EXPLANATORY STATEMENT TO THE NOTICE

(Pursuant to section 102 of the Companies act, 2013)
(For the Special Businesses to be transacted at the meeting)

Item No. 5: Reappointment of Mr. Tirupur Kulandaivel Chandiran (DIN: 00031091) as the Managing Director of the company

Mr. Tirupur Kulandaivel Chandiran or T.K. Chandiran (DIN: 00031091) is a promoter and one of the founders of the company. He has been serving as a member of the Board of Directors of the company since its incorporation and currently holds the position of Managing Director and Chairperson of the company.

According to Section 196 (2) of the Companies Act, 2013, no company shall appoint or re-appoint any person as its managing director, whole-time director or manager for a term exceeding five years at a time. Hence, the company has been following the practice of reappointing the Managing Director and Wholetime Director of the company periodically, in compliance with the provisions of the Act.

Mr. T.K. Chandiran (DIN: 00031091) was reappointed as the Managing Director of the company in the Board Meeting held on 28.04.2021 with effect from 03.04.2021 for a period of 3 years, expiring on 03.04.2024 and the approval of shareholders for his reappointment was granted in the 9th Annual General Meeting of the company held on 23.09.2021, including the approval for continuing his appointment as Managing Director after he attains the age of 70 years during the said term.

As per Section 203(2) read with Section 196 (4), the appointment of Managing Director shall be approved in a Board meeting, subject to approval by a resolution passed by the shareholders at the next general meeting of the company. Accordingly, based on the recommendation of the Nomination and Remuneration Committee, the meeting of Board of Directors held on 26.03.2024 discussed and approved the reappointment of Mr. T.K. Chandiran (DIN: 00031091) as the Managing Director of the company with effect from 03.04.2024 for a period of 5 years till 03.04.2029.

According to Section 196(3), no company shall appoint or continue the employment of any person as managing director who has attained the age of 70 years, unless a Special Resolution is passed, and the justification for appointing such person is indicated in the Explanatory Statement. Mr. T.K. Chandiran (DIN: 00031091) has attained the age of 71 years. Hence, the approval of shareholders by way of a Special Resolution is required for the said re-appointment in this Annual General Meeting.

Justification for the re-appointment

Mr. T.K. Chandiran (DIN: 00031091) is the founder and a first promoter of the company who has dedicated his entire life to the growth and prosperity company. His long-standing experience in the business and expertise in management has led the company to great success. He has over 46 years of experience in the business of retail jewellery and textiles showrooms as well as power generation plants. He is the guiding force behind the strategic decisions of our Company and has been instrumental in planning and formulating the overall business strategy and developing business relations for our Company. At the age of 71, he is still an energetic, enthusiastic and healthy individual who continues to play the most pivotal role in the overall management of the company.

Hence, the Board considers the continuation of the directorship of Mr. T.K. Chandiran in the company to be in the best interest of the company, and therefore recommends this resolution set out in Item No. 5 of the Notice to be passed by the shareholders as a Special Resolution.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Pursuant to Regulation 34 (2)(e) read with Part B of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

KKV Agro Powers Limited (CIN: L40108TZ2012PLC018332), is a leading Precious Metals and renewable energy generation and trading Company based in Coimbatore, Tamil Nadu. The company, listed in the NSE - Emerge platform and engaged in multiple businesses, has hit a turnover of an impressive Rs. 1,554.77 crores, which represents a 25.64% increase compared to the previous year, and has recorded a net profit after tax of Rs. 27.01 lakhs. The company has maintained its position in the “1000 crore club” continuously for the second financial year.

The Board of Directors of your company proudly presents the Management Discussion and Analysis Report (“MDA Report”) of the company for the financial year 2023-24.

I. GLOBAL ECONOMY

In the year 2023, real global gross domestic product (GDP) grew by 3.2%, as against the earlier estimation by the International Monetary Fund (IMF). The year started with the expectation of a slowdown in the western world following high inflation and subsequent tightening by all major central banks worldwide. However, US economy remained buoyant registering 2.5% GDP growth following strong growth in jobs and consumer spending. The geopolitical crisis in Europe continued while tensions in the Middle East hit the world towards the end of the year, turning the Red Sea into a conflict zone. Despite these challenges, the global economy remained on a solid footing.

