ANNEXURE-I

MANAGEMENT DISCUSSION & ANALYSIS REPORT

a) INDUSTRY STRUCTURE & DEVELOPMENT:

Activities of your company come under the category of steel tube industry. With the increased activity in housing and agriculture, the future of the steel tube industry shall continue to remain encouraging.

b) OPPORTUNITIES, THREATS RISK & CONCERNS:

Presently major requirements of pipes in rajasthan are being met through units situated outside rajasthan. The pipes manufactured by the company would be able to compete effectively in the market as they would have a clear price advantage over the other outside suppliers because of lower transportation cost benefits applicable to the company.

The company's product shall enjoy purchase preference in all govt. & semi govt. Organizations of rajasthan govt. Steel tube and pipe industry is expected to show good prospects in view of increased availability of h.r. coils being basic raw material to manufacture m.s. steel tube.

More units with similar facility may come up resulting in greater competition and lower price realization. Changed state govt. Policies may affect the profitability of the company.

The steel tube industry is subject to market cycle and as constituent of the industry, your company is also exposed to these constituents. Rise in price of h.r. coils is also a matter of concern.

c) SEGMENT:

The operations of the company are covered in one segment only i.e., steel tube segment.

d) OUTLOOK:

Having regards to the prevailing circumstances your company visualizes a hopeful growth in the industry.

e) INTERNAL CONTROL SYSTEM:

Your company maintains an internal control system in different areas like purchases, billing for the jobs etc. Moreover, there are internal auditors who make consistent monitoring to have proper and sufficient care for maintenance of adequate accounting records required for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities.

f) DEVELOPMENT: HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT:

Your board has nothing to report on the development in human resource as well industrial relations front which have a material bearing on the business of the company.

g) DISCLOSURE BY THE MANAGEMENT:

RAJASTHAN TUBE MANUFACTURING COMPANY LIMITED

CIN: L27107RJ1985PLC003370

Your board has not received any disclosure by the management relating to any material, financial and commercial transactions where any of the managerial staff has personal interest that may have a potential conflict with the interest of the company at large.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone ind as financial statements give the information required by the companies act, 2013 ("the act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in india including the indian accounting standards (ind as) specified under section 133 of the act, read with the companies (indian accounting standards) rules, 2015, as amended, of the state of affairs (financial position) of the company as at march 31, 2025 and its profits (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

BASIS FOR OPINION

We conducted our audit of the standalone ind as financial statements in accordance with the standards on auditing (sas) specified under section 143(10) of the act. Our responsibilities under those standards are further described in the *auditor's responsibilities for the audit of the standalone ind as financial statements* section of our report. We are independent of the company in accordance with the *code of ethics* issued by the institute of chartered accountants of india (icai) together with the ethical requirements that are relevant to our audit of the standalone ind as financial statements under the provisions of the act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the icai's code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone ind as financial statements.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone ind as financial statements of the current period. These matters were addressed in the context of our audit of the standalone ind as financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

INFORMATION OTHER THAN THE STANDALONE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The company's management and board of directors are responsible for the other information. The other information comprises the information included in the company's annual report; but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

When we read the final annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions as per applicable laws and regulations

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR FINANCIAL STATEMENTS

The company's management and board of directors are responsible for the matters stated in section 134(5) of the act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the company in accordance with the accounting principles generally accepted in india, including the indian accounting standards ('ind as') specified under section 133 of the act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management and board of directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE IND AS FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the standalone ind as financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with sas will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate,

RAJASTHAN TUBE MANUFACTURING COMPANY LIMITED

CIN: L27107RJ1985PLC003370

they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone ind as financial statements.

