The global economic slowdown that started a few years ago increased the complexity and volatility in the environment. The adverse impact continues to be felt.

The financial year 2014-15 remained to be yet another challenging year for the Shipping Industry, including your Company's line of business. However, in the face of overall subdued market conditions, your company has performed very well and achieved commendable bottom line. These results were achieved despite one vessel dry docking and one vessel under modification, which had a double impact of loss of revenue as well as increase of expenses. Your Company's vessel deployments were in India and in some parts across globe viz, Middle East, South East Asia and Egypt.

Your Company's focus on optimum deployment days of vessel, achieved greatly due to consistent performance of vessel over the years which was well recognised by the clients.

During the year under review, the Company's total revenue was ₹ 3858 million as against ₹ 4234 million in the previous year. The revenue growth was lower due to loss of deployment days in dry dock and modification of vessels and also sale of vessel Alliance by Company's Wholly Owned Subsidiary resulting in premature termination of bare boat charter. The overall reduction in Charter rate was also a factor due to subdued market conditions. Income from operations was ₹ 3497 million as against ₹4079 million in the previous year, reflecting drop of about 14%. Despite no significant increase in turnover, the Company's profit zoomed to ₹ 540 million against last year's profit of ₹ 10 million. The fundamental reason attributed to increase in profit was due to Capitalisation of dry dock expenses of ₹ 162 million on account of adoption of component accounting policy and sale of assets of ₹ 100 million against ₹ 450 million expensed out in the corresponding period of last year on account of dry docking cost. This apart, there has been a notable comparative increase in other income. Revenue from operations from domestic sector was ₹ 2191 million and from overseas sector was ₹ 1306 million.

On a consolidated basis, total revenue was ₹ 4542 million compared to ₹ 4207 million of previous year. The consolidated profit arrived at ₹ 1280 million for the year ended 31st March, 2015 compared to ₹ 20 million of previous year.

Cash Balance at the beginning of financial year was ₹ 1004 million. The balance at the end of the year was ₹ 2002 million, an increase of 99% over last year.

YEARWISE REVENUE

SEGMENT WISE PROFIT BEFORE INTEREST AND TAX

From the Assessment year 2005-06 (relevant accounting year 2004-05), your Company has come under Tonnage tax regime available for shipping Companies under chapter XII – G of Income Tax Act, 1961. Tonnage Tax scheme available initially upto 31.03.2015 has been extended for a further period of 10 years till AY 2024-25. For the year under review, Tonnage Tax Reserve amounting to ₹ 86 million created u/s 115V of Income Tax Act, 1961.

**MANAGEMENT DISCUSSION & ANALYSIS REPORT****ANNEXURE – G****01. OVERVIEW**

The ground in the oil patch has shifted dramatically. The rug has been pulled and the oil industry is in a disarray presently. The analyst's forecast for the industry is extremely different today compared with how it looked just a couple of years ago. That traditional structural discipline has been replaced by a systemic imbalance marked by vastly increased supply and receding demand growth. The analysts are predicting oil price at \$ 53 in 2020.

The oil and gas industry is facing a challenge from new sources of energy such as shale gas and other renewable source of energy such as wind, solar and tidal energy which is attracting huge investments. The oil prices at one point of time around early 2008 was \$147 per barrel is now less than at half the range. Lower oil prices pose the biggest threat to oil and gas industry earning. The oil majors have tightened their budgets and the projects are being under quoted and are on shoe string capex. The volatile pricing has seriously hit the major oil producers like Russia, Venezuela, Libya, Iran and the upcoming West African belt. The US is slowly but surely transforming from an import economy to dynamic export economy.

SEAMEC continues to show a steady improvement and tenacity during the turbulent period and has constantly endeavored to keep the assets deployed at all time and are seriously contemplating to focus to a more projects, with a dual objective of use of vessel as a captive resource and to secure a position as a promising player in the changed business scenario.

**02. OPPORTUNITIES AND THREATS**

Continued growth of the world's emerging economies will drive energy demand across globe, and will increase more opportunities for oil and gas companies to expand in these markets.

With the high numbers of joint ventures and third-party service providers, the issue of partner and contractor assessment and management has now moved up the agenda for all leading oil companies and investors. The picture is a little bit brighter in the gas sector. Global demand for natural gas is expected to have risen by 2.2 percent per year by the end of 2019, according to the International Energy Agency.

The new government with its "Make in India" slogan is driving the Indian Economy toward continued growth prospects. It is expected that GDP will improve in coming years and the foreign investments will drive the economy upwards. The Government is giving focus to the energy sector, oil and gas industry will play a pivotal role in the upward drive.

As a significant departure from last year, ONGC is likely to come out with large amount of investments in Indian offshore region to boost domestic production. Projects on revamp of pipelines and EPC contracts are expected .ONGC remained

as a predominant oil and gas producer, and will be investing substantial capex on upgrading their assets on the West Coast and have started initiating the developments in the East Coast of India in a significant way.

SEAMEC, a traditional marine offshore company with chartering diving vessels as its core competency is now aiming at newer avenues like top side work, projects and construction activities to improve its holistic approach in corroborating with its sub-contractors.

Global economic weakness (in particular, slower growth in China and continuing financial woes in Europe), tougher fuel economy regulations, more viable forms of alternative energy and the development of extraordinarily efficient engines on equipment as varied as cars, earthmovers, marine vessels and power plants have all combined to dramatically curtail the need for oil.

