(A) THE INDEPENDENT AUDITORS IN THEIR REPORT FOR 2015-16 HAVE STATED AS UNDER:-**EMPHASIS OF MATTERS:**

We draw attention to the following matters in the Notes to the financial statements. Our opinion is not qualified in respect of this matter.

a) Componentization: (Refer note No. V of the financial statements)

As per note 4 of Schedule II to the Companies Act, 2013 -"Useful life specified in Part C of the Schedule is for whole of the asset. Where cost of a part of the asset is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part shall be determined separately."

The above requirement is commonly known as 'component accounting'. Companies are required to identify and depreciate significant components with different useful lives separately.

However management is of the view that no component is having more than 10% value of total cost of the dredger hence component accounting is not applicable.

b) We draw attention to the Note No VI of the financial statements, where in the Company has made investments in Equity shares amounting to ₹3,000 lakhs in Sethusamudram Corporation Limited (SCL), a Special Purpose Vehicle that was incorporated on 06.1.2004 for developing the Sethusamudram Channel Project. The dredging work at Palk Strait was suspended from 16-07-2009. Since the Balance sheet as on 31st March 2015 of Sethusamudram Corporation Limited (SCL) is showing positive net worth, Management does not consider any diminution in the value of the investment.

c) Trade Receivables includes ₹11,433.18 lakhs receivable from M/s Sethusamudram Corporation Ltd. (SCL) which is pending for more than 3 years. Out of the above, Company has provided for doubtful debts to the extent of ₹3019.27 lakhs. The company is of the view that an amount of ₹30897.00 lakhs will be reimbursed by GOI (at whose behest the contract with SCL was entered) to DCI to compensate the actual expenditure incurred on this project. In view of this, a provision for doubtful debts is not made in respect of receivables in this regard amounting to ₹8413.91 lakhs.

d) The balances of sundry debtors, creditors, loans and advances, other receivable and other payables being subject to confirmation and reconciliation resulting in the balances as per books of account not verified by us.

Management's Reply to Emphasis of Matter: The above emphasis of matters at Sl.(a), (b) and (c) include the views of the management on the same. With regard balance of sundry debtors etc., at Sl.No. (d) above it is stated that confirmation for some of the amounts, particularly with regard to sundry debtors due from various ports etc., for the works executed by DCI and/or bills raised for the same, are to be received.

(B) THE COMPANY SECRETARY IN PRACTICE IN THE SECRETARIAL AUDIT REPORT FOR 2015-16 STATED AS UNDER:-
QUOTE

"We further report that the Board of Directors of the Company is not properly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors."

SECRETARIAL AUDIT REPORT

For the financial year ended March 31, 2016

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To
The Members,
Dredging Corporation of India Limited

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Dredging Corporation of India Limited (CIN:L29222DL1976GOI008129) having its registered office at Core-2, First Floor, "Scope Minar", Plot No.2A & 2B, Laxminagar District Centre, Delhi – 110091 (hereinafter called the company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in our opinion, the company has, during the audit period covering the financial year ended on March 31, 2016 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter: We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2016 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of External Commercial Borrowings. There is no Foreign Direct Investment/ Overseas Direct Investment during the year.
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - (b) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (vi) The following Acts/ Guidelines specifically applicable to the Company:
 - (a) Merchant Shipping Act, 1958
 - (b) Guidelines on Corporate Governance for Central Public Sector Enterprises, 2010.
 - (c) International Safety Management Code (ISM)

We have also examined compliance with the applicable clauses /regulations of the following:

- (i) Secretarial Standards with respect to meetings of Board of Directors (SS-1) and General Meetings (SS-2) issued by the Institute of Company Secretaries of India applicable with effect from 1st July, 2015.
- (ii) The Listing Agreements entered into by the Company with BSE Limited, CSE Limited and the National Stock Exchange of India Limited and the Uniform Listing Agreement entered with the said stock exchanges pursuant to the provision of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (applicable with effect from 1st December, 2015)

We report that during the year under review, the Company has complied with the provisions of the Act, Rules, Regulations, and Guidelines, mentioned above subject to the following observations.

