Our Key Growth Strategies

Driving Growth Through Adjacent Infrastructure Verticals

- Focus on traffic-driven corridors to maximize toll collections
- Bid selectively for larger EPC projects, either independently or through joint ventures
- Renewable energy projects to be one of the key focus in EPC Infra segment

Strong Order Book Fuelling Revenue Growth

- Growth in order book by 50% from Sep'25 to as on date, providing revenue visibility
- Strategic positioning towards development of EPC projects

Selectively Expand our Geographical Footprint

- Expanding presence in high-growth states like **Gujarat, Rajasthan and wider North-East regions** to diversify the project base
- Strategically expand into new regions to diversify project portfolio and reduce concentration risk and delve into new models of infra development

Disciplined Balance Sheet

- Reduction in Debt to Equity
- Improving Return Ratios

1. Driving Growth Through Adjacent Infrastructure Verticals

Commercial Leasing and Real Estate Monetization

- Lease rentals from company-owned land developed for commercial activities
- Earning from rental properties such as hotels, restaurants, etc.
- Explore partnerships for new ventures (hospitality, commercial centers)

Ancillary services alongside Toll Projects

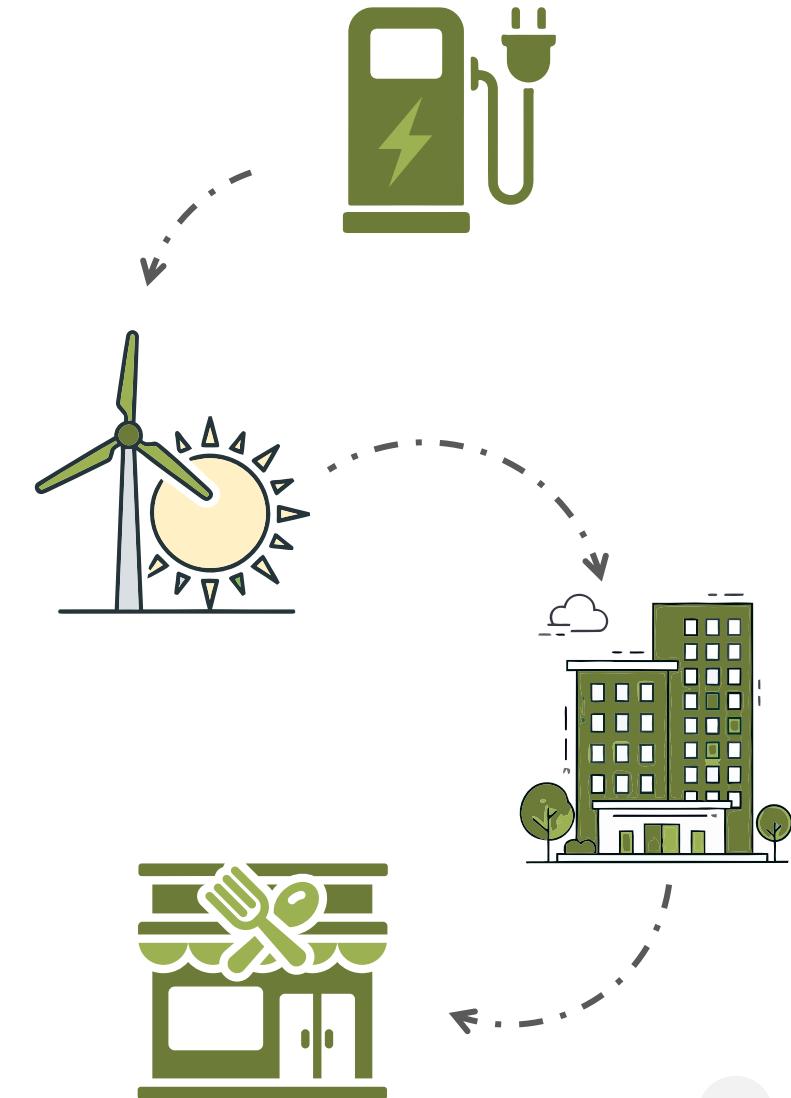

- Food courts, Retail shops
- Fuel stations, Vehicle repair
- Parking, Toilets with shower facility
- Driver dormitory
- Childcare rooms
- Village haat for local handicrafts
- Warehousing

