The consolidated turnover was Rs. 3296.11/-Lakhs as against Rs. 4900.36/- Lakhs for the previous year. The consolidated Total comprehensive loss for the year is of Rs. -28.19/- Lakhs as against income of Rs. 105.27/- lakhs for the previous year.

2. EVENTS SUBSEQUENT TO THE DATE OF FINANCIAL STATEMENTS:

Subsequent to the date of Financial Statements (i.e. after 31st March 2020) no significant event has occurred.

3. CHANGE IN THE NATURE OF BUSINESS:

During the year under operation there was no change in the nature of business.

4. SHARE CAPITAL

The Equity Share capital of company remain same i.e. Rs. 2,18,67,000/- . **The Board had allotted 20,000/- 11%, Cumulative Redeemable Preference Shares of Rs. 100/- each amounting to Rs. 20,00,000/- on 30th September 2005** which are redeemed on 31st March 2020 and accordingly the revised preference share capital is Rs. 3,00,00,000/- and the revised total paid up capital of the company amounts to Rs. 5,18,67,000/-

5. DIVIDEND:

Equity Shares:

As the company's profit amounts to Rs.83.61/- lakhs the board decided to set off past accumulated losses and therefore no dividend is proposed for the financial year 2019-20.

Preference Shares:

The Board in the 47th Annual General Meeting held on 30th September, 2005 had allotted 20,000, 11% Cumulative Redeemable Preference Shares of Rs.100/- each which were due for redemption at par 31st March,2020. The dividend on these shares was in arrears from the financial years 2013-14. The company has already paid the principle amount to the preference shareholder on 31st March, 2020. The company has set off all the past accumulated losses and accordingly, the Company is now eligible to declare dividend. Therefore, the Board has decided to pay the 11% preference dividend for the financial years 2013-14 till 2019-20 which amounts to an outflow of Rs. 15,40,000/-, to the preference shareholder after taking approval of members in the forthcoming Annual General Meeting.

The Board wishes to explain that the dividend on 20,000 equity shares is now being declared and paid because these shares are now redeemed in accordance with the terms of issue, but then the Company is unable to declare and pay the dividend on 3,00,000 redeemable preference shares on account of inadequacy of profits.

As per regulation 15 of SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015 preparation of Corporate governance report is not applicable to our company as it does not fall under the criteria laid down in regulation 25 of SEBI (Listing Obligations and disclosure Requirements) Regulations, 2015 i.e. our company's paid up share capital is not exceeding Rupees ten crore and net worth is not exceeding Rupees twenty five crores as on the last date of previous financial year, but as a good ethical practice BEMCO continues to follow corporate Governance practices and a report on corporate governance is uploaded on our website www.bemcohydraulics.net.

17. VIGIL MECHANISM:

The Vigil Mechanism acts as an additional internal element of the Company's compliance and integrity policies. All employees, directors, vendors, suppliers, dealers and consultants, including auditors and advocates who are associated with BEMCO can raise concerns regarding malpractices and events which may negatively impact the company. Vigil Mechanism has been established under the supervision of the Chief financial Officer and the Company Secretary of the Company. The Audit Committee, and the company secretary reviews the working of the Vigil Mechanism from time to time and make suggestions, if needed. The Vigil protects the whistle blower against victimization for the disclosures made by him/her and ensures complete confidentiality of the whistle blower identity and the information provided by him/her. The investigation is conducted honestly, neutrally and in an unbiased manner. The subject or other involved persons in relation with the protected disclosure are also given an opportunity to be heard. Strict disciplinary actions are taken against anyone who conceals or destroys evidences related to protected disclosures made under this mechanism. The company has adopted a policy on whistle blower and vigil mechanism where the policy also provides for direct access to the chairperson of the Audit Committee in appropriate or exceptional cases. The policy on whistle blower and vigil mechanism is also uploaded on the company's website www.bemcohydraulics.net

QUALIFICATIONS IN AUDIT REPORTS

Explanations or comments by the Board on every qualification, reservation or adverse remark or disclaimer made —

By the Statutory Auditor in his report:	NIL
By the Secretarial Auditor in their Secretarial Audit report:	Board's explanation
Secretarial Audit observation The Board after obtaining approval of the Company in the 47 th Annual General Meeting held on 30 th September, 2005 had allotted 20,000, 11% Cumulative Redeemable Preference Shares of Rs.100/- each which were due for redemption at par on 31 st March, 2020. The dividend on these shares is in arrears from the financial years 2013-14 till 2019-20. The Company has paid the face value on said shares but failed to pay cumulative dividend amount which is mandatory as per Section 55, this constitutes breach of section 55 of the Companies Act, 2013 and rules made there under.	<p>The inability to pay the dividend on these 20,000 and other series of redeemable preference shares is on account of past losses and inadequacy of profits. As these 20000 redeemable preference shares were due for redemption on 31st March 2020, the Board redeemed them on the last day of the financial year in spite of nationwide lock down due pandemic COVID-19. Nonetheless, the Board's commitment to pay the arrears of dividend remains and after finalization of the accounts for the financial year 2019-20, the Board has realized that it can pay the dividend on these 20000 redeemable preference shares for the financial year 2019-20 as well as arrears from 2013-14 onwards.</p> <p>The preference share holders are promoters themselves who have acquiesced in this arrangement; therefore, there is no harm to the preference shareholders and or to any public interest.</p> <p>So far as the breach of section 55 of the Companies Act, 2013 is concerned, the Board is advised that the option of re issue of preference shares together with arrears of preference shares with the consent of the holders of those preference shares with the approval of the National Company Law Tribunal as envisaged by sub section 3of section 55 of the Companies Act, 2013 is not an efficacious remedy in the present conditions when the preference shareholders have consented in writing to wait till the conclusion of 62nd annual general meeting where the dividend is being recommended and would be paid by end of August 2020.</p> <p>To sum up, the Board seeks to reiterate the fact that the two preference shareholders belong to the promoters category who have acquiesced in the arrangement.</p>

In order to achieve the key objective, the policy establishes a structured and disciplined approach to Risk Management, in order to guide decisions on risk related issues.
- The Board ensures that all the current and future material risk exposures of the company are identified, assessed, quantified, appropriately mitigated, minimized and managed i.e. to ensure adequate systems for risk management. The Company enables compliance with all appropriate laws and regulations, wherever applicable, through the adoption of best practices.
- The Board of Directors of the Company and the Audit Committee periodically reviews and evaluates the risk management system of the Company so that the management controls the risks through properly defined network. Head of Departments are responsible for implementation of the risk management system as may be applicable to their respective areas of functioning, and they report to the Board and Audit Committee when circumstances require.
- Company is working at the Norms laid down in the ISO 9001-2008 & ISO 14001-2004 and strictly follow all the norms and procedures to overcome the various risk factors.

