In the dynamic world of business, only a few companies endure the test of time, while being able to continuously adapt and thrive amidst changes and challenges.

At Suraj Industries Limited (SIL), we are at the cusp of a momentous milestone, commemorating 33 years of existence. Reflecting upon our humble beginnings, we find ourselves marvelling at the countless accomplishments and memories that define our illustrious corporate legacy. Our 33-year corporate legacy has been all about overcoming challenges and attaining victories, valour and resilience, adaptability and excellence. More importantly, it has been about the profound impact that we have made on the people, customers and the communities.

SIL's story has been one of inspiration, centred around building an organisation with a solid foundation and a forward-looking ethos that we are today. Even as we cherish our past and present that have shaped our identity, we look ahead to the exciting journey that lies before us, brimming with new opportunities and boundless possibilities.

With our feet grounded and sights set on the horizon, we are ready to build upon our past achievements, forge new paths, and continue leaving a positive imprint on industries, communities, and lives.

Together, we embrace the journey ahead, guided by our unwavering commitment to innovation, sustainability, and creation of lasting value for all stakeholders.

We invite all stakeholders to join us as we embark on a flashback through time and fast forward into the future.

“MANAGING DIRECTOR’S STATEMENT”

Dear Esteemed Shareholders,

It is with immense pride and a deep sense of responsibility that I present the performance highlights and strategic progress of Suraj Industries Limited (SIL) for the financial year 2024-25.

This year marked a transformative chapter for SIL—a period where the groundwork laid in previous years began to yield tangible and meaningful outcomes. I am reminded of the quote, “*The secret of change is to focus all your energy not on fighting the old, but on building the new.*” That spirit of forward-looking transformation has guided our actions throughout the year.

Since our inception in 1992, SIL has demonstrated adaptability in an ever-evolving economic landscape. From our origins in trading edible oils and commodities, we have strategically transitioned into a enterprise with a strong presence in the alcoholic beverages sector. Our bold entry into this industry in 2021—through the acquisition of a bottling facility in Ajmer, Rajasthan—was a defining move. It set in motion a series of developments that continue to shape our trajectory.

Our partnership with **Rajasthan State Ganganagar Sugar Mills Limited (RSGSM)**, a Government of Rajasthan undertaking, has been instrumental in our success. The production of **Rajasthan Made Liquor (RML)** under contract bottling arrangements has grown steadily. Additionally, the launch of our **proprietary Country Liquor brand** has enabled us to capture direct, brand-led growth. A key milestone during the year was the commissioning of a **fully automatic bottling line** at RSGSM’s Mandore (Jodhpur) facility in **May 2024**, enhancing our production capacity, consistency, and efficiency.

In line with our long-term vision for sustainable expansion, we have made strategic investments in promising ventures. Our investments is **Carya Chemicals & Fertilizers Private Limited (CARYA)** which is a **significant subsidiary**. CARYA’s integrated project—featuring distilleries for **Extra Neutral Alcohol (ENA)** and **ethanol**, alongside a robust bottling plant—has already commenced commercial bottling operations as of **April 2025**. The distillery component, currently under construction, will further strengthen our supply chain and backend capabilities.

Our strategic investment in **Shri Gang Industries & Allied Products Limited** has also broadened our geographical and operational footprint. Their facility in Uttar Pradesh, supported by collaborations with industry leaders like **United Spirits Limited**, adds resilience and scale to our portfolio. These partnerships underscore our commitment to working with experienced operators and creating long-term value.

As we grow, our focus remains anchored on **governance, quality, and customer-centricity**. We continue to invest in **technology, infrastructure, and brand development**—all essential pillars for responsible and sustainable growth in this regulated and competitive industry. Looking ahead, we are cautiously optimistic. India’s dynamic regulatory environment, increasing rural demand, and formalizing distribution landscape provide a fertile ground for the Alcobev sector. At SIL, we are not just participating in this transformation—we are helping shape it.

I extend my heartfelt gratitude to our shareholders for their trust and support, our employees for their dedication, and our partners and regulatory authorities for their continued collaboration. With a strong foundation and a clear roadmap, we are committed to steering Suraj Industries Limited toward becoming a **trusted, high-performing, and future-ready enterprise**.

With warm regards,
Suraj Prakash Gupta
Managing Director
Suraj Industries Ltd.

ABOUT THE COMPANY

Suraj Industries Limited (SIL), is an emerging player with a growing footprint in the Alcoholic Beverages (Alcobev) industry.

SIL currently operates under a contract bottling arrangement with **Rajasthan State Ganganagar Sugar Mills Limited (RSGSM)**—a Government of Rajasthan undertaking that holds exclusive wholesale rights for Country Liquor and Rajasthan Made Liquor (RML) in the state. Alongside this partnership, SIL markets Country Liquor under its own brand, further consolidating its presence in the competitive liquor market. As part of its expansion efforts, SIL commissioned a **fully automatic bottling line** at RSGSM's facility in **Mandore, Jodhpur**, which commenced commercial production on **May 24, 2024**.

SIL through its significant subsidiary, **M/s Carya Chemicals & Fertilizers Private Limited (CARYA)**, is developing an integrated liquor manufacturing complex in **RIICO Industrial Area, District Baran, Rajasthan**. This project includes a **125 KLPD grain-based distillery** for **Extra Neutral Alcohol (ENA)** and a bottling facility with a **48 lakh case per annum capacity** for both **IMFL and Country Liquor**. Phase 1 of this project—covering the bottling plant—was commissioned and began commercial

operations on **April 28, 2025**. The distillery component is under active construction and is expected to be completed by **March 2026**. The Operational Revenues have commenced and going forward, will reflect in the Consolidated performance of SIL.

SIL through its associate company **M/s Shri Gang Industries & Allied Products Limited** operates a state-of-the-art grain-based distillery and IMFL bottling facility in **Sandila, Uttar Pradesh**. Shri Gang has an exclusive manufacturing arrangement with **United Spirits Limited**, producing several marquee IMFL brands, along with a long-term ENA supply agreement—ensuring operational sustainability and consistent demand.

SIL's journey from trading activities to becoming a key player in the Alcobev sector reflects its **strategic foresight and commitment to value creation**. Its investments in advanced bottling infrastructure and synergistic partnerships with CARYA and Shri Gang underscore a forward-looking vision aimed at **scaling operations, building brand equity, and capturing emerging opportunities** in the Indian liquor market.

SIL remains steadfast in its focus on **excellence, compliance, and stakeholder value enhancement** in the evolving landscape of India's Alcobev industry.

ITEM NO.: 5

Based on the recommendation of the **Nomination and Remuneration Committee (NRC)**, the **Board of Directors**, at its meeting held on **May 27, 2025**, appointed **Mr. Sanjeev Mitla (DIN: 00160478)** as an **Additional Director (Non-Executive, Independent)** for a term of **five years**, with effect from **May 27, 2025 to May 26, 2030**, subject to approval of the Members by way of a **Special Resolution**.

Pursuant to the provisions of **Section 161(1)** of the Companies Act, 2013 and **Regulation 17(1C)** of the Listing Regulations, read with Articles of Association of the Company, Mr. Sanjeev Mitla holds office as Additional Director only up to the date of the next General Meeting or three months from the date of his appointment, whichever is earlier.

In terms of **Section 160(1)** of the Act, the Company has received a notice in writing from a Member proposing the candidature of Mr. Sanjeev Mitla for the office of Director.

The Company has received the following documents and confirmations from Mr. Sanjeev Mitla:

- Consent to act as Director in **Form DIR-2**.
- Intimation in **Form DIR-8**, confirming he is not disqualified under Section 164 of the Act.
- Declaration that he meets the criteria of independence as per **Section 149(6)** of the Act and **Regulation 16(1)(b)** of the Listing Regulations.
- Confirmation pursuant to **Regulation 25(8)** of the Listing Regulations that he is not aware of any circumstances which may affect his ability to act as an Independent Director.
- Declaration pursuant to **BSE and NSE circulars dated June 20, 2018**, that he has not been debarred from holding office of Director by SEBI or any other authority.
- Confirmation of compliance with **Rules 6(1) and 6(2)** of the Companies (Appointment and Qualification of Directors) Rules, 2014 regarding registration with the **Independent Directors' Data Bank** maintained by the Indian Institute of Corporate Affairs.

The NRC, after evaluating his credentials and background, is of the view that Mr. Sanjeev Mitla possesses the requisite qualifications, experience, and independence and brings with him diverse skills and leadership capabilities, including expertise in **operations, strategy, finance, governance, risk and project management, technical areas, and regulatory affairs**, which are valuable to the Board.

Mr. Sanjeev Mitla is not related to any of the Directors or Key Managerial Personnel of the Company and is independent of the management.

A brief profile of Mr. Sanjeev Mitla is provided in **Annexure A** to this notice, in compliance with Regulation 36(3) of the SEBI (LODR) Regulations, 2015 and Secretarial Standard on General Meetings ("SS-2"), issued by the Institute of Company Secretaries of India.

Accordingly, Item No. 5 of the accompanying Notice is recommended for approval of the members by way of Special Resolution.

Except Mr. Sanjeev Mitla being an appointee and his relatives (to the extent of their shareholding in the Company, if any), none of the Directors, key managerial persons or their relatives in any way are concerned or interested, financial or otherwise, in the resolution set out in **Item no. 5**.

ITEM NO.: 6

Mrs. Pooja Solanki (DIN: 09039846) was appointed as an **Independent Director** on the Board of the Company for a first term of five years from **January 23, 2021 to January 22, 2026**, in accordance with the provisions of Section 149

of the Companies Act, 2013 ("Act") read with Companies (Appointment and Qualification of Directors) Rules, 2014 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

In view of the above, the Nomination and Remuneration Committee (NRC) of the Board of Directors, on the basis of the report of performance evaluation of Independent Directors has recommended the re-appointment of **Mrs. Pooja Solanki** as an Independent Director for a second term of five (5) consecutive years, commencing from **January 23, 2026 to January 22, 2031**.

The Board, based on the performance evaluation of Independent Directors and as per the recommendation of NRC considers that given the background and experience and contributions made by Mrs. Pooja Solanki during her tenure, the continued association of Mrs. Pooja Solanki would be beneficial to the Company and it is desirable to continue availing his services as an Independent Director.

Accordingly, it is proposed to re-appoint Mrs. Pooja Solanki as an Independent Director of the Company, not liable to retire by rotation and to hold office for a second term of 5 (five) years on the Board of the Company.

Section 149 of the Act prescribes that an independent director of a company shall meet the criteria of independence as provided in Section 149(6) of the Act. Section 149(10) of the Act provides further that an independent director shall hold office for a term of up to five consecutive years on the Board and shall be eligible for re-appointment on passing a special resolution by the company and disclosure of such re-appointment in its Board's report. Section 149(11) provides that an independent director may hold office for up to two consecutive terms.

The Company has received:

- A declaration from Mrs. Pooja Solanki confirming that she continues to meet the criteria of independence under Section 149(6) of the Act and Regulation 16(1) (b) of the Listing Regulations;
- Consent to act as a Director in Form DIR-2;
- Notice in writing from a member under Section 160 of the Act proposing her candidature.

In the opinion of the Board, Mrs. Pooja Solanki fulfills the conditions for re-appointment as Independent Director as specified in the Act.

The Board considers that her continued association would be beneficial to the Company and therefore recommends the **Special Resolution** as set out in Item No. 6 for the approval of the members.

A brief profile of Mrs. Pooja Solanki is provided in **Annexure A** to this notice, in compliance with Regulation 36(3) of the SEBI (LODR) Regulations, 2015 and Secretarial Standard on General Meetings ("SS-2"), issued by the Institute of Company Secretaries of India.

Accordingly, Item No. 6 of the accompanying Notice is recommended for approval of the members by way of a

Special Resolution.

Except Mrs. Pooja Solanki being an appointee and his relatives (to the extent of their shareholding in the Company, if any), none of the Directors, key managerial persons or their relatives in any way are concerned or interested, financial or otherwise, in the resolution set out in **Item no. 6**.

