## Chairman's Statement

### Dear Shareholders,

It gives me great pride to address you at this moment of our long association in the journey of growth of Aarti Industries Ltd. The last Annual General Meeting held on August 13, 2012 was addressed by our Founder Chairman Shri Chandrakant V. Gogri. He opted to retire from the Post of Chairmanship of the Company from 16<sup>th</sup> August, 2012, to pursue his interest towards serving the society at large by associating with NGOs to fulfill his long-held belief to promote education and rebuilding lives. I, along with our Board of Directors, are thankful to Shri Chandrakant V. Gogri to have accepted to continue his association as Chairman Emeritus. Thus, we will continue getting his guidance and wisdom in future as well. I am also thankful to Shri Chandrakant V. Gogri for all his mentoring and entrusting me to take up the Chairmanship of the Company. For us, he shall always be the one who led by example and have showed us the right path.

I also welcome Shri Rashesh C. Gogri, who has been elevated as the Vice Chairman and Managing Director of the Company w.e.f. 16<sup>th</sup> August, 2012. He is an Industrial Engineer from Mumbai, also holds a Diploma in Business Management. He has been engaged in the affairs of the Company as a Whole Time Director since 1997. He has been handling the portfolios of various Strategic Business Units and other departments such as Purchase, Sales and IT. He played crucial role in turning around the Pharma operations of the Company, which break-evened in the last quarter of FY 2010-11 & subsequently been reporting profits. Together, we are committed to continue the journey started by Shri Chandrakant V. Gogri with renewed commitment to share the vision and values espoused by him.

### Remarkable Journey under the Visionary Leadership of Shri Chandrakant V. Gogri:

A small venture promoted by a group of technocrats in September 1984, today, has setup various ISO/GMP certified global size manufacturing units with state-of-the-art technologies, situated in the States of Gujarat, Maharashtra, Madhya Pradesh and Union Territory of Silvassa. These units manufactures various Chemicals with diversified end-uses into Pharmaceuticals, Agrochemicals, FMCG, Pigments & Paints, Polymers, Dyes, Rubber Chemicals, Fuel Additives, etc. In all, the Company manufactures over 150 products on a regular basis, positioning itself as a unique entity capable of supplying basket of products to its loyal and diverse customer base consisting of over 1000 customers. Over the years, the Company has emerged as a market leader in India in its core segment and is ranked amongst the major global manufacturers. Your Company has been recognized and tagged as Preferred Supplier by various MNCs on account of its timely & customized delivery of good quality products.

Shri Chandrakant V. Gogri's expertise and knowledge in the field of Chemicals and Manufacturing process is irreplaceable. He has dedicated a major part of his whole life to the growth of the Company. His business acumen, leadership qualities and adaptability to dynamic market changes have made the Company emerge to this position. He walked through the forest of challenges and paved the road for the growth of our organization. His down-to-earth approach, open door policy for all employees and workers, close and personal interaction with all classes of workforce has created a solid base for a loyal workforce and a homely atmosphere for the employees working in the Company. Shri Chandrakant V. Gogri's untiring contribution for the growth of the Company has led and motivated many of our directors and key employees to emerge as new generation of leaders. We feel Aarti as an organization whose growth story has Shri Chandrakant V. Gogri's vision and leadership written into every chapter.

In 1991, the Indian Manufacturing sector was given a major boost by way of De-licencing and Liberalisation Policies. Considering the growth opportunities, your Company had gone public in the year 1991-92. Over the years, your Company had grown organically by various Greenfield and brownfield expansions and also by Mergers/Amalgamation & Joint Ventures of similar businesses. While sphere-heading the growth-cum-diversity in the product mix, your Company also balanced the same by rewarding the stake-holders who have been the partners in the growth of the Company. For a shareholder who had invested for 100 shares @ ` 46/- per share in our public issue in 1991-92 and if he would stayed invested till date, then by now his 100 shares had become 1200 shares (by virtue of couple of Bonus and Split declared earlier). Further he would have also received around ` 33,260/- as dividends, i.e. approx. 7.2 times his initial investment amount. Considering the average market price of ` 84.8 for the month of April 2013, the 1200 shares are now worth ` 101,760/- i.e. about 22 times the original investment. Thus the shareholder having invested ` 4600 in 1991-92 has got a cumulative return of over 29 times in last 21 years.

### Restructuring Update:

As a part of overall Corporate restructuring and consolidation of our operations, we have merged the manufacturing operations of our Associate Company, Anushakti Chemicals & Drugs Limited (ACDL) into Aarti Industries Limited (AIL) with effect from 1<sup>st</sup> April, 2012, with approvals by the Hon. High Court of Bombay and Gujarat at Ahmedabad. ACDL had manufacturing units at Bhachau in State of Gujarat; Tarapur and Dombivali in State of Maharashtra. Apart from synergies

derived in respect of common products, the said restructuring will also help to increase the volumes of existing range of products and will also facilitate addition of newer products with diverse end usage into Polymers, Fuel Additives, etc. having high growth possibilities. Thus restructuring has lead to spread of overall as well as products and markets specific risks. This consolidation has helped reduce the intercompany transactions and improve the overall operating margin of the merged entity. Aarti Industries Limited held 49.6% stake in ACDL which is still continued, and thus upon the scheme being effective 94,71,614 Equity Shares of ₹ 5/- each were allotted to the remaining shareholders of ACDL, thereby the Share Capital of AIL has increased only by about 12% (i.e. from 7,91,20,073 equity shares to 8,85,91,687 equity shares). With the scheme becoming effective, the financials for FY 2012-13 have been drawn considering this impact of merger.

### **Present Operations and Way ahead:**

The year 2012-13 has been a milestone year for your Company. During the year, your Company's Revenues from operation, for the first time, crossed ₹ 2000 Crores and closed at ₹ 2096 Crores registering a y-o-y growth of over 25%. Similarly the Export revenue also crossed the ₹ 1000 Crores level and ended at ₹ 1060 Crores. Consolidated EBITDA also grew by about 45% to ₹ 365 Crores and Net Profit after Consolidation also recorded the growth of 30% at ₹ 134 Crores. As at 31<sup>st</sup> March, 2013, your Company's Consolidated Gross Block of Fixed Assets was ₹ 1236 Crores and the Consolidated Networth of your Company is ₹ 756 Crores. With this record breaking performance, the exports now account for over 50% of the total revenues, further strengthening the Company's position in Global Markets.

The gradual eastward shift of the Global Chemical Industry is helping to evolve India and China as an emerging hub for Global Chemical Industry. We have been witnessing this part of Asia gradually emerging as a leader for Agrochemicals, Pharmaceuticals, Polymers and various other end-user industries and its intermediates. Consistent depreciation of Indian Rupee and appreciation of Chinese Yuan over US Dollars have increased the competitiveness of Indian Products vis-à-vis the Chinese products. This movement in currency has opened up further growth opportunities for India. Your Company with its global market position, diversified product mix providing stability in operations, larger and wider customer profile from various end-user industries such as Pharmaceuticals, Agrochemicals, FMCG, Pigments & Paints, Polymers, Dyes, Rubber Chemicals, Fuel Additives, etc. is well placed to capitalize on any growth opportunities. This diversity also helps to insulate itself from the economic cycle. With over 50% of its revenues being contributed by factors not linked/affected by the economic cycle, it provides a larger stability and growth opportunity to the Company's existing operations.

Witnessing the growth opportunities into the end-user segments of Oil & Fuel, Polymers, Agrochemicals, Pharmaceuticals & Speciality Chemicals; your Company has undertaken a series of expansion activities to scale up the capacities to cater to the growing demand. Your Company has recently increased its capabilities for Hydrogenation process from 1500 tpm to 3000 tpm. In addition to this your Company is in the process of setting up a unit at Dahej SEZ for manufacturing export oriented products with applications into Agrochemicals and Speciality Chemicals. Further the Company have also taken up the de-bottlenecking of its USFDA unit to cater to the increasing volumes from regulated markets. We expect the products with application into Agrochemicals, Oil & Fuel Additives, Pharmaceuticals, Polymers and Speciality Chemicals to grow at a rapid pace and have laid thrusts on these growth drivers for faster growth in coming years. Your Company is committed to this growth and had been ploughing back around 75% of its earnings back into the business.