CORPORATE SOCIAL RESPONSIBILITY POLICY:

As the company does not fall within the criteria laid down in section 135 of the Companies Act, 2013, nothing under this head is applicable statutorily but the Boards' commitment to social cause remains.

FORMAL ANNUAL EVALUATION /BOARD EVALUATION

The Board of Directors has carried out an annual evaluation of its own performance, board committees, and individual directors pursuant to the provisions of the Act and the corporate governance requirements as prescribed by the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements), Regulations, 2015 ('SEBI Listing Regulations').

The performance of the board was evaluated by the board after seeking inputs from all the directors on the basis of criteria such as the board composition and structure, effectiveness of board processes, information and functioning, etc. as provided by the Guidance Note on Board Evaluation issued by the Securities and Exchange Board of India on January 5, 2017. The performance of the committees was evaluated by the board after seeking inputs from the committee members on the basis of criteria such as the composition of committees, effectiveness of committee meetings, etc. The Board and the Nomination and Remuneration Committee reviewed the performance of individual directors on the basis of criteria such as the contribution of the individual director to the board and committee meetings like preparedness on the issues to be discussed, meaningful and constructive contribution and inputs in meetings, etc. In a separate meeting of independent directors, performance of non-independent directors and the board as a whole was evaluated, taking into account the views of executive directors and non-executive directors. The same was discussed in the board meeting that followed the meeting of the independent directors, at which the performance of the board, its committees, and individual directors was also discussed. Performance evaluation of independent directors was done by the entire board, excluding the independent director being evaluated.

MANAGEMENT DISCUSSION AND ANALYSIS

Industry structure and development:-

We are a Hydraulic engineering company and we bring out information in brief that is relevant to our current business interest and our strategy to grow in this segment.

Main mother Industry on whom we are mainly depended on are, heavy engineering works, Aeronautics, defense, Railways, Automobile, forging, Sheet metal. Apart from these there are many global companies expanding their manufacturing facilities. There is upward trend in the business year by year for past couple of years.

India is a growing country and every business house can grow in its own field provided, they add value to the investments of the buyers program. There is a business opportunity for all segments of business because our country has not reached to the saturation point unlike European and American countries.

In Bemco, we have given major focus on Automotive and Rail Industry not only for business in home country but also in the neighboring countries. We have been successful in securing business as anticipated and much is expected in the years to come.

We believe we are better placed in this segment of industry and are well secured.

Opportunities and Threats:

Opportunities -

We have different product verticals catering to the above segments therefore there are ample opportunities to explore the business prospects from different segments of Industry.

1. In the western countries, forging and foundry industry are reduced as a result Indian Industry is doing better in this segment with export business opportunities. We cater to this segment and we are recognized in this segment of business so much so that, we get substantial business from this segment.
2. Automobile: Every Indian vehicle manufacturer has Bemco machines and we are recognized in this segment of business. Apart from supplying conventional machines, we also supply customized machines to these companies.
3. Railways: Indian Railways is perhaps second largest in the globe and has many workshops spread across length and breadth of the country. We supply Hydraulic wheel presses, spring testing machines and an Import substitute equipment by name - Hydraulic Re-railing equipment which Railways buy in good numbers.
4. Aviation and Defense: Bemco has developed few import substitutes wherein the business is steady and secured although the size of business is not significant. But we value this business as it is a feather in our cap and add brand value to the company. We are being seen as one among the reputed and reliable within industry.

Threats:

1. We are a Hydraulic Engineering Industry who design and develop custom built, application specific Hydraulic machines from concept level to commissioning. Our responsibility ends after putting the machine into production and then we get paid. Time frame for returns on the investment is to the tune of 6 to 8 months for each machine. Our investment on the work in progress is for a longer period of time as a result we carry a huge inventory at a huge interest cost.
2. We need to retain our entire workforce in good and bad times because all are specialized brains trained for our business module. Unlike software industry, we cannot adopt hire and fire policy. We need to carry our work force at all times.
3. If government reduces import duty to promote imports, the domestic hydraulic industry would suffer competitiveness. This is highly unpredictable.
4. We largely depend on government orders. The decisions are normally taken after 180 days. Earnest money deposited is blocked for unknown period at a huge cost.
5. In case of disputes and arbitration, the decisions are delayed for unknown period of time and it is beyond our control. Our inventory gets blocked until dispute is resolved. Security deposits submitted as a surety remain with the government body for an extended period of time.
6. Bank interests are much higher when compared to the developed countries. Since realization on our investment is spread over 8 - 10 months, we lose major chunk of earnings in bank interest & government levies. At times, when dispute crop up, we end up paying interest and government levies and lose heavily.
7. We are better placed in selling large size machines because of our infrastructure and past track record than selling smaller capacity machines. It is often seen that, small entrepreneurs open a new business account with our existing buyers with smaller machines and expand their business tentacles to secure larger business. We really need to strike balance in between, although the business coming from smaller machines does not add much to the turnover. The only way to sustain in this segment is to make the machines more efficient than before and make it incomparable with other products technologically. There is a need for constant innovation, developments and meet expenses without anticipating quicker returns.
8. With the increased globalization, the buyer and the user are more knowledgeable than any single manufacturer. There is need to infuse latest technology and produce energy efficient intelligent machines. It is the time for change over to next generation technology to grow in this business. We need to either develop technology in-house or have technical collaboration with the experts of this field.
9. At times, private entrepreneurs do not take delivery after the machine is ready due many reasons not concerned to us. In this period, we would be carrying huge inventory of capital goods which otherwise cannot be sold to anyone else than the one who placed order.

