NOTICE TO MEMBERS

NOTICE is hereby given that the Thirty Second Annual General Meeting of the Members of **ABAN OFFSHORE LIMITED** will be held on Monday, 24th September, 2018 at 10.15 A.M at The Music Academy, Kasturi Srinivasan Hall (Mini Hall), New No.168, T.T.K. Road, Royapettah, Chennai - 600 014 to transact the following business:

ORDINARY BUSINESS

1. To receive, consider and adopt the financial statements, namely (i) the Audited Balance Sheet as at 31st March, 2018 (ii) the Audited Profit and Loss Account for the year ended on that date, (iii) cash flow statement for the financial year ended on that date (iv) statement of changes in Equity, if any (v) an Explanatory statement annexed to, or forming part of the documents referred to in (i) to (iv) above together and the reports of the Board of Directors and Auditors thereon.
2. To appoint a Director in place of Mrs. Deepa Reji Abraham (DIN: 00212451) who retires by rotation and being eligible offers herself for reappointment.
3. To appoint M/s. P.Murali & Co., Chartered Accountants, Chennai as Statutory Auditor of the Company and fix their remuneration and in this connection to consider and if thought fit, to pass with or without modification(s), the following resolution as **Ordinary resolution**.

"RESOLVED THAT M/s P. Murali & Co., Chartered Accountants, Chennai (Firm Registration No. 007257S) be and are hereby appointed as the Statutory Auditors of the Company to hold office from the Conclusion of this Annual General Meeting ("AGM") till the conclusion of Thirty Sixth AGM to be held in the year 2022 to conduct the audit on a remuneration as may be paid on a progressive billing basis to be agreed between the Statutory Auditors and the Board or any Committee thereof."

SPECIAL BUSINESS

4. To consider and if thought fit, to pass the following resolution as a **Special Resolution**:

"RESOLVED THAT subject to the provisions of Section 152 and other applicable provisions of the Companies Act, 2013 and Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, (as amended), continuation of Mr.P.Murari (holding DIN 00020437) as a Non-Executive Director of the Company beyond 01-04-2019 be and is hereby approved".

5. To consider and if thought fit, to pass with or without modification(s), the following resolution as a **Special Resolution**:

"RESOLVED THAT, in accordance with the provisions of Section 42, and 62 (1) (c) and all other applicable provisions, if any, of the Companies Act, 2013 read with Rules (including any statutory modification(s) or re-enactment thereof) and relevant provisions of the Memorandum of Association and Articles of Association of the Company, SEBI (LODR) Regulations, 2015, Foreign Exchange Management Act, 1999, Issue of Foreign Currency Convertible Bonds and Ordinary Shares (through Depository Receipt Mechanism) Scheme, 1993, guidelines prescribed by the Securities and Exchange Board of India ("SEBI") and subject to such approvals, consents, permissions and / or sanction of the Ministry of Finance of the Government of India, Reserve Bank of India and any other appropriate authorities, institutions or bodies, as may be necessary and subject to such terms and conditions, modifications, alterations as may be prescribed and/or specified by any of them in granting any such approval, consent, permission or sanction, the consent, authority and approval of the Company be and is hereby accorded to the Board of Directors (hereinafter referred to as the "Board", which term shall be deemed to include any Committee thereof) to offer, issue, and allot, in the course of one or more offerings, in one or more foreign markets, any securities (including but not limited to Equity Shares, Global Depository Receipts American Depository Receipts/Shares, Foreign Currency Convertible Bonds, Convertible Bonds, Euro - Convertible Bonds that are convertible at the option of the Company and / or at the option of the holders of such securities, securities partly or fully convertible into Equity Shares and / or securities linked to Equity Shares and /or any instruments or securities with or without detachable warrants secured or unsecured or such other types of securities representing either Equity Shares or convertible securities) (hereinafter referred to as "Securities") to Foreign / Domestic investors, Non-residents, Foreign Institutional Investors/Foreign Companies/NRI(s)/Foreign National(s) or such other entities or persons as may be decided by the Board, whether or not such persons/entities/investors are Members of the Company through Prospectus, Offering Letter, Circular to the general public and / or through any other mode or on private placement basis as the case may be from time to time in one or more tranches as may be deemed appropriate by the Board on such terms and conditions as the Board may in its absolute discretion deem fit for an amount not exceeding US\$ 400 Million (US Dollar Four hundred Million only) or its equivalent currencies including green shoe option

on such terms and conditions including pricing as the Board may in its sole discretion decide including the form and the persons to whom such Securities may be issued and all other terms and conditions and matters connected therewith."

"RESOLVED FURTHER THAT without prejudice to the generality of the above the aforesaid issue of the Securities may have all or any term or combination of terms in accordance with normal practice including but not limited to conditions in relation to payment of interest, dividend, premium or redemption or early redemption at the option of the Company and / or to the holder (s) of the Securities and other debt service payment whatsoever and all such terms as are provided in offerings of this nature including terms for issue of additional Equity Shares of variation of interest payment and of variation of the price or the period of conversion of Securities into Equity Shares or issue of Equity Shares during the duration of the Securities or terms pertaining to voting rights or option for early redemption of Securities."

"RESOLVED FURTHER THAT the Board be and is hereby authorised to issue and allot such number of underlying Equity Shares as may be required to be issued and allotted upon conversion of any such Securities referred to above or as may be in accordance with the terms of the offering(s) and that the said Equity Shares shall be subject to the Memorandum and Articles of Association of the Company and shall rank in all respects *pari passu* with the existing Equity Shares of the Company including payment of dividend."

"RESOLVED FURTHER THAT the consent of the Company be and is hereby granted in terms of Section 180 (1) (a) and Section 180(1)(c) and other applicable provisions, if any, of the Companies Act, 2013 read with rules and subject to all necessary approvals to the Board to borrow monies in excess of the paid up capital and free reserves and to secure, if necessary, all or any of the above mentioned Securities to be issued, by the creation of a mortgage and/or charge on all or any of the Company's immovable and / or movable assets, both present and future in such form and manner and on such terms as may be deemed to be fit and appropriate by the Board."

"RESOLVED FURTHER THAT such of these Securities to be issued as are not subscribed may be disposed of by the Board to such person in such manner and on such terms as the Board in its absolute discretion thinks fit, in the best interest of the Company and as is permissible in law."

"RESOLVED FURTHER THAT the Company may enter into any arrangement with any agency or body for issue of Depository Receipts representing underlying Equity Shares/Preference Shares / other securities issued by the Company in registered or bearer form with such features and attributes as are prevalent in international capital markets for instruments of this nature and to provide for the tradability or free transferability thereof as per the international practices and regulations and under the forms and practices prevalent."

"RESOLVED FURTHER THAT the Securities issued in foreign markets shall be deemed to have been made abroad and / or in the market and / or at the place of issue of the Securities in the international market and may be governed by applicable foreign laws."

"RESOLVED FURTHER THAT for the purpose of giving effect to any issue or allotment of Securities or instruments representing the same, the Board be and is hereby authorised to determine the form, terms and timing of the offering(s), including the class of investors to whom the Securities are to be allotted, number of Securities to be allotted in each tranche, issue price, face value, premium amount on issue, conversion of Securities, Exercise of Warrants / Redemption of Securities, rate of interest, redemption period, listings on one or more stock exchanges as the Board in its absolute discretion deems fit and to make and accept any modifications in the proposal as may be required by the authorities involved in such issues and on behalf of the Company to do all such acts, deeds, matters and things as it may at its discretion deem necessary or desirable for such purpose, including without limitation the Appointment of Registrar, Book-Runner, Lead-Managers, Trustees / Agents, Bankers, Global co-ordinators, Custodians, Depositories, Consultants, Solicitors, Accountants, entering into arrangements for underwriting, marketing, listing, trading, depository and such other arrangements and agreements, as may be necessary and to issue any offer document(s) and sign all deeds, documents and to pay and remunerate all agencies / intermediaries by way of commission, brokerage, fees, charges, out of pocket expenses and the like as may be involved or connected in such offerings of securities, and also to seek listing of the securities or securities representing the same in any Indian and / or in one or more international stock exchanges with power on behalf of the Board to settle any questions, difficulties or doubts that may arise in regard to any such issue, offer or allotment of securities and in complying with any Regulations, as it may in its absolute discretion deem fit, without being required to seek any further clarification, consent or approval of the members or otherwise to the end and intent that the members shall be deemed to have given their approval thereto expressly by the authority of this resolution.

"RESOLVED FURTHER THAT the Board be and is hereby authorised to delegate all or any of the powers herein conferred to any Committee of Directors or the Managing / Deputy Managing Directors or any Director or any other Officer or Officers of the Company to give effect to the aforesaid resolution."

6. To consider and if thought fit, to pass with or without modification(s), the following resolution as a **Special Resolution:**

"RESOLVED THAT pursuant to Section 42 and 62 (1) (c) read with rules and all other applicable provisions of the Companies Act, 2013 (including any amendments, statutory modification, variation or re-enactment thereof for the time being in force) and enabling provisions of the Memorandum and Articles of Association of the Company, Listing Agreement entered into with the Stock Exchanges and subject to the provisions of Chapter VIII of the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009 as amended from time to time, the provisions of the Foreign Exchange Management Act, 1999 and the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident Outside India) Regulations, 2000 applicable rules, regulations, guidelines or laws and / or any approval consent, permission or sanction

of the Central Government, Reserve Bank of India or any other appropriate authorities, institution or bodies (hereinafter collectively referred to as the "appropriate authorities") and subject to such conditions as may be prescribed by any one of them while granting any such approval, consent, permission and / or sanction (hereinafter referred to as the requisite approvals) which may be agreed to by the Board of Directors of the Company (hereinafter called the "Board", which term shall be deemed to include any committee which the Board may have constituted or hereinafter constitute to exercise its powers including the power conferred by this resolution) the Board be and is hereby authorized to, in its absolute discretion create, issue, offer and allot equity shares / fully convertible debentures / partly convertible debentures / non-convertible debentures with warrants / any other securities (other than warrants) which are convertible into or exchangeable with equity shares on such date as may be determined by the Board but not later than 60 months from the date of allotment (collectively referred to as "QIP Securities") to the Qualified Institutional Buyers ("QIBs") as per SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009 as amended, on the basis of placement document(s) at such time and times in one or more tranche or tranches at par or at such price or prices and at a discount or premium to the price or prices in such manner, determined in accordance with the pricing formula prescribed under Chapter VIII of the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended on such terms and conditions and in such manner as the Board may in its absolute discretion determine in consultation with the Lead Managers, Advisors or other intermediaries for an amount not exceeding Rs.2,500 Crores (Rupees two thousand five hundred crores only) including such premium amount as may be finalized by the Board."

"RESOLVED FURTHER THAT the relevant date for the determination of the applicable price for the issue of the QIP Securities (which are Equity Shares), if any, shall be the date on which the Board of the Company decides to open the proposed issue ("Relevant Date")."

"RESOLVED FURTHER THAT the relevant date for the determination of the applicable price for the issue of any other type of QIP Securities, which are convertible into or exchangeable with Equity Shares at a later date, the date on which the holder of such securities becomes entitled to apply for share shall be the relevant date and such applicable price shall be subject to appropriate adjustments in the applicable rules/regulations/statutory provisions ("Relevant Date")."

"RESOLVED FURTHER THAT the Board be and is hereby authorized to issue and allot such number of equity shares as may be required to be issued and allotted upon conversion of any securities referred above or as may be necessary in accordance with the terms of the offering all such shares shall be subject to the terms of Memorandum of Association and Articles of Association of the Company and being pari passu with the then existing shares of the Company in all respects as may be provided under the terms of the issue and in the offering document."

"RESOLVED FURTHER THAT the Board be and is hereby authorized to offer such equity shares at a price which shall not be

less than the price prescribed in Chapter VIII of the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009 as amended from time to time including a discount of not more than 5% (or such other discount as may be prescribed by SEBI from time to time) as prescribed in the proviso to Regulation 85(1) of Chapter VIII of the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009 as amended."

"RESOLVED FURTHER THAT such of these Securities to be issued as are not subscribed may be disposed off by the Board to such persons and in such manner and on such terms as the Board in its absolute discretion thinks fit in accordance with the provisions of law."

"RESOLVED FURTHER THAT the issue to the holders of the securities with equity shares underlying such securities shall be inter alia, subject to suitable adjustment in the number of shares, the price and the time period etc., in the event of any change in the equity capital structure of the Company consequent upon any merger, amalgamation, takeover or any other reorganization or restructuring in the Company."

"RESOLVED FURTHER THAT for the purpose of giving effect to any issue or allotment of securities or instruments representing the same as described above, the Board be and is hereby authorized on behalf of the Company to do all such acts deeds, matters and things as it may in its absolute discretion deem necessary or desirable for such purpose, including without limitation the entering into of underwriting, marketing and institution / trustees/ agents and similar agreements / and to remunerate the managers, underwriters and all other agencies/ intermediaries by way of commission, brokerage, fees and the like as may be involved or connected such offerings of such securities, with power on behalf of the Company to settle any question, difficulties or doubts that may arise in regard to any such issue or allotment as it may in its absolute discretion deem fit."

"RESOLVED FURTHER THAT for the purpose aforesaid, the Board be and is hereby authorized to settle all questions, difficulties or doubts that may arise in regard to the issue, offer or allotment of securities and utilization of the issue proceeds including but without limitation to, the class of investors to whom the Securities are to be issued and allotted, number of Securities to be allotted, issue price, face value, discount or premium amount on issue/conversion of the Securities, if any, the creation of such mortgage/charge under Section 180 (1) (a) of the said Act in respect of the aforesaid Securities either on paripassu basis or otherwise or in the borrowing of loans as it may in its absolute discretion deem fit without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution."

"RESOLVED FURTHER THAT the Board be and is hereby authorized to appoint such consultants, Book runners, Lead Managers, underwriters, Guarantors, Depositories, Custodians, Registrars, Trustees, Bankers, Lawyers, Merchant Bankers and any other advisors and professionals as may be required and to pay them such fees, Commissions and other expenses as they deem fit."

“RESOLVED FURTHER THAT the allotment of securities shall be to Qualified Institutional Buyers in accordance with the Qualified Institutional Placement (“QIP”), Chapter VIII of Securities Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 as amended from time to time, and such securities shall be fully paid up and the allotment of such securities shall be complete within 12 months from the date of this resolution without the need for fresh approval from the shareholder and placements made in pursuance of this resolution if approved shall be separated by at least 6 months between each placement.”

“RESOLVED FURTHER THAT the Board be and is hereby authorized to delegate all or any of the powers herein conferred to any Committee of Directors or Managing / Deputy Managing Directors / Directors or any other officers / authorised representatives of the Company to give effect to the aforesaid resolution.”

// By Order of the Board //

- Notice and the instructions for e voting along with Attendance Slip and Proxy Form is being sent in electronic form to all the Members whose email IDs are registered with the Company/ Depository Participant(s) for communication purposes unless any Member has requested for physical copy of the same.

For Members who have not registered their e mail address, physical copies of the aforesaid documents is being sent in permitted mode. Members may also note that the Notice of the Annual General Meeting will be available on the company's website www.abanoffshore.com and also on the website of the

Stock Exchanges where the shares of the Company have been listed viz BSE Ltd – www.bseindia.com and National Stock Exchange of India Limited – www.nseindia.com

Voting through electronic means

- I. In compliance with provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements), Regulations 2015, the Company is pleased to provide members facility to exercise their right to vote on resolutions proposed to be considered at the 32nd Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services. The Company has engaged the services of NSDL as the agency to provide remote e-voting services through electronic voting system.
- II. The facility for voting through ballot paper shall be made available at the AGM and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through ballot paper.
- III. The members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.
- IV. The remote e-voting period commences on 21st September, 2018 (9:00 am) and ends on 23rd September, 2018 (5:00 pm). During this period members' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of 20th September, 2018, may cast their vote by remote e-voting. The remote e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by the member, the member shall not be allowed to change it subsequently.
- V. The process and manner for remote e-voting are as under:
 1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
 2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholders' section.
 3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****.
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Your password details are given below:
 - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the Company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mail box. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email ID is not registered, your 'initial password' is communicated to you on your postal address.
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "Forgot User Details/Password?" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) Physical User Reset Password? (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.

8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

Details on Step 2 is given below:

How to cast your vote electronically on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see the Home page of e-Voting. Click on e-Voting. Then, click on Active Voting Cycles.
2. Select "EVEN" of company for which you wish to cast your vote.
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify / modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
5. Upon confirmation, the message "Vote cast successfully" will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to scrutinizer@gmail.com with a copy marked to evoting@nsdl.co.in.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts with incorrect details. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free No.1800-222-990 or send a request at evoting@nsdl.co.in
4. If you are already registered with NSDL for remote e-voting then you can use your existing user ID and password/PIN for casting your vote.
5. You can also update your mobile number and e-mail id in the user profile details of the folio which may be used for sending future communication(s).
6. The voting rights of members shall be in proportion to their shares of the paid up equity share capital of the Company as on the cut-off date of 20th September, 2018.
7. Any person, who acquires shares of the Company and become member of the Company after dispatch of the notice and

holding shares as of the cut-off date i.e. 20th September, 2018, may obtain the login ID and password by sending a request at evoting@nsdl.co.in or Issuer/RTA.

However, if you are already registered with NSDL for remote e-voting then you can use your existing user ID and password for casting your vote. If you forgot your password, you can reset your password by using "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com or contact NSDL at the following toll free no.: 1800-222-990.

8. A member may participate in the AGM even after exercising his right to vote through remote e-voting but shall not be allowed to vote again at the AGM.
9. A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date only shall be entitled to avail the facility of remote e-voting as well as voting at the AGM through ballot paper.
10. Mr. G. Ramachandran, Practising Company Secretary has been appointed as the Scrutinizer for providing facility to the members of the Company to scrutinize the voting and remote e-voting process in a fair and transparent manner.
11. The Chairman shall, at the AGM, at the end of discussion on the resolutions on which voting is to be held, allow voting with the assistance of scrutinizer, by use of "Ballot Paper" for all those members who are present at the AGM) but have not cast their votes by availing the remote e-voting facility.
12. The Scrutinizer shall after the conclusion of voting at the general meeting, will first count the votes cast at the meeting and thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and shall make, not later than 48 hours of the conclusion of the AGM, a consolidated scrutinizer's report of the total votes cast in favour or against, if any, to the Chairman or a person authorized by him in writing, who shall countersign the same and declare the result of the voting forthwith.
- XVI. The Results declared along with the report of the Scrutinizer shall be placed on the website of the Company www.abanoffshore.com and on the website of NSDL immediately after the declaration of result by the Chairman or a person authorized by him in writing. The results shall also be immediately forwarded to the Stock Exchanges.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 IN RESPECT OF SPECIAL BUSINESS CONTAINED IN THE NOTICE DATED 30.05.2018.