Diversification into Other Road and Mobility Projects

- Ropeways (cable-based transport for passengers and goods)
- Evaluating opportunities in HAM projects

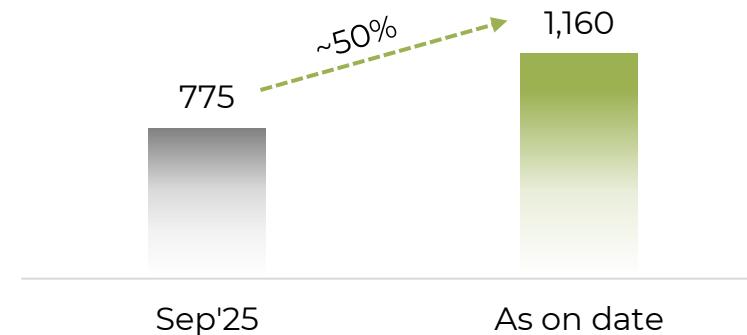

Exploring Opportunities in Renewable Segment

- Electric Vehicle Charging Facilities
- EPC Infra Renewable energy projects, solar, etc.

2. Strong Order Book Fuelling Revenue Growth (1/3)

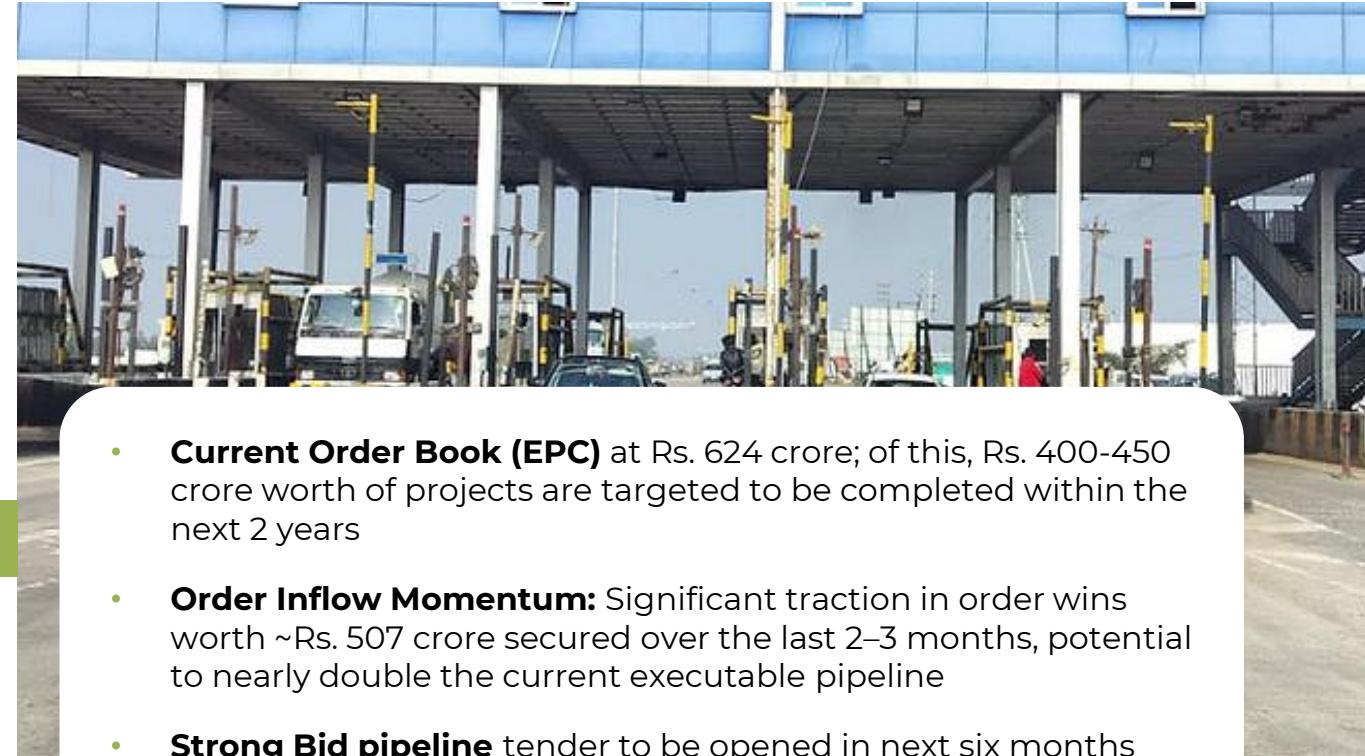

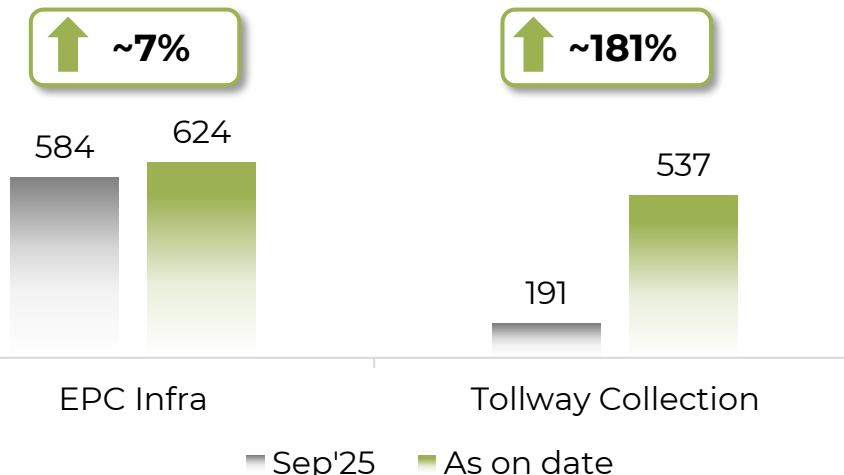

Strong Order Book (Rs. Crore)

Surpassed FY26 Order Book Target of Rs. 1,000 Crore

Diversified Order Book (Rs. Crore)

Growth in Order Book across Segments

- **Current Order Book (EPC)** at Rs. 624 crore; of this, Rs. 400-450 crore worth of projects are targeted to be completed within the next 2 years
- **Order Inflow Momentum:** Significant traction in order wins worth ~Rs. 507 crore secured over the last 2-3 months, potential to nearly double the current executable pipeline
- **Strong Bid pipeline** tender to be opened in next six months
- Order Book is dominated by **government projects**, ensuring better execution certainty and payment security
- Plan to maintain a **balance mix** of EPC and Tollway projects to diversify cash flows, supporting sustained revenue growth

Promising Industry Opportunities for HIL (1/2)

MoRTH Budget for National Highways (Rs. Lakh Crore)

Strong Momentum in Expansion of Roadways

Higher Allocation for Road Infrastructure: Allocation for road works has been increased to Rs.1.22 lakh crore in FY27, compared with Rs.1.16 lakh crore in FY26. The enhanced outlay covers national highway construction as well as investments in logistics park, ropeway and last-mile connectivity projects

Highway Construction Exceeds FY25 Target: In FY25 ~5,614 km of National Highways were constructed against a target of 5,150 km

Key Drivers for Growth

Allocated Rs. 3.10 Lakh Crore

The government has allocated **Rs. 3.10 lakh crore** to the Ministry of Road Transport and Highways, under the Union Budget 2026-27, up by 8.0% YoY

Accelerated Development of Highways

NHAI has been allocated Rs. 1.87 lakh crore for FY27. The funds will support the development of national highways, expressways and greenfield access-controlled corridors

