EXPLANATORY STATEMENT AS PER PROVISIONS OF SECTION 102 OF THE COMPANIES ACT, 2013

Pursuant to Section 102 of the Companies Act, 2013 ("the Act"), the following Explanatory Statement sets out all material facts relating to the business mentioned under Item Nos. 3 of the accompanying Notice dated September 01, 2026.

Item no-3:

Pursuant to the provisions of Section 204 of the Companies Act, 2013 ("Act") read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and Regulation 24A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), every listed entity is required to appoint a Secretarial Auditor who is a Peer Reviewed Company Secretary, subject to the applicable provisions of law.

The Board of Directors, at its meeting held on 29 January 2026, had appointed M/s. Khushal Joshi & Associates, Practicing Company Secretaries, [Membership No. 14082, COP No. 19318, Peer Review No. 3554/2023], as the Secretarial Auditor of the Company to fill the casual vacancy caused by the resignation of the erstwhile Secretarial Auditor. The said appointment was made for the period from 29 January 2026 till the conclusion of the ensuing Annual General Meeting.

The Board of Directors, based on the recommendation of the Audit Committee, has now recommended the appointment of M/s. Khushal Joshi & Associates, Practicing Company Secretaries, as the Secretarial Auditor of the Company for a term of five consecutive financial years commencing from FY 2026-27 and ending with FY 2030-31, subject to the approval of the Members at this Annual General Meeting.

The Company has received the consent and eligibility certificate from M/s. Khushal Joshi & Associates confirming that they are eligible for appointment as Secretarial Auditor under the applicable provisions of the Companies Act, 2013 and the SEBI Listing Regulations, hold a valid Peer Review Certificate issued by the Institute of Company Secretaries of India and have not incurred any disqualification prescribed under the applicable laws and regulations.

The Board, after considering the recommendation of the Audit Committee and the credentials, experience and expertise of the proposed Secretarial Auditor, is of the opinion that their appointment would be in the best interests of the Company.

The details required under Regulation 36(5) of the SEBI Listing Regulations are as follows:

Particulars	Details

Management Discussion and Analysis Report

Market Overview

The Company operates in a competitive business environment influenced by developments in the construction and manufacturing sectors. Growing demand for construction-related products, increasing focus on recyclable and sustainable materials, technological developments and changing input costs continue to influence the industry. The Company continues to monitor market developments and align its business strategies with changing economic and business conditions.

Opportunities and Threats

The growth in construction and related sectors presents opportunities for the Company to expand its business and strengthen its market presence. However, the industry remains competitive and fragmented, with market participants focusing on product quality, innovation, pricing and manufacturing efficiencies.

Fluctuations in the prices and availability of raw materials and other key inputs, competitive pressures, counterparty risks and changes in the business environment remain the key challenges. The Company continues to focus on operational efficiency, prudent cost management and effective risk management practices to mitigate such risks.

Segment-wise or Product-wise Performance

The Company operates in a single business segment. Accordingly, separate segment-wise performance details are not applicable.

Internal Control Systems and their Adequacy

The Company has adequate internal control systems commensurate with the size, scale and nature of its operations. The internal control framework is designed to ensure proper safeguarding of assets, accuracy and reliability of financial information, compliance with applicable laws and regulations, and effective operational controls.

Accounts of the Company

The Company has prepared its financial statements for the financial year ended March 31, 2026 in accordance with the applicable Indian Accounting Standards (Ind AS) notified under the Companies Act, 2013.

- (h) The Securities and Exchange Board of India (Buy Back of Securities) Regulations, 1998. **(Not applicable to the Company during the audit period)**
- (i) Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018 and amendments from time to time

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India concerning Board and general meetings.
- (ii) SEBI (The Listing Obligation Disclosure Requirement) Regulations 2015 by the Company with the Bombay Stock Exchange Limited.

During the year under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above subject to the following observation:

**I further report that:**

1. During the period under review, the Company experienced a delay of two days in convening the meetings of the Board of Directors and the Audit Committee. The preceding meetings were held on 20th January 2025, while the subsequent meetings were held on 22nd May 2025, resulting in an interval of 122 days against the statutory limit of 120 days prescribed under Section 173(1) of the Companies Act, 2013, read with Regulations 17(2) and 18(2)(a) of the SEBI (LODR) Regulations, 2015.

