Encl.: 13th Annual Report for financial year 2021-22 proposed to be adopted at ensuing 13th AGM.

Chairman's Message

Dear Shareholder's

It gives me immense pleasure to present the 13th Annual report of Shree Tirupati Balajee FIBC Limited for the financial year 2021-2022. This reporting year continued to throw challenges in the form of consecutive waves of COVID-19, While the country refrained from a repeat of the life threatening wave witnessed a year earlier, the second wave was far more harmful than when the virus first hit India. There were restrictions on mobility and lockdowns were intermittent as well as localized. The virus had begun to take a toll on populations across tier-II and tier-III towns as well; many cities and towns reported an acute shortage of hospital beds and high flow oxygen. As a result, the first quarter witnessed chaos, uncertainty, and a dip in economic activity. Simultaneously, the year was seeing a rising trend in overall inflation, which was seen to be increasingly putting pressure on consumer

spending. However, the second and the third quarters witnessed a gradual growth in economic activity, driven by sales related to the festive season. Also being seen was the positive impact of the supportive measures extended by the Government to businesses, particularly the MSMEs. In addition to the fiscal stimulus packages announced by the Government in the form of the Aatmanirbhar Bharat package, Emergency Credit Line Guarantee Scheme (ECLGS), and more, the RBI had provided for an accommodative policy stance via repo rate cut, Targeted Long-Term Repo Operations (TLTRO), Special Liquidity Scheme and Partial Credit Guarantee Scheme and such. On the healthcare side, the vaccination drive was picking up, contributing confidence in the market of the possibility of near-term resumption of economic activity aimed at recovery. While rising inflation continued to pose a concern, the near-term focus was on achieving double-dose vaccination.

Extreme external challenges, such as those we are experiencing right now, are not an exception for us. Despite the same, these obstacles have strengthened our resolve and commitment, facilitating us to accomplish more. We have always remained relevant by adapting, amending, and changing, as per circumstances and situations. Albeit this challenging environment, our robust FY22 results highlight our strategic vision, the strength of our business, our execution capabilities, and our ability to adapt.

With these difficult circumstances brought about, our team rose to the upcoming challenges and took several initiatives to better navigate through setbacks we stood firm and took the upright path, Since our industry in led by labour intensive working the foremost navigation of our company through this year was also towards the health and safety of our workers and employees and having a prudent working environment.

In the past two years we have gone through unprecedented challenges but we accepted all the challenges and bounced back every time. This resilience led us to be stronger and become better to serve our customers globally. Recent geopolitical developments, global inflation and rising interest rate cycle has introduced an element of uncertainty which leads to the risk of demand contraction but we are determined as ever to fulfill our courageous goals. Our strong commitment and passion, makes us strongly believe that we're on the path of RISE TO WIN!

Commitments to the Society

As part of our CSR commitments, we continued directing our support to the public healthcare and education system. We came out for numerous lives of people who were resident of our states by catering to their needs of masks, sanitizers and general hygienic needs.

Our Performance

We continued our operational efficiencies to yield substantial benefits despite these times. Our revenue from operations stood at Rs. 19,776.37 Lakhs in FY2022 as compared to Rs. 11,712.24 Lakhs in FY2021, registering an uptrend growth of

68.85%. Our profit after tax for the year stood Rs. 700.17 Lakhs as against the profit of Rs. 477.08 Lakhs in the previous year, increased by 46.75%. The Earnings per share stood at 6.91 for this year. This all became possible with our combined committed hardwork and leadership team efforts with our colleagues believing to be placed well for the future.

Our people

For us at TIRUPATI, our people and their well-being as well as their professional growth are our top priority. They are the ones who enable us to create long-term stakeholder value.

We as a company are constantly reinventing ourselves and our offering to stay ahead of the curve. Our people strive to offer the best services and great products with the hard work they put in everyday to our users developed after in depth research and development. We are facilitating the creation of new and innovative products to meet the ever evolving needs of global customers.

On behalf of TIRUPATI, I would like to express my gratitude to each member of our team for putting in their best in these troublesome times.

