Shareholders related matters:

24. In terms of the provisions of the SEBI LODR, securities of listed companies can be transferred only in dematerialised form with effect from April 01, 2019. Further, SEBI, vide its circular dated January 25, 2022, has also advised listed companies and Registrar & Transfer Agents to issue shares in dematerialised form while processing service requests for transmission, transposition, issue of duplicate certificates, renewal, splitting, consolidation of share certificate, etc. In view of the above and to eliminate all risks associated with physical shares and for ease of portfolio management, Members holding shares in physical form are requested to consider converting their shareholdings into dematerialized form. Members can contact the Bank's RTA, KFinTech, for assistance in this regard.

25. Mandatory furnishing of PAN, KYC details and Nomination by holders of physical securities:

SEBI, vide Section V of its 'Master Circular for Registrars to an Issue and Share Transfer Agents' dated June 23, 2025, has mandated furnishing of PAN, KYC details and nomination by holders of physical securities and linking PAN with Aadhaar. Members holding shares in physical mode and who have not yet updated their KYC, including e-mail address, mobile no., bank details, etc., are requested to update the same by submitting duly filled in Form ISR-1 with relevant documents to the RTA or the Bank. Similarly, for updation of signature, Form ISR-2; for nomination, Form No. SH 13; for change in nomination, Form No. SH 14; and for opt out of nomination, Form ISR-3; and for cancellation of nomination, Form ISR-3, along with Form No. SH 14, duly filled in all respect, with relevant documents, shall be submitted to the RTA or the Bank. The detailed process of submission of PAN, KYC details and nomination, along with necessary forms, are available on the website of the Bank at www.bandhanbank.com/sebi-circular.

26. In case a holder of physical securities fails to furnish any of the abovementioned details (except choice of nomination), the security holder shall be eligible to lodge grievance or avail any service request from the RTA only after furnishing all such details/ documents. Further, payment of dividend in respect of such folios shall be done only through electronic mode with effect from April 01, 2024 upon furnishing of all the aforesaid details (except choice of nomination) in entirety.

27. Members are requested to note that, in order to facilitate the Members to access portfolio services rendered by RTA and to check requests, viz., annual reports, change of address, change/ update Bank mandate and download standard forms, RTA has launched a website, <https://kprism.kfintech.com/>, for Members.

28. Online processing of investor service requests and complaints by RTAs: SEBI, vide Section VII of its Master Circular dated June 23, 2025, advised RTAs to digitize the process of service requests/ complaints and provide a mechanism or portal for investors to lodge service requests/ complaints online. In view of the same, KFintech has digitized the process of service requests/ complaints and has launched a webpage, which can be accessed at <https://kprism.kfintech.com/signup>. Investors may register/ signup, using their Name, PAN, Mobile Number and Email ID, for online processing of service requests. Post registration, users can login via OTP and execute activities, like, raising Service Request, Query, Complaints, check for status, KYC details, Dividend, Interest, Redemptions, e-Meeting and e-Voting details.

29. As an ongoing endeavour to enhance Investor experience and leverage new technology, facilities

provided by RTA for smooth updation of KYC are as follows:

eSign Facility: Common and simplified norms for processing investor's service requests by RTAs and norms for furnishing PAN, KYC details and Nomination requires that eSign option be provided to Investors for raising service requests. URL: <https://ris.kfintech.com/clientservices/jsc/isrforms.aspx>.

KYC Status: To ensure that shareholders have requisite information regarding their folios, the RTA has created a webpage at <https://kprism.kfintech.com/>, where the Members may access the KYC status of their respective folios by registering with the first holder's PAN details.

30. Transfer of unclaimed/ unpaid dividends to the IEPF:

Members are requested to note that dividends which are not claimed within seven years from the date of transfer to the Bank's Unpaid Dividend Account, will, as per the provisions of Section 124 of the Companies Act and rules made thereunder, be transferred to the Investor Education and Protection Fund ('IEPF'). Further, pursuant to the provisions of Section 124(6) of the Companies Act, read with the IEPF Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ('IEPF Rules'), as amended, all shares in respect of which dividend has not been paid or claimed for seven consecutive years or more shall be transferred to the demat account of the IEPF Authority. The details of unpaid dividend and the unclaimed shares transferred to the IEPF Authority during FY 2024-25 and the process for claiming these are provided in the Report on Corporate Governance forming part of the Annual Report for FY 2024-25.

31. As per Rule 5 of the IEPF Rules, information containing the names and the last known addresses of the persons entitled to receive the sums lying in the account referred to in Section 125(2) of the Companies Act, nature of the amount, the amount to which each person is entitled, the due date for transfer to IEPF, etc., is provided by the Bank on its website at the link: <https://www.bandhanbank.com/unclaimed-dividend>. The concerned Members are requested to verify the details of their unclaimed dividend, if any, from the website and lodge their claim with KFintech before the unclaimed dividends are transferred to the IEPF. The Bank has also sent a communication to all the Members, whose dividends have remained un-encashed, with a request to send the requisite documents to the Bank/ KFintech for claiming such un-encashed dividends and the newspaper notice was also issued in this regard in an English national daily and in Bengali and Gujarati language newspapers.

STATEMENTS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 AND OTHER APPLICABLE PROVISIONS

Statements with respect to items under Ordinary/ Special Business covered in the Notice of Meeting are given below:

Item No. 4:

In terms of the Guidelines for Appointment of Statutory Central Auditors (SCAs)/ Statutory Auditors (SAs) of Commercial Banks (excluding RRBs), UCBs and NBFCs (including HFCs) dated April 27, 2021, issued by the Reserve Bank of India ('RBI') ('**RBI Guidelines**'), for entities with asset size of ₹15,000 crore and above, as at the end of the previous year, the statutory audit should be conducted under joint audit of a minimum of two audit firms [Partnership Firms/ Limited Liability Partnerships (LLPs)]. Further, in order to protect the independence of the auditors/ audit firms, entities will have to appoint the SCAs/ SAs for a continuous period of three years, subject to the firms satisfying the eligibility norms each year. Furthermore, Commercial Banks (excluding RRBs) will be required to take prior approval of RBI for appointment/ re-appointment of SCAs/ SAs, on an annual basis. In view of the RBI Guidelines, the Bank has adopted a Policy for Appointment of Statutory Auditors of the Bank ('**Policy**'). Accordingly, in terms of the RBI Guidelines and the Policy of the Bank, the Bank is required to have two Statutory Auditors to act as its Joint Statutory Auditors.

M/s. Singhi & Co., Chartered Accountants (ICAI Firm Registration No.: 302049E), were appointed as the Joint Statutory Auditors of the Bank, in its 8th AGM, for a period of three years, to hold office as Joint Statutory Auditors of the Bank until the conclusion of its 11th AGM of the Bank to be held in 2025. Further, M/s. V. Sankar Aiyar & Co., Chartered Accountants (ICAI Firm Registration No.: 109208W) were appointed as the Joint Statutory Auditors of the Bank, in its 10th AGM, for a period of three years, to hold office as Joint Statutory Auditors of the Bank until the conclusion of its 13th AGM to be held in 2027. Therefore, since the term of M/s. Singhi & Co., Chartered Accountants, as the Joint Statutory Auditors of the Bank will end with the conclusion of this AGM of the Bank, the Bank is required to appoint one more audit firm to act as the Joint Statutory Auditors of the Bank, along with M/s. V. Sankar Aiyar & Co., Chartered Accountants, in place of the retiring auditors. Accordingly, on the basis of recommendation of the Audit Committee of the Board ('**ACB**') and considering the profile, experience and expertise in the audit of banking and financial service sector, the Board of Directors recommends the appointment of M/s. V. Singhi & Associates, Chartered Accountants (ICAI Firm Registration No.: 0311017E), as Joint Statutory Auditors of the Bank, for a period of three years, to hold office from the conclusion of this 11th AGM until the conclusion of the 14th AGM of the Bank, for the approval of the Shareholders at the ensuing AGM, subject to approval of RBI on an annual basis. As per the requirements of the Companies Act, 2013 (the '**Companies Act**'), M/s. V. Singhi & Associates, Chartered Accountants, have confirmed that the appointment, if made, would be within the limits

specified under Section 141(3)(g) of the Companies Act and that they are not disqualified to be appointed as Statutory Auditors in terms of the provisions of Sections 139 and 141 of the Companies Act and rules made thereunder. Further, the Bank has also received an eligibility certificate from M/s. V. Singhi & Associates, Chartered Accountants, in Form-B, as prescribed under the RBI Guidelines. They have also been subject to peer review by the ICAI.

M/s. V. Singhi & Associates, Chartered Accountants, was established in the year 1977. Currently, the firm has 21 partners and more than 550+ manpower strength, having touchpoints in 7 cities of India. The firm has a total of 38 years of audit experience and has extensive experience in the fields of Banking and Financial services, including audit of large public sector banks and financial institutions, like, State Bank of India, UCO Bank, Paschim Banga Gramin Bank, Malda District Central Cooperative Bank, Dakshin Dinajpur District Central Cooperative Bank.

Audit fees (statutory audit & limited review) as paid for FY 2024-25 has been recommended to be paid to Joint Statutory Auditors i.e. ₹1,65,00,000 (Rupees One Crore and Sixty Five Lakh Only) per annum to M/s. V. Sankar Aiyar & Co., Chartered Accountants, and M/s. V. Singhi & Associates, Chartered Accountants, Joint Statutory Auditors of the Bank, for FY 2025-26 and onward for their remaining tenure, as may be allocated by the Bank between the Joint Statutory Auditors, and as may be mutually agreed between the Bank and the said Joint Statutory Auditors, depending upon their respective scope of work, in addition to Certification and other Fees, out of pocket expenses, outlays and taxes as applicable. The Board/ ACB shall have the power to alter and vary the terms and conditions of appointment and remuneration, including allocation of audit fees between the Joint Statutory Auditors depending upon their respective scope of work and/ or by reason of necessity, on account of conditions as may be stipulated by the RBI and/ or any other authority, in such manner and to such extent as may be mutually agreed between the Bank and the said Joint Statutory Auditors. The remuneration paid to the Joint Statutory Auditors will be disclosed in the Report on Corporate Governance as well as the Annual Financial Statement of the Bank.

Approval of RBI has already been received for appointments of M/s. V. Sankar Aiyar & Co., Chartered Accountants and M/s. V. Singhi & Associates, Chartered Accountants, as the Joint Statutory Auditors of the Bank, for the Financial Year 2025-26, for their second year and first year, respectively.

Since the appointment of M/s. V. Singhi & Associates, Chartered Accountants, as the Joint Statutory Auditors is proposed, in place of the retiring auditors, viz., M/s. Singhi

& Co., Chartered Accountants, as per the provisions of the RBI Guidelines, and the existing Statutory Auditors, viz., M/s. V. Sankar Aiyar & Co., Chartered Accountants, shall act as the Joint Statutory Auditors with them, no special notice is required under Section 140(4) of the Companies Act for moving the resolution set out at Item No. 4 of this Notice.

Your Board of Directors, therefore, recommends passing of the Ordinary Resolution as set out at Item No. 4 of this Notice.

None of the Directors or Key Managerial Personnel of the Bank or their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 4 of this Notice.

Item No. 5:

Pursuant to the provisions of Section 204 and other applicable provisions, if any, of the Companies Act, read with rules allied thereto, and Regulation 24A of the SEBI LODR, the Bank, being a listed company, is required to annex to its Board's Report, prepared under Section 134(3) of the Companies Act, a Secretarial Audit Report, given by a Practicing Company Secretary, in Form No. MR-3.

Further, pursuant to the recent amendments to Regulation 24A of the SEBI LODR, the Bank shall appoint or re-appoint a Company Secretary in Practice as Secretarial Auditor for not more than one term of five consecutive years or a firm of Company Secretary(ies) in practice as Secretarial Auditor for not more than two terms of five consecutive years, on the basis of recommendation of its Board of Directors, with the approval of its shareholders in its Annual General Meeting. Furthermore, Regulation 24A of the SEBI LODR, as amended, mandates that the Secretarial Auditor of the Bank shall hold a valid certificate of peer review issued by the Institute of Company Secretaries of India ('ICSI').

M/s. Makrand M. Joshi & Co. ('MMJC'), Company Secretaries, a firm of Company Secretary(ies) in practice, is a leading firm of practicing Company Secretaries with over 25 years of excellence in Corporate Governance and Compliance. MMJC is widely recognized for its expertise in Secretarial Audits, Compliance Audits, and Due Diligence across sectors like banking, financial services, IT/Telecom, pharmaceuticals, FMCG, and infrastructure, etc. The firm offers end-to-end advisory and compliance services under Corporate Laws, SEBI Regulations, NBFC Laws, FEMA, and Merger & Acquisition. Considering its profile, experience and technical expertise in the field of Secretarial Audit and Corporate Governance, and based on the recommendation of the Audit Committee of the Board ('ACB'), the Board of Directors of the Bank, at its meeting held on June 27, 2025, has approved and recommended to the Shareholders of the Bank, the appointment of MMJC, as the Secretarial Auditor of the Bank, for a term of five consecutive years, i.e., for the Financial Years 2025-26 to 2029-30, for the purpose of conducting the Secretarial Audit of the Bank, and for

providing the Secretarial Audit Reports for to be annexed with the Annual Reports of the Bank for the said respective Financial Years. They hold a valid certificate of peer review issued by the ICSI.

Based on the recommendation of the ACB, the Board has approved an overall remuneration of ₹9,00,000/- (Rupees Nine Lakhs Only) per annum, excluding GST or any other applicable tax, plus out of pocket expenses, if any, at actuals, for MMJC, as the Secretarial Auditor of the Bank, for the Financial Year 2025-26. The proposed fee has been determined considering the scope of work, team strength, experience, and the time and expertise required by MMJC, to conduct the Secretarial Audit of the Bank, effectively. The Board of the Bank *[including any Committee thereof or any person(s) as have been/ may be authorised by the Board or such Committee, in this regard]* shall have the power to determine the remuneration for the subsequent Financial Years, i.e., from Financial Year 2026-27 to Financial Year 2029-30, as may be mutually agreed between the Bank and the said Secretarial Auditor. In addition to the secretarial audit services, the Bank may also obtain other certifications, audit related services and other permissible non-secretarial audit services from MMJC, as may be required from time to time, for which they will be remunerated separately on mutually agreed terms, as may be approved by the Board in consultation with the ACB.

MMJC has provided its consent to act as the Secretarial Auditor of the Bank and has also confirmed that the appointment, if made, would be in compliance with the eligibility and qualifications requirements as laid down in the SEBI LODR and the Companies Act.

Your Board of Directors, therefore, recommends passing of the Ordinary Resolution as set out at Item No. 5 of this Notice.

None of the Directors or Key Managerial Personnel of the Bank or their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 5 of this Notice.

Item No. 6:

The Board of Directors (the '**Board**') of the Bank, at its meeting held on June 27, 2025, pursuant to the recommendation of the Nomination and Remuneration Committee ('**NRC**'), approved the appointment of Ms. Veni Thapar (DIN: 01811724) as an Additional Director (Independent) of the Bank effective June 27, 2025. Pursuant to the provisions of Section 161 of the Companies Act and Regulation 17(1C) of the SEBI LODR, Ms. Thapar can hold office as an Additional Director of the Bank, up to the date of the ensuing AGM of the Bank or up to three months from the date of her appointment, whichever is earlier, and is eligible for appointment. In terms of Section 160(1) of the Companies Act, the Bank has received a notice in writing from a Member signifying his intention

to propose the candidature of Ms. Veni Thapar for the office of Director of the Bank. Ms. Thapar has furnished her consent and declarations for appointment as required under the Companies Act and the Rules made thereunder, including the declaration that she is not disqualified from being appointed as a director.

The NRC has assessed and determined that Ms. Veni Thapar is a fit and proper person to be appointed as a Director of the Bank, as per the norms prescribed by the RBI and that she fulfils the conditions specified in the Companies Act and the relevant Rules made thereunder, the SEBI LODR and other rules, guidelines and circulars issued by the RBI, in this regard, from time to time. Further, Ms. Thapar is not debarred from holding the office of director by virtue of any order by SEBI or any other authority. Accordingly, NRC recommended her appointment to the Board.

The Bank has received declarations from Ms. Veni Thapar to the effect that she fulfils all criteria of independence stipulated in the Companies Act and the SEBI LODR and inclusion of her name in the independent director's databank. In the opinion of the Board, Ms. Thapar is independent of the management of the Bank and fulfils the conditions specified in Section 149(6) of the Companies Act, the rules made thereunder and Regulation 16(1)(b) of the SEBI LODR for her appointment as an Independent Director. Further, the Board is also of the opinion that Ms. Thapar is a person of integrity and has relevant experience and expertise to be appointed as an Independent Director of the Bank.

Ms. Veni Thapar's appointment is in compliance with the provisions of Section 10A of the Banking Regulation Act, 1949 (**'BR Act'**), in particular, on account of her having the requisite experience/ expertise in the areas of Audit, Accountancy, Banking, Economics, Finance, Risk Management, Information Technology, Cyber Security, Law and Business Management as required under Section 10A(2) of the BR Act. The Bank would benefit immensely from her rich experience.

Item No. 7:

Mr. Ratan Kumar Kesh (DIN: 10082714) has been the Executive Director & Chief Operating Officer ('ED&COO') of the Bank since March 31, 2023. His current tenure as ED&COO, as approved by the RBI and the Members of the Bank, is of three years, from March 31, 2023 up to March 30, 2026. The remuneration of an Executive Director is subject

to prior approval of RBI and approval of Members of the Bank, on the basis of recommendations of the NRC and the Board of Directors. The remuneration of an Executive Director is also subject to the provisions of the Companies Act, 2013, Banking Regulation Act, 1949, the RBI Guidelines on Compensation of Whole Time Directors/ Chief Executive Officers/ Material Risk Takers and Control Function staff dated November 04, 2019 and the Compensation Policy of the Bank.

In view of the above and pursuant to approval of the RBI on fixed pay, the proposal for remuneration (Fixed and Variable) of Mr. Kesh for FY 2023-24 was placed before the Members of the Bank at its 10th AGM held on August 20, 2024. The Members had approved Total Fixed Pay and Perquisites of ₹2.80 crore and Total Variable Pay of ₹3.51 crore for Mr. Kesh for FY 2023-24. Subsequently, the RBI had approved a variable pay of ₹2.80 crore for Mr. Kesh for FY 2023-24. Approval of Members is, now, being sought, by way of resolution at Item No. 7 of this Notice, for the

remuneration of Mr. Kesh for FY 2024-25, on the basis of the recommendations of the NRC and the Board.

The proposed revised remuneration comprises fixed pay and variable pay. In line with the RBI approval, a fixed pay of ₹3.10 crore per annum is proposed for Mr. Ratan Kumar Kesh, for FY 2024-25, as against ₹2.80 crore per annum, which was previously approved by the Members. Further, considering the Bank's performance as per Balanced Score Card ('BSC') methodology and on the basis of the recommendation of the NRC, the Board recommends the performance based variable pay of Mr. Ratan Kumar Kesh for FY 2024-25, as stated in the resolution, which is subject to approval of the RBI. The proposed revision in the remuneration of Mr. Ratan Kumar Kesh is in line with the Compensation Policy of the Bank. Further, for overall performance assessment of Mr. Ratan Kumar Kesh, ED&COO, BSC is used. The BSC is a performance evaluation technique that takes into consideration a number of financial and non-financial performance indicators aligned to the long-term strategy of the organisation. The performance goals are organised to address four perspectives, viz., financial, customer, internal process and people, the latter three being drivers of future performance. As per the RBI guidelines dated November 04, 2019, the performance based variable pay is subject to in-year adjustment, malus or clawback. Further, the deferred composition of the variable pay would be subject to malus and clawback arrangements in the event of subdued or negative financial performance of the Bank and/ or the relevant line of business in any year. Further details are provided in the Report on Corporate Governance and Financial Statement forming part of the Bank's Annual Report for FY 2024-25.

The required details of Mr. Ratan Kumar Kesh as per the Secretarial Standard on General Meetings ('SS-2') are annexed to this Notice.

Your Board of Directors, therefore, recommends passing of Ordinary Resolution as set out at Item No. 7 of this Notice, with respect to the proposed revision in the remuneration of Mr. Ratan Kumar Kesh, ED&COO of the Bank.

Save and except Mr. Kesh and his relatives, none of the other Directors or Key Managerial Personnel of the Bank or their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 7 of this Notice.

Item No. 8:

In terms of the RBI Guidelines dated April 26, 2021 on 'Corporate Governance in Banks - Appointment of Directors and Constitution of Committees of the Board' ('**RBI Guidelines**'), read with RBI Circular dated February 09, 2024 on 'Review of Fixed Remuneration granted to Non-Executive Directors (**NEDs**)', in addition to sitting fees and expenses related to attending meetings of the Board and its committees as per extant statutory norms/practices, the Bank may provide for payment of compensation to NEDs in the form of a fixed remuneration commensurate with an individual director's responsibilities and demands on time and which are considered sufficient to attract qualified competent individuals, however, such fixed remuneration for an NED including independent directors, other than the Chair of the board, shall not exceed ₹30 Lakh per annum.

In terms of the provisions of Regulation 17(6) of the SEBI LODR, the Board shall recommend all fees or compensation, if any, paid to NEDs, including independent directors and shall require approval of shareholders in general meeting. Further, in terms of Section 197 of the Companies Act, except with the approval of the shareholders in general meeting by a special resolution, any remuneration payable to directors who are neither managing directors nor whole-time directors shall not in aggregate exceed one per cent of the net profits of the company, if there is a managing or whole-time director or manager.

Pursuant to the RBI Guidelines, based on recommendations of the Nomination and Remuneration Committee and the Board of Directors of the Bank, the Shareholders of the Bank, at their 8th Annual General Meeting ('**AGM**') held on August 10, 2022, approved the proposal for payment of compensation in the form of fixed remuneration of up to ₹12,00,000 per annum per NED, other than the Part-time Non-Executive Chairperson, with effect from April 01, 2022 onwards for a period of three years.

Considering the amount of time and efforts devoted by the NEDs, providing professional expertise in their respective fields of specialization while discharging their duties as a member of the Board and the critical roles that they are playing in the effective functioning of the Board Committees, and considering the nature and complexity of the banking business, and considering the prevailing industry benchmarks and the performance of the Bank, the approval of the Members of the Bank is, now, being

sought for increase in payment of fixed remuneration from ₹12,00,000 to up to ₹18,00,000 per annum per NED, other than the Part-time Non-Executive Chairperson, with effect from April 01, 2025, for a period of one year, or any other or different limits as may be applicable under law / relevant RBI guidelines, from time to time, in addition to payment of sitting fees and reimbursement of expenses for attending the Board and Committee meetings. The fixed remuneration will be paid at such frequency as may be decided by the Board, which should be proportionate to the tenure of the NEDs during a financial year.

As per the Secretarial Standard on General Meetings, the required details of the NEDs who are entitled for fixed remuneration are annexed to this Notice, except for NEDs whose details are already captured in the Explanatory Statement to this Notice.

Your Board of Directors, therefore, recommends the fixed remuneration of NEDs except Non-Executive Chairman, by

way of an Ordinary Resolution, as set out at Item No. 8 of this Notice.

Save and except the NEDs (other than Non-Executive Chairman) and their relatives, none of the other Directors or Key Managerial Personnel of the Bank or their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 8 of this Notice.

Chairman's Message

Dr. Anup Kumar Sinha
Non-Executive (Independent) Chairman

Dear Shareholders,

It is with great privilege that I present your Bank's Annual Report for FY 2024-25. This is a moment to reflect on the progress your Bank has made and the values that have shaped its journey. As your Bank continues to grow and evolve, we remain committed to building a resilient, inclusive, and purpose-driven institution.

From its inception with a bold vision for financial empowerment, your Bank has evolved into a trusted financial institution, grounded in resilience, transparency, and empathy. The theme of this year's report, 'trust that grows, bandhan that strengthens', aptly captures the essence of what we have built together, a growing institution anchored in enduring relationships and shared purpose

Indian Economic Review

The Indian economy demonstrated commendable resilience in FY25, sustaining its status as the fastest-growing major economy worldwide. GDP growth eased to 6.5% in FY25 due to a high base in the previous year. However, a strong 7.4% growth in the fourth quarter reaffirmed the economy's momentum. This recovery was driven partly by private consumption (over 7% growth), steady rural demand, and a resilient agricultural sector that grew by more than 4%. Additionally, construction activity surged, registering annual growth exceeding 9%. Gross Fixed Capital Formation (GFCF) rose by 9.4% in Q4 FY25, the fastest pace in six quarters, indicating increased investment in infrastructure and construction.

Despite external challenges, including heightened geopolitical tension and policy uncertainty and subdued global demand, India's structural strengths, favourable demographics, accelerating digital adoption, and supportive fiscal policies continued to provide macroeconomic stability. These trends created a conducive environment for credit growth and financial sector expansion. Sustained consumption and infrastructure investment are expected to drive continued demand for retail and corporate banking services, while a stable macroeconomic backdrop supports prudent risk management and long-term sectoral growth.

Indian Banking Sector's Performance

The Indian banking sector demonstrated resilience and adaptability in FY 2024-25 amidst evolving macroeconomic dynamics. Public sector banks (PSBs) strengthened their market position, particularly in home and MSME lending, supported by improved asset quality and effective credit guarantee mechanisms. Private sector banks continued to exhibit stability, although they exercised greater caution in unsecured retail and small business lending due to rising delinquency levels. The microfinance segment, however, faced headwinds with a contraction in the loan book, elevated credit costs, and increased delinquencies, particularly in specific pockets. Despite these challenges, sector-wide GNPA levels remained contained, and the regulatory outlook points to gradual normalisation in asset quality and credit performance into FY26.

Bandhan Bank's Progress

Amid a challenging macroeconomic landscape and headwinds for the microfinance (MFI) segment during the latter half of FY 2024-25, marked by rising credit costs and moderated growth, your Bank displayed strong resilience and strategic agility. Despite these headwinds, Profit After Tax (PAT) for the full year rose by a robust 23% year-on-

year to ₹2,745 crore, highlighting your Bank's disciplined execution and focus on sustainable profitability. Building on this momentum, your Bank's digital transformation remained a key enabler of its strategic priorities, driving operational efficiency, enhancing risk management, and elevating customer engagement. Initiatives such as the establishment of the Transformation Management Team and the Digital and Transaction Excellence Unit have advanced automation, digital payments, and fee-based income streams, while the Market Intelligence Team leverages AI to provide real-time market insights. Additionally, your Bank's expanded government payment integrations have strengthened its presence in the public sector, collectively positioning your Bank as a digitally empowered, customer-centric institution ready to capture new growth opportunities.

This year also marked a critical transition in your Bank's leadership journey. Your Bank welcomed Mr. Partha Pratim Sengupta as the new Managing Director & CEO, effective November 1, 2024. A seasoned industry leader with expertise across business, credit, and technology, Mr. Sengupta brings with him a fresh perspective and strategic depth that will be instrumental in leading your Bank through its next phase—Bandhan Bank 2.0. His vision for a customer-centric, digitally enabled, and operationally efficient Bank is well aligned with your Bank's long-term goals. The leadership transition was seamless, further strengthening your Bank's governance and risk management frameworks, and reinforcing our commitment to regulatory compliance and operational resilience.

Throughout the year, your Bank remained steadfast in its commitment to good governance, risk discipline, and long-term value creation. We have expanded the scope of our conversations beyond just financial metrics to encompass the growing relevance of financial inclusion, digital equity, climate-conscious banking, and ethical leadership. Your Bank continues to evolve, ensuring its growth is not only inclusive but also sustainable. We recognise that while balance sheet strength is essential; it is trust, transparency, and social impact that define an enduring institution.

India's macroeconomic fundamentals remain supportive of sustained growth in the financial sector. GDP is projected to expand by around 6.5% in FY26, with inflation easing towards the lower end of the Reserve Bank of India's (RBI) target range. In response, the RBI reduced key policy rates and the Cash Reserve Ratio (CRR) in June 2025, signalling a more neutral monetary stance aimed at lowering funding costs, improving liquidity, and stimulating credit demand. Stable food prices and moderating inflation are expected to revive rural demand and support urban consumption. Investment activity is gaining momentum, driven by healthy corporate balance sheets, increasing private capital expenditure, and continued public infrastructure investment. While global uncertainties, geopolitical tensions, commodity price

volatility, and climate-related risks persist, India's banking sector remains well-positioned to navigate these challenges.

In this promising environment, your Bank remains focused on leveraging these macro tailwinds by expanding its reach, deepening its customer relationships, and continuing to strengthen its balance sheet. We are confident that its diversified portfolio, robust capital base, and digital-led approach will enable your Bank to capture emerging opportunities and deliver sustainable growth in the years ahead.

As your Bank enters its second decade, it does so with renewed momentum, a sharper strategic vision, and a deep sense of responsibility to the millions of lives it serves. The journey ahead is filled with both purpose and promise, and we are well-positioned to seize the opportunities it presents. With each passing year, we have gained not only scale but also a richer understanding of the evolving needs of our customers, communities, and stakeholders. We move forward with the confidence that comes from staying rooted in our founding values, of trust, inclusion, service, and resilience. These values have served as our compass, guiding us through dynamic economic landscapes and times of transformation.

Looking Ahead

Looking ahead, your Bank is more determined than ever to accelerate progress on its core priorities: delivering inclusive financial solutions, driving digital innovation, enhancing customer experience, and building a future-ready, sustainable bank. This agenda is firmly anchored in strong governance, regulatory compliance, and robust risk management, ensuring that its growth is both responsible and resilient. Your Bank's mission is not just to expand but to empower, not just to grow but to do so with integrity and accountability.

I would like to take this opportunity to express my deepest gratitude to all those who have been part of this journey - customers, employees, regulators, and shareholders, for your enduring trust and belief in your Bank's purpose.

Together, let us build not just a larger Bank, but a stronger, more inclusive, and future-ready institution that continues to stand the test of time and creates lasting value for generations to come.

Warm regards,

Dr. Anup Kumar Sinha

MD and CEO's Message

Partha Pratim Sengupta
Managing Director and Chief Executive Officer

Despite the headwinds of global macroeconomic and geopolitical uncertainties, the Indian economy and the banking sector demonstrated strong resilience. Amongst the major economies, India's real GDP growth of 6.5% during FY25 had been the highest. While inflation had been high during H1 FY25, it moderated considerably during the latter half of the financial year allowing the Reserve Bank of India (RBI) to start lowering the repo rate by Q4, apart from strongly infusing liquidity. Banking sector's deposit and credit growth moderated during the year to reach low double-digit growth by the end of the year, while maintaining decent asset quality.

Dear Shareholders,

It is with great pride and gratitude that I present your Bank's Annual Report for the financial year 2024-25. This year's report, themed trust that grows, bandhan that strengthens, reflects the essence of your Bank's journey — building enduring trust, nurturing stronger bonds, and driving sustainable growth. Over the past decade, your Bank has evolved from a pioneering venture to a pan-India universal Bank, serving millions and strengthening financial inclusion across diverse geographies.

Despite the headwinds of global macroeconomic and geopolitical uncertainties, the Indian economy and the banking sector demonstrated strong resilience. Amongst the major economies, India's real GDP growth of 6.5% during FY25 had been the highest. While inflation had been high during H1 FY25, it moderated considerably during the latter half of the financial year allowing the Reserve Bank of India (RBI) to start lowering the repo rate by Q4, apart from strongly infusing liquidity. Banking sector's deposit and credit growth moderated during the year to reach low double-digit growth by the end of the year, while maintaining decent asset quality.

Against the backdrop of a resilient economy and banking sector, your Bank also continued demonstrating resilience, innovation, and an unwavering commitment to stakeholders. Your Bank reaffirms its dedication to creating lasting value, deepening relationships, and fortifying its position as a trusted banking partner in India.

Performance:

Your Bank's deposits reached ₹1.51 lakh crore by March 2025, a decent 12% increase year-on-year. This growth is a testament to the trust our customers have placed in your Bank as a safe, reliable financial partner. A well-diversified and granular deposit base underpins your Bank's financial resilience. We prioritised CASA and retail term deposits to ensure a stable, low-cost funding mix that supports sustainable credit expansion and liquidity management.

Reducing dependence on volatile bulk deposits has been a strategic focus, as these funds, while substantial, tend to be more expensive and less reliable. Your Bank's conscious shift towards a more stable deposit profile safeguards long-term cost efficiency and balance sheet stability. Your Bank also pivoted towards enhancing fee-based income, accelerating digital adoption, and reinforcing risk controls to sustain profitability and stakeholder confidence.

Gross advances grew by 10% year-on-year to ₹1.37 lakh crore as of March 2025. This growth was broad-based, driven by increased demand from secured lending portfolios and strategic sectors aligned with national priorities. Secured advances showed exceptional growth of 32%, now forming 50.5% of total advances. This transition towards secured lending mitigates credit risk and improves portfolio quality by leveraging collateral-backed credit. Emerging Entrepreneur Business (EEB) loans continued to be a key segment, with prudent credit appraisal and collection efforts ensuring strong portfolio performance vis-à-vis other players in the microfinance industry.

Your Bank delivered a Profit After Tax of ₹2,745 crore for FY25, a growth of 23% year-on-year increase in full-year profit, reflecting sustained and resilient performance. Fee-based income, treasury operations, and trade finance also contributed to diversifying income streams beyond interest margins.

A disciplined cost management approach, including technology-driven operational efficiencies, helped maintain a competitive cost-to-income ratio. Your Bank posted a Return on Assets (RoA) of 1.5% for FY25. Your Bank remains focused on enhancing RoA to 1.8%–1.9% over the next 2–3 years through quality asset growth and diversified revenue sources.

The capital adequacy ratio stood robustly at 18.7% as of 31 March 2025, well above the regulatory requirement of 11.5%. This strong capital position enables your Bank to absorb shocks, invest in growth initiatives, and meet future regulatory demands comfortably. Capital strength remains a key enabler of strategic flexibility and risk mitigation.

We are committed to improve our Gross NPA and Net NPA levels, which stood at 4.7% and 1.3%, respectively, at the end of FY25. This will be achieved through disciplined credit appraisal, proactive provisioning, and effective recovery mechanisms. The Provision Coverage Ratio improved to 86.5%, including technical write-offs, indicating prudent provisioning. Excluding technical write-offs, PCR was at 73.7%, reinforcing our conservative risk posture.

Risk Management and Compliance

Your Bank's risk management framework is a foundational pillar that supports sustainable growth and stakeholder confidence. We continuously embed risk awareness across all levels, from frontline employees to senior management, ensuring risks are identified early and mitigated effectively. Regular risk assessments and stress-testing scenarios are integral to our prudential practices. Your Bank maintains strict adherence to our Risk Appetite Framework, ensuring that all business decisions align with our risk tolerance levels and strategic objectives. In today's dynamic regulatory environment, compliance is more critical than ever. Your Bank is committed towards a high standard of compliance – statutory, regulatory, and internal policies. A robust vigilance mechanism protects customers and your Bank's reputation alike.

Geographic Diversification:

Your Bank remains steadfast in its mission to expand its geographic footprint across the country. Your Bank had over 6,300 outlets pan-India, including over 1,700 bank branches as at end of FY25, which reflects our commitment to inclusive banking. Your Bank will remain committed to strengthening presence in semi-urban and rural areas, while maintaining steady branch and ATM expansion across the country. Your Bank remains focused to further promote financial inclusion through these banking outlets.

Customer Centricity:

At the heart of your Bank's success is an unwavering focus on the customer. Your Bank strives to deliver seamless experiences through innovative products and both personalised and digital services. Your Bank has initiated steps towards revamping its mobile banking, retail and corporate internet banking, WhatsApp banking and QR payments to enhance customer delight. Your Bank also prioritises complaint resolution and prevention of cyber frauds through feedback mechanisms and customer engagement initiatives.

Technology, Innovation and Transformation:

During the year, your Bank made significant progress in embedding technology across functions to drive innovation and agility. A major milestone in this journey was the establishment of the Transformation Management Team, a dedicated unit focused on reimagining core processes through automation and digital services.

In parallel, your Bank formed Digital and Transaction Excellence Unit (DTEU) to build customised digital solutions combining technical, functional, and commercial platforms.

Your Bank has also introduced Credit Administration and Asset Operations Department (CAD), which monitors post-disbursement formalities, NPA resolutions, underwriting reviews, and ensures regulatory reporting. This will help in achieving better asset quality for the Bank.

Additionally, your Bank has established a Market Intelligence Team that works in extensive collaboration with the Data Science and Analytics team to process unstructured data, providing early warning signals and also real-time insights into borrower sentiments and market trends.

These initiatives collectively reinforce your Bank's position as a digitally empowered customer-centric institution, ready to adapt to rapid technological changes while capturing new growth opportunities across the financial ecosystem.

Your Bank remains steadfast in its mission to expand its geographic footprint across the country. Your Bank had over 6,300 outlets pan-India, including over 1,700 bank branches as at end of FY25, which reflects our commitment to inclusive banking. Your Bank will remain committed to strengthening presence in semi-urban and rural areas, while maintaining steady branch and ATM expansion across the country. Your Bank remains focused to further promote financial inclusion through these banking outlets.

People Initiatives:

Your Bank's most valuable asset is its people. With a workforce of over 70,000, your Bank remains deeply committed to building a future-ready organisation through continuous investment in training, upskilling, and reskilling initiatives. These efforts empower employees to thrive in a dynamic banking environment and contribute meaningfully to your Bank's growth and innovation.

Learning and Development (L&D) plays a central role in this transformation. Through structured programmes delivered at dedicated learning centres, the L&D team addresses identified skill and knowledge gaps and drives strategic capability building across levels.

Recognising the critical role of leadership in guiding employee transformation and driving long-term success, your Bank has partnered with the Indian School of Business (ISB) and INSEAD. In FY25, our Employee Engagement Survey with Gallup yielded an impressive score of 4.56 out of 5. Together, these initiatives are shaping a skilled, agile, and productive workforce, fully aligned with your Bank's long-term strategic vision and commitment to inclusive, customer-centric banking.

Sustainability and Social Responsibility:

Your Bank's commitment to sustainability and social responsibility is embedded in our mission. Guided by Trust that grows, bandhan that strengthens, your Bank has positively impacted over 25.81 lakh families across 82 districts in 14 states through targeted CSR initiatives.

Recognising the critical role of leadership in guiding employee transformation and driving long-term success, your Bank has partnered with the Indian School of Business (ISB) and INSEAD. Your Bank's programmes address critical areas such as healthcare, education, livelihoods, and climate resilience, particularly benefiting women and rural communities. Your Bank continues to align efforts with United Nations Sustainable Development Goals, reinforcing our role as a catalyst for inclusive, long-term development.

Way Forward:

This year holds special significance as your Bank completes ten years of service, growth, and impact. It is a moment to reflect on the journey so far and the foundation that has been laid for the future.

While the first decade was about building, learning, and evolving, the next decade holds the promise of greater opportunities, confident growth, and purposeful scale. Your Bank is now poised to enter a new chapter — one defined by innovation, inclusion, and impact. With experience as our guide and a strong foundation in place, your Bank is prepared to meet the aspirations of customers — both existing and potential — in a rapidly evolving financial landscape.

Together, we will embrace the future with confidence and a shared commitment to building a stronger, more inclusive financial ecosystem for India.

Warm regards,

Diversified Product Suite

Tailored Offerings: Built on *Bandhan*, Designed for Progress

Your Bank offers an array of products designed for prompt and efficient functioning for diverse banking requirements, irrespective of the socio-economic status. Your Bank's comprehensive product suite prioritises customer satisfaction, values trust, and enhances its bandhan with its stakeholders.

Retail Liabilities

Designed for your Bank's Diverse Customer Aspirations

Your Bank continues to deepen its commitment to customer-centric banking through a broad suite of retail liability products. These offerings are designed to promptly and effectively serve the diverse banking needs of your Bank's customers, reinforcing the growing trust they place in your Bank and the enduring relationships the Bank cultivates with them.

During FY25, your Bank's deposit portfolio recorded a robust 12% growth, with the total deposit base reaching ₹1,51,212 crore as on March 31, 2025. This growth was largely driven by a well-diversified liability product mix comprising term, savings, and current account deposits, reflecting the growing confidence that customers place in your Bank. The retail deposit book grew by 11%, underscoring the strengthening of customer relationships and your Bank's expanding reach.

Further, your Bank enhanced its savings product proposition by strategically addressing diverse customer segments. Alongside strengthening its offerings for the Affluent Segment with Elite Plus and Elite Savings Accounts, your Bank introduced four new savings products: Avni Savings Account for women, Pension Savings Account, PMJDY Savings Account, and Classic Savings Account.

These were launched to deepen financial inclusion further and respond to the unique needs of every customer segment, thereby strengthening the *bandhan* your Bank shares with its customers. These efforts were supported by targeted campaigns focused on product awareness, interest rates, and technology-led services.

Furthermore, in FY25, your Bank also introduced new Debit Card variants — Elite Plus, Elite, Platinum Plus, Titanium, PMJDY, and Avni Debit Cards — offering enhanced features and benefits. The Debit Card portfolio contributed approximately ₹88 crore in card fee income, encompassing annual issuance, and re-issuance fees, reflecting the value customers continue to find in your Bank's offerings.

The Current Account segment demonstrated remarkable resilience, benefiting from a range of well-executed strategic initiatives. These included the launch of the new Collection Account, higher penetration of EDC and QR code solutions, re-engagement with existing customers, and a stronger team of Current Account managers. Through sharper customer segmentation, digital expansion, and process automation, your Bank not only enhanced customer experience but also fortified operational efficiency, advancing its focus on long-term, trust-driven growth. Expansion into high-potential catchment areas and targeted acquisition campaigns further contributed to the performance.

The Merchant Acquiring Business remains a key driver of liability growth. FY25 marked significant gains:

- 127% Y-O-Y growth in merchant acquisition
- 68% Y-O-Y increase in transaction throughput
- 21% Y-O-Y growth in revenue, backed by increased balances in associated current accounts

Merchant Acquiring Business' success highlights the trust merchants place in your Bank and its integral role in reinforcing relationships through value-added digital services. To deepen connections with customers, your Bank undertook extensive communication efforts through marketing campaigns, social media, and branch-level initiatives. Looking ahead, your Bank remains focused on harnessing technology to deliver secure, convenient, and user-friendly solutions, living up to its core values of trust, customer-centricity, and empowerment. Indeed, FY25 reflects your Bank's customers' growing trust through continued deposit momentum and a deepening *bandhan* through broader customer engagement and inclusive growth strategies.

Affluent Business

A Steady Growth Pillar in your Bank's Liability Franchise

The Affluent Business has emerged as a significant contributor to the growth of your Bank's liabilities. Customers in this segment have consistently demonstrated their confidence in your Bank's offerings, especially the Elite Plus and Elite propositions. In the current financial year, your Bank has successfully added 1,00,000 new affluent customers, reflecting strong market acceptance and trust.

As a result, the Affluent Segment now accounts for:

45% of the Total Retail Deposit

34% of the Total Liability Book

This remarkable growth has empowered your Bank to tailor innovative, high-value products specifically designed for the Affluent Segment. These new offerings will further strengthen the proposition and enhance customer engagement.

Under its guiding philosophy, your Bank has built deep-rooted trust by delivering personalised banking experiences. A team of dedicated relationship managers,

supported by strong branch leadership and an efficient service team, has been instrumental in delivering consistent, high-touch service.

To further elevate the service quality, your Bank has implemented a comprehensive training programme for the relationship team. This initiative has significantly enhanced customer experience across all touchpoints.

Furthermore, the introduction of the green channel for the seamless onboarding of affluent clients has further enriched their journey, offering a smoother and more personalised welcome experience, building a strong sense of *bandhan* and belonging.

Looking ahead, your Bank remains dedicated to upholding its service ethos, leveraging technology without losing sight of the personal touch. Your Bank's Affluent Segment team will symbolise an unparalleled blend of digital innovation and personal engagement, a combination that will reinforce the trust clients place in your Bank.

Your Bank is confident that the Affluent Segment will drive continued success and elevate service excellence, carrying forward your Bank's trajectory of sustained trust and strengthened *bandhan*.

Government Business Group

Deepening Institutional Trust

The Government Business Group has built a robust liability business franchise by forging enduring partnerships with Central and State Governments, Public Sector Undertakings and Autonomous Bodies, offering comprehensive account management services. Strengthening these institutional relationships, your Bank continues to nurture trust while expanding its reach and relevance across the governance ecosystem.

Leveraging its ever-expanding distribution network, your Bank caters to the banking needs at every level: Central, State, District, Block, and Panchayat. These efforts are anchored in your Bank's commitment to deepen connections and deliver impactful services that reinforce the trust placed in it by both institutions and individuals.

