CDSL e-Voting System – For e-voting

- a) In compliance with provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44(1) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to provide Members facility to exercise their right to vote on Resolutions proposed to be considered at the 45th Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services. The facility of casting the votes by the Members using an electronic e-voting system from a place other than venue of the 45th Annual General Meeting (AGM) ("remote e-voting") will be provided by Central Depository Services (India) Limited (CDSL).

The facility for voting through polling paper shall be made available at the AGM and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through ballot paper.

The members who have cast their vote by remote e-voting prior to the 45th Annual General Meeting (AGM) may also attend the 45th Annual General Meeting (AGM) but shall not be entitled to cast their vote again

In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.tmtindia.in. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING

- (i) The voting period begins on Tuesday, September 27th at 09:00hrs and ends on Thursday, September 29th at 17:00hrs. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e., Friday, 23rd

September, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitate registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. MANAGEMENT DISCUSSION & ANALYSIS

OVERVIEW:

The financial statements have been prepared in compliance with the requirements of the Companies Act, 2013, guidelines issued by the Securities and Exchange Board of India (SEBI) and other statutory requirements. Our Management accepts responsibility for the integrity and objectivity of these financial statements, as well as for various estimates and judgments used therein. The estimates and judgments relating to the financial statements have been made on a prudent and reasonable basis, so that the financial statements reflect in a true and fair manner the form and substance of transactions and reasonably present our state of affairs, profits and cash flows for the year.

INDUSTRY STRUCTURE AND DEVELOPMENT:

ECONOMIC OVERVIEW:

As the Ukraine conflict impacts the global GDP, India is projected to grow by 6.4 per cent in 2022, slower than the last year's 8.8 per cent but still the fastest-growing major economy, with higher inflationary pressures and uneven recovery of the labour market curbing private consumption and investment, according to a UN report.

The UN Department of Economic and Social Affairs said in its World Economic Situation and Prospects (WESP) report released on Wednesday that the war in Ukraine has upended the fragile economic recovery from the pandemic, triggering a devastating humanitarian crisis in Europe, increasing food and commodity prices and globally exacerbating inflationary pressures.

The global economy is now projected to grow by only 3.1 per cent in 2022, down from the 4.0 per cent growth forecast released in January 2022. Global inflation is projected to increase to 6.7 per cent in 2022, twice the average of 2.9 per cent during 2010-2020, with sharp rises in food and energy prices, it said.

The report said that the outlook in South Asia has deteriorated in recent months, against the backdrop of the ongoing conflict in Ukraine, and higher commodity prices and potential negative spillover effects from monetary tightening in the United States. The regional economic output is projected to expand by 5.5 per cent in 2022, which is 0.4 percentage points lower than the forecast released in January.

India, the largest economy in the region, is expected to grow by 6.4 per cent in 2022, well below the 8.8 per cent growth in 2021, as higher inflationary pressures and uneven recovery of the labour market will curb private consumption and investment, it said. For the fiscal year 2023, India's growth is forecast to be 6 per cent.

Lead Author & Chief, Global Economic Monitoring Branch, Economic Analysis and Policy Division, United Nations Department of Economic and Social Affairs Hamid Rashid told reporters at the UN Headquarters that almost all regions in the world are affected by high inflation except for East Asia and South Asia. He said India in that sense is a little bit in a better position as it did not have to aggressively pursue monetary tightening compared to other countries in Latin America. Brazil has raised interest rates repeatedly.

India's projected growth for 2022 is 6.4 per cent, a downward adjustment of 0.3 per cent from January. We expect Indian recovery to remain strong in the near term, in the next year and two, but again we cannot completely discount the downside risk that would come from external channels. So that risk is still there, he said. The report added that higher prices and shortages of farming inputs including fertilisers

are likely to persist in the region, negatively impacting the agricultural sector in Bangladesh, India, Pakistan, and Sri Lanka.

