➤ MESSAGE FROM THE CHAIRMAN'S DESK

The business vibes are uncertain, wavering and facing rough waters worldwide. Global economy is expected to face downside risks that could serve detrimental for development. This could inflict significant damage on longer-term development prospects. It raises concerns over the sustainability of global economic growth in the face of rising financial, social and environmental challenges. In spite of such uncertainties and looming risks, we are grateful to the government for providing policies such as keeping inflation in check and streamlining GST, bold initiatives for brighter horizons.

FY19 - the year of growth

In the midst of an unpredictable scenario, our company has been able to maintain its growth momentum showing remarkable success ratio.

The year commenced by expanding our manufacturing capacity which currently stands as 174,600 MT (over 3 locations, including wholly owned subsidiary), thus, making us one of the leading kraft paper manufacturers in India.

Along with this, we began our PM-2 commercial production at Unit I located at Halvad Gujarat in October 2018, with installation capacity of 33,000 MT/year. Last one year has seen the implantation and operation of two plants consecutively. Balaram Papers Pvt. Ltd. at Mehsana with 21600 tpa capacity has been initiated and is fully operational.

The mother plant, Unit I at Halvad, Gujarat is put up across 99251 sq.mt. of land. Out of the massive expanse, only 25% is utilised which gives sufficient scope for organic expansion.

The plant is 200 kms from Mundra

Port providing location advantage for import of material (waste paper) and exports. Unit II located at Bhuj, Gujarat is approx. 60 kms away from Mundra Port and Unit III Balaram Papers Pvt. Ltd., wholly own subsidiary located at Mehsana, Gujarat.

This has given us the advantage of increasing our production capacity and range to a great extent, which now includes full range High RCT paper and GSM range mainly from 80 GSM to 350 GSM with 16-40 BF.

With innovative techniques, we try to evolve superior quality products that give high end results. The demand for our products is huge with increasing use of kraft paper in packaging in domestic markets. We also aim to increase our hold in international markets with exports. We have set our goal to increase our revenues from 8% to 20% in this specific area in the coming two years as Kraft paper is fast becoming a booming industry. Very soon, we shall invest in augmenting our power capacity and become self-sufficient with regard to our electricity requirements.

Having created a firm foothold in the kraft paper industry, we aspire to continue our strong growth momentum in the coming years, remaining focused towards growth, operations and accumulating huge profit ratios.

Sincere thanks to the entire team for their consistent and relentless efforts towards producing effective results. Also, my utmost gratitude to the valued stakeholders for keeping the faith in our company and supporting us along our growth journey.

“ With innovative techniques, we try to evolve superior quality products that give high end results.”

MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY OVERVIEW

India's share in global paper demand is gradually growing as domestic demand is increasing at a steady pace while demand in the western nations is contracting. The domestic demand in India grew from 9.3 million tonnes in FY08 to 15.3 million tonnes in FY16 at a CAGR of 6.4%. In spite of the sustained growth witnessed by the industry, the per capita paper consumption in India stands at a little over 13 kg which is well below the global average of 57 kg and significantly below 200 kg in North America.

As per IPMA's (Indian Paper Mills Association) estimates, this industry contributes approximately Rs 4,500 crore to the exchequer and provides employment to over 5 lakh people across approximately 750 paper mills. The broad characteristics of the industry are that it is capital, energy and water intensive and highly fragmented (small units account for ~60% of the industry size).

The paper industry is classified under four segments: Printing & Writing (P&W), Packaging Paper & Board, Specialty Papers & Others, and Newsprint.

Pulp (over 40% of raw material cost) is the primary raw material used for manufacturing of paper, and is obtained from wood, wastepaper, agriculture residues etc. Wood accounts for 30-35% of raw material usage, while wastepaper and agri-residues account for 45-50% and 20-22%, respectively.

CARE Ratings expects that the overall paper demand growing at a CAGR of 6.6% is likely to touch 18.5 million tonnes in 2018-19.

The demand drivers include 1) rising income levels, 2) growing per capita expenditure, 3) a likely pick-up from the education sector, 4) requirement of better quality packaging of FMCG products marketed through organized retail, and 5) increasing preference for ready-to-eat foods.

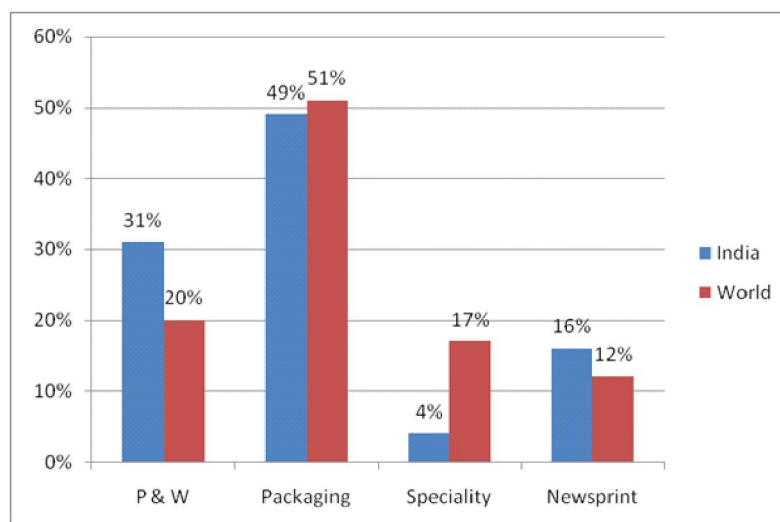

The Indian Paper & Paperboard industry is one of the oldest organised manufacturing industries in India and the first paper mill was started in 1812 in Serampore, West Bengal. The industry accounts for approximately 4% of the world's production of paper. IPMA (Indian Paper Mills Association) estimates the industry turnover at approximately Rs 50,000 crore which year contribution of Rs 4,500 crore to the exchequer while providing employment to over 5 lakh people across approximately 750 paper mills.

Industry Segmentation: Packaging paper & board segment demand is growing at a faster pace as compared to Printing & Writing and the Newsprint segments.

The paper industry is classified into four segments, Printing & Writing (P&W), Packaging Paper & Board, Specialty Papers & Others, and Newsprint. The chart depicts the variation of the consumption across the segments globally and in India. The table below illustrates the sub-segments and movement in share of total demand over the years.

India vs. World - Segment wise consumption

Packaging paper & board segment caters to industries such as FMCG, food & beverage, pharmaceutical, textiles, etc. Demand for Packaging Paper & Board segment is expected to grow due to factors such as increased

urbanization, requirement of better quality packaging of FMCG products marketed through organized retail, and increasing preference for ready-to-eat foods and e-commerce. (Source: Report of CARE Ratings on Paper Industry) and plastic restrictions by government.

BUSINESS OVERVIEW

Incorporated in 2010, our Company, Astron Paper and Board Mill Limited is engaged in manufacturing of kraft paper. Within a short span of time, our Company has developed a name for itself in kraft paper industry and we have been able to establish a brand associated with qualitative and comprehensive range of kraft papers. We mainly cater to packaging industry and have been able to develop a loyal clientele network consisting of various packaging companies and MNCs. Currently we are operating in domestic markets with our products being supplied on pan India basis. We are also in the process of exploring export markets with the step we have exported directly as well as through merchant exporter 12% in FY 18-19.

We believe that we are one of the major kraft paper manufacturers in Gujarat with our manufacturing facility having an installed capacity of 174600 mtpa as on the date with four machine and three locations in Gujarat with manpower of 594 as at 31st Mar 2019 including 342 employees on pay roll and 252 on contractual basis.

Our manufacturing facility is well equipped with requisite plant and machineries and other facilities. We also have in house testing laboratory for quality control checks and testing of our products. We endeavour to maintain safety in our premises by adhering to key safety norms. Our manufacturing and dispatch process has been assessed and certified as meeting the requirements of ISO 9001: 2015, ISO 14001: 2015 by an international organisation viz. SGS United Kingdom Ltd. With increasing environmental awareness, our Company has since its inception adopted the use of waste paper as raw material instead of traditional usage of wood. The process of manufacturing Kraft paper involves recycling of waste paper and with many organisations, now supporting the Go Green Campaign, it increases the demand of FSC certified Kraft paper as the same is eco-friendly. We have been environmentally conscious and our products have been certified as meeting relevant FSC Standards since 2014 by SGS South Africa (Pty) Ltd.

Our product Kraft paper is used by packaging industry for manufacturing corrugated boxes and liners, corrugated sacks and composite containers. We offer varied products like High RCT, Kraft Liner, Liner to Corrugated Medium Paper, ranging mainly from 80 GSM to 350 GSM and 16-40 BF.

