1. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI Listing Regulations read with circular of SEBI on e-voting Facility provided by Listed Entities, dated December 9, 2020, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the 37th AGM. The facility of casting votes by a member using remote e-voting as well as e-voting system during the 37th AGM will be provided by CDSL. Instructions for remote e-voting are provided herein below at point no. (A.). Members whose email ids are not registered with the Company/RTA/Depositories, for obtaining Annual Report & the login credentials for e-voting for the resolutions are requested to refer the instructions provided at point no. (B.). Instructions for shareholders attending the 37th AGM through VC or OAVM and e-voting during the 37th AGM are provided at point no. (C.).
2. The Members who have cast their vote by remote e-voting prior to the Annual General Meeting may also attend the meeting through VC or OAVM but shall not be entitled to cast their vote again.
3. The Members can join the 37th AGM in the VC or OAVM mode 15 minutes before the scheduled time of the commencement of the meeting by following the procedure mentioned in the Notice. The facility of participation at the 37th AGM through VC or OAVM is limited upto 1000 members on first come first served basis. This will not include large Shareholders (i.e. Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the 37th AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the 37th AGM through VC or OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Members whose names are recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the **Cut-off date i.e. Tuesday, 22nd September, 2026**, shall be entitled to avail the facility of remote e-voting as well as e-voting system at the 37th AGM.
6. A person who has acquired the shares and has become a member of the Company after the dispatch of the Notice of the AGM and holding shares as on the **Cut-off date i.e. Tuesday, 22nd September, 2026**, shall be entitled to exercise his/her vote electronically. i.e. through remote e-voting or through e-voting system at the 37th AGM. Such members may obtain Sequence No. for e-voting by sending a request at finance@geotexelin.com and cast vote after following the instructions as provided in the Notice convening the meeting, which is available on the websites of the Company and CDSL. However, if you are already registered with CDSL for remote e-voting then you can use your existing User ID and password for casting your vote.
7. Once the vote on a resolution is cast by the shareholder, the shareholder shall not be allowed to change it subsequently.
8. The voting rights of the members shall be in proportion to their share in the paid-up equity share capital of the Company as on the **Cut-off date i.e. Tuesday, 22nd September, 2026**.
9. **M/s. D. A. Rupawala & Associates, Chartered Accountants, Ahmedabad (Firm Regn. No. 108902W; Membership No. 37674)**, has been appointed as the Scrutinizer to scrutinize the remote e-voting process and e-voting system on the date of 37th AGM in a fair and transparent manner.
10. The voting results declared along with the Scrutinizers Report shall be placed on the Company's website www.geotexelin.com and on the website of CDSL i.e. www.evotingindia.com not later than two working days of the conclusion of the 37th Annual General Meeting of the Company and shall also be communicated to the Bombay Stock Exchange (BSE) where the shares of the Company are listed.

(A.) The instructions for shareholders for remote e-voting and joining virtual meetings are as under:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The **remote E-voting period will commence at 10:00 a.m. on Friday, 25th September, 2026 and will end at 5:00 p.m. on Monday, 28th September, 2026 (both days inclusive)**. During this period shareholders of the Company holding shares either in physical form or dematerialized form as on the **Cut-off date i.e. Tuesday, 22nd September, 2026**, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of SEBI Listing Regulations, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders /retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

(v) Login Method for e-voting and joining virtual meeting for shareholders holding shares in physical mode and non-individual shareholders in demat mode:

- The shareholders should log on to the e-voting website www.evotingindia.com
- Click on "Shareholders" module.
- Now enter your User ID
 - For CDSL: 16 digits beneficiary ID,
 - For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
- Next enter the Image Verification as displayed and Click on Login.
- If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any Company, then your existing password is to be used.
- If you are a first time user follow the steps given below:

	For Physical Shareholders and other than Individual Shareholders holding shares in demat form
PAN	Enter your 10 digit alpha-numeric PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the Company records in order to login. If both the details are not recorded with the depository or Company please enter the member id / folio number in the Dividend Bank details field.

- After entering these details appropriately, click on "SUBMIT" tab.
- Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other Company on which they are eligible to vote, provided that Company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- Click on the EVSN of Texel Industries Limited on which you choose to vote.
- On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.

12. Click on the "RESOLUTION FILE LINK" if you wish to view the entire Resolution details.
13. After selecting the resolution, you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
14. Once you 'CONFIRM' your vote on the resolution, you will not be allowed to modify your vote.
15. You can also take a print of the votes cast by clicking on "Click here to print" option on the Voting page.
16. If a demat account holder has forgotten the login password then enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
17. There is also an optional provision to upload BR/POA if any uploaded, which will be made available to scrutinizer for verification.

Additional facility for Non – Individual Shareholders and Custodians – for remote e-voting:

- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the "Corporates" Module.

ANNEXURE TO THE NOTICE

Explanatory Statement (Pursuant to the provisions of Section 102 of the Companies Act, 2013)

ITEM NO. 3

The Board of Directors of the Company ('the Board') at its meeting held on 13th August, 2026, on the recommendation of the Nomination & Remuneration Committee ('the Committee'), approved the appointment of Mr. Rasesh Girish Shah (DIN: 00442525) as an Additional Director of the Company in the category of Non-Executive Non-Independent Director with effect from 13th August, 2026, subject to the approval of the shareholders of the Company. He would be entitled to sitting fees for attending the meeting of the Board of Directors.

Mr. Rasesh Girish Shah (DIN: 00442525) is not suffering from any disqualifications in terms of Section 164 of the Act, and has given his consent to act as a Director of the Company, and the Company has also received requisite Notice pursuant to Section 160 of the Act, proposing his candidature for the appointment as a Director of the Company. He has declared that he has not been debarred by SEBI/ MCA or any other authority from holding the office of director or continuing as a Director of the Companies pursuant to circular dated June 20, 2018, issued by the BSE Limited.

The brief profile of Mr. Rasesh Girish Shah (DIN: 00442525) is as follows. The other Information as required under Regulation 36(3) of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 and Secretarial Standard-2 on General Meeting issued by the Institute of Company Secretaries of India is mentioned in the Annexure to the Explanatory Statement attached herewith.

Mr. Rasesh Girish Shah holds a Master's degree in Business Administration (MBA) and is a Commerce graduate from Gujarat University, Ahmedabad. He is an experienced business professional with considerable exposure to the geosynthetics sector, particularly in the supply and application of geosynthetic products for infrastructure, water management and Government-related projects. Over the years, he has been associated with the supply and execution of geosynthetic solutions for various Government and semi-Government organisations, including projects connected with the Government of Gujarat, Border Roads Organisation (BRO) and the Indian Army. His experience has provided him with a sound practical understanding of geosynthetic applications, field requirements, project execution and institutional customer requirements. He has also played an important role in facilitating a pilot project for "Farm Ponds" for water harvesting in favour of Texel Industries Limited from the Water Resources Department, Government of Gujarat. This initiative is closely aligned with Texel's geosynthetics business and demonstrates his ability to identify and facilitate opportunities for the application of geosynthetic products in water conservation, agricultural infrastructure and rural development projects. He is known for his professional approach, commitment to timely execution and adherence to project delivery requirements. His industry experience, field-level knowledge and exposure to Government and institutional projects are expected to provide valuable inputs to Texel, particularly in the areas of business development, Government and institutional opportunities, market development, project execution and identification of new applications for geosynthetic products. Apart from his professional activities, he has been actively associated for the past seven years with social-development initiatives for the upliftment of tribal communities. His efforts include encouraging and assisting tribal communities in the cultivation of millets and other livelihood-oriented agricultural activities, with the objective of improving their economic opportunities and standard of living.