This will probably result in weaker harvests and exert further upward pressures on food prices in the near term, the report said. It said along with higher energy prices, elevated prices of food will likely increase food insecurity across the region. Consumer price inflation in the region is expected to accelerate to 9.5 per cent in 2022, from 8.9 per cent in 2021.

The report also said that tighter external financial conditions will adversely affect regional growth prospects, especially for countries with high exposure to global capital markets facing debt distress or risks of debt default. The pandemic left many countries with large fiscal deficits and higher and unsustainable levels of public debt. Sri Lanka is currently facing a debt crisis and discussing a new IMF-supported programme to bring its economy out of the crisis, it said.

The downgrades in growth prospects are broad-based, including the world's largest economies the United States, China and the European Union and the majority of other developed and developing economies, it said. The growth prospects are weakening particularly in commodity-importing developing economies, driven by higher energy and food prices. The outlook is compounded by worsening food insecurity, especially in Africa, it added.

Growth forecasts for the United States, European Union and China have been revised downward, with the European Union registering the most significant downward revision. The European Union economy most directly hit by disruptions in the energy supply from the Russian Federation is now expected to grow by 2.7 per cent in 2022, down from 3.9 per cent expected in January.

The United States economy is expected to grow by 2.6 per cent in 2022 and 1.8 per cent next year, while China is expected to grow by 4.5 per cent in 2022 and 5.2 per cent in 2023. The developing countries, as a group, are projected to grow by 4.1 per cent in 2022, down from 6.7 per cent in 2021, the report said.

The war in Ukraine in all its dimensions is setting in motion a crisis that is also devastating global energy markets, disrupting financial systems and exacerbating extreme vulnerabilities for the developing world, UN Secretary-General Antonio Guterres said. We need quick and decisive action to ensure a steady flow of food and energy in open markets, by lifting export restrictions, allocating surpluses and reserves to those who need them, and addressing food price increases to calm market volatility, he said.

OPERATIONS:

The Operations of the Company are at minimal scales and the management is actively working towards bagging new orders for execution and is evaluating all the possibilities of bringing back the glory of the Company with good order book and generation of sizable revenues.

FUTURE OUTLOOK:

The management is successful in scouting for new orders and markets. In the coming years, the management will strive to identify and produce distinct varieties of products to cater to the needs of overseas markets.

OPPORTUNITIES & THREATS

Strength: Huge demand for natural agro products produced in India in foreign countries, providing high export potential.

Weakness: The necessity of any product is mostly unpredictable and in this connection needs to be purchased in bulk quantity whenever it is available, requiring heavy capital investments in stocks.

Opportunities: We are a historical Company having vast amount of experience which will enable us to execute any orders received by the Company.

Threats: The business of the Company is exposed to normal industry threats.

INTERNAL CONTROL SYSTEM AND ITS ADEQUACY

The philosophy we have with regard to internal control systems and their adequacy has been formulation of effective systems and their strict implementation to ensure that assets and interests of the Company are safeguarded; checks and balances are in place to determine the accuracy and reliability of accounting data. The Company has a well defined organization structure with clear functional authority, limits for approval of all transactions. The Company has a strong reporting system, which evaluates and forewarns the management on issues related to compliance. Company updates its internal control system from time to time, enabling it to monitor employee adherence to internal procedures and external regulatory guidelines.

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the standalone Ind AS financial statements of **TMT (INDIA) LIMITED** ("the Company"), which comprises the balance sheet as at 31st March 2022, and the statement of Profit and Loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as "Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information:

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable

As required by Section 143(3) of the Act, we report that:

1. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
2. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books ;
3. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
4. In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
5. On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
6. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
7. In our opinion, managerial remuneration for the year ended March 31, 2022 has been provided/paid by the Company to their directors in accordance with the requirements of section 197 of the Act, as amended read with Schedule V of the Act.
8. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - a. There no pending litigations which impacts on companies financial position in its financial statements;
 - b. The company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses;
 - c. There were no amounts, required to be transferred to the Investor Education and Protection Fund by the Company.