The delay was occasioned by unavoidable and exceptional circumstances owing to the critical health condition and subsequent demise of the Chairman & Managing Director, Mr. Chander Mohan Marwah (DIN: 00172818), on 28th May 2025. Despite severe operational disruptions, the Company ensured statutory business was transacted by convening the meetings on 22nd May 2025.

2. The minutes of the Board meeting held on 22nd May 2025 were entered and signed on 09th July 2025, exceeding the timeline of 30 days prescribed under Secretarial Standard-1 (SS-1).

The delay in finalizing and signing the minutes was purely consequential to the sudden demise of the Chairman & Managing Director, which temporarily disrupted standard administrative procedures.

3. During the period under review, the office of the Chief Financial Officer (CFO) fell vacant following the resignation of Mr. Rajesh Arya with effect from 8th December 2025. In accordance with Section 203(4) of the Companies Act, 2013, read with Regulation 26A of the SEBI (LODR) Regulations, 2015, the resultant vacancy was required to be filled within three months from the date of vacancy, i.e., on or before 7th March 2026. The Company subsequently appointed Mr. Aashish Gupta as the Chief Financial Officer with effect from 1st June 2026, resulting in a gap of 175 days against the prescribed 3-month timeline.

The delay in filling the vacancy was solely attributable to the extended executive search required to identify a candidate with qualifications and experience. Despite active recruitment efforts, the position could not be filled within the statutory period. As a measure of good governance, the Company formally submitted an application to the regulatory authority explaining the constraints and requesting an extension of time. The office of the CFO stands duly restored effective 1st June 2026.

4. Adequate notice was given to all directors of the Board Meetings, and the agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
5. Decisions at the Board meetings were carried out through the majority and the views of the dissenting members, if any, were captured and recorded as part of the minutes of meetings.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations, and guidelines.

I further report that during the audit period there were no specific events that had a bearing on the Company's affairs in pursuance of the above-referred laws, rules, regulations, guidelines, standards, etc.

INDEPENDENT AUDITOR'S REPORT**TO THE MEMBERS OF****M/s JAI MATA GLASS LIMITED**

Report on the Audit of the standalone financial statement

Opinion

We have audited the accompanying standalone financial statements of **JAI MATA GLASS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and a summary of the material accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our

audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S.no	Key Audit Matter	Auditor's Response
1.	Revenue Recognition from Commission Income The Company's revenue comprises solely of commission income. Revenue recognition from commission contracts is a significant audit matter due to the following: - The determination of the timing and amount of commission revenue to be recognized involves application of judgment with respect to the satisfaction of performance obligations in accordance with Ind AS 115 – <i>Revenue from Contracts with Customers</i>. - There may be varied commission structures or terms with customers, including volume-based or tiered rates, which require interpretation of contract terms. - The risk of misstatement is higher due to the judgment involved in estimating variable consideration, ensuring revenue is recognized only when control is transferred, and adequate	Our audit procedures included, among others: - Obtaining an understanding of the Company's process for revenue recognition and evaluating the design and implementation of relevant controls. - Evaluating sample commission contracts to assess the Company's identification of performance obligations and timing of revenue recognition. - Assessing the Company's application of the revenue recognition criteria in accordance with Ind AS 115. - Testing commission invoices and receipts to validate occurrence and accuracy of revenue. - Performing analytical procedures to assess the reasonableness of commission revenue recognized. - Evaluating disclosures made in the financial statements with respect to revenue recognition policies.

	disclosures are made. Accordingly, revenue recognition from commission income has been identified as a key audit matter.

Information Other than the Standalone financial statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report and sustainability report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls,

that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the

standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly

lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the financial year ended March 31, 2026 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

“ANNEXURE B” TO INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Jai Mata Glass Limited of even date)

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of the section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to standalone financial statements of **Jai Mata Glass Limited** (“the Company”) as of March 31, 2026, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on ‘the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial Controls With reference to standalone financial statements (Guidance Note) issued by the Institute Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to standalone financial statements of the company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial controls with reference to standalone financial statements (the “Guidance note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial control. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain the reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding

of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to these standalone financial statement.

A Company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to standalone financial statements includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls With reference to standalone financial statements

Because of its inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not to be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at 31st March 2026, based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components

of internal control stated in the Guidance Note on Audit of Internal Financial Controls With reference to standalone financial statements issued by the Institute of Chartered Accountants of India (the “Guidance Note”).