The Board of Directors is of the view that considering his experience in the geosynthetics industry, practical understanding of project execution, exposure to Government and institutional projects, business development capabilities and involvement in socially relevant initiatives, Mr. Shah is expected to bring a valuable industry, commercial and strategic perspective to the Board of the Company.

The Board of Directors recommends the resolution set out at Item No. 3 for approval of the members as an Ordinary Resolution.

Except Mr. Rasesh Girish Shah and his relatives, none of the other Directors, Key Managerial Personnel and their relatives are in any way, concerned or interested, financially or otherwise, in the proposed resolution.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Pursuant to Regulation 34(2) (e) and Schedule V of SEBI (LODR) Regulations, 2015

Your Directors have pleasure in presenting the Management Discussion and Analysis Report for the financial year ended 31st March 2026.

A. OVERVIEW OF THE COMPANY “TEXEL INDUSTRIES LIMITED”:

Texel Industries Limited (“Texel” or “the Company”) has been engaged in the manufacture of technical textile products for over three decades. The Company has established capabilities in manufacturing a wide range of products, including geomembranes, geotextiles, tarpaulins, ground covers and other coated and uncoated technical textile products.

The Company’s products find applications in agriculture, aquaculture, horticulture, animal husbandry, civil engineering, water harvesting and conservation, disaster relief, landscaping, transportation, pollution control, waste management and other industrial sectors.

The Company’s manufacturing operations are located at its Kheda facility. As at 31st March 2026, the Company had an installed manufacturing capacity of approximately 23,680 metric tonnes per annum and a practical production capacity of approximately 19,080 metric tonnes per annum.

During FY 2025-26, the Company continued to focus on improving operational efficiency, optimising manufacturing costs, strengthening product quality and expanding the applications of its existing technical textile products. As part of its application-development initiatives, the Company is exploring solutions for completely recyclable print media and systems designed to reduce evaporation losses from water-storage facilities.

The Company continues to focus on broadening its market presence in India and international markets, improving capacity utilisation and developing value-added applications. It remains committed to strengthening revenues and profitability through operational discipline, cost optimisation, application development and expansion into suitable market segments.

B. OVERVIEW OF THE GLOBAL ECONOMY:

According to the International Monetary Fund’s World Economic Outlook Update of July 2026, global growth is projected at 3.0% in 2026 and 3.4% in 2027. The outlook remains uneven, with geopolitical tensions, trade-policy uncertainty, energy-price movements and disruptions to international trade continuing to affect investment and business confidence. At the same time, technology-led investment and resilient private-sector activity are supporting growth in certain economies.

The global operating environment therefore remains uncertain. Volatility in commodity prices, tariffs, freight costs, exchange rates and supply chains may influence the performance of manufacturing and export-oriented businesses. Sustainable growth will depend upon macroeconomic stability, calibrated policy responses and continued investment in productive capacity and technology.

C. OVERVIEW OF THE INDIAN ECONOMY:

India remained one of the fastest-growing major economies during FY 2025-26. As per the provisional estimates released by the Ministry of Statistics and Programme Implementation, real GDP grew by approximately 7.7% in FY 2025-26, compared with 7.1% in FY 2024-25. Growth was supported by domestic demand, investment activity and the performance of the secondary and tertiary sectors.

Continued public expenditure on infrastructure, policy support for manufacturing, water conservation and technical textiles, together with resilient domestic consumption, provides a supportive environment for the Company’s products. Nevertheless, global trade uncertainty, geopolitical developments, commodity-price volatility and financing conditions remain important external risks.

D. OPPORTUNITIES AND THREATS:

India’s continuing focus on infrastructure creation, water conservation, irrigation, sustainable agriculture and the development of technical textiles offers growth opportunities for the Company. Increasing awareness of geosynthetics and engineered membrane systems is supporting new applications in agriculture, aquaculture, civil engineering, waste management, waterproofing and environmental protection.

The Company also sees potential in value-added applications of its existing products, including completely recyclable print-media solutions and systems for reducing evaporation losses from water-storage facilities. Expansion of exports and the development of specialised products for international customers provide further opportunities for growth and diversification.

The principal threats include volatility in polymer prices, competitive pricing, fluctuations in demand, delayed receivables, foreign-exchange movements, freight disruptions, geopolitical uncertainty and changes in tariffs and trade policies. The Company seeks to mitigate these risks through cost control, product and market diversification, quality improvement, customer development and prudent financial management.

The Company's risk-management and control frameworks are aligned with its business profile, although no system can provide absolute assurance. Adequate insurance coverage is maintained for key assets. The Company also continues to strengthen its systems and processes, including improvements in ERP and information-based controls.

E. SEGMENT-WISE PERFORMANCE:

Technical Textile Segment

The Company remains focused on strengthening its presence in the Indian and international technical-textile markets by delivering quality products and expanding the geographical reach and application base of its portfolio. The Technical Textile Segment contributed ₹9428.28 lakhs to the Turnover during the financial year.

Land, Building & Property Development Segment:

The Company has undertaken the development and monetisation of surplus property with the objective of unlocking value from non-core assets, following the consolidation of its manufacturing operations at the Kheda facility. The Land, Building and Property Development Segment contributed ₹479.94 lakhs to the Turnover during the financial year.

F. OUTLOOK:

The Company's performance remains linked to economic growth, infrastructure and agricultural activity, raw-material prices, customer demand and the availability of working capital. The Company will continue to emphasize operational efficiency, cost optimization, development of value-added applications and selective expansion in domestic and international markets.

The Company seeks to build upon its established capabilities in water-conservation and technical-textile solutions, while developing applications relating to recyclable print media and reduction of evaporation losses. Increasing capacity utilisation, strengthening the product mix, improving cash flows and broadening the customer base remain important management priorities.

The Company remains committed to pursuing sustainable growth and improved profitability. Actual performance will, however, depend upon market conditions, execution, input costs, financing conditions and other external factors.

G. RISKS AND CONCERNS:

Risk is inherent in every business, and the Company has adopted a framework to identify, evaluate, mitigate and monitor material risks. These include strategic, financial, operational, foreign-exchange, environmental, technological, regulatory, reputational, personnel and political risks.

The Company is particularly exposed to volatility in polymer prices, competitive pricing, availability of working capital, customer receivables, fluctuations in export demand, freight costs and changes in tariffs or trade policies. The Audit Committee and the management periodically review the Company's risk-management and control framework to support business continuity and timely mitigation.

H. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has established internal financial controls in accordance with the requirements of the Companies Act, 2013. These controls are designed to safeguard assets, promote efficient use of resources, maintain accurate accounting records and support reliable financial reporting.

The Internal Auditors periodically review operations and controls across departments and place their observations before the Audit Committee. The management continues to strengthen controls relating to business operations, statutory compliance, inventory, receivables and financial reporting.

I. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

During FY 2025-26, revenue from operations was ₹10,095.86 lakh compared with ₹12,117.44 lakh in FY 2024-25. EBITDA was ₹1,259.00 lakh compared with ₹1,481.14 lakh in the previous year. Profit before tax was ₹315.57 lakh compared with ₹472.31 lakh, while profit after tax was ₹529.96 lakh compared with ₹488.51 lakh in FY 2024-25.

