Explanatory Statement Pursuant to Section 102 of the Companies Act, 2013:

As required by Section 102 of the Companies Act, 2013 ("Act"), the following explanatory statement sets out all material facts relating to the business mentioned under Item No. 3 of the accompanying Notice

Item No. 3:

This explanatory statement is in terms of Regulation 36(5) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), however, the same is strictly not required as per Section 102 of the Act.

In accordance with the provisions of Section 139, 142 and other applicable provisions of the Companies Act, 2013 ('the Act') read with the Companies (Audit and Auditors) Rules, 2014, the Company can appoint or reappoint an audit firm as Statutory Auditors for not more than two terms of five consecutive years.

M/s. Bohra and Co shall hold office until conclusion of ensuing Annual General Meeting. The term of appointment of M/s. Bohra and Co. as Statutory Auditors of the Company will conclude on 27th September 2022

After evaluating and considering various factors such as industry experience, competency of the audit team, efficiency in conduct of audit, independence, etc., the Board of Directors of the Company has, based on the recommendation of the Audit Committee, at its meeting held on August 12, 2022, proposed the appointment of M/s. Pulindra Patel and Co, Chartered Accountants (Firm Registration No.: 115187W), as the Statutory Auditors of the Company, for a term of five consecutive years from the conclusion of 44th AGM till the conclusion of 49th AGM of the Company to be held in the year 2027. The audit fee proposed to be paid to M/s. Pulindra Patel and Co, during FY 2022-2023 is proposed to be INR 1,40,000/- plus taxes and reimbursement of out of pocket expenses incurred for the purpose of audit and applicable taxes. There is no material change in the audit fee proposed to be payable to the new auditor compared to that paid to M/S Bohra & Co. Besides the audit services, the Company would also obtain certifications which are to be mandatorily received from the statutory auditors under various regulations.

M/s. Pulindra Patel and Co., have consented to their appointment as Statutory Auditors and have confirmed that if appointed, their appointment will be in accordance with Section 139 read with Section 141 of the Act.

Pulindra Patel operates from Mumbai and has more than 2.5 decades of experience handling Audit & Assurance & Accounting Advisory Services, direct tax and Indirect tax litigation and advisory services.

Pulindra has extensive experience in handling assignments for IGAAP and Ind AS for large domestic clients. Having serviced companies in several geographical locations, he is well versed with foreign conversions reporting

The Board recommends the Ordinary Resolution set out at Item No. 3 of the Notice for approval by the Members.

None of the Directors and Key Managerial Personnel of the Company or their relatives is, in any way, concerned or interested in the Resolution set out at Item No. 3 of the Notice.

The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to isha@spassociates.co with a copy marked to evoting@nsdl.co.in.
5. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from, April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrars and Transfer Agents for assistance in this regard.
6. To support the 'Green Initiative', Members who have not yet registered their email addresses are requested to register the same with their DPs in case the shares are held by them in electronic form and with DBSL in case the shares are held by them in physical form.
7. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DPs in case the shares are held by them in electronic form and to Linkintime in case the shares are held by them in physical form.
8. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. Members are requested to submit the said details to their DP in case the shares are held by them in electronic form and to Linkintime in case the shares are held in physical form.
9. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or DBSL, the details of such folios together with the share certificates for consolidating their holdings in one folio. A consolidated share certificate will be issued to such

Members after making requisite changes.

10. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
11. Shareholders are requested to forward their queries on the annual report for the financial year ended March 31, 2022 to the Company on cosecdifl@gmail.com at least 10 days in advance, to enable us to keep the required information available at the Meeting.
12. In compliance with the aforesaid MCA Circulars and SEBI Circular dated May 12, 2020, Notice of the AGM along with the Annual Report 2021-22 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories. Members may note that the Notice and Annual Report 2021-22 will also be available on the Company's website www.dhootfinance.com, websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com and on the website of NSDL <https://www.evoting.nsdl.com>.
13. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
14. Since the AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice.
15. Explanatory Statement, pursuant to Section 102 of the Companies Act, 2013 in respect of the business under item no. 3 above is annexed hereto. The relevant details of the Ordinary resolution are annexed.

