ANNEXURE III TO DIRECTORS' REPORT
REPORT ON CORPORATE GOVERNANCE

Corporate Governance is a set of systems, policies and practices deep-rooted in the Company to ensure that the affairs are being managed in a way which ensures accountability, transparency, fairness in all its transactions with all its stakeholders. The Company's philosophy of Corporate Governance that of timely disclosures, transparent accounting policies and a strong and Independent Board goes a long way in preserving all stakeholders' interest, while maximizing long-term shareholder worth.

[Pursuant to Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulation, 2015 (hereinafter referred as "SEBI LODR")]

COMPANY' PHILOSOPHY ON CORPORATE GOVERNANCE

Gretex Industries Limited (GIL) defines Corporate Governance as a systemic process by which companies are directed and controlled to enhance their wealth- generating capacity. GIL Corporate Governance structure, systems and processes are based on two core principles: (i) Management must have the executive freedom to drive the enterprise forward without undue restraints, and (ii) This freedom of management should be exercised within a framework of effective accountability. GIL's believes that any meaningful policy on Corporate Governance must empower the executive management of the Company. At the same time, Governance must create a mechanism of checks and balances to ensure that the decision-making powers vested in the executive management are used with care and responsibility to meet stakeholders' aspirations and societal expectations.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

The purpose of this discussion is to provide an understanding of financial statements and a composite summary of performance of our business. Management Discussion and Analysis (MDA) is structured as follows:

Overview of Indian Economy

India has emerged as the fastest growing major economy in the world as per the Central Statistics Organisation (CSO) and International Monetary Fund (IMF). The Government of India has forecasted that the Indian economy will grow by 7.1 per cent in FY 2016-17. As per the Economic Survey 2016-17, the Indian economy should grow between 6.75 and 7.5 per cent in FY 2017-18. The improvement in India's economic fundamentals has accelerated in the year 2015 with the combined impact of strong government reforms, Reserve Bank of India's (RBI) inflation focus supported by benign global commodity prices.

According to The World Bank, the Indian economy will likely grow at 7 per cent in 2016-17, followed by further acceleration to 7.6 per cent in 2017-18 and 7.8 per cent in 2018-19. Demonetisation is expected to have a positive impact on the Indian economy, which will help foster a clean and digitised economy in the long run. The long-term growth prospective of the Indian economy is moderately positive due to its young population, corresponding low dependency ratio, healthy savings and investment rates, and increasing integration into the global economy. The Indian economy has the potential to become the world's 3rd-largest economy by the next decade, and one of the largest economies by mid-century. And the outlook for short-term growth is also good as according to the IMF, the Indian economy is the "bright spot" in the global landscape. India also topped the World Bank's growth outlook for 2016-17 for the first time with the economy having grown 7.1% in 2016-17 and expected to grow 7.8% for the next year i.e 2018-19.

Textile Industry Overview

India's textiles sector is one of the oldest industries in Indian economy dating back several centuries. Even today, textiles sector is one of the largest contributors to India's exports with approximately 15 per cent of total exports. The textiles industry is also labour intensive and is one of the largest employers. The textile industry has two broad segments. First, the unorganised sector consists of handloom, handicrafts and sericulture, which are operated on a small scale and through traditional tools and methods. The second is the organised sector consisting of spinning, apparel and garments segment which apply modern machinery and techniques such as economies of scale.

The textile industry employs about 51 million people directly and 68 million people indirectly. India's overall textile exports during FY 2015-16 stood at US\$ 40 billion.

The Indian textiles industry is extremely varied, with the hand-spun and hand-woven textiles sectors at one end of the spectrum, while the capital intensive sophisticated mills sector at the other end of the spectrum. The decentralised power looms/ hosiery and knitting sector form the largest component of the textiles sector. The close linkage of the textile industry to agriculture (for raw materials such as cotton) and the ancient culture and traditions of the country in terms of textiles make the Indian textiles sector unique in comparison to the industries of other countries. The Indian textile industry has the capacity to produce a wide variety of products suitable to different market segments, both within India and across the world.

“Annexure B” to the Independent Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **GRETEX INDUSTRIES LIMITED** (“the Company”) as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).

NOTES TO AND FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

26 **CORPORATE INFORMATION**

GRETEX INDUSTRIES LIMITED (the Company) is a unlisted public limited company domiciled in India originally incorporated as private limited company under the provisions of the Companies Act, 1956 named as Heritage Barter Private Limited and consequently the name of the company was changed from M/s Heritage Barter Private Limited to Gretex Industries Private Limited on 7th February, 2013 and again the company was converted from Pvt Ltd Company to closely held Public Limited Co. on 20th November 2013 from M/s Gretex industries Private Limited to Gretex Industries Limited. The equity shares of the company got listed in SME Platform of NSE Ltd. w.e.f 14th October, 2016.

