## M-voting

Central Depository Services (India) Limited is pleased to announce the launch of m-voting a mobile app for m voting. This m-voting app enables Android based smart phone users to cast their vote on company resolutions even while they are on the move. M-voting can also be used for voting at the AGM/EGM venue. The m-voting app can be downloaded from Google play store for android based phones, while the users of iPhone and windows based phones can download the app from the app store and windows phone store respectively. Please follow the instructions as prompted by the mobile app while voting on your mobile.

CDSL is also pleased to introduce a single sign on facility for e-voting which enables clients of registered proxy advisory firms, depository participants and stock broker to vote directly from their registered login. Both facilities m-voting and single sign on, are currently been offered free of cost to the investors.

CDSL's internet based e-Voting Platform enables shareholders to vote online at a place and time of their convenience. The e-Voting Platform can be used to conduct voting at AGMs / EGMs (including Venue Voting), Postal Ballots and other meetings thus obviating the need for shareholders to be physically present at the venue of the meeting to participate in the decision making process of companies. To know more about e-Voting, visit [www.evotingindia.com](http://www.evotingindia.com).

#### 2. INFORMATION ABOUT THE APPOINTEE

1. Background details	Mr. Anirudh Mohta is associated with the company since 1994 as an Executive Director, then as the Joint Managing Director upto 31.3.2014 and from 1.4.2014 till date as the Managing director. He holds a bachelors degree in Engineering in Industrial Production
2. Past remuneration	During the present tenure as Managing Director minimum was paid Rs. 600000/- per month as the minimum remuneration for the financial year 2020-21 as per the limit prescribed in Schedule V of The Companies Act, 2013.
3. Remuneration proposed	w.e.f 01/04/2022 Rs. 6,50,000/- per month and thereafter in the time scale of Rs. 6,50,000/- - 50,000/- 7,00,000/- per month
4. Comparative remuneration profile with respect to industry, size of the company, profile of the position and person (in case of expatriates the relevant details would be with respect to the country of his origin)	The proposed Remuneration is the Minimum remuneration as per Schedule V of the Companies Act, 2013 which is comparable with the companies of the same size and profitability.
5. Pecuniary relationship directly or indirectly with the company, or relationship with the managerial personnel, if any.	Mr. Anirudh Mohta is related to Company's Women Non Executive Director Mrs. Urmila Devi Mohta and Chairperson Mr. Madan Mohan Mohta and belongs to promoter and promoter(s) Group of the Company.

#### 3. OTHER INFORMATION:

1. Reasons of loss or inadequate profits	Although the Company has profits, but then the managerial remuneration in the scale in which it is proposed to be given does not fit within eleven per cent of the net profits, hence inadequacy of profit arises. The managerial remuneration at the rate of Rs. 6,50,000/- per month with annual increment of Rs. 50,000/- is most reasonable in the context of more than 20 years post qualification experience of the appointee Managing director Mr Anirudh Mohta, who holds a degree in Industrial production and on the job experience right from shop floor to Board for the last 27 years.
2. Steps taken or proposed to be taken for improvement	The Board desires to enhance the company's turn over and profitability so that no question of inadequacy of profits arises.
3. Expected increase in productivity and profits in measurable terms	It is difficult to forecast the productivity and profitability in measurable term. However, the company expects that productivity and profitability may improve and would be comparable with the industry average.

#### 6. DIVIDEND:

##### Equity Shares:

As the company's profit amounts to Rs. 406.67/- lakhs the board decided to keep the amount for the expansion of the business and therefore no dividend is proposed for the financial year 2020-21.

##### Preference Shares:

The Board in the 47th Annual General Meeting held on 30th September, 2005 had allotted 20,000, 11% Cumulative Redeemable Preference Shares of Rs.100/- each which were due for redemption at par 31st March, 2020. The dividend on these shares were in arrears from the financial years 2013-14. The company has paid the principle amount and 11% preference dividend upto the date of redemption which amounts to an outflow of Rs. 15,40,000/-, to the preference shareholder after taking approval of members in the 62nd Annual General Meeting.

The Board wishes to explain that the dividend on 300000 preference shares is in arrears since 2013, the Company has paid the 11% cumulative dividend on 300000 preference shares from the financial year 2013 upto 2017 which amounts to an outflow of Rs.1,32,00,000/-, after taking approval of the Board of directors in the meeting held on 24th June, 2021, and further shall confirm the same in the forthcoming 63rd Annual General meeting.

F. Y. ended on	No. of Preference Shares	Amount of Dividend in Rs.
31 <sup>st</sup> March 2019	3,20,000	2,11,20,000/-
31 <sup>st</sup> March 2020	3,00,000	2,31,08,000/-
31 <sup>st</sup> March 2021	3,00,000	2,64,09,093/-

These preference shares are held by the promoters themselves as borne by the list of preference share holders as under:

- MOHTA CAPITAL PRIVATE LIMITED
- UD FINNVEST PRIVATE LIMITED
- SRI RAMACHANDRA ENTERPRISES PRIVATE LIMITED

In view of the above, Company is carrying the above amount as Liability towards Dividend on Preference Shares

As no Dividend is paid on 3,00,000 preference shares for F. Y., 2018-19, 2019-20 and also for F Y 2020-21, the Preference Share holders would get voting rights on par with equity share holders, in terms of the provisions of Section 47 of the Companies Act 2013 on and after the forthcoming AGM.

## **ANNEXURE-VII**

(Annexure to director's report- statutory Disclosures)

### **RISK MANAGEMENT POLICY:**

- The RISK MANAGEMENT POLICY is in compliance with Section 134 (3) (n) of the Companies Act 2013 and Regulation 21 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 which requires the Company to lay down procedure for risk assessment and procedure for risk minimization. The main objective of this policy is to ensure sustainable business growth with stability and to promote a pro-active approach in reporting, evaluating and resolving risks associated with the business. In order to achieve the key objective, the policy establishes a structured and disciplined approach to Risk Management, in order to guide decisions on risk related issues.
- The Board ensures that all the current and future material risk exposures of the company are identified, assessed, quantified, appropriately mitigated, minimized and managed i.e. to ensure adequate systems for risk management. The Company enables compliance with all appropriate laws and regulations, wherever applicable, through the adoption of best practices.
- The Board of Directors of the Company and the Audit Committee periodically reviews and evaluates the risk management system of the Company so that the management controls the risks through properly defined network. Head of Departments are responsible for implementation of the risk management system as may be applicable to their respective areas of functioning, and they report to the Board and Audit Committee when circumstances require.
- Company is working at the Norms laid down in the ISO 9001-2015 & ISO 14001-2004 and strictly follow all the norms and procedures to overcome the various risk factors.

