i. The voting period begins on Saturday,19th September, 2026 at 9.00 a.m. and ends on Wednesday,23rd September, 2026 at 5.00 p.m. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Thursday, 17th September, 2026 may cast their vote electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.

ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020,** under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholder's/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders**, **by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

iv. **<u>In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in Demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.</u>**

MANAGEMENT DISCUSSION & ANALYSIS REPORT

Economic Scenario:

The global economy during FY 2025–26 continued to operate in an environment marked by geopolitical uncertainties, evolving trade policies, inflationary pressures, and disruptions in global supply chains. Major economies witnessed moderate growth amidst tightening monetary conditions, regional conflicts, and continued volatility in commodity and freight markets. While inflationary trends showed signs of moderation in several developed economies, the global business environment remained cautious due to uncertainty in trade tariffs, energy prices, and cross-border logistics movements.

Global trade flows continued to realign with increasing focus on supply chain diversification, regional manufacturing hubs, and resilient logistics networks. Businesses across sectors accelerated adoption of digital technologies, automation, artificial intelligence, and predictive analytics to improve operational efficiency and strengthen supply chain visibility.

The aviation and air cargo sectors experienced mixed trends during the year. While demand for time-sensitive cargo, pharmaceuticals, electronics, e-commerce shipments, and high-value goods remained strong, capacity constraints, fluctuating fuel prices, and geopolitical tensions impacted operating margins across the logistics industry.

Company Overview:

Patel Integrated Logistics Ltd. (PILL), formerly known as Patel Roadways Pvt. Ltd., was established in 1962 by Mr. Asgar Shakoor Patel and has since evolved into one of India's most respected and diversified logistics companies. Starting as a pioneer in surface transport, PILL has steadily transformed into a full-spectrum logistics service provider, offering end-to-end solutions across air freight, warehousing, express cargo, and last-mile delivery.

In 1988, the Company expanded its service portfolio through the launch of Patel On-Board Couriers Ltd. (POBC), a dedicated wholesale courier service aimed at enhancing operational efficiency and infrastructure. The strategic merger of Patel Roadways Ltd. and POBC in 2006 marked a pivotal moment, bringing together decades of legacy and innovation under the unified brand of Patel Integrated Logistics Ltd.

Over the years, PILL has played a pioneering role in shaping India's logistics ecosystem, particularly in segments such as express delivery, Full Truck Load (FTL), Less Than Truck Load (LTL), courier consolidation, and integrated warehousing. By 2018, the Company sharpened its focus on high-value logistics services, building significant capabilities in air freight and value-added ancillary solutions.

The Company operates an air-freight model utilising commercial passenger aircraft and provides domestic and international cargo services, including time-critical deliveries and last-mile solutions. Its operations are supported by a pan-India network connecting major airports, logistics hubs and commercial centres

Today, PILL serves a broad and distinguished clientele across sectors, including leading names in the fast-growing e-commerce ecosystem. With a strong foothold in air freight—especially in the movement of cargo via passenger flights—Patel Integrated Logistics Ltd. continues to set new benchmarks in service excellence, innovation, and operational reliability, reinforcing its position as a leader in India's logistics industry.

The Company currently operates under the 'Patel Airfreight' division, specialising in air-cargo consolidation. It offers transportation of high-density cargo by air and surface, both within India and internationally. As at 31 March 2026, the Company had approximately 91 branches across India. The Company is evaluating opportunities to leverage its real-estate assets for expansion into integrated logistics and related services.

During the year, the Company expanded its presence in surface transportation through its subsidiary, Rajpat Logistics Private Limited. The Company's fitness business, operated under the UFC GYM brand at Bandra, continued its operations during the year.

Industry Overview

The Indian logistics and air-cargo industry continued to demonstrate resilience during FY 2025–26 despite geopolitical tensions, global trade uncertainties, supply-chain disruptions and inflationary pressures. India's economic growth, domestic consumption, infrastructure investment, digital transformation and manufacturing activity continued to support demand for transportation and logistics services.

According to the Economic Survey 2025–26, India's air-cargo traffic stood at approximately 3.7 million tonnes in FY 2024–25, registering growth of 10.5%. During April–November 2025, air-cargo traffic increased by approximately 5.1% year-on-year, notwithstanding capacity constraints and operating-cost pressures. Demand remained supported by pharmaceuticals, electronics, engineering goods, perishables, e-commerce and other time-sensitive shipments.

The Government of India continues to strengthen the logistics ecosystem through initiatives such as the National Logistics Policy, PM Gati Shakti National Master Plan, Dedicated Freight Corridors, Bharatmala, Sagarmala, airport infrastructure expansion and the Unified Logistics Interface Platform (ULIP). These initiatives are aimed at improving multimodal connectivity, reducing logistics friction and enhancing supply-chain efficiency.

According to the latest assessment of logistics costs undertaken by DPIIT in collaboration with NCAER, India's logistics cost was estimated at approximately 7.97% of GDP for 2023–24. Continued infrastructure development, digitalisation and policy reforms are expected to further improve logistics efficiency and competitiveness.

India's logistics sector is expected to maintain a strong long-term growth trajectory, supported by increasing formalisation of supply chains, manufacturing activity, e-commerce, infrastructure investment and adoption of integrated multimodal logistics solutions. The warehousing sector is also witnessing increasing demand for Grade-A facilities, automation and technology-enabled inventory management.

The rapid growth of e-commerce and quick-commerce platforms continues to transform the logistics landscape. Rising demand for same-day and next-day deliveries has increased the importance of air cargo and express logistics services. Pharmaceuticals, healthcare, electronics, automotive, engineering, retail and FMCG remain important contributors to cargo volumes.

Technology adoption is becoming a key differentiator within the logistics industry. Increasing use of Artificial Intelligence (AI), Internet of Things (IoT), Warehouse Management Systems (WMS), Transportation Management Systems (TMS), predictive analytics, robotics and digital freight platforms is improving operational efficiency, visibility and customer service across supply chains.

India's position in global logistics benchmarks has also improved. India ranked 38th in the World Bank's Logistics Performance Index in 2023, compared with 54th in 2014, reflecting improvements in logistics infrastructure, digitalization and supply-chain efficiency.

Opportunities & Outlook

The outlook for the Indian logistics and air-cargo industry remains positive, supported by economic growth, rising domestic consumption, increasing manufacturing activity and continued investments in infrastructure. India's expanding economy is expected to create sustained demand for efficient transportation, warehousing and integrated supply-chain solutions.

Government initiatives such as the National Logistics Policy, PM GatiShakti, Dedicated Freight Corridors, Bharatmala, Sagarmala, airport modernization programs and ULIP are expected to improve multimodal connectivity, enhance supply-chain visibility and support logistics efficiency.

The expansion of e-commerce, quick-commerce, pharmaceuticals, electronics, engineering goods and export-oriented manufacturing is expected to support demand for express and time-sensitive cargo movement. Continued investments in airport infrastructure, cargo terminals, logistics parks, warehousing facilities and technology-enabled logistics platforms are expected to strengthen the industry's long-term prospects.

The Company remains well positioned to participate in these opportunities through its established market presence, operational expertise, customer relationships and focus on service quality, operational efficiency and technology-driven solutions.

Risks & Concerns

Despite the favorable long-term outlook, the logistics and air-cargo industry continues to face operational and economic challenges. Volatility in Aviation Turbine Fuel (ATF) prices, inflationary pressures, geopolitical conflicts, trade-policy uncertainties and global supply-chain disruptions may adversely affect freight demand, operating costs and margins.

The industry also faces challenges relating to limited air-cargo capacity, infrastructure bottlenecks, congestion at certain cargo terminals, shortage of skilled manpower and intense competition resulting in pricing pressures. While cargo demand continues to grow, capacity additions in certain segments may not always keep pace, leading to periodic freight-rate volatility and operational constraints.

The sector remains exposed to regulatory changes, cybersecurity risks, foreign-exchange fluctuations and economic slowdowns in key domestic and international markets. The warehousing and logistics industry is also undergoing technological transformation, requiring continuous investment in automation, digitalization and process improvements.

The Company continuously monitors emerging risks and adopts appropriate mitigation measures through strong internal controls, customer diversification, operational-efficiency initiatives, technology investments, compliance management and prudent financial discipline. These measures are aimed at enhancing business resilience and supporting sustainable growth.

Human Resource Management:

The Company continues to place significant importance on its human resources and maintains cordial relations at all levels. Its constant endeavor is to invest in people and people-related processes to strengthen human capital and enhance service delivery.

Attracting, developing and retaining the right talent remains a key strategic imperative. The Company recognizes that human capital is a vital constituent of a successful organization and continues to strengthen its human resources through appropriate tools, technologies, processes and training.

The Company continued to focus on employee health, safety and well-being across its workplaces. Training and development initiatives are directed towards leadership capabilities, functional skills, process orientation and role-specific competencies.

The logistics sector continues to experience a shortage of personnel with adequate training and education in logistics management. The Company therefore remains focused on capability development, productivity enhancement and expansion of employee skill sets.

Guided by the Company's vision and overall strategy, the focus remains on building a strong workforce by establishing strong linkages between employees, processes and values. The Company continues to maintain peaceful and harmonious relations with its employees through proactive engagement and employee-focused measures.

As at 31 March 2026, the Company had 269 employees.

Internal Control System:

The Company has an adequate system of internal controls commensurate with the size, scale and nature of its operations. The internal control framework ensures safeguarding of assets, accuracy of accounting records, operational efficiency and compliance with applicable laws and regulations.

Internal audits are conducted periodically and the observations and recommendations are reviewed by the Audit Committee. Necessary corrective actions are taken to strengthen processes and controls wherever required.