Item No.4

As per the SEBI (LODR) amendment Regulations, 2018, a non-executive director who has attained the age of seventy five years requires approval of members by way of special resolution to continue as a Director beyond 01.04.2019. Mr. P.Murari is above seventy five years and it has become necessary to seek approval of members in the ensuing Annual General Meeting. Nomination and Remuneration Committee has also recommended the continuation of Mr. P.Murari as an Independent Director till the conclusion of his current term in

office. The Board recommends the resolution in the best interest of the Company.

Mr.P.Murari is an Independent Director and Chairman of the Company. He joined the Board in September, 1996. Mr.Murari is the Chairman of the Audit Committee and Compensation Committee and Member of Nomination & Remuneration Committee. Mr.Murari is a Post graduate in Economics and retired Civil Servant and has held several senior positions in the Government of India and Government of State of Tamil Nadu. The Board is of the opinion that his continued association would be of immense value and benefit to the Company. Accordingly, the Board recommends the continuation of Mr. P.Murari as an Independent Director till the conclusion of his current term in office.

Except Mr. Murari, none of the Directors and Key Managerial Personnel and their relatives is in any way concerned or interested in the item of business.

Name of Director	Mr.P.Murari
Date of Birth	19.08.1934
Nationality	Indian
Date of Appointment on Board	18.09.1996
Qualifications	M.A.Economics
Shareholding in the Company	NIL
Directorships held in other Companies	<ul style="list-style-type: none"> Bajaj Auto Limited S.M.V Consultants Private Limited XPRO India Limited Fortis Malar Hospitals Limited Bajaj Holdings and Investment Limited Idea Cellular Limited

Item No.5

In view of the growing operations of the Company and to augment the fund requirements of the Company, your Company propose to create, offer, issue and allot equity shares, GDRs, ADRs, FCCBs, etc., as stated in the resolution. The proposed resolution would be for approval of issuance of equity shares, FCCBs, GDRs, ADRs, etc. for an amount not exceeding USD 400 Million. The Board recommends the resolution in the best interest of the Company

None of the Directors, Key Managerial Personnel and their relatives is in any way concerned or interested in the resolution.

Item No.6

Your Company, in order to enhance its global competitiveness in domestic and international markets, needs to strengthen its financial position by augmenting long term resources from time to time.

The proposed special resolution seeks the approval of the Members to the Board without the need for seeking any further approval from the Members for the proposed Qualified Institutional Placement ("QIP") with the Qualified Institutional Buyers ("QIB") in accordance with the provisions of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009 (as amended from time to time) ("SEBI ICDR

Regulations"). Pursuant to the above, the Board may in one or more tranches issue and allot equity shares / fully convertible debentures / partly convertible debentures / non-convertible debentures with warrants / any other securities (other than warrants) which are convertible into or exchangeable with equity shares on such date at such price or prices, at a discount or premium to the price calculated in accordance with Chapter VIII of the SEBI ICDR Regulations 2009 as may be determined by the Board but not later than 60 months from the date of allotment (Collectively referred to as "QIP Securities").

The relevant date for the determination of applicable price for the issue of the QIP Securities shall be the date of the meeting in which the Board of the Company decide to open the proposed issue or in case of securities which are convertible into or exchangeable with equity shares at a later date, the date on which the holder of such securities becomes entitled to apply for the said shares, as the case may be. For reasons aforesaid a resolution is therefore proposed to be passed to give adequate flexibility and discretion to the Board to finalise the terms of issue. The securities issued pursuant to the offering would be listed on the Indian Stock Exchanges.

The securities issued under QIP issue pursuant to offer may, if necessary be secured by way of mortgage/ hypothecation on the Company's assets as may be finalized by the Board of Directors in consultation with the security holders / trustees in favour of security holder/trustees for the holders of said securities. As the documents to be executed between the security holders/ trustees for the holders of the said securities and the Company may contain the power to take over the management of the Company in certain events, enabling approval is also sought under Section 180(1) (a) of the Companies Act, 2013.

Section 62(1)(C) of the Companies Act, 2013 and the Listing Agreement entered with the Stock Exchanges provide, inter alia that where it is proposed to increase the subscribed share capital of the Company by allotment of further shares, such further shares shall be offered to the persons who on the date of the offer are holders of the equity shares of the Company in proportion to the Capital paid up on those shares as of that date unless the Members decide otherwise. The Special Resolution seeks the consent and authorization of the Members to the Board of Directors to make the proposed issue of securities in consultation with the Lead Managers, Legal Advisors and other intermediaries and in the event it is decided to issue Securities convertible into equity shares to issue to the holders of such convertible securities in such manner and such number of equity shares on conversion as may be required to be issued in accordance with the terms of the issue keeping in view the then prevailing market conditions and in accordance with the applicable provisions of rules and regulations or guidelines

The Board recommends the above resolution for your approval in the best interest of the Company.

None of the Directors,Key Managerial Personnel and their relatives is in any way concerned or interested in the resolution.

// By Order of the Board //

Aban Offshore Limited

India's largest private offshore drilling services provider.

One of the most competitive drilling service providers in the world.

Vision

To be a leading global offshore company providing drilling, exploration and production services to our clients by consistently achieving targets beyond expectations in a safe manner through the amalgamation of our competent and motivated people, equipment and innovative expertise.

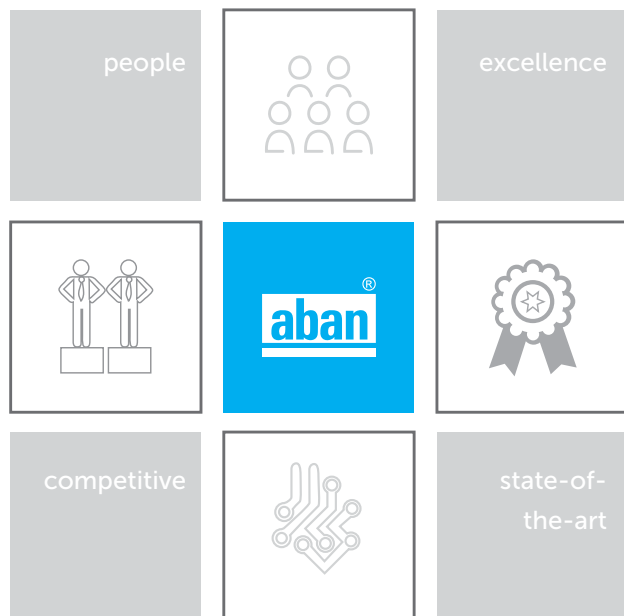

Mission

We will be recognised as global leaders, by offering our clients superior service, including experienced, suitable trained and motivated personnel, superiors, reliable and efficient equipment with environmentally friendly operations.

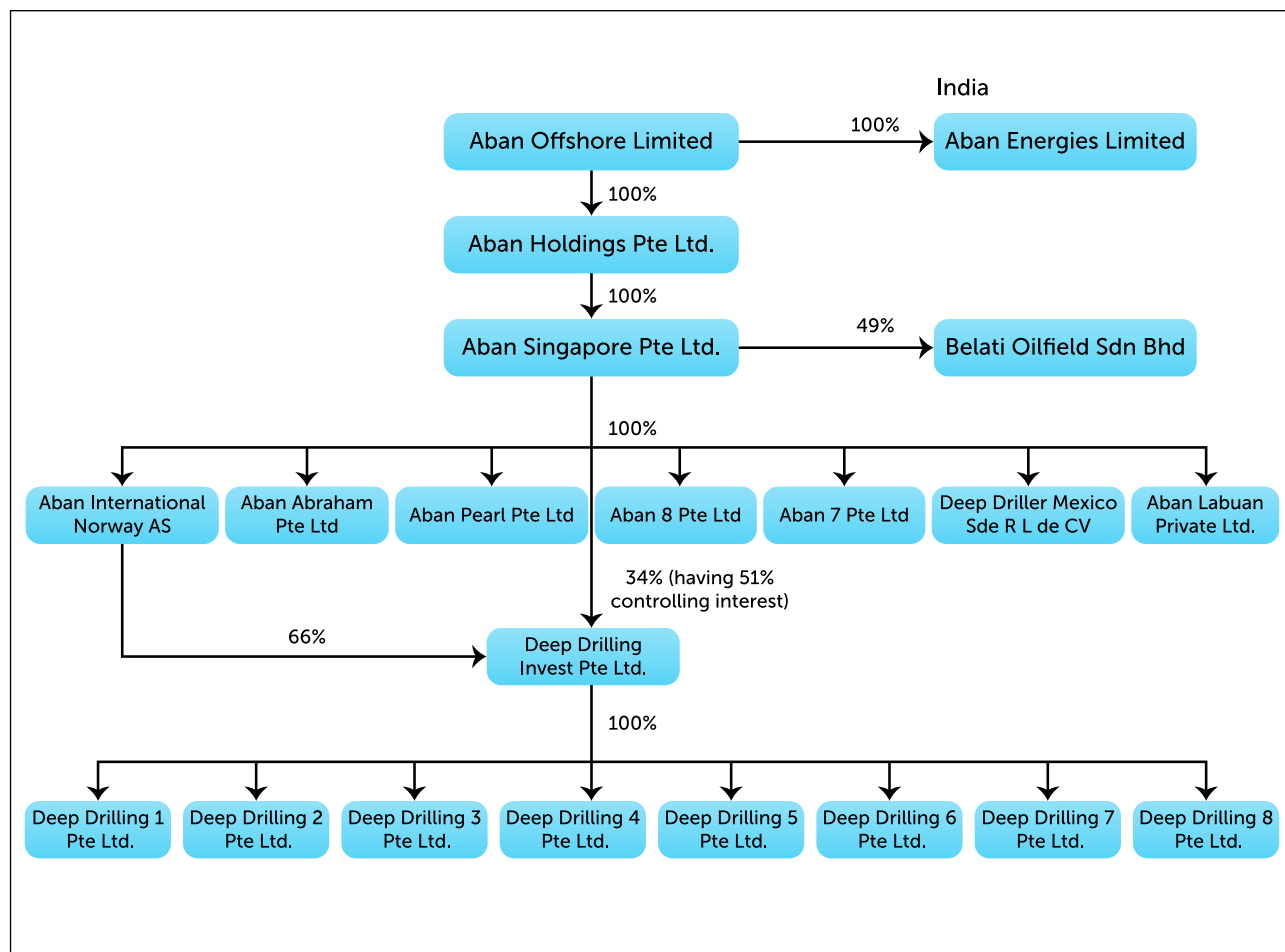

We will achieve leadership status by actively encouraging our employees to attain the highest standards of the ethics, honesty and integrity. We will foster pride, enthusiasm, creativity and team work to ensure trust and confidence in our employees, clients and suppliers.

We will actively support and emphasise 'zero tolerance' to unsafe working practices and conditions, by utilising and implementing the best industry standards in our operations at all times.

We will actively grow Aban through financial discipline and cost-effective asset management to deliver superior returns to our clients and shareholders.

Managing Director's review

The performance of the Company during the year under review would indicate that the worst may very well be over and the time has come for the Company to resume its journey towards recovery.

The Company reported an EBITDA of ₹ 6,508.44 million in 2017-18. While these numbers may not indicate the beginning of a turnaround, it does point out a change in sectoral fundamentals and the fact that better times are ahead.

I am pleased to state that while the decline in our operating numbers were sharp, we were able to see this sectoral trough through without dismantling our fleet or being compelled to disinvest at distressed rates. I must also mention that through this extended period of decline, we were able to maintain our asset quality through periodic overhauls, ensuring that when the sector rebounds we will possess a world-class portfolio to capitalise on it.

The Company stayed EBITDA-positive during a phase when most rig service providers turned EBITDA-negative. This validates the fact that our Company is one of the most competitive rig service providers in the world and would be amongst the last players to sustain and grow, even during the worst moments of the sectoral cycle.

Oil sector overview

The biggest driver of the rig service sector in recent times has been the oil price. The rig day rates largely mirrored oil prices; the higher the surplus reported by oil exploration and processing companies and the stronger their price outlook, the greater their willingness to reinvest in fresh exploration, strengthening prospects for rigs providers like us.

The big macro development during the year under review was an attractive increase in the international crude oil price from around US\$ 52 per barrel at year-start to US\$ 72 per barrel by the year-end. This improvement was on account of the effective implementation of opec production cuts and an increase the oil demand due to improved economic growth in European Union and United States of America.

Rig service segment review

The oil price recovery resulted in an increase in enquiries for rig deployment as some customers announced capital expenditure programmes. In the past, contract tenures had declined from around eight quarters to around a single quarter, which highlighted the skepticism among oil exploration and processing companies. The result was that during the year under review most contracts were short-term in nature. One of the biggest priorities during the last few years was to deploy our rig service assets even at relatively low rates with the objective to enhance asset utilisation that would help us recover operating costs and interest outflow. During the last few years, the Company was able to contract some of its assets for short tenures. This dull operating environment improved during the year under review. Consequently, the Company secured a long-term contract for a rig owned by its step-down subsidiary from a prominent customer in the Far East. This was a five-year-long contract brightened the Company's revenue visibility. The Company was able to get contracts for other assets for periods ranging from three to six months with the option of rollover, bolstering overall utilisation.

The Aban marketing strategy

At Aban Offshore, we possess a balanced complement of modern and refurbished rigs for deployment – spanning 216 rig months a year. Even as day rates remained weak, the principal objective of the Company was to maximise rig deployment. The Company's marketing team addressed a wider geographic footprint and worked closely with customers to respond to emerging opportunities. The result was that the Company secured contracts from a prominent customer in Dubai that brightened Aban's prospects of being shortlisted for prospective campaigns. Our focused marketing initiatives resulted in the enlistment of a new client in Malaysia. The Company continued to engage with existing customers and the result was that ONGC awarded the Company a new three-year contract for Aban Ice, which commenced during the year under review. During the slowdown, the Company also reoriented its marketing focus from an overt dependence on the Middle East.

Looking ahead

At Aban Offshore, we believe that a higher incidence of short-term contracts is an early indication of a strengthening rig service market. Usually, such market trends are influenced by factors like a large number of customers seeking to test waters with short-term engagements. These engagements do not significantly affect cash

flows and are only extended gradually once oil prices start climbing and exploration budgets start enlarging. The other trend that is usually a sign of a recovering market is an increase in enquiries, which indicates market curiosity and willingness to extend into contracts (even short-term ones) once the market stabilises. During this challenging juncture, the Company focused on moderating overheads with the objective to break even quicker.

In conclusion

The outlook for the global oil industry appears to be cautiously optimistic. Our expectation is that oil prices are likely to consolidate around US \$ 70 per barrel. A number of active rigs that have gone out of business could only come into play if day rates rebound. We have always maintained that when rig demand revives, day rates could escalate quicker as the prevailing rates for keeping a rig afloat are relatively low. At Aban, we intend to engage with a wider spread of customers, foray into new geographies and maximise rig deployment. We believe that such a strategy will allow us to cover overheads, repay loans and strengthen cash flows. I am optimistic that this persistence will translate into attractive returns for our stakeholders as soon as the sector revives.

Reji Abraham
Managing Director

Competitive strengths

KNOWLEDGEABLE

The Company's insight into market cycles, proactive responsiveness and modern assets is reflected in its ability to operate at a high uptime that translates into uninterrupted operations and assured dependability.

EXPERIENCED

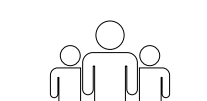

The Company's team comprises qualified professionals with proven abilities to identify opportunities and de-risk the business.

SCALE

The Company is among the dozen largest private offshore service providers globally and the largest in its space in India. This scale has translated into enhanced sectoral visibility and the ability to bag lucrative contracts.

NEW GENERATION

The Company possesses a young, best-in-class fleet that makes it possible to relentlessly counter obsolescence, enhance uptime and improve efficiency. The average age of nine jack-ups stood at nine-and-a-half years as on 31st March 2018 in a business marked by multi-decade assets.

BENCHMARKED

The Company's rigs are globally benchmarked when it comes to safety and eco-friendliness, making it possible for the rigs to be deployed for the world's leading E&P companies.

SERVICE-ORIENTED

The Aban fleet has worked with reputed global clients. Over the years, this exposure has helped the Company implement globally-accepted HSE standards, bag attractive contracts and access funds from global lenders at attractive rates.

Management discussion and analysis

Global economic overview

In 2017, a decade after the global economy weakened, a revival became visible. Every major economy expanded: marked by Euro-zone growth, modest growth in Japan, late revival in China and improving realities in Russia and Brazil leading to an estimated 3.7% global economic growth in 2017, some 60 bps higher than the previous year.

A review of the various national economies is provided below:

The US: The world's largest economy entered its ninth straight year of growth in 2017 (2.3% compared to 1.6% in 2016) catalysed by the spillover arising out of government spending by the previous administration coupled with US\$1.5 trillion worth of tax cuts stimulating investments. Private consumption continued to grow at a robust pace from 1.5% in 2016 to 2.2% in 2017.

Euro zone: This region experienced the upside arising out of cheap money provided by the central bank. In 2017, Euro zone is estimated to grow 2.4% compared with 1.8% in 2016, the broad-based growth visible in all Euro-zone economies and sectors. (Source: WEO January 2018, focus economics).

China: The Chinese economy grew faster than expected in the fourth quarter (October to December) of 2017 at 6.8%, aided by a recovery in exports. This helped China celebrate its first annual growth in seven years. For the full year, China's growth is estimated at 6.9%, its highest since 2010. Private firm investments grew at 6% in 2017 from 3.2% in 2016. Disposable income growth picked up to 7.3% in 2017 from 6.3% in 2016. Consumption should outpace investment and demand for services could remain strong (52% of

economic output). China's exports rose 6.9% from the previous year to \$188.98 billion in October 2017. (Source: WEO, NBS data)

Emerging Asia: Emerging Asia GDP is estimated at 6.5% in 2017. Cambodia, Laos and Myanmar are projected to grow the fastest in the ASEAN, while Philippines and Vietnam are expected to lead growth in ASEAN-5 (Indonesia, Malaysia, Philippines, Thailand and Vietnam). The region is being driven by infrastructure spending and stable economies.

GCC: GCC countries were affected by the oil price decline (~60% since 2013), resulting in macro-economic instability that affected job creation and growth. GDP growth remained subdued at 1.8% in 2017 despite efforts to boost the non-oil private sector economy. Regional growth is projected to increase steadily after 2017, to 3% in 2018 and 3.2% by 2020, following acceleration among oil exporters and importers, moderated geopolitical tension and rise in oil prices. (Source: World Bank)

Russia: The economy appeared to have exited a two-year recession that, thanks to the authorities' effective policy response and existence of robust buffers, resulted in shallower-than-past downturns. In 2017, Russia was estimated to grow 1.9% following negative growth of 0.6% in 2016 (WEO) and a projected GDP growth of 1.8% in 2018. (Source: MOMR)

Brazil: In 2017, Brazil grew at 1.1% following a deceleration of 3.5% in 2016. The recovery in the GDP was boosted mainly by the agricultural sector which grew by 13%. According to the Brazilian Institute of Geography and Statistics (IBGE), a decline in inflation (inflation was 3.5% in 2017 as compared to 8.7% in 2016) also contributed to economic growth.

