M. No. A41995

Encl.: as above

### **SAFE HARBOUR**

This presentation has been prepared by Dynamic Cables Limited (the "Company") for general information purposes only, without regard to any specific objectives, suitability, financial situations and needs of any particular person and does not constitute any recommendation or form part of any offer or invitation, directly or indirectly, in any manner, or inducement to sell or issue, or any solicitation of any offer to purchase or subscribe for, any securities of the Company, nor shall it or any part of it or the fact of its distribution form the basis of, or be relied on in connection with, any contract or commitment therefor. This presentation does not solicit any action based on the material contained herein. Nothing in this presentation is intended by the Company to be construed as legal, accounting or tax advice.

This presentation has been prepared by the Company based upon information available in the public domain. This presentation has not been approved and will not or may not be reviewed or approved by any statutory or regulatory authority in India or by any Stock Exchange in India. This presentation may include statements which may constitute forward-looking statements. The actual results could differ materially from those projected in any such forward-looking statements because of various factors. The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statements, on the basis of any subsequent developments, information or events, or otherwise.

This presentation contains certain forward-looking statements relating to the business, financial performance, strategy and results of the Company and/ or the industry in which it operates. Forward-looking statements are statements concerning future circumstances and results, and any other statements that are not historical facts, sometimes identified by the words including, without limitation "believes", "expects", "predicts", "intends", "projects", "plans", "estimates", "aims", "foresees", "anticipates", "targets", and similar expressions. The forward-looking statements, including those cited from third party sources, contained in this presentation are based on numerous assumptions and are uncertain and subject to risks. A multitude of factors including, but not limited to, changes in demand, competition and technology, can cause actual events, performance or results to differ significantly from any anticipated development. Neither the Company nor its affiliates or advisors or representatives nor any of its or their parent or subsidiary undertakings or any such person's officers or employees guarantees that the assumptions underlying such forward-looking statements are free from errors nor does either accept any responsibility for the future accuracy of the forward-looking statements contained in this presentation or the actual occurrence of the forecasted developments. Forward-looking statements speak only as of the date of this presentation and are not guarantees of future performance. As a result, the Company expressly disclaims any obligation or undertaking to release any update or revisions to any forward-looking statements in this presentation as a result of any change in events, conditions, assumptions or circumstances on which these forward looking statements are based. Given these uncertainties and other factors, viewers of this presentation are cautioned not to place undue reliance on these forward-looking statements.

The information contained in these materials has not been independently verified. None of the Company, its directors, promoters or affiliates, nor any of its or their respective employees, advisers or representatives or any other person accepts any responsibility or liability whatsoever, whether arising in tort, contract or otherwise, for any errors, omissions or inaccuracies in such information or opinions or for any loss, cost or damage suffered or incurred howsoever arising, directly or indirectly, from any use of this presentation or its contents or otherwise in connection with this presentation, and makes no representation or warranty, express or implied, for the contents of this presentation including its accuracy, fairness, completeness or verification or for any other statement made or purported to be made by any of them, or on behalf of them, and nothing in this presentation shall be relied upon as a promise or representation in this respect, whether as to the past or the future. Past performance is not a guide for future performance. The information contained in this presentation is current, and if not stated otherwise, made as of the date of this presentation. The Company undertakes no obligation to update or revise any information in this presentation as a result of new information, future events or otherwise. Any person/ party intending to provide finance/ invest in the shares/ businesses of the Company shall do so after seeking their own professional advice and after carrying out their own due diligence procedure to ensure that they are making an informed decision.

This presentation is strictly confidential and may not be copied or disseminated, in whole or in part, and in any manner or for any purpose. No person is authorized to give any information or to make any representation not contained in or inconsistent with this presentation and if given or made, such information or representation must not be relied upon as having been authorized by any person. Failure to comply with this restriction may constitute a violation of the applicable securities laws.

