Statement under Section 102 of the Companies Act, 2013

Item No. 3

The Board of Directors of the Company, on the recommendation of the Audit Committee, has approved the appointment of Sri B Venkateswar (Membership No. 27622), Cost Accountant, Coimbatore, as the Cost Auditor of the Company for the financial year 2021-22 on a remuneration of Rs.20,000/- (exclusive of applicable taxes and reimbursement of travelling and out of pocket expenses incurred) for conducting the audit of the cost accounting records of the Company and for issuing an Audit Report on cost accounting records maintained by the Company.

Section 148 of the Companies Act, 2013 read with Rule 14 of the Companies (Audit and Auditors) Rules, 2014, requires the Board to appoint an individual, who is a Cost Accountant or a firm of Cost Accountants, as Cost Auditor of the Company on the recommendations of the Audit Committee, which shall also recommend the remuneration for such Cost Auditor and such remuneration shall be approved by the Board of Directors and ratified subsequently by the Shareholders at General Meeting.

Accordingly, consent of the Members is sought for passing an ordinary resolution as set out in Item No. 3 of the notice for ratification of the remuneration of the Cost Auditor for the financial year 2021-22.

The Board recommends the resolution set out in Item No. 3 of the Notice for the approval of the Members.

None of the Directors or Key Managerial Personnel of the Company and their relatives are concerned or interested financially or otherwise in the resolution set out at Item No. 3 of the Notice.

Item No. 4 & 5

Sri S K Viswanathan (DIN: 08850168) & Smt. Manjusharma (DIN: 08855406) were appointed as Independent Non-Executive Directors of the Company by the Members at the 30th Annual General Meeting held on 16th December, 2020 to hold office for a term of one year upto 8th September, 2021.

As per Section 149(10) of the Companies Act, 2013 ("the Act"), an Independent Director shall hold office for a term of upto five consecutive years on the Board of a Company but shall be eligible for re-appointment on passing a special resolution by the Company for a second term.

Therefore, keeping in view their qualification and experience, the Board of Directors are of the opinion that their continuation as Independent Non-Executive Directors will be beneficial to the Company.

The Nomination and Remuneration Committee of the Board of Directors, on the basis of report of performance evaluation of Sri S K Viswanathan & Smt Manjusharma has recommended their re-appointment as Independent Directors for a second term of three consecutive years to hold office with effect from 8th September, 2021. Further, the Board of Directors are of the opinion that the continued association of Sri S K Viswanathan & Smt Manjusharma would be immensely beneficial to the Company.

Sri S K Viswanathan & Smt Manjusharma are not disqualified from being appointed as Director in terms of Section 164 of the Act and are not debarred from holding the office of Director by virtue of any Securities and Exchange Board of India (SEBI) order or any other such authority. They have given their consent to act as a Director along with the declaration stating that they meet the criteria of independence as prescribed under the Act and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations") and that their name is included in the databank of Independent Directors as required under Rule 6(3) of the Companies (Appointment and Qualification of Directors) Rules, 2014.

In the opinion of the Board, Sri S K Viswanathan & Smt Manjusharma fulfill the conditions specified under the Act read with the rules made thereunder and the Listing Regulations for their re-appointment as Independent Non-Executive Directors of the Company and are independent of the management.

The details of the Board and the Committee Meetings attended by Sri S K Viswanathan & Smt Manjusharma have been given elsewhere in this Annual Report. Sri S K Viswanathan & Smt Manjusharma will not be paid any remuneration other than sitting fee for attending meetings of the board and committees thereof of which he/she is a member / chairperson.

The Company has also received notice in writing from member under Section 160 of the Act proposing the candidature of Sri S K Viswanathan & Smt Manjusharma for the office of Independent Director of the Company.

A copy of the draft letter for appointment to be issued to Sri S K Viswanathan & Smt Manjusharma as Independent Non-Executive Directors setting out the terms and conditions would be available for inspection without any fee by the Members at the Registered Office of the Company during normal business hours on any business day.

Accordingly, the Board recommends Special Resolutions in relation to eligibility and re-appointment of Sri S K Viswanathan & Smt Manjusharma as Independent Directors for another term of three (3) consecutive years, for approval by the shareholders of the Company.

The disclosures as required under Regulation 36 of Listing Regulations and Secretarial Standards 2 are furnished and forms part of this Notice.

Except Sri S K Viswanathan & Smt Manjusharma, being the proposed appointee Directors, none of the other Directors or Key Managerial Personnel of the Company or their relatives are concerned or interested, financially or otherwise, in the resolutions for appointment as set out in Item No. 4 & 5 of this Notice.

Item No. 6

The Board of Directors of the Company, pursuant to the recommendations of the Nomination and Remuneration Committee has appointed Sri V Murali (DIN: 08999898) as an Additional Director of the Company with effect from 28th December, 2020. In terms of Section 161 of the Companies Act, 2013, Sri V Murali hold office upto the date of this Annual General Meeting pursuant to Section 161 of the Companies Act, 2013. The Company has received notice in writing from a member under Section 160 of the Act, proposing his candidature for the office of Independent Director of the Company.

Brief profile of Sri V Murali and his other directorships has been included in the Notice.

Sri V Murali is not disqualified from being appointed as a Director in terms of Section 164 of the Act and is not debarred from holding the office of Director by virtue of any Securities and Exchange Board of India (SEBI) order or any other such authority. He has given his consent to act as a Director along with the declaration stating that he meets the criteria of independence as prescribed under the Act and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations") and that his name is included in the databank of Independent Directors as required under Rule 6(3) of the Companies (Appointment and Qualification of Directors) Rules, 2014.

The Board of Directors considers it in the interest of the Company to appoint Sri V Murali as Independent Director of the Company for a period of 2 years with effect from 28th December, 2020.

In the opinion of the Board, he fulfills the conditions as specified under the Act read with the Rules made thereunder and the Listing Regulations for his appointment as an Independent Non-Executive Director of the Company and is also independent of the management.

The details of the Board and the Committee Meetings attended by Sri V Murali has been given elsewhere in this Annual Report. Sri V Murali will not be paid any remuneration other than sitting fee for attending meetings of the board and committees thereof of which he is a member / chairperson.

A copy of the draft letter of appointment of Sri V Murali setting out the terms and conditions of his appointment is available for inspection by the members at the registered office of the Company during the office hours on all working days till the date of the Annual General Meeting.

Accordingly, the Board recommends the Ordinary Resolution in relation to eligibility and appointment of Sri V Murali as an Independent Director for term of two (2) consecutive years, for approval by the shareholders of the Company.

The disclosures as required under Regulation 36 of Listing Regulations and Secretarial Standards 2 are furnished and forms part of this Notice.

Except Sri V Murali being the proposed appointee director, none of the other Directors and Key Managerial Personnel of the Company and his relatives is concerned or interested financially or otherwise, in the resolution set out at Item No. 6 of the Notice.

NOTES:

1. In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its circular dated 5th May, 2020 read with circulars dated 8th April, 2020, 13th April, 2020 and 13th January, 2021 (collectively referred to as "MCA Circulars") and the Securities and Exchange Board of India vide their circulars dated 12th May, 2020 and 15th January, 2021 (collectively referred to as "SEBI Circulars") permitted the conduct of the Annual General Meeting ("AGM") through Video Conferencing ("VC") / Other Audio Visual Means ("OAVM"), without the physical presence of the Members at a common venue. The deemed venue for the AGM shall be the Registered Office of the Company. In compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") MCA Circulars and SEBI Circulars the AGM of the Company is being held through VC / OAVM. Members desirous of participating in the meeting through VC/OAVM, may refer to the procedures mentioned below.

2. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
3. Institutional / Corporate Shareholders (i.e., other than individuals / HUF, NRI etc.,) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC/OAVM on its behalf and to vote through remote e-voting. Pursuant to the provisions of Section 91 of the Companies Act, 2013 and Regulation 42 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Register of Members and share transfer books of the Company will remain closed from Saturday, 18th September, 2021 to Friday, 24th September, 2021 (both days inclusive).
5. Members whose shareholding is in the electronic mode are requested to update bank account details (Bank Account No., name of the Bank, Branch, IFSC Code, MICR code and place with PIN Code) to their respective Depository Participants and not to the Company. Members whose shareholding is in the physical mode are requested to direct the above details to the Company or to the RTA. Regular updation of bank particulars is intended to prevent fraudulent encashment of dividend warrants.
6. The Company has entered into agreements with National Securities Depository Limited ("NSDL") and Central Depository Services (India) Limited ("CDSL"). The Depository System envisages the elimination of several problems involved in the scrip-based system such as bad deliveries, fraudulent transfers, fake certificates, thefts in postal transit, delay in transfers, mutilation of share certificates etc., Simultaneously, Depository System offers several advantages like exemption from stamp duty, elimination of concept of market lot, elimination of bad deliveries, reduction in transaction costs, improved liquidity etc., Members, therefore, now have the option of holding and dealing in the shares of the Company in electronic form through NSDL or CDSL. Members are encouraged to convert their holdings to electronic mode.
7. Securities and Exchange Board of India has mandated that the transfer of securities held in physical form, except in case of transmission or transposition, shall not be processed by the listed entities / Registrars and Share Transfer Agents with effect from 1st April, 2019. Therefore, members holding share(s) in physical form are requested to immediately dematerialize their shareholding in the Company. Necessary prior intimation in this regard was provided to the shareholders.
8. Change of Address : Members are requested to notify any change of Address and bank details to their Depository Participants ("DPs") in respect of the shares held in electronic form, to the Secretarial Department at the registered office of the Company or SKDC Consultants Limited, "Surya", 35 Mayflower Avenue, Behind Senthil Nagar, Sowripalayam Road, Coimbatore 641 028, the Registrars and Share Transfer Agents of the Company.
9. Non-Resident Indian ("NRI") Members are requested to inform the Company or its RTA or to the concerned Depository Participants, as the case may be, immediately.
 - a) the change in the residential status on return to India for permanent settlement, or
 - b) the particulars of the NRE/NRO Account with Yes bank, if not furnished earlier.
10. Pursuant to the provisions of Section 72 of the Companies Act, members may file nomination forms in respect of their physical shareholdings. Any member willing to avail this facility may submit to the Company's Registrars & Share Transfer Agents in the prescribed statutory form. Should any assistance be desired, members should get in touch with the Company's Registrar and Share Transfer Agents.
11. Members who hold shares in physical form in multiple folios in identical names or joint holding in the same order of names are requested to send the share certificate to the Registrar and Share Transfer Agent for consolidation into a single folio.

12. Members are requested to forward their communication in connection with shares held by them directly to the Registrars and Share Transfer Agents of the Company M/s SKDC Consultants Limited, "Surya", 35 Mayflower Avenue, Behind Senthil Nagar, Sowripalayam Road, Coimbatore 641 028.
13. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
14. Members desirous of receiving any information on the accounts or operations of the Company are requested to forward his/her queries to the Company seven working days prior to the meeting. The same will be replied by the Company suitably.

Members who wish to claim dividends, which remain unclaimed, are requested to correspond with the Company Secretary / Registrar & Share Transfer Agent of the Company. Members are requested to note that pursuant to Section 124 of the Companies Act, 2013 dividends not claimed within seven years from the date of transfer to the Company's Unpaid Dividend Account, will be transferred to the Investor Education and Protection Fund ("IEPF") established by the Central Government under Section 125 of the Companies Act, 2013. The details of unpaid dividend can be viewed on the Company's website www.indsil.com. As per the provisions of Rule 6 of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules 2016, the Company will be transferring the share(s) on which the beneficial owner has not encashed any dividend during the last seven years to the IEPF demat account as identified by the IEPF Authority. Details of shareholders whose shares are liable to be transferred to IEPF are available at the Company website: www.indsil.com. The shareholders whose unclaimed dividend/share has been transferred to the 'Investor Education and Protection Fund', may claim the same from IEPF authority by filing Form IEPF-5 along with requisite documents.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2021**

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and Regulation 24A of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015]

To

The Members,

INDSIL HYDRO POWER AND MANGANESE LIMITED

(CIN: L27101TZ1990PLC002849)

Indsil House, Door No.:103-107,

T.V. Samy Road (West), R S Puram,

Coimbatore – 641002

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. INDSIL HYDRO POWER AND MANGANESE LIMITED** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of **M/s. INDSIL HYDRO POWER AND MANGANESE LIMITED's** books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended **31st March 2021**, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2021 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder
- iii. The Depositories Act, 1996 and the Regulations and bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Overseas Direct Investment.
- v. The following Regulations prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): -
 - a. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015
 - b. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011
 - c. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015
 - d. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993, regarding the Companies Act and dealing with client
 - e. The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018 and
 - f. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014

vi. The following laws, as identified by the management, are specifically applicable to the industry to which the Company belongs:

- a. Mines and Minerals (Development and Regulation) Act, 1957 & Andhra Pradesh Mineral Dealer Rules, 2000
- b. The Electricity Act, 2003 read with the Electricity Rules, 2005, Kerala State Electricity Regulatory Commission (Licensing) Regulations, 2006 & Kerala State Electricity Regulatory Commission (Conditions of License for State Transmission Utility) Regulations, 2005

I have also examined compliance with the applicable clauses of the following:

- a. Secretarial Standards with respect to Board Meetings (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India (ICSI) (as amended)
- b. The Listing Agreement entered into by the Company with BSE Limited

During the year under review the Company has complied with the provisions of the Act, Rules, Regulations and Standards etc., mentioned above.

I further report that, during the year under review, there were no actions/ events in pursuance of the following Rules/Regulations requiring compliance thereof by the Company:

- a. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018

- c. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 and
- d. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018

I further report that I am unable to comment on the compliance with the labour and environmental laws applicable to the Company as I was unable to visit the factories situated in various parts of India due to the prevailing COVID-19 pandemic. However, the Company has, in their quarterly compliance reports which has been taken on record by the Board of Directors, stated that they have complied with the labour and environmental laws applicable to them. However, we are unable to comment on the same.

I further report that the compliance by the Company of applicable financial laws, like direct and indirect tax laws, has not been reviewed in this Audit since the same has been subject to review by statutory financial auditor and other designated professionals.

I further report that, the compliance by the Company of the applicable accounting standards in the preparation of the financial statements has not been reviewed in this Audit since the same have been subject to review by statutory financial auditors.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, Independent Directors and a Woman Director. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board meetings and Committee meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with all applicable laws, rules, regulations and guidelines.

I further report that during the audit period, the Company has obtained the approval of the members under Section 180(1)(a) of the Companies Act, 2013 at the Annual General Meeting held on 16th December 2020 to sell or dispose off 'Unit II' of the Company situated at Garbham, Andhra Pradesh.

I further report that during the audit period, the Company has altered the provisions of the Articles of Association of the Company in compliance with the provisions of the Companies Act, 2013.

I further report that during the audit period, there were no instances of

- Public / Rights / Preferential issue of shares / debentures / sweat equity
- Redemption / buy-back of securities
- Merger/ amalgamation/ reconstruction etc.
- Foreign technical collaborations

MANAGEMENT DISCUSSION AND ANALYSIS

[Regulation 34 read with Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015]

A. INDUSTRY STRUCTURE AND DEVELOPMENTS

The Company is a part of the ferro alloy industry. Ferro alloys refer to a range of compounds that find application in producing steel and stainless steel. Manganese, chrome and silicon alloys form a majority of the bulk of ferro alloys produced. While chromium alloys are used in the production of stainless steel, manganese alloys are used in the production of steel and some specialized grades of manganese alloys are used in specific grades of stainless steel making.

Your Company on a standalone basis produces specialized varieties of Manganese Alloys, regular Manganese Alloys and Ferro Chrome.

B. OPPORTUNITIES AND THREATS

Opportunities : Since beginning of the calendar 2020-21, the industry has seen acute supply side shortages coupled with demand rebound in various pockets of the world. This gives an opportunity for improved realisations over the medium term until fresh capacities are created.

Threats : Since the Company's financials have been deeply affected over the last two years on account of various factors starting from the Kerala floods impairing our power plant and subsequently industry down turn in the year 2019-20 coupled with COVID related lock downs, the Company's account turned NPA with most of its banks. The Company is trying to resolve issues with all lenders by way of sales of non-operating assets as well as restructuring of the debt facilities. Until such permanent solutions are achieved, the threat remains in terms of the Company's ability to produce and deliver to its full potential.

C. SEGMENT WISE PERFORMANCE**SMELTER DIVISION**

The table given below gives the operational details of the two segments of your Company viz., ferro alloy segment and power segment.

| Particulars | Ferro Alloy | Hydro Power |
|---------------------------|-------------|---------------------|
| Production (MT) / (Units) | 8688 | 47.31 Million Units |
| Sales (MT) / (Units) | 8406 | 25.79 Million Units |
| Revenue in Rs. Lakhs | 6332 | 1186 |
| PBDIT in Rs. Lakhs | (2603) | 2110 |

Your Company earned EBITDA of Rs. 14.48 Crores on a Consolidated basis.