PRODUCT AND OUTLOOK

The clients of Astron Paper convert kraft paper into cartons and supply to companies in FMCG, Home appliances, Pharmaceuticals, Auto, Food & Beverages, E-Commerce etc including large MNC's. These vendors prefer larger Kraft paper manufacturers, who can supply entire range of packaging paper, who also as required get their paper pre-approved by the client for paper quality and specifications. The demand for Kraft paper is strong and increasing with every year from new applications like fruit vegetables, groceries, plastic ban, e-commerce for re-packaging and shipping. The Kraft paper and Corrugated Box industry is fast becoming a sunrise industry. We are also focusing on products which replaces plastic bags by considering the government policies.

We endeavor to serve our customers, each having different requirements of Ring Crust test (RCT), Gram square meter (GSM) and weight pressure. Our Company mainly imports raw material for ensuring better quality of output. We have also been accredited with Authorised Economic Operator- T1 Certificate (Importer and Exporter) which provides us with certain benefits in relation to our imports and helps in cost savings.

Our Company is promoted by Kirit G. Patel, Ramakant Patel, Karshanbhai Patel and Asian Granito (India) Limited. Our Individual Promoters manage and control the major affairs of our business operations with their dedication and commitment, our Company has shown an increasing trend in our business operations which is evidenced by the growth in our financial performance.

Our registered office is situated at Ahmedabad. We have a dedicated marketing team who continuously interacts with customers to understand their requirements and analyse the market dynamics. We have also been actively participating and associated with the Federation of Corrugated Box Manufacturers of India and Indian Corrugated Case Manufacturers Association. We aim to establish our brand as a distinguished name in industry.

A declaration signed by the Managing Director in terms of the Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is addressed to the Board of Directors. The said declaration has been received by the Company.

b. Prevention of Insider Trading:

In compliance with the SEBI (Prohibition of Insider Trading) (Amendment) Regulations, 2018, the Company has amended the Code of Conduct to Regulate, Monitor and Report Trading by Designated Persons ("Insider Trading Code") and Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information ("Fair Disclosure Code"), effective from 1st April, 2019. The Insider Trading Code is aimed to avoid any insider trading and it is applicable to all the designated persons who are expected to have access to the unpublished price sensitive information relating to the Company. The Company lays down the guidelines, which advises them on procedures to be followed and disclosures to be made, while dealing in shares of the Company. The Company has also adopted the policy for determination of legitimate purposes which forms part of Fair Disclosure Code.

The said "Code" is also been uploaded on the Company's website at www.astronpaper.com.

c. Reconciliation of Share Capital Audit Report

As stipulated by SEBI, a qualified Practicing Company Secretary carries out Secretarial Audit to reconcile total admitted capital with National Securities Depository Ltd. (NSDL) and Central Depository Services (India) Ltd. (CDSL) and the total issued and listed capital. The audit is carried out every quarter and the report thereon is submitted to the Stock Exchanges. The audit confirms that the total listed and paid- up capital is in agreement with the aggregate of the total number of shares in dematerialized form (held with NSDL and CDSL) and total number of shares in physical form.

d. Internal Checks

The Company has both external and internal audit systems in place. The Company has adequate Internal Control Systems to ensure that all assets are safeguarded and transactions are authorized, recorded and reported properly. The Internal controls are periodically reviewed to enhance efficiency and to ensure statutory compliances. The Internal Audit plan is designed in consultation with the Statutory Auditors and Audit Committee. Regular operational and transactional audits are conducted

by professionally qualified and technical persons and the results are used for effective control and improvements. Board and the management periodically reviews the findings and recommendation of Auditors and take corrective actions necessary.

INDEPENDENT STANDALONE AUDITOR'S REPORT

To the Members of

ASTRON PAPER & BOARD MILL LIMITED

REPORT ON THE STANDALONE FINANCIAL STATEMENTS:

OPINION

We have audited the standalone financial statements of ASTRON PAPER & BOARD MILL LIMITED ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2019, the Standalone Statement of Profit and Loss (Including Other Comprehensive Income), the Standalone Statement of Changes In Equity and the Standalone Statement of Cash Flows for the year then ended and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the state of affairs of the Company as at March 31, 2019, and its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

BASIS OF OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

EMPHASIS OF MATTER:

We draw attention to the following matters in the Notes to the Financial Statements:

- I. Notes No.34(c) relating to the non-provision for doubtful debts amounting to Rs. 58,86,028 /-
- II. Notes No. 34(d)(1) relating to the disputed CENVAT of Excise amounting to Rs. 26,43,260/- and appropriate interest as per Excise Law and Penalty of Rs. 26,43,260/-.
- III. Notes No. 34(d)(2) relating to RCM Liabilities on Ocean Freight Rs. 30,59,267/-/-.
- IV. Notes No. 34(d)(3) relating to the disputed Income Tax Amount of Rs. 4,36,400/- for the A.Y. 2014-15.
- V. Notes No. 34(d)(4) relating to the disputed Income Tax Amount of Rs. 4,58,900/- for the A.Y. 2015-16.

Our opinion is not modified in respect of the above referred matters.

KEY AUDIT MATTERS:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Description of Key Audit Matters:

The Key Audit Matter	How the matter was addressed in our audit
<p>1. Impairment Evaluation of Investment in a Subsidiary (Refer to Note No. 6)</p> <p>The carrying amount of the investments (held at cost less impairment) made during the year in a subsidiary as at 31st March, 2019 was Rs. 3.33 Crores. The initial cost of investment was Rs. 4.04 Crores.</p> <p>We do not consider the valuation of these investments to be at a high risk of significant misstatement, or to be subject to a significant level of judgment. However, due to their materiality in the context of total assets of the Company, this is considered to be significant to our overall audit strategy and planning.</p>	<ul style="list-style-type: none"> • Comparing the carrying amount of investments with the balance sheet of the subsidiary to identify whether their net assets were in excess of their carrying amount and assessing whether those subsidiary has historically been profit-making. • Considering the adequacy of disclosures in respect of the investments in the subsidiary.
<p>2. Litigations and Claims (Refer to Note No. 33 & 34(d))</p> <p>The Company operates in various States within India as well as export of goods which exposes the company to a variety of different Laws and Regulations and implications and interpretations thereof. In such regulatory environment, the Company is subject to some legal and tax related claims which have been disclosed for in the financial statements based on the facts and circumstances of each case.</p> <p>Taxation and litigations have been identified as a key audit matter due to the status of legal proceedings, timescales involved for resolution and the potential financial impact of these on the financial statements. Further, such tax litigations involve significant management judgment in assessing the exposure of each case and thus a risk that such cases may not be adequately provided for or disclosed.</p>	<ul style="list-style-type: none"> • Gained an understanding of the process of identification of claims, litigations and contingent liabilities and identified key controls in the process. For selected controls we have performed tests of controls. • Obtained the summary of Company's legal and tax cases and critically assessed management's position through discussions with the Legal Counsel, appropriate senior management and operational management, on both the probability of success in significant cases, and the magnitude of any potential loss. • Assessed management's estimate of the possible outcome of the litigations, the relevant disclosures made within the financial statements to address whether they appropriately reflect the facts and circumstances of the respective tax and legal exposures and the requirements of relevant accounting standards.
<p>3. Claims Receivable on Imported Raw Materials:</p> <p>The Company imports raw materials i.e. waste paper and some of the chemicals which constituted 88.72% of the total cost of raw materials consumed for the financial year 2018-19.</p> <p>In cases of quality differences, the company files quality claims with the respective suppliers. After due verification process, the quality claims are allowed and paid by the respective supplier depending upon the quality differences. The amount of claims filed and actual claims received varies depending upon the final quality assessment and its acceptance by the respective suppliers and the company.</p> <p>In respect of claims filed but not accepted/approved by the suppliers and the company as at the end of the financial year, the company accounts for such claims at the estimated amount of claim likely to be realized based on the past trend and management estimate of the likely recoverability of claims. Such treatment involves significant management judgment in assessing the recoverability in each case and thus a risk that such claims may not be adequately accounted for.</p>	<ul style="list-style-type: none"> • Gained an understanding of the process of identification of claims, identified key controls in the process and past trend of amounts at which claims were finally settled with the amount for which claims were filed. For selected controls we have performed tests of controls. • Assessed management's estimate of the amount of overall claims receivable as at the end of the financial year, the possibility of recoverability, assessed overall past trend of claims filed and amounts recovered and the requirements of relevant accounting standards.

INFORMATION OTHER THAN THE STANDALONE FINANCIAL STATEMENTS AND AUDITORS' REPORT THEREON

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS:

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS), accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standard) Rules, 2015 as amended.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS:

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may

cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS:

1. As required by The Companies (Auditor's Report) Order, 2016 issued by The Central Government Of India in term of section 143 (11) of The Companies Act, 2013, we enclose in the Annexure-A hereto a statement on the matters specified in paragraphs 3 and 4 of the said order, to the extent applicable to the company.