Revenue and EBITDA declined principally due to lower sales volume, subdued demand, geopolitical and trade-policy uncertainty and changes in the product and customer mix. Cost optimization and operational efficiencies partly mitigated the effect of the lower sales contribution.

Although profit before tax declined, profit after tax increased during FY 2025-26. This was substantially influenced by a favorable tax and deferred-tax impact during the year and should therefore be viewed separately from the movement in operating performance. The Company continues to focus on improving revenue, operational efficiency, working-capital management and profitability.

(₹ in lakhs)

Particulars	FY 2025-26	FY 2024-25
Revenue from operations	10,095.86	12,117.44
EBITDA	1,259.00	1,481.14
Profit before tax	315.57	472.31
Profit after tax	529.96	488.51
Finance cost	406.45	457.64
Total borrowings	1,681.82	781.41
Net worth	4,646.05	4,110.40

J. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES AND INDUSTRIAL RELATIONS FRONT:

The Company believes that its employees are an important source of organizational strength. Its human-resource practices seek to support productivity, skill development, teamwork, accountability, employee engagement and a safe working environment.

The Company continued to focus on manpower productivity, training and development and constructive industrial relations. Industrial relations during the year remained cordial.

As at 31 March 2026, the Company had 70 staff members, 81 workers on the rolls of the Company and 193 contractual workers, representing an aggregate workforce of 344 persons.

K. THE KEY FINANCIAL RATIOS ARE GIVEN BELOW:

In accordance with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is required to disclose significant changes of 25% or more, as compared with the immediately preceding financial year, in specified key financial ratios, together with explanations.

Key Financial Ratio	FY 2025-26	FY 2024-25	Change	Explanation
Debtors Turnover Ratio	9.20	9.62	-42.16%	Marginal decline due to lower sales and relatively higher average trade receivables.
Inventory Turnover Ratio	2.08	3.57	-148.74%	Higher average inventory due to slower inventory movement during FY 2025-26.
Interest Coverage Ratio	3.10	3.24	-4.32%	-
Current Ratio	1.24	1.08	14.81%	-
Debt-Equity Ratio	0.36	0.19	17.19%	-
Operating Profit Margin	7.29%	8.04%	-9.33%	-
Net Profit Margin	5.35%	4.22%	26.78%	Improvement mainly due to higher PAT, which was influenced by a favorable tax/deferred-tax impact during FY 2025-26.

The adverse movement in certain financial ratios during FY 2025-26 was attributable to a combination of company-specific and external factors. The debtor's turnover ratio declined mainly because of delays in receiving payments against supplies made to government customers. The inventory turnover ratio was affected by inventory accumulated for anticipated exports to the United States, which could not be executed as planned following the sudden imposition of higher tariffs on Indian goods. In addition, geopolitical instability and the resulting weakness in the global economy affected demand and reduced overall sales, leading to higher inventory holding. The interest coverage ratio moderated due to lower operating earnings arising from reduced sales and increased working capital tied up in inventory. The debt-equity ratio increased mainly because of additional borrowings, including funds invested in solar-power equipment. Although this investment increased borrowings during the year, it is expected to provide long-term benefits through savings in energy costs after the initial payback period.

L. CHANGE IN RETURN ON NET WORTH:

Particulars	FY 2025-26	FY 2024-25
Return on Net Worth	11.41%	11.88%

The Company's return on net worth, calculated as profit after tax divided by closing net worth, was approximately 11.41% in FY 2025-26 compared with 11.88% in FY 2024-25. Profit after tax increased from ₹488.51 lakh to ₹529.96 lakh; however, net worth also increased from ₹4,110.40 lakh to ₹4,646.05 lakh. Consequently, the return on net worth remained broadly stable, with a marginal decline. The FY 2025-26 profit after tax was influenced by a favorable tax/ deferred-tax impact.

M. CONCLUSION:

This Management Discussion and Analysis Report has been prepared on the basis of available information and certain assumptions concerning economic conditions, raw-material prices, selling prices, customer demand, governing laws, political and geopolitical developments and other incidental factors. Statements in this Report describing the Company's objectives, expectations, estimates or projections may be forward-looking statements within the meaning of applicable laws and regulations.

Actual results and performance may differ materially from those expressed or implied due to economic conditions, commodity prices, business risks, competitive conditions, changes in government policies and regulations and other factors over which the Company may not have direct or indirect control.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **TEXEL INDUSTRIES LIMITED** (hereinafter called “the Company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the Financial Year ended on 31st March, 2026 has complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance- mechanism in place to an extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the Financial Year ended on 31st March 2026 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Byelaws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): -
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;
 - (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018;
 - (h) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; and
 - (i) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018.

However, it has been found that there were no instances requiring compliance with the provisions of the laws indicated at point (d), (e), (h) and (i) of para (v) mentioned hereinabove during the period under review. However, there were no instances of any Foreign Direct Investment or External Commercial Borrowings.

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreement entered into by the Company with the Stock Exchange i.e. BSE Limited and the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended).

- (vi) We further report that having regard to the compliance management system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has compliance management system for the sector specific laws applicable specifically to the company.

During the period under review, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards mentioned hereinabove. We have relied on the representations made by the Company and its officers for systems and mechanisms formed by the Company for compliances under other sector specific laws applicable to the Company. However, during the year under review, Company had received Notice from BSE for late submission of Reconciliation of Share Capital Audit Report for the quarter ended on December 31, 2025 as informed by the management of the Company waiver application was filed by the Company as the delay was due to non-availability of Benpos from NSDL. Further, one more notice was received from BSE for late submission of Shareholding pattern for the quarter ended on December 31, 2025 and fine of ₹ 38,000 + 18% GST was imposed and the same was paid by the Company on 19th March, 2026.

We further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There were no changes in the composition of the Board of Directors and committees of the Board during the period under review, except following changes:

- Special Resolution was passed at the AGM held on 29th September, 2025 for re-appointment of Mr. Shailesh Ramniklal Mehta (DIN: 01457666) as Chairman & Managing Director of the Company for a period of 3 (three) years with effect from February 15, 2026;
- Mr. Parth P. Niphadkar resigned from the post of Chief Financial Officer of the Company with effect from 04th February, 2026;
- Mr. Hardik Parekh was appointed as Chief Financial Officer (Key Managerial Personnel) of the Company with effect from 04th February, 2026;

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on the agenda were sent at least seven days in advance (except in case of meetings convened on a shorter notice, if any), and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision at the Board Meetings as represented by the management were carried out unanimously whereas, as informed, there is a system of capturing the views of dissenting members' and recording the same as part of the minutes, wherever required.

We further report that based on review of compliance mechanism established by the company and on the basis of the compliance certificate(s) issued by the whole time company secretary/KMP of the company and taken on record by the board of directors at their meeting(s), we are of the opinion that the management has adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable rules, regulations and guidelines as referred hereinabove.

We further report that that during the audit period of the Company there were no events / actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc:

Independent Auditor's Report

To the Members of Texel Industries Limited

REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Opinion

We have audited the accompanying standalone Ind AS financial statements of Texel Industries Limited ('the Company'), which comprise the balance sheet as at 31st March 2026, the statement of profit and loss, including statement of other comprehensive income, cash flow statement and statement of changes in equity for the year ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2026, and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

1. We draw attention to the Note No 3 and 4 of the standalone financial statement regarding Investment and unsecured loans granted to Texel Industries (Africa) Limited, a wholly owned subsidiary of the Company. As on balance sheet date, the net worth of the said wholly owned subsidiary has been fully eroded.
2. We draw attention to Note 34 other expenses of standalone financial statement, in which sundry balance written off includes the unreconciled GST Input Tax credit of earlier periods being written off amounting to ₹ 2.73 crores.

