Financial Overview

Management Commentary

“FY26 has been a defining year for Zota Health Care Limited, marked by strong execution and accelerated expansion across our Davaindia network. We added 997 new stores, including 804 COCO and 193 FOFO stores marking the highest store addition in the pharma retail segment in a single financial year. This expansion has taken our total network to 2,579 Davaindia stores nationwide, comprising 1,656 COCO stores and 923 FOFO stores.

From a financial perspective, we delivered strong consolidated revenue growth of 84% YoY led by rapid scale-up of the Davaindia business, which grew to ₹41,741 lakhs. We also reported a significant improvement EBITDA turning positive at ₹2,598 lakhs in FY26 reflecting operating leverage kicking in. In Q4 FY26 as well, EBITDA and margins have shown sequential and year-on-year improvement to ₹1,191 lakhs and 7.3%, indicating that we are steadily progressing towards sustainable profitability, supported by scale efficiencies and improved operating discipline.

Going forward, while the long-term opportunity remains robust, we intend to moderate the pace of expansion over the next two quarters, with a sharper focus on improving profitability, optimizing store performance, and enhancing operating efficiencies across the network. With a strengthened balance sheet, a rapidly expanding network, and the association of renowned personalities such as Mr. Suniel Shetty and Mr. M.S. Dhoni as our brand ambassadors, we enter FY27 with strong momentum. We remain committed to our long-term vision of reaching 5,000+ Davaindia stores by FY29 and making high-quality, affordable healthcare accessible to every household in India.”