(B) The coverage and procedures of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
(C) The Company has maintained proper records of the said stocks. As explained to us, there were no material discrepancies noticed on physical verification of inventory as compared to the book records.
(b) According to the information and explanations given to us, the Company does not have any working capital limits in excess of Rs.5 crores, in aggregate, at points of time during the year, from banks or financial institutions on the basis of security of current assets. Hence, paragraph 2(b) of the Order is not applicable.
- iii. During the year, the Company has not granted any loans secured or unsecured to parties covered in the register maintained under section 189 of the Act. Hence, paragraph 3(iii) of the Order is not applicable.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans, investments, guarantees and securities.
- v. The Company has not accepted any deposits, within the meaning of provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under.
- vi. In our opinion and according to the information and explanations given to us, the Company is not required to maintain Cost records under Central Government under sub-section (1) of the section 148 of the Act.
- vii. In respect of statutory dues:
a) According to the information and explanations given to us and on the basis of examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of

undisputed statutory dues including provident fund, employees' state insurance, income-tax, Goods and service tax, duty of customs, cess and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts are payable in respect of income tax, Goods and services tax, duty of customs, cess and other material statutory dues were in arrears as at 31 March 2022 for a period of more than six months from the date they became payable.

- b) According to the information and explanations given to us, there are no disputed dues of Sales tax, Service tax, Duty of Custom and Duty of Excise which have not been deposited on March 31, 2022.

Annexure – “B” to the Auditors’ Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of M/s. TMT (INDIA) LIMITED (“the Company”) as of 31 March 2022 in conjunction with our audit of Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are

recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

TMT (INDIA) LIMITED

Notes to Accounts for the year ended March 31, 2022

Note: 17 - Accounting Policies under Ind AS:

(A) Significant Accounting Policies

1. Statement of Compliance and basis of preparation of Financial Statements

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind-AS) as notified by Ministry of Corporate Affairs, Government of India vide Notification dated February 16, 2015. Accounting policies have been applied consistently to all periods presented in these financial statements. The Financial Statements are prepared under historical cost convention from the books of accounts maintained under accrual basis except for certain financial instruments which are measured at fair value and in accordance with the Indian Accounting Standards prescribed under the Companies Act, 2013.

2. Application of Indian Accounting Standards (Ind-AS)

All Listed companies are required to adopt Ind AS.

All amounts included in the financial statements are reported in of Indian rupees (Rupees in) except number of equity shares and per share data, unless otherwise stated.

3. Use of estimates and judgment

The preparation of financial statements requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known/materialised.

4. Functional and presentation currency

These financial statements are presented in Indian rupees, the national currency of India, which is the functional currency of the Company.

5. Revenue Recognition

i) Trading Income

Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discount and volume rebates. Revenue is recognized when the significant risks and rewards of ownership have been transferred to the buyer, it is probable that economic benefits associated with the transaction will flow to the entity, the associated costs incurred or to be incurred in respect of the transaction can be measured reliably and there is no continuing management involvement with the goods. The point of transfer of risks and rewards depends upon the terms of the contract of sale with individual customers.

ii) Other Operating Revenue

The income relating to the core activities of the company which are not included in revenue from sales/services for e.g. dispatch earned, subsidy, claims against losses on trade

transactions, interest on credit sales and trade related advances (other than on overdue) etc., which are derived based on the terms of related trade agreements with business associates or schemes on related trade, are accounted for under 'Other Operating Revenue'.

iii) Claims

Claims are recognized in the Statement of Profit & Loss (Net of any payable) on accrual basis including receivables from Govt. towards subsidy, cash incentives, reimbursement of losses etc, when it is not unreasonable to expect ultimate collection. Claims recognized but subsequently becoming doubtful are provided for through Statement of Profit and Loss. Insurance claims are accounted upon being accepted by the insurance company.