Conclusion

I am proud of the progress we have made towards implementing our strategy amidst the global pandemic. I am impressed by the resilience of our business, which has enabled us to achieve the business performance despite the difficult environment. The performance, collaboration and positive attitude of our teams have shown over the past two year have been exemplary. I would like to thank all of them for their invaluable contribution in this truly exceptional year.

Summing up for the year, I thank my colleagues on the Board for their continued guidance to the management with their experience and wisdom and the Stakeholders who have journeyed with us so far, we value your association and solicit your co-operation going forward. I also place on record my sincere appreciation to our shareholders for their continued confidence and support, it puts even more onus on the management to perform and make our company grow.

Since our inception we have always been driven by our values, we nurture and are accountable to all our shareholders who have shown immense reliance on their part

I am ascertained that we will achieve much more together.

Regards, Binod Kumar Agarwal Chairman and Managing Director

NOTES:

- As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated 08th April, 2020, Circular No.17/2020 dated 13th April, 2020 and Circular No. 20/2020 dated 05th May, 2020. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
- 2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated 08th April, 2020, 13th April, 2020 and 05th May, 2020, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
- 3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- 4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
- 5. Pursuant to MCA Circular No. 14/2020 dated 08th April, 2020, generally, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on a poll instead of himself/herself and the proxy need not be a member of the Company. Since this AGM is being held through VC/OAVM pursuant to the MCA Circulars, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members is not available for the AGM and hence the Proxy Form and Attendance Slip are not annexed hereto. However, the Institutional/Corporate Shareholders are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate thereat and cast their votes through e-voting. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
- 6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated 13th April, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.tirupatibalajee.com. The Notice can also be accessed from the websites of the Stock Exchange i.e. National Stock Exchange of India Limited at www.nseindia.com respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
- 7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated 08th April, 2020 and MCA Circular No. 17/2020 dated 13th April, 2020 and MCA Circular No. 20/2020 dated 05th May, 2020.
- 8. In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020, General Circular No. 02/2021 Dt. 13th Jan, 2021, General Circular No. 19/2021 Dt. 8th Dec, 2021 & 21/2021 dated 14th Dec, 2021 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2022, or become due in the year 2022, to conduct their AGMs on or before 31.12.2022, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 dated 05.05.2020.
- 9. Since the AGM will be held through VC/OAVM, the route map of the venue of the Meeting is not annexed hereto.
- 10. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, which sets out details relating to Special Business at the meeting, is annexed hereto. The relevant details, pursuant to Regulations 36(3) of the SEBI (Listing

Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Directors seeking appointment/reappointmentat this Annual General Meeting ("AGM") is also annexed.

The Results declared along with the Scrutinizer's Report shall be placed on the Company's website at www.tirupatibalajee.com and shall be communicated to the stock exchange as well within two (02) days of passing of the resolutions at the AGM of the Company.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- **Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- **Step 2:** Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
 - i. The voting period begins on **Monday**, 26th **day of September**, 2022 at 09.00 A.M. (IST) and ends on **Wednesday**, 28th **day of September**, 2022 at 05.00 P.M. (IST). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **Thursday**, 22nd **day of September**, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
 - ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
 - iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- **Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
 - iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09th December, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

SECRETARIAL AUDIT REPORT

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel)Rules, 2014]

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2022

To, The Members, **Shree Tirupati Balajee FIBC Limited,** Plot No. A.P.-14 (Apparel Park), SEZ Phase-II, Industrial Area Pithampur (M.P.) - 454774

I have conducted the secretarial audit of the compliances of applicable statutory provisions and the adherence to good corporate practices by **SHREE TIRUPATI BALAJEE FIBC LIMITED (CIN: L25202MP2009PLC022526)** (hereinafter called "The Company"). The equity shares of the company are listed on SME Board of National Stock Exchange of India (Emerge). Secretarial audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the Financial Year ended 31st March, 2022 complied with the statutory provisions listed here under and also that the Company has proper board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined on test basis the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended 31st March, 2022 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder;

