Dear Sir / Madam,

Sub: Regulation 34 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 - 34th Annual Report Approved by the Shareholders of the Company.

Pursuant to Regulation 34, the 34th Annual Report is being approved by the Shareholders of the Company. There are certain modifications which are given below with explanations:

1. On Page No. 18 - Annexure to the Boards Report - Annexure-A - there were some typographical errors which were rectified.
2. On Page No. 19 - Annexure -B- Point No 7 was removed as there was no pending amount to be spend towards CSR expenditure. It was inadvertently missed out to remove the para.
3. On Page No. 19 - Annexure B - Point No 6 (d) - As the Company is not required to spend towards CSR.
4. Page No. 45 & Page 52 - Annexure A to Independent Auditors Report - Point No 4. - in 7th Line - However, based on the legal opinion received by us, the said Corporate Guarantee is not enforceable on the Company by the banks or its assignees- It was inadvertently missed out by the Statutory Auditors and it was rectified immediately.

There are no changes other than this and the same is duly approved by the Shareholders in the AGM held on 30th September, 2021.

Request you to take the same on records and update the updated Annual report on your website.

Thanking You,
Yours Faithfully,

For Birla Precision Technologies Limited

MANAGEMENT DISCUSSION & ANALYSIS REPORT

OVERVIEW

Birla Precision's presents Management Discussion & Analysis Report to enlighten the key performance and business activities of the Company for the financial year ended on 31st March, 2021. This review should be read in conjunction with the Integrated Report presented in the earlier sections of this Annual Report, the Company's financial statements, the schedules and notes thereto as mention in this Annual Report.

GLOBAL ECONOMIC SCENARIO

Global growth is expected to remain at 3.0 per cent in 2020 and 2020, however, the steady pace of expansion in the global economy masks an increase in downside risks that could potentially exacerbate development challenges in many parts of the world, according to the World Economic Situation and Prospects 2021. The global economy is facing a confluence of risks, which could severely disrupt economic activity and inflict significant damage on longer-term development prospects. These risks include an escalation of trade disputes, an abrupt tightening of global financial conditions, and intensifying climate risks.

Short-term risks are rising, with the potential to severely disrupt economic activity and inflict significant damage on longer-term development prospects. These include escalating trade disputes, financial stress and volatility, and an undercurrent of geopolitical tensions. Amid the significant build-up in global public and private debt, policy space has narrowed considerably across the world, and any negative shock could have severe and long-lasting implications for global growth. Waning support for multilateralism also raises questions around the capacity for collaborative policy action in the event of a widespread global shock, but the global economic recovery is expected to continue.

INDIAN ECONOMY

India's economy is a trillion-dollar economy in the world and all the sixth-largest economy. Although India's GDP growth is holding the tag of the fastest growing economy in the World.

Financial year 20-21 proved to be testing time for the Government as regards to its economic policies and performance of Indian Economy post demonetization, implementation of GST, Make in India and Corona virus pandemic. In the long term, Government policies will be leading the Indian Economy towards required growth. Ease of doing business, Make in India, Bharatmala Pariyojana, North East Development Scheme (NEIDS) etc., such government

policies are encouraging Employment, Boosting Infrastructure Development, boost in tourism, improving rank of India in Global Index. The Foreign Direct Investment (FDI) flows continue to be encouraging.

INDIAN AUTO COMPONENT INDUSTRY

Even before the onset of COVID-19 in India, two things had become obvious. The first was that throughout FY 2020, the country's economic growth was slowing down. And the second was that the automotive sector was facing declining demand across the board. Although, India is emerging as a global hub for auto component sourcing. A cost-effective manufacturing base keeps costs lower by 10-25 per cent relative to operations in Europe and developed nations. Relative to Asian competitors, India is geographically closer to key automotive markets like the Middle East and Europe.

The Indian auto-components industry can be broadly classified into the organised and unorganised sectors. The organised sector caters to the Original Equipment Manufacturers (OEMs) and consists of high-value precision instruments while the unorganised sector comprises low-valued products and caters mostly to the after market category. According to the Automotive Component Manufacturers Association of India (ACMA), the Indian auto-components industry is expected to register a turnover of US\$ 100 billion by 2021 backed by strong exports ranging between US\$ 80- US\$ 100 billion by 2026.

Favorable government policies, National Automotive Testing and R&D infrastructure Projects (NATIPs), have helped the Indian auto components industry achieve considerable growth.