REGULATORY REQUIREMENTS SECTION OF OUR REPORT OF EVEN DATE]
FINANCIAL YEAR ENDED 31ST MARCH 2019

On the basis of such checks of the books and records of the company as we considered appropriate and according to the information and explanation given to us during the course of audit, we further report that:

i. In respect of its fixed assets:

- a) According to the information and explanations given to us, the company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment and investment properties.
- b) As explained to us, the management in accordance with a phased programme of verification adopted by the company has physically verified the property, plant and equipment and investment properties. To the best of our knowledge, no material discrepancies have been noticed on such verification or have been reported to us.
- c) According to the information and explanations given to us and on the basis of the examination of the records of the company, the title deeds of immovable properties are held in the name of the Company as at the balance sheet date.

ii. In respect of its Inventories:

- a) As explained to us, the inventories have been physically verified at reasonable intervals during the year by the management of the company.
- b) As explained to us, no material discrepancies were noticed on physical verification of inventory as compared to the books of account.

iii. Loans/Advances Granted:

As informed to us, during the year the company has not granted any secured or unsecured loans to any Company, Firms, Limited Liability Partnerships or Other Parties covered in the register maintained under section 189 of the Companies Act, 2013 and hence other matters related thereto referred to in clause III (a), (b) and (c) of The Companies (Auditor's Report) Order, 2016 are not applicable.

- iv. According to the information and explanations given to us, the company has complied with the provisions of Sections 185 and 186 of The Companies Act, 2013 in respect of grant of any loans, investments, guarantees and securities, as applicable.
- v. According to the information and explanations given to us, the company has not accepted any deposits from the public within the meaning of section 73, 74, 75 & 76 of the Act and Rules framed thereunder during the year and therefore, the provisions of clause 3(v) of the Order are not applicable to the Company.
- vi. We have broadly reviewed the cost records maintained by the Company pursuant to rules made by the Central Government under section 148 (1). We are of the opinion that prima facie the prescribed accounts and records have been maintained and made. We have however, not made a detailed examination of these records with a view to determine whether they are accurate or complete.
- vii. In respect of Statutory Dues:
 - a) As per the information & explanations furnished to us, in our opinion the company is generally regular in depositing with appropriate authorities undisputed statutory dues of Custom Duty, T.D.S., GST, Employee Provident Fund, Cess and other material statutory dues applicable to it. There has been no outstanding as at 31st March, 2019 of undisputed liabilities outstanding for more than six months.
 - b) According to information and explanations given to us and so far as appears from our examination of books of account, there were no statutory dues outstanding as at 31st March, 2019 which have not been deposited on account of any dispute except the following disputed dues.

Sr. No.	Name of the Act	Nature of Dues	Amount (Rs.)	Period to Which Amount Relates	Forum where dispute is pending

ANNEXURE-B TO THE INDEPENDENT AUDITOR'S REPORT

[REFERRED TO IN PARAGRAPH 2(f) UNDER "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS SECTION OF OUR REPORT OF EVEN DATE]

FINANCIAL YEAR ENDED 31ST MARCH 2019

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **ASTRON PAPER & BOARD MILL LIMITED** ("the Company") as of March 31, 2019 in conjunction with our audit of the Standalone Ind AS financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the information and explanations given to us, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were commensurate with the nature of the business of the company and operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

AUDITORS' CERTIFICATE REGARDING COMPLIANCE OF CONDITIONS OF CORPORATE GOVERNANCE

To the Members of

ASTRON PAPER & BOARD MILL LIMITED

We have examined the compliance of conditions of Corporate Governance by ASTRON PAPER & BOARD MILL LIMITED, for the year ended on 31st March, 2019, as stipulated in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and para C and D of Schedule V to the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations").

Managements' Responsibility

The compliance of conditions of Corporate Governance is the responsibility of the Management of the Company. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure compliance with the conditions of the Corporate Governance stipulated in the Listing Regulations.

Auditor's Responsibility

Our responsibility is limited to examining the procedures and implementation thereof, adopted by the

Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.

We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India (the "ICAI"), the Standards on Auditing specified under Section 143(10) of the Companies Act 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

Opinion

According to the information and explanations given to us and the representations provided by the Management of the company and in our opinion and to the best of our information, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and para C and D of Schedule V to the Listing Regulations during the year ended 31st March, 2019.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Notes to Standalone Financial Statements for the year ended March 31, 2019

CORPORATE INFORMATION:

Astron Paper & Board Mill Limited is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The shares of the company are listed in two recognized stock exchanges in India i.e. the Bombay Stock Exchange Limited ('BSE') and the National Stock Exchange of India Limited ('NSE').

The company is engaged in the manufacturing of Kraft Paper from waste paper.

NOTE 1 : SIGNIFICANT ACCOUNTING POLICIES:

I BASIS OF PREPARATION OF FINANCIAL STATEMENTS

a) Accounting Conventions :

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and with Companies (Indian Accounting Standards) (Amendment) Rules, 2017 and comply in all material aspects with the relevant provisions of the Companies Act, 2013 to the extent applicable to it.

The Financial Statements have been prepared on a historical cost basis except the following assets and liabilities which have been measured at fair values:

- Certain Financial Assets and Liabilities that are measured at Fair Value and
- Defined Benefit Plans that are measured at Fair Value

b) Use of Estimates:

The preparation of financial statements requires management to make estimates and assumptions that are believed to be reasonable under the circumstances and such estimates and assumptions may affect the reported amount of assets and liabilities, classification of assets and liabilities into non-current and current and disclosures relating to contingent liabilities as at the date of financial statements and the reported amounts of income and expenses during the reporting period. Although the financial statements have been prepared based on the management's best knowledge of current events and procedures/actions, the actual results may differ on the final outcome of the matter/transaction to which the estimates relates.

c) 1. Property, Plant and Equipment (PPE):

The cost of an item of property, plant and equipment is recognized as an asset if, and only if:

- it is probable that future economic benefits associated with the item will flow to the entity; and
- the cost of the item can be measured reliably.

The acquisition of property, plant and equipment, directly increasing the future economic benefits of any particular existing item of property, plant and equipment, which are necessary for the Company to obtain the future economic benefits from its other assets, are recognized as assets.

The Freehold land is carried/stated at historical cost/cost of acquisition. The other items of Property, Plant and Equipment are stated at cost of acquisition/construction (less Accumulated Depreciation and Impairment, if any). The cost of Property, Plant and Equipment comprises of their purchase price including freight, duties, taxes or levies, directly attributable cost of bringing the assets to their working conditions for their intended use. The Company capitalises its Property, Plant and Equipment at a value net of GST/Other Tax Credits received/receivable during the year in respect of eligible item of Property, Plant and Equipment. Subsequent costs are included in the carrying amount of respective Property, Plant and Equipment or recognized as separate assets as appropriate, only if such costs increase the future benefits from the existing items beyond their previously assessed standard of performance and cost of such items can be measured reliably.

Machinery spares that meet the definition of Property, Plant & Equipment are capitalised and depreciated over the useful life

of the principal item of an asset. All other repair and maintenance costs, including regular servicing, are recognised in the Statement of Profit and Loss as incurred.

The items of Property, Plant and Equipment that are under construction/erection or not fully acquired and therefore not available for productive use are shown as "Capital Work in Progress" under Property, Plant and Equipment and will be transferred to respective item of Property, Plant and Equipment on completion of the construction/erection/acquisition activities.

Advances given to acquire property, plant and equipment are stated as non-current assets and subsequently transferred to respective Property, Plant & and Equipment and CWIP on acquisition of related assets.

The Losses arising from the disposal of PPE Property, Plant & Equipment are recognised in the Statement of Profit and Loss of the period.

2. Investment Properties:

The property that is held by the company for rental yields or for capital appreciation for the relevant period is classified as investment property. The investment property is initially recognized at cost and subsequently carried at cost less accumulated depreciation and accumulated impairment losses, if any.

Subsequent expenditures on such assets are capitalized to the asset's carrying value only when it is probable that future economic benefits associated with the expenditure will flow to the company and cost of such items can be measured reliably. All other repairs and maintenance cost are expensed as and when incurred.

3. Intangible Assets:

The Intangible Assets of Accounting Software, Server Software, Website Development etc. resulting in future economic benefits have been recognised at their cost of acquisition and subsequently are carried at cost less accumulated amortisation and accumulated impairment losses, if any. On the basis of the availability of these assets for their intended use, relevant contractual agreements and technological changes that may affect the usefulness of these assets, the useful lives of these assets have been assumed to be of five years from the date of their acquisition.

The estimated useful life is reviewed annually by the management of the company.

4. Depreciation & Amortization:

The Depreciation on tangible items of Property, Plant and Equipment is provided on straight line method for the period of acquisition/construction i.e. from the period from which such assets were available for their intended use on pro-rata basis on the basis of useful life of each of the items of Property, Plant and Equipment as per Schedule II of the Companies Act, 2013 and in the manner specified in Schedule II of the Companies Act, 2013 except freehold land and other related development on that land.

The plant & machineries are depreciated at the rates applicable to continuous process plant for the period for which respective plant & machineries were available for use.

