ANNEXURE I TO THE NOTICE

EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 5

The Board of Directors, on the recommendation of the Audit Committee, approved the appointment of M/s. N. I. Mehta & Co., Cost Accountants, Mumbai, (ICWA Registration No. 000023) as Cost Auditors to conduct the audit of the cost records of organic and inorganic chemicals and industrial gases of the Company at a remuneration of ₹ 3,00,000/- (Rupees Three Lakh Only) plus applicable service tax and reimbursement of travelling and out-of-pocket expenses incurred by them for the financial year ending 31st March, 2017. In terms of the provisions of Section 148(3) of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditor as recommended by the Audit Committee and approved by the Board of Directors, has to be ratified by the Members of the Company.

A certificate issued by the above firm regarding their eligibility for appointment as Cost Auditors will be available for inspection at the Registered Office of the Company on all working days except Saturdays, Sundays and Public Holidays between 11.00 a.m. to 1.00 p.m. upto and including the date of the Annual General Meeting.

Accordingly, consent of the shareholders is sought for passing an Ordinary Resolution as set out at Item No. 5 of the Notice for ratification of the remuneration payable to the Cost Auditors for the financial year ending 31st March, 2017.

None of the Directors and Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 5 of the Notice.

The Board of Directors commends the Ordinary Resolution set out at Item No. 5 of the accompanying Notice for approval of the Members.

Item No. 6

Dr. (Mrs.) Minnie Bodhanwala (DIN: 00422067) was appointed as an Additional Director on the Board of the Company w.e.f. 1st October, 2015.

The Nomination and Remuneration Committee of the Board has recommended the appointment of Dr. Bodhanwala as

Non-Executive, Non-Independent Director of the Company liable to retire by rotation under the Companies Act, 2013 ("the Act") (including any statutory modification(s) or re-enactment thereof).

The Board has also approved the appointment of Dr. Bodhanwala as a Director of the Company liable to retire by rotation.

Dr. Bodhanwala is not disqualified from being appointed as Director in terms of Section 164 of the Act and has given her consent to act as Director.

The Company has received a notice in writing from a member alongwith the deposit of requisite amount under Section 160 of the Act proposing the candidature of Dr. Bodhanwala for the office of Director of the Company.

Brief resume of Dr. Bodhanwala, nature of her expertise in functional areas and names of companies in which she holds directorships and memberships/chairmanships of Board Committees, shareholding and relationships between directors inter-se as stipulated under Regulation 36 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 are provided in Annexure II of the Notice.

This Statement may also be regarded as a disclosure under Regulation 36 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Dr. Bodhanwala is interested in the resolution set out respectively at Item No. 6 of the Notice with regard to her appointment as Director.

The relatives of Dr. Bodhanwala may be deemed to be interested in the resolution set out respectively at Item No. 6 of the Notice, to the extent of their shareholding interest, if any, in the Company.

None of the other Directors/Key Managerial Personnel of the Company/their relatives are, in any way, concerned or interested, financially or otherwise, in the said resolution.

The Board commends the Ordinary Resolution set out at Item No. 6 of the Notice for approval by the Members.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENTS

National Peroxide Limited is the largest producer of Hydrogen Peroxide in the country. In addition to being well-known in the industry as a pioneer, its product commands a strong brand image. It has been in the forefront in the development of technology for manufacture of Hydrogen Peroxide. Due to the efforts made by the Company in new applications development, the domestic market has significantly developed over the years.

The total production capacity of the four producers manufacturing Hydrogen Peroxide in the country as on 31st March, 2016 is estimated at 2,19,500 MTPA on an annualized basis. The domestic demand is expected to grow by 5 – 6% during 2016-17.

The surplus in neighbouring countries has led to significant quantity of imports at low prices.

OPPORTUNITIES AND THREATS

Key Raw Material – Natural Gas – Input for Production of Hydrogen Peroxide

One of the key inputs in production of Hydrogen Peroxide is Hydrogen Gas. This is produced by steam reforming of natural gas.

The country imported 11.46 MT of LNG (41.26 mmscmd) without considering imports made by Reliance Industries Ltd.

The supply of natural gas from Reliance Industries KG Basin is estimated at 11.5 mmscmd. By 2016-17, another 23 mmscmd is expected.