INDUSTRY STRUCTURE & OPPORTUNITIES

In FY 20-21, the auto component sector saw decent demand in the domestic and international markets. In order to take maximum advantage of the situation, the Company is in the process of expanding the current capacities in its Tooling Division as well as the Auto Component Section.

Our Company is engaged in the business of manufacturing of wide range of Cutting Tools like Jobber, Taper Shank Twist Drill, Taps, Reamers, Tool holder and Work Holding (like AT3 Class tool holders, HSK tooling) & Collet. In another division, it is also into Shell Molded Castings, Machined Casting & Precision Components. These products are mainly used by

automobile and engineering sectors. Recently the company have launched and added the range of products new High Performance Taps & Drill under the Brand name “Panther”, “Torpedo”, “Ninja” & “Hathyar”.

The future of Cutting Tools, Castings and Tool Holder industry largely depends on the growth of commercial automobile and general engineering sector. As India is emerging as one of the key auto and engineering centers in the World, the demand for Cutting Tools and Tool Holders is expected to increase substantially.

We don't fear. We know how to convert a good challenge into opportunities. And we will.

THREATS / RISKS & CONCERNS

The major risks and concerns attributed to the performance of the Company are:

1. Increase in raw material costs, tough competition, change in tax structure, change in labour laws, change in government policies, development and stability of Indian economy against the negative external and internal forces may also impact the overall performance of the Company.
2. The Company is exposed to risks from market fluctuation of foreign exchange.
3. Profitability may be affected on account of competition from existing manufacturers of the Company's products. Increase of competition in unorganized sector is also a cause of concern.
4. The COVID-19 pandemic disrupted day-to-day working of every sector, which has been dealt considerably, wherein slowly and steadily production has picked up and we are looking forward to smooth resumption of business activities prior to this pandemic.

SEGMENT WISE OR PRODUCT WISE PERFORMANCE

Your Company has identified two business segments in line with accounting segments on segment reporting.

These are,

1. Tooling
2. Auto Components.

The segment wise performance in detail is given in the notes to the accounts.

CAPITAL INVESTMENT

We have made a sizeable capital investment during the Financial Year 2020-21. This involves machinery cost and balancing equipment's to increase the existing capacity. Further the Company also plans to make substantial capital investment during the current financial year in Production and Maintenance areas for increasing the capacity of Jobber Drills to set-up in-house Machine Building Section for better efficiency of the machines & for expansion of Auto Component line.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has an internal audit system, which carries out independent periodic reviews. The prime objective of such audit is to evaluate the functioning and quality of internal controls and provide assurance of its adequacy and effectiveness. The Company has placed considerable emphasis and efforts on internal control systems. The internal control system ensures optimum use of the resources and its protection. The scope of internal audit covers a wide variety of operational and financial matters and includes a follow-up review of corrective actions agreed for implementation.

INTERNAL FINANCIAL CONTROL:

The Company has an established Internal Financial Control framework including internal controls over financial Reporting, operating controls and anti-fraud framework. The framework is reviewed regularly by the management and tested by an Independent Valuer and presented to the Audit Committee. Based on the periodical testing, the framework is strengthened, from time to time, to ensure adequacy and effectiveness of Internal Financial Controls.

The adequacy of the internal control system as well as the internal audit report is reviewed by the audit committee of the Board of Directors. The adequacy of the internal control system has also been reported by the statutory auditors of the Company in their report as required under the Companies (Auditors Report) Order, 2003.

MATERIAL DEVELOPMENT IN HUMAN RESOURCES

Your Company continues to lay emphasis on qualitative growth of its human resources by providing congenial and constructive work environment, in consonance with its

strong belief that the real strength of its organization lies in its employees. In addition to this, formal training through external & internal faculty is also conducted from time to time in acquiring domain knowledge and imbibing the corporate quality culture.

None of the Senior Management Personnel have any material, financial and/or commercial transaction, where they have personal interest that may have potential conflict with the interest of the Company at large.

CAUTIONARY STATEMENT

Statements in this Annual Report, particularly those that relate to Management Discussion and Analysis, describing the Company's objectives, projections, estimates and expectations, may constitute 'forward-looking statements' within the meaning of applicable laws and regulations. Although the expectations are based on reasonable assumptions, the actual results might differ.

