### WHAT SETS US APART?

#### **Safety**

At SML, safety is not a checkbox – it's one of our core element embedded in every operation. Our zero Total Recordable Incident Rate (TRIR) in recent years reflects our industry-leading practices, certified by ISO 45001:2018 and reinforced by a dedicated QHSE team with over 350 cumulative years of experience. We have established international safety protocols in line with ISO systems, conduct continuous GWO and QHSE training, and foster a culture of accountability and vigilance across every project site.

#### Reliability

With a track record of 35+ years and a fleet of 400+ cranes across 40–1600 MT capacities, SML ensures timely deployment, project continuity, and uptime excellence. Our in-house trailer and axle lines eliminate third-party bottlenecks, and our 15 depots pan-India enable rapid mobilization. We're the trusted partner for critical sectors like wind energy, oil & gas, refineries, and infrastructure, consistently delivering under pressure with zero compromise on performance.

### Concept to Commissioning

We are more than a crane rental provider - SML is your single-window EPC solution partner. Our turnkey execution capabilities cover engineering, procurement, civil works, erection, electrical installation, and commissioning. Whether it's a 1600 MT lift or a 10 GW wind farm, we offer seamless integration with zero interface risks, ensuring speed, quality, and safety from concept to energization.

#### Serviceability

Our 24/7 service model, backed by a pan-India presence and robust in-house maintenance capabilities, ensures uninterrupted operations even in remote geographies. We provide customized packages, rapid troubleshooting, preventive maintenance & trained manpower, all designed to minimize downtime and maximize asset productivity. Our commitment to service excellence makes us a dependable partner beyond just equipment - we deliver peace of mind.