Currently, India imports LNG through Petronet (Dahej), Shell (Hazira) and Ratnagiri Gas and Power Pvt. Ltd. (Dabhol). Crude oil prices have significantly reduced in the recent past and are currently in the range of USD 40 – 45 per barrel. Oil production outside OPEC is expected to reduce in the coming months, due to lower prices. In particular, the US Shale oil boom is expected to falter. Exports from Iran are likely to gradually increase with financial barriers to sales persisting even after lifting of international sanctions.

The prospect of the oil markets rebalancing before year end is gaining traction among analysts.

With this, oil prices are expected to increase by end of the calendar year 2016.

As per the New Domestic Natural Gas Pricing Guidelines, 2014, the Government has notified the natural gas price at USD 3.06 per mmbtu (GCV) basis from 1st April to 30th September, 2016. These prices are not applicable to LNG imports.

Recently, the gas prices contract entered into by M/s. Petronet with RAS Gas, Qatar has been renegotiated.

GAIL has entered into a twenty year gas sales and purchase agreement with Sabine Pass Liquefaction LLC, a unit of

Chemiere Energy Partners in the US for 3.5 MTPA of LNG. It also has a terminal service agreement for 2.3 MTPA LNG liquefaction capacity with Dominion Cave Point LNG in the USA. In addition, it has a 20 year LNG supply contract for 2.5 MTPA with Gazprom Marketing and Trading Ltd.

Pulp and Paper Industry – A Key Customer for Hydrogen Peroxide

The paper industry has been affected by a weaker than expected demand supply environment and increased cost pressures. Post completion of the CAPEX cycle and a gradual absorption of excess capacity the situation of the paper industry is expected to improve in FY. 2017.

The paper industry which was affected by large scale imports of newsprint from Russia and also writing and printing paper from China is slightly better placed due to reduction in imports from Russia. However, imports continue to be a challenge. Overall imports have been stable.

Recovery fibre consumption is going up globally in India. About 0.85 to 1.00 million tonnes of waste paper is being recovered annually. The recovery rate works out to about 20% which is much lower in comparison with 65% recovery achieved by many global players. Low recovery is on account of alternate use of paper in wrapping, packing etc. Paper mills are heavily dependent on import based waste paper which has exorbitant prices due to inadequate availability. Some companies are making efforts to increase the recovery of waste paper.

Emerging Customer for Hydrogen Peroxide – Environmental Applications

The demand for Hydrogen Peroxide from refineries for effluent treatment is based on the quality of crude processed. Since no new refineries are expected to become operational in the near future, the demand from this sector is not expected to increase.

OUTLOOK

The outlook for industry in the near term can only be viewed with cautious optimism. During the year under review, significant imports continued to take place from Thailand, Bangladesh and Pakistan. These imports have been at significantly lower price as these countries have a limited demand. Imports from these countries are expected to continue during the coming year. The price of natural gas in the neighbouring countries such as Pakistan and Bangladesh has created serious distortions in the cost structure of the industry.

RISKS & CONCERNS

The customs duty on Hydrogen Peroxide imported from Thailand and Bangladesh is currently zero. Therefore, there is no protection available to the domestic industry.

National Peroxide Limited

INTERNAL CONTROLS SYSTEMS AND THEIR ADEQUACY

The Company has a system of Internal Financial Controls to ensure that all its assets are properly safeguarded and not exposed to risks arising out of unauthorized use or disposal. The Internal Financial Control system is supplemented by a programme of Internal Audits to ensure that the assets are properly accounted for and the business operations are conducted to adhere to laid down policies and procedures. The Internal Audit plan is approved by the Audit Committee.

The Audit Committee of the Board of Directors meets regularly to review, *inter alia*, risk management policies, adequacies of internal financial controls and the audit findings on the various segments of the business.

The Company carries out periodic review of the Risk Management framework during the year, as per the requirements of the earlier Clause 49 of the Listing Agreement and the new SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

FINANCIAL PERFORMANCE

Discussion on financial performance with reference to operational performance has been dealt with in the Directors' Report which should be treated as forming part of this Management Discussion and Analysis Report.

HUMAN RESOURCES

Peace and harmony between employer and employees prevailed during the year. Relations with the Union continued to be cordial. The long term settlement with the recognized Union, Maharashtra Girni Kamgar Union (MGKU) is valid upto 30th September, 2016.

The Company continues to emphasize its in-house technical training of the employees to upgrade their technical skills. Some of the employees were also sent to technical programmes conducted by the Indian Chemical Council.

The Company has obtained certification for RC-14001, from M/s. DNV Certification (India) Pvt. Ltd., for Responsible Care. This is expected to foster improvement in the team work within the Company.