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Global Economic Overview

After a tumultuous 2020, which witnessed unprecedented disruption to human life and economic activity across the globe, the world economy witnessed a sharp recovery on the back of enhanced vaccination coverage and continued fiscal and monetary stimuli across countries. The recovery momentum was, however, weakened in course of the year by new strains of the virus "Omicron". As the new Omicron COVID-19 variant spreads, countries have reimposed mobility restrictions. Rising prices and supply disruptions have resulted in higher and more broadbased inflation than anticipated in many emerging markets and developing economies. Further, to the ongoing situation between Russia and Ukraine have limited the growth prospects. This led central banks to bring forward the timing of tightening monetary conditions in their respective countries.

Indian Economic Overview

FY 2021-22 turned out to be another challenging year for the Indian economy, marked by heightened uncertainty and volatility due to the COVID pandemic. The year began with the second wave of the pandemic having a devastating socio-economic impact in the country followed by a sharp drop in its intensity, which aided smart recovery in economic activity that reached pre-pandemic levels towards the end of the second quarter. Even as economic prospects started looking up, the country was hit hard by the third wave with new cases rising exponentially across major cities and halting the recovery momentum. Just as the third wave had abated in India, geopolitical tensions in Europe sparked off a fresh round of uncertainty in the operating environment.

The Government of India continued to make concerted efforts, through several path-breaking initiatives across the areas of healthcare, infrastructure, social welfare and digital means, to support various sections of the economy during these turbulent times which helped accelerate the pace of resumption of economic activities over the year. These include an effective and focused vaccination programme, targeted localised restrictions during peak caseloads, support to economically weaker sections of society and assistance to sectors most impacted by the pandemic. Indian economy remains one of the most dynamic major economies in the world with immense headroom for growth. A favourable demographic profile, rapid urbanisation and increasing affluence represent some of the key structural drivers of growth of the Indian economy

Economic Outlook

As we all know the rising COVID cases lead to the downfall in our economy, Although the Indian economy did paced after the second wave of pandemic as the hazardous effects were seen to be reduced around the months of june- july. The recorded GDP came at 8.7% during the fiscal year. The country has been observing rise in its inflation rates though there has been a progress in industry specific reforms to holdout against the macroeconomic global challenges to the country's path to economic recovery. For the financial year 2022 it has also been observed that there has been a sound growth of exports in the goods and service sectors.

On the growth front the overall economic activities are getting back to the level they were to pre pandemic times. Due to continues raise and demands of domestic products which resulted in increase in their prices which lead to additional growth in imports. The sector is likely to grow by 3.9% in the current financial year, Furthermore, the gross value added (GVA) of the industry (including mining and construction) is likely to rise by 11.8% in financial year 2021.

Packaging and FIBC Industrial Trend

India is considered to be one of the top most suppliers to various continents across the world such as Europe, USA and UK purposely for having an uplifted quality and image creating it to be as one in past few years. The Flexible Intermediate Bulk Container (FIBC) is a flexible, fabric industrial container designed for transportation and storage of dry, flowing goods such as sand, food packaging, pharmaceuticals, fertilizers, plastic granules and chemicals, the usage has grown within these industries immensely and it has also benefitted from trade events and export events that have enabled them to grow their consumer base significantly. Flexible Intermediate Bulk Container (FIBC) film continue to grow in terms of market share, across major international countries and India's packaging solutions continue to lay a strong foundation in the international market

As the rate of population is increasing with the growing needs of people and their lifestyle accommodation changing with it to be stated as a growing economy overall this all leading to drive up demand for packaging industries. Therefore the plastic packaging industry is predicted to have a uptrend growth, However, supply constraints are limiting the possibility of further capacity allocation for meeting predicted demand growth. As a result, margins are expected to remain constant in the days ahead.