Necessary documents in this regard are available for inspection by the members in electronic mode under Investor Relations link of Company's Website www.surajindustries.org.

ITEM NO.: 07

The Board of Directors, on the recommendation of the Nomination and Remuneration Committee, has approved the extension in the terms of remuneration of **Mr. Suraj Prakash Gupta** (DIN: 00243846), Managing Director of the Company, for the remaining tenure of his appointment commencing from **February 6, 2026 to February 5, 2028**, subject to the approval of the members of the Company.

Mr. Suraj Prakash Gupta was re-appointed as Managing Director by the members of the Company at the Extra Ordinary General meeting held on March 11, 2023 for a term of Five years commencing from February 06, 2023, to February 05, 2028. At the time of re-appointment, his remuneration was approved for a period of three years, i.e., up to February 5, 2026 in compliance with the provisions of **Sections 196, 197, and 198** read with **Schedule V** of the Companies Act, 2013, and the **Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014**.

Considering Mr. Suraj Gupta's vast experience, exceptional leadership, and valuable contributions to the consistent growth and performance of the Company, the Board has found it prudent and appropriate to extend his remuneration for the remaining period of his tenure, in alignment with current industry practices and the responsibilities entrusted to him.

In compliance with the provisions of **Sections 196, 197, and 198** read with **Schedule V** of the Companies Act, 2013, and the **Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014**, it is proposed to approve **revised remuneration not exceeding ₹15,00,000 (Rupees Fifteen Lakh only) per month** for the period from **February 6, 2026 to February 5, 2028**, subject to the approval of members by way of a **Special Resolution**.

In the event of loss or inadequacy of profits in any financial year during the term of his appointment, the remuneration stated above shall be paid as **minimum remuneration**, subject to compliance with the conditions specified in **Schedule V of the Companies Act, 2013**.

The Board (including the Nomination and Remuneration Committee) shall be empowered to **vary, alter, or revise** the remuneration and other terms, provided such revision is within the overall limits approved by the members.

ITEM NO.: 08

The Company proposes to enter into certain related party transactions with **Mr. Suraj Prakash Gupta**, Promoter and Managing Director of the Company. These transactions are considered material in nature under **Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015** ("SEBI Listing Regulations").

Nature of Transactions:

1. **Acquisition of 22,73,234 equity shares of M/s Carya Chemicals & Fertilizers Private Limited (CARYA)**, a material subsidiary of the Company, from Mr. Suraj

Prakash Gupta.

2. The remuneration of up to ₹15,00,000 per month to Mr. Suraj Prakash Gupta, Managing Director of the Company, was earlier recommended and approved by the Nomination and Remuneration Committee, the Board of Directors, and the shareholders at their respective meetings held on February 10, 2023, and March 11, 2023. This remuneration was approved in accordance with the Company's Nomination and Remuneration Policy and is in compliance with the provisions of Sections 197 and 198 read with Schedule V of the Companies Act, 2013.

In continuation of the above, the Nomination and Remuneration Committee and the Board of Directors, in their meetings held on July 28, 2025, have recommended the extension of the remuneration period on the same terms and conditions for the remaining tenure of Mr. Suraj Prakash Gupta, i.e., from February 6, 2026, to February 5, 2028. The proposal for extension is being placed before the shareholders for approval under Item No. 7 of the Notice of the 33rd Annual General Meeting.

These transactions are **material**, either individually or when aggregated during the financial year, and hence, require **members' approval** by way of **Ordinary Resolution** in accordance with **Regulation 23(4)** of SEBI Listing Regulations.

At present the Company is holding 85.75% shareholding of CARYA. The proposed acquisition will allow the Company to further **consolidate its shareholding in CARYA**. The acquisition will be carried out at the Rs.12.60 per share based on Valuation Report dated

March 29, 2025 issued by M/s. Corporate Professionals Valuation Services Private Limited, having address at D-38, South Extension, Part-I, New Delhi-110049 (Registration No.: IBBI/RV/05/2019/11727).

The Audit Committee and Board have reviewed and approved the transactions, finding them to be in the best interests of the Company and in line with long-term strategic goals.

In accordance with Regulation 23(1) & 23(1A) of the SEBI Listing Regulations, prior approval of the shareholders is required by means of an Ordinary Resolution for a) related Party Transactions ('RPT') which in a financial year, exceeds the lower of (i) Rs.1,000 crore or (ii) 10% of the annual consolidated turnover of a listed entity as per the last audited financial statements of the listed entity; and (b) any subsequent modifications thereto as defined by the Audit Committee of the Company.

The Management has provided the Audit Committee with relevant details of the proposed RPTs in

terms of SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2021/662 dated November 22, 2021 including material terms and basis of pricing. The proposed transactions have been approved and recommended to the members by the Audit Committee after satisfying itself that the RPTs are in the interest of the Company and are at arm's length and in the ordinary course of business.

STATE OF COMPANY'S AFFAIRS AND OUTLOOK

Company is into the business of (i) processing and bottling of Liquor and (ii) trading edible oils and other products, which consist Palm Oil, Soybean Oil, Rice etc.

During the financial year 2024-25, the Company continued its operations in two distinct business verticals:-

a) Liquor Business

The liquor business represents a key strategic focus area for the Company. The activities under this segment include:

- ❖ **Processing and Bottling of Rajasthan Made Liquor (RML):** The Company undertakes contract manufacturing and bottling of RML for M/s Rajasthan State Ganganagar Sugar Mills Limited (RSGSM), a Government of Rajasthan undertaking, which holds the exclusive wholesale rights for Country Liquor and RML in the state of Rajasthan.
- ❖ **Own Brand Manufacturing and Marketing:** The Company also manufactures and sells of Country

Liquor under its own proprietary brands, thereby expanding its market presence and brand footprint in the state.

- ❖ **Expansion of Bottling Capacity:** In line with its strategic growth initiatives, the Company **commenced commercial production on May 24, 2024**, on a **new, fully-automated liquor bottling line** at the premises of RSGSM, located **Near Railway Station, Mandore, Jodhpur, Rajasthan-342006**. This new facility has a **bottling capacity of 2,200 cases per day**, with **each case consisting of 48 bottles of 180 ml**. The enhanced infrastructure is expected to significantly add to the revenue and profitability of the company.

b) Trading Business

The Company is engaged in the trading of edible oils and other commodities, including but not limited to **Palm Oil, Soybean Oil, Rice etc.** However, the company is now focusing on its Liquor vertical and is gradually coming out of the trading business.

Outlook

The liquor segment continues to be the primary growth driver for the Company, with ongoing efforts to expand brand presence, optimize production capacities, and diversify product offerings. The Board remains optimistic about the long-term prospects of the liquor industry and is committed to strengthening the Company's position in this segment while ensuring sustainable and profitable growth across all verticals.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENTS

India represents a dynamic and rapidly evolving market for alcoholic beverages, driven by favorable demographics, urbanization, and rising disposable incomes. With nearly **1.3 billion people**, India boasts one of the **youngest populations globally**, with approximately **50% below the age of 25** and **65% below the age of 35**, which strongly supports the upward trajectory in per capita alcohol consumption.

The **alcohol industry** contributes significantly to the national economy by generating employment, income, and promoting overall economic growth. The market is predominantly led by **whisky**, followed by **beer and wine**. The increasing number of working-age adults, shifting social norms, and changing consumer preferences have contributed to the expansion of alcohol consumption. Furthermore, a supportive regulatory environment and constructive government policies can further accelerate industry growth.

Despite the legal drinking age ranging between **18 to 25 across various states**, the continued expansion of the middle class, greater purchasing power, and reduced cultural resistance to alcohol consumption underline the growth potential in the sector.

GLOBAL OUTLOOK – ALCOHOL SECTOR

Entering FY 2025, the global economy exhibited renewed optimism, supported by easing inflationary pressures and resilient consumer demand. According to the IMF's April 2025 World Economic Outlook, global GDP is projected to grow in the range of 3.1% to 3.3%. While advanced economies are expected to witness moderate growth amid tight monetary conditions, emerging markets—particularly India—are poised to lead the global economic momentum, backed by robust domestic consumption, ongoing structural reforms, and sustained government spending.

As global supply chains diversify and trade dynamics shift, emerging economies are becoming increasingly central to global recovery. These trends offer a favorable backdrop for the alcohol industry, particularly in high-growth markets like India, where evolving consumer preferences and rising disposable incomes continue to support long-term sectoral expansion.

The Indian Alcohol Market

According to the classification in India, the alcobev sector is structured as follows:

- ❖ **Indian-Made Foreign Liquor (IMFL):** Includes rum, brandy, whiskey, vodka, gin, etc.
- ❖ **Beer:** Both strong and mild variants, led by brands like Kingfisher.
- ❖ **Wine:** Comprising red, white, and rosé, primarily consumed in urban middle-class segments. Maharashtra and Karnataka are key producers.
- ❖ **Indian-Made Indian Liquor (IMIL) or Country Liquor:** Locally consumed beverages such as Feni, Mahua, and others, popular in rural and regional markets.

Andhra Pradesh, Karnataka, Maharashtra, Telangana, Uttar Pradesh and West Bengal are among the principal consumer states.

Alcohol Consumption in India

India continues to witness a steady rise in alcohol consumption, driven by favorable demographic trends, increasing urbanization, and evolving social attitudes. The country's large and youthful population, with approximately 65% below the age of 35, presents a significant growth opportunity for the alco-bev industry. Changing lifestyles, rising disposable incomes, and a growing preference for branded and premium alcoholic beverages are reshaping consumer behavior across urban and semi-urban regions.

According to the **National Family Health Survey-5 (2019-21)**, alcohol consumption remains higher in rural areas compared to urban

areas, with notable regional variations. States such as **Arunachal Pradesh, Telangana, and Sikkim** record the highest levels of alcohol consumption, while others like **Gujarat and Bihar** enforce prohibition policies.

The country ranks among the top global consumers of alcohol by volume, particularly in segments like **whisky and country liquor**, underscoring the industry's resilience and potential. As socio-cultural norms continue to evolve and market access improves, the outlook for alcohol consumption in India remains robust.

This highlights significant **regional disparities** and **cultural factors** that shape consumption patterns.

OPPORTUNITY & THREATS, RISK & CONCERNS

Opportunities and Threats:

- There is huge opportunity in the sale of potable liquor. The demand for potable liquor is showing a steady increase year on year.
- The Company's strong focus on understanding consumer preferences, product development and roll out capabilities.
- Long standing relationship with our customers.
- Low per capita consumption, rapid urbanization, favorable macroeconomics indicators, higher disposable incomes and evolving lifestyles bode well for the industry as a whole.
- The business of potable liquor is subject to policies of the State Governments as it is a State subject. There is always a threat of change in Government policies in terms of "Prohibition in consumption of Liquor" as imposed in States of Gujarat and Bihar.
- High competitive intensity due to inflationary pressures and other macroeconomics factors.
- Consumption degrowth due to inflationary pressures and other macroeconomic factor

FINANCIAL PERFORMANCE

Standalone

During the financial year 2024-2025 under review, the total Revenue of the company was Rs. 3218.19 lakh as against Rs. 5176.53 lakh in the previous year and the net loss after tax was Rs. 72.11 Lakhs as compared to profit of Rs. 157.11 Lakhs in the previous financial year 2023-24.

Consolidated

During the financial year 2024-2025 under review, as per the Consolidated Financial Statements, the net profit is Rs. 402.76 Lakhs which includes share of profit of Associate company amounting to Rs 589.48 Lakhs as compared to profit of Rs. 445.90 Lakhs (inclusive of associate's profit of Rs. 297.36 Lakhs) in the previous financial year:2023-24.