The Company continues to strengthen its corporate governance framework, internal controls, compliance processes and internal audit function. The Company believes that strong and transparent corporate governance, supported by effective internal controls, is essential for sustainable growth and profitability.

Financial and Segment-Wise Performance:

The Company's financial performance during FY 2025–26 reflected improvements in profitability, supported by growth in the core air-freight business, better operating efficiency and lower finance costs.

PARTICULARS	FY 2025–26	FY 2024–25	Growth
Income from Operations	₹357.25 crore	₹342.69 crore	4.25%
Profit Before Tax	₹10.30 crore	₹7.67 crore	34.3%
Profit After Tax	₹9.58 crore	₹7.60 crore	26%
Air Freight Segment Result	₹11.26 crore	₹8.63 crore	30.5%

The segment-wise performance of the Company is disclosed in Note 38 to the financial statements. The Company continued to focus on strengthening its core air-freight operations while expanding its presence in surface transportation through Rajpat Logistics Private Limited.

Cautionary Statement:

Statements in this Management Discussion and Analysis describing projections, estimates, expectations, future outlook or other forward-looking information in connection with the Company's business may constitute forward-looking statements within the meaning of applicable securities laws and regulations. However, actual results could materially differ from those expressed or implied in such statements.

Various factors beyond the control of management may cause such deviations. These factors include economic developments in the country, changes in governmental policies and fiscal laws, unexpected increases in input costs, changes in demand and supply conditions, geopolitical developments, regulatory changes and other factors that may affect the Company's operations and financial performance.

- We obtained an understanding of management's internal controls over the revenue process and evaluated whether these have been designed in line with the Company's accounting policies.
- We tested relevant internal controls for revenue recognition.

- We performed test of details for the selected sample of revenue transactions during the year and traced these to underlying supporting documentation / evidence.

b) **Evaluation of disputed claims against the company under various non-tax matters**

The company has disputed claims against it which are pending at various courts/forums and are various stages in the judicial process. The management has exercised significant judgement in assessing the possible outflow in such matters and accordingly an amount of ₹560.12 lakhs has been disclosed in Note 32(3), for which the company is contingently liable while possibility of any outflow in these matters has been considered remote.

Auditors' Responses

Principal Audit Procedures

- Read and analysed key correspondences, internal/external legal opinions/consultations by management for key disputed non-tax matters.
- Reviewed and verified other legal pronouncements wherever available in similar matters in the case of the company/ other corporates.
- Discussed with appropriate senior management and evaluated management's underlying key assumptions in estimating the provisions; and
- Assessed management's estimate of the possible outcome of the disputed cases and relied on the management judgements in such cases.

Information other than the Standalone Financials Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report, including Annexures to Board's Report, Business Responsibility and Sustainability Report, Corporate Governance and Shareholder's Information, but does not include the Standalone Financial Statements and our Auditor's Report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and, we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act 2013 ("the Act") with respect to the preparation of these Standalone Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) referred specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **"Annexure A"** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by section 143 (3) of the Act, we report that:

   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

   e) On the basis of written representations received from the directors as on March 31, 2026, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of section 164(2) of the Act;

   f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"; and

   g) In our Opinion, the managerial remuneration for the year ended March 31, 2026 has been paid/provided by the company to its directors in accordance with the provision of section 197 read with Schedule V to the Act.

   h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

      i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Ind AS Financial Statements – Refer Note 32 to the Standalone Financial Statements.

      ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.

      iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

      iv. A) The management has represented, that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediaries shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries : and

      B) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries : and

C) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (A) and (B) contain any material mis-statement.

v. The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.

vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the company as per the statutory requirements.

Annexure A" forming a part of Independent Auditor's Report

The Annexure referred to in Independent Auditor's Report to the members of the Company on the Standalone Ind AS Financial Statements for the year ended March 31, 2026, we report that:

On the basis of such checks as we considered appropriate and according to the information and explanations given to us during the course of our audit, we report that:

i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(B) The Company has maintained proper records showing full particulars of intangible assets.

(b) The company has a regular program for physical verification of its Property, Plant and Equipment by which its Property, Plant and Equipment are verified in a phased manner. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the company and the nature of its assets.

(c) According to the information and explanations given to us and the records examined by us and based on the examination of registered sale deed provided to us, we report that, the title deeds, comprising all the immovable properties of land and building owned by the company are held in its name, other than those mentioned in Notes to Accounts. However, some of the immovable properties are mortgaged against the bank loan. In respect of immovable properties of Land & Building that have been taken on lease and disclosed as property in the Standalone Ind AS Financial Statements, the lease agreements are in the name of the company, where the company is lessee in the agreement.

(d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.

(e) There are no proceedings initiated or are pending against the company for holding any benami property under the prohibition of Benami Property Transactions Act, 1988 and the rules made thereunder.

ii) (a) In view of there being no requirement to carry and hold any stock of inventories, therefore; the provisions of clause 3(ii)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of ₹5 crore, in aggregate, at any point of time of the year, from banks on the basis of security of current assets. In our opinion and according to information and explanations given to us, the quarterly returns or statements filed by the Company with such banks are in agreement with the books of accounts of the Company of the respective quarters except for Quarter ending March, 2026, we have verified the same and observed that book debts as per statement submitted to bank was ₹7,680.80 lakhs against the book debts as per audited financial statement of ₹ 7,477.30 lakhs. Thus, there was a difference of ₹ 203.50 lakhs.

We further state that the book debts statement submitted to the bank was based on provisional financials as on March 31, 2026, whereas the figures of Provisional financials with respect to the book debts statement was subsequently revised as per audited financials of March 31, 2026.

iii) a) During the year, the Company has made investments in Companies and granted unsecured loans or advances in the nature of loans to companies,

A. The Company has provided loans or advances to subsidiaries during the year, the details of which are given below:

Aggregate amount granted/invested during the year	Balance outstanding as at Balance Sheet date
• Inter-corporate deposit to RajPat Logistics Pvt Ltd: ₹ **20,00,000**	• Inter-corporate deposit: ₹**20,00,000**

B. There are no loans or advances and guarantees or security to parties other than subsidiaries, joint ventures and associates as on March 31, 2026.

b. In our opinion, the investments made and the terms and conditions of the grant of all loans and advances in the nature of loans are, prima facie, not prejudicial to the Company's interest.

c. In respect of the loans and advances in the nature of loans granted by the Company to its subsidiary, no schedule of repayment of principal and payment of interest has been stipulated. Consequently, in the absence of such stipulations, we are unable to comment on the regularity of repayment of principal amounts and receipts of interest.

d. Since the terms of repayment have not been stipulated for the loans and advances in the nature of loans granted to the subsidiary, we are unable to comment whether there is any overdue amount remaining outstanding as at the Balance Sheet date.

e. According to the information and explanations given to us, no loan or advances in the nature of loans granted by the Company has fallen due during the year. Therefore, reporting on whether any loan has been renewed, extended, or settled through fresh loans under clause 3(iii)(e) is not applicable.

f. The Company has granted loan or advances in the nature of loans to the subsidiary which is repayable on demand and without specifying any terms or period of repayment. The details of the same are disclosed below:

- Aggregate amount of loans/advances in the nature of loan to subsidiary.
- Repayable on demand: ₹ 20,00,000/-
- Percentage of loans/advances in the nature of loan to the total loans granted: 100%

iv) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of Section 185 and 186 of the Act, with respect to loans and investments made.

v) The company had accepted deposit from public and directives issued by the Reserve Bank of India and provisions of sections 73 to 76 or any other provisions of Companies Act, 2013 and Rules and rules made thereunder, where applicable, and have been complied.

vi) The Central Government has not prescribed the maintenance of cost records under sub- section (1) of section 148 of the Act for any of the activities of the Company; hence the clause 3(vi) of the said Order is not applicable to the company.

vii) (a) In our opinion, the Company has been generally regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.

(b) According to information and explanation given to us, there are no disputed statutory dues including Provident Fund, Employees State Insurance, Income Tax, Sales Tax, Service Tax, GST and other statutory dues which have not been deposited on account of dispute except as stated below in Note No. 32(4).

viii) According to the information and explanations given to us, the company has not surrendered or disclosed any transaction, previously unrecorded in the books of accounts, in the tax assessments under the Income Tax Act, 1961, as income during the year. Accordingly, the requirement to report on clause 3(viii) of the order is not applicable to the company.

ix) (a) According to the information and explanations given to us and as per the books and records examined by us, in our opinion, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender including the loans and interest which are repayable on demand.

(b) According to the information and explanations given to us and the records of the Company examined by us including representation received from the management, the Company has not been declared willful defaulter by any bank, financial institution or other lenders or government or any government authority.

(c) The company has taken loan from Banks & other financial institutions during the year of ₹16.50 Lakhs and the loans were applied for the purpose for which the loans were obtained.

(d) On an overall examination of the financial statements of the Company, prima facie, no funds raised on short-term basis have been used for long term purposes by the Company.

(e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary.

(f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiary.

x) (a) The Company has not raised monies by way of Initial Public Offer or Further Public Offer (including Debt Instruments) during the year and hence reporting under Clause 3(x)(a) of the Order is Not Applicable.

(b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.

xi) (a) As represented to us by the management, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

(c) As auditor, we did not receive any whistle blower policy complaint during the year.

xii) In our opinion and according to the information and explanation given to us, the Company is not a Nidhi Company; hence the clause 3(xii) of the said Order is not applicable to the company.

xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the Standalone Financial Statements as required by the applicable accounting standards.

xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

(b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

xv) According to the information and explanations given to us and based on our examination of records of the Company, during the year, the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

xvi) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.