The intangible assets have been amortized on pro-rata basis over period of their estimated useful lives on straight line basis i.e. @ 20.00% assuming useful life of five years.

d) Inventories

The Inventories of Raw Materials, Packing Materials, Stores & Spares, Fuel and Work-in-Process have been valued at cost. Finished Goods have been valued at cost or net realisable value whichever is lower. Costs in respect of all items of inventories have been computed on FIFO basis. The cost of Raw Materials, Consumable Stores and items of Spares comprises of the purchase price including duties and taxes, freight inwards and other expenditure directly attributable to the acquisition. The purchase price does not include GST/Other Tax credits availed of by the Company during the year. Work-in-Process includes cost of Raw Materials and conversion cost depending upon the stage of completion as determined by the management. The cost of Finished Goods includes cost of conversion and other costs incurred in bringing the inventories to their present location and conditions. The Finished Goods are valued at cost after availing of GST/Other Tax credits on input materials.

e) Revenue Recognition:

Revenue is measured at the fair value of the consideration received or receivable from the customers/parties net of returns, rebates, value added taxes and discount to the customers and amounts collected on behalf of third parties. The Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made.

Sale of Goods:

The revenue from the sale of goods is recognized at transaction price when the company had transferred the property in Goods to the buyer for a price and all significant risks and rewards of ownership had been transferred to the buyer and no significant uncertainty existed as to the amount of consideration that would be derived from such sale. The recognition event is usually the dispatch of goods to the buyer such that the Company retains no effective control over the goods dispatched.

The Company has adopted Ind AS 115 "Revenue from Contracts with Customers", with effect from April 1, 2018. Ind AS 115 establishes principles for reporting information about the nature, amount, timing and uncertainty of revenues and cash flows arising from the contracts with its customers and replaces Ind AS 18 "Revenue".

Interest Income:

Income from investments and deposits, where appropriate, is taken into revenue in full on declaration or accrual on time basis and tax deducted at source thereon is treated as advance tax. The interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the company and the amount interest income can be measured reliably.

Claims Against the Imported Raw Materials:

The claim against the imported raw materials on account of quality difference has been accounted on the basis of claims filed and accepted by the supplier of materials except in case claims pending for acceptance which have been accounted on the basis of claims filed and at estimated value expected to be realized as determined by the management.

f) Foreign Currency Transactions

The Company's financial statements have been prepared and presented in Indian Rupees (₹) which is also its functional currency.

The transactions in foreign currency initially have been recorded using the rate of exchange prevailing on the date of transactions. The differences arising on the settlement/restatement of the foreign currency denominated Financial Assets/Liabilities into Indian rupees have been recognized as expenses/income (net) of the year and carried to the statement of profit and loss.

The monetary items denominated in foreign currencies outstanding as at the end of the reporting period, are translated at the exchange rates prevailing as at the end of the reporting period.

g) Investments in Subsidiary

Investments in subsidiary is recognised at cost as per Ind AS 27 initially and subsequently carried at cost less accumulated impairment losses, if any.

h) Employee Benefits:

1. Short Term Obligations:

Short term employee benefits of like wages, salaries, production incentives and other monetary and non-monetary benefits are recognized in the period during which services are rendered by the employees and are recognized at the value at which liabilities have been settled or are expected to be settled.

2. Post-Employment and Other Long Term Employee Benefits:

2.1 Contribution to Provident Fund:

The Company's contribution to the Provident Fund is remitted as per the provisions relating to the Employee Provident Fund Scheme and such contribution is charged to the Statement of Profit & Loss of the period to which contribution relates.

2.2 Defined Benefit Plan for Gratuity:

The Company operates defined benefit plans for Gratuity. The Liabilities in respect of retirement benefits to eligible employees in the form of Gratuity are provided on the basis of Actuarial Valuation as per Ind AS-19 "Employee Benefits". The employee's gratuity fund scheme is managed by IndiaFirst Life Insurance Company Limited. The cost of providing defined benefits plans in the form of gratuity is determined using the Projected Unit Credit Method with actuarial valuation being carried out at each reporting date.

The remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling (excluding amounts included in net interest on the net defined benefit liability) and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. The remeasurements are not reclassified to profit or loss in subsequent periods.

The changes in net defined benefit obligations in the form of services costs comprising of current service cost, past service cost, net interest cost and gains/(losses) on curtailments and settlements are recognized in the Statement of Profit & Loss.

i) Borrowing Costs

The Borrowing costs are interest and ancillary costs incurred in connection with the arrangement of borrowings. The borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

j) Operating Segment

The Company identifies operating segments on the basis of dominant source, nature of risks and returns and the internal organization. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the Managing Director/Chief Executive Officer who is Company's chief operating maker in deciding how to allocate resources and in assessing performance.

The dominant source of income of the company is from the sale of kraft paper of various quality which do not materially differ in respect of risk perception and the return realized/to be realized. Even the geographical/regulatory environment in which the company operates does not materially differ considering the political and economic environment, the type of customers, assets employed and the risk and return associated in respect of each of the geographical area. So, the disclosure requirements pursuant to Ind AS-108-"Operating Segments" are not applicable.

k) Taxes On Income:

1. Current Tax:

The provision for current tax is made as per the provisions of the Income Tax Act, 1961.

Taxes on income have been determined based on the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. The current tax liabilities and assets are measured at the amounts expected to be paid or to be recovered from the taxation authorities as at the balance sheet date.

The current tax liabilities and assets are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

The current income tax relating to items recognized outside profit or loss is recognized either in the Other Comprehensive Income or in Other Equity Directly.

2. Deferred Tax:

Deferred tax is provided on temporary differences between the tax bases of assets and liabilities as per the provisions of the Income Tax Act, 1961 and their carrying amounts for financial reporting purposes as at the balance sheet date.

Deferred tax liabilities are recognized for all taxable temporary timing differences. Deferred tax assets are recognized for all deductible taxable temporary timing differences, the carry forward of unused tax losses and unused tax credits to the extent to which future taxable profits are expected to be available against which the deductible temporary differences and the carry forward of unused tax losses and unused tax credits can be utilized/set-off.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on the tax rates and tax laws that have been enacted or substantially enacted by the end of the reporting period.

l) Impairment

Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

Impairment loss is recognized when the carrying amount of an asset exceeds recoverable amount.

m) Provisions, Contingent Liabilities and Contingent Assets

The Company recognises a provision when it has a present obligation as a result of a past event that probably requires an outflow of the Company's resources embodying economic benefits at the time of settlement and a reliable estimate can be made of the amount of the obligation. The provisions are measured at the best estimate of the amounts required to settle the present obligation as at the balance sheet date and are not discounted to its present value.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only on the occurrence or non-occurrence of one or more future uncertain events not wholly or substantially within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

When demand notices are issued by the Government Authorities and demand is disputed by the company and it is probable that the company will not be required to settle/pay such demands then these are classified as disputed obligations.

Contingent Assets, if any, are not recognised in the financial statements. If it becomes certain that inflow of economic benefit will arise then such asset and the relative income are recognised in financial statements.

n) Current/Non-Current Classifications:

The Company presents assets and liabilities in the balance sheet on the basis of their classifications into current and non-current.

Assets:

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

Liabilities:

A liability is treated as current when it is:

- Expected to be settled in normal operating cycle
- Held primarily for the purpose of trading
- Due to be settled within twelve months after the reporting period
- No unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

o) Financial Instruments, Financial Assets, Financial Liabilities and Equity Instruments

The financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities.

A. Financial Assets:

Initial Recognition:

Financial Assets include Investments, Trade Receivables, Security Deposits, Cash and Cash Equivalents and eligible current and non-current assets. The financial assets are initially recognized at the transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being value at fair value through the Statement Of Profit and Loss.

Subsequent Measurement:

The subsequent measurement of financial assets depends upon the initial classification of financial assets. For the purpose of subsequent measurement, financial assets are classified as under:

- i. Financial Assets At Amortized Cost where the financial assets are held solely for collection of cash flows and contractual terms of the assets give rise on specified dates to cash flows that are solely payments of principal and interest on principal amount outstanding.
- ii. Fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for realization of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.
- iii. Fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

Trade Receivables, Security Deposits, Cash and Cash Equivalents, Investments in Equity where reliable data for fair value is not available and eligible current and non-current assets are classified for measurement at amortized cost.

Investments in equity instruments are classified for measurement at FVTPL.

Impairment:

If the recoverable amount of an asset (or cash-generating unit/Fixed Assets) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in profit or loss, unless the relevant asset is carried at a re-valued amount if any, in which case the impairment loss is treated as a revaluation decrease.

Financial assets, other than those at Fair Value through Profit and Loss (FVTPL), are assessed for indicators of impairment at the end of each reporting period. Financial assets are considered to be impaired when there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been affected.

The company recognises impairment loss on trade receivables using expected credit loss model.