The employee strength on the permanent rolls of the Company was 110, as on 31st March, 2016.

RESOURCES AND LIQUIDITY

The Company finances its working capital requirements by sourcing credit lines placed at its disposal by a consortium of banks led by State Bank of India.

CAUTIONARY STATEMENT:

Statements in this Management Discussion and Analysis Report describing the Company's objectives, projections, estimates, expectations or predictions may be "forward-looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include raw material availability and prices, cyclical demand and pricing in the Company's principal markets, changes in Government regulations, tax regimes, economic developments within India and the countries in which the Company conducts business and other incidental factors.

The Audit Committee is constituted as per the provisions of Section 177 of the Companies Act, 2013 read with revised Clause 49 of the erstwhile Listing Agreement and Regulation 18 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Committee comprises of members who possess financial and accounting expertise/exposure.

The Managing Director, the Chief Financial Officer, the Statutory Auditors, the Internal Auditors and the Cost Auditors attend the Audit Committee Meetings as invitees. The Company Secretary acts as the Secretary to the Audit Committee.

The Company had adopted a revised Audit Committee Charter, containing the terms of reference, w.e.f. 1st October, 2014, in accordance with the Companies Act, 2013 and Clause 49 of the erstwhile Listing Agreement. The Charter was suitably amended to incorporate the requirements under the SEBI (Prohibition of Insider Trading) Regulations, 2015 which came into effect from 14th May, 2015.

The role of the Audit Committee flows directly from the Board of Directors' overview function on corporate governance, which holds the Management accountable to the Board and the Board accountable to the stakeholders. The term of reference of the Audit Committee broadly includes acting as a catalyst, in helping the organization achieve its objectives. The Audit Committee's primary role is to review the Company's financial statements, internal financial reporting process, internal financial controls, the audit process, adequacy, reliability and effectiveness of the internal control systems and risk management process, vigil mechanism, related party transactions, monitoring process for compliance with laws and regulations and the code of conduct. The Audit Committee also reviews various reports and presentations and the responses thereto by the management.

United Nations' 21st Climate Change Conference was held in Paris, from 1st to 14th December, 2015. During the conference a 'Historic Agreement' was reached between 'participating nations' to combat 'Climate Change' and intensify actions and investments needed to attain a sustainable low carbon future.

'Key features' of the Agreement, which was signed by 190 nations, are:

- 1) Strengthen Global efforts to limit Global temperature rise below 2°C above the Pre-industrial level by the end of this century & pursue efforts to limit the temperature rise below 1.5°C.
- 2) Provide finance to help developing countries in their transition to clean Energy.
- 3) Countries promised to try bringing down peak emissions as soon as possible and achieve net 'zero emission', in the 2nd half of this century by adopting clean renewable energy, improving energy efficiency and removal of GreenHouse Gases (GHG) using Sink.
- 4) Global stock taking every 5 years to assess the collective progress made by an individual country.
- 5) Deal includes loss & damage mechanism for addressing the financial losses of countries which are vulnerable to the impacts of climate change such as extreme weather.

120 countries including India have put up their INDCs (Indented Nationally Determined Contributions) to curb emissions. In the Action Plan submitted to UNFCCC, India has stated that it will reduce GHG emissions by 33% to 35% of 2005 level, by 2030 by using Non-Fossil fuel based sources such as Solar, Wind, Hydropower and by other means.

United States announced an initial contribution of US \$ 500 million towards Green Climate fund. World climate finance is collectively aimed at \$ 100 billion per year by 2020.

The next Conference of Parties (COP) will be held at Marrakech, Morocco from 7th to 18th November, 2016.

Climate Technology Centre and Network (CTCN), the operating arm of UNFCCC, promotes transfer of environmentally sound technologies for carbon reduction and gives advice on policies, legal and regulatory framework.

CTCN helps in curbing Green Gas Emission in the following ways:

- 1) CTCN manages requests from developing countries for their Climate Change Projects.
- 2) Provides information and knowledge on various proposal implemented across world, through its network.
- 3) Provides technical assistance for preparing climate technology projects for financing.
- 4) Provides access to financial support from donor countries for development of Climate Change Technology & their transfer to Green Gas Emission Curbing proposals.

CTCN has received 104 such requests of which 73 requests have been published.

4th Annual Conference 'CONNECTkaro' by WRI in India was held at New Delhi from 5th to 7th April, 2016. During the conference, challenges and solutions in the area of renewable energy, Air pollution, Urban Expansion and Transport were discussed. Conference helped in drawing upon the best 'Global Practices' and their application in the Indian context.