In FY25, your Bank facilitated the collection of Direct Taxes and Indirect Taxes (Goods and Services Tax) and disbursed Central, Civil, and Railway Pensions under the Agency Business mandate. Through its digital platforms and 1,700+ branches nationwide, your Bank enabled tax payments for both customers and non-customers, making the process more accessible and inclusive. Your Bank also activated account validation services, allowing customers to receive income tax refunds directly, and integrated with the Government of India's Jeevan Pramaan portal to enable the digital submission of life certificates, delivering services that reflect its commitment to seamless public financial services.

Furthermore, your Bank has been empanelled by the Government of Haryana to undertake government business within the state. Simultaneously, the Government of Madhya Pradesh has authorised your Bank to manage investments for state bodies, corporations, boards and similar entities, thereby strengthening relationships with key public-sector organisations and deepening institutional trust in your Bank's capabilities.

Moreover, your Bank provides tailored fund management solutions to State Governments, enabling efficient tracking of financial flows and balances across administrative functions. These digital solutions are fully aligned with the Single Nodal Account framework prescribed by the Government of India. Additionally, your Bank remains responsive and agile, implementing ongoing system upgrades in sync with the Public Financial Management System (PFMS) and various state financial platforms to ensure the seamless processing of government transactions.

Reflecting its core value of serving those who serve the nation, your Bank has revitalised its product suite and outreach strategy. It has signed a Memorandum of Understanding (MoU) with the Indian Air Force to offer 'Shaurya Salary Accounts' for serving personnel and empowered over 557 branches to provide focused service to defence pensioners through the SPARSH platform. These initiatives not only meet the financial needs of the servicemen but also symbolise the growing trust and deepening *bandhan* between your Bank and those it is privileged to serve.

Digital Banking

Nurturing Innovation and Inclusion

FY25 marked a pivotal milestone in the evolution of your Bank's digital banking journey, an embodiment of your Bank's commitment to nurturing trust and deepening the *bandhan* it shares with its customers through innovation and inclusion.

At the heart of this transformation is the Digital and Transaction Excellence Unit (DTEU), established to lead the design and delivery of highly personalised, relevant digital banking solutions that cater to the evolving needs of your Bank's diverse customer base. This strategic initiative underscores your Bank's commitment to building trust through seamless, secure, and customer-centric digital experiences.

Accelerating Digital Transformation

Staying true to your Bank's core value of customer-centricity, DTEU has driven key advances in digitisation across your Bank:

- **Enhanced Customer Onboarding:** Your Bank has made notable strides in its digital onboarding journeys, across assisted savings accounts, self-service savings accounts, and self-service term deposits, making it easier and more secure for customers to start banking with your Bank.
- **Expanding the Government Payment Ecosystem:** Your Bank's integration capabilities have grown to include SBlePAY, West Bengal's GRIPS system, and soon, EPFO and Customs tax systems, in addition to GST and CBDT. This demonstrates your Bank's ongoing commitment to financial inclusion and collaboration with government systems, further strengthening its *bandhan* with institutional stakeholders.
- **Streamlining Collections:** The introduction of QR code-based collections for your Bank's EEB segment has enhanced efficiency and ease of use for your Bank's field teams.

The DTEU continues to drive agility, compliance, and innovation by integrating advanced technology and analytics into your Bank's processes, ensuring richer digital experiences while carefully managing risk. Through these efforts, your Bank continues to earn the trust that grows with every digital touchpoint.

Empowering Customers through Innovation

Your Bank's digital offerings are built with one aim in mind: to empower customers to bank anytime, from anywhere.

- The Neo+ Digital Savings Account, equipped with video Know Your Customer (vKYC), has revolutionised account opening by offering a fully paperless and seamless onboarding experience. Currently, 90% of your Bank's savings accounts are opened digitally via vKYC and tab-assisted models, highlighting the strong adoption of digital channels.
- Mobile banking activations surged by 52%, driving a remarkable 61% increase in digital transaction volumes, reflecting an accelerating shift towards digital adoption and trust in your Bank's platforms.
- In the Corporate and Transaction Banking space, the launch of the Cash Management Solutions (CMS) and expanded payment capabilities, integrated with multiple government entities, have significantly enhanced your Bank's product offering.

The Road Ahead

Building Best-in-Class Digital Platforms

As your Bank looks to the future, it is dedicated to positioning its digital platforms not merely as service channels but as powerful strategic enablers for sustained business growth and competitive differentiation. Your Bank's vision is to create best-in-class digital ecosystems that deliver unmatched convenience, personalisation, and security, becoming the preferred banking destination for every customer segment.

Key strategic priorities include:

- **Agile Technology and AI Integration:** By harnessing agile development methodologies and embedding artificial intelligence across its platforms, your Bank will create adaptive, intuitive user experiences that anticipate and respond to customer needs in real time. This will enhance personalisation, simplify complex banking processes, and enable proactive financial management.

- **Omnichannel Excellence:** Your Bank ensures seamless integration across all digital touchpoints—mobile apps, web portals, and emerging channels—offering customers a consistent, frictionless banking journey whether they bank digitally or through assisted models. This cohesion will drive higher engagement and loyalty.
- **Data-Driven Insights and Analytics:** Leveraging advanced analytics, customer behaviour data, and market trends will enable your Bank to design hyper-personalised products and services, optimise risk management, and identify growth opportunities rapidly. Data will be central to enhancing customer lifetime value.
- **Robust Security and Compliance:** As digital adoption expands, your Bank will continue to prioritise cybersecurity, ensuring that all platforms adhere to the highest standards of safety, privacy, and regulatory compliance, building trust as the foundation of every interaction.
- **Innovation in Financial Inclusion:** Expanding digital access to underserved and new-to-bank customers remain a top priority. By innovating on onboarding, payments, and credit delivery, your Bank aims to deepen its impact and grow its customer base sustainably.

Through these focused efforts, digital banking will become the main leveraging tool for driving new business, increasing wallet share, and delivering superior customer experiences. Your Bank envisions a future where every customer touchpoint reinforces its promise of trust and strengthens the *bandhan* that connects.

In essence, your Bank's digital transformation journey will be the cornerstone of its growth story, fuelling resilience, agility, and innovation. Through consistent value-creation for customers, stakeholders, and the communities, your Bank continues to build a well-connected ecosystem rooted in trust and strengthened by *bandhan*.

Emerging Entrepreneurs Business (EEB)

Empowering Inclusive Growth and Economic Upliftment

Your Bank's Emerging Entrepreneurs Business (EEB) vertical offers accessible and affordable loans to borrowers at the bottom of the economic pyramid.

Through EEB, your Bank enables individuals to harness their entrepreneurial potential and reshape their futures. As your Bank continues to chart new paths of opportunity, it remains steadfast in its commitment to inclusive banking, enabling access for financially excluded communities and enabling them to step confidently into a brighter tomorrow.

At the heart of your Bank's EEB strategy lies its unwavering belief in building long-term relationships rooted in trust. Guided by the principles of inclusive banking and economic upliftment, your Bank partners with individuals across various stages of their entrepreneurial journey. It aims not merely to create customers but to walk alongside them, offering timely financial solutions that help them climb the socio-economic ladder. In doing so, your Bank nurtures enduring relationships that deepen over time, steadily strengthening its bond with customers and communities.

Loans under EEB are disbursed through Banking Units (BUs) designed to reach and support small business owners by providing doorstep service. The BUs are empowered with the capability to conduct credit assessments, open loan and deposit accounts independently, and operate seamlessly through tablets integrated with the Core Banking System (CBS).

To ensure efficient, consistent service and timely support, your Bank has established a structured framework comprising circles, territories, divisions, areas, and banking unit catchments. A dedicated central operations team ensures close monitoring of processes, maintaining operational integrity and adherence to regulatory guidelines at all times. With a strong focus on controls and standardisation, your Bank strives to ensure every customer interaction reflects the highest level of care, consistency, and compliance.

Your Bank continues to build inclusive growth and strengthen the foundation of trust it shares with its customers. These evolving relationships, built with sincerity and sustained engagement, exemplify the spirit of your Bank's deepening *bandhan*, driving its journey of resilience, impact, and collective progress.

EEB Performance

During FY25, your Bank's commitment to financial inclusion was reflected in the loans offered to ₹15.17 lakh new borrowers under the Group Loan and SBAL schemes. The portfolio for Group Loans stood at ₹36,088 crore, whereas the SBAL portfolio stood at ₹20,456 crore as your Bank worked towards bringing additional measures in credit control to improve the quality of its portfolio.

Product Portfolio

Group Loans

Srishti Loan:

₹15,000 – ₹1,50,000 for starting or expanding businesses

Suraksha Loan:

Up to ₹15,000 for emergency expenses like medical needs and sanitation

Sushiksha Loan:

Up to ₹10,000 for children's education expenses

Small Business and Agri Loans (SBAL)

Sahayata Loan:

₹50,001 – ₹5,00,000 for income-generating business needs

Bazaar Loan:

₹26,000 – ₹1,50,000 for working capital support to existing deposit customers

Fortifying Business Operations

During FY25, your Bank undertook the following initiatives:

- Implemented guardrails for microfinance loans to further strengthen customer selection and portfolio quality in the longer run, including limitations in lender cap, limitations in total outstanding per borrower and restrictions in lending to customers having 60+ DPD across microfinance lenders.
- Several initiatives to sharpen the underwriting process for the Group Loan and SBAL to have a better portfolio, such as location-specific credit strengthening and a higher CIC cut-off. An analytics-driven rule engine is being implemented to ensure quality sourcing.
- Awareness about using digital solutions, such as smartphone-based transactions and using credit/debit cards for online transactions, is among the persisting gaps in consumer interaction in the Banking Unit vertical. To overcome these challenges, your Bank is training the customers to be aware of the benefits of digital payments and various other aspects, such as seeding bank accounts with mobile numbers and Aadhaar. Also, an initiative is in place to inform customers about payments through online transactions. Additionally, your Bank has launched digital repayment modules, such as QR-based channels, to make repayments easier and hassle-free.
- Tracking and monitoring portfolios at the Banking Unit level through semi-automated dashboards and scorecards. Devising business strategies at the granular level to ensure effective and sustainable business growth.
- A separate independent Recovery Team is in place to improve recovery collections from delinquent customers based on data analytics-based prioritisation of recovery pools to ensure higher collection and productivity. A digital collection module is also being launched to enhance the collection process further and increase efficiency at an individual level.
- Deployed several analytics-driven models to improve both sourcing and recovery. Some of the key initiatives in this regard include identifying good borrowers for higher-ticket loans based on a data-driven renewal base, identifying potential borrowers graduating to individual loans, categorising delinquent borrowers based on their propensity to repay, prioritising collections accordingly, etc.
- Strong emphasis on training and development to upskill and reskill staff to ensure that they stay relevant to the fast-changing world across levels and locations. This includes online and classroom training sessions.

Housing Finance

Financing Dreams, Building Futures

During FY25, your Bank's Housing Finance business continued to align with its long-term strategic roadmap, delivering strong performance despite a challenging macroeconomic environment. Your Bank's commitment to inclusive housing credit, prudent risk management, and operational agility have translated into resilient growth across disbursements, portfolio size, borrower quality and geographic reach.

Business Performance Highlights

In FY25, the total housing loan book (excluding IBPC) reached ₹32,105 crore, up from ₹27,309 crore in FY24, registering an increase of 18% Y-O-Y. Disbursements during FY25 stood at ~₹9,340 crore, registering a 26% Y-O-Y increase. This growth is attributed to the Prime Lending Channel launched in FY24. It significantly enhanced disbursement volumes and contributed to a healthier asset quality by targeting stronger borrower profiles and reducing delinquency risk.

Furthermore, the share of the salaried borrower segment in your Bank's Housing Finance portfolio grew to 57.8% in FY25, up from 53% in FY24.

Geographic Expansion and Reach

In line with its financial inclusion goals, your Bank operated its housing loan network through 450+ branches offering home loans and 300+ banking units delivering micro home loans across 18 states and 3 union territories. This expansion enabled deeper market penetration and better customer access, particularly in underserved regions.

The portfolio remained predominantly Affordable Housing, constituting approximately 80% of the book. Regional diversification continued with strong performances across all zones.

Retail Assets

Building a Responsible and Accessible Portfolio

Your Bank has continued to strengthen its Retail Assets portfolio, focusing on building trust through relevant, responsible, and accessible credit offerings. Anchored in a prudent risk framework, your Bank's strategy emphasises secured lending, spanning Gold Loans, Car Loans, Commercial Vehicle and Construction Equipment (CVCE) Loans, and Two-Wheeler Loans, supplemented by carefully selected unsecured Personal Loans. This expanding portfolio reflects a growing *bandhan* with customers across geographies and income segments, underpinned by your Bank's commitment to long-term, sustainable relationships.

Gold Loan

Designed to address immediate financial needs with speed and simplicity, the Gold Loan product offers loan amounts ranging from ₹10,000 to ₹80,00,000, with flexible tenures of up to three years and competitive interest rates. To enhance accessibility, your Bank is expanding its branch network, enabling more customers to access timely credit with minimal formalities. This growing reach not only supports individual needs, but also reinforces your Bank's commitment to trust-led growth.

Car Loan

The Car Loan offering is tailored to a wide range of customers, with financing available for both new and pre-owned vehicles up to ₹1.5 crore. A seamless digital application process, an extensive dealer network, and flexible repayment structures ensure that customers experience a convenient and rewarding car ownership journey. The growing focus on pre-owned Car Loans reflects your Bank's agility in enabling access and responding to a changing market landscape.

CVCE Loan

Committed to supporting India's infrastructure and logistics sectors, your Bank offers CVCE Loans ranging from ₹1 lakh to ₹25 crore. By enhancing the single-unit loan limit and expanding into the used CVCE segment, your Bank is enabling greater financial flexibility for transporters and contractors. This offering is delivered through an integrated network of branches and partnerships with dealers and manufacturers, reinforcing your Bank's role as a trusted financial enabler.

Two-Wheeler Loan

Supporting mobility and access, your Bank's Two-Wheeler Loan portfolio has surpassed 1,90,000 customers, 90% of whom are new to your Bank. Loans of up to ₹5,00,000 are extended through a dealer or channel-based distribution model. With the addition of financing options for electric vehicles and premium motorcycles, your Bank continues to meet evolving consumer preferences while broadening its reach among new customer segments.

Personal Loan

Your Bank maintained a focused and adaptive approach to its Personal Loan offerings in FY25, aligning with customer expectations and market dynamics. With loan amounts between ₹50,000 and ₹25,00,000 and flexible tenures of up to five years, these unsecured loans are delivered through a dedicated sales team that ensures a responsive, trustworthy, and customer-centric experience.

Your Bank's retail lending journey continues to be marked by steady growth, increasing customer trust, and a strategic focus on secured asset-backed credit. It becomes the foundation upon which your Bank strengthens customer trust and delivers on its long-term vision of inclusive and sustainable financial empowerment.

Wholesale Banking

Advancing Balanced Development

With a keen focus on the corporate segment, your Bank actively engages with small, medium, and large businesses to contribute to financial inclusion, job creation, and equitable economic development. Your Bank has set up specialised verticals in the Wholesale Banking segment to expand its vertical and horizontal presence.

Mid-Market Group

The Mid-Market Group (MMG) supports small, medium, and large enterprises by offering secured financial solutions tailored to meet working capital and capital expenditure needs. These include both fund-based and non-fund-based options such as Term Loans, Cash Credit, Overdrafts, Loans Against Property, Construction/Project Finance, Lease Rental Discounting, Letters of Credit and Bank Guarantees.

With a national footprint and teams based in large business centres, the Group's businesses have dedicated relationship support. As part of its continued evolution, the Group has operationalised Cash Management

Services and Trade Finance, while Supply Chain Finance is currently being rolled out.

Total Advances for the segment stood at ₹12,243 crore as of March 31, 2025, compared to ₹6,701 crore as of March 31, 2024, registering a growth of 83% during FY25. This progress reflects the growing confidence placed in your Bank by enterprise customers and the depth of relationships that have been cultivated over time.

Financial Institution Group (FIG), Healthcare and Education

The Financial Institution Group (FIG) continues to meet the financing requirements of Non-Banking Financial Companies (NBFCs), Housing Finance Companies (HFCs), and public financial institutions through a broad range of secured lending products. These include Term Loans, Working Capital Limits, Overdrafts and Cash Credit.

Within the NBFC segment, the focus remains on secured financing, including Housing Loans, Loans Against Property (LAP), Gold Loans, Commercial Vehicle Finance and Business Loans. For NBFC-MFIs, your Bank supports funding requirements aligned with priority sector norms.

Furthermore, FIG has developed a balanced and diversified portfolio with a nationwide presence. The Total Advances (including PTC and DA) stood at ₹15,773 crore as of March 31, 2025, up from ₹12,815 crore in the previous year, reflecting a growth of 23%. This steady growth is underpinned by long-standing partnerships

and a measured approach to risk, enabling sustained performance in a dynamic sector.

In FY25, your Bank strengthened its *bandhan* by extending its lending franchise to the healthcare and education sectors, providing tailored credit solutions within its existing secured lending framework. For the Healthcare and Education vertical, the book stood at ₹232 crore as of March 31, 2025, signifying your Bank's commitment to sectors essential for human and economic development. Your Bank also holds exposures through Direct Assignments, Pass-Through Certificates, and Non-Convertible Debentures.

Commercial Loan Against Property (Commercial LAP)

The Commercial LAP segment provides secured loans to proprietorships, partnerships, and private limited companies by leveraging immovable property. This segment plays a crucial role in strengthening your Bank's secured lending portfolio, offering businesses the flexibility to address a range of financial needs.

With an expanded reach of over 625 branches (as of March 2025) and complementary open-market sourcing, your Bank is expanding its presence in this segment. Digital enhancements are being introduced to improve turnaround time, scalability, and the overall customer experience.

As of March 31, 2025, the segment's Total Advances stood at ₹1,118 crore, compared to ₹516 crore in FY24, registering a growth of 117%. This reflects the growing reliance of small business owners on structured, transparent financial solutions and the trust built through consistent delivery.

Business Banking Group (BBG)

The Business Banking Group (BBG) caters to Micro, Small and Medium Enterprises (MSMEs), offering secured loans ranging from ₹25 lakh to ₹30 crore. Credit is extended in the form of Term Loans, Overdrafts, Lease Rental Discounting, and non-fund-based facilities, such as Letters of Credit and Bank Guarantees.

The segment features several specialised products:

- **SME Business Connect**, which finances both working capital and capital expenditure needs against primary and collateral security.
- **SME GST Connect**, offering Overdrafts and other fund-based facilities secured by business assets or property.
- **Bandhan CGTMSE Loan**, which provides collateral-free or partially secured loans under the CGTMSE scheme for micro and small enterprises.

As of March 31, 2025, BBG's fund-based advances reached ₹1,703 crore, displaying a rise of 69%, growing from ₹1,010 crore in FY24. This reflects not just access to capital but an enduring commitment to entrepreneurs whose ambitions fuel economic activity at the grassroots level.

Agri-business Loans

Agriculture remains integral to India's economy and livelihoods. Your Bank offers financial solutions that empower farmers and agri-entrepreneurs alike. The segment provides Kisan Cash Credit (KCC) loans for a range of farming and allied activities, including animal husbandry, horticulture, and aquaculture, supported by competitive rates and streamlined processes.

Beyond farm-level credit, your Bank also supports entities across the agricultural value chain, including processors, input dealers, and service providers. Offerings include working capital, term loans, and commodity pledge finance for agri-infrastructure and agri-trade.

As of March 31, 2025, the Total Advances stood at ₹749 crore, up from ₹268 crore in FY24, reflecting a growth of 180%. It reflects a long-term, relationship-driven approach to rural and agri-sector banking—grounded in familiarity, relevance, and continued support.

Across its Wholesale Banking portfolio, your Bank continues to build lasting financial partnerships, anchored in prudent risk management, responsive service, and sectoral expertise. The uniform growth across segments reflects not only expanding opportunities but also the

enduring trust placed in your Bank by businesses, institutions, and entrepreneurs. These deepening relationships are the foundation upon which your Bank strengthens its *bandhan* as a reliable partner in India's growth story.

Small Enterprise Loan (SEL)

Small Enterprise Loan (SEL) offers Term Loans and working capital products to small enterprises that rely on accessible and dependable financial solutions to sustain and expand their operations. The SEL vertical stands as a trusted financial partner, committed to empowering businesses with tailored funding solutions. With SEL, businesses gain more than just financial assistance; they build a relationship rooted in trust, security, and sustained growth.

Trusted financial products under SEL include:

- **SEL Term Loans (₹3 lakh to ₹10 lakh):** Designed to support small businesses in their journey, these term loans offer flexible tenures of one to three years, ensuring access to working capital and asset creation with reliability and ease.
- **SEL Max Loans (₹10.01 lakh to ₹25 lakh):** Designed for enterprises with ambitious business aspirations, SEL Max Loans extend higher-value funding, offering businesses a dependable avenue for expansion.
- **SEL Cash Credit (₹5 lakh to ₹25 lakh):** A trusted revolving credit facility that provides businesses the flexibility to access funds as needed, with interest applicable only on the utilised amount. Limits are renewed yearly, ensuring continuous financial support.
- **SEL Secured Overdraft Loans (₹10.01 lakh to ₹25 lakh):** Introduced in FY23 to cater to MSME borrowers, this overdraft solution strengthens financial resilience. Businesses can secure working capital while pledging assets, reaffirming the foundation of trust in financial partnerships.

The Total Advances of the segment stood at ₹4,526 crore as on March 31, 2025, supporting over 1.13 lakh valued small and growing businesses.

Transaction Banking

During FY25, your Bank continued to strengthen its transaction banking proposition across Cash Management Services (CMS), Trade Finance, and Supply Chain Finance, with a focus on product expansion and digital enablement.

During the year, the cash pick-up offering was further scaled and enhanced. Several new initiatives were also undertaken to broaden the CMS suite, including eNACH for external corporates, a centralised escrow platform, cheque printing and collection services, host-to-host integration, API banking, and virtual account solutions. These offerings are currently under development and are expected to be launched during the current financial year, with the objective of building a comprehensive and future-ready CMS platform to meet the evolving needs of corporate and institutional clients.

On the Trade Finance front, your Bank's non-fund-based trade book crossed ₹2,100 crore. The first foreign currency import Letter of Credit (LC) and the first Letter of Credit Bill Discounting (LCBD) transaction were executed, alongside steady growth in cross-border remittances averaging over \$2.2 million per month.

Your Bank is also in the process of developing a Supply Chain Finance platform to complement its existing trade and CMS offerings. CMS and Trade continue to be key pillars within the Wholesale Banking business, supported by ongoing investments in product development and service delivery.

Treasury

Your Bank's Proactive Treasury Risk Governance

The Treasury Department of your Bank continues to play a pivotal role in nurturing financial stability, deepening stakeholder confidence, and enabling sustainable growth. It stands as a cornerstone of prudent financial management, ensuring an optimal balance between maintaining liquidity, profitability, and risk alongside unwavering compliance with regulatory frameworks.

The Treasury Department's proactive approach to excellence entails navigating dynamic economic conditions, managing risks and safeguarding your Bank's financial health. It leverages advanced analytics, a robust IT infrastructure, managing risks, and an in-depth perception of market dynamics. At the same time, it oversees value enhancement for depositors, investors, and partners. This dual-lensed approach ensures that your Bank upholds and sustains the trust it shares with all stakeholders.

This year, your Bank continued its legacy of competently managing investments across a diversified portfolio of bonds, equities, and foreign exchange instruments, amidst a shifting economic landscape. With a strong focus on transparency and performance, the team has delivered consistent returns while upholding the highest standards of governance and risk management.

In essence, the Treasury Department embodies the true spirit of *bandhan*—a bond of trust, responsibility, and shared progress in every transaction and strategy. As your Bank continues its journey of expansion and empowerment, the Treasury Department remains unwavering in its mission: to build enduring financial resilience and reinforce the trust that stakeholders place in your Bank.

Third-Party Products

Facilitating Comprehensive Solutions for Evolving Needs

The banking industry is undergoing a rapid transition, driven by shifting customer demands and data-driven technological advancements. However, amidst all this evolution in the banking ecosystem, the core philosophy of relationship-driven, trust-embedded banking remains firmly entrenched.

Your Bank continues its firm endeavour to be a Bank for All – the one destination for all financial services. Your Bank provides a comprehensive range of insurance and investment solutions, meticulously tailored to customers' financial well-being, a testament to its commitment to building a resilient relationship with its customers.

Over the past year, your Bank has focused on enhancing its service offerings by leveraging analytics, customer insights, and technology to better meet its customers' evolving needs. In doing so, your Bank continues to embody the spirit of *trust that grows, bandhan that strengthens*, reinforcing its dedication to nurturing trust and deepening its bond with customers, stakeholders, and communities.

Furthermore, in an era where the entire banking ecosystem is built on partnerships that heavily leverage decision sciences, tailored product and service offerings, your Bank has been steadfast in its commitment to serving customers throughout different life stages. This commitment is supported by a well-established and diversified network of branches, an empathy-driven workforce, as well as robust internet and mobile banking platforms. The market for third-party distribution of financial products, including life insurance, general insurance, and mutual funds, is rapidly evolving in response to the progression of customer needs and preferences, as well as regulatory interventions.

To keep pace with the evolving financial needs of customers, your Bank has entered into ecosystem partnerships and built strong synergies with third parties to offer robust product propositions closely tailored to its customers. In addition to the focused products, your Bank has established a strong distribution network for third-party products, both offline through the branch network and online through digital banking platforms.

The focus remains on providing the customers with need-based solutions to manage their financial well-being, reinforcing the values of long-term empowerment and relationship-building.

Non-Life Insurance

The world has witnessed an unprecedented increase in awareness and response to the growing importance of health and financial security following the pandemic. The importance of both comprehensive and specialised health cover benefits is clearly discernible.

Your Bank has strengthened its partnerships with existing insurance providers such as Bajaj Allianz General Insurance Company, Niva Bupa Health Insurance Company and The Oriental Insurance Company Ltd. (OICL). Your Bank has also forged a new partnership with ICICI Lombard General Insurance Company Ltd.

Through these partnerships, your Bank offers a diverse range of general insurance products, including home, health, motor, personal accident, and critical illness insurance. These solutions and offerings help in building a comprehensive proposition for your Bank's customers, offering benefits supporting lifestyle and livelihood. These offerings are designed to help customers manage health-related risks and ensure financial protection against uncertainties.

Furthermore, your Bank's strong focus on providing a safety net around health-related risks has led to a comprehensive array of products and solutions tailored to secure the specific health needs of its customers and protect against unforeseen events.

Life Insurance

The Indian life insurance industry is experiencing robust growth, fuelled by economic progress, increased product awareness, a growing middle class, rising disposable incomes and supportive government policies and actions. Additionally, the industry is benefiting from technological advancements, data-driven decision-making, product and process innovation, and the expansion of distribution networks.

Your Bank, as a trusted corporate agent for leading insurance companies such as Bajaj Allianz Life, HDFC Life, Kotak Life, and Bandhan Life, with whom a corporate-agency relationship was forged in the last financial year, continues to expand access to life insurance. Through its well-stitched partnership model, your Bank provides a wide range of life insurance products. These include protection plans, savings plans, market-linked products like Unit Linked Insurance Plans (ULIPs), and annuity products with both immediate and deferred annuity options.

These products cater to different customer segments and life stages, helping individuals secure their lives and achieve their long-term financial goals. These offerings further reflect your Bank's vision of growing with its customers, deepening trust and reinforcing the *bandhan* that evolves into lasting financial security.

Mutual Funds

The mutual funds industry has witnessed a year of intersecting headwinds and tailwinds as it weathered both global and local geopolitical and macroeconomic factors. Nevertheless, the industry has remained steadfast. Also, steady retail inflows have helped it remain largely rangebound, helping see off major events. Besides, the mutual fund market has witnessed significant participation from retail investors, driven by the widespread availability of digital platforms and comprehensive data.

Furthermore, your Bank has partnered with leading mutual fund companies, including Bandhan, HDFC, ICICI Prudential, UTI, Nippon India, SBI, Aditya Birla Sun Life, Kotak, Franklin, Axis, and Mirae Asset. Through these partnerships, your Bank facilitates a wide variety of mutual fund products across asset classes via its Retail Internet Banking, Mobile Banking, Branch Banking channels. These products are tailored to meet the diverse investment needs of customers, providing benefits such as asset diversification, disciplined savings, and tax advantages in certain products.

Moreover, your Bank focuses on mutual funds to help customers build wealth and achieve their financial objectives through professional management and strategic investment options. With each such offering, your Bank builds confidence and loyalty, furthering trust that grows and cementing a *bandhan* that strengthens with every step in the customer's financial journey.

Information Technology

Fortifying Digital Trust through Scalable Tech

Information Technology (IT) continues to play a pivotal role in redefining the future of banking in the current, dynamic financial landscape. Your Bank remains steadfast in leveraging cutting-edge technologies as part of its commitment to deliver enhanced customer experiences, drive operational excellence, and ensure robust security in an increasingly digital ecosystem, thereby strengthening trust with its customers. Over the past year, your Bank has made significant strides in its digital transformation journey, through focused investments and strategic initiatives that have not only bolstered efficiency, innovation, and sustainable growth but also reinforced the bandhan with its customers and stakeholders.

Expansion of Digital Banking Services

Your Bank has continued to enhance its digital offerings, ensuring secure and seamless banking experiences for its customers.

Noteworthy advancements of FY25 include:

- **Neo FD:** Enabled customers to remotely open Fixed Deposit accounts through a video KYC process.
- **QR-based Loan Repayment:** Introduced unique QR codes facilitating direct loan EMI payments via any UPI app.
- **Trade Finance CBS Product Processor (FCY):** Launched a comprehensive platform for handling export/import transactions and cross-border remittances.
- **Contactless Transactions:** Enabled contactless payments on Bandhan Bank POS terminals using Bandhan Bank debit cards.
- **Transaction Monitoring:** Strengthened real-time digital transaction monitoring.

Robotic Process Automation (RPA)

To streamline operations and reduce manual dependencies, your Bank implemented Robotic Process Automation (RPA) across key functions. This initiative has resulted in faster processing, improved accuracy, and allowed employees to focus on higher-value tasks.

Strengthening Cybersecurity

Cybersecurity remains a top priority for your Bank. Your Bank has rendered substantial enhancements to its security infrastructure, ensuring greater resilience against evolving threats.

Key initiatives undertaken in FY25 included:

- Deployment of advanced anti-malware solutions
- Strengthened access controls for the Core Banking System (CBS) through IDAM (Identity and Access Management)
- Implementation of an application monitoring tool for proactive alerts and issue resolution
- Rollout of Endpoint Detection and Response (EDR) for advanced endpoint protection
- On-premise implementation of DDoS protection to safeguard perimeter security

Customer-Centric IT Initiatives

Your Bank introduced several customer-focused technology solutions in FY25 to improve engagement and expand accessibility:

- Launched QR code-based EMI collections from microfinance customers
- Implemented an Enterprise-Wide Loyalty & Rewards Management Platform (EWLP) to drive customer retention and engagement by centralising reward programmes
- Secured authorisation to open pension accounts for central, civil, and railway retirees, including integration with the Jeevan Pramaan portal for life certificate submissions
- Enabled direct payment of Income Tax and GST through net banking, debit cards, and UPI
- Rolled out regulatory SMS notifications to inform DPD (Days Past Due) customers about credit data submission to Credit Information Companies (CICs)

Operational Excellence

Cementing Trust Through Operational Strength

Your Bank's operations aim to make it future-ready, aligning with the evolving customer preferences and regulatory compliances. By enabling services that are accessible, compliant, and efficient — anytime, anywhere — your Bank ensures convenience without compromise. Your Bank's operational excellence reflects its core belief: trust that grows, bandhan that strengthens, as it integrates its diverse strengths to build deeper connections and deliver trusted experiences to a vast and expanding customer base.

Strengthening Credit Operations for Sustainable Growth

During FY25, your Bank, in pursuit of operational excellence, established the Credit Administration and Asset Operations Department (CAD). The department is a strategic step to oversee and strengthen your Bank's credit processes and lifecycle, reinforcing its commitment to building systems rooted in trust and long-term efficiency.

CAD is a blend of governance, risk management, data analytics, and operational efficiency. Some of the key measures being taken include ensuring regulatory and IRAC compliance, introducing workflow automation tools, tracking drawdowns and usage, validating collateral management systems, utilising EWS to flag deteriorating loans, and conducting regular credit reviews and re-rating exercises. These initiatives collectively reflect your Bank's focus on earning and nurturing trust that grows by embedding transparency, discipline, and control into the credit ecosystem.

Furthermore, a dedicated team is assessing current underwriting policies and procedures for the entire lending business across all verticals. At the same time, your Bank is redefining the approving authority to tighten the approval and delegation framework, thereby strengthening internal structures in alignment with the spirit of *bandhan* to grow together.

Similarly, your Bank believes that CAD will play a significant role in achieving sustainable growth, aligning with its commitment to building stakeholders' trust. Your Bank achieved key milestones in strengthening the operational backbone of the Trade Finance division, reinforcing its position as a reliable partner in global trade.

Through a combination of process reengineering, system upgrades, and strategic investments in technology, your Bank ensured that its operations remained agile, compliant, and customer-centric. These steps support not only operational resilience but also the foundation of strong and enduring relationships with clients.

Moreover, your Bank has adapted to the dynamic changes influencing the current banking landscape, ensuring its operations remained efficient, robust, and customer-focused. This reinforces a *bandhan* that deepens through innovation and responsiveness. With the application of data analytics, there is regular monitoring of portfolio movements and trends in secured advances.

Simultaneously, your Bank is continually engaged in automation projects with a key focus on the quality and accuracy of reporting. Following the migration of the Core Banking System, your Bank has leveraged technology in every aspect of its value proposition, from designing products to streamlining processes that improve delivery and monitoring, building further on the foundation of trust that grows.

Throughout FY25, your Bank appointed various external agencies to evaluate the existing credit processes, identify gaps, and provide solutions. Based on these solutions and identified needs, your Bank has onboarded external vendors and applications to efficiently monitor and improve control over critical credit parameters and day-to-day account operations. This will also help your Bank reduce long-term compliance costs and track asset quality on a regular basis, thereby nurturing trust in your Bank.

Overall, your Bank is confident that the strategic initiatives undertaken through CAD and the related automation efforts will yield long-term benefits. These include improved credit quality, greater process transparency, and enhanced stakeholder confidence.

Operational Excellence: Optimising Service Experience

Operational excellence forms the backbone of any organisation, and is, therefore, of paramount importance. To strengthen operational resilience and ensure seamless management, your Bank is working on many initiatives.

On the strategic front, your Bank is actively pursuing various digital initiatives, such as account opening with automated customer identification solutions and WhatsApp banking services, aimed at delivering a seamless and efficient service experience to its customers.

Similarly, the operations team is working on various initiatives to integrate Robotic Process Automation (RPA) into routine operations as a key step towards enhancing efficiency, reducing human dependency, and ensuring consistency in service delivery. These initiatives are not only pivotal for operational excellence but also align with your Bank's larger goal of contributing to the transformation and digital empowerment of India.

Additionally, your Bank is making significant strides towards a paperless banking system in its operational areas, thereby aligning with its broader 'Go Green' initiative and commitment to environmental sustainability. Your Bank is working on reducing the paper-based processing of account servicing requests and adopting system-based processing by migrating all email-based and paper-based processes to workflow-based systems.

By embedding digital agility and transparency into its operations and management, your Bank is stabilising a system of *trust that grows, bandhan that strengthens*.

Customer Experience

Quality in every Interaction and Delivering Best-in-Class Banking Experience

Your Bank remains steadfast in its commitment to delivering superior customer experiences. Your Bank's Customer Experience Department continues to enhance service delivery and processes that are essential to providing seamless, convenient, and secure banking experiences. Through structured feedback mechanisms, such as the Voice of the Customer and Voice of the Employee, your Bank has actively identified and addressed gaps between customer expectations and service delivery. These insights are instrumental in shaping its robust 'Customer-First' culture and redesigning processes and systems to enhance customer trust and banking experience.

During FY25, your Bank focused on enhancing experiences across every customer touchpoint.

Several strategic initiatives were undertaken to ensure improved access, convenience, and service excellence:

- Your Bank's 24/7 Contact Centre supports multiple regional languages in addition to English and Hindi, managing a wide range of services, including emergency support, grievance resolution, and product-related queries. Additionally, customers can reach out to explore additional products and services. As part of your Bank's omnichannel strategy, the Contact Centre is evolving into a multilingual customer engagement hub across three locations with a frictionless Self-Service IVR system that offers profile-based call routing, including direct access to agents for EEB (Emerging Entrepreneurs Business) customers.
- To elevate the in-branch experience, 50 branches have been redesigned to offer an enhanced ambience, seating arrangements, and visibility of essential banking information. Awareness campaigns and visual cues further enrich the customer experience. The next phase includes upgrading additional 500 branches. Concurrently, branch banking transactions and account opening journeys are being re-engineered to be straight-through and instant, with built-in validations, ensuring faster, error-free and hassle-free banking.
- Recognising the growing importance of digital engagement, your Bank has made digital banking secure and user-friendly, with enhancements to frequently used features. Insights from customer feedback continue to shape your Bank's security roadmap, with particular attention to reducing Unauthorised Electronic Banking Transactions (UEBT) and reinforcing digital trust. Your Bank is also in the process of launching WhatsApp Banking, which will carry all the frequently used functionalities for better accessibility and convenience.
- Your Bank has undertaken an end-to-end revamping of the grievance machinery with more convenience for customers. Some of the features include a comprehensive and well-established policy with improved turnaround times and escalation points. Simultaneously, your Bank is working on an enhanced portal for real-time complaint status tracking, options to attach documents, provide feedback on resolution quality and more.

Further, your Bank continues to strengthen its 'Customer-First' culture through regular engagement. Customers are invited to participate in the Standing Committee on Customer Service and the Customer Service Committee of the Board, enabling direct feedback to senior management. Monthly Branch-Level Customer Service Committee meetings are held, inviting customers from diverse backgrounds, including senior citizens and pensioners, to share their experiences and suggestions. Your Bank has also initiated transaction surveys, wherein feedback is taken from customers within a week of their interaction for the recency effect. In addition, your Bank regularly gathers feedback from its frontline employees, whose insights are invaluable in refining service delivery.

Moreover, your Bank benchmarks its services against industry standards and incorporates findings from ongoing feedback and periodic studies. As a result, continuous improvements are being made to service delivery and customer journeys. Similarly, your Bank's governance framework has been reinforced to monitor performance across all service delivery channels through service quality audits. Your Bank recently concluded a comprehensive Net Promoter Score (NPS) survey covering all product lines. The outcomes of this study will guide large-scale enhancements in product, process, and systems.

Furthermore, your Bank's Customer Experience Department publishes a periodic 'Customer-First' internal newsletter, which highlights best practices in service delivery and features stories of employees exemplifying customer-centric values. This initiative builds a shared understanding of what it means to deliver excellence in every customer interaction.

As part of its broader transformation agenda, your Bank is continuously upgrading its IT infrastructure. It is in the process of rolling out new customer onboarding journeys and have redesigned several transaction processing workflows to make them simple, frictionless and straight-through.

In essence, your Bank endeavours to build a customer-centric organisation focusing on quality in every interaction, thus delivering a superior banking experience. Your Bank acknowledges that customer experience is not just about transactions but about building a long-term *bandhan*, grounded in trust and mutual growth.

Transformation Management Office

The Epicentre of Trust-led Transformation

Transformation

It is not the strongest of the species that survives, nor the most intelligent that survives. It is the one that is most adaptable to change.

– Charles Darwin

How the drive for survival affects all living beings is understood since the days of Charles Darwin. According to modern-day economic research, this also applies to the corporate world. Your Bank understands that though the parallels between natural and economic transformation are striking, the pace is significantly different.

In nature, it can take centuries or millennia for traits to impact a species' prospects positively or negatively. On the contrary, in a fast-paced economy of the Anthropocene, companies often have mere months or years to adapt to secure their survival.

Businesses are never in a state of equilibrium. Instead, they are characterised by constant competition among companies, products, and systems. As in Darwin's observations on natural selection, only those that adapt to their environment emerge victorious.

Companies must, therefore, navigate this challenge daily by adapting to new regulations, shifting consumer preferences, demographic changes, long-term trends like climate change, and above all, digitalisation. This is achieved through transformational efforts that create new ecosystems or interconnect existing ones, benefiting all.

Transformation and Trust

Your Bank believes that trust and transformation are intrinsically linked, both in personal and professional contexts. Since banking is a business built on trust, any transformation must be rooted in it. Within relationships, a foundation of mutual faith enables vulnerability, open communication, transparency, and collaboration, all of which are vital for positive change and growth.

Trust is also essential for creating a shared commitment to change, where team members feel valued and empowered to contribute their best work. Your Bank's leadership prioritises building trust with their teams, creating a sense of psychological safety that encourages innovation and risk-taking. Your Bank believes in maintaining high ethical standards and showing empathy towards others, paying attention to others' perspectives and showing genuine care to build trust and strengthen relationships. They inspire followers by communicating a compelling vision and demonstrating genuine care for their well-being.

In essence, trust acts as the lubricant that allows transformation to occur smoothly and effectively. A lack of trust can create friction and resistance, while a foundation of trust enables individuals and organisations to navigate change with greater ease and achieve more impactful results. When employees trust their leaders and the organisation's intentions, they are more likely to embrace new strategies, technologies, and processes.

Wise men put their trust in ideas and not in circumstances.

– Ralph Waldo Emerson

Transformation at Your Bank

Transformation is an ongoing process that tends to appear ordinary, when, in fact, something extraordinary is taking place.

– Suzy Ross

Your Bank is at a pivotal stage of its growth journey, and to stay competitive, it has embarked on the Bandhan Bank 2.0 transformation journey encompassing business, channels, operations, digital, and customer experience. To achieve the goal of a syncretic transformation, a Transformation Management Office (TMO) has been established as an extension of the MD and CEO's office.

The TMO oversees and catalyses several transformative initiatives being undertaken at your Bank. It operates under four I's - Initiation, Intervention, Innovation, and Integration, guiding its comprehensive approach to strategic evolution. Presently, TMO is catalysing 29 projects and initiatives involving 16 departments with 129 Bandhanites, reflecting One Bandhan Bank.

Furthermore, your Bank believes that driving transformation requires exuberance, experience and an amalgamation of diverse skill sets and thinking, and the TMO has been staffed accordingly. The TMO has already initiated actions associated with technology modernisation, process improvements, capability evolution, new business model reconfiguration, and more.

Some of the transformative initiatives currently in the pipeline include retail liability sourcing from increased catchments through the banking units (BU), modernising the credit underwriting process with an integrated approach of implementing business rule engines for all rule-based products, and using analytical tool-based

scorecards and technology-based PDs, leading to STP digital underwriting. Simultaneously, all digital platforms are being upgraded in accordance with Service-Channel-Customer compatibility mapping to ensure a seamless customer journey.

Moreover, your Bank is working to innovatively utilise emerging technologies such as QR codes, WhatsApp banking, and facial recognition capabilities in various aspects, including customer convenience, operational efficiency, recovery efforts, and fraud risk management. Besides, a culture of agility and continuous improvement underpins these efforts, reflected in workplace transformation initiatives and the alignment of new technologies, such as AEPS, with business objectives aimed at digitalising the working environment.

At its core, the Transformation Management Office embodies your Bank's unwavering commitment to its future. By championing these strategic imperatives and embracing the evolutionary currents of the industry, your Bank is not simply reacting to change but actively shaping for the future.

Your Bank is confident in its ability to build Bandhan Bank 2.0, an agile, innovative, tech-savvy and customer-centric universal bank, ensuring that with growing trust, the *bandhan* with its customers strengthens. Together, they symbolify resilience, deeper engagement, and sustained financial inclusion, reinforcing your Bank's core values of trust, customer-centricity, and long-term empowerment.

The best way to predict the future is to create it.

– Peter Drucker

Human Capital

Embedding a Culture of Care, Capability, and Collaboration

Human Resources Business Partner (HRBP)

Your Bank has been focused on building an organisation in a rapidly evolving financial landscape, one that thrives on diversity and inclusivity and builds innovation and community connection. With a strong focus on employee engagement, team collaboration and business expansion, your Bank has laid a powerful foundation for its future growth. Your Bank acknowledges the contribution and importance of Human Capital Management in strategising and strengthening the people infrastructure essential for sustained growth, continuous innovation and long-term success.

FY25 was a transformative year for your Bank, marked by key reforms and strategic initiatives aligning with its organisation values that prioritise a human-centric approach.

Your Bank implemented the following strategic measures, reinforcing the Bank's core values of trust, customer-centricity and long-term empowerment.