POWER DIVISION

As far as the Hydro Power Station is concerned, the power generation was 47.31 Million Units and as compared to the previous year 37.90 Million Units and as compared to average generation of 35.48 Million Units per year.

D. OUTLOOK

The outlook for both the manganese and chrome industry looks bright in the medium term. The Company's aim is to optimize its production capacities and deliver.

E. RISKS AND CONCERNS

Already dealt with under threat.

F. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

i) COST CONTROL

Every single cost item goes through a thorough internal audit and in several stages as well. As part of the cost control system, every single aspect of costs goes through stringent pre-expenditure checks and audits as well.

ii) OPERATIONS

Process and deliverables pass through stringent control systems on a continuous basis. These systems are highly adequate and infact play a vital role in productivity, growth, efficiency, improvement etc.,

G. CAUTIONARY FORWARD-LOOKING STATEMENTS

The Company makes forward-looking statements that are subject to risks and uncertainties. All statements that address expectations or projections about the future, including, but not limited to, statements about the Company's strategy for growth, market position and financial results are forward-looking statements.

For those statements the Company cautions that numerous important factors could affect the Company's actual results and could cause its results to differ materially from those expressed in any such forward-looking statements. The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statements on the basis of any subsequent developments, information or events.

The compliance of the conditions of Corporate Governance is the responsibility of the management. My examination was limited to a review of the procedures and implementations thereof adopted by the Company for ensuring compliance with the conditions of Corporate Governance as stipulated under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanation given to me and based on the representations made by the Directors and Management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for the financial year ended 31st March 2021.

I further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF INDSIL HYDRO POWER AND MANGANESE LIMITED

Report on the audit of the standalone financial statements

Opinion

We have audited the standalone financial statements of **INDSIL HYDRO POWER AND MANGANESE LIMITED** ("the Company"), which comprise the standalone balance sheet as at March 31, 2021, the standalone Statement of Profit and Loss (including other comprehensive income), the standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "SFS").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the **Companies Act, 2013** ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing (SA's) specified under section 143 (10) of the Act. Our responsibilities under those SA's are further described in the auditor's responsibilities for the audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for other information. The other information comprises the information included in the Director's Report to the shareholders, but does not include the standalone financial statements and our auditor's report thereon. The director's report to the shareholder is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. When we read the Director's Report to the shareholders if, based on the work we have performed, we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and those charges with governance for the standalone financial statements

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the State of Affairs, Profit and Other Comprehensive Income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting *INDSIL HYDRO POWER AND MANGANESE LIMITED* ("the Company") as of 31st March 2021 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The board of directors of the Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business including the adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing issued by the Institute of Chartered Accountants of India and deemed to be prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls our Financial Statements Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

These financial statements are the first IND AS financial statements of the Company. The Company has adopted all the Indian Accounting Standards and the adoption was carried out in accordance with Ind AS 101 First time adoption of Indian Accounting Standards, with April 1, 2016 as the transition date.

The financial statements correspond to the classification provisions contained in Ind AS 1 – "Presentation of Financial Statements". All amounts included in the IND AS financial statements are reported in Indian Rupees except share and per share data, unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures. Previous year figures have been regrouped / re-arranged, wherever necessary.

First time adoption of Indian Accounting Standards - Overall principle, mandatory and Optional exemptions

Overall Principle:

The Company has prepared the opening Balance Sheet (IND AS) on April 1, 2016 (the transition date) by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets and liabilities which are not permitted by Ind AS, by reclassifying items from previous GAAP to Ind AS as required under Ind AS and applying Ind AS in measurement of recognised assets and liabilities.

Impairment of financial assets:

The Company has applied the impairment requirements of IND AS 109 retrospectively; however, as permitted by IND.AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognised in order to compare it with the credit risk at the transition date. Further, the Company has not undertaken an exhaustive search for information when determining, at the date of transition to IND AS, whether there have been significant increases in credit risk since initial recognition, as permitted by IND AS 101.

Deemed cost of property, plant and equipment and intangible assets:

The Company has elected to continue with the carrying value of all its Property, plant and equipment and intangible assets, recognised as of 1st April 2016 (transition date), measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

Determination of lease arrangements:

The Company has applied the principles of Appendix C of IND AS 17 in order to determine if an arrangement existing at the date transition date contains a lease on the basis of facts and circumstances existing at that date.

Equity investments at FVTOCI:

The Company has designated investment in all equity shares, except investment in subsidiaries, joint ventures and associates as at FVTOCI on the basis of facts and circumstances that existed at the transition date.

Accounting for Investment in Subsidiary, Joint Venture and Associate:

The Company has availed the optional exemption under "Ind AS 101 First time Adoption of Indian Accounting standards" with respect to Investments in subsidiaries, joint ventures and associates. Accordingly, the previous GAAP carrying amount of such investments as on transition date has been taken as deemed cost.

(b) Basis of preparation and presentation of financial statements:

These IND AS financial statements have been prepared on the basis of historical cost of convention and on accrual basis of accounting except for the following items which have been measured at Fair Value as required by the relevant Ind AS:

- Financial instruments classified as fair value through other comprehensive income or fair value through profit or loss; and
- The defined benefit asset/ (liability) are recognised as the present value of defined benefit obligation less fair value of plan assets.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

(c) Use of Estimates & Judgements

The preparation of the financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the application of accounting policies of the Company with respect to the figures reported in the financial statements. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in note. Such accounting estimates could change from period to period and the actual results may differ from such estimates. Differences between actual results and estimates and changes in estimates are recognized in the financial statements in the period in which the results are known / materialized and their effects, if material are disclosed in the notes to financial statements.

The estimates and judgements used in the preparation of these IND AS financial statements are continuously reviewed by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after the date but provide additional evidence about the conditions existing as on the reporting date.

Information about such estimates and judgments are included in the relevant notes together with the basis of calculation for relevant line item in the financial statements. Estimates and judgments are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

(d) Property, Plant & Equipment

Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the cost of acquisition of the asset. Cost includes related taxes, duties, freight, insurance etc., attributable to acquisition and installation of assets and borrowing cost incurred up to the date of commencing operations, but excludes duties and taxes that are recoverable from taxing authorities.

Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.

The cost of property, plant and equipment not available for use before such date are disclosed under capital work-in- progress.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the profit or loss.

Upon transition to Ind AS, the Company has decided to continue with the carrying value of all its property, plant and equipment recognised as at 1st April 2016 measures as per the previous GAAP and use that carrying value as the deemed cost of property, plant and equipment.

Refer Note 2.01 for detailed classification of the Company's assets under various heads.

Depreciation:

The Company depreciates property, plant and equipment over the estimated useful life on a Straight-line basis from the date the assets are available for use. Straight line method has been adopted for providing depreciation on fixed assets. The assets are depreciated over the useful life as prescribed in Schedule II of The Companies Act, 2013. The useful lives have been determined based on Schedule II to the Companies Act, 2013.

The residual values are not more than 5% of the original cost of the asset. The estimated useful life, residual value and depreciation method are reviewed at the end of each reporting period and the effects of changes in estimates if any are accounted at the end of each reporting period. Gains and Losses on disposal are determined by comparing proceeds with carrying amount and these are included in the Statement of Profit and loss.

| Estimated useful life of tangible assets are as follows | |
|---|--------|
| Buildings | 30 Yrs |
| Plant & Machineries | 20 Yrs |
| Furniture & Fittings | 10 Yrs |
| Vehicles | 8 Yrs |
| Office Equipments | 5 Yrs |
| Computers & Electronic Devices | 3 Yrs |

Carrying amount of Assets:

| Particulars | 31st Mar 2021 | 31st Mar 2020 |
|----------------------|---------------|---------------|
| Buildings | 22,64,15,748 | 23,90,09,872 |
| Plant & Machineries | 57,97,43,056 | 63,53,20,926 |
| Furniture & Fittings | 5,05,769 | 5,69,617 |
| Vehicles | 15,41,323 | 20,15,028 |
| Office Equipments | 1,52,22,001 | 1,54,73,715 |

(e) Intangible Assets:

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for in the financial statements on a prospective basis.

Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

An intangible asset is derecognised upon its sale or when no future economic benefits are expected to arise. Gains/ losses arising upon such derecognition are charged to the profit or loss account as a differential figure between net disposal value and carrying value in books.