OUTLOOK

During the financial year 2024–25, the Company continued its operations in two distinct business verticals:

a) Liquor Business

The liquor business represents a key strategic focus area for the Company. The activities under this segment include:

- ❖ **Processing and Bottling of Rajasthan Made Liquor (RML):** The Company undertakes contract manufacturing and bottling of RML for **Rajasthan State Ganganagar Sugar Mills Limited (RSGSM)**, a Government of Rajasthan undertaking, which holds the exclusive wholesale rights for Country Liquor and RML in the state of Rajasthan.
- ❖ **Own Brand Manufacturing and Marketing:** The Company also **manufactures and sells of Country Liquor under its own proprietary brands**, thereby expanding its market presence and brand footprint in the state.
- ❖ **Expansion of Bottling Capacity:** In line with its strategic growth initiatives, the Company **commenced commercial production on May 24, 2024**, on a **new, fully-automated liquor bottling line** at the premises of RSGSM, located **Near Railway Station, Mandore, Jodhpur, Rajasthan-342006**. This new facility has a **bottling capacity of 2,200 cases per day**, with **each case consisting of 48 bottles of 180 ml**. The enhanced infrastructure is expected to significantly boost operational efficiency and output volumes.

b) Trading Business

The Company is engaged in the trading of edible oils and related commodities, including but not limited to **Palm Oil, Soybean Oil, Rice etc.**. However, the company is now focusing on its Liquor vertical and is gradually coming out of the trading business.

M/S CARYA CHEMICALS & FERTILIZERS PRIVATE LIMITED - UNLISTED MATERIAL SUBSIDIARY COMPANY

The Company holds **85.75%** equity stake in **M/s Carya Chemicals & Fertilizers Private Limited ("CARYA")**, as on the date of this Report.

CARYA has established a Bottling Plant for the manufacture of Indian Made Foreign Liquor (IMFL) and Country Liquor in Rajasthan. The plant is located at SP 1-2, RIICO Industrial Area, Guwadi & Majhari, Block Shahbad, District Baran, Rajasthan – 325217. CARYA has entered into Manufacturing tie up Agreement with M/s Allied Blenders & Distillers Ltd for bottling their reputed IMFL Brands in the unit.

Additionally, CARYA is in the process of setting up a grain-based distillery for the manufacture of Extra Neutral Alcohol (ENA), which will further strengthen its product portfolio and operational capabilities in the liquor. The Distillery unit is in advanced stage of construction.

RISKS AND CONCERNS

- The industry is exposed to multiple regulatory risks emanating from state taxes, adverse ruling from courts and changes in regulations with respect to pricing, licensing, working of operating facilities, manufacturing processes, marketing, advertising, and distribution.
- Further due to regulated nature of the industry, your Company is exposed to the restrictions by the state governments on production, movement and sale of spirits.
- Another concern emerges from the dependence on state governments to get price increases or changes. Margins may get severely impacted due to commodity cost inflation.
- Prohibition in certain states poses a threat to legitimate sales. The business of potable liquor is subject to policies of the State Governments as it is a State subject. There is always a threat of change in Government policies in terms of "Prohibition in consumption of Liquor" as imposed in States of Gujarat and Bihar.

CASH FLOW ANALYSIS

The Cash Flow Statement for the year under reference in terms of **Regulation 34(2) of the (Listing Obligations and Disclosures Requirements) Regulations, 2015** is annexed with the Annual Accounts of the Company.

FINANCE COST

The financial charges for the year ended March 31, 2025 was Rs. 45.08 Lakhs. This is mainly on account of interest payable on the unsecured loans and vehicle loan taken by the company.

OTHER EQUITY (RESERVES AND SURPLUS)

As on March 31, 2025, the Reserves and Surplus in the Balance Sheet at Rs 4663.04 Lakh as compared to the balance of Rs. 3088.94 Lakhs during the previous Financial Year 2023-24.

EARNING PER SHARE

Earnings per share of the company is (0.49) as against the EPS of 1.24 in the previous year.

SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS

CORPORATE GOVERNANCE REPORT

The Board of Directors of Suraj Industries Ltd (“the Company”) is pleased to present the Report on Corporate Governance for the financial year ended March 31, 2025. This report has been prepared in compliance with the applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”), including Regulation 34(3) read with Schedule V and other relevant provisions.

The Company remains committed to maintaining the highest standards of governance, transparency, and ethical conduct in all its business dealings. This report outlines the Company’s governance framework, Board structure, functioning of various committees, and other disclosures as prescribed under the SEBI Listing Regulations.

COMPANY PHILOSOPHY ON CODE OF CORPORATE GOVERNANCE

Corporate Governance is the foundation for sustainable corporate growth and long-term value creation. At **Suraj Industries Ltd**, we believe that good governance stems from a strong value system and a commitment to integrity, transparency, and accountability in all business dealings. Our governance practices are built on the pillars of ethical conduct, stakeholder trust, and regulatory compliance.

Since inception, the Company has maintained a steadfast commitment to operating in a responsible and transparent manner, ensuring that the interests of all stakeholders—including shareholders, employees, customers, suppliers, and the community—are safeguarded. We are committed to upholding the highest standards of Corporate Governance and aligning our practices with our core values and ethical beliefs.

Your Company’s Corporate Governance framework is designed to support effective oversight, foster a culture of accountability, and ensure sound decision-making at both the Board and Management levels. We believe that strong governance contributes to superior corporate performance and sustained stakeholder confidence.

We also recognize that Corporate Governance is not just a regulatory obligation but an ongoing journey. In a dynamic and competitive business environment, our Management and employees remain guided by principles of fairness, integrity, honesty, and professionalism.

An active, well-informed, and independent Board of Directors is central to the governance of the Company. We strongly believe that Board independence is vital for providing unbiased direction and upholding the interests of all stakeholders.

Guiding Principles of Corporate Governance

The Corporate Governance practices adopted by Suraj Industries Ltd are anchored in a strong foundation of ethical values and are driven by the following key principles:

S. No.	Principle	Description
1	Spirit and Letter of the Law	Governance standards uphold both the legal provisions and the ethical intent behind them.
2	Transparency and Accountability	Ensuring openness in business conduct and clearly defined accountability at all levels.
3	Simplified Corporate Structure	A streamlined, business-driven structure free from unnecessary complexities.

S. No.	Principle	Description
4	Regulatory Compliance	Full adherence to all applicable laws, rules, regulations, and guidelines.
5	Long-Term Value Creation	Focused on delivering sustainable value and consistent wealth generation for all stakeholders.
6	Stewardship of Capital	Management functions as trustees of shareholders' capital, not as its owners.

BOARD OF DIRECTORS (the "Board")

The Board of Directors of **Suraj Industries Ltd** (the "Company"), as the apex governing body, serves as the **trustee of shareholders' interests** and is entrusted with ensuring ethical, transparent, and accountable leadership. The Board is responsible for establishing and upholding the Company's culture of integrity, sustainability, and responsible governance, while steering the Company towards long-term value creation.

The Board is composed of individuals with diverse expertise, deep industry knowledge, and proven integrity. It provides **strategic direction, independent judgment, and effective oversight** over the Company's management and operations, in alignment with statutory and regulatory requirements.

Through regular meetings, active engagement, and independent evaluation, the Board ensures that the Company maintains transparency, accountability, and performance excellence in all its undertakings.

Composition of the Board

Composition of the Board of Directors

The Board of Directors ("the Board") is the apex governing body of the Company, appointed by the shareholders to oversee the overall management, strategic direction, and governance of the Company. The Board is entrusted with providing leadership, guidance, and oversight to the Management, with the primary objective of creating sustainable long-term value for all stakeholders.

A well-balanced Board, comprising a combination of Executive Directors, Non-Executive Directors, Independent Directors, and Women Directors, is essential to maintain the Board's independence and to ensure effective management oversight. Your Company's Board is constituted with an optimal mix of Executive, Non-Executive, and Independent Directors, each playing a vital role in Board deliberations and providing independent judgment on matters of strategy, performance, and compliance.

During the financial year 2024-25, the Board's composition was in full compliance with Regulation 17 of the SEBI Listing Regulations read with Sections 149 and 152 of the Companies Act, 2013 ("the Act") and the rules framed thereunder. As of March 31, 2025, the

Board consists of 6 (six) Directors out of which 2 (Two) Directors are Executive Directors, 2 (two) are Non-Executive Non- Independent Directors, and remaining 2 (Two) are Independent Directors out of which 1(one) Woman Independent Director. The Board periodically evaluates the need for change in its composition and size.

All Independent Directors have confirmed their compliance with the independence criteria prescribed under Regulation 16(1)(b) of the SEBI Listing Regulations and Section 149 of the Act. They have further affirmed that no circumstances exist or are anticipated which could compromise their ability to exercise independent judgment free from external influence, as stipulated under Regulation 25(8) of the SEBI Listing Regulations.

The Company has also received confirmation from all Independent Directors regarding their registration with the Independent Directors' Database maintained by the Institute of Corporate Affairs, pursuant to Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014.

None of the Directors on the Board hold the office of Director in more than 20 companies, including 10 public companies. Additionally, no Independent Director serves on the Board of more than seven listed entities, and no Whole-Time Director serves as an Independent Director in more than three listed entities. In accordance with Regulation 26 of the SEBI Listing Regulations, none of the Directors hold membership of more than ten committees or chair more than five committees (Audit Committee and Stakeholders' Relationship Committee) across all public companies in which they are Directors. All Non-Independent Directors are liable to retire by rotation, as per statutory provisions. The Board is furnished with all necessary information, as specified in Regulation 17(7) read with Part A of Schedule II of the SEBI Listing Regulations, to enable informed and effective decision-making.

That pursuant to SEBI (LODR) Regulations, 2015, the Board shall meet At least 4 (Four) times in a year and the time gap between any two Board Meeting did not exceed 120 (One Hundred and Twenty) days.

The Board of Directors periodically reviews compliance reports pertaining to all laws applicable to the Company. All Statutory and other matters of significance including information as mentioned in Part A of Schedule II (Listing Obligations and Disclosure Requirements) Regulations, 2015 are informed to the Board to enable it to discharge its responsibility of strategic supervision of the Company.

Roles, Responsibilities and Duties of the Board

The Board of Directors plays a pivotal role in ensuring robust corporate governance and the sustainable growth of the Company. In accordance with the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR") and the provisions of Section 166 of the Companies Act, 2013 ("the Act"), the Board is entrusted with distinct roles, responsibilities, and fiduciary duties essential for effective oversight and value creation.

Fiduciary Duty and Accountability:

The Board acts as a fiduciary for the Company and its shareholders, safeguarding their interests and ensuring accountability to all stakeholders including employees, customers, creditors, and the community at large. The Directors are expected to discharge their duties with due diligence, care, and in good faith, upholding the highest standards of integrity and ethical conduct.

Strategic Oversight

The Board is responsible for providing strategic guidance and leadership to the Company. This involves setting long-term objectives, approving business plans, and monitoring the performance of the Management to ensure that the Company's vision and mission are effectively translated into action while aligning with stakeholder expectations.

Independent Judgment:

Directors are required to exercise independent and objective judgment, free from conflicts of interest, and make decisions that are in the best interests of the Company and its stakeholders. The Board ensures that all material risks are identified and appropriately mitigated through an effective system of internal controls and risk management.

Ethical and Sustainable Governance:

The Board is committed to fostering a culture of ethical business conduct, corporate social responsibility, and sustainability. It oversees policies related to environmental, social, and governance (ESG) factors to promote responsible growth and protect the interests of current and future stakeholders.

Delegation and Monitoring:

While the Board delegates day-to-day management to the Executive Directors and senior management, it retains the ultimate responsibility for the Company's governance. The Board regularly monitors management performance, reviews significant decisions, and ensures that the Company operates within the prescribed legal and regulatory framework.