- In FY25, your Bank promoted 7,767 employees in recognition of their performance, initiatives and leadership traits demonstrated in their current role and elevated more than 2,000 employees in FY25. Your Bank's strategic investments in leadership, motivation and continuity ensure it continues to build a high-performing and engaged workforce, steadily strengthening the *bandhan* it shares with its people.
- Your Bank doubled down on 'Hire from Within' this year, reflecting its belief that its people are the strongest foundation for growth. Your Bank has scaled up its Internal Job Posting (IJP) platform, enabling staff to apply for new roles and career paths internally. By prioritising promotions and transfers from within, your Bank reduced external lateral hiring and reaped the benefits of employee loyalty and continuity.
- Your Bank forged strong campus-to-career pathways to onboard new talent into the organisation, ensuring a steady influx of skilled individuals. Empowering young professionals to build a stable and rewarding career in the financial field, your Bank visited 34 premier institutes and selected 133 young students, offering them dynamic career opportunities and creating a robust talent pipeline from interns to full-time bankers, aligning with industry insights critical for long-term growth.
- In FY25, your Bank has focused on implementing strategies that build a sense of community and promote a culture of inclusivity with enhanced team collaboration, camaraderie, and overall employee well-being. Your Bank organised football and cricket tournaments engaging more than 2,000 employees across locations.
- In FY24, your Bank conducted a follow-up survey in continuation of the employee engagement survey with Gallup in FY22. The survey revealed your Bank's outstanding performance with an improved score of 4.56 out of 5, accompanied by higher employee participation. Your Bank has also been recognised with the Gallup Exceptional Workplace award 2025 for the second time in a row.

The aforementioned initiatives portray your Bank's commitment to cultivating a resilient, future-ready organisation, anchored in an enduring *bandhan* it shares with its people.

Learning and Development

Learning and Development (L&D)

For FY25, your Bank made a quantum leap in strengthening its Learning and Development (L&D) proposition for employees. It has developed programmes to equip employees with the necessary skillset, mindset and knowledge to enable them to meet the challenges of a rapidly changing banking industry.

This year, your Bank has focused on building employee competencies and key strategic imperatives such as:

- Initiatives on Compliance Adherence and Risk Mitigation
- Initiatives on Customer Service Excellence and Grievance Redressal Mechanisms
- Initiatives on Slippage Control and Recovery Management
- Initiatives on Cross-selling and Portfolio Growth

Apart from the above, the L&D Team has focused on behavioural learning interventions to strengthen the leadership pipeline. These include the following:

- Bespoke leadership development interventions through ISB for its CXO, Senior Management, and other critical role holders
- Leader as a Coach programme for the Senior Management
- Women's Leadership Development journey for DVPs and above
- Several behavioural interventions based on the needs of specific audiences
- A Lean Six Sigma green belt intervention for process excellence was piloted with an impact on multiple ongoing projects

Learning Centres

Human Resources has taken a strategic step to evolve the learning centres from a vendor-managed to a bank-managed setup. Your Bank offers training across 13 locations in the country, which reflects its commitment to invest in the learning and development of its employees.

Succession Planning and Leadership Development

A structured succession planning and leadership development process enables your Bank to identify, groom and develop the next level leaders. Your Bank has a systematic approach to identify the critical role holders who require further development to drive growth and encourage innovation within their team and the organisation at large. Accordingly, your Bank has initiated a roadmap for grooming the senior leaders in specially curated Leadership Development Programmes in collaboration with the Indian School of Business, Hyderabad.

Diversity and Women's Leadership

Your Bank launched the flagship Women's Leadership Development Programme, 'Bandhan For Her', to strengthen gender diversity initiatives. It was initiated with the adoption of a formal DEI Policy. Under this initiative, the major interventions are Women's Leadership Training to strengthen and develop the 45 aspiring senior female leaders over three months. A range of programmes and initiatives will follow to further your Bank's investment in diversity, equity, and inclusion.

Capacity Building and External Training Programmes

Employee capacity building initiatives are the top priorities for your Bank, and during the course of the year, 5,689 employees participated in various external capacity building programmes. These programmes were aimed at enhancing functional skills, technical competencies, leadership capabilities, and industry-specific knowledge.

Your Bank has ensured that employees remain well-equipped to adapt to the evolving industry trends, such as digital banking and cybersecurity in a changing regulatory landscape. Your Bank's strategy focuses on developing talent and empowering its employees for long-term organisational growth, which is reflected in these initiatives.

Digital Learning Initiatives

Your Bank has invested in a world-class e-learning service provider, LinkedIn Learning, to broaden the scope of capacity building for its employees. This will provide senior managers and above, access to over 24,000 learning resources anytime, anywhere. Your Bank has begun the journey with a focus on building AI (Artificial Intelligence) skills, given its significance in the current scheme of things.

Key L&D Metrics to drive learning and development initiatives in your Bank during FY25 are enumerated below:

- 3 million learning hours achieved in FY25, up by 14% from FY24
- Per-employee learning hours stood at 34 hours of training per employee in FY25
- 99.6% of employees participated in at least one training programme in FY25
- Total training coverage across all formats (Internal/ External/e-Module) reached 7,67,756 - 71% increase from FY24
- Digital learning penetration among employees grew substantially in FY25. Logins on the Learning Management System (Bandhan Edge) reached 12,60,879 by March 2025, marking a notable increase of 50% from FY24

Special Initiatives were taken during FY25 to augment the regular training strategies aimed at skill development for the employees:

- Productivity improvement programmes were launched for affluent channel, government business, current account and other business units.
- Multi-faceted training interventions covering classroom training, webinars, e-learning courses, quizzes, contests, and more were facilitated for building operational excellence across business functions. Programmes on customer service, First Time Right for the account opening process and employees in Central Processing Units, and Credit Management were also conducted.
- Management Development Programmes to upskill role-elevated employees and Leadership Development Programmes for role-elevated employees from junior to senior management across business functions. These programmes encourage employees to hone new skills and competencies required for the higher role.
- Grow with Bandhan Bank: A new initiative was launched for all employees to self-nominate for continuous learning. These were specially curated, bite-sized training sessions to enhance skill, behaviour, attitude, and mindset for personal and professional growth.
- RISE: A culture-building programme was launched as a part of the organisational development strategy, emphasising areas of Professionalism, Collaboration, Transparency and Speed.
- Multiple learning measures were implemented to improve your Bank's compliance and risk culture. Mandatory training modules on POSH, Information Security, KYC-AML/CFT, Fraud Awareness, and Business Continuity Plan were used to train the majority of employees.

Human Resources Operations

Digitisation in HR

Digitalisation in HR has been a strategic initiative to enhance your Bank's talent acquisition, development, and management capabilities. By adopting advanced technologies, your Bank has been able to improve efficiency, reduce manual administrative tasks, and focus more on strategic initiatives to drive organisational growth. Technological advancement in the HR domain helps your Bank to ensure a better employee experience, given the diverse nature of its workforce.

Through the Human Resource Management System (HRMS), your Bank hosts all significant HR Domain journeys and self-service activities, allowing ease of access for routine transactions such as attendance, leave management, travel, query resolutions, etc. It is also a knowledge base of information related to your Bank's policies, processes and personal records, enabling quick access when needed. Regular workflow approvals on the app have significantly improved. Additionally, greater control and governance could be established.

HR Service Desk

Your Bank has set in place a robust query handling mechanism to ensure that it is accessible to all employees. The HR Service Desk, a centralised and dedicated team, is equipped to handle employee queries and service requests, striving to provide a speedy resolution.

Listening to Employees

Your Bank builds a culture of continuous listening and feedback from its employees through surveys and poll functionalities.

Bandhan Bank Alumni Portal

The Bandhan Bank Alumni Portal is a digital platform that provides ex-staff with a seamless offboarding and access to important documentation after their exit.

Other HR Initiatives

Your Bank launched an organisation-wide Know Your Bank (KYB) and Know Your Customer (KYC), a KYC quiz-based knowledge series through HRMS with the objective of helping employees gain a better understanding of the key business units, their products, processes, policies, and USPs.

Employee Benefits

Your Bank celebrates the gift of parenthood and undertakes several initiatives to support its employees as they take on new responsibilities as parents. In line with the Maternity Benefit Act, female employees are eligible for maternity leave of 26 weeks. Your Bank also provides adoption leave to women employees.

Paternity Leave

Paternity leave of five days was introduced, extended beyond regular privilege leave, to promote gender equality and enable male employees to support their families during childbirth.

Employee Health and Wellness

Your Bank considers its employees as its most valuable assets. Therefore, your Bank has always remained proactive in carefully curating the health and wellness quotient. Your Bank has tie-ups with hospitals in key locations across the country to facilitate quick medical attention for employees in medical emergencies. Your Bank also provides comprehensive insurance coverage for employees across all grades. The Group Insurance facility includes the Group Medclaim Policy covering hospitalisation expenses of employees and their enrolled dependents sponsored by your Bank, the Group Personal Accidental Insurance Policy and the Group Term Life Insurance Policy with terminal illness rider for the employees.

Employee Health Check-up Policy

As one of the measures to encourage employees to stay healthy and identify health issues, if any, your Bank has a policy on Employee Health Check-up. Your Bank sponsors the health check-up for employees at the senior and top management grades. Other employees can avail of services at discounted rates.

Health Awareness

Your Bank launched several health awareness initiatives to enhance employee wellness. These included regular information letters and health tips, communication to employees on topics such as stress management, promoting mental health, the perils of self-medication, and more. Health awareness programmes and sessions on 'Prevention of Diabetes' and 'Pain and Palliative Care' were also conducted. Additionally, regular health camps and training workshops on first aid and CPR were arranged to promote staff safety.

Wellness Platform

B Well Digi Care Plan is a representation of that commitment with all health benefits under one roof, knit together by state-of-the-art technology and 24/7

customer support. Through this, your Bank provides free online medical consultations and facilitates medicine deliveries and diagnostic services, thereby ensuring accessible healthcare solutions. Other services include discounted dental, eye consultations and procedures, discounted gyms and fitness services including yoga, zumba, etc., fully sponsored IPD Assist for post-discharge online care and doctor consultations, and health assessments. A wealth of online wellness resources and health articles is also available on the wellness platform.

HR Compliance

Your Bank adheres to all applicable statutory and regulatory laws and guidelines in their true spirit and stays updated with the changing dynamics of the laws. It ensures all statutory payments are timely remitted to the respective authorities, and required compliance records are meticulously maintained. All necessary returns and disclosures are furnished to the relevant authorities in a timely manner according to the provisions of law.

Discipline and Ethics Management

The Code of Conduct and Ethics ('Code') articulates your Bank's commitment to conduct business in accordance with the highest ethical standards and in compliance with all applicable laws, rules and regulations. At your Bank, ethical behaviour is inseparable from honesty, integrity and good judgement. Accordingly, all employees are required to follow the Code and act with a high degree of professional and ethical standards. Employees shall be accountable and responsible for their actions and decisions while performing their day-to-day activities.

As long as the employees discharge their duties efficiently in accordance with systems and laid down procedures and guidelines, policies and regulations in force, they will not attract disciplinary action. However, any breach of the Code, including deviation from the above-mentioned principles, shall be considered a punishable offence and attract disciplinary actions against the erring employee. In case of gross misconduct, your Bank has a Discipline and Ethics Management team, which deals with these disciplinary cases and imposes punishment in line with the decision of its Disciplinary Committee.

Risk Management

Focusing on what Matters: Key Risk Areas

Your Bank prioritises proactive identification and mitigation of potential risks through a robust risk management strategy aligned with industry's best practices. This approach ensures resilience and builds growing trust among stakeholders, strengthening the long-standing relationship they share with your Bank.

Your Bank's holistic approach towards managing risks emphasises four key elements:

1. Developing a corporate risk profile
2. Risk function that manages risk prudently
3. Practicing integrated risk management
4. Ensuring continuous risk monitoring

These practices protect your Bank's long-term stability and reinforce stakeholder confidence, enabling stronger bonds and deeper engagement. They continue to differentiate your Bank, empower decision-making, protect stakeholder interest, and win their trust and loyalty.

The risks managed include credit risk, credit concentration risk, market risk, liquidity risk, interest rate risk in the banking book, operational risk, fraud risk, conduct risk, IT risk, outsourcing risk, compliance and legal risk, information security (InfoSec) risk, reputational risk, strategic risk, business risk and their underlying interlinkages.

Your Bank's strong risk governance strives to nurture enduring relationships, upholding the values of trust, customer-centricity and long-term empowerment, true to the spirit of trust and *bandhan*.

The essence of risk management lies not in avoiding risk but in understanding and preparing for it.

— Peter L. Bernstein

Building a Resilient Risk Management Framework

Risk management and resilience are closely intertwined. Effective risk management practices contribute to resilience by reducing the likelihood and severity of adverse events, thereby providing stability and building trust.

In recent years, unexpected global events have disrupted businesses across different parts of the world. The confluence of a global pandemic, massive supply chain disruptions, geopolitical risks, and many other challenges has fueled inflation, escalated the cost of living, and led to large-scale cyber-attack, among other consequences.

Furthermore, the predominant operational risks faced earlier emanated from vulnerabilities related to the increasing dependence and rapid adoption of technology for the provision of financial services and intermediation. However, the growing reliance on third-party providers, exacerbated by COVID-19 with a greater reliance on virtual working arrangements, has highlighted the increasing importance of operational resilience.

Moreover, the landscape is ever-evolving, with frequent changes in regulatory guidelines, technological expectations, and shifting consumer preferences. To stay one step ahead, your Bank has embarked on a forward-looking transformation journey, driving innovation within—through a focus on modernising its technology, optimising processes, evolving capabilities, and innovating its business and operating models. This will ultimately enhance customer convenience, operational efficiency, and risk management.

Your Bank acknowledges the critical need to shape a resilient and robust organisation that can adapt quickly and take informed decisions and actions. Therefore, uniform measures are in place to assess the immediate and potential future effects and proactively map probable corrective actions and mitigation plans.

Accordingly, streamlining of core business is prioritised, which supports critical services and products. A comprehensive Crisis and Business Continuity Plan (BCP), developed in collaboration with key stakeholders, has been put in place and can be quickly activated. Similarly, stress testing, through various extreme but plausible scenarios, is done regularly to prepare your Bank for uncertainties, apart from testing for normal risk scenarios.

Success is not final, failure is not fatal: It is the COURAGE to CONTINUE that counts.

– Winston S. Churchill

Approach to Risk Management

Your Bank's Risk Management framework outlines its approach to risk management, encompassing provisions for risk governance arrangements, appetite and limits for risk exposures, policies for the management of various risk types, risk culture standards, and risk reporting.

The key arrangements and standards for risk management and internal controls that support your Bank's compliance with statutory and regulatory requirements are also clearly defined under this framework. By doing so, your Bank establishes a foundation for institutional trust and responsible growth practices. Simultaneously, risk transparency is built through reporting, disclosure, sharing of information and open dialogue on the risks arising from various activities across your Bank.

Your Bank's risk appetite is dynamic, taking into account changing situations. To assess the potential levels of stress that your Bank may encounter in the current dynamic macroeconomic and microeconomic environment, it conducts additional scenario analysis prudently, beyond what is required by the regulator.

Furthermore, your Bank's robust Risk Appetite Framework ('RAF'), set annually by the Board on the recommendation of the RMCB, aims to align risk-taking with its strategy, business, and capital plans. The RAF is a key governance tool. Hence, clarity regarding risk appetite and knowledge of operational triggers, which act as internal management triggers, is considered essential for risk-aware decision-making.

Moreover, scenarios and measurement approaches for quantifying risk and capital demands are implemented across all material risk types. Systems, processes, and policies are critical components of your Bank's risk management capability. Meanwhile, continuous

monitoring, scenario analysis, stress testing tools, and escalation processes safeguard key capital and liquidity levels.

Overall, the lessons from recent uncertainties has helped in strengthening the Risk Assessment Framework. The learnings were incorporated to regulate industry and socio-political risks and conduct risk within the framework, taking them into consideration while formulating your Bank's strategy and business expansion plan.

Your Bank keeps risk appetite as a guiding document while planning for the growth strategy.

Risk Management is a more realistic term than safety. It implies that hazards are ever-present, that they must be identified, analysed, evaluated and controlled or rationally accepted.

– Jerome F. Lederer

Risk Governance That Guards Trust

Banks need well-defined roles and responsibilities for managing risks, with robust mechanisms capable of holding individuals and teams accountable for their risk management decisions and actions. This includes establishing risk committees, risk appetite frameworks, and efficient escalation mechanisms to ensure the risks are identified, assessed, and managed at all levels within the organisation.

Furthermore, your Bank believes that considerations of profits or performance evaluation should not influence the role of risk management, but rather should align with regulatory guidelines and international best practices. Accordingly, your Bank's risk governance framework provides guidance on adopting a more holistic approach to managing risk. The detailed roles and responsibilities within your Bank further support the framework.

Your Bank follows three levels of the Risk Governance Framework:

1. Board
2. Committees of the Board
3. Management Committees

Your Bank's Board, through the Risk Management Committee of the Board (RMCB), is regularly updated and as necessary, on special developments in its risk situation, risk management, and risk mitigation.

The Risk Management Committee of the Board (RMCB) deliberates with the Management on the issues of aggregate risk disposition and risk strategy. It also supports the Board in monitoring the implementation of this strategy.

Various risk-related committees at Executive Level, such as Asset Liability Management Committee (ALCO), Credit Risk Management Committee (CRMC), Operational Risk Management Committee (ORMC), Market Risk Management Committee (MRMC), and Information Security Committee (ISC), among others serve as formalised decision-making forums, which enable the views of risk decision takers and risk managers to be taken into account.

The Chief Risk Officer (CRO) is directly responsible for all the risk management functions, such as Credit Risk Management, Market Risk Management, Operational Risk Management, Liquidity Risk Control and Information Security. In addition, the CRO is responsible for monitoring, analysing, and reporting risks on a comprehensive basis.

Meanwhile, the independence of the CRO is ensured through a fixed tenure, reporting structure and periodic reviews by the Board and RMCB.

Uncertainty is the only certainty there is, and knowing how to live with insecurity is the only security.

– John Allen Paulos

Risk Culture

Your Bank believes in the philosophy of 'Setting the Tone from the Top.' The Board and the Management build a strong risk culture within the organisation, further influencing the rest of the employees and driving strong risk resilience across all roles and levels, thereby safeguarding the key capitals and upholding your Bank's reputation.

Risk culture at your Bank is nurtured through:

- i. Regular and adequate risk management training for employees, tailored to their profiles and roles within risk management. Every risk taken needs to be approved within the risk management framework.
- ii. Issuing weekly or monthly newsletters and publications on various areas of risks.

- iii. Issuing directions on measures required for strengthening risk culture, formulation of policies and frameworks, whistle-blower mechanism, risk appetite framework, and more.
- iv. Placing emphasis on taking risks within the defined risk appetite. Also, ensuring that the risk taken is adequately compensated in line with risk-adjusted performance measures.

You can't mandate culture. It evolves organically, but it can be steered.

Risk Culture

Strong Risk Culture Demonstrates

- Viable and consistent role modelling from senior leadership; core values practised in daily actions
- Transparent and coordinated decision-making
- Continuous and constructive challenging of preconceptions, decision-making and actions
- High standards of analytical insight and information-sharing at all levels
- Rapid escalation of issues and concerns
- Failures used as critical learning opportunities
- Incentives that encourage all members to 'do the right thing' while considering the overall health and operations of the organisation
- Focus on external stakeholders of risk (e.g., customers, markets, societies)

Your Bank periodically evaluates its existing culture and level of risk awareness through a well-defined Risk Culture Management Process, illustrated below:

Risk Strategy and Capital

Your Bank aims to maintain an adequate capital buffer on an ongoing and forward-looking basis, i.e., internal capital supply to exceed internal capital demand at all times.

Your Bank maintains compliance with the Internal Capital Adequacy Assessment Process (ICAAP) as required under Pillar 2 of Basel III through its robust risk management and governance framework, methodologies, processes and infrastructure.

Your Bank employs a strategic planning process that aligns its risk strategy and appetite with its commercial objectives, a continuous monitoring process covering approved risk, leverage, and capital. This includes regular reporting of these parameters to management and a robust stress testing framework.

The ICAAP, Risk Appetite Framework, and Strategic Document are annually approved by the Board and reviewed on a periodic basis, ensuring alignment among risk, capital, and strategy.

To win without risk is to triumph without glory.

– Pierre Corneille

Risk Awareness and Communication

Your Bank believes that communication plays a pivotal role in building enhanced risk awareness among stakeholders, especially in matters related to risk culture and cybersecurity, and that a risk-aware employee and customer is, in itself, helps mitigate undesired risks.

Your Bank regularly trains staff on risk management through newsletters, circulars, seminars, workshops, and desktop screensavers. To enhance customer awareness of information security, multilingual text messages, emails, and social media posts are also used.

Furthermore, your Bank has a framework in place to gauge the effectiveness of Information Security Awareness. It also employs a Learning Management System (LMS) for employees, featuring curated modules in specialised areas such as information security, business continuity planning, and risk culture.

In the business world, the rear-view mirror is always clearer than the windshield.

– Warren Buffett

Credit Underwriting

Building a Disciplined and Feasible Credit Underwriting Framework

Your Bank's Credit Underwriting oversees credit decision-making across various asset portfolios, including EEB, Housing Finance, Retail Assets, and Wholesale Banking. The credit underwriting framework is governed by a credit policy that aligns with both regulatory guidelines and your Bank's internal risk appetite.

Your Bank follows a philosophy of rule-based credit decision-making for retail and schematic MSME loans, and adopts in-depth financial and sectoral analysis for corporate loans. Additionally, your Bank is working on implementing an API-driven Loan Origination System (LOS) for Housing, Retail, and Corporate asset portfolios, enabling automated checking and faster processing of credit proposals without compromising on credit quality.

By incorporating automation and discipline into its underwriting practices, your Bank is reinforcing a well-governed system of trust and transparency across the credit underwriting framework.

Compliance

Compliance First: Ensuring Integrity, Earning Trust

Your Bank's Compliance Department is a vital component of its corporate governance structure. The Department upholds your Bank's unwavering adherence to compliance, which covers the entire hierarchy of the organisation. This further ensures proactive participation of the Board and the Management in nurturing a strong culture of compliance and risk awareness. Such commitment underpins your Bank's continuous efforts to build and maintain trust with customers, regulators, and the broader public.

Your Bank has stringent compliance standards aligning with regulatory, statutory, and internal requirements. A comprehensive compliance policy, aligned with your Bank's philosophy, clearly defines roles and responsibilities within the Department. With this structured approach, your Bank ensures that its operations remain transparent, responsible, and trustworthy, thereby building trust and deepening *bandhan* in the relationship engagement it shares with all stakeholders.

Additionally, the Compliance Department supports the Board and Management in proactively managing compliance risks, ensuring that your Bank's activities consistently adhere to guidelines issued by the Reserve Bank of India (RBI) and other regulatory and statutory authorities. It also ensures that your Bank complies to the various standards and codes set forth by institutions such as the Indian Banks' Association (IBA), the Foreign Exchange Dealers' Association of India (FEDAI), and the Fixed Income Money Market and Derivatives Association of India (FIMMDA).

Moreover, the Department serves as the primary liaison with regulatory bodies, staying updated with evolving regulations, providing expert interpretation to senior management, and actively monitoring for potential gaps or deviations.

In line with your Bank's values of collaboration and resilience, the Department works closely with other departments to ensure a clear understanding and implementation of regulatory requirements. It also partners with the Risk and Internal Audit departments to enhance risk management practices and strengthen internal controls.

Further, your Bank has implemented a comprehensive, risk-based Anti-Money Laundering (AML) programme to address risks associated with money laundering and terrorism financing.

This entails a well-defined AML Policy, comprehensive customer due diligence protocols, continual risk assessments, and effective monitoring tools for detecting and reporting suspicious activities. Simultaneously, regular training sessions are conducted to equip staff with the knowledge required for ongoing compliance and proactive risk mitigation.

Moreover, the Compliance Department submits regular updates to the Board, the Audit Committee of the Board (ACB), and Senior Leadership regarding your Bank's compliance status, particularly in response to regulatory changes. Subsequently, the ACB periodically reviews the Department's performance and your Bank's overall compliance with applicable regulations.

On the whole, your Bank reinforces its core values, ensures data security, prevents fraud, and maintains a stable and trustworthy financial environment through strict adherence to regulatory standards. This not only deepens the confidence of customers and stakeholders but also strengthens your Bank's foundation.

Data Analytics

Data-Driven Approach: Fostering Trust Through Analytics

Trust forms the foundation of the banking industry, serving as the cornerstone of customer relationships and organisational reputation. Time and again, regulators worldwide are working to protect all customers' data.

With the advent of data science and analytics, your Bank has begun transforming its services and building greater trust among its customers. It is committed to protect its customers' information at all costs. Your Bank has heavily invested in Big Data Lake to enable the organisation to process vast amounts of information to uncover actionable insights. Similarly, it has created a comprehensive Data Governance Framework to secure data and address vulnerabilities.

Furthermore, one-size-fits-all approaches are rapidly becoming obsolete in modern banking. For an improved customer experience and customer centricity, your Bank has developed several in-house solutions like NEEV (in-house CRM Solution).

Based on AI-ML models, your Bank has tailored services to meet individual customer needs:

- Customer Segmentation: Banks use clustering techniques to categorise clients based on demographic profiles, preferences, and behaviours.
- Recommendation Engines: Predictive analytics design customised offers for lending products, savings plans, etc.
- Internal Chatbots and Virtual Assistants: Gen-AI-based personalised support, ensuring swift and accurate responses to customer queries, and knowledge institutionalisation.

Further, personalisation not only enhances customer satisfaction but also demonstrates your Bank's commitment to understanding and meeting individual needs. Simultaneously, transparency is crucial for building trust.

With the help of near-real-time data and analytics, your Bank has implemented:

- Transactions and Operations Monitoring: To prevent fraud, regulatory breaches, and revenue losses.
- Regulatory Compliance: Utilise algorithms to ensure adherence to laws and regulations, minimising errors and promoting fairness.

Data-driven risk management is another avenue where analytics reinforce trust. Predictive models assess the creditworthiness of customers, their income and asset wealth, and provide early warning signals for new borrowers. Forecasting and stress testing models further predict future financial trends.

Data analytics is thus redefining trust in banking services. Through enhanced security, transparency, personalisation, and predictive management, your Bank is strengthening its *bandhan* with its customers. As these technologies evolve, they will continue to play a pivotal role in ensuring the reliability and integrity of this institution, thereby building trust that grows with every transaction.

Enterprise Data Lake (EDL): Centralising Data for Smarter Decisions

Your Bank's Enterprise Data Lake (EDL) acts as a Single Source of Truth, centralising data across bank systems and breaking down silos to enable seamless access and collaboration. It ensures the reusability of data across analytical, business, regulatory, and operational

use cases, thus ensuring trust, consistency, and transparency. Privacy and security are enforced through encryption, Active Directory (AD) integration, masking, and access controls, thereby empowering secure data-driven analysis.

Marketing

Championing Bandhan: Marketing that Connects, Messaging that Endures

Your Bank has established itself as a trusted universal Bank, backed by a wide-reaching network and guided by the principle of inclusive banking. With a presence across 35 out of 36 states and union territories and over 6,300 banking outlets, your Bank serves millions across major metros and regional centres, supported by more than 75,000 employees.

Your Bank's performance over these years reflects balanced and sustainable growth, underpinned by strong governance, sound risk management practices, and the continued trust of its stakeholders. With a digital-first, customer-centric approach and a growing network, your Bank is well-positioned to deliver lasting value through products tailored to evolving financial needs. Guided by the philosophy of **Aapka Bhala, Sabki Bhalai** and rooted

in trust, transparency, and service, your Bank continues to empower individuals and strengthen its relationships with communities.

Sourav Ganguly has served as the Brand Ambassador since 2022, consistently representing the principles of dedication, progress, and leadership that resonate with your Bank's foundational values and ongoing vision.

Campaigns focused on building trust with diverse offerings

Your Bank carried out product-centric campaigns with a focus on establishing itself as a universal Bank, with its pan-India presence, offering a diverse product portfolio, and a consumer-centric approach. These focused marketing initiatives reflected your Bank's commitment to inclusive growth across the country.

Safe Bhi, Sahi Bhi

Your Bank launched a Fixed Deposits campaign, '**Safe Bhi, Sahi Bhi**', as part of its strategic objective of promoting the fixed deposit offerings. The campaign aimed to highlight the safety, attractive interest rates, and assured returns associated with your Bank's Fixed Deposit products, while also enhancing brand awareness. It was executed across a vast network of outdoor sites in multiple cities, featured prominently on national and regional television channels in various other vernacular languages, and was further amplified through an extensive radio presence across the country, ensuring widespread media visibility and impactful outreach. On the digital front, the campaign garnered massive traction, reaching a vast audience across multiple platforms and significantly amplifying its overall impact.

Har Sapna Possible Hai

Your Bank rolled out '**Har Sapna Possible Hai**', a pan-India high-impact product bouquet campaign. The campaign embeds your Bank's positioning as a dependable financial partner, empowering individuals to turn their dreams into fulfilment through the range of products offered by your Bank. It centred around cementing your Bank as a universal Bank. This expansive multilingual and multimedia campaign was carried out across various offline and online mediums. To ensure deeper connection with consumers the campaign was also covered in different vernacular languages. Simultaneously, the digital amplification of the campaign delivered an impressive footprint, reaching a vast audience across multiple platforms and effectively reinforcing your Bank's message at scale.

And more such initiatives...

Your Bank undertook several on-ground initiatives to enhance visibility across key locations and platforms through various media.

These initiatives led to an increase in total brand awareness, indicating stronger recall and recognition among its target audience.

Product Marketing: Building Trust-Backed Products

Your Bank's marketing efforts for the year saw several key launches with business priorities, ranging from cross-border transactions to convenient post-retirement banking.

Your Bank places strategic emphasis on promoting its suite of liability products, reinforcing its commitment to a strong marketing approach aimed at deepening customer engagement and trust.

Key FY25 launches through Strategic Marketing

- ▶  An exclusive, tailored savings account for women, offering lifestyle benefits
- ▶ **Delights** An enterprise-wide Loyalty Rewards Programme
- ▶ **Bharat QR** A QR-based solution enabling seamless and secure merchant payments
- ▶ **Pension Savings Account** A dedicated account offering stress-free, convenient banking for retired government and PSU employees
- ▶ **Transaction Banking** International Trade Finance products now offer efficient global solutions, including Letters of Credit, Collection Bills, and enhanced foreign remittance services.

These efforts closely align with generating business for on-ground teams through focused messaging that fosters customer engagement, deepens trust, and reinforces the *bandhan* your Bank shares with its customers.

Expanding Digital Reach and Engagement

In FY25, your Bank enhanced its digital footprint through targeted and data-driven campaigns to engage a wider audience. Extensive awareness was created through films, creative social media posts, CGI content, and collaborations with illustrators, while product-specific visibility was achieved through focused campaigns. Efforts in content marketing, search engine optimisation (SEO), and performance marketing significantly improved both organic and paid reach.

Social media followers grew at a 32% CAGR, strengthening connections with existing and prospective customers. On YouTube, your Bank reached a significant milestone by earning its first Silver Play Button. Website performance also improved, with user traffic increasing by 23%. Going forward, your Bank remains committed to leveraging social media as a key platform to engage users and share timely updates and offerings.

Fighting Fraud with Awareness and Vigilance

Your Bank further strengthened its commitment to safeguarding its customers by raising awareness about fraud and cybersecurity risks. Through SMS alerts, emailers, and social media campaigns, the customers were informed about common fraud tactics, precautionary measures, and steps to take upon encountering suspicious activity. These initiatives reinforced the importance of vigilance and safe banking practices, helping its customers stay prepared and protected against cyber threats and fraud.

Foundation Day: Reaffirming your Bank's Commitment

Your Bank celebrated its ninth Foundation Day on August 23, 2024, at JW Marriott, Kolkata. The occasion was graced by Mr. S. S. Mundra, former Deputy Governor of the RBI, who delivered a thought-provoking Anniversary Lecture on 'Indian Banks – Path to D-R-I-V-E' (Digitalisation, Risk and Regulation, Innovation and Inclusion, Value-based Banking, Environment).

To honour excellence, your Bank recognised its top-performing branches, banking outlets, and home loan centres, with awards presented by Mr. Sourav Ganguly. The celebration concluded with a soulful performance by renowned singer Javed Ali, leaving the audience captivated. The event marked another milestone in your Bank's journey and reaffirmed its commitment to customers and stakeholders.

Corporate Social Responsibility

Driven by Values, Defined by Impact

Your Bank's journey is a testament to its unwavering commitment to empowering communities and building inclusive, sustainable development. Guided by the values of trust and strong relationships, your Bank works to uplift marginalised populations and drive holistic progress. Through its CSR initiatives, implemented in collaboration with multiple partners across India, your Bank has positively impacted approximately 25.81 lakh families across 82 districts in 14 states. These initiatives make meaningful contributions to 14 of the 17 United Nations Sustainable Development Goals (SDGs), reinforcing your Bank's role as a catalyst for long-term change. This mission reflects your Bank's expanding reach, lasting bandhan and the strengthening relationships built on trust, care, and shared progress with the communities it serves.

Some of the key CSR initiatives undertaken by your Bank during FY25 are highlighted below:

Targeting The Hardcore Poor Programme

The Targeting the Hardcore Poor (THP) programme is a flagship CSR initiative implemented by Bandhan Konnagar, targeting the most vulnerable women-headed households. It adopts a holistic approach, providing not only free assets but also enabling them to generate income and improve their livelihoods. Over the course of 24 months, participants undergo a transformative journey through continuous counselling and mentoring support, lifting themselves out of extreme poverty and integrating into the broader community. To ensure that the women's basic household needs are met during the initial phase, a weekly consumption stipend is also provided, ensuring financial stability as they integrate into mainstream socio-economic activities.

The THP programmes adopt a holistic 360° approach to developing the required competencies to run a successful enterprise. It starts with confidence-building measures, and thereafter, these women undergo a series of training, including basic literacy skills, financial literacy, enterprise-specific skill development, health and sanitation awareness, vulnerability mapping, and risk mitigation strategies, among others. Such a rigorous approach empowers these marginalised women to make informed decisions, while education on social issues enhances their awareness and well-being.

Over the years, this intervention has positively impacted 52,500 women, enabling them to secure a stable monthly income, improve their health and education, and better support their families.

Health Programme

The health programme aims to improve access to healthcare and enhance the well-being of underprivileged women. It focuses on essential maternal and child healthcare services, including antenatal care (ANC), postnatal care (PNC), institutional deliveries, nutritional support, and child health evaluations. The programme also emphasises generating awareness on sanitation and hygiene, complete nutrition, complete immunisation, and periodical health check-ups, especially for children under five, pregnant women, lactating mothers, and adolescent girls.

As a part of this initiative, local women volunteers are trained as Swastha Sahayikas (SS). These volunteers play a key role in raising health awareness, organising health forums, and providing health education. The programme also includes the distribution of kitchen garden seed kits, sanitation and health kits, linkage to healthcare services, and the establishment of water treatment plants to ensure access to safe drinking water.

The programme has had a significant impact, reaching over 1.37 million households across various districts. An Impact Assessment Study revealed that the programme successfully provided 100% access to health services for the beneficiaries, compared to just 78% prior to the programme. Additionally, it ensured that all adolescent

girls received menstrual health education and hygiene products and that all respondents had access to safe drinking water.

In addition to these efforts, your Bank has contributed to enhancing healthcare infrastructure. Through the donation of 18 advanced life-saving ambulances across key regions in India, the programme significantly improves access to emergency medical care, providing critical, life-saving interventions.

Furthermore, your Bank has supported the Assam Cancer Care Foundation, a collaboration between the Government of Assam and Tata Trusts, to improve cancer care in Assam. This initiative aims to enhance cancer treatment, offer medical support, and provide vital resources to those affected by cancer, making a meaningful impact on the lives of individuals battling cancer in the region.

Education Programme

The education programme is committed to providing quality education to children from marginalised communities, with a special focus on improving learning outcomes, particularly in STEM subjects. The programme aims to enhance student retention, classroom engagement, and overall educational performance while also offering comprehensive teacher training in local communities, government schools, and schools operated by charitable trusts. This training focuses on transforming teaching methodologies, integrating innovative learning tools, and ensuring continuous, holistic assessment of each child's progress.

To further support education in rural areas, Bandhan Education Centres and Bandhan Academy have been established to provide quality education to pre-primary and primary students. These centres prioritise the education of girls and offer free reading materials and school kits to ensure that children have the necessary resources for learning.

Moreover, the programme adopts a cost-effective and unique model that ensures access to education, equipping children with the skills and knowledge needed for future success. In addition, Bandhan Academy schools focus on the holistic development of students by combining academic learning with extracurricular activities.

Skill Development Programme

Bandhan Skill Development Centres

The Bandhan Skill Development Centres have been established to provide vocational training in a wide range of sectors, including sales, hospitality, ITeS-BPO, computerised accounting, refrigeration and air conditioning repair, and more. This programme specifically targets unemployment in India by equipping unemployed youth with practical, job-ready skills.

Upon completing their training, candidates are given the opportunity to either pursue entrepreneurial ventures or secure employment with established companies. By combining skill development with job placement support, the programme empowers youth to become self-sufficient, contribute to the economy, and build a brighter future for themselves and their communities.

Skill Development and Education Programme – Support to Ramakrishna Mission Centre For Human Excellence and Social Sciences (Viveka Tirtha):

During FY25, your Bank contributed towards the Ramakrishna Mission Centre for Human Excellence and Social Sciences (Viveka Tirtha) as part of its ongoing commitment to education and skill development. This initiative aligns with your Bank's vision of fostering human development and social well-being.

Skill Development and Education Programme – Support to Nivedita Institute of Human Advancement and Research (NIHAR) Centre Ramakrishna Sarada Mission:

During FY25, your Bank contributed towards the Skill Development and Education Programme in partnership with the Ramakrishna Sarada Mission, aligning with its commitment to building growth and empowerment. This significant contribution was directed towards NIHAR's development. The funds will support initiatives aimed at enhancing educational opportunities and skill development, ultimately contributing to the overall advancement of human potential. By investing in such transformative initiatives through the Ramakrishna

Sarada Mission, your Bank continues to play an active role in shaping a brighter future through education, skill-building, and research. This partnership highlights your Bank's dedication to social responsibility and sustainable development.

Financial Literacy Programme

The programme aims to raise financial awareness among rural populations, particularly disadvantaged women, and empower them to take control of their personal finances. By focusing on financial literacy and inclusion, it addresses the crucial need for financial knowledge and access to services as key drivers for sustainable growth within rural communities.

This initiative places a strong emphasis on building participants' financial awareness and confidence. It aims to equip them with the essential knowledge and skills to navigate various banking services, including insurance and pension schemes, enabling them to make informed financial decisions that promote their well-being and future security.

Bandhan Sustainable Livelihood Programme

As part of its corporate social responsibility (CSR) initiatives, your Bank has launched a pioneering programme to empower underprivileged entrepreneurs by providing them with the tools and knowledge to establish and manage small businesses. The programme offers professional business incubation, including guidance on securing statutory licenses, obtaining business loans, and developing key business skills. Participants receive comprehensive training in areas such as marketing, customer relationship management, financial planning, business development, and tax filing.

This initiative is designed to transform job seekers into job creators, fostering entrepreneurship within disadvantaged communities. Till date, 200 youth have been successfully incubated and are now managing their own enterprises, with an additional group currently undergoing training to launch their own ventures.

Climate Action Programme

Recognising the interconnection between climate action and Goal 16 of the Sustainable Development Goals, your Bank has initiated the Climate Action Programme, which contributes to this goal through the following strategies:

Reducing Atmospheric Carbon

- Carbon sequestration through plantation and agroforestry
- Reducing GHG emissions through clean development practices and technologies in energy, agriculture and allied sectors

Climate Change Adaptation

- Building resilience to climate change and extreme weather conditions among vulnerable communities by addressing the interrelated SDGs
- Mitigating climate change impacts

The Intergovernmental Panel on Climate Change (IPCC) 2021 states the agricultural sector in India faces high vulnerability towards drastic weather events due to poor climate-resilient agricultural practices, poor water management, over-dependence on conventional sources of energy, high chemical dumping destroying soil health, loss of soil quality and topsoil, high dependency on groundwater, destruction of bio-diversity including natural balance with the ecosystem and overall high GHG emission.

Considering the vulnerabilities in the agricultural sector, this year, your Bank launched a new initiative, Climate Smart Villages (CSV), under its Climate Action Programme. This programme aims to develop a holistic climate action approach for a village to make it climate resilient. This includes water security and protection from erratic rainfall patterns through water conservation, which helps safeguard rain-fed agriculture, as well as the adoption of climate-resilient varieties. The Climate Action Programme continues to focus on its earlier commitment to carbon sequestration through afforestation, especially mangrove plantation, and greening of urban spaces.

Your Bank also contributed to biodiversity conservation at Jambusar, funding a mangrove biodiversity assessment and the development of a Nature Interpretation Centre

to educate the public about mangrove ecosystems. Furthermore, a Nature Education Programme, Mud-Flat Dhuleti, raised funds and provided 20 participants with an immersive learning experience about the local ecosystem. In Gujarat's Jambusar Taluka, 25 marginalised tribal farmers were supported with solar-powered drip irrigation systems.

Furthermore, your Bank has installed solar-powered high-mast streetlights in the vicinity of Vittal Temple, Pandharpur. The initiative has helped enhance safety while contributing to long-term environmental sustainability. These initiatives are a testament to your Bank's commitment to environmental sustainability and community empowerment.

Mangrove Conservation and Agroforestry Plantation

Your Bank has undertaken the plantation of 4,34,046 saplings in 511 hectares through agroforestry plantations in Purulia district and mangrove conservation in the Sundarbans, West Bengal, and Jambusar, Gujarat. The estimated carbon sequestered through the plantation initiatives is approximately 3,968 metric tons of CO₂ per year.

Water Conservation

Your Bank promotes water conservation in some of the highly moisture-stressed regions of India. To date, 72 rainwater harvesting structures have been constructed with a storage capacity of 1,45,318 kilolitres. These structures provide critical irrigation support and drinking water in the rural areas.

Biodiversity Conservation and Education at Jambusar

During FY25, your Bank contributed towards a comprehensive Biodiversity Assessment of Mangroves and the design proposal for a Nature Interpretation Centre at Jambusar, Gujarat. A team of experts, including a marine ecologist, an architect, and a social worker, conducted a field visit to assess the region's biodiversity. This evaluation identified vulnerable species such as the Sarus Crane, Lesser Flamingo and Indian Flap Shell Turtle, highlighting the ecological importance of the area. As a result, the proposal for a Nature Interpretation Centre was put forward to educate the public, especially school students, about mangroves and their conservation.

Additionally, a pilot Nature Education Programme, Mud-Flat Dhuleti, was organised in March 2025. The event offered 20 participants an immersive and experiential learning opportunity to explore the mangrove ecosystem, local biodiversity, and coastal life. The event raised ₹14,500 in donations, supporting the region's ecotourism and biodiversity conservation efforts.

Solar Irrigation with Drip and Farm Pond for Water Conservation and Renewable Energy

Your Bank's commitment to sustainable farming practices is reflected in the support of the Solar Irrigation with Drip and Farm Pond project in Jambusar Taluka, Gujarat.

As part of this initiative, 25 marginalised farmers were provided with solar-linked drip irrigation systems to enhance water conservation and improve agricultural productivity.

The project, implemented through the VIKAS Centre for Development, included the establishment of two demonstration sites to demonstrate the system's effectiveness, with refinements incorporated to improve durability and ease of operation.

Solar-powered Streetlights

During FY25, your Bank contributed towards the installation of solar-powered high-mast streetlights in the vicinity of Vitthal Temple, Pandharpur, as part of its Climate Action Programme. This initiative will provide sustainable, renewable energy for the temple, enhancing lighting throughout the temple complex and its surrounding areas.

The solar-powered streetlights will not only reduce the carbon footprint but also enhance safety and accessibility for the thousands of devotees and visitors who frequent the temple. Additionally, by using clean energy, the project will contribute to long-term cost savings and promote environmental awareness within the community. This initiative reflects your Bank's ongoing commitment to environmental sustainability and community well-being.

Stories of Transformation

Bandhan in Action: Lending Vision, Transforming Lives

Manjula
Dairy and floral business owner

Manjula hails from a modest background, where daily life was a constant challenge. She lives with her husband, Ningappa, and their son. Until recently, the family's only source of income came from a single cow, and though they owned a small piece of land, they lacked the capital to utilise it productively.

Everything began to change when Manjula learned about Bandhan Bank. Recognising an opportunity to improve her family's livelihood, she approached Bandhan Bank for support. A year ago, she received her first loan of ₹1,70,000.