The company has achieved a total income and turnover of INR 6,661.29 Lakhs and net Profit is at INR 1,866.74 Lakhs during the year ended 31st March, 2022 as compared to INR 4,951.39 Lakhs and net profit INR 3,323.17 Lakhs respectively for the last financial year.

8. Human Resources / Industrial Relations:

Your Company considers its intellectual capital as its most valuable asset. Personnel policies of the Company are designated to ensure fairness to and growth of all individuals in the organization and aim to provide a challenging work environment. The Industrial Relations remained cordial during the year under review.

9. There have been significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in key financial ratios.

The Key Financial Ratios for the year under review have undergone changes as compared to previous FY 2020-21. All Profitability Ratios like Net Profit Margin has decreased (down to 61.38 % from 327.45%) due to decrease in profit after tax, Interest coverage ratio has decreased (down to 569.56% from 705.34%) due to decrease in earnings before Interest and tax & Return on Net worth has decreased (down to 7.17% from 30.63%) due to decrease in profit after tax. The lesser allowance of credit to the Debtors, reflected in the betterment of Debtors Turnover (down to 46 days from 117 days), Inventory Turnover (0) & Current Ratio increased to 1.12% from 0.063% primarily on account of increase in fair value of Current Investments. The Debt Equity Ratio, however, improved to 0.18% from 0.35%, on account of increase in total equity due to higher total comprehensive income during the year.

- 10. Return on Networth was 30.63% in the previous year while return on networth in current year is 7.17%. The difference is due to decrease in profit after tax for the financial year 2021-22.**

Independent Auditor's Report**To the Members of Dhoot Industrial Finance Limited****Report on the Audit of the Standalone Financial Statements****Opinion**

We have audited the standalone financial statements of Dhoot Industrial Finance Ltd ("the Company"), which comprise the standalone balance sheet as at 31st March 2022, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of change in equity and the standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2022, and profit and total comprehensive profit, change in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

In our opinion and best of the information and explanation given to us we have not found any matter to be the Key audit matter to be communicated in our audit report

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included Management Discussion and Analysis, Board's Report including Annexures to Board's Report in and other information in the Company's Annual Report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Management's Responsibility for the Standalone Financial Statements**

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Auditor's Responsibilities for the Audit of the Stand alone Financial Statements (Continued)

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the 'Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. (A) As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The standalone balance sheet, the standalone statement of profit and loss including Other comprehensive profit, statement of change in equity and standalone statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31 March 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (B) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at 31 March 2022 on its financial position in its standalone financial statements
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company

(C) With respect to the matter to be included in the Auditors' Report under section 197(16):

In our opinion and according to the information and explanation given to us, during the current year, the remuneration paid by the company to its directors is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

“Annexure - B” to the Independent Auditor’s Report of even date to the members of Dhoot Industrial Finance Limited on the standalone financial statements for the year ended 31st March, 2022.

Independent Auditor’s Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013(the “Act”)

1. In Conjunction with our audit of the standalone financial statements of Dhoot Industrial Finance Limited (the “Company”) as at and for the year ended 31st March, 2022, we have audited the internal financial controls over financial reporting (IFCoFR) of the Company as on that date.

Management’s Responsibility for Internal Financial Controls

2. The Company’s Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential Components of Internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting(the “Guidance note”) issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Companies business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

3. Our responsibility is to express an opinion on the company’s IFCoFR based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by ICAI and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of IFCoFR. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s IFCoFR.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company’s IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s IFCoFR includes those policies and procedures that :
 - (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
 - (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that the IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2022, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note issued by the ICAI.

Note 1 : Company Overview**i) General Information**

Dhoot Industrial Finance Limited (the 'Company') was incorporated as Public Limited Company under the laws of India on October 27, 1978 in Mumbai under Companies Act, 1956. The Company is engaged in trading activities of goods and share stocks, power generation. The Authorized Capital of the Company is Rs 6,40,00,000/- and Paid up capital of Rs 6,31,80,000/- divided into 63,18,000 Equity Shares of Rs. 10 each. The registered office of the company is located at 504, Raheja Center, 214, Nariman Point, Mumbai. The Company is listed on Bombay Stock Exchange (BSE). The financial Statements of the Company are approved for issue by the Company's Board of Directors on May 27, 2022.