### **WHO ARE WE**

Dynamic Cables is manufacturer of power cables used in transmission, sub-station and distribution

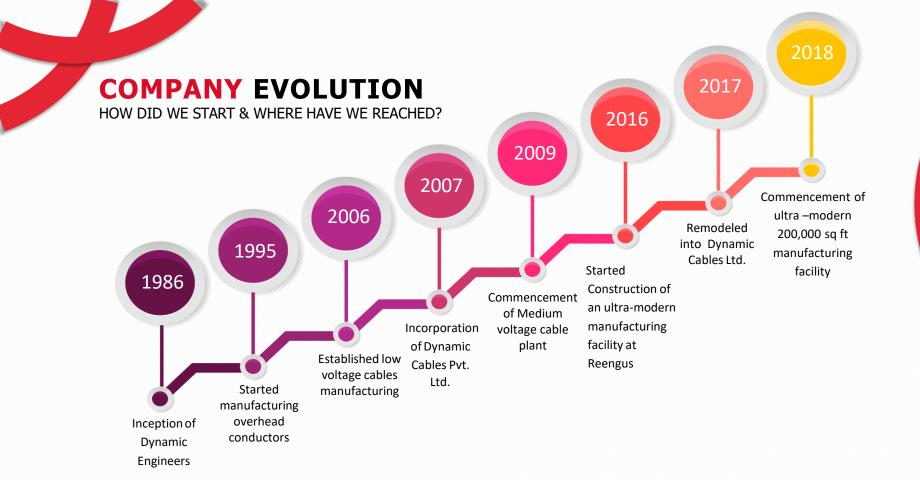

Company is supplying cables in power distribution projects of DISCOMS & private distribution companies, industrial set-ups, renewable energy projects, railway signaling, etc.

Supplies are made either directly to the distribution company or through EPC contractor of the project

Manufacturing facilities, based at Jaipur, equipped with latest technology – one of the few companies having CCV extrusion line, procured from Scholz Autoclaves, Germany

Company started cable business in 2006 by manufacturing & exporting low voltage cables and has now become a reliable & reputed name in power cables market

Listed on BSE SME platform through IPO in December 2017 and will be migrated on the main board of BSE w.e.f October 01, 2020

### CORPORATE OVERVIEW

#### **Products:**

Approved with all the major players in the power distribution/EPC market and Railways

- Power cables (XLPE) upto 66kv
- Power cables (Aerial bunched) upto 36kv
- Power control & instrumentation cables
- Flexible and Industrial cables
- Solar cables
- Railway signaling cables

#### **Management:**

Young, Focus, Discipline and Hunger to Grow

- Ashish Managal, along with his brother Rahul Mangal, is co-promoter and Managing Director
- Aged 45 years, he has 22 years of experience in wires
   & cables business
- Dynamic cables holds his sole operational interest
- Professional team managing affairs of the company

#### **Clients:**

Long standing relationship with the clients.

- DISCOMS
- EPC contractors
- Industrial
- Power generation companies
- Renewable Energy companies
- Export

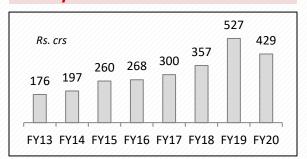

#### **Plants:**

Comparable with the top cable manufacturers - capacity of processing 40,000MTPA of aluminum/copper cables.

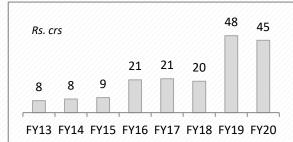

- Plant 1: Vishwakarma Industrial Area, Jaipur
- Plant 2: Vishwakarma Industrial Area, Jaipur
- Plant 3: Khatushyamji Industrial Area, Reengus
- Fully equipped NABL certified laboratory for testing and quality control
- Compliance with many international standards

