REPORT ON CORPORATE GOVERNANCE

COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

Corporate Governance ensures fairness, transparency and integrity of the management. Corporate Governance is a way of life, rather than a mere legal compulsion. It further inspires and strengthens investor's confidence and commitment to the Company. Any good Corporate Governance provides an appropriate framework for the Board, its committees and senior management, to carry out the objectives that are in the interest of the Company and the stakeholders.

The Company maintains the highest levels of transparency, accountability and good management practices through the adoption and monitoring of corporate strategies, goals and procedures to comply with its legal and ethical responsibilities.

We believe that sound Corporate Governance is critical to enhancing and retaining investor trust. Accordingly, we always seek to ensure that we attain our performance goals with integrity. Our Board exercises its fiduciary responsibilities in the widest sense of the term.

In compliance with the disclosure requirements as mentioned in Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the details are set out in this report.

BOARD OF DIRECTORS

The "Board", being the trustee of the Company, responsible for the establishment of cultural, ethical and accountable growth of the Company, is constituted with a high level of integrated, knowledgeable and committed professionals. The Board provides strategic guidance and independent views to the Company's senior management while discharging its fiduciary responsibilities.

Constitution of Board

The Company has a balanced board with optimum combination of Executive and Non-Executive Directors, including independent Directors, which plays a crucial role in Board processes and provides independent judgment on issues of strategy and performance. As on 31st March, 2021, board comprises of 6 (Six) Directors out of which 2 (Two) Directors are Executive Directors, and remaining 4 (Four) are Non-Executive Independent Directors.

Independent Directors are non-executive directors as defined under Regulation 16(1)(b) of the SEBI Listing Regulations as amended from time to time. The maximum tenure of the Independent Directors is in compliance with the Companies Act, 2013. MANAGEMENT DISCUSSIONS AND ANALYSIS

OVERVIEW OF THE INDUSTRY

Global prospects remain highly ambiguous one year into the pandemic. The broad-based growth slowdown in the global economy has been accompanied by a sharp slowdown in international trade flows and global manufacturing activity over the past year. Amid rising tariffs and shifts in trade policies, business confidence has deteriorated, dampening investment growth across most regions. While the shift towards more accommodative monetary policies seems to have eased short-term financial market pressures, long-term fault lines create significant uncertainty.

PRINTING INDUSTRY IN INDIA:

Printing and Print – Packaging industry in India is growing; people are taking keen interest in this key industry now. The growth of this sector attributes to the two main reasons, First is the spread of education- according to the census report literacy growth in India touched nearly 70 per cent. This amazing growth in literacy together with rising educational levels and rapidly progressing trade and industry in India make the current situation a happy note. Literacy rate is growing; increase in the literacy rate has direct positive effect on the rise of the circulation of the regional papers. Currently printing sector is all set to become booming in India due to available technology, resource at a very economical cost. Also government is encouraging foreign direct investment into this sector. Lot of MNC's are expected to invest in this sector due to favourable working conditions. There are numerous jobs are expected in this industry due to overall growing percentage of 12% per annum.

HUMAN CAPITAL :

In keeping with our employee-first approach, we quickly instituted measures to trace all employees of the Company and to assure ourselves of their well-being.

To provide a safe work environment for our employees and partners, the following actions have been taken :

- Established processes for reporting, quarantining and supporting any personnel suspected of or confirmed having tested positive for the disease.
- Established detailed protocol for evacuation and sanitization of our office buildings in the event of a suspected or confirmed health incident.
- Increased cadence of sanitization of our office facilities and transport vehicles, and implemented various social distancing measures in our campuses.
- Ensured availability of thermal scanners, masks, hygiene products, medicines and medical facilities at our offices.
- Created detailed plans for enabling return-to-work in a phased manner, that emphasize social distancing and hygiene.