(b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.

xviii)There has been no resignation of the statutory auditors of the Company during the year.

xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx) (a) In respect of other than ongoing projects, there are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Act, in compliance with second proviso to sub section 5 of section 135 of the Act.

(b) There are no unspent amounts and ongoing projects in the Company, that are required to be transferred to a special account in compliance of provision of sub section (6) of section 135 of Companies Act.

Annexure B" forming part of Independent Auditor's Report

"Annexure B" forming part of Independent Auditor's Report on the Standalone Financial Statements of Patel Integrated Logistics Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

We have audited the internal financial controls over financial reporting of Patel Integrated Logistics Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes on Standalone Financial Statements for the Year Ended March 31, 2026.

1.A. Corporate Information

a. **General Information**

Patel Integrated Logistics Limited ("the Company") is a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 2013. The Company's registered office is located at Patel House, 48 Gazdhar Bandh, North Avenue Road, Santacruz West, Mumbai 400 054.

The equity shares of the Company are publicly traded and listed on the Bombay Stock Exchange (BSE), National Stock Exchange (NSE) and Calcutta Stock Exchange (CSE), and it operates under ISIN INE529D01014.

The Standalone Financial Statements present the financial position and performance of the Company. During the financial year 2025-26, the Company expanded its corporate structure by incorporating Rajpat Logistics Private Limited (owning 60% equity control) as a subsidiary and House of Patels Limited (owning 100% equity control) as a wholly-owned subsidiary.

b. **Principal Business Activities**

The Company is a multi-service enterprise engaged in the following core business streams:

- **Logistics Solutions:** Comprehensive logistics and supply chain management services, including air cargo consolidation, warehousing, surface transportation, and associated value-added services.
- **Gym and Wellness:** Provision of fitness-related services, including Gym and Wellness memberships/subscriptions and the commercial sale of health and dietary supplements.

c. **Approval of Financial Statements**

The standalone financial statements of the Company for the financial year ended March 31, 2026, were reviewed by the Audit Committee and subsequently approved and authorized for issue by the Board of Directors in their meeting held on May 12, 2026, in accordance with a resolution of the directors.

1.B. Significant Accounting Policies

a. Basis for preparation of Standalone Financial Statements:

These standalone financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended), and other relevant provisions of the Act.

The standalone financial statements have been prepared on a historical cost basis, except for the following material items that have been measured at fair value at the end of each reporting period as required by relevant Ind AS:

i. Certain financial assets and liabilities (including derivative instruments) measured at fair value (refer to the accounting policy on financial instruments).

ii. Defined benefit plans where plan assets are measured at fair value less the present value of the defined benefit obligation.

The standalone financial statements have been prepared on a going concern basis using the accrual method of accounting.

b. Functional and Presentation Currency:

The standalone financial statements are presented in Indian Rupees (INR), which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

c. Rounding of Amounts:

All financial information presented in these standalone financial statements has been rounded off to the nearest Lakhs (with two decimal places), as prescribed under Schedule III of the Companies Act, 2013, unless otherwise explicitly stated.

d. Property, Plant and Equipment (including Capital work-in-progress):

i. Recognition and Measurement

Items of Property, Plant and Equipment (PPE), other than freehold land, are measured at cost less accumulated depreciation and accumulated impairment losses, if any. Freehold land is carried at historical cost and is not depreciated.

The cost of an item of PPE comprises:

- Its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- Any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.
- The initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located (Decommissioning Liabilities), where applicable.

ii. Subsequent Expenditure

Subsequent expenditure is capitalized only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance costs are recognized in the Statement of Profit and Loss as incurred.

Notes on Standalone Financial Statements for the Year Ended March 31, 2026.

iii. Leasehold Assets and Right-of-Use (ROU) Assets

Leases are recognized, measured, and presented in accordance with Ind AS 116 (Leases):

- Assets acquired under lease arrangements (including long-term leasehold land and leased premises for logistics hubs or fitness centers) are recognized as Right-of-Use (ROU) Assets at the commencement date of the lease, measured at cost less accumulated depreciation and impairment losses.
- The cost of ROU assets includes the amount of the initial measurement of lease liability, any lease payments made at or before the commencement date less any lease incentives received, any initial direct costs, and restoration costs.
- Exception: Short-term leases (lease term of 12 months or less) and leases of low-value assets are exempted from capitalization; lease payments for these are recognized as an expense on a straight-line basis over the lease term.

iv. Capital Work-in-Progress (CWIP)

Cost of assets not ready for intended use as on the Balance Sheet date are disclosed under Capital Work-in-Progress. CWIP includes the cost of property, plant and equipment under installation or active development, comprising direct costs, related incidental expenses, and attributable borrowing costs capitalized in accordance with the Company's accounting policy and Ind AS 23 (Borrowing Costs).

CWIP is carried at cost less accumulated impairment losses, if any. Capital work-in-progress is allocated to the respective asset class and depreciated from the date the asset is ready for its intended operational use.

e. Investment Property:

i. Recognition and Measurement

Investment property comprises land and/or buildings (or parts thereof) held to earn rentals or for capital appreciation (or both), rather than for:

- Use in the production or supply of goods or services, or for administrative purposes; or
- Sale in the ordinary course of business.

Investment property is initially measured at cost, which includes its purchase price, transaction taxes, legal and professional fees, and any other directly attributable expenditure incurred to bring the asset to its working condition for its intended use.

Subsequent to initial recognition, investment property is stated at cost less accumulated depreciation and accumulated impairment losses, if any, in accordance with the cost model prescribed under Ind AS 40 (Investment Property).

ii. Depreciation

Depreciation on the building component of investment property is calculated on a straight-line basis over the useful lives prescribed in Part C of Schedule II to the Companies Act, 2013. Freehold land classified under investment property is not depreciated.

The residual values, useful lives, and methods of depreciation are reviewed at each financial year-end and adjusted prospectively as a change in accounting estimate, if appropriate.

iii. Disposal and Derecognition

An investment property is derecognized upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from its disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the Statement of Profit and Loss in the period of derecognition.

f. Intangible Assets:

i. Recognition and Measurement

Intangible assets acquired separately (such as acquired logistics software licenses, ERP systems, or commercial gym management software) are measured on initial recognition at cost.

Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses, if any.

ii. Amortisation

Intangible assets with finite useful lives are amortized over their estimated useful lives on a straight-line basis, commencing from the date the asset is available for its intended use.

The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates to be adjusted prospectively.

iii. Derecognition

An intangible asset is derecognized upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising upon derecognition of the asset (calculated as the

Notes on Standalone Financial Statements for the Year Ended March 31, 2026.

difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognized.

g. Depreciation / Amortization:

i. Method and Basis (Property, Plant and Equipment)

Depreciation on Property, Plant and Equipment (PPE) is provided on a straight-line basis over the useful lives of the assets as prescribed under Part C of Schedule II to the Companies Act, 2013.

To comply with the mandatory requirements of Ind AS 16 and Schedule II, the Company applies Component Accounting. Where significant parts/components of an item of PPE have different useful lives, they are accounted for as separate items and depreciated over their respective useful lives.

ii. Amortization of Right of Use (ROU) Assets and Leasehold Land.

Right-of-Use assets, including leasehold land and leased operating facilities, are amortized on a straight-line basis over the shorter of the remaining lease term or the estimated useful life of the underlying asset.

If the lease contract transfers ownership of the underlying asset to the Company by the end of the lease term, or if the cost of the ROU asset reflects that the Company will exercise a purchase option, the asset is depreciated over its useful life following the same basis applied to owned PPE.

iii. Timing of Depreciation and Amortization

Depreciation and amortization are calculated on a pro-rata basis from the exact date the asset is available for its intended operational use. For assets sold, discarded, or derecognized during the financial year, depreciation/amortization is charged up to the specific date of disposal or derecognition

iv. Review of Residual Values and Useful Lives

The residual values, useful lives, and methods of depreciation/amortization of assets are reviewed by management at the end of each financial year. Any changes identified are treated as a change in accounting estimate and adjusted prospectively in accordance with Ind AS 8 (Accounting Policies, Changes in Accounting Estimates and Errors).

h. Impairment of non-financial assets (Property, plant and equipment and intangible assets):

The Company assesses at each reporting date whether there is any indication that a non-financial asset (including Property, Plant and Equipment and Intangible Assets) or a group of assets forming a Cash-Generating Unit (CGU) may be impaired. If such indications exist, the Company estimates the recoverable amount of the individual asset or CGU.

The recoverable amount is the higher of:

- Fair value less costs of disposal, and
- Value in use, which is the present value of estimated future cash flows

expected to arise from the continuing use of the asset or CGU, discounted using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset or CGU.

If the carrying amount of the asset or CGU exceeds its recoverable amount, the difference is recognised as an impairment loss in the Statement of Profit and Loss.

An impairment loss recognised in prior periods is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. Such a reversal is recognised in the Statement of Profit and Loss to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, had no impairment loss been recognised earlier.

i. Financial Assets:

A. Initial recognition and measurement

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instrument. All financial assets are initially measured at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset, with two critical exceptions:

- Financial assets measured at Fair Value Through Profit or Loss (FVTPL): Transaction costs are recognized immediately in the Statement of Profit and Loss.
- Trade Receivables: Trade receivables that do not contain a significant financing component are initially measured at their transaction price as defined under Ind AS 115 (Revenue from Contracts with Customers).

A regular way purchase or sale of financial assets is recognized and derecognized using trade date accounting (i.e., the date on which the Company commits to purchase or sell the asset).