The global economy remained resilient in 2023 despite the escalation of geo-political conflicts, higher-for-longer interest rates and demand slowdown. High interest rates have also speculated a period of recession in the major economies. Global inflation is receding at a faster pace than anticipated. It declined from 8.7% in 2022 to 6.8% in 2023 and is expected to further decline to 5.9% in 2024. Though headline inflation witnessed a sustained decline from the unprecedented peaks, core inflation has maintained its sticky nature and required strict vigilance of the central banks to bring it down to the desired levels. The global economy also dealt with the challenge of high borrowing costs due to the persistent high interest rates.

II. WORLD ECONOMIC OUTLOOK - APRIL 2024

The baseline forecast is for the world economy to continue growing at 3.2 percent during 2024 and 2025, at the same pace as in 2023. A slight acceleration for advanced economies – where growth is expected to rise from 1.6 percent in 2023 to 1.7 percent in 2024 and 1.8 percent in 2025 – will be offset by a modest slowdown in emerging market and developing economies from 4.3 percent in 2023 to 4.2 percent in both 2024 and 2025. The forecast for global growth five years from now – at 3.1 percent – is at its lowest in decades. Global inflation is forecast to decline steadily, from 6.8 percent in 2023 to 5.9 percent in 2024 and 4.5 percent in 2025, with advanced economies returning to their inflation targets sooner than emerging market and developing economies. Core inflation is generally projected to decline more gradually.

The global economy has been surprisingly resilient, despite significant central bank interest rate hikes to restore price stability. Changes in mortgage and housing markets over the pre-pandemic decade of low interest rates moderated the near-term impact of policy rate hikes. The relatively weak medium-term outlook reflects lower growth in GDP per person stemming, notably, from persistent structural frictions preventing capital and labor from moving to productive firms. III. INDIAN ECONOMY

India's economic outlook remains positive and it is poised to become the third largest economy in the world, with a GDP of US\$ 5 trillion by FY 2027-28. The support of infrastructure spending, efforts to build a manufacturing ecosystem, and strong consumer and business sentiments have become the fundamental drivers of the growth. The global concerns related to the supply chain disruption, high logistics cost, escalation of the geo-political crisis and volatility in global financial markets pose a downside risk, however, the Indian economy is well-positioned to navigate forthcoming uncertainties due to its robust domestic demand. The RBI is expecting inflation to moderate to an average of 4.5% in FY 2024-25, under the upper tolerance limit of 6% but still above the comfort level of 4%. The GDP growth outlook for FY 2024-25 and FY 2025-26 is expected to be 6.8% and 6.5%, respectively.

Amidst a challenging global scenario, India has emerged as a significant economic and geopolitical power. 2023 was a landmark year for India, as it assumed the presidency of the G20. India remained the fastest growing large economy in the world, contributing approximately 16% to global growth in 2023. Real Gross Value-Added has grown by 7.2% in FY 2023-2024 over 6.7% in 2022-23. This GVA growth has been

mainly due to significant growth of 9.9% in Manufacturing sector and growth of 7.1% for Mining & Quarrying sector.

IV. INDUSTRY OVERVIEW

The company is engaged in multiple businesses, namely, precious metals, renewable energy generation, bullion trading, textile business, and agricultural products. During the financial year, the company did not undertake any operations in or generate any revenue out of the textiles industry and agricultural production/ trading.

A. Renewable Energy

Global energy consumption witnessed moderate growth, driven by the United States and Asian countries witnessing higher energy demand while demand in Europe continued to decline. The share of electricity in final energy consumption reached 20% in 2023, up from 18% in 2015. Weather conditions globally are seen to be extreme, prompting heatwaves and a rise in greenhouse gas emissions. It is anticipated that adoption of renewable energy will continue to increase over the coming decades, contributing 45–50% of generation by 2030 and 65–85% by 2050.

Legislation and policies related to climate change have grown more ambitious. Additionally, there are increasing efforts to prevent vulnerable groups and the developing world from being disproportionately affected by the transition. The global electricity demand rose moderately in 2023 by 2.2% while reaching a record high. Global power demand is expected to grow by 3–4% per year due to growth in emerging market energy needs and global electrification.