The Company has complied with the requirements of corporate governance as provided under clause 49 of the listing agreement and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and DPE Guidelines on Corporate Governance, with the exception of appointment of independent Directors to the extent of 50% of the total strength of the Board. The Company has appointed only two Independent Directors on 23rd March, 2016 as against the requirement of five independent directors.

With the appointment of two independent directors on 23rd March, 2016, company has constituted the CSR Committee (Sec 135), Audit Committee (Sec 177), Nomination and Remuneration committee (Sec 178) and Stakeholders Relationship committees under the Companies Act, 2013. As these committees were constituted only on 23rd March, 2016, these committees have not met even once before 31st March, 2016.

We further report that there were no actions/events in pursuance of :

- a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- b) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
- c) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008.
- d) The Securities and Exchange Board of India (Delisting of Equity shares) Regulations, 2009.
- e) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998.

We further report, that the compliance by the Company of applicable financial laws, like direct and indirect laws, has not been reviewed in this Audit since the same have been subject to review by the statutory audit and other designated professionals.

We further report that that the Board of Directors of the Company is not duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Decisions at Board meetings as represented by the Management were taken unanimously.

We further report that as per the explanations given to us and the representations made by the management and relied upon by us, there are adequate systems and processes in the company commensurate with the size and operation of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period the Company had no specific events/actions having a major bearing on the Company's affairs in pursuance to the laws, rules, regulations, guidelines, standards, etc., referred to above.

**MANAGEMENT DISCUSSION AND ANALYSIS REPORT FOR THE YEAR 2015-16****INDIAN DREDGING - OUTLOOK & POLICY GUIDELINES**

1. India has an extensive coastline of approximately 7517 kilometers. There are 13 Major Ports under the administrative control of the MoS and approximately 187 Non-Major Ports under the administrative control of the Government of India ("GoI") and State Governments and the private ports, strategically located on the world's shipping routes, its long tradition of seafaring with a large pool of trained maritime personnel and its dynamic and rapidly globalizing economy with a vast potential to expand its participation in trade and development. A few such ports are natural harbours with sufficient water depth to handle vessels plying cargo to and from them. Most of the other ports require capital dredging to expand vessel size handling capability and maintenance dredging for maintenance of their existing/expanded capability to berth vessels of different shapes and sizes.

1.1 India has rich maritime history with trade and cultural contacts with multiple countries and cultures around the globe. Ports give significant economic pay offs for their city and state- they help generate jobs, add value, mobilise new investment, bring in tax revenues and support trade through reduced logistic costs. The Government of India has initiated Sagarmala National perspective plan with the concept of port led development. Port-led development focusses on logisticsintensive industries (where transportation either represents high proportion of costs or timely logistics is a critical success factor). These industries can be structurally competitive, if developed proximate to coast or waterways. This would be supported by efficient and modern port infrastructure and seamless multi-model connectivity. The Sagarmala National Perspective Plan (NPP) has identified range of projects and enablers under four pillars - logistic intensive industries, efficient ports, seamless connectivity and requisite skill base which can unlock opportunities for port led development.

1.2. The Indian dredging market consists primarily of maintenance dredging and capital dredging in addition to a limited amount of inland dredging, beach nourishment and reclamation dredging. We are a very prominent player on account of our expertise in this highly technical and skilled sphere of business.

1.3. As per the report of the Working Group for Ports Sector for 12th Plan, a total quantity of 675.25 MCM and 429.99 MCM had been planned for capital and maintenance dredging respectively for all the ports in the country during the 11th Plan. This quantity includes the dredging to be done for fishing harbours also besides the major and non major ports. Against this targeted plan, only 278.93 MCM and 291.63 CM had been achieved under the capital and maintenance dredging respectively. This constitutes 41.31% and 67.82% against the targeted quantity. The major ports achieved 31.97% of the targeted quantity, the non-major ports achievement was 49.55% in capital dredging work. In maintenance dredging work, the figures are 68.89% and 59.92% respectively. The shortfall in achieving the set target is due to many factors. Delay or failure to takeoff number of port development projects, financial and environmental constraints, the need to carry out engineering studies to assess the quantum of dredging and the type of dredging to be performed, poor response from bidders to undertake the work are some of the reasons attributable to the shortfall. Overall, the ports had done better in achieving the target in maintenance dredging. The non major ports had done better than the major ports in capital dredging work.