On transition to IndAS, the Company has elected to continue with the carrying value of intangible assets recognised as at 1st April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

Estimated useful life of intangible assets are as follows:

| | |
|--------------------------------------|----------|
| Software | 5 Years |
| Carrying Value of intangible assets: | 5,63,270 |

(f) Impairment of assets:

The Company, on a periodical basis reviews the carrying value of assets to check for indications of impairment in its tangible as well as intangible assets. An asset is treated as impaired when the carrying amount of the asset exceeds its estimated recoverable value. If any such indication exists, the recoverable amount of the asset is estimated and an impairment loss equal to the excess of the carrying amount over its recoverable value is recognised as an impairment loss.

(g) Financial Instruments:

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than Financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

Non – Derivative financial instruments:

Non derivative financial instruments consist of financial assets, which include cash and cash equivalents, trade receivables, unbilled revenues, employee and other advances, investments in equity and debt securities and eligible current and non-current assets. Financial assets are derecognised when substantial risks and rewards of ownership of financial assets have been transferred or when the entity does not retain control over the financial asset.

Financial liabilities includes long and short term loans and borrowings, bank overdrafts, trade payables, eligible current and non-current liabilities.

Non-Derivative financial instruments are initially recognized at fair value. Subsequent recognition of financial instruments is as follows.

Cash & Cash Equivalents:

The Company's cash and cash equivalents consist of cash on hand and in banks and demand deposits with banks, which can be withdrawn at any time, without prior notice or penalty on the principal. For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand and are considered part of the Company's cash management system. In the IndAS Balance Sheet, bank overdrafts are presented under borrowings within current liabilities.

Investments:

Financial instruments measured at amortised cost:

Debt instruments that meet the following criteria are measured at amortised cost (except for debt instruments that are designated at fair value through Profit or Loss (FVTPL) on initial recognition):

- The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- The contractual terms of the instrument give rise on specified dates to cash flows that are solely payment of principal and interest on the principle amount outstanding.

Financial instruments measured at fair value through other comprehensive income (FVTOCI):

Debt instruments that meet the following criteria are measured at fair value through other comprehensive income (FVTOCI) (except for debt instruments that are designated at fair value through Profit or Loss (FVTPL) on initial recognition)

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial asset; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

Interest Income is recognised in statement of Profit and Loss for FVTOCI debt instruments. Other changes in fair value of FVTOCI financial assets are recognised in other comprehensive income. When the investment is disposed-off, the cumulative gain or loss previously accumulated in reserves is transferred to statement of Profit and Loss.

Financial instruments measured at fair value through profit or loss (FVTPL):

Instruments that do not meet the amortised cost or FVTOCI criteria are measured at FVTPL. Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognised in statement of profit and loss. The gain or loss on disposal is recognised in statement of profit and loss.

Interest income is recognised in statement of profit and loss for FVTPL debt instruments. Dividend on financial assets at FVTPL is recognised when the Company's right to receive dividend is established.

Investments in equity instruments designated to be classified as FVTOCI:

The Company carries investment in equity instruments which are not held for trading. The Company has elected the FVTOCI irrevocable option for these instruments. Movements in fair value of these investments are recognized in other comprehensive income and the gain or loss is not reclassified to statement of profit and loss on disposal of these investments. Dividends from these investments are recognized in statement of profit and loss when the Company's right to receive dividends is established.

Investments in subsidiaries:

Investments in subsidiaries are measured at cost less impairment. The Company has availed the optional exemption under "Ind AS 101 First time Adoption of Indian Accounting Standards" with respect to Investments in subsidiaries, joint ventures and associates. Accordingly, the previous GAAP carrying amount of such investments as on transition date has been taken as deemed cost.

Other financial assets:

Other financial assets are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. These are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any impairment losses. These comprise trade receivables, unbilled revenues, cash and cash equivalents and other assets.

Trade and other payables:

Trade and other payables are initially recognized at fair value, and subsequently carried at amortised cost using the effective interest method. For these financial instruments, the carrying amounts approximate fair value due to the short-term maturity of these instruments.

Derivative financial instruments:

The Company is exposed to foreign currency fluctuations on foreign currency assets, liabilities, net investment in foreign operations and forecasted cash flows denominated in foreign currency. The Company limits the effect of foreign exchange rate fluctuations by following established risk management policies including the use of derivatives. The Company enters into derivative financial instruments where the counter party is primarily a bank. Derivatives are recognised and measured at fair value. Attributable transaction costs are recognised in statement of profit and loss as cost.

Subsequent to initial recognition, derivative financial instruments are measured as described below:

Cash Flow Hedges:

Changes in the fair value of a cash flow - derivative hedging instrument is recognised in other comprehensive income and held in cash flow hedging reserve, net of taxes, a component of equity, to the extent that the hedge is effective. Where the hedge is ineffective, changes in fair value are recognised in the statement of profit and loss and reported within foreign exchange gains/ (losses), net, within results from operating activities. If the hedging instrument no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognised in cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the forecasted transaction occurs. The cumulative gain or loss previously recognised in the cash flow hedging reserve is transferred to the statement of profit and loss upon the occurrence of the related forecasted transaction. If the forecasted transaction is no longer expected to occur, such cumulative balance is immediately recognised in the statement of profit and loss.

Others:

Changes in fair value of foreign currency derivative instruments not designated as cash flow hedges are recognised in the statement of profit and loss and reported within foreign exchange gains/(losses), net within results from operating activities.

Changes in fair value and gains/(losses), net, on settlement of foreign Currency derivative instruments relating to borrowings, which have not been designated as hedges are recorded in finance expense.

Derecognition of financial instruments:

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expires or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. If the Company retains substantially all the risks and rewards of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a borrowing for the proceeds received. A financial liability (or a part of a financial liability) is derecognised from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

Foreign Exchange gains and losses:

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortised cost of the instruments and are recognised in 'Other income/ expenses'.

The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period. For financial liabilities that are measured as at FVTPL, the foreign exchange component forms part of the fair value gains or losses and is recognised in profit or loss.

Impairment of financial assets:

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, debt instruments at FVTOCI, lease receivables, trade receivables, other contractual rights to receive cash or other financial asset, and financial guarantees not designated as at FVTPL.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate (or credit-adjusted effective interest rate for purchased or originated credit-impaired financial assets). The Company estimates cash flows by considering all contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) through the expected life of that financial instrument.

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. 12-month expected credit losses are portion of the life-time expected credit losses and represent the lifetime cash shortfalls that will result if default occurs within the 12 months after the reporting date and thus, are not cash shortfalls that are predicted over the next 12 months.

If the Company measured loss allowance for a financial instrument at lifetime expected credit loss model in the previous period, but determines at the end of a reporting period that the credit risk has not increased significantly since initial recognition due to improvement in credit quality as compared to the previous period, the Company again measures the loss allowance based on 12-month expected credit losses.

When making the assessment of whether there has been a significant increase in credit risk since initial recognition, the group uses the change in the risk of a default occurring over the expected life of the financial instrument instead of the change in the amount of expected credit losses. To make that assessment, the group compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition.

(h) Valuation of Inventories:

Inventories such as raw materials and stores are valued at cost on a weighted average basis while the finished goods and work-in-progress are valued at costs (incl. overheads as apportioned) or net realizable value whichever is lower. In case of goods in transit, cost represents the cost incurred upto the stage at which the goods in transit. The cost of finished goods includes raw material costs, direct labour costs, proportionate fixed and variable overheads costs while the raw materials costs consists of the purchase costs. Note No. 2.22 to the statement of profit and loss presents details about the consumption of materials during the year and the closing balance of inventories as on 31st March 2021.

(i) Translation and Recognition of foreign currency Transactions:

The transactions entered into by the Company that are in a currency other than the entity's functional currency are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated. Exchange differences on monetary items are recognised in profit or loss in the period in which they arise.

(j) Revenue Recognition:

Revenue is measured at the fair value of the consideration received or receivable and Sales of goods are recognised when the risk and rewards of ownership are passed on to customers, which is generally on dispatch of goods. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowances and rebates. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the Company's activities as described below;

- Accrual basis of accounting is followed by the Company for all regular sources of income and expenses.
- Dividend income from investments is recognised when the shareholder's right to receive payment has been established provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.
- Dividend, Interest, Lease Rent, other income are accounted on accrual basis except those items with significant uncertainties.
- Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, reference to principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.
- Export incentives are recognised when the right to receive payment/credit is established and no significant uncertainty as to measurability or collectability exists. Revenue from carbon credits/ REC entitlements are recognised on delivery thereof or sale of rights therein, as the case may be, in terms of the contract with the respective buyer.

(k) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

(l) Dividends

Liability for interim dividend is recorded as a liability on the date of declaration by the Company's Board of Directors. Final dividend on shares is recorded as a liability on the date of approval by the shareholders at the annual general meeting.