### **KEY FINANCIALS**

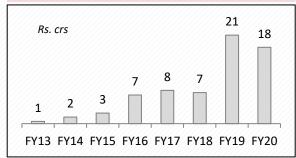

#### Sale: 7yrs CAGR of 13.5%

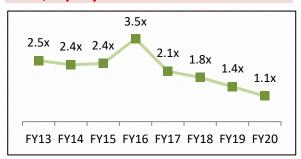

#### EBITDA: 7yrs CAGR of 29.5%

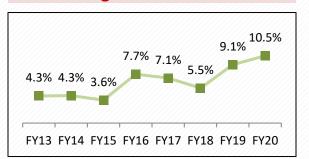

#### **PAT: 7yrs CAGR of 66.5%**

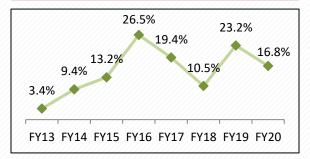

#### **Debt/Equity Ratio**

#### **EBITDA Margin**

#### ROE

**DYNAMIC CABLES LIMITED** 

### **BUSINESS OUTLOOK**

#### **Industry Landscape:**

Power is as essential as food, water & air and so is power infrastructure

- Domestic wires & cables industry size is estimated to be Rs.50,000crs. In addition, the export is estimated to be \$1bn, which is about Rs.7500crs.
- Industry is divided into 2 main segments power cables & communication cables.
- Power wires & cables industry size is estimated to be Rs.33,500crs and balance 24,000crs comprise of communication & other segments.
- Domestic power wires & cables industry is categorised in Institutional and retail segment – both categories having almost equal size.
- As such addressable market of Dynamic is approx.
   Rs.18,500crs

#### Long term growth prospects:

Large gap between the existing & desired power infra. Long term industry growth estd. to be 8-10%.

- Increase in per capita energy consumption
- Set-up of distribution infrastructure in rural areas & modernization of urban infrastructure
- Investment in manufacturing sector
- Step-up pace of impending power reforms

#### **Current Slowdown:**

Lack of a self-sufficient power ecosystem thereby dependency upon Government spending

- Lack of Govt. focus on post 2019 union elections, now aggravated by delays due to Covid-19.
- Financial distress of state owned power DISCOMS
- Slowdown in private sector capex

### **GROWTH STRATEGY**

Enhance our product offerings – EV cables and auto cables are new products under development

Diversify into communication cables – Optical Fiber cables (OFC) under development

Increase contribution of export sale by increasing focus on overseas markets

Decrease contribution of Government business to develop higher resilience

Focus of increasing capacity utilisation and generating higher operating cash flows

Future capital allocation towards working capital for business growth, capex for new business and reduction of debt

## **OUR SPECIALIZATIONS**

- MV & LV XLPE Power Cables (up to 66kV): Up to 1000 sq. mm
- MV & LV Aerial Bunched Cables (up to 36kV): Up to 400 sq. mm
- ➤ LV PVC Power/Control Cables: Up to 400 sq. mm
- ACSR/ AAA / AA Conductors (up to 61 strands) Bare/Insulated: Up to 1000 sq. mm
- FRLS/ FR/ LSZH Cables
- Solar Cables
- Communication Cables, AIRDAC Cables & Bare/Insulated Copper Conductors
- > Earth wires & stay wires
- MV Covered Conductor Upto 630 Sqmm
- Railway Signaling Copper cables
- UL Products
- XHHW-2, XHHW, XHH Cable Upto 1500 MCM
- SIS Wire Upto 4/0 AWG
- RW75 Upto 1500 MCM
- R90 ,RW90 Upto 1500 MCM

### **GLOBAL OVERVIEW**

CABLES & OVERHEAD CONDUCTORS INDUSTRY\*

- The global wires and cables market size was estimated at USD 186.09 billion in 2017 and is estimated to witness a CAGR of 6.4% over the period of 7 years.
- Increased energy demands in Asia Pacific, Middle East, and South America have resulted in heavy investments in smart grids in these regions. This will fuel the demand for low voltage cables.
- Growth in the power distribution sector and applications in automotive and nonautomotive industries will also drive their demand.
- Asia Pacific's cable market is expected to register the fastest CAGR by 2025.