iv) Service Income

When the outcome of a transaction involving the rendering of services can be estimated reliably, revenue associated with the transaction shall be recognized by reference to the stage of completion (Percentage of Completion Method) of the transaction at the end of the reporting period. The outcome of a transaction can be estimated reliably when all the following conditions are satisfied:-

- a) The amount of revenue can be measured reliably;
- b) It is probable that the economic benefits associated with the transaction will flow to the company;
- c) The stage of completion of the transaction can be measured reliably; Costs incurred for the transaction and to complete the transaction can be measured reliably.

v) Dividend and interest income

Dividend income from investments is recognized when the Company's right to receive payment is established and it is probable that the economic benefits associated with the transactions will flow to the Company and the amount of income can be measured reliably.

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset.

vi) Revenue Recognition on Actual Realization

Revenue is recognized on accrual basis except in the following items which are accounted for on actual realization since realizability of such items is uncertain, in accordance with the provisions of Ind AS-115 :-

- a) Duty credit / exemption under various promotional schemes of EXIM policy in force, Tax credit, refund of custom duty on account of survey shortage, and refund of income-tax/service tax / sales-tax /VAT and interest thereon etc.
- b) Decrees pending for execution/contested dues and interest thereon, if any:
- c) Interest on overdue recoverable where realizability is uncertain.
- d) Liquidated damages on suppliers/underwriters.

6. Property, Plant and Equipment

All Property, Plant and Equipment (PPE) are stated at carrying value in accordance with previous GAAP, which is used as deemed cost on the date of transition to Ind AS using the exemption granted under Ind AS 101.

The cost of an item of property, plant and equipment is recognized as an asset if, and only if it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The cost of an item of PPE is the cash price equivalent at the recognition date. The cost of an item of PPE comprises:

- i) Purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- ii) Costs directly attributable to bringing the PPE to the location and condition necessary for it to be capable of operating in the manner intended by management.
- iii) The initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which the company incurs either when the PPE is acquired or as a consequence of having used the PPE during a particular period for purposes other than to produce inventories during that period.

The carrying value of assets held by the company has fallen below the residual value and hence no depreciation has been charged.

7. Non-Current Assets Held for Sale

The company classifies a non-current asset (or disposal group of assets) as held for sale if its carrying amount will be recovered principally through a sale transaction rather than through continuing use. The non-current asset (or disposal group) classified as held for sale is measured at the lower of its carrying amount and the fair value less costs to sell.

8. Depreciation

The carrying value of assets held by the company has fallen below the residual value and hence no depreciation has been charged.

9. Borrowing Costs

The Company capitalizes borrowing costs that are directly attributable to the acquisition, construction or production of qualifying asset as a part of the cost of the asset.

The Company recognizes other borrowing costs as an expense in the period in which it incurs them.

A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use or sale.

10. Foreign currencies

Transactions in currencies other than the functional currency are recognized at the rates of exchange prevailing at the dates of the transactions.

At the end of each reporting period, monetary items denominated in foreign currencies are re-translated at the rates prevailing at that date. Non-monetary items carried at fair value that are

denominated in foreign currencies are re-translated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not re-translated.

Foreign currency monetary items (except overdue recoverable where realizability is uncertain) are converted using the closing rate as defined in the Ind AS-21. Non-monetary items are reported using the exchange rate at the date of the transaction. The exchange difference gain/loss is recognized in the Statement of Profit and Loss.

11. Inventory

Inventories are valued at lower of cost or net realizable value.

Basis of determination of cost remain as follows: First in first out basis

12. Provisions

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

13. Contingent Liabilities / Assets

Contingent Liabilities

Contingent liabilities are not recognized but disclosed in Notes to the Accounts when the company has possible obligation due to past events and existence of the obligation depends upon occurrence or non-occurrence of future events not wholly within the control of the company.