Segment wise and Product wise performance:

We are doing well in each of the above segment namely railways and automobiles and therefore honored with repeat orders. We have experts of each and every field who are responsible to give their best. The business is growing by word of mouth from one industry to another. We conceive new engineering concepts, develop, produce, test, prove said capabilities of the machine & then sell the first machine. The first machine speaks by itself and sells many more.

Bemco is always dedicated to its work responsibilities & enjoys crossing new mile stones of success in its undertakings. Every employee gives his best to his part of responsibility and it is in the culture of this organization thereby we convert every individual of the organization into an asset of the company. This is the secret behind our success.

Out look

We are confident and looking forward to a bright future and growth. We have planned for larger investments on the infrastructure development & induction of new technology.

Risk and Concerns:

In true sense, we have lesser risk factors in our business. We are into manufacture of custom built products & our investment begins only after securing the business and after contracts are supported with sufficient advance payment.

We are aiming for 50% of the business from Government sector wherein we get paid upon delivery and returns on our investment are well secured. We are successful in reaching to these bench marks.

As a result dead inventory is not created which would otherwise compel us for distress selling or depleting stocks. This is one of the key factors for our 60 years of presence in this field of business in all circumstances of situation of industry prevailing in the country.

Our business is hardly affected by product or the technology becoming obsolete overnight unlike electronic and automobile industry. This process is very slow and as a requirement of industry, we are already having European technology partner to keep pace with time & technology in the relevant field.

Concerns:

Our major concern is on the bank interest on capital goods, security deposits for a longer period of time for government contracts, late decisions of government mechanism & huge inventory costs while work in progress. There is much things expected from the government in this regard.

Performance Highlights:

The Gross revenue, during year under report has been achieved due to a buoyant trend in Indian industry.

- During past couple of years our Government has announced various policies for revival of the Indian Economy and the effect can be seen in the market place.
- The major Policy and move of our Government towards the Indigenization in all the government sectors like, Defense, Aviation, Indian Railways etc. has given boost and courage of the Indian Entrepreneur to plan and implement new projects.
- Now we feel the revival is taking place and we are happy to share the following to the members of the Company:

ESTIMATES FOR THE FINANCIAL YEAR 2020-21:

Estimates for the current and following financial year are based on the corrections taken place in the overall market and taking into account the inflow of new Orders and Enquiries.

In the current challenging economic environment, we hope to grow in a consequently reasonable growth rate and hopefully be in position to slightly improve profits with softer raw materials and lower interest rates.

In addition to this, Bemco Hydraulics Ltd has contributed 65% in its subsidiary company Bemco Fluidtechnik LLP which is engaged in manufacturing of hydraulic pumps, valves, hydraulic motors, hydraulic equipment/power packs, and manifold blocks and many such items and have introduced new products in the current year and has a favorable response for the same. We hope for better sales and positive results for the current financial year.

To sum up, the outlook for the next year looks bright.

Internal Controls and their adequacy:

Bemco has put in place adequate internal financial control with reference to the financial statement, some of which are outlined below:

The Company has adopted Indian Accounting Standard ("Ind AS") with effect from 1st April, 2017. Accordingly, the financial statement for the year ended 31st March, 2019 of the company and its subsidiary are prepared with comparative data, in compliance with Ind AS. Your Company has adopted accounting policies which are in line with the Accounting Standard prescribed in the Companies (Accounting Standards) Rules, 2006 that continues to apply u/s 133 and other applicable provisions of the companies Act, 2013 read with rule 7 of the companies (Accounts) Rules, 2014. These are in accordance with generally accepted accounting principles in India. Changes in policies if any are approved in the audit committee in consultation with the auditors.

The policies to ensure uniform accounting treatment are prescribed to the subsidiaries of your company. The accounts of the subsidiary companies are audited and certified by their respective auditors for consolidation.

The company has proper and adequate system of internal audit and control which ensures that all the assets are safeguarded against loss from unauthorized use and that all transactions are authorized recorded and reported correctly.

The company continuously improves upon existing practices for each of its major functional areas with a view to strengthen the internal control system.

The Company has assigned internal audit function to a firm of Chartered accountants. Regular internal audit and checks are carried out to ensure that the responsibilities are discharged effectively. All major findings and suggestions arising out of internal audit are reported and reviewed by the Audit Committee. The management ensures implementation of these suggestions and reviews them periodically.

Human Resources:

Your company believes that human talent is its fundamental strength. The Company nurtures competencies and skills through learning and development programmes and recognizes talent, and rewards it through performance management system. During 2019-20, the focus from an organization development perspective was to implement strong processes and controls to continuously improve efficiencies and improve organization capabilities.

The process of realigning the organization along functional lines in various areas of business like business acquisition, business execution and technology adoption continued through 2015-16. On the operational side of business, management changes were undertaken to create more focus and greater accountability.

Your company has enjoyed cordial relations with its employees, worker and staff employees are paid in accordance with the wage agreement established with trade unions.

The Employee strength of the company as on 31st March, 2020 was 295.

For and on behalf of the Board of Directors.

INDEPENDENT AUDITOR'S REPORT**TO THE MEMBERS OF BEMCO HYDRAULICS LIMITED****Report on the Audit of the Standalone Financial Statements****Opinion**

We have audited the standalone financial statements of **BEMCO HYDRAULICS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March 2020, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2020, and its profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Attention is drawn to Note 5.45 of the Standalone Financial Statements which describes the impact of COVID-19 Pandemic on the financial position as also on business operations of the Company, assessment thereof by the management of the Company based on its internal, external and macro factors, involving certain estimation uncertainties. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Descriptions of Key Audit Matters are given below:-

SI No.	Key Audit Matters	Auditor's Response

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

Due to Complete lockdown, imposed by the Government, to restrict the spread of COVID-19 the audit finalization process, for the year under report, was carried out from remote locations i.e. other than the office of the Company, based on the data/ details made available and based on financial information/records remitted by the management through digital medium. Our report is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure "A", a statement on the matters specified in the paragraph 3 and 4 of the Order to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - i) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - ii) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - iii) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - iv) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under section 133 of the Act read with Rule 7 of the Companies (Accounts) rules, 2014.
 - v) On the basis of the written representations received from the directors as on 31 March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2020 from being appointed as a director in terms of Section 164(2) of the Act.

