EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Pursuant to Section 102 of the Companies Act, 2013 ('the Act'), the following Explanatory Statement sets out all material facts relating to the business mentioned under Item Nos. 3 to 7 of the accompanying Notice dated 28th May, 2022.

Item No. 3

The Members of the Company at the 29th Annual General Meeting ('AGM') held on 02nd September, 2017 approved the appointment of M/s. Modi & Joshi, Chartered Accountants, as the Auditors of the Company for a period of five years from the conclusion of the said AGM. M/s. Modi & Joshi will complete their present term on conclusion of this AGM in terms of the said approval and Section 139 of the Companies Act, 2013 ('the Act') read with the Companies (Audit and Auditors) Rules, 2014.

The Board of Directors of the Company ('the Board'), on the recommendation of the Audit Committee ('the Committee'), recommended for the approval of the Members, the appointment of M/s. Shah, Mehta & Bakshi, Chartered Accountants, as the Auditors of the Company for a period of five years from the conclusion of this AGM till the conclusion of the 39th AGM. On the recommendation of the Committee, the Board also recommended for the approval of the Members, the remuneration of M/s. Shah, Mehta & Bakshi, for the Financial Year 2022-23 as set out in the Resolution relating to their appointment.

The Committee considered various parameters like capability to serve a diverse and complex business landscape as that of the Company, audit experience in the Company's operating segments, market standing of the firm, clientele served, technical knowledge etc., and found M/s. Shah, Mehta & Bakshi, to be best suited to handle the scale, diversity and complexity associated with the audit of the financial statements of the Company.

M/s. Shah, Mehta & Bakshi have given their consent to act as the Auditors of the Company and have confirmed that the said appointment, if made, will be in accordance with the conditions prescribed under Sections 139 and 141 of the Act.

Section 149, 150 and 152 of the Companies Act, 2013. He shall hold office upto the date of forthcoming Annual General Meeting and is eligible to be appointed as an Independent Director for a term upto (5) five consecutive years.

Mr. Aalok Davda is BBA in Business Administration from the MSU Baroda. He has ten years of experience in Agri Warehousing sector. He has also a wide sphere of experience in the field of education. He has worked with multinational companies.

The Company has received notice under Section 160 of the Companies Act, 2013 from Mr. Aalok Davda signifying his candidature as an Independent Director of the Company. The Company has received requisite consent and declarations from Mr. Aalok Davda including confirmation that he meets the criteria of independence as prescribed under Section 149(6) of the Act and Regulation 16(1)(b) of Listing Regulations. He is neither disqualified from being appointed as Director in terms of provisions of the Act nor debarred from being appointed to the office of Director by virtue of any order of SEBI or any such other authority. The terms and conditions for his appointment as an Independent Director is hosted on the website of the Company www.purityflexpack.com

The Board considers that his association would be of immense benefit to the Company and it is desirable to avail services of Mr. Aalok Davda as an Independent Director. Accordingly, the Board recommends the resolution in relation to appointment of Mr. Aalok Davda as an Independent Director for period upto 5 (five) consecutive years with effect from 26th March, 2022 for the approval by the Members of the Company.

Except Mr. Aalok Davda, being an appointee, none of the Directors or Key Managerial Personnel of the Company or their relatives is concerned or interested, financially or otherwise, in the resolution set out at item no. 5 of the Notice.

The Board recommends the Ordinary Resolution set out at item no. 5 for the approval of Members.

Item No. 6

The Board of Directors, on the recommendation of Nomination and Remuneration Committee, appointed Mr. Forum Lodaya (DIN 08517985) as an Additional Director (Independent Director) of the Company, with effect from 26th March, 2022 under Section 149, 150 and 152 of the Companies Act, 2013. He shall hold office upto the date of forthcoming Annual General Meeting and is eligible to be appointed as an Independent Director for a term upto (5) five consecutive years.

Mr. Forum Lodaya is Chartered Accountant by profession. He is also a fellow member of Fellow Insurance Institute of India. He has over 13 years of experience in insurance the insurance industry. Before joining Insurance World, he has worked with EY and BDO in risk advisory services. In EY he has worked on risk management engagements involving fortune 500 companies in India and overseas.