Your Company has been consistently investing into improving and enhancing the process automation and adopting greener and safer manufacturing operations. The Strategic decision making is based on a sustainability framework taking into account the aspects of Safety & Health, Environment Impact, Energy Efficiency as relevant and important as the Long-term Growth and Profitability. With these rationales, over past 2 years, your Company had upgraded two of its unit into Zero Discharge Unit for liquid effluents. Your Company has taken up expansion and upgradation of DCS Control Systems and upgraded the Process automation for increased safety and minimisation of human error. These upgradations will give long-term benefits of Consistency in Quality, Yield Improvement, Reduction of Shopfloor manpower, etc. Your Company have also adopted the concept of 3R Principle i.e. to Reduce, Recover and Reuse. Several Bioreactors, Chemicals ROs, Multiple Effect Evaporator, Incineration, Air Pollution Control Systems, Solvent Recovery Systems, Waste Heat Recovery, generation of HP Steam and LP Steam with processes to recover and reuse the same are being put in place to reduce the discharge of effluents and reduce energy consumption. These initiatives have also been appreciated by the local regulatory bodies.

Thus with renewed commitment to growth coupled with sustainability will help build on the current performances and would drive the growth of the Company for years to come.

With best wishes

Sincerely yours,

**RAJENDRA V. GOGRI**

Chairman and Managing Director

## Annexure to the Notice

### Explanatory Statement pursuant to Section 173(2) of the Companies Act, 1956.

#### Item No. 9

Shri Rajendra V. Gogri has been a Managing Director of the Company since 1<sup>st</sup> July, 1993. His present term as such expires on 30<sup>th</sup> June, 2013. Based on the recommendation of Remuneration Committee duly approved by the resolution passed at its meeting, the Board of Directors of the Company at its meeting held on 16<sup>th</sup> May, 2013 have reappointed Shri Rajendra V. Gogri, Chairman as Managing Director of the Company for a period of five years w.e.f. 1<sup>st</sup> July, 2013, on expiration of his previous term, subject to the approval by the Company in General Meeting upon the terms and conditions set out in draft Agreement to be entered into by the Company with him.

The said draft Agreement, inter-alia, contains the following material, terms and conditions:

1. **Period of Agreement:** 01.07.2013 to 30.06.2018
2. **Remuneration:**
  - (a) **Salary:**  
Salary of ` 2,85,000 per month with power to the Board to make annual increment subject to a ceiling of ` 5,00,000/- per month.
  - (b) **Commission:**  
In addition to the salary as above, he shall also be entitled to be paid share in aggregate commission calculated at the rate of 2% of net profit of the Company computed under section 349 of the Companies Act, 1956, payable to all the Managing/Whole time Directors of the Company. Share of such commission shall be determined by the Board of Directors of the Company. The commission will be calculated and payable every quarter on quarterly Net Profits of the Company computed in accordance with Section 198 read with Section 349 of the Companies Act, 1956. The commission payable on quarterly basis shall be adjusted for the relative performance of the Company as per method approved by the Remuneration Committee.
  - (c) **Perquisites:**  
In addition to salary and commission as above, he shall be entitled to the following perquisites/allowances:  
House rent allowance, reimbursement of medical expenses and medical insurance premiums for self and family; leave travel allowance, fees of clubs, telephone and internet facilities at residence and mobile phone facility, personal accident insurance; bonus, ex-gratia incentives, assignment of key man or other insurance policies obtained by the Company and such other perquisites and special allowances as may be determined by the Board of Directors from time to time.
  - (d) Managing Director shall also be entitled to following perquisites, which shall not be included in the computation of the ceiling on remuneration specified herein:
    - (i) Contribution to Provident Fund, Contributions to Superannuation Fund or Annuity Fund as per the rules of the Company. These will not be included in the computation of the ceiling on perquisites to the extent these either singly or put together are not taxable under the Income Tax Act, 1961.
    - (ii) Gratuity payable at rate not exceeding half a month's salary for each completed year of service and
    - (iii) Encashment of leave at the end of the tenure;
    - (iv) Provision of car for business of the Company, mobile phone and telephone(s) at residence shall not be treated as perquisites. Use of car for personal purpose and personal long distance calls on telephone shall be billed by the Company.  
Explanation: For the purpose of this Agreement, "Family" means spouse, the dependent children and dependent parents of the Managing Director as the case may be.
  - (e) The perquisite and allowances together with the salary and commission payable as aforesaid shall be restricted to and subject to the applicable overall maximum ceiling limit set out in Sections 198, 309 read with Schedule XIII of the Companies Act, 1956 or any amendments or modifications that may be made thereto by the Central Government in that behalf from time to time.
3. Where in any financial year during the currency of the tenure of Managing Director, the Company has no profits or its profits are inadequate, the company will pay remuneration by way of salary and perquisites aforesaid.

4. The Managing Director shall be entitled to annual privilege leave on full salary for a period of thirty days and shall be entitled to accumulate such leave. Encashment of leave at the end of the tenure will not be included in the computation of the ceiling on perquisites.
5. No sitting fee shall be payable to him for attending the meetings of Board of Directors or Committee thereof.
6. Notwithstanding anything to the contrary contained in the draft Agreement, either party shall be entitled to terminate the Agreement, at any time by giving to the other party 180 days notice in writing in that behalf without the necessity of showing any cause and on the expiry of the period of such notice this Agreement shall stand determined and the Managing Director shall cease to be the Managing Director of the Company. Provided that the aforesaid notice may be waived mutually.
7. The terms and conditions of the said appointment and/or draft Agreement may be altered and varied from time to time so as not to exceed the limits specified in schedule XIII to the Companies Act, 1956 or any amendments made hereafter in that regard.
8. The other terms and conditions of the draft Agreement are such as are customarily contained in agreement of similar nature.
9. The said appointment/draft Agreement including the remuneration payable to the him is subject to the approval of the Company and all such sanctions as may be necessary and shall be given effect to as per the modifications, if any, made approved as aforesaid.

The above may be treated as an abstract of the agreement made between the Company and Shri Rajendra V. Gogri pursuant to Section 302 of the Companies Act, 1956.

The draft Agreement to be entered into between the Company and Shri Rajendra V. Gogri is available for inspection at the Registered office of the Company on any working day between 11.00 am to 1.00 p.m. excluding Saturday up to the date of Annual General Meeting.

## DIRECTORS' REPORT & MANAGEMENT DISCUSSION & ANALYSIS

TO THE MEMBERS OF AARTI INDUSTRIES LIMITED

Your Directors are pleased to present this Thirtieth Annual Report and the Audited Statement of Accounts for the year ended 31<sup>st</sup> March, 2013.

### RESTRUCTURING UPDATE

During the year, your Company has merged the manufacturing operations of its Associate Company, Anushakti Chemicals and Drugs Limited (ACDL) into Aarti Industries Limited (AIL) with effect from 1<sup>st</sup> April, 2012 in terms of Scheme of Arrangement duly approved by the High Courts of Bombay and Gujarat at Ahmedabad. Your Company has allotted 94,71,614 equity shares of ₹ 5/- each to the shareholders of ACDL in terms of the said Scheme of Arrangement, whereby the Paid up Share Capital of the Company has increased by about 12% to ₹ 44,29,58,435 divided into 8,85,91,687 equity shares of ₹ 5/- each fully paid up.

Upon the Scheme of Arrangement having become effective, the merged accounts have been drawn up for FY 2012-13 w.e.f. 1<sup>st</sup> April, 2012. Hence to this extent, the financials for FY 12-13 may not be comparable with previous year. ACDL had manufacturing units at Bhachau in the State of Gujarat, Tarapur and Dombivali in the State of Maharashtra which are now merged into the Company. Apart from synergies derived in respect of common products, the said restructuring has increased the volumes of existing range of products and would also facilitate addition of newer products with diverse end usages into Fuel Additives, etc. having high growth possibilities. Restructuring has also helped spread of overall products and markets specific risks and improve operating margin as well.

### DIVIDEND

Your Company had declared and paid Interim Dividends of ` 2.75 (@ 55%) per share (of ` 5/- each). Your Directors are pleased to recommend a Final Dividend of ` 1.25 (@ 25%) per share (of ` 5/- each) for FY 2012-13, thereby total Dividend aggregating to ` 4/- (@ 80%) per share (of ` 5/- each) for FY 12-13 compared to the total Dividend of ` 3.50 (@ 70%) per share (of ` 5/- each) for FY 2011-12. The total amount of Dividend pay-out for the year would be ` 35.44 crs (previous year ` 27.21 crs).

Company has transferred ` 13.15 Crores to General Reserve (PY ` 8.80 Crores).