### **CORPORATE SOCIAL RESPONSIBILITY POLICY:**

As the company does not fall within the criteria laid down in section 135 of the Companies Act, 2013, nothing under this head is applicable statutorily but the Boards' commitment to social cause remains.

### **FORMAL ANNUAL EVALUATION/BOARD EVALUATION**

The Board of Directors has carried out an annual evaluation of its own performance, board committees, and individual directors pursuant to the provisions of the Act and the corporate governance requirements as prescribed by the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements), Regulations, 2015 ('SEBI Listing Regulations').

The performance of the board was evaluated by the board after seeking inputs from all the directors on the basis of criteria such as the board composition and structure, effectiveness of board processes, information and functioning, etc. as provided by the Guidance Note on Board Evaluation issued by the Securities and Exchange Board of India on January 5, 2017. The performance of the committees was evaluated by the board after seeking inputs from the committee members on the basis of criteria such as the composition of committees, effectiveness of committee meetings, etc. The Board and the Nomination and Remuneration Committee reviewed the performance of individual directors on the basis of criteria such as the contribution of the individual director to the board and committee meetings like preparedness on the issues to be discussed, meaningful and constructive contribution and inputs in meetings, etc. In a separate meeting of independent directors, performance of non-independent directors and the board as a whole was evaluated, taking into account the views of executive directors and non-executive directors. The same was discussed in the board meeting that followed the meeting of the independent directors, at which the performance of the board, its committees, and individual directors was also discussed. Performance evaluation of independent directors was done by the entire board, excluding the independent director being evaluated.

## MANAGEMENT DISCUSSION AND ANALYSIS

### Industry structure and development:-

We are a Hydraulic engineering company and we bring out information in brief that is relevant to our current business interest and our strategy to grow in this segment.

Main mother Industry on whom we are mainly depended on are, heavy engineering works, Aeronautics, defense, Railways, Automobile, forging, Sheet metal. Apart from these there are many global companies expanding their manufacturing facilities. There is upward trend in the business year by year for past couple of years.

India is a growing country and every business house can grow in its own field provided, they add value to the investments of the buyers program. There is a business opportunity for all segments of business because our country has not reached to the saturation point unlike European and American countries.

In Bemco, we have given major focus on Automotive and Rail Industry not only for business in home country but also in the neighboring countries. We have been successful in securing business as anticipated and much is expected in the years to come.

We believe we are better placed in this segment of industry and are well secured.

### Opportunities and Threats:

#### Opportunities -

We have different product verticals catering to the above segments therefore there are ample opportunities to explore the business prospects from different segments of industry.

1. In the western countries, forging and foundry industry are reduced as a result Indian Industry is doing better in this segment with export business opportunities. We cater to this segment and we are recognized in this segment of business so much so that, we get substantial business from this segment.
2. Automobile: Every Indian vehicle manufacturer has Bemco machines and we are recognized in this segment of business. Apart from supplying conventional machines, we also supply customized machines to these companies.
3. Railways: Indian Railways is perhaps second largest in the globe and has many workshops spread across length and breadth of the country. We supply Hydraulic wheel presses, spring testing machines and an import substitute equipment by name – Hydraulic Re-railing equipment which Railways buy in good numbers.
4. Aviation and Defense: Bemco has developed few import substitutes wherein the business is steady and secured although the size of business is not significant. But we value this business as it is a feather in our cap and add brand value to the company. We are being seen as one among the reputed and reliable within industry.

#### Threats:

1. We are a Hydraulic Engineering Industry who design and develop custom built, application specific Hydraulic machines from concept level to commissioning. Our responsibility ends after putting the machine into production and then we get paid. Time frame for returns on the investment is to the tune of 6 to 8 months for each machine. Our investment on the work in progress is for a longer period of time as a result we carry a huge inventory at a huge interest cost.
2. We need to retain our entire workforce in good and bad times because all are specialized brains trained for our business module. Unlike software industry, we cannot adopt hire and fire policy. We need to carry our work force at all times.
3. If government reduces import duty to promote imports, the domestic hydraulic industry would suffer competitiveness. This is highly unpredictable.
4. We largely depend on government orders. The decisions are normally taken after 180 days. Earnest money deposited is blocked for unknown period at a huge cost.
5. In case of disputes and arbitration, the decisions are delayed for unknown period of time and it is beyond our control. Our inventory gets blocked until dispute is resolved. Security deposits submitted as a surety remain with the government body for an extended period of time.
6. Bank interests are much higher when compared to the developed countries. Since realization on our investment is spread over 8 – 10 months, we lose major chunk of earnings in bank interest & government levies. At times, when dispute crop up, we end up paying interest and government levies and lose heavily.
7. We are better placed in selling large size machines because of our infrastructure and past track record than selling smaller capacity machines. It is often seen that, small entrepreneurs open a new business account with our existing buyers with smaller machines and expand their business tentacles to secure larger business. We really need to strike balance in between, although the business coming from smaller machines does not add much to the turnover. The only way to sustain in this segment is to make the machines more efficient than before and make it incomparable with other products technologically. There is a need for constant innovation, developments and meet expenses without anticipating quicker returns.
8. With the increased globalization, the buyer and the user are more knowledgeable than any single manufacturer. There is need to infuse latest technology and produce energy efficient intelligent machines. It is the time for change over to next generation technology to grow in this business. We need to either develop technology in-house or have technical collaboration with the experts of this field.
9. At times, private entrepreneurs do not take delivery after the machine is ready due many reasons not concerned to us. In this period, we would be carrying huge inventory of capital goods which otherwise cannot be sold to anyone else than the one who placed order.

### Segment wise and Product wise performance:

We have experts of each and every field who are responsible to give their best. The business is growing by word of mouth from one industry to another. We conceive new engineering concepts, develop, produce, test, prove said capabilities of the machine & then sell the first machine. The first machine speaks by itself and sells many more.

Bemco is always dedicated to its work responsibilities & enjoys crossing new mile stones of success in its undertakings. Every employee gives his best to his part of responsibility and it is in the culture of this organization thereby we convert every individual of the organization into an asset of the company.

### Outlook

We are confident and looking forward to a bright future and growth. We have planned for larger investments on the infrastructure development & induction of new technology.

### Risk and Concerns:

In true sense, we have lesser risk factors in our business. We are into manufacture of custom built products & our investment begins only after securing the business and after contracts are supported with sufficient advance payment.

We are aiming for 50% of the business from Government sector wherein we get paid up on delivery and returns on our investment are well secured. We are successful in reaching to these bench marks.