Note 2 : Significant Accounting Policies and Estimates**i) Basis of preparation of financial statements****Basis of Accounting:**

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial assets and financial liabilities which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Use of Estimates:

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of the changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

CURRENT/NON CURRENT CLASSIFICATION:

The Company presents assets and liabilities in the Balance Sheet based on current/non-current classification.

- A. An asset is current when it is (a) expected to be realized or intended to be sold or consumed in the normal operating cycle; or (b) held primarily for the purpose of trading; or (c) expected to be realised within twelve months after the reporting period; or (d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- B. All other assets are classified as non-current.
- C. A liability is current when (a) it is expected to be settled in the normal operating cycle; or (b) it is held primarily for the purpose of trading; or (c) it is due to be settled within twelve months after the reporting period; or (d) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- D. All other liabilities are classified as non-current.
- E. Deferred tax assets and liabilities are classified as noncurrent assets and liabilities.
- F. The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

**ii) Revenue recognition**

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and can be reliably measured, regardless of the timing of receipt of payment. Revenue is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates allowed by the Company. Taxes and duties are collected by the Company to be deposited with the government and not received by the Company on its account accordingly, it is excluded from revenue.

Sale of Goods

Revenue from sale of goods is recognised, when all significant risks and rewards are transferred to the buyer, as per the terms of the contracts and no significant uncertainty exists regarding the amount of consideration that will be derived from the sale of goods. It is measured at fair value of consideration received or receivable, net returns and allowances, trade discounts and volume rebates. Taxes and duties collected on behalf of the government is excluded from revenue.

Dividend Income

Dividend Income is recognised when the Company's right to receive the same is established, which is generally when shareholders approve the dividend.

Interest Income

Interest income is recognized using effective interest method.

Service Revenue

Services charges are recognized when the stage of completion can be measured reliably.

iii) Foreign Currency Transactions

These financial statements are presented in Indian rupees. Transactions in foreign currency are recorded at the exchange rate prevailing on the date of the transaction.

Foreign Currency Translation**Initial Recognition:**

On initial recognition, transactions in foreign currencies entered into by the Company are recorded in the functional currency (i.e. Indian Rupees), by applying to the foreign currency amount, the spot exchange rate between the functional currency and the foreign currency at the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognized in the Statement of Profit and Loss.

iv) Tangible Assets**a. Property, Plant and Equipment.**

Property, Plant and Equipment are stated at cost less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by the Management. The Company depreciates property, plant and equipment using the diminishing balance method. The cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'. Subsequent expenditures relating to property, plant and equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss. Assets to be disposed of are reported at the lower of the carrying value or the fair value less cost to sell.

b. Depreciation and Amortization

Depreciation on each part of an item of property, plant and equipment is provided using the reducing balance method based on the useful life of the asset as estimated by the management and is charged to the Statement of Profit and Loss as per the requirement of Schedule II of the Companies Act, 2013. The estimate of the useful life of the assets has been assessed based on technical advice which considers the nature of the asset, the usage of the asset, expected physical wear and tear, the operating conditions of the asset, anticipated technological changes, manufacturers warranties and maintenance support, etc. The estimated useful life of items of property, plant and equipment is mentioned below:

Particulars	Estimated Life(in years)
Furniture & Fixures	10
Vehicles	8
Office equipment	5
Office Premises	60
Computers	3
Air conditioners	5
Electrical Installations and Equipments	10
Wind Mills	22

c. Derecognition:

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the Derecognition of an item of property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of Profit and Loss when the item is derecognized.