The Company has received notice under Section 160 of the Companies Act, 2013 from Mr. Forum Lodaya signifying his candidature as an Independent Director of the Company. The Company has received requisite consent and declarations from Mr. Forum Lodaya including confirmation that he meets the criteria of independence as prescribed under Section 149(6) of the Act and Regulation 16(1)(b) of Listing Regulations. He is neither disqualified from being appointed as Director in terms of provisions of the Act nor debarred from being appointed to the office of Director by virtue of any order of SEBI or any such other authority. The terms and conditions for his appointment as an Independent Director is hosted on the website of the Company www.purityflexpack.com

The Board considers that his association would be of immense benefit to the Company and it is desirable to avail services of Mr. Forum Lodaya as an Independent Director. Accordingly, the Board recommends the resolution in relation to appointment of Mr. Forum Lodaya as an Independent Director for period upto 5 (five) consecutive years with effect from 26th March, 2022 for the approval by the Members of the Company.

Except Mr. Forum Lodaya, being an appointee, none of the Directors or Key Managerial Personnel of the Company or their relatives is concerned or interested, financially or otherwise, in the resolution set out at item no. 6 of the Notice.

The Board recommends the Ordinary Resolution set out at item no. 6 for the approval of Members.

Item No. 7

The Company has expanded the business premises during the year under review. Keeping in view the Company's long term strategic and business objectives, the Company may need further additional funds. For this purpose, the Company may, from time to time, raise finance from various Banks and/or Financial Institutions and/ or any other lending institutions and/or Bodies Corporate and/or such other persons/ individuals as may be considered fit, which, together with the moneys already borrowed by the Company (apart from temporary loans obtained from the Company's bankers in ordinary course of business) may exceed the aggregate of the paid-up capital and free reserves of the Company. Pursuant to Section 180(1)(c) of the Companies Act, 2013, the Board of Directors cannot borrow more than the aggregate amount of the paid-up capital of the Company and its free reserves at any one time except with the consent of the members of the Company in

a general meeting. In order to facilitate securing the borrowing made by the Company, it would be necessary to create charge on the assets or whole or part of the undertaking of the Company. Further, Section 180(1)(a) of the Companies Act, 2013 provides for the power to sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company subject to the approval of members in the General Meeting.

The above proposal is in the interest of the Company and the Board recommends the Resolution as set out at Item No. 7 for approval by the members of the Company.

None of the Directors or Key Managerial Personnel or their relatives are in any way concerned with or interested, financially or otherwise in the resolution at Item No. 7 of the accompanying notice. The Board recommends the resolution at Item No. 7 to be passed as Special Resolution.

Management and Discussion Analysis Report

Overview

Purity Flexpack Limited is engaged in the field of Flexible Packaging. Our vision is to be preferred supplier for flexible packaging to Customers across India and Overseas maximizing value for all stakeholders

This Management Discussion & Analysis Report presents the key performance highlights of the year 2021-22 pertaining to the Company's business. This review should be read in conjunction with the Integrated Report presented in the earlier sections of this Annual Report, the Company's financial statements, the schedules and notes thereto and the other information included elsewhere in this Annual Report. The Company's financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS), complying with the requirements of the Company's Act 2013 and the guidelines issued by Securities and Exchange Board of India (SEBI).

Our ultimate objective is to meet Customer's dynamic packaging needs and to achieve excellence in all concerned areas to produce cost effective flexible packaging with highest quality & standards for our esteemed Customers.

Industry structure and developments

As one of the fastest growing segments of the packaging industry, flexible packaging combines the best qualities of Plastic, Film, Paper and Aluminum Foil to deliver a broad range of protective properties while employing a minimum of material. Flexible packaging provides convenience to the consumer while ensuring product safety. Innovative packaging solutions are developed by manufacturers to cater to the consumer's demand for convenient, easy-to-use and lightweight packaging. Changing consumer behavior and growing processed-food industry is triggering the demand for easy and flexible packaging material. Flexible packaging has, as a result, become substantially more sophisticated with high-end graphics, high oxygen and moisture barriers, and new functionalist.

The life cycle attributes of flexible packaging demonstrate many sustainable advantages. It starts with less waste in the first place, greatly reducing landfill discards. Innovation and technology have enabled flexible packaging manufacturers to use fewer natural resources in the creation of their packaging, and improvements in production processes have reduced water and energy consumption, greenhouse gas emissions and volatile organic compounds. Even more, lighter-weight flexible packaging results in less transportation related energy and fossil fuel consumption, and environmental pollution. With its versatility, custom qualities, efficiency in conserving resources, and sustainability, flexible packaging is considered most advantageous.

With new legislations and regulations expected to create an impact on business operations amidst growing environmental concerns, organizations are focusing efforts on restricting potential increases in the cost of machinery, and complying with legislative changes. As online retail and sales of unpacked goods will disrupt business operations, packaging features such as recyclability, light weighting, and premium look will be favored. By 2021, research & development is expected to benefit from increased investment by packaging organizations with demand increasing for flexible plastic packaging, pouches, and premium paper or board packaging.

