GNPA and NNPA are reported on 90+ days

- As per recently released RBI Scaled Based Regulation (SBR) for NBFC's, institutions in the base layer are expected to comply with 90+day NPA recognition norms in a phased manner until March 2026.
- Dhanvarsha Board and Management have taken a conservative call to comply with 90+ day NPA recognition norms from September 2021.
- It is important to note that 2/3 of total GNPA's of 2.9% are coming from 9 legacy LAP loans that were originated from Sept 2017-Sept 2018.
- **Excluding LAP loans which is in run-off mode, Gross NPAs would be 1.15%.**
- Company expects continued recoveries from LAP accounts of 2017-2018 vintage.
- Collections have been robust due to our focus on gold loans and MSME 'essential goods' businesses and customers.

An Integrated LOS and LMS (LOMS)

Focusing on Automation

A world class platform enabling seamless onboarding, underwriting, servicing, monitoring and on-time collections.

Physical Presence Across 8 Key Markets in India...

India's overall gold financing penetration is ~10% with penetration in the western and northern states being even lower

However, these two markets together hold ~45% of the gold in the country

Dhanvarsha's focus is on this belt comprising Maharashtra, Goa, Delhi-NCR, Gujarat, Madhya Pradesh, and Rajasthan.

Most of the large gold financiers in India are present in the southern states making the north and western pockets very attractive underpenetrated markets

Gold Loans: *Experiential centers & Door - Step Disbursement*

The company through ‘experiential centers’ and digitally optimised ‘door-step disbursement’ offers a superior value proposition to customers in MSME gold financing.

The company has disbursed more than INR 1.2 billion of gold loans through experiential centers since August 2020.

The company has 31 experiential centers today and plans to have 35+ centers by the end of March 2022.

We believe the company is poised for an average of INR 5 million to INR 7 million of gold loan disbursement per center per month. This should lead to AUM of INR 1.50+ billion by March 2022¹.

■ Experiential centers (Count)

¹Projected plan may vary based on the Covid-19 situation at that prevailing time

Dhanvarsha Financial Inclusion Stores: *Distribution with Scale*

Personal Loans and Business Loans - Leveraging existing neighbourhood stores and community centers to ease access to credit services

Business Model:

- Neighborhood stores that help take credit services to the last mile enabling financial inclusion.
- More than 50 FIS have started contributing to disbursement volume.

Key attractions of the format

- Capex light model that enables rapid expansion and financial inclusion
- Low cost i.e. opex, brand visibility and work-of-mouth publicity
- Enhanced earnings for small entrepreneurs who can operate from existing establishment

Merits of the Model – Capital Efficiency with Profitability

- Dhanvarsha generates higher IRR since it earns on 100% of the loan book.
- Dhanvarsha's balance sheet becomes extremely capital efficient.
- Partner institutions have:
 - ~ No cost of opex, capex or marketing expense
 - ~ Loan book growth in PSL segments

L-a-a-S: Partnership with *Central Bank of India*

The Company has recently partnered with Central Bank of India for Co-lending of up to INR 10 billion to MSME Gold loan customers.

Under the partnership, Dhanvarsha will originate, service and collect MSME gold loans and will retain 20% of loan balances on its balance sheet. This will enable substantial scale up of AUM with capital efficiency for the company.

This partnership started offering customized solutions and a superior experience to the underbanked and underserved MSME customer from August'2021 in Madhya Pradesh and look to expand to 5 more branch locations by December'21.
