The recommendation of the Board of Directors of the Company (the "Board") in terms of Regulation 17(11) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") is also provided in the said Statement.
3. The 35th AGM of the Company is being convened through VC/OAVM in compliance with the applicable provisions of the Act read with the MCA Circulars and Listing Regulations. In accordance with the provisions of Secretarial Standards – 2 on General Meetings issued by the Institute of Company Secretaries of India ("ICSI") read with Guidance/ Clarification dated April 15, 2020 issued by ICSI, the proceedings of the AGM shall be deemed to be conducted at the Registered Office of the Company which shall be the deemed venue of the AGM.
4. Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), Regulation 44 of the Listing Regulations, Secretarial Standards on General Meeting (SS-2) issued by the Institute of Company Secretaries of India and the MCA Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM and facility for those Members participating in the AGM to cast vote through e-voting system during the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized agency. CDSL will be providing facility for voting through remote e-voting, for participation in the 35th AGM through VC/ OAVM facility and e-voting during the 35th AGM. The instructions and other information relating to e-voting and the detailed procedure for participating in the meeting through VC / OAVM are given in this Notice under note no 24 to 27.
5. In terms of the MCA Circulars, since the physical attendance of Members has been dispensed with, there is no requirement for the appointment of proxies. Accordingly, the facility to appoint proxies to attend and cast vote for the Members is not available for this AGM. However, in pursuance of Section 113 of the Act, and rules made thereunder, the Body Corporates Members are entitled to appoint their authorised representatives to attend the AGM through VC/OAVM and participate and cast their votes through remote e-voting and e-voting during the 35th AGM of the Company. Hence, the Proxy Form and Attendance Slip are not annexed to this Notice.
6. Institutional/Corporate Shareholders (i.e. other than individuals, HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., with attested specimen signature of the duly authorized signatory(ies) authorizing its representative to attend the AGM through VC/OAVM on its behalf and to vote through remote e-voting and e-voting during AGM, to the Scrutinizer by email through its registered email address to cszafar@gmail.com with a copy marked to riteshlimited8@gmail.com and helpdesk.evoting@cdslindia.com.
7. The quorum for the Annual General Meeting, as provided in Section 103 of the Act, is thirty members (including a duly authorized representative of a body corporate) and the members present in the meeting through VC/OAVM shall be counted for the purpose of quorum pursuant to MCA Circulars.
Voting rights of the members for voting through e-voting shall be in proportionately the share of the paid-up Share Capital of the Company as on cut-off date i.e. 23rd September, 2022.
8. In case of joint holders, the member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
9. Recorded transcript of the Meeting shall be uploaded on the website of the Company and the same shall also be maintained in safe custody of the Company. The registered office of the Company shall be deemed to be the place of Meeting for the purpose of recording of the minutes of the proceedings of this AGM.
10. Members are requested to intimate changes, if any, pertaining to their name, postal address, e-mail address, telephone/mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, to their DPs in case shares are held in electronic form or to Company's RTA i.e. Skyline Financial Services Private Limited in case shares are held in physical form.
11. Dispatch of Annual Report through E-mail

In accordance with the MCA Circulars and SEBI Circulars, the Notice of the 35th AGM along with the Annual Report of the Company for the financial year ended 31st March, 2022 are being sent only through electronic mode (e-mail) to those Members whose email addresses are registered with the Company or the Registrar and Share Transfer Agent (the "RTA") or with their respective Depository Participant/s (DPs).

Members may note that the Notice and Annual Report for the financial year ended 31st March, 2022 is also available on the Company's website www.riteshindustries.us, websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com respectively and the AGM Notice is also available on the website of CDSL (Agency for providing the Remote e-voting facility) at www.evotingindia.com.

We urge the shareholders for registration and/or updation of their Email id, Permanent Account Number (PAN) and bank mandate with the Company to ensure receipt of Annual Report, dividend and/or any other consideration and other communication timely, faster and easier and more importantly avoids fraudulent encashment of warrants.

Accordingly, to update the details with the Company, the following procedure may be followed:

Updating/ Registration	Procedure
Email Id & PAN	Physical Holding: An email requesting for updation/ registration of email id with a copy of PAN card and mentioning folio number may be send to the Company's email id at riteshlimited8@gmail.com or, Company's Registrar and Share Transfer Agent email id at grievances@skylinerta.com .
	Demat Holding: Update the email id/PAN through your Depository Participant. The Company had availed the service provided by CDSL to update email id of shareholders who has demat account with CDSL but has not yet updated email id, by sending SMS to those shareholders to update their email id.
Bank Mandate	Physical Holding: An email requesting for updation/registration of Bank Mandate with a copy of PAN card, cancelled cheque with name printed on cheque, copy of share certificate or any letter received from Company or dividend warrant where folio number is mentioned may be send to the Company's email id at riteshlimited8@gmail.com or, Company's Registrar and Share Transfer Agent email id at grievances@skylinerta.com .
	Demat Holding: Update the Bank mandate through your Depository Participant

The Company has also issued public notice dated 07 September, 2022 urging the shareholders for registration and/or updation of their email id, Permanent Account Number (PAN) and bank mandate with the Company to ensure receipt of Annual Report, dividend and/or any other consideration and other communication timely, faster and easier and more importantly avoids fraudulent encashment of warrants.

12. Members may please note that in view of the proviso to Regulation 40(1) of the Listing Regulations, securities of listed companies can be transferred only in dematerialised form (DEMAT) with effect from 1st April, 2019 except in case of request received for transmission or transposition of securities. Dematerialisation of shares would help to eliminate risks associated with Physical Shares. In this regard, SEBI has clarified by a Press Release No. 12/2019 dated March 27, 2019, that the said amendments do not prohibit an investor from holding the shares in physical mode and the investor has the option of holding shares in physical mode even after April 1, 2019. However, any investor who is desirous of transferring shares (which are held in physical mode) after April 1, 2019, can do so only after the shares are dematerialized.
13. SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their Demat accounts. Members holding shares in physical form can submit their PAN to the Company or its Registrar and Share Transfer Agent.
14. As per the provisions of Section 72 of the Act the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. The said form can be downloaded from the Company's website, www.riteshindustries.us members are requested to submit the said details to their DPs in case the shares are held by them in electronic form and to the Registrar and Share Transfer Agent in case the shares are held in physical form.
15. Members who hold shares in physical form in multiple folios in identical names or joint names in the same order of names are requested to send the share certificates to the Company's RTA for consolidation into single folio.
16. Members are requested to intimate about change in their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number (PAN), mandates,

nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to the Company's Registrar and Share Transfer Agent, M/s Skyline Financial Services Private Limited, Address : D-153A, 1st Floor, Okhla Industrial Area, Phase-I, New Delhi 110020 (Phone No.: 011-40450193-97; Email: info@skylinerta.com in case the shares are held in physical form and to the Depository Participants (DPs) in case of shares held in electronic form.

(b) Particulars of their bank account maintained in India with complete name, branch, account type, account number and address of the bank with pin code number, if not furnished earlier.
18. The Board has appointed Mr. Mohd. Zafar, Practising Company Secretary (FCS: 9184), as the scrutinizer to scrutinize the remote e-voting process and also e-voting during the AGM in a fair and transparent manner. The Scrutinizer shall after the conclusion of e-voting at the 35th AGM, first download the votes cast at the AGM and thereafter unblock the votes cast through remote e-voting system and shall make a consolidated Scrutinizer's Report.
19. The result declared along with the Scrutinizer's Report shall be placed on the Company's website www.riteshindustries.us immediately after declaration. The Company shall simultaneously forward the results to BSE Limited, where the shares of the Company are listed.
20. Recorded transcript of the Meeting shall be uploaded on the website of the Company and the same shall also be maintained in safe custody of the Company.
21. To support the 'Green Initiative', the Members who have not registered their e-mail addresses are requested to register the same with the Company's Registrar and Share Transfer Agent/ Depositories for receiving all communications including Annual Reports, Notices, Circulars etc. from the Company electronically.
22. Ms. Tarandeep Kaur, Company Secretary and Compliance Officer of the Company shall be responsible for addressing all the grievances in relation to this AGM including e-voting. The Members may contact at the following address: Name: Ms. Tarandeep Kaur Designation: Company Secretary and Compliance Officer Registered Office: 11/5B, First Floor, Pusa Road, New Delhi 110060, Delhi Email id: riteshlimited8@gmail.com; Phone No.: 011-41537951.