Outlook

The companies are expected to ramp up output amid a strengthening demand scenario which is expected to support manufacturing growth in the near term. Performance of the mining sector is expected to pick up with the resumption of mining activities that were impacted by extended monsoons. Thus, we could expect industrial output to gather momentum in the coming months. However, it would continue to be subdued with the waning of base-effect.

Given the uncertainties associated with the scale of economic recovery, the RBI is expected to maintain its focus on growth and continue with the accommodative monetary policy stance, even as it moves towards gradual normalization of support. However, there are certain risks associated with

the emergence of the Omicron Variant and renewed surge in COVID-19 infections across countries, globally. To add to this, there are headwinds from elevated global commodity prices, potential volatility in global financial markets with faster normalization of monetary policy in advanced economies and prolonged global supply bottlenecks.

Risks & Concerns

The purpose of risk management is to identify potential events that may affect achievement of organisational strategy, business objectives and management of associated risks within the Company's risk appetite. The Board periodically assesses all facets of risks in the Company's operating landscape.

The key risks and opportunities arise from our ability to manage prices effectively in the presence of aggressive competition, increased raw material pricing, our capability to meet customer demand for technology and digital solutions, and our ability to benefit from the Group in terms of sales

and sourcing. To manage threats and tap into opportunities, we execute involve cross-functional and cross-segment collaboration and active dialogue with the customers to develop ways to increase value and understand our competitive position.

Internal Control Systems

The Company has a proper and adequate Internal Financial Control System, to ensure that all its assets are safeguarded and protected against loss from unauthorized use or disposition. The Control System enables the management to focus on growth and achieve excellence in all aspects of operations. The Company has an internal audit system, which carries out independent periodic reviews. The prime objective of such audit is to evaluate the functioning and quality of internal controls and provide assurance of its adequacy and effectiveness. The scope of internal audit covers a wide variety of operational and financial matters and includes a follow-up review of corrective actions agreed for implementation. During the year under review, no material or serious observation has been received from the Statutory Auditors and the Internal Auditors of the Company on the inefficiency or inadequacy of such controls.

Financial performance with respect to operational performance

The summarized financial results are given hereunder:

Highlights of results:

(₹ in lakhs)

Particulars	2021-22	2020-21
Total Income	10427.33	9385.24
Profit Before Financial Cost, Depreciation & Tax	510.76	1422.90
Profit Before Tax	61.65	1095.48
Profit For The Year	34.79	883.84

Opportunities and Threats

The Company is in the business of manufacturing of customized packaging materials. That flexible packaging is one of the rapidly growing segments of the packaging industry. It requires lower energy of producing product, offers convenience to the consumers as it is light-weight, easy to open, carry and store. Additionally, cost of production can be reduced by producing customized products. One of the important factors driving the growth of flexible packaging market is the growing inclination of consumers towards convenience products.

As per recent research, there is heavier consumer demand for more biodegradable products means more potential interest from manufacturers who choose to come into compliance with their customer requirements. The government is promoting the use of biodegradable packaging, thus there is always a threat in the market to obstruct the plastic packaging.

Key Financial Ratios

In accordance with the SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, the Company is required to give details of significant changes (change of 25% or more as compared to the immediately previous financial year) in key sector-specific financial ratios. The same has been mentioned under the table given below:

Environment, Occupational Health & Safety

Your Company is committed to conducting its operations with utmost concern towards the environment and ensuring a safe and healthy workplace for all employees. The collective endeavor of the Company's employees at all levels is directed towards sustaining and continuously improving standards of environment management, and occupational health & safety in an endeavor to meet and exceed international benchmarks.

Developments in Human Resources /Industrial Relations

The Company continues to lay emphasis on qualitative growth of its human resources by providing congenial and constructive work environment, in consonance with its strong belief that the real strength of its organization lies in its employees. In addition to this, formal training through external & internal faculty is also conducted from time to time in acquiring domain knowledge and imbibing the corporate quality culture. None of the Senior Management Personnel have any material, financial and/or commercial transaction, where they have personal interest that may have potential conflict with the interest of the Company at large.

Capital Investment

The Company installed Printing Machine during the year under review to achieve the targets set of the Company. Further to reduce the operational cost and efficient control over drying and cooling the management has installed Centralized Chilled Water System.

The Company has expanded the floor space by adding 12000 sq ft to cater the capacity of all new equipments. There was an investment in 1000 KVA back up power with UPS to take care of entire production with uninterrupted power supply to reduce waste of material loss and that will result into saving cost.