NPL has made extensive efforts to reduce its CO₂ emissions during the year. The thrust is on using energy efficient equipment and appliances in it's plants and office buildings, to conduct energy audits, minimise waste and recycle water from its effluent.

The Company's GHG emissions during the last three years, with Kalyan plant as the project boundary, are given below:

(Ton Co₂/Year)

SCOPE	FY 2013-14			FY 2014-15			FY 2015-16

GHG Intensity (50% H ₂ O ₂)	759.5 kg/MT		739 kg/MT		737.8 kg/MT	

* Production was less during FY 2014-15, due to 61 days plant shutdown. The total emission was also less during FY 2014-15.

National Peroxide Limited

The efforts taken have paid rich dividends in reducing CO₂ emissions from 759 Kg/MT of H₂O₂ production during the year 2013-14, to 738 Kg/MT of H₂O₂ during year 2015-16 (reduction by 3% as shown in the table).

The specific CO₂ emission (Kg/MT) and total tCO₂e is separated for AO and Hydrogen Plant, as in some Hydrogen Peroxide plants, Hydrogen Gas is available as a by-product from a Caustic-Chlorine plant.

Benchmarking of GHG intensity for Hydrogen Peroxide is not possible due to non-availability of data from other Hydrogen Peroxide Producers.

Further plans to turn Green include:

- Innovative plant changes to achieve a quantum reduction in Energy Consumption by heat recovery.
- Use of Solar energy, if found viable.
- Rain Water Harvesting using land available at Kalyan Plant.

Emissions Reduction and Abatement Measures

Various Energy Conservation Measures as detailed in Annexure VII, have resulted in reduction of 155 Tons of CO₂ Emission (1.6 kg/Ton H₂O₂ production).

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF NATIONAL PEROXIDE LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying Standalone financial statements of **NATIONAL PEROXIDE LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under Section 143(11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

National Peroxide Limited

- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial control over financial reporting.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 20 (i) to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditors' Report) Order, 2016 ("the order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date on the standalone financial statements of National Peroxide Limited for the year ended 31st March, 2016)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of NATIONAL PEROXIDE LIMITED ("the Company") as of 31st March, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the

“Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2016 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2 under "Report on Other Legal and Regulatory Requirements" section of our report of even date on the standalone financial statements of National Peroxide Limited for the year ended 31st March, 2016)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and the records examined by us and based on the examination of the registered Indenture deeds provided to us, we report that, the title deeds, comprising all the immovable properties of land which are freehold, are held in the name of the Company as at the balance sheet date.
- (ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable interval and no material discrepancies were noticed on physical verification.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the Register maintained under Section 189 of the Companies Act, 2013.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit during the year and does not have any unclaimed deposit. Hence reporting under clause (v) of the order is not applicable.
- (vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, *prima facie*, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanation given to us, in respect of statutory dues:
 - (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-Tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added tax, cess and other material statutory dues applicable to it with the appropriate authorities. There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-Tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added tax, cess and other material statutory dues in arrears as at 31st March 2016 for a period of more than six months from the date they became payable except following:

Name of Statute	Nature of Dues	Amount (₹ in Lakhs)	Period to which the Amount Relates	Due Date	Date of subsequent payment
The Income Tax Act, 1961	Income Tax	4.26	FY 2011-12	15th April, 2015	23rd May, 2016

- (b) There are no dues of Income-tax as on 31st March 2016 on account of dispute.
- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues to bank. The Company has not obtained any borrowings from financial institution and government. The Company has not issued any debentures.
- (ix) The Company has not raised moneys by way of Initial Public Offer of further public offer (including debt instruments) or term loan and hence reporting under clause (ix) of the order is not applicable.
- (x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company by its officers or employees has been noticed or reported during the year.

Annual Report 2015-2016

- (xi) In our opinion and according to the information and explanations given to us, the Company has paid and provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V of the Companies Act, 2013.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the order is not applicable to the company.
- (xiii) In our opinion and according to the information and explanation given to us the Company is in compliance with Section 177 and 188 of the Companies Act, 2013, where applicable, for all the transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- (xiv) During the year, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of the order is not applicable to the Company.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or directors of its subsidiary company or persons connected with them and hence the provisions of Section 192 of the Companies Act, 2013 are not applicable.
- (xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

Corporate Information

National Peroxide Limited (NPL) is a public limited Company established in 1954 and is listed on BSE Limited, Mumbai.