Contingent liabilities are assessed continuously to determine whether outflow of economic resources have become probable. If the outflow becomes probable then relative provision is recognized in the financial statements.

Where an entity is jointly and severally liable for an obligation, the part of the obligation that is expected to be met by other parties is treated as a contingent liability. The entity recognises a provision for the part of the obligation for which an outflow of resources embodying economic benefits is probable, except in the extremely rare circumstances where no reliable estimate can be made.

Contingent Assets

Contingent Assets are not recognized in the financial statements. Such contingent assets are assessed continuously and are disclosed in Notes when the inflow of economic benefits becomes probable. If it's virtually certain that inflow of economic benefits will arise then such assets and the relative income will be recognized in the financial statements.

14. Leases

Assets held under lease, in which a significant portion of the risks and rewards of ownership are transferred to lessee are classified as finance leases. Other leases are classified as operating leases. The company normally enters into operating leases which are accounted for as under:-

- (i) Rental income from operating leases is recognized on a straight-line basis over the term of the relevant lease.

- (ii) Where the company is a lessee, operating lease payments are recognized as an expense on a straight-line basis over the lease term. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized on a straight-line basis over the lease term.

15. Employee benefits

- i. Provision for gratuity, leave encashment/availment and long service benefits i.e. service award, compassionate gratuity and employees' family benefit scheme is made on the basis of actuarial valuation using the projected unit credit method. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected immediately in the statement of financial position with a charge or credit recognized in other comprehensive income in the period in which they occur. Re-measurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to Statement of Profit or Loss.
- ii. Provision for post-retirement medical benefit is made on defined contribution basis.
- iii. Provident fund contribution is made to Provident Fund Trust on accrual basis.
- iv. Payment of Ex-gratia and Notice pay on Voluntary Retirement are charged to revenue in the year incurred.
- v. Short-term employee benefit obligations:

Short-term employee benefit obligations are measured on an undiscounted basis and are recorded as expense as the related service is provided. A liability is recognized for the amount expected to be paid under PLI / PRP Scheme, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

16. Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit or loss and other comprehensive income/ statement of profit or loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized

if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognized if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

17. Impairment

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in profit or loss, unless the relevant asset is carried at a revalue amount, in which case the impairment loss is treated as a revaluation decrease.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

At the end of each reporting period, the company reviews the carrying amounts of its tangible, intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, The Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Impairment of financial assets :

Financial assets, other than those at Fair Value through Profit and Loss (FVTPL), are assessed for indicators of impairment at the end of each reporting period. Financial assets are considered to be impaired when there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been affected. For Available for Sale (AFS) equity investments, a significant or prolonged decline in the fair value of the security below its cost is considered to be objective evidence of impairment.

For all other financial assets, objective evidence of impairment could include:

- i. Significant financial difficulty of the issuer or counterparty;
- ii. Breach of contract, such as a default or delinquency in interest or principal payments;
- iii. It becoming probable that the borrower will enter bankruptcy or financial re-organization; or the disappearance of an active market for that financial asset because of financial difficulties

For certain categories of financial assets, such as trade receivables, assets are assessed for impairment on individual basis. Objective evidence of impairment for a portfolio of receivables could include company's past experience of collecting payments, an increase in the number of delayed payments in the portfolio past the average credit period of zero days, as well as observable changes in national or local economic conditions that correlate with default on receivables.

For financial assets that are carried at cost, the amount of impairment loss is measured as the difference between the asset's carrying amount and the present value of the estimated future cash flows discounted at the current market rate of return for a similar financial asset. Such impairment loss will not be reversed in subsequent periods

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of trade receivables; such impairment loss is reduced through the use of an allowance account for respective financial asset. When a trade receivable is considered uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance account. Changes in the carrying amount of the allowance account are recognized in profit or loss.

For financial assets measured at amortised cost, if, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognized, the previously recognized impairment loss is reversed through profit or loss to the extent that the carrying amount of the investment at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognized.