As part of an audit in accordance with sas, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone ind as financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone ind as financial statements or, if such disclosures are inadequate, to modify our opinion. our conclusions are based on the audit evidence obtained up to the date of our auditor's report. however, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone ind as financial statements, including the disclosures, and whether the standalone ind as financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key

RAJASTHAN TUBE MANUFACTURING COMPANY LIMITED

CIN: L27107RJ1985PLC003370

audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1) As required by the companies (auditor's report) order, 2020 ("the order") issued by the central government in terms of section 143(11) of the companies act 2013, we give in "**annexure a**" a statement on the matters specified in paragraphs 3 and 4 of the order, to the extent applicable.

ANNEXURE-B TO THE INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF RAJASTHAN TUBE MANUFACTURING COMPANY LIMITED

Report on the internal financial controls under clause (i) of sub-section 3 of section 143 of the companies act, 2013 ("the act") as referred to in paragraph 2(a)(f) of 'report on other legal and regulatory requirements' section

We have audited the internal financial controls over financial reporting of **rajasthan tube manufacturing company limited** ("the company") as of march 31, 2025 in conjunction with our audit of the standalone ind as financial statements of the company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The board of directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by the institute of chartered accountants of india. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the companies act, 2013 (hereinafter referred to as "the act").

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the company based on our audit.

We conducted our audit in accordance with the guidance note on audit of internal financial controls over financial reporting (the "guidance note") issued by the institute of chartered accountants of india and the standards on auditing prescribed under section 143(10) of the companies act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the company.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for

RAJASTHAN TUBE MANUFACTURING COMPANY LIMITED

CIN: L27107RJ1985PLC003370

external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanations given to us, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at march 31, 2025, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by the institute of chartered accountants of india.

(ALL AMOUNTS ARE IN LAKHS OF INDIAN RUPEES; UNLESS STATED OTHERWISE)

1. CORPORATE INFORMATION:

Rajasthan tube manufacturing company limited ("the company") is a public limited company domiciled in india and incorporated under the provision of the companies act 1956 and listed on bombay stock exchange. The registered office of the company is situated at 28-37, banke bihari industrial area, jatawali mod, maharkala road, village dehra, teh. Chomu, district jaipur-303806.the company is engaged in manufacturing and trading of black and galvanized erw steel tubes and pipes.

amount in the financial statements are presented in rupees in lacs, unless otherwise stated. Certain amount that are required to be disclosed and do not appear due to round off are expressed as zero. The financial statements are amounts that are presented in indian rupees (₹) which is also functional currency of the company. These financial statements for the year ended march 31, 2025 are approved and adopted by the board of directors in there meeting held on may 1, 2025.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES FOLLOWED BY THE COMPANY:

(A) BASIS OF PREPARATION

(i) STATEMENT OF COMPLIANCE WITH IND AS:

These financial statements have been prepared in accordance with the indian accounting standards (hereinafter referred to as the 'ind as') notified under the companies (indian accounting standards) rules, 2015 as amended by the companies (indian accounting standards) (amendment) rules 2016 notified under the section 133 of the companies act, 2013 the relevant provisions of the companies act, 2013 ("the act") and guidelines issued by the securities and exchange board of india.

(ii) HISTORICAL COST CONVENTION:

The financial statements have been prepared on a historical cost basis, except for the following:

- 1) certain financial assets and liabilities that are measured at fair value;
- 2) assets held for sale - measured at lower of carrying amount or fair value less cost to sell;
- 3) defined benefit plans - plan assets measured at fair value as per actuarial valuation.

(B) USE OF ESTIMATES AND JUDGMENTS

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

(C) IMPAIRMENT OF NON-CURRENT ASSETS

RAJASTHAN TUBE MANUFACTURING COMPANY LIMITED

CIN: L27107RJ1985PLC003370

An asset is considered as impaired when at the date of balance sheet there are indications of impairment and the carrying amount of the asset, or where applicable the cash generating unit to which the asset belongs exceeds its recoverable amount (i.e. the higher of the net asset selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the statement of profit and loss. The impairment loss recognized in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

(D) PROPERTY, PLANT AND EQUIPMENT AND DEPRECIATION

Property, plant and equipment are carried at cost less accumulated depreciation / amortization and impairment of losses if any, in the books of accounts. The company capitalized all costs incidental to acquisition and installation of fixed assets.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in statement of profit and loss.