Strengths and Opportunities:

Your Company is having BRC Certification for separate clean room facilities and the Company's fully integrated food grade manufacturing facility for FIBC is one of the best in India. The Company supplies to various industries like agriculture, construction, food, bulk packaging, chemical, cement and etc. The strong Industry relation is core strength of the Company. The Company focuses on quality and customer satisfaction to maintain long term relationship and to procure repeat orders.

As an industry, Flexible packaging is robust and growing rapidly, with innovation, sustainability, and market differentiation driving growth. It is a trend that continues to gain great popularity. Technological advancement in flexible packaging makes them suitable for more consumer products today. The Indian Packaging market was valued at 323,417.8 million units in 2018 and is estimated to grow at a CAGR of 6.7% to reach 446,815.8 million units in 2023 (Source: https://www.globaldata.com/store/report/trends-and-opportunities-in-the-indian-packaging-industry/)

Weakness and Threats:

Volatility of Oil and currency are some major threats. This industry being highly labour intensive, the retention of workers has been high priority for the Company. Attrition of workers may affect the production and also involves cost and time in inducting and training of new appointees. Several other global as well as Indian economic and political factors that are beyond our control may affect the business of the Company. Also, we are subjected to foreign currency exchange rate fluctuations which may have major impacts on results of operations. However, there are no risks which in the opinion of the Board are of the nature that can threaten the existence of the Company

Internal Control System

The Company has an adequate system of internal controls and audit in place. It's procedures covers all financial and operating functions. These controls have been designed to provide a reasonable assurance with regard to maintaining proper accounting controls for ensuring reliability of financial reporting, monitoring of operations, and protecting assets from unauthorized use or losses, compliances with regulations. The Company has continued its efforts to align all its processes and controls with best global practices. The Company is thus able to secure and validate its business transactions on an ongoing basis and thereby maintain the accuracy of its financial records and the safety of its property. Most importantly, the senior management sets the tone at the top of no tolerance to non-compliance and promotes a culture of continuous innovation and improvement.

Internal Control system is commensurate with the size, scale and complexity of its operations. There are adequate systems to ensure compliance of various statutory and regulatory requirements and review the same & take appropriate actions from time to time.

Material developments in Human Resources / Industrial Relations front, including number of people employed.

Tirupati considers people, its biggest assets and 'Believing in People' is at the heart of its human resource strategy. Concerted efforts have been put in talent management and succession planning practices, strong performance management and learning and training initiatives to ensure that the Company consistently develops inspiring, strong and credible leadership. We leverage human capital for competitiveness by nurturing knowledge, entrepreneurship and creativity. We strive to encourage diversity in workforce and believe in building the career of its employees through focused interventions. Learning opportunities contribute to better employee engagement, increased productivity, reduced employee turnover and add to a more positive culture. Quality Control and Quality Assurance were regularly met at the plant location as well as the regional office with a view to update their knowledge and skills and keep them abreast of the present scenario for meeting the challenges ahead. We continued imparting teambuilding and collaboration training to our workmen to enhance the team cohesiveness. The total employee strength as on 31stMarch, 2022 was 547.

Risks and Concerns

The Company has in place a robust risk management framework that identifies and evaluates business risks and opportunities. Your company recognizes that the risks need to be handled effectively and mitigated to protect the interests of the shareholders and stakeholders, to achieve business objectives and create sustainable value and growth. We are subject to foreign currency exchange rate fluctuations which could have a material impact on our results of operations and financial conditions. STANDALONE FINANCIAL STATEMENTS

OF

SHREE TIRUPATI BALAJEE FIBC LIMITED FOR THE FINANCIAL YEAR

2021-22

INDEPENDENT AUDITOR'S REPORT

To the Members of SHREE TIRUPATI BALAJEE FIBC LIMITED

Report on the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **SHREE TIRUPATI BALAJEE FIBC LIMITED** ("the Company"), which comprises the balance sheet as at 31st March 2022, and the statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report, and Shareholder Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial statements made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditors' Report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditors' Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditors' Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure "A"** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF SHREETIRUPATIBALAJEE FIBC LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SHREE TIRUPATI BALAJEE FIBC LIMITED** ("the Company") as of 31st March 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- 1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. NOTES TO THE FINANCIAL STATEMENTS:-