SEGMENT GROWTH DRIVERS:

Availability of Labor, Raw Material and Capital. A strong customer base is must for all the segments and hence required in this industry also. Keeping updates of all the available and updated technological changes

OPPORTUNITIES :

India has averted the effects of the global slump and continues to grow. More and more multinational companies are now targeting India as the hub for manufacturing and exporting. This provides good opportunities to component manufacturers and service providers for accelerated growth. Project expansion is in progress demanding many companies.

CHALLENGES FOR PRINTING INDUSTRY :

Maintaining existing customer base, servicing them with the goal of retaining their business is imperative. Also, the importance of the retention of expert employees cannot be ignored. Building & communicating will always be the most valuable investment organization makes to delivering sustainable growth. The pressure of senior managers to deliver will intensify significantly in future with fierce competition.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Company has a proper and adequate system of Internal Control including internal financial controls. Company has an Audit Committee headed by a Independent director, inter-alia, to oversees company's financial reporting process, disclosure of

Financial information, and reviewing the performance of statutory and internal auditors with management. The internal control system, including internal financial controls of the Company, is monitored by an independent internal audit team, which encompasses examination/ periodic reviews to ascertain adequacy of internal controls and compliance to Company's policies. The committee also looks into related party transactions, preventive controls, investigations, as well as other areas requiring mandatory review per applicable laws. The powers of Committee, inter-alia, include seeking information from any employee, obtaining outside legal or other professional advice, and investigating any activity of the Company within the committee's term of reference.

DETAILS OF SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS

There were no major changes in the key financial ratios i.e. change of 25% or more as compared to the immediately previous financial year hence details are not provided thereof.

CAUTIONARY STATEMENT

The statements in the "Management Discussion and Analysis Report" section describes the Company's objectives, projections, estimates, expectations and predictions, which may be "forward looking statements" within the meaning of the applicable laws and regulations. The annual results can differ materially from those expressed or implied, depending upon the economic and climatic conditions, Government policies and other incidental factors.

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Emphasis of Matter

We draw attention to the requirements of Ind AS-19 - Employee Benefits have not been complied with. Based on books of account and as per the explanations given by the management, the Company is in the process of finalization of structure for the employee benefits and hence, there were no employees who were eligible for the benefits yet. Accordingly, Employee Benefits have not been provided in the financial statement. As per the criteria defined by the Company, our opinion is not modified in respect of this matter.

Other Information - Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors report, but does not include the Financial Statements and our Auditor's Report thereon. Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including

other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (IND AS) specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, including the Companies (Indian Accounting Standards) Amendment Rules, 2019.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF Gala Global Products Limited

Annexure B referred to in Paragraph 2(f) on Report on Other Legal and Regulatory Requirements of Our Report of even date of Gala Global Products Limited for the year ended March 31, 2021

Report on the Internal Financial Controls under Section 143(3)(i) of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Gala Global Products Limited** ('the Company') as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, and both issued by the Institute of Chartered Accountants of India. The Guidance Note and those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial Controls over financials reporting with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these financial statements and their operative effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these financial statements, assessing the risk that material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our audit opinion on the internal financial control system over financial reporting with reference to these financial statements.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial controls over financial reporting with reference to these financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting with reference to these financial statements includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF Gala Global Products Limited

- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to these financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not to be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these financial statements to future periods are subject to the risk that the internal financial controls over financial reporting with reference to these financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given by the management, the Company has, in all material respects, an adequate internal financial control system over financial reporting with reference to these financial statements and such internal financial controls over financial reporting with reference to these financial statements were operating effectively as at March 31, 2021, based on the internal controls over financials reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1 CORPORATE INFORMATION

GALA PRODUCTS LIMITED has been merged with GALA PRINT CITY LIMITED as per NCLT order dated 19th May, 2017 containing appointed date 1st April, 2016. The name of the Company has been changed from Gala Print City Limited to Gala Global Products Limited with effect from 18th August, 2017.

The financial statements were authorized for issue in accordance with a resolution passed in Board Meeting held on June 24, 2021.