B. Financial Liabilities:

Financial liabilities, which include long and short-term loans and borrowings, trade payables, eligible current and non-current liabilities. The borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry of the terms.

p) Fair Value Measurement:

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or In the absence of a principal market, in the most advantageous market for the asset or liability
- The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

q) Cash and Cash Equivalents-For the Purpose of Cash Flow Statements:

Cash and cash equivalent in the balance sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

r) Operating Cycle:

Based on the activities of the company and normal time between incurring of liabilities and their settlement in cash or cash equivalents and acquisition/right to assets and their realization in cash or cash equivalents, the company has considered its operating cycle as 12 months for the purpose of classification of its liabilities and assets as current and non-current.

c) Debtors of Sale of Goods

The company has initiated legal proceedings for recovery against the doubtful debtors amounting to Rs. 58,86,028/- (Previous Year 59,11,028/-). In respect of debts of Rs. 58,86,028/-, though the company has initiated legal proceedings for the recovery, in view of the management of the company since the matters are pending before respective statutory authorities, it is most likely that the company will be able to recover the amount from the doubtful debtors on adjudication of matters and hence the company has not made any provision against the doubtful debts of Rs. 58,86,028/- (Previous Year Rs. 59,11,028/-).

d) Disputed Government Liabilities:

1. Disputed Central Excise Liabilities:

The Central Excise Department had disallowed CENVAT credit of Rs. 26,43,260/- on capital goods in respect of which the company had preferred an appeal before the Assistant Commissioner of Central Excise, Surendranagar. The Assistant Commissioner vide his order dated 25th January, 2017 has confirmed the disallowance of CENVAT Credit of Rs. 26,43,260/-. The company has reversed the CENVAT Credit of Rs. 26,43,260/- in the books on 01/06/2016 which has been shown as Pre-deposit of Excise as "Short Term Loans & Advances" in the financial statements. Further, Assistant Commissioner had ordered charging of interest as per the Central Excise Law and imposed penalty of Rs. 26,43,260/-. Being not legally in agreement with the order, the company had preferred an appeal before Commissioner of Appeals, Central Excise, Rajkot on 27th March, 2017 who had rejected the appeal of the company and upheld the order. Against the order of Commissioner of Appeals, Central Excise, Rajkot, the company had preferred appeal before the CESTAT, West Zone Bench, Ahmedabad. The CESTAT vide its order dated 20.08.2018 has remanded back the matter to the office of C.C.E. & S.T. for re-adjudication. The matter was pending before the office of C.C.E. & S.T. for re-adjudication as at the end of the financial year.

2. RCM Liability on Ocean Freight

In the course of audit by the Office of the Commissioner of Central Goods and Service Tax, Audit Commissionerate, Rajkot dated 30th January, 2019, it had raised audit objections regarding non-payment of RCM on Ocean Freight amounting to Rs. 30,59,267/- and requested the company to provide suitable explanations/clarifications in case of disagreement by the company. The company did not concur with the audit objections raised by the office of Commissioner of Central Goods and Service Tax, Audit Commissionerate, Rajkot since the similar matter in case of other parties were going on for adjudication at the jurisdictional Ho'nable High Court of Gujarat. However, upto the date of authorization of Financial Statements for issue by the Board of Directors i.e. 20th May, 2019, the company has paid Rs. 11,00,000/- under protest.

3. Disputed Income Tax Liabilities A.Y. 2014-15:

The DCIT Circle 1(1)(2), Ahmedabad had disallowed preliminary expenses of Rs. 4,36,400/- claimed by the company during the financial year 2013-14 relevant to A.Y. 2014-15. In respect of the said disallowance, the company had preferred an appeal before the CIT-A-1, Ahmedabad, who had also confirmed the amount disallowed by the Income Tax Officer. Against the order of CIT-A-1, the company had further preferred an appeal before Ho'nable ITAT, Ahmedabad. The appeal before the Ho'nable ITAT is pending for adjudication. In view of the management of the company, the company is eligible to claim expenditure disallowed U/s. 35D of the Income Tax Act, 1961 and hence has not made any provision for amount disallowed amounting to Rs. 4,36,400/-.

4. Disputed Income Tax Liabilities A.Y. 2015-16:

The Income Tax Officer Ward 1(1)(4), Ahmedabad had disallowed preliminary expenses of Rs. 4,58,900/- claimed by the company during the financial year 2014-15 relevant to A.Y. 2015-16. In respect of the said disallowance, the company had preferred an appeal before the CIT-A-1, Ahmedabad, who had also confirmed the amount disallowed by the Income Tax Officer. Against the order of CIT-A-1, the company had further preferred an appeal before Ho'nable ITAT, Ahmedabad. The appeal before the Ho'nable ITAT is pending for adjudication. In view of the management of the company, the company is eligible to claim expenditure disallowed U/s. 35D of the Income Tax Act, 1961 and hence has not made any provision for amount disallowed amounting to Rs. 4,58,900/-.

f) Financial Instruments and Related Disclosures:

Financial Risk Management:

The company activities are exposed various financial risks: credit risk, liquidity risk and foreign exchange fluctuation risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

I. Credit Risk:
Trade Receivables:

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss to the Company. The maximum exposure to the credit risk as at the reporting date is primarily from trade receivables. Trade receivables are unsecured and are derived from revenue earned from customers from sale of goods. Trade receivables generally are impaired after three years when recoverability is considered doubtful based on general trend. The Company considers that trade receivables stated in the financial statements are not impaired and past due for each reporting dates under review are of good credit quality subject to outcome of the litigations where the company has initiated legal proceedings for recovery.

Other Financial Assets:

Credit risk relating to cash and cash equivalents is considered negligible since the counterparties are banks which are majorly owned by Government of India and are have oversight of Reserve Bank of India. The Company considers the credit quality of term deposits with banks to be good and the company reviews these banking relationships on an ongoing basis.

The Company considers all other financial assets as at the balance sheet dates to be of good credit quality.

II. Liquidity Risk:

The company's principal sources of liquidity are from Short Term Bank Borrowings, Cash and Cash Equivalents and Cash generated from operations.

The Short term liquidity requirements consist mainly of Trade Payables, Expense Payables, Employee Dues, Servicing of Interest on Short Term and Long Term Borrowings and payment of instalments of term loans and vehicle loans and other payments arising during the normal course of business.

III. Foreign Exchange Rate Risk:

The Company undertakes transactions denominated in foreign currency mainly for purchase of raw materials which are subject to the risk of exchange rate fluctuations. Financial assets and liabilities denominated in foreign currency are also subject to reinstatement risks. Hedging is regularly carried out to mitigate the risks of exchange rate fluctuations.

g) Corporate Social Responsibility Expenditure:

The company had incurred following expenditures in terms of section 135 of the Companies Act, 2013 on Corporate Social Responsibility.

INDEPENDENT CONSOLIDATED AUDITOR'S REPORT

To the Members of

ASTRON PAPER & BOARD MILL LIMITED

REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS:

OPINION

We have audited the consolidated financial statements of ASTRON PAPER & BOARD MILL LIMITED (herein after referred to as "the Holding Company") and its subsidiary (the Holding Company and its Subsidiary together hereinafter referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2019, the Consolidated Statement of Profit and Loss (Including Other Comprehensive Income), the Consolidated Statement of Changes In Equity and the Consolidated Statement of Cash Flows for the year then ended and notes to the Consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the consolidated state of affairs of the Group as at March 31, 2019, and its consolidated profit and other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

BASIS OF OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

EMPHASIS OF MATTER:

We draw attention to the following matters in the Notes to the Financial Statements:

- I. Notes No.35(c) relating to the non-provision for doubtful debts amounting to Rs. 58,86,028 /-
- II. Notes No. 35(d)(1) relating to the disputed CENVAT of Excise amounting to Rs. 26,43,260/- and appropriate interest as per Excise Law and Penalty of Rs. 26,43,260/-.
- III. Notes No. 35(d)(2) relating to RCM Liabilities on Ocean Freight Rs. 30,59,267/-/-.
- IV. Notes No. 35(d)(3) relating to the disputed Income Tax Amount of Rs. 4,36,400/- for the A.Y. 2014-15.
- V. Notes No. 35(d)(4) relating to the disputed Income Tax Amount of Rs. 4,58,900/- for the A.Y. 2015-16.

Our opinion is not modified in respect of the above referred matters.