With careful planning and determination, Manjula and her husband used the funds to expand their dairy business by purchasing two additional cows. They also invested in their farmland to increase agricultural output. Within a year, their efforts started yielding results. The family's income grew significantly, enabling them to lead a more secure and dignified life.

What began as a modest 1-acre plot soon transformed into a flourishing 2.5-acre stretch of growth and opportunity. The land was thoughtfully segmented. One portion now blooms with a variety of flowers, while another is solely dedicated to cultivating roses. To safeguard their crops, the family planted 50 coconut trees along the boundary, which have since created an additional stream of income.

Today, Manjula and her family are thriving. From once relying solely on dairy farming and struggling to make ends meet, they now earn over ₹1,00,000 every month from flower farming alone. Their dairy business continues to provide a steady and reliable income too.

With timely financial support from Bandhan Bank, the family has not only improved their standard of living but also expanded their livelihood with confidence. Manjula's journey stands as a powerful testament to what determination, the right opportunities, and trusted support can achieve.

Biplab Rubber plantation and manufacturing business

Biplab grew up in a modest mud house with his mother, Amina, and their family, where each day was a battle for survival. Their only asset was a tiny plot of land, barely enough to sustain them. Life was uncertain, and opportunities were few. But everything began to change when Bandhan Bank opened its first branch in their village.

With courage and unwavering hope, Amina approached Bandhan Bank for a loan of ₹5,000. It may have seemed like a small sum to many, but for their family, it was a lifeline and a chance to dream again. She invested the amount into farming, planting the first seeds of what would become a story of resilience and growth.

Over the years, with every loan repaid and every crop harvested, Amina continued to borrow and reinvest, slowly expanding the farm and laying the foundation for something greater. By her side stood her son, Biplab, who shared her vision and worked tirelessly to support her efforts.

Their big break came when they discovered the potential of rubber cultivation. Supported once again by Bandhan Bank, they turned fallow land into flourishing green stretches. What began as subsistence farming slowly transformed into a thriving agri-business. Today, they cultivate nearly 75 kani, approximately 13,00,000 sq. ft., with over 3,000 rubber trees covering 50 kani, and the remaining used for mixed farming.

But Biplab was not content with mere cultivation – he envisioned something greater. With additional financial backing from Bandhan Bank, he established his first rubber processing unit, a move that significantly boosted their income and expanded their reach. As demand continued to rise, Biplab scaled the business further by setting up a second factory. His vision and drive transformed their family enterprise into a robust operation that added value at every step, from plantation to production.

Today, Biplab's business stands as a thriving enterprise. His factories employ 14 permanent staff and 10 seasonal workers, providing livelihoods to others in the community, something he once struggled to secure for himself.

Despite limited formal education, Biplab's resolve, vision, and the unwavering support of his wife, who, alongside serving as a police officer, helps manage the paperwork and logistics, have propelled the business to new heights. Together, they are building a secure future for their children, ensuring access to quality education and a life of dignity.

From a humble ₹5,000 loan to business loans totalling nearly ₹20,00,000 the journey of Amina and Biplab is a powerful example of how access to finance, combined with determination and purpose, can transform lives. Their story reflects not just financial progress, but the enduring spirit of entrepreneurship and the belief that even the smallest beginning can lead to a future beyond imagination.

Hardeep Furniture and boutique business

Hardeep and her husband once ran a modest furniture-making business from a small, rented room. With just one worker and limited means, they struggled to grow. Their monthly profit barely reached ₹25,000, and despite their hard work, they had little scope to expand. Life was tough, and the future felt uncertain.

It was during this time of challenge that Hardeep first heard about Bandhan Bank through a friend. Driven by hope and the desire to uplift their business, she and her husband approached Bandhan Bank to understand how a loan might help them move forward. That visit marked the beginning of a new chapter in their journey.

Around six years ago, Hardeep took her first group loan of ₹30,000. With thoughtful planning, they invested the money into their business. The results were encouraging, and over the next few years, they continued to take loans, each one used carefully to fuel their steady progress.

Their growth was remarkable. From just one worker, they expanded to a team of six. Their services grew beyond furniture-making to include interior design, attracting a wider clientele. As their earnings increased, they were able to move out of the cramped rented space and recently purchased a 3,000 sq. ft. flat, where they now plan to shift their entire business operations.

Alongside the family venture, Hardeep followed her own passion and opened a boutique, supported once again by a loan from Bandhan Bank. With hard work and consistent support, both businesses began to thrive. Their children are now enrolled in private English-medium schools, once a distant dream, now a reality.

Today, their businesses earn over ₹1,50,000 in monthly profit, a sixfold increase from where they began. More than just transforming Hardeep's family, this success story has positively impacted others. Each of their employees now earns ₹12,000 per month, creating stable livelihoods for more families in their community.

Bandhan Bank's support came at a time when it was needed most. For Hardeep and her family, it was not just about financial assistance, but about dignity, growth, and belief in their potential. Their journey reflects how consistent effort, guided by the right opportunities, can truly change the course of life.

Highlights of segment wise performance of your Bank during the FY under review are mentioned below:

Emerging Entrepreneurs Business

The Emerging Entrepreneurs Business ('EEB') of your Bank has been serving borrowers at the bottom of the pyramid with affordable and convenient loans to help them develop into entrepreneurs and transform their lives. Your Bank's EEB strategy is guided by its long-held philosophy of financial inclusion and economic empowerment of the

disadvantaged sections of the society. The endeavour of your Bank is to nurture these entrepreneurs and help them move up the socio-economic hierarchy. In their movement upwards, your Bank is by them to support with whichever financial service they may require in the journey.

Your Bank offers a wide array of loans through its Banking Unit ('BU') outlets under EEB vertical to benefit small business owners in need of financial assistance. Your Bank operates its Group Loans and Small Business & Agri Loans ('SBAL') business channels from its BU outlets.

Each BU is linked to a bank branch for operational convenience. BUs are self-sufficient and empowered to open deposit accounts using TABs and also open loan accounts after necessary credit checks. The highlight of the BUs' operations is the TABs that are connected to the Core Banking System ('CBS') through cellular data. Relationship Officers ('RO') carry these TABs to their group meetings, and the entire instalment reconciliation for the customer happens through these TABs on real-time basis. To ensure timely and effective support to the BUs in their day-to-day functioning, your Bank has a structure comprising Circles, Territories, Divisions, Areas and BU Catchments. A central operation team maintains oversight of the quality of the operations and adherence to prevalent guidelines at all times. Your Bank lays significant emphasis on processes and controls to help maintain uniform and consistent standards in transaction processing and service delivery, as well as compliance with regulatory and statutory guidelines.

During the FY under review, your Bank's commitment towards financial inclusion is also reflected in the fact that it offered loans to 15.17 lakhs new borrowers under Group Loan and SBAL during the FY 2025. The portfolio for Group Loans stood at ₹36,088 crore whereas SBAL portfolio stood at ₹20,456 crore respectively, at the end of FY 2025, as your Bank worked towards bringing additional measures in credit control in order to improve the quality of its portfolio.

Your Bank now has several loan products under its Group Loans and SBAL, which are provided from BU outlets to cater better to the varied demands and needs of its customers:

Group loans

1. **Srishti Loan:** Timely funds to start a new business or grow an existing one. Loan size is from ₹15,000 to ₹1,50,000.
2. **Suraksha Loan:** Loan size is up to ₹15,000 and is sanctioned to help existing customers meet their emergency expenses, e.g. medical, drinking water and sanitation.
3. **Sushiksha Loan:** Loan size is up to ₹10,000 and is sanctioned to help customers meet expenses towards the education of their children.

Small Business and Agri Loans

1. **Sahayata Loan:** Loan to fund growing business needs of individuals involved in an array of income generation activities. Loan amount is from ₹50,001 to ₹5,00,000.
2. **Baazar Loan:** With a loan size from ₹26,000 to ₹1,50,000, this product is for small entrepreneurs, who have an existing super-saver account with your Bank. This loan provides financial support to deposit customers for their working capital needs.

During the FY under review, your Bank has taken the following initiatives:

- Your Bank has taken several initiatives to sharpen the underwriting process for Group Loans and SBAL loans in order to have a better portfolio.
- Your Bank has implemented Guardrails for Microfinance loans to further strengthen customer selection and portfolio quality in the longer run, including: limitations in lender cap, limitations in total outstanding per borrower and restrictions in lending to customers having more than 60 days past due across microfinance lenders.
- Your Bank has delved into digital repayment modules such as QR based channels to make repayments easier and hassle-free.
- Your Bank has a dedicated, independent sanctioning team to ensure that loans are based on eligibility and credit-worthiness.
- Your Bank also has a separate Recovery Team aligned under EEB vertical to have improved recovery collections from delinquent customers where the business team will focus on collections from standard accounts to restrict slippages while the recovery team will have a focused approach to collection from delinquent accounts turned into NPA.
- Your Bank has deployed several analytics-driven models to improve both, sourcing and recovery. Some of the key initiatives in this regard are: the identification of good borrowers for a higher ticket loan based on a data-driven renewal base, identification of potential borrowers for graduating to individual loan, categorisation of delinquent borrowers based on their propensity to repay and prioritising collections accordingly, etc.
- Awareness about using digital solutions, like smartphone-based transactions and use of credit/debit cards for online transactions are still persistent issues to the customers under the EEB vertical. To overcome these challenges, your Bank is imparting training to make the customers aware about the benefits of digital payments and various other aspects, such as seeding bank accounts with mobile number and Aadhaar, using digital mode of payments of instalments, etc. Your Bank has also taken initiative by informing the customers to pay through online transactions.

Wholesale Banking

Your Bank continuously strives to meet the diverse credit needs across sectors, with a dedicated focus on Institutional Lending catering to Non-Banking Financial Companies ('NBFCs') and Housing Finance Companies ('HFCs') to Public Financial Institutions. In FY 2025, your Bank has forayed into the financial requirements of Education & Healthcare Institutions through its existing product suite, which includes term loans, working capital limits (fund-based and non-fund based), cash credit and overdraft facilities. Your Bank also has credit exposure through Direct Assignments and Investment exposure through Pass through Certificates ('PTCs') and Non-Convertible Debentures ('NCDs'). In the NBFCs segment, your Bank's primary focus is secured financing through housing loan, loan against property, gold loan, business purpose loan, commercial & vehicle financing, etc. In the NBFC-MFI (Microfinance institutions) segment, the focus is to cater primarily for the priority segment funding.

FIG segment has a diverse portfolio with geographical presence across the country. The Total Advances of the segment (including Financial and Non-financial institutions) stood at ₹16,005 crore as on March 31, 2025 as compared to ₹12,815 crore as on March 31, 2024, a growth of 24.9 per cent. during FY 2025, including the Healthcare & Education vertical which has built a book of ₹232 crore as on March 31, 2025.

Commercial – LAP

This segment caters primarily to proprietorships, partnerships and private limited companies for Loans Against Property ('LAP'). This is in line with your Bank's overall objective of increasing the secured lending portfolio. The segment is leveraging your Bank's distribution

network of more than 625 branches as of March 2025, besides sourcing from the open market, along with an objective to meet various financial requirements of your Bank's customers. As we move along, your Bank will use technology for better turnaround time that is essential for scaling up the business volume in this space. The segment offers a bouquet of income-linked programs to cater to most of the business segments in the market.

The Total Advances of the segment stood at ₹1,118 crore as on March 31, 2025 as compared to ₹516 crore as on March 31, 2024, a growth of 116.9 per cent. during FY 2025.

Business Banking Group

The Business Banking Group ('BBG') offers loan products for the needs of Micro, Small and Medium Enterprises ('MSMEs') to meet their working capital and/or capital expenditure requirements. These are secured loans generally between ₹25 lakh to ₹30 crore extended to businesses involved in manufacturing, trading, and services. These loans are extended in the form of secured credit facilities including term loan, cash credit, overdraft or lease rental discounting or as non-fund-based facilities like letter of credit or bank guarantee. Some of the schematic loan products offered by the segment are as follows:

- **SME Business Connect**

These loans help entrepreneurs in financing their working capital and capital expenditure requirements against primary security of current and/or fixed assets and collateral security including residential or commercial property or liquid securities. These loans, ranging from ₹25 lakh to ₹5 crore, are provided as fund-based facilities like overdraft, cash credit, or term loan and non-fund-based facilities like letter of credit or bank guarantees.

- **SME GST Connect**

These loans, for financing entrepreneurs' working capital needs, are provided as an overdraft or fund-based facilities. These loans are offered against collateral security, which can be in the form of current assets, property and/or liquid securities. The loan quantum ranges from ₹25 lakh to ₹3 crore.

- **Bandhan CGTMSE Loan**

Your Bank offers loans to finance the working capital and capital expenditure of Micro and Small Enterprises ('MSEs'). These loans are provided as fund-based and non-fund-based facilities, without any collateral security or third-party guarantee. Collateral security for the remaining uncovered portion of the credit facility can be obtained under "Hybrid/Partial Collateral Security" product, introduced by CGTMSE. The loan quantum ranges from ₹25 lakh to ₹5 crore.

The BBG fund-based Advances was at ₹1,703 crore as on March 31, 2025 as against ₹1,010 crore as on

March 31, 2024, registering a growth of 68.7 per cent. during FY 2025.

Agri-business Loans

Providing credit for agricultural activities not only helps increase crop production but also empowers farmers, and supports the backbone of the Indian economy – the agricultural sector. Your Bank recognises the importance of this sector and offers a wide range of credit facilities to provide financial support to all participants in the Agri value-chain system. Currently, the segment provides Kisan Cash Credit (KCC) loans to borrowers engaged in farming & allied activities, including animal husbandry, horticulture, pisciculture, etc. with competitive interest rates and minimal documentation. By doing so, your Bank is making it easier for farmers to access credit and invest in their farms to increase productivity.

The segment is expanding its footprint by offering working capital and term loan credit facilities (i.e. both fund-based and non-fund-based) to entities involved in agri-ancillary products and services. The segment also extends its foray towards financing of agricultural infrastructure, commodity Pledge finance, etc. to various agri-processors, agri-input dealers & agri-corporates, etc.

The Total Advances of the segment stood at ₹749 crore as on March 31, 2025 as compared to ₹268 crore as on March 31, 2024, a growth of 179.6 per cent. during FY 2025.

Small Enterprise Loan

Small Enterprise Loan ('SEL') offers Term Loan & Working Capital products to small enterprises who rely on accessible and dependable financial solutions to sustain and expand their operations. The SEL vertical stands as a trusted financial partner, committed to empowering businesses with tailored funding solutions. With SEL, businesses gain more than just financial assistance - they build a relationship rooted in trust, security, and sustained growth.

Trusted Financial Products Under SEL include:

- **SEL Term Loans (₹3 lakh to ₹10 lakh):** Designed to support small businesses in their journey, these term loans offer flexible tenures of one to three years, ensuring access to working capital and asset creation with reliability and ease.
- **SEL Max Loans (₹10.01 lakh to ₹25 lakh):** Built for enterprises with greater business aspirations, SEL Max Loans extend higher-value funding, offering businesses a dependable avenue for expansion.
- **SEL Cash Credit (₹5 lakh to ₹25 lakh):** A trusted revolving credit facility that provides businesses the flexibility to access funds as needed, with interest applicable only on the utilised amount. Limits are renewed yearly, ensuring continuous financial support.

- **SEL Secured Overdraft Loans (₹10.01 lakh to ₹25 lakh):** Introduced in FY 2023 to cater to MSME borrowers, this overdraft solution strengthens financial resilience. Businesses can secure working capital while pledging assets, reaffirming the foundation of trust in financial partnerships.

The Total Advances of the segment stood at ₹4,526 crore as on March 31, 2025 supporting over 1.13 lakh valued small and growing businesses.

Transaction Banking

During FY 2025, your Bank continued to strengthen its transaction banking proposition across Cash Management Services (CMS), Trade Finance, and Supply Chain Finance, with a focus on product expansion and digital enablement.

During the FY, the cash pick-up offering was further scaled and enhanced. Several new initiatives were also undertaken to broaden the CMS suite, including eNACH for external corporates, a centralised escrow platform, cheque printing and collection services, host-to-host integration, API banking, and virtual account solutions.

These offerings are currently under development and are expected to be launched during the current FY, with the objective of building a comprehensive and future-ready CMS platform to meet the evolving needs of corporate and institutional clients.

On the Trade Finance front, your Bank's non-fund-based trade book crossed ₹2,100 crore. The first foreign currency import letter of credit (LC) and the first Letter of Credit Bill Discounting (LCBD) transactions were executed, alongside steady growth in cross-border remittances averaging over USD 2.2 million per month.

Your Bank is also in the process of developing a Supply Chain Finance platform to complement its existing trade and CMS offerings. CMS and Trade continue to be key pillars within the Wholesale Banking business, supported by ongoing investments in product development and service delivery.

Housing Finance

During FY 2025, your Bank's Housing Finance business continued to align with its long-term strategic roadmap, delivering strong performance despite a challenging macro-economic environment. Your Bank's commitment to inclusive housing credit, prudent risk management, and operational agility had translated into resilient growth across disbursements, portfolio size, borrower quality and geographic reach.

The total housing loan book expanded by 10.6 per cent. reaching ₹33,086 crore, up from ₹29,916 crore in FY 2024. Disbursements during the year stood at ₹9,357 crore, registering a 26 per cent. year-on-year increase. This performance was supported by the introduction of a

Prime Lending Channel during the said fiscal year. This new channel significantly enhanced disbursement volumes and contributed to a healthier asset quality by targeting stronger borrower profiles and reducing delinquency risk.

The share of the salaried borrower segment in your Bank's Housing Finance portfolio grew to 48 per cent., up from 43 per cent. during the FY 2024, and 71 per cent. of disbursements were made to customers with CIBIL scores above 725, reinforcing a strategic shift towards more creditworthy borrowers. Disbursal productivity rose 17 per cent. year-on-year and the average ticket size was ₹21 lakhs.

In line with its financial inclusion goals, your Bank operated its housing loan network through over 450 branches offering home loans and over 300 banking units delivering micro-home loans across 18 states and 3 union territories. This expansion enabled deeper market penetration and better customer access, particularly in underserved regions.

The portfolio remained predominantly Affordable Housing, contributing approximately 80 per cent. of the book. Regional diversification continued with strong performances across all zones.

Retail Assets

In its pursuit of broadening the product suite, your Bank has consistently worked to introduce and strengthen its Retail Asset product portfolio. This has ensured the availability of a diverse range of loan products designed to address varying customer needs. Among these are secured lending options such as Gold Loans, Car Loans, Commercial Vehicle & Construction Equipment ('**CVCE**') Loans, Two-Wheeler Loans as well as unsecured Personal Loans. This strategic focus aligns with your Bank's commitment to catering to a broader demographic while maintaining a sound risk profile.

- **Gold Loan:** Crafted to meet customers' urgent financial needs with efficiency and simplicity. Offering loan amounts from ₹10,000 to ₹80,00,000, flexible tenure options of up to 3 years, and competitive interest rates, this product ensures accessibility and value for your Bank's customers. To further enhance service delivery and reach, your Bank is actively expanding its branch network, thus enabling greater access to Gold Loan facilities. This strategic move underscores your Bank's commitment to strengthening its presence, fostering trust, and driving business growth across wider geographies.
- **Car Loan:** Designed to meet the needs of a diverse customer base, your Bank's Car Loan product offers financing for both new and pre-owned vehicles. Loan amounts range from ₹1 lakh to ₹1.5 crore, backed by competitive interest rates and flexible repayment plans. The emphasis on Used Car Loans reflects your Bank's commitment to this expanding market segment. With a streamlined digital application process and an extensive

dealer network, your Bank continues to deliver value-driven solutions that make car ownership hassle-free and rewarding.

- **CVCE Loan:** Committed to fostering growth in transport and construction, your Bank offers Commercial Vehicle & Commercial Equipment (CVCE) Loans with flexible amounts from ₹1 lakh to ₹25 crore. With a strategic segment emphasis on CVCE loans, the single-unit loan limit has been enhanced to meet the evolving requirements of businesses. Additionally, your Bank is expanding its reach into the used CVCE segment, delivering customised financial solutions for this growing market. Leveraging its branch network and collaborations with dealers and manufacturers, your Bank continues to ensure a seamless and rewarding customer experience.
- **Two-Wheeler Loans:** In its journey to empower mobility, your Bank has crossed the noteworthy figure of 190,000 customers in the Two-Wheeler Loan segment, with 90 per cent. being new-to-bank customers. This achievement underscores our commitment to providing a seamless loan experience with financing options available up to ₹5,00,000. To meet evolving demands, your Bank has introduced loans for electric vehicles (EVs) and super bikes, ensuring relevance in emerging niches. Supported by a dealer/channel-based distribution framework, your Bank is further enhancing accessibility and expanding its footprint across wider geographies.
- **Personal Loan:** Your Bank pursued a strategic and adaptable approach to Personal Loans during FY 2025, ensuring alignment with market shifts and customer expectations. Through the efforts of a dedicated sales team, your Bank continued to cater to key markets and diverse customer needs. Personal Loans, offered at competitive interest rates, are available for amounts between ₹50,000 and ₹25,00,000 with flexible tenures of up to 5 years.

The Total Advances of the segment stood at ₹11,021 crore as on March 31, 2025 as compared to ₹5,578 crore as on March 31, 2024, a growth of 97.6 per cent. during FY 2025.

Branch Banking

Your Bank provides an array of retail liability products designed to promptly and effectively cater to diverse banking requirements across various customer segments. Prioritising customer satisfaction, your Bank consistently innovates and offers convenient banking solutions to meet its customers' needs.

During FY 2025, your Bank's deposit portfolio witnessed a growth of 11.8 per cent. with a total deposit base of ₹1,51,212 crore as of March 31, 2025. The growth in deposits was primarily driven by the varied liability products of term, savings and current account deposits with the total retail deposit book growing by 11.0 per cent.

Your Bank strengthened its Savings product proposition through a strategic focus on diverse customer segments. In addition to reinforcing the Affluent segment with premier offerings like Elite and Premium Savings Accounts, your Bank launched four new segment-specific savings products: the AVNI Women's Savings Account, tailored for women customers; the Pension Savings Account, designed for pensioners; the PMJDY Savings Account, promoting financial inclusion; and the Classic Savings Account, offering affordable savings solutions to regular customers. These introductions reflect your Bank's commitment to deepening financial access and addressing the unique needs of customer-centric banking. To complement these initiatives, your Bank has enhanced communication efforts through targeted, product-focused campaigns aimed at informing customers about key features, interest rates, and technology-enabled services.

During FY 2025, your Bank introduced new Debit Card variants such as Bandhan Bank Platinum Plus, Titanium, PMJDY and AVNI Debit Card, thereby remaining committed to providing customers better card value proposition, features and benefits along with a diverse selection of debit card choices. The entire collection of Debit Cards had garnered a total card fee income amounting to approximately ₹88 crore in FY 2025. The card fee income consists of Issuance Fee, Annual Fee and Re-issuance Fee.

The Current Account segment showcased remarkable resilience in FY 2025, highlighting the success of well-executed strategic initiatives. Key growth drivers included the launch of the new Collection Account product, increased penetration of EDC and QR code solutions, proactive re-engagement with the existing customer base, and robust development of the Current Account Manager channel. These achievements were further bolstered by a sharper focus on granular customer segmentation, enabling more personalised engagement and customised product offerings. Additionally, the expansion of digital services, combined with process automation, significantly reduced turnaround times, enhancing overall customer experience. Sustained momentum in opening new branches in high-potential catchment areas, along with targeted acquisition campaigns aimed at key business clusters, further broadened market coverage and solidified the segment's performance.

The Merchant Acquiring Business ('MAB') continues to play a pivotal role in strengthening current account relationships. FY 2025 had marked a period of remarkable progress, strategic innovation, and consistent growth. Your Bank has seen significant traction in merchant acquisition through POS/Bharat QR deployments, along with the expansion of its Payment Gateway (PG) services across diverse merchant categories. Key highlights include:

- 127 per cent. year-on-year growth in merchant acquisitions
- 68 per cent. year-on-year increase in transaction throughput
- 21 per cent. year-on-year growth in revenue, driven by increased balances in associated current accounts

These achievements reinforce MAB's contribution not only as a transaction facilitator but also as a strong lever for liability growth and income generation for your Bank.

Your Bank's expansive branch network had been instrumental in its achievements. Throughout the FY 2025, a total of 15 branches were added (including conversion of three Housing Finance centres into branches), elevating your Bank's overall presence to 1,715 branches, spanning diverse locations nationwide.

To fortify its relationship with customers, your Bank is engaging in communication through marketing campaigns, social media outreach, and branch-level initiatives. Your Bank will continue to harness technology to provide innovative digital solutions that prioritise security, convenience, and user-friendliness. Your Bank is dedicated to delivering top-notch banking solutions to its customers and eagerly anticipates serving them with unwavering zeal and commitment in the years ahead.

Third Party Products

Your Bank currently distributes mutual funds, life insurance and general insurance, including health insurance and 3-in-1 online trading product to its customers. FY 2025 had been a year of synergy and aspiration. Your Bank continues to build and demonstrate a determined focus on offering a value-driven, need encompassed, robust and comprehensive product proposition to its customers. In the life insurance business, your Bank has a proposition offering of a wide bouquet of products to cater to the different stories and junctions of its customer's life. Your Bank had also been continuously engaged in building a strong distribution ecosystem with carefully crafted synergy and partnership with analytics and technology functions to offer the best in class insurance solutions to its customer base. In the General Insurance business, your Bank continued to serve its customers as they build a disciplined habit towards healthy living and coverage for unforeseen exigencies, by offering them a wide variety of health insurance and general insurance solution-based product propositions. Your Bank aims to extend the benefits of general and health insurance to all its customer segments. In mutual funds distribution, your Bank continues to focus on a research-driven distribution strategy with a vision of providing its customers ease and flexibility while planning for investments. Your Bank continues to offer a research driven distribution of Mutual Funds through its Mobile Banking ('mBandhan') platform and the Retail Internet Banking ('RIB') platform, which demonstrates your Bank's continuous efforts towards offering customers further convenience and benefits.

Your Bank had entered into partnerships with Bandhan Life Insurance Limited and ICICI Lombard General Insurance Company Limited to offer their products to its customers. This will further strengthen your Bank's products proposition offering and enhance its commitment towards its customers.

Your Bank continues to invest towards building a customer value-centred, segment-driven, data-led, analytics and research-based, and technology embedded, product distribution propositions, across all Third-Party Products and continues to seek out opportunities to add new product suites to serve customers' financial needs holistically.

Digitising @Bandhan

Bandhan Bank aspires to become a digitally enabled bank by continually expanding its offerings focusing on the customer's life cycle. The emphasis on digital adoption has helped increase penetration, streamline processes, and enhance customer experience. Your Bank is focused on building product-led technology solutions to build strong value proposition for its micro, retail, wholesale, and commercial banking customers.

Your Bank has created a digital and transaction excellence unit ('DTEU') to enhance focus, efficiency, and expertise. This unit will be responsible for Corporate Transactions and Solutions, Government Solutions, Payment products and Platform, Retail Digital Banking and Fintech partnerships. It will also help in augmenting granular deposits and fee-based income through various capabilities. DTEU team will build expertise, combining technical, functional, and commercial solutions catering to the corporate and consumer segment.

Your Bank stays committed to always delivering customer value while ensuring requisite systems and controls are in place for a safe and convenient digital banking experience for its valued customers.

Data Science and Analytics

The Data Science and Analytics function is one of the most critical areas for your Bank. The Analytics team began its journey in FY 2023. All members have trained in data science and data engineering from Tier 1 premier institutes. The objective of this team is to provide accurate and timely intelligence by utilising internal and external data. The team develops multiple scorecards using AI-ML capabilities to estimate the creditworthiness and payment capabilities of borrowers, as well as to identify potentially fraudulent accounts and transactions. The team helps to issue early warnings about emerging risks and suggests a risk mitigation plan. The team continuously works to enhance operational efficiency. It also provides a strategic roadmap for your Bank to increase its reach to new customers using both physical and digital footprints. This team supports all business verticals at every stage of customers' lifecycle journey through the right customer contact strategies and appropriate product and service offerings.

Corporate Social Responsibility

Your Bank remains deeply committed to fostering inclusive growth, a principle that underpins all its Corporate Social Responsibility ('CSR') initiatives. These efforts are thoughtfully directed towards empowering marginalised communities, particularly those residing in areas surrounding your Bank's operations. Recognising the complex and multi-dimensional vulnerabilities these communities face most notably, the persistent challenge of achieving sustainable livelihoods, your Bank's CSR interventions are strategically designed to enhance their capabilities and resilience. By focusing on capacity building and long-term empowerment, your Bank aims to create a meaningful, lasting impact that contributes to the broader goal of social and economic inclusion.

To address its societal commitments, your Bank has adopted a comprehensive CSR policy that aligns with Schedule VII to the Companies Act, 2013 ('the Companies Act'). The Bank's CSR programmes, guided by this policy, are primarily implemented in communities located near its operational areas.

To ensure the effective implementation and oversight of its CSR programme, your Bank has established the Corporate Social Responsibility and Sustainability Committee of the Board ('CSR&SCB'), in compliance with Section 135 of the Companies Act and the Companies (Corporate Social Responsibility Policy) Rules, 2014 ('CSR Rules'). In addition to guiding your Bank's CSR initiatives, the CSR&SCB is also responsible for monitoring the execution of Business Responsibility and Sustainability Reporting ('BRSR') initiatives. Details regarding the composition of the CSR&SCB are provided in the Corporate Governance Report, which forms part of this Annual Report.

Total CSR obligation for your Bank for FY 2025 was ₹39.89 crore, which was allocated towards 14 CSR programmes. Out of the total ₹39.89 crore, ₹23.25 crore spent towards various CSR programmes during FY 2025 whereas ₹16.64 crore was transferred to Unspent CSR account towards the ongoing projects, in terms of the provisions of Sections 135(5) and 135(6) of the Companies Act, reasonable justification towards the same is provided in the CSR Annual Report forming part of this Report. These programmes were implemented through various Project Implementing Agencies ('PIAs') in alignment with the activities outlined under Schedule VII of the Companies Act. One of the PIAs, Bandhan Konnagar ('BK'), promoter group entity, is a related party of your Bank. Accordingly, all CSR expenditures through BK, being related party transactions, were done with the approval of the Audit Committee of the Board, in addition to receiving necessary approvals from the CSR&SCB and the Board of Directors. During the FY, the CSR coverage reached out to 1,33,540 families spread across 273 project locations covering 5,240 villages in 47 districts across seven states of India, thereby taking the cumulative reach since inception to 25,80,996 families in 82 districts across 14 states.

In terms of the provisions of Rule 8(3) of the CSR Rules, your Bank appointed Ernst and Young LLP ('EY') to carry out an independent Impact Assessment of its CSR Programmes. Further, in terms of the General Circular No. 14/2021 dated August 25, 2021, issued by the Ministry of Corporate Affairs, Government of India, the Impact Assessment Report is available at the Bank's website <https://bandhanbank.com/beyond-banking>, and the programme wise summary of the same is mentioned in the subsequent sections.

The details of CSR programmes undertaken pursuant to the provisions of the Companies Act and in accordance with the Annual Action Plan, during the FY under review are given as **Annex – 1** and forms part of this Report. The CSR Policy of your Bank is available on its website: <https://bandhanbank.com/sites/default/files/2025-02/CSR-Policy-03022025.pdf>.

Some of the key programmes of your Bank's CSR initiatives are:

Targeting the Hard-Core Poor Programme

During the FY under review, your Bank had contributed ₹6.26 crore (₹10.90 crore in FY 2024) towards Targeting the Hard-Core Poor ('THP') programme. The programme is designed for ultra-poor women-headed households, providing them with a range of gainful micro-enterprises in the form of farm, non-farm and mixed assets, along with handholding support and training on confidence building, enterprise skills, consumer interaction, marketing and financial skills. They are also provided with sustenance allowance to meet their daily needs until they generate substantial income from the provided assets. Within a period of 24 months, these ultra-poor women start

graduating, uplifting themselves from extreme poverty¹ and getting linked to mainstream society².

During the FY under review, 2,000 ultra-poor women were provided farm, non-farm and mixed assets to sustain their livelihoods, thereby cumulatively taking the total women-headed households to be impacted through the programme since its inception to 52,500 women. In the current FY, the programme covered 5 districts of Uttar Pradesh and West Bengal.

The Impact Assessment Study carried out by EY indicated that 18,000 ultra-poor women-headed households were alleviated from below the poverty line to above the national poverty line¹ (₹1,059.42 for rural and ₹1,286 for urban areas¹) with a significant increase in their business assets and household income having an average monthly income of ₹7,200. Additionally, these households had improved savings habits and had access to safe sanitation, social security schemes and health schemes.

Bandhan Health Programme

During the FY under review, your Bank has contributed ₹2.51 crore (₹7.01 crore in FY 2024) towards seven health programmes covering nine districts across three states of India. These health programmes covered 29,052 new beneficiaries during the FY, thereby taking the cumulative coverage to 13,73,610 beneficiaries.

The Impact Assessment Study conducted by EY indicated that the programme contributed to the achieving 100 per cent. access to health services after the implementation of the programme compared to 78 per cent. respondents who did not have access to health services. The health services included Antenatal Care ('ANC'), institutional delivery, Postnatal Care ('PNC'), nutritional support and child health evaluation, thereby leading to a change in behavioural practices and 100 per cent. of the respondents noticed an improvement in their health and health-seeking behaviour.

The Impact Assessment Study indicated that 100 per cent. of the adolescent girl respondents have received menstrual health and hygiene awareness and access to menstrual hygiene products. The study also indicated that 100 per cent. of the respondents received access to safe drinking water.

Empowering Cancer Care: Contribution to Assam Cancer Care Foundation

As part of its ongoing commitment to improving healthcare access and supporting communities in need, your Bank had

contributed ₹4 crore towards comprehensive cancer care in Assam. This initiative is being implemented through the Assam Cancer Care Foundation, a strategic partnership between the Government of Assam and Tata Trusts. The contribution will help enhance cancer treatment and provide vital medical care, support, and resources to those affected by cancer. By collaborating with this esteemed foundation, your Bank reaffirms its dedication to advancing healthcare and making a meaningful impact on the lives of individuals battling cancer in Assam.

Healthcare Accessibility: Donation of 18 Advanced Life-Saving Ambulances

Your Bank remains steadfast in its commitment to community development, with healthcare being a central focus of its CSR initiatives. As part of this commitment, your Bank is enhancing healthcare infrastructure and improving emergency medical response across India. This initiative, with an investment of ₹6.20 crore, aims to expand access to critical care, supporting hospitals and organisations dedicated to emergency healthcare and community well-being. By enabling timely, life-saving interventions, this donation significantly contributes to improving healthcare accessibility across the country.

Bandhan Education Programme

Your Bank's education programme provides quality education to children belonging to the marginalised section of our society in its catchment area. The programme also provides training to the teachers belonging to the communities, government schools and schools run by the various charitable trusts that are providing free education to transform their pedagogy and integrate various teaching and learning tools in their lesson plans and track the comprehensive continuous assessment of each child.

Your Bank contributed ₹4.24 crore (₹9.78 crore in FY 2024) towards the education programme enrolling 246 new students, thereby taking the cumulative outreach to 1,14,637 marginalised children across 32 districts of five states of India.

The Impact Assessment Study conducted by EY indicated that 100 per cent. of the children received free books and school kits to facilitate their learning. 100 per cent. of the students who completed class 3 were able to identify numbers and alphabets, could read text and perform basic calculations to meet the learning goals of Foundational Literacy and Numeracy³ ('FLN').

²India SDG Index Score for Goal 1 – No Poverty; Goal 2 – Zero Hunger and SGD 5 – Gender Equality

³Foundational Literacy and Numeracy refers to basic skills in reading, writing, and mathematics. It is the ability to read and understand a basic text write and perform simple mathematical operations as adopted by Ministry of Education, Government of India.

**Skill Development Programme**

Your Bank's skill development initiatives provide market-linked and job-ready employable skills to the youths from marginalised sections of society in various domains. This initiative not only provides on-the-job training and job placement facilitation in the organised sector but also a follow-up of the placements so that the youths are settled in their job post-training.

During the FY under review, your Bank contributed ₹4.08 crore (₹3.69 crore in FY 2024) towards the skill development initiatives in eight districts across three states of India. The PIAs operated 12 skill development centres in domains like Warehousing and Logistics, Retail and Customer Care, Sales and Marketing, ITeS and BPO, Refrigeration and Air Conditioning, Computer Accounting, Hardware and Networking, BFSI, etc.

During the FY 2025, 2,710 candidates were enrolled, thereby taking the total to 19,824 youths who have been trained under this programme till date.

The impact assessment indicated that 85 per cent. of the respondents secured their first job after the completion of the training provided under the Employing the Unemployed Programme ('EUP'). The EUP provided them with job readiness skills, career counselling, job placement assistance and other resources to enhance their employability.

Skill Development and Education Programme – Support to Ramakrishna Mission Centre For Human Excellence and Social Sciences (Viveka Tirtha):

During the FY 2025, your Bank has contributed ₹4 crore towards Ramakrishna Mission Centre for Human Excellence and Social Sciences (Viveka Tirtha) as part of its ongoing commitment to education and skill development. This initiative is aligned with your Bank's vision of fostering human development and social well-being.

Skill Development and Education Programme – Support to Nivedita Institute of Human Advancement & Research (NIHAR) Centre Ramakrishna Sarada Mission:

During the FY 2025, your Bank had contributed ₹1.4 crore towards the Skill Development and Education Programme, in partnership with the Ramakrishna Sarada Mission in line with your Bank's commitment to fostering growth and empowerment. This significant contribution had been directed towards the development of the Nivedita Institute of Human Advancement & Research Centre. The funds will support initiatives aimed at enhancing educational opportunities and skill development,

ultimately contributing to the overall advancement of human potential. By investing in such transformative initiatives through the Ramakrishna Sarada Mission, your Bank continues to play an active role in shaping a brighter future through education, skill-building, and research. This partnership highlights your Bank's dedication to social responsibility and sustainable development.

Bandhan Financial Literacy Programme

Your Bank has spent ₹3.40 crore to impart financial literacy to underprivileged women to raise awareness regarding better financial planning and accessing Banking, Financial Services and Insurance ('BFSI') related products and services, including digital banking. Your Bank recognises the fact that imparting financial knowledge is vital to the financial inclusion agenda and to addressing the sustainable development of rural communities.

Through this initiative, your Bank has financially empowered 5,75,443 women in the states of Assam, Tripura, Bihar, Jharkhand, Madhya Pradesh, Odisha and West Bengal to improve their savings and access banking services. According to the EY Impact Assessment Report, 100 per cent. of the women, after completing the training, feel that they are more confident in taking independent financial decisions and can also do digital banking.

Bandhan Sustainable Livelihood Programme

Your Bank under its CSR initiatives, has piloted a unique initiative to empower underprivileged entrepreneurs to set up small businesses. These entrepreneurs are imparted with professional business incubation training and facilitation for accessing statutory licenses and business loans. They are also trained in various aspects of marketing, customer relationships, financial planning and management, business development plans, filing of various tax returns, etc.

Through this initiative, your Bank aims to convert the job-seeking to job-creators. To date, 200 youths have been successfully incubated to independently manage their enterprises.

Climate Action Programme

The Climate Action Programme focuses on climate change adaptation and carbon sequestration. The Major initiatives under this programme were in the areas of Water conservation, Afforestation and Solar energy, as mentioned below:

Water Conservation

The water conservation initiative aims at water security and drought-proofing in some of the high moisture-

stressed regions of India, thereby providing a safety net to agriculture and livestock-based livelihoods. These initiatives facilitate participatory watershed management by empowering the communities to participate in the planning and implementation of local water resource development. Measures such as building, reviving and maintaining water-harvesting structures, prioritisation and judicious use of water for every community member, crop planning and water-efficient farming, use of drought-resistant varieties, cultivation of high-value crops requiring less water, etc., create a multiplier effect in drought-proofing and climate change adaptation measures and higher income generation.

During the FY under review, 22 water harvesting structures, with a storage capacity of 11,818 kilolitres, in the form of farm ponds, were constructed in the farmers' fields to provide them critical irrigation support.

Cumulatively, the programme has supported the construction of 72 water harvesting structures with a storage capacity of over 1,45,318 kilolitres of water in three states. These structures not only provide drinking water to over 1,958 families but also support participatory irrigation of various crops.

Afforestation

Your Bank's afforestation initiatives have contributed towards the project of establishing a "Bio-shield" to save the mangroves in the Bharuch district of Gujarat. Over the years, mangrove plantation of 1,50,000 saplings were carried out on 20 Hectares in a stretch of one kilometre of coastline along with plantation of other medical plant species and fodder species. A fodder bank was created to offset the biotic pressure from the mangrove area.

Additionally, during the FY 2025, the plantation of 16,521 saplings under agroforestry and mangrove plantation was done in West Bengal. This took the cumulative plantation to 4,34,046 saplings in 41 districts across seven states in India. These plantations helped your Bank to off-set 3,968 MT/year of CO₂.

Biodiversity Conservation and Education at Jambusar

During the FY 2025, your Bank contributed ₹25 lakhs towards a comprehensive Biodiversity Assessment of Mangroves and the design proposal for a Nature Interpretation Centre at Jambusar, Gujarat. A field visit was conducted by a team of experts, including a marine ecologist, an architect, and a social worker, to assess the region's biodiversity. This evaluation identified vulnerable species such as the Sarus Crane, Lesser Flamingo and Indian Flap Shell Turtle, highlighting the ecological importance of the area. As a result, the proposal for a Nature Interpretation Centre

was put forward to educate the public, especially school students, about mangroves and their conservation.

Additionally, a pilot Nature Education Program, Mud-Flat Dhuleti, was organised in March 2025. The event provided 20 participants with an immersive, experiential learning opportunity to explore the mangrove ecosystem, local biodiversity, and coastal life. The event raised ₹14,500 in donations, supporting the region's ecotourism and biodiversity conservation efforts.

Solar Irrigation with Drip and Farm Pond for Water Conservation and Renewable Energy

Your Bank's commitment to sustainable farming practices is reflected in the support of the Solar Irrigation with Drip and Farm Pond project in Jambusar Taluka, Gujarat, with an investment of ₹1.38 crore. As part of this initiative, 25 marginalised farmers were provided with solar-linked drip irrigation systems to enhance water conservation and improve agricultural productivity. The project, implemented through the VIKAS Centre for Development, included the establishment of two demo sites to demonstrate the system's effectiveness, with refinements incorporated for improved durability and ease of operation.

Solar-powered streetlights

During the FY 2025, your Bank has contributed ₹50 lakh towards the installation of solar-powered High mast streetlights in the vicinity of Vitthal Temple, Pandharpur as part of its Climate Action Programme. This initiative will provide sustainable, renewable energy for the temple, improving lighting around the temple complex and surrounding areas. The solar-powered streetlights will not only reduce the carbon footprint but also enhance safety and accessibility for the thousands of devotees and visitors who visit the temple. Additionally, by using clean energy, the project will contribute to long-term cost savings and promote environmental awareness within the community. This initiative reflects your Bank's ongoing commitment to environmental sustainability and community well-being.

Dividend

Pursuant to Regulation 43A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI LODR'), the Board of Directors of your Bank has adopted a Dividend Distribution Policy that, *inter-alia*, balances the objectives of appropriately rewarding shareholders and retaining capital to maintain a healthy capital adequacy ratio. In addition to the Dividend Distribution Policy, the dividend payout ratio of your Bank is also guided by the Circulars on dividend issued by RBI, from time to time. Policies of the Bank are reviewed at least once a year and accordingly, Dividend Distribution Policy was reviewed by the Board during the FY, with certain amendments with regard to parameters for dividend distribution including regulatory

requirements. The Policy is available on the website at <https://bandhanbank.com/pdfViewerJS/index.html#./sites/default/files/2025-07/Dividend-Distribution-Policy.pdf>

In line with this policy and in recognition of the financial performance during the FY 2025, while retaining capital to maintain a healthy capital adequacy ratio to meet growth requirements, your Board of Directors has recommended a dividend of ₹1.50 per equity share of ₹10 each fully paid-up (15%) for the FY 2025, similar to previous FY, for approval of the shareholders at the 11th Annual General Meeting ('AGM') of the Bank.

Pursuant to the provisions of Income-tax Act, 1961 ('IT Act'), dividends paid or distributed by your Bank shall be taxable in the hands of the shareholders and your Bank shall be required to deduct tax at source ('TDS') at the prescribed rates from the dividend to be paid to shareholders, subject to the approval of dividend by the shareholders in the ensuing AGM. Further details are available in the notice of the 11th AGM of the Bank. An email communication in this regard has also been sent to the shareholders.