Our opinion is not modified in respect of this matter.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the year ended 31st March, 2026. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditors' responsibilities for the audit of the Standalone Financial Statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Standalone Financial Statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Standalone Financial Statements.

Sr. No.	Key Audit Matter	How our audit addressed the key audit matter
1.	This is a key audit matter as the amount of investments and loans to subsidiaries is material to the standalone financial statements of the company and the determination of recoverable value for impairment assessment involves significant management judgement.	- We evaluated the cash flow forecasts (with underlying economic growth rate) by comparing them to the approved budgets and our understanding of the internal and external factors. - We Evaluated the Disclosures Made in the Standalone Financial Statements.

Information Other than the Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules 2015 as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The board of directors are responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the audit of Standalone Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the entity has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements for the financial year ended 31st March, 2026 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its associate firm.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its associate firm.
- (x) (a) The Company has not raised monies by way of Initial Public Offer or Further Public Offer (including debt instruments) during the year.
- (b) According to the information and explanations given to us and on an overall examination of the balance sheet, the Company has made preferential allotment or private placement of shares. The requirements of Section 42 and Section 62 of the Companies Act, 2013, have been complied with, and the funds raised have been used for the purposes for which the funds were raised.

- (xi) (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) According to the information and explanations given to us, no report under sub section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) According to the information and explanations given to us no whistle-blower complaints, if any, received during the year by the Company.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion the company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) The internal audit reports of the company issued till date of the audit report, for the period under audit have been considered by us.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- (xvi) (a) In our opinion the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Hence reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) The company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause 3(xvi)(b) is not applicable.
- (c) According to the information and explanations provided to us during the course of audit, there is no core investment company within the group (as defined in the Core Investment Companies (Reserve Bank Directions, 2016) and accordingly reporting under clause 3(xvi) (d) of the Order is not applicable.
- (xvii) The company has not incurred cash losses during the financial year covered by our audit and the immediately preceding year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year. Accordingly reporting under clause 3(xviii) of the Order is not applicable.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) Since the provisions of section 135 of the Companies Act, 2013 with regard to corporate social responsibility are not applicable to the company hence the clause 3(xx) of the Order is not applicable.
- (xxi) There are no Companies of which reports are included in the consolidated financial statements. Hence, reporting under clauses 3(xxi) of the Order is not applicable.

ANNEXURE - B TO INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE STANDALONE IND AS FINANCIAL STATEMENT OF THE TEXEL INDUSTRIES LIMITED ("THE COMPANY")

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls over financial reporting of Texel Industries Limited ("the Company") as of 31st March 2026 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these financial statements.

Meaning of Internal Financial Controls over Financial Reporting with reference to these Standalone Financial Statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these Standalone Financial Statements and such internal financial controls over financial reporting with reference to these Standalone Financial Statements were operating effectively as at 31st March, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

1. CORPORATE INFORMATION

Texel Industries Limited is a public limited company incorporated in India under the provisions of the Companies Act, 1956. The Company's registered office is situated at Unit No. P-2, Prime Industrial and Logistics Hub, Harijala, Kheda, Matar, Gujarat – 387570, India. The equity shares of the Company are listed on BSE Limited.

The Company is primarily engaged in the manufacturing of products related to technical textiles. In addition to its core operations, the Company is also involved in land and property development activities on a secondary basis.

Significant accounting policies followed by the company:

1.1 Basis of preparation

(i) Statement of compliance

The financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the "Ind AS") as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ("Act") read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other accounting principal generally accepted in India.

(ii) Basis of Measurement

These financial statements prepared and presented on accrual basis and under the historical cost convention with the exception of certain assets and liabilities that are required to be carried at fair value by Ind AS. The fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between the market participant at the measurement date.

The Financial Statements have been presented in Indian Rupees (INR), which is also the Company's functional currency. All values are rounded off to the nearest rupees, unless otherwise indicated.

(iii) Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions. The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:

- Level 1: Quoted Prices (unadjusted) in active markets for identical assets or liabilities
- Level 2: Inputs that are observable, either directly or indirectly, other than quoted prices included within Level 1 for the asset or liability.

- Level 3: Inputs are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

(iv) Use of estimates and judgments

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected. Significant judgments and estimates about the carrying amount of assets and liabilities include useful lives of tangible and intangible assets, impairment of tangible assets, intangible assets including goodwill, investments, employee benefits and other provisions and recoverability of deferred tax assets.

1.2 The significant estimates and assumption are required in particular for the following

(i) Property, plant and equipment

This involves determination of the estimated useful life of the property, plant and equipment and intangible assets and any the assessment as to which component of those may be capitalised. The useful life of the assets is based on the life as prescribed in the schedule II to the Companies Act 2013 or based on the technical estimate, taking in to account the nature of the assets, estimated usages, expected residual value and operating conditions of the assets. The Management reviews its estimate of the useful lives of depreciable assets at each reporting dates, based on the expected utility of the assets.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

(ii) Impairment of Non-Financial Assets.

Determining Whether property, plant and equipment and other intangible assets are impaired requires an estimation of the value in use of the relevant cash generating units. The value in its use calculation is based on a discounted the cash flow model over the estimated useful life of the underlying assets or cash generating unit. Further, the cash flow projection is based on the estimates and assumption relating to expected revenue, operational performance of the assets, market price of the related product or services, inflation, terminal value etc. Which are considered by the management.

(iii) Income Taxes.

The companies tax jurisdiction in India, the significant judgements are involved in estimating budgeted profit for the purpose of the paying advances taxes, determining the provision for income tax, including amount of income tax expected to be paid. The significant management judgement also required to determine the amount of deferred tax assets that can be recognised, based on timing and level of future taxable profit.

(iv) Fair value measurement of the financial instruments.

In estimating the fair value of the financial assets and financial liability, the company uses market observable data to the extent available. Where such level 1 inputs are not available, the company establishes appropriate valuation techniques and inputs to the model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair value. The judgement includes considerations inputs such as liquidity risk, credit risk and volatility. The changes in assumptions about these factors could affect the reported fair value of the financial instruments.

(v) Defined benefits plans (Gratuity Benefits).

The cost of the defined benefit of gratuity plan and present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual development in future. These includes the determination of the discount rate, future salary increase / decrease and mortality rates. Due to complexity involved in the valuation and its long-term nature, a defined benefit obligations is highly sensitive to changes in these assumptions. All assumptions are reviewed at each balance sheet date.

(vi) Classification of Assets, current and non-current.

The assets or liability is classified as current, if it satisfies the any of the following condition.

- (i) The assets / Liability expected to be realised or paid in the company's normal operating cycle.
- (ii) The assets are intended for sales or consumption.
- (iii) The assets / liability held for the purpose of trade or business.
- (iv) The Assets / Liability is expected to be realised/ settled within 12 months After reporting period.
- (v) The assets are cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after reporting date.
- (vi) In case of liability, the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

All other assets or liabilities are classified as non-current. Deferred assets and Deferred liability are classified as current assets or liability respectively.

For the purpose of current / non-current classification of assets and liabilities, the company has ascertained its normal operating cycles 12 months. This is based on nature of the business and the time between the acquisition of assets or inventories for processing and their realisation in cash or cash equivalents.