Summary of Significant Accounting Policies:-

1.1 <u>Corporate Information</u>

Shree Tirupati Balajee FIBC Limited ('the Company'), is a public Company domiciled in India. Its shares are listed in SME Platform of National stock exchange of India. The Company is engaged in manufacturing of HDPE/PPWoven Sacks and Flexible Intermediate Bulk Containers (FIBC's). Manufacturing unit is located at Pithampur Sector-2 (SEZ) in Madhya Pradesh. The Company is having investment in wholly owned subsidiary company name STB International Pvt. Ltd.

1.2. Basis of Preparation

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use with those of previous year.

1.3 Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) and the reported income and expenditure during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the difference between the actual results and the estimates as are recognized in the period in which the results are known/materialize.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

1.4 Property, Plant and Equipment and Intangible assets:-

(i) Property Plant & Equipments

All Property Plant & Equipments are stated at historical cost, less accumulated depreciation. Historical cost comprises the purchase price and all direct costs attributable to bring the assets to its working condition for intended use.

Subsequent expenditure relating to Property Plant & Equipments is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance. Addition during the year shown in Property Plant & Equipments schedule is net off Capital Subsidy in related to respective assets.

(ii) <u>Intangible assets</u>

An intangible asset is recognized when it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured. Intangible assets are stated at cost of acquisition less accumulated amortization and impairment loss, if any. Cost comprises the purchase price and any cost attributable to bringing the assets to its working condition for its intended use which includes taxes, freight, and installation and allocated incidental expenditure during construction/acquisition and exclusive of GST credit or other tax credit available to the Company.

Subsequent expenditure relating to intangible assets is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

1.5 Depreciation

Depreciation has been provided based on life assigned to each assets in accordance with schedule II of the companies Act, 2013.

1.6 <u>Amortization of Intangible assets</u>

Amortization of intangible assets has been calculated on straight line basis at the following rates, based on management estimates, which in the opinion of the management are reflective of the estimated useful lives of the Intangible assets.

Amortization on addition to intangible assets is provided on pro-rata basis from the subsequent month of the assets are ready for intended use. Amortization on sale/discard from intangible assets is provided upto the previous month of sale, deduction or discard of intangible assets as the case may be.

1.7 <u>Assets taken on lease</u>

- (i) Operating leases where the Company is a lessee
 Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Rentals and all other expenses in respect of assets taken on lease are debited to statement of Profit and Loss.
- (ii) Finance leases where the company is a lessee **N.A.**

1.8 <u>Foreign currency translation</u>

The Company has opted for accounting the exchange differences arising on reporting of foreign currency monetary items in line with Companies (Accounting Standards) Amendment Rules, 2011 relating to Accounting Standards 11.

1.9 Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

General and specific borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognized in Statement of Profit and Loss in the period in which they are incurred.

1.10 Inventories

Finished goods are measured at cost or net realizable value whichever is lower, finished goods is lying at factory as well as different locations for Job Work. Cost of finished goods comprises of cost of purchase, cost of conversion and other cost/benefits including manufacturing overhead incurred in bringing them to their respective present location & condition. Cost of Raw Material, Work in Progress, Store & Spares, Packing Material is determined at FIFO Basis.

1.11 Investments

Trade Investment are the Investment made to enhance the Company's business interests. Investment either classified as current or long term based on management intention. Current investments are carried at lower of cost and fair value/quoted in each investment individually. Long terms investments are carried at cost less provisions recorded to recognize any decline, other than temporary, in the carrying value of each investment. The Company has made investment in its wholly owned subsidiary company name STB International Pvt. Ltd.

1.12 Impairment of Tangible Assets

The Management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired. An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the Profit & Loss account in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

1.13 Revenue Recognition

Sales revenue is recognized when property in the goods with all significant risk and rewards as well as the effective control of goods usually associated with ownership are transferred to the buyer and are recorded net of trade discounts, rebates, Value Added Tax, Goods and Service Tax and gross of Excise Duty.