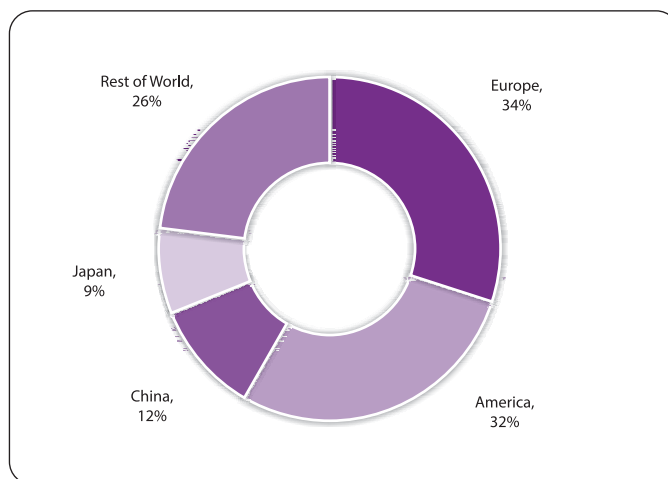

### FINANCIALS

During the year, your Company has achieved multiple milestones. Standalone Net revenues of the Company crossed ` 2000 Crores mark and ended at ` 2096 Crores (previous year ` 1673 Crores). Similarly Exports had also crossed ` 1000 Crores and closed at ` 1060 Crores. Hence with these record breaking performance, our exports now constitute over 50% of the total revenues of the Company. The EBIDTA margins for the Company also improved from 14.6% for FY 11-12 to 17% in FY 12-13.

Operating profit before Interest, Depreciation and Tax for FY 12-13 was at ` 356 crs (Previous Year ` 245 Crores) Profit before tax for FY12-13 was at ` 184 Crores (Previous Year ` 122 Crores) Profit after Tax and Deferred Tax grew to ` 131 Crores for FY 12-13 from ` 87 Crores for FY 11-12.

### CHEMICAL INDUSTRY – STRUCTURE & DEVELOPMENT

Chemical Industry is one of the fastest growing industries in the Indian Economy. At the same time it is also one of the oldest domestic industry of India which started working soon after India's Independence in 1947. It accounts for 18% of the Indian manufacturing sector output and is expected to grow by about 12% annually. It constitutes for about 15% of India's Exports and has around 8% share in India's Imports. From those early years, the Chemical Industry in India continued to contribute to the Economic Growth of Indian Economy. At present, the Chemical Industry accounts for almost 13% of Indian GDP.

A network of over 200 national laboratories and 1300 R&D Centres provide a strong base for further innovations and growth of Indian Chemical Industry. Government Initiatives in the form of Port based Chemical Parks in SEZ, Improvement in Infrastructure, Tax concessions, reduction and rationalization of Duty Structure, FDI relaxation, etc. plough the road for further growth of the Indian Chemical Industry into a major Chemical hub. End user Industries like Agro-Chemicals, Automotives, Biotechnology, Electronics, Packaging, Pharmaceuticals, Pigments, Polymers, Surfactants, etc have been witnessing good demand and are poised for faster growth.

*Thus, Indian Chemical Industry holds potential to produce quality chemicals for global consumers because of its diversified manufacturing base, strong IPRs, availability of qualified work force, proximity to ports, availability of feedstock, etc.*

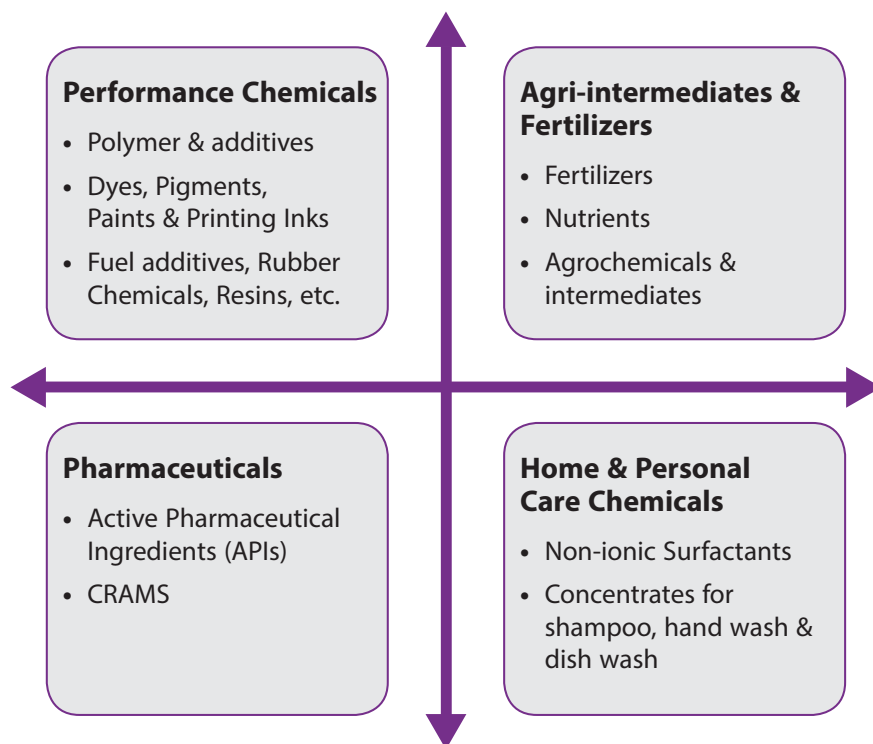

With concerns on environmental impact, the Indian Government has been working towards ensuring stricter compliance of effluent norms, categorizing alert zone, identifying and restricting the operation of the polluting units. This has made Indian

companies to scale up their units in parity with international standards. In this process, while a lot of units have been closed down, we are also witnessing the emergence of Indian Global Chemical Companies capable of competing with the other Asian players, while also adopting safer and greener processes.

Your Company is a leading manufacturer of Speciality Chemicals with diversified end-uses into Agrochemicals, Pharmaceuticals, High Performance Polymers, Paints, Pigments, Printing Inks, Rubber Chemicals, Additives, Surfactants, Dyes, Oil & Gas additives, Flavours & Fragrances, Home & Personal Care applications, etc. Your Company's derisking by diversification has helped it withstand the volatilities & downturns of a specific end-user segment and also helps to capitalize on the growth opportunities in other end-user segments.

Your Company believes that the long term growth and profitability from the business cannot be sustained without a framework considering the elements of Safety, Health, Environment Impact and Energy Efficiency initiatives. With these principles, your Company have stepped up its efforts for the sustainable growth of its businesses. Your Company is committed to increase the process safety and increasing the level of automation in its existing areas of operation. This will help in reducing the manual handling and shopfloor manpower. Your Company has adopted the 3R Principle, i.e., Reduce – Recover – Reuse. Over last 18 months, your Company has made substantial Investments into upgrading the ETP setup and had upgraded two of its Manufacturing Units into Zero Discharge Unit and also has put in places various processes to control/limit of generation of effluents and improve on the treatment of the same. Your Company plans to invest further in these areas to ensure providing greener and safer manufacturing environment.

Your Company is a multi-product and multi-faceted one. Depending on these product categories we divided our businesses into four segments. The profile/composition of these business segments is presented:

We present below the breakup of key segmental financials:

(` in Crores)

	Performance Chemicals	Agri-Intermediates & Fertilizers	Pharmaceuticals	Home & Personal Care Chemicals	Total
Sales	1319	438	187	152	2096
% of Total Sales	62.93%	20.90%	8.92%	7.25%	100.00%
Export	739	207	92	22	1060
% of Sales	56.03%	47.26%	49.20%	14.47%	50.57%
EBIT	236	83	9	5	333
% of Sales	17.89%	18.95%	4.81%	3.29%	15.89%