- vi) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- vii) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- viii) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - a. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note No. 5.27 to the standalone financial statements;
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure 'A' to Independent Auditor's Report referred to in Paragraph 1 under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date.

- (i) In respect to company's fixed assets:
- The Company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets.
 - The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
 - According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (ii) Physical verification of inventories has been conducted at reasonable intervals by the management. No material discrepancies were noticed on physical verification as compared to book record.
- (iii) The Company has not granted any loans, secured or unsecured, to Companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013 ('the Act'). Accordingly, paragraphs 3(iii)(a), 3(iii)(b) & 3(iii)(c) of the Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not given any loan/guarantee/security to or on behalf of any party referred to in Section 185 of the Companies Act 2013. The Company has complied with Section 186 in respect of investments made. The Company has not given any loan, guarantee or provided any security in connection with a loan to any body corporate or any other person.
- (v) On the basis of our examination of books and records of the Company, in our opinion and according to the information and explanations given to us, the company has not accepted deposits during the year and therefore the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act 2013 and the rules framed there under are not applicable to the Company.
- (vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014 prescribed by the Central Government under Section 148(1) of the Companies Act, 2013 and are of the opinion that prima facie the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) a) The Company is generally regular in depositing undisputed statutory dues including Income Tax and other statutory dues applicable to it with the appropriate authority. There are no undisputed amount payable in respect of applicable statutory dues which were in arrears as at 31.03.2020 for a period of more than six months from the date they became payable.
- b) According to the information & explanation give to us, there are no dues of Income tax, Sales tax, Service Tax, Custom duty, Excise duty or Goods and Services Tax which have not been deposited on account of any dispute except as stated as below:

Name of the Statute	Nature of the Dues	Amount (₹)	Period to which the amount relates (Financial year)	Forum where dispute is pending
Karnataka Tax on Entry of Goods, 1979	Entry Tax	75,755/-	2006-07	Joint Commissioner of Commercial Taxes (Appeals)
Karnataka Tax on Entry of Goods, 1979	Entry Tax	28,666/-	2007-08	Joint Commissioner of Commercial Taxes (Appeals)
Karnataka Tax on Entry of Goods, 1979	Entry Tax	34,580/-	2008-09	Joint Commissioner of Commercial Taxes (Appeals)
Karnataka Tax on Entry of Goods, 1979	Entry Tax	70,632/-	2009-10	Joint Commissioner of Commercial Taxes (Appeals)

Note: Out of the total amount of ₹ 2,09,633/-, 50% of the amount has been deposited.

- (viii) Based on our examination of books and records and according to the information & explanations given to us, the Company has not defaulted in repayment of loans or borrowings to financial institution or Banks or Government. The Company has not issued any debentures.
- (ix) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Terms Loans were applied for the purposes for which those were raised.
- (x) On the basis of our examination of books and records of the Company and according to the information and explanations given to us, no material fraud by the company or on the Company by its officers or employees has been noticed or reported during the year.
- (xi) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Companies Act, 2013.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act and details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year and therefore paragraph 3(xiv) of the Order is not applicable.

Annexure - 'B' to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of BEMCO HYDRAULICS LIMITED ("the Company") as of 31st March 2020 in conjunction with our audit of the standalone Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Summary of Significant Accounting Policies and Notes to the Financial Statements For the Year Ended 31st March 2020

1. Corporate Information

Bemco Hydraulics Limited ("the Company") is a listed company incorporated in India having its registered office at Udyambag Industrial Estate, Belgaum, Karnataka-590 008. The Company is principally engaged in the business of manufacture of wide range of Portable re-railing equipment, Light weight re-railing equipment, Hydraulic Re-railing equipment, Re-railing Systems, Hydraulic press, Wheel fitting press and Straightening press. Apart from the principal place of business it has branches in Chennai, Delhi and Kolkata. The Company caters to both domestic and international markets.

The Company's equity shares are listed on the Bombay Stock Exchange (BSE Ltd.) since 05th day of November, 2001.

The financial statement for the financial year ended 31st March, 2020 were approved by the Board of Directors and authorised for issue on 29th June, 2020.

2. Summary of Significant Accounting Policies

2.01 Statement of Compliance

The Standalone financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act'), other relevant provisions of the Act and guidelines issued by the Securities and Exchange Board of India (SEBI).

2.02 Basis of Preparation and Measurement

The Standalone financial statements have been prepared on the historical cost basis, except for the following assets and Liabilities which have been measured at Fair value basis at end of each reporting period:

- (i) Certain Financial Assets and Liabilities
- (ii) Defined Benefit Plans- Plan Assets

Estimation of uncertainties relating to Global Healthcare Pandemic from COVID - 19

The Company has considered the possible effects that may result from the pandemic relating to COVID - 19 on the carrying amount of assets including investments, capital advances, trade receivables, inventories etc. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of the pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources of information. The Company expects that the carrying amount of these assets will be recovered. The impact of COVID - 19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements.

2.03 Current and Non-Current Classification

The company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is current when it is:

- (a) expected to be realised or intended to be sold or consumed in normal operating cycle;
- (b) held primarily for the purpose of trading;
- (c) expected to be realized within twelve months after the reporting period;
- (d) cash or a cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when it is:

- (a) expected to be settled in normal operating cycle;
- (b) held primarily for the purpose of trading;
- (c) due to be settled within twelve months after the reporting period or,
- (d) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.;

All other liabilities are classified as non-current.