Cautionary Statement

The statements in the "Management Discussion and Analysis Report" section describes the Company's objectives, projections, estimates, expectations and predictions, which may be "forward looking statements" within the meaning of the applicable laws and regulations. The annual results can differ materially from those expressed or implied, depending upon the economic and climatic conditions, Government policies and other incidental factors.

FORM NO. MR – 3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED ON MARCH 31ST, 2022

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

Purity Flexpack Limited

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Purity Flexpack Limited (CIN No. L25200GJ1988PLC010514)** (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the **Purity Flexpack Limited's** books, papers, minutes books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on March 31, 2022, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company, for the financial year ended on March 31, 2022, according to the provisions of:

1. The Companies Act, 2013 (the Act) and the rules made thereunder;
2. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder.
3. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder.
4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and Overseas Direct Investment and External Commercial Borrowings. **Not Applicable to the Company during the Audit Period**
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act').
 - A. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - B. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - C. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009.
 - D. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999. - **Not Applicable to the Company during the Audit Period;**
 - E. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008. - **Not Applicable to the Company during the Audit Period;**
 - F. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - G. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009. - **Not Applicable to the Company during the Audit Period; and**
 - H. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998. - **Not Applicable to the Company during the Audit Period.**
 - I. The Securities and Exchange Board of India (LODR) Regulations, 2015

6. The Micro, Small and Medium Enterprises Development Act, 2006.
7. As informed to us the following other laws specifically applicable to the Company are as under:
 1. The Employees' Provident Funds and Miscellaneous Provisions Act, 1952
 2. The Factories Act, 1948
 3. The Industrial Employment (Standing Orders) Act, 1946
 4. The Minimum Wages Act, 1948
 6. The Payment of Wages Act, 1936
 7. The Negotiable Instruments Act, 1881
 8. The Payment of Gratuity act, 1972
 9. The Workmen's Compensation Act, 1922

 14. The Apprentice Act, 1961
 15. The Equal Remuneration Act, 1976
 16. The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreement entered into by the Company with the **Bombay Stock Exchange**.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above, except in respect of matters specified below

Sr. No	Compliance Requirement (Regulations! circulars! guidelines including specific clause)	Deviations	Observations! Remarks of the Practicing Company Secretary
1	Regulation 24A – Non-compliance with submission of secretarial compliance report for the year ended 31 st March, 2021	BSE Imposed Fine of Rs. 68,440/- (for the year ended March, 2021)	The Company had received email dated 29th July, 2021 for Non-compliance with submission of secretarial compliance report under Regulation 24A of Listing Regulations for the Year ended 31st March, 2021. The Company has replied to the exchange stating the reasons for that as it was not non-compliance of the Company and it was the first time applicability of the Regulation for which SEBI gives time to implement the same for six months. The reply for waiver of fine is still pending from the exchange

I further report that;

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review are carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF PURITY FLEXPACK LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Purity Flexpack Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. (Hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. There are no Key Audit Matters to be reported.

Information other than the Financial Statement and Auditor's Report thereon

The Company's Board of Directors is responsible for preparation the other information. The other information comprises the information included in Board's Report including Annexure to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon;

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation

and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error;

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so;

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation;

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit;

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards;

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or

Modi & Joshi

Chartered Accountants

when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **PURITY FLEXPACK LIMITED** (“the Company”) as of 31st March, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of internal financial controls with reference to financial statements of the company that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to financial statements of the company were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the internal financial controls with reference to financial statements of the company and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2022

1. Corporate information

Purity Flexpack Limited ("the Company") is a limited company domiciled and incorporated in India having its registered office at Vasanti, Post Tajpura, Near Halol, Dist Panchmahal-389 350. The principal activity of the Company is manufacturing of Flexible Packaging Materials.

2. BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES

This note provides a list of the significant accounting policies adopted in the presentation of these standalone financial statements.

A. COMPLIANCE WITH IND AS:

This Financial Statements comply in all material respects with Indian Accounting Standard ('Ind AS') as notified by the Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 (Act) read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The accounting policies are applied consistently to all the periods presented in the Financial Statement.

i. Historical cost convention:

The Financial Statements have been prepared on a historical cost basis, except for the following:

- a) Certain financial assets and liabilities (including derivative instruments) that are measured at fair value
- b) Defined benefit plans: plan assets measured at fair value

ii. Rounding of Amounts:

The financial statements are presented in INR and all values are rounded to the nearest lakhs, except when otherwise indicated.