d. Impairment
Property, Plant and Equipment

An impairment loss is recognized whenever the carrying amount of an asset or its cash generating unit (CGU) exceeds its recoverable amount. The recoverable amount of an asset is the greater of its fair value less cost to sell and value in use. To calculate value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market rates and the risk specific to the asset. For an asset that does not generate largely independent cash inflows, the recoverable amount is determined for the CGU to which the asset belongs. Fair value less cost to sell is the best estimate of the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the cost of disposal. Impairment losses, if any, are recognized in the Statement of Profit and Loss and included in depreciation and amortization expense. Impairment losses are reversed in the Statement of Profit and Loss only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognized.

v) Non-Current Asset Held for Sale

The Company classifies non-current assets as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use of the assets and actions required to complete such sale indicate that it is unlikely that significant changes to the plan to sell will be made or that the decision to sell will be withdrawn. Also, such assets are classified as held for sale only if the management expects to complete the sale within one year from the date of classification. Non-current assets classified as held for sale are measured at the lower of their carrying amount and the fair value less cost to sell. Non-current assets held are not depreciated or amortized.

**vi) Financial Assets****Initial recognition**

The Company recognizes financial assets in its Balance Sheet when it becomes a party to the contractual provisions of the instrument. As per Ind AS 109,

- (a) for financial assets or financial liabilities not subsequently measured at fair value through profit or loss, the company recognizes financial assets and financial liabilities at initial recognition at fair value plus or minus the transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liabilities.
- (b) For financial assets or liabilities classified as at fair value through profit or loss, the company recognizes financial assets and financial liabilities at initial recognition at fair value and the transaction cost are recognised in profit or loss immediately on initial recognition.

Where the fair value of a financial asset at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognized as a gain or loss in the Statement of Profit and Loss at initial recognition if the fair value is evidenced by a quoted price in an active market for an identical asset (i.e. a Level 1 input) or based on a valuation technique that uses only data from observable markets (i.e. Level 2 input).

Subsequent measurement

For subsequent measurement, the Company classifies a financial asset in accordance with the below criteria: i) The Company's business model for managing the financial asset and ii) The contractual cash flow characteristics of the financial asset. Based on the above criteria, the Company classifies its financial assets into the following categories: i) Financial assets measured at amortized cost ii) Financial assets measured at fair value through other comprehensive income (FVTOCI) iii) Financial assets measured at fair value through profit or loss (FVTPL)

Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows, and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

Financial assets at fair value through profit or loss

Any financial asset that does not meet the criteria for classification as at amortized cost or as financial assets at fair value through other comprehensive income, is classified as financial assets at fair value through profit or loss. Further, financial assets at fair value through profit or loss also include financial assets held for trading and financial assets designated upon initial recognition at fair value through profit or loss. Financial assets are classified as held for trading if they are acquired for the purpose of selling or repurchasing in the near term. Financial assets at fair value through profit or loss are fair valued at each reporting date with all the changes recognized in the statement of profit and loss.

Impairment

An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price and value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. Impairment applies to all assets except the following: 1. Inventories (as per Ind AS 2 Inventories) 2. Financial assets that are within the scope of Ind AS 39 Financial Instruments. 3. Non-current Assets classified as held for sale in accordance with Ind AS 105 Non-current Assets held for Sale and Discontinued Operations. Therefore it is not applicable in our financials.

b. Financial liabilities

Initial recognition

The Company recognizes a financial liability in its Balance Sheet when it becomes party to the contractual provisions of the instrument. As per Ind AS 109 the company recognizes financial assets and financial liabilities at initial recognition at fair value plus or minus, for financial assets or financial liabilities not subsequently measured at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liabilities. For financial assets or liabilities classified as at fair value through profit or loss, transaction cost are recognised in profit or loss immediately on initial recognition. Where the fair value of a financial liability at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognized as a gain or loss in the Statement of Profit and Loss at initial recognition if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input).

Subsequent measurement

Financial liabilities are subsequently carried at amortized cost. The interest expense on the amount outstanding at the beginning of the period is recognized and included under finance cost in the statement of profit & loss for the relevant period.

c. Derecognition of Financial Instruments.