Declaration from Independent Directors

The Bank has received necessary declarations from all the Independent Directors under Section 149(7) of the Companies Act and Regulation 25(8) of the SEBI LODR that they meet the criteria of independence laid down under Section 149(6) of the Companies Act read with allied Rules, and Regulation 16(1)(b) of the SEBI LODR, respectively. The Board has reviewed the disclosures of independence submitted by Independent Directors and is of the opinion that the Independent Directors of the Bank fulfil the conditions specified in the Companies Act and the SEBI LODR, and are independent of the management. In the opinion of the Board, all the Independent Directors possess requisite expertise, experience, integrity and proficiency as required under the applicable laws and policies of the Bank.

Familiarisation Programmes for Independent Directors

The details of the familiarisation programme(s) for the Independent Directors of the Bank have been provided separately in the Report on Corporate Governance forming part of this Report.

Board Evaluation

Pursuant to recommendation of the NRC, the Board has framed the 'Performance Evaluation Policy for the Board, Committees, Non-Independent/ Whole-time Directors and Independent Directors' (the '**Board PE Policy**'), in

accordance with the relevant provisions of the Companies Act, the SEBI LODR and SEBI Guidance Note on Board Evaluation. In terms of the Board PE Policy, performance evaluation of the Board and its Committees, Chairman and individual Directors are done on various parameters. Parameters for the Board include various aspects, such as, structure, meetings, appointments, agenda, discussions, evaluation of risks, strategy, governance and compliance, conflict of interest, etc.

Parameters for Board Committees include various aspects, such as, meetings, effectiveness, agenda, discussion and dissent, minutes, etc.

Parameters for the Directors include various aspects, such as, knowledge and competency, integrity, functioning, commitment, contribution, attendance, initiative, teamwork, communication, corporate governance, updates, etc., and in case of Independent Directors, additional parameters include fulfilment of the independence criteria and their independence from the management.

The evaluation process has been carried out electronically. The Board of Directors have undertaken the evaluation of Independent Directors, excluding the Independent Director being evaluated. Similarly, Independent Directors have done the evaluation of the Board as whole, Non-Executive Chairman and Non-Independent Directors including the MD & CEO and Executive Directors. The members of respective Board Committees have done performance evaluation of respective Committees. Thereafter, the Independent Directors at their meeting held on July 16, 2025, based on the performance evaluation carried out electronically, reviewed the performance of Non-Independent Directors, Non-Executive Chairman, Managing Director & CEO, Executive Directors and Board as a whole. Further, the Board at its meeting held on July 18, 2025, based on the summary report of performance evaluation carried out electronically for Directors, assessed the performance of the Directors including Chairman, Managing Director & CEO, Executive Directors, Board Level Committees and Board as a whole and forwarded the summary report of evaluation to the NRC for reviewing the implementation of performance evaluation.

Based on the feedback from the performance evaluation process, Non-Executive Chairman of the Board discusses the same with respective Directors whereas the Lead Independent Director discusses the same with the Non-Executive Chairman for necessary action. The Board evaluation provides inputs for optimising the roles and responsibilities, quality, quantity and timeliness of flow of information between the Bank's management and the Board. The Directors have been discharging their roles and responsibilities as expected by the Board and as required under the applicable regulatory provisions. The Board continues to be duly constituted representing various expertise, skill sets, knowledge and qualification required

for the banking business. There was no observation during the performance evaluation of the previous years; and so is the case with the current year.

In addition to internal evaluation, in terms of the Board PE Policy of the Bank and in order to have independent assessment, with the concurrence of the Board, the NRC has approved the engagement of the Indian Institute of Corporate Affairs ('IICA'), an external agency, to conduct a comprehensive performance evaluation of Directors, Committees and the Board as a whole. The outcome of the overall performance evaluation exercise will be placed before the NRC / Board.

Policy on Appointment of Directors

Appointment of Directors on the Board is guided by the provisions of the BR Act and the guidelines/ circulars issued by the RBI, from time to time, the Companies Act and the SEBI LODR. In view of these provisions, your Bank has adopted a 'Policy on Appointment and Fit & Proper Criteria for Directors'. In terms of this Policy, while appointing directors, the NRC/ Board considers fit and proper criteria, various skill sets, professional knowledge, practical experience, integrity, gender diversity and additionally, status of independence in case of Independent Directors. The details of the same have been included in the Report on Corporate Governance forming part of this Report. The Policy on Appointment and Fit & Proper Criteria for Directors is reviewed on an annual basis and accordingly, the Policy was reviewed by the Board on the recommendations of the NRC during the FY, and certain changes with regard to sourcing of candidates has been made. The Policy is available on your Bank's website at: <https://bandhanbank.com/pdfViewerJS/index.html#./sites/default/files/2025-01/Policy-on-Appointment-and-Fit-Proper-Criteria-for-Directors.pdf>.

Remuneration Policy

Your Bank has formulated and adopted a comprehensive 'Compensation Policy' for its Directors, Key Managerial Personnel and Employees, in terms of Section 178 of the Companies Act, read with the relevant Rules made thereunder, Regulation 19 of the SEBI LODR and the guidelines/ circulars issued by the RBI, in this regard, from time to time. The details of the same have been included in the Report on Corporate Governance forming part of this Report. The Compensation Policy is reviewed on an annual basis and accordingly, the Policy was reviewed by the Board on the recommendation of the NRC with one addition relating to deferred variable cash pay. The updated Compensation Policy of your Bank is available on your Bank's website at: <https://bandhanbank.com/pdfViewerJS/index.html#./sites/default/files/2025-01/Compensation-Policy.pdf>.

Employees Remuneration

As on March 31, 2025, your Bank had 75,032 employees. The information with regard to the remuneration of directors and employees of the Bank, as required under Section 197(12) of the Companies Act read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, forms part of this Report as **Annex - 2**.

The statement containing names of top ten employees in terms of remuneration drawn and the particulars of employees as required under Section 197(12) of the Companies Act read with Rule 5(2) and 5(3) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, forming part of this report, is available for inspection during business hours up to the date of the ensuing AGM in terms of Section 136 of the Companies Act and any member interested in obtaining a copy of the same may send request to the Company Secretary.

Employee Stock Options

Your Bank has instituted Employees Stock Option Scheme ('**ESOP**'), i.e., Bandhan Bank Employee Stock Option Plan Series 1 ('**ESOP Scheme**') to enable its employees to participate in your Bank's future growth and financial success. Your Bank provides its employees with a platform for participating in important decision making and instilling long-term commitment towards the future growth of your Bank by way of rewarding them through stock options. ESOP Scheme of your Bank is in compliance with the provisions of the SEBI (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 ('**SEBI SBEBSE**') and no change has been made therein during the FY under review. The ESOP Scheme is administered by the NRC. In terms of the ESOP Scheme, the Options would vest not earlier than one year and not later than four years from the date of grant as decided by the NRC/ Board. The Options granted shall be equally vested over four years. The exercise period shall be a maximum of five years from the date of the respective vesting of Options. Since your Bank has been allotting fresh equity shares upon exercise of Options, the source of the shares is of primary issuance.

In terms of the Compensation Policy of your Bank and the Shareholders' approved ESOP Scheme, fresh grants have been made during the FY under review to the eligible employees. Except the Whole-time Directors, none of the Directors were granted stock options under the ESOP Scheme during the FY under review. The information pertaining to the ESOP Scheme as prescribed under the SEBI SBEBSE is available on the website of your Bank at <https://bandhanbank.com/annual-reports>.

Further, as required under the SEBI SBEBSE, a certificate from the Secretarial Auditor of the Bank certifying that your Bank has implemented the ESOP Scheme in accordance with the applicable provisions of the SEBI SBEBSE and resolution(s) passed by Shareholders, will be made available electronically during the AGM.

Deposits

Being a banking company, the disclosures required as per Rule 8(5)(v) & (vi) of the Companies (Accounts) Rules, 2014, read with Sections 73 and 74 of the Companies Act, are not applicable to your Bank. The details of the deposits received and accepted by your Bank, as a banking company, are enumerated in the Financial Statement for the Financial Year ended March 31, 2025, and forms part of this Annual Report for FY 2025.

Compliance and Audit

Your Bank has put in place extensive internal controls and processes that are commensurate with the size and scale of the Bank to mitigate Operational and other allied risks, including centralised operations and 'segregation of duty' between the front and back-office. The front office units usually act as customer touchpoints and sales and service outlets while the back-office carries out the entire processing, accounting and settlement of transactions in your Bank's core banking system. The policy framework, definition and monitoring of limits is carried out by various mid-office and risk management functions.

Your Bank has set up various executive-level committees with participation from various business and control functions that are designed to review and oversee matters pertaining to capital, assets and liabilities, business practices and customer service, operational risk, information security, business continuity planning and internal risk-based supervision among others.

The second line of defence functions set standards and lay down policies and procedures by which the business functions manage risks, including compliance with applicable laws, compliance with regulatory guidelines, adherence to operational controls and relevant standards of conduct. At the ground level, your Bank has a mix of preventive and detective controls implemented through systems and processes, ensuring a robust framework in your Bank to enable correct and complete accounting, identification of outliers (if any) by the management on a timely basis for corrective action and mitigating operational risks.

Your Bank has a Compliance Department, which independently tracks, reviews and ensures compliance

with regulatory guidelines and promotes a compliance culture in the Bank. The Compliance Department assists the Board and Top/ Senior Management in managing the compliance risk of your Bank. The Compliance Department ensures that overall business of your Bank is conducted in strict adherence to the guidelines issued by the RBI and other regulators, various statutory provisions, standards and codes prescribed by FEDAI, FIMMDA, etc., by evaluating the products/ processes, guiding business departments on the various regulatory guidelines with a special emphasis on better understanding of the perspective. It closely works with operational risk and internal audit functions and monitors various activities of your Bank with more emphasis on active risk management.

As the focal point of contact with the RBI and other regulatory entities, the Compliance Department evaluates the adequacy of internal controls and examines any systemic correction that is required, based on its analysis and interpretation of regulatory guidelines and deviations observed during monitoring and testing. Your Bank has a robust Anti Money Laundering (AML) framework and tools to manage the AML risk. It periodically apprises Top/ Senior Management, the ACB and the Board on compliance levels, based on the changes in the external regulatory environment. The Compliance Department submits the compliance report to the ACB at regular intervals providing the compliance status with the laws/rules and regulations applicable to your Bank.

Your Bank has an Internal Audit Department ('IAD') that acts as a third line of defence and is responsible for independently evaluating the adequacy and effectiveness of internal controls, risk management, governance systems and processes and is manned by appropriately qualified and experienced personnel.

This department adopts a risk-based audit approach and carries out internal and concurrent audit of various functions in your Bank, in order to independently evaluate the adequacy and effectiveness of internal controls on an ongoing basis and proactively recommending enhancements thereof. The IAD, during the course of audit, also ascertains the extent of adherence to regulatory guidelines, legal requirements and operational processes and provides timely feedback to the management for corrective actions. A strong oversight on the operations is also kept through off-site monitoring by use of data analytics and to detect outliers (if any) and alert the management for due corrective action, wherever warranted.

IAD further ensures that independent checks and balances are in place, and that laid down policies and procedures are followed and recommendations for improvements in processes and systems controls are suitably adhered to.

For review of effectiveness of controls, significant audit findings along with corrective and preventive action taken

by your Bank are placed before the ACB periodically and directions, if any, given by the ACB are tracked closely for suitable closure in a time bound manner.

The Internal Audit team and the Compliance team undergo regular training both in-house and external to equip them with the necessary knowhow and expertise to carry out the function.

To maintain the independence of these departments, the performance evaluation of the Chief Compliance Officer ('CCO') and the Chief Audit Executive ('CAE') are carried out by the ACB. The Audit function is also subject to periodic external assurance reviews. Your Bank has always adhered to the highest standards of compliance and has put in place appropriate controls and risk measurement and risk management tools to ensure a robust compliance and governance structure.

Internal Financial Control

Your Bank also engages external auditors/ firms to carry out independent review of internal controls, processes, reporting, etc., and accordingly recommendations, if any, are made by them to your Bank/ the ACB for improvement. Considering the internal financial controls of the Bank, and the work performed by the auditors, including the audit of internal financial controls over financial reporting by the auditors and the reviews performed by management under the supervision of the ACB, the Board of Directors is of the opinion that the internal financial controls established and maintained by your Bank are adequate.

Related Party Transactions

Related Party Transactions that were entered, during the FY under review, were on an arm's length basis and were in the ordinary course of business, pursuant to the approval of the ACB. There were no materially significant related party transactions during the FY, which could lead to potential conflicts with the interests of your Bank. Omnibus approval is obtained from the ACB for the related party transactions, which are of repetitive in nature as well as for the normal banking transactions that cannot be foreseen. Further, approval of the ACB is sought for all the related party transactions, as applicable, except two related party transactions for renewal of lease amounting to less than ₹15 lakhs, which were ratified by the ACB during the FY. The quarterly updates on the details of transactions with the related parties, are placed before the ACB. In terms of the provisions of Regulation 23 of the SEBI LODR, the approval of Shareholders was obtained at the 10th AGM of the Bank for material related party transactions with the promoter entities, i.e., Bandhan Financial Holdings Limited, Bandhan Financial Services Limited, Financial Inclusion Trust, and North East Financial Inclusion Trust for the FY 2025 and up to the 11th AGM of the Bank for banking transactions at arm's length and in the ordinary course of the banking business of the Bank. However, in terms of the amended provisions of Regulation 23 of the SEBI LODR, acceptance

of current account deposits and saving account deposits by banks in compliance with the directions issued by the RBI has been exempted from related party transactions, in addition to acceptance of fixed deposits.

In terms of the definition of Related Party under the SEBI LODR, the promoter and members of the promoter group of the Bank are considered as Related Parties. Accordingly, the following entities forming part of the promoter and promoter group, are related parties of the Bank:

- (a) Bandhan Financial Holdings Limited (Promoter entity)
- (b) Bandhan Financial Services Limited (Promoter entity)
- (c) Financial Inclusion Trust (Promoter entity)

**The RBI vide letter dated April 15, 2025, advised that Bandhan Mutual Fund is considered to be a part of the Promoter Group of the Bank and the holding of Bandhan Mutual Fund in the Bank will be part of the "aggregate holding" of Bandhan Financial Holdings Limited in the Bank.*

***Since May 14, 2025.*

There were no Related Party Transactions required to be reported in Form AOC-2. However, necessary disclosure as required under the Accounting Standards (AS 18) read with RBI's Master Direction No.: RBI/DOR/2021-22/83 DOR. ACC.REC.No.45/21.04.018/2021-22 dated August 30, 2021, as may be updated from time to time, has been made in the note no. 18.12 to the Annual Financial Statement for the FY 2025. Your Bank has a Policy on dealing with

Related Party Transactions, which is reviewed on an annual basis and the Policy was reviewed by the Board on the recommendation of the ACB, with certain amendments including amendments to align with the regulatory changes in SEBI LODR. The Policy is available on your Bank's website: <https://bandhanbank.com/pdfViewerJS/index.html#./sites/default/files/2025-02/Policy-on-Dealing-With-Related-Party-Transactions.pdf>.

Particulars of Loans, Guarantees or Investments

In terms of the provisions of Section 186(11) of the Companies Act, nothing contained in Section 186 of the Companies Act, except sub-section (1) thereof, shall apply to any loan made, any guarantee given or any security provided or any investment made by a banking company in the ordinary course of its business. However, the particulars of investments made by your Bank are disclosed in the Financial Statement for the FY 2025, as per the applicable provisions of the BR Act.

Whistle Blower Policy/ Vigil Mechanism

Your Bank has adopted the Board approved Vigilance Policy and Whistle Blower Policy, as required under Section 177 of the Companies Act, Regulation 22 of the SEBI LODR and applicable circulars issued by the RBI. The policies aim at putting in place a detailed Protected Disclosure Mechanism based on RBI directions ("Protected Disclosures Scheme for Private Sector and Foreign Banks").

These Policies aim to provide an avenue to raise concerns on Ethical, Legal or Regulatory violations and promptly addressing them while assuring the confidentiality and protection of the Whistle Blower against any form of retaliation. Your Bank is committed to conduct all its business operations and transactions by maintaining highest ethical, moral and legal standards. The complaints/ disclosures under the Scheme covers the areas such as corruption / malpractices, misuse of office, criminal offences, suspected/ actual fraud, failure to comply with existing rules and regulations, where such acts result in financial loss/ operational risk, loss of reputation, etc., which may be detrimental to the interest of your Bank, its depositors and the public.

Your Bank promotes and makes available at all times, a Clean, Open and Transparent workplace, wherein business transaction, professionalism and productivity are seen as hallmarks of business practice. Your Bank is also committed to conduct all its business operations and transactions by maintaining highest ethical, moral and legal standards.

Your Bank encourages its employees, all stakeholders and members of general public, who have concerns about suspected misconduct, to come forward and express these concerns without fear of retaliation or unfair treatment. The Whistle Blower Policy provides adequate safeguards

against the victimisation of the Directors and employees who avail this mechanism and ensures that the personnel get direct access to the Chairman of the ACB. None of the Bank's personnel has been denied access to the ACB.

The said Policies are available on your Bank's website at <https://bandhanbank.com/pdfViewerJS/index.html#./sites/default/files/2025-07/Whistle-Blower-Policy-22072025.pdf> and <https://bandhanbank.com/pdfViewerJS/index.html#./sites/default/files/2025-07/Vigilance-Policy-22072025.pdf>.

Capacity Building and External Training Programs:

Employee capacity building initiatives are the top priorities for your bank, and during the course of the FY, 5,689 employees participated in various external capacity building programs.

Digital Learning Initiatives

In order to broaden the scope of capacity building for its employees, your Bank has invested in a world class E-learning service provider called LinkedIn Learning. This will provide Senior Managers and above access to over 24,000 learning resources at the comfort of their workstations.

Key L&D Metrics to drive learning & development initiatives in your Bank during the FY under review are enumerated below:

- 3 million learning hours achieved during the FY, a growth of 14 per cent. from the previous FY.
- Per employee learning hour stood at 34 hours of training in this FY.
- During FY 2025, 99.6 per cent. employees participated in at least one training program
- Total training coverage across all formats (Internal/ External/E-Module) reached 7,67,756 hours, which is a 71 per cent. increase from the previous year.
- Digital learning penetration among employees grew substantially in FY 2025. Logins on the Learning Management System (Bandhan Edge) reached 12,60,879 by March 2025, marking a notable increase of 50 per cent. from the previous year.

Digitisation in HR

Digitalisation in HR has been a strategic initiative aimed at enhancing our talent acquisition, development, and management capabilities. This has enabled your Bank to improve efficiency, reduce manual administrative tasks, and focus more on strategic initiatives that drive organisational growth.

Through HRMS, your Bank hosts all employee life cycle journeys and self-service activities allowing ease of access for routine transactions such as attendance, leave management, travel, performance management, query resolutions, alumni portal, etc. It is also a knowledge repository on your Bank's policies, processes and personal records.

Employee Benefits

Employee Health and Wellness

Your Bank considers its employees as its most valuable assets and has therefore always remained proactive in carefully reviewing the Health & Wellness quotient. To facilitate quick medical attention for employees in medical emergencies, your Bank has tie-ups with hospitals in key locations across the country. Various Health awareness programs were planned like Prevention of Diabetes, Pain & Palliative Care, etc. Additionally, to promote Staff Safety, regular health camps and training workshops on First Aid & CPR were also arranged.

Compliance with the Maternity Benefit Act, 1961

Your Bank celebrates the gift of parenthood and undertakes several initiatives to support its employees as they take on new responsibilities as parents. In line with the Maternity Benefit Act, 1961, female employees are eligible for maternity leave of 26 weeks. Your Bank also provides adoption leave to women employees. Your Bank is in compliance with the provisions of the Maternity Benefit Act, 1961.

Paternity leave of 5 days was introduced beyond regular privilege leave to promote gender equality and enable male employees to support during childbirth.

Employee Health Check-up Policy

As one of the measures to encourage employees to stay healthy, your Bank has a policy on Employee Health Check-up. Your Bank sponsors the health check-up for employees at senior and top management grades. Other employees can avail the services at discounted rates.

Wellness Platform

B Well Digi Care Plan is an assimilation of all health benefits offered to employees under one roof, knit together by state-of-the-art technology and 24/7 customer support. The platform offers free online medical consultations and facilitates medicine deliveries, diagnostics services, thereby ensuring accessible healthcare solutions. Other services include discounted Dental/Eye Consultations & Procedures, Discounted Gyms and Fitness Services including Yoga, Zumba, etc., fully sponsored IPD Assist - Post Discharge online care & doctor consultations and Health Assessment. A wealth of online wellness resources & health articles is also available in the Wellness Platform.

HR Compliance

Your Bank adhere to all applicable Statutory and Regulatory laws and guidelines in their true spirit and stay updated with the changing dynamics of the laws. Your Bank ensures all statutory payments are timely remitted to the respective authorities and required compliance records are meticulously maintained. All necessary returns and disclosures are furnished to the relevant authorities in a timely manner according to the provisions of law.

Discipline & Ethics Management

The Code of Conduct and Ethics ('Code') articulates your Bank's commitment to conduct business in accordance with the highest ethical standards and in compliance with all applicable laws, rules and regulations. At Bandhan Bank, ethical behaviour is inseparable from honesty, integrity and good judgment. Accordingly, all employees are required to follow the Code and act with a high degree of professional and ethical standards.

Your Bank has a Discipline & Ethics Management team, which takes multiple initiatives to foster ethical business standards, such as dissemination of circulars sensitising employees, awareness on the consequences of indulging in misconducts/malpractices, releasing various posters, emailers, HRMS campaigns, sharing of case studies, etc.

Risk Management

Your Bank has an independent and robust risk management framework which effectively addresses both financial and non-financial risks. Risk Management at your Bank includes risk identification, risk assessment, risk measurement and risk mitigation which stands at its core to create maximum value for shareholders, clients, employees, and communities. Your Bank has policies and procedures to systematically measure, assess, monitor, and manage risks across all its portfolios.

Your Bank is committed to creating an environment of risk awareness at all levels. Your Bank's view on risk is dynamic and it aims at constantly upgrading controls and security measures, including cyber security measures, to avoid or mitigate various risks. The ability to manage risk is strongly supported by a strong risk conduct and risk aware culture. Further, Risk transparency is fostered through reporting, disclosure, sharing of information and open dialogue on the risks arising from various activities across the Bank.

Your Bank has an independent Risk Governance Structure, which is in line with industry best practices, that has been put in place to separate duties and ensure the independence of Risk Measurement, Monitoring and Control functions. This framework visualises the empowerment of Business Units at the operating level, with technology being the key driver, enabling the identification and management of risk at the place of origination. Your Bank's Risk Management Department is responsible for setting up the appropriate

risk control mechanism to quantify and monitor risks in timely manner.

Risk Appetite

To address various risks that your Bank faces in its business, it has established a risk appetite framework which defines the levels and types of risk that are acceptable and within its defined risk capacity. The framework is defined with the goal of aligning risk taking with your Bank's strategy, business and capital plans. Furthermore, risk-specific policies, limits and triggers are implemented to operationalise the appetites at enterprise level for enabling effective monitoring and providing cushion for initiating a timely risk mitigation plan.

The risk appetite framework is approved on an annual basis and is a pre-cursor to the strategy of your Bank. A comprehensive dashboard that shows all the risks that your Bank carries at any given time is provided by the Risk Profile, which is a component of the Risk Appetite Framework. It links goals and priorities to risk management in a way that empowers employees to serve customers well and meet financial targets. Your Bank has a quarterly risk appetite and annual risk appetite with defined quarterly glidepath for effective monitoring along with a well-defined Governance framework for better efficacy.

Risk Culture

Risk culture is a set of norms, and behaviours related to awareness, management, and controls of risks. In your Bank, risk culture is at the centre of both the risk management framework and risk management practice. The desired risk culture behaviours are aligned to your Bank's core values thus forming an effective basis for risk culture since these are used for performance management, recruitment, and development.

The Board and Senior Management sets the "tone at the top" and has a trickle-down effect on all employees. Thus, it supports a strong culture, which is defined by your Bank's expectations, thereby guiding how employees conduct themselves, work with colleagues, and make decisions. Your Bank has a well-defined Whistle Blower Policy in place.

As part of its awareness campaigns, your Bank circulates and promotes information security awareness contents and materials through several mediums (SMS, Email, Screensaver, Circular, etc.) to cover its Board members, employees, customers, and vendors. Your Bank educates its staff on risk management through periodic newsletters, circulars, floor-level awareness seminars, trainings, workshops, and innovative desktop screensavers.

Stress Testing

Your Bank recognises the importance of stress testing as an integral risk management tool. Your Bank's Stress testing includes Scenario testing, which examines the impact of a hypothetical future state to define changes in risk factors

as also Sensitivity testing, which examines the impact of an incremental change to one or more risk factors. In addition to standard stress scenarios, your Bank conducts stress testing based on various themes driven by climate, macroeconomic, etc. Your Bank carries out reverse stress testing, in order to identify circumstances that may lead to specific, defined outcomes.

Internal Capital Adequacy Assessment Process ('ICAAP')

Your Bank conducts a comprehensive ICAAP exercise on a yearly basis with respect to the adequacy of Capital under normal and stressed conditions. The examination of capital requirements under normal economic and adverse market conditions enables your Bank to determine whether its projected business performance meets internal and regulatory capital requirements. The assessment is to identify, assess, and manage all risks that could potentially have a significant negative impact on its business, financial position, or capital adequacy.

The ICAAP comprises of a point-in-time assessment of exposures and risks at the end of the FY, along with a forward-looking stress capital assessment. Your Bank also conducts back-testing assessments as part of ICAAP process to assess its stress scenarios.

Risk Management Framework

Your Bank's Risk Management Framework sets forth the core principles on how it seeks to manage and govern the risk. Your Bank's comprehensive risk management is overseen by its Board of Directors who has the overall responsibility for your Bank's Risk Management, including culture and governance framework. The Risk Management Committee of the Board ('**RMCB**') assists the Board in discharging these responsibilities effectively. The RMCB annually reviews and approves your Bank's risk management framework. The RMCB plays a crucial role in guiding the development of policies, procedures, and systems, and continuously evaluates their suitability and relevance to the evolving business landscape. The RMCB also oversees the Risk Management Department ('**RMD**') and the Chief Risk Officer ('**CRO**') reports functionally to the RMCB. The RMCB meets the CRO on one-to-one basis, without the presence of the Whole-time Directors including MD&CEO, on quarterly basis.

Major Risks

Your Bank's risk management approach is to ensure that major risks and emerging risks, as they evolve, are identified, managed, and incorporated into its existing risk management assessment, measurement, monitoring and escalation processes. By adhering to these protocols, management can be sure of growing the business in a risk-controlled manner and fulfilling their ongoing responsibilities for risk supervision. The Board and senior management deliberate top and emerging risks on a regular basis.

Asset/ Liability Management (ALM)

Asset/ Liability Management involves evaluating, monitoring, and managing interest rate risk, market risk, liquidity, and funding. Your Bank has a well-defined Asset Liability Management policy that outlines the framework for liquidity and interest rate risk management. As a part of assurance towards sound Risk Management practices, your Bank regularly reviews its Internal Policies to adapt to changes in market conditions.

Your Bank's Asset Liability Management Committee ('ALCO') monitors and manages Liquidity and Interest Rate risks. Your Bank actively assesses ALM Risk, which involves evaluating, monitoring, and managing interest rate risk, market risk, liquidity, and funding, which potentially can have a significant earnings impact. Your Bank has implemented a robust mechanism to monitor critical ratios and has always maintained healthy Liquidity ratios; Liquidity Coverage Ratio ('LCR'), much above the regulatory minimum LCR requirement by having significant High-Quality Liquid Assets ('HQLA') as also the Net Stable Funding Ratio ('NSFR'), which is measured as the proportion of long-term assets that are funded by stable sources.

Climate-related Financial Risks

Your Bank has incorporated climate risk in its risk management framework. Your Bank has incorporated provision in its Credit Policy to support green financing and considering proposals from such segments to encourage green financing. As part of the stress testing policy, scenarios related to climate risk have been incorporated.

Credit Risk

Your Bank defines credit risk as the risk of loss associated with a borrower or counterparty default (failure to meet obligations with agreed upon terms). Your Bank has established robust credit appraisal and risk management frameworks for identifying, measuring, monitoring, and controlling the risks in credit exposures.

Your Bank balances the risk and return by setting certain objectives, e.g., ensuring credit quality is not compromised for growth; mitigating credit risk in transactions, relationships and portfolios; using its credit risk rating and scoring systems or other approved credit risk assessment or rating methodologies, policies and tools; appropriate pricing based on credit risk taken; systems and controls for detecting and preventing inappropriate credit risk; applying consistent credit risk exposure measurements; ongoing credit risk monitoring and administration; and avoiding activities that are inconsistent with its values, code of conduct or policies. Your Bank undertakes studies to identify trends in the movement of NPAs, SMAs etc., to keep track of the asset quality.

Information Security and Cyber Risks

Cyber security in banks has gained paramount importance, as banks are investing extensively in IT platforms enabling them to move towards digitisation, enhance customer experience, reduction of transaction cost, compete with peers etc. Across banks in India, large amounts of confidential data reside in bank's Data Centres and flows through bank's servers and various networks and devices. To protect your Bank's IT systems, confidential data of both your Bank and its customers, either in rest or in motion, and to ensure continuity of business, your Bank has policies and frameworks in place for Information security and Cyber risks.

Banks are exposed and susceptible to various types of cybercrime. Cyber-attacks have become more sophisticated and organised and they are continuously carrying attacks in volume, frequency, and severity. Malware perpetrators are inventing and inflicting various types of malware attacks. Distributed Denial of Service ('DDOS') activity is ever-increasing and evolving as they are using Internet of Things ('IOT') devices as platform to conduct such attacks. Your Bank has not experienced any material loss relating to these or other types of cyber-attacks.

Cybersecurity risk is a priority for your Bank, and it continues to develop and enhance its controls, processes, and systems in order to protect its networks, computers, software, and data from attack, damage, or unauthorised access. Your Bank has its own independent 24x7 C-SOC (Cyber Security Operations Centre) for a state-of-art centralised and consolidated cybersecurity incident prevention, security event monitoring, detection, and response which is backed by data and tools for sound analytics. Your Bank is also ISO 27001:2013 certified, for its information security management. Your Bank is also proactively involved in industry cybersecurity efforts and working with other parties, including its third-party service providers and governmental agencies, to continue to enhance defences and improve resiliency to cybersecurity threats.

Operational Risk & Resilience

Your Bank actively manages the Operational risk, which is the risk resulting from inadequate or failed internal processes, people and systems, or external events. Your Bank has a Board approved Operational Risk Management & Operational Resilience Policy, which outlines the governance structure and processes for managing operational risk as well as Operational Resilience. Your Bank has also put in place robust Fraud Risk, Outsourcing Risk, Resilience Risk encompassing Business Continuity Risk, Compliance Risk and Legal Risk Frameworks within its Operational Risk Management. Your Bank also has an effective IT Risk, Change Management and Incident Management frameworks in place to effectively take

care of any incidents resulting in adverse effect on its critical operations.

Your Bank is committed to provide uninterrupted services to customers. As such, it is essential to protect the critical infrastructure in your Bank from natural and man-made disasters / events and ensure business continuity of the various operational units. Your Bank has a Business Continuity Risk Management framework within its Operational Risk Management & Operational Resilience Policy in place with the objective to recover critical activities and systems within defined timelines; safety of people and its assets; to communicate with stakeholders during emergency, etc. Business continuity risks are reviewed and regular updates are given to Operational Risk Management Committee ('ORMC') and the RMCB.

Outsourcing Risk

Outsourcing risk refers to potential losses from relying on third-party service providers for delivering banking operations for your Bank, which would be undertaken by it in future, with risk factors including service failures, data breaches, regulatory non-compliance, and lack of control. Your Bank identifies these risks by evaluating outsourced functions and vendor reliability at the time of empanelment by assessing risk through due diligence and compliance reviews, and monitoring performance via regular reviews and audits. Your Bank has implemented comprehensive outsourcing risk management framework with roles and responsibilities for identification, measurement, mitigation, management, and reporting of risks associated with Outsourcing activities.

Market Risk

Your Bank's market risk management consists of identifying and measuring risks, control measures, monitoring, and reporting systems. Your Bank actively manages Market risk, which is the risk of possible economic loss from adverse changes in market risk factors, such as, interest rates, credit spreads, foreign exchange rates, equity and commodity prices, and the risk of possible loss due to counterparty exposure. This applies to implied volatility risk, basis risk, and market liquidity risk. Value at Risk (VaR) is a tool for monitoring risk in your Bank's trading portfolio and is used for estimating the potential loss from adverse movements in the financial markets.

Regulatory Risk

Your Bank recognises the utmost importance of regulatory risk. It closely monitors changes in the regulatory landscape and assesses how new regulations might affect its business and strategy. In order to take proactive steps to identify emerging risks, your Bank regularly examines the regulatory environment.

Reputational Risk

Your Bank's reputation is rooted in the perception of its stakeholders, and the trust and loyalty they place in it is core to its purpose as a financial services organisation. Any adverse stakeholder and public perception about your Bank may negatively impact its ability to attract and retain customers and may expose it to litigation and regulatory actions. In today's world where communication is a key, your Bank maintains regular communication with its internal as well as external stakeholders through appropriate engagement mechanisms to address their expectations and address any concerns they may have.

The Reputational Risk Management Framework of your Bank is made up of interconnected characteristics that could have an impact on different stakeholders. Your Bank is also measuring and tracking the idiosyncratic risks related to stock price movement, as also social as well as traditional media sentiments, complaints, regulatory action, etc., on a periodic basis.

Strategic & Business Risk

Your Bank is monitoring the Strategic Risk by tracking its competitive environment as well as any emerging risks, which may derail the overall Strategic pursuit so that suitable risk mitigation measures are timely taken. As part of strategic risk assessments, your Bank conducts assessment to review the Business strategy on A/E (Actual vs. Estimated) basis and assessments are presented to the RMCB. Your Bank has a robust Business Risk Management Framework in place, which involves monitoring actionable metrics, including various financial indicators, as well as your Bank's competitive position in the industry.

Material Changes and Commitment affecting Financial Position of the Bank

There were no material changes and commitments, affecting the financial position of your Bank, which have occurred between the end of the Financial Year of the Bank, i.e., March 31, 2025, to which the financial statement relates, and the date of this Board's Report.

Change in the Nature of Business

During the FY 2025, there has been no change in the nature of business of your Bank.

Directors' Responsibility Statement

Pursuant to the provisions of Section 134(3)(c) read with Section 134(5) of the Companies Act, the Board of Directors hereby confirms that:

- i. In the preparation of the annual accounts, the applicable accounting standards have been followed

along with proper explanation relating to material departures, if any;

- ii. We have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the Bank's state of affairs as on March 31, 2025, and of its profit for the FY ended on that date;
- iii. We have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act for safeguarding the assets of the Bank and for preventing and detecting fraud and other irregularities;
- iv. We have prepared the annual accounts on a going concern basis;
- v. We have laid down internal financial controls to be followed by the Bank and that such internal financial controls are adequate and are operating effectively; and

- vi. We have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

Acknowledgements and Appreciations

The Board of Directors of your Bank extends its gratitude for the invaluable support and guidance received from the Reserve Bank of India, other government and regulatory authorities, and financial institutions. The Board also thanks the correspondent banks for their cooperation and help. The Board acknowledges the support of its shareholders, and also places on record its sincere thanks to its valued clients and customers for their patronage.

The Board also expresses its deep sense of appreciation to all the employees for displaying their strong work ethics, excellence at work, professionalism, teamwork, commitment and initiative, which have led to the Bank making good progress. The Board will continue to strive for improvements as your Bank continues on its journey towards achieving its objectives.

My Secretarial Audit Report for the financial year ended March 31, 2025 of even date is to be read along with this letter.

1. Maintenance of secretarial record is the responsibility of the management of the Bank. My responsibility is limited to expressing an opinion on existence of adequate board process and compliance management system, commensurate to the size of the Bank, based on the secretarial records as shown to me during the said audit and also based on the information furnished to me by the officers, agents, and authorised representatives of the Bank during the said audit.
2. I have followed the audit practices and processes as were appropriate, to the best of my understanding, to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to check as to whether correct facts are reflected in secretarial records. I believe that the processes and practices, I followed, provide a reasonable basis for my opinion.
3. I have not verified the correctness and appropriateness of financial records and books of accounts of the Bank.
4. Wherever required, I have obtained the management representation about the compliance of laws, rules and regulations and happening of events, etc., and I have relied on such representation, in forming my opinion.
5. The compliance of the provisions of corporate and other applicable laws, rules, regulations and standards is the responsibility of the management. My examination was limited to the verification of compliance procedures on test basis. I would not be liable for any business decision or any consequences arising thereof, made on the basis of my report.
6. The Secretarial Audit Report is neither an assurance as to the future viability of the Bank nor of the efficacy or effectiveness or accuracy with which the management has conducted the affairs of the Bank.

Report on Corporate Governance

[Report on Corporate Governance pursuant to the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the '**SEBI LODR**') and the Companies Act, 2013 (the '**Companies Act**'), for the financial year ended March 31, 2025, forming part of the Board's Report]

Bank's Philosophy on Corporate Governance

Your Bank believes in adopting and adhering to the best standards of corporate governance. It unswervingly benchmarks itself of such practices. Your Bank understands and respects its fiduciary role and responsibilities towards its stakeholders and strives hard to meet their expectations. Your Bank's philosophy on corporate governance enshrines the goal of achieving the highest levels of transparency, accountability and equity in all spheres of its operations and in all its engagements with its stakeholders. It acknowledges that the best Board practices, transparent disclosures and shareholder empowerment are necessary for creating stakeholders' value. The philosophy on corporate governance serves as vital instrument safeguarding stakeholders interests and enhancing long-term values. By embedding transparency, accountability, and ethical leadership into every aspect of our operations, your Bank ensures that its governance practices not only protect but also empower its stakeholders. This commitment enables your Bank to build trust, drive sustainable growth, and deliver enduring value across all dimensions of its business.

Your Bank is in compliance with the extant corporate governance requirements specified in Regulations 17 to 27 and clauses (b) to (i) and (t) of sub-regulation (2) of Regulation 46 of the SEBI LODR.

Board of Directors

Your Bank entrusts its Board of Directors (the '**Board**') with the ultimate responsibility for the management and control of the business of the Bank including providing strategic direction, ensuring financial oversight, and maintaining regulatory compliance. To enable the Board to fulfil these responsibilities effectively, it is vested with the necessary powers, authorities and duties. The Corporate Governance philosophy of your Bank underscores that the Board independence is fundamental to ensuring objectivity and transparency in the Bank's management and operations. An empowered and independent Board is essential for fostering accountability, enhancing decision-making, and protecting the interests of all stakeholders.

The composition of the Board of your Bank is governed by the provisions of the Companies Act and rules made thereunder, the Banking Regulation Act, 1949 (the '**BR Act**') and the guidelines / circulars / directions issued by the Reserve Bank of India ('**RBI**') in this regard, the provisions of the SEBI LODR, its Articles of Association ('**AOA**'), other applicable laws and the best corporate governance practices.

Composition of the Board and Tenure on the Board

Separation of office of the Chairman and the Managing Director & CEO

In terms of the provisions of the BR Act, the Companies Act and the SEBI LODR, your Bank has separate offices for the Chairman and the MD&CEO. Your Bank has a Non-Executive (Independent) Chairman and an MD&CEO, and the appointments of both have been approved by the RBI, pursuant to the provisions of the BR Act. The Chairman provides overall direction and guidance to the Board whereas the MD&CEO is responsible for the overall management of the Bank.

The operational and functional heads of your Bank, together with the two Executive Directors, plays a pivotal role in supporting the MD&CEO in the day-to-day functioning, execution, and strategic operations of your Bank. This collaborative leadership structure ensures seamless coordination across business units, effective implementation of strategic initiatives, and robust operational governance.

Responsibilities of the Board

The responsibilities of the Board, *inter alia*, include overseeing the functioning of the Bank, financial performance of the Bank, monitoring legal & statutory compliance, reviewing the efficacy of internal control systems and processes, and management of risks associated with the business of the Bank, based on the information provided to it. The Board is also responsible for approving the strategic direction, plans and priorities for the Bank, monitoring corporate performance against strategic business plans, reviewing and approving the Bank's financial and operating results periodically, overseeing the Bank's Corporate Governance framework and supervising the succession planning process for its Directors and Senior Management.

Accordingly, the Board deliberates on matters, such as, business strategy, risks, financial results, succession planning, compliance, customer service, financial inclusion, information technology and human resources in line with the seven critical themes prescribed by the RBI and such other matters as may be deemed appropriate. The Board spends considerable time perusing the information shared with them, which facilitates informed decision-making and effective participation at its meetings, leading to board effectiveness. The Board oversees the actions and results of the management to ensure that the long-term objectives of enhancing the shareholders' value is achieved. The Board also has the discretion to engage the services of external expert(s)/ advisor(s), as may be deemed appropriate, from time to time.

The Members of the Board have complete freedom to express their opinions and arrive at decisions after detailed deliberations.

Board Meetings and Flow of Information

The Board plays an important role in ensuring sound Corporate Governance practices, providing strategic direction and functioning of the Bank. Notice and agenda papers are circulated to the Directors, in advance, before each meeting of the Board and Committees to facilitate meaningful and focused discussions at the meetings. All information, as applicable and specified in Regulation 17(7) of the SEBI LODR, read with Part A of Schedule II thereto, are regularly placed before the Board. The Board also periodically reviews the compliance reports with regard to the laws applicable to the Bank. In case of exigency(ies) or urgency(ies), in compliance with Section 175 of the Companies Act, proposals are approved by passing resolutions through circulation, which are placed in the next meeting of the Board/Committee, as the case may be, for noting, and forms part of the minutes of such meeting. The Board ensures that any direction given by it during the course of its meetings form part of the Action Taken Report ('ATR') for its review and discussion at its subsequent meetings.

The Board meets at least once a quarter and at least four times a year to review and approve the quarterly/ annual financial results and matters relating to the business operations of the Bank. Apart from the above, Board meetings are also convened, as and when required, by giving due notice to the Directors. Further, in order to have participation of Directors travelling/residing abroad or at other locations in the meetings, video-conferencing ('VC') facilities are also provided in terms of the provisions of Rule 3 of the Companies (Meetings of Board and its Powers) Rules, 2014. Meeting of Independent Directors

During the FY under review, the Independent Directors met twice without the presence of management, i.e., on May 13, 2024 for performance evaluation of the Board, Chairman and Non-Independent Directors, and on December 24, 2024 to assess the quality, quantity and timeliness of the flow of information between the management and the Board, and other governance related matters. Further, in accordance with Regulation 25(4) of the SEBI LODR and Clause VII of Schedule IV to the Companies Act, the Independent Directors met exclusively on July 16, 2025, without the presence of the Managing Director & CEO, Executive Directors, Non-Executive Non-Independent Directors or management, to review the performance of Non-Independent Directors, Non-Executive Chairman and the Board as a whole for the FY 2025.

Independence of Directors

All Independent Directors have given necessary declarations of independence under Section 149(7) of the Companies Act and Regulation 25(8) of the SEBI LODR, and have also confirmed that they are not aware of any circumstance or situation that exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties. Based on the declarations received from the Independent Directors, the Board of Directors has confirmed that they meet the criteria of independence as prescribed under Section 149(6) of the Companies Act

and Regulation 16(1)(b) of the SEBI LODR, and that they are independent of the management. A formal letter of appointment has been issued to the Independent Directors at the time of their appointment(s)/ reappointment(s). The terms and conditions of appointment of Independent Directors are available on the website of the Bank at <https://bandhanbank.com/pdfViewerJS/index.html#../sites/default/files/2024-07/Terms-and-Conditions-of-Appointment-of-Independent-Director.pdf>.

Independent Director Databank Registration

In terms of Rule 6(3) of the Companies (Appointment and Qualifications of Directors) Rules, 2014, as amended, Independent Directors of the Bank have confirmed that they have registered themselves with the databank maintained by the Indian Institute of Corporate Affairs ('Institute') as well as renewed the registration wherever required. Further, the Independent Directors, who were required to pass an online proficiency self-assessment test conducted by the Institute, have appeared for and passed such test.

Familiarisation Programme

The 'Policy on Appointment and Fit & Proper Criteria for Directors' sets out the familiarisation programme for the Non-Executive Directors ('NEDs') of the Bank. In order to familiarise the Bank's NEDs, including Independent Directors, with the functioning of the Bank and their roles,

responsibilities, etc., the newly appointed Directors are provided with a comprehensive Induction Kit, including the business, operations and financials of the Bank, history of the Bank, organisational structure, composition and roles of the Board and Committees, core management team of the Bank, rights, responsibilities and liabilities as an Independent Director, copies of the applicable Policies and Codes of the Bank, along with the Bank's Memorandum of Association ('MOA') & Articles of Association ('AOA'). The Bank also nominates the Directors to attend relevant external programs at reputed forums and/or internally provide deep-dives/presentations on subjects relevant from your Bank's perspective, as may be necessary from time to time. The details of the familiarisation programmes conducted for the Independent Directors of your Bank are available on its website at <https://bandhanbank.com/familiarisation-programmes>.