26.1 A **BASIS OF PREPARATION**

The Company maintains its accounts on accrual basis following the historical cost convention in accordance with Generally Accepted Accounting Principles (GAAP) in India, in compliance with the provisions of the Companies Act, 2013 and the Accounting Standards as specified in the Companies (Accounting Standards) (Second Amendment) Rules, 2011, prescribed by the Central Government. Management evaluates all recently used or revised accounting standards on an ongoing basis.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below.

B Presentation and disclosure of financial statement

During the year ended 31st March 2015, Schedule III notified under the Companies Act 2013, has become applicable to the company, for preparation and presentation of its financial statements. The adoption of Schedule III does not impact recognition and measurement principles followed for preparation of financial statements. However, it has significant impact on presentation and disclosures made in the financial statements. The Company has also reclassified the previous year figures in accordance with the requirements applicable in the current year.

The Schedule III allows line items, sub-line items and sub-totals to be presented as an addition or substitution on the face of the financial statements when such presentation is relevant to an understanding of the company's financial position or performance or to cater to industry/sector-specific disclosure requirements.

C **Use of Estimates**

The preparation of the Financial Statements in conformity with Generally Accepted Accounting Principles (GAAP) in India requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amount of income and expenses during the period. Examples of such estimates includes future obligation with respect to employees benefits, income taxes, useful lives of fixed assets etc. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Difference between the actual results and estimates are recognised in the period in which the results are known / materialised.

D **Property, Plant & Equipment**

(i) Tangible Assets

Property, plant and equipment (PPE), being fixed assets are tangible items held for use or for administrative purposes and are measured at cost less accumulated depreciation and any accumulated impairment. Cost comprises of the purchase price including import duties and non-refundable purchase taxes after deducting trade discounts and rebates and any costs attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the Management. Financing costs relating to acquisition of assets relating to acquisition of assets which take substantial period of time to get ready for intended use are also included to the extent they relate to the period up to such assets are ready for their intended use. Gains or losses arising from derecognition of property, plant & equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

the residual values, useful lives and methods of depreciation of property, plant & equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

(ii) Depreciation

Depreciation on Property, Plant and equipment are provided under straight line method as per the useful lives and manner prescribed under schedule II to the Companies Act, 2013. i) Furniture - 10 years, Plant & Machineries - 15 years and Car - 8 years.

(iii) Intangible Assets

Intangible Assets are recognised only if it is probable that future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably.

E **Investments**

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investment. Current investment are carried at lower of cost and fair value determined on an individual item basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments.

F **Revenue Recognition**

Income and expenditure is recognized and accounted for on accrual basis. Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue from sale of goods is recognised on transfer of significant risks and rewards of ownership to the customer and when no significant uncertainty exists regarding realisation of the consideration. Sales are recorded net of sales returns, sales tax/VAT, cash and trade discounts.

G Earning Per Share

The Company reports Basic and Diluted earnings per equity share in accordance with the Accounting Standard - 20 on Earning Per Share. In determining earning per share, the Company considers the net profit after tax and includes the post tax effect of any extraordinary/exceptional items. The number of shares used in computing basic earning per share is the weighted average number of equity shares outstanding during the period. The numbers of shares used in computing diluted earning per share comprises the weighted average number of equity shares that would have been issued on the conversion of all potential equity shares. Dilutive potential equity shares have been deemed converted as of the beginning of the period, unless issued at a later date.

H Taxes on Income

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act,

1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred Income taxes reflect the impact of timing differences between taxable income and accounting Income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognized for taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain as the case may be that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain as the case may be that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

I Provision, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources.

Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are neither recognised nor disclosed in the financial statements.

J Dues to Micro & Small Enterprises Under the MSMED Act 2006

There are no dues to Micro, Small and Medium Enterprises (MSMEs) as defined in the Micro, Small, Medium Enterprises Development Act, 2006 within the appointed date during the year and no MSMEs to whom the Company owes dues on account of principal amount together with interest at the balance sheet date and hence no additional disclosures have been made.

K The Company is a small and medium sized company (SMC) as defined in the general instructions in respect of accounting standards notified under the

Companies Act, 2013. Accordingly, the Company has complied with the Accounting Standards as applicable to a small and medium sized Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of
M/s GRETEX INDUSTRIES LIMITED

1. Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **GRETEX INDUSTRIES LIMITED (Formerly Known As GRETEX INDUSTRIES PRIVATE LIMITED & HERITAGE BARTER PRIVATE LIMITED)** ("the Company"), which comprises the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss for the year ended March 31, 2017, Cash Flow Statement for the year ended March 31, 2017 and a summary of significant accounting policies and other explanatory information.

2. Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the Accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We have taken in to account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements

4. Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a

true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its loss

- d) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2017;

“Annexure B” to the Independent Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **GRETEX INDUSTRIES LIMITED** (“the Company”) as of March 31, 2017 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).

NOTES TO AND FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

25 IT IS GROUP CORPORATE POLICY

25.1 CONVENTION

To prepare financial statements in accordance with applicable Accounting Standards in India. A summary of important accounting policies is set out below. The financial statements have also been prepared in accordance with relevant presentational requirements of the Companies Act, 2013.