2. Dredging requirement :- The capital dredging requirements for major ports stem from the various port projects planned by the major ports. Ports of Kolkata, Paradip, Visakhapatnam, Ennore, Chennai, Tuticorin, Mormugao, Jawaharlal Nehru and Kandla are planning to undertake the capital dredging of quantities more than 10 MCM. The capital dredging quantities in respect of other major ports are less than 10 MCM. The total quantity planned is 221.11 MCM of all the 12 major ports including the requirement for Navy. The projection for maintenance dredging at Major Ports is 404.25 MCM. In total the requirement is 625.36 MCM which is almost at the same level when (92.5%) compared with 676.34 MCM projected for the major ports during 11th Five Year plan. The non major ports have projected a total requirement of 543.61 MCM of which 418.03 MCM is for capital dredging and 128.58 MCM is for maintenance dredging. When compared with the projection of 368.59 MCM and 46.41 MCM respectively for capital and maintenance dredging during 11th Five year plan, there is an increase of nearly 31%. Capital dredging requirement of the State of Orissa, Andhra Pradesh and Gujarat constitute 57.8% of total capital dredging due to development of Gopalpur and Dhamra ports in Orissa, development of Machilipatnam, Krishnapatnam, Kakinada and Gangavaram ports in Andhra Pradesh, and development of Hazira port in Gujarat state.

3. The 12th plan dredging requirements, if achieved, will enable all the Major Ports (except Kolkata) and non-Major Ports to handle the vessels with 14 meters draft at the end of 12th plan period. In case transloading facilities installed at sandheads by Kolkata Port, then Kolkata Port can also handle 14 m draft vessels.

4. The Ministry during the year formulated the Maritime Agenda 2020 which is the perspective plan of the Ministry for this decade. It identifies the priority areas for Government intervention and is a road map for creation and upgradation of infrastructure in the Ports and also for augmentation of Indian tonnage in the shipping sector. The document says that Shipping lines have been representing time and again that port charges at Indian Ports are very high as compared to other comparable International Ports. As a matter of fact, vessel related charges are perhaps higher than some of the International Ports whereas cargo related charges are much lower in some Indian Ports in comparison to ports abroad. The document says that if Vessel related charges alone are taken, the reasons for higher charges are mainly two: (1) higher cost of dredging in certain ports, requiring perennial dredging and (2) lack of subsidy on the part of Government. In many parts of the world, some part of dredging (at least Capital) is funded by Provincial Governments or Federal Governments. If the same approach is adopted by Central Government or State Governments, the vessel related charges also could be brought to the reasonable levels. The document says that Major Ports in India have drawn up some ambitious expansion plans during the next decade including several dredging major dredging projects by some ports, thereby intending to create substantial additional capacity. The dredging projects are mainly for deepening of channels, enhancing the available draft at berths or for construction of more berths.

5. DCI participates in the open competitive bids for dredging issued by major ports as per the dredging policy guidelines issued by Ministry of Shipping. DCI has secured the dredging project for Kandla port on open tender basis. Further, as per the dredging policy, Government of India reserves the right to assign in public interest any contract for dredging work in any of the major ports on nomination.

6. With the entry of global players either directly or through their Indian arms competing to get the contracts at competitive rates has constrained DCI to quote competitively. This has put the financials of the Company under severe strain because of

increasing cost due to frequent repairs and lay-up of the ageing dredgers. The addition of the dredgers XIX and XX to the fleet in December, 2012 and July, 2013 and XXI in March, 2014 has augmented the capacity of the Company.

8. OUR COMPETITIVE STRENGTHS

We believe that we are well -positioned to maintain and enhance our leadership position in the Indian dredging market, on account of our competitive strengths, which include the following:

Premier and the only PSU dredging company in India

We are a premier and the only PSU dredging company in India. We are also the preferred dredging company for Major Ports and the Indian Navy. We have been in this business since 1976 and have been catering to the dredging requirements of the major ports/ Indian Navy since then. Owing to the long association with the Major Ports, our Company is the most preferred company for dredging requirements of most of the Major Ports and the India Navy.

