INDEPENDENT AUDITORS' REPORT

To the Members of Oswal Agro Mills Limited

Report on the Financial Statements

We have audited the accompanying financial statements of **Oswal Agro Mills Limited** ("the Company"), which comprises the balance sheet as at 31st March, 2014, and the statement of profit and loss and cash flow statement of the Company for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards notified under the Companies Act, 1956 read with the General Circular 15/2013 dated 13th September, 2013 of the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act, 2013. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

**SIGNIFICANT ACCOUNTING POLICIES AND NOTES FORMING PART OF THE FINANCIAL STATEMENTS****1. SIGNIFICANT ACCOUNTING POLICIES****A. Basis of Preparation of Financial Statements**

The Financial Statements have been prepared under the historical cost convention on an accrual basis of accounting unless otherwise stated, and in accordance with the generally accepted accounting principles and accounting standards notified under the companies Act, 1956 read with the General Circular 15/2013 dated 13th September, 2013 of the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act, 2013 and all the other relevant provisions of the Companies Act, 1956 and Companies Act, 2013 in force.

B. Use of estimates

The preparation of financial statements requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the year. Example of such estimates include provision for doubtful debts, employee benefits, provision for income taxes, the useful lives of depreciable fixed assets and provisions for impairment.

C. Investments

Long term investments are stated at cost less provision, if any, for diminution in value of such investments other than temporary. Current investments are stated at lower of cost and fair value.

D. Fixed Assets and depreciation**Tangible Assets**

Fixed assets are stated at cost less accumulated depreciation. Cost includes all incidental expenditure net of MODVAT/CENVAT wherever applicable.

Intangible Assets

Computer Software's are capitalised and depreciated on an estimated useful life of three years.

Depreciation

(a) Depreciation on tangible assets is provided on Straight Line Method (SLM) at rates specified in Schedule XIV to the Companies Act, 1956.

(b) Lease hold lands are amortised over period of lease.

E. Impairment

The carrying amount of assets is reviewed at each balance sheet date to determine if there is any indication of impairment thereof based on external/internal factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount, which represents the greater of the 'net selling price' of assets and their 'value in use'.

F. Inventories

Inventories are valued at cost or net realizable value whichever is lower. The cost is determined on FIFO basis.

G. Recognition of Income & Expenditure

Revenue is recognised only when risks and rewards incidental to ownership are transferred to the customer, it can be reliably measured and it is reasonable to expect ultimate collection.

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable.

Brokerage, Service Tax, Education Cess and Securities Transaction Tax to the extent not available as rebate under Income Tax Act, 1961 on purchase/sale of shares and other securities are charged directly to Profit & Loss Account.

Provision for loss in respect of Open Equity Derivative Instruments as at the Balance Sheet date is made Index-wise/Scrip-wise. As a matter of prudence, any anticipated profit is ignored.

In case of Plots/Flats, sales are recognized on transfer of significant risks and rewards of ownership to the buyer.

H. Employee Benefits**(i) Long Term Employee Benefits****a) Defined Contribution Plans**

The company's contribution to defined contribution plans is charged to Profit & Loss Account as incurred.

b) Defined Benefit Plans

Defined Benefit Plan is provided on the basis of valuation as at the balance sheet date carried out by independent actuary. The actuarial valuation method used by independent actuary for measuring the liability is the Projected Unit Credit Method.

c) Other Long Term Employee Benefits

Other long term benefit is provided on the basis of valuation as at the date carried out by independent actuary. The actuarial valuation method used by independent actuary for measuring the liability is the Projected Unit Credit Method.

(ii) Actuarial gains and losses comprise experience adjustments and the effects of the changes in actuarial assumptions are recognized immediately in the Profit & Loss Account as income or expense.

(iii) Employee benefits which fall due wholly within twelve months after the end of the period in which the employees render the related service are recognized at the amount expected to be paid for it.

Oswal Agro Mills Limited

NOTES (Contd...)

I. Foreign Exchange Transactions

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction. Liability/receivables on account of foreign currency are converted at the exchange rates prevailing as at the end of the year and gains/losses thereon are taken to the Profit & Loss Account.

J. Taxation

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognized, subject to considerations of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

K. Provision

A provision is recognized when the company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle such obligation, in respect of which a reliable estimate can be made.