B. Classification and Subsequent measurement

For purposes of subsequent measurement, financial assets are classified into three categories based on the Company's business model for managing the assets and the contractual cash flow characteristics of the asset:

Notes on Standalone Financial Statements for the Year Ended March 31, 2026.

a) Financial assets carried at amortised cost (AC)

A financial asset is measured at amortized cost if both of the following conditions are met:

- Business Model Test: The asset is held within a business model whose objective is to hold financial assets to collect contractual cash flows.
- SPPI Test: The contractual terms of the financial asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the Effective Interest Rate (EIR) method, less impairment losses, if any. Interest income, amortized costs, and impairment losses are recognized in the Statement of Profit and Loss

b) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is classified and measured at FVTOCI if both of the following conditions are met:

- Business Model Test: The asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.
- SPPI Test: The contractual terms meet the SPPI criteria.

Movements in the carrying amount are taken through Other Comprehensive Income (OCI), except for the recognition of impairment gains or losses, interest income, and foreign exchange gains and losses which are recognized in the Statement of Profit and Loss. Upon derecognition, cumulative gains or losses previously recognized in OCI are reclassified from equity to the Statement of Profit and Loss.

c) Financial assets at fair value through profit or loss (FVTPL)

Financial assets that do not meet the criteria for classification at amortized cost or FVTOCI are measured at FVTPL. Net gains or losses, including any interest or dividend income, arising from changes in the fair value of these assets are recognized in the Statement of Profit and Loss.

C. Investment in Equity Instruments

All equity investments in scope of Ind AS 109 are measured at fair value.

- Held for Trading / Default: Changes in fair value are recognized in the Statement of Profit and Loss.
- Strategic Investments (Irrevocable OCI Election): On initial recognition, the Company can make an irrevocable election (on an instrument-by-instrument basis) to present subsequent changes in the fair value of equity investments in OCI, provided they are not held for trading. Crucially, these gains or losses are never reclassified (recycled) to the Statement of Profit and Loss upon derecognition; instead, they are transferred directly within equity to Retained Earnings. Dividends from such investments are recognized in the Statement of Profit and Loss unless they clearly represent a recovery of part of the cost of the investment.

  Note: In accordance with Ind AS 27, investments in subsidiaries (Rajpat Logistics Private Limited and House of Patels Limited) are carried at cost less accumulated impairment losses, if any, in the Company's Standalone Financial Statements.

D. Impairment of financial assets

The Company recognizes a loss allowance for Expected Credit Losses (ECL) on financial assets measured at amortized cost or at FVTOCI (debt instruments).

- Trade Receivables (Simplified Approach): For all trade receivables (spanning both logistics clients and fitness subscribers), the Company applies the Simplified Approach permitted by Ind AS 109. This approach mandates the recognition of a lifetime expected credit loss allowance from the day the receivable is initially recognized, utilizing a provision matrix based on historical default rates adjusted for forward-looking macroeconomic factors.
- Other Financial Assets (General Approach): For other financial instruments (such as security deposits and bank balances), the Company applies the General Approach. Impairment losses are recognized as a 12-month ECL from initial recognition unless there has been a Significant Increase in Credit Risk (SICR) since inception. If an SICR is identified, the loss allowance is upgraded to a Lifetime ECL.

Expected credit losses and reversals are recognized in the Statement of Profit and Loss as an impairment gain or loss.

E. Derecognition of Financial Assets

A financial asset is primarily derecognized when:

- The contractual rights to receive cash flows from the asset have expired; or
- The Company has transferred its rights to receive cash flows from the asset, or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement, and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Notes on Standalone Financial Statements for the Year Ended March 31, 2026.

j. Financial Liabilities

(Applicable Standard: Ind AS 109 – Financial Instruments)

A. Initial Recognition and Measurement

Financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. All financial liabilities are initially recognized at fair value.

In the case of borrowings, trade payables, and other interest-bearing financial liabilities, initial measurement is net of directly attributable transaction costs (such as processing fees or debt issuance costs). For financial liabilities classified at Fair Value Through Profit or Loss (FVTPL), transaction costs are expensed immediately in the Statement of Profit and Loss.

Fees and charges of a recurring nature related to credit facilities or bank guarantees are recognized directly in the Statement of Profit and Loss as part of finance costs in the period in which they are incurred.

B. Classification and Subsequent Measurement

For purposes of subsequent measurement, financial liabilities are classified into two categories:

a) Financial Liabilities at Amortized Cost

This is the default and primary category for the Company's financial liabilities. Subsequent to initial recognition, borrowings, trade payables, lease liabilities (under Ind AS 116), and other contractual financial obligations are measured at amortized cost using the Effective Interest Rate (EIR) method.

Gains and losses are recognized in the Statement of Profit and Loss when the liabilities are derecognized as well as through the EIR amortization process. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

Note: For trade and other payables maturing within twelve months from the reporting date, the carrying amounts approximate their fair value due to the short-term nature of these instruments.

b) Financial Liabilities at Fair Value Through Profit and Loss (FVTPL)

Financial liabilities are classified as FVTPL if they are held for trading or are designated as such upon initial recognition. This includes derivative financial instruments entered into by the Company that are not designated as hedging instruments. Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

C. Derecognition of Financial Liabilities

A financial liability is derecognized when the obligation under the liability is discharged, cancelled, or expires.

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

k. Membership shares of a Co-operative Housing Society

(Applicable Standard: Ind AS 109 – Financial Instruments)

Membership shares held in a Co-operative Housing Society are acquired as a statutory requirement to obtain legal possession, occupancy rights, and quiet enjoyment of the Company's commercial office/warehouse premises.

Because these shares are non-transferable independent of the property and carry no separate market value, they are treated as an integral component of the underlying real estate asset. Accordingly, they are classified and accounted for under Property, Plant and Equipment (Ind AS 16) or Investment Property (Ind AS 40) as part of the cost of the building premises, and are depreciated or tested for impairment in tandem with the primary asset.

l. Derecongnition and Profit / Loss on sale of Financial Investments

(Applicable Standard: Ind AS 109 – Financial Instruments)

Gains or losses arising from the disposal or derecognition of financial investments are recognized in the Statement of Profit and Loss on the date the trade is executed.

The realized gain or loss is computed as the difference between the net disposal proceeds received and the carrying amount of the investment at the time of sale. Where a portion of a identical financial asset portfolio is redeemed or sold (such as mutual fund units or listed equity blocks), the carrying amount of the specific units sold is determined using the First-In, First-Out (FIFO) method.

Investments are classified as Current or Non-Current on the face of the Balance Sheet based on the criteria prescribed under Schedule III to the Companies Act, 2013, determined by management's intent and expectations regarding monetization within twelve months from the reporting date.

m. Policy for Revenue Recognition:

(Applicable Standard: Ind AS 115 – Revenue from Contracts with Customers and Ind AS 109 – Financial Instruments, where applicable).

Notes on Standalone Financial Statements for the Year Ended March 31, 2026.

i. General Recognition Principle

Revenue and expenses are recognised on an accrual basis, when it is probable that the economic benefits will flow to the Company and the amount of revenue or cost can be measured reliably, except in cases involving significant uncertainty of collection, in which case revenue is recognised on a receipt basis.

ii. Demurrage and Delivery Charges

Revenue towards demurrage charges, delivery charges, and recoveries from undelivered consignments is recognised only when the amounts are ultimately realised, owing to inherent uncertainties in collection. Freight recoveries include amounts certified by management as recoverable on undelivered consignments, along with other allied service charges accounted for on a consistent basis.

iii. Co-loading and Cargo Division Income

Income from courier and cargo bookings (including co-loading arrangements) is recognised upon booking of load, when the control over the service has been transferred and performance obligation is deemed satisfied as per contractual terms.

iv. Cargo Freight and Commission

Cargo freight charges are accounted for on a gross basis. Any commission income received in relation to freight services, including those from Franchisees or Business Associates, is recognised under Revenue from Operations upon satisfaction of performance obligations under respective agreements.

v. Gym and Wellness

Revenue from membership subscriptions for gym and wellness services is recognised at the time of enrolment, when the customer obtains control of the service. Revenue from the sale of health supplements or gym equipment is recognised at the time of transfer of control, typically on delivery or invoice date.

vi. Dividend Income

Dividend income from investments is recognised in accordance with Ind AS 109, when the Company's right to receive payment is established, which is generally upon receipt of dividend.

vii. Other Income

All other income is recognised on an accrual basis unless there is significant uncertainty regarding ultimate collection, in which case it is recognised on a receipt basis.

viii. Expense Netting

Administrative and other expenses are presented net of recoveries, wherever applicable, in accordance with the principle of reflecting true net cost incurred.

n. Employee Benefits:

(Applicable Standard: Ind AS 19 – Employee Benefits)

i. Short Term Employee Benefits

Short-term employee benefits are benefits that are expected to be settled wholly within twelve months after the end of the reporting period in which the employees render the related service. These include salaries, wages, short-term compensated absences (such as paid casual and sick leaves), and performance bonuses.

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognized as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

ii. Post-Employment Benefits

A. Defined Contribution Plans

The Company makes mandatory monthly contributions towards the government-administered Provident Fund and Pension Fund, which are classified as Defined Contribution Plans. The Company’s legal or constructive obligation is strictly limited to the monthly amounts contractually contributed to these regulatory funds.

The contributions are recognized as an employee benefits expense in the Statement of Profit and Loss in the periods during which the related services are rendered by the employees.

B. Defined Benefit Plans

The following are considered defined benefit obligations:

a) Gratuity

The Company provides for gratuity to employees in accordance with the Payment of Gratuity Act, 1972, payable to employees who have completed five years or more of continuous service, at the time of retirement, resignation, or death. The gratuity amount is computed at 15 days’ basic salary for every completed year of service.