Flexible portfolio of dredging assets

Our Company operates a diverse dredging fleet which is the largest in India in terms of capacity. The size, versatility and technical capabilities of our fleet improves its competitiveness as it generally permits our Company to select the appropriate equipment for a particular maintenance dredging job. To maintain the value and effectiveness of fleet, the Company emphasizes preventive maintenance so as to reduce the downtime, increase profitability, enhance the vessel life.

Strong relationships with Customers

Our Company caters to the dredging requirements of the Major Ports and the Indian Navy right from its inception in 1976 and has a better understanding of the dredging requirements of the Indian Ports. Our Company is the leader in maintenance dredging in India through its combination of usage of advanced equipment and experience. Our Company believes that its size as the largest dredging company in India and its extensive experience significantly enhanced its ability to profitably bid for and complete the contracts awarded to it.

Experienced management team

Our Company's senior managers have vast experience in the dredging and maritime industries. Our Company believes that this experience provides the Company with a significant advantage over its competitors. The Company's floating personnel who manage the dredgers and the management team who give the support services are well trained professionals having vast experience in the dredging and maritime industries

9. OUR STRATEGIES

We intend to increase income from operations and strengthen our domestic and international competitive position by expanding our operations in both our traditional and new dredging services and adopting a pro-active marketing strategy for our domestic and foreign operations. We aim to achieve our mission by pursuing the following business strategies:

Enhancement of market share in maintenance dredging and more participation in capital dredging in India

With the addition of the two new dredgers in December 2012 and July 2013 respectively and third dredger in March 2014 respectively of higher capacity, our Company expects to maintain its domestic leadership position in maintenance dredging by becoming more customer-focused and tailoring marketing initiatives that differentiate between specific groups of customers. In particular, it is consolidating its relationships with the Major Ports and developing marketing efforts aimed at non-Major Ports and new private port developers in India. Also at present company is undertaking Capital dredging assignment at Mormugao Port . We plan to undertake more such assignments subject to the availability of the fleet.

Making forays in foreign dredging market

Apart from consolidation in the Indian dredging market, we have plans to make forays in the foreign dredging market. The initiatives taken for setting our foot once again in foreign waters is likely to materialise in this financial year.

**Enhancement of the fleet capability**

In continuation of the efforts to sustain the existing capacity for which orders were placed for three dredgers meant as replacement of existing aged dredgers, our Company plans to higher hopper capacity trailer suction hopper dredgers. The detailed Project Report for the same is under preparation. Our Company also plans to refurbish the existing aged dredgers so as to increase their effectiveness and enhance their economic life. Further, with the impetus given to inland waterways by the Government and the consequent necessity and demand for inland dredging, the company has placed order for an inland cutter suction dredger and the same is expected to join fleet very shortly.

Reducing operational costs

Further, to the capacity enhancement initiatives discussed above, your Company also has taken initiatives to reduce operational costs by focusing on fuel efficiency in ship operations and ship procurement and further streamlining the spare parts procurement systems. Your Company also proposes to have tie-ups with ship repair yards for continued maintenance of our vessels for a period of time so as to make available the dredgers for a guaranteed minimum number of days every year. In this direction a long term MOU was signed with Cochin Shipyard Limited.

Strategic alliances through long term contracts with major ports

Your Company proposes to have strategic alliances with major ports. This will ensure assured business for the Company and enable the Company to plan in advance regarding the deployment of the vessels. The Company also proposes to act as nodal agency to meet all dredging requirements for major ports in the country.

Optimize capacity utilization

Your Company intends to continue to optimize its capacity utilization by continuous project monitoring and review, reducing equipment downtime through preventive maintenance and working with repair yards to accelerate dry dock repair periods, and increasing computerization, including introducing online connectivity between dredgers, projects and the head office. Our Company also intends to continue to invest in quality pre-dredging surveys and equipment and continue to invest in repairs and maintenance. Through a renewed focus on training, your Company intends to introduce specific project planning and management initiatives to educate its staff to identify and develop new market opportunities. Your Company believes in the introduction of best practices in procurement, costing and working capital management, along with the introduction of tailored human resources practices, participatory management and new technologies, which will create new competencies in its organization and add value for its dredging customers.

10. THREATS

The Company perceives the following threats

- i Increasing foreign competition.
- ii Increasing competition from Indian dredging companies.
- iii Frequent and expensive repairs to dredgers due to ageing.