L. Leases

Operating Lease payments are recognized as expenses in the Statement of Profit and Loss as per terms of the lease agreement.

M. Contingent Liabilities

Contingent liabilities not provided for in the accounts are separately disclosed in the "Notes forming part of the financial statements".

N. Earnings per share

The earnings considered in ascertaining the Company's EPS comprises the net profit after tax. The number of shares used in computing Basic EPS is the weighted average number of shares outstanding during the year. The number of shares used in computing Diluted EPS comprises of weighted average shares considered for deriving Basic EPS, and also the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

Oswal Agro Mills Limited

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Oswal Agro Mills Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **Oswal Agro Mills Limited** ("the Company"), its subsidiaries and associates (collectively referred to as "the Group"), which comprises the Consolidated Balance sheet as at 31st March 2014, and the consolidated statement of profit and loss and consolidated cash flow statement of the Group for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the Accounting Standards notified under the Companies Act, 1956 read with the General Circular 15/2013 dated 13th September, 2013 of the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act, 2013. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Group's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, and based on consideration of the reports of the subsidiaries and associates as noted below, the consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Consolidated Balance Sheet, of the state of affairs of the Group as at 31 March 2014;
- (b) in the case of the Consolidated Statement of Profit and Loss, of the Profit of the Group for the year ended on that date; and
- (c) in the case of the consolidated cash flow statement, of the cash flows of the Group for the year ended on that date.

Other Matters

1. We did not audit the financial statements of the subsidiary company, namely Oswal Overseas Limited, whose financial statements reflect total assets (net) of ₹ 19,993.40 thousand as at March 31, 2014, total revenues (net) of ₹ Nil and net cash flows amounting to ₹ 17,110.35 thousand for the year ended on that date and financial statements of associates in which the share of profit of the company is ₹ 135,973.38 thousand. These financial statements have been audited by other auditors whose reports have been furnished to us and our opinion is based solely on the reports of the other auditors.
2. The accounts of Oswal Brasil Refinaria De Petroleo S.A, Brazil, a step down subsidiary of the company has not been consolidated as the said company is in the process of winding up. (Refer note 2.33(iii) to Significant Accounting Policies and Notes forming part of the financial statements).

Our opinion is not qualified in respect of other matters.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

1. SIGNIFICANT ACCOUNTING POLICIES ON CONSOLIDATED ACCOUNTS

A. Principles Of Consolidation

Name of the Entity	Country of Incorporation	Shareholding %	Nature of Relationship
Oswal Overseas Limited	United Arab Emirates	100%	Wholly Owned Subsidiary
Oswal Greentech Ltd.	India	35.58%	Associate
News Nation Network Private Limited	India	22.84%	Associate

The consolidated financial statements relate to Oswal Agro Mills Ltd. ('the Company'), its subsidiary companies and associates. The consolidated financial statements have been prepared on the following basis:

- The financial statements of the Company and its subsidiary companies are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses after fully eliminating intra-group balances and intra-group transactions in accordance with Accounting Standard (AS) - 21 on "Consolidated Financial Statements"
- In case of foreign subsidiaries, being non-integral foreign operations, revenue items are consolidated at the quarterly average closing rate prevailing at the end of respective quarter. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in the "foreign currency translation reserve" till the disposal of net investment.
- The difference between the cost of investment in the subsidiaries, over the net assets at the time of acquisition of shares in the subsidiaries is recognised in the financial statements as Goodwill or Capital Reserve, as the case may be.
- The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as of the date of disposal is recognised in the consolidated Statement of Profit and Loss being the profit or loss on disposal of investment in subsidiary.
- Investment in Associate Companies has been accounted under the equity method as per Accounting Standard (AS) - 23 "Accounting for Investments in Associates in Consolidated Financial Statements".
- The Company accounts for its share in change in net assets of the associates, post acquisition, after eliminating unrealised profits and losses resulting from transactions between the Company and its associates to the extent of its share, through its Statement of Profit and Loss to the extent such change is attributable to the associates' Profit or Loss through its reserves for the balance, based on available information.
- The difference between the cost of investment in the associates and the share of net assets at the time of acquisition of shares in the associates is identified in the financial statements as Goodwill or Capital Reserve as the case may be.
- As far as possible, the consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's separate financial statements.