INDEPENDENT AUDITOR'S REPORT

To
The Members
Birla Precision Technologies Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone financial statements of Birla Precision Technologies Limited ("the Company") which comprise the Balance Sheet as at 31st March 2021, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and notes to the financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India,

- a) In the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2021
- b) In the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
- c) In the case of the Cash Flow Statement, cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of Financial Results section of our report. We are independent of the Company, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

We draw your attention to Note no.40 of the Ind AS Financial statement for the year ended March 31, 2021, which describes the impact of the outbreak of Coronavirus (COVID-19) on the business operations of the Company. Our opinion is not modified in respect of this matter.

Information other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's report including the Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of the Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of The Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting

the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under

section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most

significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure A to the Independent Auditors' Report

(Referred to in para I under “Report on other Legal and Regulatory Requirement” of our report of even date)

1. According to the information and explanations given to us, in respect of the fixed assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) There is a phased program for verification of fixed assets, over a period of three years, which in our opinion is reasonable having regard to the size of the company and nature of its assets. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
 - (c) As per the information and explanations provided to us, and on behalf of the examination of the records of the company, title deeds of immovable properties are generally in the name of the company except in case of 4 leasehold properties acquired by the entities valued at ₹ 356 Lakhs gross and ₹ 263 Lakhs net, that have been amalgamated with the company.
2. The inventory (excluding stock with third parties) has been physically verified by the management during the year. In respect of the inventory lying with the third parties these have been confirmed by them. In our opinion, the frequency of verification is reasonable. The discrepancies noticed on physical verification of inventory as compared to the book records were not material. Further, our attendance at the physical inventory verification done by the management was not practical under current restrictions imposed by the government and we have relied on the related alternate audit procedure.
3. According to the information and explanations given to us, the Company has not granted any loans secured or unsecured to Companies, Firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of The Companies Act, 2013 and therefore clause (iii) of paragraph 3 of the Order is not applicable.
4. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of loans, guarantee, investments and security provided. The company has given a Corporate guarantee of ₹ 25030 Lakhs to banks for a loan taken by the group company. However, based on the legal opinion received by us, the said Corporate Guarantee is not enforceable on the company by the banks or its assignees.
5. As per the Ministry of Corporate Affairs notification dated March 31, 2014 the provisions of Sections 73 to 76 or any other relevant provisions of The Companies Act, 2013 and The Companies (Acceptance of Deposits) Rules, 2014, as amended, with regard to the deposits accepted are not applicable to the Company. According to information and explanations given to us, the Company has not accepted any deposits during the year.
6. We have broadly reviewed the books of accounts maintained by the company and are of the opinion that, prima facie, the cost records and accounts prescribed by the Central Government under Sub-Section (I) of Section 148 of the Companies Act, 2013 have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
7. According to the information and explanations given to us:
 - a) The Company is regular in depositing undisputed statutory dues including Employees State Insurance, Income Tax, Cess, Goods and Service Tax and any other material statutory dues as applicable with the appropriate authorities.
 - b) There are no undisputed statutory dues payable in respect of Employees' State Insurance, Income-tax, Cess, Goods and Service Tax and other material statutory dues in arrears as at March 31, 2021 for a period of more than six months from the date they became payable.
 - c) According to the information and explanation given to us and on basis of our examination of the records of the company, details of dues of Income Tax, Sales Tax, Service Tax, Goods and Service Tax (GST), Duty of Customs, Duty of Excise and Value added Tax which have not been deposited as on 31st March 2021 on account of disputes is given below:

Name of Statute	Forum where dispute is pending	Period to which amount is related	Amount (₹ In Lakhs)
Income Tax	Deputy Commissioner of Income Tax	1995-96	0.75
Central Sales Tax	Maharashtra Sales Tax Tribunal, Pune	2013-14	87.12

8. In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to Financial Institutions and Banks. The Company has not taken loans or borrowings from Government or by way of Debentures.
9. According to the information and explanations given to us, the term Loans have been applied by the company during the year for the purpose for which they were obtained. The Company has not raised moneys by way of Initial Public Offer or Further Public Offer during the year. The Company has not raised funds by way of Term loans during the year.
10. According to the information and explanations given to us, no fraud by the Company and no fraud on the Company by its officers or employees has been noticed or reported during the year.
11. According to the information and explanations given to us, the Company has paid / provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to The Companies Act, 2013.
12. The Company is not a Nidhi Company; hence reporting under clause (xii) of paragraph 3 of the Order is not applicable to the Company.
13. According to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of The Companies Act, 2013, wherever applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the notes on Financial Statements as required by the applicable accounting standards
14. The Company has during the year issued 84,31,703 Equity Shares on preferential basis against consideration received by the Company. The requirement of Section 42 of the Companies Act, 2013; Chapter V of SEBI (ICDR) Regulations, 2018 and Rule 14 of the Companies (Prospectus and Allotment of Securities) Rule, 2014 have been complied with and the amount raised has been used for the purpose for which the funds were raised.
15. According to the information and explanations given to us, the Company has not entered into any non-cash transactions with Directors or persons connected with him under provisions of Section 192 of The Companies Act, 2013.