The increased competition has in a way helped the company to tighten up and become more competitive. The company has taken steps in this regard by appointing a consultant to benchmark different parameters -both technical and operational against the best in the world as well take corrective steps to match the same..

11. INDIAN DREDGING MARKET OUTLOOK

While the consistent maintenance dredging requirements at the major ports are expected to continue, increasing private sector participation in port development and related capital dredging activity is expected. At the same time, the dynamics in the Indian market are rapidly changing. The key changes taking place include changes in customer profile for dredging companies from Government to private sector developers, changes in payment patterns for dredging work with stringent performance parameters the expansion of Indian port capacity and increasing participation of international companies in the Indian dredging market. Other developments include:

- i Deeper draught requirements of Indian Ports.
- ii Tourism development and increasing need for beach nourishment.
- iii Land reclamation for low lying areas.

The Sagarmala initiative of the Government gives impetus to port led development and consequent increase in demand for dredging.

DCI's customers include Major Ports under the administrative control of the Ministry of Shipping, Non-Major Ports under the administrative control of the GoI and State Governments, private ports, the Indian Navy and shipyards. The Indian dredging market is primarily maintenance dredging-oriented. However, some capital dredging projects are also in the offing. DCI has already secured the Ennore Capital dredging project on tender basis.

12. RISKS AND CONCERNS

The foreign exchange variations may cause a dent in the cash flows apart from effecting the results of the Company due to the debt service obligations in foreign exchange.

13. INITIATIVES TAKEN/FUTURE PLANS OF THE COMPANY

Keeping the various developments in the dredging industry in view, your Company has initiated action in several areas, including:

- i Appointment of marketing consultants for promoting DCI business abroad.
- ii Appointment of strategic consultants for preparation of documents for growth and diversification into new business and to increase revenue and profits.
- iii Consolidation of share in maintenance dredging in India
- iv More participation in capital dredging – acquiring necessary skills, training company personnel, acquiring/chartering dredgers.

- v Acquisition of dredgers with fuel efficient design and advanced technology, fitted with sophisticated and state-of-the-art technology.
- vi Reducing operational costs - Focusing on fuel efficiency in ship operations, streamlining spare parts procurement systems.
- vii Close monitoring of repairs.
- viii Technology upgradation.

14. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has reasonable system of delegation at proper levels and an adequate system of internal control commensurate with its size and nature of its business. The Company has an adequate and independent internal audit department for conducting extensive audit of various important operational and financial matters. The internal audit work at Head Office and some of the projects has been outsourced to Chartered Accountant firms. The internal controls are reviewed by the Internal Audit Department. The Vigilance Department deals with vigilance and disciplinary cases with emphasis on preventive vigilance. C&AG conducts proprietary audit. The Company has constituted an Audit Committee and significant audit observations and follow up action thereon are reported to the Audit Committee. The proceedings of the Audit Committee meetings and also other Sub-Committee meeting of Directors are submitted to the Board.

15. INDUSTRIAL RELATIONS

The industrial relations in the Corporation continued to be cordial throughout the year under report.

16. CORPORATE SOCIAL RESPONSIBILITY

The Board of Directors of the Company have formulated the Corporate Social Responsibility Policy for the Company and also constituted a Sub-Committee of Directors for implementation of the same. The report of the Corporate Social Responsibilities activities of the Company is attached to the Director's Report.

17. CAUTIONARY STATEMENT

Statements in this "Management Discussion and Analysis" describing the objectives, expectations, assumptions or predictions of the Company may be forward-looking statements within the meaning of applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the operations of the Company include economic conditions affecting demand/supply, price conditions in the domestic and international markets, Government policies and regulations, statutes and other incidental factors.

**INDEPENDENT AUDITORS' REPORT**

TO
THE MEMBERS OF
DREDGING CORPORATION OF INDIA LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of Dredging Corporation of India Limited ('the Company') which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("The Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting principles generally accepted in India including the Accounting Standards specified under the section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the Assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of the appropriate accounting policies; making judgements and estimates that are reasonable and prudent; design implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the Accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under section 143 (11) of the Act.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016 and its profit and its cash flows for the year ended on that date.