The responsibilities of the Board include:

Responsibility	Description
Corporate Governance	The Board is accountable for maintaining high standards of corporate governance, ensuring transparency, and adhering to legal and regulatory requirements. It establishes and monitors systems of internal control and risk management to safeguard the Company's assets and reputation.
Strategy and Planning	The Board plays a crucial role in formulating the Company's strategic plans, assessing risks, and identifying opportunities. It approves annual budgets, business plans, and major investment decisions. It also monitors the implementation of strategies and evaluates their effectiveness.
Oversight and Monitoring	The Board oversees the Company's management, ensuring responsible and ethical conduct. It appoints and evaluates key executives, reviews financial statements, internal audit reports, and compliance with legal and regulatory obligations.
Stakeholder Management	The Board considers the interests of shareholders, employees, customers, suppliers, and the community. It fosters effective communication and engagement with stakeholders and addresses their concerns.
Risk Management	The Board identifies and manages risks faced by the Company. It establishes risk management policies and procedures, ensures appropriate insurance coverage, and regularly reviews the effectiveness of risk mitigation measures.
Compliance and Disclosures	The Board ensures compliance with applicable laws, regulations, and codes of conduct. It oversees accurate and timely disclosure of information to shareholders and stakeholders, maintaining transparency and fairness.

Under Section 166 of the Companies Act, 2013, the Board of Directors owes a fiduciary duty to act in good faith, exercise due care, and act in the best interests of the Company. The Board is mandated to promote the Company's objectives, preserve its assets, and ensure its long-term sustainability. The Act underscores the obligation of Directors to discharge their duties honestly, responsibly, and with reasonable diligence, leveraging their skills and expertise for the benefit of the Company.

In conclusion, the Board of Directors serves as the cornerstone of the Company's governance and management framework. It undertakes a broad spectrum of responsibilities, including strategic planning, oversight, risk management, compliance, and stakeholder engagement. The provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, alongside Section 166 of the Companies Act, 2013, establish a comprehensive framework that empowers the Board to fulfill its duties effectively, thereby fostering the Company's sustainable growth and long-term success.

i) Investor Grievance and Share Transfer System

All transmission or transposition of securities are carried out in accordance with the provisions of Regulation 40 and Schedule VII of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), read together with relevant SEBI Circulars.

In terms of the SEBI Listing Regulations, securities of the Company can only be transferred in dematerialized form. Further, SEBI vide its Circular No. SEBI/HO/MIRSD_RTAMB/P/CIR/2022/8 dated January 24, 2022, has mandated that all listed companies issue securities only in dematerialized form while processing service requests such as issuance of duplicate securities certificates, renewal/exchange of securities certificates, claims from the Unclaimed Suspense Account, endorsement, sub-division/splitting of securities certificates, consolidation of securities certificates/folios, transmission, and transposition.

In light of the above and to mitigate risks associated with physical shares and to avail the benefits of dematerialization, Members are advised to dematerialize shares held by them in physical form at the earliest. Members may contact the Company or the Company's Registrar and Share Transfer Agent (RTA) for assistance in this regard.

Additionally, share transactions in electronic form are processed in a faster and more efficient manner. Shareholders are requested to communicate with the RTA quoting their Folio Number or Depository Participant ID (DPID) and Client ID for any queries regarding their securities holdings.

SCORES: A centralised web based complaints redress system 'SCORES' which serves as a centralised database of all complaints received, enables uploading of Action Taken Reports by the concerned companies and online viewing by the investors of actions taken on complaints and its current status.

Dispute Resolution Mechanism (SMART Online Dispute Resolution [ODR])

The Securities and Exchange Board of India ("SEBI"), vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/76 dated May 30, 2022, has issued a Standard Operating Procedure ("SOP") for dispute resolution under the Stock Exchange Arbitration Mechanism. This mechanism addresses disputes arising between a listed company and/or its registrars to an issue and share transfer agents ("RTAs") and their shareholder(s)/investor(s).

Further, SEBI, vide Circular No. SEBI/HO/OIAE/OIAE_IAD-3/P/CIR/2023/195 dated July 31, 2023, introduced enhancements aimed at streamlining and strengthening the dispute resolution framework within the Indian securities market.

This enhanced mechanism increases SEBI's regulatory oversight over disputes between aggrieved parties, and the Online Dispute Resolution ("ODR") order passed under this framework is binding on both parties involved.

Pursuant to the above-mentioned circulars, an aggrieved party may initiate dispute resolution through the ODR portal, provided that primary efforts to resolve the issue directly with the Company and via the SEBI Complaints Redress System ("SCORES") platform have been exhausted.

(u) Disclosure of Certain Types of Agreements Binding Listed Entities.

During the year under review, the Company has **not entered into any agreements** falling under clause 5A of Paragraph A of Part A of Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations.

(v) Disclosure with respect to Demat suspense Escrow account/unclaimed suspense account:

In accordance with the requirements of Clause F of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company reports the following details relating to equity shares lying in the Suspense Account:

Pursuant to the SEBI Circular dated January 25, 2022, to enhance shareholder experience in dealing with securities markets, listed companies shall issue securities in dematerialized form only while processing any investor service requests such as issuance of duplicate share certificates, endorsement, transmission, or transposition.

After processing such investor service requests, a Letter of Confirmation (LOC) is issued to the shareholders in lieu of the physical

securities certificate. The LOC remains valid for a period of 120 days, during which shareholders are required to submit a request to their Depository Participant for dematerializing the said securities/shares.

In case shareholders fail to submit the dematerialization request within 120 days, the Company credits those securities to the **Suspense Escrow Demat Account (SEDA)** held by the Company. Shareholders can reclaim these shares from the Company's SEDA by submitting documentation as prescribed by SEBI.

As on March 31, 2025, the details of SEDA are as follows:

INDEPENDENT AUDITOR'S REPORT

To The Members of **SURAJ INDUSTRIES LTD**
Report on the Audit of the Standalone financial statements

Opinion

We have audited the accompanying standalone financial statements of **SURAJ INDUSTRIES LTD ("the Company")**, which comprise the Balance Sheet as at 31st March 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the statement of Cash Flows, the Statement of Changes in Equity for the year then ended, notes to the standalone financial statements including a summary of material accounting policies and other explanatory information (hereinafter referred to as the standalone financial statements).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, and its loss, total comprehensive loss, its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibility for the Audit of the Standalone financial statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. In our opinion, there are no key audit matters to be communicated in our report.

Information Other than the Standalone financial statements and Auditor's Report thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, but does not include the standalone financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above, when it becomes available, and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude, that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Management's Responsibility for the Standalone financial statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards prescribed under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income) the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e. On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in **Annexure A**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference

to standalone financial statements.

- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at 31st March, 2025 on its financial position in its standalone financial statements –Refer Note No- 38 of standalone financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses during the year ended 31st March, 2025.

 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. As stated in Note No. 15 (f) to the standalone financial statements, no dividend has been declared by the Company in current and previous years.
 - vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of accounts for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the Audit Trail has been preserved by the Company as per the statutory requirements for record retention.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT**Report on the Internal Financial Controls with reference to Standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act**

Referred to in paragraph 1(f) of the Independent Auditors’ Report of even date to the members of SURAJ INDUSTRIES LTD on the Standalone financial statements for the year ended 31st March 2025

We have audited the internal financial controls with reference to Standalone financial statements of **SURAJ INDUSTRIES LTD** (“the Company”) as of 31st March 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management and Board of Directors of the Company are responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to Standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone financial statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to Standalone financial statements.

Meaning of Internal Financial Controls with reference to Standalone financial statements

A company’s internal financial control with reference to Standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone financial statements

Because of the inherent limitations of internal financial controls with reference to Standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone financial statements to future periods are subject to the risk that the internal financial control with reference to Standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Standalone financial statements and such internal financial controls with reference to Standalone financial statements were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note Issued by the ICAI.

Annexure B to Independent Auditors' Report**Referred to in paragraph 2 of the Independent Auditors' Report of even date to the members of SURAJ INDUSTRIES LTD on the Standalone financial statements as of and for the year ended 31st March, 2025**

In terms of the information and explanation sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we report the following: -

- i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment and relevant details of right of use assets.
(B) The Company does not have any intangible assets, therefore, this sub-clause is not applicable.
- (b) The Property, Plant and Equipment were not physically verified during the year as Management has a programme of verification at reasonable intervals which, in our opinion, provides for physical verification of all the Property, Plant and Equipment and right of use assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- (c) The Company does not have any immovable property. Therefore, this clause is not applicable.
- (d) The Company has not revalued any of its Property, Plant and Equipment (including right of use assets) or intangible assets during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at 31st March, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. (a) The physical verification of inventory (excluding stocks with third parties) has been conducted at reasonable intervals by the Management during the year. No inventory is lying with third parties. No discrepancies of 10% or more in aggregate for each class of inventory were noticed.
- (b) The Company has not been sanctioned any working capital limits from banks. Therefore, this clause is not applicable.
- iii. During the year, the company has made investments in and granted loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Also, it has provided corporate guarantee to its subsidiary amounting to Rs. 18,689 lakhs during the year.
A) During the year, the Company has provided loans to other entity as follows:

(INR in lakhs)

Particulars	Subsidiaries	Joint Ventures	Associates	Others
Aggregate amount granted during the year	1772.50	-	246.00	-
Balance outstanding as at balance sheet date	32.50	-	145.50	-

- B) During the financial year, the company has acquired equity shares of **Rs. 1,740.00 lakhs** in its subsidiaries, through conversion of loan granted during the year, in compliance with the provisions of the Companies Act, 2013 and applicable accounting standards & the Company has not made any investment in associates. Also, the terms and conditions of the loans and advances are not prejudicial to the Company's interest.
- C) In our opinion, in respect of loans and advance, the terms and schedule of repayment of principal and interest has been stipulated and receipts are regular.
- D) In our opinion, no amount is overdue in respect of loans and advances given to subsidiaries, associates, joint ventures and other entities.
- E) No loans and advances have fallen due and thus this clause is not applicable.
- F) None of the loans and advances are repayable on demand. Proper schedule of repayment of principal and interest has been stipulated.
- iv. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Section 186 of the Companies Act, 2013 in respect of the loans and investments made by it. The Company has not given any loan or advances to Directors, hence provisions of Section 185 of the Companies Act, 2013 are not applicable.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.
- vi. The Central Government has not specified maintenance of cost records under sub-section (1) of section 148 of the Act, in respect of Company's products/business activity. Accordingly, reporting under clause 3(vi) of the Order is not applicable.
- vii. a) According to the records of the Company and information and explanations given to us and the records of the Company examined by us, the Company has been regular in depositing the undisputed statutory dues including goods and service tax, provident

fund, employees state insurance, income tax, sale tax, service tax, duty of customs, duty of excise, value added tax, Cess and other material statutory dues applicable to it with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were in arrears as at 31st March, 2025 for a period of more than six months from the date they became payable.

- b) According to the information and explanations given to us, there are no disputed amounts payable in respect of the aforesaid dues as at 31st March, 2025 except as below:

Name of the Statute	Nature of the Due	Amount (₹ In millions)*	Period to which the amount relates	Forum where dispute is pending
Central Goods and Service Tax Act, 2017	GST	5.90	2018-19	Addl. Commissioner State Tax & Excise (Cum Appellate Authority)

**Adjusted against duty paid under protest.*

- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- ix. a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
c) According to the records of the Company examined by us and the information and explanation given to us, term loans has not been taken by the Company. Therefore, this sub-clause is not applicable.
d) On an overall examination of the standalone financial statements of the Company, funds raised on short-term basis have not been used during the year for long-term purposes by the Company.
e) On an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary, associate or Joint venture.
f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiary, joint venture or associate company.
- x. a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
b) During the year, the company issued right shares & the company made calls on partly unpaid share capital, and the amounts were duly received from shareholders, in compliance with the Companies Act, 2013 and SEBI regulations. The process was conducted with proper shareholder approval, and the accounting treatment aligns with financial reporting standards. No material discrepancies were noted.
- xi. a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
c) No whistle-blower complaints were received by the Company during the year (and upto the date of this report) and hence reporting under clause 3(xi)(c) of the Order is not applicable.
- xii. The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
(b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date.
- xv. During the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a),(b) and (c) of the Order is not applicable. In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has incurred cash losses during the current financial year.

- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. (a) There is no unspent amount under sub-section (5) of section 135 of the Act pursuant to any project other than ongoing projects. Accordingly, clause 3(xx)(a) of the Order is not applicable.
- (b) There is no unspent CSR amount as at Balance Sheet date under section (5) of section 135 of the Act, pursuant to any ongoing project, hence, reporting under clause 3(xx)(b) of the Order is not applicable.

Suraj Industries Ltd (hereinafter referred to as “SIL” or “the Company”) (CIN- L26943HP1992PLC016791) is a public limited company incorporated under the provisions of the Companies Act, 1956 having its registered office at Plot No. 2, Phase III, Sansarpur Terrace, Kangra, Himachal Pradesh-173212, India and their corporate office at F-32/3, Second Floor, Okhla Industrial Area, Phase- II, New Delhi-110020.

The company has ventured into bottling and packaging of alcoholic beverages i.e Rajasthan Made Liquor and Country Liquor for the state of Rajasthan.

2. MATERIAL ACCOUNTING POLICIES**a. BASIS OF PREPARATION OF FINANCIAL STATEMENTS**

The company has adopted Indian Accounting Standards (Ind AS) with effect from 1st April 2017, with transition date of 1st April 2016, pursuant to notification issued by Ministry of Corporate Affairs dated 16th February 2015, notifying the Companies (Indian Accounting Standards) Rules, 2015. Accordingly, the standalone financial statements (hereinafter referred as “Financial statements”) comply with Ind AS prescribed under section 133 of the Companies Act, 2013 (the “Act”), read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, relevant provisions of the Act and other accounting principles generally accepted in India.

The financial statements upto and for the year ended on 31st March 2017 were prepared in accordance with the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended), as notified under section 133 of the Act (Previous Indian GAAP) and other relevant provisions of the Act.

The financial statements are prepared on the historical cost convention, except for certain financial instruments which are measured at fair value. Accounting policies have been consistently applied except where:

- i) A newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.
- ii) The Company presents an additional balance sheet at the beginning of the earliest comparative period when: it applies an accounting policy retrospectively; it makes a retrospective restatement of items in its financial statements; or, when it reclassifies items in its financial statements, and the change has a material effect on the financial statements.

All amounts are stated in Lakhs of Rupees, rounded off to two decimal places, except when otherwise indicated.

The financial statements were authorised for issue by the Board of Directors of the company on 27.05.2025.

b. CURRENT VERSUS NON-CURRENT CLASSIFICATION

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- a) it is expected to be realised in, or intended for sale or consumption in, the company’s normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is expected to be realised within twelve months after the reporting period; or
- d) it is cash or cash equivalent unless it restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current assets

Liabilities

A Liability is classified as current when it satisfies any of the following criteria:

- a) it is expected to be settled in the Company’s normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is due to be settled within twelve months after the reporting period; or
- d) the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Terms of liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities are classified as non-current liabilities.

c. USE OF ESTIMATES

The preparation of financial statements in conformity with Ind AS requires management to make estimates and assumptions that affect the reported amounts of Revenue, Expenses, Assets and Liabilities and disclosure of contingent liabilities at the end of the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

d. PROPERTY, PLANT AND EQUIPMENT**Initial recognition and measurement**

The cost of an item of property, plant and equipment is recognized as an asset if, and only if:

- a) it is probable that future economic benefits associated with the item will flow to the entity; and
- b) the cost of the item can be measured reliably.

Property, Plant and Equipments (“PPE”) are stated at cost of acquisition or construction including any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management less accumulated depreciation and cumulative impairment losses & net of recoverable taxes (net of Cenvat and VAT credit wherever applicable).

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31 MARCH 2025

Borrowing Cost attributable to acquisition, construction of qualifying assets is capitalized until such time as the assets are substantially ready for their intended use. Indirect expenses during construction period, which are required to bring the asset in the condition for its intended use by the management and are directly attributable to bringing the asset to its position, are also capitalised.

Subsequent Measurement

Subsequent expenditure related to an item of PPE is added to its carrying amount or recognized as a separate asset, if appropriate and carrying amount of replacement parts is derecognized at its carrying value.

Spare parts or stores meeting the definition of PPE, either procured along with equipment or subsequently, are capitalized in the asset's carrying amount or recognized as separate asset, if appropriate. However, cost of day-to-day servicing are recognized in profit or loss as incurred. Cost of day-to-day service primarily include costs of labour, consumables, and cost of small spare parts.

An item of PPE is derecognized upon disposal or when no future economic benefits are expected to arise from continued use of the asset. Any gain or loss arising on the disposal or retirement of Property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the assets and is recognized in profit or loss.

Transition to Ind AS

For transition to Ind AS, the company has elected to continue with the carrying value of all of its property, plant and equipment recognized as at 1st April, 2015 measured as per previous GAAP and use that carrying value as the deemed cost of Property, Plant & Equipment.

Depreciation / amortization

- Depreciation on items of PPE is provided on straight line method in accordance with the useful life as specified in Schedule II to the Companies Act, 2013.
- Depreciation on additions to assets or on sale/discard of assets is calculated pro-rata from the date of such addition or up to the date of such sale / discard.
- Assets residual values and useful lives are reviewed and adjusted, at the end of each reporting period.

The following useful lives are applied:

Asset Category	Useful Life
Building	
--Factory Buildings	30 years
--Building (other than factory buildings)	60 years
--Other (including temporary structure, etc.)	05 years
--Leasehold Building Improvements	Over the lease period
Plant and Equipment	10-25 years
Furniture and Fittings	10 years
Office Equipment	5 years
Vehicles	8-10 years
Computers	
----- Servers and networks	06 years
----- End user devices viz. desktops, laptops, etc.	03 years

e. CAPITAL WORK-IN-PROGRESS

Capital Work in Progress comprises of Property, Plant and Equipment that are not ready for their intended use at the end of reporting period and are carried at cost. Cost includes related acquisition expenses, construction cost, borrowing cost capitalized and other direct expenditure. At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of Property, Plant and Equipment. Costs are capitalised till the period of assets are substantially ready for their intended use. Depreciation is not recorded on capital work-in-progress until construction and installation is complete and the asset is substantially ready for its intended use.

f. RIGHT OF USE ASSETS**Company as a Lessee**

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain.

The company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

Finance lease

The Company has entered into land lease arrangement at various locations for a period of 90 years. In case of lease of land for 90 years and above, it is likely that such leases meet the criteria that at the inception of the lease the present value of the minimum lease payments amounts to at least substantially all of the fair value of the leased asset. Accordingly, the Company has classified leasehold land as finance leases applying Ind AS 17. For such leases, the carrying amount of the right of-use asset at the date of initial application of Ind AS 116 is the carrying amount of the lease asset on the transition date as measured applying Ind AS 17. Leasehold land is amortised on a straight-line basis over the unexpired period of their respective lease. Leasehold improvements are depreciated on straight line basis over their initial agreement period.

g. INTANGIBLE ASSETS

Intangible assets with finite useful life are stated at cost of acquisition, less accumulated depreciation/ amortisation and impairment loss, if any. The cost of Intangible Assets

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31 MARCH 2025

comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities). Amortisation is recognised in Statement of Profit and Loss account on straight-line basis over estimated useful lives of respective intangible assets, but not exceeding useful lives given hereunder:

Asset Category	Useful Life
Computer Software	05 years

An item of Intangible Asset or any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal.

Any gain or loss arising on de-recognition of the asset (calculated as the difference between net disposal proceeds and carrying amount of the asset) is included in Statement of Profit and Loss Account when asset is derecognised.

h. FINANCIAL INSTRUMENTS**1. Financial Assets****Initial recognition and measurement**

Financial Assets are recognised when the Company becomes a party to contractual provisions of Financial Instrument. Financial assets are initially measured at Fair Value. Transaction costs that are directly attributable to acquisition of financial assets (other than financial assets at Fair Value through Profit or Loss) are added to fair value of financial assets. Transaction costs directly attributable to acquisition of financial assets at Fair Value through profit or loss are recognised immediately in statement of Profit and Loss.

Subsequent measurement**I. Debt Instruments at Amortised Cost**

A 'debt instrument' is measured at amortised cost if both of the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on principal amount outstanding.

After initial measurement, such Financial Assets are subsequently measured at amortised cost using Effective Interest Rate (EIR) method. All other debt instruments are measured at Fair Value through Other Comprehensive Income (FVOCI) or Fair Value through Profit and Loss (FVTPL) based on the Company's business model.

II. Equity Investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at fair value through Profit and Loss (FVTPL). For all other equity

instruments, the Company decides to classify the same either as at Fair Value through Other Comprehensive Income (FVOCI) or Fair Value through Profit and Loss (FVTPL) on an instrument-to-instrument basis.

III. Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on financial assets that are debt instruments, and are measured at amortised cost e.g., Loans, Debt Securities, Deposits and Trade Receivables or any contractual right to receive cash or another financial asset that result from transactions that are within scope of Ind AS 115.

The Company follows 'Simplified Approach' for recognition of impairment loss allowance on trade receivables. Application of simplified approach recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, the Company reverts to recognising impairment loss allowance based on 12 month ECL.

ECL impairment loss allowance (or reversal) recognized during the period is recognized under the head 'Other Expenses' in the statement of Profit and Loss. The Balance Sheet presentation for various financial instruments is described below:

- Financial assets measured as at amortised cost:** ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the Balance Sheet. This allowance reduces the net carrying amount.
- Debt instruments measured at FVTPL:** Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Change in fair value is taken to the statement of Profit and Loss.
- Debt instruments measured at FVTOCI:** Since financial assets are already reflected at Fair Value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'Accumulated Impairment Amount' in the Other Comprehensive Income (OCI). The Company does not have any Purchased or Originated Credit Impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/ origination.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31 MARCH 2025**IV. Derecognition of Financial Assets**

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when:

- i. The rights to receive cash flows from asset has expired, or
- ii. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass through' arrangement and either :-
 - (a) The Company has transferred substantially all risks and rewards of the asset, or
 - (b) The Company has neither transferred nor retained substantially all risks and rewards of the asset but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates, if and to what extent it has retained risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects rights and obligations that the Company has retained.

2. Financial liability**Initial recognition and measurement**

Financial liabilities are classified at initial recognition as:

- a. Financial liabilities at fair value through Profit or Loss
- b. Loans and Borrowings
- c. Payables

All financial liabilities are recognised initially at fair value and in case of loans and borrowings and payables, they are recognised net of directly attributable transaction costs.

Subsequent measurement

Measurement of financial liabilities depends on their classification as below:

- a. **Financial liabilities at Fair Value Through Profit or Loss (FVTPL):** Gains or losses on liabilities are recognised in the statement of profit and loss. Financial liabilities designated upon initial recognition at fair value through statement of profit and loss are designated as

such at the initial date of recognition, and only if criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/losses attributable to changes in own credit risk is recognized in OCI. These gains/losses are not subsequently transferred to statement of profit and loss. However, the Company may transfer cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss.

- b. **Loans and Borrowings:** After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (hereinafter referred as EIR) method. Gains and Losses are recognised in statement of profit and loss when liabilities are derecognised as well as through EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. EIR amortisation is included as Finance Costs in the statement of profit and loss.
- c. **Trade and Other Payables:** These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid.

Derecognition of Financial liability

A Financial Liability is de-recognised when obligation under the liability is discharged or cancelled or expires.

i. INVESTMENTS**Subsidiaries**

As per Ind AS 27, Control exists when the Company has power over the entity, is exposed, or has rights to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns.

Investments in subsidiaries are carried at cost as per Ind AS 27.

Associates and Joint Ventures

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to net assets of joint venture. Joint control is contractually agreed sharing of control of an arrangement, which exists only when decisions about relevant activities require unanimous consent of parties sharing control.

An associate is an entity over which the Company has significant influence. Significant influence is power to participate in financial and operating policy decisions of investee but is not control or joint control over those policies.