2 SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Preparation

The financial statements have been prepared and presented in accordance with the Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

These Ind AS financial statements have been prepared on the historical cost convention and on an accrual basis, except for the following material items in the balance sheet:

- (i) Employee defined benefit assets/(liability) are recognised as the net total of the fair value of plan assets, plus actuarial losses, less actuarial gains and the present value of the defined benefit obligation;
- (ii) Long-term borrowings, except obligations under finance leases, are measured at amortized cost using the effective interest rate method;

(b) Use of Estimates

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Although these estimates are based on the management's best knowledge of the current events and actions, uncertainty about these assumption and estimates could result in the outcomes requiring a material adjustment to the carrying amount of the asset & liabilities in the future period.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the following notes:

- Useful lives of property, plant and equipment and intangible assets {Refer 2(c)&(d)}
- Valuation of inventories { Refer 2(f) }
- Employee benefits { Refer 2(h) }
- Provisions, contingent liability and contingent assets { Refer 2(l) }
- Sales returns { Refer 2(g) }
- Evaluation of recoverability of deferred tax assets { Refer 2 (i) }

(c) Property, plant and equipment

Recognition and measurement

The items of property, plant and equipment are measured at cost of acquisition or construction less accumulated depreciation and accumulated impairment losses, if any. The cost comprises of its purchase price and other incidental expenses that are directly attributable to the acquisition of the asset. The cost of self-constructed assets includes the cost of materials and other costs directly attributable to bringing the asset to a working condition for its intended use. Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance.

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The costs of repairs and maintenance are recognised in the statement of profit and loss as incurred.

Gains or losses arising from de-recognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is de-recognized.

Intangible Assets

Intangible assets initially recognized at cost and are subsequently carried at cost less accumulated amortisation and accumulated impairment losses. These costs are amortised to profit or loss using the straight line method over their estimated useful lives.

The Company has adopted Policy of reviewing the intangible in the year of recognition for possible returns. In case of the returns are not sustainable the intangible assets could be written off with in a period of 2-3 years. And if sustainable the same would be written off as provided under the applicable standard. Since the Company is required to adopt Ind-As compulsory with effect from 01st April 2018 and it has specifically defined in these forthcoming standards that any such Intangible Assets needs to be reviewed at each balance sheet date for any impairment (if any) whereas existing accounting standards require to amortize such intangibles compulsory within maximum of 5/10 years. Further the management foresee that there would not be any impairment requirement comparing to its carrying value as on 31 march 2021 (even in near future as well) and hence no amortization of intangible asset has been made in the period under report.

Depreciation

Depreciation is recognised on pro-rata basis in the statement of profit and loss on a straight line basis over the estimated useful lives of property, plant and equipment.

Type of Assets	Useful life in years
Building	30 years
Plant and Machineries	15 years
Furniture, Fixtures and Equipments	10 years
Computers	3 years
Vehicles	8 to 10 years
Mobile Phones	5 years

The residual values, useful lives and method of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Advances paid towards the acquisition of property, plant and equipment outstanding at each reporting date is disclosed as capital advances under other non current assets. The cost of property, plant and equipment not ready to use before such date are disclosed under capital work-in-progress. Assets not ready for use are not depreciated.

(d) Impairment of Non Financial Assets

The Management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price or value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years

Goodwill

CGUs to which goodwill has been allocated are tested for impairment annually or more frequently when there is indication for impairment. If the recoverable amount of a CGU is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro-rata on the basis of the carrying amount of each asset in the unit.

Determination of recoverable amount of CGU requires the management to estimate the future cash flows expected to arise and a suitable discount rate in order to calculate the present value. An impairment loss recognised for goodwill is not reversed in subsequent periods.

(e) Investments

Investments, which are readily realisable and intended to be held for not more than a year from the date on which such investments are made, are classified as current investments. All other investments are classified as Non-current investments.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis.

Non-current investments are carried at cost. Investments in share of foreign subsidiaries are reported in Indian Currency at the rate of exchange prevailing on the date of transaction. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying cost and net disposal proceeds is charged or credited to the statement of profit and loss.