Deferred Tax Assets/ Liabilities are classified as non-current.

2.04 Property, Plant & Equipment (PPE)

PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price, other directly attributable costs including non-refundable duties and taxes net of any trade discounts and rebates. The cost of PPE includes interest on borrowings (borrowing cost) directly attributable to acquisition, construction or production of qualifying assets subsequent to initial recognition, PPE are stated at cost less accumulated depreciation (other than leasehold land which is stated at revalued amounts) and impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

In case of land the Company has availed fair value as deemed cost on the date of transition to Ind AS.

Depreciation on the property, plant and equipment is provided on straight- line method ("SLM") over the useful lives of the assets as specified in Schedule II to the Companies Act, 2013 except leasehold land which is being amortised over lease period and the same is in line with management estimates of the useful lives of the asset. On property, plant and equipment which are added / disposed off during the year, depreciation is provided on pro-rata basis with reference to the month of addition / deletion.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between sales proceeds and the carrying amount of the asset and is recognised in profit or loss. Fully depreciated assets still in use are retained in financial statements.

Residual Values, useful lives and methods of depreciation of Property, Plant and Equipment are reviewed at each financial year and adjusted prospectively if appropriate.

2.05 Capital Work-In-Progress

Capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing cost.

2.06 Intangible Assets

Intangible assets are measured on initial recognition at cost and subsequently are carried at cost less accumulated amortization and accumulated impairment losses, if any.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses on derecognition are determined by comparing proceeds with carrying amount. These are included in the statement of profit or loss as gains or losses, as the case may be.

The Company amortises intangible assets with a finite useful life using the straight-line method over the following range of useful lives:

Asset (Other than internally generated)

Computer Software
Technical Know-how

Useful Life

5 years
10 years

The management reviews the estimated useful life of intangible assets annually.

2.07 Inventories

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any, except in case of scrap which are valued at net realisable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

Cost of Raw Materials, Work-in-progress, Finished goods and Stores and Spares are determined on First in First Out Basis (i.e. FIFO).

2.08 Lease

Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Leased Assets: Assets held under finance leases are initially recognised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalized. Contingent rentals are recognised as expenses in the periods in which they are incurred.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of time pattern in which economic benefits from the leased assets are consumed.

2.09 Revenue Recognition

"Sale of Goods"

The revenue are recognised when (or as) the company satisfies the all recognition criteria including transferring the promised goods or services (i.e. an asset) to the customer. An asset is transferred when (or as) the customer obtains control of that asset.

The Sales of goods are recognised when the products are dispatched/ control transferred to the customers and there is no unfulfilled obligation that could affect the buyer's acceptance of the product as per the terms of the contract and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods.

Revenue is recognised based on the price specified in the contract.

Revenue for current year is exclusive of goods and service tax and net of discounts, sales returns and foreign exchange gain/(loss). Revenue for previous year is inclusive of excise duty but net of sales tax/value added tax/goods and service tax, discounts and sales returns as applicable.

Rendering of services

Revenue from maintenance contracts are recognized on pro-rata basis over the period of contract.

Revenue from other service contracts are recognized when services are rendered and related costs are incurred.

Interest Income

For all financial instruments measured at amortised cost, interest income is accrued on a time basis, by reference to principal outstanding and at effective interest rate (EIR) applicable, which is the rate that exactly discounts the estimated future cash receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset on initial recognition.

Dividend Income

Dividend income from investments is accounted for when the company's right to receive the same is established.

Lease Income

Lease rentals are recognised on straight-line basis as per the terms of the agreements in the Statement of Profit and Loss.

2.10 Employee Benefits Expense

(a) Short term employee benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

(b) Post employment benefits

Defined contribution plans:

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Superannuation Fund and Provident & Pension Fund are administered by Life Insurance Corporation of India (LIC) and Regional Provident Fund Commissioner respectively.

Defined benefit plans:

The company has a defined benefit plan for Post-employment benefit in the form of Gratuity, which is administered through Life Insurance Corporation of India (LIC).

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

Other long-term employee benefits

Liability for Compensated Absences is provided on the basis of valuation, as at the balance sheet date, carried out by an independent actuary. The actuarial method used for measuring the liability is the Projected Unit Credit method.

2.11 Borrowing Costs

Borrowing costs are interest and ancillary costs incurred in connection with the arrangement of borrowings. General and specific borrowing costs attributable to acquisition and construction of any qualifying asset (one that takes a substantial period of time to get ready for its designated use or sale) are capitalised until such time as the assets are substantially ready for their intended use or sale, and included as part of the cost of that asset. All the other borrowing costs are recognised in the Statement of Profit and Loss within Finance costs of the period in which they are incurred.

2.12 Foreign Currency Transactions

The company's financial statements are presented in Indian Rupee (₹), which is also the company's functional currency.

Foreign currency transactions are recorded on initial recognition in the functional currency, using the exchange rate at the date of the transaction. At each balance

sheet date, foreign currency monetary assets or liabilities are translated at exchange rate prevailing on the balance sheet date and the exchange gains or losses are recognised in the statement of profit & loss.

2.13 Earnings Per Share (EPS)

Basic EPS is computed by dividing the profit or loss attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the profit or loss attributable to the equity shareholders and the weighted average number of ordinary equity shares, for the effects of all delusive potential equity shares.

2.14 Income Taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current Tax

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961.

Current tax assets and current tax liabilities are off set when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred Tax

Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

2.15 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, where it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows. Where the effect is material, the provision is discounted to net present value using an appropriate current market-based pre-tax discount rate and the unwinding of the discount is included in finance costs.

Contingent liabilities are recognised only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

2.16 Research & Development Expenditure

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development cost of products are charged to the Statement of Profit and Loss unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalised.

2.17 Impairment of Non-Financial Assets: Property, Plant & Equipment & Intangible Assets

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

2.18 Financial Instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. Purchase and Sale of Financial Assets are recognised using Trade Date Accounting

Cash & Cash Equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Financial Assets at Amortised Cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets At Fair Value Through Other Comprehensive Income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

The Company has made an irrevocable election to present subsequent changes in the fair value of equity investments not held for trading in Other Comprehensive Income.

