INFIBEAM AVENUES

A GLOBAL FINTECH COMPANY

Q2 FY26

This presentation contains certain words and statements concerning Infibeam Avenues Limited (“the Company”) and its prospects, and other statements relating to the Company’s expected financial position, business strategy, the future development of the Company’s operations and the general economy in India & global markets, are forward looking statements. Such statements involve known and unknown risks, uncertainties and other factors, which may cause actual results, performance or achievements of the Company, or industry results, to differ materially from those expressed or implied by such forward-looking statements. Such forward-looking statements are based on numerous assumptions regarding the Company’s present and future business strategies and the environment in which the Company will operate in the future.

Actual results could differ materially for a variety of reasons, including fluctuations in foreign exchange rates, changes in global economic conditions and consumer spending, world events, the rate of growth of the Internet and online commerce, the amount that Infibeam invests in new business opportunities and the timing of those investments, the mix of products sold to customers, the mix of net sales derived from products as compared with services, the extent to which we owe taxes, competition, management of growth, potential fluctuations in operating results, international growth and expansion, the outcomes of legal proceedings and claims, risks of inventory management, seasonality, the degree to which the Company enters into, maintains, and develops commercial agreements, acquisitions and investment of strategic transactions, payments risks, and risks of warehouse and logistics productivity.

The other important factors that could cause actual results, performance or achievements to differ materially from such forward-looking statements include, among others, changes in government policies or regulations of India and, in particular, changes relating to the administration of the Company’s industry, and changes in general economic, business and credit conditions in India. The information contained in this presentation is only current as of its date and has not been independently verified. No express or implied representation or warranty is made as to, and no reliance should be placed on, the accuracy, fairness or completeness of the information presented or contained in this presentation. None of the Company or any of its affiliates, advisers or representatives accepts any liability whatsoever for any loss howsoever arising from any information presented or contained in this presentation. Please note that the past performance of the Company is not, and should not be considered as, indicative of future results. Furthermore, no person is authorized to give any information or make any representation which is not contained in, or is inconsistent with, this presentation.

Any such extraneous or inconsistent information or representation, if given or made, should not be relied upon as having been authorized by or on behalf of the Company. The Company may alter, modify or otherwise change in any manner the contents of this presentation, without obligation to notify any person of such revision or changes. Persons should consult their own financial or tax adviser if in doubt about the treatment of the transaction for themselves. Certain financial and operational figures and related statements provided in this presentation including certain quarterly information in relation to subsidiaries of the Company are management representations based on internal financial information system of the Company and subsidiaries of the Company.

FINANCIAL PERFORMANCE AND OUTLOOK

Pioneering a New Era : India's First
Listed Fintech Company

**EARNINGS
PRESENTATION**

01

Infibeam completed the transfer of its Platform Business Undertaking to Rediff.com India Ltd., increasing its **stake in Rediff to 82.66%**. This restructuring sharpens business focus positioning Infibeam as a fintech and AI infrastructure company, while enabling Rediff to emerge as a strong consumer and enterprise digital platform under the group umbrella.

02

Secured in-principle approval from IFSCA to operate as a **Payment Service Provider at GIFT City (IFSC)**, marking a strategic expansion into India's international financial hub. This approval positions the Company to facilitate cross-border payments and international fintech transactions from within a globally recognized financial center.

03

Phronetic AI launched PayCentral.ai, India's first agentic payment technology built on Google's AP2 (Agent Payment Protocol). This positions Infibeam at the frontier of AI-driven payments, enabling automated, secure, and auditable agent to-agent (A2A) transactions, a foundational leap for future AI-commerce integration.

04

Received in-principle authorization from the Reserve Bank of India to **issue Prepaid Payment Instruments** under the Payment and Settlement Systems Act, 2007. Expands the company's regulated financial services portfolio paving the way for new consumer payment solutions, stored-value products, and ecosystem synergies with merchant base.

05

Strategic MoU with Nawgati Tech – Partnered to deploy Video-LLMs and agentic AI in the fuel, fleet, and energy sectors, expanding Phronetic AI's presence beyond digital payments into industrial automation.

06

AI Accelerator with EDII and Infibeam Avenues – Co-launched an AI ecosystem program to nurture startups and MSMEs, strengthening the company's position as a key enabler of India's emerging AI innovation network.

07

Advancement in Agentic AI Capabilities – Continued development of desk and field AI agents capable of reasoning, perception, and task automation, designed for large-scale enterprise use.

08

Expansion of Global AI Infrastructure Footprint – Initiated plans to integrate AI services with Infibeam's global payment network, aligning Phronetic AI's technologies with cross-border fintech and intelligent commerce opportunities.