Performance Evaluation Criteria for Independent Directors

The performance evaluation of Independent Directors is conducted in terms of the provisions of 'Performance Evaluation Policy for the Board, Committees, Non-independent / Whole-time Directors and Independent Directors' (the '**Board PE Policy**') as recommended by the NRC and approved by the Board, pursuant to the relevant provisions of the Companies Act, the SEBI LODR and SEBI Guidance Note on Board Evaluation. In terms of the Board PE Policy, an indicative list of factors on which evaluation of the Independent Directors was carried out includes commitment, contribution, competency, attendance, initiative, teamwork, communication, adherence to code of conduct, corporate governance, fulfilment of the independence criteria and their independence from the Management. Further details of the evaluation on Independent Directors are provided in the Board's Report.

Policy on Appointment of Directors

Your Bank has in place a 'Policy on Appointment and Fit & Proper Criteria for Directors'. This Policy lays down the criteria for identification of persons who are qualified and 'fit and proper' to become Directors on the Board, such as, academic qualifications, special knowledge or practical experience, competence, track record, integrity, etc., which shall be considered by the NRC while recommending appointment/re-appointment of a Director. The Policy is available on the website of the Bank at <https://bandhanbank.com/pdfViewerJS/index.html#./sites/default/files/2025-01/Policy-on-Appointment-and-Fit-Proper-Criteria-for-Directors.pdf>. This Policy is guided by the provisions of the BR Act and the rules framed thereunder, the Companies Act and the SEBI LODR and the circulars or guidelines issued by the RBI, from time to time, in this regard. While appointing a Director on its Board, your Bank follows the direction(s) of the RBI with regard to 'fit and proper' criteria, as applicable to private sector banks, and obtains the 'Declaration and Undertaking' from the

candidate and executes Deed of Covenants, which includes the requirement for Directors to discharge their duties and responsibilities to the best of their abilities, individually and collectively. The NRC ascertains the fit and proper status of the candidate for the office of director, fulfilment of criteria of independence as prescribed under the Companies Act and the SEBI LODR in case of independent directors, and thereafter, recommends their appointment/reappointment to the Board for approval. The Board also ensures that the Directors have the requisite skill sets, practical experience, special knowledge required for the banking business and as prescribed under Section 10A(2) (a) of the BR Act. The Board is duly constituted, including gender diversity. The appointments of the Chairman, the Managing Director and Executive Director(s) on the Board are made with the prior approval of the RBI. The Board also takes into account the outcome of performance evaluation while considering the re-appointment/continuation of appointment of Independent Directors.

The NRC evaluates whether the members of the Board, excluding NRC members, adhere to the 'fit and proper' criteria as prescribed by the RBI and the adherence to the 'fit and proper' criteria by the members of the NRC is evaluated by the Board of Directors annually, in addition to evaluation of fit and proper status at the time of appointment/re-appointment of Directors.

Remuneration Policy

Your Bank has formulated and adopted a Compensation Policy for Directors, KMP and Employees of the Bank, in terms of Section 178 of the Companies Act, read with the relevant Rules made thereunder, Regulation 19 of the SEBI LODR and the Guidelines or Circulars or directions issued by the RBI, in this regard, from time to time. Your Bank's Compensation Policy is aligned to its business strategy, market dynamics, internal characteristics and complexities within the Bank. Your Bank's remuneration framework aims to attract, motivate and retain people with the requisite skills, experience and ability to deliver its strategy; create an alignment and balance between the rewards and risk exposure of shareholders and interests of employees; promote responsible growth and create long term sustainable shareholders' value consistent with strategic goals and appropriate risk management; reinforce behaviour consistent with its values, principles and objectives, and support appropriate conduct and meritocratic culture through differentiated performance rewards. The Compensation Policy of your Bank is reviewed by the NRC and the Board on an annual basis to align the provisions with regulatory changes as well as to meet the organisational requirements. The Compensation Policy of your Bank was reviewed by the Board during the year and one change was made relating to receipt of unvested deferred variable pay, post-retirement of an employee. The updated Policy is available on the website of the Bank at <https://bandhanbank.com/pdfViewerJS/index.html#./sites/default/files/2025-01/Compensation-Policy.pdf>.

RBI, vide its circular no. RBI/2019-20/89 DOR.Appt. BC.No.23/29.67.001/2019-20 dated November 04, 2019, has issued 'Guidelines on Compensation of Whole-time Directors/Chief Executive Officers/Material Risk takers and Control function staff' for implementation by private sector banks and foreign banks from April 01, 2020. Your Bank's Compensation Policy is in line with this RBI circular. In terms of the Compensation Policy, the total compensation shall be a prudent mix of fixed pay (including basic salary, fixed allowances, retirals and perquisites) and performance-based variable pay (comprising cash component and share-linked instruments, which includes employee stock options and cash settled stock appreciation rights) whereas variable pay shall not exceed three times the annual fixed pay for MD&CEO/ Whole-time Director(s). Annual increments for the senior management are recommended by the NRC and approved by the Board. The annual increments for the MD&CEO/ Whole-time Director(s) are recommended by the NRC and the Board for the approval of RBI and the Members of the Bank. The Board of Directors, on the recommendation of the NRC and on the basis of the evaluation process considering the criteria, such as, the performance of the Bank as well as that of the MD&CEO/ Whole-time Director(s), recommends to the RBI for approval of the variable pay payable to the MD&CEO/ Whole-time Director(s) for the FY. The remunerations of the MD&CEO/ Whole-time Director(s) are subject to prior approval of RBI and the approval of the Members of the Bank.

Non-Executive Directors' Compensation and Disclosures

In terms of the provisions of the Companies Act, the SEBI LODR and the Compensation Policy of the Bank, the Non-Executive Directors ('NED'), including Independent Directors, of your Bank are paid sitting fees of ₹90,000 per meeting for attending the meetings of the Board, ₹75,000 per meeting for attending meetings of the Audit Committee

of the Board and the Risk Management Committee of the Board, and ₹60,000 per meeting for attending meetings of other Committees of the Board as well as meetings of Independent Directors, subject to applicable taxes, and reimbursement of expenses for participation in such meetings. Additionally, pursuant to the RBI Circular dated April 26, 2021, as amended, the Compensation Policy of your Bank provides for payment of compensation in the form of a fixed remuneration commensurate with an individual director's responsibilities and demands on time and which are considered sufficient to attract qualified competent individuals, for NEDs, other than the Chairperson of the Board. Accordingly, pursuant to approval of Members of the Bank, at their 8th AGM held on August 10, 2022, the NEDs, excluding Non-Executive Chairman, were paid fixed remuneration of ₹12 lakh per annum per NEDs, with effect from April 01, 2022, for a period of three years. Further, on the recommendations of the NRC, the Board has recommended for an increase in the fixed remuneration of NEDs from ₹12 lakh per annum to ₹18 lakh per annum per NEDs, for the approval of the Shareholders at the ensuing AGM. In addition to sitting fees, the Non-Executive Chairman of the Bank is also paid fixed remuneration with prior approval of the RBI pursuant to the provisions of the BR Act and approval of the Members of the Bank. During the FY under review, the RBI has granted its approval for increase in the fixed remuneration of the Non-Executive Chairman of the Bank from ₹24 lakh per annum to ₹27 lakh per annum with effect from January 07, 2025. Details of sitting fees paid to the NEDs and the fixed remuneration paid to the NEDs, excluding Non-Executive Chairman, and the remuneration paid to Non-Executive Chairman are given hereinafter. The Compensation Policy of your Bank is available on its website and the link for the same has been provided above. No stock options were/are granted to any of the NEDs of the Bank.

9) Share Transfer System

Your Bank's shares which are in dematerialised (demat) mode are transferable through the depository system.

With regard to shares held in physical mode, SEBI vide amendment to Regulation 40(1) of the SEBI LODR, with effect from April 01, 2019, mandated that except in case of transmission or transposition of securities, requests for effecting transfer of securities shall not be processed unless the securities are held in the dematerialised form with a depository. Further, vide amendment dated January 24, 2022 to Regulation 40(1) of the SEBI LODR, SEBI has mandated that transmission or transposition of securities held in physical or dematerialised form shall be effected only in dematerialised form. Moreover, SEBI vide Circular dated January 25, 2022, has mandated that the listed companies shall henceforth issue the securities in dematerialised form only while processing certain service requests as explained in subsequent section of this Report.

In view of the above, Shareholders holding shares in physical form are requested to consider converting their holdings to dematerialised form. Transfers of equity shares in electronic mode are affected through the depositories with no involvement of your Bank. Further, your Bank has also sent individual letters to the Shareholders holding shares in physical form to update their KYC, bank details and nomination details with the RTA/ the Bank. Your Bank has also implemented the process to issue 'letter of confirmation' pursuant to receipt of duly filled in form ISR-4 by the Shareholders holding shares in physical mode.

Therefore, Shareholders, holding shares in physical mode, are requested to get in touch with any Depository Participant registered with SEBI to open a Demat Account or may also visit website of depositories, viz., National Securities Depository Limited ('NSDL') at <https://nsdl.co.in/services/demat.php> or Central Depository Services (India) Limited ('CDSL'), at <https://www.cdslindia.com/investors/open-demat.html>, for further understanding of the dematerialisation procedure.

SPECIAL WINDOW FOR RE-LODGE MENT OF TRANSFER REQUESTS OF PHYSICAL SHARES

SEBI, vide Circular dated July 02, 2025 on 'Ease of Doing Investment – Special Window for Re-lodgement of Transfer Requests of Physical Shares', advised that, in order to facilitate ease of investing for investors and to secure the rights of investors in the securities purchased, transfer deeds which were lodged prior to April 01, 2019 by the Shareholders holding shares in physical mode, and rejected/ returned due to deficiency in the documents may be re-lodged with requisite documents with the RTA of the Bank, during the special window from July 07, 2025 to January 06, 2026.

Other Useful Information for Shareholders

1) Unpaid/ Unclaimed Dividends

Pursuant to provisions of Sections 124 and 125 of the Companies Act, read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ('IEPF Rules'), any dividend declared by the Bank, which remains unclaimed or unpaid for a period of seven years from the date of transfer to the respective Unpaid Dividend Account of the Bank, is liable to be transferred to the Investor Education and Protection Fund ('IEPF').

Further, all the shares in respect of which dividend has not been paid or claimed for seven consecutive years or more shall also be transferred to the IEPF Authority. However, the said requirement does not apply to shares in respect of which there is a specific order of

Court, Tribunal or Statutory Authority, restraining any transfer of such shares or where such shares are pledged or hypothecated under the provisions of the Depositories Act, 1996.

Your Bank was incorporated on December 23, 2014. Since inception, your Bank has declared dividend in its 4th, 5th, 7th, 9th and 10th AGMs held in the years 2018, 2019, 2021, 2023 and 2024, respectively. Hence, up till now, your Bank was not required to transfer any unclaimed dividend amount to the IEPF Authority. However, during the FY 2026, your Bank would transfer the unpaid/ unclaimed dividends declared by it in the year 2018 to the IEPF Authority. Further, GRUH Finance Limited ('GRUH') amalgamated into and with your Bank with effect from October 17, 2019, and in light of the aforesaid provisions, the equity shares issued by your Bank as against the equity shares held by the shareholders of erstwhile GRUH and unclaimed dividend pertaining to such equity shares not claimed for seven consecutive years were required to be transferred to the IEPF during the FY 2025. Accordingly, the dividends that remained unclaimed for seven years, have been transferred to the IEPF during the FY 2025. Further, such equity shares, in respect of which dividend has not been claimed for seven consecutive years or more from the date of transfer to unpaid dividend account, have also been transferred to the demat account of the IEPF Authority.

The details of unclaimed dividends and shares transferred to IEPF Authority during FY 2025 are, as follows:

Relevant FY	Amount of unclaimed dividend transferred (in ₹)	Number of shares transferred
2016-17	39,92,205	61,150

The concerned shareholder/ claimant, who has a legitimate claim on the transferred dividends/ shares, may claim the same from the IEPF Authority by following the below-mentioned process:

1. Make a request to the Bank/ RTA, along with physical copy of the requisite documents as enumerated in the web based Form IEPF – 5 and IEPF Rules, duly signed, in original, for issuance of 'Entitlement Letter', addressed to Nodal Officer, at the Head Office of the Bank or the address of RTA'.

(In terms of IEPF Circulars, the Bank is required to verify all the documents before issuing Entitlement Letter. Accordingly, you are requested to submit the original documents complete in all respects pertaining to the claim to the Bank or its RTA.)

2. After due verification of documents by RTA/ the Bank, an Entitlement Letter would be issued. On receipt of the Entitlement Letter, make an application in web based Form IEPF-5 available at <https://iepf.gov.in/IEPF/corporates.html>, along with the Entitlement Letter; and
3. Thereafter, send the self-certified copy of Form IEPF-5, along with acknowledgement generated on filing of Form IEPF-5, and a signed copy of the Indemnity Bond, to the Bank/ RTA. Additionally, the shareholders/ claimants may scan the whole set of documents and send the same to the Bank by e-mail at companysecretary@bandhanbank.com to enable quick processing, followed by original physical copy.

Further, in terms of the provisions of the IEPF Rules, the Bank is required to submit the e-verification report to the IEPF Authority within 30 days from the date of filing of web-based e-form IEPF-5. In case the original documents complete in all respect are not received by the Bank well within 30 days from the date of filing of web-based e-form IEPF-5, the Bank would be bound to file e-verification report for rejection of such claims. Upon submission of e-verification report by the Bank, the IEPF Authority shall verify the documents as submitted by such shareholder and may approve/ reject such claim.

In the interest of the shareholders, your Bank has sent reminders to the shareholders to claim their dividends/ equity shares, three months before the due date for transfer to IEPF Authority. Notices in this regard were also published in the newspapers, and the details of unclaimed dividends and shareholders whose shares were liable to be transferred to the IEPF Authority are available on the Bank's website under the investor relations section <https://bandhanbank.com/unclaimed-dividend>.

The following tables give information relating to unclaimed dividends and the dates by which they can be claimed by the Shareholders from the Bank. The unclaimed dividends, thereafter, shall be transferred to the IEPF as stated above.

**a. For Shareholders of the Bank:**

Financial Year	Date of Declaration of Dividend	Last date for claiming Dividend

2) Payment of Dividend through Electronic mode

In terms of Regulation 12 of the SEBI LODR, read with Schedule I thereto, every listed entity is required to mandatorily make all payments to shareholders, including Dividend, through any RBI approved electronic mode of payments, viz., Direct Credit, Real Time Gross Settlement (RTGS), National Electronic Fund Transfer (NEFT), Electronic Clearing Service (ECS), National Automated Clearing House (NACH), etc. Your Bank is entitled to use the bank account details of the shareholders available with the Bank/ Depository Participant to facilitate payment through electronic mode.

Therefore, all Shareholders of the Bank are requested to update details relating to their respective bank account numbers, including 9-digit MICR codes and 11-digit IFSC codes, email addresses and mobile numbers with their respective Depository Participants (in case shares are held in dematerialised mode) or with the Bank's RTA (in case shares are held in physical mode), by submission of form ISR-1 to RTA, along with relevant supporting documents.

3) Information for Physical Shareholders**Compulsory Furnishing of Documents/ Details:**

As an on-going measure to enhance the ease of doing business for investors in the securities market, the SEBI had issued various circulars from time to time, which were rescinded vide its Master Circular for Registrars to an Issue and Share Transfer Agents (RTAs) dated June 23, 2025 ('**SEBI Master Circular**'). The SEBI Master Circular has mandated furnishing of PAN, Choice of Nomination, Contact details (Postal Address with PIN and Mobile Number), Bank Account details and Specimen Signature for corresponding folio by all holders of physical securities.

The SEBI Master Circular, read with SEBI Circular dated June 10, 2024, further mandated that the security holder(s) whose folio(s) do not have PAN, KYC details including Contact Details, Bank Account Details and Specimen Signature updated, shall be eligible:

- to lodge grievance or avail any service request from the RTA, only after furnishing PAN and KYC details.
- for any payment including dividend, interest or redemption payment in respect of such folios, only through electronic mode with effect from April 01, 2024, only after furnishing PAN and KYC details.

Management Discussion & Analysis Report

A. Global and Indian Economic Scenario

Global economy – slow recovery amid heightened uncertainty

The global landscape over the past year has remained fluid, shaped by geopolitical tensions, uneven inflation, varied market sentiments across the globe, and policy related uncertainties. According to the International Monetary Fund ('IMF'), global GDP growth is projected at 2.8 percent for 2025, lower than the previous year's projection of 3.3 per cent.¹, and is expected to remain rangebound for the foreseeable future, signalling a slow and steady recovery.

Regional divergences in inflation have become prominent over the past year. While United States's ('US') core inflation was forecasted at 2.8 per cent.² for 2025, a rise of 30 bps from previous forecast due to recent changes in the tariff landscape, Eurozone's inflation has eased out³ and is expected to stabilise.

While US exhibited resiliency in its growth story, China, traditionally a growth engine, experienced hiccups due to internal structural challenges such as a declining workforce and a real estate slump. China's GDP estimates were revised downwards to 4.0 per cent⁴, for both – 2025 and 2026 – from previous projections of 4.6 percent and 4.5 percent for 2025 and 2026⁵, respectively. Additionally, Eurozone's growth forecast at 0.8 per cent⁶. in 2025 faced challenges from uncertain global trade policies. Similarly, emerging economies have also experienced downgrades due to intensifying downside risks such as currency volatility, geopolitical risks, among others. India, while remaining a major growth driver globally, also hit a four-year low of 6.5 per cent growth in FY 2024-25, slowed down from 9.2 per cent.⁷, growth recorded in FY 2023-24.

Global economic and trade policies are in a period of transition, shaped by competing priorities: national security vs. globalisation, sustainability vs. growth, and inflation control vs. economic stimulus. The trajectory of global growth in the coming years will depend on how effectively policymakers balance these competing priorities. Economies are increasingly expected to realign themselves towards bilateral treaties from multilateral arrangements to balance growth objectives and policy uncertainties.

In addition, driven by Artificial intelligence ('AI'), global technology landscape has undergone a tectonic shift. Advancements in AI, quantum computing and the rise of decentralised technologies have created a new digital paradigm that is redefining industries, economies, and societies at an unprecedented pace. Large scale adoption of Generative AI, in particular, is reshaping how businesses operate and differentiate themselves. As innovation cycles shorten and disruption becomes the norm, economies that identify and adopt these emerging technologies early, are expected to be at the centre of global influence.

Climate change poses significant threats to the global economy, with major institutions highlighting escalating risks. The Organisation for Economic Co-operation and Development ('OECD') warned that without intensified climate action, global GDP could decline by up to 4 per cent. annually by 2100 due to sea-level rise and extreme weather events. The World Bank highlighted that 1.2 billion people are at high risk from climate hazards. Collectively, these findings underscore the urgent need for coordinated global action to mitigate climate risks and invest in adaptation strategies to safeguard economic stability.

Indian economy – continues to remain steady amid heightened uncertainty elsewhere

India's economy has demonstrated resilience amid global uncertainties and is expected to maintain steady growth in the future. As per the recent estimates, India's GDP growth for FY 2024-25 was at 6.5 per cent. with Q4 FY 2024-25 exhibiting a growth of 7.4 per cent⁸. amid global uncertainties. The steady growth has been supported by robust domestic consumption, industrial activity, rural demand and government spending.

Consumer price index ('CPI') inflation is expected to moderate from 4.9 per cent⁹, in FY 2024-25 to below 4.5 per cent. over the next year, aided by prudent monetary policy. Favourable monsoon forecasts, better kharif sowing and healthy reservoir levels are expected to boost agricultural output and stabilise inflation further.

⁸Ministry of Statistics and Program Implementation (MOSPI) release, May 30, 2025

⁹Press Information Bureau, January 31, 2025

Despite external challenges, India's macroeconomic fundamentals remain strong. Government infrastructure spending and a robust services sector continue to underpin economic stability, positioning India favourably compared to other major economies.

Rural sector rebounds after a period of softness

India's rural economy rebounded in FY 2024-25, with agricultural growth estimated at 4.6 per cent., up from 2.7 per cent.¹⁰, in previous year, and is expected to exhibit similar growth in the coming year, aided by above-average monsoon forecasts and increased rural spending. Rural consumption has recovered from the Covid shock and is likely to stay resilient due to wage growth and subsequently the rising demand. Rural wage growth, adjusted for inflation, is at its highest in the past few years. Being the largest contributor to the overall consumption, rural sector continues to play pivotal role in India's economic growth story.

Consumption and investments remained steady

India's economy has maintained steady consumption and investment levels in FY 2024-25, as estimated during the year showing economic resiliency. Private final consumption expenditure accounts for 56.5 per cent. of GDP, while gross fixed capital formation contributes 33.7 per cent.¹¹, reflecting robust domestic demand and investment activity. Additionally, the Government's capital expenditure is set at a record ₹11.21 lakh crore¹², for FY 2025-26, underscoring a strong commitment to consumption growth and infrastructure development.

B. Indian Banking Sector: Key Developments

Indian Banking Sector: Robust and healthy

During FY 2024-25, deposits grew at 10.7 percent. year-on-year, tad behind the credit offtake which grew at 11 per cent. The gap between yearly growth of credit and deposits in a financial year narrowed down from approx. 340 bps in FY 2023-24 to 30 bps in FY 2024-25. Consequently, the credit-to-deposit ('CD') ratio remained elevated above 80 per cent. from 79.7 per cent. in the previous year for all Scheduled Commercial Banks ('SCB')¹³.

Overall credit growth decelerated in FY 2024-25 as compared to the previous year. The growth drivers in the credit changed from previous year with loans to medium industries growing at the highest rate, followed by micro & small¹⁴:

- a. Personal Loans (Retail Loans incl. Housing Loans) growth decelerated to 14.0 per cent. in the FY 2024-25 from 17.6 per cent. in the previous financial year, due to concerns of over-leveraging in unsecured lending i.e. Other Personal Loans, Credit Cards, Education Loans and Consumer Durables. On the other hand, growth in secured personals loans i.e., Housing and Gold Loans remained robust at 15.3 per cent. and 103.5 per cent., respectively against 17.1 per cent. and 14.8 per cent., respectively in the previous year.
- b. Credit growth to services sector fell to 13.4 per cent. in FY 2024-25 from 20.8 per cent. in the previous year, due to drag in the credit to Commercial Real Estates, NBFCs and Aviation.
- c. Credit to Agriculture and allied activities halved in the FY 2024-25 from previous year.
- d. Industry credit growth remained consistent at 8.0 per cent., in FY 2024-25. Credit growth to micro and small industries decelerated to 9.0 per cent. while credit to medium industries accelerated to 18.6 per cent. and remained at constant level for large industries at 6.2 per cent.

Sector	Growth (year-on-year)	
	FY24-25	FY23-24
Agriculture & allied activities	10.4%	20.0%
Industries	8.0%	8.0%
I. Micro and Small	9.0%	14.7%
II. Medium	18.6%	13.3%
III. Large	6.2%	6.4%
Services	13.4%	20.8%

- e. As per the Financial Stability Report ('FSR') of RBI (June 2025), Gross Non-Performing Asset ('GNPA') ratio of SCBs fell to a twelve-year low of 2.3 per cent. in March 2025 whereas the Net Non-Performing Assets ('NNPA') improved to 0.5 per cent.
- f. The Liquidity Coverage Ratio ('LCR') was comfortably at 132.6 per cent. as on March 2025 above minimum requirement of 100 per cent. across bank groups. It was the highest among foreign banks followed by public sector banks and private banks.

¹²Indian Budget 2025

¹³Financial Stability Report (June 2025)

¹⁴RBI Sectoral Deployment of Bank Credit – April 2025

- g. Profit after tax ('PAT') of SCBs increased by 16.9 per cent. year-on-year in FY 2024-25. Public sector banks showed highest jump in PAT of 31.8 per cent. year-on-year followed by private banks at 9.2 per cent.

Potential threats

Cybersecurity and Digital Fraud – The cybersecurity threats are evolving, driven by rapid technological change and increasing sophistication of the participants. Simple phishing attacks are now evolving into highly coordinated attacks involving deepfakes and AI, among others. At the same time, the growing sophistication of AI-driven fraud and cyberattacks exposes vulnerabilities in banks' traditional security frameworks. The targets broadened from only customers previously to also include banking infrastructure and digital channels now, leading to financial and reputational risks. Banks, thus need to invest in advanced security measures and collaborate with regulatory bodies to strengthen their cyber defences and protect against these evolving threats.

Credit Risk and Household Debt – The surge in unsecured lending and the delinquencies in the segment raised concerns about borrowers' repayment capacities. RBI's intervention to increase the risk weight of the unsecured loans hints at the wider concern. Banks need to closely monitor credit risk and implement stricter lending criteria to mitigate potential defaults and maintain financial stability within the sector.

Disruptive Technologies – The rapid evolution of AI and Machine Learning ('ML') is fundamentally altering the financial services landscape, posing a significant threat to traditional banking. These technologies enable new entrants—often leaner, digital-native, and more agile—to deliver financial products with unprecedented speed, personalisation, and efficiency. As customer expectations shift towards real-time, intuitive services, conventional banks risk falling behind due to legacy infrastructure, rigid processes, and slower innovation cycles. Traditional banks need to adapt quickly and redefine their role in a tech-first financial environment to avoid the risk of losing control.

Climate Risks – Events related to climate change are no longer isolated. Rather, they have increasingly become a systemic threat to the stability and resiliency of the banking industry. These pose threat to the borrowers' credit worthiness, which puts pressure on banks' asset quality and provisioning norms. Banks with high exposure to carbon-intensive

industries may suffer from loss of asset value and credit related challenges. Additionally, regulatory push towards climate-related financial disclosures and ESG integration may add to the operational cost for banks in the near term. It is thus imperative for banks to integrate climate resilience into their strategy, underwriting, and governance practices to maintain sustainable business operations.

Absence of Diversity Equity and Inclusion (DEI) initiatives – The banking sector, while showing progress in DEI initiatives, still lags in equitable representation of communities and genders. Lack of diversity may result in homogeneous decision-making, limiting the industry's ability to innovate and respond effectively to rapidly evolving business environment. Failure to do so could result in a loss of competitive advantage, talent attrition, and diminished trust among increasingly socially conscious consumers.

C. Strategy

Your Bank has been undergoing a significant transformation over the last few years to position itself as a diversified, digitally advanced and customer-centric financial institution. Over the last decade of service, your Bank has built a strong foundation of trust, resilience and customer-centric growth. Looking ahead, it's committed to expand its reach both – in geography and in relationships. Your Bank aims to bring more individuals, businesses and communities in its fold while strengthening its presence across the country. It remains relentlessly focused on identifying growth opportunities and aims to achieve the same by increasing its share of business from non-eastern geographies, and enhancing its presence and outreach capabilities through its branches and ATMs. Your Bank aims to improve its presence among Metro and Urban population groups, notwithstanding its continued focus on rural and semi-urban areas.

Your Bank is poised well to scale up its businesses with strong emphasis on strengthening its internal capabilities, especially in terms of risk management and governance. It has further enhanced its credit appraisal and recovery mechanisms to improve its loan book resilience and repayment discipline. Simultaneously, your Bank remains committed to best-in-class compliance and governance practices that form the core of its risk management strategy.

Your Bank is embracing digital transformation to redefine the customer experience and enhance operational efficiency. It has been focusing on upgrading its digital infrastructure, integrating advanced technologies such as artificial intelligence and machine learning, and streamlining customer

journeys across platforms. Setting up of two new functions – Digital and Transaction Excellence Unit (DTEU) and Customer Experience (CX) is testimonial to our unwavering focus. By leveraging advanced digital technologies, your Bank continues to align its services with the evolving preferences of digitally inclined and next-generation customers.

Your Bank also recognises that a skilled and motivated workforce is essential for executing its ambitious plans. To this end, it is investing in training, leadership development, and employee engagement initiatives. These programs are designed to cultivate a high-performance culture, a more productive workforce that aligns with your Bank's broader strategic goals and fosters a sense of ownership and accountability among all the employees.

Your Bank's performance is truly aligned to its defined strategy of quality, stability and diversification, across its business franchise. Your Bank is implementing systemic and systematic overhaul across people, process and technology, to further the Bandhan 2.0 journey. Your Bank has taken giant leaps in the business since inception and is focused at scaling it further in a rapid and sustainable manner through vertical and horizontal expansions.

Beyond banking, your Bank has consistently demonstrated a strong commitment to socio-developmental programs through its CSR initiative – Empower. These initiatives are designed to address various aspects of community development, including education, health, livelihood promotion, sustainable development, climate action, financial literacy, skill enhancement, and job creation. Your Bank is committed to contribute to the society through various targeted interventions in a strategic manner.

Your Bank's forward-looking strategy represents a thoughtful blend of modernisation and mission continuity. While it embraces innovation and diversification to stay competitive, it also remains committed to its founding principles of inclusive finance. Through strategic investments in digital technology, geographic outreach, risk governance and human capital, your Bank is preparing itself for a future defined by resilience, agility, and long-term value creation.

Business Responsibility & Sustainability Report (BRSR)-FY 2024-25

Message from the MD&CEO on Sustainability

Dear Shareholders,

It is with great pride and purpose that we are presenting the third edition of your Bank's Business Responsibility and Sustainability Report (BRSR) for the Financial Year 2024-25. This report reaffirms our ongoing commitment to driving long-term value creation for all stakeholders through ethical governance, inclusive growth, and sustainable environmental management. Since inception, your Bank has remained rooted in its mission of delivering innovative, inclusive, and customer-centric banking solutions.

Your Bank's performance during the year reflects the strength of its sustainable and balanced growth strategy, supported by robust governance, prudent risk management, and the continued trust of its stakeholders. The total deposits stood at ₹1.51 Lakh crore, with over 12 percent YoY growth whereas, advances (Net) reached 1.37 Lakh crore, with over 10 percent YoY growth.

As environmental and social challenges intensify globally, we believe that while adherence to regulatory requirements is essential, businesses must also actively foster meaningful change beyond compliance. Your Bank has taken significant steps to reduce its ecological footprint while embracing a future-ready, digital-first banking model.

Leveraging advanced technologies such as Artificial Intelligence (AI), Machine Learning (ML), and Data Analytics, your Bank is designing products and services that respond to the evolving needs of customers. To institutionalise this transformation, a dedicated Transformation Management Team has been established to drive innovation and efficiency. In parallel, the Digital & Transaction Excellence Unit is focused on enhancing transaction banking and elevating the overall digital experience.

Through sustained digitalisation, we have significantly reduced paper usage, improved energy efficiency, and minimised operational waste. This strategic shift is reflected in key achievements—93% of savings accounts were opened digitally, 98% of retail transactions were conducted through digital platforms, and digital deposit volumes grew by 99% year-on-year. These milestones represent a decisive move toward a low-carbon, tech-enabled operating model and contribute meaningfully to India's net-zero ambitions.

Beyond internal efficiencies, we have implemented on-ground environmental initiatives to promote ecosystem regeneration and climate resilience. To date, we have planted over 4.34 lakh saplings and constructed 72 water harvesting structures. These initiatives have led to the sequestration of CO₂ and rainwater harvesting that partially offsets the carbon footprint and water consumption of your Bank.

In line with our commitment to clean energy, climate resilience, and rural empowerment, the Bank has implemented targeted solar initiatives that deliver tangible environmental and socio-economic benefits. Your Bank installed high-mast solar lighting systems in Pandharpur and provided solar-powered irrigation pumps equipped with drip systems to tribal farmers in Gujarat. These interventions have not only strengthened rural infrastructure and improved agricultural productivity but also achieved a remarkable 90%+ reduction in water usage. These efforts are focused on promoting decentralised renewable energy solutions in underserved and energy-deficient geographies, helping bridge infrastructure gaps while fostering community resilience.

We recognise that responsible capital allocation is a powerful lever for sustainable development. As part of our commitment to aligning our portfolio with global climate targets, we have adopted a disciplined approach to managing financed emissions. Our credit exposure to carbon-intensive sectors such as mining, petroleum, and coal has been consciously limited to just 0.12%. Simultaneously, we are promoting the clean energy transition by allocating 4% of our outstanding credit portfolio to renewable energy projects, predominantly solar. This strategy of divesting from carbon-heavy industries while scaling up investments in green energy not only aligns our portfolio with evolving regulatory expectations and climate commitments but also strengthens our resilience against long-term environmental and reputational risks. These choices reflect a risk-aware financing strategy that supports India's green growth agenda while safeguarding our portfolio against climate-related risks.

Guided by the principle of "Aapka Bhala, Sabki Bhalai," your Bank remains deeply committed to the collective well-being of its stakeholders and the broader mission of social upliftment across India. With a customer base of 31.6 million and a network of 6,309 banking outlets, predominantly in underserved semi-urban and rural areas, Bandhan Bank is a leader in driving financial inclusion at scale. Through our flagship women-centric group loan model (EEB), we serve 13.2 million active women customers, who account for 26.2% of our overall portfolio—the highest proportion among Indian banks.

Our CSR programmes are designed to deliver holistic and measurable impact. In FY 2024-25, these initiatives reached 25.81 lakh families through strategic interventions in health, education, skill development, financial literacy, business incubation, and climate action, all mapped to the United Nations Sustainable Development Goals (UN SDGs).

Notably, 2.0 million women benefited from our community initiatives this year—1.3 million through healthcare services and 0.6 million through financial literacy programmes.

A signature programme, Targeting the Hard-core Poor (THP), enabled the upliftment of 52,932 ultra-poor, women-led households, empowering them to achieve economic self-reliance. Additionally, we supported over 2,000 farmers in adopting climate-smart agriculture, strengthening their adaptive capacity against climate variability. To nurture India's future workforce, we provided free supplementary education to more than 0.1 million children and delivered skill training to over 19,000 youth, 68% of whom secured employment across diverse sectors.

Internally, our Diversity, Equity, and Inclusion (DEI) Policy continues to foster a workplace culture anchored in fairness, opportunity, and representation. We remain committed to building an inclusive organisation that reflects the diverse communities we serve.

Governance continues to be at the heart of your Bank's operations. Since inception, your Bank has upheld the highest standards of corporate governance, led by a Board comprising a majority of Independent Directors and a clear demarcation of responsibilities between the Non-Executive Chairman and the Managing Director & CEO. This structure ensures effective checks and balances, independent oversight, and strategic accountability.

Our governance framework is anchored in a strong risk management architecture, well-defined compliance protocols, and a zero-tolerance stance toward unethical practices. Under the leadership of your Bank's core management team, our 75,032 employees remain dedicated to upholding the highest standards of integrity and accountability, delivering banking services through a balanced "High-tech and High-touch" approach.

Warm regards,

Partha Pratim Sengupta

Managing Director & Chief Executive Officer

(DIN: 08273324)

In an increasingly digital financial environment, we are investing significantly in cybersecurity infrastructure and digital risk mitigation systems. Guided by a clear roadmap that embeds risk management and compliance into every facet of our operations, we remain optimistic about unlocking greater value for all our stakeholders.

Transparency and stakeholder engagement are integral to our ethos. We communicate proactively through multiple channels and ensure compliance with all disclosure norms. Our ESG practices are codified in a comprehensive compendium of Board-approved BRSR policies, which guide our conduct across all verticals and geographies.

The Bank's performance in FY 2024-25 reflects the strength of its integrated sustainability strategy. Total deposits rose by over 12% to ₹1.51 lakh crore, while net advances grew by over 10% to ₹1.37 lakh crore. These figures validate the trust placed in us by millions of customers, investors, and partners—and reaffirm our ability to grow responsibly and sustainably.

As we look to the future, Bandhan Bank remains resolute in its commitment to delivering financial services that are not only inclusive and innovative but also aligned with the imperatives of sustainability and social good. Our leadership is dedicated to responsible growth, promoting environmental responsibility, and empowering communities. Our strategic focus on green financing, clean energy, and social upliftment reflects our long-term vision of driving India's transformation into a resilient, equitable, and climate-conscious economy. With the continued trust and support of our stakeholders, we will remain steadfast in our mission to create lasting value, foster inclusive prosperity, and contribute meaningfully to a sustainable future.

We thank all our stakeholders for their unwavering trust and partnership. Together, we will continue to chart a path of responsible growth and shared prosperity.

26. Overview of the entity's material responsible business conduct issues:

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk, along with its financial implications, as per the following format:

Materiality assessment is the process of determining topics (issues) that can impact economic, environmental, social and governance attributes in banking operations. It has the potential to influence the decisions of stakeholders, who are willing to partner like customers, shareholders, lenders and investors. The preliminary step in materiality assessment is to identify and consult with the right set of stakeholders (or representatives) who can provide useful insights. The materiality assessment process includes –

- a) Identification of sector-specific material topics:** The process involves identifying relevant peer companies across the banking sector and mapping standards like the Global Reporting Initiative ('GRI'), United Nations Sustainable Development Goals ('UN SDGs'), International Integrated Reporting Council ('IIRC') requirements, to understand the appropriate material topics.
- b) Identification of external stakeholders:** The Bank assesses the impact of its banking operations on its investors, customers, employees, community, regulatory bodies, value chain partners, media, civil and societies to evaluate ways to further improve stakeholder value creation.
- c) External stakeholder consultation:** The Bank liaisons with external stakeholders and seeks their perception and comments on the identified material topics. Such material topics are further prioritised basis of the importance they hold to each stakeholder group and their feedback.
- d) Prioritisation of material topics relevant to the Bank:** External stakeholder responses are first assessed and collated. The collated material topics are categorised into low, medium and high categories and finally, the materiality map is finalised post consultation with the decision-making committee and senior leadership team.

The Bank remains committed to implementing relevant policies to ensure responsible banking conduct and undertake required sustainability initiatives. Based on the prioritised material topics, the Bank has identified relevant risks and opportunities that are mentioned below. This report includes information, which is material to all stakeholders of the Bank, and it presents an overview of the Bank's businesses and associated activities. The Bank discloses matters that substantially impact or affect the Bank's ability to create value. To ensure effective mitigation of identified risks, the Bank carries out a materiality analysis, to identify topics material to the Bank and its stakeholders. The sensitivity of an issue to stakeholders and the Bank, in terms of importance, forms the basis of the materiality analysis, which in turn guides the processes for identifying, managing, and devising specific action plans for addressing these material aspects. Every material topic is taken into account, and the Bank has policies and procedures in place to address these topics in order to create sustainable growth and long-term value.

Sl. No.	Material issue Identified	Indicate whether risk or opportunity	Rationale for identifying the risk/opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1.	Climate Change-Related Risks	Risk	- Climate-related risks refer to the potential risks that may arise from climate change or from efforts to mitigate climate change, its impact and the economic and financial consequences. - It can impact the financial sector through two broad channels - physical risks and transition risks. Physical Risk: The physical impacts from climate change will feed through to an economy in various ways, including damages to physical assets through extreme weather, reduced agricultural productivity, heat-related health and medical issues, and loss of biodiversity. Transition Risk: It refers to the risks arising from the process of adjustment towards a low-carbon economy. A range of factors influences this adjustment, including changes in climate-related policies and regulations, the emergence of newer technologies, shifting sentiments and behaviour of customers. The process of transition, i.e., reducing carbon emissions may have a significant impact on the economy. - The uncertainty about the timing and severity of climate-related risks like physical risk and transition risk threatens the safety, soundness and resilience of regulated entities (REs) and in turn, it affects the overall stability of the financial system. - Financial, reputational, regulatory and market risk implications are becoming increasingly prominent with increased threats of climate change such as but not limited to floods, droughts, erratic rainfall, supply chain disruptions, change in market perception and shift towards more environmentally friendly products and services.	- The Bank has a robust governance structure to develop climate-related risk mitigation strategies, ensure effective implementation of the identified levers and monitor performance against such risks at regular intervals. - The Bank ensures that climate-related risks like floods, cyclones and external rating impact on industries with CO₂ emissions are properly reflected in the Bank's short-term and long-term capital planning under the Internal Capital Adequacy Assessment Process (ICAAP)* through stress testing and impact analysis. <i>*(ICAAP under BASEL accord – a mechanism to ensure the institution's strategic focus, business plan and internal procedures for ensuring adequate possession of long-term capital resources to cover all material risks.)</i> - The Bank is deliberating to embark on a journey of advocating sustainability in its value chain, such as assessment of the GHG emission footprint of its lending portfolio, lender's customer targets and commitments on ESG resource optimisation, evaluating the quantum of collateral positioned in high-risk flood/drought-prone areas, checking green building certifications of real estate portfolios, social inclusivity of corporates, SME & MSME customers. - Within its operation, the Bank is considering greening the branches and data centres, eliminating the use of paper in the operations, introducing the option of e-receipts on registered mobile numbers at their ATMs, evaluating options of switching over to renewable energy for sourcing power gradually and future-proofing operations against regulatory requirements.	- Negative financial implications: - Financial/Credit risk: Rising frequency and severity of extreme weather events can impair the value of assets held by the Banks' customers, or impact supply chains affecting customers' operations and profitability and leading to higher loan defaults and NPAs. - Market risk: Increased volatility in investments because of shifts in investor preferences or climate-induced adverse effects might lead to a decline in lending portfolio valuation. - Reputational risk: Failure to address the challenging climate change vulnerabilities will affect stakeholders' trust resulting in loss of customer base.

2.	Employee Engagement	Opportunity	- People transformation is one of the agenda for the Bank's Vision. People are at the forefront of customer interactions and the strongest brand ambassadors on the ground. - The Bank's Human Resources (HR) policies and practices are designed to empower people and provide them with an environment where they can deliver their best every day. - Building an innovative work environment to foster employee well-being, enhance relationships and sustain long-term productivity by providing work-life balance, better career progression, healthy & safe working environment and aim towards becoming an appealing employer.	-	Positive financial implication: Employee welfare initiatives might lead to higher talent retention, improve the Bank's brand image and impact the performance of the employees. Our human resources management strategy is centered on creating a supportive, interesting, and collaborative workplace while continuing to be customer-centric, performance-driven, and future-ready. The Bank has received the 'Gallup Exceptional Workplace Award' in recognition of its efforts in the area of employee engagement. The Bank ranks among the most prestigious companies that are genuinely altering how people perceive work and life as award winners.
3.	Customer Value	Opportunity	- Customer-Centric Approach: We prioritise a customer-first strategy, designing each service and process to build meaningful relationships that go beyond simple transactions. Our focus is on enhancing customer engagement, fostering loyalty, and improving retention through personalised experiences. - Building a Strong Financial Foundation: We are dedicated to developing a solid financial framework that helps our customers achieve their financial objectives. By offering tailored products and solutions, we aim to address their financial concerns and guide them toward sustained progress and success.	Approach to adapt or mitigate is provided in case of risk only. Hence, not applicable.	Positive financial implication: A delightful customer experience shall improve customer retention which shall lead to business advancement. This shall also enhance our brand value and bring in a positive word of mouth marketing from the existing satisfied customers.

5.	Human Rights	Opportunity	- The Bank plays a vital role in building the economy, as it has substantial leverage over a range of sectors and business activities. - The Bank advocates for safeguarding the fundamental human rights of its people and works towards developing a diverse workforce.	-	Positive financial implication: Protecting human rights across the value chain is an affirmative action, it creates a competitive advantage and enhances brand reputation.
6.	Regulatory & Statutory Compliance	Risk	- Financial institutions face expanding regulatory and reporting requirements to ensure transparency in their operations for building stakeholder confidence and benchmarking themselves against the best practices in Corporate Governance. - With growing footprint, there is a risk of unintended slippages resulting in non-compliance.	- The Bank has a robust due diligence mechanism for monitoring transactions, performing customer background checks and evaluating all lending decisions for tackling litigation matters timely. - Similarly, the Bank's processes, policies, procedures, systems and tools ensure that in case any regulatory non-compliance arises in its operations, they are mitigated promptly and thereby promote a healthy compliance culture. - The Bank also obliges with all statutory reporting requirements.	Negative financial implication: Failure to comply with regulatory laws may result in substantial fines, penalties and cause damage to the Bank's reputation.
7.	Business Ethics & Governance	Risk	Corporate conduct and ethical practices are central to safeguard the reputation and business success of financial institutions.	- By adopting a strong ethical culture, the Bank maintains its reputation as a trusted financial institution. - Effective governance practices help in minimising its exposure to business and ethics-related risks like fund embezzlement, insider trading and money laundering. The Bank has robust compliance mechanisms and controls, to monitor its performance diligently and periodically.	Negative financial implication: - The Bank may incur legal expense resulting from breach of maintaining ethical and governance standards. - Customer preference might be influenced if they perceive that the Bank is not governed effectively, leading to reduced business scope. - Failure to conduct proper customer due diligence may result in higher fraud funding and greater loan defaults.