NPL a pioneer in India for peroxygen chemicals is the largest manufacturer of Hydrogen Peroxide in India, with an installed capacity of 95 KTPA on 50% w/w. basis.

1. SIGNIFICANT ACCOUNTING POLICIES:

(a) **Basis of Accounting and Preparation of Standalone Financial Statements:**

The standalone financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards prescribed under Section 133 of the Companies Act, 2013 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") as applicable. The standalone financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the standalone financial statements are consistent with those followed in the previous year.

(b) **Use of Estimates:**

The preparation of the standalone financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the standalone financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

(c) **Fixed assets and depreciation:**

• Tangible fixed assets and depreciation

Tangible fixed assets acquired by the Company are reported at acquisition value, with deductions for accumulated depreciation and impairment losses, if any.

The acquisition value includes the purchase price (excluding refundable taxes) and expenses directly attributable to the asset to bring it to the site and in the working condition for its intended use. Examples of directly attributable expenses included in the acquisition value are delivery and handling costs, installation, legal services and consultancy services.

Where the construction or development of any such asset requiring a substantial period of time to set up for its intended use, is funded by borrowings, the corresponding borrowing costs are capitalised up to the date when the asset is ready for its intended use.

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

(d) **Impairment of fixed assets:**

Consideration is given at each Balance Sheet date to determine whether there is any indication of impairment of the carrying amount of the Company's fixed assets. If any indication exists, an asset's recoverable amount is estimated. An impairment loss is recognised whenever the carrying amount of the assets exceeds its recoverable amount. The recoverable amount is greater of the net selling price and value in use. Reversal of impairment loss is recognised immediately as income in the Statement of Profit and Loss.

(e) **Taxes on Income:**

Current tax is determined as the amount of tax payable in respect of taxable income for the year as determined in accordance with the applicable tax rates and the provisions of Income Tax Act, 1961.

Deferred tax is calculated to correspond to the tax effect arising when final tax is determined. Deferred tax corresponds to the net effect of tax on all timing differences which occur as a result of items being allowed for income tax purposes during a period different from when they were recognised in the standalone financial statements.

Deferred tax assets are recognised with regard to all deductible timing differences to the extent that it is probable that taxable profit will be available against which deductible timing differences can be utilised. When the Company carried forward unused tax losses and unabsorbed depreciation, deferred tax assets are recognised only to the extent there is virtual certainty backed by convincing evidence that sufficient future taxable income will be available against which deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each Balance Sheet date and reduced by the extent that it is no longer probable that sufficient taxable profit will be available to allow all or a part of the aggregate deferred tax asset to be utilised.

(f) **Investments:**

Investments are either classified as current or long-term investments. Current investments are carried at lower of cost and market value. Long-term investments are carried at cost of acquisitions, net of diminution in value, if any, which is other than temporary.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS (Contd.)

(g) **Inventories:**

Inventories are valued at the lower of the cost and the net realisable value.

In the case of raw materials, packing materials and stores and spare parts, cost is determined in accordance with the moving weighted average principle. Costs include the purchase price, non-refundable taxes and delivery and handling costs.

Cost of finished goods is determined using the absorption costing principles. Costs include the cost of materials consumed, labour and a systematic allocation of variable and fixed production overheads. Excise duties at the applicable rates are also included in the cost of finished goods.

Net realisable value is estimated at the expected selling price less estimated completion and selling costs.

(h) **Revenue Recognition:**

Sales include products net off trade discounts and exclude sales tax, state value added tax and service tax.

With regard to sale of products, income is reported when practically all risks and rewards connected with ownership have been transferred to the buyer. This usually occurs upon dispatch, after the price has been determined and collection of the receivable is reasonably certain.

Revenue from dividend on securities is recognised when the right to receive such dividend is established. Interest on securities is recognised evenly over the period of the instrument.

(i) **Financial Income and Borrowing Cost:**

Financial income and borrowing cost include interest income on bank deposits and interest expense on loans.

Interest income is accrued evenly over the period of the instrument.

Borrowing cost are recognised in the period to which they relate, regardless of how the funds have been utilised, except where it relates to financing of construction or development of assets requiring a substantial period of time to prepare for their intended future use. Interest is capitalised up to the date when the asset is ready for its intended use. The amount of interest capitalised for the period is determined by applying the interest rate applicable to appropriate borrowings outstanding during the period to the average amount of accumulated expenditure for the assets during the period.