The company derecognizes a financial asset when the contractual rights to the cash flow from the financial asset expires or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability or a part of it is derecognized from the company's Balance sheet when the obligation specified in the contract is discharged or cancelled or expires. On derecognition of a financial asset in its entirety, the difference between (a) the carrying amount (measured at the date of derecognition) and (b) the consideration received (including any new asset obtained less any new liability assumed) shall be recognised in profit or loss/other comprehensive income.

vii) Provisions, Contingencies and Commitments

Provisions: Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date and are not discounted to its present value. **Contingent Liabilities:** Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

**viii) Cash and Cash Equivalents**

Cash and cash equivalents include cash & cheques in hand and bank balances.

ix) Income Tax

Tax expense is the aggregate amount included in the determination of profit or loss for the period in respect of current tax and deferred tax.

Current tax:

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible under the Income Tax Act, 1961.

Current tax is measured using tax rates that have been enacted by the end of reporting period for the amounts expected to be recovered from or paid to the taxation authorities.

Deferred tax:

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit under Income Tax Act, 1961.

Deferred tax liabilities are generally recognized for all taxable temporary differences. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax liabilities are not recognized. Also, for temporary differences if any that may arise from initial recognition of goodwill, deferred tax liabilities are not recognized.

Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary difference can be utilized. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow the benefits of part or all of such deferred tax assets to be utilized. Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Presentation of current and deferred tax:

Current and deferred tax are recognized as income or an expense in the statement of Profit and Loss, except when they relate to items that are recognized in Other Comprehensive Income, in which case, the current and deferred tax income/expense are recognized in Other Comprehensive Income.

The company offsets current tax assets and current tax liabilities, where it has legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

x) Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

xi) Lease

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

In respect of operating leases, lease rentals are recognized as an expense in the Consolidated Statement of Profit and Loss

on straight line basis over the lease term unless

- i) Another systematic basis is more representative of the time pattern in which the benefit is derived from leased asset ;
- or
- ii) The payments to the lessor are structured to increase in line with the expected general inflation to compensate the lessor's expected inflationary cost increases.

xii) Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

xiv) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM) of the Company. The CODM is responsible for allocating resources and assessing performance of the operating segments of the Company.

The Company has two operating and reporting segments namely, Trading, and Others (included Power Generation). Trading segments include all trading activities of Chemicals, Nickel and Copper. Segments have been identified in line with Indian Accounting Standard-108, taking into account quantitative thresholds

xv) Employee Benefits

Short Term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service.

Post Employment Benefits like Provident Fund Scheme, Gratuity Scheme, Pension Scheme and Post-Retirement Medical benefit plan; Other Long Term Employee Benefits like Long- Service leave, Long-term disability benefits & Termination benefits are not applicable to company.

xvi) Events after Reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

xvii) Capital WIP

Capital work in progress and Capital advances: Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress. **Advances** Advance given towards acquisition of fixed assets outstanding at each Balance Sheet date are disclosed as Other Non-Current Assets.

xviii) Fair Value

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either: All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs). Level 1 — quoted (unadjusted) market prices in active markets for identical assets or liabilities Level 2 — inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly Level 3 — inputs that are unobservable for the asset or liability

xix) Key accounting estimates

The preparation of the Company's financial statements requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Critical accounting estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material year, are described below:

Income taxes

The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

Property, Plant and Equipment

Property, Plant and Equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the product or service output of the asset.

Fair Value measurements of Financial Instruments

The fair values of financial assets and financial liabilities recorded in the Balance Sheet is measured based on quoted prices in active markets.

Fair Value Hierarchy

This section explains the judgements and estimates made in determining the fair value of the financial instruments that are

- recognised and measured at fair value and
- measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the inputs used in determining fair value, the group has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each table follows underneath the table.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. **Level 2:** The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. **Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3. There are no transfers between levels 1 and 2 during the year. The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

Specific valuation techniques used to value financial instruments include:• the use of quoted market prices or dealer quotes for similar instruments;• the fair value of the remaining financial instruments is determined using discounted cash flow analysis; All of the resulting fair value estimates are included in level 2 except for unlisted equity securities, contingent consideration and indemnification asset, where the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.