As a result dead inventory is not created which would otherwise compel us for distress selling or depleting stocks. This is one of the key factors for our 60 years of presence in this field of business in all circumstances of situation of industry prevailing in the country.

Our business is hardly affected by product or the technology becoming obsolete overnight unlike electronic and automobile industry. This process is very slow and as a requirement of industry, we are already having European technology partner to keep pace with time & technology in the relevant field.

## Concerns:

Our major concern is on the bank interest on capital goods, security deposits for a longer period of time for government contracts, late decisions of government mechanism & huge inventory costs while work in progress. There is much things expected from the government in this regard.

## ESTIMATES FOR THE FINANCIAL YEAR 2021-22:

Unfortunately we are in continued phase of pandemic and lockdown which is affecting smooth flow of business. However, the order position of the company is relatively decent.

We hope to meet last year sales with may be a slight improvement. However due to severe rise in the commodity prices which are our main inputs like aluminum, steel and oil, it will be quite a challenging to meet the profitability posted last year. However as the year stands out here on, we expect a strong rebound in business and it is our endeavor to marginally surpass the performance in the top line and the bottom line compared to last year.

Bemco Fluidtechnik LLP which is engaged in manufacturing of hydraulic pumps, valves, hydraulic motors, hydraulic equipment/power packs, and manifold blocks and many such items and have introduced new products in the current year and has a favorable response for the same. We hope for better sales and positive results for the current financial year.

To sum up, the outlook for the next year looks cautiously optimistic.

## Internal Controls and their adequacy:

Bemco has put in place adequate internal financial control with reference to the financial statement, some of which are outlined below:

The financial statement for the year ended 31st March, 2021 of the company and its subsidiary are prepared with comparative data, in compliance with Ind AS. Your Company has adopted accounting policies which are in line with the Accounting Standard prescribed in the Companies (Accounting Standards) Rules, 2006 that continues to apply u/s 133 and other applicable provisions of the companies Act, 2013 read with rule 7 of the companies (Accounts) Rules, 2014. These are in accordance with generally accepted accounting principles in India. Changes in policies if any are approved in the audit committee in consultation with the auditors.

The policies to ensure uniform accounting treatment are prescribed to the subsidiaries of your company. The accounts of the subsidiary companies are audited and certified by their respective auditors for consolidation.

The company has proper and adequate system of internal audit and control which ensures that all the assets are safeguarded against loss from unauthorized use and that all transactions are authorized recorded and reported correctly.

The company continuously improves upon existing practices for each of its major functional areas with a view to strengthen the internal control system.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BEMCO HYDRAULICS LIMITED**

### **Report on the Audit of the Standalone Financial Statements**

#### **Opinion**

We have audited the standalone financial statements of **BEMCO HYDRAULICS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March 2021, the Statement of Profit and Loss (Including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2021, and its profit, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Emphasis of Matter**

Attention is drawn to Note 5.46 of the Standalone Financial Statements which describes the impact of COVID-19 Pandemic on the financial position as also on business operations of the Company, assessment thereof by the management of the Company based on its internal, external and macro factors, involving certain estimation uncertainties. Our opinion is not modified in respect of this matter.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

#### **Descriptions of Key Audit Matters are given below:-**

Sl No.	Key Audit Matters	Auditor's Response
1	<p>Appropriateness of the carrying amount of trade receivables (Unsecured &amp; Considered Good) at amortized cost (Refer Note – 5.09 to the standalone financial statements)</p> <p>Trade receivables aggregating to ₹ 1867.58 Lakhs as at March 31, 2021 comprise a significant portion of the assets of the Company and serve as security for the Company's short-term debts.</p> <p>Letters have been sent to majority of the debtor for confirmation of balances and reconciliation, in case of differences, but replies have not been received from all.</p> <p>This is determined as a key audit matter as balance confirmation is one of the evidences which establish the authenticity of the receivables which comprise significant portion of the Assets of the entity.</p>	<p><b>Our procedures, regarding obtaining the balance confirmation of Trade Receivable and verifying the same</b></p> <ul style="list-style-type: none"> <li>Designing the external confirmation procedures to obtain additional corroborative information as a response to address the assessed risks of material misstatement, including determining that external confirmation requests are properly addressed and contain return information for responses to be sent directly to the auditor and maintaining control over external confirmation requests</li> <li>Evaluating whether the results of the external confirmation procedures provide relevant and reliable audit evidence, or whether performing further audit procedures is necessary including in the case of each non-response, perform alternative audit procedures to obtain relevant and reliable audit evidence</li> <li>Performing Alternative audit procedures include examining specific subsequent cash receipts, transport documentation, and sales near the period-end.</li> </ul> <p>Based on the above procedures performed, we did not find any significant exceptions to the Balances of trade receivables.</p>

#### **Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other Information. The other Information comprises the information Included in the Annual report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Other Matter

To restrict the spread of COVID-19 the audit finalization process, for the year under report, was carried out from remote locations i.e. other than the office of the Company, based on the data/details made available and based on financial information/records remitted by the management through digital medium. Our report is not modified in respect of this matter.

## Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure "A", a statement on the matters specified in the paragraph 3 and 4 of the Order to the extent applicable.
2. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanation given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
3. As required by Section 143 (3) of the Act, we report that:
  - i) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - ii) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - iii) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

- iv) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under section 133 of the Act read with Rule 7 of the Companies (Accounts) rules, 2014.
- v) On the basis of the written representations received from the directors as on 31 March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- vi) With respect to the adequacy of the internal financial controls with reference to the financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- vii) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note No. 5.28 to the standalone financial statements;
  - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

- (i) In respect to company's fixed assets:
- (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (ii) Physical verification of inventories has been conducted at reasonable intervals by the management. No material discrepancies were noticed on physical verification as compared to book record.
- (iii) The Company has not granted any loans, secured or unsecured, to Companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013 ('the Act'). Accordingly, paragraphs 3(iii)(a), 3(iii)(b) & 3(iii)(c) of the Order are not applicable to the Company.
- (iv) The Company has not given any loan/guarantee/security to or on behalf of any party referred to in Section 185 of the Companies Act 2013. The Company has complied with Section 186 in respect of investments made. The Company has not given any loan, guarantee or provided any security in connection with a loan to any body corporate or any other person.
- (v) On the basis of our examination of books and records of the Company, in our opinion and according to the information and explanations given to us, the company has not accepted deposits during the year and therefore the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act 2013 and the rules framed there under are not applicable to the Company.
- (vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014 prescribed by the Central Government under Section 148(1) of the Companies Act, 2013 and are of the opinion that prima facie the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii)
- (a) The Company is generally regular in depositing undisputed statutory dues including income tax, sales tax, value added tax, custom duty, excise duty, goods and service tax and other statutory dues applicable to it with the appropriate authority. There are no undisputed amount payable in respect of applicable statutory dues which were in arrears as at 31.03.2021 for a period of more than six months from the date they became payable.
- (b) According to the information & explanation given to us and on the basis of our examination of the records of the Company, there are no dues of Income tax, Sales tax, Value Added Tax, Service Tax, Custom duty, Excise duty or Goods and Services Tax which have not been deposited on account of any dispute except as stated as below:

Name of the Statute	Nature of the Dues	Amount (₹)	Period to which the amount relates (Financial year)	Forum where dispute is pending
Karnataka Tax on Entry of Goods, 1979	Entry Tax	75,755/-	2006-07	Joint Commissioner of Commercial Taxes (Appeals)

## **Annexure 'B' to the Independent Auditors' Report**

### **Report on the Internal Financial Controls under Clause (l) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to the financial statements of **BEMCO HYDRAULICS LIMITED** ("the Company") as of 31st March 2021 in conjunction with our audit of the standalone IndAS Financial Statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to the financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the financial statements included obtaining an understanding of internal financial controls with reference to the financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to the financial statements.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control with reference to the financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to the financial statements includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls with reference to the financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the financial statements to future periods are subject to the risk that the internal financial control with reference to the financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to the financial statements and such internal financial controls with reference to the financial statements were operating effectively as at 31st March 2021, based on the internal control with reference to the financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls With reference to the financial statements issued by the Institute of Chartered Accountants of India.

The financial statement for the financial year ended 31<sup>st</sup> March, 2021 were approved by the Board of Directors and authorised for issue on 24<sup>th</sup> June 2021.

### 2. Summary of Significant Accounting Policies

#### 2.01 Statement of Compliance

The Standalone financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015, as amended, notified under Section 133 of Companies Act, 2013, (the 'Act'), other relevant provisions of the Act and guidelines issued by the Securities and Exchange Board of India (SEBI).

#### 2.02 Basis of Preparation and Measurement

The Standalone financial statements have been prepared on the historical cost basis, except for the following assets and Liabilities which have been measured at Fair value basis at end of each reporting period:

- (i) Certain Financial Assets and Liabilities
- (ii) Defined Benefit Plans- Plan Assets

#### Estimation of uncertainties relating to Global Healthcare Pandemic from COVID - 19

The Company has considered the possible effects that may result from the pandemic relating to COVID - 19 on the carrying amount of financial assets and non-financial assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of the pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources of information. The Company expects that the carrying amount of these assets will be recovered. The impact of COVID - 19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements.

#### 2.03 Functional and presentation currency

These standalone financial statements are presented in Indian Rupees (₹), which is also the Company's functional currency. All amounts have been rounded-off to two decimal places to the nearest lakhs, unless otherwise indicated.

#### 2.04 Current and Non-Current Classification

The company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is current when it is:

- (a) expected to be realised or intended to be sold or consumed in normal operating cycle;
- (b) held primarily for the purpose of trading;
- (c) expected to be realized within twelve months after the reporting period;
- (d) cash or a cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when it is:

- (a) expected to be settled in normal operating cycle;
- (b) held primarily for the purpose of trading;
- (c) due to be settled within twelve months after the reporting period or,
- (d) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.;

All other liabilities are classified as non-current.

Deferred Tax Assets/ Liabilities are classified as non-current.

#### 2.05 Property, Plant & Equipment (PPE)

On adoption of Ind AS, the Company retained the carrying value for all of its property, plant and equipment (except leasehold land) as recognised in the standalone financial statements as at the date of transition to Ind ASs, measured as per the previous GAAP and used that as its deemed cost as permitted by Ind AS 101 'First-time Adoption of Indian Accounting Standard's.

In case of land the Company has availed fair value as deemed cost on the date of transition to Ind AS.

PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price, other directly attributable costs including non-refundable duties and taxes net of any trade discounts and rebates. The cost of PPE includes interest on borrowings (borrowing cost) directly attributable to acquisition, construction or production of qualifying assets subsequent to initial recognition. PPE are stated at cost less accumulated depreciation (other than leasehold land which is stated at revalued amounts) and impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation on the property, plant and equipment is provided on straight-line method ("SLM") over the useful lives of the assets as specified in Schedule II to the Companies Act, 2013 except leasehold land which is being amortised over lease period and the same is in line with management estimates of the useful lives of the asset. On property, plant and equipment which are added / disposed off during the year, depreciation is provided on pro-rata basis with reference to the month of addition / deletion.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between sales proceeds and the carrying amount of the asset and is recognised in profit or loss. Fully depreciated assets still in use are retained in financial statements.

Residual Values, useful lives and methods of depreciation of Property, Plant and Equipment are reviewed at each financial year and adjusted prospectively if appropriate.

#### 2.06 Capital Work-In-Progress

Capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing cost.

## 2.07 Intangible Assets

Intangible assets are measured on initial recognition at cost and subsequently are carried at cost less accumulated amortization and accumulated impairment losses, if any.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses on derecognition are determined by comparing proceeds with carrying amount. These are included in the statement of profit or loss as gains or losses, as the case may be.

The Company amortises intangible assets with a finite useful life using the straight-line method over the following range of useful lives:

Asset (Other than internally generated)	Useful Life
Computer Software	5 years
Technical Know-how	10 years

The management reviews the estimated useful life of intangible assets annually.

## 2.08 Inventories

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any, except in case of scrap which are valued at net realisable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

Cost of Raw Materials, Work-in-progress, Finished Goods and Stores and Spares are determined on First in First Out Basis (i.e.FIFO).

## 2.09 Leases

Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

**Leased Assets:** Assets held under finance leases are initially recognised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalized. Contingent rentals are recognised as expenses in the periods in which they are incurred.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of time pattern in which economic benefits from the leased assets are consumed.

Lease income from operating leases, where the Company is a lessor, is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflation.

## 2.10 Revenue Recognition

### Sale of Goods

The revenue are recognised when (or as) the company satisfies the all recognition criteria including transferring the promised goods or services (i.e. an asset) to the customer. An asset is transferred when (or as) the customer obtains control of that asset.

The Sales of goods are recognised when the products are dispatched/ control transferred to the customers and there is no unfulfilled obligation that could affect the buyer's acceptance of the product as per the terms of the contract and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods.

Revenue is recognised based on the price specified in the contract.