(j) **Foreign Currency Transactions:**

Transactions in foreign currencies are translated to the reporting currency based on the exchange rate on the date of the transaction. Exchange differences arising on settlement thereof during the year are recognised as income or expenses in the Statement of Profit and Loss.

Cash and bank balances, receivables and liabilities (monetary items) in foreign currencies as at the year end are translated at closing-date rates, and unrealised translation differences are included in the Statement of Profit and Loss.

(k) **Employee Benefits:**

a. **Short-term Employee Benefits**

Short term employee benefits are recognised as an expense at the undiscounted amount expected to be paid over the period of services rendered by the employees to the Company.

b. **Long-term Employee Benefits**

The Company has both defined-contribution and defined-benefit plans, of which some have assets in special funds or securities. The plans are financed by the Company and in the case of some defined contribution plans by the Company along with its employees.

(i) **Defined-contribution plans**

Annual contribution payable to the Provident Fund and Superannuation Fund (based on the percentage of salary) are charged as an expense as they fall due, that is, in the same period as the employment gives rise to the contribution. Company also contributes to an established Provident Fund for certain employees where it is obliged to meet the interest shortfall, if any.

(ii) **Defined-benefit plans**

For defined-benefit plans in the form of gratuity fund and pension, the cost of providing benefits are determined using the projected unit credit method, with actuarial valuations being carried out at each Balance Sheet date. These commitments are valued at the present value of the expected future payments, with consideration for calculated future salary increases, using a discount rate corresponding to the interest rate estimated by the actuary having regard to the interest rate on government bonds with a remaining term that is almost equivalent to the average balance working period of employees. Actuarial gains and losses are immediately recognised in the Statement of Profit and Loss.

c. **Other Employee Benefits**

Compensated absences which accrue to employees and which can be carried to future periods but are expected to be encashed or availed in twelve months immediately following the year end are reported as expenses during the year in which the employees perform the services that the benefit covers and the liabilities are reported at the undiscounted amount of the benefits after deducting amounts already paid. Where there are restrictions on availment of encashment of such accrued benefit or where the availment or encashment is otherwise not expected to wholly occur in the next twelve months, the liability on account of the benefit is actuarially determined using the projected unit credit method.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS (Contd.)**(l) Provisions and Contingencies:**

A provision is recognised when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised but are disclosed in the notes to the standalone financial statement.

(m) Operating Lease:

Lease arrangements where risks and rewards incidental to ownership of an asset substantially vest with lessor are recognised as operating leases. Lease rentals under the operating leases are recognised in the Statement of Profit and Loss on a straight line basis over lease term.

(n) Earnings per share:

Basic earnings per share is calculated by dividing the net profit/(loss) after tax attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is calculated by dividing the net profit/(loss) after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

(o) Cash flow statement:

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

(p) Operating Cycle:

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF NATIONAL PEROXIDE LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **NATIONAL PEROXIDE LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiary (the Holding Company and its subsidiary constitutes "the Group"), comprising of the Consolidated Balance Sheet as at 31st March, 2016, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, as applicable. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditor in terms of their report referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2016, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matter

We did not audit the financial statements of one subsidiary, whose financial statements reflect total assets of ₹ 427.01 lakhs as at 31st March, 2016, total revenues of ₹ 49.88 lakhs and net cash inflow amounting to ₹ 47.40 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditor whose report has been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary is based solely on the report of the other auditor.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below is not modified in respect of the above matter with respect to our reliance on the work done and the report of the other auditor.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the report of the other auditor.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
 - (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2016 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditor of its subsidiary company incorporated in India none of the directors of the Group Companies is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our Report in "Annexure A", which is based on the auditors' reports of the Holding company and subsidiary company incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Holding company's and subsidiary company's incorporated in India internal financial controls over financial reporting.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group – Refer Note 20 (i) to the consolidated financial statements.
 - ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date on the consolidated financial statements of National Peroxide Limited for the year ended 31st March 2016)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2016, we have audited the internal financial controls over financial reporting ("IFCoFR") of **NATIONAL PEROXIDE LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiary company which is company incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Holding company and its subsidiary company which is company incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor of the subsidiary company which is company incorporated in India, in terms of their report referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary company which is company incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matter

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to one subsidiary company which is company incorporated in India, is based on the corresponding report of the auditor of such company incorporated in India.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

Corporate Information

National Peroxide Limited (the 'Company') and its subsidiary company comprise the Group. National Peroxide Limited (NPL) is a public limited Company established in 1954 and is listed on BSE Limited, Mumbai.