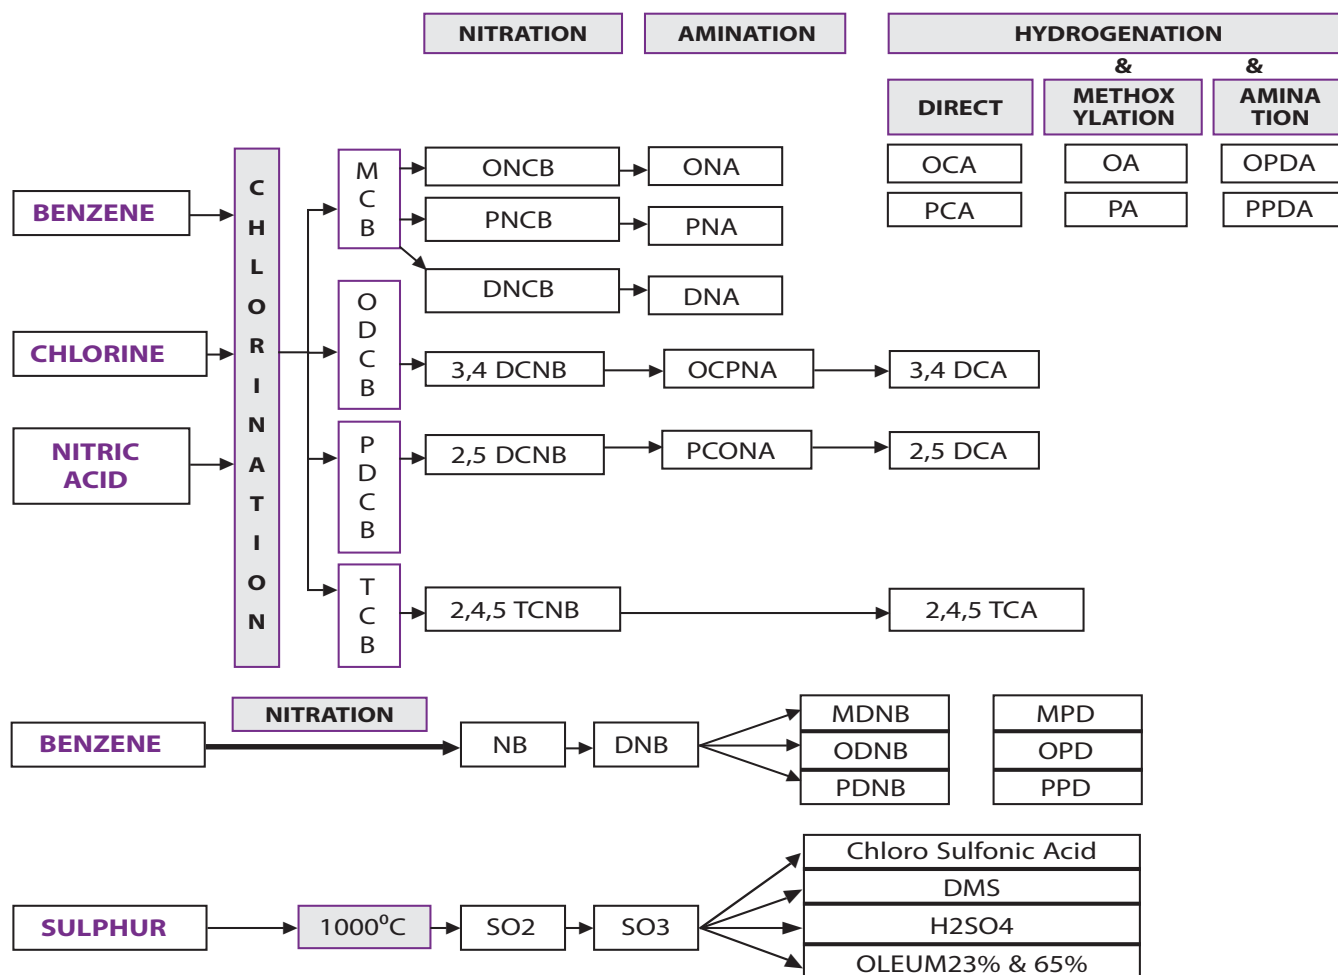

## AARTI INDUSTRIES LIMITED

While Performance Chemicals and Agri-intermediates segments continues to account for over 80% of operations, it may be noted that the growth in the business this year is mainly driven by the fact that the exports across all the segments has increased significantly. Your Company's market position as a major global manufacturer of Chloro Benzenes & Nitro Chloro Benzenes and their derivatives with committed and customized delivery solutions have helped us cross ` 1000 Crores mark of global revenues. Your Company's USP of having highly integrated operation with process flexibility adds to the growth in customer's confidence which is translated into consistent volume growth even in times of adversities. Your Company's diversified product mix spread across stream of end user industries catering to smaller as well as larger MNC conglomerates in each segment / sub-segments have helped the Company to insulate itself against global economic cycle.

### Interchangeable Performance & AgroChemicals manufacturing operations.

The Manufacturing units for these two segments are majorly interconnected/interlinked at the common manufacturing units located at Vapi, Sarigam, Jhagadia and Bhachau in the State of Gujarat and at Dombivali & Tarapur in the State of Maharashtra. A significant portion of your Company's production capabilities are process driven and not based on a particular product. This gives your Company the flexibility to change its input mix and manufacture different products, thereby resulting into optimum utilization of production capabilities as well as provides flexibility to change the product mix amongst different end-user applications based on market dynamics.

### Brief Structure of 'Aarti Industries' Production Capabilities

Your Company manufactures various isomers as well as their downstream products. Because of the vertical integration, your Company enjoys natural insulation against short supply of precursor raw materials. Thus, consistent supply of products results into customer confidence and helps your Company to gain more market share. Your Company has also been **able to convert its by-product from various processes into commercially viable products**, thereby contributing to the profitability of the Company.

### Hydrogenation Facility at Jhagadia:

Your Company had pioneered by adopting Greener Hydrogenation process based Swiss Technology in India and have scaled up the capacities to 3000 tpm in Q3FY12-13. This expanded / additional hydrogenation unit shall help the Company to cater to the growing, high margin and niche demand in the segments of Polymers, Agrochemicals, Pigments, etc. in global markets. This shall also facilitate introduction of export oriented further value added range of products. Hence with these expanded capacities coupled with strong market position, the Company expects to post significant growth in revenues and margins in coming years. The Company had recorded the production of over 1550 tpm of hydrogenated products in the quarter ended 31<sup>st</sup> March 2013. Annual average production for FY 12-13 was 1390 TPM as compared to 1165 TPM for FY 11-12. Also, with the commissioning of the backward integrated Hydrogen Gas Generation Plant, your Company is also assured for continuous supply of the feed raw material for the above mentioned Hydrogenation Unit. **Thus this increase in hydrogenation capacities has enabled your Company to cater to the growing, high margin & niche demand segments of Performance and Agro ingredients in the global market.** Your Company now targets to produce around 2000-2200 tpm of Hydrogenated products in FY 2013-14.

### Key Expansion Activities:

During last financial year, a major German manufacturer had closed down and discontinued the manufacturing of Nitro Chloro Benzenes due to lower captive demand. This has opened up a large market (both domestic as well as for exports) for Nitro Chloro Benzenes. Considering this your Company has already taken up the expansion of its Nitro Chloro Benzenes (NCBs) capacities on fast track. Against the present capacity of about 57000 MT, the production achieved in FY 12-13 was about 48072 MT (previous year about 42696 MT). Your Company now proposes to expand the existing capacities of 57000 MT to about 75000 MT with an estimated capital outlay of about ` 25 to 30 Crores and expects to commission the same by end of current financial year.

Your Company is in the process of upgrading its 6 Batch Nitration capacities and consolidate the same into 4 Continuous Nitration units. While this will increase the level of automation of the process, it will also facilitate overall increase in production capabilities. It will also result in increasing the consistencies & yields of various products and simultaneously help to reduce the consumption of fuel and other utilities. This would thus also entail higher volumes with significant cost savings with more safer and highly automated operations.

### New Investment at Dahej SEZ:

Your Company had set up a new venture in 2012 under the name of Anushakti Specialities LLP in which your Company holds 90% stake and the balance 10% stake was held by ACDL which stake has since merged with the Company upon the restructuring as aforesaid.

This LLP has purchased a plot of about 50,000 sq. mtrs at Dahej SEZ and is in the process of setting up an Ethylenation unit for manufacturing ethylene based products with end-user application as Agro Chemicals and Speciality Chemicals, majorly in Global Markets. Your Company is in the process of finalizing the newer technologies which shall be commissioned at this unit. The unit is expected to be commissioned in FY 2014-15. With availability of key raw materials in Dahej, we propose to purchase the same by pipeline. Considering the niche product segment, growing global demand, and the benefits available at SEZ, this unit is expected to significantly add to turnover and profitability of the Company.

Upon the Scheme of Arrangement with ACDL being effective, your Company now holds 100% stake in Anushakti Specialities LLP. Your Company proposes to absorb this entity into itself subject to regulatory approvals as may be specified.

### Performance Chemicals

With the merger of manufacturing division of Anushakti Chemicals & Drugs Ltd. (ACDL) becoming effective, products of ACDL having applications as Polymer Additives and Oil & Gas Additives had been added to the segment of Performance Chemicals. With the additions of ACDL's products, the Performance Chemicals now provides for a consistent and sustained growth to Company's operations.

We present below the key financials for Performance Chemicals:

(` in Crores)

KEY FINANCIALS	FY 2012-13	FY 2011-12	FY 2010-11

## AARTI INDUSTRIES LIMITED

**As you would note, this segment accounts for about 63% of the total revenues (previous year 58%) of the Company. Exports of Performance Chemicals accounts for 70% of the total exports of the Company and constitute over 56% of the segment revenue.**

The diversity in end user segments from High Performance Polymers, Paints, Pigments, Printing Inks, Rubber Chemicals, Additives, Surfactants, Dyes, Oil & Gas Additives, Flavours & Fragrances, etc. is the inherent strength and de-risks the segment from individual end-user downturns. The wider customer base from varied industry also reduces the credit risk and thus provides sustainability and stability to the Company's operations.