(m) Earnings per share

Basic Earnings per share is calculated by dividing the Net Profit after tax attributable to the equity shareholders by the weighted average number of Equity Shares outstanding during the year.

Diluted Earnings per share is calculated by dividing the Net Profit after tax attributable to the equity shareholders by the weighted average number of equity shares including potential equity shares.

Calculation of number of potential equity share:

| Particulars | No. of Equity Shares |
|---|----------------------|
| Shares outstanding as on 1st April 2020 | 2,77,91,122 |
| Add : Potential Shares | - |
| Total number of shares to calc. DPS | 2,77,91,122 |

(n) Finance costs:

Finance cost comprise interest cost on borrowings, gain or losses arising on re-measurement of financial assets at FVTPL, gains/ (losses) on translation or settlement of foreign currency borrowings and changes in fair value and gains/ (losses) on settlement of related derivative instruments. Borrowing costs that are not directly attributable to a qualifying asset are recognised in the statement of profit and loss using the effective interest method.

(o) Other Income:

Other income comprises interest income on deposits, dividend income and gains / (losses), net, on disposal of investments. Interest income is recognised using the effective interest method. Dividend income is recognised when the right to receive payment is established.

(p) Employee Benefits:

Short term employees benefits:

For benefits accruing to employees in respect of wages and salaries, annual leave and other short term benefits, the liability is recognised in the period in which the related service is rendered and when such benefits accrue to the employees in exchange of that service. Liabilities recognised in respect of short term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Post – Employment and pension plans:

The Company participates in various employee benefit plans. Pensions and other post-employment benefits are classified as either defined contribution plans or defined benefit plans. The expenditure for defined contribution plans is recognised as an expense during the period when the employee provides service. Under a defined benefit plan, it is the Company's obligation to provide agreed benefits to the employees. The present value of the defined benefit obligations is calculated by an independent actuary using the projected unit credit method.

Actuarial gains or losses are immediately recognised in other comprehensive income, net of taxes and permanently excluded from profit or loss. Further, the profit or loss will no longer include an expected return on plan assets. Instead net interest recognised in profit or loss is calculated by applying the discount rate used to measure the defined benefit obligation to the net defined benefit liability or asset. The actual return on the plan assets above or below the discount rate is recognised as part of re-measurement of net defined liability or asset through other comprehensive income, net of taxes.

The Company has the following employee benefit plans:

Provident Fund: Employees receive benefits from a provident fund, which is a defined benefit plan. The employer and employees each make periodic contributions to the plan. A portion of the contribution is made to the approved provident fund trust managed by the Company while the remainder of the contribution is made to the government administered pension fund. The contributions to the trust managed by the Company is accounted for as a defined benefit plan as the Company is liable for any shortfall in the fund assets based on the government specified minimum rates of return.

Gratuity : In accordance with the Payment of Gratuity Act, 1972, applicable for Indian Companies, the Company provides for a lump sum payment to eligible employees, at retirement or termination of employment based on the last drawn salary and years of employment with the Company.

The gratuity fund is managed by the third-party fund managers. The Company's obligation in respect of the gratuity plan, which is a defined benefit plan, is provided for based on actuarial valuation using the projected unit credit method. The Company recognizes actuarial gains and losses in other comprehensive income, net of taxes.

Termination Benefits:

Termination benefits are expensed when the Company can no longer withdraw the offer of those benefits.

q) Taxes on Income:

Income tax comprises current and deferred tax. Income tax expense is recognised in the statement of profit and loss except to the extent it relates to a business combination, or items directly recognised in equity or in other comprehensive income.

Current tax on income:

Current income tax for current and prior periods is recognised at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting date. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously. The income tax provision for the interim period is made based on the best estimate of the annual average tax rate expected to be applicable for the full financial year

Deferred tax:

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in the financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred income tax assets are recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

Deferred income tax liabilities are recognised for all taxable temporary differences except in respect of taxable temporary differences that is expected to reverse within the tax holiday period, taxable temporary differences associated with investments in subsidiaries, associates and foreign branches where the timing of the reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

The Company offsets deferred income tax assets and liabilities, where it has a legally enforceable right to offset current tax assets against current tax liabilities, and they relate to taxes levied by the same taxation authority on either the same taxable entity, or on different taxable entities where there is an intention to settle the current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

Provisions, contingent liabilities and contingent assets:

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognised but are disclosed in the notes to financial statements. Contingent assets are not recognised but disclosed in the financial statements when an inflow of economic benefits is probable. Provisions, contingent liabilities are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Present obligations, legal or constructive, arising under onerous contracts are recognised and measured as provisions. An onerous contract is considered to exist where the Company has a contract under which the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received from the contract. Provisions for the expected cost of warranty obligations are recognised at the date of sale of the relevant products, at the management's best estimate of the expenditure required to settle the Company's obligation. Statement of cash flows and cash & cash equivalents:

r) Statement of Cash flows and cash & cash equivalents

Cash Flows are reported using the Indirect method, whereby profit before tax is adjusted for the effects of transaction of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows. For the purpose of presentation of statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short – term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

Segment Reporting:

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components, and for which discrete financial information is available. All operating segments' operating results are reviewed regularly by the Company's Chief Executive Officer (CEO), who is the Chief Operating Decision Maker (CODM) to make decisions about resources to be allocated to the segments and assess their performance. Information reported to the CODM for the purpose of resource allocation and assessment of segment performance focuses on the type of goods or services delivered or provided.

The Company has two reportable segments, namely Smelter and Power. These business units offer different products and services, and are managed separately because they require different technology and marketing strategies. Performance is measured based on segment profit before tax, as included in the internal management reports that are reviewed by the Company's CODM. Segment profit is used to measure performance as management believes that such information is the most relevant in evaluating the results of certain segments relative to other entities that operate within these industries. Inter-segment pricing is determined on arm's length basis.

(q) Leases:

As a Lessee : Leases where significant risks and rewards of ownership are not transferred to the Company are called Operating leases. Payments for operating leases (net of any incentives received by the Lessor) are charged to the profit or loss on a straight-line basis over the period of the lease as per the lease arrangement.

2.28 CONTINGENT LIABILITIES

| S.No. | Particulars | 31.03.2021 | 31.03.2020 |
|-------|--|-------------|-------------|
| a) | Letters of Credit issued by Banks on behalf of the Company | - | - |
| b) | Guarantees issued by Banks on behalf of the Company | 1,29,49,000 | 1,85,00,056 |

- b) In the past, the Kerala State Electricity Board has raised certain demands on the Company relating to payment of electricity charges and other charges on account of working of the hydro electric power division of the Company. These charges were more than that warranted for, when specifically considering the working agreement between the Company and KSEB for operation of the hydro electric power plant. These demands remain in dispute and have been challenged by the Company in various forums including the Hon'ble High Court of Kerala. Such matters remain sub-judice and in some cases, where necessary, pending judgement, adequate provisions have been made. The Company is confident of positive redressal by the appropriate forums where no provisions has been made and in cases where the Company has deposited sums/advances, pending judgements, it is expected that those sums would be refunded.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF INDSIL HYDRO POWER AND MANGANESE LIMITED

Report on the Consolidated IND AS Financial Statements

Opinion

We have audited the accompanying Consolidated IND AS financial statements of **INDSIL HYDRO POWER AND MANGANESE LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its Jointly controlled entity, comprising of the Consolidated Balance Sheet as at 31st March 2021, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated statement of changes in equity and the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated IND AS Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at March 31, 2021, of consolidated total comprehensive income (comprising of profit and other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by The Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matters

AL Tamman Indsil Ferro Chrome (ATIFC) was treated as a subsidiary up to 31.03.2020 and was subject to line by line consolidation. The Holding company lost control over the Subsidiary company from 01.04.2020 onwards. Henceforth, ATIFC has been run as Joint venture by the company. IND AS 28 prescribes equity method of accounting for Joint Ventures. As per IND AS 28, If an entity's share of losses of an associate or a joint venture equals or exceeds its interest in the associate or joint venture, the entity discontinues recognising its share of further losses. In the case of ATIFC, the accumulated losses have exceeded the amount of investment in ATIFC. Hence in the case of ATIFC, losses over the value of investment have not been recognised.

Other Information

The Holding Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, and consolidated cash flows of the Group including its Jointly controlled entity in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards [IND AS] specified under Section 133 of the act. The respective Board of Directors of the companies included in the Group and its Jointly controlled entity are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its jointly controlled entity are responsible for assessing the ability of the Group and of its jointly controlled entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its jointly controlled entity are responsible for overseeing the financial reporting process of the group and its jointly controlled entity.