KEY AUDIT MATTERS:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Description of Key Audit Matters:

The Key Audit Matter	How the matter was addressed in our audit
<p>1. 1. Litigations and Claims (Refer to Note No. 34 & 35(d))</p> <p>The Group operates in various States within India as well as export of goods which exposes the Group to a variety of different Laws and Regulations and implications and interpretations thereof. In such regulatory environment, the Group is subject to some legal and tax related claims which have been disclosed for in the consolidated financial statements based on the facts and circumstances of each case.</p> <p>Taxation and litigations have been identified as a key audit matter due to the status of legal proceedings, timescales involved for resolution and the potential financial impact of these on the financial statements. Further, such tax litigations involve significant management judgment in assessing the exposure of each case and thus a risk that such cases may not be adequately provided for or disclosed.</p>	<ul style="list-style-type: none"> • Gained an understanding of the process of identification of claims, litigations and contingent liabilities and identified key controls in the process. For selected controls we have performed tests of controls. • Obtained the summary of Group's legal and tax cases and critically assessed management's position through discussions with the Legal Counsel, appropriate senior management and operational management of the holding company, on both the probability of success in significant cases, and the magnitude of any potential loss. • Assessed management's estimate of the possible outcome of the litigations, the relevant disclosures made within the financial statements to address whether they appropriately reflect the facts and circumstances of the respective tax and legal exposures and the requirements of relevant accounting standards.
<p>2. Claims Receivable on Imported Raw Materials:</p> <p>The Group imports raw materials i.e. waste paper and some of the chemicals which constituted major part of the total cost of raw materials consumed for the financial year 2018-19.</p> <p>In cases of quality differences, the Group files quality claims with the respective suppliers. After due verification process, the quality claims are allowed and paid by the respective supplier depending upon the quality differences. The amount of claims filed and actual claims received varies depending upon the final quality assessment and its acceptance by the respective suppliers and the Group.</p> <p>In respect of claims filed but not accepted/approved by the suppliers and the Group as at the end of the financial year, the Group accounts for such claims at the estimated amount of claim likely to be realized based on the past trend and management estimate of the likely recoverability of claims. Such treatment involves significant management judgment in assessing the recoverability in each case and thus a risk that such claims may not be adequately accounted for.</p>	<ul style="list-style-type: none"> • Gained an understanding of the process of identification of claims, identified key controls in the process and past trend of amounts at which claims were finally settled with the amount for which claims were filed. For selected controls we have performed tests of controls. • Assessed management's estimate of the amount of overall claims receivable as at the end of the financial year, the possibility of recoverability, assessed overall past trend of claims filed and amounts recovered and the requirements of relevant accounting standards.

INFORMATION OTHER THAN THE STANDALONE FINANCIAL STATEMENTS AND AUDITORS' REPORT THEREON

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS:

The Holding Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the Indian Accounting Standards (Ind AS), accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standard) Rules, 2015 as amended.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of each of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective management and Board of Directors of the companies included in the Group are responsible for assessing each Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the group is also responsible for overseeing each Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS:

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,

forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and its subsidiary company have adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in the preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group (the Holding Company and its Subsidiary Company) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and its Subsidiary Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance of the Holding Company and its Subsidiary Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

OTHER MATTERS:

The consolidated financial statements include the financial information of a subsidiary whose financial information reflect total assets of Rs. 2,476.41 Lakhs as at March 31, 2019 and total revenue from operations Rs. 3.24 Lakhs for the year ended on that date, as considered in the consolidated financial statements. The financial information of the subsidiary has been audited by other auditors whose report has been furnished to us by the Management of the Holding Company and our opinion on the consolidated financial statement, in so far as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the reports of such other auditors.

Our opinion on the consolidated financial statements is not modified in respect of above matters.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS:

1. As required by section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as appears from our examination of those books;

 - d) In our opinion, aforesaid Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Changes in Equity & the Consolidated Statement of Cash Flows comply with the Indian Accounting Standards prescribed under section 133 of the Act;
 - e) On the basis of written representations received from the directors of the Holding Company as on March 31, 2019, and taken on record by the Board of Directors of the Holding Company and report of statutory auditors of its subsidiary company, none of the directors of the Group Companies is disqualified as on March 31, 2019, from being appointed as a director in terms of sub-section (2) of section 164 of Act;
 - f) With respect to the adequacy of internal financial control over financial reporting of the Holding Company and its subsidiary company and the operating effectiveness of such controls, which is based on the auditor's report of the holding company and its subsidiary, refer to our separate report in Annexure-A;
 - g) With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Consolidated Financial Statements disclose the impact of pending litigations on the consolidated financial position of the Group.
 - ii. The Group did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii. As at 31st March, 2019 there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its Subsidiary Company.
2. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Holding Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

ANNEXURE-A TO THE INDEPENDENT AUDITOR'S REPORT

[REFERRED TO IN PARAGRAPH 2(f) UNDER "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS SECTION OF OUR REPORT OF EVEN DATE]

FINANCIAL YEAR ENDED 31ST MARCH 2019

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements ASTRON PAPER & BOARD MILL LIMITED (hereinafter referred to as "the Holding Company") as of and for the year ended March 31, 2019, we have audited the internal financial controls over financial reporting with reference to Consolidated Financial Statements of the Holding Company and its Subsidiary Company (the Holding Company and its Subsidiary hereinafter referred to as "Group").

Management's Responsibility for Internal Financial Controls

The management of the Holding Company and Subsidiary Company respectively is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to each company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company and its Subsidiary Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company and Its Subsidiary Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the information and explanations given to us and based on the consideration of our report of the Holding Company and its Subsidiary Company have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were commensurate with the nature of the business of the Group and operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Consolidated Financial Statements for the year ended March 31, 2019

CORPORATE INFORMATION:

Astron Paper & Board Mill Limited is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The shares of the company are listed in two recognized stock exchanges in India i.e. the Bombay Stock Exchange Limited ('BSE') and the National Stock Exchange of India Limited ('NSE').

The Holding Company and its Subsidiary Company (hereinafter referred to as "Group") are engaged in the business the manufacturing of Kraft Paper from waste paper.

NOTE 1 : SIGNIFICANT ACCOUNTING POLICIES:

I BASIS OF PREPARATION OF FINANCIAL STATEMENTS

a) Accounting Conventions :

The consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and with Companies (Indian Accounting Standards) (Amendment) Rules, 2017 and comply in all material aspects with the relevant provisions of the Companies Act, 2013 to the extent applicable to it.

The Consolidated Financial Statements have been prepared on a historical cost basis except the following assets and liabilities which have been measured at fair values:

- Certain Financial Assets and Liabilities that are measured at Fair Value and
- Defined Benefit Plans that are measured at Fair Value

Balaram Papers Private Limited became wholly owned subsidiary of Astron Paper & Board Mill Limited from 26/07/2018. The financial information of the subsidiary has been incorporated in the consolidated financial statements from 01/08/2018.

The consolidated financial statements of the Group consolidate financial statements of the Holding Company and its subsidiary line-by-line by adding together the like items of assets, liabilities, income and expenses. All intra-group assets, liabilities, income and expenses are eliminated on consolidation. The accounting policies to subsidiary have been applied to ensure the consistency with the policies adopted by the Holding Company. The consolidated financial statements have been presented to the extent possible, in the same manner as Holding Company's standalone financial statements.

b) Use of Estimates:

The preparation of consolidated financial statements requires management to make estimates and assumptions that are believed to be reasonable under the circumstances and such estimates and assumptions may affect the reported amount of assets and liabilities, classification of assets and liabilities into non-current and current and disclosures relating to contingent liabilities as at the date of consolidated financial statements and the reported amounts of income and expenses during the reporting period. Although the consolidated financial statements have been prepared based on the management's best knowledge of current events and procedures/actions, the actual results may differ on the final outcome of the matter/transaction to which the estimates relates.

c) 1. Property, Plant and Equipment (PPE):

The cost of an item of property, plant and equipment is recognized as an asset if, and only if:

- it is probable that future economic benefits associated with the item will flow to the entity; and
- the cost of the item can be measured reliably.

The acquisition of property, plant and equipment, directly increasing the future economic benefits of any particular existing item of property, plant and equipment, which are necessary for the Group to obtain the future economic benefits from its other assets, are recognized as assets.

The Freehold land is carried/stated at historical cost/cost of acquisition. The other items of Property, Plant and Equipment are stated at cost of acquisition/construction (less Accumulated Depreciation and Impairment, if any). The cost of Property, Plant and Equipment comprises of their purchase price including freight, duties, taxes or levies, directly attributable cost of bringing the assets to their working conditions for their intended

use. The Group capitalises its Property, Plant and Equipment at a value net of GST/Other Tax Credits received/receivable during the year in respect of eligible item of Property, Plant and Equipment. Subsequent costs are included in the carrying amount of respective Property, Plant and Equipment or recognized as separate assets as appropriate, only if such costs increase the future benefits from the existing items beyond their previously assessed standard of performance and cost of such items can be measured reliably.

Machinery spares that meet the definition of Property, Plant & Equipment are capitalised and depreciated over the useful life of the principal item of an asset. All other repair and maintenance costs, including regular servicing, are recognised in the Statement of Profit and Loss as incurred.

The items of Property, Plant and Equipment that are under construction/erection or not fully acquired and therefore not available for productive use are shown as "Capital Work in Progress" under Property, Plant and Equipment and will be transferred to respective item of Property, Plant and Equipment on completion of the construction/erection/acquisition activities.

Advances given to acquire property, plant and equipment are stated as non-current assets and subsequently transferred to respective Property, Plant & and Equipment and CWIP on acquisition of related assets.

