STATEMENT PURSUANT TO SECTION 102 (1) OF THE COMPANIES ACT, 2013 ("the Act")

The following Statement sets out all material facts relating to the Special Business mentioned in the accompanying Notice:

Item No. 3

The Board on recommendations of the Audit Committee in their meeting held on 4th May, 2018 has approved the re-appointment of M/s. Manisha and Associates, Cost Accountants as Cost Auditor to conduct the Cost Audit of the Company for the Financial year 2018-19 at a remuneration of ₹ 30,000/- plus taxes and out of pocket expenses towards travel etc.,

In accordance with the provisions of Section 148 of the act read with Companies (Audit & Auditors) Rules, 2014, the re-appointment and remuneration payable to the Cost Auditor has to be ratified by the Shareholders of the Company.

Accordingly, consent of the member is sought for passing the Ordinary Resolutions as set out at item No. 3 of the Notice for ratification of the reappointment and remuneration payable to the cost auditors for the financial year ending 31st March, 2019.

None of the Directors/ Key Managerial Personnel of the Company or their relatives are concerned or interested in the resolution as set out at item No. 3 of the Notice except to the extent of their shareholding in the Company, if any.

The Board recommends the ordinary resolution set out at the item no. 3 of the Notice for approval of members of the Company.

Item No. 4:

The Board of Directors of the Company at its meeting held on 4th May, 2018 proposed to seek the approval of members by way of special resolution for the revised remuneration payable to Mr. Ashok Tandon with effect from 1st April, 2018, for remaining period of his tenure i.e. upto 19th January, 2019, in terms of applicable provisions of the Companies Act, 2013 and as recommended by the Nomination and Remuneration Committee. The details as required under Schedule V to the Companies Act, 2013 is provided in Item No. 5 of the Notice under the heading "**DISCLOSURES AS PER SUB CLAUSE (iv) OF THE SECOND PROVISIO TO CLAUSE (B) OF SECTION II OF PART-II OF SCHEDULE V OF THE ACT**". Except Mr. Ashok Tandon, none of the other Directors, Key Managerial Personnel or any of their relatives are, in any way, concerned or interested, financially or otherwise in this resolution. The Board recommends the Special Resolutions set out at the Item no. 4 of the Notice for approval of the members of the Company.

Item No. 5:

Mr. Ashok Tandon was appointed by the Shareholders in the Annual general meeting held on 31st August, 2016 as Managing Director of the Company for a period of three years i.e. from 20th January, 2016 to 19th January, 2019. His term as Managing Director of the Company will expire on 19th January, 2019. Keeping in view that Mr. Ashok Tandon has rich and

varied experience in the Industry and has been involved in the operations of the Company over a period of time, it is proposed to re-appoint him for further period of three years from 20th January, 2019 to 19th January, 2022. The re-appointment of Mr. Ashok Tandon [DIN: 00028301] as the Managing Director of the Company shall require the approval of the shareholders by way of passing of Special Resolution pursuant to the provisions of Sections 196, 197, 198, 203, Schedule V and any other applicable provisions of the Companies Act, 2013 and the rules made there under (including any statutory modification(s) or re-enactment thereof for the time being in force), the approvals of the Central Government and other authorities, if required. The proposed re-appointment of and payment of remuneration to Mr. Ashok Tandon [DIN: 00028301] as the Managing Director has been considered and recommended by the Nomination and Remuneration Committee and the Board of Directors at its meetings held on 4th May, 2018.

The remuneration and terms of re-appointment are set out below:

Sr. No	Particulars	Upto 31.03.2018 (per annum)	Proposed Upto 19.01.2019 (per annum)	Proposed from 20.01.2019 (per annum)
a)	Remuneration	₹ 52,11,276	₹ 55,21,860	₹ 55,21,860
b)	Perquisites & Allowances	₹ 31,63,368	₹ 39,15,516	₹ 39,15,516
	Total	₹ 83,74,644	₹ 94,37,376	₹ 94,37,376

Mr. Ashok Tandon, Managing Director shall also be eligible for the following which shall not be included in the computation of the ceiling on remuneration. The perquisites and allowances exclude the followings:

- Contribution to Provident Fund;
- Gratuity payable at rate not exceeding half a month's salary for each completed year of service, and
- Leave and encashment of leave as per the Rules of the Company.
- The Company shall pay to or reimburse to the Managing Director all costs, charges and expenses that may have been or may be incurred by him for the purpose of or on behalf of the Company.
- In the event of the loss or inadequacy of profit, in any financial year during his tenure as the Managing Director, the aforesaid remuneration will be treated as minimum remuneration subject to the approval of the Central Government, if any, as may be required.

General Conditions:

- The Managing Director will perform his Duties as such with regard to all work of the Company and he will manage and attend to such business and carry out the orders and directions given by the Board from time to time in all respects.
- The Managing Director shall act in accordance with the Articles of Association of the Company and shall

LLOYDS STEELS INDUSTRIES LIMITED

abide by the provisions contained in Section 166 of the Companies Act, 2013 with regard to duties of directors.

3. The Managing Director shall adhere to the Company's code of conduct.
4. Mr. Ashok Tandon satisfies all the conditions set out in Part-I of Schedule V of the Act as also conditions set out under subsection (3) of Section 196 of the Companies Act, 2013, for his re-appointment. He is not disqualified for being appointed as Director in terms of Section 164 of the Companies Act, 2013.

5. The above may be treated as a written memorandum setting out the terms of re-appointment of Mr. Ashok Tandon under section 190 of the Companies Act, 2013.

As per Audited Financial Statements of the Company for the Financial Year 2017-18, the Company has inadequate profit, therefore, pursuant to the provisions of Section 197 of the Companies Act, 2013, the remuneration payable to Managing Director should be in accordance with the provisions of Schedule V of the Act.

a. Engineering Industry and Business Overview:

The prospects of Indian Engineering Industry are improving in a steady manner in view of large reforms undertaken by the Government of India in various sectors particularly in the Hydro Carbon

and Infrastructure Sectors. The Oil and Gas Sector including the Refineries in India have made out expansion plans with high investments and accordingly this sector alongwith Infrastructure, Logistic and Port Sectors are expected to grow and provide opportunities to the engineering industry. Government has also assigned priority to upgrade and modernize Indian Navy which will provide business opportunity for supply and services to Indian Naval Ships. Further, Infrastructure, Logistic and Port development is expected to increase our share in Marine Loading Arms business. The Capital Goods demand in Steel Sector is also under revival on account of measures initiated by the Government which will provide business opportunities.

b. Risk & Concerns:

The present scenario of the banking system which is over burdened with large Non Performing Assets (NPA) is restricting the investment by Public and Private Corporate Sectors. Due to severe competition margins are under pressure with large number of bidders in Engineering Industry. We are up-grading our skills, modernization and cost saving to the extent possible. Risk and concerns are being addressed on a continuous basis.

c. Internal Control System and Audit:

The Company believes in systematic working and placing appropriate internal control systems and checks. Proper checks and systems are in place and regular reviews are held by the Head of Department and Senior Management to check that the systems and controls are adhered. The reviews also prescribe changes wherever required. The efficiency of Internal Control Systems is ensured as a combined result of the following activities:

1. Operational performance is reviewed each month by the Senior Management.
2. Performance of each function is closely monitored by the Head of Department and Senior Management through daily/ weekly/monthly review meetings. Reviews of all independent functions are regularly undertaken. Cross functional activities are subjected to periodic review.
3. Various policies are introduced from time to time to ensure effective functioning of various departments, such as Business Development, Projects, Procurement, Commercial, Finance, HR, etc.
4. The Internal Auditors of the company conducts financial, operational and management audit of various functions and areas. Their reports are placed before the Audit Committee and appropriate actions as deemed fit are initiated based on the reports.

5. The Audit Committee also oversees financial systems, procedures and internal controls and competent to call for any information/ document from any department/function.

d. Human Resources and Industrial Relations:

The Industrial Relations in the company's units located at Murbad during the year under review was cordial. Human Resources Department ("HRD") works continuously for maintaining healthy working relationship with the workers and other staff members. The underlying principle is that workers and staff at all levels are equally instrumental for attaining the Company's goals. Training programmes are regularly conducted to update their skills and apprise them of latest techniques. Senior Management is easily accessible for counseling and redressal of grievances if any. The HR Department strives to maintain and promote harmony and co-ordination amongst workers, staff and members of the senior management.

LLOYDS STEELS INDUSTRIES LIMITED

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF M/S LLOYDS STEELS INDUSTRIES LIMITED

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of M/S Lloyds Steels Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement, and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), and cash flows, and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence, on a test basis, about the amounts and disclosures in the standalone Ind AS financial statements. The procedures

selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's management, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS:

- (a) in the case of the Balance Sheet, of the state of affairs (financial position) of the Company as at March 31, 2018;
- (b) in the case of the Statement of Profit and Loss, of the profit (financial performance including other comprehensive income) for the year ended on that date;
- (c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date; and
- (d) in the case of the Statement of Changes in Equity, of the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act 2013, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The Company has no branch office and hence the company is not required to conduct audit under section 143 (8) of the Act;
- d) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash flow statement, and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;

- e) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with the Companies (Accounts) Rules, 2014;
- f) On the basis of the written representations received from the directors as on 31 March 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2018 from being appointed as a director in terms of Section 164 (2) of the Act;
- g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's Internal Financial Controls over financial Reporting; and
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position as per the Notes to the Financial Statement.
 - ii. The Company has made provision, as required under the applicable law or Indian Accounting Standards (Ind AS), for material foreseeable losses, as per Notes to the Standalone Ind AS Financial Statement.
 - iii. During the year, no amounts were required to be transferred to the Investor Education and Protection Fund by the Company. The question of delay in transferring such sums does not arise.

ANNEXURE B - TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF M/S LLOYDS STEELS INDUSTRIES LIMITED AS ON 31ST MARCH 2018

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

To the Members of M/s. Lloyds Steels Industries limited

We have audited the internal financial controls over financial reporting of M/s. Lloyds Steels Industries limited ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion

or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2. Summary of Significant Accounting Policies

2.1 Basis of Preparation

This financial statement has been prepared to comply in all material respects with the Indian Accounting Standard ('Ind AS') notified under section 133 of the Companies Act, 2013, read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 issued by the Ministry of Corporate Affairs ('MCA'). In addition, the Guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied except where compliance with other statutory promulgations requires a different treatment.

Presentation of Financial Statements

The Balance Sheet and the Statement of Profit & Loss are prepared and presented in the format set out in Schedule III to the Companies Act, 2013 ("the Act"). The Cash Flows Statement has been prepared and presented as per the requirements of Accounting Standards (IND AS - 7) "Statement of Cash Flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit & Loss as prescribed in the schedule III to the Act, are presented by way of notes forming parts of accounts alongwith the other notes required to be disclosed under the notified Accounting Standards and the equity listing agreement. Amounts in the financial statement are presented in Indian rupees in Lacs.

The said financial statements for the year ended March 31, 2018 are the first Ind AS financial statements of the Company. The transition to Ind AS has been carried out from accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 ('IGAAP'),

which is considered as the Previous GAAP, for purposes of Ind AS 101. For details, refer Note 32.

The financial statements are authorized for issue by the Company's Board of Directors at their meeting held on May 4, 2018.

The preparation of the said financial statements requires the use of certain critical accounting estimates and judgments. It also requires the management to exercise judgment in the process of applying the Company's accounting policies. The areas where estimates are significant to the financial statements, or areas involving a higher degree of judgment or complexity, are disclosed in Note 3.

The financial statements are based on the classification provisions contained in Ind AS 1, 'Presentation of Financial Statements' and division II of schedule III of the Companies Act 2013 along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Further, for the purpose of clarity, various items are aggregated in the statement of profit and loss and balance sheet. Nonetheless, these items are dis-aggregated separately in the notes to the financial statements, where applicable or required. The figures for the year ended March 31, 2017 have now been restated as per Ind AS to provide comparability.

The Company accrues individual items of income / expenses above Rs. 10,000/- per item.

All the amounts included in the financial statements are reported in Lakhs of Indian Rupees ('Rupees') and are rounded to the nearest Lakhs, except per share data and unless stated otherwise.

2.2 Basis of Measurement

The financial statements have been prepared on the accrual and going concern basis and the historical cost convention except where the Ind AS requires a different accounting treatment. Historical cost is generally based on fair value of the consideration given in exchange of Goods & Services.

Fair Value Measurement

Fair value is the price at the measurement date, at which an asset can be sold or paid to transfer a liability, in an orderly transaction between market participants. The Company wherever required has measured the financial / non - financial Assets and Liabilities at fair value in the Financial Statement.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

2.3 Basis of Transition to Ind AS

The adoption of Ind AS is carried out in accordance with Ind AS 101 on April 1, 2016 being the transition date. However, in preparing these financial statements, the Company has availed of certain exemptions and exceptions in accordance with Ind AS 101, as explained below. The resulting difference between the carrying values of the assets and liabilities in the financial statements as at the transition date under Ind AS and previous GAAP have been recognized directly in equity at the transition date.

In these financial statements, the Company has presented three balance sheets - as at March 31, 2018, March 31, 2017 and April 1, 2016. The Company has also presented two statements of profit and loss, two statements of changes in equity and two statements of cash flows for the year ended March 31, 2018 and 2017 along with the necessary and related notes.

Ind AS 101 allows first-time adopters certain optional exemptions and mandatory exceptions from the retrospective application of certain requirements under Ind AS.

A. Exemptions / exceptions from full retrospective application

- i) Deemed cost exemption - The company has adopted the carrying value determined in accordance with IGAAP for all of its property, plant & equipment as deemed cost of such assets at the transition date.

B. The following mandatory exceptions from retrospective application of Ind AS have been applied by the Company.

- i. Estimates exception - On an assessment of the estimates made under the Previous GAAP financial statements, the Company has concluded that there is no necessity to revise the estimates under Ind AS, as there is no objective evidence that those estimates were in error.
- ii. De-recognition of financial assets and liabilities exception - Financial assets and liabilities de-recognized before transition date are not re-recognized under Ind AS. Reconciliations and explanations of the significant effect of the transition from Previous GAAP to Ind AS on the Company's equity, statement of profit and loss and statement of cash flows are provided in Note 32.

2.4 Foreign Currency Transactions

The financial statements are presented in Indian Rupees which is the functional and presentation currency of the Company.

Transactions in foreign currencies are initially recorded in the relevant functional currency at the rates prevailing at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the closing exchange rate prevailing as at the reporting date with the resulting foreign exchange differences. On subsequent re-statement/settlement, the same is recognized in the statement of profit and loss within finance costs / finance income. Non-monetary assets and liabilities denominated in foreign currencies are translated into the functional currency using the exchange rate prevalent, at the date of initial recognition (in case they are measured at historical cost) or at the date when the fair value is determined (in case they are measured at fair value). The resulting foreign exchange difference, on subsequent re-statement / settlement is recognized in the statement of profit and loss, except to the extent that it relates to items recognized in the other comprehensive income or directly in equity.

The equity items denominated in foreign currencies are translated at historical cost.

2.5 Current Versus Non-current Classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

Deferred tax assets and liabilities and all assets and liabilities which are not current (as discussed in the below paragraphs) are classified as non-current assets and liabilities.

Operating cycle for the business activities of the company covers the duration of the specific project/contract/ product line/service including the defect liability period wherever applicable and extends up to the realization of receivables (including retention monies) within the agreed credit period as the case may be. An asset is classified as current when it is expected to be realized or intended to be sold or consumed in normal operating cycle, held primarily for the purpose of trading, expected to be realized within twelve months after the reporting period, or cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

A liability is classified as current when it is expected to be settled in normal operating cycle, it is held primarily for the purpose of trading, it is due to be settled within twelve months after the reporting period, or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

2.6 Property, Plant and Equipment ('PPE')

An item is recognized as an asset, if and only if, it is probable that the future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. PPE are initially recognized at cost. The initial cost of PPE comprises its purchase price (including non-refundable duties and taxes but excluding any trade discounts and rebates), and any directly attributable cost of bringing the asset to its working condition and location for its intended use.

LLOYDS STEELS INDUSTRIES LIMITED

Subsequent to initial recognition, PPE are stated at cost less accumulated depreciation and any impairment losses. When significant parts of property, plant and equipment are required to be replaced in regular intervals, the Company recognizes such parts as separate component of assets. When an item of PPE is replaced, then its carrying amount is de-recognized from the balance sheet and cost of the new item of PPE is recognized.

The expenditures that are incurred after the item of PPE has been put to use, such as repairs and maintenance, are normally charged to the statement of profit and loss in the period in which such costs are incurred. However, in situations where the said expenditure can be measured reliably and is probable that future economic benefits associated with it will flow to the Company, it is included in the asset's carrying value or as a separate asset as appropriate.

Depreciation on PPE is computed using the straight-line method over the estimated useful lives. Depreciation is provided as per useful life of the assets as prescribed in schedule II of the Companies Act. Freehold / Leasehold land is not depreciated as it has an unlimited useful life. The Company has established the estimated range of useful lives of different categories of PPE as follows:

Particulars	Useful life (in years)
Leasehold Land	99
Factory Building	30 – 60
Plant & Machinery	15
Computers	3 – 6
Electrical Installations	10
Office Equipments and AC	5 – 8
Furniture and Fixtures	10
Motor Vehicles	8 - 10

The useful lives, residual values and depreciation method of PPE are reviewed and adjusted appropriately, at-least as at each reporting date so as to ensure that the method and period of depreciation are consistent with the expected pattern of economic benefits from these assets. The effects of any change in the estimated useful lives, residual values and/or depreciation method are accounted prospectively, and accordingly the depreciation is calculated over the PPE's remaining revised useful life. The cost and the accumulated depreciation for PPE sold, scrapped, retired or otherwise disposed off are derecognized from the balance sheet and the resulting gains/ (losses) are included in the statement of profit and loss within Other Income.

Assets individually costing Rs. 10,000/- or less are depreciated fully in the year of purchase.

All expenditure and interest cost during the project construction period are accumulated and shown as Capital Work - in - Progress until the project/assets are put to use. Assets under construction are not depreciated. Expenditure/income during pre-operative/ construction period is included in Capital Work - in - Progress.

2.7 Intangible Assets

Identifiable intangible assets are generally recognized when the Company controls the asset and it is probable that future economic benefits attributed to the asset will flow to the Company and the cost of the asset can be measured reliably. The intangible assets are initially recognized at cost. Assets having finite useful life are carried at cost less accumulated amortization and impairment losses, if any.

2.8 Impairment of Non-financial Assets - PPE

PPE and intangible assets with definite lives are reviewed for impairment, whenever events or changes in circumstances indicate that their carrying values may not be recoverable. For the purpose of impairment testing, the recoverable amount (that is, higher of the fair value less costs to sell and the value-in-use) is determined on an individual asset basis, unless the asset does not generate cash flows that are largely independent of those from other assets, in which case the recoverable amount is determined at the cash-generating-unit ('CGU') level to which the said asset belongs. If such individual assets or CGU are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the asset/CGU exceeds their estimated recoverable amount and allocated on pro rata basis.

Impairment losses, if any, are recognized in statement of profit and loss.

Reversal of Impairment Losses

Impairment losses are reversed and the carrying value is increased to its revised recoverable amount provided that this amount does not exceed the carrying value that would have been determined had no impairment loss been recognized for the said asset in previous years.

2.9 Financial Instruments

a. Recognition, Classification and Presentation

The financial instruments are recognized in the balance sheet when the Company becomes a party to the contractual provisions of the financial instrument.

The Company determines the classification of its financial instruments at initial recognition.

The Company wherever necessary classifies its financial assets in the following categories: a) those to be measured subsequently at fair value through profit or loss (FVTPL) and b) those to be measured at amortized cost. The classification depends on the business model for managing the financial assets and the contractual terms of the cash flows.

The Company has classified all the non-derivative financial liabilities measured at amortized cost.

Financial assets and liabilities arising from different transactions are set off against each other on case to case basis if and when the company has

reason to believe, that the Company has a right to set-off the related recognized amounts in terms of a contract or arrangement and the resultant net amount is presented in the balance sheet.

b. Measurement of Financial Instruments

I. Initial Measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and liabilities which are not at fair value are adjusted to the fair value on initial recognition. Otherwise, the transaction costs are expensed in the statement of profit and loss.

II. Subsequent Measurement - financial assets

The subsequent measurement of the non-derivative financial assets depends on their classification as follows:

1. Financial Assets Measured at Amortized Cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. However, where the impact of discounting / transaction costs is significant, the amortized cost is measured using the effective interest rate ('EIR') method. Interest income from these financial assets is included in Other Income.

Impairment

The impairment of assets depends on whether there has been a significant increase in the credit risks since initial recognition. Accordingly, the company deals with providing for impairment of loss. In case of trade receivables, the Company applies the simplified approach which requires expected lifetime losses to be recognized from initial recognition of the receivables.

2. Subsequent Measurement - Financial Liabilities

Financial liabilities are subsequently measured at amortized cost using the EIR method (if the impact of discounting/any transaction costs is significant).

c. Derecognition

The financial liabilities are derecognized from the balance sheet when the underlying obligations are extinguished, discharged, lapsed, cancelled, expired or legally released. The financial assets are derecognized from the balance sheet when the rights to receive cash flows from the financial assets have expired or have been transferred and the Company has transferred substantially all risks

and rewards of ownership. The difference in the carrying amount is recognized in the statement of profit and loss.

2.10

Taxes

The income tax expense comprises of current and deferred income tax. Income tax is recognized in the statement of profit and loss, except to the extent that it relates to items recognized in the other comprehensive income or directly in equity, in which case the related income tax is also recognized accordingly.

a. Current Tax

The current tax is calculated on the basis of the tax rates, laws and regulations, which have been enacted or substantively enacted as at the reporting date. The payment made in excess/ (shortfall) of the Company's income tax obligation for the period are recognized in the balance sheet as current income tax assets/liabilities.

Any interest, related to accrued liabilities for potential tax assessments are not included in Income tax charge or (credit), but are rather recognized within finance costs.

b. Deferred Tax

Deferred tax is recognized, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying values in the financial statements. However, deferred tax are not recognized if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting nor taxable profit or loss.

Deferred tax assets are recognized only to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilized. However, if these are unabsorbed depreciation, carry forward losses and items relating to capital losses, deferred tax assets are recognized when there is reasonable certainty that there will be sufficient future taxable income available to realize the assets. Deferred tax assets in respect of unutilized tax credits which mainly relate to minimum alternate tax are recognized to the extent it is probable that such unutilized tax credits will get realized.

The unrecognized deferred tax assets/carrying amount of deferred tax assets are reviewed at each reporting date for recoverability and adjusted appropriately.

Deferred tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the reporting date and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

LLOYDS STEELS INDUSTRIES LIMITED

Income tax assets and liabilities are off-set against each other and the resultant net amount is presented in the balance sheet, if and only when, (a) the Company currently has a right to set-off the current income tax assets and liabilities, and (b) when it relate to income tax levied by the same taxation authority and where there is an intention to settle the current income tax balances on net basis.

2.11 Inventories

Inventories are stated at the lower of cost (determined using weighted average cost method) and net realizable value. The costs comprise its purchase price and any directly attributable cost of bringing to its present location and condition. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated variable costs necessary to make the sale.

Following are general practice adopted by the company for valuation of Inventory.

Sr. No.	Type of Inventory	Valuation methodology
1	Raw Materials	At lower of cost and net realizable value.
2	Stores and Spares	At cost.
3	Work-in-process/ Semi-finished Goods	At cost.
4	Engineering Plant Finished Goods	At lower of cost and Market value
5	Finished Goods/ Traded Goods	At lower of cost and Market value
6	Scrap Material	At Net Realizable Value
7	Tools and Equipments	At lower of cost and disposable value

*Material and other supplies held for use in the production of the inventories are not written down below cost if the finished goods in which they will be incorporated are expected to be sold at or above cost.

2.12 Cash and Cash Equivalents

Cash and cash equivalents include cash in hand, bank balances and fixed deposits including deposits towards margin money.

2.13 Share Capital

The company has only one class of shares i.e. Equity Shares having par value of Re 1/- each per equity share. The dividend and repayment of capital are at the sole and absolute discretion of the Company and there is no contractual obligation whatsoever to that effect.

2.14

Employee Benefits

The Company's employee benefits mainly include wages, salaries, bonus, defined benefit plans, compensated absences. The employee benefits are recognized in the year in which the associated services are rendered by the Company employees.

a. Short Term Employee Benefits

Employee benefits such as salaries, wages, short term compensated absences, expected cost of bonus, ex-gratia and performance-linked rewards falling due wholly within twelve months of rendering the service are classified as short term employee benefits and are expensed in the period in which the employee renders the related service.

b. Post Employment Benefits - Gratuity

The Company operates one defined benefit plan, viz., gratuity benefit, for its employees. The Gratuity plan provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days basic salary payable for each completed year of service. The company does not have any fund for gratuity liability and the same is accounted for as provision.

The Company provides for the liability towards the said plans on the basis of actuarial valuation carried out yearly as at the reporting date, by an independent qualified actuary using the projected unit- credit method.

The obligation towards the said benefits is recognized in the balance sheet, at the present value of the defined benefit obligations. The present value of the said obligation is determined by discounting the estimated future cash outflows.

The interest expense is calculated by applying the above mentioned discount rate to the defined benefit obligations liability. The interest expense on the defined benefit liability is recognized in the statement of profit and loss. However, the related re-measurements of the defined benefit liability is recognized directly in the other comprehensive income in the period in which it arises. The said re-measurements comprise of actuarial gains and losses (arising from experience adjustments and changes in actuarial assumptions). Re-measurements are not re-classified to the statement of profit and loss in any of the subsequent periods.

c. Other Employee Benefits – Leave encashment

Under the other long term employee benefit plan, the company extends benefit of compensated absences to the employees, whereby they are eligible to carry forward their entitlement of earned leave for encashment upon retirement/ separation or during tenure of service. The Plan is not funded by the company.

The Company provides for the liability towards the said benefit on the basis of actuarial valuation carried out yearly as at the reporting date, by an independent qualified actuary using the projected unit- credit method. The related re-measurements are recognized in the statement of profit and loss in the period in which they arise.

2.15 Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of past event and it is probable that an outflow of resources will be required to settle the said obligation and the amounts of the said obligation can be reliably estimated.

2.16 Amortization of Expenses

Deferred Revenue Expenditure is amortized over a period of five years.

2.17 Contingencies

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are disclosed where an inflow of economic benefits is probable.

2.18 Revenue Recognition

Revenue is recognised based on nature of activity when consideration can be reasonably measured and recovered with reasonable certainty. Revenue is measured at the fair value of the consideration received or receivable and is reduced for estimated customer returns, rebates and other similar allowances.

a. Revenue from Operations

i) Sale of Goods

Revenue from the sale of manufactured and traded goods is recognized when the goods are delivered and titles have been passed, significant risks transferred, effective control over the goods no longer exists with the company, amount of revenue / costs in respect of the transactions can reliably be measured and probable economic benefits associated with the transactions will flow to the company.

ii) Rendering of Services

Revenue in case of contracts/orders spreading over more than one financial year are booked to the extent of work billed. Sales include export benefits & net of sales return. Export benefits accrue on the date of export, which are utilized for custom duty free import of material/ transferred for consideration.

b. Other Revenue

1) Customs Duty

Customs duty/incentive entitlement as and when eligible is accounted on accrual basis. Accordingly, import duty benefits against exports effected during the year are accounted on estimate basis as incentive till the end of the year in respect of duty free imports of raw material yet to be made.

2) Interest Income

Interest income is accrued on a time basis by reference to the principal outstanding and the effective interest rate.

3) Other Income/Miscellaneous Income

Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

2.19 Borrowing Costs

Borrowing costs consist of interest and other ancillary costs that the Company incurs in connection with the borrowing of funds. The borrowing costs directly attributable to the acquisition or construction of any asset that takes a substantial period of time to get ready for its intended use or sale are capitalized. All the other borrowing costs are recognized in the statement of profit and loss within finance costs of the period in which they are incurred.

2.20 Earnings Per Share ('EPS')

The Company presents the Basic and Diluted EPS data. Basic & Diluted EPS is computed by dividing the profit for the period attributable to the shareholders of the Company by the weighted average number of shares outstanding during the period.

2.21 Statement of Cash Flows

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method, adjusting the net profit for the effects of:

- i. changes during the period in inventories and operating receivables/payables transactions of a non-cash nature;
- ii. non-cash items such as depreciation, provisions, deferred taxes, unrealized foreign currency gains and losses and undistributed profits of associates; and
- iii. all other items for which the cash effects are investing or financing cash flows.

LLOYDS STEELS INDUSTRIES LIMITED

3. Critical judgments and estimation in applying the Company's accounting policies

The estimates and judgements used in the preparation of the financial statements are based on historical experience and various other assumptions and factors (including expectations of future events), that the Company believes to be reasonable under the existing circumstances. The said estimates and judgements are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates include useful lives of property, plant and equipment, Intangible assets, allowance for doubtful debts/advances, future obligations in respect of retirement benefit plans, expected cost of completion of contracts, provision for rectification costs, fair value measurement etc. Difference, if any, between the actual results and estimates is recognized in the period in which the results are known.

The areas involving critical estimates and judgements are:

- Estimation of current tax expenses and payable - Refer Note No. 8
- Recognition of deferred tax assets for carried forward tax losses - Refer Note No. 8
- Revenue Recognition - Refer Note No. 19
- Estimation of defined benefit obligation – Refer Note No. 23

4. Standards issued but not effective until the date of authorization for issuance of the said financial statements

Ministry of Corporate Affairs, Government of India on March 28, 2018, has issued amendments to various Ind AS vide the Companies (Indian Accounting Standards) Amendment Rules, 2018. These rules and amendments to those standards shall come into force for the accounting period beginning on or after April 1, 2018. The same to the extent applicable to the company will be applied by the company.

5. Property, Plant and Equipment (PPE)

Defined Benefit Plan

The Company operates one defined benefit plan, viz., gratuity benefit, for its employees. The Gratuity plan provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days basic salary payable for each completed year of service as per the Payment of Gratuity Act. The company does not have any fund for gratuity liability and the same is accounted for as provision.

Under the other long term employee benefit plan, the company extends benefit of compensated absences to the employees, whereby they are eligible to carry forward their entitlement of earned leave for encashment upon retirement / separation or during tenure of service. The Plan is not funded by the company.

The details of defined benefit obligations are as follows:

Particulars	For the year ended March 31, 2018		For the year ended March 31, 2017	
	Gratuity	Compensated absence	Gratuity	Compensated absence

Total	10.52	(19.91)

Due to its defined benefit plans, the Company is exposed to the following significant risks:

Changes in bond yields - A decrease in bond yields will increase plan liability.

Salary risk - The present value of the defined benefit plans liability is calculated by reference to the future salaries of the plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Existing Assumptions

Particulars	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016
Discount rate	7.75%	7.50%	8.00%

Retirement age	62 Years	62 Years	62 Years

The Company regularly assesses these assumptions with the projected long-term plans and prevalent industry standards.

LLOYDS STEELS INDUSTRIES LIMITED

The impact of sensitivity due to changes in the significant actuarial assumptions on the defined benefit obligations is given in the table below:

Particulars	Change in assumption	For the year ended March 31, 2018		For the year ended March 31, 2017	
		Gratuity	Compensated absence	Gratuity	Compensated absence
Discount Rate	+1%	350.63	60.34	300.93	61.32
	-1%	419.65	72.43	362.67	72.80
Salary Growth Rate	+1%	419.20	72.35	352.42	72.71
	-1%	350.42	60.30	309.39	61.30

The above sensitivity analysis is determined based on a method that extrapolates the impact on the net defined benefit obligations as a result of reasonable possible changes in the significant actuarial assumptions. Further, the above sensitivity analysis is based on a reasonably possible change in a particular under-lying actuarial assumption, while assuming all other assumptions to be constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated.

The table below summarises the maturity profile and duration of the gratuity liability:

30. Financial and Capital risk**1. Financial Risk**

The business activities of the Company expose it to a variety of financial risks, namely market risks (that is, foreign exchange risk, interest rate risk and price risk), credit risk and liquidity risk. The Company's risk management strategies focus on the un-predictability of these elements and seek to minimize the potential adverse effects on its financial performance.

The financial risk management for the Company is driven by the Company's senior management and internal/ external experts subject to necessary supervision.

LLOYDS STEELS INDUSTRIES LIMITED

The Company does not undertake any speculative transactions either through derivatives or otherwise. The senior management is accountable to the Board of Directors and Audit Committee. They ensure that the Company's financial risk-taking activities are governed by appropriate financial risk governance framework, policies and procedures. The Board Of Directors periodically reviews the exposures to financial risks, and the measures taken for risk mitigation and the results thereof.

i) Foreign currency Risk

Foreign exchange risk arises on all recognized monetary assets and liabilities and on highly probable forecasted transactions which are denominated in a currency other than the functional currency of the Company. The Company has foreign currency trade payables and receivables.

The foreign exchange risk management policy of the Company requires it to manage the foreign exchange risk by transacting as far as possible in the functional currency.

The year end foreign currency exposures that have not been hedged by a derivative instrument or otherwise are given below

Particulars	Foreign currency	
	USD	Euro
Current Year		
Trade payables – in Foreign currency (full figures)	(15,690.40)	(161839.44)
Trade payables – INR in Lakhs	(10.21)	(130.48)

The sensitivity disclosed in the above table is mainly attributable to, in case of to foreign exchange gains / (losses) on trade payables and trade receivables. The above sensitivity analysis is based on a reasonably possible change in the under-lying foreign currency against the respective functional currency while assuming all other variables to be constant.

Based on the movements in the foreign exchange rates historically and the prevailing market conditions as at the reporting date, the Company's management has concluded that the above mentioned rates used for sensitivity are reasonable benchmarks.

ii) Price Risk

The company uses surplus fund in operations and for further growth of the company. Hence, there is no price risk associated with such activity.

iii) Credit Risk

Credit risk refers to the risk of default on its obligation by the counter-party, the risk of deterioration of creditworthiness of the counter-party as well as concentration risks of financial assets and thereby exposing the Company to potential financial losses. The Company is exposed to credit risk mainly with respect to trade receivables.

Trade receivables

The Trade receivables of the Company are typically non interest bearing un-secured. As there is no independent credit rating of the customers available with the Company, the management reviews the credit-worthiness of its customers based on their financial position, past experience and other factors. The credit risk related to the trade receivables is managed / mitigated by concerned team based on the Company's established policy and procedures and by setting appropriate payment terms and credit period. The credit period provided by the Company to its customers depend upon the contractual terms with the customers.

The ageing analysis of trade receivables as at the reporting date is as follows:

Particulars	Less than six months	More than six months
Trade Receivables as at March 31, 2018	837.36	15,961.22
Trade Receivables as at March 31, 2017	2,179.50	27,369.10
Trade Receivables as at April 1, 2016	20,660.68	12,201.56

The Company performs on-going credit evaluations of its customers financial condition and monitors the credit-worthiness of its customers to which it grants credit in its ordinary course of business. The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amount due or there are some disputes which in the opinion of the management is not in the Company's favour. Where the financial asset has been written-off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized in profit and loss.

iv) Liquidity Risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. Accordingly, as a prudent liquidity risk management measure, the Company closely monitors its liquidity position and deploys a robust cash management system.

Based on past performance and current expectations, the Company believes that the Cash and cash equivalents and cash generated from operations will satisfy its working capital needs, capital expenditure, investment requirements, commitments and other liquidity requirements associated with its existing operations, through at least the next twelve months.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:-

2. Capital Risk

The Company's objective while managing capital is to safeguard its ability to continue as a going concern (so that it is enabled to provide returns and create value for its shareholders, and benefits for other stakeholders), support business stability and growth, ensure adherence to the covenants and restrictions imposed by lenders and/ or relevant laws and regulations, and maintain an optimal and efficient capital structure so as to reduce the cost of capital. However, the key objective of the Company's capital management is to, ensure that it maintains a stable capital structure with the focus on total equity, uphold investor; creditor and customer confidence and ensure future development of its business activities. In order to maintain or adjust the capital structure, the Company may issue new shares, declare dividends, return capital to shareholders, etc.

The Company manages its capital structure and makes adjustments to it, in light of changes in economic conditions or its business requirements.

32. Reconciliation from Previous GAAP

The following reconciliations provide a quantification of the effect of differences arising from the transition from Previous GAAP to Ind AS in accordance with Ind AS 101 whereas the notes explain the significant differences thereto.

- Reconciliation of statement of profit and loss for the year ended March 31, 2017
 - Equity reconciliation as at April 1, 2016 and as at March 31, 2017.
 - Notes to the Equity and statement of profit and loss reconciliation.
- i) **Reconciliation of profit between Ind-AS and previous IGAAP as at March 31, 2017**

Particulars	Year Ended March 31, 2017
Net Profit as per IGAAP	225.44
Remeasurement Gains	(19.91)
Deferred Tax Adjustments	(122.94)
Remeasurement Gains recognized on other Comprehensive Income	19.91
Total Comprehensive Income as per Ind-AS	102.50

- ii) **Reconciliation of Equity as reported under previous Indian GAAP to Equity in accordance with Ind AS is summarised below:**

Particulars	(Rs. In Lacs)	
	As at March 31, 2017 (End of last period presented under previous GAAP)	As at April 1, 2016 (Transition date)
Equity as reported under previous Indian GAAP	9526.31	9300.87
Changes consequent to Ind AS adoption:		
a. Depreciation Adjustments	44.27	44.27
b. Deferred Tax Adjustments	914.22	1037.16
Equity as reported under Ind AS	10484.80	10382.30

iii) Notes to the Equity and statement of profit and loss reconciliation

- The Depreciation for the previous years were over stated by Rs. 44.27 Lacs on account of inadvertent errors in carrying the written down value of the Fixed Assets which has now been rectified as a result, the written down value of Fixed Assets as on March 31, 2017 and the retained earnings as on April 1, 2016 have been corrected and increased by Rs. 44.27 Lacs.
- In the previous GAAP, the Deferred Tax on accumulated losses and unabsorbed depreciation carried forward from the demerged undertaking could not be recognized since it was not virtually certain that profits will be available to recover those losses. The company has now determined that there is a reasonable certainty that sufficient profits will be available in future to recoup those losses and accordingly deferred tax has been recognized on those losses under Ind AS provisions.