Performance Chemicals segment broadly comprises of Speciality Chemicals with applications into

- a. Polymers & Additives,
- b. Dyes, Pigments, Paints, Printing Inks,
- c. Oil & Gas Additives, Rubber Chemicals, Flavours & Fragrances, Water Treatment, Construction Chemicals, Resins, etc.

On account of the wide diversity in product applications, the segment on an overall basis is expected to grow with **Key driving industries for growth of Performance Chemicals are summarised below.**

- **Polymers & Additives:**

Usage of High Performance Polymers has been increasing as a replacement of metal parts in various mode of transportation worldwide, as an endeavor to reduce the weight and improve the fuel efficiency. In addition to this, these polymers are also used in high growth segments such as electronic media & telecommunication devices and various other Electrical Instruments. With the availability of additional Hydrogenation Capacities, your Company expects to increase the volumes of these Polymer intermediates to cater the growing international demand.

With a view to capitalize on the by-product Hydro Chloric Acid by converting it into a gainful product, a Calcium Chloride Granulation unit was set up by ACDL at Bhachau which unit has since been merged with the Company. Your Company has for the first time in India, imported this technology for granulation of Calcium Chloride. This unit improves the quality of end product and will be able to manufacture high grade granules, which are used into Oil Exploration and de-icing activities. This products will be mainly exported and is expected to fetch significant higher margins.

- **Dyes, Paints, Pigments and Printing Inks:**

This sector has witnessed a shift in the consumption pattern of Printing Inks based applications. While the demand for Printing inks in developed economies are reducing, the same is increasing in developing economies on account increasing per-capita income & consumption (along-with changes in consumption profile), growth in education and healthcare facilities, etc.

The global replacement of usage of Organic Pigment vis-à-vis Metal Pigments has been the driving force behind the significant growth of Pigment applications globally and shall continue further going forward.

With a significant Japanese player having officially closed production of a key Pigment & Printing Ink intermediate in the first quarter, an opportunity has opened up for increasing our presence in the Pigment application. Your Company has immediately taken steps to increase the capacities for this application. The Company has already supplied these products to the prospective customers and is in the process of qualifying with these new customers for these products. This enhanced new capacity is presently under commissioning. We expect further volume growth in these products from FY 13-14 onwards so as to meet the supply gap arising as aforesaid.

While the demand from global markets for Pigments and Paint application has been increasing, the demand from the dyes sector is still affected by downturn. Your Company is monitoring this situation and shall take adequate steps for product realignment once the demand picks up.

Your Company's strong position in this segment will help further to capitalize on the global growth opportunities.

### **Agri-Intermediates and Fertilizers**

India's Agrochemicals Industry valued at about US\$ 2 bn, is the fourth leading producer of Agrochemicals after USA, Japan and China and has been growing annually at about 7.5%. Emphasis on achieving foodgrain self-sufficiency, limited farmland availability and growth in horticulture and floriculture have been the reasons for the growth of Agrochemicals worldwide.

Exports account for over 60% of India's Agrochemicals produce and are expected to have a double digit growth in years to come. Many foreign companies are tying up with local manufacturers to expand into this sector for domestic & global requirements.

The launch of nutrient based subsidy programme for more effective scheme of distribution of the subsidy directly to the end users would benefit the direct end-users in long term and it will also ensure has distribution of the subsidy to the eligible people at large. In addition to these administrative reforms, the Government has also rolled out a series of tax incentives to further promote the growth of this high growing Fertilizer and Agro based-businesses in India.

**Your Company is a leading global manufacturer of various Agrochemicals Intermediates and has presence across all the sub-segments viz. herbicides, insecticides, and other agrochemicals.**

We present below the key financials for Agri Chemicals & Fertilizers Segment:

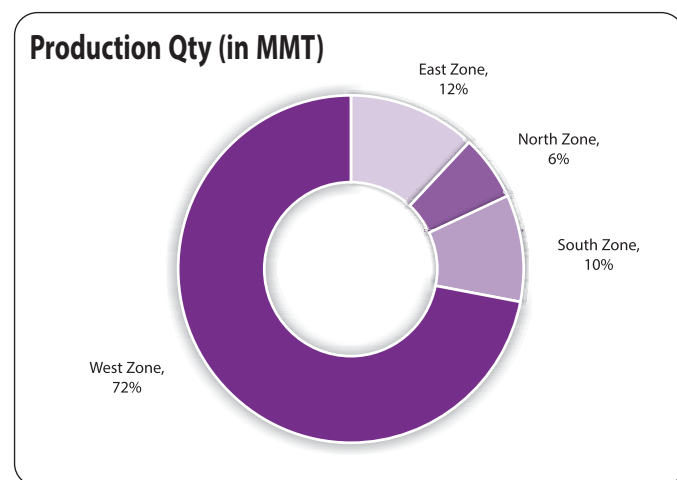

(` in Crores)

KEY FINANCIALS	FY 2012-13	FY 2011-12	FY 2010-11
Sales	438	382	198
% of Total Sales	20.90%	22.85%	13.60%
Export	207	143	92

Segment EBIT	83	75	41
EBIT %	18.95%	19.73%	20.71%

P.S: A major part of domestic sales is used to manufacture products for export markets.

Your Company has been focusing on the growth opportunities for these products in global markets and has been closely working with the Global Leaders in this space to cater to their customized requirements of agrochemicals. After years of efforts to develop this market, the Company has been witnessing consistent growth in the exports of these products. Your Company's products are now being sold across all markets such as NAFTA, Asia, Europe, Latin America, and other territories. This has also helped to de-risk the business from various local climatic changes as also across the world. This is witnessed by y-o-y growth in exports of these products as shown in the table above.

Your Company is also manufacturing Single Super Phosphate (SSP) (a widely used fertilizer). It is a gainful usage of the by-product Dilute Sulphuric Acid (generated by other Chemical units) and is marketed under the guidelines prescribed by Government of India. The production of SSP also saves the Company from the hassles of management and disposal of the said by-product. India is amongst the largest manufacturer and consumer of SSP across the world. An area wise consumption data of SSP is presented below:

**Statewise Consumption of SSP during 2012-13**

State	Consumption	%
Rajasthan	1242	28.11%
Madhya Pradesh	852	19.28%
Maharashtra	631	14.29%

## AARTI INDUSTRIES LIMITED

States of Maharashtra, Gujarat, Madhya Pradesh and Rajasthan accounts for over 68% of India's total consumption of SSP. Your Company thus enjoys the locational benefits of having manufacturing unit in Gujarat, thereby also benefiting from the reduced freight costs as compared to other States. During FY 2012-13, there had been a drought situation in major parts of India. As a result the sale for SSP (Fertilizer) had been affected. In spite of having lower volumes in first half, our sales of SSP for FY 2012-13 was around 65446 MT as compared 63266 MT in FY 2011-12. Considering our existing capacity of 100,000 MT, we account only about 2% of India's Production Capacities and about 1.4% of India's total consumption. In view of this, we expect to have sales volumes of about 80000 – 90000 MT of SSP for FY 2013-14.

With the expansion in other manufacturing capabilities, need for additional SSP capacities (for captive consumption of by-product) is expected. Envisaging the same, your Company is exploring the feasibility for setup an additional SSP unit with capacity to manufacture 200,000 Tons at Jhagadia, Gujarat to cater to the demand in the States of Gujarat, Rajasthan and Madhya Pradesh.

### Pharmaceuticals

Pharmaceuticals Industry accounts for almost quarter of the Indian Chemical Industry. From being a startup and base level operations, Indian Pharma Companies have evolved to be a leader in the production of high quality generic drugs.

Patent expirations, weak pipeline quality and increasing focus by Governments to reduce healthcare costs continue to exert pressure on innovator companies which supports outsourcing to low-cost nation like India. Despite challenges, leading Indian players continue to exhibit strong profitability indicators.

Outlook on the Indian pharmaceutical companies remains favourable as companies will continue to benefit from recovery in the domestic market, strong growth potential in generics developed markets and potential outsourcing opportunities.

Globally, generics players however continue to face competitive environment from large innovator companies. Price erosion, especially through regulatory interventions, remains a foremost challenge in the European markets. Presence in limited competition products segments and over-the-counter (OTCs) segment offers some protection to margins. Most developed markets continue to move away from branded generics to commoditized un-branded generics and lower margin tender based business.