Investment in joint ventures and associates are carried at cost as per Ind AS 27. Cost comprises price paid to acquire investment and directly attributable cost.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31 MARCH 2025**j. INVENTORY**

S. No.	Particulars / Item Type	Method of Valuation
1	Raw Material, Packing Material & Consumables (including in transit)	At Cost including direct procurement Overhead / Taxes.
2	Finished Goods (including in transit)	At cost or net realisable value, whichever is lower
3	Stock in process	At cost
4	By Products	At net realisable value
5	Loose Tools	At cost and charged off when discarded

In the above, cost is arrived at by FIFO cost method. In case of Finished Goods and Stock in Process, it also includes manufacturing & related establishment overheads, depreciation etc.

All the spares, which are primarily meant to be used for capitalization (except consumables and maintenance stores), are considered as part of the plant & machinery and shown accordingly.

k. CASH AND CASH EQUIVALENTS

Cash and Cash Equivalents comprise Cash in Hand, Balances in Bank Account, Remittance in Transit, Cheques in hand and Demand Deposits, together with other short-term, highly liquid investments (original maturity less than 3 months) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

l. TAXES**Current Income Tax**

Current Income tax assets and liabilities are measured at amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside Profit and Loss is recognised outside profit and loss (either in Other Comprehensive Income or in Equity). Current tax items are recognised in correlation to underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred Income Taxes are calculated using Balance Sheet Approach, on temporary differences between tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except when it is probable that temporary differences will not reverse in foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences and carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to extent that it is probable that taxable profit will be available against which deductible temporary differences and carry forward of unused tax credits and unused tax losses can be utilized.

Carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and same taxation authority.

Tax expense for the year comprises of current tax and deferred tax.

m. REVENUE RECOGNITION**Revenue from contracts**

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts, incentive schemes, if any, as per contracts with customers.

Interest Income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is rate that exactly discounts estimated future cash receipts through expected life of the financial asset to gross carrying amount of a financial asset. When calculating effective interest rate, the Company estimates expected cash flows by considering all contractual terms of financial instrument but does not consider expected credit losses.

Other Income

Other claims including interest on outstanding are accounted for when there is virtual certainty of ultimate collection.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31 MARCH 2025**n. EMPLOYEE BENEFIT SCHEMES****Short-term employee benefits**

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, performance incentives and compensated absences which are expected to occur in next twelve months.

Gratuity

Liabilities with regard to gratuity benefits payable in future are determined by actuarial valuation at each Balance Sheet date using the Projected Unit Credit method. Actuarial gains and losses arising from changes in actuarial assumptions are recognized in Other Comprehensive Income and shall not be reclassified to the Statement of Profit and Loss in subsequent period.

Provident Fund

Eligible employees of the Company receive benefits from a Provident Fund, which is a defined benefit plan. Both the eligible employee and the Company make monthly contributions to provident fund plan equal to a specified percentage of covered employee's salary.

o. FOREIGN CURRENCY**Functional and presentation currency**

The management has determined the currency of the primary economic environment in which the company operates i.e., functional currency, to be Indian Rupee (INR). The financial statements are presented in Indian Rupee in lakhs, which is company's functional and presentation currency.

Transactions and balances

Foreign Currency transactions during the year are recorded at rates of exchange prevailing on the date of transaction in the functional currency. Foreign currency monetary assets and liabilities are translated at using the year-end exchange rate. Exchange gains and losses are duly recognised in the Statement of profit and loss. All monetary assets and liabilities in foreign currency are restated at the end of the accounting period.

p. EARNINGS PER SHARE

a. **Basic EPS** is calculated by dividing profit/ (loss) attributable to equity shareholders of the Company by weighted average number of equity shares outstanding during the period.

b. **Diluted EPS** is computed using profit/ (loss) for the year attributable to shareholder' and weighted average number of equity and potential equity shares outstanding during the period, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

q. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

The assessments undertaken in recognising provisions and contingencies have been made in accordance with applicable Ind AS. Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Provisions

Provisions represent liabilities to the Company for which amount, or timing is uncertain. Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in the statement of profit and loss as a finance cost.

Contingent Liabilities

In normal course of business, contingent liabilities may arise from litigation and other claims against the Company. There are certain obligations which management of the Company has concluded, based on all available facts and circumstances, are not probable of payment or are very difficult to quantify reliably, and such obligations are treated as contingent liabilities and disclosed in the notes but are not reflected as liabilities in the financial statements. Claims against the Company, where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities. Show Cause Notices received are not treated as Contingent Liabilities. Although there can be no assurance regarding the final outcome of the legal proceedings in which the Company is involved, it is not expected that such contingencies will have a material effect on its financial position or profitability.

Contingent Assets

Contingent assets are not recognised but disclosed in the financial statements when an inflow of economic benefits is probable.

r. CASH FLOW STATEMENT

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit/ (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flows from operating, investing and financing activities of the Company are segregated based on available information.

s. SEGMENT REPORTING

The company has two business segments- Edible Oil Operations and Liquor Operations and segment-wise results, assets and liabilities are accordingly given.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31 MARCH 2025**t. FAIR VALUE MEASUREMENT**

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurement is based on presumption that transaction to sell asset or transfer liability takes place either:

- i. In the principal market for asset or liability, or
- ii. In absence of a principal market, in most advantageous market for asset or liability.

The principal or the most advantageous market must be accessible to the Company. Fair Value of an asset or liability is measured using assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using asset in its highest and best use or by selling it to another market participant that would use asset in its highest and best use.

The Company uses valuation techniques that are appropriate in circumstances and for which sufficient data are available to measure fair value, maximising use of relevant observable inputs and minimizing use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2- Valuation techniques for which lowest level input that is significant to fair value measurement is directly or indirectly observable.

Level 3- Valuation techniques for which lowest level input that is significant to fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorization (based on the lowest level input that is significant to fair value measurement as a whole) at end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

u. EXCEPTIONAL ITEMS

Exceptional items are transactions which due to their size or incidence are separately disclosed to enable a full understanding of the Company's financial performance. Items which may be considered exceptional are significant restructuring charges, gains or losses on disposal of investments of subsidiaries, associate and joint ventures and impairment losses/write down in the value of investment in subsidiaries, associates and joint ventures and significant disposal of fixed assets.

Note 47 Fair Value Measurements

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurement is based on presumption that transaction to sell asset or transfer liability takes place either:

- In the principal market for asset or liability, or
- In absence of a principal market, in most advantageous market for asset or liability.

Fair Value of an asset or liability is measured using assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using asset in its highest and best use or by selling it to another market participant that would use asset in its highest and best use.

The Company uses valuation techniques that are appropriate in circumstances and for which sufficient data are available to measure fair value, maximising use of relevant observable inputs and minimizing use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2- Valuation techniques for which lowest level input that is significant to fair value measurement is directly or indirectly observable.

Level 3- Valuation techniques for which lowest level input that is significant to fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to fair value measurement as a whole) at end of each reporting period. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Note 48 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's Corporate Treasury function provides services to the business, co-ordinates access to domestic market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk. The company does not have foreign trade transactions nor any foreign currency transactions. The Board of Directors manages the financial risk of the company through internal risk reports and analyse exposure by magnitude of risk.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31 MARCH 2025

The Company's overall risk management procedures to minimise potential adverse effects of financial market on the Company are as follows:

(A) Market Risk

Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables or payables. It includes three types of risks: a) Interest rate risk, b) Currency risk and c) price and commodity risk.

A) Interest Rate Risk: The Company's borrowings are at fixed rates. Therefore, interest rate risk does not have any major impact on the company.

B) Currency Risk: Since, Company does not have any foreign currency dealings, this risk is not applicable to the Company.

C) Price and commodity risk: The Company majorly purchases Spirits and Grain in its manufacturing. Since, prices are generally regulated, there are no major movements in the prices. Therefore, the adversity of this risk is low.

(B) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument leading to a financial loss. The Company's exposure to credit risk primarily consists of Trade receivables and other financial assets. The Company deals with only few customers since liquor operations are government regulated. Therefore, default risk on the part of debtors is significantly low.

(C) Liquidity Risk

The Company's principle source of liquidity are Cash and cash equivalents and cash generated from operations. The Company manages its liquidity risk in a manner so as to meet its normal financial obligations without any significant delay. The Company has developed appropriate internal control systems and contingency plans for managing liquidity risk.

Note 49 CAPITAL MANAGEMENT**(INR in lakhs)****(A) Risk Management**

Capital management is driven by Company's policy to maintain a sound capital base to support the continued development of its business. The Management and Board of Directors seeks to maintain a prudent balance between different components of Company's capital. Management monitors capital structure and net financial debt at individual currency level. Net financial debt is defined as current and non-current financial liabilities including lease liabilities less cash and cash equivalents and short term investments. The capital structure is governed by policies approved by the Board of Directors and monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, lease liabilities, less cash and cash equivalents.

INDEPENDENT AUDITOR'S REPORT

To The Members of **SURAJ INDUSTRIES LTD**
Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **SURAJ INDUSTRIES LTD** (hereinafter referred to as "the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group") which includes Group's share of profit / (loss) in its associate, which comprise the Consolidated Balance Sheet as at 31st March, 2025, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity for the year then ended, notes to the financial statements including summary of significant accounting policies and other explanatory information (hereinafter referred to as the consolidated financial statements).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Group as at 31st March, 2025, and their consolidated profit, consolidated total comprehensive income and consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibility for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group and its Associate in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. In our opinion, there are no key audit matters to be communicated in our report.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above, when it becomes available, compare with the financial statements of the subsidiary and associate to the extent it relates to these entities and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude, that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income and consolidated changes in equity of the Group including its Associate in accordance with the Indian Accounting Standards prescribed under section 133 of the Act and other accounting principles generally accepted in India. The respective Management

and Board of Directors of the companies included in the Group and of its Associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its Associate and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the Companies included in the Group and its Associate are responsible for assessing the ability of the Group and its Associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group and its Associate are responsible for overseeing the financial reporting process of the Group and its Associate.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability and its Associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its Associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the consolidated financial statements of such entities included in the consolidated financial statements of which we are the independent auditors.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned

scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit of the subsidiary and associate, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and returns.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2025 taken on record by the Board of Directors of the Holding Company, none of the directors of the Holding Company is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure A", which is based on the auditors' reports of the Holding Company. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls with reference to consolidated financial statements reporting of Holding Company.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, and its Associate – Refer Note No. 38 to the consolidated financial statements.
 - ii. The Group and its Associate did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses during the year ended 31st March, 2025.
 - iii. There has been no delay in transferring amounts required to be transferred, to the Investor Education and Protection Fund by the Holding Company during the year ended 31st March, 2025.
 - iv. (a) The Management of the Holding Company has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by

or on behalf of the Holding Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management of the Holding Company has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Holding Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. As stated in Note No. 15(f) to the consolidated financial statements, no dividend has been declared by the Holding Company during the year.
- vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of accounts for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the Audit Trail has been preserved by the Company as per the statutory requirements for record retention.

- 2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Holding Company, we give in "**Annexure B**" a statement on the matter specified in paragraphs 3(xxi) of the Order.
- 3. In our opinion and as per information and explanations given to us, the managerial remuneration for the year ended 31st March, 2025 has been paid / provided by the Holding Company to its directors in accordance with the provisions of section 197 of the Act.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act****Referred to in paragraph 1(f) of the Independent Auditors’ Report of even date to the members of SURAJ INDUSTRIES LTD on the Consolidated Financial Statements for the year ended 31st March, 2025**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2025, we have audited the internal financial controls with reference to consolidated financial statements of **SURAJ INDUSTRIES LTD** (hereinafter referred to as “Holding Company”), as of that date.

Management’s Responsibility for Internal Financial Controls

The Management and Board of Directors of the Holding Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Holding Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Holding Company’s internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) Act., to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company internal financial controls system with reference to consolidated financial statements.

Meaning of Internal Financial Controls with reference to consolidated financial statements

A company’s internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of

compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the Holding Company has, in all material respects, an adequate internal financial controls system with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI”.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31 MARCH 2025**1. CORPORATE INFORMATION**

Suraj Industries Ltd (hereinafter referred to as "SIL" or "the Holding Company" or "the Company") (CIN-L26943HP1992PLC016791) is a public limited company incorporated under the provisions of the Companies Act, 1956 having its registered office at Plot No. 2, Phase III, Sansarpur Terrace, Kangra, Himachal Pradesh-173212, India and their corporate office at F-32/3, Second Floor, Okhla Industrial Area, Phase- II, New Delhi-110020.