1.3 Summary of significant accounting policies

1. Property, Plant and Equipment.

Freehold land is carried at cost. All other items of property, plant and equipment are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

Depreciation methods, estimated useful lives and residual value

Depreciation is provided using straight line method (SLM) as specified schedule II of the companies Act 2013. Depreciation on assets acquired / disposed off during the year if any, is provided on pro-rata basis with reference to the date of addition / disposal. The estimated useful lives of assets are as under:

Class of assets	Useful Life
Building	30 Years
Plant & Machinery	15 Years
Furniture & Fixtures	10 Years
Office Equipment	5 Years
Vehicles	8 Years
Computers	3 Years

The management believes that the useful life as given above the best represent the period over which the management expects to use these assets. The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Depreciation on assets added/sold or discarded during the year is being provided on pro-rata basis up to the date on which such assets are added/sold or discarded.

Gains/Losses on disposals/de-recognition of property, plant and equipment are determined by comparing proceeds with carrying amount and these are recognized in statement of profit & Loss.

Capital work in process

Expenditure related to and incurred during the implementation of capital project, to get the assets ready for intended use is shown under 'capital work in process'. The same is allocated to the respective items' property, plant and equipment on completion of construction / erection of the capital assets. The cost of assets not put to use before the year end capital inventory are disclosed under Capital work in process.

Impairment of Tangible Assets

The Company reviews at each reporting period whether there is any indication that an asset may be impaired. If any such indication exists, the company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss. If at the reporting period, there is an

indication that there is change in the previously assessed impairment loss, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount. Recoverable amount is the higher of fair value less costs of disposal and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the Statement of Profit and Loss.

2. Inventories

Inventories of Raw Materials, Work-in-Progress, Stores and spares, Finished Goods and Stock-in-trade are stated 'at cost or net realisable value, whichever is lower' except for Waste / Scrap which are valued at net realisable value. Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formulae used are First-in-First-out, 'Specific identification', as applicable.

Due allowance is estimated and made for defective and obsolete items, wherever necessary.

3. Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker (CODM). The Company has identified its Managing Director as CODM who is responsible for allocating resources and assessing performance of the operating segments and makes strategic decisions.

4. Borrowings

Borrowings are initially recognised at net transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowing using the effective interest method.

Preference shares, which are mandatorily redeemable on a specific date are classified as liabilities. The dividend on these preference shares is recognised in Statement of Profit and Loss as finance costs.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

5. Borrowing costs

Borrowing cost directly attributable to the acquisition, construction of qualifying asset that necessarily takes a substantial period of time to get ready for its intended use, capitalised as part of cost of asset. The borrowing costs includes interest and transaction cost that a company incurs in connection with the borrowing of the funds. Other interest and borrowing costs are charged to Statement of Profit and Loss.

6. Provisions and contingent liabilities

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

Contingent liabilities are disclosed in respect of possible obligations that arise from past event but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

7. Revenue recognition

The revenue from contract with customer is recognised upon transfer of control of promised product or services to the customer in an amount that reflect the consideration, which the company expect to receive in exchange of product or service. The revenue is measured based on the transaction price, which is the consideration, adjusted for discount and other incentives if any. The Amount of consideration to which the company expect to be entitled in exchange for transferring promised goods or service to a customer excluding amounts collected on behalf of third parties (Duties & Taxes on behalf of Government).

The specific recognition criteria from various stream of revenue are described as under:

(i) Sales of Goods:

Revenue from sales of the goods is recognised when the control of the goods has been passed to the customers as per terms of agreement and there is no continuing effective control or managerial involvement with goods.

(ii) Interest Income:

Interest income is accrued on a time basis, by reference to the principal outstanding amount and at the effective interest rate applicable, the future cash receipt through the expected life of the financial asset to that asset's carrying amount on initial recognition.

8. Trade Receivable

A receivable represents the company's right to an amount of consideration that is unconditional i.e., only passage of time required before payment of consideration is due.

The Expected credit loss is mainly based on the historical experience. The receivables are assessed on an individual basis for credit loss. The trade receivables are written off on case-to-case basis, if deemed not to be collectable on assessment and circumstances.

9. Employee benefits

Employee's benefit includes gratuity, compensated absences, contribution to provided fund, employees state insurance and superannuation fund.

(i) Short-term Benefits

Employee benefit payable wholly within 12 months of rendering services are classified as short-term employee benefit and recognised in the period which the employee renders services. These are recognised at the undiscounted amount of the benefit expected to be paid in exchange for those services.

(ii) Post-employment Benefit

(a) Defined contribution Plan

Retirement benefit in the form of provident fund and superannuation fund are defined contribution schemes. The company has no obligation other than the contribution payable to the provident fund. The company recognises contribution payable to such funds as an expenditure, when an employee renders services.

(b) Defined Benefit Plans

The company operates a defined benefit gratuity plan. The cost of providing benefit under the defined benefit plan is determined based on actuarial valuation, carried out by an independent actuary.

Remeasurement gains or losses arising from changes in actuarial assumptions, the same are recognised immediately in balance sheet through other comprehensive income in the period in which they occurred.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

(c) *Other Long-term employee Benefits*

Other long-term employee benefits include compensated absences / leaves. The actuarial valuation is done as per projected unit method. Remeasurement gains or losses arising from changes in actuarial assumptions, the same are recognised immediately in balance sheet through other comprehensive income in the period in which they occurred.

(d) For the purpose of the presentation of the defined benefit plans and other long-term benefits, the allocation between current and noncurrent provision has been made as determined by the actuary.

10. Foreign currency translation

a) **Functional and presentation currency**

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

b) **Transactions and balances**

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

11. Earnings Per Share

Basic earnings per share (EPS) is computed by dividing the profit or loss attributable to the equity shareholders of the company by the weighted average number of equities shares outstanding during the year.

Diluted earnings per share is computed by adjusting the profit or loss attributable to the ordinary equity shareholders and the weighted average number of equity shares, for the effects of all diluted potential equity shares.

12. Government Grants

Grants from the government are recognised at their fair value where there is reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Profit and Loss on a straight-line basis over the expected lives of related assets and presented within other income.

13. Cash and Cash Equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

14. Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are set off where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

1.4 Recent Pronouncement

The following standards / amendments to standards have been issued and will be effective from 1st April 2022. The Company is evaluating the requirements of these standards, improvements and amendments and has not yet determined the impact on the financial statements.

38 Leases

The Ministry of Corporate Affairs has notified Indian Accounting Standard 116 ('Ind AS 116'), Leases, with effect from April 1, 2019. The Standard primarily requires the Company, as a lessee, to recognize, at the commencement of the lease a right-to-use asset and a lease liability (representing present value of unpaid lease payments). Such right-to-use assets are subsequently depreciated and the lease liability reduced when paid, with the interest on the lease liability being recognized as finance costs, subject to certain remeasurement adjustments.

The Company has adopted the modified prospective transition method recognising the lease liability at the present value of the remaining lease payments, discounted using the lessee's incremental borrowing rate at the date of initial application and recognised the Right of Use Asset (ROU) an amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments relating to that lease recognised in the balance sheet immediately before the date of initial application. The Company's leases comprises of leasing of factory land. The Company has adopted Ind AS 116, effective annual reporting period beginning 1st April, 2019 and applied the standard to its leases applying modified retrospective approach.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

Business segments:

Based on the “management approach” as defined in Ind-AS 108 - Operating Segments prescribed under Section 133 of the Companies Act, 2013 read with relevant rules, the Managing Director/Decision Maker evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments. Accordingly, information has been presented along with these business segments. The accounting principles used in the preparation of the financial statements are consistently applied to record revenue and expenditure in individual segments.