**Your Company has four manufacturing units of which – two are USFDA approved facilities & other two are WHO GMP approved facilities. These plants are cGMP compliant – meeting ICH Q7 standards – thus enabling buyers to use APIs in all regulated markets. Unlike other companies, your Company has capacities for inhouse production of intermediates and hence it is not dependent on China for the same. This helps your Company to reduce the costs for its APIs and thus enhances the margins of its range of products.**

We present below the key financials for Pharmaceuticals Segment:

(` in Crores)

KEY FINANCIALS	FY 2012-13	FY 2011-12	FY 2010-11
Sales	187	165	131
% of Total Sales	8.92%	9.86%	8.98%
Export	92	66	46
% of Segment Sales	49.20%	40.00%	35.15%
Segment EBIT	9	4	(6)
EBIT %	4.81%	2.55%	NIL

The volumes of these products have been consistently increasing which has helped improvement in margins and segmental profitability. The same is evident from increase in revenues as tabulated above. Similarly, the EBIT for FY13 increased to ` 9.5 Crores as against ` 4 Crores for FY 2011-12. You would note that the EBIT margins have been improving and it increased to over 5% of sales in FY13 as compared to 2.55% of sales for FY12. Thus **the incremental growth in revenues in this segment will result into significant improvement in EBIT.** We expect the segment to grow as faster pace in coming years.

### Home & Personal Care Chemicals

Rising per capita income have enabled the increase of consumption of hygiene and personal care products. Increasing consumption is driving demand for wide range of cosmetic chemicals, health care products as well as hygiene products using performance chemicals, polymers and oleo chemicals.

We present below the key financials for Home & Personal Care Chemicals Segment:

(` in Crores)

KEY FINANCIALS	FY 2012-13	FY 2011-12	FY 2010-11
Sales	152	158	95
% of Total Sales	7.25%	9.47%	6.52%
Export	22	21	10
% of Segment Sales	14.47%	13.21%	10.94%
Segment EBIT	5	5	5
EBIT %	3.29%	3.11%	5.36%

Home & Personal Care Chemicals segment is relatively a low margin business. Your Company has two manufacturing units, one each at Pithampur (Madhya Pradesh) & at Silvassa. Your Company's plans to optimize its production capabilities to suitably alter/revise the product mix has helped marginal improvement in margins inspite of reduction in sales volumes. The commissioning of the Spray Dryer project in Q4FY2012-13 and the product reshuffling exercise is expected to improve the margins in coming quarters. Your Company is also focusing on increase in exports of its products under this segments. This will help in better realization and improvement of margins.

The Company believes that it is currently not practicable to provide segment disclosures relating to capital employed.

## **RISKS AND CONCERNS**

Your Company perceives risks or concerns common to industry such as concerns related to the Macro Indian Economic Outlook, Global Economic fallout, Regulatory risks, Foreign Exchange volatilities, Higher Interest rates, Rising Raw-material costs and other commercial & business related risks. Segments like Agrochemicals, Pharmaceuticals and Home & Personal Care are not much affected by the economic cycle and have its own independent growth rates. Further your Company's diversified revenue mix, flexible product mix and increasing volumes from value added products helps to insulate the business from any economic setbacks.

Volatility in foreign exchange rates of Indian Rupee vis-a-vis US\$ is now an inherent risk. Your Company's policy to hedge only those exposures which are backed by confirmed orders protects it from taking any unwanted positions and thus is not significantly affected by any such movements.

Chemical Businesses have lot of inherent process risks. To ensure that this risks do not arise, your Company had stepped up its efforts for adopting greener, cleaner and safer manufacturing operations. Your Company have also been increasing and upgrading the level of automation in the existing processes thereby providing for a safer working environment.

Chemical businesses are generally working capital intensive and hence the working capital requirements are also higher. Your Company has been making continuous efforts to reduce the overall working capital cycle. With these efforts and higher cash accruals going forward, debt-equity ratio is expected to be better in coming years.

## **INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

Your Company has clearly laid down policies, guidelines and procedures that form part of internal control systems, which provide for automatic checks and balances. Your Company has maintained a proper and adequate system of internal controls. This is to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition and that the transactions are authorised, recorded and reported diligently. Your Company's internal control systems commensurate with the nature and size of its business operations. The internal Auditors' Reports are regularly reviewed by the Audit Committee of the Board.

## Annexure to Directors' Report

**ADDITIONAL INFORMATION AS REQUIRED UNDER THE COMPANIES (DISCLOSURE OF PARTICULARS IN THE REPORT OF BOARD OF DIRECTORS) RULES, 1988.**

### 1. CONSERVATION OF ENERGY

#### a) Energy Conservation Measures taken

- The Company had commissioned the captive and co-generation 2MW Power plant. The Specialised Boiler shall superheat the steam which is being used for generating power and shall later-on be re-routed for utilization in its manufacturing processes. The Company expects a significant savings in the consumption of natural resources/fuel by adoption of this process.
- Wherever possible, Variable Frequency Drives are installed to reduce the power consumption.
- Energy audit is conducted and recommendations are implemented.
- Flash steam utilization has been done wherever possible.
- Improved design steam traps were selected to reduce the steam consumption and utilize the flash steam.

#### b) Additional Investments & Proposals, if any, being implemented for Reduction of Consumption of Energy:

- Implementation of Clean Development Mechanism Project, which will lead to higher recovery of Heat and thus, result in reduction of emission of green House gases.
- Upgradation of Batch Nitration units into Continuous Nitration units, shall help in overall optimization of utilities thereby resulting the reduction in energy consumption.

#### c) The adoption of energy conservation measures indicated above result in savings in the cost of production.

#### d) Total energy consumption and energy consumption per unit of Production:

## 3. TECHNOLOGY ABSORPTION, ADAPTATION AND INNOVATION

### a) Efforts, in brief, made towards technology absorption, adaptation and innovation:

- Forward Integration for downstream products and expansion also with in house technology.
- Continuous endeavour to improve product quality and process yields.

### b) Benefits derived as a result of above efforts:

- Lower project costs for expansion
- Value addition
- Exports of higher value-added products resulting in increased foreign exchange earning.

### c) Information regarding technology imported during the last 5 years: NIL

## 4. TOTAL FOREIGN EXCHANGE EARNINGS AND OUTGO

The Foreign Exchange Earnings and outgo were ` 1060 Crores and ` 343 Crores respectively (Previous Year ` 727 Crores and ` 197 Crores respectively).

## **Auditors' Certificate on Corporate Governance**

### **CERTIFICATE**

To the Members of  
Aarti Industries Limited  
Mumbai

We have examined the compliance of conditions of Corporate Governance by Aarti Industries Ltd., for the year ended on 31<sup>st</sup> March, 2013, as stipulated in Clause 49 of the Listing Agreement of the said Company with Stock Exchanges.

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the Financial Statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Agreement.

We state that no Investor Grievance is pending for a period exceeding one month against the Company as per the records maintained by the Shareholders/Investors Grievance Committee.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

## **Independent Auditors' Report**

### **To the Members of AARTI INDUSTRIES LIMITED**

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of **AARTI INDUSTRIES LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2013, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of Section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) In the case of the Balance Sheet, of the state of affairs of the Company as at 31<sup>st</sup> March, 2013;
- (b) In the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
- (c) In the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of Section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by sub-section (3) Section 227 of the Act, we report that:
  - a. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
  - b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.

- c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement comply with the Accounting Standards referred to in sub-section (3C) of section 211 of the Act.
- e. On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2013, and taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2013, from being appointed as a director in terms of clause (g) of sub-section (1) of Section 274 of the Act.