The company has ventured into bottling and packaging of alcoholic beverages i.e Rajasthan Made Liquor and Country Liquor for the state of Rajasthan.

2. MATERIAL ACCOUNTING POLICIES**a. BASIS OF PREPARATION OF FINANCIAL STATEMENTS**

The Consolidated Financial Statements (hereinafter referred as Consolidated Financial Statements or the Financial Statements) of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Companies (Indian Accounting Standards) Rules, 2015. These Consolidated financial statements include Consolidated Balance Sheet as at 31st March, 2025, the Consolidated Statement of Profit and Loss including Other Comprehensive Income and Consolidated Statement of Changes in Equity for the year ended 31st March, 2025, and a summary of significant accounting policies and other explanatory information (together hereinafter referred to as Consolidated Financial Statements or the Financial Statements).

The Consolidated Financial Statements comprise Financial Statements of Holding Company and its Subsidiary (Collectively known as "Group") and Share of Profit/(Loss) of Associate for the year ended 31st March, 2025.

The financial statements are prepared on the historical cost convention, except for certain financial instruments which are measured at fair value. Accounting policies have been consistently applied except where:

- i) A newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.
- ii) The Group presents an additional balance sheet at the beginning of the earliest comparative period when: it applies an accounting policy retrospectively; it makes a retrospective restatement of items in its financial statements; or, when it reclassifies items in its financial statements, and the change has a material effect on the financial statements.

All amounts are stated in Lakhs of Rupees, rounded off to two decimal places, except when otherwise indicated.

The financial statements were authorised for issue by the Board of Directors of the company on 27.05.2025.

b. BASIS OF CONSOLIDATION**Basis of Accounting**

- Financial Statements of the Subsidiary and Associate in the consideration are drawn up to same reporting date as of Holding Company for purpose of consolidation.

- Consolidated Financial Statements have been prepared in accordance with Indian Accounting Standard (Ind AS) 110- 'Consolidated Financial Statements' specified under Section 133 of Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

Principles Of Consolidation

Subsidiaries are those entities in which the Holding Company directly or indirectly, has interest more than 50% of voting power or otherwise control composition of board or governing body so as to obtain economic benefits from activities.

Associates are all entities where the group has significant influence but not control or joint control. This is generally when the group holds between 20% and 50% of voting rights. Investment in associates are accounted for using equity method of accounting.

Consolidated Financial Statements have been prepared as per the following principles

- Financial Statements of Holding Company and its Subsidiary are combined on a line by line basis by adding together of like items of Assets, Liabilities, Income and Expenses after eliminating intra-group balances, intra-group transactions, unrealized profits or losses in accordance with Ind AS 110-'Consolidated Financial Statements' notified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015 as amended time to time.
- Non-Controlling Interest (NCI) in net assets of the consolidated subsidiaries is identified and presented in Consolidated Balance Sheet separately from liabilities and equity attributable to Holding Company's shareholders. NCI in net assets of consolidated subsidiary consists of:- a) Amount of equity attributable to NCI at the date on which investment in a subsidiary is made; and b) NCI share of movement in equity since the date the Holding Subsidiary relationship came into existence,
- For acquisitions of additional interests in subsidiary, where there is no change in control, Group recognises a reduction to NCI of the respective Subsidiary with difference between this figure and cash paid, inclusive of transaction fees, being recognised in equity. In addition, upon dilution of NCI, difference between cash received from sale or listing of subsidiary shares and increase to NCI is also recognised in equity.
- If Group loses control over a subsidiary, it derecognises related assets (including goodwill), liabilities, NCI and other components of equity, while any resultant gain or loss is recognised in profit and loss account. Any investment retained is recognised at fair value. Results of subsidiaries acquired or disposed of during the year are included in the Consolidated Statement of Profit and Loss from effective date of acquisition or up to effective date of disposal, as appropriate.
- In case of Associate and Joint Venture, investments

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31 MARCH 2025

are accounted for using equity method in accordance with Ind AS-28 "Investments in Associates and Joint Ventures". Under equity method, carrying amount of investment in Associates and Joint Ventures is increased or decreased to recognize the Group's share of Profit and Loss and Other Comprehensive Income of Associate and Joint Venture, adjusted where necessary to ensure consistency with Accounting Policies of Group. Goodwill relating to associate or joint venture is included in carrying amount of investment and is not tested for impairment individually. The carrying amount of these investments are tested for impairment in accordance with Ind AS-36 "Impairment of Assets".

- Consolidated Financial Statements are prepared using uniform Accounting Policies for like transactions and other events in similar circumstances and are presented to extent possible, in same manner as Holding Company's Separate Financial Statements except as otherwise stated in notes to the accounts.

c. CURRENT VERSUS NON-CURRENT CLASSIFICATION

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- it is expected to be realised in, or intended for sale or consumption in, the Group's normal operating cycle;
- it is held primarily for the purpose of being traded;
- it is expected to be realised within twelve months after the reporting period; or
- it is cash or cash equivalent unless it restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current assets

Liabilities

A Liability is classified as current when it satisfies any of the following criteria:

- it is expected to be settled in the Group's normal operating cycle;
- it is held primarily for the purpose of being traded;
- it is due to be settled within twelve months after the reporting period; or
- the group does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Terms of liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities are classified as non-current liabilities.

d. USE OF ESTIMATES

The preparation of financial statements in conformity

with Ind AS requires management to make estimates and assumptions that affect the reported amounts of Revenue, Expenses, Assets and Liabilities and disclosure of contingent liabilities at the end of the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

e. PROPERTY, PLANT AND EQUIPMENT**Initial recognition and measurement**

The cost of an item of property, plant and equipment is recognized as an asset if, and only if:

- it is probable that future economic benefits associated with the item will flow to the entity; and
- the cost of the item can be measured reliably.

Property, Plant and Equipments ('PPE') are stated at cost of acquisition or construction including any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management less accumulated depreciation and cumulative impairment losses & net of recoverable taxes (net of Cenvat and VAT credit wherever applicable).

Borrowing Cost attributable to acquisition, construction of qualifying assets is capitalized until such time as the assets are substantially ready for their intended use. Indirect expenses during construction period, which are required to bring the asset in the condition for its intended use by the management and are directly attributable to bringing the asset to its position, are also capitalised.

Subsequent Measurement

Subsequent expenditure related to an item of PPE is added to its carrying amount or recognized as a separate asset, if appropriate and carrying amount of replacement parts is derecognized at its carrying value.

Spare parts or stores meeting the definition of PPE, either procured along with equipment or subsequently, are capitalized in the asset's carrying amount or recognized as separate asset, if appropriate. However, cost of day-to-day servicing are recognized in profit or loss as incurred. Cost of day-to-day service primarily include costs of labour, consumables, and cost of small spare parts.

An item of PPE is derecognized upon disposal or when no future economic benefits are expected to arise from continued use of the asset. Any gain or loss arising on the disposal or retirement of Property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the assets and is recognized in profit or loss.

Depreciation / amortization

- Depreciation on items of PPE is provided on straight line method in accordance with the useful life as specified in Schedule II to the Companies Act, 2013.
- Depreciation on additions to assets or on sale/discard of assets is calculated pro-rata from the date of such addition or up to the date of such sale / discard.
- Assets residual values and useful lives are reviewed and

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31 MARCH 2025

adjusted, at the end of each reporting period.

The following useful lives are applied:

Asset Category	Useful Life
Building	
----- Factory Buildings	30 years
----- Building (other than factory buildings)	60 years
----- Other (including temporary structure, etc.)	05 years
----- Leasehold Building Improvements	Over the lease period
Plant and Equipment	10-25 years
Furniture and Fittings	10 years
Vehicles	8-10 years
Office Equipment	5 years
Computers	
----- Servers and networks	06 years
----- End user devices viz. desktops, laptops, etc.	03 years

f. CAPITAL WORK-IN-PROGRESS

Capital Work in Progress comprises of Property, Plant and Equipment that are not ready for their intended use at the end of reporting period and are carried at cost. Cost includes related acquisition expenses, construction cost, borrowing cost capitalized and other direct expenditure. At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of Property, Plant and Equipment. Costs are capitalised till the period of assets are substantially ready for their intended use. Depreciation is not recorded on capital work-in-progress until construction and installation is complete and the asset is substantially ready for its intended use.

g. RIGHT OF USE ASSETS**Group as a Lessee**

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain.

The Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

Finance lease

The Company has entered into land lease arrangement at various locations for a period of 90 years. In case of lease

of land for 90 years and above, it is likely that such leases meet the criteria that at the inception of the lease the present value of the minimum lease payments amounts to at least substantially all of the fair value of the leased asset. Accordingly, the Company has classified leasehold land as finance leases applying Ind AS 17. For such leases, the carrying amount of the right-of-use asset at the date of initial application of Ind AS 116 is the carrying amount of the lease asset on the transition date as measured applying Ind AS 17. Leasehold land is amortised on a straight-line basis over the unexpired period of their respective lease. Leasehold improvements are depreciated on straight line basis over their initial agreement period.

h. INTANGIBLE ASSETS

Intangible assets with finite useful life are stated at cost of acquisition, less accumulated depreciation/ amortisation and impairment loss, if any. The cost of Intangible Assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities). Amortisation is recognised in Statement of Profit and Loss account on straight-line basis over estimated useful lives of respective intangible assets, but not exceeding useful lives given hereunder:

Asset Category	Useful Life
Computer Software	05 years

An item of Intangible Asset or any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal.

Any gain or loss arising on de-recognition of the asset (calculated as the difference between net disposal proceeds and carrying amount of the asset) is included in Statement of Profit and Loss Account when asset is derecognised.

i. FINANCIAL INSTRUMENTS**1. Financial Assets****Initial recognition and measurement**

Financial Assets are recognised when the Group becomes a party to contractual provisions of Financial Instrument. Financial assets are initially measured at Fair Value. Transaction costs that are directly attributable to acquisition of financial assets (other than financial assets at Fair Value through Profit or Loss) are added to fair value of financial assets. Transaction costs directly attributable to acquisition of financial assets at Fair Value through profit or loss are recognised immediately in statement of Profit and Loss.

Subsequent measurement**I. Debt Instruments at Amortised Cost**

A 'debt instrument' is measured at amortised cost if both of the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of asset give rise on specified dates

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31 MARCH 2025

to cash flows that are Solely Payments of Principal and Interest (SPPI) on principal amount outstanding.

After initial measurement, such Financial Assets are subsequently measured at amortised cost using Effective Interest Rate (EIR) method. All other debt instruments are measured at Fair Value through Other Comprehensive Income (FVOCI) or Fair Value through Profit and Loss (FVTPL) based on the Group's business model.

II. Equity Investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at fair value through Profit and Loss (FVTPL). For all other equity instruments, the Group decides to classify the same either as at Fair Value through Other Comprehensive Income (FVOCI) or Fair Value through Profit and Loss (FVTPL) on an instrument-to-instrument basis.

III. Impairment of Financial Assets

In accordance with Ind AS 109, the Group applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on financial assets that are debt instruments, and are measured at amortised cost e.g., Loans, Debt Securities, Deposits and Trade Receivables or any contractual right to receive cash or another financial asset that result from transactions that are within scope of Ind AS 115.

The Group follows 'Simplified Approach' for recognition of impairment loss allowance on trade receivables. Application of simplified approach recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, the Group reverts to recognising impairment loss allowance based on 12 month ECL.

ECL impairment loss allowance (or reversal) recognized during the period is recognized under the head 'Other Expenses' in the statement of Profit and Loss. The Balance Sheet presentation for various financial instruments is described below:

- i. **Financial assets measured as at amortised cost:** ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the Balance Sheet. This allowance reduces the net carrying amount.
- ii. **Debt instruments measured at FVTPL:** Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Change in fair value is taken to the statement of Profit and Loss.