B. SIGNIFICANT ESTIMATES, JUDGEMENTS AND ASSUMPTIONS

The preparation of financial statements in conformity with Ind AS requires the management to make estimates, assumptions and exercise judgment in applying the accounting policies that affect the reported amount of assets, liabilities and disclosure of contingent liabilities at the end of the financial statements and reported amounts of income and expense during the year.

The management believes that these estimates are prudent and reasonable and are based on management's best knowledge of current events and actions. Actual results could differ from these estimates and difference between actual results and estimates are recognised in the period in which results are known or materialised.

Key sources of estimation uncertainty

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

Allowances for doubtful debts

The Company makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgments and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

Allowances for inventories

Management reviews the inventory age listing on a periodic basis. This review involves comparison of the carrying value of the aged inventory items with the respective net realizable value. The purpose is to ascertain whether an allowance is required to be made in the financial statements for any obsolete and slow moving items. Management is satisfied that adequate allowance for obsolete and slow-moving inventories has been made in the financial statements.

Liability for sales return

In making judgment for liability for sales return, the management considered the detailed criteria for the recognition of revenue from the sale of goods set out in Ind AS 115 and in particular, whether the Company had transferred to the buyer the significant risk and rewards of ownership of the goods. Following the detailed quantification of the Company's liability towards sales return, the management is

satisfied that significant risk and rewards have been transferred and that recognition of the revenue in the current year is appropriate, in conjunction with the recognition of an appropriate liability for sales return. Accruals for estimated product returns, which are based on historical experience of actual sales returns and adjustment on account of current market scenario is considered by Company to be reliable estimate of future sales returns.

Useful lives of property, plant and equipment ('PPE') and intangible assets

Management reviews the estimated useful lives and residual value of PPE and Intangibles at the end of each reporting period. Factors such as changes in the expected level of usage, technological developments and product life-cycle, could significantly impact the economic useful lives and the residual values of these assets. Consequently, the future depreciation charge could be revised and may have an impact on the profit of the future years.

Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgement. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

(i) Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1 for the asset or liability.
- Level 3 inputs are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants.

C. RECENT PRONOUNCEMENT :

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1st, 2022, as below:

(i) Ind AS 103 – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

(ii) Ind AS 16 – Proceeds before intended use

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or

loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

(iii) **Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract**

The amendments specify that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

(iv) **Ind AS 109 – Annual Improvements to Ind AS (2021)**

The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements.

(v) **Ind AS 106 – Annual Improvements to Ind AS (2021)**

The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration. The Company does not expect the amendment to have any significant impact in its financial statements.

The principal accounting policies are set out below.

2.1. Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue is recognised in the Statement of Profit and Loss to the extent that it is probable that the economic benefits will flow to the company and the revenue and costs, if applicable, can be measured reliably. Goods & Service Tax (GST) is not received by the Company on its own account, rather, it is tax collected on value added to the commodity by the Company on behalf of the Government. Accordingly, these are excluded from revenue.

Sale of Goods and Services

Revenue is recognised when the customer obtains control of the goods. The customer obtains control of goods at the different point in time based on the delivery terms. Accordingly, company satisfies its performance obligation at the time of dispatch of goods from the factory/stockyard/storage area/port as the case may be and accordingly revenue is recognised. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

The determination of transaction price, its allocation to promised goods and allocation of discount or variable compensation (if any) is done based on the contract with the customers.

Interest Income

Interest income from debt instruments is recognised using the effective interest rate method and shown under interest income in statement of profit and loss. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset.

Dividend Income

Dividend income from investment is recognised when the right to receive payment is established, which is generally when shareholders approve the dividend.

2.2. Foreign Exchange Transactions

The functional currency of the Company is Indian Rupees which represents the currency of the primary economic environment in which it operates.

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Monetary items denominated in foreign currencies at the year-end are restated at closing rates. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain/ (loss).

Foreign exchange gain/(loss) resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in profit or loss.

Exchange difference arising in respect of long term foreign currency monetary items that relates to acquisition of a depreciable capital asset are added to or deducted from the cost of the asset and are depreciated over the remaining useful life of an asset.

2.3. **Borrowing Costs**

Borrowing costs specifically identified to the acquisition or construction or production of qualifying assets is capitalized as part of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

2.4. **Employee Benefits**

Short-term obligations:

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employee's services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Post-employment benefit plans

Defined contribution Plans(Provident Fund)

Employee benefit under defined contribution plan comprising of provident fund is recognized based on the amount of obligation of the Company to contribute to the plan. The contribution is paid to Regional Provident Fund Commissioner, which is expensed during the year.