## Annexure to Independent Auditors' Report

**Referred to in paragraph 1 under the heading of "Report on other Legal and Regulatory Requirements" of our report of even date.**

- (i) The Company has maintained proper records showing full particulars including quantitative details and situation of its fixed assets. These fixed assets were physically verified by the Management during the year. We have been informed that no material discrepancies were noticed on such physical verification. Substantial part of fixed assets has not been disposed of during the year, which will affect its status as a going concern.
- (ii) The stock of inventory has been physically verified during the year by the Management at reasonable intervals, except stock lying with third parties, confirmation of such stocks with third parties has been obtained by the Company. In our opinion, the procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business. The company is maintaining proper records of inventory. The discrepancies noticed on physical verification of stocks as compared to book records were not material; however, the same have been properly dealt with the books of account.
- (iii)
  - (a) The Company has granted loans to two parties covered in register maintained under section 301 of the Companies Act, 1956. The year end balance of loans given was ` 371.48 lakhs and maximum outstanding balance during the year was ` 499.00 lakhs.
  - (b) The Company has not taken loans from Companies covered in the register maintained under section 301 of the Companies Act, 1956.
  - (c) In our opinion, the rate of interest and other terms and conditions on which the loans have been given to the companies listed in the register maintained under section 301 of the Companies Act, 1956 are not, prima facie, prejudicial to the interest of the Company.
- (iv) In our opinion, there are adequate internal control procedures commensurate with the size of the company and the nature of its business, for the purchase of inventory and fixed assets and for the sale of goods. In our opinion, there is no continuing failure to correct major weaknesses in internal control.
- (v) In case of transactions exceeding the value of the five lakhs rupees in the financial year in respect of any party – (a) The transactions that need to be entered into a register in pursuance of section 301 of the Act have been so entered. (b) In our opinion, each of these transactions have been made at prices which are reasonable having regard to the prevailing market prices at the relevant time.
- (vi) The Company has accepted deposits from the public. In our opinion, the directives issued by the Reserve Bank of India and the provisions of sections 58A and 58AA of the Act and the rules framed there under, where applicable, have been complied with. National Company Law Tribunal has not passed any order in respect of public deposits accepted by the Company.
- (vii) In our opinion, the Company has an internal audit system commensurate with its size and nature of its business.
- (viii) The Company has maintained cost records as required under Section 209 (1)(d) of the Companies Act, 1956. We have not, however, carried out a detailed examination of such records.
- (ix)
  - (a) The Company is regular in depositing undisputed statutory dues including Provident Fund, Investor Education and Protection Fund, Employees' State Insurance, Income-tax, Sales-tax, Wealth Tax, Custom Duty, Excise Duty, Cess and any other statutory dues with the appropriate authorities,

(b) The following statutory dues have not been deposited on account of dispute:

Name of the Statute/Nature of Dues	Period to which the amounts relates	Forum where disputes is pending (` in lakhs)		Total (` in Lakhs)
		Commissionerate	Appellate Authorities & Tribunals	
The Central Excise Act,1944/Custom Duty/Service Tax/Interest & penalty	From 2001-02 to 2012-13	2,099.09	251.92	2,351.01
Income Tax Act/Tax Interest & Penalty	From 2004-05 to 2010-11	535.38	–	535.38
<b>Total</b>		<b>2,634.47</b>	<b>251.92</b>	<b>2,886.39</b>

- (x) The Company has no accumulated losses. The Company has not incurred cash losses in the financial year under report and in the financial year immediately preceding such financial year.
- (xi) The Company has not defaulted in repayment of dues to financial institutions or banks.
- (xii) The Company has not granted loans and advances on the basis of security by way of pledge of shares, debentures or other securities.
- (xiii) The Company has not given guarantee for loans taken by others from banks or financial institutions and in our opinion, the terms and conditions of such guarantee are not, prima facie, prejudicial to the interests of the Company.
- (xiv) The Company is not a chit fund or a nidhi/mutual benefit fund/society. Therefore, the provisions of clause 4(xiv) are not applicable to the Company.
- (xv) The Company is not dealing in or trading in shares, securities, debentures and other investments. Accordingly the provisions of clause 4(xv) of the Order are not applicable to the company.
- (xvi) Term loans availed by the Company were, prima facie, applied for the purposes for which the loans were obtained.
- (xvii) On an overall basis, the funds raised on short-term basis have, prima facie, not been used for long term investment.
- (xviii) The Company has not made preferential allotment of shares during the year to parties and companies covered in the Register, maintained under section 301 of the Companies Act, 1956. Accordingly the provisions of clause 4(xviii) of the companies (Auditors' Report) Order, 2003 are not applicable to the company.
- (xix) The Company has not issued debentures during the year, hence requirement of reporting regarding creation of security in respect of debentures does not arise.
- (xx) According to the information and explanations given to us, during the period covered by our audit report, the company has not raised any money by public issues. Therefore, the provisions of clause 4(xx) of the companies (Auditors' Report) Order, 2003 are not applicable to the company.
- (xxi) During the audit carried out by us, any fraud on or by the Company has not been noticed or reported during the year.

## SIGNIFICANT ACCOUNTING POLICIES:

Pursuant to the approval of the Scheme of Arrangement of Demerger of Manufacturing Activities of Anushakti Chemicals & Drugs Ltd. with the Company, by the Hon'ble High Courts at Ahmedabad and Bombay on 8<sup>th</sup> March, 2013 & 8<sup>th</sup> February, 2013 respectively, the Scheme has become effective from 1<sup>st</sup> April, 2012. As a result, the financial statements as at 31<sup>st</sup> March, 2013 have been drawn up considering the effect of the aforesaid Scheme.

### (a) Accounting Basis:

The financial statements are prepared under historical cost convention in accordance with generally accepted accounting principles in India and comply in all material aspects with the applicable accounting standards notified under section 211 (3C) of the Companies Act, 1956 and the relevant provisions of the Companies Act, 1956.

### (b) Revenue Recognition:

- (i) Sale of goods is recognized on dispatch of goods to customers and is recorded net of claims, etc. as considered appropriate. Revenue from Conversion, Sale of Scrap and obsolete stores is accounted for at the time of disposal.
- (ii) Export entitlements are recognized on realization.
- (iii) Revenue in respect of Interest, Insurance claims and Subsidy from Department of Fertilizers is recognized on the time proportion method.

### (c) Fixed Assets and Depreciation:

#### (1) Fixed Assets

Fixed Assets are stated at cost of acquisition (net of CENVAT/VAT) inclusive of all expenditure of capital nature such as, inward freight, duties & taxes, installation and commissioning expenses, appropriate borrowing costs and incidental expenses related to acquisition.

#### (2) Depreciation

(A) Depreciation is provided on Reducing Balance Method at the rate prescribed under Schedule XIV of the Companies Act, 1956, in respect of asset installed by the Company in one plant, taken on operating lease.

(B) Leasehold Land is amortized over the period of lease.

(C) Depreciation is provided on Straight Line Basis on following assets based on Management's estimate at the rate mentioned below:

- |                             |  |
|-----------------------------|--|
| (i) Building                | @ 5.28%  |
| (ii) Residential Quarters   | @ 3.34%  |
| (iii) Computers             | @ 40%  |
| (iv) Furniture and Fixtures | @ 10.34% (except for the Assets of Anushakti Chemicals & Drugs Ltd. situated at its Tarapur Unit, wherein the same are depreciated on WDV basis at the rate of 13.91%) |
| (v) Vehicles                | @ 15% (except for the Assets of Anushakti Chemicals & Drugs Ltd. situated at its Tarapur Unit, wherein the same are depreciated on WDV basis at the rate of 25.89%)    |

(D) Depreciation on Fixed Assets other than Leasehold Land and those mentioned above are provided under Straight Line Method at the rates specified in Schedule XIV of the Companies Act, 1956.

(E) Product/Process Development Expenses are amortized over the estimated useful life of the product.

- (3) Impairment loss, if any, is provided to the extent, the carrying amount of assets exceeds their recoverable amount. Recoverable amount is higher of net selling price of an assets or its value in use. Value in use is present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

### (d) Investments:

- (i) Current investments are stated at lower of cost or fair market value.
- (ii) Long term investments are stated at cost less provision for permanent diminution in value if any, of investments.

**(e) Valuation of Inventories:**

Inventories are valued at Cost or Net Realizable Value whichever is lower.

Inventories have been valued on the following basis:

(i) Raw Materials, Packing Material, Stores and Spares	– At cost on Weighted Average basis.
(ii) Work-in-Process	– At cost plus appropriate allocation of overheads.
(iii) Finished Goods	– At cost plus appropriate allocation of overheads or net realizable value, whichever is lower.

**(f) Retirement Benefits:**

Employee benefits are charged off in the year in which the employee has rendered services.

**(g) Foreign Currency Transactions:**

Foreign currency transactions are accounted at the rates prevailing on the date of the transaction. The exchange rate differences arising out of such transactions are dealt with in the Statement of Profit and Loss, except in case of long-term loans, where they relate to acquisition of fixed asset, in which case they are adjusted to the carrying cost of such assets. The premium in case of future contracts is dealt with in the Statement of Profit and Loss proportionately over the period of the contracts.

**(h) Research and Development:**

Revenue Expenditure on Research and Development is charged to the Statement of Profit and Loss for the year. Capital Expenditure on Research and Development is included as part of fixed assets and depreciation is provided on the same basis as for other fixed assets.

**(i) Operating Lease:**

Operating Lease payments are recognized as an expense in the Statement of Profit and Loss of the year to which they relate.

**(j) Deferred Revenue Expenditure:**

Deferred Revenue Expenditure is amortized over the period of the agreement on pro rata basis.