3,906 Projects Under NIP

Under the National Infrastructure Pipeline (NIP), roads and bridges are a key focus with **3,906 projects** under development

Government Schemes

- i. Bharatmala Pariyojana- Target 34,800 Km under Phase 1
- ii. National Highways Development Project to enhance connectivity

Expansion of Expressway Network: The Ministry of Road Transport and Highways sanctioned 9,000 km of expressway projects and plans to award another 10,000 km during 2025-27

Six New National Highways approved in Madhya Pradesh: Six National Highways covering around 670 km have been approved, connectivity boosting connectivity and industrial growth

EPC Opportunities in Madhya Pradesh: The Union Minister for Road Transport and Highways announced infrastructure projects worth Rs. 60,000+ crore in Madhya Pradesh

Promising Industry Opportunities for HIL (2/2)

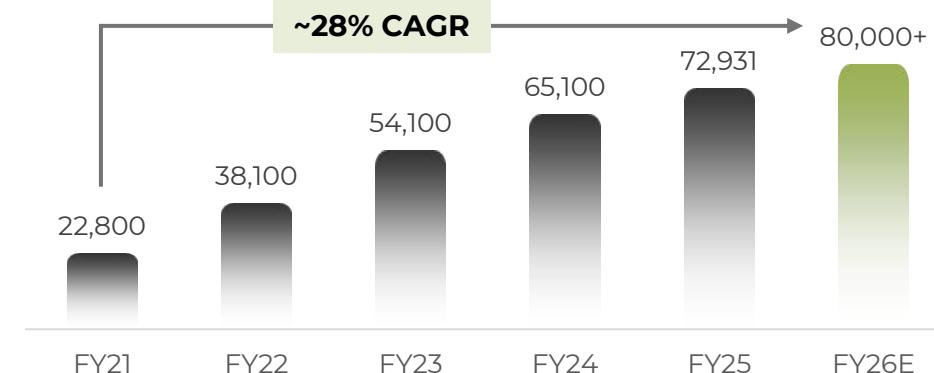

Industry Updates

India's Toll Revenue Set to Double: India's toll collection is projected to surge from Rs. 55,000 crore to Rs.1.4 lakh crore within 2 years, driven by massive highway expansion, wider toll coverage, FASTag adoption, rising traffic, and PPP-led infrastructure development.

Government Push for Seamless, Leak-Free Toll Collection: Government plans to make highway use seamless and reduce leakages for toll operators by introducing Multi Lane Free Flow (MLFF) toll collection by end of 2026.

Annual Toll Collection (Rs. Cr)

Key Drivers for Growth

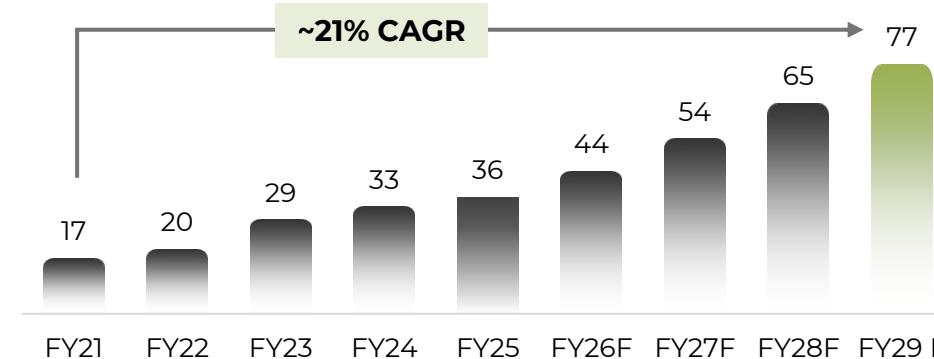

Technological Advancements enhance user experience, reduce congestion, and increase revenue collection

Supportive government policies, regulatory frameworks, and initiatives to streamline toll operations facilitate industry growth

Rapid urbanization and population growth result in increased vehicular traffic