Subsidy, Claims and refunds due from Government authorities and parties, through receivable / refundable are not recognized in the accounts, if the amount thereof is not ascertainable. These are accounted for as and when ascertained or admitted by the concerned authorities / parties in favor of the Company.

Revenue from sale of services

Income from services are recognized as and when the services are rendered. The Company collects service tax/GST on behalf of the government and, therefore, it is not an economic benefit flowing to the Company. Hence, it is excluded from revenue.

Interest Income

Interest Income is recognized on a time proportion basis taking into account the amount outstanding and applicable interest rate.

1.14 Provision, Contingent Liabilities and Contingent Assets

Provision is recognized in the accounts when there is a present obligation as a result of past event(s) and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognized nor disclosed in the financial statements.

1.15 Cash Flow Statement

Cash flows are reported using indirect method. The cash flows from operating, financing and investing activities of the company are segregated based on the available information.

1.16 Retirement and other Employee Benefits

Defined contribution plan

The Company makes defined contribution to Government Employee Provident Fund, Employee Deposit Linked Insurance, Employee state insurance and labour welfare funds which are recognised in the Statement of Profit and Loss on accrual basis. The Company has no further obligations under these plans beyond its monthly contributions.

Defined benefit plan - Gratuity

The Company provides for retirement benefits in the form of Gratuity. Benefits payable to eligible employees of the Company with respect to gratuity, a defined benefit plan is accounted for on the basis of an actuarial valuation as at the Balance Sheet date. In accordance with the Payment of Gratuity Act, 1972, the plan provides for lump sum payments to vested employees on retirement, death while in service or on termination of employment an amount equivalent to 15 days basic salary for each completed year of service. Vesting occurs upon completion of five years of service.

1.17 <u>Cash and cash equivalents</u>

Cash and cash equivalents include cash in hand, demand deposits with banks, other short term highly liquid investments with original maturities of three months or less.

1.18 <u>Income Taxes</u>

 $Tax\ expense\ for\ the\ period\ comprises\ of\ current\ Income\ tax\ \&\ deferred\ tax\ and\ Minimum\ Alternate\ Tax.$

Current Income Tax provision has been determined on the basis of relief, deductions available under the Income Tax Act.

Deferred Tax is recognized for all timing differences between the book profit and tax profit subject to the consideration of prudence, applying the tax rates that have been substantially enacted as of the reporting date.

Minimum alternate tax (MAT) paid in a year is charged to the statement of Profit and Loss as current tax.

In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance note on Accounting for credit Available in respect of Minimum Alternate Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "MAT Credit Entitlement."

The company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward.

The company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the Company does not have convincing evidence during the specified period.

1.19 Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such

as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

1.20 Government grants and subsidies

Grants and subsidies from the government are recognised when there is reasonable assurance that (i) the Company will comply with the conditions attached to them, and (ii) the grant/subsidy will be received.

When the grant or subsidy related to revenue, it is netted off from respective expenditure on a systematic basis in the Statement of Profit and Loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant is related to an asset, it is reduced from the cost of assets.

1.21 Segment reporting

The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the Company. The Company's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

Further, inter-segment revenue has been accounted for based on the transaction price agreed to between segments which is primarily market based. Unallocated items include general corporate income and expense items, which are not allocated to any business segment.

However, the company has no separate business and geographical segments to be reported

CONSOLIDATED FINANCIAL STATEMENTS

OF

SHREE TIRUPATI BALAJEE FIBC LIMITED FOR THE FINANCIAL YEAR

2021-22

INDEPENDENT AUDITOR'S REPORT

To the Members of SHREE TIRUPATI BALAJEE FIBC LIMITED

Report on the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of **SHREE TIRUPATI BALAJEE FIBC LIMITED** ("the Company"), which comprise the balance sheet as at 31st March 2022, and the statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report, and Shareholder Information, but does not include the consolidated financial statements and our auditor's report thereon. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either

intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the consolidated financial statements made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditors' Report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditors' Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditors' Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("CARO 2020"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B, a statement on the matter specified in paragraph 3(xxi) of CARO 2020.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies 7(Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its consolidated financial statements Refer Note No. 33 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There are no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The management has represented that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement.
 - v. No dividend have been declared or paid during the year by the company.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF SHREE TIRUPATI BALAJEE FIBC LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SHREE TIRUPATI BALAJEE FIBC LIMITED** ("the **Company"**) as of 31s March 2022 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

