bad debts and ageing of such receivables.

The ageing analysis of the trade receivables has been considered from the date the invoice falls due

(Rs. in lacs)

PARTICULARS	As at 31 st March, 2018	As at 31 st March, 2017
0-90 Days	9,963.13	10,999.34
91-180 Days	11,462.54	11,650.86
181-Above Days	6,985.95	6,830.69
Total	28,411.63	29,480.89

The following table summarizes the change in the loss allowances measured using expected credit loss

PARTICULARS	Amount
Balance as at 31st March, 2017	690.43
Provided during the year	16.57
Reversed during the year	-
Balance as at 31st March, 2018	707.01

Investments The Company limits its exposure to credit risk by generally investing in liquid securities and only with counter-parties that have a good credit rating. The Company does not expect any losses from non-performance by these counter-parties apart from those already given in financials, and does not have any significant concentration of exposures to specific industry sectors or specific country risks.

(c) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company has obtained fund and non-fund based working capital lines from various banks. The company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, process and policies related to such risk are overseen by senior management. Management monitors the company's net liquidity position through rolling forecasts on the basis of expected cash flows.

Expected contractual maturity for derivative and non derivative Financial Liabilities:

Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity shareholders of the Company. The Company's objective when managing capital is to safeguard its ability to continue as a going concern so that it can continue to provide returns to shareholders and other stake holders. The Company manages its capital structure and makes adjustments in light of changes in the financial condition and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders (buy back its shares) or issue new shares. No changes were made in the objectives, policies or processes for managing capital during the year ended 31st March, 2018 and 31st March, 2017.

NOTES (CONSOLIDATED)

To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the Ind AS. An explanation for each level is given below.

Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Transition to Ind AS:

For the purposes of reporting as set out in Note A - B, we have transitioned our basis of accounting from Indian generally accepted accounting principles ("IGAAP") to Ind AS. The accounting policies set out in note B have been applied in preparing the financial statements for the year ended March 31, 2018, the comparative information presented in these financial statements for the year ended March 31, 2017. In preparing our opening Ind AS balance sheet, we have made certain adjustments to amounts reported in financial

statements prepared in accordance with IGAAP. An explanation of how the transition from IGAAP to Ind AS has affected our financial position, financial performance and cash flows is set out in the following tables and the notes that accompany the tables. On transition, we did not revise estimates previously made under IGAAP except where required by Ind AS.

Exemptions and exceptions availed

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from Indian GAAP to Ind AS :

Ind AS Optional Exemptions :

Property, plant and equipment

IND AS 101 permits to measure all its property ,plant and equipment at their previous GAAP carrying value i.e. being deemed cost

Leases

In accordance with Ind-AS transitional provisions, the company opted to determine whether an arrangement existing at the date of transition contains a lease on the basis of facts and circumstances existing at the date of transition rather than at the inception of the arrangement.

Fair value of financial assets and liabilities

The Company has financial receivables and payables that are non-derivative financial instruments. Under previous GAAP, these were carried at transaction cost less allowances for impairment, if any. Under Ind AS, these financial assets and liabilities are initially recognised at fair value and subsequently measured at amortised cost, less allowance for impairment, if any. For transactions entered into on or after the date of transition to Ind AS, the requirement of initial recognition at fair value is applied prospectively.

Estimates

The estimates at 31st March, 2017 are consistent with those made for the same dates in accordance with Indian GAAP (after adjustment to reflect any differences if any, in accounting policies) apart from the following items where application of Indian GAAP did not require estimation.

- Impairment of financial assets based on expected credit loss method.
- Investment in debt instruments carried at Amortised Cost.
- investment in equity instruments carried at Fair Value through profit or loss.

The estimates used by the Company to present these amounts in accordance with Ind AS reflect conditions as at the transition date and as of 31st March, 2017.

Ind AS mandatory exceptions

Classification and measurement of financial assets

The Company has classified the financial assets in accordance with Ind AS 109 on the basis of facts and circumstances that exists at the date of transition to Ind AS.

Derecognition of financial assets & financial liabilities

The company has elected to apply the derecognition requirements for financial assets & financial liabilities in accordance with Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS.

Impact of transition to Ind AS

The following is a summary of the effects of the differences between Ind AS and Indian GAAP on the Company's total equity shareholders' funds and profit and loss for the financial period for the period previously reported under Indian GAAP following the date of transition of Ind AS.

Derecognition of financial assets and financial liabilities: The Company has opted to apply the exemption available under Ind AS 101 to apply the derecognition criteria of Ind AS 109 prospectively for the transactions occurring on or after the date of transition to Ind AS.

Transition to Ind AS Reconciliation

The following reconciliations provide a quantification of the effect of significant differences arising from the transition from previous GAAP to Ind AS in accordance with Ind AS 101:

The presentation requirements under Previous GAAP differs from Ind AS and hence Previous GAAP information has been regrouped for ease of reconciliation with Ind AS. The Regrouped Previous GAAP information is derived from the Financial Statements of the Company prepared in accordance with Previous GAAP.

Cash and cash equivalents as at 31 March 2017	1,601.20	(0.00)	1,601.20

Notes on First time Adoption

I Property, Plant & Equipment:

on the date of transition the Group has elected to measure all its property ,plant and equipment at their previous GAAP carrying value i.e., being deemed cost

II Defined benefit obligation:

Under Previous GAAP, the cost relating to post employment benefit obligation including actuarial gain/losses were recognised in profit and loss. Under the Ind AS , actuarial gain/losses on the net defined liability are recognised in the comprehensive income instead of profit & loss.

III Ind AS 109 requires transaction costs incurred towards borrowings to be deducted from the transaction value on initial recognition .These cost are recognised in profit & loss over the tenure of borrowings as a part of the interest expense by applying effective interest rate method

IV Deferred tax have been recognized on adjustments made on transition to Ind As retained earnings

V Investments

Under Previous GAAP, the group made Investments are recorded at cost. Under Ind AS the investments has been fair valued through profit & loss

VI Trade Receivables

The Group measures recovery of debtors on expected Credit loss Model. The difference between the present value and carrying amount is recognised in retained earnings as on transition date .

Note-51 : Tax Expenses relating to continuing operations