It is viewed that, companies in the oil sectors need to carefully consider the supply of assets, analyze the logistics of accessing available markets, and ensure a long-term presence in these markets without getting into a bidding war. Oversupply and lower prices represent a real challenge to the industry, but that doesn't mean the future is all gloom. It just means that producers and refiners need to be prepared and adopt strategies that take advantage of the new reality

Aging of the vessels for SEAMEC remains as a concern as age restrictions are being imposed by major Charterers on one hand and on the other hand availability of new Tonnage adds to a potential threat. Shortage of offshore staff is still an acute concern. Seamec is evaluating means to address the issues.

Comments on Current Year's Performance:

Revenue	: Decline in Revenue mainly due to discontinuation of Bareboat Charter of Vessel ALLIANCE and dry dock of Vessel SEAMEC II and modification of Vessel SEAMEC I resulting decrease in deployment days.
Operating Cost	: The normal operating cost was not very significant considering utility factor of the vessels. All expenses incurred during the year are in relation to Project including Bare Boat hire charges.
Operating Profit (Loss)	: Despite decline in Revenue, there is increase in operating profit primarily due to change in treatment of Dry Docking expense.
Depreciation	: No significant variance.
Current Tax Exp.	: The Company is being assessed under Tonnage Tax scheme. Current tax is primarily on the interest income of short term deposits with Bank.
Net Profit(Loss)	: Increase in profit primarily due to dry dock expenses capitalised under component accounting which were expensed out in the year of incurrence and also due to profit on sale of Sat Diving System.

INDEPENDENT AUDITOR'S REPORT

To the members of SEAMEC Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of SEAMEC Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2015 and the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2015, and its profit and its cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to note 38 to the financial statements, relating to applications made by the Company to the Central Government, regarding managerial remuneration of earlier years which was in excess of the limit applicable under the Companies Act, 1956. Pending the approval of the Central Government, no adjustments are considered necessary in these financial statements. Our opinion is not qualified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- (c) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of written representations received from the directors as on March 31, 2015, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015, from being appointed as a director in terms of section 164 (2) of the Act;
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 27 to the financial statements;
 - (ii) The Company did not have any long-term contracts, including derivative contracts, for which there were any material foreseeable losses;

Re: SEAMEC Limited ('the Company')

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) All fixed assets have not been physically verified by the management during the year but there is a regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year.
- (b) The procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) The Company is maintaining proper records of inventory. Discrepancies noted on physical verification of inventories were not material, and have been properly dealt with in the books of account.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, the provisions of clause 3(iii)(a) and (b) of the Order are not applicable to the Company and hence not commented upon.
- (iv) In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business, for the purchase of inventory and fixed assets and for the sale of services. During the course of our audit, we have not observed any major weakness or continuing failure to correct any major weakness in the internal control system of the company in respect of these areas.
- (v) The Company has not accepted any deposits from the public.
- (vi) To the best of our knowledge and as explained, the Central Government has not specified the maintenance of cost records under section 148(1) of the Companies Act, 2013, for the services of the Company.
- (vii) (a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, wealth-tax, service tax, customs duty, excise duty, value added tax, cess and other material statutory dues have generally been regularly deposited with the appropriate authorities. There were significant delays during the year in depositing dues of service-tax and VAT.
- (b) According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
- (c) According to the records of the Company, the dues outstanding of income-tax, sales-tax, wealth-tax, service tax, customs duty, excise duty, value added tax and cess on account of any dispute, are as follows:

Name of the statute	Nature of dues	Amount (₹ in millions)	Period to which the amount relates	Forum where dispute is pending
The Customs Act, 1962	Payment of custom duty towards repairs carried out abroad on its multi-support Vessels.	1,197	2002 and 2011	Commissioner of Customs (Import)

- (d) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company in accordance with the relevant provisions of the Companies Act, 1956 and rules made thereunder.
- (viii) The Company has no accumulated losses at the end of the financial year and it has not incurred cash losses in the current and immediately preceding financial year.

- (ix) Based on our audit procedures and as per the information and explanations given by the management, we are of the opinion that the Company has not defaulted in repayment of dues to a bank. There are no outstanding dues to a financial institution or debenture holders.
- (x) According to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from bank or financial institutions.
- (xi) The Company did not have any term loans outstanding during the year.
- (xii) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given by the management, we report that no fraud on or by the Company has been noticed or reported during the year.

Notes to Financial Statements for the year ended March 31, 2015

1 Corporate Information

SEAMEC Limited is a public Company incorporated under the Companies Act, 1956. The Company operates Multi Support Vessels for providing support services including marine, construction and diving services to offshore oilfields.

2 Basis of preparation

The financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below in 3(a).

3 Summary of Significant Accounting Policies

Change in Accounting Policy

(a) Depreciation on fixed assets

Till the year ended 31 March 2014, Schedule XIV to the Companies Act, 1956, prescribed requirements concerning depreciation of fixed assets. From the current year, Schedule XIV has been replaced by Schedule II to the Companies Act, 2013. The applicability of Schedule II has resulted in the following changes related to depreciation of fixed assets. Unless stated otherwise, the impact mentioned for the current year is likely to hold good for future years also.

i. Useful lives / depreciation rates

Till the year ended 31 March, 2014, depreciation rates prescribed under Schedule XIV were treated as minimum rates and the Company was not allowed to charge depreciation at lower rates even if such lower rates were justified by the estimated useful life of the asset. Schedule II to the Companies Act, 2013 prescribes useful lives for fixed assets which, in many cases, are different from lives prescribed under the erstwhile Schedule XIV. However, Schedule II allows Companies to use higher/ lower useful lives and residual values if such useful lives and residual values can be technically supported and justification for difference is disclosed in the financial statements.