25. THE INSTRUCTIONS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- i. The remote e-voting period begins at 09:00 a.m. on Tuesday, 27th September, 2022 and ends at 05:00 p.m. on Thursday, 29th September, 2022. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. Friday, 23rd September, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09th December, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.
- iv. 30. The compliance certificate issued by the Statutory Auditor as required under Chapter V of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, based on the instructions of the Stock Exchange i.e. BSE Limited, related to issue of Optionally Fully Convertible Debentures on preferential basis is attached herewith for noting of the shareholders.

Independent Auditor's Certificate on the compliance with the conditions of proposed Private/ preferential allotment by Ritesh Properties and Industries Limited in terms of Chapter V of the Securities Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations 2018.

To,

The Board of Directors

Ritesh Properties and Industries Limited

11/5B, Pusa Road, New Delhi -110060

1. In connection with the proposed issuance of optionally fully convertible debentures by way of private/preferential issue on a private placement basis (hereinafter 'proposed preferential issue') of the Company, the Company is required to obtain a certificate from Statutory Auditors, with regard to compliance with the conditions of the proposed private/preferential issue, as per the requirements of sub-para 2 of para 163 of Part III of chapter V of the Security and Exchange Board of India (Issue of Capital and Disclosure Requirements) regulations 2018, as amended (the "ICDR Regulations").
2. The accompanying notice of EGM contains details of proposed preferential issue being made, as required by ICDR Regulations is prepared by the Management of the Company, which we have initialed for identification purposes only.

Management's Responsibility for the Statement

3. The preparation of the accompanying Statement, including the preparation and maintenance of all accounting and other relevant supporting records and documents, is solely the responsibility of the Management of the Company. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and presentation of the Statement, and applying an appropriate basis of preparation; and making estimates that are reasonable in the circumstances.
4. The Management is also responsible for ensuring that the Company complies with the below requirements of the ICDR Regulations:
 - i. Determine the relevant date, being the date thirty days prior to the date on which the meeting of shareholders is held to consider the proposed preferential issue;
 - ii. Determination of the minimum price of equity shares being higher of:
 - a. the average of the weekly high and low of the volume weighted average price of the related equity shares quoted on the recognized stock exchange during the twenty-six weeks preceding the relevant date; or

- b. the average of the weekly high and low of the volume weighted average prices of the related equity shares quoted on a recognized stock exchange during the two weeks preceding the relevant date;
- iii. compliance with the requirements of the ICDR Regulations.

Auditor's Responsibility

5. Pursuant to the requirements of sub-para 2 of para 163 of Part III of chapter V of the ICDR Regulations, it is our responsibility to obtain limited assurance and conclude as to whether the details of the proposed private/preferential issue provided in the Statement is in accordance with the requirements of the ICDR Regulations as applicable to the preferential issue.
6. We conducted our examination of the Statement in accordance with the Guidance Note on Reports or Certificates for Special Purposes (Revised 2016) ('Guidance Note'), issued by the Institute of Chartered Accountants of India (the "ICAI"). The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by ICAI.
7. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements issued by ICAI
8. A limited assurance engagement includes performing procedures to obtain sufficient appropriate evidence that vary in nature, timing and extent than a reasonable assurance engagement. Consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had we performed a reasonable assurance engagement. Accordingly, we have performed the following procedures in relation to the Statement:
 - a. Noted the relevant date, being the date thirty days prior to the date on which the meeting of shareholders is held to consider the proposed private/preferential issue;
 - b. Verified the calculation of the minimum price of the equity shares to be allotted in private/preferential issue in accordance with pricing formula given in 5(ii) above;
 - c. Obtained and read the statutory registers of the Company to note equity shares are fully paid up;

- d. Read the certified copy of the board resolution passed at the Board Meeting produced before us by the management containing the list of the Proposed Allottees.
- e. Read the certified copy of the notice of general meeting produced before us by the management.
- f. Recomputed the arithmetical accuracy of the Statement; and
- g. Conducted relevant management inquiries and obtained necessary representations.

Independent Auditor's Certificate on the compliance with the conditions of proposed private/preferential allotment by Ritesh Properties and Industries Limited in terms of Chapter V of the Securities Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations 2018 (Cont'd)

Conclusion

9. Based on our examination as above, and the information and explanations given to us, nothing has come to our attention that causes us to believe that the details of the proposed preferential issue provided in the Statement are not in accordance with the requirements of the ICDR Regulations as applicable to the private/preferential issue, except that the special resolution required for approval of shareholders for proposed preferential issue is yet to be passed as required by the ICDR Regulations

Restriction on distribution or use

10. Our work was performed solely to assist you in meeting your responsibilities in relation to your compliance with the ICDR Regulations. Our obligations in respect of this certificate are entirely separate from, and our responsibility and liability is in no way changed by, any other role we may have as statutory auditors of the Company or otherwise. Nothing in this certificate, nor anything said or done in the course of or in connection with the services that are subject of this certificate, will extend any duty of care we may have in our capacity as statutory auditors of the Company.
11. This certificate is addressed to and provided to the Board of Directors of the Company solely with the purpose of placing before shareholders' of the Company (on the website of the Company) so as to provide them requisite information for

approving the proposed preferential issue of OFCD and for the purpose of further submission to the stock exchanges and should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Economic Overview:

Despite the resurgence of the pandemic and expectations around its consequent impact, the Indian Economy has exhibited resiliency during these uncertain times and remains on the recovery path led by the efforts of the Government and policy support from the Central Bank. As per provisional estimates released by the National Statistical Office, India's real GDP contraction was estimated at 7.3% for the fiscal. The Central Bank, in its recent policy, has revised the economic growth estimates. The real GDP growth for Fiscal 2022 is now pegged at 9.5%. The inflation trajectory and rise in international commodity prices pose risks. However, a good monsoon backed by Government support should spur recovery. The Government is scaling up the vaccination rollout programme to support broad-based economic recovery.

Industry Structure and Developments

The year gone by has been a period of unprecedented challenges and uncertainties caused by the pandemic. This was compounded by its cascading effect in every facet of the economy and the industry. The real estate industry too, witnessed changes. This was as a result of systemic structural reforms and policy changes. The residential segment in particular has exhibited a surge with the fundamental growth drivers falling into place. The industry remains cognizant of the evolving market conditions with developers exhibiting adaptability along with agility to respond to the current situation. The Central and some State Governments have been proactive in taking steps to boost the housing industry. Various fiscal incentives announced by certain states, including stamp duty waiver and reduced charges, have aided growth. The establishment of a Special Window for Affordable and Mid-Income Housing (SWAMIH), to provide last mile financing for completion of stalled housing projects, is also aiding in completion of projects which had been held up and instilling further confidence in the consumers. 'Housing for All' under the Pradhan Mantri Awas Yojana and continued tax incentives for affordable segment provided by the Government will further boost sector dynamics. Consolidation in favour of the large, credible and organised players is clearly evident in the residential segment.

Opportunities and challenges

i. Opportunities

As India awaits policy reforms to pick up speed, your Company firmly believes that the demand for Real Estate in a country like India should remain strong in the medium to long term. Your

Company's well accepted brand, contemporary architecture, well designed projects in strategic locations, strong balance sheet and stable financial performance even in testing times make it a preferred choice for customers and shareholders. Your Company is ideally placed to further strengthen its development potential by acquiring new land parcels.

ii. Challenges

While the management of your Company is confident of creating and exploiting the opportunities, it also finds the following challenges such as unanticipated delays in project approvals; availability of accomplished and trained labour force; concern due to ongoing pandemic situation; increased cost of manpower; rising cost of construction; growth in auxiliary infrastructure facilities; and over regulated environment.

Material developments in Human Resources / Industrial Relations front, including number of people employed

The Company leverages diversity of knowledge, qualification, skill, professional experience, culture, geography and sectoral understanding to enhance its competitiveness. The Company believes in creating an inclusive environment, where diverse perspectives can enrich strategic perspectives. To enhance inclusiveness at work, our 'gender sensitivity' workshops sensitise the environment in strengthening our conduct towards women colleagues. The Company's holistic wellness programme sensitised employees around work-life balance and importance of a healthy lifestyle, emotional, physical well-being and prevention of diseases. The Company also rolled out a structured program to vaccinate all its employees and their families along with contractors'/ partners' staff & their families. As of March 31, 2022, the Company had 14 full time employees.