**(k) Deferred Tax:**

Deferred Tax reflects the impact of timing differences between Taxable Income and Accounting Income for the year and reversal of timing differences of earlier years. Deferred Tax is measured on the basis of Tax Rates and Tax Laws enacted or substantively enacted at the Balance Sheet.

Deferred Tax Assets are recognized only if there is reasonable certainty of their realization except in case of Deferred Tax Assets on unabsorbed depreciation and carried forward business losses, which are recognized only if there is virtual certainty of their realization.

**(l) Borrowing Costs:**

Borrowing cost directly related to the acquisition or construction of an asset is capitalized as part of the cost of that asset. Other borrowing costs are charged to the Statement of Profit and Loss.

**(m) Provisions and Contingent Liabilities:**

Provisions are recognized when the Company has a legal and constructive obligation as a result of a past event, for which it is probable that a Cash Outflow will be required and a reliable estimate can be made of the amount of the obligation.

Contingent Liabilities are disclosed when the Company has a possible obligation or a present obligation and it is probable that a Cash Outflow will not be required to settle the obligation.

**(n) Principles of Scheme of Arrangement & Disclosures:**

- In terms of the Scheme of Arrangement approved by the Hon'ble High Courts at Ahmedabad and Bombay, the Manufacturing Activities of Anushakti Chemical & Drugs Ltd., is demerged and vested in the Company with effect from 1<sup>st</sup> April, 2012 on going concern basis.
- Pursuant to the Scheme being approved, the Assets and Liabilities of the Manufacturing Undertaking of Anushakti Chemicals & Drugs Ltd. have been vested into the Company at its respective book values. All intra Company transactions and balances have been eliminated in the course of aforesaid Scheme of Arrangement.
- The Financial Statements of Aarti Industries Ltd. have been drawn using uniform accounting policies for like transactions and other events in similar circumstances.
- The difference, being the excess of the book value of the net assets of Manufacturing Arm of Anushakti Chemicals & Drugs Ltd. over the shares to be allotted by the Company has been adjusted into Capital Reserve of the Company.

## Independent Auditors' Report

### To the Board of Directors of AARTI INDUSTRIES LIMITED

#### Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **AARTI INDUSTRIES LIMITED** ("the Company") and its subsidiaries and associates which comprise the Consolidated Balance Sheet as at 31<sup>st</sup> March, 2013, and the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of Aarti Industries Limited and its subsidiaries and associates in accordance with the Accounting Standards referred to in sub-section (3C) of Section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, on the consideration of the separate audit reports on individual audited financial statements of Aarti Industries Limited and its subsidiaries and associates as noted below, the consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) In the case of the Consolidated Balance Sheet, of the state of affairs of Aarti Industries Limited and its subsidiaries and associates as at 31<sup>st</sup> March, 2013;
- (b) In the case of the Statement of Profit and Loss, of the profit of Aarti Industries Limited and its subsidiaries and associates for the year then ended.
- (c) In the case of the Cash Flow Statement, of the cash flows of Aarti Industries Limited and its subsidiaries and associates for the year then ended.

#### Other Matters

We did not audit the financial statements of the subsidiaries, whose financial statements reflect total assets of ` 1692.78 Lakhs as at 31<sup>st</sup> March, 2013 and total revenues of ` 1234.46 Lakhs for the year then ended and of associates which reflect the share of profits(net) for the year then ended of ` 240.11 Lakhs. These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us, and our opinion, insofar as it relates to the amounts included in respect of the subsidiaries and associates, is based solely on the report of the other auditors.

The investment of the foreign associate company has been valued in the Consolidated Financial Statements on the basis of their audited financial statements for their financial year ended 30<sup>th</sup> November 2012, reflecting a share of Profit of ` 1.21 Lakhs. Our opinion is not qualified in respect of other matters.

## Significant Accounting Policies

### 1. Background

Consolidated Financial Statements include the Accounts of the Parent Company, Aarti Industries Limited and the following Subsidiary Companies:

	<u>Name of the Subsidiary</u>	<u>Country of Incorporation</u>	<u>Proportion of Ownership Interest (%)</u>
(a)	Aarti Corporate Services Limited	India	100%
(b)	Nascent Chemical Industries (Through its Holding Company: Aarti Corporate Services Limited)	India	50.50%
(c)	Shanti Intermediates Private Limited (Through its Holding Company: Aarti Corporate Services Limited)	India	82.04%
(d)	Anushakti Specialties Limited Liability Partnership	India	100%

2. Significant Accounting policies and Notes to these Consolidated Financial Statements are intended to serve as a means of informative disclosures and a guide to better understanding of the consolidated position of the Companies. Recognizing this purpose, the Company has disclosed only such Policies and Notes from the individual financial statements, which fairly present the needed disclosures.

### 3. Principles of Consolidation

- These Consolidated Financial Statements are prepared using the Financial Statements of the Parent Company and the Indian Subsidiary Companies drawn up to the same reporting date.
- The Financial Statements of the Parent Company and its Subsidiaries have been consolidated using uniform accounting policies for like transactions and other events in similar circumstances.
- The excess of the share of the Parent Company in the Net Assets over the carrying costs to the Parent Company of its investments in each of the Subsidiaries is recognized in the Consolidated Financial Statements as Capital Reserve and in the converse case it is recognized as Goodwill.
- In case of Associates, where the Parent Company directly or indirectly through Subsidiaries holds more than 20% of equity, investments in associates are accounted for using equity method in accordance with Accounting Standard 23 (AS-23) "Accounting for Investment in Associates in Consolidated Financial Statements".
- Net loss attributable to the minority interest borne by the Parent Company in previous years, is recouped. The Consolidated Financial Statements include the share of Profits/Losses of the Associate Companies. These profits/Losses have been accounted as per "Equity Method", as per which the Share of Profits or Losses of each of the Associate Companies has been added to the carrying cost of Investment.

### 4. Research and Development

Revenue Expenditure on Research and Development is charged to the Profit and Loss Account for the year. Capital Expenditure on Research and Development is included as part of Fixed Assets and Depreciation is provided on the same basis as for other Fixed Assets.

### 5. Revenue Recognition

- Sale of goods is recognized on dispatch of goods to customers and is recorded net of claims, etc. as considered appropriate. Revenue from conversion, sale of scrap and obsolete stores is accounted for at the time of disposal.

- (ii) Export entitlements are recognized on realization.
- (iii) Revenue in respect of Interest, Insurance Claims and Subsidy from Department of Fertilizers is recognized on the time proportion method.

## **6. Fixed Assets**

The Fixed Assets of the Parent Company and other Subsidiaries are stated at cost of acquisition (net of CENVAT/VAT) inclusive of all expenditure of capital nature such as, inward freight, duties and taxes, installation and commissioning expenses, appropriate borrowing costs and incidental expenses related to acquisition.

## **7. Depreciation**

- a. Depreciation is provided on tangible fixed assets (with the exception of land) at the rates adopted in the accounts of the Parent and respective Subsidiaries on straight-line Method, except as stated in item b.
- b. In respect of asset installed by the Parent Company in one plant taken on Operating Lease, depreciation is provided on Reducing Balance Method at the Rate prescribed under Schedule XIV of the Companies Act, 1956.
- c. Leasehold Land is amortized over the period of Lease in case of the Parent Company. Product/Process Development expenses are amortized over the estimated useful life of the product in case of Parent Company.

## **8. Investments**

- (i) Current Investments if any are stated at lower of cost and Fair Market Value.
- (ii) Long-Term Investments are stated at cost less provision for permanent diminution in value if any, of investments.

## **9. Inventories**

Inventories have been valued on the following basis:

<i><u>Nature of Goods</u></i>	<i><u>Method of Valuation</u></i>
(a) Raw Materials, packing materials, stores and spares	– At cost on weighted average basis
(b) Work in process	– At cost plus appropriate allocation of overheads
(c) Finished Goods	– At cost plus appropriate allocation of overheads or net realizable value, whichever is lower

## **10. Deferred Revenue Expenditure**

Deferred Revenue Expenditure is amortized over the period of agreement on pro-rata basis.

## **11. Borrowing Costs**

Interest on Term Loans directly related to the acquisition, construction or erection of Fixed Assets is capitalized.

## **12. Taxation**

- (a) Current Income Tax is the aggregate of the tax expenses appearing in the financial statements of individual companies in accordance with the applicable tax regulations.
- (b) Deferred Tax is recognized on timing differences in the case of the individual Companies and is disclosed in the aggregate in the consolidated financial statements.

## **13. Current Assets and Loans and Advances**

In the opinion of the Board, except as otherwise stated, the Current Assets and Loans and Advances have a value on realization at least equal to amounts at which they are stated in the Balance Sheet.