Financial Assets At Fair Value Through Profit or Loss (FVTPL)

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

Financial Liabilities

All financial liabilities are recognised at fair value at initial recognition and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost. Financial Liabilities are subsequently measured at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Equity Instruments

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments recognised by the Company are measured at the proceeds received net off direct issue cost.

Investment in Subsidiary

A subsidiary is an entity that is controlled by the Company.

The Company accounts for the each category of investments in subsidiaries at cost in accordance with Ind AS 27 - Separate Financial Statements.

Derecognition of Financial Instruments:

A financial asset is primarily derecognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

Impairment of Financial Assets (other than at fair value through Profit & Loss)

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVTOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Offsetting

Financial Assets and Financial Liabilities are offset and the net amount is presented in the Balance Sheet when and only when, the company has a legally enforceable right to set off the amount and it intends, either to settle them on net basis or to realise the asset and settle the liability simultaneously.

3 Critical Accounting Judgements & Key Sources of Estimation Uncertainty

The preparation of the company's financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of revenues, expenses, assets and liabilities, the accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The company based its assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the company. Such changes are reflected in the assumptions when they occur.

Defined Benefit Plans

The cost of the defined benefit plans and other post-employment benefits and the present value of such obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit plan is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Contingencies & Commitments

In the normal course of business, contingent liabilities may arise from litigations and other claims against the Company. Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, we treat them as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings, the Company do not expect them to have a materially adverse impact on our financial position or profitability.

Depreciation / amortisation and useful lives of property plant and equipment / intangible assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

Allowances for doubtful debts

The Company makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgement and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

Provision for Liquidated Damages

Provision for liquidated damages are recognised on contracts for which revenue has been recognised during the reporting period and the delivery dates are exceeded as per the terms of the contract on a reasonable basis. The negotiations with the customers on the percentage deduction/ non-deduction of liquidated damages impacts the profitability in the period in which such negotiations are finalised.

Impairment of Financial Assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Warranty Provisions

Provisions for warranty-related costs are recognised when the product is sold or service provided to the customer. Initial recognition is based on historical experience. The initial estimate of warranty-related costs is revised annually.

4 Recent Indian Accounting Standards (Ind AS)

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2020.

BEMCO HYDRAULICS LTD.
62ND ANNUAL REPORT 2019-2020

- Note:** (i) A case was filed for the recovery of the doubtful advance against B. H. Bhattiwala ("Respondent") in the court of the Hon'ble Pri. District Judge, Belgaum. The order was passed on 30th August, 2011 in favour of Bemco Hydraulics Limited directing the respondent to pay a sum of ₹ 5 Lakhs along with interest at 6% per annum amounting to ₹ 2.73 Lakhs i.e. total of ₹ 7.73 Lakhs by delivery of any property specifically decreed or by attachment or sale of Moveable or immovable properties. However, when summons were issued to the respondent it was found that the respondent has passed away and his spouse and legal heirs have not responded to the summons yet. Therefore, on basis of prudence the claim awarded has not been recognised as income neither the provision against the debt has been reversed considering the uncertainty in relation to receipt of the claims.
- (ii) Included in above is amount of ₹ 1.05 Lakhs deposited against the total demand of ₹ 2.10 Lakhs for Entry Tax due under the Karnataka Tax on Entry of Goods Act, 1979 for financial years 2006-07, 2007-08, 2008-09 & 2009-10. An appeal has been preferred with the Hon'ble Joint Commissioner of Commercial Taxes (Appeals), the case is still pending in the forum. Also refer note no. 5.27(a).

5.00%	5.00%	294.55	250.04
7.00%	7.00%	327.51	278.65

(c) Impact of change in withdrawal rate when base assumption is decreased/increased by 100 basis point

Withdrawal rate Mar-20	Mar-19	Defined Benefit obligation (in ₹)	
		31/03/2020	31/03/2019
Decrease By 1%	4.00%	308.18	260.71
Increase By 1%	6.00%	311.74	266.10

xvi) **Risk exposure and asset liability matching**

Provision of a defined benefit scheme poses certain risks, some of which are detailed here under, as companies take on uncertain long term obligations to make future benefit payments.

1) **Liability risks**

(i) **Asset-Liability Mismatch Risk**

Risk which arises if there is a mismatch in the duration of the assets relative to the liabilities. By matching duration with the defined benefit liabilities, the company is successfully able to neutralize valuation swings caused by interest rate movements.

(ii) **Discount Rate Risk**

Variations in the discount rate used to compute the present value of the liabilities may seem small, but in practise can have a significant impact on the defined benefit liabilities.

(iii) **Future Salary Escalation and Inflation Risk**

Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk.

2) **Asset Risks**

All plan assets are maintained in a trust fund managed by a public sector insurer viz; LIC of India. LIC has a sovereign guarantee and has been providing consistent and competitive returns over the years.

The company has opted for a traditional fund where in all assets are invested primarily in risk averse markets. The company has no control over the management of funds but this option provides a high level of safety for the total corpus. A single account is maintained for both the investment and claim settlement and hence 100% liquidity is ensured. Also interest rate and inflation risk are taken care of.

The following table shows foreign currency exposures in Euro on financial instruments at the end of the reporting period.

Particulars	Foreign Currency Exposure	
	As at 31-03-2020 Euro in Lakhs	As at 31-03-2019 Euro in Lakhs
Trade and Other Payables - Deferred Payment Liabilities	3.35	3.75
Trade & Other Receivables Trade Receivable	-	-

Foreign Currency Sensitivity Analysis

The Company is mainly exposed to the currency : EURO

The following table details the Company's sensitivity to a 5% increase and decrease in the ₹ against the relevant foreign currencies. 5% is the sensitivity rate used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. This is mainly attributable to the exposure outstanding on receivables and payables in the Company at the end of the reporting period. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 5% charge in foreign currency rate. A positive number below indicates an increase in the profit or equity where the ₹ strengthens 5% against the relevant currency. For a 5% weakening of the ₹ against the relevant currency, there would be a comparable impact on the profit or equity, and the balances below would be negative.