Revenue for current year is exclusive of goods and service tax and net of discounts and sales returns.

### Rendering of services

Revenue from maintenance contracts are recognized on pro-rata basis over the period of contract.

Revenue from other service contracts are recognized when services are rendered and related costs are incurred.

### Interest Income

For all financial instruments measured at amortised cost, interest income is accrued on a time basis, by reference to principal outstanding and at effective interest rate (EIR) applicable, which is the rate that exactly discounts the estimated future cash receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset on initial recognition.

### Dividend Income

Dividend income from investments is accounted for when the company's right to receive the same is established.

### Lease Income

Lease rentals are recognised on straight-line basis as per the terms of the agreements in the Statement of Profit and Loss.

## 2.11 Employee Benefits Expense

### (a) Short term employee benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

### (b) Post employment benefits

#### Defined contribution plans:

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Superannuation Fund and Provident & Pension Fund are administered by Life Insurance Corporation of India (LIC) and Regional Provident Fund Commissioner respectively.

#### Defined benefit plans:

The company has a defined benefit plan for Post-employment benefit in the form of Gratuity, which is administered through Life Insurance Corporation of India (LIC).

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

#### Other long-term employee benefits

Liability for Compensated Absences is provided on the basis of valuation, as at the balance sheet date, carried out by an independent actuary. The actuarial method used for measuring the liability is the Projected Unit Credit method.

## 2.12 Borrowing Costs

Borrowing costs are interest and ancillary costs incurred in connection with the arrangement of borrowings. General and specific borrowing costs attributable to

acquisition and construction of any qualifying asset (one that takes a substantial period of time to get ready for its designated use or sale) are capitalised until such time as the assets are substantially ready for their intended use or sale, and included as part of the cost of that asset. All the other borrowing costs are recognised in the Statement of Profit and Loss within Finance costs of the period in which they are incurred.

## 2.13 Foreign Currency Transactions

The company's financial statements are presented in Indian Rupee (₹), which is also the company's functional currency.

Foreign currency transactions are recorded on initial recognition in the functional currency, using the exchange rate at the date of the transaction. At each balance sheet date, foreign currency monetary assets or liabilities are translated at exchange rate prevailing on the balance sheet date and the exchange gains or losses are recognised in the statement of profit & loss.

## 2.14 Earnings Per Share (EPS)

Basic EPS is computed by dividing the profit or loss attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the profit or loss attributable to the equity shareholders and the weighted average number of ordinary equity shares, for the effects of all dilutive potential equity shares.

## 2.15 Income Taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

### Current Tax

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961.

Current tax assets and current tax liabilities are off set when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

### Deferred Tax

Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

## 2.16 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, where it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows. Where the effect is material, the provision is discounted to net present value using an appropriate current market-based pre-tax discount rate and the unwinding of the discount is included in finance costs.

Contingent liabilities are recognised only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

## 2.17 Research & Development Expenditure

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development cost of products are charged to the Statement of Profit and Loss unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalised.

## 2.18 Impairment of Non-Financial Assets: Property, Plant & Equipment & Intangible Assets

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

## 2.19 Financial Instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. Purchase and Sale of Financial Assets are recognised using Trade Date Accounting

### Cash & Cash Equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

### Financial Assets at Amortised Cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and

Interest on the principal amount outstanding.

**Financial Assets At Fair Value Through Other Comprehensive Income (FVTOCI)**

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

The Company has made an irrevocable election to present subsequent changes in the fair value of equity investments not held for trading in Other Comprehensive Income.

**Financial Assets At Fair Value Through Profit or Loss (FVTPL)**

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

**Financial Liabilities**

All financial liabilities are recognized at fair value at initial recognition and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost. Financial Liabilities are subsequently measured at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

**Equity Instruments**

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments recognised by the Company are measured at the proceeds received net off direct issue cost.

**Investment In Subsidiary**

A subsidiary is an entity that is controlled by the Company.

The Company accounts for the each category of investments in subsidiaries at cost in accordance with Ind AS 27- Separate Financial Statements.

**Derecognition of Financial Instruments:**

A financial asset is primarily derecognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

**Impairment of Financial Assets (other than at fair value through Profit & Loss)**

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVTOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

**Offsetting**

Financial Assets and Financial Liabilities are offset and the net amount is presented in the Balance Sheet when and only when, the company has a legally enforceable right to set off the amount and it intends, either to settle them on net basis or to realise the asset and settle the liability simultaneously.

- 2.20 **Cash Flow Statement:** Cash flows are reported using indirect method, whereby net profits before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from regular revenue generating (operating activities), investing and financing activities of the Company are segregated.

**3 Critical Accounting Judgements & Key Sources of Estimation Uncertainty**

The preparation of the company's financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of revenues, expenses, assets and liabilities, the accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The company based its assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the company. Such changes are reflected in the assumptions when they occur.

**Defined Benefit Plans**

The cost of the defined benefit plans and other post-employment benefits and the present value of such obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit plan is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

**Contingencies & Commitments**

In the normal course of business, contingent liabilities may arise from litigations and other claims against the Company. Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, we treat them as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings, the Company do not expect them to have a materially adverse impact on our financial position or profitability.

**Depreciation / amortisation and useful lives of property plant and equipment / intangible assets**

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

**Allowances for doubtful debts**

The Company makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgement and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

**Provision for Liquidated Damages**

Provision for liquidated damages are recognised on contracts for which revenue has been recognised during the reporting period and the delivery dates are exceeded as per the terms of the contract on a reasonable basis. The negotiations with the customers on the percentage deduction/ non-deduction of liquidated damages impacts the profitability in the period in which such negotiations are finalised.

**Impairment of Financial Assets**

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history existing market conditions as well as forward looking estimates at the end of each reporting period.

## Warranty Provisions

Provisions for warranty-related costs are recognised when the product is sold or service provided to the customer. Initial recognition is based on historical experience. The initial estimate of warranty-related costs is revised annually.

## 4 Recent Indian Accounting Standards (Ind AS) Pronouncements

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

### Balance Sheet:

- Lease liabilities should be separately disclosed under the head 'financial liabilities', duly distinguished as current or non-current.
- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters.
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

### Statement of profit and loss:

- Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of consolidated financial statements.