The management believes that depreciation rates currently used fairly reflect its estimate of the useful lives and residual values of fixed assets, and therefore no change in estimates is required pursuant to applicability of Schedule II, though these rates in certain cases are different from lives prescribed under Schedule II. Hence, this change in accounting policy did not have any impact on financial statements of the Company.

ii. Depreciation on assets costing less than ₹ 5,000/-

Till year ended 31 March 2014, to comply with the requirements of Schedule XIV to the Companies Act, 1956, the Company was charging 100% depreciation on assets costing less than ₹ 5,000/- in the year of purchase. However, Schedule II to the Companies Act, 2013, applicable from the current year, does not recognize such practice. Hence, to comply with the requirement of Schedule II to the Companies Act, 2013, the Company has changed its accounting policy for depreciations of assets costing less than ₹ 5,000/. As per the revised policy, the Company is depreciating such assets over their useful life as assessed by the management. The management has decided to apply the revised accounting policy prospectively from accounting periods commencing on or after 1 April 2014. The change in accounting for depreciation of assets costing less than ₹5,000/- did not have any material impact on financial statements of the Company for the current year.

iii. Component Accounting

The Company has adopted Schedule II to the Companies Act, 2013, for depreciation purposes, from 1 April 2014. The Company was previously not identifying components of fixed assets separately for depreciation purposes; rather, a single useful life / depreciation rate was used to depreciate each item of fixed asset. Now, the Company identifies and determines separate useful life for each major component of the fixed asset, if they have useful life that is materially different from that of the remaining asset. Accordingly, the Company now identifies expenditure

incurred on dry-docking as a separate component which is capitalised as the cost of the relevant vessel and is amortized systematically over the interval until the subsequent scheduled dry-docking.

Had the Company continued to use the earlier policy of expensing off major inspection / overhaul expenses, its financial statements for the year would have been impacted as below:

Depreciation for the current year would have been lower by ₹ 34.55 million.

Dry dock expenses for the current year would have been ₹159.17 million.

Profit for the current year would have been lower by ₹124.62 million.

Fixed asset would correspondingly have been lower by ₹159.17 million.

(b) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

(c) Tangible Fixed Assets

Fixed assets are stated at cost, net of accumulated depreciation and impairment losses if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

When a major inspection/ overhaul is performed, its cost is recognized in the carrying amount of the related fixed asset as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred.

Assets held for disposal are stated at lower of their net book value or net realisable value and are shown separately in financial statements.

(d) Depreciation on tangible fixed assets

Depreciation is provided using the Straight Line Method as per the useful lives of the assets estimated by the management, The Management estimates the useful life for Fixed Assets as follows.

Assets	Useful life (In Years)
Fleet (Multi Support Vessels)	15 to 20
Fleet (Utility Vessel)	5
Fleet Equipments	2 to 20
Lease hold improvements	5
Office Equipments and Computers	3 to 10
Vehicles	4

For these class of assets, based on technical evaluation carried out by the management the useful lives as given above best represent the period over which the management expects to use these assets. The useful lives for these assets are different from the useful lives as prescribed under Part C of schedule II of the Companies Act, 2013.

Machinery / insurance spares are depreciated over the balance useful life of the respective asset or the mother vessel, whichever is lower.

**(e) Intangible assets**

Computer software is capitalised and amortised on a straight-line basis over its useful life, which is estimated as five years.

(f) Impairment of tangible and intangible assets

The carrying amounts of all assets are reviewed at each balance sheet date, if there is any indication of impairment based on internal / external factors, whether they are recorded in excess of their recoverable amounts, and where carrying values exceed this estimated recoverable amount, assets are written down to their recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

(g) Investments

Investments which are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments.

(h) Inventories

Inventories consist of stores and consumables for use in running of fleets. These are valued at lower of cost and net realizable value. Cost is determined on weighted average basis. Inventory items individually costing less than ₹ 5 thousand are charged to consumption.

(i) Cash and cash equivalents

Cash and cash equivalents in cash flow statement comprise cash in hand and at bank in current and foreign currency accounts. Term deposits having maturity of three months or less are considered as cash equivalents.

(j) Retirement and other employee benefits

- i. Retirement benefits in the form of Provident Fund are a defined contribution scheme. The Company's contributions paid / payable towards these defined contribution plan is recognised as expense in the Statement of Profit and Loss during the period in which the employee renders the related service. There are no other obligations other than the contribution payable to the respective fund.
- ii. Contribution to Superannuation Fund, a defined contribution scheme, is made to the Life Insurance Corporation of India, as per the arrangement with them, and the contributions are charged to the Statement of Profit and Loss for the year when the contributions to the respective funds are due.
- iii. Gratuity, a defined benefit scheme is covered by a Group Gratuity cum Life Assurance Policy with Life Insurance Corporation of India ("LIC"). Annual contribution to the fund is as determined by LIC. The shortfall between the accumulated funds available with LIC and liability as determined on the basis of an actuarial valuation is provided for as at the year-end. The actuarial valuation is done as per projected unit credit method. Actuarial gains/losses are immediately taken to statement of profit and loss as on the balance sheet date and are not deferred.
- iv. Short term compensated absences are provided for based on estimates. The Company presents these as a current liability in the balance sheet, to the extent it does not have an unconditional right to defer its settlement for 12 months after the reporting date.
- v. The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.

(k) Foreign Currency transactions

i. Initial recognition

Foreign currency transactions are recorded in the reporting currency by applying, to the foreign currency amount, the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

ii. Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

iii. Exchange differences

Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded during the period, or reported in previous financial statements, are recognised as income or as expenses in the period in which they arise.

iv. Forward Exchange Contracts not intended for trading or speculation purposes

The premium or discount arising at the inception of forward exchange contracts is amortised as expense or income over the life of the contract. Exchange differences on such contracts are recognised in the statement of profit and loss in the period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognised as income or as expense for the period.