B. Basis of Preparation of Financial Statements

The Consolidated Financial Statements have been prepared under the historical cost convention on an accrual basis of accounting unless otherwise stated, and in accordance with the generally accepted accounting principles and accounting standards notified under the Companies Act, 1956 read with the General Circular 15/2013 dated 13th September, 2013 of the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act, 2013 and all the other relevant provisions of the Companies Act, 1956 and Companies Act, 2013 in force.

C. Use of estimates

The preparation of financial statements requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the year. Example of such estimates include provision for doubtful debts, employee benefits, provision for income taxes, the useful lives of depreciable fixed assets and provisions for impairment.

D. Investments

Long term investments are stated at cost less provision, if any, for diminution in value of such investments other than temporary. Current investments are stated at lower of cost and fair value.

E. Fixed Assets and depreciation

Tangible Assets

Fixed assets are stated at cost less accumulated depreciation. Cost includes all incidental expenditure net of MODVAT/CENVAT wherever applicable.

Intangible Assets

Computer Software's are capitalised and depreciated on an estimated useful life of three years.

Depreciation

- Depreciation on tangible assets is provided on Straight Line Method (SLM) at rates specified in Schedule XIV to the Companies Act, 1956.
- Lease hold lands are amortised over period of lease.

F. Impairment

The carrying amount of assets is reviewed at each balance sheet date to determine if there is any indication of impairment thereof based on external/internal factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount, which represents the greater of the 'net selling price' of assets and their 'value in use'.

NOTES (Contd...)

G. Inventories

Inventories are valued at cost or net realizable value whichever is lower. The cost is determined on FIFO basis.

H. Recognition of Income & Expenditure

Revenue is recognised only when risks and rewards incidental to ownership are transferred to the customer, it can be reliably measured and it is reasonable to expect ultimate collection.

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable.

Brokerage, Service Tax, Education Cess and Securities Transaction Tax to the extent not available as rebate under Income Tax Act, 1961 on purchase/sale of shares and other securities are charged directly to Profit & Loss Account.

Provision for loss in respect of Open Equity Derivative Instruments as at the Balance Sheet date is made Index-wise/Scrip-wise. As a matter of prudence, any anticipated profit is ignored.

In case of Plots/Flats, sales are recognized on transfer of significant risks and rewards of ownership to the buyer.

I. Employee Benefits

(i) Long Term Employee Benefits

a) Defined Contribution Plans

The company's contribution to defined contribution plans is charged to Profit & Loss Account as incurred.

b) Defined Benefit Plans

Defined Benefit Plan is provided on the basis of valuation as at the balance sheet date carried out by independent actuary. The actuarial valuation method used by independent actuary for measuring the liability is the Projected Unit Credit Method.

c) Other Long Term Employee Benefits

Other long term benefit is provided on the basis of valuation as at the date carried out by independent actuary. The actuarial valuation method used by independent actuary for measuring the liability is the Projected Unit Credit Method.

(ii) Actuarial gains and losses comprise experience adjustments and the effects of the changes in actuarial assumptions are recognized immediately in the Profit & Loss Account as income or expense.

(iii) Employee benefits which fall due wholly within twelve months after the end of the period in which the employees render the related service are recognized at the amount expected to be paid for it.

J. Foreign Exchange Transactions

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction. Liability/receivables on account of foreign currency are converted at the exchange rates prevailing as at the end of the year and gains/losses thereon are taken to the Profit & Loss Account.

K. Taxation

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognized, subject to considerations of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

L. Provision

A provision is recognized when the company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle such obligation, in respect of which a reliable estimate can be made.

M. Leases

Operating Lease payments are recognized as expenses in the Statement of Profit and Loss as per terms of the lease agreement.

N. Contingent Liabilities

Contingent liabilities not provided for in the accounts are separately disclosed in the "Notes forming part of the financial statements".

O. Earnings per share

The earnings considered in ascertaining the Company's EPS comprises the net profit after tax. The number of shares used in computing Basic EPS is the weighted average number of shares outstanding during the year. The number of shares used in computing Diluted EPS comprises of weighted average shares considered for deriving Basic EPS, and also the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.