Acompany's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- 1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control

over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS:-

Summary of Significant Accounting Policies:-

1.1. Basis of Preparation

These Consolidated financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) and in accordance with Accounting Standard 21 under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use with those of previous year.

1.2 <u>Use of Estimates</u>

The preparation of the financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) and the reported income and expenditure during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the difference between the actual results and the estimates as are recognized in the period in which the results are known/materialize.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

1.3 Property, Plant and Equipment

All Property, Plant and Equipment are stated at historical cost, less accumulated depreciation. Historical cost comprises the purchase price and all direct costs attributable to bring the assets to its working condition for intended use.

Subsequent expenditure relating to Property, Plant and Equipmentis capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

1.4 <u>Intangible assets</u>

An intangible asset is recognized when it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured. Intangible assets are stated at cost of acquisition less accumulated amortization and impairment loss, if any. Cost comprises the purchase price and any cost attributable to bringing the assets to its working condition for its intended use which includes taxes, freight, and installation and allocated incidental expenditure during construction/acquisition and exclusive of GST credit or other tax credit available to the Company.

Subsequent expenditure relating to intangible assets is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

1.5 Depreciation

Depreciation has been provided based on life assigned to each assets in accordance with schedule II of the companies Act, 2013.

1.6 Amortization of Intangible assets

Amortization of intangible assets has been calculated on straight line basis at the following rates, based on management estimates, which in the opinion of the management are reflective of the estimated useful lives of the Intangible assets.

Amortization on addition to intangible assets is provided on pro-rata basis from the subsequent month of the assets are ready for intended use. Amortization on sale/discard from intangible assets is provided upto the previous month of sale, deduction or discard of intangible assets as the case may be.

1.7 <u>Assets taken on lease</u>

 $(i) \, Operating \, leases \, \hbox{--} \, where \, the \, Company \, is \, a \, lessee \,$

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Rentals and all other expenses in respect of assets taken on lease are debited to statement of Profit and Loss.

(ii) Finance leases - where the company is a lessee

N.A.

1.8 Foreign currency translation

The Company has opted for accounting the exchange differences arising on reporting of foreign currency monetary items in line with Companies (Accounting Standards) Amendment Rules, 2011 relating to Accounting Standards 11.

1.9 Borrowing Cos

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

General and specific borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognized in Statement of Profit and Loss in the period in which they are incurred.

1.10 <u>Inventories</u>

Finished goods are measured at cost or net realizable value whichever is lower, finished goods is lying at factory as well as different locations for Job Work. Cost of finished goods comprises of cost of purchase, cost of conversion and other cost/benefits including manufacturing overhead incurred in bringing them to their respective present location & condition. Cost of Raw Material, Work In Progress, Store & Spares, Packing Material is determined at FIFO Basis.

1.11 <u>Impairment of Tangible Assets</u>

The Management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired. An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the Profit & Loss account in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

1.12 Revenue Recognition

Sales revenue is recognized when property in the goods with all significant risk and rewards as well as the effective control of goods usually associated with ownership are transferred to the buyer and are recorded net of trade discounts, rebates, Value Added Tax, Goods and Service Tax and gross of Excise Duty.

Subsidy, Claims and refunds due from Government authorities and parties, through receivable / refundable are not recognized in the accounts, if the amount thereof is not ascertainable. These are accounted for as and when ascertained or admitted by the concerned authorities / parties in favor of the Company.