(l) Income Tax

Tax expense comprises of Current Tax. Current Income tax liability on shipping income is determined based on the net tonnage of each of its vessels, in accordance with section 115VT of the Income Tax Act, 1961.

Income other than shipping income is taxed in accordance with the other provisions of the Income Tax Act, 1961. Further, with the applicability of above section, there is no timing difference between taxable and book profit. Therefore, there is no deferred tax.

(m) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

i. Charter hire income

Charter hire income comprises income from charter hire of multi-support vessels and income from supply of marine and diving crew and services. Charter hire revenues are recognised at contracted rates over the charter period. Revenues from supply of crew and services are classified as other operating revenue and recognised on rendering of the service, based on day rate charges as per the terms of the agreements. The Company collects service tax on behalf of the government and, therefore, it is not an economic benefit flowing to the Company. Hence, it is excluded from revenue.

ii. Interest

Revenue is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

iii. Claims

Claims are accounted when it is reasonably certain that the ultimate collections will be received.

iv. Rental income

Rental income is accrued on time basis, by reference to agreements entered.

(n) Operating lease

Leases where the lessor effectively retains substantially all the risks and benefits of the ownership are classified as operating leases. Operating lease payments are recognised as an expense in the Profit and Loss Account on a straight line basis over the lease term.

(o) Provisions

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources embodying economic benefits, will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

(p) Segment Reporting
i. Primary Business Segments

The Company is primarily engaged in a single segment business of providing support services including marine, construction and diving services to offshore oilfields in India and abroad, and accordingly, this is the only primary reportable segment.

ii. Secondary Geographical Segments

Secondary segmental reporting is based on geographical location of the client. The geographical segment has been disclosed based on revenues within India and revenues outside India.

(q) Earnings per Share

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of diluted potential equity shares, if any. The Company does not have any diluted equity shares as at the period end.

(r) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Claim against the Company not acknowledge as debts		
FERA Matter Refer note (a)	100	100
Custom Duty payable as per order from Commissioner of Customs (Import) Refer note (b)	1,197	1,197

- a The case against the Company alleging violation of Foreign Exchange Regulation Act (FERA), related to acquisition of Land drilling Rig, is pending before the Hon'ble Mumbai High Court. The Company has furnished a Bank Guarantee of ₹ 100 million to the Enforcement Directorate, FERA, towards penalty imposed, as directed by the Hon'ble Mumbai High Court.

The bank guarantee is valid till March 31, 2015. No provision is considered necessary in respect of the said penalty as the management believes, based on legal opinion, that there has been no contravention to FERA.

- b) During the year 2011, the Directorate of Revenue Intelligence (DRI) had instituted an enquiry in relation to payment of customs duty towards repairs / drydock undertaken on Company's vessels SEAMEC-I, SEAMEC-II and SEAMEC-III incurred outside India since 2002. The DRI provisionally assessed customs duty of ₹ 126.60 million, which the Company has paid under protest subject to adjudication in December 2011.

The Company had also furnished a bank Guarantee for ₹ 82.10 million and Bond for ₹ 821 million pursuant to the order dated 17th January 2012 of Hon'ble Mumbai High Court for provisional release of its vessel SEAMEC II arrested by Customs. The above order was subject to adjudication. Hon'ble High Court observed that no duty to be charged on the acquisition cost as the vessel was originally imported prior to 2001 when import duty was not applicable on such vessel. During July – August 2012, DRI issued show cause notice, separately for each vessel as to why the duty determined of aggregate value of ₹ 285.26 million, interest, penalty etc. will not be levied on the Company.

The Company while preferring adjudication have submitted replies to respective show cause notices, and hearing on adjudication proceeding completed before the Commissioner of Customs (Import) on 4th December, 2012.

Subsequent to above, the Company has received 3 corrigendum to the original show cause notices enhancing the claim of custom duty by ₹ 65.14 million against the above claim. Commissioner of Customs has issued order dated 28th March 2013 received by Company on 16th April 2013 on the adjudication proceedings. Commissioner of Customs, in his order, imposed duty ₹ 350 million, penalty for equivalent amount and interest and appropriation of ₹ 126.60 million paid in December 2011. As per the order of Commissioner of Customs, total claim to Company including duty, penalty, interest and confiscation fine calculated to ₹ 1,197 million after adjustment of provisional duty already paid in December 2011 under protest.

The Company has since obtained stay from CESTAT Appellate Tribunal, customs against the order of commissioner of customs for vessel SEAMEC-III, SEAMEC II & SEAMEC-I. While pending the appeal, Honorable CESTAT allowed the vessels to go out of India upon furnishing the Bank Guarantee aggregating to ₹ 70 million to ensure vessels return to India during the granted period. Upon return of vessels the aggregate Bank Guarantee of ₹ 70 million has been revoked.

The Company is of the view that it has a strong case on merit and is contesting the same. Hence no further provision made towards additional Customs Duty, Penalty and Confiscation redemption fine as stated in the order of Commissioner of Customs.

28 CAPITAL COMMITMENTS

Estimated amount of contracts remaining to be executed on capital account and not provided for ₹ Nil million (Previous year ₹ 38.15 million).