India is the third-largest energy-consuming country in the world. According to the IEA, India has emerged as fourth globally in renewable energy installed capacity, fourth in wind power capacity, and fifth in solar capacity. India is on a strong footing on its Panchamrit journey on climate action, targeting 50% non-fossil installed capacity by 2030, a reduction of total projected carbon emissions by one billion metric tonnes from 2022 to 2030, a reduction of the carbon intensity of the economy by 45% by 2030 (over 2005 levels), and achieving net zero emissions by 2070.

India has exhibited a strong foothold as the world's largest expansion plan in renewable energy. India installed a non-fossil fuel capacity of 18.5 GW during FY 2024. During the year, India held the sixth session of the International Solar Alliance Assembly at Bharat Mandapam. Also, India assumed the presidency of the 13th assembly of the International Renewable Energy Agency (IRENA), the first international organisation to focus exclusively on renewable energy, in Abu Dhabi. India is implementing the National Green Hydrogen Mission with an investment of

Rs. 19,744 crores. With this, India is aiming to emerge as the global hub for the production, usage, and export of green hydrogen and its derivatives.

B. Precious Metals and Bullion

India's precious metals and jewellery industry is one of the largest in the world contributing almost 29% to the global jewellery consumption. India is deemed to be the hub of the global jewellery market because of its low costs and availability of high-skilled labour. One of the fastest growing sectors, gems and jewellery industry is extremely export oriented and labour intensive.

In India, the jewellery market has seen mixed impacts. While investment in gold through ETFs saw substantial inflows, suggesting a strong investment demand, the physical gold jewellery market experienced weaker demand in the first quarter of 2024 compared to the previous year. This was primarily due to high local gold prices which dampened consumer enthusiasm for jewellery purchases. Additionally, economic fluctuations and higher customs duties on gold imports contributed to shifts in market dynamics.

The seasonal patterns of gold buying related to cultural and agricultural cycles continued to play a critical role in India. Festivals like Diwali and Akshaya Tritiya, Aadi Utsav (Aadi 18) and Basant Panchami along with the wedding season, stimulated gold purchases, although the volumes were affected by the high price levels. The demand for gold jewellery in rural areas, closely linked to the agricultural harvest seasons, underscores the sector's dependence on broader economic and environmental factors.

The gold and jewellery industry globally and in India has navigated through a complex economic landscape shaped by inflation, geopolitical issues, and domestic economic policies. While gold remains a critical asset in times of uncertainty, the jewellery sector faces challenges that require adjustments to new economic realities and consumer behaviours.

V. COMPANY PROFILE:

We develop, build, own, operate and maintain utility scale grid connected solar and wind farm projects and generate revenue through the sale of electricity. Leveraging our capabilities, we are expanding our project profile in multiple geographies all over India in solar sector. We have a strong track record of developing, constructing and operating renewable power projects, driven by in-house teams across all stages of the process.

We have a strong project site development team which identifies and selects most suitable sites based on multiple objective criteria, for future project development. We have applied for connectivity at selected wind and solar resource rich sites and is in advance stage of land control and acquisition.

The Company has also engaged in Jewellery business and bullion trading which provided significant contribution to the revenue of the Company during the current Financial year.

VI. STRATEGIC FOCUS OF THE COMPANY:

Our Vision is to enhance our position as a leading independent renewable energy producer in India and also excel in the field of gold retail and bullion trade, executing the following:

- Scalable Green Energy Business pertaining to wind and solar energy
- Bullion business
- Retail gold trading
- Agro based products cultivation and sales

VII. RISKS AND CONCERNS

Functioning in a dynamic operating scenario, the Company is exposed to various business risks, which may be internal and external. It has put in place a comprehensive risk-management system, tailored to the specific requirements of the business, considering various factors such as size and nature of inherent risks and the Company's regulatory environment. The risk management system recognises and analyses risks early and takes appropriate action. The Company's senior management regularly reviews the risk management processes for regular effective risk management and mitigation.