Outlook

The outlook for advanced economies improved, notably for the Euro area, but in many countries inflation remained weak, indicating that the slack was yet to be eliminated, and prospects for growth in GDP per capita were held back by weak productivity growth and rising old-age dependency ratios. Global growth forecasts for 2018 and 2019 were revised upward by 20 bps to 3.9%, reflecting improved momentum and impact of tax policy changes in the US. (Source: WEO, IMF)

Indian economic overview

After registering GDP growth of over 7% for the third year in succession in 2016-17, the Indian economy headed for slower growth of at 6.7% in 2017-18. Even with this lower growth for 2017-18, GDP growth averaged around 7.3% for the period 2014-15 to 2017-18, achieved through lower inflation, improved current account balance and reduction in fiscal deficit to GDP.

The year under review was marked by various structural reforms by the Government. In addition to GST introduction, the year witnessed a significant resolution of problems associated with bank non-performing assets, FDI liberalisation, bank recapitalisation and privatisation of coal mines.

Key government initiatives

World Economic Forum's Global Competitiveness Report 2017 ranked India at an impressive 23 in the Global Competitiveness Index from 39 in 2016. Some government initiatives comprised:

Bank recapitalisation: The Central Government announced capital infusion of ₹ 2.1 lac crore in public sector banks.

Expanding road network: The Government of India announced a ₹ 6.9 trillion investment to construct 83,677 kilometres of roads across five years.

Improving ecosystem: The country was ranked at the hundredth position, an improvement of 30 places in the World Bank's Ease of Doing Business 2017 report, a result of the Central Government's pro-reform agenda, comprising measures like the passing of Insolvency and Bankruptcy Code, simplifying tax computation. In addition, the Aadhaar-based identification approach could streamline the regulatory regime. (Source: KPMG)

Goods and Services Tax: The Government of India launched

Goods and Service Tax (GST) in July 2017, with the vision of creating a unified market. Under this regime, various goods and services are taxed as per five slabs (28%, 18%, 12%, 5% and zero tax).

Foreign Direct Investment:

Foreign direct investment increased from approximately USD 24 billion in FY2012 to approximately USD 60 billion in FY2017, an all-time high.

Coal mining opened for private sector: Ending state monopoly, the government opened coal mining to private sector firms for commercial use, the most ambitious sectoral reform since nationalisation in 1973. Coal accounts for around 70% of the country's power generation, and the move for energy security through assured coal supply is expected to attract major players, enhance sectoral efficiency, widen competition, increase competitiveness and induct best technologies. (Source: The Hindu, Business Today)

Outlook

World Bank projected India's economic growth to accelerate to 7.3% in 2018-19 and 7.5% in 2019-20. Strong private consumption and services are expected to continue to support economic activity. Private investment is expected to revive as soon as the corporate sector adjusts to the GST. The recapitalisation package for public sector banks announced by the Government of India is expected to resolve banking sector Balance Sheets, enhance credit availability and spur investment. (Source: IMF, World Bank)

Global crude oil sector overview

Nearly 33% of the more than 4 billion metric tonnes of oil produced worldwide annually, is generated in the Middle East. Saudi Arabia and the US are the world's leading oil producers, each responsible for ~13% of the global production. Russia is the third-largest producer, generating over 12% of the total production.

The highlight of the year was that crude oil prices increased: the year began with crude oil priced at US\$ 50.90 per barrel and ended at US\$ 63.46 per barrel, registering an increase of 24.68% on a y-o-y basis. (Source: World Bank)

Demand-supply dynamics

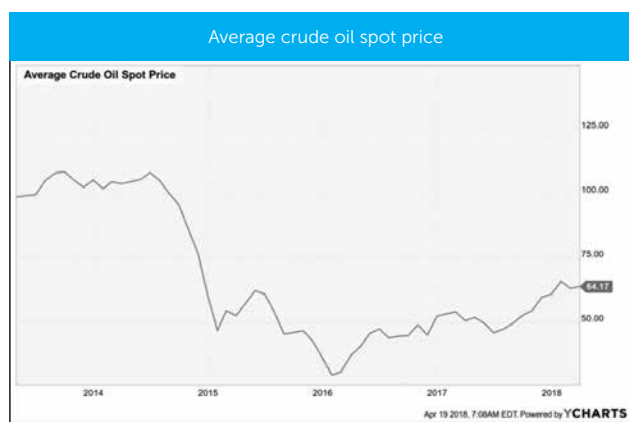

Total global oil demand growth for 2017 was pegged at 1.62 million barrels per day, while total demand averaged 97.04 million barrels per day. For 2018, oil demand growth is forecast at ~1.60 million barrels per day and total demand at 98.63 million barrels per day.

World oil supply in February 2018 averaged 98.20 million barrels per day, representing an increase of 1.66 million barrels per day y-o-y. Non-OPEC supply as of February 2018 averaged 66.01 million barrels per day, representing a growth of 1.71 million barrels per day y-o-y. OPEC's total production declined ~8,000 barrels a day in January to 32.3 million barrels per day. Iraq added about 30,000 barrels a day, while Libya added ~21,000 barrels a day. Saudi Arabia increased output by ~23,000 barrels a day and continue to provide the lion's share of output cuts. OPEC, along with Russia and several other producer nations, kept 1.8 million barrels a day off the market to shrink the global stockpile.

On the demand side, the global appetite for oil is expected to grow by 1.59 million barrels a day. Demand drivers include steadily rising economic activity, robust demand for transportation fuels (gasoline and jet fuel) and a growing petrochemical industry. (Source: OPEC)

Outlook

A strong world economy is expected to underpin increase in oil demand. Global economic growth has been estimated at 3.9% in of 2018 with all regions expected to perform creditably. Strong economies could, in turn, use more oil; demand is expected to grow at 1.59 million barrels per day. By 2023, oil demand could reach 104.7 million barrels per day, up by 6.9 million barrels per day from 2018. As has been the case for some years, China and India together could contribute ~50% of the global oil demand over the years. As China's economy becomes more consumer- and service-oriented, oil demand could slow. In contrast, the pace of oil demand growth could increase in India. There are signs of oil substitution by alternative energy sources like electric vehicles, fuel cells etc in various countries. A prime example is China, which has some of the world's most-stringent fuel efficiency and emission regulations. In the long-term, cheap sources of oil would have been exhausted, making it more expensive to extract oil. (Source: IMF, EIA)

Indian crude oil sector overview

India's GDP growth rebounded to 7.1% in Q4 of FY2017-18, led by a strong recovery in fixed investment and manufacturing, although private consumption cooled. India's oil demand soared at the start of the year, boosted by a low baseline of comparison and substantial gains in diesel oil requirements in support of infrastructure projects. Oil demand in January 2018 increased by 0.45 million barrels per day, or 10.3% y-o-y, to reach 4.79 million barrels per day. Diesel oil requirements increased by 0.23 million barrels per day, or 14.8% y-o-y, as demand was boosted by an increase in rural infrastructure spending.

Outlook

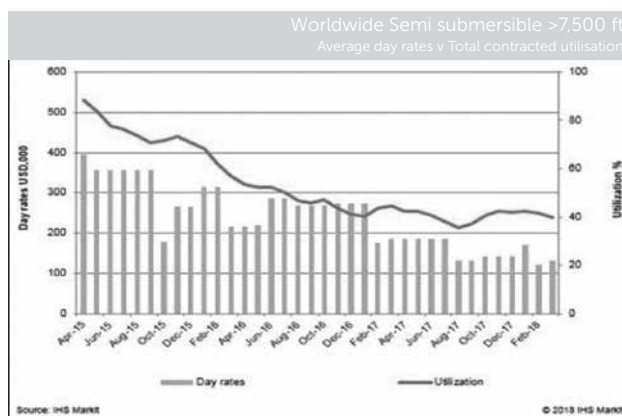

India's oil demand is expected to grow at a CAGR of 3.6% to reach 458 million tonnes of oil equivalent by 2040, while demand for energy will more than double as the economy quintuples in size. India's state-controlled oil and gas companies have planned to spend ₹ 890 billion during FY2018-19 with half the spending going toward E&P activities. India's largest oil and gas producer, ONGC, along with its overseas unit, ONGC Videsh Ltd., and Oil India account for 70% of the total oil produced in India, while the remaining 30% comes from private sector and JV companies. Consumption of crude oil by refineries in the country is projected to grow at a CAGR of 4.5% to reach 2,145.3 million barrels by FY 2021-22.

(India's oil demand (in thousand barrels per day

Change 2018/17

	Jan 18	Jan 17	Tb/d	%
LPG	735	703	32	4.6
Naphtha	284	278	6	2.0
Gasoline	584	505	79	15.6
Jet/kerosene	246	242	4	1.5
Diesel oil	1,808	1,576	232	14.8
Fuel oil	452	431	20	4.7
Other products	678	603	75	12.5
Total	4,786	4,338	448	10.3

With the implementation of the Hydrocarbon Exploration and Licensing Policy, companies will be able to pursue specific areas of interest through open acreage licensing. The Central Government has targeted to reduce import volumes of oil and gas by 10% by 2022.

Drilling and offshore rigs industry

India's offshore rig count stood at 25, down from 36 a year ago. The worldwide rig count for February was 2,271, up by 244 from the 2,027 counted in February 2017. With leading edge ultra-deep water remaining in the US\$ 120,000-140,000 range and premium jack-ups remaining in the US\$ 40,000-50,000 range, day-rates are expected to stabilise. Moreover, oil companies entered cash-flow-positive territory and can afford to pay higher rates. The outlook for the offshore industry has improved. Oil prices have recovered, the industry is significantly restructured and the obsession with shale has begun to wane. (Source: Baker Hughes, DNB Markets)

Opportunities

After more than three decades, ONGC is all set to open a new sedimentary basin in the country as it puts Kutch offshore on the oil and gas map of India. Kutch would be India's eighth sedimentary basin. ONGC had previously opened for commercial production

six out of India's seven producing basins. Cauvery was the last category-I producing basin, discovered in 1985. Kutch offshore may hold ~1 trillion cubic feet of gas reserves across an area of 28,000 square kilometres and water depths of up to 200 metres. This could escalate a demand for floaters and jack-ups for shallow waters. The oil and gas industry received some stimulus in 2018 through an upward correction of oil and gas prices, resulting in a renewed interest in upstream investment. Oil prices showed less volatility in 2017 owing to production cuts by ~1.8 million barrels per day by OPEC and non-OPEC producers. Moody's and S&P predict average oil price to be ~US\$ 55 per barrel, whereas Goldman Sachs and Credit Suisse are predicting Brent price to be US\$ 62 and US\$ 60 per barrel in 2018. EIA forecasts Brent spot prices to average US\$ 57 per barrel in 2018, up from an average of US\$ 54 per barrel in 2017 and West Texas Intermediate crude oil prices are forecast to average US\$ 4 per barrel lower than Brent prices in 2018. (Source: TOI, Business Standard)

Threats

The biggest shortcoming faced by the industry is an oversupply of rigs coupled with a global slowdown in oil prices. With drilling opportunities decreasing, drillers are growing desperate to win contracts and minimise operating costs.

The operating capacity of the global refining industries is continually constrained and product specifications are being tightened by increasing strict environmental legislations. Margins are getting thinner as a result of intensifying competition.

Operational performance

The Company generated revenues worth ₹ 14,668.60 million compared to the previous year's revenue of ₹ 17,579.20 million. At the close of FY2017-18, the Company's rigs were operating under a balanced mix of long-term and short-term contracts. The Company's EBITDA declined from ₹ 9,270.7 million in 2016-17 to ₹ 6,508 million in 2017-18. The Company stayed EBITDA-positive during a phase when most rig service providers turned EBITDA-negative. As on 31st March 2018, Company reported a net loss of ₹ 26,167.85.

Internal control systems and their adequacy

The internal control and risk management system is structured and applied in accordance with the principles and criteria established in the corporate governance code of the organisation. It is an integral part of the general organisational structure of the Company and Group and involves a range of personnel who act in a coordinated manner while executing their respective responsibilities. The Internal Audit department is headed by a Chartered Accountant. The assets of the Company are periodically verified and report submitted to Audit Committee. The Audit Committee and Board of Directors offers its guidance and strategic supervision to the Executive Directors and management, monitoring and support committees.

Human resources

The Company believes that its intrinsic strength lies in its dedicated and motivated employees. As such, the Company provides competitive compensations, an amiable work environment and acknowledges employee performance through a planned reward and recognition programme. The Company aims to create a workplace where every person can achieve his or her true potential. The Company encourages individuals to go beyond the scope of their work, undertake voluntary projects that enable them to learn and devise innovative ideas. As on 31 March, 2018 the Company had 1226 employees.

Cautionary statement

This statement made in this section describes the Company's objectives, projections, expectation and estimations which may be 'forward looking statements' within the meaning of applicable securities laws and regulations. Forward-looking statements are based on certain assumptions and expectations of future events. The Company cannot guarantee that these assumptions and expectations are accurate or will be realised by the Company. Actual result could differ materially from those expressed in the statement or implied due to the influence of external factors which are beyond the control of the Company. The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statements on the basis of any subsequent development.

Risk management

At Aban, risk management is an enterprise-wide function overseen by a team of qualified specialists with longstanding sectoral experience.

Economic risk

Impact: Volatile oil prices could impact the Company's growth.

Mitigation: The Company's assets are deployed on the basis of medium-term contracts, cushioning the business from short-term volatilities. The Company has chosen to diversify its customer base and widen its geographic presence. The Company is actively looking for new markets to deploy idling assets.

Regulatory risk

Impact: Any compliance issue could impact the Company's operations.

Mitigation: The Company deployed best-in-class systems to comply stringently with globally-accepted QHSE norms.

Competition risk

Impact: Emergence of new entrants could impact on day-rates.

Mitigation: The Company enjoys three decades of experience in the oil exploration business and working with global oil giants. The Company has prudently depreciated its assets and thereby enhanced their cost-competitiveness against new build-ups. The Company diversified its rig portfolio in a manner that allows it to address the different needs of customers.

Geography risk

Impact: Focusing on a handful of geographies could reduce utilisation levels of assets.

Mitigation: The Company's offshore services are spread globally (South East Asia, South Asia, Latin America, West Africa and the Middle East), ensuring the optimal utilisation of assets.

Technological risk

Impact: Obsolescence could adversely affect financial performance.

Mitigation: The Company owns 18 rigs (average age of 9 jack-ups was nine and half years). This relative youthfulness has translated into high uptime and benefited customers.

Manpower risk

Impact: Increase in attrition rates could diminish productivity.

Mitigation: The Company enjoys lower attrition rates than its international peers. Moreover, the Company introduced employee stock options to retain talented personnel.

DIRECTORS' REPORT

The Directors of your company are pleased to present the Thirty Second Annual Report along with the accounts for the year ended 31st March, 2018.

1. Financial Results

2. Performance

The Revenue earned during the year under review stood at Rs.6517 Million. Rigs Aban II and Aban ICE were working satisfactorily under the existing contracts. Other Rigs are being actively marketed.

3. Changes In Share Capital

There was no change in the Share Capital of the Company during the year under review.

4. Subsidiary Companies

INDIAN

Aban Energies Limited

The Subsidiary Company activities relating to the maintenance of windmills of the Company has been satisfactory.

International

Rigs under Contract were performing satisfactorily.

The subsidiary company accounts details are available in the Company's website.

5. Consolidation of Accounts

The consolidated financial statements of the Company are prepared in accordance with the provisions of Section 129 of the Act, 2013 read with the Companies (Accounts) Rules, 2014 and Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (LODR) along with a separate statement containing the salient features of the financial performance of subsidiaries/ associates, in the prescribed form. The audited consolidated financial statements together with Auditor's Report forms part of the Annual Report.

As per IND AS-108, if the revenue of an operating segment is less than 10 percent of the combined revenue of all operating segment then it is not mandatory for a company to report separately information about that segment. The revenue from Wind Energy division is less than 10 percent of the combined revenue of all operating segments. Hence the Company is not reporting its Wind Energy operating segment in its financials.

6. Management's Discussion and Analysis

Management Discussion and Analysis Report for the year under review as stipulated under Regulation 34 (2) (e) of SEBI (LODR) Regulations, 2015 is presented in a separate section forming part of the Annual Report.

7. Dividend

In order to conserve cash, the Board of Directors do not recommend any dividend.

8. Directors

Ms. Deepa Reji Abraham is liable to retire by rotation and being eligible offers herself for re-appointment.

- 15. Material changes and commitments, if any, affecting the financial position of the Company which have occurred between the end of the financial year of the Company to which the financial statements relate and the date of the report**

There were no material changes and commitments affecting the financial position of the Company between the end of financial year March 31, 2018 and the date of the Report.

- 16. Statement indicating development and implementation of a risk management policy for the company including identification therein of elements of risk, if any, which in the opinion of the board may threaten the existence of the Company.**

The Company's robust risk management framework identifies and evaluates business risks and opportunities. The Company recognizes that these risks need to be managed and mitigated to protect its shareholders and other stakeholders, to achieve its business objectives and enable sustainable growth. The risk framework is aimed at effectively mitigating the Company's various business and operational risks, through strategic actions. Risk management is embedded in our critical business activities, functions and processes. The risks are reviewed from the change in the nature and extent of the major risks identified since the last assessment. It also provides control measures for risks and future action plans.

The Company believes that the overall risk exposure of present and future risks remains within risk capacity.

- 17. Corporate social responsibility initiatives taken during the year**

The Company has constituted CSR Committee in accordance with section 135 of the Companies Act, 2013. The CSR Committee has formulated and recommended to the Board, a CSR Policy indicating the activities to be undertaken by the Company, which has been approved by the Board. During the year the Company had engaged IL & FS Skills Development Corporation Limited to undertake program to provide vocational/employable skills training to youth from

marginal sections of society and spent around Rs.1.7 million for the same. The detailed report is given in a separate **Annexure E** in the Annual Report. The CSR Policy may be accessed on the Company's website at http://abanoffshore.com/pdf/CSR_Policy.pdf

- 18. Board Evaluation**

Pursuant to the provisions of Section 134(3) (p) of the Companies Act, 2013 and SEBI (LODR) Regulations, 2015 the Board has carried out an annual evaluation of its own performance, performance of the Directors as well as the evaluation of the workings of its Committees. The manner in which the evaluation was carried out has been explained in the Corporate Governance Report.