A BASIS OF CONSOLIDATION

To prepare Consolidated Financial Statements (CFS) in accordance with Accounting Standard - 23 (AS 23) on "Accounting for Investments in Associates in Consolidated Financial Statements" as notified.

On acquisition of an associate, the goodwill / capital reserve arising from such acquisition is included in the carrying amount of the investment and also disclosed separately. Only share of net profits / losses of associates is considered in Consolidated Statement of Profit and Loss. The carrying amount of the investment in associates is adjusted by the share of net profits / losses in the Consolidated Balance Sheet.

25.2 CORPORATE INFORMATION

GRETEX INDUSTRIES LIMITED (the Company) is a unlisted public limited company domiciled in India originally incorporated as private limited company under the provisions of the Companies Act, 1956 named as Heritage Barter Private Limited and consequently the name of the company was changed from M/s Heritage Barter Private Limited to Gretex Industries Private Limited on 7th February, 2013 and again the company was converted from Pvt Ltd Company to closely held Public Limited Co. on 20th November 2013 from M/s Gretex industries Private Limited to Gretex Industries Limited. The equity shares of the company got listed in SME Platform of NSE Ltd. w.e.f 14th October, 2016.

25.3 A BASIS OF PREPARATION

The Company maintains its accounts on accrual basis following the historical cost convention in accordance with Generally Accepted Accounting Principles (GAAP) in India, in compliance with the provisions of the Companies Act, 2013 and the Accounting Standards as specified in the Companies (Accounting Standards) (Second Amendment) Rules, 2011, prescribed by the Central Government. Management evaluates all recently used or revised accounting standards on an ongoing basis.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below.

B Presentation and disclosure of financial statement

During the year ended 31st March 2015, Schedule III notified under the Companies Act 2013, has become applicable to the company, for preparation and presentation of its financial statements. The adoption of Schedule III does not impact recognition and measurement principles followed for preparation of financial statements. However, it has significant impact on presentation and disclosures made in the financial statements. The Company has also reclassified the previous year figures in accordance with the requirements applicable in the current year.

The Schedule III allows line items, sub-line items and sub-totals to be presented as an addition or substitution on the face of the financial statements when such presentation is relevant to an understanding of the company's financial position or performance or to cater to industry/sector-specific disclosure requirements.

C Use of Estimates

The preparation of the Financial Statements in conformity with Generally Accepted Accounting Principles (GAAP) in India requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amount of income and expenses during the period. Examples of such estimates includes future obligation with respect to employees benefits, income taxes, useful lives of fixed assets etc. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Difference between the actual results and estimates are recognised in the period in which the results are known / materialised.

D Property, Plant & Equipment

(i) Tangible Assets

Property, plant and equipment (PPE), being fixed assets are tangible items held for use or for administrative purposes and are measured at cost less accumulated depreciation and any accumulated impairment. Cost comprises of the purchase price including import duties and non-refundable purchase taxes after deducting trade discounts and rebates and any costs attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the Management. Financing costs relating to acquisition of assets relating to acquisition of assets which take substantial period of time to get ready for intended use are also included to the extent they relate to the period up to such assets are ready for their intended use.

Gains or losses arising from derecognition of property, plant & equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

(ii) Depreciation

Depreciation on Property, Plant and equipment are provided under straight line method as per the useful lives and manner prescribed under schedule II to the Companies Act, 2013. i) Furniture - 10 years, Plant & Machineries - 15 years and Car - 8 years.

(iii) Intangible Assets

Intangible Assets are recognised only if it is probable that future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably.

E Investments

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investment. Current investment are carried at lower of cost and fair value determined on an individual item basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments.

F Revenue Recognition

Income and expenditure is recognised and accounted for on accrual basis. Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue from sale of goods is recognised on transfer of significant risks and rewards of

ownership to the customer and when no significant uncertainty exists regarding realisation of the consideration. Sales are recorded net of sales returns, sales tax/VAT, cash and trade discounts.

G Earning Per Share

The Company reports Basic and Diluted earnings per equity share in accordance with the Accounting Standard - 20 on Earning Per Share. In determining earning per share, the Company considers the net profit after tax and includes the post tax effect of any extraordinary/exceptional items. The number of shares used in computing basic earning per share is the weighted average number of equity shares outstanding during the period. The numbers of shares used in computing diluted earning per share comprises the weighted average number of equity shares that would have been issued on the conversion of all potential equity shares. Dilutive potential equity shares have been deemed converted as of the beginning of the period, unless issued at a later date.

H Taxes on Income

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act,

1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred Income taxes reflect the impact of timing differences between taxable income and accounting Income originating during the current year and reversal. The carrying amount of deferred tax assets are reviewed at each reporting date. The company writes-down the carrying amount of deferred tax asset to

I Provision, Contingent Liabilities and Contingent Assets