VIII. SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS:

The details of significant changes in key financial ratios (i.e. change of 25% or more as compared to the previous financial year) along with detailed explanations for such change is provided in the table hereinbelow:

IX. DETAILS OF ANY CHANGE IN RETURN ON NET WORTH AS COMPARED TO THE IMMEDIATELY PREVIOUS FINANCIAL YEAR

The Net worth of the Company decreased from to Rs. 2,155.58 in the financial year 2022-23 to Rs. 2,123.19 Lakhs in the Financial Year 2023-24. The decrease is owing to lower profits during the year 2023-24 and higher dividend pay-outs to the equity shareholders as compared to previous year.

X. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has adequate Internal Control System commensurate with its size and operations. Management has overall responsibility for the Company's Internal Control System to safeguard the assets and to ensure reliability of financial records. Audit Committee reviews all financial statements and ensures adequacy of internal control systems.

XI. DISCUSSIONS ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

INDEPENDENT AUDITOR'S REPORT

AND

AUDITED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31.03.2024

KKV AGRO POWERS LIMITED

INDEPENDENT AUDITOR'S REPORT

To the Members of **KKV Agro Powers Limited**

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of KKV Agro Powers Limited (“the Company”), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss and the Statement of Cash Flows for the year then ended and notes to the Financial Statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, including the Accounting Standards prescribed under section 133 of the Act read with Rule 7 of the Companies (Accounting) Rules, 2014, its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the “*Auditor’s Responsibilities for the Audit of the Financial Statements*” section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (“ICAI”) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and Rule thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Management and the Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Annual report, for example Director's Report and Management analysis including annexures thereon but does not include the Financial Statements and our Auditor's Report thereon. The other information is expected to be made available to us after the date of our Audit report.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the other information, as stated above, which is expected to be received after the date of our audit report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under applicable laws and regulations.

Management and Board of Directors Responsibilities for the Financial Statements.

The Company's Management and the Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Management and Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance but not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management and the Board of Directors.

- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) evaluating the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

(1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in "Annexure 1",

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2 under "Report on Other Legal and Regulatory Requirements" in the Independent Auditor's Report of even date to the members of KKV Agro Powers Limited on the financial statements for the year ended 31-03-2024]

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **KKV Agro Powers Limited** ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to

an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any

evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Note No. 1

A About the Company:

KKV Agro Powers Limited ("The Company") is a listed company on the SME platform of the National Stock Exchange of India Ltd (NSE Emerge) from the financial year 2016-17 and was incorporated under the provisions of the Companies Act, 1956. The Registered office of the company is located at Coimbatore.

Nature of Operations:

KKV Agro Powers Limited is an Independent power producer engaged in the generation, transmission, distribution of power. It has an installed capacity of 10.6 MW that includes 7.6 MW wind power and 3 MW Solar power. The company is also pursuing in Trading of Precious Metals.

B SIGNIFICANT ACCOUNTING POLICIES:

i) a) Basis of Preparation:

The Financial Statements have been prepared to comply in all material respects with the accounting standards specified under Section 133 of the Companies Act read with Rule 7 of the Companies (Accounting Standards) Rules, 2014 and the relevant provisions of the companies Act, 2013. The Financial Statements have been prepared under the historical cost convention on an accrual basis. This accounting policy has been consistently applied by the company with those used in the previous year.

b) Use of Estimates:

The preparation of financial statements in conformity with Generally Accepted Accounting Principles requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, disclosures relating to contingent liabilities and assets as at the balance sheet date and the reported amounts of income and expenses during the year. Difference between the actual amounts and the estimates are recognised prospectively in the year in which the events are materialised.

ii) Property, Plant & Equipment, Depreciation/Amortisation and Impairment:

a) Property, plant and equipment (PPE) being Fixed assets are tangible items held for use or for administrative purposes and are measured at cost less accumulated depreciation and any accumulated impairment. Cost comprises of the purchase price including import duties and non-refundable purchase taxes after deducting trade discounts and rebates and any costs attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the Management. Finance costs relating to acquisition of assets which take substantial period of time to get ready for intended use are also included to the extent they relate to the period up to such assets are ready for their intended use.

b) Items such as spare parts, stand-by equipment and servicing equipment are recognised if they meet the definition of property, plant and equipment.