Notes on Standalone Financial Statements for the Year Ended March 31, 2026.

b) Leave Encashment (Earned Leave Benefit)

The Company also provides for encashment of unutilised earned leave, which accrues to employees and is eligible for carry forward. This benefit is treated as a defined benefit plan as the leave liability is expected to be settled beyond 12 months from the reporting date.

Both gratuity and leave encashment liabilities are actuarially valued at each reporting date using the Projected Unit Credit Method, based on assumptions including salary escalation, attrition rates, mortality, and discount rates.

The present value of the defined benefit obligation is recognised as a liability in the Balance Sheet.

Actuarial gains and losses arising from changes in actuarial assumptions and experience adjustments are recognised immediately in Other Comprehensive Income (OCI) and are not reclassified to profit or loss subsequently.

The valuations are carried out by an independent actuary and by a recognised insurance agency such as the Life Insurance Corporation of India (LIC).

o. Foreign Currency Transactions:

(Applicable Standard: Ind AS 21 – The Effects of Changes in Foreign Exchange Rates)

Foreign currency transactions are recorded in the functional currency, i.e., Indian Rupees (INR), by applying the exchange rate prevailing at the date of the transaction.

Monetary items denominated in foreign currencies (such as trade receivables, trade payables, loans, and bank balances) are translated at the exchange rates prevailing on the reporting date (i.e., balance sheet date).

Exchange differences arising on:

- the settlement of such transactions, and
- the restatement of monetary items at the closing exchange rate

are recognised as income or expense in the Statement of Profit and Loss in the period in which they arise.

Non-monetary items that are measured at historical cost are not retranslated. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rate at the date when the fair value was measured.

p. Recoverability of Trade Receivable:

(Applicable Standards: Ind AS 109 – Financial Instruments, Ind AS 1 – Presentation of Financial Statements)

The Company exercises significant judgment in assessing the recoverability of overdue trade receivables, including the determination of an appropriate loss allowance (impairment provision). This assessment involves consideration of various qualitative and quantitative factors, including:

- The aging profile of receivables,
- The creditworthiness and historical payment behavior of customers,
- The expected timing and amount of future cash inflows,
- Any legal or recovery actions initiated, and
- Relevant forward-looking macroeconomic indicators affecting customer risk profiles.

In accordance with Ind AS 109, the Company applies the Expected Credit Loss (ECL) model using the simplified approach for trade receivables, whereby a lifetime expected loss allowance is recognised from the time of initial recognition.

While ECL provisions and actual credit losses are recognised in the Statement of Profit and Loss in line with Ind AS requirements, the Company may, in accordance with its approved reserve policy, transfer an equivalent or higher amount from the Contingency Reserve to the Statement of Profit and Loss.

q. Taxes on Income:

(Applicable Standard: Ind AS 12 – Income Taxes)

i. Components of Tax Expense

Tax expense comprises current tax and deferred tax. It is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in Other Comprehensive Income (OCI) or directly in equity, in which case the related tax effect is also recognised in OCI or equity, respectively.

ii. Current Tax

Current tax is the amount of income tax payable on taxable profit for the year, computed in accordance with the applicable tax laws and rates enacted or substantively enacted at the reporting date. Taxable profit differs from accounting profit as it excludes income or expenses that are either taxable or deductible in other periods or not taxable/deductible at all.

iii. Deferred Tax

Deferred tax is recognised using the balance sheet approach, on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are recognised for all taxable temporary differences.

Notes on Standalone Financial Statements for the Year Ended March 31, 2026.

Deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax credits, and unused tax losses, to the extent it is probable that taxable profits will be available against which the deductible temporary differences and losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient future taxable profit will be available to allow all or part of the asset to be recovered.

Deferred tax is measured at the tax rates and laws that have been enacted or substantively enacted by the reporting date and are expected to apply in the period when the related asset is realised or the liability is settled. The measurement reflects the tax consequences based on the manner in which the Company expects to recover or settle the carrying amount of its assets and liabilities.

iv. Offsetting

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax assets against current tax liabilities and the deferred taxes relate to income taxes levied by the same taxation authority on the same entity.

v. Minimum Alternate Tax (MAT)

MAT paid under Section 115JB of the Income-tax Act, 1961 is recognised as a deferred tax asset, if it is probable that future taxable profit will be available against which MAT credit can be utilised. The asset is reviewed at each reporting date and written down to the extent the realisability is no longer probable.

r. Indirect Tax Input Credit:

Input Tax Credit (ITC) on purchases of goods, services, and capital goods is recognised in the books in the period in which the underlying goods or services are received and it is reasonably certain that the credit will be available under the applicable tax laws (e.g., Goods and Services Tax Act, 2017).

ITC recognised is classified under Current Assets in the financial statements and is set off against the applicable output tax liability in accordance with the provisions of the relevant tax laws and rules.

Unutilised ITC balances are carried forward to subsequent financial years to the extent eligible under the rules.

In cases where:

- Utilisation of credit is uncertain,
- Input credit is specifically disallowed, or
- Credit is not likely to be realised due to non-compliance or interpretation of law,

the corresponding ITC is reversed in the books and charged to the Statement of Profit and Loss in the period in which the related expense is incurred or disallowance is determined.

s. Contingency Reserve:

A contingency reserve represents a portion of retained earnings appropriated by the Company to cover potential future losses or unforeseen obligations. This reserve is created based on the Company's internal policy and prudent financial management practices and does not arise from any specific statutory requirement under Ind AS.

The contingency reserve is not created in response to any present obligation or probable outflow of resources as defined under Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets, and therefore, it is not recognised as a provision or liability. Instead, it is shown under 'Other Equity' in the financial statements.

The purpose of this reserve is to strengthen the Company's financial position and ensure the availability of funds to absorb any unexpected future losses, such as operational disruptions, claims, or contingencies not covered by existing provisions.

t. Provision and Contingencies:

i. Provisions

Provisions are recognised in accordance with the principles laid out under Ind AS 37 when the Company has a present legal or constructive obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate of the amount can be made.

Where the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. The unwinding of the discount is recognised as a finance cost in the Statement of Profit and Loss.

ii. Contingent Liabilities

A contingent liability, as defined under Ind AS 37, is disclosed where the existence of a present obligation is uncertain and will be confirmed only by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company, or where a present obligation does not meet the recognition criteria.

Claims considered frivolous or legally unsustainable, and where the likelihood of an outflow of resources is assessed to be remote, are not disclosed as contingent liabilities.

iii. Contingent Assets

Contingent assets are not recognised in the financial statements in accordance with Ind AS 37. Such assets are disclosed only when the realisation of income is virtually certain, in which case the related asset is recognised, not treated as contingent.

NOTES:

i. The godown deposit is treated as property deposit pending final outcome of application filed by the Company for repossession in the Court of Additional Rent Controller, Central District, Tiz Hazari Court, New Delhi.

ii. There are no provisions for doubtful debts or amounts written off or written back during the year for debts due from or to related parties.

39. Current assets, loans and advances have a value of at least equal to the amounts shown in the Balance Sheet, if realised in the ordinary course of business. The provision for all known liabilities is adequate and not in excess of amount considered reasonably necessary. There are no contingent liabilities other than those stated in Note No. 32.

40. The impact for adoption for IND-AS 116 in the Company's financial statements is not material as the Company has not entered into a long term lease agreement and the amount of lease rent paid is not of high value. However, the management will continue to assess its impact every year and account for the same, if required, as per IND-AS 116.

41. Deferred Tax Assets have been accounted on the basis of reassessment of previously unrecognized Deferred Tax Asset to be recovered.

CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR 2025-26

INDEPENDENT AUDITOR'S REPORT

To,
The Members of
Patel Integrated Logistics Limited

Report on the Audit of the Consolidated Financial Statements

We have audited the accompanying consolidated Ind AS Financial Statements of Patel Integrated Logistics Limited ("the Company"), its Subsidiaries (the Company and its Subsidiaries referred to as "Group") which comprise the consolidated Balance Sheet as on March 31, 2026, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated Financial Statements")

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2026, of consolidated profit, consolidated total Comprehensive Income, consolidated Changes in Equity and its consolidated Cash Flows for the year on that date.

Basis of opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

a) Revenue Recognition

The Company enters into contracts with customers for the provision of services. Revenue from these contracts is recognized in accordance with the requirements of Ind AS 115, Revenue from Contracts with Customers (as described in note 1B(m) of the stand-alone Ind AS financial statements).

Auditors' Responses

Principal Audit Procedures

- Assessing the Company's revenue recognition accounting policies in accordance with Ind AS 115, Revenue from Contracts with Customers.
- We obtained an understanding of management's internal controls over the revenue process and evaluated whether these have been designed in line with the Company's accounting policies.
- We tested relevant internal controls for revenue recognition.
- We performed test of details for the selected sample of revenue transactions during the year and traced these to underlying supporting documentation / evidence.

b) Evaluation of disputed claims against the company under various non-tax matters

The company has disputed claims against it which are pending at various courts/forums and are various stages in the judicial process. The management has exercised significant judgement in assessing the possible outflow in such matters and accordingly an amount of ₹560.12 lakhs has been disclosed in Note 33(3), for which the company is contingently liable while possibility of any outflow in these matters has been considered remote.

Auditors' Responses

Principal Audit Procedures

- Read and analysed key correspondences, internal/external legal opinions/consultations by management for key disputed non-tax matters.
- Reviewed and verified other legal pronouncements wherever available in similar matters in the case of the company/ other corporates.
- Discussed with appropriate senior management and evaluated management's underlying key assumptions in estimating the provisions; and
- Assessed management's estimate of the possible outcome of the disputed cases and relied on the management judgements in such cases.