The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

## Nature and purpose of reserves:

- Capital Redemption Reserve:**  
The Company had purchased its own shares and as per the provisions of the applicable laws, a sum equal to the nominal value of the shares so purchased is required to be transferred to the capital redemption reserve.
- Security Premium Reserve:**  
Security premium is created when shares are issued at premium. The reserve is utilised in accordance with the provisions of the Act.
- General Reserve**  
General reserve is created from time to time by way of transfer of profits from retained earnings for appropriation purposes.
- Capital Reserve:**  
General reserve is created by transfer from one component of equity to another and is not an item of other comprehensive income.  
On the date of transition to Ind AS the balance outstanding in the Revaluation Reserve against Property, Plant & Equipment as per Previous GAAP has been transfer to the Capital Reserve.
- Retained Earnings**  
Retained earnings are the accumulated profits earned by the Company till date less transfer to general reserves, dividend (including dividend distribution tax) and other distributions made to the shareholders.

xiii) The above cash flows have been arrived at based on the demographic and financial assumptions as mentioned earlier.

xiv) Expected contributions for the next year

The company has contributed ₹ 27,99,803 to its gratuity fund in 2021. The Company intends to contribute ₹ 26,00,000 towards its gratuity fund in 2022.

xv) Sensitivity Analysis

Sensitivity analysis indicates the influence of a reasonable change in certain significant assumptions on the outcome of the Defined benefit obligation (DBO) and aids in understanding the uncertainty of reported amounts. Sensitivity analysis is done by varying one parameter at a time and studying its impact.

(a) Impact of change in discount rate when base assumption is decreased/increased by 100 basis point

Discount rate Mar-21		Defined Benefit obligation (in ₹)	
		31/03/2021	31/03/2020
5.80%	5.90%	352.20	330.97
7.80%	7.90%	310.27	291.65

(b) Impact of change in salary increase rate when base assumption is decreased/increased by 100 basis point

Salary Increment rate Mar-21		Defined Benefit obligation (in ₹)	
		31/03/2021	31/03/2020
5.00%	5.00%	313.17	294.55
7.00%	7.00%	348.50	327.51

(c) Impact of change in withdrawal rate when base assumption is decreased/increased by 100 basis point

Withdrawal rate Mar-21			Defined Benefit obligation (in ₹)	
			31/03/2021	31/03/2020
Decrease By 1%	4.00%	4.00%	317.81	308.18
Increase By 1%	6.00%	6.00%	321.23	311.74

xvi) Mortality

The active members of the scheme will experience in-service mortality in accordance with the Indian Assured Lives Mortality (2012-14) ultimate (IALM ult). A sample pick from this table is given below:

Age	Mortality rate
21	0.000934
22	0.000937
23	0.000936
24	0.000933
25	0.000931

Age of the members at the valuation date is taken as their nearest age at that date.

xvii) Risk exposure and asset liability matching

Provision of a defined benefit scheme poses certain risks, some of which are detailed here under, as companies take on uncertain long term obligations to make future benefit payments.

**1) Liability risks**
**(i) Asset-Liability Mismatch Risk**

Risk which arises if there is a mismatch in the duration of the assets relative to the liabilities. By matching duration with the defined benefit liabilities, the company is successfully able to neutralize valuation swings caused by interest rate movements.

**(ii) Discount Rate Risk**

Variations in the discount rate used to compute the present value of the liabilities may seem small, but in practise can have a significant impact on the defined benefit liabilities.

**(iii) Future Salary Escalation and Inflation Risk**

Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk.

**2) Asset Risks**

All plan assets are maintained in a trust fund managed by a public sector insurer viz; LIC of India. LIC has a sovereign guarantee and has been providing consistent and competitive returns over the years.

The company has opted for a traditional fund where in all assets are invested primarily in risk averse markets. The company has no control over the management of funds but this option provides a high level of safety for the total corpus. A single account is maintained for both the investment and claim settlement and hence 100% liquidity is ensured. Also interest rate and inflation risk are taken care of.

**5.40 Lease Arrangements**
**Operating Lease Arrangements**

The Company has certain operating leases for office facilities (short term leases). Such leases are generally with the option of renewal against increased rent and premature termination of agreement on mutual consent of both the parties.

### Foreign Currency Sensitivity Analysis

The Company is mainly exposed to the currency : EURO

The following table details the Company's sensitivity to a 5% increase and decrease in the ₹ against the relevant foreign currencies. 5% is the sensitivity rate used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. This is mainly attributable to the exposure outstanding on receivables and payables in the Company at the end of the reporting period. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 5% change in foreign currency rate. A positive number below indicates an increase in the profit or equity where the ₹ strengthens 5% against the relevant currency. For a 5% weakening of the ₹ against the relevant currency, there would be a comparable impact on the profit or equity, and the balances below would be negative.

### Impact of profit or loss and Equity

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BEMCO HYDRAULICS LIMITED

### Report on Consolidated Financial Statements

#### Opinion

We have audited the accompanying consolidated financial statements of Bemco Hydraulics Limited, (hereinafter referred to as the 'Holding Company') and its subsidiary (Holding Company and its subsidiary together referred to as 'the Group'), which comprise the consolidated balance sheet as at March 31, 2021, and the consolidated statement of profit and loss including other comprehensive income, the consolidated statement of changes in equity and the consolidated cash flows Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'the consolidated financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at March 31, 2021, of consolidated profit, consolidated changes in equity and its consolidated cash flows for the year then ended.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by ICAI and the relevant provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Emphasis of Matter

Attention is drawn to Note 5.51 of the Consolidated Financial Statements which describes the impact of COVID-19 Pandemic on the financial position as also on business operations of the Company, assessment thereof by the management of the Company based on its internal, external and macro factors, involving certain estimation uncertainties. Our opinion is not modified in respect of this matter.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

#### Description of Key Audit Matters

#### Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 ('the Act') that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of

Directors/Partners of the entity included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors/Partners of the entity included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors/Partners either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors/Partners of the entity included in the Group is responsible for overseeing the financial reporting process of the Group.

## Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to consolidated financial statement in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion.
- Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and the subsidiary included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Other Matters

- (a) We did not audit the financial statements of a Subsidiary, whose financial statements reflect total assets of ₹ 215.62 Lakhs as at 31st March, 2021, total revenues of ₹ 291.10 Lakhs and net cash outflows amounting to ₹ 0.18 Lakhs for the year ended on that date, as considered in the consolidated financial statements.

These financial statements have been examined by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the reports of the other auditors.

- (b) To restrict the spread of COVID-19 the audit finalization process, for the year under report, was carried out from remote locations i.e. other than the office of the Company, based on the data/details made available and based on financial information/records remitted by the management through digital medium.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

## Report on Other Legal and Regulatory Requirements

With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.

- (e) On the basis of the written representations received from the directors of the Holding Company as on 31<sup>st</sup> March 2021 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on 31<sup>st</sup> March 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of internal financial controls with reference to consolidated financial statement of the Group and the operating effectiveness of such controls, refer to our separate report in Annexure.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, Refer Note 5.50 to the consolidated financial statements.
  - The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
  - There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, and its subsidiary company.