Note 21b Financial Risk Management - Objectives and Policies

The Company's financial liabilities comprise mainly of borrowings, trade payables and other payables. The Company's financial assets comprise mainly of investments, cash and cash equivalents, other balances with banks, loans, trade receivables and other receivables. The Company is exposed to Market risk, Credit risk and Liquidity risk. The Board of Directors ('Board') oversee the management of these financial risks. The Risk Management Policy of the Company formulated by the Management and approved by the Board, states the Company's approach to address uncertainties in its endeavour to achieve its stated and implicit objectives. It prescribes the roles and responsibilities of the Company's management, the structure for managing risks and the framework for risk management. The framework seeks to identify, assess and mitigate financial risks in order to minimize potential adverse effects on the Company's financial performance. The following disclosures summarize the Company's exposure to financial risks and information regarding use of derivatives employed to manage exposures to such risks. Quantitative sensitivity analysis have been provided to reflect the impact of reasonably possible changes in market rates on the financial results, cash flows and financial position of the Company.

1) Credit Risk

Credit risk arises from cash and cash equivalents, investments carried at amortised cost and deposits with banks and financial institutions, as well as credit exposures to wholesale customers including outstanding receivables.

Credit risk management

The Company has adopted a policy of only dealing with counterparties that have sufficiently high credit rating. The Company's exposure and credit ratings of its counterparties are continuously monitored and the aggregate value of transactions is reasonably spread amongst the counterparties. Credit risk arising from investment in mutual funds and other balances with banks is limited and there is no collateral held against these because the counterparties are banks and recognised financial institutions with high credit ratings assigned by the international credit rating agencies. The average credit period on sales of products is less than 90 days. Credit risk arising from trade receivables is managed in accordance with the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on a detailed study of credit worthiness and accordingly individual credit limits are defined / modified. The concentration of credit risk is limited due to the fact that the customer base is large. For trade receivables, as a practical expedient, the Company computes credit loss allowance based on a provision matrix. The provision matrix is prepared based on historically observed default rates over the expected life of trade receivables and is adjusted for forward-looking estimates.

2) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risks: interest rate risk and other price risk. Financial instruments affected by market risk includes borrowings, investments, trade payables, trade receivables, loans.

a) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Since the Company has insignificant interest bearing borrowings, the exposure to risk of changes in market interest rates is minimal. The Company has not used any interest rate derivatives.

b) Other Price Risk

Other price risk is the risk that the fair value of a investments will fluctuate due to changes in market traded price. The Company is exposed to price risk arising mainly from investments in equity instruments recognised at FVTOCI & FVTPL. As at 31st March, 2022, the carrying value of equity instruments recognised at FVTOCI amounts to Rs.34,692.63 Lakhs (Previous year Rs. 20,451.42 lakhs). the carrying value of equity instruments recognised at FVTPL amounts to Rs.7,746.35 Lakhs (Previous year Rs. 3,990.05 lakhs). The details of such investments in equity instruments are given in Note 4(i)& 4(ii).

3) Liquidity risk

The Company has an established liquidity risk management framework for managing its short term, medium term and long term funding and liquidity management requirements. The Company manages the liquidity risk by maintaining adequate funds in cash and cash equivalents. The Company also has adequate credit facilities agreed with banks to ensure that there is sufficient cash to meet all its normal operating commitments in a timely and cost-effective manner. The table below analysis of non-derivative financial liabilities of the Company into relevant maturity groupings based on the remaining period from the reporting date to the contractual maturity date. The amounts disclosed in the table are the contractual undiscounted cash flows.

Note 22 Segment Reporting in accordance with Ind AS 108

The Company has disclosed the business segment as the primary segment. The company operates on three business segment: Trading, Power Generation and Others. Business Segments have been identified as reportable primary segments in accordance with the Indian Accounting Standard - IAS 108. The accounting principle used in the preparation of the financial statements are consistently applied to record revenue and expenditure in individual segment, and are set out in the significant accounting policies. The Revenue and identifiable operating expenses in relation to segments are categorized based on items that are individually identifiable to that segment. The management believes that it is currently not practicable to provide segment disclosures relating to total asset and liabilities since a meaningful segregation of available data is onerous.