Segment assets and liabilities:

The Company is engaged mainly in production of Technical Textile. Most of the assets, liabilities of the aforesaid reportable segments are interchangeable or not practically allocable and any forced allocation would not result in any meaningful segregation. Accordingly, segment assets, liabilities have not been presented.

42. FINANCIALS INSTRUMENTS:

Financial assets and financial liabilities are recognized when Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in the Statement of Profit and Loss.

The carrying amount of current financial assets and liabilities as at the end of each year presented approximate the fair value because of their short-term nature. The trade receivables, trade payables, borrowings, capital creditors and cash and cash equivalents are considered to be the same as their fair values, due to their short-term nature.

(ii) Fair value measurements

This note provide information about how the company determines fair value of various financial assets. Management considers that the carrying amounts of financial assets and financial liabilities recognized in the financial statements approximates their fair values.

(iii) Fair Value Hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1: Inputs are quoted prices in active markets for identical assets or liabilities

Level 2: Inputs are other than quoted price included within level 1 that are observable for the asset or liability, either directly or indirectly.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

Level 3: Inputs are not based on observable market data. Fair values are determined in whole or in part using a valuation model based on the assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

43. Financial Risk Management:

The company's principal financial liabilities, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the company's operations. The company's principal financial assets include trade and other receivables, receivables from government authorities, security deposits and cash and cash equivalents that derive directly from its operations. The company also holds investments. The corporate treasury function provides services to the business, co-ordinates access to domestic and international financial markets, monitors and manages the financial risks relating to the operations of the company through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

The company seeks to minimise the effects of these risks by using derivative financial instruments to hedge risk exposures. The company does not enter into or trade financial instruments, including derivative financial instruments, for speculative purposes.

The Corporate Treasury function reports quarterly to the Board of Directors of the company for monitoring risks and reviewing policies implemented to mitigate risk exposures.

(i) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: currency risk and interest rate risk. Financial instruments affected by market risk includes loan and borrowings. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. All such transactions are carried out within the guidelines set by the Board of Directors and Risk Management Committee. There have been no significant changes to the company's exposure to market risk or the methods in which they are managed or measured.

(a) Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. The company's exposure to currency risk relates primarily to the company's operating activities and borrowings when transactions are denominated in a different currency from the company's functional currency. The company manages its foreign currency risk by hedging transactions that are expected to occur within a maximum 12-month period for hedges of forecasted sales and borrowings.

(b) Price Risk

The Company's investments in listed securities, mutual funds, other funds and debentures are susceptible to market price risk arising from uncertainties about future values of the investment securities. The Company manages the price risk through diversification and by placing limits on individual and total equity instruments. Reports on the portfolio are submitted to the Company's senior management on a regular basis.

(c) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company's exposure to the risk of changes in market interest rates relates primarily to the company's long-term debt obligations with floating interest rates. The loans advanced as at 31st March, 2025 is ₹ 262.37 lakhs (previous year ₹ 195.31 lakhs) which are interest bearing and interest rates are variable.

(ii) Liquidity Risk

(a) Maturities of financial liabilities

The following tables detail the company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted contractual cash flows of financial liabilities based on the earliest date on which the company can be required to pay. The tables include both interest and principal cash flows.

Independent Auditor's Report

To the Members of Texel Industries Limited

REPORT ON THE AUDIT OF CONSOLIDATED FINANCIAL STATEMENTS

Opinion

We have audited the accompanying consolidated Ind AS financial statements of Texel Industries Limited (hereinafter referred to as "the Holding Company"), its wholly owned subsidiary (the Holding Company and its subsidiary together referred to as "the Group") comprising of the consolidated balance sheet as at 31st March, 2026 the consolidated Statement of Profit and Loss, including other comprehensive income, the consolidated Cash Flow Statement and the consolidated statement of Changes in Equity for the year then ended, and notes to the consolidated Ind AS financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of separate financial statements and on the other financial information of the subsidiary, the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2026 their consolidated profit including other comprehensive income, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Emphasis of Matter

We draw attention to Note 34 other expenses of consolidated financial statements, in which sundry balance written off includes the unreconciled GST Input Tax credit of earlier periods being written off amounting to ₹ 2.73 crores.

Our opinion is not modified in respect of this matter.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended 31st March, 2026. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditors' responsibilities for the audit of the Consolidated Financial Statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Consolidated Financial Statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Consolidated Financial Statements.

Sr. No.	Key Audit Matter	How our audit addressed the key audit matter
1.	This is a key audit matter as the amount of investments and loans to subsidiaries is material to the consolidated financial statements of the company and the determination of recoverable value for impairment assessment involves significant management judgement.	- We evaluated the cash flow forecasts (with underlying economic growth rate) by comparing them to the approved budgets and our understanding of the internal and external factors. - We Evaluated The Disclosures Made In The Consolidated Financial Statements.

Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Ind AS financial statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind AS financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and of its associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with Governance of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the audit of Consolidated Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report.
- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of Holding company or business activities within the Group of which we are the independent auditors to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated Ind AS financial statement of which we are independent auditors. For the other entities included in the consolidated Ind AS financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements for the financial year ended 31st March, 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The Consolidated Financial Statements include the Group's share of total assets amounting ₹ 9.16 Lacs for the year ended 31st March, 2026, as considered in the Consolidated Financial Statements, in respect of one wholly owned subsidiary, whose financial statements have not been audited by us. These financial statements and other financial information have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of this wholly owned subsidiary, and our report in terms of sub-sections (3) of Section 143 of the Act, insofar as it relates to the aforesaid wholly owned subsidiary, is based solely on the information furnished to us.

ANNEXURE - A TO INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE CONSOLIDATED IND AS FINANCIAL STATEMENT OF THE TEXEL INDUSTRIES LIMITED ("THE COMPANY")

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of Texel Industries Limited as of and for the year ended 31st March, 2026, we have audited the internal financial controls over financial reporting of Texel Industries Limited (hereinafter referred to as the "Holding Company") and its wholly owned subsidiary company, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, and its subsidiary company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, both, issued by Institute of Chartered Accountants of India, and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion the holding company and its wholly owned subsidiary, in all material respects, have maintained an adequate internal financial controls system over financial reporting and were operating effectively as at 31st March, 2026, based on the internal control over financial reporting criteria established by the holding company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by the ICAI.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

1. CORPORATE INFORMATION

Texel Industries Limited is a public limited company incorporated in India under the provisions of the Companies Act, 1956. The Company's registered office is situated at Unit No. P-2, Prime Industrial and Logistics Hub, Harijala, Kheda, Matar, Gujarat – 387570, India. The equity shares of the Company are listed on BSE Limited.

The Company is primarily engaged in the manufacturing of products related to technical textiles. In addition to its core operations, the Company is also involved in land and property development activities on a secondary basis.

Significant accounting policies followed by the company:

1.1 Basis of preparation

(i) Statement of compliance

The consolidated financial statements of the group have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the "Ind AS") as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ("Act") read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other accounting principal generally accepted in India.

(ii) Principles of Consolidation

The consolidated financial statements comprise the financial statements of the company and its wholly owned subsidiary. Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in consolidated financial statements, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

The financial statements of all the entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company.