Information other than the Financials Statements and Auditors' Report Thereon

The Group Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report and Management Discussion and Analysis, but does not include the Secretarial Audit Report, Consolidated financial statements and our auditor's report thereon. The Board's report and Management Discussion and Analysis are expected to be made to us after the date of this auditor's report. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Board's Report and Management Discussion and Analysis, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and make disclosures and take specific actions as per applicable laws and regulations, if required.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Sec 134(5) of companies Act 2013 with respect to the presentation and of these consolidated financial statements in term of the requirements of the Companies Act, 2013 (the Act) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act.

The responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the Audit of Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We are also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieve fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

“Annexure A” forming part of Independent Auditor’s Report

“Annexure A” forming part of Independent Auditor’s Report on the Consolidated Financial Statements of Patel Integrated Logistics Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls over financial reporting of Patel Integrated Logistics Limited (“the Company”) and its subsidiary company as of March 31, 2026 in conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to Consolidated Financial Statement of the Company, its subsidiary companies based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to Consolidated Financial Statements, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies which are companies incorporated in India, in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to Consolidated Financial Statements.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial control with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matter paragraph below, subsidiary companies have, in all material respects, an adequate internal financial controls with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements were operating effectively as at March 31, 2026 based on the criteria for internal financial control with reference to Consolidated Financial Statements established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matter

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated Financial Statements insofar as it relates to 2 subsidiary companies is based solely on the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of the above matter.

Notes on Consolidated Financial Statements for the Year Ended March 31, 2026.

1.A. Corporate Information

a. **General Information**

Patel Integrated Logistics Limited ("the Company") is a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 2013. The Company's registered office is located at Patel House, 48 Gazdhar Bandh, North Avenue Road, Santacruz West, Mumbai 400 054.

The equity shares of the Company are publicly traded and listed on the Bombay Stock Exchange (BSE), National Stock Exchange (NSE) and Calcutta Stock Exchange (CSE), and it operates under ISIN INE529D01014.

The Consolidated Financial Statements comprise the financial statements of the Holding Company and its subsidiaries (collectively referred to as "the Group"). During the financial year 2025-26, the Group expanded its corporate structure through the incorporation of the following entities:

- Rajpat Logistics Private Limited, a subsidiary in which the Holding Company exercises 60% equity control.
- House of Patels Limited, a wholly-owned subsidiary in which the Holding Company exercises 100% equity control.

b. **Principal Business Activities**

The Group is a multi-service enterprise engaged in the following core business streams:

- **Logistics Solutions:** Comprehensive logistics and supply chain management services, including air cargo consolidation, warehousing, surface transportation, and associated value-added services.
- **Gym and Wellness:** Provision of fitness-related services, including Gym and Wellness memberships/subscriptions and the commercial sale of health and dietary supplements.

c. **Approval of Financial Statements**

The consolidated financial statements of the Group for the financial year ended March 31, 2026, were reviewed by the Audit Committee and subsequently approved and authorized for issue by the Board of Directors in their meeting held on May 12, 2026, in accordance with a resolution of the directors.

1.B. Significant Accounting Policies

a. Basis for preparation of Consolidated Financial Statements:

These Consolidated Financial Statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified under Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended), and other relevant provisions of the Act.

The Consolidated Financial Statements comprise the financial statements of the Holding Company and its subsidiaries (collectively referred to as "the Group"). The financial statements of the companies comprising the Group are prepared up to the same reporting date (i.e., financial year ended March 31, 2026) using uniform accounting policies for like transactions and other events in similar circumstances.

The Consolidated Financial Statements have been prepared on a historical cost basis, except for the following material items that have been measured at fair value at the end of each reporting period as required by Ind AS 110:

- Certain financial assets and liabilities (including derivative instruments) measured at fair value (refer to the accounting policy on financial instruments).
- Defined benefit plans where plan assets are measured at fair value less the present value of the defined benefit obligation.

The Consolidated Financial Statements have been prepared on a going concern basis using the accrual method of accounting.

b. Principles of Consolidation:

Subsidiaries are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group and are deconsolidated from the date that control ceases.

The financial statements of the Holding Company and its subsidiaries are combined on a line-by-line basis by adding together like items of assets, liabilities, equity, incomes, expenses, and cash flows.

Intra-group balances and intra-group transactions are eliminated in full. Additionally, profits or losses resulting from intra-group transactions that are recognised in assets, such as Inventory and Property, Plant and Equipment, are eliminated in full.

Non-controlling interests (NCI) in the results and equity of subsidiaries are shown separately in the Consolidated Statement of Profit and Loss, Consolidated Statement of Changes in Equity, and Consolidated Balance Sheet respectively.

Initial Measurement of NCI: For each business combination/incorporation, the Group elects to measure any non-controlling interest in the acquiree either at fair value or at the non-controlling interest’s proportionate share of the acquiree’s identifiable net assets.

c. Functional and Presentation Currency:

The consolidated financial statements are presented in Indian Rupees (INR), which is the functional currency of the Group and the currency of the primary economic environment in which the Group operates.

Notes on Consolidated Financial Statements for the Year Ended March 31, 2026.

d. Rounding of Amounts:

All financial information presented in these consolidated financial statements has been rounded off to the nearest Lakhs (with two decimal places), as prescribed under Schedule III of the Companies Act, 2013, unless otherwise explicitly stated.

e. Property, Plant and Equipment (including Capital work-in-progress):

i. Recognition and Measurement

Items of Property, Plant and Equipment (PPE), other than freehold land, are measured at cost less accumulated depreciation and accumulated impairment losses, if any. Freehold land is carried at historical cost and is not depreciated.

The cost of an item of PPE comprises:

- Its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- Any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.
- The initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located (Decommissioning Liabilities), where applicable.

ii. Subsequent Expenditure

Subsequent expenditure is capitalized only when it is probable that future economic benefits associated with the expenditure will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance costs are recognized in the Statement of Profit and Loss as incurred.

iii. Leasehold Assets and Right-of-Use (ROU) Assets

Leases are recognized, measured, and presented in accordance with Ind AS 116 (Leases):

- Assets acquired under lease arrangements (including long-term leasehold land and leased premises for logistics hubs or fitness centers) are recognized as Right-of-Use (ROU) Assets at the commencement date of the lease, measured at cost less accumulated depreciation and impairment losses.
- The cost of ROU assets includes the amount of the initial measurement of lease liability, any lease payments made at or before the commencement date less any lease incentives received, any initial direct costs, and restoration costs.
- Exception: Short-term leases (lease term of 12 months or less) and leases of low-value assets are exempted from capitalization; lease payments for these are recognized as an expense on a straight-line basis over the lease term.

iv. Capital Work-in-Progress (CWIP)

Cost of assets not ready for intended use as on the Balance Sheet date are disclosed under Capital Work-in-Progress. CWIP includes the cost of property, plant and equipment under installation or active development, comprising direct costs, related incidental expenses, and attributable borrowing costs capitalized in accordance with the Group's accounting policy and Ind AS 23 (Borrowing Costs).

CWIP is carried at cost less accumulated impairment losses, if any. Capital work-in-progress is allocated to the respective asset class and depreciated from the date the asset is ready for its intended operational use.

f. Investment Property:

i. Recognition and Measurement

Investment property comprises land and/or buildings (or parts thereof) held to earn rentals or for capital appreciation (or both), rather than for:

- Use in the production or supply of goods or services, or for administrative purposes; or
- Sale in the ordinary course of business.

Investment property is initially measured at cost, which includes its purchase price, transaction taxes, legal and professional fees, and any other directly attributable expenditure incurred to bring the asset to its working condition for its intended use.

Subsequent to initial recognition, investment property is stated at cost less accumulated depreciation and accumulated impairment losses, if any, in accordance with the cost model prescribed under Ind AS 40 (Investment Property).

ii. Depreciation

Depreciation on the building component of investment property is calculated on a straight-line basis over the useful lives prescribed in Part C of Schedule II to the Companies Act, 2013. Freehold land classified under investment property is not depreciated.

The residual values, useful lives, and methods of depreciation are reviewed at each financial year-end and adjusted prospectively as a change in accounting estimate, if appropriate.

iii. Disposal and Derecognition

An investment property is derecognized upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from its disposal. Any gain or loss arising on derecognition of the property

Notes on Consolidated Financial Statements for the Year Ended March 31, 2026.

(calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the Statement of Profit and Loss in the period of derecognition.

g. Intangible Assets:

i. Recognition and Measurement

Intangible assets acquired separately (such as acquired logistics software licenses, ERP systems, or commercial gym management software) are measured on initial recognition at cost.

Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses, if any.

ii. Amortisation

Intangible assets with finite useful lives are amortized over their estimated useful lives on a straight-line basis, commencing from the date the asset is available for its intended use.

The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates to be adjusted prospectively.

iii. Derecognition

An intangible asset is derecognized upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising upon derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognized.

h. Depreciation / Amortization:

i. Method and Basis (Property, Plant and Equipment)

Depreciation on Property, Plant and Equipment (PPE) is provided on a straight-line basis over the useful lives of the assets as prescribed under Part C of Schedule II to the Companies Act, 2013.

To comply with the mandatory requirements of Ind AS 16 and Schedule II, the Group applies Component Accounting. Where significant parts/components of an item of PPE have different useful lives, they are accounted for as separate items and depreciated over their respective useful lives.

ii. Amortization of Right of Use (ROU) Assets and Leasehold Land.

Right-of-Use assets, including leasehold land and leased operating facilities, are amortized on a straight-line basis over the shorter of the remaining lease term or the estimated useful life of the underlying asset.