Financial Performance of the Company

During the year under review, your Company's operating income on Consolidated Basis was Rs. 19935.24 lakh. The Company has earned a profit after tax on Consolidated Basis of Rs. 4050.01lakh during the period under review. The revenue of the Company is generated from three segments namely development of real estate, textile division and investment division.

Outlook

Financial Year 2021-22 was an exciting year for the real estate sector, wherein we witnessed second wave led demand deferment in the first quarter, followed by a brisk sales recovery in the later part of the year.

Post-pandemic, developers have moved away from the traditional way of doing business and rightly focused on end-user customer demand with a strong focus on innovation and digital transformation. We believe Financial Year 2022-23 will witness a healthy sales momentum backed by solid structural foundation, sustained demand and relatively affordable mortgage rates. Financially strong and reputed developers with superior execution capabilities stand to benefit disproportionately from the ongoing cyclical upturn.

Risks and Concerns

In the course of its business the Company is exposed to stiff competition from other established developers in the market. In addition, it is exposed to certain market related risks, such as increase in interest rates and foreign currency rates, customer risks, changes in the government policies and unanticipated delays in project approvals. However, with the competitive advantages, as aforementioned, the Company is well posed to mitigate all such risks.

Internal control systems and their adequacy

INDEPENDENT AUDITOR'S REPORT

To the Members of
Ritesh Properties and Industries Limited

Report on the Audit of the Standalone Financial Statements

1. Opinion

We have audited the accompanying Standalone Financial Statements of **Ritesh Properties and Industries Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss including Other Comprehensive Income, Statement of changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Standalone Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its loss including other comprehensive loss, changes in equity and its cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SA"s) specified under Section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current year. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1.	Evaluation of Provision and Contingent Liabilities:	Our Audit procedure included:
	<p>As at the Balance Sheet date, the Company has significant open litigation and other contingent liabilities as disclosed in note no. 37. The assessment of the existence of the present legal or constructive obligation, analysis of the probability or possibility of the related payment require the management to make judgement and estimates in relation to the issues of each matter.</p> <p>The management with the help of opinion and advise of its experts have made such judgements and estimates relating to the likelihood of an obligation arising and whether there is a need to recognize a provision or disclose a contingent liability.</p> <p>Due to the inherent complexity and level of judgement relating to recognition, valuation and presentation of provision and contingent liabilities, this is considered a key audit matter.</p>	<ul style="list-style-type: none"> We have reviewed and held discussions with the management to understand their processes to identify new possible obligations and changes in existing obligations for compliance with the requirements of Ind AS 37 on Provisions, Contingent Liabilities and Contingent Assets. We have also discussed with the management significant changes from prior periods and obtained a detailed understanding of these items and assumptions applied. <p>In addition, we have reviewed:</p> <ul style="list-style-type: none"> the details of the proceedings before the relevant authorities including communication from the advocates / experts; legal advises / opinions obtained by the management, if any, from experts in the field of law on the legal cases; status of each of the material matters as on the date of the balance sheet. We have assessed the appropriateness of provisioning based on assumptions made by the management and presentation of the significant contingent liabilities in the Standalone Financial Statements.

4. Information other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Company's Annual Report, Management Discussion and Analysis, Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Standalone Financial Statements and our auditor's report thereon. The other information comprising the above documents is expected to be made available to us after the date of this auditor's report.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

5. Responsibilities of Management's for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

6. Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

- As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any

significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

7. Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure-A a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid Standalone Financial Statements comply with the Ind AS specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Ind AS Standalone Financial Statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure B";
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanation given to us, the managerial remuneration for the year ended March 31, 2022 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V of the Act;
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations

given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements – Refer Note 35 to the Standalone Financial Statements;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses– Refer Note 35 to the Standalone Financial Statements;
- iii. There were no amounts, which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in the notes to accounts, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in the notes to accounts, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declare or paid any dividend during the year.

Annexure – B to the Independent Auditors'

Report on the Standalone Financial Statements

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

To the Members of

Ritesh Properties and Industries Limited

We have audited the internal financial controls over financial reporting of **Ritesh Properties and Industries Limited** ("the Company") as of 31st March 2022 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including

the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become

inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31STMARCH, 2022

1. Company Overview

Ritesh Properties & Industries Ltd (the company) is engaged in the business of Real Estate Business, Textiles, trading in Shares and Derivatives. The company is a public limited company incorporated and domiciled in India and has its registered office at 11/5B, Pusa Road, New Delhi – 110060. Shares of the company are listed on Bombay Stock Exchange, Mumbai, India.

Pursuant to Scheme of Amalgamation (Scheme) of Ritesh Spinning Mills Limited, Ritesh Impex Private Limited and H. B. Fibres Limited with the company under section 230 to 232 of the Companies Act, 2013 sanctioned by National Company Law Tribunal, New Delhi Bench on 16th August, 2021 all assets and liabilities are transferred and vested in the company with appointed date of 1st April, 2018.

2. Recent Pronouncements

- (i) Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1st, 2022 in Ind AS 103, Ind AS 16, Ind AS 37, Ind AS 109 and Ind AS 106. The Company does not expect the amendment to have any significant impact in its financial statements.

3. Significant Accounting Policies

a. Compliance with IND AS

The financial statements have been prepared in accordance with the Indian Accounting Standards (IND AS) as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.

The accounting policies, as set out in the following paragraphs of this note, have been consistently applied, by the Company, to all the periods presented in the said financial statements. The preparation of the said financial statements requires the use of certain critical accounting estimates and judgments. It also requires the management to exercise judgment in the process of applying the Company's accounting policies. The areas where estimates are significant to the financial statements, or areas involving a higher degree of judgment or complexity, are disclosed in Note 35.

The financial statements are based on the classification provisions contained in Ind AS 1, 'Presentation of Financial Statements' and division II of schedule III of the Companies Act 2013.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements.

Further, for the purpose of clarity, various items are

aggregated in the statement of profit and loss and balance sheet. Nonetheless, these items are dis-aggregated separately in the notes to the financial statements, where applicable or required. All the amounts included in the financial statements are reported in Indian Rupees ('Rupees') and are rounded to the nearest rupees except per share data and unless stated otherwise.

b. Historical Cost Convention

The Financial Statements have been prepared under the historical cost convention on accrual basis except where the Ind AS requires a different accounting treatment. The principal variations from the historical cost convention relate to financial instruments classified as fair value for the followings:

- i. Certain financial assets and liabilities and contingent consideration which are measured at fair values.
- ii. Assets held for sale measured at fair value less cost to sell.
- iii. Defined benefit plan assets measured at fair value.

Historical Cost is generally based on the fair value of the consideration given in exchange for goods and services.

c. Use of Estimates and Judgments

The preparation of financial statements in conformity with the recognition and measurement principles of IND AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period.

Estimates and underlying assumptions are reviewed on an ongoing basis. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the Notes to the financial statements. Further future periods are also affected.

d. Current and Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- i. Expected to be realized or intended to be sold or consumed in normal operating cycle
- ii. Held primarily for the purpose of trading, or
- iii. Expected to be realized within twelve months after the reporting period other than for (a) above, or
- iv. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- i. It is expected to be settled in normal operating cycle
- ii. It is held primarily for the purpose of trading

NOTES Continue.....

- iii. It is due to be settled within twelve months after the reporting period other than for (a) above, or
- iv. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

e. Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

The Company categorizes assets and liabilities measured at fair value into one of three levels as follows:

• Level 1 — Quoted (unadjusted)

This hierarchy includes financial instruments measured using quoted prices.

• Level 2

Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 2 inputs include the following:

- a) Quoted prices for similar assets or liabilities in active markets.
- b) Quoted prices for identical or similar assets or liabilities in markets that are not active.
- c) Inputs other than quoted prices that are observable for the asset or liability.
- d) Market – corroborated inputs.