(iii) Basis of Measurement

These consolidated financial statements prepared and presented on accrual basis and under the historical cost convention with the exception of certain assets and liabilities that are required to be carried at fair value by Ind AS. The fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between the market participant at the measurement date.

The Financial Statements have been presented in Indian Rupees (INR), which is also the Company's functional currency. All values are rounded off to the nearest rupees, unless otherwise indicated.

(iv) Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions. The group categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:

- Level 1: Quoted Prices (unadjusted) in active markets for identical assets or liabilities
- Level 2: Inputs that are observable, either directly or indirectly, other than quoted prices included within Level 1 for the asset or liability.
- Level 3: Inputs are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Group's assumptions about pricing by market participants.

For assets and liabilities that are recognised in the consolidated financial statements on a recurring basis, the group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

(v) Use of estimates and judgments

The estimates and judgments used in the preparation of the consolidated financial statements are continuously evaluated by the Group and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Group believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected. Significant judgments and estimates about the carrying amount of assets and liabilities include useful lives of tangible and intangible assets, impairment of tangible assets, intangible assets including goodwill, investments, employee benefits and other provisions and recoverability of deferred tax assets.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

1.2 The significant estimates and assumption are required in particulars for the following

(i) Property, plant and equipment.

This involves determination of the estimated useful life of the property, plant and equipment and intangible assets and any the assessment as to which component of those may be capitalised. The useful life of the assets is based on the life as prescribed in the schedule II to the Companies Act 2013 or based on the technical estimate, taking in to account the nature of the assets, estimated usages, expected residual value and operating conditions of the assets. The Management reviews its estimate of the useful lives of depreciable assets at each reporting dates, based on the expected utility of the assets.

(ii) Impairment of Non Financial Assets.

Determining Whether property, plant and equipment and other intangible assets are impaired requires an estimation of the value in use of the relevant cash generating units. The value in use calculation is based on a discounted the cash flow model over the estimated useful life of the underlying assets or cash generating unit. Further, the cash flow projection is based on the estimates and assumption relating to expected revenue, operational performance of the assets, market price of the related product or services, inflation, terminal value etc. Which are considered by the management.

(iii) Income Taxes.

The group's tax jurisdiction in India, the significant judgements are involved in estimating budgeted profit for the purpose of the paying advances taxes, determining the provision for income tax, including amount of income tax expected to be paid. The significant management judgement also required to determine the amount of deferred tax assets that can be recognised, based on timing and level of future taxable profit.

(iv) Fair value measurement of the financial instruments.

In estimating the fair value of the financial assets and financial liability, the group uses market observable data to the extent available. Where such level 1 inputs are not available, the group establishes appropriate valuation techniques and inputs to the model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair value. The judgement includes considerations inputs such as liquidity risk, credit risk and volatility. The changes in assumptions about these factors could affect the reported fair value of the financial instruments.

(V) Defined benefits plans (Gratuity Benefits).

The cost of the defined benefit of gratuity plan and present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves

making various assumptions that may differ from actual development in future. These includes the determination of the discount rate, future salary increase / decrease and mortality rates. Due to complexity involved in the valuation and its long-term nature, a defined benefit obligations is highly sensitive to changes in these assumptions. All assumptions are reviewed at each balance sheet date.

(vi) Classification of Assets, current and non-current.

The assets or liability is classified as current, if it satisfies the any of the following condition.

- (i) The assets / Liability expected to be realised or paid in the Group's normal operating cycle.
- (ii) The assets are intended for sales or consumption.
- (iii) The assets / liability held for the purpose of trade or business.
- (iv) The Assets / Liability is expected to be realised/ settled within 12 months After reporting period.
- (v) The assets are cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after reporting date.
- (vi) In case of liability, the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

All other assets or liabilities are classified as non-current. Deferred assets and Deferred liability are classified as current assets or liability respectively.

For the purpose of current / non-current classification of assets and liabilities, the group has ascertained its normal operating cycles 12 months. This is based on nature of the business and the time between the acquisition of assets or inventories for processing and their realisation in cash or cash equivalents.

1.3 Summary of significant accounting policies

1. Property, Plant and Equipment.

Freehold land is carried at cost. All other items of property, plant and equipment are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

Depreciation methods, estimated useful lives and residual value

Depreciation is provided using straight line method (SLM) as specified schedule II of the companies Act 2013. Depreciation on assets acquired / disposed off during the year if any, is provided on pro-rata basis with reference to the date of addition / disposal. The estimated useful lives of assets are as under:

Class of assets	Useful Life
Building	30 Years
Plant & Machinery	15 Years
Furniture & Fixtures	10 Years
Office Equipment	5 Years
Vehicles	8 Years
Computers	3 Years

The management believes that the useful life as given above the best represent the period over which the management expects to use these assets. The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Depreciation on assets added/sold or discarded during the year is being provided on pro-rata basis up to the date on which such assets are added/sold or discarded.

Gains/Losses on disposals/de-recognition of property, plant and equipment are determined by comparing proceeds with carrying amount and these are recognized in statement of profit & Loss.

Capital work in process

Expenditure related to and incurred during the implementation of capital project, to get the assets ready for intended use is shown under 'capital work in process'.

The same is allocated to the respective items' property, plant and equipment on completion of construction / erection of the capital assets. The cost of assets not put to use before the year end capital inventory are disclosed under Capital work in process.

Impairment of Tangible Assets

The group reviews at each reporting period whether there is any indication that an asset may be impaired. If any such indication exists, the group estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss. If at the reporting period, there is an indication that there is change in the previously assessed impairment loss,

the recoverable amount is reassessed, and the asset is reflected at the recoverable amount. Recoverable amount is the higher of fair value less costs of disposal and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the Statement of Profit and Loss.

2. Inventories

Inventories of Raw Materials, Work-in-Progress, Stores and spares, Finished Goods and Stock-in-trade are stated 'at cost or net realisable value, whichever is lower' except for Waste / Scrap which are valued at net realisable value. Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formulae used are First-in-First-out, 'Specific identification', as applicable.

Due allowance is estimated and made for defective and obsolete items, wherever necessary.

3. Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker (CODM). The group has identified its Managing Director as CODM who is responsible for allocating resources and assessing performance of the operating segments and makes strategic decisions.

4. Borrowings

Borrowings are initially recognised at net transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowing using the effective interest method.

Preference shares, which are mandatorily redeemable on a specific date are classified as liabilities. The dividend on these preference shares is recognised in Statement of Profit and Loss as finance costs.

5. Borrowing costs

Borrowing cost directly attributable to the acquisition, construction of qualifying asset that necessarily takes a substantial period of time to get ready for its intended

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

use, capitalised as part of cost of asset. The borrowing costs includes interest and transaction cost that a group company incurs in connection with the borrowing of the funds. Other interest and borrowing costs are charged to Statement of Profit and Loss.

6. Provisions and contingent liabilities

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

Contingent liabilities are disclosed in respect of possible obligations that arise from past event but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the group or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

7. Revenue recognition

The revenue from contract with customer is recognised upon transfer of control of promised product or services to the customer in an amount that reflect the consideration, which the company expect to receive in exchange of product or service. The revenue is measured based on the transaction price, which is the consideration, adjusted for discount and other incentives if any. The Amount of consideration to which the group expect to be entitled in exchange for transferring promised goods or service to a customer excluding amounts collected on behalf of third parties (Duties & Taxes on behalf of Government).