De-recognition of financial assets

The Company de-recognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred

asset, The Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss.

18. Earnings per share

A basic earnings per equity is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any shares splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

19. Discontinued operations

A discontinued operation is a component of the Company's business that represents a separate line of business that has been disposed off or is held for sale, or is a subsidiary acquired exclusively with a view to resale. Classification as a discontinued operation occurs upon the earlier of disposal or when the operation meets the criteria to be classified as held for sale.

20. Financial instruments

Non-derivative financial instruments consist of:

- financial assets, which include cash and cash equivalents, trade receivables, unbilled revenues, finance lease receivables, employee and other advances, investments in equity and debt securities and eligible current and non-current assets;
- financial liabilities, which include long and short-term loans and borrowings, bank overdrafts, trade payables, eligible current and non-current liabilities.

Non derivative financial instruments are recognized initially at fair value including any directly attributable transaction costs. Financial assets are derecognized when substantial risks and rewards of ownership of the financial asset have been transferred. In cases where substantial risks and rewards of ownership of the financial assets are neither transferred nor retained, financial assets are derecognized only when the Company has not retained control over the financial asset.

Subsequent to initial recognition, nonderivative financial instruments are measured as described below:

a) Cash and cash equivalents

For the purposes of the cash flow statement, cash and cash equivalents include cash in hand, at banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand and are considered part of the Company's cash management system. In the statement of financial position, bank overdrafts are presented under borrowings within current liabilities.

b) Investments in liquid mutual funds, equity securities (other than Subsidiaries, Joint Venture and Associates) are valued at their fair value. These investments are measured at fair value and changes therein, other than impairment losses, are recognized in other comprehensive income and presented within equity, net of taxes. The impairment losses, if any, are reclassified from equity into statement of income. When an available for sale financial asset is derecognized, the related cumulative gain or loss recognized in equity is transferred to the statement of income.

c) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Loans and receivables are initially recognized at fair value plus directly attributable transaction costs and subsequently measured at amortized cost using the effective interest method, less any impairment losses. Loans and receivables comprise trade receivables, unbilled revenues and other assets.

The company estimates the un-collectability of accounts receivable by analyzing historical payment patterns, customer concentrations, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

d) Trade and other payables

Trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest method. For these financial instruments, the carrying amounts approximate fair value due to the short term maturity of these instruments.

21. Segment Information.

The company has only one reportable business segment, which is supply of designs and drawings and operates in a single business segment. Accordingly, the amounts appearing in the financial statements relate to the company's single business segment.

22. Prior Period Errors

Errors of material amount relating to prior period(s) are disclosed by a note with nature of prior period errors, amount of correction of each such prior period presented retrospectively, to the extent practicable along with change in basic and diluted earnings per share. However, where retrospective restatement is not practicable for a particular period then the circumstances that

lead to the existence of that condition and the description of how and from where the error is corrected are disclosed in Notes to Accounts.

(B) Notes to the Financial Statements

1. General Information

The company has closed down the operations of Palmarosa cultivation and extraction of essential oil.

The Company has also closed down the trading operations of Garcinia, Curcumin and essential oils.

The Main Objects of the Company were changed during the last year, incorporating the object of executing civil jobs. The Company could secure some civil works from the Indian Railways through its civil contractor M/s KEC International Limited. The ordered civil works were carried out by the Company through a sub-contractor M/s Sree Devi Prime Projects LLP and revenue also generated during the year of reporting.

2. Basis of preparation of Financial Statements

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind-AS) as notified by Ministry of Corporate Affairs, Government of India vide Notification dated February 16, 2015. Accounting policies have been applied consistently to all periods presented in these financial statements. The Financial Statements are prepared under historical cost convention from the books of accounts maintained under accrual basis except for certain financial instruments which are measured at fair value and in accordance with the Indian Accounting Standards prescribed under the Companies Act, 2013.