EMPHASIS OF MATTERS:

We draw attention to the following matters in the Notes to the financial statements. Our opinion is not qualified in respect of this matter.

a) Componentization: (Refer note No. V of the financial statements)

As per note 4 of Schedule II to the Companies Act, 2013 - "Useful life specified in Part C of the Schedule is for whole of the asset. Where cost of a part of the asset is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part shall be determined separately."

The above requirement is commonly known as 'component accounting'. Companies are required to identify and depreciate significant components with different useful lives separately.

However management is of the view that no component is having more than 10% value of total cost of the dredger hence component accounting is not applicable.

b)

We draw attention to the Note No VI of the financial statements, where in the Company has made investments in Equity shares amounting to ₹3,000 lakhs in Sethusamudram Corporation Limited (SCL), a Special Purpose Vehicle was incorporated on 06.1.2004 for developing the Sethusamudram Channel Project. The dredging work at Palk Strait was suspended from 16-07-2009.

Since the Balance sheet as on 31st March 2015 of Sethusamudram Corporation Limited (SCL) is showing positive net worth, Management does not consider any diminution in the value of the investment.

c)

Trade Receivables includes, ₹11,433.18 lakhs receivable from M/s Sethusamudram Corporation Ltd. (SCL) which is pending for more than 3 years. Out of the above, Company has provided for doubtful debts to the extent of ₹3019.27 lakhs. The company is of the view that an amount of ₹30897.00 lakhs will be reimbursed by GOI (at whose behest the contract with SCL was entered) to DCI to compensate the actual expenditure incurred on this project. In view of this, a provision for doubtful debts is not made in respect of receivables in this regard amounting to ₹8413.91 lakhs.

- d) The balances of sundry debtors, creditors, loans and advances, other receivable and other payables being subject to confirmation and reconciliation resulting in the balances as per books of account not verified by us.

Report on Other Legal and Regulatory Requirements

- 1) As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, Statement of Profit and Loss and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the financial statements comply with the Accounting Standards prescribed under section 133 of the Act.
 - e. On the basis of the written representation received from the directors as on 31 March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses and unmodified opinion on the adequacy and operating effectiveness of the Company's internal controls over financial reporting.
 - g. With respect to the other matters to be included in the Auditor's report in accordance with rule 11 of the companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The company has disclosed the impact of pending litigations on its financial position in its financial statements- refer note XVI 1a-e to the financial statements;
 - ii. The company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There are no amounts which are required to be transferred to the Investor Education and Protection Fund by the company.
- 2) As required by the Companies (Auditor's Report) Order, 2015 ("the Order"), issued by the Central Government in terms of section 143 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 3) Directions under Section 143(5) of the Companies Act, 2013 are for part of this report.

ANNEXURE "A" TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in Paragraph 1(f) under "Report on other Legal and Regulatory requirements" section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Caluse (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **DREDGING CORPORATION OF INDIA LIMITED** ("the Company") as of 31 March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The

procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes:

- Buildings include ₹3.37 lakh (previous year ₹3.37 lakh) being the cost of two residential flats at Mumbai which are yet to be registered in the name of the Company.
- As per the requirement of Schedule II to the Companies Act, 2013, where cost of a part of the asset is significant to the total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part shall be determined separately for depreciation purpose. Pursuant to this, the company changed its accounting policy during the QE 30/06/2015 broadly categorizing the component parts of dredgers into three items i.e., 1. Keel and Hull (60% of vessel's cost), 2. Plant and Machinery in salt and sea water environment (35% of vessel's cost), 3. Electrical /Electronic Equipment (5% of vessel's cost). However, this was only a broad categorization but could not be componentized. After careful examination, the company is of the view that none of the component part of the fixed asset is considered to be significant as compared to total cost of the asset. Consequently, the charging of depreciation for component parts was not required. Accordingly, restored the last year's accounting policy for charging depreciation for FY 2015-16 in the last quarter ending 31/03/2016.
- CSD Dr XVIII had some inherent manufacturing defects and the production/output of the vessel was below the designed output. In view of the under performance of the vessel, the company invoked the performance guarantee for an amount of ₹27.37 Crs given by the builder and the company has taken action to remedy the defects at a cost of ₹32 Crs. The vessel is expected to be back into operations by June, 2016. The management has carried out the impairment test and noted that the value in use is in excess of the carrying cost and hence does not require any impairment provision.