• Level 3

They are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants. Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

f. Property, Plant and Equipment (PPE)

An item is recognised as an asset, if and only if, it is probable that the future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. Property, Plant and Equipment are stated at actual cost less accumulated depreciation and impairment loss. Actual cost is inclusive of freight, installation cost, duties, taxes and other incidental expenses for bringing the asset to its working conditions for its intended use (net of CENVAT/GST) and any cost directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by the Management. It includes

professional fees and borrowing costs for qualifying assets.

Property, Plant, Equipment and Intangible Assets are not depreciated or amortized once classified as held for sale.

Significant Parts of an item of PPE (including major inspections) having different useful lives & material value or other factors are accounted for as separate components. All other repairs and maintenance costs are recognized in the statement of profit and loss as incurred.

Depreciation of these PPE commences when the assets are ready for their intended use.

Depreciation is provided for on straight line method on the basis of useful life. On assets acquired on lease (including improvements to the leasehold premises), amortization has been provided for on Straight Line Method over the primary period of lease.

The estimated useful lives and residual values are reviewed on an annual basis and if necessary, changes in estimates are accounted for prospectively.

Depreciation on subsequent expenditure on PPE arising on account of capital improvement or other factors is provided for prospectively over the remaining useful life.

The useful life of property, plant and equipment are as follows:-

Asset Class	Useful Life
Building	45 Years
Plant & Machinery	10 Years
Furniture & Fixture	10 Years
Computers and Office Equipment	03 Years
Vehicles	08 Years

An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

g. Intangible Assets

All expenditure on intangible items is expensed as incurred unless it qualifies as intangible assets. The carrying value of intangible assets is assessed for recoverability by reference to the estimated future discounted net cash flows that are expected to be generated by the asset. Where this assessment indicates a deficit, the assets are written down to the market value or fair value as computed above.

Purchase of computer software used for the purpose of operations is capitalized. However, any expenses on software support, maintenance, upgrade etc. payable periodically is charged to the Statement of Profit & Loss.

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognized in the Statement of Profit and Loss when the asset is derecognized.

Intangible assets are amortized on straight line basis over a period ranging between 2-5 years which equates its economic useful life.

The company has not purchased or self-created any intangible

NOTES Continue.....

assets hence no intangible assets is recognized. The Intangible assets shall be recognized as per IND AS 38, on purchase of intangible assets or self-created if, and only if it is probable that the future economic benefits that are attributable to the asset will flow to the company and the cost of the asset can be measured reliably.

h. Inventories

- (a) Inventory of Land and construction/development are valued at cost or net realizable value, whichever is lower. Cost of land purchased/acquired by the company include purchase/acquisition price plus stamp duty and registration charges etc. Construction/development expenditure includes cost of development rights, all direct and indirect expenditure incurred on development of land /construction, attributable interest and financial charges and overheads relating to site management and administration less incidental revenues arising from site operations.

- (b) Inventory of Shares and Derivatives is determined at Cost or net realizable value whichever is lower.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale and certified by the Management.

i. Impairment of financial assets

The Company has applied the impairment requirements of Ind AS 109 retrospectively; however, as permitted by Ind AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognized in order to compare it with the credit risk at the transition date. Further, the Company has not undertaken an exhaustive search for information when determining, at the date of transition to Ind ASs, whether there have been significant increases in credit risk since initial recognition, as permitted by Ind AS 101.

j. Cash and Cash Equivalents

Cash and cash equivalent in the Balance sheet comprises of cash at bank and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in values. Cash and cash equivalents include balances with banks which are unrestricted for withdrawal and usage.

k. Financial Instruments

A Financial Instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of other entity. The financial instruments are recognized in the balance sheet when the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial instruments at initial recognition.

i) Financial Assets

Initial Recognition:

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in following categories based on business model of the entity: -

- Debt instruments at amortized cost.
- Debt instruments at fair value through other comprehensive income (FVTOCI).
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL).
- Equity instruments measured at fair value through other comprehensive income (FVTOCI).

Debt instruments at amortized cost: -

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- a. Financial assets are held within a business model whose objective is to hold these assets to collect contractual cash flows and
- b. The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.

Debt instrument at FVTOCI:

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Debt instrument at FVTPL:

Any debt instrument, that does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Company has not designated any debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Equity investments (Other than investment in subsidiary)

NOTES Continue.....

All other equity investments are measured at fair value. For Equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. This amount is not recycled from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Financial assets are measured at fair value through profit or loss unless they are measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in Statement of Profit and Loss.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

De-recognition of financial assets:

A financial asset is de-recognized only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, it evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognized.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognized if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Impairment of financial assets:

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. In determining the allowances for doubtful trade receivables, the Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix considers historical credit loss experience and is adjusted for forward looking information. For all other financial assets, expected credit losses are measured at an amount equal to the 12-months expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L).

ii) Equity Instruments and Financial Liabilities:

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered and the definitions of a financial liability and an equity instrument.

Equity Instruments:

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument.

iii) Financial liabilities:

Initial Recognition:

Financial liabilities are recognised when the company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.

Subsequent measurement:

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.

Trade and Other Payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial period which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortised cost using the effective interest method.

Loans and Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Financial Guarantee Contracts

Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

De-recognition of financial liabilities:

Financial liabilities are de-recognized from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in the Statement of Profit and Loss as other gains/ (losses).

I. Provisions, Contingent Liabilities and contingent Asset

NOTES Continue.....

- i) A provision is recognized when the company has a present obligation because of past events and it is probable that an outflow of resource will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the balance sheet date. When appropriate, the time value of money is material, provision is discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.
- ii) Contingent Liability are disclosed in respect of possible obligation that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company. A contingent liability also arises, in rare cases, where a liability cannot be recognized because it cannot be measured reliably. Contingent Liability is disclosed in the financial statements by way of note to accounts where the possibility of an outflow of resources embodying economic benefits is remote. (Refer Note-37)
- iii) Contingent asset is disclosed in the financial statements by way of note to accounts where the economic benefits are probable.

m. Income tax (IND-AS 12):

Income tax comprises of current and deferred income tax. Income tax is recognized as an expense or income in the Statement of Profit and Loss.

Current income tax:

Current income tax is recognized based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities.

Deferred Tax:

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognized for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the period that includes the enactment date. Deferred tax assets are only recognized to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilized.

Such assets are reviewed at each Balance Sheet date to reassess realization, deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities.

Minimum Alternative Tax ("MAT") credit is recognized as an asset only when and to the extent it is probable that the Company will pay normal income tax during the specified period.

n. Revenue Recognition:

The Company recognizes revenue in accordance with INDAS 115. Revenue is recognized upon transfer of control of promised products or services to the customers in an amount that reflects the consideration that the company expects to receive in exchange of those products or services. The company presents revenues net of indirect taxes in its statement of Profit and Loss.

i) Revenue from Real Estate

Revenue from constructed properties is recognized in accordance with the "Guidance Note on Accounting for Real Estate Transactions" ("Guidance Note"). As per this Guidance Note, the revenue has been recognized on percentage of completion method and on the percentage of actual project costs incurred thereon to total estimated project cost, provided the conditions specified in Guidance Note are satisfied.

Revenue from sale of land and plots is recognized in financial year in which agreement to sell / application form is executed and there exist no uncertainty in the ultimate collection of consideration from buyer. In case there is remaining substantial obligation as per agreement to sell the revenue is recognized as per percentage of completion method.

Revenue from Common Area Maintenance Charges is recognized on accrual basis and in accordance with the respective agreement.

ii) Revenue from Textile Business

Revenue from the textile business during ordinary activities is measured at the fair value of consideration received or receivable, net of returns, trade discount and volume rebate. Revenue is recognized when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing effective control over, or managerial involvement with, the goods, and the amount of revenue can be measured reliably.

iii) Revenue from Trading of Shares

Revenue from the trading of share business during ordinary activities is measured at the fair value of consideration received or receivable. Revenue is recognized when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, there is no continuing effective control over, or managerial involvement with, the goods, and the amount of revenue can be measured reliably.

o. Other Income:

i) Dividend Income

Dividend income is recognized in profit or loss on the date on which the entity's right to receive payment is established.

ii) Interest Income

Interest income is recognized using the effective interest method.

