Vision. Mission. Values.

VISION

To be India's most trusted packaging partner, setting the benchmark for quality products, processes and people.

MISSION

To manufacture high-quality, cost-optimized corrugated solutions that reach the customer on-time, every time.

VALUES

We lead with integrity and transparency, are committed to customer success, uphold uncompromising quality and keep innovating to create value for every stakeholder.

SWOT Analysis

Strength

Corrugation pioneers with 25 +
year customer partnerships

Early adopters of global
corrugation technology

Nationally acclaimed quality and
deep technical know-how

Weakness

Lower order quantities
may affect economies
of scale

Opportunity

Rising consumption in India
lifts corrugated-box demand

Expand into new geographies,
customers and product lines

Offer high-graphic cartons as
on-pack marketing

Threat

Kraft paper price
volatility

Fragmented market of
low-cost small players
