COVID-19 Impact

- The Company is actively monitoring the impact of the Covid-19 pandemic on its financial condition, liquidity, operations, work force etc.
- The Company has been able to resume operations at various project sites from the beginning of May'2020 in a gradual manner. The Company has made substantial improvement in its revenue from operations in the second quarter of 2020-21 as compared to the previous quarter (Quarter ended 30, June'2020).
- The Company expects to recover the carrying amount of its assets comprising property, plant and equipment, investment properties, intangible assets, right of use assets, inventory, advances, trade receivables, deferred taxes, other financial and non-financial assets etc. in the ordinary course of business based on information available on current economic conditions.
- The Company will continue to monitor closely any material changes to future economic conditions, while steps are being taken to improve its working efficiencies.

No representation or warranty, express or implied, is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or opinions contained in this presentation. Such information and opinions are in all events not current after the date of this presentation.

Certain statements made in this presentation may not be based on historical information or facts and may be "forward looking statements" based on the currently held beliefs and assumptions of the management of **IRCON** ("Company" or "**Ircon International Ltd.**"), which are expressed in good faith and in their opinion reasonable, including those relating to the Company's general business plans and strategy, its future financial condition and growth prospects and future developments in its industry and its competitive and regulatory environment.

Forward-looking statements involve known and unknown risks, uncertainties and other factors, which may cause the actual results, financial condition, performance or achievements of the Company or industry results to differ materially from the results, financial condition, performance or achievements expressed or implied by such forward-looking statements, including future changes or developments in the Company's business, its competitive environment and political, economic, legal and social conditions. Further, past performance is not necessarily indicative of future results. Given these risks, uncertainties and other factors, viewers of this presentation are cautioned not to place undue reliance on these forward-looking statements. The Company disclaims any obligation to update these forward-looking statements to reflect future events or developments.