If the lease contract transfers ownership of the underlying asset to the Group by the end of the lease term, or if the cost of the ROU asset reflects that the Group will exercise a purchase option, the asset is depreciated over its useful life following the same basis applied to owned PPE.

iii. Timing of Depreciation and Amortization

Depreciation and amortization are calculated on a pro-rata basis from the exact date the asset is available for its intended operational use. For assets sold, discarded, or derecognized during the financial year, depreciation/amortization is charged up to the specific date of disposal or derecognition

iv. Review of Residual Values and Useful Lives

The residual values, useful lives, and methods of depreciation/amortization of assets are reviewed by management at the end of each financial year. Any changes identified are treated as a change in accounting estimate and adjusted prospectively in accordance with Ind AS 8 (Accounting Policies, Changes in Accounting Estimates and Errors).

i. Impairment of non-financial assets (Property, plant and equipment and intangible assets):

The Group assesses at each reporting date whether there is any indication that a non-financial asset (including Property, Plant and Equipment and Intangible Assets) or a group of assets forming a Cash-Generating Unit (CGU) may be impaired. If such indications exist, the Group estimates the recoverable amount of the individual asset or CGU.

The recoverable amount is the higher of:

- Fair value less costs of disposal, and
- Value in use, which is the present value of estimated future cash flows expected to arise from the continuing use of the asset or CGU, discounted using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset or CGU.

If the carrying amount of the asset or CGU exceeds its recoverable amount, the difference is recognised as an impairment loss in the Statement of Profit and Loss.

An impairment loss recognised in prior periods is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. Such a reversal is recognised in the Statement of Profit and Loss to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, had no impairment loss been recognised earlier.

Notes on Consolidated Financial Statements for the Year Ended March 31, 2026.

j. Financial Assets:

A. Initial recognition and measurement

Financial assets are recognized when the Group becomes a party to the contractual provisions of the instrument. All financial assets are initially measured at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset, with two critical exceptions:

- Financial assets measured at Fair Value Through Profit or Loss (FVTPL): Transaction costs are recognized immediately in the Statement of Profit and Loss.
- Trade Receivables: Trade receivables that do not contain a significant financing component are initially measured at their transaction price as defined under Ind AS 115 (Revenue from Contracts with Customers).

A regular way purchase or sale of financial assets is recognized and derecognized using trade date accounting (i.e., the date on which the Group commits to purchase or sell the asset).

B. Classification and Subsequent measurement

For purposes of subsequent measurement, financial assets are classified into three categories based on the Group's business model for managing the assets and the contractual cash flow characteristics of the asset:

a) Financial assets carried at amortised cost (AC)

A financial asset is measured at amortized cost if both of the following conditions are met:

- Business Model Test: The asset is held within a business model whose objective is to hold financial assets to collect contractual cash flows.
- SPPI Test: The contractual terms of the financial asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the Effective Interest Rate (EIR) method, less impairment losses, if any. Interest income, amortized costs, and impairment losses are recognized in the Statement of Profit and Loss

b) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is classified and measured at FVTOCI if both of the following conditions are met:

- Business Model Test: The asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.
- SPPI Test: The contractual terms meet the SPPI criteria.

Movements in the carrying amount are taken through Other Comprehensive Income (OCI), except for the recognition of impairment gains or losses, interest income, and foreign exchange gains and losses which are recognized in the Statement of Profit and Loss. Upon derecognition, cumulative gains or losses previously recognized in OCI are reclassified from equity to the Statement of Profit and Loss.

c) Financial assets at fair value through profit or loss (FVTPL)

Financial assets that do not meet the criteria for classification at amortized cost or FVTOCI are measured at FVTPL. Net gains or losses, including any interest or dividend income, arising from changes in the fair value of these assets are recognized in the Statement of Profit and Loss.

C. Investment in Equity Instruments

All equity investments in scope of Ind AS 109 are measured at fair value.

- Held for Trading / Default: Changes in fair value are recognized in the Statement of Profit and Loss.
- Strategic Investments (Irrevocable OCI Election): On initial recognition, the Group can make an irrevocable election (on an instrument-by-instrument basis) to present subsequent changes in the fair value of equity investments in OCI, provided they are not held for trading. Crucially, these gains or losses are never reclassified (recycled) to the Statement of Profit and Loss upon derecognition; instead, they are transferred directly within equity to Retained Earnings. Dividends from such investments are recognized in the Statement of Profit and Loss unless they clearly represent a recovery of part of the cost of the investment.

D. Impairment of financial assets

The Group recognizes a loss allowance for Expected Credit Losses (ECL) on financial assets measured at amortized cost or at FVTOCI (debt instruments).

- Trade Receivables (Simplified Approach): For all trade receivables (spanning both logistics clients and fitness subscribers), the Group applies the Simplified Approach permitted by Ind AS 109. This approach mandates the recognition of a lifetime expected credit loss allowance from the day the receivable is initially recognized, utilizing a provision matrix based on historical default rates adjusted for forward-looking macroeconomic factors.
- Other Financial Assets (General Approach): For other financial instruments (such as security deposits and bank balances), the Group applies the General Approach. Impairment losses are recognized as a 12-month ECL from initial recognition unless there has been a Significant Increase in Credit Risk (SICR) since inception. If an SICR is identified, the loss allowance is upgraded to a Lifetime ECL.

Notes on Consolidated Financial Statements for the Year Ended March 31, 2026.

Expected credit losses and reversals are recognized in the Statement of Profit and Loss as an impairment gain or loss.

E. Derecognition of Financial Assets

A financial asset is primarily derecognized when:

- The contractual rights to receive cash flows from the asset have expired; or
- The Group has transferred its rights to receive cash flows from the asset, or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement, and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

j. Financial Liabilities

(Applicable Standard: Ind AS 109 – Financial Instruments)

A. Initial Recognition and Measurement

Financial liabilities are recognized when the Group becomes a party to the contractual provisions of the instrument. All financial liabilities are initially recognized at fair value.

In the case of borrowings, trade payables, and other interest-bearing financial liabilities, initial measurement is net of directly attributable transaction costs (such as processing fees or debt issuance costs). For financial liabilities classified at Fair Value Through Profit or Loss (FVTPL), transaction costs are expensed immediately in the Statement of Profit and Loss.

Fees and charges of a recurring nature related to credit facilities or bank guarantees are recognized directly in the Statement of Profit and Loss as part of finance costs in the period in which they are incurred.

B. Classification and Subsequent Measurement

For purposes of subsequent measurement, financial liabilities are classified into two categories:

a) Financial Liabilities at Amortized Cost

This is the default and primary category for the Group’s financial liabilities. Subsequent to initial recognition, borrowings, trade payables, lease liabilities (under Ind AS 116), and other contractual financial obligations are measured at amortized cost using the Effective Interest Rate (EIR) method.

Gains and losses are recognized in the Statement of Profit and Loss when the liabilities are derecognized as well as through the EIR amortization process. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

Note: For trade and other payables maturing within twelve months from the reporting date, the carrying amounts approximate their fair value due to the short-term nature of these instruments.

b) Financial Liabilities at Fair Value Through Profit and Loss (FVTPL)

Financial liabilities are classified as FVTPL if they are held for trading or are designated as such upon initial recognition. This includes derivative financial instruments entered into by the Group that are not designated as hedging instruments. Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

C. Derecognition of Financial Liabilities

A financial liability is derecognized when the obligation under the liability is discharged, cancelled, or expires.

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

k. Membership shares of a Co-operative Housing Society

(Applicable Standard: Ind AS 109 – Financial Instruments)

Membership shares held in a Co-operative Housing Society are acquired as a statutory requirement to obtain legal possession, occupancy rights, and quiet enjoyment of the Group's commercial office/warehouse premises.

Because these shares are non-transferable independent of the property and carry no separate market value, they are treated as an integral component of the underlying real estate asset. Accordingly, they are classified and accounted for under Property, Plant and Equipment (Ind AS 16) or Investment Property (Ind AS 40) as part of the cost of the building premises, and are depreciated or tested for impairment in tandem with the primary asset.

l. Derecongnition and Profit / Loss on sale of Financial Investments

(Applicable Standard: Ind AS 109 – Financial Instruments)

Gains or losses arising from the disposal or derecognition of financial investments are recognized in the Statement of Profit and Loss on the date the trade is executed.

The realized gain or loss is computed as the difference between the net disposal proceeds received and the carrying amount of the investment at the time of sale. Where a portion of a identical financial asset portfolio is redeemed or sold (such as mutual fund units or listed equity blocks), the carrying amount of the specific units sold is determined using the First-In, First-Out (FIFO) method.

Notes on Consolidated Financial Statements for the Year Ended March 31, 2026.