29 TRADE RECEIVABLE

- (a) The Company withdrew one of its vessels from a charter hire contract due to commercial disputes. The Company has not recognised revenue of ₹ 281.99 million in respect of contract for the period January 2010 to March 2010 on account of uncertainty relating to acceptance and realisability of claims. Further, the Company has also made a provision of ₹ 239.39 million towards outstanding receivables from the same client on grounds of prudence. The Company has been pursuing legal recourse in Mexican Court.
- (b) The Company had entered into a charter party agreement with a customer, for chartering of a vessel and provision of services. The customer was in turn, retained by other parties. In the normal course of providing services to the customer, there was an incident that resulted in alleged damage to undersea property of a third party, and such damage was sought to be attributed to the Company, although the subsea assets continue to be fully functional. In terms of the charter party contract, the Company is not liable to the customer or third parties, and it has also not received notice of claims, nor does it incur liability under law. As of March 31, 2015, the customer has withheld payment of ₹ 237.21 million due to the Company, of which ₹ 38.35 million is disputed by the customer as being not payable by it, and the balance ₹198.86 million is withheld until settlement of the matter relating to damage to undersea property. The Company is in discussions with the customer to reconcile the amount disputed by it. In respect of ₹198.86 million that is withheld, it is in discussions with the customer and other parties involved, to jointly agree on a course of action to undertake repairs, if necessary, and conclude the matter. On the basis of information available with Company, it expects recovery of a substantial portion of the amount and as a matter of prudence, has made a provision of ₹75.50 million in this regard.

The Company expects to contribute ₹ 0.00 million to gratuity in 2015-16. (P.Y 2014-15 Nil)

The major categories of plan assets as a percentage of the fair value of total plan assets are as follows:

Investments with insurer	100%	100%
--------------------------	------	------

The overall expected rate of return on assets is determined based on the market prices prevailing on that date, applicable to the period over which the obligation is to be settled. There has been significant change in expected rate of return on assets due to the improved stock market scenario.

The principal assumptions used in determining gratuity for the Company's plans are shown below:

Discount rate	8.04%	9.03%
Expected rate of return on assets	8.04%	8.70%
Salary Escalation	7.00%	7.00%
Attrition Rate	10.00%	15.00%

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

To the Members of SEAMEC Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of SEAMEC Limited (hereinafter referred to as "the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group") comprising of the consolidated Balance Sheet as at March 31, 2015 and the consolidated Statement of Profit and Loss and consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'the consolidated financial statements').

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms with the requirement of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Holding Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph (a) in 'Other Matters' below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Group as at March 31, 2015, its consolidated profit and its consolidated cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to note 37 to the consolidated financial statements, relating to applications made by the Company to the Central Government, regarding managerial remuneration of earlier years which was in excess of the limit applicable under the Companies Act, 1956. Pending the approval of the Central Government, no adjustments are considered necessary in these consolidated financial statements. Our opinion is not qualified in respect of this matter.

**Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2015 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, based on the comments in the auditor's report of the Holding company, to whom the Order applies, we give in the Annexure, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable. The Order does not apply to the subsidiary company, since it is not incorporated in India.
2. As required by section 143 (3) of the Act, we report, to the extent applicable, that:
 - (a) We / the other auditors whose reports we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors;
 - (c) The consolidated Balance Sheet, consolidated Statement of Profit and Loss, and consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2015 taken on record by the Board of Directors of the Holding Company, none of the directors of the Holding company is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on its consolidated financial position of the Group – Refer Note 26 to the consolidated financial statements;
 - ii. The Group did not have any material foreseeable losses in long-term contracts including derivative contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company.

Other Matter

The accompanying consolidated financial statements include total assets of ₹ 707 million as at March 31, 2015, and total revenues and net cash inflows of ₹699 million and ₹677 million for the year ended on that date, in respect of one subsidiary company, which have been audited by another auditor, whose financial statements prepared under the generally accepted accounting principles ('GAAPs') accepted in the country of its incorporation, other financial information and the auditor's reports have been furnished to us by the management. These financial statements and other financial information have been audited by another auditor, who submitted its audit opinion, prepared under generally accepted auditing standards of the country in which the subsidiary is incorporated, to the shareholders / Board of Directors of the subsidiary, copies of which have been provided to us by the Company. The management of the Company has converted these audited financial statements of the Company's subsidiary to accounting principles generally accepted in India, for the purpose of preparation of the Company's consolidated financial statements under accounting principles generally accepted in India. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates thereto, is based solely on the reports of such other auditor under the aforementioned GAAPs and the aforesaid conversion undertaken by the management, examined by us on a test basis.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements above, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements.

**Annexure referred to in paragraph 1 under the heading "Report on other legal and Regulatory Requirement" of our report of even date
Re: SEAMEC Limited to whom the provisions of the Order apply (hereinafter referred to as "the Holding Company")**

- (i) (a) The Holding Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) All fixed assets have not been physically verified by the management during the year but there is a regular programme of verification which, in our opinion, is reasonable having regard to the size of the Holding Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year.
- (b) The procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Holding Company and the nature of its business.
- (c) The Holding Company is maintaining proper records of inventory. Discrepancies noted on physical verification of inventories were not material, and have been properly dealt with in the books of account.
- (iii) According to the information and explanations given to us, the Holding Company has not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, the provisions of clause 3(iii)(a) and (b) of the Order are not applicable to the Holding Company and hence not commented upon.
- (iv) In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Holding Company and the nature of its business, for the purchase of inventory and fixed assets and for the sale of services. During the course of our audit, we have not observed any major weakness or continuing failure to correct any major weakness in the internal control system of the Holding company in respect of these areas.
- (v) The Holding Company has not accepted any deposits from the public.
- (vi) To the best of our knowledge and as explained, the Central Government has not specified the maintenance of cost records under section 148(1) of the Companies Act, 2013, for the services of the Holding Company.
- (vii) (a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, wealth-tax, service tax, customs duty, excise duty, value added tax, cess and other material statutory dues have generally been regularly deposited with the appropriate authorities. There were significant delays during the year in depositing dues of service-tax and VAT.
- (b) According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
- (c) According to the records of the Holding Company, the dues outstanding of income-tax, sales-tax, wealth-tax, service tax, customs duty, excise duty, value added tax and cess on account of any dispute, are as follows:

Name of the statute	Nature of dues	Amount (₹ in millions)	Period to which the amount relates	Forum where dispute is pending
The Customs Act, 1962	Payment of custom duty towards repairs carried out abroad on its multi-support Vessels.	1,197	2002 and 2011	Commissioner of Customs (Import)

- (d) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company in accordance with the relevant provisions of the Companies Act, 1956 and rules made thereunder.
- (viii) The Holding Company has no accumulated losses at the end of the financial year and it has not incurred cash losses in the current and immediately preceding financial year.
- (ix) Based on our audit procedures and as per the information and explanations given by the management, we are of the opinion that the Holding Company has not defaulted in repayment of dues to a bank. There are no outstanding dues to a financial institution or debenture holders.
- (x) According to the information and explanations given to us, the Holding Company has not given any guarantee for loans taken by others from bank or financial institutions.
- (xi) The Holding Company did not have any term loans outstanding during the year.
- (xii) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given by the management, we report that no fraud on or by the Holding Company has been noticed or reported during the year.

Notes on Consolidated Financial Statements for the year ended March 31, 2015

1 Corporate Information

SEAMEC Limited ("the Company" or "the Holding Company") is a public Company incorporated under the Companies Act, 1956. The Company operates multi support vessels for providing support services including marine, construction and diving services to offshore oilfields.

2 Basis of preparation

The consolidated financial statements (the financial statements) of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year except for the change in accounting policy explained below in 3 (B).

3A Consolidation

- (i) The consolidated financial statements comprise of the financial statements of Seamec Limited ("the Holding Company") and its subsidiary (hereinafter referred as "the Group").
- (ii) The consolidated financial statements are prepared in accordance with the Accounting Standard (AS) 21 'Consolidated Financial Statements' notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014.
- (iii) The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financials statements.
- (iv) The financial statements of the Company and its subsidiary are combined on a line-by-line basis by adding together book values of the like items of assets, liabilities, income & expenses after eliminating all intra group transactions, balances, unrealised surplus and deficits on transactions except where cost can not be recovered.
- (v) The Company considered in the consolidated financial statements is listed below:

Sr No.	Name of Subsidiary :	Proportion of ownership interest either directly or indirectly	
		As on March 31, 2015	As on March 31, 2014
1	Seamec International FZE, United Arab Emirates	100%	100%

3B Summary of Significant Accounting Policy

(a) Change in Accounting Policy

Depreciation on fixed assets

Till the year ended 31 March 2014, Schedule XIV to the Companies Act, 1956, prescribed requirements concerning depreciation of fixed assets. From the current year, Schedule XIV has been replaced by Schedule II to the Companies Act, 2013. The applicability of Schedule II has resulted in the following changes related to depreciation of fixed assets. Unless stated otherwise, the impact mentioned for the current year is likely to hold good for future years also

i Useful lives / depreciation rates

Till the year ended 31 March 2014, depreciation rates prescribed under Schedule XIV were treated as minimum rates and the Company was not allowed to charge depreciation at lower rates even if such lower rates were justified by the estimated useful life of the asset. Schedule II to the Companies Act 2013 prescribes useful lives for fixed assets which, in many cases, are different from lives prescribed under the erstwhile Schedule XIV. However, Schedule II allows companies to use higher/ lower useful lives and residual values if such useful lives and residual values can be technically supported and justification for difference is disclosed in the financial statements.

The management believes that depreciation rates currently used fairly reflect its estimate of the useful lives and residual values of fixed assets, and therefore no change in estimates is required pursuant to applicability of

Schedule II, though these rates in certain cases are different from lives prescribed under Schedule II. Hence, this change in accounting policy did not have any impact on financial statements of the Company.

ii Depreciation on assets costing less than ₹ 5,000/-

Till year ended 31 March 2014, to comply with the requirements of Schedule XIV to the Companies Act, 1956, the Company was charging 100% depreciation on assets costing less than ₹ 5,000/- in the year of purchase. However, Schedule II to the Companies Act 2013, applicable from the current year, does not recognize such practice. Hence, to comply with the requirement of Schedule II to the Companies Act, 2013, the Company has changed its accounting policy for depreciations of assets costing less than ₹ 5,000/. As per the revised policy, the Company is depreciating such assets over their useful life as assessed by the management. The management has decided to apply the revised accounting policy prospectively from accounting periods commencing on or after 1 April 2014. The change in accounting for depreciation of assets costing less than ₹5,000/- did not have any material impact on financial statements of the Company for the current year.

iii Component Accounting

The Company has adopted Schedule II to the Companies Act, 2013, for depreciation purposes, from 1 April 2014. The Company was previously not identifying components of fixed assets separately for depreciation purposes; rather, a single useful life/ depreciation rate was used to depreciate each item of fixed asset.

Due to application of Schedule II to the Companies Act, 2013, the Company has changed the manner of depreciation for its fixed assets. Now, the Company identifies and determines separate useful life for each major component of the fixed asset, if they have useful life that is materially different from that of the remaining asset.