Defined benefit Plans(Gratuity)

The Company's gratuity plan is a defined benefit plan. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the projected unit credit method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rate used for determining the present value of the obligation under defined benefit plans, is based on the prevailing market yields on government bond as at the balance sheet date.

Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment or curtailment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- Net interest expense or income; and
- Remeasurement

The Company has instituted a Group - cum - Life Insurance Scheme with the Life Insurance Corporation of India, so far as gratuity is concerned.

Compensated Absences:

Entitlement of employees accumulating earned leave and eligibility of compensation or encashment of the same is also a defined benefit obligation and is treated as long term in nature in terms of the policies of the Company for the same. The actual value of obligation towards the same is provided as at the balance sheet date.

Terminal Benefits

All terminal benefits are recognized as an expense in the period in which they are incurred.

2.5. **Earnings Per Share**

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit

after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

Antidilutive options are not considered in computing dilutive earning per share.

2.6. **Cash Flow Statement**

Cash flows are reported using the indirect method, where by profit after tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

2.7. **Taxation**

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Current and deferred tax for the year

Current and deferred tax expense are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax expense are also recognised in other comprehensive income or directly in equity respectively.

Minimum alternate tax (MAT)

MAT paid in a year is charged to the Statement of profit and loss as current tax. MAT credit entitlement is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period, which is the period for which MAT credit is allowed to be carried forward. Such asset is reviewed at each balance sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

2.8. **Property, plant and equipment**

Buildings held for use in the production or supply of goods, or for administrative purposes, are stated in the Balance Sheet at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management.

Property, plant and equipment (other than buildings) are stated at cost less accumulated depreciation and accumulated impairment losses, if any.

Capital work-in-progress

Property, Plant and Equipment (PPE) in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. The cost of an asset comprises its purchase price or its construction cost (net of applicable tax credits) and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the Management. It includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Parts of an item of PPE having different

useful lives and material value and subsequent expenditure on PPE arising on account of capital improvement or other factors are accounted for as separate components.

Depreciation of these PPE commences when the assets are ready for their intended use.

Depreciation

Depreciation is provided on the cost of PPE less their residual values, using the straight line method over the useful life of PPE as specified in Schedule II to the Companies Act, 2013 except in case of certain items of PPE where useful life has been considered based on technical assessment. Estimated useful lives of the assets are as follows:

Sr. No.	Particulars	Useful lives (in years)
1.	Buildings	30-60
2.	Roads and Culverts	3
3.	Plant and Machinery	15
4.	Office equipment	5
5.	Computer and Server	3-6
6.	Furniture and fixtures	10
7.	Vehicles	8-10
8.	Electrification	10
9.	Solar Plant	15
10.	Laboratory Equipment	10

Depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

2.9. Intangible Assets

Intangible assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization or depletion. All costs, including finance cost till commencement of commercial production, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets are capitalized.

The useful life is assessed as either finite or indefinite. Intangible with finite lives are amortised on straight line basis over the useful lives of the assets and assessed for impairment. The amortization expense on intangible assets with finite lives is recognized in the statement of profit and loss.

Intangible assets with infinite lives are amortized on a straight line basis over the estimated useful economic life, company has estimated economic useful life of 10 years for such assets. All intangible assets are assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization expense on intangible assets is recognized in statement of profit and loss.

2.10. Impairment of PPE

At the end of each reporting period, the Company reviews the carrying amounts of its PPE and intangible assets of a cash generating unit to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in statement of profit and loss.

An assessment is made at the end of each reporting period to see if there are any indications that impairment losses recognized earlier may no longer exist or may have come down. The impairment loss is reversed, if there has been a change in the estimates used to determine the asset's recoverable amount since the previous impairment loss was recognized. If it is so, the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. After a reversal the depreciation charge is adjusted in future periods to allocate the asset's revised carrying amount, less any residual value, on a systematic basis over its remaining useful life. Reversals of Impairment loss are recognized in the statement of profit and loss.

2.11. Inventories

Inventories are valued at lower of cost or net realizable value. Cost of inventories comprises of purchase cost and other costs incurred in bringing inventories to their present location and condition. The cost has been determined as under:

Raw material & Packing Material	On First in First out (FIFO) basis.
Finished products	At Raw material and Conversion cost
Stock-in-process	At Raw material and Proportionate Conversion cost.
Stores and spares (other than those capitalised as property, plant and equipment) and other trading goods	On cost basis.

2.12. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent assets are disclosed in the financial statements by way of notes to accounts when an inflow of economic benefits is probable.

Contingent liabilities are disclosed in the financial statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefits is remote.