The Losses arising from the disposal of PPE Property, Plant & Equipment are recognised in the Statement of Profit and Loss of the period.

2. Investment Properties:

The property that is held by the Group for rental yields or for capital appreciation for the relevant period is classified as investment property. The investment property is initially recognized at cost and subsequently carried at cost less accumulated depreciation and accumulated impairment losses, if any.

Subsequent expenditures on such assets are capitalized to the asset's carrying value only when it is probable that future economic benefits associated with the expenditure will flow to the Group and cost of such items can be measured reliably. All other repairs and maintenance cost are expensed as and when incurred.

3. Intangible Assets:

The Intangible Assets of Accounting Software, Server Software, Website Development etc. resulting in future economic benefits have been recognised at their cost of acquisition and subsequently are carried at cost less accumulated amortisation and accumulated impairment losses, if any. On the basis of the availability of these assets for their intended use, relevant contractual agreements and technological changes that may affect the usefulness of these assets, the useful lives of these assets have been assumed to be of five years from the date of their acquisition.

The estimated useful life is reviewed annually by the management of the company.

4. Depreciation & Amortization:

The Depreciation on tangible items of Property, Plant and Equipment is provided on straight line method for the period of acquisition/construction i.e. from the period from which such assets were available for their intended use on pro-rata basis on the basis of useful life of each of the items of Property, Plant and Equipment as per Schedule II of the Companies Act, 2013 and in the manner specified in Schedule II of the Companies Act, 2013 except freehold land and other related development on that land.

The plant & machineries which are used as continuous process plant are depreciated at the rates applicable to continuous process plant for the period for which respective plant & machineries were available for use.

The intangible assets have been amortized on pro-rata basis over period of their estimated useful lives on straight line basis i.e. @ 20.00% assuming useful life of five years.

d) Inventories

The Inventories of Raw Materials, Packing Materials, Stores & Spares, Fuel and Work-in-Process have been valued at cost. Finished Goods have been valued at cost or net realisable value whichever is lower. Costs in respect of all items of inventories have been computed on FIFO basis. The cost of Raw Materials, Consumable Stores and items of Spares comprises of the purchase price including duties and taxes, freight inwards and

other expenditure directly attributable to the acquisition. The purchase price does not include GST/Other Tax credits availed of by the Group during the year. Work-in-Process includes cost of Raw Materials and conversion cost depending upon the stage of completion as determined by the management. The cost of Finished Goods includes cost of conversion and other costs incurred in bringing the inventories to their present location and conditions. The Finished Goods are valued at cost after availing of GST/Other Tax credits on input materials.

e) Revenue Recognition:

Revenue is measured at the fair value of the consideration received or receivable from the customers/parties net of returns, rebates, value added taxes and discount to the customers and amounts collected on behalf of third parties. The Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured, regardless of when the payment is being made.

Sale of Goods:

The revenue from the sale of goods is recognized at transaction price when the company had transferred the property in Goods to the buyer for a price and all significant risks and rewards of ownership had been transferred to the buyer and no significant uncertainty existed as to the amount of consideration that would be derived from such sale. The recognition event is usually the dispatch of goods to the buyer such that the Company retains no effective control over the goods dispatched.

The Group has adopted Ind AS 115 "Revenue from Contracts with Customers", with effect from April 1, 2018. Ind AS 115 establishes principles for reporting information about the nature, amount, timing and uncertainty of revenues and cash flows arising from the contracts with its customers and replaces Ind AS 18 "Revenue".

Interest Income:

Income from investments and deposits, where appropriate, is taken into revenue in full on declaration or accrual on time basis and tax deducted at source thereon is treated as advance tax. The interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the company and the amount interest income can be measured reliably.

Claims Against the Imported Raw Materials:

The claim against the imported raw materials on account of quality difference has been accounted on the basis of claims filed and accepted by the supplier of materials except in case claims pending for acceptance which have been accounted on the basis of claims filed and at estimated value expected to be realized as determined by the management.

f) Foreign Currency Transactions

The Group's financial statements have been prepared and presented in Indian Rupees (₹) which is also its functional currency.

The transactions in foreign currency initially have been recorded using the rate of exchange prevailing on the date of transactions. The differences arising on the settlement/restatement of the foreign currency denominated Financial Assets/Liabilities into Indian rupees have been recognized as expenses/income (net) of the year and carried to the statement of profit and loss.

The monetary items denominated in foreign currencies outstanding as at the end of the reporting period, are translated at the exchange rates prevailing as at the end of the reporting period.

g) Government Grants:

Revenue Grant: The government grants are recognised where there is reasonable assurance that the grant will be received and all the terms and conditions relating to the grant will be complied with.

The revenue grant is recognised as other income in the Statement of Profit and Loss of the period to which such grant relates.

h) Employee Benefits:

1. Short Term Obligations:

Short term employee benefits of like wages, salaries, production incentives and other monetary and non-monetary benefits are recognized in the period during which services are rendered by the employees and are recognized at the value at which liabilities have been settled or are expected to be settled.

2. Post-Employment and Other Long Term Employee Benefits:

2.1 Contribution to Provident Fund:

The Company's contribution to the Provident Fund is remitted as per the provisions relating to the Employee Provident Fund Scheme and such contribution is charged to the Statement of Profit & Loss of the period to which contribution relates.

2.2 Defined Benefit Plan for Gratuity:

The Company operates defined benefit plans for Gratuity. The Liabilities in respect of retirement benefits to eligible employees in the form of Gratuity are provided on the basis of Actuarial Valuation as per Ind AS-19 "Employee Benefits". The employee's gratuity fund scheme is managed by IndiaFirst Life Insurance Company Limited. The cost of providing defined benefits plans in the form of gratuity is determined using the Projected Unit Credit Method with actuarial valuation being carried out at each reporting date.

The remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling (excluding amounts included in net interest on the net defined benefit liability) and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. The remeasurements are not reclassified to profit or loss in subsequent periods.

The changes in net defined benefit obligations in the form of services costs comprising of current service cost, past service cost, net interest cost and gains/(losses) on curtailments and settlements are recognized in the Statement of Profit & Loss.

i) Borrowing Costs

The Borrowing costs are interest and ancillary costs incurred in connection with the arrangement of borrowings. The borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

j) Operating Segment

The Group identifies operating segments on the basis of dominant source, nature of risks and returns and the internal organization. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the Managing Director/Chief Executive Officer who is respective Company's chief operating maker in deciding how to allocate resources and in assessing performance.

The dominant source of income of the Group is from the sale of kraft paper of various quality which do not materially differ in respect of risk perception and the return realized/to be realized. Even the geographical/regulatory environment in which the Group operates does not materially differ considering the political and economic environment, the type of customers, assets employed and the risk and return associated in respect of each of the geographical area. So, the disclosure requirements pursuant to Ind AS-108-"Operating Segments" are not applicable.

k) Taxes On Income:

1. Current Tax:

The provision for current tax is made as per the provisions of the Income Tax Act, 1961.

Taxes on income have been determined based on the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. The current tax liabilities and assets are measured at the amounts expected to be paid or to be recovered from the taxation authorities as at the balance sheet date.

The current tax liabilities and assets are offset where the entity has a legally enforceable right to offset and

intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

The current income tax relating to items recognized outside profit or loss is recognized either in the Other Comprehensive Income or in Other Equity Directly.

2. Deferred Tax:

Deferred tax is provided on temporary differences between the tax bases of assets and liabilities as per the provisions of the Income Tax Act, 1961 and their carrying amounts for financial reporting purposes as at the balance sheet date.

Deferred tax liabilities are recognized for all taxable temporary timing differences. Deferred tax assets are recognized for all deductible taxable temporary timing differences, the carry forward of unused tax losses and unused tax credits to the extent to which future taxable profits are expected to be available against which the deductible temporary differences and the carry forward of unused tax losses and unused tax credits can be utilized/set-off.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on the tax rates and tax laws that have been enacted or substantially enacted by the end of the reporting period.

l) Impairment

The Group assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

Impairment loss is recognized when the carrying amount of an asset exceeds recoverable amount.

m) Provisions, Contingent Liabilities and Contingent Assets

The Group recognises a provision when it has a present obligation as a result of a past event that probably requires an outflow of the Group's resources embodying economic benefits at the time of settlement and a reliable estimate can be made of the amount of the obligation. The provisions are measured at the best estimate of the amounts required to settle the present obligation as at the balance sheet date and are not discounted to its present value.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only on the occurrence or non-occurrence of one or more future uncertain events not wholly or substantially within the control of the Group or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

When demand notices are issued by the Government Authorities and demand is disputed by the Group and it is probable that the Group will not be required to settle/pay such demands then these are classified as disputed obligations.

Contingent Assets, if any, are not recognised in the financial statements. If it becomes certain that inflow of economic benefit will arise then such asset and the relative income are recognised in financial statements.

n) Current/Non-Current Classifications:

The Group presents assets and liabilities in the balance sheet on the basis of their classifications into current and non-current.