Impact of profit or loss and Equity

Particulars	Euro Impact	
	31-03-2020	31-03-2019
Increase in Exchange Rate by 5%	(14.17)	(14.81)
Decrease in Exchange Rate by 5%	14.17	14.81

Equity Risk

There is no material equity risk relating to the Company's equity investments which are detailed in note 5.03 "Investments". The Company's equity investments majorly comprises of Long Term Investments rather than trading purpose.

Interest Risk

There is no material interest risk relating to the Company's financial liabilities which are detailed in Note 5.16, 5.21 and 5.23

Credit Risk

Credit Risk is the risk that a customer or counterparty to a financial instrument fails to perform or pay the amounts due causing financial loss to the company. Credit Risk arises from Company's activities in investments and other receivables from customers. The Company has a prudent and conservative process for managing its credit risk arising in the course of its business activities. The Company generally has set a policy of receiving 80 percent of the sale proceeds as an advance after the orders get finalized and remaining 20 percent at the time of dispatch and commissioning.

Liquidity Risk

Ultimate responsibility for liquidity risk management rests with the Board of Directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-term, and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

All current financial liabilities are repayable within one year. The contractual maturities of non current liabilities are disclosed in Note No. 5.16

Liquidity Risk Table

The following table detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the company can be required to pay.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF BEMCO HYDRAULICS LIMITED

Report on Consolidated Financial Statements**Opinion**

We have audited the accompanying consolidated financial statements of Bemco Hydraulics Limited, (hereinafter referred to as the "Holding Company") and its subsidiary (Holding Company and its subsidiary together referred to as "the Group"), which comprise the consolidated balance sheet as at March 31, 2020, and the consolidated statement of profit and loss including other comprehensive income, the consolidated statement of changes in equity and the consolidated cash flows Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at March 31, 2020, of consolidated loss, consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by ICAI and the relevant provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Attention is drawn to Note 5.49 of the Consolidated Financial Statements which describes the impact of COVID-19 Pandemic on the financial position as also on business operations of the Company, assessment thereof by the management of the Company based on its internal, external and macro factors, involving certain estimation uncertainties. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Description of Key Audit Matters

SI No.	Key Audit Matters	Auditor's Response

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 ('the Act') that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of

Directors/Partners of the entity included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors/Partners of the entity included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors/Partners either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors/Partners of the entity included in the Group is responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion.
- Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and the subsidiary included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (a) We did not audit the financial statements of a Subsidiary, whose financial statements reflect total assets of ₹180.49 Lakhs as at 31st March, 2020, total revenues of ₹103.14 Lakhs and net cash inflows amounting to ₹2.99 Lakhs for the year ended on that date, as considered in the consolidated financial statements.

These financial statements have been examined by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the reports of the other auditors.

- (b) Due to Complete lockdown, imposed by the Government, to restrict the spread of COVID-19 the audit finalization process, for the year under report, was carried out from remote locations i.e. other than the office of the Company, based on the data/ details made available and based on financial information/records remitted by the management through digital medium.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2020 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in Annexure.

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, Refer Note 5.48 to the consolidated financial statements.
 - The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, and its subsidiary company.

Annexure - A to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended 31st March 2020, we have audited the internal financial controls over financial reporting of **BEMCO HYDRAULICS LIMITED** ("the Holding Company") which is company incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Holding Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company which is a company incorporated in India have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

2.03 Principles of Consolidation

The Consolidated Financial Statements have been prepared on the following basis:

- The financial statements of the Holding Company and its subsidiary are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.
- Profits or losses resulting from intra-group transactions that are recognised in assets, such as inventory and property, plant & equipment, are eliminated in full.
- The carrying amount of the Parent's investment in the subsidiary is offset (eliminated) against the parent's share in the Parent's Fund of the subsidiary.
- Non Controlling Interest's share in profit / loss of subsidiary for the year is identified and adjusted against the income of the Group in order to arrive at the net income attributable to shareholders of the Holding Company.
- Non Controlling Interest's share in net assets of the subsidiary is identified and presented in the Consolidated Balance Sheet separate from liabilities and the equity of the Holding Company's shareholders.
- Profit or loss and each component of other comprehensive income are attributed to the owners of the Holding Company and to the non-controlling interests ("NCI"). Total comprehensive income of the subsidiary is attributed to the owners of the Company and to the NCI. In case of loss in subsidiary the loss is attributed to NCI to the extent of its Share, the rest of the loss is attributed to the Holding Company.
- The audited/unaudited financial Statement of Subsidiary considered for the purpose of consolidation is the converged Ind AS financial Statements, it has been converged from Generally Accepted Accounting Principles Accepted in India ("Previous GAAP") to Ind AS.
- The consolidated financial statements have been prepared using uniform accounting policies between The Holding Company and its subsidiary for like transactions and other events in similar circumstances.

2.04 Summary of Significant Accounting Policies

These are set out in Note 2 "Summary of Significant Accounting Policies" in the Company's standalone financial statements.

3 Critical Accounting Judgements & Key Sources of Estimation Uncertainty

The preparation of the Group's financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of revenues, expenses, assets and liabilities, the accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Group based its assumptions about future developments, however, it may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

Defined Benefit Plans

The cost of the defined benefit plans and other post-employment benefits and the present value of such obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit plan is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Contingencies & Commitments

In the normal course of business, contingent liabilities may arise from litigations and other claims against the Company. Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, we treat them as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings, the Company do not expect them to have a materially adverse impact on our financial position or profitability.

Depreciation / amortisation and useful lives of property plant and equipment / intangible assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Group's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

Allowances for doubtful debts

The Group makes allowances for doubtful debts based on an assessment of the recover ability of trade and other receivables. The identification of doubtful debts requires use of judgement and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

Provision for Liquidated Damages

Provision for liquidated damages are recognised on contracts for which revenue has been recognised during the reporting period and the delivery dates are exceeded as per the terms of the contract on a reasonable basis. The negotiations with the customers on the percentage deduction/ non-deduction of liquidated damages impacts the profitability in the period in which such negotiations are finalised.