Sl. No.	Material issue Identified	Indicate whether risk or opportunity	Rationale for identifying the risk/opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
8.	Risk & Crisis Management	Risk	Integration of ESG risks in banking operations is a must for building resilient organisations. These risks are increasingly becoming uncertain and volatile.	- Physical risk is assessed considering scenarios like 'Impact Study of Cyclones Leading to Business Disruption in Micro Banking in Coastal Areas', 'Impact study of River Floods leading to Business Disruption in Micro Banking', 'Impact study of rating downgrade of companies falling under industries with High CO₂ emission for commercial banking portfolio' and 'Impact study of unfavourable climate condition on agricultural districts'. - Transition risk is also assessed by way of an impact study on business disruption in agricultural districts for the EEB segment, and incorporation of the Pollution Index (PI) score in Credit Proposal Vetting and Industry Outlook framework for the commercial banking segment.	Negative financial implication: The absence of proactive crisis management practices might lead to unanticipated losses on account of market disruptions, policy changes, and data service disruptions.
9.	Data Privacy & Digitalisation	Risk	Owing to regulatory requirements, the Bank must comply with data protection and privacy regulations to ensure that customer data is kept secured and confidential to avoid any penal measures such as fines, and penalties.	- The Bank ensures implementation of robust cybersecurity measures and data protection policies and procedures to prevent data breaches, cybercrimes and provides guaranteed confidentiality of customer information. - The Bank ensures that customers' data is treated sensitively & sensibly across the entire value chain of its business. The Bank ensures that the customer data used for various assessment processes follow the required regulatory guidelines.	Negative financial implication: Failure to ensure the protection of customer data, and prevention of cyber-attacks can result in reputational damage, regulatory action, loss of business and incur legal liability.

Sl. No.	Material issue Identified	Indicate whether risk or opportunity	Rationale for identifying the risk/opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
10.	Financial Inclusion	Opportunity	- Financial inclusion and serving the underserved is a hallmark of the Bank. In terms of its banking operations and customer base, the Bank is highly invested in addressing financial inclusion. - The Bank's unique high-tech and high-touch approach enables much deeper last-mile doorstep delivery of banking services. - The Bank recognises the initiatives taken by the government to fulfil the financial inclusion drive and has allied itself with various government schemes to achieve the goals of financial inclusion.	- The Bank has customised several products and services catering to underserved sections across all income groups, including a wide range of micro and retail loans and deposit products that are flexible and delivered at the doorstep even to customers that are in rural and remote areas. - The Bank has immense potential to expand its banking operation across the country and has been diversifying its operations to non-east states. - More than 75 per cent. (25.3 million) of the customers are EEB customers. The Bank has more than 70 per cent. of its banking outlets in rural and semi-urban areas, which is in alignment with the Bank's vision of catering for the underbanked. - Affordable housing is another hallmark that provides micro-home loan solutions to underbanked customers. - The Bank has promoted various government schemes related to the agri sector, social security schemes, etc. - The Bank actively supports small businesses, artists, farmers, women groups and underprivileged sections for holistic development and helps create employment and livelihood opportunities.	Positive financial implication: Providing innovative financial products to individuals and businesses to those who are currently excluded from the traditional banking system will provide deeper market penetration and will unleash the Bank's true growth potential.

Link: - <https://bandhanbank.com/sites/default/files/2023-01/Business-Responsibility-and-Sustainability-Reporting-policy-210123.pdf>

The Bank has an anti-bribery and anti-corruption policy embedded in the Code of Conduct section of the HR Policy and is also available on the website as part of the Compendium of BRSR Policies. Every new joinee signed the hard copy and also digitally in the HRMS portal for the first time use. Subsequently, every year in the month of April, all employees including KMP and senior management digitally undertake the annual code of conduct declaration, containing the anti-bribery and anti-corruption provisions of the Bank.

Additionally, the Bank has a Vigilance Policy and Whistleblower Policy, which aim to effectively implement systems and procedures to prevent corruption, serving as a deterrent for any wrongdoing. The Bank has established a two-tier system, viz., (i) the Chief of Internal Vigilance ('CIV') and (ii) the Disciplinary Committee which bears the responsibility of (a) investigating any alleged or proven misconduct by an employee and (b) taking necessary punitive actions, respectively.

The Bank is extremely strict in taking measures against wrongdoings, misconduct and cases of bribery and corruption, adhering to its zero-tolerance practice. Furthermore, the CIV takes measures to prevent bribery by conducting periodic reviews and checks on high-value purchases made by the Bank, scrutinising assets held or declared by senior management and employees and probing into any reported cases of conflicts of interest involving employees. These measures ensure 100% compliance from all employees, as the Bank strives towards zero cases of non-compliance. The CIV apprises the MD&CEO about the monthly vigilance activities and submits the report to the Audit Committee of the Board.

5. Number of Directors/KMPs/employees/workers against whom disciplinary action was taken by any law enforcement agency for the charges of bribery/corruption:

Note:

1. In the absence of any definition in the prescribed BRSR format in the SEBI Circular, the Bank has interpreted, a trading house as an entity that acts as an intermediary that facilitates trade between countries, i.e., linking a home country's buyers and sellers with other foreign country's buyers and sellers. Therefore, given the nature of the Bank's operation, there were no sales or purchases done that involved any trading house.
2. The Bank does not appoint any dealers or distributors to provide its products and services to customers. All the customers are direct customers of the Bank. Therefore, there was nil sales to any dealers or distributors.
3. The Bank is a service-oriented company and is not involved in any purchases or sales in its operations. Therefore, there are nil purchases from related parties. However, certain services including rent, accommodation/venue charges for the training of employees and interest paid are provided in the related party transaction schedule of the financial statement of the Bank.
4. There is nil investment in any related parties. The Bank has, as per its Policy, extended housing loans to KMPs, the percentage of which is derived on the closing balance of the outstanding loan at the end of the FY. Further details regarding related party transactions are provided in the schedule of the Financial Statement for FY 2025.

LEADERSHIP INDICATORS**1. Awareness programmes conducted for value chain partners on any of the Principles during the financial year.**

The Bank has undertaken various training and awareness programmes for value chain partners including call centre and direct sales agents partners that are related to principle 1, 2, 3, 5 and 6.

The Bank also undertakes awareness workshop on customer relations, financial literacy, digital banking and prevention of online frauds, which is detailed in relevant section of Principle 9 of this report.

2. Does the entity have processes in place to avoid/manage conflict of interests involving members of the Board? (Yes/No) If yes, provide details of the same.

Yes.

The Code of Conduct for the Board of Directors of the Bank is laid down with an aim to ensure transparency and high ethical standards in managing the affairs and operations. At the time of appointment and any time during tenure, the Board members have to disclose any actual/potential conflict of interest, if any, whenever such situation arises. Non-disclosure of conflict of interest by any Board member would be treated as a non-compliance.

During the year under review, the Bank has not entered into any materially significant transactions with its Directors or Relatives of the Directors, which could lead to a potential conflict of interest between the Bank and these parties, other than transactions entered into the ordinary course of its business.

All the members of the Board of Directors of the Bank have affirmed compliance with the said Codes as applicable to them.

**PRINCIPLE 2: Businesses should provide goods and services in a manner that is sustainable and safe****ESSENTIAL INDICATORS**

1. **Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of products and processes to total R&D and capex investments made by the entity, respectively.**

	FY 2024-25	FY 2023-24	Details of improvements in environmental and social impacts
R&D	NA	NA	-
Capex	NA	NA	The Bank is a service provider and a regulated entity and operates as per the Banking Regulations. Therefore, the scope of Capex to improve the environmental and social impacts of products and processes is not material to the Bank. However, the Bank has taken several environmental and social initiatives, as mentioned below. Environmental – The Bank has transitioned effectively into a digital banking ecosystem. This has helped the Bank in reducing its usage of paper across its branches and operations. The Bank has also invested in various innovative technologies and IT transformations across all its branches. The energy-efficient lighting system and water-saving technology have led to a reduction in power and water usage. The seamless transactions through mobile and net banking have led to a reduction in commuting time to the branches, thereby considerably reducing vehicular emissions and costs from commutation and energy consumption. Social – The Bank has established EEB banking units catering to the underbanked rural and semi-urban areas leading to greater financial inclusion in the remote areas. The Bank has brought banking to the doorsteps of marginalised and economically backward communities through these Business Units. The Bank has taken several initiatives of financial literacy and financial empowerment amongst vulnerable groups such as rural housewives, and women entrepreneurs, ensuring inclusivity and ease of access for all sections of society, to banking services. During the pandemic and post-pandemic restrictions, many of the customers of your Bank lost their livelihoods, which made them financially vulnerable. To strengthen the customers, your Bank came up with products specifically designed for these situations and ensured that the customers get the maximum financial assistance during the toughest time in their lives. To overcome digital-based challenges, the Bank is providing training to enhance customer awareness of the benefits of digital payments and various other aspects, such as seeding bank accounts with mobile numbers and Aadhaar. The Bank scaled up the first of its kind 'Android PoS', a testament to the commitment to providing innovative and customer-centric solutions to merchants and promoting digital payments in remote areas.

2. **Does the entity have procedures in place for sustainable sourcing? (Yes/No)**

Owing to the nature of the banking products and services offered, sustainable sourcing may not be a significant material topic for the Bank. However, the Bank endeavours to integrate sustainability in the supply chain(s) for its products and services across its operations. Wherever feasible, the Bank tries to incorporate sustainable sourcing in its operations. For procurement of equipment, the Bank ensures that energy efficiency standards are considered during the purchase of electronic equipment such as computers, laptops, lighting devices, ACs amongst others.

The Bank's supply chain includes outsourced agencies, third-party service providers, transporters, suppliers of materials and capital goods, franchisees, dealers and distributors. The Bank recognises the need to work closely with the suppliers to reduce waste, improve efficiency, reduce carbon footprint and continuously work towards ensuring greater integration of environmental factors in its procurement practices.

In line with the Bank's sustainability commitment, it has prioritised several key actions, as mentioned below:

Partnering for Good: The Bank actively seeks suppliers who demonstrate ethical labour practices, environmental responsibility, and high-quality standards. Transparency and minimising environmental impact are key factors in supplier selection.

Sustainable Procurement Policies: Formalised procurement policies guide sourcing decisions, ensuring suppliers align with the Bank's values of environmental and social accountability.

Minimising Environmental Footprint: The Bank is mindful of the environmental impact of its procurement activities. We actively work to reduce waste, promote energy efficiency, and encourage the use of renewable resources throughout their operations and supply chain.

Social Impact: Beyond environmental considerations, the Bank prioritises social impact. We choose suppliers who uphold human rights, provide safe working conditions, and contribute positively to their communities.

Continuous Improvement: The Bank remains dedicated to ongoing improvement in its sustainable sourcing practices. Regular reviews and updates to procurement policies ensure they incorporate emerging sustainability trends and best practices.

3. Describe the processes in place to safely reclaim your products for reusing, recycling, and disposing at the end of life, for:

- (a) Plastics (including packaging),**
- (b) E-waste,**
- (c) Hazardous waste, and**
- (d) Other waste.**

The Bank does not have physical product offerings in its normal course of operations. Therefore, there is an insignificant footprint of waste generation for the reclamation for reusing and recycling of such wastes.

- a) Plastics – The plastic usage in the products is minimal, hence, reclamation of plastics is not applicable. However, in its day-to-day usage, there are plastic usage recycling bins for designated plastics like water bottles and other plastic containers. These are collected by a recycling service and processed according to local regulations.
- b) E-waste - E-waste generated from the banking operations across all offices and branches is responsibly disposed of by third-party service providers.
- c) Hazardous Waste – Owing to the nature of the operations as a banking facility, there isn't much scope for the generation of hazardous waste from the Bank's branches and offices that are owned and controlled by third parties.
- d) Other Waste – Paper waste is disposed of for recycling by third-party service providers.

4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.

No. As the Bank does not have any physical product offering or has any major plastics usage in its products and services, the Bank does not qualify for any EPR obligation.

3. Accessibility of workplaces: Are the premises/offices accessible to differently-abled employees and workers as per the requirements of the Rights of Persons with Disabilities Act, 2016? If not, whether any steps are being taken by the entity in this regard.

Yes, the Bank has developed a dedicated policy on Human Rights as part of the commitment to BRSR Principle 5 and ensures non-discrimination and fair treatment for all its employees. The Bank's branches and offices have appropriate systems and processes in place to ensure compliance with the policy and statutory provisions.

As per RBI circulars DBOD. No. Leg BC. 91 /09.07.005/2007-08 dated June 04, 2008; DBOD.No.Leg. BC.123/09.07.005/2008-09 dated April 13, 2009, DBOD.No.Leg.BC.38 /09.07.005/2012-13 dated September 05, 2012, DBOD.No.Leg.BC.113 09.07.005/ 2013-14 dated May 21, 2014 and DBR.No.Leg.BC.96/09.07.005/2017-18 dated November 09, 2017 all banking services are being provided to persons with disabilities.

Bandhan Bank is committed to providing all its services to Differently Abled Customers without Discrimination. The RBI guidelines have been upheld by the internal circular number - RB/PSNs/CIR/4153. These circulars uphold the Bank's commitment to offer all its banking services and products to Differently Abled Customers without discrimination.

The Bank's websites, net banking and mobile banking are compliant with Web Content Accessibility Guidelines (WCAG).

The Bank has accessible ATMs set up as per the 'IBA Standards on Accessible ATM'. Details about talking ATM locations can be seen here.

In case of a differently abled customer facing any difficulty in receiving any services of the Bank, please write to pno@bandhanbank.com or call us at 033-66090909 for redressal. The details are available on the Bank's website: <https://bandhanbank.com/services-for-differently-abled-customer>

For the employees and the customers, the Bank has taken several measures to create an inclusive environment such as installing ramps, signage and elevators for ease of movement of people with locomotive disability. The Bank ensures that doorways and corridors are wide enough for wheelchair users. Additionally, we have made the restrooms, workstations, and common areas accessible and equipped with the necessary accommodations. The Bank is also committed to promoting digital accessibility where information and communication technology is accessible to all and/or compatible with assistive technology devices.

4. Does the entity have an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016? If so, provide a web-link to the policy.

Yes, the Bank has an equal opportunity statement in its HR policy and the extract of the same is also available in the Compendium of BRSR policies under Principle 5.

Web-link: <https://bandhanbank.com/sites/default/files/2023-01/Business-Responsibility-and-Sustainability-Reporting-policy-210123.pdf>

The Bank believes that promoting equal opportunity in the workplace based on merit and ability can create an environment conducive to higher engagement and productivity. The Bank has achieved this by communicating the coverage of the policy to all employees in an appropriate and meaningful manner. In line with the sustainable development ethos of non-discrimination and inclusive growth, the hiring and performance evaluation, compensation, training and employee benefits, are devoid of any discrimination based on caste, religion, disability, gender, sexual orientation, race, colour, ancestry, marital status or affiliation with a political, religious or union organisation or majority/minority group.

Permanent Employees	Yes. The HR policy of the Bank incorporates the Policy on Prevention of Sexual Harassment (POSH) for addressing issues related to sexual harassment. An Internal Committee (IC) consisting of one Presiding Officer and three members is constituted at the head office to enquire into and provide redressal of Sexual Harassment complaints. The composition of the IC consists of at least one external member and one-half of the total member are women officials. In addition to POSH, the Bank has also built an in-house grievance redressal system which is available in the HRMS portal of the Bank. The grievance redressal mechanism lays down guidelines that need to be followed by the organisation, which include the following: Conflict Resolution An employee who feels that he or she is being subjected to harassment should first, where possible, make his / her disapproval clearly known to the individual(s) concerned and ask that the behaviour be stopped. If there is no apparent change in the behaviour of the respondent, the employee concerned can make use of either an informal or formal resolution process for redressing their complaint. Freedom from Retaliation A person who in good faith brings a complaint of harassment against another person, shall not be subjected to any form of retaliation. The Bank prohibits retaliation against anyone who files a complaint in good faith, and retaliation in itself constitutes misconduct subject to disciplinary action. Discriminating against an employee who has made a complaint of harassment or deleteriously affecting the terms and conditions of employment or work environment of the employee will be construed as retaliation. Confidentiality All employees who are aware of a harassment complaint, or involved in its resolution, must recognise the seriousness of the situation and respect the sensitivity and confidentiality that must be accorded to the matter. The employees must refrain from discussing the complaint amongst themselves or with anyone who does not have a 'need to know.' Every effort will be made to preserve the dignity and self-respect of the parties to the complaint. Action against false complaints False or malicious complaints can seriously damage a person's reputation, career, and relationships. If anyone makes a false or malicious complaint of harassment and it is so established after a thorough and proper investigation, the complainant will face disciplinary action, depending on the situation.

*The performance management system is available to all employees and new joiners who have joined before September. The new joiners after September are considered for the next year's performance management cycle.

The policy on performance management is provided in the HR Policy and is available in the HRMS portal of the Bank for all employees. The Bank has a dedicated learning and development wing that provides ample learning opportunities to all employees. The learning management system provides online training to all employees. The performance appraisal system of the Bank provides career development opportunities and feedback for continuous improvement. The performance appraisal process starts with the employee conducting self-appraisal followed by the assessment of the supervisor via appraisal feedback and discussion. The performance appraisal ratings are reviewed/calibrated by a committee. Once the ratings are finalised, promotion and recognition announcements are initiated and key performance areas (KRA) for the next year are set.

10. Health and safety management system:

a. Whether an occupational health and safety management system has been implemented by the entity? (Yes/No). If yes, the coverage of such system?

Yes. The Bank is cognizant of the responsibility towards providing a healthy and safe work environment to the employees and has developed a dedicated policy as part of the commitment to BRSR Principle 3. The Bank is in the process of evaluating the scope of the occupational health and safety management system to outline safety standards for the employees and customers to ensure regulatory compliance and promotion of public health and safety. The Bank organises regular training, such as mock drills on its premises for its employees on matters of fire safety, emergency response, and basic first aid.

b. What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?

The Bank in collaboration with the building management team of the office premises organises and participates in mock fire drill sessions to create awareness amongst employees on how to evacuate in the event of fire or any other unforeseen contingency. Fire Marshalls and Fire Warden are nominated and trained to ensure adequate support if any such event occurs.

c. Whether you have processes for workers to report the work-related hazards and to remove themselves from such risks? (Yes/No)

Not applicable as there are no workers associated with the Bank's operations.

d. Do the employees/workers of the entity have access to non-occupational medical and healthcare services? (Yes/No)

Yes. The Bank continuously reviews human resource development and evaluates the best practices offered in the banking sector, to gain competitive advantage within the industry. The Bank offers extended insurance coverage to the employees in the form of top-ups, flexibility to pay monthly premiums to spread the payment over a year and aim for higher cover and enhanced coverage of dependents to encompass parents-in-law. It also provides for digital medical services/tele medication by way of tying up with leaders like Practo in this field thereby not only catering to its employees but their dependent family members also. The Bank also has introduced a Medical Assistance rider to cater to Accident cases for its employees.

LEADERSHIP INDICATORS

1. Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.

The Bank believes that an effective stakeholder engagement process is necessary for achieving its sustainability goal of inclusive growth. The Bank accordingly anchors its stakeholder engagement on the principles of the following features:

- Materiality - taking prioritised consideration of the economic, environmental and social impacts identified to be important to the organisation as well as its stakeholders.
- Completeness - understanding the stakeholders' key concerns and expectations.
- Responsiveness - responding coherently and speedily to such issues and concerns.

The key stakeholder groups include the Central and State Governments, regulatory/statutory agencies, media, shareholders, clients, employees, local communities, channel partners, and suppliers. Attributes including dependency, accountability, immediacy and influence are used to identify stakeholders. The engagement strategy recognises the individuality and distinct set of priorities of each stakeholder group. Stakeholder engagement insights support the Bank's performance and help to create fresh viewpoints.

2. Whether stakeholder consultation is used to support the identification and management of environmental, and social topics (Yes / No). If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity.

Yes. The management representatives of the Bank analyse the impact of the material topics and how it affects the day-to-day business and operations of the Bank. In view of the Bank's sustainability objectives, business strategies, operational policies, and global market trends, the responses and feedback gathered during stakeholder engagement are reviewed by top management to understand stakeholders' perspectives. The Board and senior management are informed of the feedback from a wide variety of stakeholders in order to get their advice and take appropriate action.

Through its various committees, the Board is provided regular updates on feedback received from stakeholders on economic, environmental, and social topics - which serves as inputs for decision-making by the Board. The inputs are provided but not limited to the following committees:

- Risk Management Committee
- Corporate Social Responsibility and Sustainability Committee
- Stakeholder Relationship Committee
- Customer Service Committee

3. Provide details of instances of engagement with, and actions taken to, address the concerns of vulnerable/marginalised stakeholder groups.

The Bank has an appropriate mechanism to engage with its stakeholders, especially marginal and weaker sections of the society and it is covered in the Corporate Social Responsibility ('CSR') policy of the Bank. The CSR initiatives undertaken by the Bank are firmly embedded in its vision and mission to improve the quality of life of the communities. Having understood the prevailing social needs within the communities, interventions and strategies are formulated by the CSR&SCB. The CSR&SCB has carefully reviewed and recommended CSR programmes targeting societal development by conducting studies on CSR intervention area identification. Based on these studies, the curated CSR programmes are run by various CSR Project Implementing Agencies ('PIA').

Each programme of the PIA has been devised to bring about far-reaching effects in the fields of education, health, livelihood promotion, sustainable livelihood development, climate action, financial literacy, skill development and employment generation. The Bank's CSR Programmes are in alignment with the Sustainable Development Goals and Schedule VII to the Companies Act, 2013, details of which are provided below:

- Targeting the hard-core poor programme
- Bandhan Health programme
- Empowering Cancer Care: Contribution to Assam Cancer Care Foundation

PRINCIPLE 9: Businesses should engage with and provide value to their consumers in a responsible manner
ESSENTIAL INDICATORS

1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback.

A good customer experience remains paramount for the service industry and the Bank believes that providing prompt & efficient service is essential not only to attract new customers but also to retain existing ones. Grievance redressal is an essential aspect of effective service delivery and hence, the Bank has a robust customer complaint resolution mechanism.

The Bank has a framework in place for effective redressal of the complaints received from its customers. The Bank follows the principle of "First Contact Resolution", and effort is made to resolve the grievance to the full satisfaction of the complainant at the point of first contact.

The grievance redressal mechanism is applicable for complaints received from all customers of the Bank including customers of third-party products as well as complaints emanating from rural areas and those relating to financial assistance to Priority Sector and Government's Poverty Alleviation Programmes. The grievance redressal channels of the Bank are also available to deal with issues related to services provided by Outsourced Agencies.

With a view to strengthen the internal grievance redressal system in line with the RBI regulations and to ensure that the complaints of the customers are redressed at the level of the Bank itself, the Internal Ombudsman (I.O.) mechanism has been set up for effective resolution of grievances.

Further, there is also a Branch Level Customer Service meeting wherein relevant feedback and suggestions of the customers are captured and taken up for improving Bank's serviceability. Moreover, there are quarterly senior management level and Board level customer service Committee meetings wherein all the major areas of complaints and steps taken to address them are being discussed till logical conclusion.

The Bank is highly committed to providing its utmost attention to the customers and providing them with superior services and the freedom of choice in the selection and usage of banking services. The Bank recognises that maintaining trust and regard of customers is important for the Bank's success and credibility, in a fiercely competitive market. Through digital platforms and initiatives, the Bank will provide customers the flexibility to access and consume banking services over any digital platform of their choice and recognises that product quality and service delivery are vital for business growth. The Bank seeks to achieve this by regularly reviewing service levels and capturing feedback from customers.

The Bank recognises that one of its fundamental responsibilities is to ensure that the Bank protects personal information entrusted to it by the customers. The security of personal information is a priority and is ensured by maintaining physical, electronic, and procedural safeguards that meet applicable laws to protect customer information against loss, misuse, damage and unauthorised access, modifications or disclosures. Employees are trained for proper handling of personal information. The Bank continuously reviews and enhances its security policies and security measures to consistently maintain a high level of security.

6. Provide details of any corrective actions taken or underway on issues relating to advertising, and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty/action taken by regulatory authorities on safety of products/services.

One of the major areas applicable to the Bank related to corrective actions taken to resolve issues, is cybersecurity and data privacy of the customers. To combat such issues, the Bank has formed a committee equipped with tools specific to handling these kinds of threats, known as the IT Strategy Committee of the Board ('ITSCB'). The ITSCB, constituted pursuant to guidelines/circulars issued by RBI, deals with the information technology, information security, cybersecurity, etc., aspects of the Bank. The primary role of the committee includes:

- Formulation of IT strategy;
- Amend the IT policy to keep it aligned with current market trends;

- Update the Board on progress of IT levers and current global landscape of the IT in banking sector;
- Review periodically the Bank's IT strategy and ensure its alignment with the current trends in the banking sector;
- Review IT risks;
- Ensure proper balance of IT investments for sustaining the Bank's growth;
- Oversee the aggregate funding of IT at the Bank-level;
- Ascertain if the management has adequate resources to ensure proper administration of IT risks;
- Review the contribution of IT.

7. Provide the following information relating to data breaches:

- a. Number of instances of data breaches - NIL
- b. Percentage of data breaches involving personally identifiable information of customers -NIL
- c. Impact, if any, of the data breaches - NIL

LEADERSHIP INDICATORS

1. Channels/platforms where information on products and services of the entity can be accessed (provide web-link, if available).

Information related to all the products and services provided by the Bank is available on its website. In addition, the Bank actively uses various social media and digital platforms to disseminate information on its services and products, including loans, deposits, accounts etc. Additionally, the Bank also has a dedicated mobile app available known as 'mBandhan' which is an all-purpose app wherein customers can access their accounts and banking requirements on the go. Advertisements and information related to products and offerings are also available on the Bank's portal as mentioned below:

The Bank's Website link - <https://bandhanbank.com/>

2. Steps taken to inform and educate consumers about safe and responsible usage of products and/or services.

Activities undertaken for enhancement of customer awareness:

- d) 'Dial 1930' to report Cyber Crime, RBI prescribed booklet on Modus Operandi of Financial Fraudsters (Raju & the Forty Thieves), etc. are also displayed on the Bank's website to increase awareness of the customers of the Bank and public in general.
- e) Fraud awareness and safe banking practices are highlighted on the Bank's website. Please refer to the following links: <https://bandhanbank.com/fraud-awareness> and <https://bandhanbank.com/safe-digital-banking-practices>
- f) Regulatory materials (banners, videos etc.) educating users are also displayed on the Bank's website.

The Bank consistently using our regular communication channels—emailers, SMS, and social media posts—to educate customers on various aspects of fraud prevention. These include safe banking practices, phishing awareness, secure password habits, and responsible usage of our products and services. This ongoing awareness drive reinforces our commitment to customer security and digital hygiene.

3. Mechanisms in place to inform consumers of any risk of disruption/discontinuation of essential services.

In the Banking sector, one of the major security concerns that exist is related to cyber-attacks and digital banking frauds. The Bank has taken certain initiatives in order to inform and educate customers regarding the risks associated with digital banking frauds and methods to avoid being subjected to such attacks. Some of the steps taken by the Bank are the following:

- a) Introduction of dynamic OTP based authentication in addition to login password as an additional security feature in Retail Internet Banking application.
- b) Disallowing premature / partial withdrawal of term deposits ('TD'), held in joint names, through internet banking platform to prevent unauthorised withdrawals of TDs.
- c) Incorporation of additional security features (the mandatory security features prescribed by RBI as per CTS-2010 standards), i.e., Micro lettering of 'Bandhan Bank' as well as 'Customer Account Number' in account number box and amount box on the cheque's leaves issued to customers, to reduce chances of misuse of cheques by cloning, tampering, alterations, etc.

- d) One of the key features of BCP framework of the Bank is - Crisis communication plan. The Bank proactively communicates its customers about any planned or unplanned disruption / discontinuation of essential services through SMS and email.
- e) Proactively inform customers about planned system downtimes through timely email and SMS notifications mentioning the expected duration and impacted services, helping maintain transparency and minimise inconvenience.

4. Does the entity display product information on the product over and above what is mandated as per local laws? (Yes/No/ Not Applicable) If yes, provide details in brief. Independent Auditor's Report

To the Members of Bandhan Bank Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of Bandhan Bank Limited (the "Bank") which comprise the Balance Sheet as at March 31, 2025, the Profit and Loss Account, the Cash Flow Statement for the year then ended, and notes to the Financial Statements including a summary of significant accounting policies and other explanatory information ("the Financial Statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Banking Regulation Act, 1949 as well as the Companies Act, 2013 ("the Act") and the circulars and guidelines issued by Reserve Bank of India, in the manner so required for banking companies and are in conformity with the accounting principles generally accepted in India including the accounting standards specified under Section 133 of the Act as applicable to banks and give a true and fair view of the state of affairs of the Bank as at March 31, 2025, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of Financial Statements" section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current year. These matters were addressed in the context of our audit of the Financial Statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters:

Identification and Provisioning of Non-performing Advances (NPA):

Total NPA as at March 31, 2025: ₹6,435.56 crore

Provision for NPA as at March 31, 2025: ₹4,742.71 crore

(Refer Schedule 9, 18.6 & 18.7 to the Financial Statements)

Key Audit Matter	How our audit addressed the key audit matter
Identification of NPA and measurement of provision on account of NPA is made based on the assessment of various criteria stipulated in the Reserve Bank of India ('RBI') guidelines on 'Prudential Norms on Income Recognition, Asset Classification and Provisioning pertaining to advances' ('IRACP'). The Bank is also required to apply its judgement to determine the identification and provision required against NPAs by applying quantitative as well as qualitative factors. The risk of identification of NPAs is affected by factors like stress and liquidity concerns in certain sectors. The provision against advances is based on criteria such as past due status, out of order status etc. The provision in respect of such NPAs are made based on ageing and classification of NPAs, recovery estimates, value of security, nature of loan products and other qualitative factors and is subject to minimum provisioning levels prescribed by the RBI and approved policy of the bank in this regard. In addition to this, for restructured accounts, provision is made for erosion/ diminution in fair value of restructured loans, in accordance with the RBI guidelines. Further, NPA classification is made borrower wise whereby if one facility of the borrower becomes NPA then all facilities of such a borrower will be treated as NPA.	• Tested the design and operating effectiveness of key controls (including application controls) over approval, recording, monitoring, and recovery of loans, monitoring overdue/ stressed accounts, identification of NPA, provision for NPA, and valuation of security including collateral. Testing of Application controls includes testing of automated controls, reports and system reconciliations. • Evaluated the governance process and tested controls over calculations of provision on non-performing advances, basis of provisioning in accordance with the Board approved policy. • Selected the borrowers based on quantitative and qualitative risk factors for their assessment of appropriate classification as NPA including computation of overdue ageing to assess its correct classification and provision amount as per the IRACP norms and Bank policy.

Key Audit Matter	How our audit addressed the key audit matter
We have identified 'Identification of NPA and Provisioning on Advances' as a key audit matter in view of the significant level of estimation involved, as well as the stringent compliances laid down by the RBI in this regard.	Performed other substantive procedures including but not limited to the following: • Selected sample of performing loans and assessed them independently as to whether these should be classified as NPA; • For sample selected, examined the security valuation, financial statements and other qualitative information of the borrowers; • Considered the accounts reported by the Bank and other Banks as Special Mention Accounts ("SMA") in RBI's Central Repository of Information on Large Credits (CRILC) to identify stress; • Performed inquiries with the credit and risk departments to ascertain if there were indicators of stress or an occurrence of an event of default in a particular loan account or any product category which needs to be considered as NPA; • Assessed the appropriateness of asset classification and adequacy of related provisioning by performing procedures such as computation of overdue ageing, assessment of borrower level, NPA identification and verification of applicable provision rates as per IRACP norms and Bank's Policy on test check basis; and assessed the adequacy of disclosures against the relevant accounting standards and RBI requirements relating to NPAs. • We communicated the observations arising out of our above procedures with those charged with governance and the management. The resultant modifications in IT procedures to improve financial and operating controls have been implemented or expected to be implemented in the near future. In the meanwhile, the management has made compensating computations through specific manual or other off system exercises to which we have applied audit tests, where necessary.

Information Technology ("IT") Systems and Controls impacting Financial Reporting

Key Audit Matter	How our audit addressed the key audit matter
The Bank has a complex IT architecture to support its day-to-day business operations. High volume of transactions are processed and recorded on single or multiple applications. The reliability and security of IT systems plays a key role in the business operations of the Bank. Since large volume of transactions are processed daily, the IT controls are required to ensure that applications process data as expected and that changes are made in an appropriate manner. Appropriate IT general controls and application controls are required to ensure that such IT systems are able to process the data, as required, completely, accurately and consistently for reliable financial reporting.	Our procedures with respect to this matter included the following: In assessing the controls over the IT systems of the Bank, we involved our technology specialists to obtain an understanding of the IT environment, IT infrastructure and IT systems. We evaluated and tested relevant IT general controls over the "in-scope" IT systems and IT dependencies identified as relevant for our audit of the financial statements and financial reporting process of the Bank. On such "in-scope" IT systems, we have tested key IT general controls with respect to the following domains: • Program change management, which includes that program changes are moved to the production environment as per defined procedures and relevant segregation of environment is ensured. • User access management, which includes user access provisioning, de-provisioning, access review, password management, sensitive access rights and segregation of duties to ensure that privilege access to applications, operating systems and databases in the production environment were granted only to authorised personnel.

Key Audit Matter	How our audit addressed the key audit matter
We have identified 'IT systems and controls' as key audit matter because of the high level automation, significant number of systems being used by the management and the complexity of the IT architecture and its impact on the financial reporting system.	- Program development, which includes controls over IT application development or implementation and related infrastructure, which are relied upon for financial reporting. In addition, understood where relevant, changes made to the IT landscape during the audit period. - IT operations, which includes job scheduling, monitoring and backup and recovery. We also evaluated the design and tested the operating effectiveness of relevant key IT dependencies within the key business process, which included testing automated controls, automated calculations/ accounting procedures, interfaces, segregation of duties and system generated reports, as applicable. We communicated the observations arising out of our above procedures with those charged with governance and the management. The resultant modifications in IT Procedures to improve financial and operating controls have been implemented or expected to be implemented in the near future. In the meanwhile, the management has made compensating computations through specific manual or other off system exercises to which we have applied audit tests, where necessary.

Information other than financial statements and auditors' report thereon

- The Bank's Board of Directors are responsible for the other information. The other information comprises the information included in the annual report but does not include the Financial Statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Financial Statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

Responsibilities of management and those charged with governance for the Financial Statements

- The Bank's Board of Directors are responsible for the matters stated in Section 134(5) of the Act, with respect to the preparation and presentation of these Financial Statements that give a true and fair view of the financial position, financial performance

and cash flows of the Bank in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021, and the provisions of Section 29 of the Banking Regulations Act, 1949 and circulars, guidelines and directions issued by the Reserve Bank of India ("RBI") from time to time. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

- In preparing the Financial Statements, the Board of Directors are responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management and Board of Director either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Bank has internal financial controls with reference to the Financial Statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management of the Bank.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
12. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

13. The financial statements of the Bank for the year ended March 31, 2024 were jointly audited by Singhi & Co. and M M Nissim & Co. LLP, who vide their audit report dated May 17, 2024 issued an unmodified opinion on the audited financial statements. Accordingly, V. Sankar Aiyar & Co., do not express any opinion on the comparable figures reported in the financial statements for the year ended March 31, 2024.

Our opinion is not modified in respect of the above matter.

Report on other legal and regulatory requirements

14. In our opinion, the Balance Sheet and the Profit and Loss Account have been drawn up in accordance with the provisions of Section 29 of the Banking Regulation Act, 1949 and Section 133 of the Act.
15. As required by sub-section (3) of Section 30 of the Banking Regulation Act, 1949, we report that:
 - (a) we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit and have found them to be satisfactory;
 - (b) the transactions of the Bank, which have come to our notice, have been within the powers of the Bank;

- (c) Since the key operations of the Bank are automated with the key applications integrated to the core banking system, the audit is carried out centrally at the Bank's Head Office located in Kolkata, as all the necessary records and data required for the purposes of our audit are available there. During the course of our audit, we have visited 20 branches and 24 banking units to examine the books of account and other records maintained at the branch and performed other relevant audit procedures.

16. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Bank so far as it appears from our examination of those books, except for the matters stated in paragraph 16(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended) ("the Rules");
- (c) The Balance Sheet, the Profit and Loss Account and the Cash Flow Statement dealt with by this report are in agreement with the books of account;
- (d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act read with Companies (Accounting Standards) Rules 2021, to the extent they are not inconsistent with the guidelines prescribed by RBI;
- (e) On the basis of the written representations received from the directors as on March 31, 2025 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act;
- (f) The modifications relating to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 16(b) above on reporting under Section 143(3) (b) of the act and paragraph 16(h)(vi) below on reporting under Rule 11(g) of the Rules;
- (g) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Bank and the operating effectiveness of such controls, refer to our separate report in "Annexure A"; and

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

- i. The Bank has disclosed the impact of pending litigations on its financial position in its Financial Statements – Refer Schedule 12 & 18.17 to the Financial Statements;
- ii. The Bank did not have any long term contract including derivative contracts for which there were material foreseeable losses;
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Bank, during the year ended March 31, 2025;
- iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the Schedule 18.34 to the Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Bank to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Bank ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the Schedule 18.34 to the Financial Statements, no funds have been received by the Bank from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Bank shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. (a) The final dividend proposed in the Previous Year, declared and paid by the bank during the year is in accordance with the Section 123 of the Act, as applicable; and
- (b) As stated in Schedule 18.3 to the Financial Statements, the Board of Directors of the Bank have proposed dividend for the financial year 2024-25 which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with Section 123 of the Act, as applicable, until the date of this report.
- vi. Based on our examination, which included test checks, the Bank has used various accounting software for maintaining its books of account which have a feature of recording audit trail (edit log) facility, which have operated throughout the year for all relevant transactions recorded in the software, except;
- (a) the audit trail configured at Database level logs record only modified values in respect of two accounting software(s).
- Further, for one of these applications, the changes to capture pre-modified values was implemented from March 25, 2025.
- (b) the audit trail to log any direct data changes was enabled at database level in case of one accounting software, from May 25, 2024.
- Based on our procedures performed, we did not observe any instance of tampering with the audit trail except in respect of periods and systems as mentioned above wherein we are unable to comment upon in absence of audit trails. Further, the audit trail, to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements for record retention except in case of two sunset software discontinued during Previous Year and one accounting software wherein audit trail was enabled at database level from February 18, 2024.
17. In our opinion and to the best of our information and according to the explanations given to us, the provisions of Section 197 of the Act are not applicable to the Bank by virtue of Section 35B(2A) of the Banking Regulation Act, 1949. Accordingly, the reporting under Section 197(16) of the Act regarding payment/ provision for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act, is not applicable.

Annexure A

to Independent Auditor's Report

Referred to in paragraph 16(g) of the Independent Auditor's Report of even date to the members of Bandhan Bank Limited on the financial statements for the year ended March 31, 2025

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to Financial Statements of Bandhan Bank Limited ("the Bank") as of March 31, 2025, in conjunction with our audit of the financial statements of the Bank for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Banks's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Banks's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Banks's internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Banks's internal financial controls system with reference to Financial Statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A Banks's internal financial controls with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Banks's internal financial controls with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Bank; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Bank are being made only in accordance with authorisations of management and directors of the Bank; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Bank's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to the explanations given to us, the Bank has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to Financial Statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Schedule 17 – Significant accounting policies forming part of the financial statements for the year ended March 31, 2025

1. Background

Bandhan Bank Limited (the 'Bank'), incorporated on December 23, 2014 in India, is a banking company, governed by the Banking Regulation Act, 1949. Pursuant to the Banking license received from Reserve Bank of India on June 17, 2015, the Bank has commenced its banking operations from August 23, 2015.

2. Basis of preparation

The accompanying financial statements have been prepared under the historical cost convention and on the accrual basis of accounting, unless otherwise stated and comply with the requirements prescribed under the Third Schedule (Form A and Form B) of the Banking Regulation Act, 1949. The accounting and reporting policies of the Bank used in the preparation of these financial statements conform to Generally Accepted Accounting Principles in India ('Indian GAAP'), the guidelines issued by RBI from time to time, the accounting standards notified under section 133 of the Companies Act 2013, read together with the Companies (Accounting Standards) Rules, 2021 to the extent applicable and practices generally prevalent in the banking industry in India.

3. Use of Estimates

The preparation of the financial statements in conformity with the generally accepted accounting principles requires the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities) as at the date of the financial statements and the reported income and expenses during the reporting period. The Management believes that the estimates used in the preparation of the financial statements shall be prudent and reasonable. Any revisions to the accounting estimates are recognised prospectively in the current and future periods. Actual results could differ from estimates.

4. SIGNIFICANT ACCOUNTING POLICIES

4.1 Revenue Recognition

Interest income is recognised in the profit and loss account on an accrual basis, except in the case of interest on non-performing assets, which is recognised as income on realisation, as per the income recognition and asset classification norms of RBI. Accrual of income shall also be suspended on certain other loans, including projects under implementation where the implementation has been significantly delayed and in the opinion of the management significant uncertainties exist as to the final financial closure and/ or date of completion of the project.

The Bank shall not charge and take to income account interest on any NPA. This will apply to Government guaranteed accounts also. However, interest on advances against Term Deposits, National Savings Certificates (NSCs), Indira Vikas Patras (IVPs), Kisan Vikas Patras (KVPs) and Life policies is taken to income account on the due date, provided adequate margin is available in the accounts.

Profit or Loss on sale of investments is recognised in the Profit and Loss Account. However, the profit on sale of investments in 'Held to Maturity' category is appropriated (net of applicable taxes and amount required to be transferred to statutory reserve) to 'Capital Reserve Account'.

Income from hire purchase operations is accrued by applying the interest rate implicit on outstanding investments.

Income from leases is calculated by applying the interest rate implicit in the lease to the net investment outstanding on the lease over the primary lease period.

Income on discounted instruments is recognised over the tenure of the instrument on a straight line basis.

Interest Income on PTC and Loan purchase through assignment are recognised on a constant yield basis.

Dividend is accounted on an when the right to receive the dividend is established.

Loan processing fees is accounted for upfront when it becomes due.

Fees other than loan processing fees received as a compensation of future interest sacrifice are amortised over the remaining period of the facility.

Compromise on settlement is accounted on receipt of settlement money.

Arranger's fee is accrued proportionately where more than 75% of the total amount of finance has been arranged.

Guarantee / Letter of credit (LC) commission is recognised over the period of the guarantee / LC.

Annual/renewal fee on credit cards and debit cards is recognised upfront.

Locker Rent recognised on Straight Line Method basis over the period of Contract

All fees from deposit accounts are accounted for as and when they are due and realised.

Schedules forming part of the Balance sheet

as at March 31, 2025

Income from sale of Priority Sector Lending certificate (PSLC) is recognised in the Profit & Loss Account during the quarter on an equated basis from the quarter in which the sale has occurred and the remaining amount will be recognised in the Profit & Loss Account over the remaining quarters of that financial year.

Appropriation of recovery in NPAs and prudential written off accounts:

Any recoveries in NPA accounts and prudential written off accounts will be first appropriated to fees/charges outstanding, if any, then interest outstanding and then principal outstanding except in those cases where bank has specific agreement with the borrower w.r.t appropriation of recoveries.

The sale of NPA and technically written off portfolio is accounted as per guidelines prescribed by RBI :

- i. When the Bank sells its financial assets to Securitisation Company (SC)/Reconstruction Company (RC), the same is removed from the books.
- ii. If the sale is at a price below the net book value (NBV) (i.e., book value less provisions held), the shortfall is debited to the profit and loss account in the year of sale.
- iii. If the sale is for a value higher than the NBV, the excess provision is reversed in the year the amounts are received, as permitted by the RBI.

All other fees are accounted for as and when they become due.

4.2. Investments

Classification, valuation and operation of investment portfolio is carried out in accordance with the revised framework as detailed in the Reserve Bank of India (Classification, Valuation and Operation of Investment Portfolio of Commercial Banks) Directions, 2023 ("RBI Directions") applicable from April 01, 2024, to all Commercial Banks excluding Regional Rural Banks.

A) Classification

Investments shall be classified into three categories, viz. Held to Maturity ('HTM'), Available for Sale ('AFS') and Fair Value through Profit and Loss ('FVTPL'). Held for Trading ('HFT') shall be a separate investment subcategory within FVTPL. The category of the investment shall be decided by the bank before or at the time of acquisition and for reclassification, Bank shall need to obtain approval from the Board of Directors for reclassification between categories ((viz. HTM, AFS and FVTPL (includes FVTPL (HFT) and FVTPL (Non-HFT)). Further, reclassification shall also require the prior approval of the Department of Supervision (DoS), RBI.