The specific recognition criteria from various stream of revenue are described as under:

(i) Sales of Goods:

Revenue from sales of the goods is recognised when the control of the goods has been passed to the customers as per terms of agreement and there is no continuing effective control or managerial involvement with goods.

(ii) Interest Income:

Interest income is accrued on a time basis, by reference to the principal outstanding amount and at the effective interest rate applicable, the future cash receipt through the expected life of the financial asset to that asset's carrying amount on initial recognition.

8. Trade Receivable

A receivable represents the company's right to an amount of consideration that is unconditional i.e., only passage of time required before payment of consideration is due.

The Expected credit loss is mainly based on the historical experience. The receivables are assessed on an individual basis for credit loss. The trade receivables are written off on case-to-case basis, if deemed not to be collectable on assessment and circumstances.

9. Employee benefits

Employee's benefit includes gratuity, compensated absences, contribution to provided fund, employees state insurance and superannuation fund.

(i) Short-term Benefits

Employee benefit payable wholly within 12 months of rendering services are classified as short-term employee benefit and recognised in the period which the employee renders services. These are recognised at the undiscounted amount of the benefit expected to be paid in exchange for those services.

(ii) Post-employment Benefit

(a) Defined contribution Plan

Retirement benefit in the form of provident fund and superannuation fund are defined contribution schemes. The company has no obligation other than the contribution payable to the provident fund. The company recognises contribution payable to such funds as an expenditure, when an employee renders services.

(b) Defined Benefit Plans

The company operates a defined benefit gratuity plan. The cost of providing benefit under the defined benefit plan is determined based on actuarial valuation, carried out by an independent actuary.

Remeasurement gains or losses arising from changes in actuarial assumptions, the same are recognised immediately in balance sheet through other comprehensive income in the period in which they occurred.

(c) Other Long-term employee Benefits

Other long-term employee benefits include compensated absences / leaves. The actuarial valuation is done as per projected unit method. Remeasurement gains or losses arising from changes in actuarial assumptions, the same are recognised immediately in balance sheet through other comprehensive income in the period in which they occurred.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

- (d) For the purpose of the presentation of the defined benefit plans and other long-term benefits, the allocation between current and noncurrent provision has been made as determined by the actuary.

10. Foreign currency translation

a) Functional and presentation currency

The financial statements are presented in Indian rupee (INR), which is Group's functional and presentation currency.

b) Transactions and balances

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

11. Earnings Per Share

Basic earnings per share (EPS) is computed by dividing the profit or loss attributable to the equity shareholders of the company by the weighted average number of equities shares outstanding during the year.

Diluted earnings per share is computed by adjusting the profit or loss attributable to the ordinary equity shareholders and the weighted average number of equity shares, for the effects of all diluted potential equity shares.

12. Government Grants

Grants from the government are recognised at their fair value where there is reasonable assurance that the grant will be received and the group will comply with all attached conditions.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Profit and Loss on a straight-line basis over the expected lives of related assets and presented within other income.

13. Cash and Cash Equivalents

The group considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

14. Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are set off where the group has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

38. Leases

The Ministry of Corporate Affairs has notified Indian Accounting Standard 116 ('Ind AS 116'), Leases, with effect from April 1, 2019. The Standard primarily requires the Company, as a lessee, to recognize, at the commencement of the lease a right-to-use asset and a lease liability (representing present value of unpaid lease payments). Such right-to-use assets are subsequently depreciated and the lease liability reduced when paid, with the interest on the lease liability being recognized as finance costs, subject to certain remeasurement adjustments.

The Company has adopted the modified prospective transition method recognising the lease liability at the present value of the remaining lease payments, discounted using the lessee's incremental borrowing rate at the date of initial application and recognised the Right of Use Asset (ROU) an amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments relating to that lease recognised in the balance sheet immediately before the date of initial application. The Company's leases comprises of leasing of factory land. The Company has adopted Ind AS 116, effective annual reporting period beginning 1st April, 2019 and applied the standard to its leases applying modified retrospective approach.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

Business segments:

Based on the “management approach” as defined in Ind-AS 108 - Operating Segments prescribed under Section 133 of the Companies Act, 2013 read with relevant rules, the Managing Director/Decision Maker evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments. Accordingly, information has been presented along with these business segments. The accounting principles used in the preparation of the financial statements are consistently applied to record revenue and expenditure in individual segments.

Segment assets and liabilities:

The Company is engaged mainly in production of Technical Textile. Most of the assets, liabilities of the aforesaid reportable segments are interchangeable or not practically allocable and any forced allocation would not result in any meaningful segregation. Accordingly, segment assets, liabilities have not been presented.

42. Financial Instruments:

Financial assets and financial liabilities are recognized when Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in the Statement of Profit and Loss.

- Other Financial Liabilities	1,193.55	1,098.74
Total	5,252.32	4,133.79

The carrying amount of current financial assets and liabilities as at the end of each year presented approximate the fair value because of their short-term nature. The trade receivables, trade payables, borrowings, capital creditors and cash and cash equivalents are considered to be the same as their fair values, due to their short-term nature.

(ii) Fair value measurements

This note provide information about how the company determines fair value of various financial assets. Management considers that the carrying amounts of financial assets and financial liabilities recognized in the financial statements approximates their fair values.

(iii) Fair Value Hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1: Inputs are quoted prices in active markets for identical assets or liabilities.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

Level 2: Inputs are other than quoted price included within level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs are not based on observable market data. Fair values are determined in whole or in part using a valuation model based on the assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data

43. FINANCIAL RISK MANAGEMENT:

The company's principal financial liabilities, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the company's operations. The company's principal financial assets include trade and other receivables, receivables from government authorities, security deposits and cash and cash equivalents that derive directly from its operations. The company also holds investments. The corporate treasury function provides services to the business, co-ordinates access to domestic and international financial markets, monitors and manages the financial risks relating to the operations of the company through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

The company seeks to minimise the effects of these risks by using derivative financial instruments to hedge risk exposures. The company does not enter into or trade financial instruments, including derivative financial instruments, for speculative purposes.

The Corporate Treasury function reports quarterly to the Board of Directors of the company for monitoring risks and reviewing policies implemented to mitigate risk exposures.

(i) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: currency risk and interest rate risk. Financial instruments affected by market risk includes loan and borrowings. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. All such transactions are carried out within the guidelines set by the Board of Directors and Risk Management Committee. There have been no significant changes to the company's exposure to market risk or the methods in which they are managed or measured.

(a) Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. The company's exposure to currency risk relates primarily to the company's operating activities and borrowings when transactions are denominated in a different currency from the company's functional currency. The company manages its foreign currency risk by hedging transactions that are expected to occur within a maximum 12-month period for hedges of forecasted sales and borrowings.

(b) Price Risk

The Company's investments in listed securities, mutual funds, other funds and debentures are susceptible to market price risk arising from uncertainties about future values of the investment securities. The Company manages the price risk through diversification and by placing limits on individual and total equity instruments. Reports on the portfolio are submitted to the Company's senior management on a regular basis.

(c) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company's exposure to the risk of changes in market interest rates relates primarily to the company's long-term debt obligations with floating interest rates. The loans advanced as at 31st March, 2025 is ₹ 262.37 lakhs (previous year ₹ 195.31 lakhs) which are interest bearing and interest rates are variable.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

(ii) Liquidity Risk

(a) Maturities of financial liabilities

The following tables detail the company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted contractual cash flows of financial liabilities based on the earliest date on which the company can be required to pay. The tables include both interest and principal cash flows.