2.13. Financial instruments

A. FINANCIAL ASSETS

INITIAL RECOGNITION

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Statement of Profit and Loss.

SUBSEQUENT MEASUREMENT

Financial assets are classified into the following specified categories:

- Financial assets carried at amortized cost
- Financial assets at fair value through other comprehensive income (FVTOCI)
- Financial assets at fair value through profit and loss (FVTPL)

EQUITY INSTRUMENTS

All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same

either as at FVTOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

DEBT INSTRUMENTS

MEASURED AT AMORTISED COST

Financial Assets that are held for collection of contractual cash flow where those cash flows represent solely payment of principal and interest are measured at amortised cost. Interest income from these financial assets is included in interest income using the Effective Interest Rate (EIR) method. The amortisation of EIR and loss arising from impairment, if any is recognised in the Statement of Profit and Loss.

MEASURED AT FAIR VALUE THROUGH OTHER COMPREHENSIVE INCOME (OCI)

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through Other Comprehensive Income (FVTOCI).

Fair value movements are recognised in the OCI. Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss.

On de-recognition, cumulative gain | (loss) previously recognised in OCI is reclassified from the equity to other income in the Statement of Profit and Loss.

MEASURED AT FAIR VALUE THROUGH PROFIT OR LOSS (FVTPL)

A financial asset not classified as either amortised cost or FVOCI, is classified as Fair Value through profit or loss (FVTPL). Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as other income in the Statement of Profit and Loss.

IMPAIRMENT OF FINANCIAL ASSET

The company assesses on a forward looking basis the expected credit losses (ECL) associated with its financial assets carried at amortised cost and FVTOCI. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade and lease receivable only, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected life time losses to be recognised from initial recognition of such receivables.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider all contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument.

DE-RECOGNITION OF FINANCIAL ASSETS

A financial asset is de-recognised only when the Company, has transferred the rights to receive cash flows from the financial asset or retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised.

Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not de-recognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the company has not retained control of the financial asset. Where the company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

B. FINANCIAL LIABILITIES

INITIAL RECOGNITION AND MEASUREMENT

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include loans and borrowings, trade and other payables

SUBSEQUENT MEASUREMENT

Financial liabilities at fair value through profit and loss(FVTPL)

Financial liabilities at fair value through profit or loss include derivatives. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the Criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own Credit risks are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss.

LOANS AND BORROWINGS

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

DE-RECOGNITION

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

OFF-SETTING FINANCIAL INSTRUMENTS

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

2.14. Segment reporting

Operating segments are identified and reported taking into account the different risk and returns, the organization structure and the internal reporting systems.

2.15. Current & non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

2.16. Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative standalone price of the lease component and the aggregate standalone price of the non-lease components.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For leases with reasonably similar characteristics, the Company, on a lease-by-lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised substance fixed lease payments. The Company recognises the amount of the re-measurement of lease liability due to modification as an adjustment to the right-of-use asset and statement of profit and loss depending upon the nature of modification. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in statement of profit and loss.

The Company has elected not to apply the requirements of Ind AS 116 Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognised as an expense on a straight-line basis over the lease term.

Company as a lessor

At the inception of the lease the Company classifies each of its leases as either an operating lease or a finance lease. The Company recognises lease payments received under operating leases as income on a straight-line basis over the lease term. In case of a finance lease, finance income is recognised over the lease term based on a pattern reflecting a constant periodic rate of return on the lessor's net investment in the lease. When the Company is an intermediate lessor it accounts for its interests in the head lease and the sub-lease separately. It assesses the lease classification of a sub-lease with reference to the right-of-use asset arising from the head lease, not with reference to the underlying asset. If a head lease is a short-term lease to which the Company applies the exemption described above, then it classifies the sub-lease as an operating lease.

If an arrangement contains lease and non-lease components, the Company applies Ind AS 115 Revenue from contracts with customers to allocate the consideration in the contract.

2.17. Government Grants

Government grants and subsidies are recognized when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants / subsidy will be received. Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire capital assets are presented by deducting them from the carrying value of the assets. The grant is recognized as income over the life of a depreciable asset by way of a reduced depreciation charge.

Export benefits are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

Government grants in the nature of promoters' contribution like investment subsidy, where no repayment is ordinarily expected in respect thereof, are treated as capital reserve. Government grants in the form of non-monetary assets, given at a concessional rate, are recorded on the basis of their acquisition cost. In case the non-monetary asset is given free of cost, the grant is recorded at a nominal value.

Other government grants and subsidies are recognised as income over the periods necessary to match them with the costs for which they are intended to compensate, on a systematic basis.