1 Corporate Information

1.1 Jai Mata Glass Limited, having CIN: L26101HP1981PLC004430, is a public company domiciled in India and incorporated under the provisions of Companies Act, 1956. Its shares are listed on the Bombay Stock Exchange. The Company is engaged in the business of trading in glass and procuring orders as a sales agent in the eastern and northern regions of India.

1.2 Going Concern

The Company renders services of selling agent and the accounts of the company have been prepared on a going on concern basis.

2 Significant Accounting Policies**a) Basis of preparation of financial statements****(i) Statement of compliance**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended), and presentation requirements of Division II of Schedule III to the Companies Act, 2013 (Act), as applicable to the Company.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The financial statements have been approved by the company's Board of Director's on May 14, 2026.

(ii) Basis of preparation

The financial statements have been prepared under the historical cost convention with the exception of certain assets and liabilities that are required to be carried at fair value by Ind AS.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle which is based on the nature of businesses and the time elapsed between deployment of resources and the realisation of cash and cash equivalents. The Company has considered an operating cycle of 12 months.

b) Use of estimates and Judgements

The preparation of the financial statements are in conformity with Ind AS which requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

c) Property, plant & equipment

i) Property, plant and equipment's are stated at cost and net of accumulated depreciation and/or impairment loss, if any. Such Cost includes all incidental expenses and interest costs on borrowings, attributable to the acquisition of qualifying assets, up to the date of commissioning of assets.

ii) Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.

iii) The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value which is further reduced by the cost that shall be incurred for disposal of the asset.

iv) Depreciation on the property, plant and equipment is provided over the useful life of assets as specified in Schedule II to the Companies Act, 2013

v) In respect of assets added/disposed off during the year, depreciation is charged on pro-rata basis with reference to the month of addition/disposal.

vi) Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end.

d) Intangible assets

Software costs and other intangible assets are included in the balance sheet as intangible assets when it is probable that associated future economic benefits would flow to the Company. In this case they are measured initially at purchase cost and then amortised on a straight-line basis over their estimated useful lives.

	Estimated useful life
Computer Software	3 to 5 years

e) Capital Advances

Advances given towards acquisition of property, Plant and Equipment outstanding at each balance sheet date are disclosed as other Non - Current Assets.

f) Financial Instruments**Initial recognition**

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not stated at fair value through profit or loss, are added to the fair value on initial recognition. Regular purchase and sale of financial assets are accounted for at trade date.

Subsequent measurement***Financial assets carried at amortised cost***

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of assets and liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

Financial Liabilities

Financial Liabilities are measured at amortised cost.

Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition in accordance with Ind AS 109 "Financial Instruments" issued by the Ministry of Corporate Affairs, Government of India. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

g) Impairment**Financial assets**

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An Impairment loss is recognised for the amount by the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of cash inflows from other assets or group of assets (cash generating units). Non financial asset's other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

h) Provisions and Contingent Liabilities

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

Contingent liabilities are not recognised but are disclosed by way of notes to the financial statements, after careful evaluation by the management of the facts and legal aspects of each matter involved. Contingent assets are neither recognised nor disclosed in the financial statements.

i) Employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange of services rendered by employees is recognised during the period when the employee renders the services. These benefits include salaries, bonus and performance incentives.

Short Term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. These benefits include salaries and wages, bonus etc. The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

Post Employment Benefits**Gratuity**

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates of government bonds. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to equity in other comprehensive income in the period in which they arise.

j) Taxation

Income tax expense represents the sum of the tax payable and deferred tax.

Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit before tax as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred Tax

Deferred tax is recognised on temporary timing differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realised, based on the tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred Tax Assets includes Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

Current and deferred tax for the year

Current and deferred tax are recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

k) Revenue recognition

- i) Commission on sale of products is recognised when the title goods are sold/transferred to third party by the Principal
- ii) Interest income is recognized using effective interest method.

l) Leases

The Company determines whether an arrangement contains a lease by assessing whether the fulfilment of a transaction is dependent on the use of a specific forming part of the standalone financial statements

The Company as lessee

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components. The Company recognises right of use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception comprises of the amount of initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date.

Certain lease arrangements include options to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities include these options when it is reasonably certain that such options would be exercised.

The right-of-use assets are subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any, and adjusted for any remeasurement of the lease liability. The right-of-use assets are depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

Lease liability is measured at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications. The Company recognises the amount of the re-measurement of lease liability as an adjustment to the right-of-use asset. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the remeasurement in the statement of profit and loss.