Auditor's responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group, its jointly controlled entity to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of 2 subsidiaries whose financial statements (before eliminating intercompany balances) reflects total assets of 3.49 Crores and net assets 2.51 Crores as at March 31, 2021, total revenue (before eliminating intercompany transactions) of NIL, and net cash flows amounting (0.08) crores for the year ended on that date, as considered in the consolidated financial statements. These financials information have been audited by other auditors whose report have been furnished to us by the Management and our opinion on the consolidated IND AS financial statements, in so far as it relates to the amounts and disclosures included in respect of the Wholly owned subsidiary and our report in terms of sub-sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid Wholly & Partly owned subsidiary, are based solely on reports of other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated IND AS financial statements.

(b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated IND AS financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.

(c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Statement Cash Flow and the consolidated statement of changes in equity, dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated IND AS financial statements.

(e) On the basis of the written representations received from the directors of the Holding Company and its subsidiary incorporated in India as on 31st March 2021, taken on record by the Board of Directors of the Holding Company and the Subsidiary incorporated in India, none of the directors of the Group companies incorporated in India are disqualified as on 31st March 2021 from being appointed as a director in terms of Section 164 (2) of the Act. With respect to subsidiary company's incorporated outside India, Section 164(2) of the Act is not applicable to them.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the group and the operating effectiveness of such controls, refer to our Report in "Annexure A.

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Consolidated IND AS financial statements disclose the impact of pending litigations on the consolidated financial position of the Group.

ii. The Company has no Derivative contracts

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company incorporated in India.

iv. The company has provided requisite disclosures in its standalone financial statements as to holding; disclosures are in accordance with the books of accounts maintained by the company.

ANNEXURE - A TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated IND AS Financial Statements of the Company as of and for the year ended 31st March 2021, we have audited the internal financial controls over financial reporting of Indsil Hydro Power and Manganese Limited (hereinafter referred to as "the Holding Company") and its Subsidiary company incorporated in India as of that date.

Management's Responsibility for Internal Financial Controls

The respective Management of the Holding company and its Subsidiary company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Holding Company and its subsidiary company incorporated in India based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting of the aforesaid entities.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding company and its subsidiary company incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31.3.2021

1. Company Overview

Indsil Hydro Power and Manganese Limited ("the Company") is engaged in manufacturing Low Carbon Silico Manganese (LCSM) and Ferro Chrome – Key ingredients used in stainless steel Industry. Headquarter in Coimbatore (India), Indsil has LCSM Smelters in India integrated with Captive hydel and thermal power.

The Company is a Public Limited Company and listed on the Bombay Stock Exchange.

2. Significant Accounting Policies

(a) Compliance with Ind AS:

These financial statements are prepared in accordance with Indian Accounting Standards ("Ind AS"), the provisions of the Companies Act, 2013 ("the Companies Act"), as applicable and guidelines issued by the Securities and Exchange Board of India ("SEBI"). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Accounting policies have been applied consistently to all periods presented in these financial statements.

(b) Basis of preparation and presentation of financial statements.

These financial statements have been prepared on the basis of historical cost of convention and on accrual basis of accounting except for the following items which have been measured at Fair Value as required by the relevant INDAS:

- Financial instruments classified as fair value through other comprehensive income or fair value through profit or loss; and
- The defined benefit asset/(liability) is recognized as the present value of defined benefit obligation less fair value of plan assets.
- Gain or loss arising on account of translation of Financial statements of foreign subsidiaries into function currency.
- Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

Principles of consolidation and equity accounting:

The Company determines the basis of control in line with the requirements of Ind AS 110, Consolidated Financial Statements, Subsidiaries and controlled Trusts are entities controlled by the Group. The Group controls an entity when the parent has power over the entity, it is exposed to, or has rights to variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries and controlled Trusts are included in the consolidated financial statements from the date on which control commences until the date on which control ceases.

All intra-Group balances, transactions, income and expenses are eliminated in full on consolidation.

Non – Controlling Interest:

Non-controlling interests in the net assets (excluding goodwill) of consolidated subsidiaries are identified separately from the Company's equity. The interest of non-controlling shareholders may be initially measured either at fair value or at the non-controlling interest's proportionate share of the fair value of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition to acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interest is the amount of those interests at initial recognition plus the non-controlling interest's share of subsequent changes in equity. Total comprehensive income is attributed to non-controlling interests even if it results in the non-controlling interest having a deficit balance.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies.

Accounting for Subsidiaries:

Subsidiaries are all entities (including structured entities) over which the group has control. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group.

They are deconsolidated from the date that control ceases. The acquisition method of accounting is used to account for business combinations by the group. The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealized gains on transactions between group companies are eliminated. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group. Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

Changes in ownership interest:

The group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity.

When the group ceases to consolidate or equity account for an investment because of a loss of control, joint control or significant influence, any retained interest in the entity is remeasured to its fair value with the change in carrying amount recognised in profit or loss. This fair value becomes the initial carrying amount for the purposes of subsequently accounting for the retained interest as an associate, joint venture or financial asset. In addition, any amounts previously recognised in other comprehensive income in respect of that entity are accounted for as if the group had directly disposed of the related assets or liabilities. This may mean that amounts previously recognised in other comprehensive income are reclassified to profit or loss.

Details of interest in other entities:

The group's subsidiaries as at 31 March 2021 are set out below. Unless otherwise stated, they have share capital consisting solely of equity shares that are held directly by the group and the proportion of ownership interests held equals the voting rights held by the group. The country of incorporation or registration is also their principal place of business.

| Name of Entity | Place of Business / Country of Incorporation | Ownership interest Held by the Group | | | Ownership interest held by Non Controlling interests | | | Principal Activities |
|-----------------------------------|--|--------------------------------------|-----------|-----------|--|-----------|-----------|---|
| | | 31-Mar-21 | 31-Mar-20 | 31-Mar-19 | 31-Mar-21 | 31-Mar-20 | 31-Mar-19 | |

| Indsil Energy Global (FZE) | Sharjah, UAE | 100 | 100 | 100 | - | - | - | Providing Business Consultancy Services |

Significant Judgement of the Management:

The operational control of M/s. Al Tamman Indsil Ferro Chrome LLC is managed by the company, post-merger with 'Indsil Energy and Electrochemicals Private Limited' the company holds 50% of the equity. Therefore the consolidation is treated on a line by line basis in the consolidated Ind AS financial statements.

(c) Use of Estimates & Judgements : -

The preparation of the financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the application of accounting policies of the Company with respect to the figures reported in the financial statements. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in note. Such accounting estimates could change from period to period and the actual results may differ from such estimates. Differences between actual results and estimates and changes in estimates are recognized in the financial statements in the period in which the results are known/ materialized and their effects, if material are disclosed in the notes to financial statements. The estimates and judgments used in the preparation of these financial statements are continuously reviewed by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after the date but provide additional evidence about the conditions existing as on the reporting date.

Information about such estimates and judgments are included in the relevant notes together with the basis of calculation for relevant line item in the financial statements. Estimates and judgments are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

(d) Property, Plant & Equipment:-

Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the cost of acquisition of the asset. Cost includes related taxes, duties, freight, insurance etc., attributable to acquisition and installation of assets and borrowing cost incurred up to the date of commencing operations, but excludes duties and taxes that are recoverable from taxing authorities.

Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.

The cost of property, plant and equipment not available for use before such date are disclosed under capital work- in- progress. An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the profit or loss.

Upon transition to Ind AS, the Company has decided to continue with the carrying value of all its property, plant and equipment recognized as at 1st April 2016 measures as per the previous GAAP and use that carrying value as the deemed cost of property, plant and equipment. Refer Note 2.01 for detailed classification of the Company's assets under various heads.

Depreciation:

The Company depreciates property, plant and equipment over the estimated useful life on a Straight-line basis from the date the assets are available for use. Straight line method has been adopted for providing depreciation on fixed assets. The assets are depreciated over the useful life as prescribed in Schedule II of The Companies Act, 2013. The useful lives have been determined based on Schedule II to the Companies Act, 2013. The residual values are not more than 5% of the original cost of the asset. The estimated useful life, residual value and depreciation method are reviewed at the end of each reporting period and the effects of changes in estimates if any are accounted at the end of each reporting period. Gains and Losses on disposal are determined by comparing proceeds with carrying amount and these are included in the Statement of Profit and loss.

(e) Intangible Assets:

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for in the financial statements on a prospective basis. Intangible assets with Indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses. An intangible asset is derecognised upon its sale or when no future economic benefits are expected to arise. Gains/ losses arising upon such derecognition are charged to the profit or loss account as a differential figure between net disposal value and carrying value in books. On transition to IND AS, the Company has elected to continue with the carrying value of intangible assets recognized as at 1st April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

(f) Business Combinations and goodwill:

Business combinations have been accounted for using the acquisition method under the provisions of IND AS 103, Business Combinations.

Merger with Sree Mahalakshmi Smelters Private Limited:

The ultimate holding company, Indsil hydro Power and Manganese Limited on 01st April 2018, acquired by way of merger (business combination between entities under common control), the entire assets and liabilities of its Subsidiary Company, Sree Mahalakshmi Smelters Private Limited and obtained approval of the National Company Law Tribunal vide order no. CP/712/CAA/2019, dated 7th August 2019 & 13th August 2019. Accordingly, the financial statements for the year ended 31st March, 2021 presents the incomes, expenditures, assets and liabilities of the merged entity. Attention is brought to the fact that, the pooling of interest method under IND AS 103 provides that where a business combination takes place after the date of transition, the prior period information shall be restated only from that date.

Business combination between entities under common control is accounted for at fair value. Common control business combination means a business combination involving entities or businesses in which all the combining entities or businesses are ultimately controlled by the same party or parties both before and after the business combination, and that control is not transitory.

As provided in the IND AS 103 – for business combinations, the Company accounts for business combinations involving entities or businesses under common control using the pooling of interests method. The 'Pooling of Interest' method is considered to involve the following:

- The assets and liabilities of the combining entities are reflected at their carrying amounts
- No adjustments are made to reflect fair values, or recognise any new assets or liabilities. The only adjustments that are made are to harmonise accounting policies.
- The financial information in the financial statements in respect of prior periods should be restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. However, if business combination had occurred after that date, the prior period information shall be restated only from that date. The consideration for the business combination may consist of securities, cash or other assets. Securities shall be recorded at nominal value. In determining the value of the consideration, assets other than cash shall be considered at their fair values. The balance of the retained earnings appearing in the financial statements of the transferor is aggregated with the corresponding balance appearing in the financial statements of the transferee. Alternatively, it is transferred to General Reserve, if any. The identity of the reserves shall be preserved and shall appear in the financial statements of the transferee in the same form in which they appeared in the financial statements of the transferor. As a result of preserving the identity, reserves which are available for distribution as dividend before the business combination would also be available for distribution as dividend after the business combination. The difference, if any, between the amount recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor shall be transferred to capital reserve and should be presented separately from other capital reserves with disclosure of its nature and purpose in the notes.

(g) Impairment of assets:

The Group, on a periodical basis reviews the carrying value of assets to check for indications of impairment in its tangible as well as intangible assets. An asset is treated as impaired when the carrying amount of the asset exceeds its estimated recoverable value. If any such indication exists, the recoverable amount of the asset is estimated and an impairment loss equal to the excess of the carrying amount over its recoverable value is recognised as an impairment loss.

(h) Financial Instruments:

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than Financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Non – Derivative financial instruments:

Non derivative financial instruments consist of financial assets, which include cash and cash equivalents, trade receivables, unbilled revenues, employee and other advances, investments in equity and debt securities and eligible current and non-current assets. Financial assets are derecognised when substantial risks and rewards of ownership of financial assets have been transferred or when the entity does not retain control over the financial asset.

Financial liabilities includes long and short term loans and borrowings, bank overdrafts, trade payables, eligible current and non-current liabilities. Non – Derivative financial instruments are initially recognised at fair value. Subsequent recognition of financial instruments is as follows:

Cash & Cash Equivalents:

The Company's cash and cash equivalents consist of cash on hand and in banks and demand deposits with banks, which can be withdrawn at any time, without prior notice or penalty on the principal. For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand and are considered part of the Company's cash management system. In the balance sheet, bank overdrafts are presented under borrowings within current liabilities.

Investments:**Financial instruments measured at amortised cost:**

Debt instruments that meet the following criteria are measured at amortised cost (except for debt instruments that are designated at fair value through Profit or Loss (FVTPL) on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

Financial instruments measured at fair value through other comprehensive income (FVTOCI): Debt instruments that meet the following criteria are measured at fair value through other comprehensive income (FVTOCI) (except for debt instruments that are designated at fair value through Profit or Loss (FVTPL) on initial recognition)

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial asset; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding. Interest income is recognised in statement of profit and loss for FVTOCI debt instruments. Other changes in fair value of FVTOCI financial assets are recognised in other comprehensive income.

When the investment is disposed - off, the cumulative gain or loss previously accumulated in reserves is transferred to statement of profit and loss.

Financial instruments measured at fair value through profit or loss (FVTPL): Instruments that do not meet the amortised cost or FVTOCI criteria are measured at FVTPL. Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognised in statement of profit and loss. The gain or loss on disposal is recognised in statement of profit and loss. Interest income is recognised in statement of profit and loss for FVTPL debt instruments. Dividend on financial assets at FVTPL is recognised when the Company's right to receive dividend is established.

Investments in equity instruments designated to be classified as FVTOCI:

The Company carries investment in equity instruments which are not held for trading. The Company has elected the FVTOCI irrevocable option for these instruments. Movements in fair value of these investments are recognised in other comprehensive income and the gain or loss is not reclassified to statement of profit and loss on disposal of these investments. Dividends from these investments are recognised in statement of profit and loss when the Company's right to receive dividends is established.

Investments in subsidiaries : Investments in subsidiaries are measured at cost less impairment. The Company has availed the optional exemption under "Ind AS 101 First time Adoption of Indian Accounting standards" with respect to Investments in subsidiaries, joint ventures and associates. Accordingly, the previous GAAP carrying amount of such investments as on transition date has been taken as deemed cost.

Other financial assets:

Other financial assets are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. These are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any impairment losses. These comprise trade receivables, unbilled revenues, cash and cash equivalents and other assets.

Trade and other payables:

Trade and other payables are initially recognised at fair value, and subsequently carried at amortised cost using the effective interest method. For these financial instruments, the carrying amounts approximate fair value due to the short-term maturity of these instruments.

Derivative financial instruments:

The Company is exposed to foreign currency fluctuations on foreign currency assets, liabilities, net investment in foreign operations and forecasted cash flows denominated in foreign currency. The Company limits the effect of foreign exchange rate fluctuations by following established risk management policies including the use of derivatives. The Company enters into derivative financial instruments where the counter party is primarily a bank. Derivatives are recognised and measured at fair value. Attributable transaction costs are recognized in statement of profit and loss as cost. Subsequent to initial recognition, derivative financial instruments are measured as described below:

Cash Flow hedges:

Changes in the fair value of a cash flow - derivative hedging instrument is recognised in other comprehensive income and held in cash flow hedging reserve, net of taxes, a component of equity, to the extent that the hedge is effective. Where the hedge is ineffective, changes in fair value are recognised in the statement of profit and loss and reported within foreign exchange gains/(losses), net, within results from operating activities. If the hedging instrument no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognized in cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the forecasted transaction occurs. The cumulative gain or loss previously recognised in the cash flow hedging reserve is transferred to the statement of profit and loss upon the occurrence of the related forecasted transaction. If the forecasted transaction is no longer expected to occur, such cumulative balance is immediately recognised in the statement of profit and loss.

Others:

Changes in fair value of foreign currency derivative instruments not designated as cash flow hedges are recognised in the statement of profit and loss and reported within foreign exchange gains/(losses), net within results from operating activities. Changes in fair value and gains/ (losses), net, on settlement of foreign Currency derivative instruments relating to borrowings, which have not been designated as hedges are recorded in finance expense.

Derecognition of financial instruments:

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expires or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS109. If the Company retains substantially all the risks and rewards of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a borrowing for the proceeds received. A financial liability (or a part of a financial liability) is derecognised from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

Foreign Exchange gains and losses:

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortised cost of the instruments and are recognised in 'Other income'. The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period. For financial liabilities that are measured as at FVTPL, the foreign exchange component forms part of the fair value gains or losses and is recognised in profit or loss.

Impairment of financial assets:

The Group applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, debt instruments at FVTOCI, lease receivables, trade receivables, other contractual rights to receive cash or other financial asset, and financial guarantees not designated as at FVTPL. Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate (or credit-adjusted effective interest rate for purchased or originated credit-impaired financial assets). The Company estimates cash flows by considering all contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) through the expected life of that financial instrument.

The group measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. 12-month expected credit losses are portion of the life-time expected credit losses and represent the lifetime cash shortfalls that will result if default occurs within the 12 months after the reporting date and thus, are not cash shortfalls that are predicted over the next 12 months. If the group measured loss allowance for a financial instrument at lifetime expected credit loss model in the previous period, but determines at the end of a reporting period that the credit risk has not increased significantly since initial recognition due to improvement in credit quality as compared to the previous period, the Company again measures the loss allowance based on 12-month expected credit losses.

When making the assessment of whether there has been a significant increase in credit risk since initial recognition, the group uses the change in the risk of a default occurring over the expected life of the financial instrument instead of the change in the amount of expected credit losses. To make that assessment, the group compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition.

(I) Valuation of Inventories:

Inventories such as raw materials and stores are valued at cost on a weighted average basis while the finished goods and work-in-progress are valued at costs (incl. overheads as apportioned) or net realizable value whichever is lower. In case of goods in transit, cost represents the cost incurred up to the stage at which the goods are in transit. The cost of finished goods includes raw material costs, direct labour costs, proportionate fixed and variable overheads costs while the raw materials costs consist of the purchase costs. Note No. 2.04 contains details about the consumption of materials during the year and the closing balance of inventories as on 31st March 2021.

(J) Translation and Recognition of Foreign Currency Transactions:

The transactions entered into by the Company that are in a currency other than the entity's functional currency are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated. Exchange differences on monetary items are recognised in profit or loss in the period in which they arise.

k) Revenue Recognition:

a) Revenue is measured at the fair value of the consideration received or receivable and Sales of goods are recognized when the risk and rewards of ownership are passed on to customers, which is generally on dispatch of goods. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowances and rebates. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the Company's activities as described below.

b) Accrual basis of accounting is followed by the Company for all regular sources of income and expenses.

c) Dividend income from investments is recognised when the shareholder's right to receive payment has been established provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

d) Dividend, Interest, Lease Rent other income are accounted on accrual basis except those items with significant uncertainties

e) Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, reference to principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

f) Export incentives are recognised when the right to receive payment/credit is established and no significant uncertainty as to measurability or collectability exists. Revenue from carbon credits/ REC entitlements are recognized on delivery thereof or sale of rights therein, as the case may be, in terms of the contract with the respective buyer.

g) **Borrowing Costs:** Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

h) **Dividends:** Liability for interim dividend is recorded as a liability on the date of declaration by the Company's Board of Directors. Final dividend on shares is recorded as a liability on the date of approval by the shareholders at the annual general meeting.

i) **Earnings per share:** Basic Earnings per share is calculated by dividing the Net Profit after tax attributable to the equity shareholders by the weighted average number of Equity Shares outstanding during the year.

j) **Diluted Earnings per share:** is calculated by dividing the Net Profit after tax attributable to the equity shareholders by the weighted average number of equity shares including potential equity shares.

k) **Finance Costs:** Finance cost comprise interest cost on borrowings, gain or losses arising on re-measurement of financial assets at FVTPL, gains/ (losses) on translation or settlement of foreign currency borrowings and changes in fair value and gains/ (losses) on settlement of related derivative instruments. Borrowing costs that are not directly attributable to a qualifying asset are recognised in the statement of profit and loss using the effective interest method.

l) **Other Income:** Other income comprises interest income on deposits, dividend income and gains / (losses), net, on disposal of investments. Interest income is recognised using the effective interest method. Dividend income is recognised when the right to receive payment is established.

m) Employee Benefits:

- **Short term employees benefits:**

For benefits accruing to employees in respect of wages and salaries, annual leave and other short term benefits, the liability is recognized in the period in which the related service is rendered and when such benefits accrue to the employees in exchange of that service. Liabilities recognised in respect of short term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

- **Post-Employment and pension plans:** The Company participates in various employee benefit plans. Pensions and other post-employment benefits are classified as either defined contribution plans or defined benefit plans.
- The expenditure for defined contribution plans is recognised as an expense during the period when the employee provides service. Under a defined benefit plan, it is the Company's obligation to provide agreed benefits to the employees. The present value of the defined benefit obligations is calculated by an independent actuary using the projected unit credit method.

Actuarial gains or losses are immediately recognized in other comprehensive income, net of taxes and permanently excluded from profit or loss. Further, the profit or loss will no longer include an expected return on plan assets. Instead net interest recognized in profit or loss is calculated by applying the discount rate used to measure the defined benefit obligation to the net defined benefit liability or asset. The actual return on the plan assets above or below the discount rate is recognised as part of re-measurement of net defined liability or asset through other comprehensive income, net of taxes.

The Company has the following employee benefit plans: Provident Fund: Employees receive benefits from a provident fund, which is a defined benefit plan. The employer and employees each make periodic contributions to the plan. A portion of the contribution is made to the approved provident fund trust managed by the Company while the remainder of the contribution is made to the government administered pension fund. The contributions to the trust managed by the Company is accounted for as a defined benefit plan as the Company is liable for any shortfall in the fund assets based on the government specified minimum rates of return. Gratuity: In accordance with the Payment of Gratuity Act, 1972, applicable for Indian companies, the Company provides for a lump sum payment to eligible employees, at retirement or termination of employment based on the last drawn salary and years of employment with the Company. The gratuity fund is managed by the third-party fund managers. The Company's obligation in respect of the gratuity plan, which is a defined benefit plan, is provided for based on actuarial valuation using the projected unit credit method. The Company recognises actuarial gains and losses in other comprehensive income, net of taxes.

Termination Benefits: Termination benefits are expensed when the Company can no longer withdraw the offer of those benefits.

(r) Taxes on Income:

Income tax comprises current and deferred tax. Income tax expense is recognised in the statement of profit and loss except to the extent it relates to a business combination, or items directly recognized in equity or in other comprehensive income.

Current tax on income:

Current income tax for current and prior periods is recognised at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting date. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously. The income tax provision for the interim period is made based on the best estimate of the annual average tax rate expected to be applicable for the full financial year.

Deferred tax:

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in the financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred income tax assets are recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

Deferred income tax liabilities are recognised for all taxable temporary differences except in respect of taxable temporary differences that is expected to reverse within the tax holiday period, taxable temporary differences associated with investments in subsidiaries, associates and foreign branches where the timing of the reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized. Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

The Company offsets deferred income tax assets and liabilities, where it has a legally enforceable right to offset current tax assets against current tax liabilities, and they relate to taxes levied by the same taxation authority on either the same taxable entity, or on different taxable entities where there is an intention to settle the current tax liabilities, and they relate to taxes levied by the same taxation authority on either the same taxable entity, or on different taxable entities where there is an intention to settle the current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

Current and Deferred tax for the year: Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Deferred tax on undistributed earnings: When only a portion of undistributed earnings is remitted to the parent entity by its subsidiary, the parent recognizes a deferred tax liability only for the portion of the undistributed earnings expected to be remitted in the foreseeable future. No deferred tax has been provided for the undistributed earnings of the wholly owned subsidiary group as these are considered permanently employed in the business of the group.

Deferred Tax on Unrealised Profits: The intra group elimination is made as a consolidation adjustment and not in the financial statements of any individual reporting entity. Therefore, the elimination will result in the creation of a temporary difference, as far as the group is concerned, between the carrying amount of the inventories in the consolidated financial statements and the tax base (assumed to be the carrying amount in the purchaser's individual financial statements). The deferred tax effects arising in respect of this temporary difference is recognised. The tax rate used while recognising the deferred tax balance arising from the elimination of unrealised profits on intra group transactions is determined by reference to the tax rate in the purchaser's jurisdiction where the temporary difference will reverse.

(s) Provisions, contingent liabilities and contingent assets:

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognised but are disclosed in the notes to financial statements. Contingent assets are not recognised but disclosed in the financial statements when an inflow of economic benefits is probable. Provisions, contingent liabilities are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Present obligations, legal or constructive, arising under onerous contracts are recognised and measured as provisions. An onerous contract is considered to exist where the Company has a contract under which the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received from the contract. Provisions for the expected cost of warranty obligations are recognised at the date of sale of the relevant products, at the management's best estimate of the expenditure required to settle the Company's obligation.

(t) Statement of cash flows and cash & cash equivalents: Cash Flows are reported using the Indirect method, whereby profit before tax is adjusted for the effects of transaction of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows. For the purpose of presentation of statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short – term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

U) Leases:

As a lessee: Leases where significant risks and rewards of ownership are not transferred to the Company are called Operating leases. Payments for operating leases (net of any incentives received by the lessor) are charged to the profit or loss on a straight – line basis over the period of the lease as per the lease arrangement.