- 19. The details of directors or key managerial personnel who were appointed or have resigned during the year**

Aban Offshore Limited

Reji Abraham

Managing Director

Place: Chennai

Date: May 30, 2018

Annexure E

Corporate Social Responsibility initiatives taken during the year

- A brief outline of the Company's CSR Policy, including overview of projects or programs proposed to be under taken and a reference to the web-link to the CSR policy and projects or programs:**

Pursuant to Section 135 of the Companies Act, 2013 read with the Companies (Corporate Social Responsibility Policy) Rules, 2014 your company at the Board meeting held on July 31, 2014 approved a Policy on CSR and the Policy was hosted on the website of the Company under the following link: http://abanoffshore.com/pdf/CSR_Policy.pdf

- Composition of the CSR Committee**

S.No.	Name	Category
1	Ashok Kumar Rout	Chairman
2	C.P. Gopalkrishnan	Member
3	Deepa Reji Abraham	Member
4	Subhashini Chandran	Member

- Average net profit of the Company for last three financial years:** Rs.3530.68 Million
- Prescribed CSR Expenditure (two percent of the amount as in item above):** Rs.70.61 Million
- Details of CSR spent for the financial year.**
 - Total amount to be spent for the financial year:** Rs.70.61 Million
 - Amount unspent if any:** Rs.68.93 Million
 - Manner in which the amount spent during the financial year is detailed below**

S.No	CSR Project or activity identified	Sector in which the project is covered	Projects or programs (1) Local area or other (2) Specify the State and District where projects or programs were undertaken	Amount outlay (budget) project or programs wise	Amount spent on the projects or programs Sub-heads: (1) Direct expenditure on projects or programs (2) Overheads:	Cumulative expenditure up to the reporting period	Amount spent: Direct or through implementing agency
1	Skill Development Project	Livelihood enhancement project	Karaikudi, Sivagangai District	Rs. 1.68 million (exclusive of taxes) Electrical training – Rs 32,190 per candidate (incl boarding & lodging) Welding training – Rs 23,850 per candidate (incl boarding & lodging)	Rs. 1.68 million (exclusive of taxes) Enrolment in Welding and Electrical training	Rs. 1.68 million (exclusive of taxes)	Through IL&FS Skills Development Corporation Limited, Chennai
	Total			Rs. 1.68 million	Rs. 1.68 million	Rs. 1.68 million	

- Reason for not spending:**

The company could identify the project only at the end of the financial year. Further the cash flow of the company was under severe straine.

Annexue F
Auditors' Certificate on Compliance of Corporate Governance

To the Members of
Aban Offshore Limited

We have examined the compliance of conditions of Corporate Governance by Aban Offshore Limited, for the year ended on 31st March 2018, as stipulated in the Regulation 4(2) read with Chapter IV and Schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to review of procedures and implementation thereof, adopted by the Company, for ensuring the compliance of the conditions of Corporate Governance as prescribed in the above mentioned Listing Regulations. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, and based on the representation made by the Management of the Company, we certify that the Company has complied with conditions of Corporate Governance as stipulated in the above mentioned Listing Regulations.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2018

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,
Aban Offshore Limited
CIN L01119TN1986PLC013473
'Janpriya Crest'
113, Pantheon Road,
Egmore, Chennai- 600008

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. Aban Offshore Limited (hereinafter called the company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by M/s. Aban Offshore Limited for the financial year ended on 31st March, 2018 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Customs Act, 1962.
- (iii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iv) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

- (v) The Electricity Act, 2003
- (vi) The Merchant Shipping Act, 1958
- (vii) Employees Provident Fund Act, 1952;
- (viii) The Employees State Insurance Act, 1948;
- (ix) Payment of Gratuity Act, 1972;
- (x) Maternity Benefits Act, 1961;
- (xi) Local Shops & Establishment Acts of States;
- (xii) Income Tax Act, 1961
- (xiii) Finance Act, 1994 (Service Tax) and rules there under up to June 2017 and GST thereafter
- (xiv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (xv) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; and
 - (e) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client.

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreements entered into by the Company with the National Stock Exchange of India Limited and BSE Limited and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015;

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, Agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period the company has:

1. Not redeemed its Non- Convertible Cumulative Redeemable Preference Shares on due dates. One of the preference share holders of the company has filed a commercial suit before the Honorable High Court of Judicature at Bombay and two of the preference shareholders have filed petitions under section 55 of the Companies Act, 2013/under section 80 of the Companies Act, 1956 before the Honorable National Company Law Tribunal, Chennai Bench for non-redemption of Non-Convertible Cumulative Redeemable Preference Shares. These cases are pending before the Honorable High court and Tribunal respectively.
2. The company had made three applications to the Central Government seeking its approval for reappointment of Managerial Personnel under clause (e) of Part I of Schedule V of the Companies Act, 2013. Out of the three, approval of the Central Government was received for an application. The approval from the Central Government is awaited for the balance two applications.

INDEPENDENT AUDITORS' REPORT

To the Members of
ABAN OFFSHORE LIMITED

Report on the Ind AS Standalone Financial Statements

We have audited the accompanying Ind AS Standalone Financial Statements of ABAN OFFSHORE LIMITED ("the company"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of changes in equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Ind AS Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013("the Act") with respect to the preparation and presentation of these Standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with relevant rules issued there under. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these IndAS Standalone Financial Statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS Standalone Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Ind AS Standalone Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS Standalone Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS Standalone Financial Statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS Financial Statements.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS Standalone Financial Statements

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS Standalone Financial Statements:

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Standalone Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March 2018, its Profit (including other comprehensive income) and its cash flows and changes in equity for the year ended on that date.

Emphasis of matter

We draw attention to Note No 8(a) to Standalone Ind AS financial statements:

The Company has defaulted in repayment of instalments and payment of interest on term loans from banks for an amount of INR 4,900.25 million. The Banks have recalled the entire loan outstanding including interest. As such, the Company has re-classified these dues to banks from Non-current Liability to Current Liability during the year.

Our opinion is not modified in respect of above matter.

Other matters

The comparative financial information of the Company for the corresponding year ended 31st March 2017, included in these standalone financial results for the year ended 31st March 2018 were audited by predecessor auditor who expressed an unmodified opinion on those financial information/statements on 29th May 2017.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters Specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we further report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c) The Balance Sheet, Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid Ind AS Standalone Financial Statements comply with the applicable Accounting Standards specified under Section 133 of the Act, read with relevant rules there under.
 - e) On the basis of written representations received from the directors as on 31st March, 2018 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018, from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in 'Annexure B'; and
 - g) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - ii. The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There are no amounts which were required to be transferred to the Investor Education and Protection Fund by the company.

Annexure A to the Auditors' Report

Annexure referred to in Independent Auditors' Report to the Members of M/s ABAN OFFSHORE LIMITED on the Ind AS Financial Statements for the year ended 31st March 2018, we report that:

i. In respect of its fixed assets:

a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets on the basis of available information.

b) As explained to us, all the fixed assets have been physically verified by the management in a phased periodical manner, which in our opinion is reasonable having regard to the size of the Company and nature of its assets. No material discrepancies were noticed on such physical verification.

c) According to the information and explanation given to us and on verification of documents provided to us, we are of the opinion that the title deeds of immovable properties are held in the Company.

ii. In our opinion the inventories have been physically verified during the year by the Management at reasonable intervals. The material discrepancies noticed on verification between the physical stocks and the book records have been dealt with in the books of account.

iii. The Company has given unsecured loans during the year and in earlier years to its wholly owned foreign subsidiary being the companies covered in the Register maintained under Section 189 of "the Act", as shown below:

Company	Unsecured Loan granted during the year (Indian Rupees in Millions)	Loan Amount outstanding at the end of the year (Indian Rupees in Millions)	Maximum amount outstanding during the year (Indian Rupees in Millions)
Aban HoldingsPte Limited, Singapore	62.841	6876.475	6876.475

iv. The Company has granted unsecured loan, provided guarantee and invested in its wholly owned foreign subsidiary and Indian subsidiaries. The Company has also invested in other companies. Based on the information and explanations

given to us we are of the opinion that the company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013, wherever applicable with respect to the said transactions.

v. The Company has not accepted any deposits during the year from the public within the meaning of the provisions of Section 73 of "the Act" and hence directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of "the Act" and the Rules framed there under are not applicable to the Company at present.

vi. The Central Government has not prescribed maintenance of Cost Records under sub-section (1) of section 148 of "the Act" in respect of business of the company and hence the provision of clause 3(vi) of the Order is not applicable with regard to maintenance of cost records.

vii. (a) According to the information and explanations given to us and on the basis of our examination of the books of account, in our opinion, the company is regular in depositing with appropriate authorities undisputed statutory dues including provident fund, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, Goods and service tax, and other material Statutory dues as applicable, with the appropriate authorities in India.

(b) There were no undisputed amounts payable in respect of Provident Fund, Employee Staff Insurance, Service Tax, Sales Tax, Income-tax and other material statutory dues in arrears as at 31st March, 2018 for a period of more than 6 months from the date they became payable.

(c) According to the information and explanations given to us, there are statutory dues, which have not been deposited with appropriate authorities on account of dispute as per the details given below.

Name of the Statute	Nature of dispute	Disputed demand in Rs in millions	Period to which the amount relates	Forum where dispute is pending
Income Tax Act 1961	Regular Assessment	556.40	2002-2006	High Court of Madras
Income Tax Act 1961	Regular Assessment	97.48	2008-2009	Commissioner of Income Tax
Income Tax Act 1961	Regular Assessment	396.17	2006-2008	Income Tax Appellate Tribunal

Finance Act 1994 (Service Tax dues)	Regular Assessment	0.46	2015-2016	CESTAT, Mumbai
Finance Act 1994 (Service Tax dues)	Regular Assessment	46.01	2015-2017	CESTAT, Mumbai
Customs Act 1962	Regular Assessment	107.90	2015-2016	CESTAT, Mumbai
Customs Act 1962	Regular Assessment	916.00	2016-2017	CESTAT, Bombay High Court
Sales Tax Act of various states	Regular Assessment	984.90	2010-2011	Joint Commissioner of Sales Tax Appeals
Sales Tax Act of various states	Regular Assessment	459.75	2012-2013	Appellate Authority
Sales Tax Act of various states	Regular Assessment	580.00	2013-2014	Appellate Authority

- viii. Based on our audit procedures and according to the information and explanations given to us, we have noted default in repayment of term loan instalments and payment of interest to banks during the year. The unpaid overdue loan instalments and interest as at 31st March 2018 are as given below:

Name of the Lender	Amount of default including interest payable as at the Balance Sheet Date In INR Million	Period of Default
Punjab National Bank	3,257.33	April 2017 to March 2018
Central Bank of India	1,425.81	June 2017 to March 2018
IndusInd Bank	217.11	May 2017 to March 2018

The banks have issued notices recalling the dues. As such, the company has classified these dues from Non-current Liability to current liability during the year – refer note no 8(a)

The Company has no dues to Government during the year and has no dues to financial institutions and does not have any debentures.

- ix. During the year the Company has not raised moneys by way of initial public offer or further public offer. According to the information and explanations provided to us, the company has not taken any term loan during the year and hence the provision of clause 3(ix) of the Order relating to application of term loan funds is not applicable to the company.
- x. During the course of our examination of the books of account, we have neither come across any instance of fraud by the company or any fraud on the company by its officers or employees, either noticed or reported during the year, nor we have been informed of any such case by the Management.

- xi. According to the information and explanations provided to us, we are of the opinion that the company has provided and paid the managerial remuneration in accordance with the provisions of section 197 of "the Act". However, with regard to re-appointment of two non-resident whole time directors, in terms of Part I of Schedule V of "the Act", the approval of Central Government is awaited.
- xii. The company is not a Nidhi Company and hence the provisions of clause 3(xii) of the Order, relating to compliance with maintenance of net owned funds and deposits, are not applicable to the company.
- xiii. According to the information and explanations provided to us, the transactions entered into by the company, during the year, with the related parties are in compliance with section 177 and 188 of "the Act". The details of the related party transactions as required by the applicable Indian Accounting Standards have been disclosed by the company in the financial statements.
- xiv. During the year under audit, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence the provisions of clause 3(xiv) of the Order, relating to compliance with section 42 of "the Act", are not applicable to the company.
- xv. According to the information and explanations provided to us, during the year the company has not entered into any non-cash transactions with the directors or persons concerned with him. Hence the provision of clause 3(xv) of the Order, relating to compliance with provisions of section 192 of "the Act", is not applicable to the company.
- xvi. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

Annexure B to the Independent Auditors' Report

Report on the Internal Financial Controls over Financial Reporting under clause (i) of the Sub-section 3 of the Section 143 of the Companies Act, 2013 ('The Act')

We have audited the internal financial controls over financial reporting of ABAN OFFSHORE LIMITED ('the company') as of 31st March 2018 in conjunction with our audit of Ind AS Standalone Financial Statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our Audit. We conducted our audit in accordance with the Guidance note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an Audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. These standards and guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our Audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's Judgment, including the assessment of the risk of material misstatement of the Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion and the company's internal financial control system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes these policies and procedures that (1) pertain to the maintenance of records that, in reasonable detailed, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted principles, and that receipts and expenditures are being made only in accordance with authorization of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Ind AS Financial Statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, Projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2018, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute Of Chartered Accountants of India.

1. Corporate Information

Aban Offshore Limited (AOL) (the Company) is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed on two stock exchanges in India. The company is engaged in the business of providing offshore drilling and production services to companies engaged in exploration, development and production of oil and gas both in domestic and international markets. The company is also engaged in the ownership and operation of wind turbines for generation of wind power in India.

2. Basis of preparation

The financial statements have been prepared in accordance with IFRS converged Indian Accounting Standards (Ind AS) as issued by the Ministry of Corporate Affairs (MCA).

All the assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of business operations, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.1 Summary of significant accounting policies**1. Use of estimates**

Preparation of these financial statements in accordance with Ind AS requires management to make judgements on the basis of certain estimates and assumptions. In addition, the applications of accounting policies require management judgment. Estimates are based on the managements view on past events and future development and strategies. Management reviews the estimates and assumptions on a continuous basis, by reference to past experiences and other factors that can reasonably be used to assess the book values of assets and liabilities.

The accounting policies which have the most significant effect on the figures disclosed in the financial statements are mentioned below and these should be read in conjunction with the disclosure of the significant Ind AS accounting policies provided below:

i. Impairment testing

Company's management reviews regularly, and at each reporting date, whether there is any indication of impairment in respect of Goodwill. Goodwill is tested annually for impairment, even if there is no indication of impairment.

ii. Useful life of Property, Plant and Equipment

The assessment of the useful life of each asset by considering the historical experience and expectations regarding future operations and expected usage, estimated technical obsolescence, residual value, physical wear and tear and the operating environment in which the asset is located needs significant judgement by the management.

iii. Fair Value

Certain financial instruments, such as investments in equity securities, derivative financial instruments and certain elements of borrowings, are carried in the financial statements at fair value, with changes in fair value reflected in the income statements. Fair values are estimated by reference to published price quotations or by using other valuation techniques that may include inputs that are not based on observable market data, such as discounted cash flows analysis.

2. Presentation of true and fair view

These financial Statements have been prepared by applying Ind AS principles and necessary disclosures have been made which present a true and fair view of the financial position, financial performance and cash flows of the Company.

3. Going concern

These financial statements have been prepared on a going concern basis and it is assumed that the company will continue in operation in the foreseeable future and neither there is an intention nor need to materially curtail the scale of operations.

4. Accrual basis

These financial statements, except for cash flow information, have been prepared using the accrual basis of accounting

5. Materiality

Each material class of similar items has been presented separately in these Financial Statements.

6. Basis of Measurement

These financial statements have been prepared on a historical cost convention and on an accrual basis, except for certain properties and financial instruments that have been measured at fair values or revalued amounts as required by the relevant IndAS.

7. Offsetting

In preparation of these Financial Statements, the Company has not offset assets and liabilities or income and expenses, unless required or permitted by Ind AS.

8. Investment in Associates

An associate is an entity in which the investor has significant influence, but which is neither a subsidiary nor a joint venture of the investor. Interests in Associates are accounted in these Consolidated Financial Statements using the equity method of accounting in accordance with Ind AS 28 (Investments in associates and joint venture).

9. Functional and Presentation Currency

Ind AS 21 (The effects of changes in foreign exchange rates) requires that functional currency and presentation currency be determined. Functional currency is the currency of the primary economic environment in which the entity operates. Presentation currency is the currency in which the financial statements are presented.

These financial statements are presented in Indian Rupee, which is the functional currency and presentation currency of the Company. All foreign currency transactions are expressed in the functional currency using the exchange rate at the transaction date.

Foreign currency balances representing cash or amounts to be received or paid in cash (monetary items) are retranslated at the end of the year using the exchange rate on that date. Exchange differences on such monetary items are recognized as income or expense for the year.

Non-monetary balances that are not remeasured at fair value and are denominated in a foreign currency are expressed in the functional currency using the exchange rate at the transaction date. Where a non-monetary item is remeasured at fair value in the financial statements, the exchange rate at the date when fair value was determined is used.

10. Property, plant and equipment

Property, plant and equipment (PPE) is recognized when the cost of an asset can be reliably measured and it is probable that the entity will obtain future economic benefits from the asset.

PPE is measured initially at cost. Cost includes the fair value of the consideration given to acquire the asset (net of discounts and rebates) and any directly attributable cost of bringing the asset to working condition for its intended use (inclusive of import duties and non-refundable purchase taxes).

In the first year of transition to Ind AS, the various items of PPE have been valued as per their 'deemed cost' in accordance with Ind AS 101 (First time adoption of Indian accounting standards).

The company has chosen the deemed cost exception provided in Ind AS 101. Accordingly, it has partly revalued its property, plant and equipment, and partly recalculated carrying values by applying Ind AS guidance from the date of acquisition of such assets.

The cost of a major inspection or overhaul of an item occurring at regular intervals over the useful life of the item is capitalised to the extent that it meets the recognition criteria of an asset. The carrying amounts of the parts replaced are derecognized.

11. Depreciation on Property, plant and equipment(PPE)

The depreciable amount of PPE (being the gross carrying value less the estimated residual value) is depreciated on a systematic basis over its remaining useful life. Subsequent expenditure relating to an item of PPE is capitalized if it meets the recognition criteria.

PPE may comprise parts with different useful lives. Depreciation is calculated based on each individual part's life subject to the life of the main asset. In case of replacement of one part, the new part is capitalized to the extent that it meets the recognition criteria of an asset, and the carrying amount of the parts replaced is derecognized.

Depreciation is provided on a pro-rata basis on the straight-line method over the estimated useful life of the assets as under-

Fixed Assets	Useful Life
Buildings	60 years
Drilling Rigs	30 or 39 years
Drillship	25 years
Computers	3 years
Windmills	22 years
Furniture and fixtures	10 years
Motor Vehicles	8 years

As on transition, based on the technical evaluation, the estimated useful lives of some of the rigs have been revised from 30 years to 39 years.

12. Borrowings costs

Borrowing costs are interest and other costs that an entity incurs in connection with the borrowing of funds. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use or sale.