NPL a pioneer in India for peroxygen chemicals is the largest manufacturer of Hydrogen Peroxide in India, with an installed capacity of 95 KTPA on 50% w/w. basis.

1. Significant Accounting Policies:

(a) Basis of accounting and preparation of consolidated financial statements:

The consolidated financial statements of the Company and its subsidiary (together the 'Group') have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards prescribed under Section 133 of the Companies Act, 2013 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") as applicable. The consolidated financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the consolidated financial statements are consistent with those followed in the previous year. In case, each company in the Group does not follow a uniform accounting policy, the same as disclosed in the audited accounts of the said company, has been reproduced, if material.

(b) Principles of Consolidation:

(i) The consolidated financial statements have been prepared in accordance with Accounting Standard (AS) 21 'Consolidated Financial Statements' prescribed under Section 133 of the Companies Act, 2013. The consolidated financial statements relate to National Peroxide Limited (the 'Company') and its subsidiary company comprise the Group. The consolidated financial statements have been prepared on the following basis:

(ii) The consolidated financial statements of the Company and its subsidiary company have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses, after eliminating intra-group balances, intra-group transactions and resulting unrealised profits or losses, unless cost cannot be recovered.

(iii) Following Subsidiary Company has been considered in the preparation of consolidated financial statements

Name of the Company	Country of Incorporation	% of Holding and voting power either directly or indirectly through subsidiary as at 31.03.2016 & 31.03.2015
Naperol Investments Limited	India	100%

(c) Use of Estimates:

The preparation of the consolidated financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the consolidated financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

(d) Fixed assets and depreciation:

Tangible fixed assets and depreciation:

Tangible fixed assets acquired by the Company are reported at acquisition value, with deductions for accumulated depreciation and impairment losses, if any.

The acquisition value includes the purchase price (excluding refundable taxes) and expenses directly attributable to the asset to bring it to the site and in the working condition for its intended use. Examples of directly attributable expenses included in the acquisition value are delivery and handling costs, installation, legal services and consultancy services.

Where the construction or development of any such asset requiring a substantial period of time to set up for its intended use, is funded by borrowings, the corresponding borrowing costs are capitalised up to the date when the asset is ready for its intended use.

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight line method as per the useful life prescribed in Schedule II to the Companies Act, 2013

(e) Impairment of fixed assets:

Consideration is given at each Balance Sheet date to determine whether there is any indication of impairment of the carrying amount of the Company's fixed assets. If any indication exists, an asset's recoverable amount is estimated. An impairment loss is recognised whenever the carrying amount of the assets exceeds its recoverable amount. The recoverable amount is greater of the net selling price and value in use. Reversal of impairment loss is recognised immediately as income in the Consolidated Statement of Profit and Loss.

(f) Taxes on Income:

Current tax is determined as the amount of tax payable in respect of taxable income for the year as determined in accordance with the applicable tax rates and the provisions of Income Tax Act, 1961.

Deferred tax is calculated to correspond to the tax effect arising when final tax is determined. Deferred tax corresponds to the net effect of tax on all timing differences which occur as a result of items being allowed for income tax purposes during a period different from when they were recognised in the financial statements.

Deferred tax assets are recognised with regard to all deductible timing differences to the extent that it is probable that taxable profit will be available against which deductible timing differences can be utilised. When the Group carried forward unused tax losses and unabsorbed depreciation, deferred tax assets are recognised only to the extent there is virtual certainty backed by convincing evidence that sufficient future taxable income will be available against which deferred tax assets can be realised.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Contd.)

The carrying amount of deferred tax assets are reviewed at each Balance Sheet date and reduced by the extent that it is no longer probable that sufficient taxable profit will be available to allow all or a part of the aggregate deferred tax asset to be utilised.

(g) **Investments:**

Investments are either classified as current or long-term investments. Current investments are carried at lower of cost and market value. Long-term investments are carried at cost of acquisitions, net of diminution in value, if any, which is other than temporary.

(h) **Inventories:**

Inventories are valued at the lower of the cost and the net realisable value.

In the case of raw materials, packing materials and stores and spare parts, cost is determined in accordance with the moving weighted average principle. Costs include the purchase price, non-refundable taxes and delivery and handling costs.