The carrying amount of an item of PPE is derecognised on disposal or when no future economic benefits are expected from its use or disposal. The gain/ loss arising from derecognition of an item of PPE is included in the statement of Profit & Loss. The gain or loss arising from the derecognition of an item of PPE would be the difference between the net disposal proceeds, if any, and the carrying amount of the item.

c) Depreciation on Property, plant and equipment are provided under straight line method as per the useful lives and manner prescribed under Schedule II to the Companies Act, 2013. Where the cost of a part of the PPE is significant to the total cost of the PPE and if that part of the PPE has a different useful life than the main PPE, the useful life of that part is determined separately for depreciation. The depreciation method applied to an asset is reviewed at each financial year-end and if there has been a significant change in the expected pattern of consumption of future economic benefits embodied in the asset, depreciation is charged to reflect the changed pattern.

d) The Useful Life prescribed in Schedule II to the Companies Act, 2013,

S.No	Class of Assets	Useful life
1	Building represented by Fencing Work	5 Years
2	Plant and Machinery	
	- Wind Power generation plant	22 years
	- Other than continuous process plant	15 years
3	Furniture & Fittings	10 years
4	Motor Vehicles	8 years
5	Office Equipments	5 years
6	Computers	3 years
7	Electrical fittings	10 years
8	Intangible Assets	5 years

e) As at each Balance sheet date, the carrying amount of assets is tested for impairment so as to determine

- i) The provision for impairment loss, if any, required or
- ii) The reversal, if any, required of impairment loss recognized in previous periods.

Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

iii) Investments:

- a) Long-Term Investments are stated at cost.
- b) Current Investments are carried at lower of cost and fair value as on the Balance Sheet date.
- c) Provision for diminution in value of long-term investments is made, if the diminution is other than temporary.

iv) Inventories:

- a) Inventories are valued at lower of cost on FIFO basis and estimated net realizable value
- b) Stores and spares which do not meet definition of PPE are accounted as inventories at Cost

v) Foreign Currency Transaction:

- a) Foreign Currency Transactions are recorded at exchange rates prevailing on the date of such transaction.
- b) Exchange differences arising on settlement on transactions of monetary items are recognised as income / expense in the Statement of Profit & Loss in the period in which it arises.
- c) Foreign Currency assets and liabilities at the yearend are realigned at the exchange rate prevailing at the year end and the difference on realignment is recognized in the Statement of profit & Loss.
- d) Premium / Discount in respect of Forward contract are amortized as expense / income over the period of contract. Exchange difference arising on forward contracts between the exchange rate on the date of the transaction and the exchange rate prevailing at the yearend is recognized in the Statement of Profit & Loss.

- b) Deferred tax assets are recognized and carried forward to the extent that there is a virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets on business loss and unabsorbed depreciation are recognized and carried forward to the extent that there is virtual certainty that sufficient taxable income will be available against which such deferred tax asset can be realized.
- c) Minimum Alternative Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

viii) Employee Benefits:

- a) Short-term employee benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.
- b) Payments to defined contribution schemes are charged as expense as and when incurred.
- c) Post-employment and other long term, benefits, which are defined benefit plans, are recognized as an expense in the Statement of Profit and Loss for the year in which the employee has rendered service. The expense is recognized based on the present value of the obligation determined in accordance with Accounting Standard 15 on "Employee Benefits". Actuarial gains & losses are charged to the Statement of Profit and Loss.
- d) Termination benefits are recognized as an expense, as and when incurred.

ix) Borrowing Cost:

- a) Interest and other related costs, including amortized costs of borrowings related to the project or acquisition of qualifying assets are capitalized as part of the respective assets. All the other borrowing costs are charged to revenue.
- b) A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale.

x) Earnings per Share:

- a) Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity Shareholders by the weighted average number of equity shares outstanding during the period.
- b) For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

xi) Provisions and Contingencies:

- a) A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources would be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined.
- b) A disclosure for a contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

xii) Leases :

a) Where the company is the lessee

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased items are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.