Investments are classified as Current or Non-Current on the face of the Balance Sheet based on the criteria prescribed under Schedule III to the Companies Act, 2013, determined by management's intent and expectations regarding monetization within twelve months from the reporting date.

m. Policy for Revenue Recognition:

(Applicable Standard: Ind AS 115 – Revenue from Contracts with Customers and Ind AS 109 – Financial Instruments, where applicable)

i. General Recognition Principle

Revenue and expenses are recognised on an accrual basis, when it is probable that the economic benefits will flow to the Group and the amount of revenue or cost can be measured reliably, except in cases involving significant uncertainty of collection, in which case revenue is recognised on a receipt basis.

ii. Demurrage and Delivery Charges

Revenue towards demurrage charges, delivery charges, and recoveries from undelivered consignments is recognised only when the amounts are ultimately realised, owing to inherent uncertainties in collection. Freight recoveries include amounts certified by management as recoverable on undelivered consignments, along with other allied service charges accounted for on a consistent basis.

iii. Co-loading and Cargo Division Income

Income from courier and cargo bookings (including co-loading arrangements) is recognised upon booking of load, when the control over the service has been transferred and performance obligation is deemed satisfied as per contractual terms.

iv. Cargo Freight and Commission

Cargo freight charges are accounted for on a gross basis. Any commission income received in relation to freight services, including those from Franchisees or Business Associates, is recognised under Revenue from Operations upon satisfaction of performance obligations under respective agreements.

v. Gym and Wellness

Revenue from membership subscriptions for gym and wellness services is recognised at the time of enrolment, when the customer obtains control of the service. Revenue from the sale of health supplements or gym equipment is recognised at the time of transfer of control, typically on delivery or invoice date.

vi. Dividend Income

Dividend income from investments is recognised in accordance with Ind AS 109, when the Group's right to receive payment is established, which is generally upon receipt of dividend.

vii. Other Income

All other income is recognised on an accrual basis unless there is significant uncertainty regarding ultimate collection, in which case it is recognised on a receipt basis.

viii. Expense Netting

Administrative and other expenses are presented net of recoveries, wherever applicable, in accordance with the principle of reflecting true net cost incurred.

n. Employee Benefits:

(Applicable Standard: Ind AS 19 – Employee Benefits)

i. Short Term Employee Benefits

Short-term employee benefits are benefits that are expected to be settled wholly within twelve months after the end of the reporting period in which the employees render the related service. These include salaries, wages, short-term compensated absences (such as paid casual and sick leaves), and performance bonuses.

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognized as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

ii. Post-Employment Benefits

A. Defined Contribution Plans

The Group makes mandatory monthly contributions towards the government-administered Provident Fund and Pension Fund, which are classified as Defined Contribution Plans. The Group's legal or constructive obligation is strictly limited to the monthly amounts contractually contributed to these regulatory funds.

The contributions are recognized as an employee benefits expense in the Statement of Profit and Loss in the periods during which the related services are rendered by the employees.

Notes on Consolidated Financial Statements for the Year Ended March 31, 2026.

B. Defined Benefit Plans

The following are considered defined benefit obligations:

a) Gratuity

The Group provides for gratuity to employees in accordance with the Payment of Gratuity Act, 1972, payable to employees who have completed five years or more of continuous service, at the time of retirement, resignation, or death. The gratuity amount is computed at 15 days' basic salary for every completed year of service.

b) Leave Encashment (Earned Leave Benefit)

The Group also provides for encashment of unutilised earned leave, which accrues to employees and is eligible for carry forward. This benefit is treated as a defined benefit plan as the leave liability is expected to be settled beyond 12 months from the reporting date.

Both gratuity and leave encashment liabilities are actuarially valued at each reporting date using the Projected Unit Credit Method, based on assumptions including salary escalation, attrition rates, mortality, and discount rates.

The present value of the defined benefit obligation is recognised as a liability in the Balance Sheet.

Actuarial gains and losses arising from changes in actuarial assumptions and experience adjustments are recognised immediately in Other Comprehensive Income (OCI) and are not reclassified to profit or loss subsequently.

The valuations are carried out by an independent actuary and by a recognised insurance agency such as the Life Insurance Corporation of India (LIC).

o. Foreign Currency Transactions:

(Applicable Standard: Ind AS 21 – The Effects of Changes in Foreign Exchange Rates)

Foreign currency transactions are recorded in the functional currency, i.e., Indian Rupees (INR), by applying the exchange rate prevailing at the date of the transaction.

Monetary items denominated in foreign currencies (such as trade receivables, trade payables, loans, and bank balances) are translated at the exchange rates prevailing on the reporting date (i.e., balance sheet date).

Exchange differences arising on:

- the settlement of such transactions, and
- the restatement of monetary items at the closing exchange rate

are recognised as income or expense in the Statement of Profit and Loss in the period in which they arise.

Non-monetary items that are measured at historical cost are not retranslated. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rate at the date when the fair value was measured.

p. Recoverability of Trade Receivable:

(Applicable Standards: Ind AS 109 – Financial Instruments, Ind AS 1 – Presentation of Financial Statements)

The Group exercises significant judgment in assessing the recoverability of overdue trade receivables, including the determination of an appropriate loss allowance (impairment provision). This assessment involves consideration of various qualitative and quantitative factors, including:

- The aging profile of receivables,
- The creditworthiness and historical payment behavior of customers,
- The expected timing and amount of future cash inflows,
- Any legal or recovery actions initiated, and
- Relevant forward-looking macroeconomic indicators affecting customer risk profiles.

In accordance with Ind AS 109, the Group applies the Expected Credit Loss (ECL) model using the simplified approach for trade receivables, whereby a lifetime expected loss allowance is recognised from the time of initial recognition.

While ECL provisions and actual credit losses are recognised in the Statement of Profit and Loss in line with Ind AS requirements, the Group may, in accordance with its approved reserve policy, transfer an equivalent or higher amount from the Contingency Reserve to the Statement of Profit and Loss.

q. Taxes on Income:

(Applicable Standard: Ind AS 12 – Income Taxes)

i. Components of Tax Expense

Tax expense comprises current tax and deferred tax. It is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in Other Comprehensive Income (OCI) or directly in equity, in which case the related tax effect is also recognised in OCI or equity, respectively.

ii. Current Tax

Current tax is the amount of income tax payable on taxable profit for the year, computed in accordance with the applicable tax laws and rates enacted or substantively enacted at the reporting date. Taxable profit differs from accounting profit as it excludes income or expenses that are either taxable or deductible in other periods or not taxable/deductible at all.

Notes on Consolidated Financial Statements for the Year Ended March 31, 2026.

iii. Deferred Tax

Deferred tax is recognised using the balance sheet approach, on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax credits, and unused tax losses, to the extent it is probable that taxable profits will be available against which the deductible temporary differences and losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient future taxable profit will be available to allow all or part of the asset to be recovered.

Deferred tax is measured at the tax rates and laws that have been enacted or substantively enacted by the reporting date and are expected to apply in the period when the related asset is realised or the liability is settled. The measurement reflects the tax consequences based on the manner in which the Group expects to recover or settle the carrying amount of its assets and liabilities.

iv. Offsetting

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax assets against current tax liabilities and the deferred taxes relate to income taxes levied by the same taxation authority on the same entity.

v. Minimum Alternate Tax (MAT)

MAT paid under Section 115JB of the Income-tax Act, 1961 is recognised as a deferred tax asset, if it is probable that future taxable profit will be available against which MAT credit can be utilised. The asset is reviewed at each reporting date and written down to the extent the realisability is no longer probable.

r. Indirect Tax Input Credit:

Input Tax Credit (ITC) on purchases of goods, services, and capital goods is recognised in the books in the period in which the underlying goods or services are received and it is reasonably certain that the credit will be available under the applicable tax laws (e.g., Goods and Services Tax Act, 2017).

ITC recognised is classified under Current Assets in the financial statements and is set off against the applicable output tax liability in accordance with the provisions of the relevant tax laws and rules.

Unutilised ITC balances are carried forward to subsequent financial years to the extent eligible under the rules.

In cases where:

- Utilisation of credit is uncertain,
- Input credit is specifically disallowed, or
- Credit is not likely to be realised due to non-compliance or interpretation of law,

the corresponding ITC is reversed in the books and charged to the Statement of Profit and Loss in the period in which the related expense is incurred or disallowance is determined.

s. Contingency Reserve:

A contingency reserve represents a portion of retained earnings appropriated by the Group to cover potential future losses or unforeseen obligations. This reserve is created based on the Group's internal policy and prudent financial management practices and does not arise from any specific statutory requirement under Ind AS.

The contingency reserve is not created in response to any present obligation or probable outflow of resources as defined under Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets, and therefore, it is not recognised as a provision or liability. Instead, it is shown under 'Other Equity' in the financial statements.

The purpose of this reserve is to strengthen the Group's financial position and ensure the availability of funds to absorb any unexpected future losses, such as operational disruptions, claims, or contingencies not covered by existing provisions.

t. Provision and Contingencies:

i. Provisions

Provisions are recognised in accordance with the principles laid out under Ind AS 37 when the Group has a present legal or constructive obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate of the amount can be made.

Where the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. The unwinding of the discount is recognised as a finance cost in the Statement of Profit and Loss.

ii. Contingent Liabilities

A contingent liability, as defined under Ind AS 37, is disclosed where the existence of a present obligation is uncertain and will be confirmed only by the occurrence or non-occurrence of one or more future events not wholly within the control of the Group, or where a present obligation does not meet the recognition criteria.

Claims considered frivolous or legally unsustainable, and where the likelihood of an outflow of resources is assessed to be remote, are not disclosed as contingent liabilities.

iii. Contingent Assets

Contingent assets are not recognised in the financial statements in accordance with Ind AS 37. Such assets are disclosed only when the realisation of income is virtually certain, in which case the related asset is recognised, not treated as contingent.

ii. There are no provisions for doubtful debts or amounts written off or written back during the year for debts due from or to related parties.

40. Current assets, loans and advances have a value of at least equal to the amounts shown in the Balance Sheet, if realised in the ordinary course of business. The provision for all known liabilities is adequate and not in excess of amount considered reasonably necessary. There are no contingent liabilities other than those stated in Note No. 33.

41. The impact for adoption for IND-AS 116 in the Company's financial statements is not material as the Company has not entered into a long term lease agreement and the amount of lease rent paid is not of high value. However, the management will continue to assess its impact every year and account for the same, if required, as per IND-AS 116.

42. Deferred Tax Assets have been accounted on the basis of reassessment of previously unrecognized Deferred Tax Asset to be recovered.

Notes on Consolidated Financial Statements for the Year Ended March 31, 2026.