- iii. **Debt instruments measured at FVTOCI:** Since financial assets are already reflected at Fair Value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'Accumulated Impairment Amount' in the Other Comprehensive Income (OCI). The Group does not have any Purchased or Originated Credit Impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/origination.

IV. Derecognition of Financial Assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when:

- i. The rights to receive cash flows from asset has expired, or
- ii. The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass through' arrangement and either :-
 - (a) The Group has transferred substantially all risks and rewards of the asset, or
 - (b) The Group has neither transferred nor retained substantially all risks and rewards of the asset but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates, if and to what extent it has retained risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the group continues to recognise transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects rights and obligations that the Group has retained.

2. Financial liability

Initial recognition and measurement

Financial liabilities are classified at initial recognition as:

- a. Financial liabilities at fair value through Profit or Loss
- b. Loans and Borrowings
- c. Payables

All financial liabilities are recognised initially at fair value and in case of loans and borrowings and payables, they are recognised net of directly attributable transaction costs.

Subsequent measurement

Measurement of financial liabilities depends on their classification as below:

- a. **Financial liabilities at Fair Value Through Profit or Loss (FVTPL):** Gains or losses on liabilities are recognised in the statement of profit and loss. Financial liabilities designated upon initial recognition at fair value through statement of profit and loss are designated as such at the initial date of recognition, and only if criteria

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31 MARCH 2025

in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/losses attributable to changes in own credit risk is recognized in OCI. These gains/losses are not subsequently transferred to statement of profit and loss. However, the Group may transfer cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss.

- b. Loans and Borrowings:** After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (hereinafter referred as EIR) method. Gains and Losses are recognised in statement of profit and loss when liabilities are derecognised as well as through EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. EIR amortisation is included as Finance Costs in the statement of profit and loss.
- c. Trade and Other Payables:** These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid.

Derecognition of Financial liability

A Financial Liability is de-recognised when obligation under the liability is discharged or cancelled or expires.=

j. INVESTMENTS**Associates and Joint Ventures**

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to net assets of joint venture. Joint control is contractually agreed sharing of control of an arrangement, which exists only when decisions about relevant activities require unanimous consent of parties sharing control.

An associate is an entity over which the Group has significant influence. Significant influence is power to participate in financial and operating policy decisions of investee but is not control or joint control over those policies.

Investment in joint ventures and associates are carried at cost as per Ind AS 27. Cost comprises price paid to acquire investment and directly attributable cost.

k. INVENTORY

S. No.	Particulars / Item Type	Method of Valuation
1	Raw Material, Packing Material & Consumables (including in transit)	At Cost including direct procurement Overhead / Taxes.
2	Finished Goods (including in transit)	At cost or net realisable value, whichever is lower
3	Stock in process	At cost
4	By Products	At net realisable value
5	Loose Tools	At cost and charged off when discarded

In the above, cost is arrived at by FIFO cost method. In case of Finished Goods and Stock in Process, it also includes

manufacturing & related establishment overheads, depreciation etc.

All the spares, which are primarily meant to be used for capitalization (except consumables and maintenance stores), are considered as part of the plant & machinery and shown accordingly.

l. CASH AND CASH EQUIVALENTS

Cash and Cash Equivalents comprise Cash in Hand, Balances in Bank Account, Remittance in Transit, Cheques in hand and Demand Deposits, together with other short-term, highly liquid investments (original maturity less than 3 months) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

m. TAXES**Current Income Tax**

Current Income tax assets and liabilities are measured at amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside Profit and Loss is recognised outside profit and loss (either in Other Comprehensive Income or in Equity). Current tax items are recognised in correlation to underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred Income Taxes are calculated using Balance Sheet Approach, on temporary differences between tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except when it is probable that temporary differences will not reverse in foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences and carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to extent that it is probable that taxable profit will be available against which deductible temporary differences and carry forward of unused tax credits and unused tax losses can be utilized.

Carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31 MARCH 2025

laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and same taxation authority.

Tax expense for the year comprises of current tax and deferred tax.

Indirect Taxes

Expenses and Assets are recognised net of the amount of Indirect Taxes viz. GST/VAT, except when the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, indirect tax is recognised as part of cost of acquisition of asset or as part of expense item, as applicable.

Excise Duty

Excise Duty has been accounted on the basis of both payments made in respect of goods cleared and also provision made for goods lying in factory premises. Cenvat credit is accounted on accrual basis on purchase of materials.

n. REVENUE RECOGNITION

Revenue from contracts

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services. Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts, incentive schemes, if any, as per contracts with customers. Taxes collected from customers on behalf of Government are not treated as Revenue.

Interest Income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is rate that exactly discounts estimated future cash receipts through expected life of the financial asset to gross carrying amount of a financial asset. When calculating effective interest rate, the Group estimates expected cash flows by considering all contractual terms of financial instrument but does not consider expected credit losses.

Other Income

Other claims including interest on outstanding are accounted for when there is virtual certainty of ultimate collection.

o. EMPLOYEE BENEFIT SCHEMES

Short-term employee benefits

Employee benefits payable wholly within twelve months

of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, performance incentives and compensated absences which are expected to occur in next twelve months.

Gratuity

Liabilities with regard to gratuity benefits payable in future are determined by actuarial valuation at each Balance Sheet date using the Projected Unit Credit method. Actuarial gains and losses arising from changes in actuarial assumptions are recognized in Other Comprehensive Income and shall not be reclassified to the Statement of Profit and Loss in subsequent period.

Provident Fund

Eligible employees of the Group receive benefits from a Provident Fund, which is a defined benefit plan. Both the eligible employee and the group make monthly contributions to provident fund plan equal to a specified percentage of covered employee's salary.

p. FOREIGN CURRENCY

Functional and presentation currency

The management has determined the currency of the primary economic environment in which the Group operates i.e., functional currency, to be Indian Rupee (INR). The financial statements are presented in Indian Rupee in lakhs, which is Group's functional and presentation currency.

Transactions and balances

Foreign Currency transactions during the year are recorded at rates of exchange prevailing on the date of transaction in the functional currency. Foreign currency monetary assets and liabilities are translated at using the year-end exchange rate. Exchange gains and losses are duly recognised in the Statement of profit and loss. All monetary assets and liabilities in foreign currency are restated at the end of the accounting period.

q. EARNINGS PER SHARE

- a. **Basic EPS** is calculated by dividing profit/ (loss) attributable to equity shareholders of the group by weighted average number of equity shares outstanding during the period.
- b. **Diluted EPS** is computed using profit/ (loss) for the year attributable to shareholder' and weighted average number of equity and potential equity shares outstanding during the period, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

r. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

The assessments undertaken in recognising provisions and contingencies have been made in accordance with applicable Ind AS. Provisions, contingent liabilities, contingent assets

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31 MARCH 2025

and commitments are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Provisions

Provisions represent liabilities to the Group for which amount, or timing is uncertain. Provisions are recognized when the Group has a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in the statement of profit and loss as a finance cost.

Contingent Liabilities

In normal course of business, contingent liabilities may arise from litigation and other claims against the Group. There are certain obligations which management of the Group has concluded, based on all available facts and circumstances, are not probable of payment or are very difficult to quantify reliably, and such obligations are treated as contingent liabilities and disclosed in the notes but are not reflected as liabilities in the financial statements. Claims against the Group, where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities. Show Cause Notices received are not treated as Contingent Liabilities. Although there can be no assurance regarding the final outcome of the legal proceedings in which the Group is involved, it is not expected that such contingencies will have a material effect on its financial position or profitability.

Contingent Assets

Contingent assets are not recognised but disclosed in the financial statements when an inflow of economic benefits is probable.

s. CASH FLOW STATEMENT

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit/ (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flows from operating, investing and financing activities of the Group are segregated based on available information.

t. SEGMENT REPORTING

The Group has two business segments- Edible Oil Operations and Liquor Operations and segment-wise results, assets and liabilities are accordingly given.

u. FAIR VALUE MEASUREMENT

The Group measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair

value measurement is based on presumption that transaction to sell asset or transfer liability takes place either:

- i. In the principal market for asset or liability, or
- ii. In absence of a principal market, in most advantageous market for asset or liability.

The principal or the most advantageous market must be accessible to the Group. Fair Value of an asset or liability is measured using assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using asset in its highest and best use or by selling it to another market participant that would use asset in its highest and best use.

The Group uses valuation techniques that are appropriate in circumstances and for which sufficient data are available to measure fair value, maximising use of relevant observable inputs and minimizing use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2- Valuation techniques for which lowest level input that is significant to fair value measurement is directly or indirectly observable.

Level 3- Valuation techniques for which lowest level input that is significant to fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by reassessing categorization (based on the lowest level input that is significant to fair value measurement as a whole) at end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

v. EXCEPTIONAL ITEMS

Exceptional items are transactions which due to their size or incidence are separately disclosed to enable a full understanding of the Group's financial performance. Items which may be considered exceptional are significant restructuring charges, gains or losses on disposal of investments of subsidiaries, associate and joint ventures and impairment losses/write down in the value of investment in subsidiaries, associates and joint ventures and significant disposal of fixed assets.

Note 47 Fair Value Measurements

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurement is based on presumption that transaction to sell asset or transfer liability takes place either:

- In the principal market for asset or liability, or
- In absence of a principal market, in most advantageous market for asset or liability.

Fair Value of an asset or liability is measured using assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using asset in its highest and best use or by selling it to another market participant that would use asset in its highest and best use.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31 MARCH 2025

The Company uses valuation techniques that are appropriate in circumstances and for which sufficient data are available to measure fair value, maximising use of relevant observable inputs and minimizing use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2- Valuation techniques for which lowest level input that is significant to fair value measurement is directly or indirectly observable.

Level 3- Valuation techniques for which lowest level input that is significant to fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to fair value measurement as a whole) at end of each reporting period. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

(A) Carrying amounts of Financial Assets and Financial Liabilities in each category are as follows: *(INR in lakhs)*

Particulars	As at 31 March 2025		As at 31 March 2024

Note 48 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's Corporate Treasury function provides services to the business, co-ordinates access to domestic market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk. The company does not have foreign trade transactions nor any foreign currency transactions. The Board of Directors manages the financial risk of the company through internal risk reports and analyse exposure by magnitude of risk.

The Company's overall risk management procedures to minimise potential adverse effects of financial market on the Company are as follows:

(A) Market Risk

Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables or payables. It includes three types of risks: a) Interest rate risk, b) Currency risk and c) price and commodity risk.

A) Interest Rate Risk: The Company's borrowings are at fixed rates. Therefore, interest rate risk does not have any major impact on the company.

B) Currency Risk: Since, Company does not have any foreign currency dealings, this risk is not applicable to the Company.

C) Price and commodity risk: The Company majorly purchases Spirits and Grain in its manufacturing. Since, prices are generally regulated, there are no major movements in the prices. Therefore, the adversity of this risk is low.

(B) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument leading to a financial loss. The Company's exposure to credit risk primarily consists of Trade receivables and other financial assets. The Company deals with only few customers since liquor operations are government regulated. Therefore, default risk on the part of debtors is significantly low.

(C) Liquidity Risk

The Company's principle source of liquidity are Cash and cash equivalents and cash generated from operations. The Company manages its liquidity risk in a manner so as to meet its normal financial obligations without any significant delay. The Company has developed appropriate internal control systems and contingency plans for managing liquidity risk.

Note 49 CAPITAL MANAGEMENT

(INR in lakhs)

(A) Risk Management

Capital management is driven by Company's policy to maintain a sound capital base to support the continued development of its business. The Management and Board of Directors seeks to maintain a prudent balance between different components of Company's capital. Management monitors capital structure and net financial debt at individual currency level. Net financial debt is defined as current and non-current financial liabilities including lease liabilities less cash and cash equivalents and short term investments. The capital structure is governed by policies approved by the Board of Directors and monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, lease liabilities, less cash and cash equivalents.