These financial statements are presented in Indian rupees, the national currency of India, which is the functional currency of the Company. All amounts included in the financial statements are reported in Indian rupees (in Rupees) except number of equity shares and per share data, unless otherwise stated.

The accounting policies have been applied consistently to all periods presented in these financial statements.

3. Use of estimates and judgment

The preparation of financial statements requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/materialised

4. Commitments

(a) **Capital Commitments:** Estimated amount of contracts including foreign currency contracts net of advances remaining to be executed on capital account and not provided for is NIL (P.Y- NIL).

(b) **Other Commitments:** Estimated amount of contracts including foreign currency contracts net of advances remaining to be executed on account of external projects and not provided for is NIL (P.Y. NIL).

6. Financial risk management

The company's activities expose it to the following financial risks:

Market risk (see (a));

Credit risk (see (b)); and

Liquidity risk (see (c)).

The company has not arranged funds that have any interest rate risk.

a) Market risk

i. Foreign Exchange Risk

The company does not deal with import and export transactions and hence foreign exchange risk is not applicable to the Company.

ii. Price Risk

The company's exposure to price risk arise as the investments held by the company are classified in balance sheet at fair value through other comprehensive income.

As of March 31, 2022, every increase or decrease of the respective equity prices would impact other component of equity by approximately INR 27.10 INR 6.18 (in Lakhs) respectively. It has no impact on profit or loss.

b) Credit Risk

Credit risk refers to the risk of default on its obligation by a counterparty resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables. Accordingly, credit risk from trade receivables has been separately evaluated from all other financial assets in the following paragraphs.

Trade Receivables :

The company has outstanding trade receivables amounting to INR 9.29, INR 61.99 (in lakhs) as of March 31, 2022, and March 31, 2021, respectively. Trade receivables are typically unsecured and are derived from revenue earned from customers.

Credit risk exposure:

An analysis of age of trade receivables at each reporting date is summarized as follows:

(As at 31st March 2022, Amount in Rs)

Particulars	Gross amount	Impairment	Carrying Value
Not past due	-	-	-
Past due less than 30 days	-	-	-

Past due more than 90 days but not more than 120 days	-	-	-
Past due more than 120 days	9,29,089	-	9,29,089
Total	9,29,089	-	9,29,089

(As at 31st March 2021, Amount in Rs)

Particulars	Gross amount	Impairment	Carrying Value
Not past due	-	-	-
Past due less than 30 days	-	-	-
Past due more than 30 days but not more than 60 days	-	-	-
Past due more than 60 days but not more than 90 days	-	-	-
Past due more than 90 days but not more than 120 days	-	-	-
Past due more than 120 days	61,99,482	-	61,99,482
Total	61,99,482	-	61,99,482

Trade receivables are generally considered credit impaired after 120 days past due, unless the amount is considered receivable, when recoverability is considered doubtful based on the recovery analysis performed by the company for individual trade receivables.

With regard to trade receivable on certain transactions, the company has equivalent trade payables to associate suppliers which are payable on realization of trade receivables. Such trade receivables are considered not impaired though past due.

Financial assets:

Credit risk relating to cash and cash equivalents is considered negligible because our counterparties are banks. There will be no credit risk related to employee loans as they are adjusted against their salaries.

a) Liquidity Risk

Our liquidity needs are monitored on the basis of monthly and yearly projections. The company's principal sources of liquidity are cash and cash equivalents, cash generated from operations and availability of funding through an adequate amount of committed credit facilities to meet obligations when due.

Due to the dynamic nature of underlying businesses, the company maintains flexibility in funding by maintaining availability under committed credit lines.

Short term liquidity requirements consists mainly of sundry creditors, expense payable, employee dues arising during the normal course of business as of each reporting date. The company maintains sufficient balance in cash and cash equivalents to meet short term liquidity requirements.

The company assesses long term liquidity requirements on a periodical basis and manages them through internal accruals and committed credit lines.