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset form part of the cost of that asset. Other borrowing costs are recognized as an expense.

Borrowing costs include interest expense, if any, calculated using the effective interest method, finance charges, if any, in respect of finance leases and exchange differences, if any, arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs.

13. Impairment of Property, plant and equipment

An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value. An impairment loss is recognized immediately in profit or loss, unless the asset is carried at revalued amount. Any impairment loss of a revalued asset shall be treated as a revaluation decrease.

After the recognition of an impairment loss, the depreciation (amortisation) charge for the asset is adjusted in future periods to allocate the asset's revised carrying amount, less its residual value (if any), on a systematic basis over its remaining useful life.

An impairment loss recognized in prior periods for an asset other than goodwill is reversed if, and only if, there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognized.

14. Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as non-current investments.

Quoted Investments are recognized and measured at fair value.

15. Inventories

The Company determines the cost for items that are not interchangeable or that have been segregated for specific contracts on an individual-item basis as per Ind AS 2, 'Inventories'. The cost of other inventory items used is assigned by using either the first-in, first-out (FIFO) or weighted average cost formula.

The Company uses the same cost formula for all inventories of similar nature and use. The cost formula used is applied on a consistent basis from period to period.

Inventories are initially recognized at the lower of cost and net realisable value (NRV). Cost of inventories includes import duties, non-refundable taxes, transport and handling costs and any other directly attributable costs, less trade discounts, rebates and similar items. Costs such as abnormal amount of wasted materials, storage costs, administrative costs and selling costs are excluded from the cost of inventories. NRV is the estimated selling price in the ordinary course of business, less the estimated costs of completion and estimated selling expenses.

16. Revenue recognition

Revenue is recognized when a customer obtains control of a good or service. A customer obtains control when it has the ability to direct the use of and obtain the benefits from the good or service.

For this, the company first determines whether control is transferred over time. If the answer to this question is negative, only then revenue is recognized at a point in time, or else it is recognized over time.

The company recognizes revenue to depict the transfer of goods or services to customers at an amount expected to be received in exchange for those goods or services.

Income from drilling services is recognized as earned, based on contractual daily rates billed on monthly basis. Mobilization /demobilization fees received, if any, is recognized as earned in the year of mobilization/demobilization.

Income from wind power generation is recognized based on the number of units of power generated every month at contracted rates.

Interest income is recognized on time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the Statement of Profit and Loss.

Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

17. Retirement and other employee benefits

Employee benefits are all forms of consideration given or promised by the company in exchange for services rendered by its employees. These benefits include salary-related benefits (such as wages, profit-sharing, bonuses and compensated absences, such as paid holiday and long-service leave), termination benefits (such as severance and redundancy pay) and post employment benefits (such as retirement benefit plans).

Defined contribution plans

The cost of defined contribution plans is the contribution payable by the employer for that accounting period.

Defined benefit plans

Accounting for defined benefit plans is based on actuarial assumptions and different valuation methods to measure the balance sheet obligation and the expense.

Contribution to Provident Fund which is a defined contribution retirement plan is made monthly at a predetermined rate to the Provident Fund Authorities and is debited to the Statement of Profit and Loss on accrual basis.

Contribution to Superannuation Scheme which is defined contribution retirement plan is made annually at predetermined rate to insurance companies which administer the fund and debited to the Statement of Profit and Loss

Where defined benefit plans are funded, the plan assets are measured at fair value. At each balance sheet date, the plan assets and the defined benefit obligations are remeasured. The income statement reflects the change in the surplus or deficit, except for contributions made to the plan and benefits paid by the plan, along with business combinations and remeasurement gains and losses.

Remeasurement gains and losses comprise actuarial gains and losses, return on plan assets (comprise amounts included in net interest on the net defined benefit liability or asset) and any change in the effect of the asset ceiling (excluding amounts included in net interest on the net defined benefit liability or asset). Remeasurements are recognized in other comprehensive income.

The amount of pension expense (income) to be recognized in profit or loss is comprised of the following individual components, unless they are required or permitted to be included in the costs of an asset:

- Service costs (present value of the benefits earned by active employees)
- Net interest costs (unwinding of the discount on the defined benefit obligations and a theoretical return on plan assets)

The company makes annual contribution to Gratuity Funds administered by Insurance Companies, which is considered as defined benefit plan. The present value of the defined benefit is measured using the 'Projected Unit Credit method' with actuarial valuation being carried out at each Balance Sheet date by an independent valuer. Actuarial gain and losses are immediately recognized in the Statement of Profit and Loss. Amount of contribution, computed by the insurers is paid by the company and charged to Statement of Profit and Loss. No additional liability is anticipated under the scheme administered by the Insurance Companies.

Notes to IND AS Financial Statements for the year ended 31st March 2018

The Company makes provision for leave encashment based on actuarial valuation carried out by an independent actuary at the Balance Sheet date.

18. Taxes on income

Current tax expense is based on the taxable and deductible amounts to be used for the computation of the taxable income for the current year. A liability is recognized in the balance sheet in respect of current tax expense for the current and prior periods to the extent unpaid. An asset is recognized if current tax has been overpaid.

Current tax assets and liabilities for the current and prior periods are measured at the amount expected to be paid to (recovered from) the taxation authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is provided in full for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements, except when the temporary difference arises from the following:

- Initial recognition of goodwill (for deferred tax liabilities only)
- Initial recognition of an asset or liability in a transaction which is not a business combination and which affects neither accounting profit nor taxable profit
- Investments in subsidiaries, branches, associates and joint ventures, but only when certain criteria apply

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted by the balance sheet date.

A deferred tax asset is recognized for deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilised.

Current and deferred tax is recognized in profit or loss for the period, unless the tax arises from a business combination or a transaction or event that is recognized outside profit or loss, either in other comprehensive income or directly in equity in the same or different period.

19. Derivative financial instruments and hedge accounting**Initial recognition and subsequent measurement**

Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value.

Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss, except for the effective portion of cash flow hedges, which is recognized in other comprehensive income and later reclassified to profit or loss when the hedge item affects profit or loss.

For the purpose of hedge accounting, hedges are classified as:

Fair value hedges when hedging the exposure to changes in the fair value of a recognized asset or liability or an unrecognized firm commitment.

Cash flow hedges when hedging the exposure to variability in cash flows that is either attributable to a particular risk associated with a recognized asset or liability or a highly probable forecast transaction or the foreign currency risk in an unrecognized firm commitment.

The company does not have any derivatives instruments during the period April 1, 2017 to March 31, 2018.

20. Segment reporting**Identification of segments**

The Company's operating businesses are organized and managed separately according to the nature of services provided with each segment representing strategic business unit that offers different services. The Company is engaged primarily in the business of offshore drilling services. The wind energy division of the Company does not meet the quantitative threshold as per IND AS 108. Accordingly there is no requirement of segment reporting as per the said Accounting Standard.

21. Earnings per share

Basic EPS is calculated by dividing the profit or loss for the period attributable to the equity holders of the parent company by the weighted average number of ordinary shares outstanding (including adjustments for bonus and rights issues).

Diluted EPS is calculated by adjusting the profit or loss and the weighted average number of ordinary shares by taking into account the conversion of any dilutive potential ordinary shares.

Basic and diluted EPS are presented in the statement of profit and loss for each class of ordinary shares in accordance with IndAS 33 (Earning per share).

22. Provisions, contingent liabilities and contingent assets

The Company recognizes a provision when:

- There is a present obligation to transfer economic benefits as a result of past events;
- it is probable (more likely than not) that such a transfer will be required to settle the obligation;
- and a reliable estimate of the amount of the obligation can be made.

The amount recognized as a provision is the best estimate of the expenditure required to settle the obligation at the balance sheet date, measured at the expected cash flows discounted for the time value of money. Provisions are not recognized for future operating losses.

An obligation and any anticipated recovery are presented separately as a liability and an asset respectively; however, an asset is recognized only if it is virtually certain that settlement of the obligation will result in a reimbursement, and the amount recognized for the reimbursement does not exceed the amount of the provision. The amount of any expected reimbursement is disclosed. Net presentation is done only in the income statement.

Management performs an exercise at each balance sheet date to identify the best estimate of the expenditure required to settle the present obligation at the balance sheet date, discounted at an appropriate rate. The increase in provision due to the passage of time (that is a consequence of the discount rate) is recognized as borrowing cost.

Contingent liabilities are possible obligations whose existence will be confirmed only on the occurrence or non-occurrence of uncertain future events outside the entity's control, or present obligations that are not recognized because of the following:

- (a) It is not probable that an outflow of economic benefits will be required to settle the obligation; or
- (b) the amount cannot be measured reliably.

As per Ind AS 37 (Provisions, contingent liabilities and contingent assets), Contingent liabilities, if any, are not recognized but are disclosed and described in the notes to the financial statements, including an estimate of their potential financial effect and uncertainties relating to the amount or timing of any outflow, unless the possibility of settlement is remote.

Contingent assets are possible assets whose existence will be confirmed only on the occurrence or non-occurrence of uncertain future events outside the entity's control. As per Ind AS 37, Contingent assets, if any, are not recognized but are disclosed and described in the notes to the financial statements, including an estimate of their potential financial effect if the inflow of economic benefits is probable.

23. Cash and cash equivalents

Cash and cash equivalents for the purpose of the cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

24. Share based payments

All types of share-based payments and transactions are measured at fair value and recognized over the vesting period in accordance with Ind AS 102. However this is not applicable for equity instruments that vested before date of transition to Ind AS.

25. Events after the reporting period

Dividends proposed or declared for the reporting period but before the financial statements are approved for issue, are not recognized as a liability at the end of the reporting period because no obligation exists at that time. This provision for dividends will be recognized only in the period when the dividend is declared and approved.

26. Related Party Disclosures

All disclosures as specified under Ind AS 24 (Related party disclosures) are made in these Financial Statements in respect of the company's transactions with related parties.

27. Leases

A lease gives one party (the lessee) the right to use an asset over an agreed period of time in return for payment to the lessor.

Lease contracts entered into by the company are classified as operating leases. Under an operating lease, the lessor does not transfer substantially all of the risks and rewards of ownership.

Under an operating lease, the lessee does not recognize an asset and lease obligation. The rentals paid are normally charged to the income statement of the lessee and credited to that of the lessor on a straight-line basis.

28. Financial Instruments

Financial assets and financial liabilities are recognized on the Company Balance Sheet when the Company becomes a party to the contractual provisions of the instrument.

Financial Assets - Trade receivables

Trade receivables are non-interest-bearing and are recognized initially at fair value, and subsequently at amortized cost using the effective interest rate method, less provision for impairment, if any.

Financial Assets - Investments

Investments consist of investments in equity shares (quoted) and are recognized at fair value through other comprehensive income. Gains and losses arising from changes in fair value are recognized directly in other comprehensive income, until the security is disposed of or is determined to be impaired, at which time the cumulative gain or loss previously recognized in other comprehensive income is included in the income Statement for the period. Dividends, if any, on equity instrument are recognized in the Company Income Statement when the company's right to receive payment is established.

Loans and advances to customers

Loans and advances are initially recognized at fair value plus directly related transaction costs. Subsequent to initial recognition, these assets are carried at amortized cost using the effective interest method less any impairment losses. Income from these financial assets is calculated on an effective yield basis and is recognized in the Income Statement.

Impairment of loans and advances to customers

At each balance sheet date, the Company reviews the carrying amounts of its loans and advances to determine whether there is any indication that those assets have suffered an impairment loss.

If there is objective evidence that an impairment loss on a financial asset or group of financial assets classified as loans and advances has been incurred, the Company measures the amount of the loss as the difference between the carrying amount of the asset or group of assets and the present value of estimated future cash flows from the asset or Company of assets discounted at the effective interest rate of the instrument at initial recognition.

Impairment losses, if any, are recognized in the Income Statement and the carrying amount of the financial asset or Company of financial assets is reduced by establishing an allowance for impairment losses.

If in a subsequent period the amount of the impairment loss reduces and the reduction can be ascribed to an event after the impairment was recognized, the previously recognized loss is reversed by adjusting the allowance. Once an impairment loss has been recognized on a financial asset or Company of financial assets, interest income is recognized on the carrying amount using the rate of interest at which estimated future cash flows were discounted in measuring impairment.

Loan impairment provisions are established taking into account the level of arrears, security, past loss experience, credit scores and defaults based on portfolio trends. The most significant factors in establishing these provisions are the expected loss rates.

Interest-bearing borrowings

Interest-bearing bank loans and overdrafts are initially recorded at fair value, net of attributable transaction costs. Subsequent to initial recognition, interest bearing borrowings are stated at amortized cost with any difference between proceeds and redemption value being recognized in the Income Statement over the period of the borrowings on an effective interest rate basis.

Trade payables

Trade payables are non-interest-bearing and are recognized initially at fair value and subsequently measured at amortized cost using the effective interest rate method.

Derivative financial instruments and hedge accounting

The Company has not entered into any derivative or hedging transactions.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet only when there is a current legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

2.2 Recent accounting pronouncements

In March 2018, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) Amendment, Rules, 2018, notifying Indian Accounting Standards (Ind AS) 115 "Revenue from Contracts with Customers", notifying amendments to Ind AS 12 "Income Taxes" and Ind AS 21 "The Effect of Changes in Foreign Exchange Rates". Ind AS 115 and amendments to the Ind AS 21 are applicable to the Company w.e.f. 1st April 2018. The impact of the above amendments on the financial statements has not been evaluated.

21. Fair value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. The group categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement. Level 1 inputs are quoted prices in active markets for identical assets or liabilities. Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1 for the asset or liability. Level 3 inputs are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or company's assumptions about pricing by market participants.

22. Financial risk factors

The Company's activities expose it to market risk (including currency risk, interest rate risk and price risk), credit risk and liquidity risk. The Company's overall risk management strategy seeks to minimize adverse effect from the unpredictability of financial markets on the Company's financial performance.

The Board of Directors is responsible for setting the objectives and underlying principles of financial risk management for the Company. They review and agree on the policies for managing each of these risks and are summarized as follows:

Foreign exchange risk

The Company is exposed to foreign exchange risk principally via:

- transactional exposure that arises from the sales / receivables denominated in a currency other than the functional currency of the company

Rs. millions		
Currency	2017-2018	2016-2017
USD	12,281.80	11,382.69
EURO	490.90	506.01

- Transactional exposure that arises from the cost of goods sold / payables denominated in a currency other than the functional currency of the Company.

Rs. millions		
Currency	2017-2018	2016-2017
USD	63.93	97.40
SGD	3.71	2.07
AED	3.97	15.94

- Foreign currency exposure that arises from foreign currency term loans / Working Capital loans (including interest payable) denominated in a currency other than the functional currency of the Company.

Rs. millions		
Currency	2017-2018	2016-2017
USD	3,313.35	4,440.08

- Cash and cash equivalents held in foreign currency.

Rs. millions		
Currency	2017-2018	2016-2017
USD	79.73	229.08
EURO	1.06	0.49
AED	4.63	19.23

All these unhedged exposures are naturally hedged by future foreign currency earnings.

The impact on the Company financial statements from foreign currency volatility is shown in the sensitivity analysis.

Sensitivity analysis

The sensitivity analysis reflects the impact on income and equity due to financial instruments held at the balance sheet date. It does not reflect any change in sales or costs that may result from changing interest or exchange rates.

The following table shows the illustrative effect on the Income Statement and equity that would result, at the balance sheet date, from changes in currency exchange rates that are reasonably possible for major currencies where there have recently been significant movements:

	2017- 2018		2016-2017	
	Income Gain / (Loss) Rs.Million	Equity Gain / (Loss) Rs. Million	Income Gain / (Loss) Rs.Million	Equity Gain / (Loss) Rs. Million
5% appreciation of USD(2017: 5 %)	445.23	-	342.26	-
10% appreciation of Euro(2017: 10%)	49.09	-	50.60	-
5% appreciation of SGD(2017: 5%)	(0.19)	-	(0.10)	-
5% appreciation of AED(2017: 5%)	(0.20)	-	(0.80)	-

Notes to IND AS Financial Statements for the year ended 31st March 2018

The following table shows the illustrative effect on the Income Statement and equity that would result, at the balance sheet date, from changes in interest rates that are reasonably possible for term loans with floating interest where there have recently been significant movements:

	2017- 2018	2016- 2017
	Income Gain / (Loss) Rs.Million	Income Gain / (Loss) Rs. Million
Inrease in 6m LIBOR by 50 basis point	(14.90)	(21.78)
Inrease in rupee lending rate by 100 basis point	(14.75)	(4.69)

A decrease in interest rates and a depreciation of foreign currencies would have the opposite effect to the impact in the table above.

Credit risk

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the Company. The major classes of financial assets of the Company are bank deposits, trade receivables, amount due from associated company and amounts due from subsidiary corporations. For bank deposits, the Company maintains its cash deposits if any primarily with lenders of the Company or financial institutions with high credit quality to minimise their exposure to the banks.

Due to the nature of the Company's operations, revenue and receivable are typically concentrated amongst a relatively small customer base of oil and gas companies. Customers are government linked based oil and gas corporations. The Company has policies in place to ensure that drilling contracts are with customers of adequate financial standing and appropriate credit history, and where necessary, certain guarantees in form of bank. The maximum exposure to credit risk for each class of financial assets is the carrying amount of that class of financial assets on the balance sheet.

(i) Financial assets that are neither past due nor impaired

Bank deposits that are neither past due nor impaired are mainly deposits with banks with high credit-ratings assigned by international credit-rating agencies. Trade receivables that are neither past due nor impaired are substantially receivables from companies with a good collection track record with the Group. Amounts due from subsidiary corporations are neither past due nor impaired.

(ii) Financial assets that are past due and/or impaired

There is no other class of financial assets that is past due and/or impaired except for trade receivables. The age analysis of trade receivables that are past due but not impaired is as follows:

Particulars	Rs. millions	
	2017-2018	2016-2017
Past due upto 6 months	919.45	517.55
Past due over 6 months	4,093.03	4,041.41

Allowance for impairment of trade receivables arise from customers that are either in financial difficulties and/or have history at default or significant delay in payments which management is of the opinion that payments are not forthcoming as at the end of financial year. In the event that payment is doubtful, the receivables will be recommended for write off.

(c) Liquidity risk

The drilling operations of the Company require substantial investment and are dependent on its ability to finance its rig construction and acquisitions and service its bank borrowings as well as other capital and operating requirements and commitments. The Company ensures that arrangements have been made to obtain adequate funds to meet all its operating and capital obligations in the form of continuing committed credit facilities with financial institutions as well as continuing financial support from the immediate and ultimate holding corporation to enable the Group to meet its debts and liabilities as and when they fall due for at least 12 months from the balance sheet date.

The table below analyses the maturity profile of the Company's and the Company's financial liabilities based on contractual undiscounted cash flows at the balance sheet date.

