Chairman's Message

Dear Shareholders,

Warm greetings to you all;

I, once again take this opportunity to present the excellent financials of 2012-13 and heartily invite you all to the 28th Annual General Meeting of your Company.

The global economic scenario continues to remain uncertain. Growth in India has slowed down too. The fluctuations in polymer prices, fluctuations in foreign currency exchange rates where INR value depreciated against US dollar are major concern. All these led to rise of input cost.

Despite these facts, the Company has reported highest ever sales turnover of Rs. 1179 Crores during the financial year 2012-13. However, earnings for the year under review are slightly lower as compared to previous year mainly because of high finance cost.

Your Company continues to march ahead in its vision to be the leading manufacturer of Polymer compounds in the country. You will be glad to know that your Company has already set up a Flexible Packaging Project at Dankuni (West Bengal). This is a step towards diversification. The total project cost is estimated at Rs.150 crore. The commercial production is expected to start from 1st September, 2013. As a backward integration, Kalpena has also invested in manufacturing of Industrial Ink at Bhasa, where commercial production has already started.

In its drive towards the strategic expansions, your Company has commissioned a new production unit at Surangi, with capacity of handling 200,000 TPA of its products. This unit is spread over an area of approximately 56000 square metres and having FSI available to the extent of 500,000 square metres of construction. The production capacity at Bhiwadi, Daman and Silvassa has been shifted to the new unit. The full capacity utilization is expected between December 2013 and June 2014. The new unit is producing various grades of Compounds which include XLPE, HFFR, Filled PP for furniture & appliances, Filled PE Compounds

for antifab used for Woven Sack, White & Black Master Batches, Rigid and Flexible PVC Compound used for Cable insulation, Footwear & Pipe jointing and other value added compositions like Zero Halogen Fire Retardant Compound and Engineering Plastics. Your Company also has more expansion projects in pipeline for catering to the untapped regions to enlarge geographic footprint in various parts of the country.

Today, your Company has one of the strongest operating matrix in the Plastic industry in India. With its cost competitiveness, quality products, a robust marketing distribution system and extensive network, your Company has reinforced its formidable brand position.

Your Company has taken timely and adequate steps in the area of its financials to ensure healthy leveraging and availability of adequate financial resources to meet its ever growing aspirations.

I am very happy to announce that your Directors have recommended a dividend of 12% for 2012-13 on paid up capital.

Lastly, I sincerely wish to thank my colleagues on the Board, the dedicated Management team and employees at all levels for their unflinching support. I would also like to thank the Company's shareholders, distributors, vendors and financial institutions for their unstinted support.

With Best Regards,

Narrindra Suranna

Green Initiative

The Ministry of Corporate Affairs (MCA), Government of India, has taken a "Green Initiative in the Corporate Governance" by allowing paperless compliances by the companies after considering the relevant sections of the Information Technology Act, 2000, for legal validity of compliances under Companies Act, 1956 through electronic mode. The MCA has vide circular Nos. 17/2011 dated April 21, 2011 and 18/2011 dated April 29, 2011, provided that a company would have complied with Section 53 of the Companies Act, 1956, if the service of documents has been made through electronic mode, provided the company has obtained the e-mail addresses of its members for sending the notice / documents through email by giving an advance opportunity to every member to register his / her email address and changes therein from time to time with the company. In cases where any member has not registered his / her e-mail address with the Company, the service of documents etc. will be effected by other modes of service as provided in Section 53 of the Companies Act, 1956.

To support this green initiative of the Government in full measure, members who have not registered their e-mail addresses, so far, are requested to register their e-mail addresses, in respect of electronic holdings with the Depository through their concerned Depository Participants. Members who holds shares in physical mode are requested to register the same with CB Management Services (P) Ltd.

Explanatory Statement pursuant to Section 173(2) of The Companies Act, 1956

Item No. 5

The Board of Directors of the Company at its meeting held on 14th February, 2013, appointed Mr. Samir Kumar Paul as an Additional Director with effect from 15th February, 2013, pursuant to the provisions of Section 260 of the Companies Act, 1956 (the Act) and Article 103 of the Articles of Association of the Company. According to the provisions of the said Section and Article, Mr. Samir Kumar Paul would hold office up to the date of this Annual General Meeting.

The Company has, however, received a notice, in writing, from a member, under the provisions of Section 257 of the Companies Act, 1956, proposing the candidature of Mr. Samir Kumar Paul for the office of Director of the Company. Requisite consent, pursuant to Section 264(1) of the Act, has been received from Mr. Samir Kumar Paul to act as such Director, if appointed.

Mr. Samir Kumar Paul, is not disqualified from being appointed as Director in terms of section 274(1) (g) of the Act. The Company has received a letter from Mr. Samir Kumar Paul, in term of companies (Disqualification of Directors under section 274(1) (g) of the Act.), confirming his eligibility for such appointment.

The Board of Directors recommends the Resolution to be passed as an Ordinary Resolution, being Item No.5 of the Notice convening this AGM, for approval of the members.

Save and except Mr. Samir Kumar Paul, no director of the company is concerned or interested in the resolution.

Operations

The Company has once again repeated an impressive performance in polymer compounds business. Revenue from Operations and other income for FY 2012-13 was Rs. 1179.14 Crore against Rs. 913.23 Crore in the previous year 2011-12 which is higher by 29.18 % compared to previous year. However, the PAT was Rs. 19.97 Crore for the Current year as against Rs. 24.24 Crore in the previous year. This is mainly due to high finance cost associated with new project at Dankuni.

The Company's Production and Sales have recorded a significant growth over the previous year. Higher level of Capacity utilization backed by a strong volume growth, tighter cost control geared the company to register notable performance for the year, in spite of a miniscule price increase. Your Company has consciously been following a policy of steady growth in production for last several years.

Expansion

The Company successfully completed the expansion plan at Surangi, with capacity of handling 200000 TPA of the Company's products. The production capacity of Bhiwadi, Daman and Silvsa – II has been shifted to this unit. This unit is producing various grades of Compounds which include XLPE, HFFR, Filled PP for furniture & appliances, Filled PE Compounds for antifab used for Woven Sack, white and black Master Batches, Rigid and Flexible PVC Compound used for Cable Insulation, Footwear & Pipe Jointing and other value added composition like Zero Halogen Fire Retardant Compound and Engineering Plastics. The Company continued its on-going effort to increase all – round efficiency and reduced cost.

New Projects

As mentioned in 27th Annual Report, your company, in order to diversify its product concentration risk and take advantage of its in-house compounding knowledge, has set up an ambitious flexible packaging project at Dankuni, West Bengal. A state of the art flexible packaging unit, complete with blown and extrusion film lines, printing, lamination, slitting and pouching facilities along with ink making facilities in Bhasa, West Bengal. The total project cost is estimated at Rs 150 Crores. The commercial production is expected to commence from 1st September, 2013. Your company has also commenced full scale pre-marketing activities with its target customers so that the plant, once commissioned, would be able to deliver quality products to prospective customers in multiple segments in the shortest possible time.

Dividend

Your Directors are pleased to recommend a dividend of **Rs. 1.20/-** per equity share of **Rs. 10/-** each i.e. 12% for the financial year ended March 31st, 2013. The Dividend outgo would amount to Rs.264.15 lacs (inclusive of Dividend Distribution tax). The dividend, subject to approval of the shareholders at the AGM on 26th September, 2013, will be paid to the members whose names appear in the register of members as on the date of book closure for the AGM.

General Reserve

Out of the amount available for appropriation for the financial year 2012-13, an amount of Rs.4 Crore has been transferred to the General Reserve.

Fixed Deposits

Your Company has not accepted any fixed deposit during the year under review in terms of Section 58A of the Companies Act, 1956 read with Companies (Acceptance of Deposit) Rules, 1975 and hence no amount of principal or interest was outstanding as at the Balance Sheet date.

Research and Development

Your Company recognizes that Research & Development plays a critical role in supporting current operations as well as future growth. Your Company has focused its attention towards development of Products that have wide industrial application particularly in cable, piping, packaging and footwear industry.

Insurance

The Company's plants & machineries, factories and movables are adequately insured against various risks.

Directors

Mr.Indranil Dasgupta resigned from the Directorship of the Company with effect from 16th November, 2012. Your Directors appreciate the service rendered by him to the Company.

The Board has appointed Mr. Samir Kumar Paul as Additional Director of the Company with effect from 15th February, 2013. Pursuant to section 260 of the Companies Act, 1956, Mr. Samir Kumar Paul would hold office upto the date of the ensuing Annual General Meeting. However, the company has received requisite notice from a member under section 257 of the Companies Act 1956, proposing the name of Mr. Paul as a candidate for the office of director liable to retire by rotation.

Mr. Nirmalendu Guha, Director liable to retire by rotation at the conclusion of the forthcoming Annual General Meeting and being eligible, has offered himself for re-appointment.

Suitable resolutions for appointment / reappointment of Directors, as referred above, will be placed for approval of the members in the forthcoming Annual General Meeting. The brief resume and other information of the concerned directors, in terms of the provisions of clause 49 of the Listing Agreement with Stock Exchanges, have been detailed in the notice convening the forthcoming Annual General Meeting.

Directors' Responsibility Statement

Pursuant to Section 217(2AA) of the Companies Act, 1956, the Directors hereby confirm that:

MANAGEMENT DISCUSSION AND ANALYSIS REPORT**ECONOMIC OVERVIEW:**

The World economy has posed challenging issues for policymakers during the last couple of years. Governments across the globe have responded with quantitative easing and stimulus policies, and have endeavored to reduce excessive deficits. As a result, the downside risks have been contained. Policy action has in fact lowered acute crises in the Euro Zone and the United States. Stimulus plans in Japan are also expected to boost growth.

Industry Overview

The products of Kalpena Industries Limited find application mainly in cable industries, packaging industries and footwear industries. The Indian cable industry is highly fragmented with a large number of producers. The market for cables and wires is mainly dominated by the unorganized sector controlling about 70% of the domestic demand for wires and cables. Due to inflationary pressure, the growth in power, real estate and chemical sector is showing downward turn. There is no clear road map for improvement of power and real estate sectors where High Voltage cable is required and Kalpena has geared up its production capacity phenomenally in the Financial Year 2012-13.

Outlook

In order to overcome the stagnation in the growth of cable industries and Infrastructure Development, your company has diversified its activities in manufacturing of High Standard Flexible Packaging and Industrial Ink. The Company has already setup state of the art manufacturing facility of Flexible Packaging with fully automated equipments of international standards. Due to locational advantage, Kalpena is expected to have a very good market share in eastern India as well as in Bangladesh and Nepal. As a backward integration, Kalpena has also invested in manufacturing of Industrial Ink where commercial production has already started. The financials of both the units i.e. Flexible Packaging and Industrial Ink is expected to be reflected in Financial Year 2013-14.

Industry Structure and Developments

The company's polymer compounds business is directly related to the fortunes of cable industry/packaging industry / footwear industry. If there is demand push in these segments of Indian economy, the top line and bottom line of Kalpena Industries Limited will significantly increase.

The strong R&D facilities of Kalpena, backed by competent R&D personnel will help to overcome many of the challenges including overall growth at a rate superior to industry average. Kalpena has been able to develop a number of products for domestic and international market such as Medium Voltage XLPE, Medium Voltage Semi conducting grades and also grades suitable for Pipes.

Kalpena has always endeavored to keep pace with evolving technologies and give high customize solutions to customers. Kalpena has brought into effect new, efficient and speedy customer support and logistics to enhance customer relationship. With these additional systems, Kalpena that constantly work with customers, meeting their requirements ontime, every time.

Company's Performance:**A. Financial Performance:-**

- Gross turnover for the year is Rs. 1179 Crore against Rs.913 Crore in 2011 – 12.
- PBDT for the year Rs.67.89 Crore as against 57.88 Crore in 2011-12.
- Profit after Tax for the year Rs. 19.97 Crore against Rs. 24.24 Crore in 2011-12.
- Capital Structure of the Company as at 31st March 2013 is Rs. 18.81 Cr comprising of 18814586 nos. of equity shares of Rs. 10/- each.
- The Board of Directors has recommended an equity dividend of 12% i.e. Rs. 1.20 per equity shares of Rs. 10/- each.

B. Product wise operational performance:-

Product wise your company is engaged in manufacturing of the following products, the performance of which is discussed in the following lines-

PVC Compound and Master Batches

The turnover from PVC Compound & Master Batches is Rs. 33819 lacs this year as against Rs. 26525 lacs for the last year.

PE Compounds

Turnover from PE compound is Rs. 64229 lacs this year as against Rs. 56510 lacs in the last year.

Agglomerates, Reprocessed Granules & Scraps

Turnover from these items are 28467 lacs as against 14559 lacs in the last year.

Future Outlook

The Company continues to be one of the leading market players in manufacturing of polymer compounds. It has offered a range of products to domestic and industrial users. In the years to come, the Company will come up with more range of new products to satisfy the diverse needs of the Customers. Kalpena Industries Limited is confident of accomplishing volume growth and consequently the market share in very near future. Your company, being the only local player for Medium Voltage cables, enjoys possibility of achieving higher volumes and margins. The marketing team is making incessant effort for increasing the presence in overseas market. Increased application of polymers and Performance polymers in the field of Consumer durable, Automobiles and also in Alternative & Renewable Energy sector provide ample opportunity to Kalpena in the field of polymer and performance polymer to enhance its business.

Opportunity and Threats

The use of plastic made products has gained considerable response from the customers. In number of items of Retail and Industrial consumption, it is found that the use of Plastic made products has replaced many other products as the best substitute product. This increase, in the use of plastic Products, will open many new areas for the Industry in the years to come.

The Indian Plastic industry has been growing at a rate of 12% over the years and with its true potential harnessed, is all set to reach the 12.5 MMT of consumption. To match this figure, India would require 42000 new machines and around US \$ 10 billion of project investment by 2020. Packaging, Electronics, Telecommunication, Infrastructure, Transportation, Healthcare and Consumer durables are fast growing sectors of Indian economy, offering growth for plastics consumption.

Indian plastic industry is highly competitive. Moreover, the competition is increasing with the emergence of new global players and other domestic unorganized players. Increased competition might lead to price reductions, decreased sales, lower profit margins thus adversely affecting the business of the Company.

Despite growing competition which may cause downward pressure on prices and profit margins, the company has equipped itself to grow its top line and bottom line. The Company has its strong financials and doesn't have major obligations. Apart from the rise in competition globally, inconsistency in the input prices and other routine business risks, your Company doesn't envisage any major Threats.

Risks and Concerns

Risk is integral to virtually all business activities, though in varying degrees and forms. At Kalpena, we have well defined risk management policy in place and the same is reviewed from time to time. The risk management policy is also monitored by executive management of the company with suitable steps to enhance scope of its operation. Irrespective of the type of risk or the activity that creates it, the Company's fundamental approach to risk management remains the same:

Business risks

Besides other risks and concerns, the major concern, of the Company's business is fluctuations in the prices of Raw Materials and entry of local and small manufacturers in the Industry. The business is constantly under margin pressure with delivering the best quality products at competitive prices. Lower volumes and prices in the domestic and global markets will have an impact on the Company's revenues and profits. However, the management is cautiously optimistic about the likely recovery in the global infrastructure industry. The Company's focus on cost reduction, which has yielded positive results, will be the critical factor in mitigating margin pressures. Further, new product launches will aid in stabilizing cash flows.

Technology risks

Product obsolescence risks are inherent in the business and the management continues to accord high priority to in-house research and development in order to ensure new product development as per evolving needs in the industry, technical enhancements and quality improvements of existing product offerings.

Financial risks

Company has established a risk management strategy that comprise reasonable use of derivative and non derivative financial instruments primarily to manage its exposure to market risks resulting from adverse fluctuations in material prices, interest rates and foreign currency rates.

Internal Control System

The Company has a well established internal control framework covering all functional areas. It includes independent review of control system by statutory auditors, review mechanism by Audit Committee and periodic review by the management.

Currently all the operations of the company are carried out in conformity with the defined process. The Company also has policy of periodic reviews of all business activities viz. purchase, stores, marketing, personnel, production, maintenance, finance and accounts, IT systems. The Audit Committee of the Board periodically reviews the terms of reference and the adequacy of internal control system, significant observations and their disposals and remedies if any. Further, the Company has implemented Enterprise Resource Plan (ERP) to consolidate all its operation as well as strengthen its Internal Control System.

Human Resources and Industrial Relations

The Company appreciates performance of the employees for the year and anticipate the much more for the years to come. Your Company believes in employee empowerment across the entire organization in order to achieve organizational effectiveness. The Human Resource policies are soundly drafted for all levels of employees to serve them motivation, transfer & promotions and to retain the skills. Over a period of time, your company has built and nurtured a dedicated and excellent workforce who consists of engineers, CAs, CSs, MBAs, and advance degree holders like PhDs having a big business portfolio. The Industrial relations of the Company was cordial and there were no instances of employee disputes arising during the year.

Cautionary Statement

Certain statements made in the Management Discussion and Analysis Report relating to the Company's objectives, projections, estimates, and expectations and others may constitute 'forward looking statements' within the meaning of applicable laws and regulations. Actual results may differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand/supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the Government regulations, tax laws, natural calamities and so on over which the company does not have any direct control.

ANNEXURE 'C'

REPORT ON CORPORATE GOVERNANCE**1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE:**

Corporate Governance refers to a set of laws, regulations and good practices that enable an organization to perform efficiently and ethically generate long term wealth and create value for all its stakeholders. It provides structure to set the objectives, the means to attain them and monitor the performance. It is a commitment to the business ethics and values and not limited to compliances and transparency. Since Large Corporations employ a vast quantum of societal resources, Kalpena believes that the governance process should ensure that these resources are utilized in a manner that meets stakeholders' aspirations and societal expectations.

Corporate Governance helps to serve corporate purpose by providing a framework within which stakeholders can pursue the objectives of the organization most effectively. Corporate governance signifies acceptance by management of the inalienable rights of shareholders as the true owners of the organization and of their own role as trustees on behalf of the shareholders.

The Philosophy of the Company in relation to Corporate Governance is to ensure transparent disclosures and reporting that conforms to laws, regulations and guidelines and continue focusing on its resources, strengths and strategies to achieve its vision of becoming a market leader in plastics industries, while upholding the core values of excellence, integrity, responsibility, unity and understanding, which are fundamental to Kalpena Group.

Corporate Governance is an integral part of value, ethics and best business practices followed by the Company. The core values of the Company are commitment to excellence & customer satisfaction and maximizing long term shareholder's value. In a nutshell, the philosophy can be described as observing of business practices with the ultimate aim of enhancing long term shareholder's value and commitment to high standard of business ethics.

Some of the major initiatives taken by the Company towards strengthening its corporate governance systems and practices include the following:

Secretarial Audit:

The Company has appointed an independent practicing Company Secretary to conduct Secretarial audit. The quarterly audit reports are placed before the Board.

Role of Company Secretary in overall Governance Process:

The Company Secretary plays a key role in ensuring that the Board procedures are followed and regularly reviewed. The Company Secretary ensures that all relevant information, details and documents are made available to the directors and senior management for effective decision making at the meetings. The Company Secretary is primarily responsible to ensure compliance with applicable statutory requirements.

Observance of the Secretarial Standards issued by the Institute of Company Secretaries of India:

The Institute of Company Secretaries of India (ICSI), one of the premiere professional bodies in India. ICSI has issued Secretarial Standards on important aspects like Board Meetings, General Meetings, Payment of Dividend, Maintenance of Registers and Records, Minutes of Meetings and Transfer / Transmission of Shares. Though these standards are recommendatory in nature, the company adheres to the standards voluntarily.

Hope, by the way of transparency in corporate management and reporting practices, this will make a value addition.

INDEPENDENT AUDITORS' REPORT

TO
THE MEMBERS OF
KALPENA INDUSTRIES LTD.

Report on the Financial Statements

We have audited the accompanying financial statements of Kalpena Industries Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2013, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act") and in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2013;
- (b) in the case of the Statement of Profit and Loss, of the profit of the Company for the year ended on that date, and
- (c) in the case of the Cash Flow Statement, of the cash flows of the Company for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2003("the Order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by Section 227(3) of the Act, we report that:
 - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- (c) The Balance Sheet, Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the Balance Sheet, Statement of Profit and Loss, and the Cash Flow Statement comply with the Accounting Standards referred to in sub-section (3C) of section 211 of the Act.
- (e) On the basis of the written representations received from the directors as on 31st March, 2013 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2013 from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Act.

Notes to the financial statements for the year ended 31st March, 2013

1. SIGNIFICANT ACCOUNTING POLICIES

i) Basis of Preparation of Financial Statements

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis, except for certain tangible assets which are being carried at revalued amounts. These financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) [Companies (Accounting Standards) Rules, 2006, as amended] and the other relevant provisions of the Companies Act, 1956.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the revised Schedule VI to the Companies Act, 1956. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non current classification of assets and liabilities.

ii) Use of Estimates

The preparation of Financial Statements in conformity with the Generally Accepted Accounting Principles (GAAP) requires Management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities at the date of the Financial Statement and the result of the operations during the reporting year end. Although these assumptions are made as per the Management's best knowledge of current events and actions, actual result may differ from these estimates.

iii) Tangible Fixed Assets

Fixed Assets including capital work in progress are stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises purchase price, borrowing cost if capitalisation criteria are met and directly attributable cost of bringing the assets to its working condition for the intended use. Pre-operation expenses including trial run expenses (net of revenue) are capitalised. Net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the fixed assets are capitalised.

Subsequent expenditures related to an item of fixed asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

Losses arising from the retirement of, and gains or losses arising from disposal of fixed assets which are carried at cost are recognised in the Statement of Profit and Loss.

iv) Intangible Assets

Intangible assets are stated at cost of acquisition less accumulated amortisation and accumulated impairment loss, if any.

An intangible asset is recognised if it is probable that the expected future economic benefits that are attributable to the asset will flow to the Company and its cost can be measured reliably. Intangible assets having finite useful lives are amortised on a straight-line basis over their estimated useful lives.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Statement of Profit and Loss.

v) Depreciation and Amortisation

Depreciation includes amortisation. Depreciation on Tangible Fixed Assets has been provided on the Straight Line Method at the rates prescribed under Schedule XIV of the Companies Act, 1956 on prorata basis with reference to the date of addition. Technical Know How is amortised over a period of five years on straight line basis beginning from the financial year 2010-11 and Computer Software is amortised on straight line basis over a period of ten years.

Notes to the financial statements for the year ended 31st March, 2013

vi) Impairment of Tangible and Intangible Assets

Impairment loss, if any, is provided to the extent, the carrying amount of assets exceeds their recoverable amount. Recoverable amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

vii) Revenue Recognition:

Sales are recognised when the substantial risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, and includes raw material sales & remission of Central Sales Tax and Vat Amount. Jobs charges is recognised as per terms of contract. Sales includes amounts recovered towards excise duty and are net of returns. Revenue from sale of scrap is recognised as and when scrap is sold.

Other income and expenditure are recognised and accounted on accrual basis.

viii) Foreign currency Transactions

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction or that approximates the actual rate at the date of the transaction.

Monetary items denominated in foreign currencies at the year end are restated at year end rates. In case of items which are covered by forward exchange contracts, the difference between the year end rate and rate on the date of the contract is recognised as exchange difference and the premium paid on forward contracts is recognised over the life of the contract.

Non monetary foreign currency items are carried at cost.

Any income or expense on account of exchange difference either on settlement or on translation is recognised in the Profit and Loss account except in case of long term liabilities, where they relate to acquisition of fixed assets, in which case they are adjusted to the carrying cost of such assets.

ix) Financial Derivatives Hedging Transactions

In respect of derivative contracts, premium paid, gains / losses on settlement and losses on restatement are recognised in the Profit and Loss account except in case where they relate to the acquisition or construction of fixed assets, in which case, they are adjusted to the carrying cost of such assets. Derivatives contracts outstanding at the Balance Sheet date are marked to market and resulting loss, if any, is provided for in the financial statements.

x) Investments

Investments that are readily realisable and are intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. Long Term Investments are stated at cost less written down for any diminution, other than temporary, in carrying value. Current investments are stated at lower of cost and quoted value.

xi) Inventories

Raw materials and Stores & spareparts: Inventories are valued at cost or net realisable value whichever is lower. Cost is determined by using the Weighted average method. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

Finished Goods: Inventories are valued at lower of cost and net realisable value. Finished goods include cost of conversion and other cost incurred for bringing the inventories to their present location and condition.

Notes to the financial statements for the year ended 31st March, 2013

xii) Retirement and other Employee Benefits

Short-term Employee Benefits (i.e. benefits payable within one year) are recognised in the period in which employee services are rendered.

Contribution towards provident funds are recognised as expenses and are made to government administered provident fund towards which the Company has no further obligations beyond its monthly contribution. Liability towards gratuity, covering eligible employees on the basis of year-end actuarial valuation is recognised as a charge.

Accrued liability towards leave encashment benefits, covering eligible employees' is recognised as charge. Contribution to Central Government administered Employees' State insurance Scheme for eligible employees is recognised as charge. Super Annuation benefit scheme is not existing in the company at present.

xiii) Borrowing Cost

Borrowing cost that are directly attributable to acquisition and construction of qualifying asset are capitalised as part of the cost of such asset upto the date the asset is put to use. All other borrowing cost are charged to revenue on accrual basis unless otherwise stated.

xiv) Current and deferred tax

Provision for current income tax is made in accordance with the provisions of the Income-tax Act, 1961.

Minimum Alternative Tax credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period.

Deferred tax resulting from "timing difference" between taxable and accounting income is accounted for using the tax rates and laws that are enacted or substantively enacted as on the balance sheet date. Deferred tax asset is recognised and carried forward only to the extent that there is a virtual certainty that the asset will be realised in future.

Provision for wealth tax liability is estimated in accordance with Wealth Tax Act, 1957

xv) Provisions and Contingent Liabilities

A provision is recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation and in respect of which reliable estimate can be made.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

xvi) Earnings per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period after deducting any attributable tax thereto for the period by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.