Assets:

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading

- Expected to be realised within twelve months after the reporting period
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

Liabilities:

A liability is treated as current when it is:

- Expected to be settled in normal operating cycle
- Held primarily for the purpose of trading
- Due to be settled within twelve months after the reporting period
- No unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

o) Financial Instruments, Financial Assets, Financial Liabilities and Equity Instruments

The financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities.

A. Financial Assets:

Initial Recognition:

Financial Assets include Investments, Trade Receivables, Security Deposits, Cash and Cash Equivalents and eligible current and non-current assets. The financial assets are initially recognized at the transaction price when the Group becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being value at fair value through the Statement of Profit and Loss.

Subsequent Measurement:

The subsequent measurement of financial assets depends upon the initial classification of financial assets. For the purpose of subsequent measurement, financial assets are classified as under:

- Financial Assets At Amortized Cost where the financial assets are held solely for collection of cash flows and contractual terms of the assets give rise on specified dates to cash flows that are solely payments of principal and interest on principal amount outstanding.
- Fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for realization of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.
- Fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

Trade Receivables, Security Deposits, Cash and Cash Equivalents, Investments in Equity where reliable data for fair value is not available and eligible current and non-current assets are classified for measurement at amortized cost.

Investments in equity instruments are classified for measurement at FVTPL.

Impairment:

If the recoverable amount of an asset (or cash-generating unit/Fixed Assets) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable

amount. An impairment loss is recognized immediately in profit or loss, unless the relevant asset is carried at a re-valued amount if any, in which case the impairment loss is treated as a revaluation decrease.

Financial assets, other than those at Fair Value through Profit and Loss (FVTPL), are assessed for indicators of impairment at the end of each reporting period. Financial assets are considered to be impaired when there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been affected.

The company recognises impairment loss on trade receivables using expected credit loss model.

B. Financial Liabilities:

Financial liabilities, which include long and short-term loans and borrowings, trade payables, eligible current and non-current liabilities. The borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry of the terms.

p) Fair Value Measurement:

The Group measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability
- The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

q) Cash and Cash Equivalents-For the Purpose of Cash Flow Statements:

Cash and cash equivalent in the balance sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

r) Operating Cycle:

Based on the activities of the Group and normal time between incurring of liabilities and their settlement in cash or cash equivalents and acquisition/right to assets and their realization in cash or cash equivalents, the company has considered its operating cycle as 12 months for the purpose of classification of its liabilities and assets as current and non-current.

c) Debtors of Sale of Goods

The Group has initiated legal proceedings for recovery against the doubtful debtors amounting to Rs. 58,86,028/- (Previous Year 59,11,028/-). In respect of debts of Rs. 58,86,028/-, though the Group has initiated legal proceedings for the recovery, in view of the management of the Holding Company since the matters are pending before respective statutory authorities, it is most likely that the company will be able to recover the amount from the doubtful debtors on adjudication of matters and hence the Group has not made any provision against the doubtful debts of Rs. 58,86,028/- (Previous Year Rs. 59,11,028/-).

d) Disputed Government Liabilities:

1. Disputed Central Excise Liabilities:

The Central Excise Department had disallowed CENVAT credit of Rs. 26,43,260/- on capital goods in respect of which the Group had preferred an appeal before the Assistant Commissioner of Central Excise, Surendranagar. The Assistant Commissioner vide his order dated 25th January, 2017 has confirmed the disallowance of CENVAT Credit of Rs. 26,43,260/-. The Group has reversed the CENVAT Credit of Rs. 26,43,260/- in the books on 01/06/2016 which has been shown as Pre-deposit of Excise as "Short Term Loans & Advances" in the financial statements. Further, Assistant Commissioner had ordered charging of interest as per the Central Excise Law and imposed penalty of Rs. 26,43,260/-. Being not legally in agreement with the order, the Group had preferred an appeal before Commissioner of Appeals, Central Excise, Rajkot on 27th March, 2017 who had rejected the appeal of the Group and upheld the order. Against the order of Commissioner of Appeals, Central Excise, Rajkot, the Group had preferred appeal before the CESTAT, West Zone Bench, Ahmedabad. The CESTAT vide its order dated 20.08.2018 has remanded back the matter to the office of C.C.E. & S.T. for re-adjudication. The matter was pending before the office of C.C.E. & S.T. for re-adjudication as at the end of the financial year.

2. RCM Liability on Ocean Freight

In the course of audit by the Office of the Commissioner of Central Goods and Service Tax, Audit Commissionerate, Rajkot dated 30th January, 2019, it had raised audit objections regarding non-payment of RCM on Ocean Freight amounting to Rs. 30,59,267/- and requested the company to provide suitable explanations/clarifications in case of disagreement by the company. The company did not concur with the audit objections raised by the office of Commissioner of Central Goods and Service Tax, Audit Commissionerate, Rajkot since the similar matter in case of other parties were going on for adjudication at the jurisdictional Ho'nable High Court of Gujarat. However, upto the date of authorization of Financial

Statements for issue by the Board of Directors i.e. 20th May, 2019, the Group has paid Rs. 11,00,000/- under protest.

3. Disputed Income Tax Liabilities A.Y. 2014-15:

The DCIT Circle 1(1)(2), Ahmedabad had disallowed preliminary expenses of Rs. 4,36,400/- claimed by the company during the financial year 2013-14 relevant to A.Y. 2014-15. In respect of the said disallowance, the company had preferred an appeal before the CIT-A-1, Ahmedabad, who had also confirmed the amount disallowed by the Income Tax Officer. Against the order of CIT-A-1, the company had further preferred an appeal before Ho'nable ITAT, Ahmedabad. The appeal before the Ho'nable ITAT is pending for adjudication. In view of the management of the company, the company is eligible to claim expenditure disallowed U/s. 35D of the Income Tax Act, 1961 and hence has not made any provision for amount disallowed amounting to Rs. 4,36,400/-.

4. Disputed Income Tax Liabilities A.Y. 2015-16:

The Income Tax Officer Ward 1(1)(4), Ahmedabad had disallowed preliminary expenses of Rs. 4,58,900/- claimed by the company during the financial year 2014-15 relevant to A.Y. 2015-16. In respect of the said disallowance, the company had preferred an appeal before the CIT-A-1, Ahmedabad, who had also confirmed the amount disallowed by the Income Tax Officer. Against the order of CIT-A-1, the company had further preferred an appeal before Ho'nable ITAT, Ahmedabad. The appeal before the Ho'nable ITAT is pending for adjudication. In view of the management of the company, the company is eligible to claim expenditure disallowed U/s. 35D of the Income Tax Act, 1961 and hence has not made any provision for amount disallowed amounting to Rs. 4,58,900/-.

f) Financial Instruments and Related Disclosures:

Financial Risk Management:

The Group activities are exposed various financial risks: credit risk, liquidity risk and foreign exchange fluctuation risk. The Group's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

I. Credit Risk:

Trade Receivables:

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss to the Group. The maximum exposure to the credit risk as at the reporting date is primarily from trade receivables. Trade receivables are unsecured and are derived from revenue earned from customers from sale of goods. Trade receivables generally are impaired after three years when recoverability is considered doubtful based on general trend. The Group considers that trade receivables stated in the financial statements are not impaired and past due for each reporting dates under review are of good credit quality subject to outcome of the litigations where the Group has initiated legal proceedings for recovery.

Other Financial Assets:

Credit risk relating to cash and cash equivalents is considered negligible since the counterparties are banks which are majorly owned by Government of India and are have oversight of Reserve Bank of India. The Group considers the credit quality of term deposits with banks to be good and the company reviews these banking relationships on an ongoing basis.

The Group considers all other financial assets as at the balance sheet dates to be of good credit quality.

II. Liquidity Risk:

The Group's principal sources of liquidity are from Short Term Bank Borrowings, Cash and Cash Equivalents and Cash generated from operations.

The Short term liquidity requirements consist mainly of Trade Payables, Expense Payables, Employee Dues, Servicing of Interest on Short Term and Long Term Borrowings and payment of instalments of term loans and vehicle loans and other payments arising during the normal course of business.

III. Foreign Exchange Rate Risk:

The Group undertakes transactions denominated in foreign currency mainly for purchase of raw materials which are subject to the risk of exchange rate fluctuations. Financial assets and liabilities denominated in foreign currency are also subject to reinstatement risks. Hedging is regularly carried out to mitigate the risks of exchange rate fluctuations.

g) Corporate Social Responsibility Expenditure:

The Group had incurred following expenditures in terms of section 135 of the Companies Act, 2013 on Corporate Social Responsibility.

Sr. No.	Particulars	Amount of Expenditure For The Year Ended 31st March, 2019 (₹ in Lacs)	Amount of Expenditure For The Year Ended 31st March, 2018 (₹ in Lacs)
