# About the Company

## Accelerating Innovation with Design-Led Manufacturing

**India stands poised at the forefront of a transformative wave in the dynamic global enterprise landscape where innovation reigns. The nation is slated to be a Design-Led Manufacturing (DLM) hub. Businesses globally are shifting their focus to India for design and manufacturing, attributed to its strong engineering capabilities and favourable geopolitical conditions.**

Within this ecosystem, ASM Technologies Limited emerges as a global leader in Engineering Services and Design-Led Manufacturing, seamlessly weaving together engineering expertise and design ingenuity.

The Company's expert manufacturing engineers and designers foster a culture of collaboration to maintain the end-to-end aspect of a product's life cycle.

With complete ownership of the end-to-end design, development, and manufacturing, the Company assures design excellence and high-quality products.

ASM Technologies Limited remains grounded in its commitment to human-centric design. By leveraging state-of-the-art facilities and collaborative labs, the Company empowers its customers to co-create transformative solutions that resonate with human needs. This relentless focus on innovation fuels ASM Technologies Limited's growth trajectory and propels the entire industry towards new frontiers of possibility.

As the Company continues to chart new territories and redefine the boundaries of possibility, it is a testament to the power of design-led manufacturing in driving accelerated innovation.

## Breaking New Ground: Expanding India's Semiconductor & Electronics Leadership

PRESS TRUST OF INDIA  
India's premier news agency

ASM Technologies to invest Rs 510 cr in design led electronics manufacturing

NEW DELHI: Electronics manufacturing company ASM Technologies is planning to invest Rs 510 crore to expand its Design-Led Manufacturing and precision engineering capacity in Karnataka.

The company has signed an agreement with the Karnataka government for the investments under which it plans to acquire 10 acres of land from the Karnataka Industrial Areas Development Board (KIADB) to set up a design facility.

"ASM Technologies Ltd, a pioneer in Design-Led Manufacturing in the semiconductor and automotive industries... announced signing of Memorandum of Understanding (MoU) with the Government of Karnataka whereby it will invest Rs 510 crores in the state to expand its ESDM related design-led manufacturing and precision engineering capacity," the company said in a statement.

### Karnataka govt signs MoU for ₹510 crore investment in ESDM manufacturing

PRESS TRUST OF INDIA  
New Delhi, February 12

**ELECTRONICS MANUFACTURING COMPANY** ASM Technologies is planning to invest ₹510 crore to expand its Design-Led Manufacturing and precision engineering capacity in Karnataka. The company has signed an agreement with the Karnataka government for the investments under which it plans to acquire 10 acres of land from the Karnataka Industrial Areas Development Board (KIADB) to set up a design facility.

"ASM Technologies Ltd, a pioneer in Design-Led Manufacturing in the semiconductor and automotive industries... announced signing of Memorandum of Understanding (MoU) with the Government of Karnataka whereby it will invest Rs 510 crores in the state to expand its ESDM related design-led manufacturing and precision engineering capacity," the company said in a statement.

ESDM related design-led manufacturing and precision engineering capacity," the company said.

ASM Technologies Managing Director Rabindra Srikanth said the expansion will enhance the company's precision engineering for the electronics, semiconductor and solar industries, create employment opportunities and promote technological advancements in the region. ASM Technologies also recently commenced operations from its two new manufacturing facilities at Dabaspet, Karnataka, and Srirerumbudur, Tamil Nadu.

"Totaling over 55,000 square feet across both locations, the facilities are expected to give a fillip to the company's design-led manufacturing operations and will serve as core centres of excellence for its clients across key industry verticals," the statement said.

- Strategic Investment:** We are investing ₹510 crore in Karnataka's ESDM sector, reinforcing India's global presence in precision engineering.
- New Infrastructure:** Two cutting-edge facilities in Dabaspet and Srirerumbudur will expand our design-led manufacturing capabilities.
- Employment Growth:** Multiple high-value jobs in engineering, R&D, and manufacturing will be created.
- Industry Leadership:** This move strengthens India's semiconductor and electronics supply chain, supporting government initiatives.

# Honouring Karnataka's Heritage: Kannada Rajyotsava at ASM Technologies

Our Kannada Rajyotsava celebrations were a vibrant tribute to Karnataka's culture and traditions. The event brought employees together in a true spirit of unity and pride.

[For More details click here](#)

- **Cultural Performances:** Traditional folk arts like Dollu Kunitha, music, and dance filled the event with energy.

- **Guest Speaker:** We were honoured to have Ms. Maya Chandra, whose presence made the occasion special.

- **Community Engagement:** The celebration received overwhelming support and engagement on social media.
- **Team Spirit:** Events like these strengthen our workplace culture and bring our employees closer.

# Giving Back to Society: ASM's Social Initiatives

At ASM Technologies, we believe in making a difference beyond business. Our community engagement initiatives focus on education, healthcare, and nutrition.

[For More details click here](#)

- **Supporting Children:** Partnered with Annapoorna Trust to provide morning nutrition for government school students.
- **Sustainable Impact:** Our CSR initiatives are designed to create long-term benefits for society.
- **Healthcare Contribution:** Donated critical medical equipment to Sri Sathya Sai Sarla Memorial Hospital to improve healthcare access.
- **Commitment to Service:** We extend our gratitude to our team members who drive these impactful efforts.

# Celebrating the Spirit of Women at ASM

**Because behind every milestone, there's a story of courage and care.**

This International Women's Day, ASM Technologies came together to celebrate the incredible women who make our workplace stronger, brighter, and better every day.

The event was a warm, inspiring gathering—filled with smiles, stories, and gratitude. We were honoured to have Dr. Gurmeet Soni Bhalla as our chief guest, whose journey of leadership and determination deeply resonated with everyone present. Her words reminded us of the quiet strength and unstoppable spirit women bring to every role they play.

From heartfelt conversations to moments of reflection, the day was a tribute to the everyday heroes among us—our colleagues, mentors, and friends.

At ASM, we are proud to build a culture where every voice matters, and every person has the chance to grow. Here's to the women of ASM, and to creating a workplace where respect, equality, and opportunity are not just ideals, but everyday values.

## A Proud Moment for the ASM Family

**Our leader takes on a larger role in shaping Karnataka's industrial future**

We're delighted to share a moment of pride with all of you- our Managing Director, Mr. Rabindra Srikantan, has been elected as the Chairman of Confederation of Indian Industries (CII), Karnataka state, for the year 2025–26.

This is more than just a prestigious position, it's a reflection of his decades of dedication, quiet perseverance, and deep belief in building India's manufacturing strength. His new role at the CII, one of the oldest and largest industry body in India, is a win not just for ASM, but for every business and professional across the state.

We celebrate this milestone together, as a team that continues to be inspired by his vision and values. Here's to many more such achievements, and to making a lasting impact on industry and society.