## **Annexure - A to the Independent Auditors' Report**

### **Report on the Internal Financial Controls under Clause (l) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended 31<sup>st</sup> March 2021, we have audited the internal financial controls with reference to consolidated financial statement of **BEMCO HYDRAULICS LIMITED** ("the Holding Company") which is company incorporated in India, as of that date.

### **Management's Responsibility for Internal Financial Controls with reference to consolidated financial statement**

The Board of Directors of the Holding Company are responsible for establishing and maintaining internal financial controls based on the internal financial control with reference to consolidated financial statement criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to consolidated financial statement based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statement was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statement over financial reporting and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statement included obtaining an understanding of internal financial controls with reference to consolidated financial statement, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to consolidated financial statement.

### **Meaning of Internal Financial Controls with reference to consolidated financial statement**

A company's internal financial control with reference to consolidated financial statement is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statement includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

### **Inherent Limitations of Internal Financial Controls with reference to consolidated financial statement**

Because of the inherent limitations of internal financial controls with reference to consolidated financial statement, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statement to future periods are subject to the risk that the internal financial control with reference to consolidated financial statement may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Holding Company which is a company incorporated in India have, in all material respects, an adequate internal financial controls with reference to consolidated financial statement and such internal financial controls with reference to consolidated financial statement were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

### 1. Corporate Information

The Consolidated Financial Statements comprise the Standalone Financial Statements of "Bemco Hydraulics Limited" ("the Holding Company") and its Subsidiary Bemco Fluid Technik LLP (hereinafter referred to as "the Group") for the year ended 31<sup>st</sup> March, 2021.

The principal activities of the Group, consists of manufacture of wide range of Portable re-railing equipment, Hydraulic Press, and High Performance Hydraulic components and systems.

Apart from the principal place of business the Group has branches in Chennai, Delhi and Kolkata. The Company caters to both domestic and international markets.

The Holding Company's equity shares are listed on the Bombay Stock Exchange (BSE Ltd.) since the 05th day of November, 2001, having its registered office at Udyambag Industrial Estate, Belgeum, Kamataka-590 008.

The Financial Statement for the financial year ended 31<sup>st</sup> March, 2021 were approved by the Board of Directors and authorised for issue on 24<sup>th</sup> June, 2021.

### 2. Significant Accounting Policies

#### 2.01 Statement of Compliance

These consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS") notified under section 133 of the Companies Act, 2013, other relevant provisions of the Act and guidelines issued by the Securities and Exchange Board of India (SEBI).

#### 2.02 Basis of Preparation and Measurement

The Consolidated Financial Statements have been prepared on the historical cost basis except for the following assets and liabilities which have been measured at fair value amount:

- Certain financial assets and financial liabilities; and
- Defined Benefit Plan's - Plan Assets.

The consolidated financial statements of the Group have been prepared to comply with the Indian Accounting Standards ("Ind AS"), including the rules notified under the relevant provisions of the Companies Act, 2013.

The Consolidated Financial Statements comprises of Bemco Hydraulics Limited and its subsidiary Bemco Fluid technik LLP the entity that it controls. Controls are assessed in accordance with the requirement of Ind AS 110-Consolidated Financial Statements.

The Company's consolidated financial statements are presented in Indian Rupees (₹).

#### Estimation of uncertainties relating to Global Healthcare Pandemic from COVID - 19

The Company has considered the possible effects that may result from the pandemic relating to COVID - 19 on the carrying amount of financial assets and non-financial assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of the pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources of information. The Company expects that the carrying amount of these assets will be recovered. The impact of COVID - 19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements.

#### 2.03 Functional & Presentation Currency

These standalone financial statements are presented in Indian Rupees (₹), which is also the Company's functional currency. All amounts have been rounded-off to two decimal places to the nearest lakhs, unless otherwise indicated.

#### 2.04 Principles of Consolidation

The Consolidated Financial Statements have been prepared on the following basis:

- The financial statements of the Holding Company and its subsidiary are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.
- Profits or losses resulting from intra-group transactions that are recognised in assets, such as inventory and property, plant & equipment, are eliminated in full.
- The carrying amount of the Parent's investment in the subsidiary is offset (eliminated) against the parent's share in the Parent's Fund of the subsidiary.
- Non Controlling Interest's share in profit/loss of subsidiary for the year is identified and adjusted against the income of the Group in order to arrive at the net income attributable to shareholders of the Holding Company.
- Non Controlling Interest's share in net assets of the subsidiary is identified and presented in the Consolidated Balance Sheet separate from liabilities and the equity of the Holding Company's shareholders.
- Profit or loss and each component of other comprehensive income are attributed to the owners of the Holding Company and to the non-controlling interests ("NCI"). Total comprehensive income of the subsidiary is attributed to the owners of the Company and to the NCI. In case of loss in subsidiary the loss is attributed to NCI to the extent of its Share, the rest of the loss is attributed to the Holding Company.
- The audited/unaudited financial Statement of Subsidiary considered for the purpose of consolidation is the converged Ind AS financial Statements, it has been converged from Generally Accepted accounting Principles Accepted in India ("Previous GAAP") to Ind AS.
- The consolidated financial statements have been prepared using uniform accounting policies between The Holding Company and its subsidiary for like transactions and other events in similar circumstances.

#### 2.05 Summary of Significant Accounting Policies

These are set out in Note 2 "Summary of Significant Accounting Policies" in the Company's standalone financial statements.

### 3 Critical Accounting Judgements & Key Sources of Estimation Uncertainty

The preparation of the Group's financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of revenues, expenses, assets and liabilities, the accompanying disclosures and the

disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Group based its assumptions about future developments, however, it may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

## Defined Benefit Plans

The cost of the defined benefit plans and other post-employment benefits and the present value of such obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit plan is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

## Contingencies & Commitments

In the normal course of business, contingent liabilities may arise from litigations and other claims against the Company. Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, we treat them as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings, the Company do not expect them to have a materially adverse impact on our financial position or profitability.

## Depreciation / amortisation and useful lives of property plant and equipment / intangible assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Group's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

## Allowances for doubtful debts

The Group makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgement and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

## Provision for liquidated Damages

Provision for liquidated damages are recognised on contracts for which revenue has been recognised during the reporting period and the delivery dates are exceeded as per the terms of the contract on a reasonable basis. The negotiations with the customers on the percentage deduction/ non-deduction of liquidated damages impacts the profitability in the period in which such negotiations are finalised.