2.18. Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Employee benefit plan typically expose the company to actuarial risks such as: investment risk, interest risk, longevity risk and

Investment Risk

The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to the market yields on government bonds denominated in Indian Rupees. If the actual return on plan asset is below this rate, it will create a

Interest Risk

A decrease in the bond interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's debt investments.

Longevity Risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the

Salary Risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Note 34.2: FINANCIAL RISKS MANAGEMENT

In the course of business, amongst others, the Company is exposed to several financial risks such as Credit Risk, Liquidity Risk, Interest Rate Risk, Exchange Risk and Commodity Price Risk.

These risks may be caused by the internal and external factors resulting into impairment of the assets of the Company causing adverse influence on the achievement of Company's strategies, operational and financial objectives, earning capacity and financial

The Company has formulated an appropriate policy and established a risk management framework which encompass the following process:

- identify the major financial risks which may cause financial losses to the company
- assess the probability of occurrence and severity of financial losses
- mitigate and control them by formulation of appropriate policies, strategies, structures, systems and procedures
- Monitor and review periodically the adherence, adequacy and efficacy of the financial risk management system

The Company enterprise risk management system is monitored and reviewed at all levels of management, Internal Auditors, Audit Committee and the Board of Directors from time to time.

(A) COMMODITY PRICE RISK

The main raw materials which company procures are global commodities and their prices are to a great extent linked to the movement of crude prices directly or indirectly. The pricing policy of the Company's final product is structured in such a way that any change in price of raw materials is passed on to the customers in the final product however, with a time lag which mitigates the raw

With regard to the finished products, the Company has been operating in a global competitive environment which continues to keep downward pressure on the prices and the volumes of the products.

In order to combat this situation, the Company formulated manifold plans and strategies to develop new customers & focus on new innovative products. In addition, it has also been focusing on improvement in product quality and productivity. With these measures,

(1) FOREIGN CURRENCY RISK

The company is exposed to the foreign currency risk from transactions. Transactional exposures are arising from the transactions entered into foreign currency. Management keeps a close watch of the maturity of the financial assets in foreign currency and

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the

(2) INTEREST RATE RISK

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates. Further, the Company's investments in deposits is with banks and electricity authorities and therefore do not expose the Company to significant interest rates risk. The Company's variable rate borrowing is subject to interest rate risk. However, the management considers the impact of fair value interest rate risk on variable rate borrowings to be immaterial.

(B) CREDIT RISK

Credit Risk refers to the risks that arise on default by the counterparty on its contractual obligation resulting into financial loss to the company. The company may carry this Risk on Trade and other receivables, liquid assets and some of the non current financial assets. In case of Trade receivables, the company has framed appropriate policy for extending credits period & limit to each customer based on their profile, financial position and their external rating etc. The collections of trade dues are strictly monitored. In case of Export customers, even credit guarantee insurance is also obtained for each and every customer.

The credit risk on cash & cash equivalent, investment in fixed deposits, liquid funds and deposits are insignificant as counterparties are banks or mutual funds with high credit ratings assigned by the trading agencies of international repute.

(C) LIQUIDITY RISK

Liquidity Risk arises when the company is unable to meet its short term financial obligations as and when they fall due.

The company maintains adequate liquidity in the system so as to meet its all financial liabilities timely. In addition to this, the company's overall financial position is very strong so as to meet any eventuality of liquidity tightness.

Contractual maturities of financial liabilities are given as under:

Fair Value hierarchy disclosures:

Level Financial Instruments measured using quoted prices. This includes listed equity instruments, traded bonds, ETF's and mutual funds that have quoted prices. The fair value of all equity instruments (including bonds) which are traded in stock exchanges is valued using the closing prices as at the reporting period. The mutual funds are valued using the closing NAV.

Level Financial Instruments that are not traded in an active market (for example traded bonds, over the counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs). This is the case of unlisted equity securities, contingent consideration and indemnification asset included in level 3.

The management has carried out analysis of financial assets and liabilities for all the reporting periods and has concluded that there are no financial assets and liabilities to be considered at fair value and disclosed under Level 1, Level 2 or Level 3 and all the financial assets and liabilities are at its carrying value which is equal to the fair value measured at amortised cost.

The carrying amounts of trade receivables, cash and cash equivalent, bank balances, current loans, current other financial assets, trade payables, current borrowings and other current financial liabilities are considered to be the same as their fair values, due to the carrying amounts of non current financial loans are considered to be the same as their fair value as it consist of security deposit with Government Organisations such as Electricity companies, which are interest bearing and are close to the fair value.