The Company has changed its accounting policy for expenditure incurred on dry-docking, which is now capitalized as a separate component of the cost of the relevant vessel and amortized systematically over the interval until the subsequent scheduled dry-docking. Had the Company continued to use the earlier policy of expensing off major inspection/ overhaul expenses, its financial statements for the year would have been impacted as below. Depreciation for the current year would have been lower by ₹ 34.55 million.

Dry dock expenses for the current year would have been ₹159.17 million. Profit for the current year would have been lower by ₹124.62 million. Fixed asset would correspondingly have been lower by ₹159.17 million.

(b) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

(c) Tangible Fixed Assets

Fixed assets are stated at cost, net of accumulated depreciation and impairment losses if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Gains or losses arising from dere cognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

When a major inspection/ overhaul is performed, its cost is recognized in the carrying amount of the related fixed asset as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred.

Assets held for disposal are stated at lower of their net book value or net realisable value and are shown separately in financial statements.

(d) Depreciation on tangible fixed assets

Depreciation is provided using the Straight Line Method as per the useful lives of the assets estimated by the management, The Management estimates the useful life for Fixed Assets as follows.

Assets	Useful life (In Years)
Fleet (Multi Support Vessels)	15 to 20
Fleet (Work Boat)	5
Fleet Equipments	2 to 20
Lease hold improvements	5
Office Equipments and Computers	3 to 10
Vehicles	4

For these class of assets, based on technical evaluation carried out by the management the useful lives as given above best represent the period over which the management expects to use these assets. The useful lives for these assets are different from the useful lives as prescribed under Part C of schedule II of the Companies Act 2013.

Machinery / insurance spares are depreciated over the balance useful life of the respective asset or the mother vessel, whichever is lower.

(e) Intangible assets

Computer software is capitalised and amortised on a straight-line basis over its useful life, which is estimated as five years.

(f) Impairment of tangible and intangible assets

The carrying amounts of all assets are reviewed at each balance sheet date, if there is any indication of impairment based on internal / external factors, whether they are recorded in excess of their recoverable amounts, and where carrying values exceed this estimated recoverable amount, assets are written down to their recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

(g) Investments

Investments which are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments.

(h) Inventories

Inventories consist of stores and consumables for use in running of fleets. These are valued at lower of cost and net realizable value. Cost is determined on weighted average basis. Inventory items individually costing less than ₹ 5 thousand are charged to consumption.

(i) Cash and cash equivalents

Cash and cash equivalents in cash flow statement comprise cash in hand and at bank in current and foreign currency accounts. Term deposits having maturity of three months or less are considered as cash equivalents.

(j) Retirement and other employee benefits
The Holding Company

- i. Retirement benefits in the form of Provident Fund are a defined contribution scheme. The Company's contributions paid / payable towards these defined contribution plan is recognised as expense in the Statement of Profit and Loss during the period in which the employee renders the related service. There are no other obligations other than the contribution payable to the respective fund.

- ii. Contribution to Superannuation Fund, a defined contribution scheme, is made to the Life Insurance Corporation of India, as per the arrangement with them, and the contributions are charged to the Statement of Profit and Loss for the year when the contributions to the respective funds are due.
- iii. Gratuity, a defined benefit scheme is covered by a Group Gratuity cum Life Assurance Policy with Life Insurance Corporation of India ("LIC"). Annual contribution to the fund is as determined by LIC. The shortfall between the accumulated funds available with LIC and liability as determined on the basis of an actuarial valuation is provided for as at the year-end. The actuarial valuation is done as per projected unit credit method. Actuarial gains/losses are immediately taken to statement of profit and loss as of the balance sheet date and are not deferred.
- iv. Short term compensated absences are provided for based on estimates. The Company presents these as a current liability in the balance sheet, to the extent it does not have an unconditional right to defer its settlement for 12 months after the reporting date.
- v. The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.

(k) Foreign Currency transactions

- i. Initial recognition
Foreign currency transactions are recorded in the reporting currency by applying, to the foreign currency amount, the exchange rate between the reporting currency and the foreign currency at the date of the transaction.
- ii. Conversion
Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.
- iii. Exchange differences
Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded during the period, or reported in previous financial statements, are recognised as income or as expenses in the period in which they arise.
- iv. Forward Exchange Contracts not intended for trading or speculation purposes
The premium or discount arising at the inception of forward exchange contracts is amortised as expense or income over the life of the contract. Exchange differences on such contracts are recognised in the statement of profit and loss in the period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognised as income or as expense for the period.
- v. Translation of Non Integral Foreign Operation
Translation of Foreign subsidiary is done in accordance with AS-11(Revised) "The Effects of Changes in Foreign Exchange Rates". The Company classifies its Foreign operation as "Non Integral Foreign Operation".
The assets & liabilities of non integral foreign operation are translated into the reporting currency at the exchange rate prevailing at the reporting date and their statement of profit & loss are translated at the average rate for the year. The Exchange differences arising on translation are accumulated in the Foreign currency translation reserve.

(l) Income Tax

Tax expense comprises of Current Tax. Current Income tax liability on shipping income is determined based on the net tonnage of each of its vessels, in accordance with section 115VT of the Income Tax Act, 1961. Income other than shipping income is taxed in accordance with the other provisions of the Income Tax Act, 1961. Further, with the applicability of above section, there is no timing difference between taxable and book profit. Therefore, there is no deferred tax.

**(m) Revenue Recognition**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

i. Charter hire income

Charter hire income comprises income from charter hire of multi-support vessels and income from supply of marine and diving crew and services. Charter hire revenues are recognised at contracted rates over the charter period. Revenues from supply of crew and services are classified as other operating revenue and recognised on rendering of the service, based on day rate charges as per the terms of the agreements.

ii. Interest

Revenue is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

iii. Claims

Claims are accounted when it is reasonably certain that the ultimate collections will be received.

iv. Rental income

Rental income is accrued on time basis, by reference to agreements entered.