Investments are accounted for on settlement date basis except for equity shares which are accounted for on trade date.

- Securities that meet the Solely Payment of Principal and Interest ('SPPI') criterion and are acquired with the intention and objective of holding it till maturity, i.e., the financial assets are held with the objective to collect the contractual cash flows shall be classified under HTM.
- Securities that meet the SPPI criterion and are acquired with the objective of both (a) collecting contractual cash flows and (b) selling securities shall be classified under AFS. These includes securities held for ALM.
- Investments, which are not classified in the above two categories, shall be classified as "Fair Value through Profit and Loss (FVTPL)".

B) Initial Recognition:

At initial recognition, bank shall measure all investments at fair value. Bank shall presume acquisition cost to be the fair value unless the facts and circumstances suggest otherwise. Cost of investment excludes broken period interest paid on acquisition of investments. Brokerage and commission paid at the time of acquisition are charged to Profit and Loss Account. Cost of investments is determined on the weighted average cost basis. Any discount or premium on the acquisition of debt securities under AFS, FVTPL & HTM shall be amortised over the remaining life of the instrument.

C) Valuation & Subsequent Measurement:

Investments classified under the 'AFS' and 'HFT' categories are fair valued periodically as per RBI guidelines.

The fair valuation gains and losses across all performing investments held under AFS shall be aggregated. The net appreciation or depreciation shall be directly credited or debited to a reserve named 'AFS Reserve' without routing through the Profit & Loss Account. Upon sale or maturity of a debt instrument in AFS category, the accumulated gain/loss for that security in the AFS Reserve are transferred from the AFS Reserve and recognised in the Profit and Loss Account. In the case of equity instruments designated under AFS at the time of initial recognition, any gain or loss on sale of such investments shall not be transferred from AFS-Reserve to the Profit and Loss Account. Instead, such gain or loss shall be transferred from AFS-Reserve to the Capital Reserve.

The securities held in FVTPL shall be fair valued and the net gain or loss arising on such valuation shall be directly credited or debited to the Profit and Loss Account.

The market/fair value for the purpose of periodical valuation of quoted investments included in the 'AFS' and 'FVTPL' categories is the market price of the security available from trades/quotes on the recognised stock exchanges, price

Schedules forming part of the Balance sheet

as at March 31, 2025

list of RBI or prices declared by Financial Benchmarks India Pvt. Ltd. (FBIL), periodically. Other unquoted fixed income securities, including Pass through Certificate wherever linked to the Yield-to-Maturity (YTM) rates, is computed based on residual maturity with a mark-up (applicable to the issuer) over the YTM rates for GOI securities of similar maturities published by FIMMDA/FBIL as directed by RBI.

Unquoted equity shares are valued at the break-up value, if the latest balance sheet is available or at ₹1 as per RBI guidelines.

Discounted instruments like Treasury Bills, Certificate of Deposits, Commercial Papers are valued at carrying cost.

Investments categorised under HTM are carried at acquisition cost, or at amortised cost if acquired at a discount or premium over the face value. Such discount or premium is amortised over the remaining period to maturity of the relevant security on a straight-line basis. Where in the opinion of management, a diminution, other than temporary in the value of investments classified under HTM has taken place, suitable provisions are made. Any profit or loss on the sale of investments in HTM shall be recognised in the Profit and Loss Account. The profit on sale of an investments in HTM shall be appropriated below the line from the Profit and Loss Account to the 'Capital Reserve Account'. The amount so appropriated shall be net of taxes and the amount required to be transferred to Statutory Reserve.

Security receipts issued by the asset reconstruction companies are valued in accordance with the guidelines applicable to such instruments, prescribed by RBI from time to time at the end of each reporting period. Accordingly, in cases where the cash flows from security receipts issued by the asset reconstruction companies are limited to the actual realisation of the financial assets assigned to the instruments in the concerned scheme, the Bank reckons the net asset value obtained from the asset reconstruction company from time to time, for valuation of such investments at each reporting period end.

D) Repurchase (Repo) and reverse repurchase transactions:

Repurchase ('repo') and reverse repurchase ('reverse repo') transactions including liquidity adjustment facility (with RBI) shall be accounted for as borrowing and lending transactions. Accordingly, securities given as collateral under an agreement to repurchase them continue to be held under the investment account of the Bank and the Bank would continue to accrue the coupon/discount on the security during the repo period. Also, the Bank continues to value the securities sold under repo as per the investment classification of the security. The difference between the clean price of the first leg and clean price of the second leg

shall be recognised as interest income/expense over the period of the transaction in the profit and loss account.

E) Short Sales:

In accordance with the RBI guidelines, the Bank undertakes short sale transactions in Central Government dated securities. Such short positions are categorised under HFT category. These positions are marked-to-market along with the other securities under HFT portfolio and the resultant mark-to-market gains/losses are accounted for as per the relevant RBI guidelines as stated above.

F) Investment Fluctuation Reserve:

The amount transferred to IFR will be lower of the following (i) net profit on sale of investments during the year or (ii) net profit for the year, less mandatory appropriations, until the amount of IFR is at least 2 percent of the AFS and FVTPL including HFT portfolio, on a continuing basis.

G) Non-Performing Investment

Non-performing investments are identified and depreciation / provision are made thereon based on RBI guidelines. The depreciation / provision on such non-performing investments are not set off against the appreciation in respect of other performing securities. Interest on non-performing investments is not recognised in the Profit & Loss Account until received.

H) Transition and Repeal Provisions

At the time of transition to these RBI Directions (i.e., on April 01, 2024), banks shall;

- Reclassify their investment portfolio as at March 31, 2024, as per the directions laid down in Chapter III of these Directions;
- The balance in provision for depreciation, as at March 31, 2024, shall be reversed into the Revenue/ General Reserve;
- The balances in Investment Reserve Account (IRA), if any, as of March 31, 2024, shall be transferred to the Revenue/ General Reserve if the bank meets the minimum regulatory requirements of IFR. If the bank does not meet the minimum IFR requirements, the balances in IRA shall be transferred to IFR;
- In respect of HTM the acquisition cost adjusted for any premium/ discount amortised between date of acquisition and March 31, 2024, shall be the revised carrying value. The difference between the revised carrying value and the previous carrying value shall be adjusted in any Revenue/General Reserve;

Schedules forming part of the Balance sheet

as at March 31, 2025

- e. In respect of FVTPL the fair value as at March 31, 2024 shall be the revised carrying value. The difference between the revised carrying value and the previous carrying value shall be adjusted in any Revenue/ General Reserves;
- f. In respect of AFS the fair value of the investment as at March 31, 2024 shall be the revised carrying value. The difference between the revised carrying value and the previous carrying value shall be adjusted in AFS Reserve

4.3 Loans /Advances and Provisions thereon

Advances are classified into performing and non-performing advances ('NPAs') as per the RBI guidelines and Stressed Asset Management & Recovery (SAMR) policy of the bank and are stated net of specific provisions made towards NPAs. Further, NPAs are classified into sub-standard, doubtful and loss assets based on the criteria stipulated by the RBI. Provisions for NPAs are made for sub-standard and doubtful assets at rates as prescribed by the RBI.

The Bank has a policy of deferment of instalments for micro (EEB) loan borrowers in case the group meetings have been suspended and the same has not been considered as overdue for the purpose of NPA classification.

Amounts recovered against debts written off in earlier years are recognised in the profit and loss account as credit to Miscellaneous Income under the head 'Other Income'

The Bank maintains general provision on standard advances as prescribed by RBI. In case of micro (EEB & SBAL) lending portfolio, general provision on standard advances will be maintained by Bank at 1% comprising 0.25% as per the minimum provisioning requirement by RBI and 0.75% as additional provision. Provision made against standard assets is included in "Other liabilities & provisions".

In case of non-performing micro (EEB & SBAL) lending portfolio, where 30 days have elapsed from the completion of loan tenure, the Bank is making 100% provision.

Non-performing loans, which have been fully provided for, are written off when the prospect of recovery is considered remote as per the management estimate in compliance with the stressed assets management and recovery policy of the Bank.

Restructured assets are classified and provided for in accordance with the guidelines issued by RBI from time to time.

For entities with Unhedged Foreign Currency Exposure ('UFCE'), provision is made in accordance with the guidelines issued by RBI, which requires to ascertain the amount of UFCE, estimate the extent of likely loss and estimate the riskiness of unhedged position. This provision is classified under Schedule 5 – Other Liabilities in the Balance Sheet.

Further, Incremental capital is maintained in respect of borrower counter parties in the highest risk category, in line with stipulations by RBI.

4.4 Inter Bank Participation Certificate

The Bank enters into Inter Bank Participation with risk sharing as issuing Bank and the aggregate amount of participation are reduced from the aggregate advance outstanding.

Gain on IBPC is the excess of income earned on the participation pool and interest paid to the issuing Bank and is recognised on accrual basis.

4.5 Tangible Assets

All tangible fixed assets are stated at historical cost less accumulated depreciation and impairment loss, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

Asset under development as at the balance sheet date are shown as Capital Work in Progress. Advance paid towards such development are shown as capital advance.

Any subsequent expenses is capitalised only when it increases the future economic benefit / functioning capability.

4.6 Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortisation and accumulated impairment loss, if any.

4.7 Depreciation and Amortisation

Depreciation is charged over the estimated useful life of a fixed asset on a straight-line basis. The useful lives of the groups of fixed assets are given below:

Asset	Useful life in years
Leasehold Land	99
Building	60
Improvements to leasehold premises	3
Furniture & Fixtures Interior	3
Furniture & Fixtures Modular	5
Furniture & Fixtures Others	10
Office equipments (including air conditioners)	5
Motor vehicles	4
Computers	3
Electrical Installation and Equipment	10
Software/ Intangible Assets	3
Computer Networking/Server	6

Items costing less than ₹5,000/- shall be fully depreciated in the year of purchase.

Schedules forming part of the Balance sheet

as at March 31, 2025

Assets purchased and sold during the year shall be depreciated on the basis of actual number of days the asset has been put to use.

In case of revision in the estimated useful life of assets any unamortised depreciation shall be amortised over the remaining useful life of the assets.

4.8 Impairment

The carrying amounts of assets are reviewed at each balance sheet date to determine if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount which is the greater of the asset's net selling price and value in use. In assessing the value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessment of the time value of money and risks specific to the asset.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

4.9 Foreign Currency transactions

All transactions in foreign currency are recognised at the exchange rate prevailing on the date of the transaction.

Monetary assets and liabilities in foreign currency are translated at the Balance Sheet date at the closing rates of exchange notified by the Foreign Exchange Dealers' Association of India ('FEDAI') and the resulting gains or losses are recognised in the Profit and Loss account.

Non-monetary items which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of transaction. Non-monetary items, which are measured at fair value or others similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Foreign currency income and expenditure items of domestic operations are translated at the exchange rates prevailing on the date of the transaction.

Foreign exchange spot and forward contracts outstanding as at the Balance Sheet date and held for trading, are revalued at the closing spot and forward rates respectively as notified by FEDAI and at interpolated rates for contracts of interim maturities.

Contingent liabilities at the Balance Sheet date on account of outstanding forward foreign exchange contracts, guarantees, acceptances, endorsements and other obligations denominated in a foreign currency are stated at the closing rates of exchange notified by the FEDAI.

4.10 Employee Stock Option Scheme (ESOS)

In case of Employee stock option plan, measurement and disclosure of the employee share based payment plans is done in accordance with Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and the Guidance Note on Accounting for Employee Share-based Payments, issued by the Institute of Chartered Accountants of India. The cost of equity-settled transactions shall be measured using the intrinsic value method for options granted till March 31, 2021. For options granted to all employees after March 31, 2021, the fair value on the date of grant of such instruments is recognised as an expense in accordance with the RBI guidelines on Compensation of Whole-Time Directors / Chief Executive Officers / Material Risk Takers and Control Function staff. The fair value of the stock-based employee compensation is estimated on the date of grant using Black-Scholes model. The cumulative compensation expense is recognised with a corresponding increase in the 'stock options outstanding account' in reserve for equity-settled transactions at each reporting date until the vesting date reflecting the extent to which the vesting period has expired and the Bank's best estimate of the number of equity instruments that will ultimately vest. The expense or credit recognised in the statement of profit and loss for a period represents the movement in cumulative expense recognised as at the beginning and end of that period and shall be recognised in employee benefits expense. ESOP cost is recognised in Profit and Loss Statement on the basis of number of days of vesting period.

4.11 Retirement and employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The Bank has no obligation, other than the contribution payable to the provident fund. The Bank recognises contribution payable to the provident fund scheme as expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognised as an asset.

Schedules forming part of the Balance sheet

as at March 31, 2025

Gratuity liability is a defined benefit obligation and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year.

The Bank provides for compensated absences based on actuarial valuation conducted by an independent actuary.

Actuarial gains/losses are immediately taken to the profit and loss account and are not deferred.

4.12 Income Taxes

Tax expenses comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 and in compliance with AS 22 "Accounting for Taxation Income". Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred Tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. If the Bank has carried forward unabsorbed depreciation and tax losses, all deferred tax assets is recognised only to the extent that there is a virtual certainty supported by convincing evidence that sufficient taxable income will be available in future against which such deferred tax assets can be realised.

At each reporting date, the Bank re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

Deferred Tax liability is created on amount transferred to special reserve under section 36(i)(viii) of the Income Tax Act, 1961 as per the RBI guidelines.

The carrying amounts of deferred tax assets are reviewed at each balance sheet date. The Bank writes down the carrying amount of deferred tax assets to the extent that it is no longer reasonably certain or virtually certain as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available.

4.13 Non-banking assets

Non-banking assets (NBAs) acquired in satisfaction of claims are valued at the market value on a distress sale basis or value of loan, whichever is lower. Further, the Bank creates provision on these assets as per the extant RBI guidelines or specific RBI directions.

4.14 Earnings per Share

Basic earnings per share is calculated by dividing the net profit or loss after tax for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share reflect the potential dilution that could occur if contracts to issue equity shares were exercised or converted during the year. Diluted earnings per equity share is computed using the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

4.15 Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Bank has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Bank or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Bank does not recognise a contingent liability but discloses its existence in the financial statements.

Contingent Assets are not recognised in the financial statements.

4.16 Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased items are classified as operating leases. Operating lease payments are recognised as an expense in the profit and loss account on a straight line basis over the lease term.

Schedules forming part of the Balance sheet

as at March 31, 2025

4.17 Cash and Cash equivalent

Cash and cash equivalents include cash in hand, balances with RBI, balances with other banks and money at call and short notice.

4.18 Share Issue Expenses

Share issue expenses are adjusted against the Securities Premium Account in terms of Section 52(2) of the Companies Act, 2013.

4.19 Reward points

Reward points on cards are accounted for based on value per point after taking into account the probability of redemption of such reward points

4.20 Derivative Transactions

Derivative transactions comprises of forward contracts, currency swaps and interest rate swaps. The Bank undertakes derivative transactions for trading and hedging balance sheet assets and liabilities.

The Bank recognises all derivative contracts (other than those designated as hedges) at fair value, on the date on which the derivative contracts are entered into and are remeasured at fair value as at the Balance Sheet or reporting dates.

Derivative transactions such as Foreign exchange forward contracts, Forex swap and Interest rate swaps outstanding as at the Balance Sheet date and held for trading, are fair valued at present value basis. The resulting profit or loss on valuation is recognised in the Profit and Loss Account.

Derivatives which are not intended for trading such as Foreign exchange forward contracts and Forex swaps and which are outstanding at balance sheet date are fair valued at the FEDAI closing SPOT rate. The premium or discount arising at the inception of such Forward contracts and Forex swaps is amortised as expense or income over the life of the contract.

Derivatives are classified as assets when the fair value is positive (positive marked to market value) or as liabilities when the fair value is negative (negative marked to market value).

Pursuant to the RBI guidelines, any receivable under a derivative contract with a counterparty which remains overdue for more than 90 days, mark-to-market gains on any other derivative contract with the same counterparty, is reversed through Profit and Loss account.

Note: The Bank has assessed its obligations arising in the normal course of business, including pending litigations, proceedings pending with tax authorities and other contracts including derivative and long term contracts. In accordance with the provisions of AS 29 on 'Provisions, Contingent Liabilities and Contingent Assets', the Bank recognises a provision for material foreseeable losses when it has a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. In cases where the available information indicates that the loss on the contingency is reasonably possible or the amount of loss cannot be reasonably estimated, a disclosure to this effect is made as contingent liabilities in the financial statements. The Bank does not expect the outcome of these proceedings to have a materially adverse effect on its financial results.

The following table sets forth, for the periods indicated, the movement in provision for legal and fraud cases, operational risk and other contingencies.

ii) Transitional adjustments - Classification, Valuation & Operation of Investment portfolio

The RBI, vide its master direction dated September 12, 2023 issued revised norms for the classification, valuation and operation of investment portfolio of banks, which became applicable from April 01, 2024. While hitherto, the investment portfolio was classified under the held to maturity (HTM), available for sale (AFS) and held for trading (HFT) categories, the revised norms bring in a principle-based classification of investment portfolio and a symmetric treatment of fair value gains and losses. In accordance with the revised norms and the Bank's board approved policy, the Bank has classified its investment portfolio as on April 01, 2024 under the categories of held to maturity (HTM), available for sale (AFS) and fair value through profit and loss (FVTPL) with held to trading (HFT) as a sub-category of FVTPL, and from that date, measures and values the investment portfolio under the revised framework. On transition to the framework on April 01, 2024, the bank has recognised ₹99.03 crore (net of tax of ₹33.31 crore) and ₹218.72 crore (net of tax of ₹73.56 crore) which has been credited to General reserve and AFS reserve respectively, in accordance with the said norms. The impact on the Profit & Loss of the change in the accounting framework as compared to previous period/s is not ascertainable and as such the income / profit or loss from investments for the year ended March 31, 2025 is not comparable with that of the previous period/s."

*GRUH was merged with and into Bandhan Bank Limited. At the time of merger of GRUH with the Bank, GRUH had a private provident fund trust, viz., Gruh Employees Provident Fund Trust, for its employees. Post-merger, GRUH had to transfer the balance in Gruh Employees Provident Fund Trust to EPFO, since the Bank had its PF managed by EPFO instead of Private Provident Fund Trust, some of the securities of IL&FS Limited and IL&FS Transportation Networks Ltd could not be liquidated and the EPFO was paid by the Bank the face value of the securities as the Non-Performing Investments ('NPI') bonds could not be liquidated. These securities were Non-Performing Investments, having zero value, with face value of the three securities being ₹2.20 crore, in lieu of which, the amount had been paid to EPFO. The face value of the three securities transferred was ₹2.20 crore, these NPI securities were transferred to the books of the Bank at ₹1 each, thereby totalling ₹3 only and increasing the NPI by ₹3 only.

The above NPI NCD investment aggregating to ₹3 of IL&FS and IL&FS Transportation Networks Ltd has been written off in Financial Year 2024-25.

18.11 Segment Reporting

A) Segment Identification

Pursuant to the guidelines issued by RBI on AS 17 - Segment Reporting - Enhancement of Disclosures dated April 18, 2007, the following business segments have been reported:

i) Treasury :

Treasury operations include investments in sovereign securities and trading operations. The Treasury segment also includes the central funding unit.

ii) Retail banking :

Includes lending to individuals/small businesses through the branch network and other delivery channels subject to the orientation, nature of product, granularity of the exposure and low value of individual exposure thereof. It also includes liability products, card services, internet banking, mobile banking, ATM services and NRI services. All deposits sourced by branches are classified in retail category.

iii) Corporate/Wholesale Banking:

Includes corporate relationships not included under Retail Banking.

iv) Other Banking Business :

Include para banking activities like third party product distribution and other banking transaction not covered under any of the above three segments.

Income, expenses, assets and liabilities are either specifically identified with individual segments or are allocated to segments on a systematic basis.

The liabilities of the Bank are first used by the units generating the same. Any excess liabilities of the units are pooled to central funding unit (Treasury). Treasury then lends these funds to other units at appropriate rates.

The transfer pricing mechanism of the Bank is periodically reviewed. The segment results are determined based on the transfer pricing mechanism prevailing for the respective reporting periods.

Revenues of the Treasury segment primarily consist of fees and gains or losses from trading operations and interest income on the investment portfolio. The principal expenses of the segment consist of interest expense on funds borrowed from external sources and other internal segments, premises expenses, personnel costs, other direct overheads and allocated expenses.

Revenues of the Corporate/Wholesale Banking segment consist of interest and fees earned on loans given to customers falling under this segment and fees arising from these. Revenues of the Retail Banking segment are derived from interest earned on loans classified under this segment, fees for banking services and ATM interchange fees. Expenses of the Corporate/Wholesale Banking and Retail Banking segments primarily comprise interest expense on deposits and funds borrowed from other internal segments, infrastructure and premises expenses for operating the branch network and other delivery channels, personnel costs, other direct overheads and allocated expenses.

Segment income includes earnings from external customers and from funds transferred to the other segments. Segment result includes revenue as reduced by interest expense and operating expenses and provisions, if any, for that segment. Segment-wise income and expenses include certain allocations. Inter segment interest income and interest expense represent the transfer price received from and paid as per the transfer pricing mechanism presently followed by the Bank.

18.19 Disclosures on Remuneration

Qualitative Disclosures

A) Information relating to the composition and mandate of the Remuneration Committee.

The Bank's Nomination and Remuneration Committee (NRC) oversees the framing, review and implementation of the Compensation Policy on behalf of the Board of Directors. The NRC reviews the policy at least once a year to ensure that the reward design is aligned to industry best practices and is consistent with effective risk management and long term business interests of the Bank. The NRC works in close coordination with the Risk Management Committee of the Bank, to achieve the effective alignment between remuneration and risks.

As on March 31, 2025 the NRC comprises of the following directors.

Mr. Suhail Chander - Chairman

Dr. A S Ramasastri

Mr. Philip Mathew

The NRC functions with the following main objectives:

- To identify persons who are qualified to become directors in accordance with the criteria laid down, recommend to the Board

their appointment, re-appointment or removal and to carry out evaluation of every Director's performance;

- To formulate the criteria for determining qualifications, positive attributes and independence of a Director and decide their 'fit & proper' status;
- To oversee the framing, review and implementation of compensation policy of the Bank and recommend to the Board the overall remuneration philosophy and policy including the level and structure of fixed pay, variable pay, perquisites, bonus pool, stock based remuneration to employees;
- To oversee the framing, implementation and review of the Remuneration of the Whole Time Director (WTDs) /Managing Director (MD)/ Chief Executive Officer (CEOs) as per the RBI Guidelines and Companies Act, 2013. The Committee shall recommend to the Board the remuneration package for the Managing Director & CEO and the other Whole Time Directors – including the level of fixed pay, variable pay, stock based Remuneration and perquisites;

Schedules forming part of the Balance sheet

as at March 31, 2025

- v) To review the HR strategy and policy including the conduct and ethics of the Bank and review any fundamental changes in the organisation structure which could have wide ranging and high risk implications;
- vi) To review and recommend to the Board, the succession policy at the level of Managing Director & CEO, other WTDs, senior management one level below the Board and key roles.

B) Information relating to the design and structure of remuneration processes and the key features and objectives of remuneration policy

The Compensation Policy reflects the Bank's objectives for good corporate governance as well as sustained and long-term value creation for stakeholders. The aims of the Bank's remuneration framework are to:

- i) Attract, motivate and retain people with requisite skill, experience and ability to deliver the Bank's strategy;
- ii) Create an alignment and balance between the rewards and risk exposure of shareholders and interests of employees;
- iii) Link rewards to creation of long term sustainable shareholder value consistent with strategic goals and appropriate risk management; and
- iv) Encourage behaviour consistent with the Bank's values and principles.
- v) Support appropriate conduct and meritocratic culture through differentiated performance rewards

To achieve the above objectives, the philosophy adopted by the Bank is as follows:

- i) Market referenced: offer employees competitive salary, achieved through benchmarking with peer groups.
- ii) Making fixed salary the main remuneration component.

- iii) Ensure that jobs of similar internal value are grouped and pegged within a range guided by market benchmarked jobs.

- iv) Risk Adjusted: By integrating non-financial considerations relating to conduct in performance assessments, employing proper mix of compensation elements and aligning compensation incentives to risk outcomes and factoring the time horizon of risks

- v) Focus on 'Total rewards', all aspects of compensation, rewards and well defined benefits, including rewarding work environment and personal development.

- vi) The focus will be to ensure that the Bank is competitive in its overall salary offer to its employees without being excessively expensive for the Bank.

The compensation structure for the MD & CEO also mirrors the Bank's philosophy of aligning with the principles of sound compensation practices to ensure:

- i) Effective and independent governance of compensation.
- ii) Effective alignment of compensation with prudent risk taking.
- iii) Effective supervisory oversight and engagement by stakeholders.

Design & Structure of Remuneration process

The total compensation is a prudent mix of fixed remuneration and performance-based variable remuneration

The key remuneration elements are:

- 1) Fixed Pay
- 2) Discretionary Performance-based Variable Remuneration

The Bank ensures that the fixed pay element is reasonable, taking into account the market rates and trends. The fixed pay is reviewed annually using market intelligence provided by a leading global performance/reward consulting and benchmarking firm for financial services industry to ensure that the Bank remains competitive in

Schedules forming part of the Balance sheet

as at March 31, 2025

marketplace and that the Bank is able to attract and retain best talent. The level of fixed pay shall be sufficient enough in order to discourage inappropriate risk-taking.

Performance-based variable remuneration may comprise cash bonus, stock linked instruments, and is awarded by ensuring:

- i) an appropriate balance between fixed and performance-based components;
- ii) that the fixed component represents a higher proportion of the total remuneration;
- iii) that the performance-based component reflects the risk underlying the achieved result;
- iv) that a substantial part of the performance-based component may be deferred;
- v) that no hedging of deferred shares takes place;

Presently, the bank utilises only two form of performance based variable remuneration, viz., cash bonus, ESOP, as referred in note no 18.32 is linked to continuous service with the Bank.

The compensation policy of the Bank is reviewed by the NRC and approved by the Board of Directors. The NRC oversees the implementation of the policy and reviews the fixed pay increases, the organisational performance threshold for bonus to be paid, cash bonus and deferred variable remuneration.

C) Description of the ways in which current and future risks are taken into account in the remuneration process

The MD & CEO, employees in the grades of SVPs and above and employees engaged in the functions of Risk Control and Compliance are included in the policy of risk alignment of compensation.

The alignment of compensation to prudent risk taking is ensured through the following:

- i) Structure of remuneration is such that a significant part of performance based variable remuneration is deferred.
- ii) Performance hurdles includes financial and non-financial parameters, ensuring compensation is aligned to both.

iii) Fixed Salary is reasonable and sufficient, thereby discouraging inappropriate risk taking.

iv) Annual Bonus Plan is managed with an independent governance framework.

v) Variable remuneration awards are conditional, discretionary and contingent upon a sustainable and risk-adjusted performance. They are therefore capable of forfeiture or reduction at the Bank's discretion.

vi) For employees included in the policy of risk alignment of compensation, NRC has the discretion to apply malus and clawback – ex-post risk adjustment, allowing the Bank to adjust previously awarded remuneration to take account of subsequent performance and potential risk outcomes and thus enabling to recoup variable pay in the event of a negative contribution.

Deferral of Variable Pay

To ensure that risk measures are not focused only on the achievement of short term goals, variable payout is deferred, if it exceeds 50% of the fixed pay.

The Bank's compensation policy aims to ensure that both ex-ante estimates and ex-post outcomes of risk affect payoffs; so that one or the other, can better address the various situations or risks.

D) Description of ways in which the Bank seeks to link performance, during a performance measurement period with levels of remuneration.

The Bank has a performance measurement framework in place to assess the achievements of the organisation as a whole, its business lines and organisational units as well as individual employees. In order to maximise the incentive to deliver adequate performance and to take into account any risks of the business activities, the Bank seeks to closely link remuneration outcomes with performance and risk outcomes. Accordingly, the Bank's performance management and compensation philosophy is designed in a manner to help achieve the Bank's business objectives.

The performance management system in the Bank is aligned to the balanced scorecard approach. The goal setting process helps

Schedules forming part of the Balance sheet

as at March 31, 2025

individuals to have clarity on their roles and align their profiles in line with the broad organisation strategy. Both quantitative / financial and qualitative / non-financial performance measures are considered. The qualitative or non-financial measures include customer service, adherence to risk and compliance standards, behaviour and values such as accountability, team work, etc., which builds a culture conducive to sustainable business performance.

The performance appraisal process starts with the employee conducting self-appraisal followed by the assessment of the supervisor via appraisal feedback and discussion.

Individual fixed pay increases and variable remuneration are based on the final performance ratings. In addition, the fixed pay increase is also influenced by an employee's position in the salary range and relevant market salaries. Performance related variable compensation is linked to corporate performance, business performance and individual performance. The performance ratings based bonus distribution matrix is reviewed by the NRC.

Employees engaged in all control functions including Compliance and Risk do not carry business profit targets in their goal sheets and hence are compensated based on their achievement of key result areas as per the balance score card. The aim is to ensure that the remuneration system and outcomes relating to such control functions maintain the independence of the function and Bank's robust risk management framework. Accordingly, for the control functions, the variable pay is conservative to promote prudent risk management behaviour and the 'pay mix' is skewed towards fixed pay.

In the case of performance evaluation of the Managing Director and Chief Executive Officer of the Bank, factors such as financial performance measures, cost management initiatives, other strategic initiatives, prudential risk and compliance management, recognition and awards to the Bank, etc., is taken into account, which may vary from year to year depending on the Bank's strategic priorities. Based on the inputs from NRC, the Board reviews the performance and

recommends the rate of bonus to be paid, and the increments for the MD & CEO, for regulatory approval in terms of Section 35B of the Banking Regulation Act, 1949 (B.R. Act, 1949).

E) Bank's policy on deferral and vesting of variable remuneration and bank's policy and criteria for adjusting deferred remuneration before vesting and after vesting.

In terms of RBI guidelines, the Compensation Policy specifically addresses the following categories of employees:

Category I : Managing Director & Chief Executive Officer / Whole Time Directors / Material Risk Takers

Category II : Risk Control and Compliance Staff

Category III: Other Categories of Staff (employees receiving share-linked variable pay)

The following principles are applied for grant and deferral of performance-based variable remuneration for the above categories of employees.

Category I

- i) Variable pay shall not exceed 3 (three) times the annual fixed pay for MD & CEO and WTDs.
- ii) Variable pay shall not exceed 2.5 (two and half) times the annual fixed pay for MRTs.
- iii) At minimum, variable pay shall be equal to the annual fixed pay.
- iv) If an executive is barred by regulation/statute to receive grant of share-linked instruments, the variable pay shall be capped at 1.5 (one and half) times the annual fixed pay, but will be more than 50% of the annual fixed pay
- v) If variable pay is up to 2 (two) times the annual fixed pay, then at least 50% of the variable pay shall be in the form of share-linked instruments (i.e. non-cash).
- vi) If variable pay is between 2 (two) to 3 (three) times the annual fixed pay, then at least two-thirds of the variable pay shall be in the form of share-linked instruments (i.e. non-cash).

Schedules forming part of the Balance sheet

as at March 31, 2025

- vii) At least 60% of total variable pay shall be deferred including at least 50% of cash-based variable pay. However, in cases where the cash component of variable pay is under ₹25 lakh, the Bank at its discretion, may not necessarily have deferral requirements.
- viii) Deferral of cash based variable pay shall be for 3 years on pro-rata yearly basis (annual vesting).
- ix) Deferral of share-linked variable pay shall be for 4 years on pro-rata yearly basis (annual vesting).
- x) In case the employee exits the organisation before the vesting of all three parts, the remaining deferred cash based variable pay will not be paid

Category II

- i) The mix of Fixed Pay and Variable remuneration will be weighed towards Fixed Pay.
- ii) Variable pay shall not exceed the annual fixed pay.
- iii) At least 40% of the variable pay shall be in the form of share-linked instruments (i.e. non-cash).
- iv) Deferral of share-linked variable pay shall be for 4 years on pro-rata yearly basis (annual vesting).
- v) The compensation will be commensurate to their key role in the Bank.

Category III

- i) Variable Remuneration will be as per the NRC approved pay-out levels in terms of performance, grade and role matrix.
- ii) Variable pay shall not exceed the annual fixed pay.
- iii) At least 50% of the variable pay shall be in the form of share-linked instruments (i.e. non-cash).

- iv) Deferral of share-linked variable pay shall be for 4 years on pro-rata yearly basis (annual vesting).

For the three categories of employees mentioned hereinabove, the awarded performance based variable pay shall be subject to in-year adjustment, malus or clawback as decided by the NRC, in the event of negative contribution of the Bank and / or relevant line of business and in material cases of detrimental conduct of individual or business.

Negative contribution of the Bank and / or relevant line of business is defined as:

Conduct related:

- i) If an employee engages in certain detrimental conduct, including mis-selling practices, manipulation of interest rate benchmarks, illegal activity, breach of a fiduciary duty, etc. that causes material financial or reputational harm to the Bank.
- ii) If the award was based on a material misrepresentation by the employee.
- iii) If there is reasonable evidence of employee malfeasance and breach of integrity inviting disciplinary actions.
- iv) Violation of Anti Hedging and Anti Pledging Policy or Code of Conduct for Prevention of Insider Trading.

Risk related and others:

- i) If the awarded performance-based variable pay was granted on a deliberately erroneous foundation or an incorrect decision made due to gross negligence not considered as errors of judgement.
- ii) If the employee who is reasonably expected to be aware of the failure, misconduct or weakness in approach that contributed to the failure, improperly or with gross negligence failed to identify, assess, report or escalate in a timely manner.
- iii) If the performance, decisions or actions taken leads to the Bank or the relevant business unit suffering a significant material downturn in its financial performance.

Schedules forming part of the Balance sheet

as at March 31, 2025

- iv) If the RBI assessed divergence in the Bank's provisioning for Non-Performing Assets (NPAs) or asset classification exceeds the prescribed threshold for public disclosure, the bank shall not pay the unvested portion of the variable compensation for the assessment year under malus clause. Further, in such a situation, there shall not be any increase in variable pay for the assessment year. In case the bank's post assessment Gross NPAs are less than 2.0%, these restrictions will apply only if the criteria for public disclosure are triggered either on account of divergence in provisioning or both provisioning and asset classification.
- v) In the event of a material restatement, correction or amendment of the Bank's financial results for the relevant period.

F) Description of the different forms of variable remuneration (i.e. cash, shares, ESOPs and other forms) that the bank utilises and the rationale for using these different forms.

The Bank presently utilises only one form of variable remuneration, viz., cash bonus, which is linked to corporate performance, business performance and individual performance ensuring differential pay based on the performance. ESOP, as referred in Note 18.32 is linked to continuous service with the Bank.

18.27 Disclosure on Liquidity Coverage Ratio

(A) Qualitative disclosure

The Bank has adopted the Basel III framework on liquidity standards as prescribed by RBI and has put in place requisite systems and processes to enable periodical computation and reporting of the Liquidity Coverage Ratio (LCR). The Risk department computes the LCR and reports the same to the Asset Liability Management Committee (ALCO) every month for review.

The Bank follows the criteria laid down by RBI for calculation of High Quality Liquid Assets (HQLA), gross outflows and inflows within the next 30-day period. HQLA predominantly comprises Government securities in excess of minimum SLR requirement viz. Treasury Bills, Central and State Government securities and excess of minimum cash reserve ratio (CRR).

The Board of Directors has the overall responsibility for management of liquidity risk. The Board at overall level decides the strategy, policies and procedures of the bank to manage liquidity risk in accordance with the liquidity risk tolerance/limits. The Board has constituted Risk Management Committee, which reports to the Board, and consist of Managing Director and certain other Board members. The Committee is responsible for evaluating the overall risks faced by the bank including liquidity risk.

18.29 Disclosure on Derivatives

(i) Derivatives

Derivatives are financial instruments whose characteristics are derived from underlying parameters like interest rates or foreign exchange rates. These include forward contracts, swaps, etc. These transactions may expose the Bank to risks primarily in the nature of market and credit risk. The following sections outline the nature and terms of the derivative transactions undertaken by the Bank.

Interest Rate swaps undertaken by the Bank involve the exchange of interest obligations with a counterparty for a specified period without exchanging the underlying principal i.e., notional amount. The Bank has undertaken derivative transactions in Rupee Interest Rate Swaps (OIS) only on the Astroid platform of CCIL for proprietary trading.

Foreign Exchange forward contracts and Foreign Exchange Swaps are agreements to buy /sell/exchange fixed amounts of currency against another currency at an agreed exchange rate on Spot / forward date. These instruments are carried at fair value.

The Bank has adopted the following mechanism for managing risks arising out of the derivative transactions.

The derivative transactions are governed by the Investment Policy and Market Risk Management Policy of the Bank as well as by the extant RBI guidelines. The risk limits are set up and actual exposures are monitored vis-à-vis the limits allocated. These limits are set up taking into account market volatility, risk appetite, business strategy and management experience. Risk limits are in place for risk parameters viz. Value at Risk (VaR), Maximum tenor, deal size and Price Value of a Basis Point (PVBp). Actual positions are monitored against these limits on a daily basis and breaches if any are reported promptly.

The Treasury has entered into derivative transactions with interbank counterparties. The Bank has an independent back-office and mid-office as per regulatory guidelines. The MTM position of the derivative portfolio is monitored on a daily basis. The risk profile of the outstanding portfolio is reviewed by the Board at regular intervals.

Derivative transactions such as foreign exchange forward contracts, foreign exchange swap and Interest rate swaps outstanding as at the Balance Sheet date and held for trading, are fair valued. The resulting profit or loss on valuation is recognised in the Profit and Loss Account. Derivatives which are not intended for trading such as, Foreign Exchange forward contracts and Forex swaps and which are outstanding at balance sheet date, are fair valued at the FEDAI closing rate. The premium or discount arising at the inception of such Forward contracts and Foreign Exchange swaps are amortised as expense or income over the life of the contract. Derivatives are classified as assets when the fair value is positive (positive marked to market value) or as liabilities when the fair value is negative (negative marked to market value). Bank has placed margin/collateral to Central Counterparty (CCIL) for various asset classes, wherever applicable.

18.32 Employee Stock Option Scheme (ESOS)

On July 26, 2017 the board of directors approved the Bandhan Bank Employee Stock Option Plan Series 1 for issue of stock options to eligible employees and directors of the Bank.

The Shareholders of the Bank at the meeting held on November 23, 2017 has approved the Employee Stock Option Plan Series 1 and the grant of Employee Stock Option to the employees of the Bank. The said approval accords the Board of Directors of the Bank or any Committee including the Nomination and Remuneration Committee, which the Board has constituted, to create, offer, and grant at any time to permanent employees of the Bank, including any Director of the Bank, whether whole-time or otherwise but excluding Promoter(s), Independent Directors and Directors holding directly or indirectly more than 10% of the outstanding equity shares, employee stock options from time to time in one or more tranches.

This plan was framed in accordance with the SEBI (Employee Stock Option Scheme & Employee Stock Purchase Scheme) Guidelines, 1999 as amended from time to time and as applicable at the time of the grant. The accounting for the stock options has been in accordance with the SEBI (Share Based Employee Benefits) Regulations, 2014 to the extent applicable.

Employee Stock Option Plan Series 1 provides for the issuance of options at the recommendation of the Nomination and Remuneration Committee of the Board ('NRC') at the closing price on the working day immediately preceding the date when options are granted. The closing price of the Bank's equity share on an Indian stock exchange with the highest trading volume as of the working day preceding the date of grant set forth by the NRC at the time of grant. The period in which the options may be exercised cannot exceed five years from date of expiry of vesting period. However, if the participant's employment terminates due to retirement (including pursuant to any early/ voluntary retirement scheme), the whole of the unvested options shall vest on the first vesting date relating to the said grant, immediately following the date of superannuation. During the years ended March 31, 2025 and March 31, 2024, few modifications were made to the terms and conditions of ESOPs as approved by the NRC.

Fair value methodology

The weighted average fair value of stock option granted during the year was ₹60.96. The fair value of options used to compute the proforma net profit and earnings per equity share have been estimated on the dates of each grant using the binomial option-pricing model. The Bank estimates the volatility based on the historical prices of its equity shares. The various assumptions considered in the pricing model for the ESOPs granted during the year ended March 31, 2025 are:

Particulars	As at March 31, 2025
Dividend yield (%)	0-0.93%
Expected volatility (%)	36.51%, 37.95%, 49.20%, 49.11%
Risk-free interest rate (%)	6.53%, 6.56%, 6.58%, 6.61%
Expected remaining life of the options (yrs)	0.25-8.92 yrs

The expected volatility reflects the assumption that is indicative of future trends, which may also not necessarily be the actual outcome.

The Bank measures the cost of ESOP using the Fair valuation method w.e.f April 01, 2021. Had the Bank used the fair value model to determine compensation for options granted before April 01, 2021, its profit after tax and earnings per share as reported would have changed as indicated below:

18.44 Implementation of IFRS converged Indian Accounting Standards (Ind AS)

The RBI issued a circular in February, 2016 requiring banks to implement Indian Accounting Standards ('Ind AS') and prepare Ind AS financial statements with effect from April 01, 2018. In line with the RBI guidelines on Ind AS implementation, the Bank has formed a Steering Committee comprising members from the concerned functional areas. As advised by the RBI, the Bank has also submitted Proforma Ind AS financial statements every half year to the RBI.

Further, RBI vide its communication dated August 08, 2021, had advised the bank to submit Proforma Ind AS financial statements.

Further on January 16, 2023 RBI released a discussion paper on the Expected Loss (EL) based approach for loan loss provisioning by banks to formulate a principle based guidelines supplemented by regulatory backstops wherever necessary.

However, the RBI in its press release issued on March 22, 2019 has deferred the applicability of Ind AS till further notice for Scheduled Commercial Banks.

Schedules forming part of the Balance sheet

as at March 31, 2025

The Bank has made a diagnostic study to identify the gaps, process and system changes required to implement Ind AS and is in the process of implementing necessary changes in its IT system and other processes. The Bank is regularly holding workshops and training for its staff.

18.45 The Bank has applied its significant accounting policies in the preparation of these financial results consistent with those followed in the annual financial statements for the year ended March 31, 2024 and any circular / direction issued by RBI is implemented prospectively when it becomes applicable. Basis the RBI circulars/ directions, changes has been made during the year which are disclosed in Note 18.46 below.

18.46 A) Policies on classification and valuation of investments:

With effect from April 01, 2024 the Bank adopted the revised framework of classification and valuation of investments issued by RBI vide Master Direction No. RBI/DOR/2023-24/104 DOR.MRG.36/21.04.141/2023-24 on Classification, Valuation and Operation of Investment Portfolio of Commercial Banks (Directions), 2023 dated September 12, 2023. The disclosure of transition impact in terms of Para 43 of the RBI Circular is disclosed in Note 18.5(A)(ii) of Notes to Accounts & Accounting Policy (refer 4.2)

B) Accounting for Employees Stock Option Expense:

Pursuant to RBI Guidelines on Compensation of Whole Time Directors/ Chief Executive Officers/ Material Risk Takers and Control Function Staff, the Bank was recognising the cost of new stock options granted on or after April 01, 2021 to the Whole Time Directors,

Chief Executive Officers, Material Risk Takers and Control Function Staff at fair value on the date of grant using the Black-scholes model. During the year, pursuant to RBI advisory, the Bank has changed its accounting policy in respect of share based payment to all employees from intrinsic value method to fair value method for stock options granted after March 31, 2021 and consequently the bank has recognised fair value of options estimated using Black-Scholes model, as compensation expense over the vesting period as disclosed in Accounting Policy (refer 4.10)

18.47 With respect to the claim under Credit Guarantee Fund for Micro Units (CGFMU), the Bank has received from NCGTC on January 21, 2025 the claim payout of ₹289.59 crore. Accordingly, 'Other Income' for the year ended March 31, 2025 includes an amount aggregating to ₹537.61 crore (claim receivable of ₹289.59 crore and reversal of ₹248.02 crore pertaining to recoveries related to first tranche of accounts held under 'Other Liabilities'). In relation to the ECLGS scheme, the Bank has received a claim of ₹123.25 crore from NCGTC during the year ended March 31, 2025. This is in addition to the claim received of ₹161.13 crore in earlier years. The balance claim would be received in line with the Scheme Guidelines. The said amount has reduced the provisions debited to Profit & Loss Account under "Provisions & Contingencies" and also been considered for computing Net NPA's as per the consistent accounting policy followed by the Bank.

18.48 Previous year figures have been regrouped/ reclassified, wherever necessary, to conform to current year classification.