Annexure-B to the Independent Auditor's Report

(Referred to in para 2(f) under “Report on other Legal and Regulatory Requirement” of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Birla Precision Technologies Limited (“the Company”) as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by The Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and prescribed under Section 143(10) of the Act, 2013 to the extent applicable, to an audit of internal financial controls both issued by The Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the

internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial

Reporting issued by The Institute of Chartered Accountants of India”.

INDEPENDENT AUDITOR'S REPORT

To
The Members
Birla Precision Technologies Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated financial statements of Birla Precision Technologies Limited ("the Company") and its subsidiaries ("the Group") which comprise the Balance Sheet as at 31st March 2021, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and notes to the financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India,

- a) In the case of the Consolidated Balance Sheet, of the state of affairs of the Group as at 31st March, 2021
- b) In the case of the Consolidated Statement of Profit and Loss, of the profit for the year ended on that date; and
- c) In the case of the Consolidated Cash Flow Statement, cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of Financial Results section of our report. We are independent of the Company and the group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

We draw your attention to Note no. 40 of the Ind AS Financial statement for the year ended March 31, 2021, which describes the impact of the outbreak of Coronavirus (COVID-19) on the business operations of the Group. Our opinion is not modified in respect of this matter.

Information other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's report including the Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of the Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of The Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting the frauds and

other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures

that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), as issued by Central Government of India in terms of Sub Section (11) of Section 143 of the Act, we hereby give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts;
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards referred to in Section 133 of the Act read with Rule 7 of The Companies (Accounts) Rules, 2014;
 - e. On the basis of written representations received from the Directors and taken on record by the Board of Directors, none of the Directors is disqualified as on 31st March 2021, from being appointed as a Director in terms of Section 164(2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such

controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Group's internal financial controls over financial reporting.

- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of The Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Group does not have any pending litigations which would impact its financial position;
 - ii. The Group did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;
 - iii. There were no amounts required to be transferred to the Investor Education and Protection Fund by the Company.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid to the directors is in accordance with the provisions of Section 197 along with Schedule V of Companies Act, 2013 and the remuneration limit is in accordance with Section 197 and Schedule V of Companies Act, 2013 and approved by the Shareholders. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are to be required to be commented upon by us.

Annexure-B to the Independent Auditor's Report

(Referred to in para 2(f) under "Report on other Legal and Regulatory Requirement" of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Birla Precision Technologies Limited ("the Company") and its subsidiaries ("the Group") as of March 31, 2021 in conjunction with our audit of the Consolidated financial statements of the Group for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by The Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and prescribed under Section 143(10) of the Act, 2013 to the extent applicable, to an audit of internal financial controls both issued by The Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting

was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Group's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Group's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Group; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Group are being made only in accordance with authorizations of management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Group's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility

of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on “the internal control over financial reporting

criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India”.

Notes on financial statements for the year ended 31st March, 2021

I. General Information:

Birla Precision Technologies Limited (the Company) is a Public Limited Company incorporated in India having its registered office at 23, Birla Mansion No.2, 1st Floor, D. D. Sathe Marg, Prarthana Samaj, Mumbai, Maharashtra, 400004, India. The Company is engaged in the manufacturing and selling of Machine Tool Accessories, Tools, Precision / Automotive Components and Castings.

Significant accounting policies followed by the Company

(A) Basis of preparation of financial statements:

(i) Compliance with Ind AS:

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 and other relevant provisions of the Act.

(B) Use of estimates:

An estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error. The preparation of financial statements in conformity with the generally accepted accounting principles requires estimates and assumptions to be made by the management that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Differences between actual results and estimates are recognized in the period in which the results are crystallized.

(C) Revenue recognition:

- (a) Revenue from the sale of goods is recognized upon the passage of title to the customers, which generally coincides with delivery.
- (b) Export sales are accounted based on the dates of Bill of Lading.

- (c) Interest Income is accrued on time proportion basis over the period of loan / deposit / investment except in case of significant uncertainties.

(D) Property, Plant and Equipment:

- (a) All items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost may also include hedges of foreign currency purchases of property, plant and equipment. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associates with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.
- (b) Depreciation methods, estimated useful lives and residual value:
 - (i) Depreciation: The Company has ascertained the useful life of its various assets and charged depreciation in accordance with Schedule II of the Companies Act, 2013 except in case of Precision Components division the useful life of shop toolings fixtures has been determined as 2 years.
 - (ii) Leasehold Land is amortized over the period of lease.
 - (iii) The useful lives have been determined based on technical evaluation done by the management's expert in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

- (iv) An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.
- (v) Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in statement of profit and loss.

(E) Intangible Assets:

Computer Software and Technical Know-How are amortized over a period of 3 years from the date of acquisition.

(F) Capital Work in Progress:

Expenditure during construction period including development cost incurred on the projects under implementation are treated as pre-operative expenses pending allocation to the assets and are included under "Capital Work in Progress". These expenses are apportioned to fixed assets on commencement of commercial production.

(G) Impairment of Assets:

An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value. An impairment loss, if any, is charged to statement of profit and loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

(H) Valuation of Inventory:

- (a) Raw Materials and components, semi-finished goods, finished goods, stores and spares, goods for trade are valued at cost or net realizable value whichever is lower. Cost formula used is weighted average cost. Cost comprises of cost of purchase, cost of conversion and other cost incurred in bringing the inventory to its present location and condition.
- (b) Goods / Materials in Transit are valued at cost to date.

- (c) Scrap is valued at its estimated realizable value.
- (d) Adequate provisions are made for obsolete inventory based on technical estimates made by the Company.

(I) Foreign Currency Transactions:

Transactions arising in foreign currencies during the year are converted at the rates closely approximating the rates ruling on the transaction dates. Liabilities and receivables in foreign currency are restated at the year end exchange rates. All exchange rate differences arising from conversion in terms of the above are included in the statement of profit and loss.

In case of items which are covered by forward exchange contracts, the difference between the year end rate and rate on the date of contract is recognised as exchange difference and the premium paid on forward contracts is recognised over the life of the contract.

(J) Employee Benefits:

(i) Short-term obligations:

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The Liabilities are presented under current liabilities in the balance sheet.

(ii) Other long-term employee benefit obligations:

The liabilities for earned leave are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a

result of experience adjustments and changes in actuarial assumptions are recognised in statement of profit and loss.

(iii) Post-employment obligations:

- (a) Defined contribution plans: Company's contribution to the provident fund scheme is recognized during the year in which the related service is rendered.
- (b) Defined benefit plans: The liability or asset recognised in the balance sheet in respect of gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using projected unit credit method.
- (c) The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.
- (d) Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.
- (e) Changes in present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.
- (f) Long Term compensated absences are provided on the basis of an actuarial valuation.

(K) Research and Development Costs:

Revenue expenditure, including overheads on research and development, is charged as an expense through the natural heads of account in

the year in which incurred. Expenditure incurred at development phase, where it is reasonably certain that outcome of research will be commercially exploited to yield economic benefits to the Company, is considered as an Intangible assets and depreciation is provided on such assets as applicable.

(L) Investments:

Current investments are carried at lower of cost or fair value. Long term investments are carried at cost less provision for other than temporary decline in the value of such investments.

(M) Borrowing Cost:

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the assets for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are expensed in the period in which they are incurred.

(N) Taxation:

Income tax expense comprises Current tax and Deferred tax charge or credit. Provision for Current tax is made on the assessable income at the tax rate applicable to the relevant assessment year. Minimum alternative tax (MAT) paid in accordance with the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax.

Accordingly, MAT is recognized as an asset in the balance sheet when it is probable that the future economic benefit associated with it will flow to the Company and the asset can be measured reliably. The deferred tax asset and/or deferred tax liability is calculated by applying substantively enacted rate as at balance sheet date. Deferred tax assets arising mainly on account of brought forward losses and unabsorbed depreciation is recognized if and only if there is virtual certainty backed by convincing

evidence of its realization. At each balance sheet date, carrying amount of deferred tax assets is reviewed to reassure realization.

(O) Share Issue Expenses:

Issue expenses are adjusted against the Share Premium.

(P) Government Grant/Loan:

Capital grants for project capital subsidy are credited to capital reserves.

The Company has availed mandatory exception under Ind AS 101 and accordingly, there is no

change in accounting treatment on the amount carried forward on the date of transition for sales tax deferral loan / incentive.

(Q) Provisions, Contingent Liabilities and Contingent Assets:

Provisions involving a substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

36. Fair values of financial assets and financial liabilities:

The fair value of other current financial assets, cash and cash equivalents, trade receivables, trade payables, short term borrowings and other financial liabilities approximate the carrying amounts because of the short term nature of these financial instruments.

The amortised cost using effective interest rate (EIR) of non current financial assets consisting of security and term deposits are not significantly different from the carrying amount.

Financial assets that are neither past due nor impaired includes cash and cash equivalents, security deposits, term deposits and other financial assets.

The impact of fair value on non current borrowings, non current security deposits and non current term deposits are not significant and therefore the impact of fair value is not considered for above disclosure.

37. Fair value hierarchy:

The following is the hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

*Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

*Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

*Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

No financial assets/liabilities have been valued using level 1 fair value measurements.

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis:

(₹ in Lakhs)		
Particulars	31st March, 2021	31st March, 2020
Level 1 (Quoted price in active markets)	-	-
Level 2		
Financial assets measured at fair value through profit or loss	-	-
Financial liability measured at fair value through profit or loss	-	-
Level 3		
Financial assets measured at fair value through profit or loss		
Trade receivables	3310.74	3217.70
Cash and cash equivalents	2033.53	830.58
Bank balances other than cash and cash equivalent	299.61	30.05
Loans and advances	1161.19	5002.74
Other financial assets	209.76	196.45
Other current assets	4640.90	1568.44
The carrying amounts of trade receivables, cash and cash equivalents and other bank balances, loans and advances, other financial assets and other current assets are considered to approximate their fair values due to their short term nature.		
Financial liability measured at amortized cost		
Borrowings	2394.73	2520.14
Trade Payables	2709.03	2542.49
Other financial liabilities	264.22	225.78
Other current liabilities	1534.66	1266.23

The carrying amounts of borrowings, trade payables, other financial liabilities and other current liabilities are considered to approximate their fair values due to their short term nature. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including own and counterparty credit risk.

38. Financial risk management objectives and policies:

The Company is exposed to various financial risks. These risks are categorized into market risk, credit risk and liquidity risk. The Company's risk management is coordinated by the Board of Directors and focuses on securing long term and short term cash flows. The Company does not engage in trading of financial assets for speculative purposes.

(A) Market risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include borrowings and derivative financial instruments.

(i) Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

(ii) Foreign currency risk:

The Company is exposed to foreign currency risk arising mainly on borrowing, export of finished goods and import of raw material. Foreign currency exposures are managed within approved policy parameters utilising forward contracts.

(B) Credit risk:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Credit risk arises principally from the statutory deposits with regulatory agencies and also arises from cash held with banks and financial institutions. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

The Company limits its exposure to credit risk of cash held with banks by dealing with highly rated banks and institutions and retaining sufficient balances in bank accounts required to meet a month's operational costs. The Management reviews the bank accounts on regular basis and fund drawdowns are planned to ensure that there is minimal surplus cash in bank accounts. The Company does not foresee any credit risks on deposits with regulatory authorities.

(C) Liquidity risk:

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

39. Capital management:

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximize the shareholder value and to ensure the Company's ability to continue as a going concern.

The Company monitors gearing ratio i.e. total debt in proportion to its overall financing structure, i.e. equity and debt. Total debt mainly comprises of borrowings from banks, financial institutions and Unsecured Loans. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

Particulars	31st March, 2021	31st March, 2020
(i) Total equity	10661.01	10025.16
(ii) Total debt	2425.67	2590.10
(iii) Overall financing (i+ii)	13086.68	12615.26
(iv) Gearing ratio (ii/iii)	0.19	0.21

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2021, 31 March 2020.

40. As a result of the nationwide lockdown imposed by the Government of India and subsequent state wise lockdown imposed by the various states of India, the operations of the Company were temporarily disrupted at its manufacturing facilities impacting production. The Company had resumed operations since the first week of May 2020 in compliance with the guidelines issued by respective authorities and is continuing to take adequate precautions for safety and wellbeing of its employees. The Company has considered the possible impact of COVID-19 in preparation of the above results. The impact of the global health pandemic may be different from that estimated as at the date of approval of results. Considering the continuing uncertainties, the Company will continue to closely monitor any material changes to future economic conditions.”
41.