(n) Operating lease

Leases where the lessor effectively retains substantially all the risks and benefits of the ownership are classified as operating leases. Operating lease payments are recognised as an expense in the Profit and Loss Account on a straight line basis over the lease term.

(o) Provisions

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources embodying economic benefits, will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

(p) Segment Reporting

i. Primary Business Segments

The Group is primarily engaged in a single segment business of providing support services including marine, construction and diving services to offshore oilfields in India and abroad, and accordingly, this is the only primary reportable segment.

ii. Secondary Geographical Segments

Secondary segmental reporting is based on geographical location of the client. The geographical segment has been disclosed based on revenues within India and revenues outside India.

(q) Earnings per Share

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of diluted potential equity shares, if any. The Company does not have any diluted equity shares as at the period end.

(r) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to

settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

- a The case against the Company alleging violation of Foreign Exchange Regulation Act (FERA), related to acquisition of Land drilling Rig, is pending before the Hon'ble Mumbai High Court. The Company has furnished a Bank Guarantee of ₹ 100 million to the Enforcement Directorate, FERA, towards penalty imposed, as directed by the Hon'ble Mumbai High Court. The bank guarantee is valid till March 31, 2015. No provision is considered necessary in respect of the said penalty as the management believes, based on legal opinion, that there has been no contravention to FERA.
- b During the year 2011, the Directorate of Revenue Intelligence (DRI) had instituted an enquiry in relation to payment of customs duty towards repairs/drydock undertaken on Company's vessels SEAMEC-I, SEAMEC-II and SEAMEC-III incurred outside India since 2002. The DRI provisionally assessed customs duty of ₹ 126.60 million, which the Company has paid under protest subject to adjudication in December 2011.

The Company had also furnished a bank Guarantee for ₹ 82.10 million and Bond for ₹ 821 million pursuant to the order dated 17th January, 2012 of Hon'ble Mumbai High Court for provisional release of its vessel SEAMEC II arrested by Customs. The above order was subject to adjudication. Hon'ble High Court observed that no duty to be charged on the acquisition cost as the vessel was originally imported prior to 2001 when import duty was not applicable on such vessel. During July – August 2012, DRI issued show cause notice, separately for each vessel as to why the duty determined of aggregate value of ₹ 285.26 million, interest, penalty etc. will not be levied on the Company.

The Company while preferring adjudication have submitted replies to respective show cause notices, and hearing on adjudication proceeding completed before the Commissioner of Customs (Import) on 4th Deccemer, 2012. Subsequent to above, the Company has received 3 corrigendum to the original show cause notices enhancing the claim of custom duty by ₹ 65.14 million against the above claim.

Commissioner of Customs has issued order dated 28th March 2013 received by Company on 16th April 2013 on the adjudication proceedings . Commissioner of Customs, in his order, imposed duty ₹ 350 million, penalty for equivalent amount and interest and appropriation of ₹ 126.60 million paid in Dec 2011. As per the order of Commissioner of Customs , total claim to Company including duty, penalty , interest and confiscation fine calculated to ₹ 1,197 million after adjustment of provisional duty already paid in Dec 2011 under protest.

The Company has since obtained stay from CESTAT Appellate Tribunal, customs against the order of commissioner of customs for vessel SEAMEC-III , SEAMEC II & SEAMEC-I. While pending the appeal, Honorable CESTAT allowed the vessels to go out of India upon furnishing the Bank Guarantee aggregating to ₹ 70 million to ensure vessels return to India during the granted period. Upon return of vessels the aggregate Bank Guarantee of ₹ 70 million has been revoked.

The Company is of the view that it has a strong case on merit and is contesting the same. Hence no further provision made towards additional Customs Duty, Penalty and Confiscation redemption fine as stated in the order of Commissioner of Customs.

27 CAPITAL COMMITMENTS

Estimated amount of contracts remaining to be executed on capital account and not provided for ₹ NIL million (Previous year ₹ 38.15 million).

28 TRADE RECEIVABLE

- (a) The Company withdrew one of its vessels from a charter hire contract due to commercial disputes. The Company has not recognised revenue of ₹ 281.99 million in respect of contract for the period January 2010 to March 2010 on account of uncertainty relating to acceptance and realisability of claims. Further, the Company has also made a provision of ₹ 239.39 million towards outstanding receivables from the same client on grounds of prudence. The Company has been pursuing legal recourse in Mexican Court.
- (b) The Company had entered into a charter party agreement with a customer, for chartering of a vessel and provision of services. The customer was in turn, retained by other parties. In the normal course of providing services to the customer, there was an incident that resulted in alleged damage to undersea property of a third party, and such damage was sought to be attributed to the Company, although the subsea assets continue to be fully functional. In terms of the charter party contract, the Company is not liable to the customer or third parties, and it has also not received notice of claims, nor does it incur liability under law. As of March 31, 2015, the customer has withheld payment of ₹ 237.21 million due to the Company, of which ₹ 38.35 million is disputed by the customer as being not payable by it, and the balance ₹198.86 million is withheld until settlement of the matter relating to damage to undersea property. The Company is in discussions with the customer to reconcile the amount disputed by it. In respect of ₹198.86 million that is withheld, it is

in discussions with the customer and other parties involved, to jointly agree on a course of action to undertake repairs, if necessary, and conclude the matter. On the basis of information available with Company, it expects recovery of a substantial portion of the amount and as a matter of prudence, has made a provision of ₹75.50 million in this regard.