(f) Inventories

- (i) Raw materials, Packing materials, fuel, stores and spares are valued at lower of cost and net realizable value. Cost includes Purchase Price and other directly attributable costs incidental thereto. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on a weighted average basis.
- (ii) Work-in-progress and finished goods are valued at lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost is determined on a weighted average basis.
- (iii) Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.
- (iv) Provision for diminution in value of inventories has been made for expired, obsolete, non-moving and slow-moving inventories as per the management's estimate.

(g) Revenue Recognition

Revenue is recognized to the extent that the economic benefits will flow to the Company and the revenue can be reliably measured regardless of when the payment is being made.

- (i) Revenue is measured at fair value of the consideration received or receivable. Revenue from sale of goods includes excise duty and are net of discounts, applicable taxes, rebates and estimated returns.

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods, recoverability of consideration is probable, the amount of revenue and cost incurred or to be incurred in respect of transaction can be measured reliably and there is no continuing managerial involvement over the goods sold.. The company collects GST (01.04.2020 to 31.03.2021) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.

- (ii) Income from services is recognized when the services are rendered or based on stage of completion.
- (iii) Interest income is accounted on accrual basis at applicable rate.
- (iv) Other incomes are accounted as and when the right to receive arises.

(h) Employees retirement and other benefits

Retirement/ Post retirement Benefits: The Company has not made any provision for gratuity and leave encashment as prescribed by the Indian Accounting Standard (IndAS) – 19 on Employee Benefits. Please refer Note 27.

(i) Income Taxes

Income tax expense comprises current and deferred tax expense. Income tax expenses are recognized in statement of profit and loss, except when they relate to items recognized in other comprehensive income or directly in equity, in which case, income tax expenses are also recognized in other comprehensive income or directly in equity respectively.

Current tax is the tax payable on the taxable profit for the year, using tax rates enacted or substantively enacted by the end of reporting period by the governing taxation laws, and any adjustment to tax payable in respect of previous periods. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred taxes arising from deductible and taxable temporary differences between the tax base of assets and liabilities and their carrying amount in the financial statements are recognized using substantively enacted tax rates and laws expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled. The deferred tax arising from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction are not recognized.

Deferred tax asset are recognized only to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax assets to be utilized.

In respect of taxable temporary differences associated with investments in subsidiaries, associates and interest in jointly controlled entities, when the timing of reversal of temporary differences can be controlled and it is probable that temporary differences will reverse in foreseeable future.

Deferred tax assets and liabilities are offset when the Company has a legally enforceable right to do the same.

MAT credit is recognized as an asset only when there is convincing evidence that the company will pay normal income tax within specified period. The assets are reviewed at each balance sheet date

(j) Earnings Per Share

Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors. Basic earnings per share is computed by dividing profit or loss attributable to equity share holders of Group by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is determined by the adjusting profit or loss attributable to ordinary shareholders and weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares.

(k) Cash and cash equivalents

Cash and cash equivalents consists of cash on hand, short demand deposits and highly liquid investments, that are readily convertible into known amounts of cash and which are subject to an insignificant risk of change in value. Short term means investments with original maturities / holding period of three months or less from the date of investments. Bank overdrafts that are repayable on demand and form an integral part of the Group's cash management are included as a component of cash and cash equivalent for the purpose of statement of cash flow.

(l) Provisions, contingent liabilities and contingent assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources for which reliable estimate can be made. The expenses related to provision is presented in P&L net of any reimbursement.

Liabilities which are of a contingent nature are not provided but are disclosed at their estimated amount in the notes forming part of the financial statements. Contingent assets are neither recognized nor disclosed in the financial statements.

Where the company expects some or all of a provision to be reimbursed, for example under an insurance contract, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement.

(m) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of these assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in statement of profit and loss in the period in which they are incurred.

(n) Cash flow statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

(o) Operating Cycle and Current/Non-current classification

Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current/non-current classification of assets and liabilities.

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle.
- Held primarily for the purpose of trading.
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle.
- It is held primarily for the purpose of trading.
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.