As At 31-03-2018						Rs. millions
Non-derivative financial liabilities	Due within 1 year	Due between 1 and 2 years	Due between 2 and 3 years	Due between 3 and 4 years	Due between 4 and 5 years	Due beyond 5 years
Bank and other borrowing	4,454.37	-	-	-	-	-
Redeemable preference shares	2,810.00	-	-	-	-	-

As At 31-03-2017						Rs. millions
Non-derivative financial liabilities	Due within 1 year	Due between 1 and 2 years	Due between 2 and 3 years	Due between 3 and 4 years	Due between 4 and 5 years	Due beyond 5 years
Bank and other borrowing	1,497.20	1,133.67	1,082.36	998.36	112.07	-
Redeemable preference shares	2,810.00	-	-	-	-	-

The above analysis table does not include loans to be settled on demand.

Capital management

(a) The Company's objectives when managing capital are to ensure the Company's ability to continue as a going concern and to maintain an optimal capital structure by issuing or redeeming additional equity, borrowings and other instruments when necessary.

As the Company is mainly funded through external borrowings, the objectives of the Board of Directors when managing capital is to ensure that the Group and the Company continue to enjoy the use of funds from borrowings by ensuring that the Company continue to service its debt obligations in the form of interests and principal repayments on due dates in accordance with the borrowing agreements, and to ensure that they remain in compliance with the financial and non-financial covenants in relation to their borrowings.

The Company considers capital to comprise of its equity and borrowings, as follows:

	Rs. millions	
Particulars	2017-2018	2016-2017
Total Equity	40,984.81	40,879.84
Borrowings	8,840.63	9,415.35

(b) Fair value measurements

The carrying amounts less impairment provision of trade receivables and payables are assumed to approximate their fair values. The carrying amounts of current borrowings approximate their fair values.

23. Deferred tax liabilities

The balance comprises of temporary differences attributable to:

	Rs. millions	
Particulars	31st March 2018	31st March 2017
Timing difference on account of depreciation	4,021.30	4,219.44

24. Earnings per share(EPS)

The following reflects the profit and share data used in the basic and diluted EPS computations

	Year ended 31st March 2018 Rs. millions	Year ended 31st March 2017 Rs. millions
Profit for the year	85.70	2,111.44
Weighted average number of equity shares in calculating basic	No. millions	No. millions
EPS	58.36	58.36
Effect of dilution:		
Stock options/Share Warrants Outstanding less number of shares that would have been issued at par value.	-	-
Weighted average number of equity shares in calculating diluted		
EPS	58.36	58.36
Earning per share (basic in Rs)	1.47	36.18
Earning per share (diluted in Rs)	1.47	36.18

*Since diluted earnings per share shows higher value as compared to basic earnings when taking the options/warrants into account, the options/warrants are anti-dilutive as at the year ended 31.03.2018 and are ignored in the calculation of diluted earnings per share as required under the Accounting Standard.

25. Gratuity and other defined benefit plans

The company operates a gratuity benefit plan which is funded with an insurance company in the form of a qualifying insurance policy. The company operates a leave encashment plan which is not funded

The following table summarizes the components of net benefit expense recognized in the statement of profit and loss, the funded status and the amounts recognized in the balance sheet for such plans.

(i) Leave Obligations

	31st March 2018		31st March 2017	
	Current Rs. millions	Non-Current Rs. millions	Current Rs. millions	Non-Current Rs. millions
Provision Leave Encashment	1.31	5.88	0.46	6.47

(ii) Post-employment obligations-Gratuity

The amounts recognized in the balance sheet and the movement in the defined benefit obligation over the year are as follows:

	Ind AS 19	Projected Unit Credit Method	Projected Unit Credit Method
	Period Covered	01-04-2016 TO 31-03-2017	01-04-2017 TO 31-03-2018

6.	Total defined benefit cost recognized in P&L and OCI	8,754,858	(7,676,164)

26. Employee stock option scheme

The Company has instituted Employee Stock Option Scheme-2005 (ESOS) duly approved by the shareholders in the extra-ordinary general meeting of the company held on 23rd April 2005. As per the scheme, the compensation committee of the board evaluates the performance and other criteria of employees and approves the grant of option. These options vest with employees over a specified period subject to fulfillment of certain conditions. Upon vesting, employees are eligible to apply and secure allotment of company's equity share at the prevailing market price on the date of the grant of option.

The Securities Exchange Board of India (SEBI) issued the Employee Stock Option Scheme and Employees Stock Purchase Scheme guidelines in 1999, applicable to stock option schemes on or after 19th June 1999. Under these guidelines, the excess of the market price of the underlying equity shares as of the date of the grant over the exercise price of the option is to be recognized and amortized on a straight line basis over the vesting period.

The Company has not recognized any deferred compensation expenses, as the exercise price was equal to the market value (as defined by SEBI) of the underlying equity shares on the grant date.

The details of option granted are given below:

Maximum number of options that may be granted under the scheme is 1.84 million equity shares of Rs.2 each. Options granted during the year- Nil (up to 31st March 2017: 1.84 Million equity shares of Rs.2 each)-Options lapsed during the year 0.461 million (up to 31st March 2017: 0.286 million equity shares of Rs.2 each)-Options exercised during the year- Nil (up to 31st March 2017: 0.160 million equity shares of Rs.2 each)-Options outstanding at the end of year :0.935 million equity shares of Rs.2 each (up to 31st March 2017: 1.396 million equity shares of Rs.2 each)-Options yet to be granted under the scheme: 0.749 million (31st March 2017: 0.288 million equity shares of Rs.2 each).

27. Interest in joint venture/associate

(a) The company's interest, in joint venture entity/associate is as follows:

Name of the company	Country of incorporation	Nature of Interest	Proportion of ownership interest 31st March 2018	Proportion of ownership interest 31st March 2017
Frontier Offshore Exploration (India) Limited	India	Joint Venture	25%	25%
Aban Drilling Service Private Limited	India	Associate	49%	49%

The company has ceased to have joint control over Frontier Offshore Exploration (India) Limited and has also provided for diminution in the value of long term investment considering the state of affairs of the joint venture company.

Notes to IND AS Financial Statements for the year ended 31st March 2018

(b) The company's share of the assets, liabilities, Revenue and Profit in the associate company –Aban Drilling Services Private Limited, based on the audited financial statements are as follows:

	Year ended 31st March 2018 Rs. millions	Year ended 31st March 2017 Rs. millions
Assets-As at	0.05	0.06
Liabilities- As at	(0.005)	(0.01)
Revenue for the year ended	-	-
Net Profit for the year ended	-	-

28. Segment information

The Company is engaged primarily in the business of offshore drilling services. The wind energy division of the Company does not meet the quantitative threshold as per Ind AS 108. Accordingly there is no requirement of segment reporting as per the said Accounting Standard.

29. Related Party Disclosures

INDEPENDENT AUDITORS' REPORT

To the Members of

ABAN OFFSHORE LIMITED

Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying consolidated Ind AS Financial Statements of **ABAN OFFSHORE LIMITED** (hereinafter referred to as "The Holding company"), its subsidiaries and an associate (the Holding company, its subsidiaries and an associate) together referred to as ("the Group"), comprising of the Consolidated Balance Sheet as at 31st March, 2018, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Cash Flow and the Consolidated Statement of changes in equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Consolidated Ind AS financial statements that give a true and fair view of the Consolidated financial position, Consolidated financial performance and Consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with relevant Rule 7 of the Companies (Accounts) Rules, 2014.

The respective Board of Directors of the companies included in the group, incorporated in India are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these Consolidated Ind AS Financial Statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Consolidated Ind AS Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the Ind AS Financial Statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the Consolidated Ind AS Financial Statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS Financial Statements.

Basis for Qualified Opinion

- (a) In case of wholly owned subsidiary of the company "Aban Holdings Pte Ltd" Singapore along with its subsidiaries and associates whose consolidated Financial Statements have been audited by other auditors "Nexia TS Public Accounting Corporation, Public accounts and Chartered Accountants, Singapore" have expressed qualified opinion on the consolidated financial statements for the year ended 31st March, 2018 which is reproduced as under:

“Basis for Qualified Opinion:

As disclosed in Note 2.1 to the financial statements, in preparing the financial statements, the Board of Directors have considered the operations of the Group and of the company as going concerns notwithstanding that the Group and the Company incurred a net loss of US\$ 405,532,000 and US\$ 7,137,000 (2017: US\$ 187,664,000 and US\$ 7,039,000) respectively for financial year ended 31 st March 2018 and as at that date, the Group and the Company are in Net Current Liabilities position of US\$ 2056,505,000 and US\$ 2113,235,000 (2017: US\$ 154,047,000 and US\$ 294,325,000) respectively. The Group is also in net liabilities position of US\$ 227,230,000 (2017: net assets position US\$ 178,302,000) as at 31 March 2018.

In addition as disclosed in Note 20 to the financial statements, the Group and the Company have defaulted on payment of their borrowings which have fallen due and have breached the covenants of their borrowings which gave the lenders the right to demand the related borrowings be due and payable immediately. A certain number of lenders have issued recall notices to the Group and the Company. Although the management has reclassified these borrowings of the Group and the Company, with original repayment terms beyond 12 months from the balance sheet date as current liabilities, the Group and the company have not concluded on any re-negotiation, obtain replacement financing or raise funds through any fund raising exercises as discussion are still on-going with the lenders as of the date of this report.

The above conditions indicate the existence of material uncertainties which may cast significant doubt on the Group's and Company's abilities to continue as going concern and the evaluation and the assessment on the appropriateness of the Group's and Company's going concern assumption were not adequately made in accompanying financial statements. In the event that the going concern assumption of the group and of the company is inappropriate, adjustments will have to be made to reclassify all non-current assets and non-current liabilities as current assets and current liabilities respectively, to restate the carrying amounts to the assets at their recoverable amounts and to provide for further liabilities which may arise. No such adjustments have been made in accompanying financial statements for the financial year ended 31 March 2018.”

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion paragraph above, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the Consolidated state of affairs (financial position) of the Group, its associates and jointly controlled entities as at 31st March 2018, their Consolidated Loss (financial performance including other comprehensive income) their Consolidated cash flows and the Consolidated changes in equity for the year ended on that date.

Emphasis of matter

We refer to our opinion as “Emphasis of matter” in our Independent Auditor's Report on the financial statements of “Aban Offshore Limited” for the year ended 31st March 2018.

“We draw attention to Note No 8(a) to Standalone Ind AS financial statements:

The Company has defaulted in repayment of instalments and payment of interest on term loans from banks for an amount of INR 4900.25 million. The Banks have recalled the entire loan outstanding including interest. As such, the Company has re-classified these dues to banks from Non-current Liability to Current Liability during the year.

Our opinion is not modified in respect of above matter.”

Other Matters

- (a) The financial statements of Aban Energies Limited, Chennai, India, an Indian subsidiary of the Holding company are audited by other Auditors which reflects the total assets of INR 14.18 millions as at 31st March, 2018 and total revenue of INR 12.80 millions for the year then ended.

The financial statements of Aban Holdings Pte Limited, Singapore and its Subsidiaries, whose consolidated financial statements have been audited by other auditor. We are informed that Deep Drilling Mexico S DE R L DE CV, Mexico ('DD Mexico') a subsidiary of Aban Singapore Pte Ltd is not required to be audited. The unaudited financial statement of Deep Drilling Mexico S DE R L DE CV, Mexico reflects the total assets of INR 744.41 Million as at 31st March 2018 and total revenue of “Nil” for the year then ended. The Consolidated Financial Statement of Aban Holdings Pte Limited audited by other auditor reflect total assets of INR 144,850.06 Million as at 31st March 2018, total revenue of INR 8753.36 Million for the year ended on that date, as considered in the consolidated financial statements. The consolidated net loss of INR 26,136.84 Million for the year ended 31st March 2018 includes share of net loss of INR 0.45 Million in respect of two (2) associates. The audit report of the consolidated accounts of “Aban Holdings Pte Ltd”, the wholly owned foreign subsidiary and its subsidiaries includes unaudited financials of 'DD Mexico'.

The financial informations/financial statements have been furnished by the management and our opinion on the consolidated financial statements in respect of these subsidiaries as associates and our report in terms of sub Section (3) and (11) of section 143 of "the Act" in so far as it relates to the afore said Subsidiaries and associates is solely based on reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the report of the other auditor.

- (b) The comparative financial information of the Company for the corresponding year ended 31st March 2017, included in these consolidated financial results for the year ended 31st March 2018 were audited by predecessor auditors who expressed an unmodified opinion on those financial information/statements on 29th May 2017.

Report on Other Legal and Regulatory Requirements

As required by section 143(3) of the Act, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of accounts maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid Consolidated Ind AS Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rules issued there under.
- e) On the basis of written representations received from the directors of the Holding Company as on 31st March, 2018, and taken on record by the Board of Directors of the Holding Company and our report on the financial statements of its subsidiary company in India, none of the directors of the Holding Company and its subsidiary incorporated in India is disqualified as on 31st March, 2018, from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in 'Annexure A'; and
- g) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Group has disclosed the impact of pending litigations on its financial position in its financial statements.
 - ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary company incorporated in India.

ANNEXURE A”

ANNEXURE TO INDEPENDENT AUDITORS’ REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF ABAN OFFSHORE LTD

Report on the Internal Financial Controls under clause (i) of the Sub-section 3 of the Section 143 of the Companies Act, 2013 (‘The Act’)

In conjunction with our audit of the consolidated Ind AS financial statements of the Group as of and for the year ended 31st March 2018, We have audited the internal financial controls over financial reporting of Aban Offshore Limited (“the holding company”) and its Indian subsidiary company.

Management’s Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its Indian subsidiary company, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the respective Company’s internal financial controls over financial reporting based on our Audit. We conducted our audit in accordance with the Guidance note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an Audit of Internal Financial Controls. These standards and guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our Audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditors’ judgement, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial control system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes these policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its Indian subsidiary company have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2018, based on the internal control over financial reporting criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to the Indian subsidiary Company, is based on our audit reports of such company.

1. Corporate Information

Aban Offshore Limited (AOL) (the Parent Company) is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed on two stock exchanges in India. The Parent Company and its 19 subsidiaries and three associates are referred to as "Company" for the purpose of this Consolidated Financial Statements. The Parent Company has one Indian subsidiary company - Aban Energies Ltd (wholly owned subsidiary), and a wholly owned foreign subsidiary Aban Holdings Pte. Limited, Singapore. The Parent Company, the wholly owned foreign subsidiary and its step-down subsidiaries are engaged in the business of providing offshore drilling and production services to companies engaged in exploration, development and production of oil and gas both in domestic and international markets. The Parent Company and its Indian subsidiary are engaged in the ownership, operation and maintenance of wind turbines for generation of electricity through wind power in India.

2. Basis of preparation

The Consolidated financial statements have been prepared in accordance with IFRS converged Indian Accounting Standards (IndAS) as issued by the Ministry of Corporate Affairs (MCA).

All the assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of business operations, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

3. Principles of consolidation

The consolidated financial statements have been prepared in accordance with Ind AS 27 (Separate financial statements), Ind AS 110 (Consolidated financial statements) and Ind AS 112 (Disclosure of interest in other entities) based on the core principle that the consolidated entity presents the Parent company and its subsidiaries as if they are a single economic entity.

In preparing these consolidated financial statements, the financial statements of the Parent company and its subsidiaries are combined line by line by adding together like items of assets, liabilities, equity, income and expenses. In order that the consolidated financial statements present financial information about the Company as that of a single economic entity, the following steps are then taken:

(a) The carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary are eliminated. The excess/deficit of cost to the Parent Company of its investment over its portion of net worth in consolidated Subsidiaries at the respective dates on which the investment in such entities was made is recognized in the financial statements as goodwill/capital reserve.

(b) Non-controlling interests in the profit or loss of consolidated subsidiaries for the reporting period, if any, are identified; and

(c) Non-controlling interests in the net assets of consolidated subsidiaries, if any, are identified separately from the parent's ownership interests in them.

Intra Company balances and transactions, including income, expenses and dividends, are eliminated in full. Profits and losses resulting from intra Company transactions that are recognized in assets, such as inventory and fixed assets, are eliminated in full.

These Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances.

Functional Currency of Foreign Subsidiaries is US Dollars. The assets and liabilities of overseas subsidiaries denominated in foreign currencies are translated in INR at exchange rates prevailing at the date of the Balance Sheet; profits and losses are translated at average exchange rates for the relevant accounting periods. Exchange differences arising are recognized in the Other Comprehensive Income and are included in the translation reserve. Such translation differences shall be recognized as income or expenses in the period in which the operation is disposed of.

3.1 Summary of significant accounting policies

Use of estimates

Preparation of these consolidated financial statements in accordance with Ind AS requires management to make judgements on the basis of certain estimates and assumptions. In addition, the application of accounting policies requires management judgement. Estimates are based on the managements view on past events and future development and strategies. Management reviews the estimates and assumptions on a continuous basis, by reference to past experiences and other factors that can reasonably be used to assess the book values of assets and liabilities.

The accounting policies which have the most significant effect on the figures disclosed in the consolidated financial statements are mentioned below and these should be read in conjunction with the disclosure of the significant Ind AS accounting policies provided below:

i. Impairment testing

Company's management reviews regularly, and at each reporting date, whether there is any indication of impairment in respect of Goodwill. Goodwill is tested annually for impairment, even if there is no indication of impairment.

ii. Useful life of Property, Plant and Equipment

The assessment of the useful life of each asset by considering the historical experience and expectations regarding future operations and expected usage, estimated technical obsolescence, residual value, physical wear and tear and the operating environment in which the asset is located needs significant judgement by the management.

iii. Fair Value

Certain financial instruments, such as investments in equity securities, derivative financial instruments and certain elements of borrowings, are carried in the financial statements at fair value, with changes in fair value reflected in the income statements. Fair values are estimated by reference to published price quotations or by using other valuation techniques that may include inputs that are not based on observable market data, such as discounted cash flows analysis.

II Presentation of true and fair view

These Consolidated financial Statements have been prepared by applying Ind AS principles and necessary disclosures have been made which present a true and fair view of the financial position, financial performance and cash flows of the Company.

III Going concern

These Consolidated financial statements have been prepared on a going concern basis and it is assumed that the company will continue in operation in the foreseeable future and neither there is an intention nor need to materially curtail the scale of operations.

IV Accrual basis

These Consolidated financial statements, except for cash flow information, have been prepared using the accrual basis of accounting

V Materiality

Each material class of similar items has been presented separately in these Consolidated Financial Statements.

VI Basis of Measurement

These consolidated financial statements have been prepared on a historical cost convention and on an accrual basis, except for certain property, plant and equipment and financial instruments that have been measured at fair values or revalued amounts as required by the relevant Ind AS.

VII Offsetting

In preparation of these Consolidated Financial Statements, the Company has not offset assets and liabilities or income and expenses, unless required or permitted by Ind AS.