## Impairment of Financial Assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Group's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

## Warranty Provisions

Provisions for warranty-related costs are recognised when the product is sold or service provided to the customer. Initial recognition is based on historical experience. The initial estimate of warranty-related costs is revised annually.

## **4 Recent Indian Accounting Standards (Ind AS)**

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

### **Balance Sheet:**

- Lease liabilities should be separately disclosed under the head 'financial liabilities', duly distinguished as current or non-current.
- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters.
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

### **Statement of profit and loss:**

- Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of consolidated financial statements.

The amendments are extensive and the Group will evaluate the same to give effect to them as required by law.

- Note:** (i) A case was filed for the recovery of the doubtful advance against B. H. Bhattiwala ("Respondent") in the court of the Hon'ble Pri. District Judge, Belgaum. The order was passed on 30th August, 2011 in favour of Bemco Hydraulics Limited directing the respondent to pay a sum of ₹ 5 Lakhs along with interest at 6% per annum amounting to ₹ 2.73 Lakhs i.e. total of ₹ 7.73 Lakhs by delivery of any property specifically decreed or by attachment or sale of Moveable or immovable properties. However, when summons were issued to the respondent it was found that the respondent has passed away and his spouse and legal heirs have not responded to the summons yet. Therefore, on basis of prudence the claim awarded has not been recognised as income neither the provision against the debt has been reversed considering the uncertainty in relation to receipt of the claims.

2027-2031	120.69

(xiii) The above cash flows have been arrived at based on the demographic and financial assumptions as mentioned earlier.

(xiv) Expected contributions for the next year

The company has contributed ₹ 27,99,803 to its gratuity fund in 2021. The Company intends to contribute ₹ 26,00,000 towards its gratuity fund in 2022.

(xv) Sensitivity Analysis

Sensitivity analysis indicates the influence of a reasonable change in certain significant assumptions on the outcome of the Defined benefit obligation (DBO) and aids in understanding the uncertainty of reported amounts. Sensitivity analysis is done by varying one parameter at a time and studying its impact.

(a) Impact of change in discount rate when base assumption is decreased/increased by 100 basis point.

Discount rate	Mar-20	31/03/2021	31/03/2020	Defined Benefit obligation (in ₹)
5.80%	6.90%	352.20	310.27	330.97
7.80%	7.90%			291.85

(b) Impact of change in salary increase rate when base assumption is decreased/increased by 100 basis point.

Salary increase rate	Mar-20	31/03/2021	31/03/2020	Defined Benefit obligation (in ₹)
5.00%	5.00%	319.17	348.50	294.55
7.00%	7.00%			327.51

(c) Impact of change in withdrawal rate when base assumption is decreased/increased by 100 basis point

Withdrawal rate	Mar-21	Mar-20	31/03/2021	31/03/2020	Defined Benefit obligation (in ₹)
Increase By 1%	4.00%	6.00%	317.81	321.23	308.18
Decrease By 1%	4.00%	6.00%			311.74

(xvi) Mortality

The active members of the scheme will experience in-service mortality in accordance with the Indian Assured Lives Mortality (2012-14) ultimate (IALM ult.). A sample pick from this table is given below:

Age	Mortality rate
21	0.000934
22	0.000937
23	0.000936
24	0.000933
25	0.000931

Age of the members at the valuation date is taken as their nearest age at that date.

(xvii) Risk exposure and asset liability matching

Provision of a defined benefit scheme poses certain risks, some of which are detailed here under, as companies take on uncertain long term obligations to make future benefit payments.

(i) Liability risks

(ii) Asset-Liability Mismatch Risk

Risk which arises if there is a mismatch in the duration of the assets relative to the liabilities. By matching duration with the defined benefit liabilities, the Holding company is successfully able to neutralize valuation swings caused by interest rate movements.

(iii) Discount Rate Risk

Variances in the discount rate used to compute the present value of the liabilities may seem small, but in practice can have a significant impact on the defined benefit liabilities.

**(iii) Future Salary Escalation and Inflation Risk**

Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk.

**2) Asset Risks**

All plan assets are maintained in a trust fund managed by a public sector insurer viz; LIC of India. LIC has as over-earn guarantee and has been providing consistent and competitive returns over the years.

The Holding company has opted for a traditional fund where in all assets are invested primarily in risk averse markets. The company has no control over the management of funds but this option provides a high level of safety for the total corpus. A single account is maintained for both the investment and claim settlement and hence 100% liquidity is ensured. Also interest rate and inflation risk are taken care of.

**5.39 Lease Arrangements**

**Operating Lease Arrangements**

The Group has certain operating leases for office facilities (short term leases). Such leases are generally with the option of renewal against increased rent and premature termination of agreement on mutual consent of both the parties.

Particulars	Figures for the year ended

### Foreign Currency Sensitivity Analysis

The Group is mainly exposed to the currency : EURO

The following table details the Group's sensitivity to a 5% increase and decrease in the ₹ against the relevant foreign currencies. 5% is the sensitivity rate used when reporting foreign currency risk internally to key managerial personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. This is mainly attributable to the exposure outstanding on receivables and payables in the Group at the end of the reporting period. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 5% change in foreign currency rate. A positive number below indicates an increase in the profit or equity where the ₹ strengthens 5% against the relevant currency. For a 5% weakening of the ₹ against the relevant currency, there would be a comparable impact on the profit or equity, and the balances below would be negative.

### Equity Risk

There is no material equity risk relating to the Groups' equity investments which are detailed in note 5.04 "Investments". The Groups' equity investments majority comprises of Long Term Investments rather than trading purpose.

### Interest Risk

There is no material interest risk relating to the Company's financial liabilities which are detailed in Note 5.17, 5.22 and 5.24.

### Credit Risk

Credit Risk is the risk that a customer or counter party to a financial instrument fails to perform or pay the amounts due causing financial loss to the Group. Credit Risk arises from Groups' activities in investments and other receivables from customers. The Group has a prudent and conservative process for managing its credit risk arising in the course of its business activities. The Group generally has set a policy of receiving 80 percent of the sale proceeds as an advance after the orders get finalized and remaining 20 percent at the time of dispatch and commissioning.

### Liquidity Risk

Ultimate responsibility for liquidity risk management rests with the Board of Directors of the Holding Company, which has established an appropriate liquidity risk management framework for the management of the Group's short-term, and long-term funding and liquidity management requirements. The Group manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

All current financial liabilities are repayable within one year. The contractual maturities of non current liabilities are disclosed in Note No. 5.17

### Liquidity Risk Table

The following table detail the Group's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the company can be required to pay.