Variable lease payments not included in the measurement of the lease liabilities are expensed to the statement of profit and loss in the period in which the events or conditions which trigger those payments occur.

Payment made towards leases for which non-cancellable term is 12 months or lesser (short-term leases) and low value leases are recognised in the statement of Profit and Loss as rental expenses over the tenor of such leases.

As required by Ind AS 19 actuarial valuation is done using Projected Unit Credit Method. Under this method, only benefits accrued till the date of valuation (i.e. based on service upto date of valuation) are to be considered for valuation. Present value of Defined Benefit Obligation is calculated by projecting salaries, exits due to death, resignation and other decrements, if any, and project the benefit till the time of retirement of each active member using assumed rates of salary escalation, mortality & employee turnover rates. The expected benefit payments are then discounted back from the future date of payment to the date of valuation using the assumed discount rate.

'Service Cost' is calculated separately in respect of benefit accrued during the current period using the same method as described above. However, instead of all accrued benefits, benefit accrued over the current reporting period is considered.

a) Current Ratio	2057%	The current ratio has increased, mainly due to refund of security deposits (non Current asset) received by the company which has led to increase in current assets			
b) Return on Equity ratio	108%	Current-year losses, primarily from reduction in income, caused the decline in the return on equity ratio.			
c) Trade receivable turnover ratio	72%	The change in trade receivable ratio is due to reduction in Revenue and increase in period of receivables.			
d) Net Capital turnover Ratio	-98%	The decrease in the net capital turnover ratio is a direct result of the significantly higher current asset base, which substantially increased working capital and reduced the ratio.			
e) Net Profit Raio	70%	The net profit ratio has deteriorated during the current year, primarily due to the steep decline in revenue from operations, while the operating expenses, being largely fixed in nature, resulting in a higher loss per rupee of revenue.			
f) Return on Capital Employed	-53%	The decline in the return on capital employed is on account of the Company reporting an operating loss during the current year as against an operating profit in the previous year, primarily attributable to the significant reduction in revenue from operations and other income.			
30	The Company has not recognized deferred tax assets that relate to unused tax losses and unabsorbed depreciation, as it is not probable that future taxable profit will be available with the Company that can utilize the benefits.

The Company's financial liabilities comprise mainly of borrowings, trade payables and other payables. The Company's financial assets comprise mainly of investments, cash and cash equivalents, other balances with banks, loans, trade receivables and other receivables.

The Company is exposed to Market risk, Credit risk and Liquidity risk. The Board of Directors ('Board') oversee the management of these financial risks through its Risk Management Committee. The Risk Management Policy of the Company formulated by the Risk Management Committee and approved by the Board, states the Company's approach to address uncertainties in its endeavor to achieve its stated and implicit objectives. It prescribes the roles and responsibilities of the Company's management, the structure for managing risks and the framework for risk management. The framework seeks to identify, assess and mitigate financial risks in order to minimize potential adverse effects on the company's financial performance.

i) Capital Management

The Company's capital management objectives are:

The Board policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Board of Directors monitors the return on capital employed.

The Company manages capital risk by maintaining sound/optimal capital structure through monitoring of financial ratios, such as debt-to-equity ratio and net borrowings-to-equity ratio on a monthly basis and implements capital structure improvement plan when necessary.

The Company uses debt ratio as a capital management index and calculates the ratio as Net debt divided by total equity. Net debt and total equity are based on the amounts stated in the financial statements.

Debt to equity ratio is as follow:

Particulars	As at 31st March, 2026	As at 31st March, 2025
Current Borrowings	-	-
Net Debt (A)	-	-
Equity (B)	193.94	215.34
Debt Ratio (A/B)	-	-

Notes forming part of audited financial statements**ii) Credit Risk**

Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, investment in mutual funds, other balances with banks, loans and other receivables.

The Company's exposure and credit ratings of its counterparties are continuously monitored and the aggregate value of transactions is reasonably spread amongst the counterparties.

Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was Rs. 15.39 Lakhs (Previous Year Rs. 210.45 Lakhs) respectively, being the total of the carrying amount of balances of trade receivables, Loans and other financial assets.

Ind AS requires expected credit losses to be measured through a loss allowance. The Company assesses at each date of financial statement whether a financial asset or a group of financial assets is impaired. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 months expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

iii) Liquidity Risk**a) Liquidity risk management**

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

b) Maturities of financial liabilities

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows. The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:
