**RESOLVED FURTHER THAT** in accordance with the provisions of SEBI (ICDR) Regulations, the “Relevant Date” for the purpose of calculating the price of Convertible warrants/Resultant Equity Shares to be issued in terms hereof shall be 28<sup>th</sup> August, 2020 being the date 30 days prior to the date of this Annual General Meeting scheduled (as 29<sup>th</sup> and 30<sup>th</sup> August, 2020 being Saturday and Sunday respectively relevant date is considered as 28<sup>th</sup> August, 2020 which is the day preceding the weekend as per regulation 161 of SEBI (ICDR) Regulations, 2018 as amended from time to time).

**RESOLVED FURTHER THAT** without prejudice to the generality of the above, the issue of Warrants convertible into Equity shares shall be subject to the following terms:

- A. The warrants by itself do not give to the warrants holder any rights of the shareholders of the Company.
- B. The proposed Warrants shall be issued and allotted by the Company to proposed allottee within a period of fifteen (15) days from the date of passing of this resolution provided that where the issue and allotment of the proposed Warrants is pending on account of pendency of any approval for such issue and allotment by any regulatory authority, the issue and allotment shall be completed within a period of fifteen (15) days from the date of receipt of last of such approvals, if any.
- C. Each Warrant is convertible into 1 (One) Equity Share and the conversion can be exercised by warrant holder at any time during the period of Eighteen (18) months from the date of allotment of Warrants, in one or more tranches, as the case may be and on such other terms and conditions as applicable;
- D. The Warrants proposed to be issued shall be subject to appropriate adjustment, if during the interim period, the Company makes any issue of equity shares by way of capitalization of profits or reserves, upon demerger / realignment, rights issue or undertakes consolidation / sub-division / re-classification of equity shares or such other similar events or circumstances requiring adjustments as permitted under SEBI (ICDR) Regulations and all other applicable regulations from time to time.
- E. The warrant holder shall pay an amount equivalent to at least 25% of the price fixed per warrant in terms of the SEBI (ICDR) Regulations on or before the allotment of warrants. If the option to acquire equity shares pursuant to conversion of warrants is not exercised within the prescribed time period of 18 months from the date of allotment of warrants then such warrants shall be lapsed and the amount paid under this clause shall be forfeited by the Company. Upon exercise of the option of conversion of the warrants into Equity shares by the warrant holder, the price equivalent to 75% of the issue price per warrant shall be payable at the time of exercising the right of conversion of warrants.
- F. The consideration price of the warrants, if paid in cash, shall be received from allottee’s bank account.
- G. The warrant holder(s) shall be entitled to the option of exercising any or all of the Warrants in one or more tranches by way of a written notice which shall be given to the Company, specifying the number of Warrants proposed to exercise along with the aggregate amount payable thereon, prior to or at the time of conversion. The Company shall accordingly, without any further approval from the Members of the Company, issue and allot the corresponding number of Equity Shares and perform such actions as required to credit the Equity Shares to the depository account and entering the name of allottee in the records of the Company as the registered owner of such Equity Shares;
- H. The Equity Shares to be so allotted on exercise of option of conversion of Warrants shall be in dematerialised form and shall be subject to the provisions of the Memorandum and Articles of Association of the Company and shall rank pari-passu in all respects including dividend, with the existing equity shares of the Company;
- I. The Equity Shares arising from the exercise of the option of conversion of Warrants will be listed on Stock Exchange where the equity shares of the Company are listed, subject to the receipt of necessary regulatory permissions and approvals as the case may be and shall inter alia be governed by the regulations and guidelines issued by SEBI or any other statutory authority;
- J. The Warrants and the Equity Shares being allotted pursuant to exercise of option of conversion of Warrants shall be subject to a lock-in for such period as specified under applicable provisions of SEBI (ICDR) Regulations.

**RESOLVED FURTHER THAT** the Board be and is hereby authorized to issue and allot such number of equity shares as it may be required to be issued and allotted upon conversion of the warrants and that the said equity shares shall be subject to the Memorandum and Articles of Association of the Company and shall, subject to any subsisting conditions of the warrants, rank paripassu in all respect with existing equity shares of the Company.

**RESOLVED FURTHER THAT** for the purpose of giving effect to this resolution, any Whole Time Director and / or the Company Secretary of the Company be and are hereby severally authorized to do all such acts, deeds, matters and things as they may in their absolute discretion deem necessary, desirable and expedient for such purpose, including but without limitation, to prescribe the forms of application, allotment, entering into contracts, arrangements, documents, in connection therewith and incidental thereto without being required to seek any fresh approval of the shareholders of the Company and to settle all questions, difficulties or doubts that may arise in regard to the offer, issue and allotment of the convertible warrants and utilization of proceeds of the convertible warrants, take all other steps which may be incidental, consequential, relevant or ancillary in this connection.

**RESOLVED FURTHER THAT** any Whole Time Director and / or the Company Secretary of the Company be and are hereby severally authorized to do all such acts, deeds, matters and things as also to execute such documents, writings, etc. as may be necessary to give effect to the aforesaid resolution including but without limitation to making application to Stock Exchange for obtaining in-principle approval, listing approval of Securities, filing of requisite documents with the Registrar of Companies, National Securities Depository Limited (NSDL), Central Depository Services (India) Limited (CDSL) and/ or such other authorities as may be necessary for the purpose, to resolve and settle any questions / queries and difficulties that may arise in the proposed issue, offer and allotment of the Securities and delegate all or any of the powers herein conferred by above resolution to any Director or to any Committee of Directors or any other executive(s) / officer(s) of the Company or any other person.”

**How do I vote electronically using NSDL e-Voting system?**

*The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:*

**Step 1: Log-in to NSDL e-Voting system at <https://www.evoting.nsdl.com/>**

**Step 2: Cast your vote electronically on NSDL e-Voting system.**

**Details on Step 1 is mentioned below:**

**How to Log-in to NSDL e-Voting website?**

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholders' section.
3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

<b>Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical</b>	<b>Your User ID is:</b>
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.

5. Your password details are given below:

- If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
- If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
- How to retrieve your 'initial password'?
  - If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
  - If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered**

6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:

- Click on "**Forgot User Details/Password?**" (If you are holding shares in your demat account with NSDL or CDSL) option available on [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
- Physical User Reset Password?** (If you are holding shares in physical mode) option available on [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
- If you are still unable to get the password by aforesaid two options, you can send a request at [evoting@nsdl.co.in](mailto:evoting@nsdl.co.in) mentioning your demat account number/folio number, your PAN, your name and your registered address.
- Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.

7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.

8. Now, you will have to click on "Login" button.

9. After you click on the "Login" button, Home page of e-Voting will open.

**Details on Step 2 is given below:**

**How to cast your vote electronically on NSDL e-Voting system?**

- After successful login at Step 1, you will be able to see the Home page of e-Voting. Click on e-Voting. Then, click on Active Voting Cycles.
- After click on Active Voting Cycles, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle is in active status.

3. Select “EVEN” of company for which you wish to cast your vote.
4. Now you are ready for e-Voting as the Voting page opens.
5. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on “Submit” and also “Confirm” when prompted.
6. Upon confirmation, the message “Vote cast successfully” will be displayed.
7. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
8. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

**General Guidelines for shareholders**

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to [info@parikh-dave.com](mailto:info@parikh-dave.com) with a copy marked to [evoting@nsdl.co.in](mailto:evoting@nsdl.co.in).
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. The following Statement pursuant to Section 102 of the Companies Act, 2013, sets out all material facts relating to the special businesses mentioned in the accompanying Notice.

**ITEM NO. 3**

Our Company is mainly engaged in the business of manufacturing and sale of various chemical products such as Mono Chloro Acetic Acid, Sodium Mono Chloro Acetate, EDTA and other organic chemicals. Products such as Ethyl Acetate, Toulene, Acetone Anhydride and Acetic Acid are other major products, the Company is engaged with.

Your Company has successfully completed the setting up of the project at Bhavnagar, Gujarat and now the plant at new location is being operated successfully. Your directors have thought it advisable to raise fund to meet its fund requirements by way of issue of warrants / equity shares and hence it is proposed to issue warrants as stated in the resolution.

Pursuant to provisions of Section 42 and 62 (1)(c) of Companies Act, 2013 (the "Act") and Regulation 160 of SEBI ICDR Regulations, 2018 any preferential allotment of Securities needs to be approved by the shareholders by way of a Special Resolution.

The consent of the shareholders is being sought by way of a special resolution to enable the Board to issue and allot convertible warrants as may be permitted under applicable laws to the proposed allottees as mentioned in the resolution in accordance with the provisions of the Companies Act, 2013 and Rules made thereunder, SEBI ICDR Regulations, as amended, Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and any other applicable laws, including with respect to the pricing of the securities proposed to be issued.

The proposed allottees of convertible warrants has not sold any equity shares of the Company during six months preceding the Relevant Date i.e. Friday 28<sup>th</sup> August, 2020.

In compliance with the above mentioned provisions, the Board of Directors proposes to pass resolution as set in the notice for approval of Shareholders' as a Special Resolution.

The disclosures in accordance with the Companies Act, 2013, and the other disclosures as per the SEBI (ICDR) Regulations and the other applicable provisions of law, in relation to the Special Resolution set out in the accompanying Notice are as follows:

**1. The objects of the preferential issue:**

The proceeds of the proposed issue will be utilized for any one or in combination with any one or more of the purposes such as to augment the fund for to augment the net worth of the Company and to form a capital base for business growth, to meet the long term fund requirements of the Company, to repay the debt of the Company for capital expenditure to be incurred for expansion and new product addition, to meet working capital requirements arose due to loss, to improve the capital structure and for general corporate purpose.

**2. The total number of securities to be issued, pricing and relevant date:**

It is proposed to issue and allot upto 55,00,000 convertible warrants at a price of Rs. 10/- per warrant, each convertible into 1 (One) equity share of face value of Rs. 10/- each at par aggregating to not more than Rs. 5,50,00,000/-to the proposed allottee.

The price of each equity share to be issued in lieu of Warrants is fixed at Rs.10/- (Rupees Ten Only) per share as determined in terms of SEBI (ICDR) Regulations on the basis of the Relevant Date. Further, the Company undertakes to re-compute the price of the equity shares, if at all required, in terms of the provisions of these regulations where it is required to do so. If the amount payable on account of the re-computation, if required, of price is not paid within the time stipulated in these regulations, the specified securities shall continue to be locked-in till the time such amount is paid by the allottees.

The relevant date determined in accordance with the SEBI (ICDR) Regulations is Friday, 28<sup>th</sup> August, 2020.

**3. Basis on which the price is arrived at:**

The equity shares of Company are listed on BSE Limited and are frequently traded in accordance with SEBI (ICDR) Regulations.

In terms of the applicable provisions of SEBI (ICDR) Regulations the price at which Warrants shall be allotted shall not be less than higher of the following:

- Average of the weekly high and low of the volume weighted average price of the equity shares of the Company quoted on the Stock Exchange, during the Twenty Six (26) weeks preceding the Relevant Date; or

## ARCHIT ORGANOSYS LIMITED

- Average of the weekly high and low of the volume weighted average price of the equity shares of the Company quoted on the Stock Exchange, during the Two (2) weeks preceding the Relevant Date.

The pricing of the Warrants to be allotted on preferential basis is Rs. 10/- per convertible warrants to be converted into equivalent number of Equity Share of face value of Rs. 10/- each, at par which is not lower than the price determined in accordance with applicable provisions of SEBI (ICDR) Regulations.

ANNEXURE V

**POLICY ON DIRECTORS APPOINTMENT AND REMUNERATION:**

In terms of Section 178 of the Companies Act, 2013 read with the applicable rules thereunder and Regulation 19 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Nomination and Remuneration Committee recommended the policy on nomination and remuneration of Directors, Key Managerial Personnel and Senior Management of the Company which was approved and adopted by the Board of Directors of the Company.

**Objectives:**

- To provide guidance to the Board for appointment and removal of Directors, KMP and Senior Management;
- To formulate criteria for performance evaluation of Directors, KMP and Senior Management and to provide necessary evaluation report to the Board;
- To recommend to the Board remuneration payable to the Directors, KMP and Senior Management.

**Role of Nomination and Remuneration Committee:**

The Committee shall perform the role for following matters:

**Criteria for appointment of Director:**

- To determine the age, qualifications, qualities, skills, positive attributes and independence of a director and other expertise required to be a Director.

**Nomination of directors:**

- Identifying, screening and reviewing candidates qualified to be appointed as Executive Directors, Non-Executive Directors and Independent Directors.
- Recommending to the Board candidature for appointment or re-appointment of Directors;
- The Nomination and Remuneration Committee may act on its own in identifying potential candidates, inside or outside the Company, or may act upon proposals submitted by the Chairman of the Board of Directors. The Committee will review and discuss all documents pertaining to candidates and will conduct evaluation of candidates in accordance with a process that it deem fit and appropriate, passing on the recommendations for the nomination to the Board.

**Evaluation of Director:**

- The Committee develops, subject to approval by the Board, a process for an annual evaluation of the performance of the Board, the individual directors on the basis of detailed performance parameters set for directors at the beginning of the year.
- The Committee may, from time-to-time, also evaluate the usefulness of such performance parameters, and make necessary amendments.

**Consultative role:**

- The Nomination and Remuneration Committee plays a consultative role for any appointment requiring Board approval, as stipulated by law or regulation, for senior management positions. It provides its advice and recommendations to the Board.

Senior Management of the Company consist of:

All the officers / personnel of the Company involved in the core management team and all the members excluding the Board of Directors of the management that are one level below CEO / MD / WTD / Manager and includes the Chief financial officer and Company Secretary of the Company.

**Evaluation of KMP and Senior Management:**

- The committee shall annually review and approve for the KMP and Senior Management the corporate goals and objectives applicable to them, evaluate at least annually their performance in light of those goals and objectives, and determine and approve their (a) annual base salary, (b) annual incentive bonus, including the specific goals and amount, (c) any other benefits, compensation or arrangements, based on this evaluation.

- The Committee may also make recommendations to the Board with respect to incentive compensation plans. The committee may review the Company's incentive compensation arrangements to determine whether they encourage excessive risk-taking, review and discuss at least annually the relationship between risk management policies and practices and compensation, and evaluate compensation policies and practices that could mitigate any such risk.

### **Duties of Nomination and Remuneration Committee:**

#### **A. The duties of the Committee in relation to nomination matters include:**

- To ensure that appropriate induction and training programme are in place for new Directors and members of Senior Management and to periodically review its effectiveness;
- To ensure that on appointment, Non-Executive Directors receive a formal letter of appointment in accordance with the Guidelines provided under the Companies Act, 2013;
- To ensure that the Independent Directors continues to fulfill the Independence criteria as specified in the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended from time to time.
- To determine the appropriate size, diversity and composition of the Board;
- To identify and recommend names of Directors who are to retire by rotation;
- To set up a formal and transparent procedure for selecting Directors for appointment to the Board;
- To evaluate the performance of the Board members and Senior Management in the context of the Company's performance from business and compliance perspective;
- To develop a succession plan for the Board and Senior Management and to regularly review the plan;
- To recommend necessary changes in the Board;
- To delegate any of its powers to the members or the Secretary of the Committee;
- To decide for extension or to continue the term of appointment of the independent director, on the basis of the report of performance evaluation of independent directors.
- To consider any other matters as may be requested by the Board.

#### **B. The duties of the Committee in relation to remuneration matters include:**

- To recommend the remuneration payable to the Senior Management of the Company in accordance with the Remuneration Policy of the Company and while designing the remuneration package it must consider that the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully;
- To ensure that the remuneration to Directors, KMP and Senior Management of the Company involves a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals;
- To delegate any of its powers to the members or the Secretary of the Committee;
- To consider any other matters as may be requested by the Board.

## INDEPENDENT AUDITOR'S REPORT

To,  
The Members,  
**ARCHIT ORGANOSYS LIMITED,**  
Ahmedabad.

**Report on the Audit of the Financial Statements****Qualified Opinion**

We have audited the accompanying financial statements of **ARCHIT ORGAONSYS LIMITED** ("the Company"), which comprise the balance sheet as at 31<sup>st</sup> March 2020, and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'financial statements').

In our opinion and to the best of our information and according to the explanations given to us, *except for the effects of the matter described in the Basis for Qualified Opinion* the aforesaid financial statements give the information required by the Companies Act, 2013 (The Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and loss, changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

- (i) *The company had entered into derivative contract for sale of foreign currency with HDFC Bank Ltd. in financial year 2008-2009 which has resulted into loss to the tune of '197.52 lacs against which the sum of '55.07 lacs has already been paid to HDFC Bank Ltd. and charged to Statement of Profit and Loss in the aforesaid financial year. Consequent upon adjustment of fixed deposits amounting to '23.64 lacs against the balance loss of '142.46 lacs, the liability on account of aforesaid loss, as per bank statement provided up to 31<sup>st</sup> January, 2013 stands to '147.07 including interest, which has not been provided for by the company. Such non provision of liability has resulted into noncompliance of Ind AS 37 issued by Institute of Chartered Accountants of India and also resulted into understatement of current liabilities. Since the interest/charges, if any, for the period from 1<sup>st</sup> February, 2013 to 31<sup>st</sup> March, 2020 has not been intimated to company, the impact thereof on loss for the year under review could not be ascertained.*

*Had the observations made by us in Para above been considered, there would have been loss for the year amounting to '227.19 lacs as against reported loss of '80.11 Lacs, current liabilities would have been '3704.76 lacs as against reported current liabilities of '3,557.69 lacs.*

- (ii) *A Legal case was filed by appropriate authorities alleging a director and an employee of the company causing death of Blackbucks due to drinking of contaminated water. The matter is still sub-judice pending for final adjudication. Meanwhile, the Gujarat Pollution Control Board, vide its order issued in terms of provisions of Section 33A of Water (Prevention and Control of Pollution) Act, 1974 directed the company to close its production process at Bhavnagar unit with immediate effect. In response, upon application made by the company and representation made before the authority, the Gujrat Pollution Control Board vide its order dated 5<sup>th</sup> November, 2018 conditionally withdrew the said order and therefore the company had resumed its operations at Bhavnagar unit by placing necessary measures.*

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

**Emphasis of Matter**

We draw attention to Note 48 of Notes to Account annexed with Financial Statement, which describes the effect of COVID 19 pandemic on company's operations. Our opinion is not modified in respect to this matter

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report including Annexure to Board's Report but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if,

individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Other Matter**

Due to the COVID-19 related lock-down we were not able to participate in the physical verification of inventory that was carried out by the management subsequent to the year end. Consequently, we have performed alternate procedures to audit the existence of inventory as per guidance provided in SA 501 "Audit evidence – Specific considerations for Selected items" and have obtained sufficient audit evidence to issue our unmodified opinion on these financial results.

#### **Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure - A - a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

### **Annexure B” to the Auditors’ Report**

(Referred to in our Report of even date to the members of **Archit Organosys Limited**)

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting **Archit Organosys Limited** (“the Company”) as of 31 March 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods

are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The financial statements are prepared in INR and all the values are rounded to the nearest lakhs, except when otherwise indicated.

**2.1 Statement of Compliance**

The financial statements comprising Balance Sheet, Statement of Profit and Loss, Statement of Changes in Equity and Cash Flow Statement, together with notes for the year ended March 31, 2020 have been prepared in accordance with Ind AS as notified under section 133 of the Companies' Act, 2013 ("the Act") and approved by Board of directors on July 30, 2020.

**2.2 Basis of Measurement**

The financial statements of the Company have been prepared and presented in accordance with the Generally Accepted Accounting Principles (GAAP) under the historical cost convention on accrual basis of accounting, except for certain Assets and Liabilities as stated below:

- (a) Financial instruments (assets / liabilities) classified as Fair Value through profit or loss or Fair Value through Other Comprehensive Income are measured at Fair Value.
- (b) The defined benefit asset/liability is recognized as the present value of defined benefit obligation less fair value of plan assets.

The above items have been measured at Fair Value and the methods used to measure Fair Values are discussed further in Note 4.16.

**2.3 Functional and Presentation Currency**

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ("the functional currency"). Indian Rupee is the functional currency of the Company.

The financial statements are presented in Indian Rupees (₹) and all values are rounded to the nearest lakhs as per the requirement of Schedule III, except when otherwise indicated.

**2.4 Standard issued but not yet effective**

- (a) Ind AS 12 - Income Taxes - Appendix C, Uncertainty over Income Tax Treatments:-

The amendment to Appendix C of Ind AS 12 specifies that the amendment is to be applied to the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit/loss, tax bases, unused tax losses, unused tax credits and tax rates. The standard permits two possible methods of transition - i) Full retrospective approach – Under this approach, Appendix C will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors, without using hindsight and ii) Retrospectively with cumulative effect of

initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives. The standard became effective from April 1, 2019. The Company has adopted the standard on April 1, 2019 and has decided to adjust the cumulative effect in equity on the date of initial application i.e. April 1, 2019 if any without adjusting comparatives. The effect on adoption of Ind AS 12 Appendix C is insignificant in the standalone financial statements.

(b) Amendment to Ind AS 12 – Income taxes

The amendment relating to income tax consequences of dividend clarify that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events. The adoption of the standard did not have any material impact to the financial statements. It is relevant to note that the amendment does not amend situations where the entity pays a tax on dividend which is effectively a portion of dividends paid to taxation authorities on behalf of shareholders. Such amount paid or payable to taxation authorities continues to be charged to equity as part of dividend in accordance with Ind AS 12.

(c) Amendment to Ind AS 19 – Employee benefit - plan amendment, curtailment or settlement

The amendments require an entity to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling. The adoption of the standard did not have any material impact to the financial statements.

## **2.5 Change in accounting policies and disclosures**

The Company has applied the following standards and amendments for the first time for annual reporting period commencing from April 01, 2019:-

### **Ind AS 116 Leases**

Ind AS 116 supersedes Ind AS 17 Leases including its appendices (Appendix C of Ind AS 17 Determining whether an Arrangement contains a Lease, Appendix A of Ind AS 17 Operating Leases-Incentives and Appendix B of Ind AS 17 Evaluating the Substance of Transactions Involving the Legal Form of a Lease). The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases.

Lessor accounting under Ind AS 116 is substantially unchanged from Ind AS 17. Lessors will continue to classify leases as either operating or finance leases using similar principles as in Ind AS 17. Therefore, Ind AS 116 did not have an impact for leases where the Company is the lessor

The Company adopted Ind AS 116 with simple prospective approach and has recognized Right of Use asset and Lease Liability at the commencement of the financial year. The Company elected to use the transition practical expedient allowing the standard to be applied only to contracts that were previously identified as leases applying Ind AS 17 and Appendix C to Ind AS 17 at the date of initial application. The Company also elected to use the recognition exemptions for lease contracts that, at the commencement date, have a lease term of 12 months or less and do not contain a purchase option ('short-term leases') and lease contracts for which the underlying asset is of low value (low-value assets).

### **Nature and the effect of adoption of Ind AS 116**

The Company has lease contracts for Building. Before the adoption of Ind AS 116, the Company classified each of its leases (as lessee) at the inception date as either a finance lease or an operating lease. A lease was classified as a finance lease if it transferred substantially all of the risks and rewards incidental to ownership of the leased asset to the Company; otherwise it was classified as an operating lease. Finance leases were capitalised at the commencement of the lease at the inception date at fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments were apportioned between interest (recognised as finance costs) and reduction of the lease liability.

In an operating lease, the leased property was not capitalised and the lease payments were recognised as rent expense in profit or loss on a straight-line basis over the lease term. Any prepaid rent and accrued rent were recognised under Prepayments and Trade and other payables, respectively

The Company did not change the initial carrying amounts of recognised assets and liabilities at the date of initial application for leases previously classified as finance leases (i.e., the right-of-use assets and lease liabilities equal

the lease assets and liabilities recognised under Ind AS 17). The requirements of Ind AS 116 was applied to these leases from April 01, 2019 and accordingly carrying amount of lease assets has been reclassified as RoU assets.

The Company also applied the available practical expedients wherein it:

- Applied single discount rate to a portfolio of leases with reasonably similar characteristics
- Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application
- Excluded the initial direct costs from the measurement of the right-of-use asset at the Date of initial application
- Applied the practical expedient provided by the standard when applying Ind AS 116 to leases previously classified as operating leases under Ind AS 17 and therefore, has not reassessed whether a contract, is or contains a lease, at the date of initial application

(i) Amounts recognised in the Balance sheet and statement of profit and loss:

Set out below, are the carrying amounts of the Company's right-of-use assets and lease liabilities and the movements during the period:

[₹ in Lacs]	
Particulars	Right of Use Asset
As at April 01, 2019	—
Addition on account of adoption of Ind AS 116	181.73
Depreciation on Right of Use Asset	51.85
As at March 31, 2020	129.88

[₹ in Lacs]	
Particulars	Lease Liabilities
As at April 01, 2019	—
Addition on account of adoption of Ind AS 116	181.73
Interest Expenses	12.85
Payments	(59.43)
As at March 31, 2020	135.15

Set out below, are the amounts recognised in Statement of profit and loss:

[₹ in Lacs]	
Particulars	For the year ended March 31, 2020
Depreciation expense of right-of-use assets	51.85
Interest expense on lease liabilities	12.85
Rent expense - short-term leases and leases of low value assets	—
Total amounts recognised in (profit) or loss	64.70

### Note 3: Significant accounting judgments, estimates and assumptions

The preparation of financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, the disclosures of contingent assets and contingent liabilities at the date of financial statements, income and expense during the period. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

Estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognized in the periods in which the estimates are revised and in future periods which are affected.

### **Critical Accounting Estimates and Judgments**

In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognised in the financial statements.

#### **(i) Contingences and Commitments**

In the normal course of business, contingent liabilities may arise from litigations and other claims against the Company. Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, such liabilities are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings, the management do not expect them to have a materially adverse impact on our financial position or profitability.

#### **(ii) Taxes**

Deferred tax assets are recognised for unused tax credits to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

#### **(iii) Employee Benefits**

Discount rate used to determine the carrying amount of the Company's defined benefit obligation.

The cost of defined benefit plans are determined using actuarial valuations. The actuarial valuation involves making assumptions about discount rates, expected rates of return on assets, future salary increases, mortality rates and future pension increases. Due to the long-term nature of these plans, such estimates are subject to significant uncertainty.

In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

#### **(iv) Fair value measurement of financial instruments**

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Estimated irrecoverable amounts are based on the ageing of the receivable balance and historical experience. Individual trade receivables are written off when management deems it not to be collectible.

#### **(v) Allowance for uncollectible trade receivables**

Provision matrix takes into accounts historical credit loss experience and adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the day of the receivables are due and the rates as given in the provision matrix.

#### **(vi) Impairment of Property, Plant & Equipment**

The value in use calculation requires the directors to estimate the future cash flows expected to arise from the cash-generating unit and a suitable discount rate in order to calculate present value. Where the actual future cash flows are less than expected, an impairment loss which is material in nature is accounted for.

#### **(vii) Litigations**

The provision is recognized based on the best estimate of the amount desirable to settle the present obligation arising at the reporting period and of the income is recognized in the cases involving high degree of certainty as to realization.

**(viii) Useful Life of Property, Plant and Equipment**

As described in Note 4.3, the Company reviews the estimated useful lives and residual values of property, plant and equipment at the end of each reporting period. During the current financial year, the management determined that there were no changes to the useful lives and residual values of the property, plant and equipment.

**Note 4: Significant Accounting Policies****4.1 Financial Instruments**

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

**(a) Financial Assets**

Financial Assets comprises of investments in equity instruments, trade receivables, cash and cash equivalents and other financial assets.

**Initial Recognition:**

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit or Loss, transaction costs that are attributable to the acquisition of financial assets. Purchases or sales of financial assets that requires delivery of assets within a period of time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the company committed to purchase or sell the asset.

**Subsequent Measurement:****(i) Financial assets measured at amortized Cost:**

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and where contractual terms of financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**(ii) Financial assets at Fair Value through Other Comprehensive Income (FVTOCI):**

Financial Assets that are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are subsequently measured at FVTOCI. Fair Value movements in financial assets at FVTOCI are recognized in Other Comprehensive Income.

Equity instruments held for trading are classified as at fair value through profit or loss (FVTPL). For other equity instruments the company classifies the same as FVTOCI. The classification is made on initial recognition and is irrevocable. Fair Value changes on equity instruments at FVTOCI, excluding dividends are recognized in Other Comprehensive Income (OCI).

**(iii) Fair Value through Profit or Loss (FVTPL):**

Financial Assets are measured at FVTPL if it does not meet the criteria for classification as measured at amortized cost or at FVTOCI. All fair value changes are recognized in the Statement of Profit and Loss.

**De-recognition of Financial Assets:**

Financial Assets are derecognized when the contractual rights to cash flows from the financial assets expire or the financial asset is transferred and the transfer qualifies for de-recognition. On de-recognition of the financial assets in its entirety, the difference between the carrying amount (measured at the date of de-recognition) and the consideration received (including any new asset obtained less any new liability assumed) shall be recognized in the Statement of Profit and Loss.

**(b) Financial Liabilities****Initial Recognition and Measurement**

Financial Liabilities are initially recognized at fair value plus any transaction costs, (if any) which are attributable to acquisition of the financial liabilities.

**Subsequent Measurement:**

Financial Liabilities are classified for subsequent measurement into following categories:

**(i) Financial liabilities at Amortized Cost:**

The Company is classifying the following under amortized cost:

- Borrowing from Banks
- Borrowing from Others
- Trade Payables
- Other Financial Liabilities

Amortized cost for financial liabilities represents amount at which financial liability is measured at initial recognition minus the principal repayments, plus or minus cumulative amortization using the effective interest method of any differences between the initial amount and maturity amount.

**(ii) Financial liabilities at Fair Value through Profit or Loss:**

Financial liabilities held for trading are measured at Fair Value through Profit or Loss

**De-recognition of Financial Liabilities:**

Financial liabilities shall be derecognized when, and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expires.

**(c) Offsetting of Financial assets and Financial Liabilities**

Financial assets and Financial Liabilities are offset and the net amount is presented in Balance Sheet when, and only when, the Company has legal right to offset the recognized amounts and intends either to settle on the net basis or to realize the assets and liabilities simultaneously.

**(d) Reclassification of Financial Assets and Financial Liabilities**

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are categorized as equity instruments at FVTOCI, and financial assets or liabilities that are specifically designated as FVTPL. For financial assets which are debt instruments, a reclassification is made only if there is a change in business model for managing those assets. Changes to the business model are expected to be very infrequent. The management determines the change in a business model as a result of external or internal changes which are significant to the Company's Operations. A Change in business occurs when the company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively effective from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

**4.2 Share Capital**

Ordinary Shares are classified as equity. Incremental costs directly attributable to the issue of new ordinary shares or share options are recognized as a deduction from equity, net of any tax effects.

**4.3 Property, Plant and Equipment**

Property, plant and equipment held for use in the supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. Freehold land is not depreciated. All repairs and maintenance costs are charged to the income statement during the financial period in which they are incurred.

Properties in the course of construction for supply of services or administrative purpose are carried at cost, less any recognised impairment loss. Cost includes professional fees and other directly attributable cost and for qualifying assets, borrowing cost capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of Property Plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives as prescribed under Part C of Schedule II to the Companies Act 2013, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis. Depreciation for assets purchased/sold during a period is proportionately charged for the period of use.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. Leasehold land with lease term of 99 years or more and it is amortized over the period of lease i.e. 99 years.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and are recognised net within "other income / other expenses" in the Statement of profit and loss.

#### 4.4 Intangible assets

##### Intangible Assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

##### Derecognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognised in statement of profit and loss when the asset is de-recognised.

##### Useful lives of intangible assets

Estimated useful lives of the intangible assets are as follows:

Type of Asset	Useful Life
Computer software	3 years

#### 4.5 Inventories

- (i) Raw Materials, Stock-in-process, Finished Goods are valued at lower of cost or net realizable value. Cost of stock-in-process and finished goods include materials, labour, manufacturing overhead and other cost incurred in bringing the inventories to their present location.
- (ii) Stock of stores, spares, consumable and packing materials are valued at cost.

#### 4.6 Impairment

##### (a) Financial assets (other than at fair value)

The Company assesses at each date of balance sheet, whether a financial asset or a company of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the twelve-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly, since initial recognition.

##### (b) Non-financial assets

###### Tangible and Intangible assets

Property, Plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is an indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an

individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit and loss.

**Reversal of impairment loss**

Impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists.

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized directly in other comprehensive income and presented within equity.

**4.7 Provisions, Contingent Liabilities and Contingent Assets**

Provisions are recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre tax rates that reflects, where appropriate, the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A provision for onerous contract is recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Company recognizes any impairment loss on the assets associated with the contract.

Contingent liabilities are not recognised in the financial statements. A contingent asset is neither recognised nor disclosed in the financial statements.

**4.8 Revenue Recognition**

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

The Company has generally concluded that it is the principal in its revenue arrangements, because it typically controls the goods or services before transferring them to the customer.

The specific recognition criteria described below must also be met before revenue is recognized.

**Sale of Goods**

- (i) Revenue from sale of goods is recognized at the point in time when control of the asset is transferred to the customer, generally on delivery of the goods. The normal credit term is 0 to 180 days upon delivery, usually backed by financial arrangements.
- (ii) The Company accounts for pro forma credits, refunds of duty of customs or excise, or refunds of sales tax/ GST in the year of admission of such claims by the concerned authorities. Export benefits are classified as other operating income and recognized on accrual basis in the year of export based on eligibility and when there is no uncertainty on receiving the same.

**Interest Income**

Interest income is recognised using the effective interest method as set out in Ind AS 109 – Financial Instruments: Recognition and Measurement, when it is probable that the economic benefits associated with the transaction will flow to the Company and the amount of the revenue can be measured reliably. The effective interest method is a method of calculating the amortised cost of a financial asset or a financial liability and of allocating the interest income or interest expense over the relevant period.

## 4.9 Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

### Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

### The Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

#### (i) Right-of-use assets

The Company recognises right-of-use assets ("ROU Assets") at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment. Refer to the accounting policies in 4.6 Impairment of non-financial assets.

#### (ii) Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset. Lease liabilities has been presented under the head "Other Financial Liabilities".

#### iii Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase

option). It also applies the lease of low-value assets recognition exemption that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

#### **4.10 Foreign Currency Translation**

The functional currency of the Company is the Indian Rupee (₹).

Exchange differences on monetary items are recognised in the Statement of profit and loss in the period in which they arise except for:

- (i) exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings;
- (ii) exchange differences arising from translation of long-term foreign currency monetary items recognised in the financial statements of the Company for the period immediately before the beginning of the first Ind AS financial reporting period (prior to 1<sup>st</sup> April, 2016), as per the previous GAAP, pursuant to the Company's choice of availing the exemption as permitted by Ind AS 101.

Non-monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not retranslated.

#### **4.11 Borrowing Costs**

Borrowing costs include

- (i) interest expense calculated using the effective interest rate method,
- (ii) finance charges in respect of finance leases, and
- (iii) exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

#### **4.12 Employee benefits**

##### **(a) Short-term obligations**

Liabilities for salaries, including other monetary and non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

##### **(b) Post-employment obligations**

The Company operates the following post-employment schemes: a) defined contribution plans - provident fund b) defined benefit plans - gratuity plans

- (i) Defined contribution plans

The Company has defined contribution plan for the post-employment benefits namely Provident Fund and Employees Death Linked Insurance, the contributions towards such funds and schemes are recognised as employee benefits expense and charged to the Statement of Profit and Loss when they are due. The Company does not carry any further obligations with respect to this, apart from contributions made on a monthly basis.

(ii) Defined benefit plans

The Company has defined benefit plan, namely gratuity for eligible employees in accordance with the Payment of Gratuity Act, 1972 the liability for which is determined on the basis of an actuarial valuation (using the Projected Unit Credit method) at the end of each year.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the tenor of the related obligation. The liability or asset recognized in the balance sheet in respect of gratuity is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets.

The service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements) is recognised in the Statement of profit and loss in the line item 'Employee benefits expense'.

Remeasurements of the net defined liability, comprising of actuarial gains and losses, return on plan assets (excluding amounts included in net interest on the net defined benefit liability) and any change in the effect of asset ceiling (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through Other Comprehensive Income (OCI) in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Change in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in the profit or loss as past service cost.

#### 4.13 Income Taxes

Income tax expense represents the sum of the tax currently payable and deferred tax

(i) Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

(ii) Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

(iii) Current and deferred tax for the year

Current and deferred tax are recognised in the Statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

### 4.14 Derivative financial instruments

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

### 4.15 Earnings per share

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to the ordinary shareholders of the company by the weighted average number of ordinary shares outstanding during the period. Where ordinary shares are issued but not fully paid, they are treated in the calculation of basic earnings per share as a fraction of an ordinary share to the extent that they were entitled to participate in dividends during the period relative to a fully paid ordinary share. Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

### 4.16 Fair Value Measurement

A number of Company's accounting policies and disclosures require the determination of fair value, for both financial and non-financial assets and liabilities. Fair value is the price that would be received on sell of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal market or the most advantageous market must be accessible to the Company.

The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as below:

- (a) Level 1 - unadjusted quoted prices in active markets for identical assets and liabilities.
- (b) Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- (c) Level 3 - unobservable inputs for the asset or liability.

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of fair value hierarchy.

Fair values have been determined for measurement and / or disclosure purposes based on the following methods. When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

(a) Investment in equity and debt securities

The fair value is determined by reference to their quoted price at the reporting date. In the absence of quoted price, the fair value of the financial asset is measured using valuation techniques.

(b) Trade and other receivables

The fair value of trade and other receivables, excluding construction contracts in progress, is estimated as the present value of future cash flows, discounted at the market rate of interest at the reporting date. However in respect of such financial instruments, fair value generally approximates the carrying amount due to short term nature of such assets. This fair value is determined for disclosure purposes or when acquired in a business combination.

(c) Non derivative financial liabilities

Fair Value, which is determined for disclosure purposes, is calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date. For finance leases, the market rate of interest is determined by reference to similar lease agreements.

#### **4.17 Current / non- current classification**

An asset is classified as current if:

- (a) it is expected to be realized or sold or consumed in the Company's normal operating cycle;
- (b) it is held primarily for the purpose of trading;
- (c) it is expected to be realized within twelve months after the reporting period; or
- (d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current if:

- (a) it is expected to be settled in normal operating cycle;
- (b) it is held primarily for the purpose of trading;
- (c) it is expected to be settled within twelve months after the reporting period;
- (d) it has no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between acquisition of assets for processing / trading / assembling and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

#### **4.18 Cash and cash equivalent**

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consists of balances with banks which are unrestricted for withdrawal and usage.

(a) The company had entered in to derivatives contracts (for sale of foreign currency) with HDFC bank Limited which have already been concluded in earlier years. The company had incurred loss on such contracts against which the sum of ₹ 78.71 Lacs (including adjustment of fixed deposit amounting to ₹ 23.64 Lacs have already been paid and charged to Statement of Profit and Loss under the head "Loss on Derivative Contract". The company had also received summons / show cause notice from Mumbai Debt Recovery Tribunal in the month of May, 2009. In response to the same, based on legal advise, the company had filed its reply with appropriate authority. Pending final outcome, the management is of the opinion that the aforesaid liability is of contingent nature and therefore the company has not recognized as liability for the balance loss of ₹ 147.07 Lacs including interest up to January, 2013. Further, In earlier years, HDFC Bank Limited had retained the sum of ₹ 25.48 Lacs out of proceeds of right issues against which the company has initiated legal actions.		

**Note 41:**

During earlier years, legal case has been filed by appropriate authorities alleging a director and an employee of the company causing death of Blackbucks due to drinking of contaminated water. The matter is still sub-judice pending for final adjudication. Meanwhile, the Gujarat Pollution Control Board, vide its order issued in terms of provisions of Section 33A of Water (Prevention and Control of Pollution) Act, 1974 directed the company to close its production process at Bhavnagar unit with immediate effect. In response, upon application made by the company and representation made before the authority, the Gujarat Pollution Control Board vide its order dated 5<sup>th</sup> November, 2018 conditionally withdrew the said order and therefore the company had resumed its operations at Bhavnagar unit by placing necessary measures. The Management does not expect any major impact on operations of the company in this regard.

**Note 42 : Employee Benefits****Note 42.1 Defined contribution plan**

**(c) Sensitivity analysis**

The sensitivity of the defined benefit obligation to changes in the weighted principal assumption is:

**Gratuity**

Particulars	Impact on defined benefit obligation					
	Change in Assumption		Increase in Assumptions		Decrease in Assumptions	
	March 31, 2020	March 31, 2019	March 31, 2020	March 31, 2019	March 31, 2020	March 31, 2019
Discount rate	1%	1%	Decrease by (4.32)	(2.84)	Increase by 5.31	3.49
Salary growth rate	1%	1%	Increase by 2.23	2.12	Decrease by (2.14)	(1.79)
Employee Turnover	1%	1%	Increase by 2.01	1.86	Decrease by (2.38)	(2.17)

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined obligation calculated with the projected unit credit method at the end of reporting period) has been applied as when calculating the defined benefit liability recognized in the balance sheet. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior year.

Insurer managed funds	100%	100%	18.87	19.35
<b>Total</b>	100%	100%	18.87	19.35

### (e) Risk exposure

Through its defined benefit plans, the group is exposed to a number of risks, the most significant of which are detailed below:

#### Asset volatility

The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit.

The gratuity fund is administered through Life Insurance Corporation of India (insurer) under its group gratuity scheme. Accordingly almost the entire plan asset investment is maintained by the insurer. These are subject to interest rate risk which is managed by the insurer.

#### Changes in bond yields

A decrease in bond yields will increase plan liabilities, although this will be partially offset by an increase in the value of the plans' assets maintained by the insurer.

The gratuity fund is administered through Life Insurance Corporation (LIC) of India under its Group Gratuity Scheme.

### (f) Defined benefit liability and employer contribution

The Company generally eliminates the deficit in the defined benefit gratuity plan with in next one year.

Expected contribution to the post -employment benefit plan (Gratuity) for the next year is ₹ 29.20 lakh

The weighted average duration of the defined benefit obligation is 6

**The expected maturity analysis of undiscounted post -employment benefit plan (gratuity) is as follows:**

<b>Financial assets measured at fair value at 31<sup>st</sup> March, 2019</b>				
<b>Financial Assets</b>				
Derivative Instruments	3.58	--	--	3.58

**Notes:**

Level 1 hierarchy includes financial instruments measured using quoted prices (unadjusted) in active market for identical assets that the entity can access at the measurement date. This represents mutual funds that have price quoted by the respective mutual fund houses and are valued using the closing Net asset value (NAV).

Level 2 hierarchy includes the fair value of financial instruments measured using quoted prices for identical or similar assets in markets that are not active.

Level 3 if one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted compound instruments.

There are no transfers between any of these levels during the year. The Company's policy is to recognize transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

**C. Valuation techniques used to determine fair value**

Specific valuation techniques used to value financial instruments include:

- (i) The use of quoted market prices or mutual fund houses quotes (NAV) for such instruments. This is included in Level 1

**D. Fair value of financial assets and liabilities measured at amortized cost**

The Management has assessed that fair value of loans, trade receivables, cash and cash equivalents, other bank balances, other financial assets and trade payables approximate their carrying amounts largely due to their short-term nature. Difference between carrying amount of Bank deposits, other financial assets, borrowings and other financial liabilities subsequently measured at amortised cost is not significant in each of the years presented.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

**Note 47 : Financial risk management**

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board has established the Audit Committee, which is responsible for developing and monitoring the Company's risk management policies. The Committee holds regular meetings and report to board on its activities.

The Company's risk management policies are established to identify and analyses the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

<b>Risk</b>	<b>Exposure arising from</b>	<b>Measurement</b>	<b>Management of risk</b>

**(a) Credit risk**

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. The company is exposed to the credit risk from its trade receivables, unbilled revenue, investments, cash and cash equivalents, bank deposits and other financial assets. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets.

**Credit Risk Management**

Credit risk is the risk that a counterparty fails to discharge an obligation to the Company. The Company is exposed to this risk for various financial instruments, for example by granting loans and receivables to customers, placing deposits etc. the Company's maximum exposure to credit risk is limited to the carrying amount of financial assets recognized at 31 March 2020, as summarized below:

[₹ In Lacs]		
<b>Particulars</b>	<b>As at 31st March, 2020</b>	<b>As at 31st March, 2019</b>
Loans	2.35	397.33
Other financial assets	310.67	162.66
Cash and cash equivalents	294.59	489.91
Trade receivables	1972.25	1435.05
	<b>2579.86</b>	<b>2484.95</b>

**Trade and other receivables**

Trade receivables comprise a widespread customer base. Management evaluates credit risk relating to customers on an ongoing basis. If customers are independently rated, these ratings are used. Otherwise, if there is no independent rating, risk control assesses the credit quality of the customer, taking into account its financial position, past experience and other factors.

For trade receivables, provision is provided by the company as per the below mentioned policy:

[₹ in lacs]				
<b>Particulars</b>	<b>Gross carrying amount</b>	<b>Expected credit losses rate (%)</b>	<b>Expected credit losses</b>	<b>Carrying amount of trade receivable</b>
<b>Considered Good</b>

<b>Total :</b>	<b>2066.22</b>	<b>--</b>	<b>93.97</b>	<b>1972.25</b>

**Cash and Cash Equivalents**

Credit risk on cash and cash equivalents and other deposits with banks is limited as the Company generally invests in deposits with banks with high credit ratings assigned by external credit rating agencies; accordingly the Company considers that the related credit risk is low. Impairment on these items is measured on the 12-month expected credit loss basis.

**(b) Liquidity risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company's treasury maintains flexibility in funding by maintaining liquidity through investments in liquid funds and other committed credit lines. Management monitors rolling forecasts of the group's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows.

**Financing arrangements**

The working capital position of the Company is given below:

**(c) Market Risk**

Market risk is the risk arising from changes in market prices – such as foreign exchange rates and interest rates – will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of the investments. Thus, the exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currency.

**(i) Currency Risk**

The Company is exposed to currency risk on account of foreign currency transactions including recognized assets and liabilities denominated in a currency that is not the Company's functional currency (₹), primarily in respect of US\$, and Euro. The Company ensures that the net exposure is kept to an acceptable level and is remain a net foreign exchange earner.

**Exposure to currency risk**

The currency profile of financial assets and financial liabilities are given below:

Particulars	As at March 31, 2020		As at March 31, 2019	
	Amount Foreign Currency	Amount in Indian Currency	Amount Foreign Currency	Amount in Indian Currency

**Sensitivity Analysis**

Any change with respect to strengthening (weakening) of the Indian Rupee against various currencies as at March 31, 2020 and March 31, 2019 would have affected the measurement of financial instruments denominated in respective currencies and affected equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates.

[₹ in lacs]

Particulars	Profit or Loss March 31, 2020		Profit or Loss March 31, 2019	
	Strengthening	Weakening	Strengthening	Weakening
<b>USD sensitivity</b>				
USD (Increase/decrease by 1%, March 31, 201-1%)	3.46	(3.46)	(0.72)	0.72
<b>Total</b>	<b>3.46</b>	<b>(3.46)</b>	<b>(0.72)</b>	<b>0.72</b>

**(ii) Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates and investments

Most of the Company's borrowings are on a floating rate of interest. The Company has exposure to interest rate risk, arising principally on changes in Marginal Cost of Funds based Lending Rate (MCLR). The Company uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements for its day to day operations like short term credit lines besides internal accruals.

## ARCHIT ORGANOSYS LIMITED

The exposures of the Company's financial assets / liabilities at the end of the reporting period are as follows:

[₹ In Lacs]

Particulars	As at 31st March 2020	As at 31st March 2019
Fixed rate borrowings	0.94	17.05
Floating rate borrowings	3327.65	3700.27
<b>Total borrowings</b>	<b>3328.59</b>	<b>3717.32</b>

### Interest rate risk sensitivity:

The below mentioned sensitivity analysis is based on the exposure to interest rates for floating rate borrowings. For this it is assumed that the amount of the floating rate liability outstanding at the end of the reporting period was outstanding for the whole year. If interest rate had been 50 basis points higher or lower, other variables being held constant, following is the impact on profit.

[₹ in Lacs]

Particulars	Year ended March 31, 2020	Year ended March 31, 2019
<b>Interest sensitivity*</b>		
Interest rates – increase by 50 basis points (50 bps)	16.64	18.59
Interest rates – decrease by 50 basis points (50 bps)	(16.64)	(18.59)

\* Holding all other variables constant

### (iii) Price Risk

#### Exposure

The Company's exposure to securities price risk arises from investments held in mutual funds and classified in the balance sheet at fair value through profit or loss. To manage its price risk arising from such investments, the Company diversifies its portfolio. Further these are all debt base securities for which the exposure is primarily on account of interest rate risk. Quotes (NAV) of these investments are available from the mutual fund houses. Profit for the year would increase/decrease as a result of gains/losses on these securities classified as at fair value through profit or loss.

### Note 48:

The COVID-19 pandemic has disrupted various business operations due to lockdown and other emergency measures imposed by the governments. The operations of the Company were impacted briefly, due to shutdown of manufacturing activities following nationwide lockdown. The Company continues with its operations in a phased manner in line with directives from the authorities.

The company has considered the possible effect that may result from pandemic relating to Covid - 19 on the carrying amount of Property, Plant and Equipment, Inventories, Receivables and other current assets. In developing the assumptions relating to the possible future uncertainty in global economic conditions including conditions in India because of this pandemic, the company has used internal and external information available up to the date of issuance of this results. Based on immediate assessment of Covid - 19 and current indicators of future economic conditions, the company does not expect significant impact on its operations and recoverability of value of its assets.

However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from that estimated as at the date of approval of these financial results.