Cost of finished goods is determined using the absorption costing principles. Costs include the cost of materials consumed, labour and a systematic allocation of variable and fixed production overheads. Excise duties at the applicable rates are also included in the cost of finished goods.

Net realisable value is estimated at the expected selling price less estimated completion and selling costs.

(i) **Revenue Recognition:**

Sales include products net off trade discounts and exclude sales tax, state value added tax and service tax.

With regard to sale of products, income is reported when practically all risks and rewards connected with ownership have been transferred to the buyer. This usually occurs upon dispatch, after the price has been determined and collection of the receivable is reasonably certain.

Revenue from dividend on securities is recognised when the right to receive such dividend is established. Interest on securities is recognised evenly over the period of the instrument.

(j) **Financial Income and Borrowing Cost:**

Financial income and borrowing cost include interest income on bank deposits and interest expense on loans.

Interest income is accrued evenly over the period of the instrument.

Borrowing cost are recognised in the period to which they relate, regardless of how the funds have been utilised, except where it relates to financing of construction or development of assets requiring a substantial period of time to prepare for their intended future use. Interest is capitalised up to the date when the asset is ready for its intended use. The amount of interest capitalised (gross of tax) for the period is determined by applying the interest rate applicable to appropriate borrowings outstanding during the period to the average amount of accumulated expenditure for the assets during the period.

(k) **Foreign Currency Transactions:**

Transactions in foreign currencies are translated to the reporting currency based on the exchange rate on the date of the transaction. Exchange differences arising on settlement thereof during the year are recognised as income or expenses in the Consolidated Statement of Profit and Loss.

Cash and bank balances, receivables and liabilities (monetary items) in foreign currencies as at the year end are translated at closing-date rates, and unrealised translation differences are included in the Consolidated Statement of Profit and Loss.

(l) **Employee Benefits:**

(a) **Short-term Employee Benefits**

Short term employee benefits are recognised as an expense at the undiscounted amount expected to be paid over the period of services rendered by the employees to the Company.

(b) **Long-term Employee Benefits**

The Company has both defined-contribution and defined-benefit plans, of which some have assets in special funds or securities. The plans are financed by the Company and in the case of some defined contribution plans by the Company along with its employees.

(i) **Defined-contribution plans**

Annual contribution payable to the Provident Fund and Superannuation Fund (based on the percentage of salary) are charged as an expense as they fall due, that is, in the same period as the employment gives rise to the contribution. Company also contributes to an established Provident Fund for certain employees where it is obliged to meet the interest shortfall, if any.

(ii) **Defined-benefit plans**

For defined-benefit plans in the form of gratuity fund and pension, the cost of providing benefits are determined using the projected unit credit method, with actuarial valuations being carried out at each Balance Sheet date. These commitments are valued at the present value of the expected future payments, with consideration for calculated future salary increases, using a discount rate corresponding to the interest rate estimated by the actuary having regard to the interest rate on government bonds with a remaining term that is almost equivalent to the average balance working period of employees. Actuarial gains and losses are immediately recognised in the Consolidated Statement of Profit and Loss.

(c) **Other Employee Benefits**

Compensated absences which accrue to employees and which can be carried to future periods but are expected to be encashed or availed in twelve months immediately following the year end are reported as expenses during the year in which the employees perform the services that the benefit covers and the liabilities are reported at the undiscounted amount of the benefits after deducting amounts already paid. Where there are restrictions on availment of encashment of such accrued benefit or where the availment or encashment is otherwise not expected to wholly occur in the next twelve months, the liability on account of the benefit is actuarially determined using the projected unit credit method.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Contd.)**(m) Segment Reporting:**

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment Revenue, Segment Expenses, Segment Assets and Segment Liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenue, expenses, assets and liabilities which relate to the Group as a whole and are not allocable to segments on reasonable basis, have been included under "Unallocated Revenue/Expenses/Assets/Liabilities".

(n) Provisions and Contingencies:

A provision is recognised when the Group has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised but are disclosed in the notes to the consolidated financial statement.

(o) Operating Lease:

Lease arrangements where risks and rewards incidental to ownership of an assets substantially vest with lessor are recognised as operating leases. Lease rentals under the operating leases are recognised in the Consolidated Statement of Profit and Loss on a straight line basis over lease term.

(p) Earnings per share:

Basic earnings per share is calculated by dividing the net profit/(loss) after tax attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is calculated by dividing the net profit/(loss) after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

(q) Cash flow statement:

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated based on the available information.

(r) Operating Cycle:

Based on the nature of products/activities of the Group and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.