Revenue from sale of services

Income from services are recognized as and when the services are rendered. The Company collects service tax/GST on behalf of the government and, therefore, it is not an economic benefit flowing to the Company. Hence, it is excluded from revenue.

Interest Income

Interest Income is recognized on a time proportion basis taking into account the amount outstanding and applicable interest rate.

1.13 Provision, Contingent Liabilities and Contingent Assets

Provision is recognized in the accounts when there is a present obligation as a result of past event(s) and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognized nor disclosed in the financial statements.

1.14 <u>Cash Flow Statement</u>

Cash flows are reported using indirect method. The cash flows from operating, financing and investing activities of the company are segregated based on the available information.

1.15 Retirement and other Employee Benefits

Defined contribution plan

The Company makes defined contribution to Government Employee Provident Fund, Employee Deposit Linked Insurance, Employee state insurance and labour welfare funds which are recognised in the Statement of Profit and Loss on accrual basis. The Company has no further obligations under these plans beyond its monthly contributions.

Defined benefit plan - Gratuity

The Company provides for retirement benefits in the form of Gratuity. Benefits payable to eligible employees of the Company with respect to gratuity, a defined benefit plan is accounted for on the basis of an actuarial valuation as at the Balance Sheet date. In accordance with the Payment of Gratuity Act, 1972, the plan provides for lump sum payments to vested employees on retirement, death while in service or on termination of employment an amount equivalent to 15 days basic salary for each completed year of service. Vesting occurs upon completion of five years of service.

1.16 <u>Cash and cash equivalents</u>

Cash and cash equivalents include cash in hand, demand deposits with banks, other short term highly liquid investments with original maturities of three months or less.

1.17 <u>Income Taxes</u>

Tax expense for the period comprises of current Income tax & deferred tax and Minimum Alternate Tax.

Current Income Tax provision has been determined on the basis of relief, deductions available under the Income Tax Act.

Deferred Tax is recognized for all timing differences between the book profit and tax profit subject to the consideration of prudence, applying the tax rates that have been substantially enacted as of the reporting date.

Minimum alternate tax (MAT) paid in a year is charged to the statement of Profit and Loss as current tax.

In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance note on Accounting for credit Available in respect of Minimum Alternate Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "MAT Credit Entitlement."

The company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward.

The company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the Company does not have convincing evidence during the specified period.

1.18 <u>Earnings per Share</u>

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

1.19 Government grants and subsidies

Grants and subsidies from the government are recognised when there is reasonable assurance that (i) the Company will comply with the conditions attached to them, and (ii) the grant/subsidy will be received.

When the grant or subsidy related to revenue, it is netted off from respective expenditure on a systematic basis in the Statement of Profit and Loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant is related to an asset, it is reduced from the cost of assets.

1.20 Segment reporting

The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the Company. The Company's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

Further, inter-segment revenue have been accounted for based on the transaction price agreed to between segments which is primarily market based. Unallocated items include general corporate income and expense items, which are not allocated to any business segment.

However, the company has no separate business and geographical segments to be reported

1.21 Basis of Consolidation

The consolidated financial statements comprise the financial statements of the Parent Company and its subsidiaries. Control is achieved when the company has:

- Power over the investee,
- Is exposed or has rights to variable returns from its involvement with the investee, and
- Has the ability to use its power over the investee to affect its returns,

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the company has less than a majority of the voting or similar rights of an investee, the company considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the other vote holders of the investee,
- Right arising from other contractual arrangements,
- The company's voting rights and potential voting rights,
- The size of the company's holding of voting rights relative to the size and dispersion of the holding of the other voting rights holder.

The company re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of subsidiary begins when the company obtains control over the subsidiary and ceases when the company loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the company gains control until the date the company ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on 31st March. When the end of the reporting period of the parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the parent to enable the Parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

Consolidation procedure:

- (a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the Parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amount of the assets and liabilities recognized in the consolidated financial statements at the acquisition date.
- (b) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Business combination policy explains how to account for any related goodwill.
- (c) Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows of relating to the transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognized in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.