The effective interest rate is the rate that exactly discounts estimated future cash payment or receipt through the expected life of the financial instrument to:

- The gross carrying amount of the financial asset, or

NOTES Continue.....

- The amortized cost of the financial liability.

In calculating interest income, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired) or to the amortized cost of the liability. However, for financial assets that have become credit-impaired after initial recognition, interest income is calculated by applying the effective interest rate to the amortized cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

p. Borrowing Costs

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period to get ready for their intended use are capitalized as part of the cost of that asset.

Other borrowing costs are recognized as an expense in the period in which they are incurred.

q. Leases

As a lessee

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- i. the contract involves the use of an identified asset
- ii. the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- iii. the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the

recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

As a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

r. Employee Benefit Expense

Short term employee benefits:-

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Long-Term employee benefits

Compensated expenses which are not expected to occur within twelve months after the end of period in which the employee renders the related services are recognized as a liability at the present value of the defined benefit obligation at the balance sheet date

NOTES Continue.....

Post-employment obligations

i. Defined contribution plans

Provident Fund and employees' state insurance schemes

All employees of the Company are entitled to receive benefits under the Provident Fund, which is a defined contribution plan. Both the employee and the employer make monthly contributions to the plan at a predetermined rate (presently 12%) of the employees' basic salary. These contributions are made to the fund administered and managed by the Government of India. In addition, some employees of the Company are covered under the employees' state insurance schemes, which are also defined contribution schemes recognized and administered by the Government of India.

The Company's contributions to both these schemes are expensed in the Statement of Profit and Loss. The Company has no further obligations under these plans beyond its monthly contributions.

ii. Defined Benefits Gratuity plan

The Company provides for gratuity obligations through a defined benefit retirement plan (the 'Gratuity Plan') covering all employees. The Gratuity Plan provides a lump sum payment to vested employees at retirement or termination of employment based on the respective employee salary and years of employment with the Company. The Company provides for the Gratuity Plan based on actuarial valuations in accordance with Indian Accounting Standard 19 (revised), "Employee Benefits". The present value of obligation under gratuity is determined based on actuarial valuation using Project Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

Defined retirement benefit plans comprising of gratuity, un-availed leave, post-retirement medical benefits and other terminal benefits, are recognized based on the present value of defined benefit obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted.

The company has policy of expiry of un-availed leave at end of the financial year, hence no provision is required for leave encashment.

iii. Actuarial gains and losses are recognized in OCI as and when incurred.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest as defined above), are recognized in other comprehensive income except those included in cost of assets as permitted in the period in which they occur and are not subsequently reclassified to profit or loss.

The retirement benefit obligation recognized in the Financial Statements represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic

benefits available in the form of reductions in future contributions to the plans.

Termination benefits

Termination benefits are recognized as an expense in the period in which they are incurred.

s. Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

t. Segment Reporting

Operating segments are reported in a manner consistent with the internal financial reporting provided to the Chief Operating Decision Maker (CODM) i.e. Board of Directors. CODM monitors the operating results of all product segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit and loss and is measured consistently with profit and loss in the financial statements. The primary reporting of the Company has been performed on the basis of business segments. The analysis of geographical segments is based on the areas in which the Company's products are sold or services are rendered.

Allocation of common costs:

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Unallocated items:

The Corporate and other segment include general corporate income and expense items, which are not allocated to any business segment.

u. Cash Flow Statement

Cash flows are reported using the indirect method. The cash flows from operating, investing and financing activities of the Company are segregated.

v. Exceptional Items

Exceptional items refer to items of income or expense within the statement of profit and loss from ordinary activities which are non-recurring and are of such size, nature or incidence that their separate disclosure is considered necessary to explain the performance of the Company.

Fair Value measurement

Fair Value Hierarchy and valuation technique used to determine fair value:

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and are categorized into Level 1, Level 2 and Level 3 inputs.

Significant estimates

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Company uses its judgment to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period.

43. Financial risk management objectives and policies

The Company's principal financial liabilities, other than derivatives, comprise loans and borrowings, trade and other payables, and financial guarantee contracts. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company's business activities expose it to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has the overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyses the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

MANAGEMENT OF LIQUIDITY RISK

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows as at the Balance Sheet date

POTENTIAL IMPACT OF RISK	MANAGEMENT POLICY	SENSITIVITY TO RISK
INTEREST RATE RISK		
<p>Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.</p> <p>a) Company has Fixed deposits with Banks amounting to Rs. 2.82 Lakhs as at March 31st, 2022 (Rs. 2.82 Lakhs as at March 31st, 2021) Interest Income earned on fixed deposit for year ended March 31st, 2022 is Rs.7.32Lakhs (Rs. 0.17Lakhs for the year ended March 31st, 2021)</p> <p>b) Company has Borrowing from Banks amounting to Rs. 740.03Lakhs as at March 31st, 2022 (Rs. 107.61 Lakhs as at March 31st, 2021) Interest Expenses on such borrowings for the year ended March 31st, 2022 is Rs. 12.58Lakhs (Rs. 17.16Lakhs for the year ended March 31st, 2021)</p>	<p>In order to manage its interest rate risk The Company diversifies its portfolio in accordance with the risk management policies.</p>	<p>As an estimation of the approximate impact of the interest rate risk, with respect to financial instruments, the Company has calculated the impact of a 1% change in interest rates.</p> <p>a) A 1% increase in interest rates would have led to approximately an additional Rs. 0.02817 Lakhs gain for year ended March 31st, 2021 (Rs. 0.02647Lakhs gain for year ended March 31st 2020) in Interest income. A 1% decrease in interest rates would have led to an equal but opposite effect.</p> <p>b) A 1% increase in interest rates would have led to approximately an additional Rs. 1.08 Lakhs loss for year ended March 31st, 2021 (Rs. 1.39 Lakhs loss for year ended March 31st 2020) in Interest expense. A 1% decrease in interest rates would have led to an equal but opposite effect.</p>

Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions and other financial instruments.

Trade Receivables

Customer credit risk is managed by each business unit subject to the Company established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored. At 31 March 2022, the Company had top 5 customers that owed the Company more than Rs. 1665.01 Lakhs (31 March 2021: Rs.1195.88 Lakhs) and accounted for approximately 96.67% (31 March 2021: 100%) of all the receivables outstanding.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in Note 14. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the management in accordance with the Company's policy. Counterparty credit limits are reviewed by the management on an annual basis, and may be updated throughout the year. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

The Company's maximum exposure to credit risk for the components of the balance sheet at 31 March, 2022 and 31 March, 2021 is the carrying amounts as illustrated in Note 11.

Capital management

Capital includes issued equity capital and share premium and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximize the shareholder value.

INDEPENDENT AUDITOR'S REPORT

**To the Members of
Ritesh Properties and Industries Limited**

Report on the Audit of the Consolidated Financial Statements

1. Opinion

We have audited the accompanying consolidated financial statements of **Ritesh Properties and Industries Limited** ("the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") comprising of the consolidated Balance sheet as at March 31, 2022 the consolidated Statement of Profit and Loss (including other comprehensive income) and the consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Group as at March 31, 2022, and its profit

(including other comprehensive income) and changes in equity for the year ended on that date.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the consolidated financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

We have also discussed with the management significant changes from prior periods and obtained a detailed understanding of these items and assumptions applied. <p>In addition, we have reviewed:</p> <ul style="list-style-type: none"> the details of the proceedings before the relevant authorities including communication from the advocates / experts; legal advises / opinions obtained by the management, if any, from experts in the field of law on the legal cases; status of each of the material matters as on the date of the balance sheet. We have assessed the appropriateness of provisioning based on assumptions made by the management and presentation of the significant contingent liabilities in the Standalone Financial Statements.

4. Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon. The other information comprising the above documents is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

5. Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income and consolidated changes in equity of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to

continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Boards of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

6. Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to

the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient and appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statement of such entities included in the consolidated financial statement of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

7. Other Matters

- a) Based on the consideration of the report of other auditor on separate financial statement and other financial information of subsidiary entity, these consolidated financial Statements includes:

- Finton Homes (Partnership Firm)(PAN-AAGFF2133F)

- b) We did not audit the financial statements and other financial information, in respect of one subsidiary, whose financial statements/financial information, before consolidated adjustments, reflects total assets of Rs. 11508.54 Lakhs as at March 31, 2022, total revenues of Rs. 9119.91 Lakhs, total net profit of Rs. 3713.14 Lakhs and total comprehensive Income of Rs. 3713.14 Lakhs for the year ended on that date. These financial statements/financial information have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiary and our report in terms of sub section (3) of section 143 of the act, in so far as it relates to the aforesaid subsidiary is based solely on the report of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors.

8. Report on Other Legal and Regulatory Requirements

- A. As required by Section 143(3) of the Act, based on our audit and on the consideration of reports of the other auditors on separate financial statements and the other financial information of subsidiaries, as noted in the 'other matters' paragraph above, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and reports of other auditors;
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income) and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with relevant rules issued thereunder;

e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2022 taken on record by the Board of Directors of Holding Company, none of the directors of the holding companies is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;

f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" to this report;

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the holding company to its directors, during the year is in accordance with the provisions of section 197 of the Act;

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group. – Refer Note to the consolidated financial statements;

ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Group.

iv. (a) The Management of the Holding Company has represented to us that, to the best of their knowledge and belief, as disclosed in the notes to the accounts, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such subsidiaries to or in any other person(s) or entity(ies), including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management of the Holding Company has represented to us that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds (which are material either individually or in the aggregate) have been received by the Holding Company or any of such subsidiaries from any person(s) or entity(ies), including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiaries shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures performed by us and those performed by the auditors of the subsidiaries, that have been considered reasonable and appropriate in the circumstances performed, nothing has come to our or other auditor's notice that has caused us or other auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. The Holding Company have not declared or paid any dividend during the year. .

B. As required by paragraph 3(xxi) of the Companies (Auditor's Report) Order, 2020 ("CARO 2020"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we report that there are no qualifications or adverse remarks included in the CARO report in respect of the standalone financial statements of the Holding Company which are included in these Consolidated Financial Statements. In our opinion, and according to the information and explanations given to us, CARO 2020 is not applicable to the subsidiary entity included in these Consolidated Financial Statements, hence, this report does not contain a statement on the matter specified in paragraph 3(xxi) of CARO 2020 in relation to the subsidiary entity.

ANNEXURE A

To
the Members of
Ritesh Properties and Industries Limited

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2022, we have audited the internal financial controls over financial reporting of **Ritesh Properties and Industries Limited** (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), as on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Group's, internal financial controls over financial reporting with reference to these consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing both, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls with reference to these consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company and its subsidiary companies.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting with reference to these consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting with reference to these consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these consolidated financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors, as referred to in the Other Matters paragraph below, the Group have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022 based on the internal control over financial reporting criteria established by the respective companies of the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to one subsidiary entity is based solely on the corresponding report of the auditors of such entity.

Our opinion is not modified in respect of the above matter.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

1. Group Overview

Ritesh Properties & Industries Ltd ("the Company") is engaged in the business of Real Estate Business, Textiles, trading in Shares and Derivatives. The Company is a public limited company incorporated and domiciled in India and has its registered office at 11/5B, Pusa Road, New Delhi – 110060. Shares of the company are listed on Bombay Stock Exchange, Mumbai, India.

Pursuant to Scheme of Amalgamation (Scheme) of Ritesh Spinning Mills Limited, Ritesh Impex Private Limited and H. B. Fibres Limited with the Company under section 230 to 232 of the Companies Act, 2013 sanctioned by National Company Law Tribunal, New Delhi Bench on 16th August, 2021 all assets and liabilities are transferred and vested in the Company with appointed date of 1st April, 2018.

The Company together with its partly owned subsidiary "Finton Homes" is referred to as "the Group".

The accompanying consolidated financial statements include the accounts of Ritesh Properties & Industries Ltd. and its Partly-owned subsidiaries (collectively, "Finton Homes" or the "Firm"). All significant inter-company accounts and transactions have been eliminated.

2. (a). Basis of Consolidation

The company consolidates entities which it owns or controls. The Consolidated Financial Statements comprise the financial statements of the company and its subsidiary "Finton Homes". Control exists when the parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the date control commences until the date control ceases. The financial statements of the Group companies are consolidated on a line-by-line basis and intra-company balances and transactions, including unrealized gain / loss from such transactions, are eliminated upon consolidation. These financial statements are prepared by applying uniform accounting policies in use at the Group. Non-controlling interests which represent part of the net profit or loss and net assets of subsidiaries that are not, directly or indirectly, owned or controlled by the Company, are excluded.

(b.) Recent Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1st, 2022 in Ind AS 103, Ind AS 16, Ind AS 37, Ind AS 109 and Ind AS 106. The Company does not expect the amendment to have any significant impact in its financial statements.

3. Significant Accounting Policies

a. Compliance with IND AS

The consolidated financial statement are prepared in accordance with the Indian Accounting Standards (Ind AS) under the historical cost convention on accrual basis except

for certain financial instruments which are measured at fair values, the provisions of the companies act 2013 (the Act) (to the extent notified) and guidelines issued by Securities and Exchange Board of India (SEBI). The Indian Accounting Standards (IND AS) are prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.

The accounting policies, as set out in the following paragraphs of this note, have been consistently applied, by the Group, to all the periods presented in the said financial statements. The preparation of the said financial statements requires the use of certain critical accounting estimates and judgments. It also requires the management to exercise judgment in the process of applying the Group's accounting policies. The areas where estimates are significant to the financial statements, or areas involving a higher degree of judgment or complexity, are disclosed in Note 35.

The financial statements are based on the classification provisions contained in Ind AS 1, 'Presentation of Financial Statements' and division II of schedule III of the Companies Act 2013.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The impact of COVID-19 on the Group's financial statements may differ from that estimated as at the date of approval of these financial statements.

Further, for the purpose of clarity, various items are aggregated in the statement of profit and loss and balance sheet. Nonetheless, these items are dis-aggregated separately in the notes to the financial statements, where applicable or required. All the amounts included in the financial statements are reported in Indian Rupees ('Rupees') and are rounded to the nearest rupees in Lakh except per share data and unless stated otherwise.

b. Historical Cost Convention

The Financial Statements have been prepared under the historical cost convention on accrual basis except where the Ind AS requires a different accounting treatment. The principal variations from the historical cost convention relate to financial instruments classified as fair value for the followings:

- Certain financial assets and liabilities and contingent consideration which are measured at fair values.
- Assets held for sale measured at fair value less cost to sell.
- Defined benefit plan assets measured at fair value.

Historical Cost is generally based on the fair value of the consideration given in exchange for goods and services.

c. Use of Estimates and Judgments

The preparation of financial statements in conformity with the recognition and measurement principles of IND AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions

affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period.

Estimates and underlying assumptions are reviewed on an ongoing basis. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the Notes to the financial statements. Further future periods are also affected.

d. Current and Non-Current Classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading, or
- Expected to be realized within twelve months after the reporting period other than for (a) above, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period other than for (a) above, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

e. Fair value measurement

The Group measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

The Group categorizes assets and liabilities measured at fair value into one of three levels as follows:

- **Level 1 — Quoted (unadjusted)**

This hierarchy includes financial instruments measured using quoted prices.

- **Level 2**

Level 2 inputs are inputs other than quoted prices included

within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 2 inputs include the following:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in markets that are not active.
- Inputs other than quoted prices that are observable for the asset or liability.
- Market – corroborated inputs.

- **Level 3**

They are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Group's assumptions about pricing by market participants. Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

f. Property, Plant and Equipment (PPE)

An item is recognised as an asset, if and only if, it is probable that the future economic benefits associated with the item will flow to the Group and its cost can be measured reliably. Property, Plant and Equipment are stated at actual cost less accumulated depreciation and impairment loss. Actual cost is inclusive of freight, installation cost, duties, taxes and other incidental expenses for bringing the asset to its working conditions for its intended use (net of CENVAT/GST) and any cost directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by the Management. It includes professional fees and borrowing costs for qualifying assets.

Property, Plant, Equipment and Intangible Assets are not depreciated or amortized once classified as held for sale.

Significant Parts of an item of PPE (including major inspections) having different useful lives & material value or other factors are accounted for as separate components. All other repairs and maintenance costs are recognized in the statement of profit and loss as incurred.

Depreciation of these PPE commences when the assets are ready for their intended use.

Depreciation is provided for on straight line method on the basis of useful life. On assets acquired on lease (including improvements to the leasehold premises), amortization has been provided for on Straight Line Method over the primary period of lease.

The estimated useful lives and residual values are reviewed on an annual basis and if necessary, changes in estimates are accounted for prospectively.

Depreciation on subsequent expenditure on PPE arising on account of capital improvement or other factors is provided for prospectively over the remaining useful life.

The useful life of property, plant and equipment are as follows:-

Asset Class	Useful Life
Building	45 Years
Plant & Machinery	10 Years
Furniture & Fixture	10 Years
Computers and Office Equipment	03 Years
Vehicles	08 Years

An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

g. Intangible Assets

All expenditure on intangible items is expensed as incurred unless it qualifies as intangible assets. The carrying value of intangible assets is assessed for recoverability by reference to the estimated future discounted net cash flows that are expected to be generated by the asset. Where this assessment indicates a deficit, the assets are written down to the market value or fair value as computed above.

Purchase of computer software used for the purpose of operations is capitalized. However, any expenses on software support, maintenance, upgrade etc. payable periodically is charged to the Statement of Profit & Loss.

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognized in the Statement of Profit and Loss when the asset is derecognized.

Intangible assets are amortized on straight line basis over a period ranging between 2-5 years which equates its economic useful life.

The Group has not purchased or self-created any intangible assets hence no intangible assets is recognized. The Intangible assets shall be recognized as per IND AS 38, on purchase of intangible assets or self-created if, and only if it is probable that the future economic benefits that are attributable to the asset will flow to the Group and the cost of the asset can be measured reliably.

h. Inventories

- (a) Inventory of Land and construction/development are valued at cost or net realizable value, whichever is lower. Cost of land purchased/acquired by the Group include purchase/acquisition price plus stamp duty and registration charges etc. Construction/development expenditure includes cost of development rights, all direct and indirect expenditure incurred on development of land /construction, attributable interest and financial charges and overheads relating to site management and administration less incidental revenues arising from site operations.

- (b) Inventory of Shares and Derivatives is determined at Cost or net realizable value whichever is lower.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale and certified by the Management.

i. Impairment of financial assets

The Group has applied the impairment requirements of Ind AS 109 retrospectively; however, as permitted by Ind AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognized in order to compare it with the credit risk at the transition date. Further, the Group has not undertaken an exhaustive search for information when determining, at the

date of transition to Ind ASs, whether there have been significant increases in credit risk since initial recognition, as permitted by Ind AS 101.

j. Cash and Cash Equivalents

Cash and cash equivalent in the Balance sheet comprises of cash at bank and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in values. Cash and cash equivalents include balances with banks which are unrestricted for withdrawal and usage.

k. Financial Instruments

A Financial Instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of other entity. The financial instruments are recognized in the balance sheet when the Group becomes a party to the contractual provisions of the financial instrument. The Group determines the classification of its financial instruments at initial recognition.

i) Financial Assets

Initial Recognition:

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame are recognized on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in following categories based on business model of the entity: -

- Debt instruments at amortized cost.
- Debt instruments at fair value through other comprehensive income (FVTOCI).
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL).
- Equity instruments measured at fair value through other comprehensive income (FVTOCI).

Debt instruments at amortized cost: -

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- a. Financial assets are held within a business model whose objective is to hold these assets to collect contractual cash flows and
- b. The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.

Debt instrument at FVTOCI:

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Group recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Debt instrument at FVTPL:

Any debt instrument, that does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Group may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Group has not designated any debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Equity investments (Other than investment in subsidiary)

All other equity investments are measured at fair value. For Equity instruments, the Group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. This amount is not recycled from OCI to P&L, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity.

Financial assets are measured at fair value through profit or loss unless they are measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in Statement of Profit and Loss.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

De-recognition of financial assets:

A financial asset is de-recognized only when

- The Group has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Group has transferred an asset, it evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognized.

Where the Group has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the Group has not retained control of the financial asset. Where

the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Impairment of financial assets:

The Group assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. In determining the allowances for doubtful trade receivables, the Group has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix considers historical credit loss experience and is adjusted for forward looking information. For all other financial assets, expected credit losses are measured at an amount equal to the 12-months expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L).

ii) Equity Instruments and Financial Liabilities:

Financial liabilities and equity instruments issued by the Group are classified according to the substance of the contractual arrangements entered and the definitions of a financial liability and an equity instrument.

Equity Instruments:

An equity instrument is any contract that evidences a residual interest in the assets of the Group after deducting all its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument.

iii) Financial liabilities:

Initial Recognition:

Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.

Subsequent measurement:

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.

Trade and Other Payables

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial period which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortised cost using the effective interest method.

Loans and Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss

when the liabilities are derecognized as well as through the EIR amortization process.

Financial Guarantee Contracts

Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

De-recognition of financial liabilities:

Financial liabilities are de-recognized from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in the Statement of Profit and Loss as other gains/ (losses).

I. Provisions, Contingent Liabilities and contingent Asset

- i) A provision is recognized when the Group has a present obligation because of past events and it is probable that an outflow of resource will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the balance sheet date. When appropriate, the time value of money is material, provision is discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.
- ii) Contingent Liability are disclosed in respect of possible obligation that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group. A contingent liability also arises, in rare cases, where a liability cannot be recognized because it cannot be measured reliably. Contingent Liability is disclosed in the financial statements by way of note to accounts where the possibility of an outflow of resources embodying economic benefits is remote. (Refer Note-37)
- iii) Contingent asset is disclosed in the financial statements by way of note to accounts where the economic benefits are probable.

m. Income tax (IND-AS 12):

Income tax comprises of current and deferred income tax. Income tax is recognized as an expense or income in the Statement of Profit and Loss.

Current income tax:

Current income tax is recognized based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities.

Deferred Tax:

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognized for all deductible temporary differences between the financial

statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the period that includes the enactment date. Deferred tax assets are only recognized to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilized.

Such assets are reviewed at each Balance Sheet date to reassess realization, deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities.

Minimum Alternative Tax ("MAT") credit is recognized as an asset only when and to the extent it is probable that the Group will pay normal income tax during the specified period.

n. Revenue Recognition:

The Group recognizes revenue in accordance with IND AS 115. Revenue is recognized upon transfer of control of promised products or services to the customers in an amount that reflects the consideration that the Group expects to receive in exchange of those products or services. The Group presents revenues net of indirect taxes in its statement of Profit and Loss.

i) Revenue from Real Estate

Revenue from constructed properties is recognized in accordance with the "Guidance Note on Accounting for Real Estate Transactions" ('Guidance Note'). As per this Guidance Note, the revenue has been recognized on percentage of completion method and on the percentage of actual project costs incurred thereon to total estimated project cost, provided the conditions specified in Guidance Note are satisfied.

Revenue from sale of land and plots is recognized in financial year in which agreement to sell / application form is executed and there exist no uncertainty in the ultimate collection of consideration from buyer. In case there is remaining substantial obligation as per agreement to sell the revenue is recognized as per percentage of completion method.

Revenue from Common Area Maintenance Charges is recognized on accrual basis and in accordance with the respective agreement.

ii) Revenue from Textile Business

Revenue from the textile business during ordinary activities is measured at the fair value of consideration received or receivable, net of returns, trade discount and volume rebate. Revenue is recognized when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing effective control over, or managerial involvement with, the goods, and the amount of revenue can be measured reliably.

iii) Revenue from Trading of Shares

Revenue from the trading of share business during ordinary activities is measured at the fair value of consideration received or receivable. Revenue is recognized when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, there is no continuing effective control over, or managerial involvement with, the goods, and the amount of revenue can be measured reliably.

o. Other Income:

i) Dividend Income

Dividend income is recognized in profit or loss on the date on which the entity's right to receive payment is established.

ii) Interest Income

Interest income is recognized using the effective interest method.

The effective interest rate is the rate that exactly discounts estimated future cash payment or receipt through the expected life of the financial instrument to:

- The gross carrying amount of the financial asset, or
- The amortized cost of the financial liability.

In calculating interest income, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired) or to the amortized cost of the liability. However, for financial assets that have become credit-impaired after initial recognition, interest income is calculated by applying the effective interest rate to the amortized cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

p. Borrowing Costs

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period to get ready for their intended use are capitalized as part of the cost of that asset.

Other borrowing costs are recognized as an expense in the period in which they are incurred.

q. Leases

As a lessee

The Group's lease asset classes primarily consist of leases for land and buildings. The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether:

- i. the contract involves the use of an identified asset
- ii. the Group has substantially all of the economic benefits from use of the asset through the period of the lease and
- iii. the Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Group changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

As a lessor

Leases for which the Group is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Group is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

Short-term leases and leases of low-value assets

The Group applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

r. Employee Benefit Expense

Short term employee benefits:-

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current

employee benefit obligations in the balance sheet.

Long-Term employee benefits

Compensated expenses which are not expected to occur within twelve months after the end of period in which the employee renders the related services are recognized as a liability at the present value of the defined benefit obligation at the balance sheet date

Post-employment obligations

i. Defined contribution plans

Provident Fund and employees' state insurance schemes

All employees of the Group are entitled to receive benefits under the Provident Fund, which is a defined contribution plan. Both the employee and the employer make monthly contributions to the plan at a predetermined rate (presently 12%) of the employees' basic salary. These contributions are made to the fund administered and managed by the Government of India. In addition, some employees of the Group are covered under the employees' state insurance schemes, which are also defined contribution schemes recognized and administered by the Government of India

The Group's contributions to both these schemes are expensed in the Statement of Profit and Loss. The Group has no further obligations under these plans beyond its monthly contributions.

ii. Defined Benefits Gratuity plan

The Group provides for gratuity obligations through a defined benefit retirement plan (the 'Gratuity Plan') covering all employees. The Gratuity Plan provides a lump sum payment to vested employees at retirement or termination of employment based on the respective employee salary and years of employment with the Group. The Group provides for the Gratuity Plan based on actuarial valuations in accordance with Indian Accounting Standard 19 (revised), "Employee Benefits". The present value of obligation under gratuity is determined based on actuarial valuation using Project Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

Defined retirement benefit plans comprising of gratuity, un-availed leave, post-retirement medical benefits and other terminal benefits, are recognized based on the present value of defined benefit obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted.

The Group has policy of expiry of un-availed leave at end of the financial year, hence no provision is required for leave encashment.

iii. Actuarial gains and losses are recognized in OCI as and when incurred.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement, comprising actuarial gains and losses, the

effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest as defined above), are recognized in other comprehensive income except those included in cost of assets as permitted in the period in which they occur and are not subsequently reclassified to profit or loss.

The retirement benefit obligation recognized in the Financial Statements represents the actual deficit or surplus in the Group's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

Termination benefits

Termination benefits are recognized as an expense in the period in which they are incurred.

s. Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

t. Segment Reporting

Operating segments are reported in a manner consistent with the internal financial reporting provided to the Chief Operating Decision Maker (CODM) i.e. Board of Directors. CODM monitors the operating results of all product segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit and loss and is measured consistently with profit and loss in the financial statements. The primary reporting of the Group has been performed on the basis of business segments. The analysis of geographical segments is based on the areas in which the Group's products are sold or services are rendered.

Allocation of common costs:

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Unallocated items:

The Corporate and other segment include general corporate income and expense items, which are not allocated to any business segment.

u. Cash Flow Statement

Cash flows are reported using the indirect method. The cash flows from operating, investing and financing activities of the Group are segregated.

v. Exceptional Items

Exceptional items refer to items of income or expense within the statement of profit and loss from ordinary activities which are non-recurring and are of such size, nature or incidence that their separate disclosure is considered necessary to explain the performance of the Group.

35. Critical Accounting Estimates and Judgments

The estimates and judgments used in the preparation of the said financial statements are continuously evaluated by the Group, and are based on historical experience and various other assumptions and factors (including expectations of future events), that the Group believes to be reasonable under the existing circumstances. The said estimates and judgments are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

Although the Group regularly assesses these estimates, actual results could differ materially from these estimates—even if the assumptions under-lying such estimates were reasonable when made, if these results differ from historical experience or other assumptions do not turn out to be substantially accurate. The changes in estimates are recognized in the financial statements in the period in which they become known.

The areas involving critical estimates, assumptions or judgments are:

1. Useful lives of property, plant and equipment's Note 4
2. Measurement defined benefit obligation Note 19 & 25
3. Estimation of provisions & contingent liabilities refer Note 23 & 37
4. Estimation of fair value of unlisted securities Note 5

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Group and that are believed to be reasonable under the circumstances.

36. During the year, Group has recognized the following amounts in the financial statements as per Ind AS19 "Employees Benefits" issued by the ICAI:

Defined Benefit Plan

The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation and the obligation for leave encashment is recognized in the same manner as gratuity.

Fair Value measurement

Fair Value Hierarchy and valuation technique used to determine fair value:

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and are categorized into Level 1, Level 2 and Level 3 inputs.

Significant estimates

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Group uses its judgment to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period.

43. Financial risk management objectives and policies

The Group's principal financial liabilities, other than derivatives, comprise loans and borrowings, trade and other payables, and financial guarantee contracts. The main purpose of these financial liabilities is to finance the Group's operations and to provide guarantees to support its operations. The Group's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Group's business activities expose it to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Group's senior management has the overall responsibility for the establishment and oversight of the Group's risk management framework. The Group's risk management policies are established to identify and analyses the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities.

MANAGEMENT OF LIQUIDITY RISK

Liquidity risk is the risk that the Group will face in meeting its obligations associated with its financial liabilities. The Group's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions.

The following table shows the maturity analysis of the Group's financial liabilities based on contractually agreed undiscounted cash flows as at the Balance Sheet date. (In Lakhs)

Particulars	Notes Nos.	Less than 12 months	1 to 5 Years	Above 5 Years	Total
As at March 31, 2022

Trade payables	21	141.57	0.02	-	141.59
Other liabilities	18,22	873.14	89.44	-	962.58

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Financial instruments affected by market risk include loans and borrowings, deposits, FVTOCI investments.

POTENTIAL IMPACT OF RISK	MANAGEMENT POLICY	SENSITIVITY TO RISK
INTEREST RATE RISK		
<p>Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's long-term debt obligations with floating interest rates.</p> <p>a) Group has Fixed deposits with Banks amounting to Rs. 703.32 Lakhs as at March 31st, 2022 Interest Income earned on fixed deposit for year ended March 31st, 2022 is Rs.7.35Lakhs</p> <p>b) Group has Borrowing from Banks amounting to Rs. 740.03Lakhs as at March 31st, 2022 Interest Expenses on such borrowings for the year ended March 31st, 2022 is Rs. 12.58Lakhs</p>	<p>In order to manage its interest rate risk The Group diversifies its portfolio in accordance with the risk management policies.</p>	<p>As an estimation of the approximate impact of the interest rate risk, with respect to financial instruments, the Group has calculated the impact of a 1% change in interest rates.</p> <p>a) A 1% increase in interest rates would have led to approximately an additional Rs. 7.03 Lakhs gain for year ended March 31st, 2023 in Interest income. A 1% decrease in interest rates would have led to an equal but opposite effect.</p> <p>b) A 1% increase in interest rates would have led to approximately an additional Rs. 7.40 Lakhs loss for year ended March 31st, 2023 in Interest expense. A 1% decrease in interest rates would have led to an equal but opposite effect.</p>

Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Group is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions and other financial instruments.

Trade Receivables

Customer credit risk is managed by each business unit subject to the Group established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored. At 31 March 2022, the Group had top 5 customers that owed the Group more than Rs.1665.01 Lakhs and accounted for approximately 26.76% of all the receivables outstanding.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in Note 14. The Group does not hold collateral as security. The Group evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the management in accordance with the Group's policy. Counterparty credit limits are reviewed by the management on an annual basis, and may be updated throughout the year. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

The Group's maximum exposure to credit risk for the components of the balance sheet at 31 March, 2022 is the carrying amounts as illustrated in Note 11.

Capital management

Capital includes issued equity capital and share premium and all other equity reserves attributable to the equity holders. The primary objective of the Group's capital management is to maximize the shareholder value..