VIII Investment in Associates

An associate is an entity in which the investor has significant influence, but which is neither a subsidiary nor a joint venture of the investor. Interests in Associates are accounted in these Consolidated Financial Statements using the equity method of accounting in accordance with Ind AS 28.

IX Functional and Presentation Currency

Ind AS 21 (Effects of changes in foreign exchange rates) requires that functional currency and presentation currency be determined. Functional currency is the currency of the primary economic environment in which the entity operates. Presentation currency is the currency in which the financial statements are presented.

These consolidated financial statements are presented in Indian Rupee, which is the functional currency and presentation currency of the Parent Company. All foreign currency transactions are expressed in the functional currency using the exchange rate at the transaction date.

Foreign currency balances representing cash or amounts to be received or paid in cash (monetary items) are retranslated at the end of the year using the exchange rate on that date. Exchange differences on such monetary items are recognized as income or expense for the year.

Non-monetary balances that are not remeasured at fair value and are denominated in a foreign currency are expressed in the functional currency using the exchange rate at the transaction date. Where a non-monetary item is remeasured at fair value in the financial statements, the exchange rate at the date when fair value was determined is used.

The functional currency of the foreign subsidiaries is United States Dollars. However for the purpose of preparation of consolidated financial statements, the assets and liabilities of the foreign subsidiaries are translated and presented in Indian Rupees (which is the functional and presentation currency of the Parent company) at the closing rate at the end of the reporting period. The income statement is translated at exchange rates at the dates of the transactions or at the average rate if that approximates the actual rates. All resulting exchange differences are recognized in other comprehensive income.

X Property, plant and equipment

Property, plant and equipment (PPE) is recognized when the cost of an asset can be reliably measured and it is probable that the entity will obtain future economic benefits from the asset.

PPE is measured initially at cost. Cost includes the fair value of the consideration given to acquire the asset (net of discounts and rebates) and any directly attributable cost of bringing the asset to working condition for its intended use (inclusive of import duties and non-refundable purchase taxes).

The company has chosen the deemed cost exception provided in Ind AS 101. Accordingly, it has partly revalued in property, plant and equipment, and partly recalculated carrying values by applying Ind AS guidance from the date of acquisition of such assets.

The cost of a major inspection or overhaul of an item occurring at regular intervals over the useful life of the item is capitalised to the extent that it meets the recognition criteria of an asset. The carrying amounts of the parts replaced are derecognized.

XI Depreciation on Property, plant and equipment

The depreciable amount of PPE (being the gross carrying value less the estimated residual value) is depreciated on a systematic basis over its useful life. Subsequent expenditure relating to an item of PPE is capitalised if it meets the recognition criteria.

PPE may comprise parts with different useful lives. Depreciation is calculated based on each individual part's life subject to the life of the main asset. In case of replacement of one part, the new part is capitalised to the extent that it meets the recognition criteria of an asset, and the carrying amount of the parts replaced is derecognized.

Depreciation is provided on a pro-rata basis on the straight-line method over the estimated useful life of the assets as under-

Fixed Assets	Useful Life
Buildings	60 years
Drilling Rigs	30 or 40 years
Drillship	25 or 40 years
Office Equipment	5 years
Computers	3 years
Windmills	22 years
Furniture and fixtures	10 years
Motor Vehicles	3/8 years

XII Intangible assets

An intangible asset is an identifiable non-monetary asset without physical substance. Goodwill is recognized in these Consolidated Financial Statements as an intangible asset using the following principles:

An intangible asset has an indefinite useful life when, based on an analysis of all the relevant factors, there is no foreseeable limit to the period over which the asset is expected to generate net cash inflows for the entity.

Goodwill on acquisition of subsidiaries has been recognized in the consolidated financial statements as an intangible asset and it is measured on the date of acquisition applying the principles of Ind AS retrospectively.

Goodwill is presumed to have indefinite useful life. Hence goodwill will not be amortised but tested for impairment annually or whenever there is an indication of impairment.

XIII Borrowings costs

Borrowing costs are interest and other costs that an entity incurs in connection with the borrowing of funds. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use or sale.

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset form part of the cost of that asset. Other borrowing costs are recognized as an expense.

Borrowing costs include interest expense, if any, calculated using the effective interest method, finance charges, if any, in respect of finance leases and exchange differences, if any, arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs.

XIV Impairment of Property, plant and equipment

An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value. An impairment loss is recognized immediately in profit or loss, unless the asset is carried at revalued amount. Any impairment loss of a revalued asset shall be treated as a revaluation decrease.

After the recognition of an impairment loss, the depreciation (amortisation) charge for the asset is adjusted in future periods to allocate the asset's revised carrying amount, less its residual value (if any), on a systematic basis over its remaining useful life.

An impairment loss recognized in prior periods for an asset other than goodwill is reversed if, and only if, there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognized.

XV Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

Quoted Investments are recognized and measured at fair value.

XVI Inventories

The Company determines the cost for items that are not interchangeable or that have been segregated for specific contracts on an individual-item basis as per Ind AS 2, 'Inventories'. The cost of other inventory items used is assigned by using either the first-in, first-out (FIFO) or weighted average cost formula.

The Company uses the same cost formula for all inventories of similar nature and use. The cost formula used is applied on a consistent basis from period to period.

Inventories are initially recognized at the lower of cost and net realisable value (NRV). Cost of inventories includes import duties, non-refundable taxes, transport and handling costs and any other directly attributable costs, less trade discounts, rebates and similar items. Costs such as abnormal amount of wasted materials, storage costs, administrative costs and selling costs are excluded from the cost of inventories. NRV is the estimated selling price in the ordinary course of business, less the estimated costs of completion and estimated selling expenses.

XVII Revenue recognition

Revenue is recognized when a customer obtains control of a good or service. A customer obtains control when it has the ability to direct the use of and obtain the benefits from the good or service.

For this, the company first determines whether control is transferred over time. If the answer to this question is negative, only then revenue is recognized at a point in time, or else it is recognized over time.

The company recognizes revenue to depict the transfer of goods or services to customers at an amount expected to be received in exchange for those goods or services.

Income from drilling services is recognized as earned, based on contractual daily rates billed on monthly basis. Mobilization / demobilization fees received, if any, is recognized as earned in the year of mobilization/demobilization.

Income from wind power generation is recognized based on the number of units of power generated every month at contracted rates.

Interest income is recognized on time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the Statement of Profit and Loss.

Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

XVIII Retirement and other employee benefits

Employee benefits are all forms of consideration given or promised by the company in exchange for services rendered by its employees. These benefits include salary-related benefits (such as wages, profit-sharing, bonuses and compensated absences, such as paid holiday and long-service leave), termination benefits (such as severance and redundancy pay) and postemployment benefits (such as retirement benefit plans).

Defined contribution plans

The cost of defined contribution plans is the contribution payable by the employer for that accounting period.

Contribution to Provident Fund which is a defined contribution retirement plan is made monthly at a predetermined rate to the Provident Fund Authorities and is debited to the statement of profit and loss on accrual basis.

Contribution to Superannuation Scheme which is defined contribution retirement plan is made annually at predetermined rate to insurance companies which administer the fund and debited to the statement of Profit and Loss

Defined benefit plans

Accounting for defined benefit plans is based on actuarial assumptions and different valuation methods to measure the balance sheet obligation and the expense.

Where defined benefit plans are funded, the plan assets are measured at fair value. At each balance sheet date, the plan assets and the defined benefit obligations are remeasured. The income statement reflects the change in the surplus or deficit, except for contributions made to the plan and benefits paid by the plan, along with business combinations and remeasurement gains and losses.

Remeasurement gains and losses comprise actuarial gains and losses, return on plan assets (comprise amounts included in net interest on the net defined benefit liability or asset) and any change in the effect of the asset ceiling (excluding amounts included in net interest on the net defined benefit liability or asset). Remeasurements are recognized in other comprehensive income.

The amount of pension expense (income) to be recognized in profit or loss is comprised of the following individual components, unless they are required or permitted to be included in the costs of an asset:

- Service costs (present value of the benefits earned by active employees)
- Net interest costs (unwinding of the discount on the defined benefit obligations and a theoretical return on plan assets)

Annual contribution is made to Gratuity Funds administered by Insurance Companies, which is considered as defined benefit plan. The present value of the defined benefit is measured using the 'Projected Unit Credit method with actuarial valuation being carried out at each Balance Sheet date by an independent valuer. Actuarial gain and losses are immediately recognized in the statement of profit and loss. Amount of contribution, computed by the insurers is paid by the company and charged to statement of profit and loss. No additional liability is anticipated under the scheme administered by the Insurance Companies.

Provision for leave encashment is based on actuarial valuation carried out by an independent actuary at the Balance Sheet date.

XIX Taxes on income

Current tax expense is based on the taxable and deductible amounts to be used for the computation of the taxable income for the current year. A liability is recognized in the balance sheet in respect of current tax expense for the current and prior periods to the extent unpaid. An asset is recognized if current tax has been overpaid.

Current tax assets and liabilities for the current and prior periods are measured at the amount expected to be paid to (recovered from) the taxation authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is provided in full for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements, except when the temporary difference arises from the following:

- Initial recognition of goodwill (for deferred tax liabilities only)
- Initial recognition of an asset or liability in a transaction which is not a business combination and which affects neither accounting profit nor taxable profit
- Investments in subsidiaries, branches, associates and joint ventures, but only when certain criteria apply

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted by the balance sheet date.

A deferred tax asset is recognized for deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilised.

Current and deferred tax is recognized in profit or loss for the period, unless the tax arises from a business combination or a transaction or event that is recognized outside profit or loss, either in other comprehensive income or directly in equity in the same or different period.

Deferred income taxes have not been recognised on certain temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in respect of foreign subsidiary.

XX Derivative financial instruments and hedge accounting**Initial recognition and subsequent measurement**

Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss, except for the effective portion of cash flow hedges, which is recognized in Other Comprehensive Income (OCI) and later reclassified to profit or loss when the hedge item affects profit or loss.

For the purpose of hedge accounting, hedges are classified as:

Fair value hedges when hedging the exposure to changes in the fair value of a recognized asset or liability or an unrecognized firm commitment.

Cash flow hedges when hedging the exposure to variability in cash flows that is either attributable to a particular risk associated with a recognized asset or liability or a highly probable forecast transaction or the foreign currency risk in an unrecognized firm commitment.

The company does not have any derivatives instruments during the period April 1, 2017 to March 31, 2018.

XXI Segment reporting**Identification of segments**

The Company's operating businesses are organized and managed separately according to the nature of services provided with each segment representing strategic business unit that offers different services. The Company is engaged primarily in the business of offshore drilling services. The wind energy division of the Company does not meet the quantitative threshold as per Ind AS 108. Accordingly there is no requirement of segment reporting as per the said Accounting Standard.

XXII Earnings per share

Basic EPS is calculated by dividing the profit or loss for the period attributable to the equity holders of the parent company by the weighted average number of ordinary shares outstanding (including adjustments for bonus and rights issues).

Diluted EPS is calculated by adjusting the profit or loss and the weighted average number of ordinary shares by taking into account the conversion of any dilutive potential ordinary shares.

Basic and diluted EPS are presented in the statement of profit and loss for each class of ordinary shares in accordance with Ind AS 33 (Earnings per share).

XXIII Provisions, contingent liabilities and contingent assets

The Company recognizes a provision when:

- There is a present obligation to transfer economic benefits as a result of past events;
- it is probable (more likely than not) that such a transfer will be required to settle the obligation;
- and a reliable estimate of the amount of the obligation can be made.

The amount recognized as a provision is the best estimate of the expenditure required to settle the obligation at the balance sheet date, measured at the expected cash flows discounted for the time value of money. Provisions are not recognized for future operating losses.

An obligation and any anticipated recovery are presented separately as a liability and an asset respectively; however, an asset is recognized only if it is virtually certain that settlement of the obligation will result in a reimbursement, and the amount recognized for the reimbursement does not exceed the amount of the provision. The amount of any expected reimbursement is disclosed. Net presentation is done only in the income statement.

Management performs an exercise at each balance sheet date to identify the best estimate of the expenditure required to settle the present obligation at the balance sheet date, discounted at an appropriate rate. The increase in provision due to the passage of time (that is a consequence of the discount rate) is recognized as borrowing cost.

Contingent liabilities are possible obligations whose existence will be confirmed only on the occurrence or non-occurrence of uncertain future events outside the entity's control, or present obligations that are not recognized because of the following:

- (a) It is not probable that an outflow of economic benefits will be required to settle the obligation; or
- (b) the amount cannot be measured reliably.

As per Ind AS 37 (Provisions, Contingent liabilities and Contingent assets), Contingent liabilities, if any, are not recognized but are disclosed and described in the notes to the Consolidated financial statements, including an estimate of their potential financial effect and uncertainties relating to the amount or timing of any outflow, unless the possibility of settlement is remote.

Contingent assets are possible assets whose existence will be confirmed only on the occurrence or non-occurrence of uncertain future events outside the entity's control. As per Ind AS 37, Contingent assets, if any, are not recognized but are disclosed and described in the notes to the Consolidated financial statements, including an estimate of their potential financial effect if the inflow of economic benefits is probable.

XXIV Cash and cash equivalents

Cash and cash equivalents for the purpose of the cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

XXV Share based payments

All types of share-based payments and transactions are measured at fair value and recognized over the vesting period in accordance with Ind AS 102. However this is not applicable for equity instruments that vested before date of transition to Ind AS.

XXVI Related Party Disclosures

All disclosures as specified under Ind AS 24 (Related party disclosures) are made in these Consolidated Financial Statements in respect of the company's transactions with related parties.

XXVII Leases

A lease gives one party (the lessee) the right to use an asset over an agreed period of time in return for payment to the lessor.

Lease contracts entered into by the company are classified as operating leases. Under an operating lease, the lessor does not transfer substantially all of the risks and rewards of ownership.

Under an operating lease, the lessee does not recognize an asset and lease obligation. The rentals paid are normally charged to the income statement of the lessee and credited to that of the lessor on a straight-line basis.

XXVIII Financial Instruments

Financial assets and financial liabilities are recognized on the Company Balance Sheet when the Company becomes a party to the contractual provisions of the instrument.

Financial Assets - Trade receivables

Trade receivables are non-interest-bearing and are recognized initially at fair value, and subsequently at amortized cost using the effective interest rate method, less provision for impairment, if any.

Financial Assets - Investments

Investments consist of investments in equity shares (quoted) and are recognized at fair value through OCI. Gains and losses arising from changes in fair value are recognized directly in other comprehensive income, until the security is disposed of or is determined to be impaired, at which time the cumulative gain or loss previously recognized in other comprehensive income is included in the Consolidated Income Statement for the period. Dividends, if any, on equity instrument are recognized in the Company Income Statement when the company's right to receive payment is established.

Loans and advances to customers

Loans and advances are initially recognized at fair value plus directly related transaction costs. Subsequent to initial recognition, these assets are carried at amortized cost using the effective interest method less any impairment losses. Income from these financial assets is calculated on an effective yield basis and is recognized in the Consolidated Income Statement.

Impairment of loans and advances to customers

At each balance sheet date, the Company reviews the carrying amounts of its loans and advances to determine whether there is any indication that those assets have suffered an impairment loss.

If there is objective evidence that an impairment loss on a financial asset or Company of financial assets classified as loans and advances has been incurred, the Company measures the amount of the loss as the difference between the carrying amount of the asset or Company of assets and the present value of estimated future cash flows from the asset or Company of assets discounted at the effective interest rate of the instrument at initial recognition.

Impairment losses, if any, are recognized in the Consolidated Income Statement and the carrying amount of the financial asset or Company of financial assets is reduced by establishing an allowance for impairment losses.

If in a subsequent period the amount of the impairment loss reduces and the reduction can be ascribed to an event after the impairment was recognized, the previously recognized loss is reversed by adjusting the allowance. Once an impairment loss has been recognized on a financial asset or Company of financial assets, interest income is recognized on the carrying amount using the rate of interest at which estimated future cash flows were discounted in measuring impairment.

Loan impairment provisions are established taking into account the level of arrears, security, past loss experience, credit scores and defaults based on portfolio trends. The most significant factors in establishing these provisions are the expected loss rates.

Interest-bearing borrowings

Interest-bearing bank loans and overdrafts are initially recorded at fair value, net of attributable transaction costs. Subsequent to initial recognition, interest bearing borrowings are stated at amortized cost with any difference between proceeds and redemption value being recognized in the Consolidated Income Statement over the period of the borrowings on an effective interest rate basis.

Trade payables

Trade payables are non-interest-bearing and are recognized initially at fair value and subsequently measured at amortized cost using the effective interest rate method.

Derivative financial instruments and hedge accounting

The Company has not entered into any derivative or hedging transactions.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet only when there is a current legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

Notes to Consolidated IND AS Financial Statements for the year ended 31st March 2018

4. The Consolidated financial statements include the financial statements of Aban Offshore Limited ("the Parent Company"), its subsidiaries and its associate company. The details of the subsidiaries and the associate company are given below:

Name of the company	Country of Incorporation	Percentage of holding	Accounts considered	Reporting Currency
Aban Energies Limited	India	100%	31st March 2018 (audited)	Indian Rupee
Aban Holdings Pte Ltd	Singapore	100%	31st March 2018 (audited)	US Dollars
Aban Singapore Pte Ltd	Singapore	(a)	31st March 2018 (audited)	US Dollars
Aban International Norway AS	Norway	(b)	31st March 2018 (audited)	US Dollars
Aban 7 Pte Ltd	Singapore	(b)	31st March 2018 (audited)	US Dollars
Aban 8 Pte Ltd	Singapore	(b)	31st March 2018 (audited)	US Dollars
Aban Abraham Pte Ltd	Singapore	(b)	31st March 2018 (audited)	US Dollars
Aban Pearl Pte Ltd	Singapore	(b)	31st March 2018 (audited)	US Dollars
Deep Drilling Invest Pte Ltd	Singapore	(c)	31st March 2018 (audited)	US Dollars
Deep Drilling 1 Pte Ltd	Singapore	(d)	31st March 2018 (audited)	US Dollars
Deep Drilling 2 Pte Ltd	Singapore	(d)	31st March 2018 (audited)	US Dollars
Deep Drilling 3 Pte Ltd	Singapore	(d)	31st March 2018 (audited)	US Dollars
Deep Drilling 4 Pte Ltd	Singapore	(d)	31st March 2018 (audited)	US Dollars
Deep Drilling 5 Pte Ltd	Singapore	(d)	31st March 2018 (audited)	US Dollars
Deep Drilling 6 Pte Ltd	Singapore	(d)	31st March 2018 (audited)	US Dollars
Deep Drilling 7 Pte Ltd	Singapore	(d)	31st March 2018 (audited)	US Dollars
Deep Drilling 8 Pte Ltd	Singapore	(d)	31st March 2018 (audited)	US Dollars
Deep Driller Mexico S de RL de CV, Mexico	Mexico	(b)	31st March 2018 (not required to be audited)	US Dollars
Aban Labuan Pvt Limited	Labuan, Malaysia	(b)	31st March 2018 (audited)	US Dollars

Note:

- a) Wholly-owned subsidiary of Aban Holdings Pte Ltd
- b) Wholly-owned subsidiaries of Aban Singapore Pte Ltd
- c) Subsidiary of Aban International Norway AS (66%) and Aban Singapore Pte Ltd(34%)
- d) Wholly-owned subsidiaries of Deep Drilling Invest Pte Ltd

Besides the above, the financials of Belati Oilfield Sdn Bhd, Malaysia, an associate company with 49% interest held by Aban Singapore Pte Ltd, the financials of Aban Hydrocarbons Ptd Ltd, Singapore, an associate company with 50.25% interest held by Aban Singapore Pte Ltd, have been considered in the consolidated accounts of Aban Holdings Pte Ltd under Equity method of accounting.