Impairment of Financial Assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Group's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Warranty Provisions

Provisions for warranty-related costs are recognised when the product is sold or service provided to the customer. Initial recognition is based on historical experience. The initial estimate of warranty-related costs is revised annually.

4 Recent Indian Accounting Standards (Ind AS)

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2020.

The company has contributed ₹ 13.21 Lakhs to its gratuity fund in 2020. The Company intends to contribute ₹ 13.00 Lakhs towards its gratuity fund in 2021.

xv) Sensitivity Analysis

Sensitivity analysis indicates the influence of a reasonable change in certain significant assumptions on the outcome of the Defined benefit obligation (DBO) and aids in understanding the uncertainty of reported amounts. Sensitivity analysis is done by varying one parameter at a time and studying its impact.

(a) Impact of change in discount rate when base assumption is decreased/increased by 100 basis point

Discount rate		Defined Benefit obligation (in ₹)	
Mar-20	Mar-19	31/03/2020	31/03/2019
6.80%	6.80%	330.97	281.70
8.80%	8.80%	291.85	247.62

(b) Impact of change in salary increase rate when base assumption is decreased/increased by 100 basis point

Salary Increment rate		Defined Benefit obligation (in ₹)	
Mar-20	Mar-19	31/03/2020	31/03/2019
5.00%	5.00%	294.55	250.04
7.00%	7.00%	327.51	278.65

(c) Impact of change in withdrawal rate when base assumption is decreased/increased by 100 basis point

Withdrawal rate		Defined Benefit obligation (in ₹)	
Mar-20	Mar-19	31/03/2020	31/03/2019
4.00%	4.00%	308.18	260.71
6.00%	6.00%	311.74	266.10

xvi) Risk exposure and asset liability matching

Provision of a defined benefit scheme poses certain risks, some of which are detailed here under, as companies take on uncertain long term obligations to make future benefit payments.

1) Liability risks**(i) Asset-Liability Mismatch Risk**

Risk which arises if there is a mismatch in the duration of the assets relative to the liabilities. By matching duration with the defined benefit liabilities, the Holding company is successfully able to neutralize valuation swings caused by interest rate movements.

(ii) Discount Rate Risk

Variations in the discount rate used to compute the present value of the liabilities may seem small, but in practise can have a significant impact on the defined benefit liabilities.

(iii) Future Salary Escalation and Inflation Risk

Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk.

2) Asset Risks

All plan assets are maintained in a trust fund managed by a public sector insurer viz; LIC of India. LIC has as overing guarantee and has been providing consistent and competitive returns over the years.

The Holding company has opted for a traditional fund where in all assets are invested primarily in risk averse markets. The company has no control over the management of funds but this option provides a high level of safety for the total corpus. A single account is maintained for both the investment and claim settlement and hence 100% liquidity is ensured. Also interest rate and inflation risk are taken care of.

Foreign Currency Sensitivity Analysis

The Company is mainly exposed to the currency : EURO

The following table details the Group's sensitivity to a 5% increase and decrease in the ₹ against the relevant foreign currencies. 5% is the sensitivity rate used when reporting foreign currency risk internally to key managerial personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. This is mainly attributable to the exposure outstanding on receivables and payables in the Group at the end of the reporting period. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 5% change in foreign currency rate. A positive number below indicates an increase in the profit or equity where the ₹ strengthens 5% against the relevant currency. For a 5% weakening of the ₹ against the relevant currency, there would be a comparable impact on the profit or equity, and the balances below would be negative.

Impact of profit or loss and Equity

Particulars	Euro Impact

There is no material equity risk relating to the Groups' equity investments which are detailed in note 5.03 "Investments". The Groups' equity investments majorly comprises of Long Term Investments rather than trading purpose.

Interest Risk

There is no material interest risk relating to the Company's financial liabilities which are detailed in Note 5.16, 5.21 and 5.23.

Credit Risk

Credit Risk is the risk that a customer or counter party to a financial instrument fails to perform or pay the amounts due causing financial loss to the Group. Credit Risk arises from Groups' activities in investments and other receivables from customers. The Group has a prudent and conservative process for managing its credit risk arising in the course of its business activities. The Group generally has set a policy of receiving 80 percent of the sale proceeds as an advance after the orders get finalized and remaining 20 percent at the time of dispatch and commissioning.

Liquidity Risk

Ultimate responsibility for liquidity risk management rests with the Board of Directors of the Holding Company, which has established an appropriate liquidity risk management framework for the management of the Group's short-term, and long-term funding and liquidity management requirements. The Group manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

All current financial liabilities are repayable within one year. The contractual maturities of non current liabilities are disclosed in Note No. 5.16

Liquidity Risk Table

The following table detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the company can be required to pay.

Covid-19 pandemic has been rapidly spreading throughout the world, including India. Government in India has taken significant measures to curb the spread of the virus including imposing mandatory lockdowns and restrictions in activities. Consequently, Company's manufacturing plants and offices had to be closed down for a considerable period of time, including after the year end. As a result of the lockdown, the likely revenue from the month of March 2020 has been impacted. Continued lockdowns are likely to impact the Company operationally including on supply chain matters. The Company is monitoring the situation closely taking into account directives from the Governments. Management believes that it has taken into account all the possible impacts of known events arising from COVID-19 pandemic and the resultant lockdowns in the preparation of the financial statements including but not limited to its assessment of Group's liquidity and going concern, recoverable values of its property, plant and equipment, intangible assets and the net realisable values of other assets. However, given the effect of these lockdowns on the overall economic activity and in particular on the automotive industry, the impact assessment of COVID-19 on the above mentioned financial statement captions is subject to significant estimation uncertainties given its nature and duration and, accordingly, the actual impacts in future may be different from those estimated as at the date of approval of these financial statements. The Company will continue to monitor any material changes to future economic conditions and consequential impact on its financial position.