The consolidated financial statements have been prepared after considering adjustments to align the accounts of foreign subsidiaries with the requirements of applicable Indian Accounting Standards.

4.1 Recent accounting pronouncements

In March 2018, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) Amendment, Rules, 2018, notifying Indian Accounting Standards (Ind AS) 115 "Revenue from Contracts with Customers", notifying amendments to Ind AS 12 "Income Taxes" and Ind AS 21 "The Effect of Changes in Foreign Exchange Rates". Ind As 115 and amendments to the Ind AS 21 are applicable to the Company w.e.f. 1st April 2018. The impact of the above amendments on the financial statements has not been evaluated.

Bank borrowings and Bonds are secured by rigs of the parent company and its foreign subsidiaries with carrying amounts of Rs 143,460.91 Million and freehold lands of parent company with amounts of Rs 128.56 Million as at the Balance sheet date. (note: 10(a)). In respect of some offshore jack up rigs of parent and subsidiary company and drillships, an impairment charge of Rs 2,335.19 Million has been recognised for the year 2017-18 as the carrying amounts of such assets exceeded its estimated value in use which is mainly due to the slump in the oil and gas industry.

Loans under (a) above are secured by first and second charge on specific drilling rigs of the foreign subsidiary company and first charge on drilling rigs owned by Parent company and first pari-passu charge on the receivables arising out of deployment of the drilling rigs of the foreign subsidiary company. The rate of interest varies from bank to bank depending on the currency in which are loans are being denominated in the books of each bank.

Aban Offshore Limited

Notes to Consolidated IND AS Financial Statements for the year ended 31st March 2018

Loans under (b) above are secured by first charge on specific offshore drilling rig of the foreign subsidiary company

Loans under (c) above are secured by first and second charge on specific offshore drilling rigs owned by foreign subsidiaries and first mortgage on windmill lands owned by the parent company.

Loans under (d) above are unsecured.

As per Ind AS, Preference share capital is grouped under Borrowings

Since all term loans have been recalled by the lenders the entire term loans are presented as current liabilities as at 31st March, 2018.

- (i) All the secured lenders of term loans (banks) have issued recall notices during the year. Also one of the secured lenders has issued notice dated 7th May 2018 under section 13(2) of Securitization and Reconstruction of Financial Assets and Enforcement of Securities Interest Act, 2002 (SARFAESI Act) through the security trustee calling upon the company to pay the outstanding amount with interest in 60 days from the date of notice, failing which the bank would exercise the powers under section 13(4) of SARFAESI Act.
- (ii) The Company has not redeemed its Non-Convertible Cumulative Redeemable Preference Shares on due dates. One of the preference shareholders of the company has filed a commercial suit before the Honorable High Court of Judicature at Bombay and two of the preference shareholders have filed petitions under section 55 of the Companies Act, 2013/under section 80 of the Companies Act, 1956 before the Honorable National Company Law Tribunal, Chennai Bench for non-redemption of Non-Convertible Cumulative Redeemable Preference Shares. These cases are pending before the said Honorable High Court and Tribunal respectively

10 (b) Current Borrowings.

	As at 31st March 2018 Rs. millions	As at 31st March 2017 Rs. millions
Cash credit from banks (secured)	1,576.26	1,781.69
-Intercompany Loan	229.72	245.37

24. Fair value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. The group categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement. Level 1 inputs are quoted prices in active markets for identical assets or liabilities. Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1 for the asset or liability. Level 3 inputs are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants.

Financial Instruments by category

Rs. Millions

Particulars	31st March 2018			31st March 2017		
	FVPL	FVOCI	Amortized Cost	FVPL	FVOCI	Amortized Cost
Financial Assets						
Investments- Equity Instruments	-	22.94	248.74	-	21.97	249.39
Trade Receivables	-	-	18,727.93	-	-	18,553.59
Loans	-	-	1,018.88	-	-	783.27
Cash and Bank Balances	-	-	832.21	-	-	943.08
Other Financial assets	-	-	470.43	-	-	308.62
Total	-	22.94	21,298.18	-	21.97	20,837.95
Financial Liabilities

25. Financial risk factors

The Company's activities expose it to market risk (including currency risk, interest rate risk and price risk), credit risk and liquidity risk. The Company's overall risk management strategy seeks to minimize adverse effect from the unpredictability of financial markets on the Company's financial performance.

The Board of Directors is responsible for setting the objectives and underlying principles of financial risk management for the Company. They review and agree on the policies for managing each of these risks and are summarised as follows:

The main financial risks faced by the Company relate to fluctuations in interest and foreign exchange rates, the risk of default by counterparties to financial transactions and the availability of funds to meet business needs. The management of these risks is set out below.

Foreign exchange risk

The Company is exposed to foreign exchange risk principally via:

- transactional exposure that arises from the sales / receivables denominated in a currency other than the functional currency of the company

Receivable	Rs. Million	Rs. Million
Currency	2017-2018	2016-2017
USD	4,217.76	3,751.85
EURO	490.90	506.01

- transactional exposure that arises from the cost of goods sold / payables denominated in a currency other than the functional currency of the Company

Payable	Rs. Million	Rs. Million
Currency	2017-2018	2016-2017
USD	63.93	97.40
SGD	3.71	2.07
AED	3.91	15.94

- Foreign currency exposure that arises from foreign currency term loans / Working Capital loans (including interest payable) denominated in a currency other than the functional currency of the Company.

Loan incl interest payable	Rs. Million	Rs. Million
Currency	2017-2018	2016-2017
USD	3,313.35	4,440.08

- Cash and cash equivalents held in foreign currency.

	Rs. Million	Rs. Million
Currency	2017-2018	2016-2017
USD	79.73	229.08
SGD	1.06	0.49
AED	4.63	19.23

All these unhedged exposures are naturally hedged by future foreign currency earnings.

The impact on the Company financial statements from foreign currency volatility is shown in the sensitivity analysis.

Sensitivity analysis

The sensitivity analysis reflects the impact on income and equity due to financial instruments held at the balance sheet date. It does not reflect any change in sales or costs that may result from changing interest or exchange rates.

The following table shows the illustrative effect on the Consolidated Income Statement and equity that would result, at the balance sheet date, from changes in currency exchange rates that are reasonably possible for major currencies where there have recently been significant movements:

	2017-2018		2016-2017	
	Income Gain/ (Loss) Rs.Million	Equity Gain/ (Loss) Rs.Million	Income Gain/ (Loss) Rs.Million	Equity Gain/ (Loss) Rs.Million
5% appreciation of USD (2017: 5 %)	42.02	-	(39.28)	-
10% appreciation of Euro(2017: 10%)	49.09	-	50.60	-
5% appreciation of SGD(2017: 5%)	(0.19)	-	(0.10)	-
5% appreciation of AED(2017: 5%)	(0.20)	-	(0.80)	-

The following table shows the illustrative effect on the Income Statement and equity that would result, at the balance sheet date, from changes in interest rates that are reasonably possible for term loans with floating interest where there have recently been significant movements:

Currency Table

	2017- 2018	2016- 2017
	Income Gain / (Loss) Rs.Million	Income Gain / (Loss) Rs. Million
Increase in LIBOR by 50 basis points	(312.44)	(673.66)
Increase in Bond borrowings by 100 basis points	(6.02)	(15.25)
Increase in rupee lending rate by 100 basis points	(709.76)	(4.69)

A decrease in interest rates and a depreciation of foreign currencies would have the opposite effect to the impact in the table above.

Credit risk

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the Company. The major classes of financial assets of the Company are bank deposits, trade receivables, amount due from associated company and amounts due from subsidiary corporations. For bank deposits, the Company maintains its cash deposits if any primarily with lenders of the Company or financial institutions with high credit quality to minimise their exposure to the banks.

Due to the nature of the Company's operations, revenue and receivable are typically concentrated amongst a relatively small customer base of oil and gas companies. Customers are government linked based oil and gas corporations. The Company has policies in place to ensure that drilling contracts are with customers of adequate financial standing and appropriate credit history, and where necessary, certain guarantees in form of bank. The maximum exposure to credit risk for each class of financial assets is the carrying amount of that class of financial assets on the balance sheet.

(i) Financial assets that are neither past due nor impaired

Bank deposits that are neither past due nor impaired are mainly deposits with banks with high credit-ratings assigned by international credit-rating agencies. Trade receivables that are neither past due nor impaired are substantially receivables from companies with a good collection track record with the Group. Amounts due from subsidiary corporations are neither past due nor impaired.

(ii) Financial assets that are past due and/or impaired

There is no other class of financial assets that is past due and/or impaired except for trade receivables. The age analysis of trade receivables that are past due but not impaired is as follows:

Particular	2017-2018	2016-2017
Past Due upto 6 months	3,041.74	5,785.46
Past Due over 6 months	15,686.19	12,768.13

Allowance for impairment of trade receivables arise from customers that are either in financial difficulties and/or have history at default or significant delay in payments which management is of the opinion that payments are not forthcoming as at the end of financial year. In the event that payment is doubtful, the receivables will be recommended for write off.

Liquidity risk

The drilling operations of the Company requires substantial investment and are dependent on its ability to finance its rig construction and acquisitions and service its bank borrowings as well as other capital and operating requirements and commitments. The Company ensures that arrangements have been made to obtain adequate funds to meet all its operating and capital obligations in the form of continuing committed credit facilities with banks and financial institutions.

The undiscounted cash flows will differ from both the carrying values and fair value. Cash flows in foreign currencies are translated using spot rates at the balance sheet date.

As At 31-03-2017					Rs. millions	
	Due within 1 year	Due between 1 and 2 years	Due between 2 and 3 years	Due between 3 and 4 years	Due between 4 and 5 years	Due beyond 5 years
Non-derivative financial liabilities						
Bank borrowings	133,464.22	-	-	-	-	-
Bonds	-	-	602.34	-	-	-
Preference shares	2,810.00	-	-	-	-	-

As At 31-03-2018					Rs. millions	
	Due within 1 year	Due between 1 and 2 years	Due between 2 and 3 years	Due between 3 and 4 years	Due between 4 and 5 years	Due beyond 5 years
Non-derivative financial liabilities						
Bank borrowings	16,942.15	14,839.91	11,754.87	10,879.07	10,041.42	70,743.54
Bonds	-	-	-	1,525.48	-	-
Preference shares	2,810.00	-	-	-	-	-

Capital management

(a) The Company's objectives when managing capital are to ensure the Company's ability to continue as a going concern and to maintain an optimal capital structure by issuing or redeeming additional equity, borrowings and other instruments when necessary.

As the Company is mainly funded through external borrowings, the objectives of the Board of Directors when managing capital is to ensure that the Group and the Company continue to enjoy the use of funds from borrowings by ensuring that the Company continue to service its debt obligations in the form of interests and principal repayments on due dates in accordance with the borrowing agreements, and to ensure that they remain in compliance with the financial and non-financial covenants in relation to their borrowings.

The Company considers capital to comprise of its equity and borrowings, as follows:

	Rs. millions	
Particulars	2017-2018	2016-2017
Total Equity	306.92	26,354.67
Borrowings	137,400.98	140,051.31

(b) Fair value measurements

The carrying amounts less impairment provision of trade receivables and payables are assumed to approximate their fair values. The carrying amounts of current borrowings approximate their fair values.

26. Earnings per share (EPS)

The following reflects the profit and share data used in the basic and diluted EPS computations

	Year ended 31st March 2018 Rs. millions	Year ended 31st March 2017 Rs. millions
Profit/(Loss) for the year	(26,064.75)	(10,408.33)
	(26,064.75)	(10,408.33)
Weighted average number of equity shares in calculating basic	No.millions	No.millions
EPS	58.36	58.36
Effect of dilution:		
Stock options/Share Warrants Outstanding less number of shares that would have been issued at par value.	-	-
Weighted average number of equity shares in calculating diluted		
EPS	58.36	58.36
Earning per share (basic in Rs)	(446.62)	(178.35)
Earning per share (diluted in Rs)	(446.62)	(178.35)

*Since diluted earnings per share shows higher value as compared to basic earnings when taking the options/warrants into account, the options/warrants are anti-dilutive as at the year ended 31.03.2018 and are ignored in the calculation of diluted earnings per share as required under the Accounting Standard.

27. Gratuity and other defined benefit plans

The company operates a gratuity benefit plan which is funded with an insurance company in the form of a qualifying insurance policy. The company operates a leave encashment plan which is not funded

28. Employee stock option scheme

The Company has instituted Employee Stock Option Scheme-2005 (ESOS) duly approved by the shareholders in the extra-ordinary general meeting of the company held on 23rd April 2005. As per the scheme, the compensation committee of the board evaluates the performance and other criteria of employees and approves the grant of option. These options vest with employees over a specified period subject to fulfillment of certain conditions. Upon vesting, employees are eligible to apply and secure allotment of company's equity share at the prevailing market price on the date of the grant of option.

The Securities Exchange Board of India (SEBI) issued the Employee Stock Option Scheme and Employees Stock Purchase Scheme guidelines in 1999, applicable to stock option schemes on or after 19th June 1999. Under these guidelines, the excess of the market price of the underlying equity shares as of the date of the grant over the exercise price of the option is to be recognized and amortized on a straight line basis over the vesting period.

The Company has not recognized any deferred compensation expenses, as the exercise price was equal to the market value (as defined by SEBI) of the underlying equity shares on the grant date.

The details of option granted are given below:

Maximum number of options that may be granted under the scheme is 1.84 million equity shares of Rs.2 each. Options granted during the year- Nil (up to 31st March 2017: 1.84 Million equity shares of Rs.2 each)-Options lapsed during the year 0.461 million (up to 31st March 2017: 0.286 million equity shares of Rs.2 each)-Options exercised during the year- Nil (up to 31st March 2017: 0.160 million equity shares of Rs.2 each)-Options outstanding at the end of year :0.935 million equity shares of Rs.2 each (up to 31st March 2017: 1.396 million equity shares of Rs.2 each)-Options yet to be granted under the scheme: 0.749 million (31st March 2017: 0.288 million equity shares of Rs.2 each).

29. Interest in joint venture/associate

(a) The Parent company's interest, in joint venture entity/associate is as follows:

Name of the company	Country of incorporation	Nature of Interest	Proportion of ownership interest 31st March 2018	Proportion of ownership interest 31st March 2017
Frontier Offshore Exploration (India) Limited	India	Joint Venture	25%	25%
Belati Oilfield Sdn Bhd	Malaysia	Associate	49%	49%
Aban Drilling Services Pvt Ltd	India	Associate	49%	49%
Aban Hydrocarbons Pte Ltd	Singapore	Associate	50.25%	N/A

The Parent company has ceased to have joint control over Frontier Offshore Exploration (India) Limited and has also provided for diminution in the value of long term investment considering the state of affairs of the joint venture company.

(b) The company's share of the assets, liabilities, Revenue and Profit in the associate company –Belati Oilfield Sdn Bhd, based on the audited financial statements are as follows:

	31st March 2018 Rs. millions	31st March 2017 Rs. millions
Assets-As at	122.17	126.16
Liabilities-As at	(0.01)	(3.31)
Revenue for the year ended	-	6.40
Net Profit for the year ended	(0.33)	2.20

(c) The company's share of the assets, liabilities, Revenue and Profit in the associate company –Aban Hydrocarbons Pte Ltd, based on the audited financial statements are as follows:

Aban Hydrocarbons Pte Ltd

	31st March 2018 Rs. millions	31st March 2017 Rs. millions
Assets-As at	2.28	-
Liabilities-As at	(2.41)	-
Revenue for the year ended	-	-
Net Profit for the year ended	(0.13)	-

(d) The company's share of the assets, liabilities, Revenue and Profit in the associate company –Aban Drilling Services Pvt Ltd, based on the audited financial statements are as follows:

	31st March 2018 Rs. millions	31st March 2017 Rs. millions
Assets-As at	0.05	0.06
Liabilities-As at	(0.005)	(0.01)
Revenue for the year ended	-	-
Net Profit for the year ended	-	-

30. Segment information

The Company is engaged primarily in the business of offshore drilling services. The wind energy division of the Company does not meet the quantitative threshold as per IND AS 108. Accordingly there is no requirement of segment reporting as per the said Accounting Standard.

34. The Maritime and Port Authority of Singapore has awarded "Approved International Shipping Enterprise "(AIS) status to Aban Singapore Pte Ltd and its subsidiaries with effect from 1 June 2006 and with effect from 27th June 2006 for some of its subsidiaries for an initial period of 10 years. Aban Singapore and its operating subsidiaries are exempted from Singapore Income tax from the qualifying income under Section 13F of the Singapore Income Tax Act. However, in respect of income earned outside Singapore, necessary provision for tax has been made in accordance with applicable tax laws in respective countries.

35. Operating lease: Company as lessee

The wholly owned foreign subsidiary leases, office space and accommodation for certain employees from non-related parties under non-cancellable operating lease agreements. The leases have varying terms, escalation clauses and renewable rights.

The future aggregate minimum payments under the operating leases contracted for at the balance sheet date but not recognized as liabilities are analyzed as follows:

	31st March 2018 Rs. millions	31st March 2017 Rs. millions
Within over year	24.99	32.36
After one year but not more than five years	21.67	0.97
More than five years	-	-
	46.66	33.33

Notes:

- The proxy form to be effective, should be duly stamped, completed, signed and must be returned so as to reach the Registered Office of the Company, not less than 48 hours before the time for holding the aforesaid meeting.
- A Proxy need not be a member of the Company.
- A person can act as a Proxy on behalf of members not exceeding fifty and holding in aggregate not more than 10% of the total paid up share capital of the company carrying voting rights. A member holding more than 10% of the total paid up share capital of the Company carrying voting rights may appoint a single person as Proxy and such person shall not act as a Proxy for any other shareholder.
- Appointing a Proxy does not prevent a member from attending the meeting in person, if he so wishes.
- In the case of joint holders, the signature of any one holder will be sufficient, but names of all the joint holders should be stated