TRANSITION TO IND AS

on transition to ind as, the company has elected to continue with the carrying value of all its property, plant and equipment recognized as at april1,2016 measured as the previous gaap (indian gaap) and use that carrying value as the deemed cost of property, plant and equipment.

DEPRECIATION

Depreciable amount for asset is the cost of an asset less its estimated residual value. Depreciation on property, plant and equipment is charged on straight line method as per useful life of prescribed in schedule ii to the companies act, 2013 except on gi plant and building which have commenced commercial production w.e.f. 16th february, 1996, and vehicles purchased after 01-04-1998 depreciation has been provided on written down value method as per useful life of prescribed in schedule ii to the companies act, 2013.

From the date schedule ii of the companies act 2013 comes into effect, the carrying amount of the assets as on that date after retaining the residual value has been depreciated over the remaining useful life of the assets as per this schedule.

Depreciation methods, useful lives and residual values are reviewed periodically, at each financial year end. Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under non-current assets and the cost of assets not put to use before such date are disclosed under 'capital work-in-progress'. Subsequent expenditures relating to property, plant and equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

(E) VALUATION OF INVENTORIES:

Inventories are measured at the lower of cost and the net realizable value. As per the consistent practice of the company, while valuing stocks, the relative impact/incidence of overheads has been considered. Cost includes cost of purchase, cost of conversion and other cost incurred in bringing the inventories to their present location and condition. Cost of inventories are determined on fifo basis.

Net realizable value represents the estimated selling price for inventories less all estimated cost of completion and costs necessary to make the sale.

(F) REVENUE RECOGNATION:

To determine whether to recognise revenue, the company follows a 5-step process:

RAJASTHAN TUBE MANUFACTURING COMPANY LIMITED

CIN: L27107RJ1985PLC003370

- a) Identifying the contract with a customer
- b) Identifying the performance obligations
- c) Determining the transaction price
- d) Allocating the transaction price to the performance obligations
- e) Recognising revenue when/as performance obligation(s) are satisfied.

Sale of products (including scrap sales and service income):

Sales (including scrap sales) are recognized when control of products is transferred to the buyer as per the terms of the contract and are accounted for net of returns and rebates. Control of goods refers to the ability to direct the use of and obtain substantially all of the remaining benefits from goods. Generally, control is transferred upon shipment of goods to the customer or when the goods is made available to the customer, provided transfer of title to the customer occurs and the company has not retained any significant risks of ownership or future obligations with respect to the goods shipped.

Income in respect of service contracts are recognized in statement of profit and loss on completion of performance obligation.

Revenue is measured at fair value of consideration received or receivables and are accounted for net of returns, rebates and trade discount. Sales, as disclosed, are exclusive of goods and services tax.

The company considers the terms of the contract and its customary business practices to determine the transaction price. The transaction price is the amount of consideration to which the company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties (for example, indirect taxes). The consideration promised in a contract with a customer may include fixed consideration, variable consideration (if reversal is less likely in future), or both. No element of financing is deemed present as the sales are largely made on advance payment terms or with credit term of not more than one year. Sales, as disclosed, are exclusive of goods and services tax.

The transaction price is allocated by the company to each performance obligation (or distinct good or service) in an amount that depicts the amount of consideration to which it expects to be entitled in exchange for transferring the promised goods or services to the customer.

For each performance obligation identified, the company determines at contract inception whether it satisfies the performance obligation over time or satisfies the performance obligation at a point in time.

The company recognizes contract liabilities for consideration received in respect of unsatisfied performance obligations and reports these amounts as other liabilities in the statement of financial position. Similarly, if the company satisfies a performance obligation before it receives the consideration, the company recognizes either a contract asset or a receivable in its statement of financial position, depending on whether something other than the passage of time is required before the consideration is due.

INTEREST INCOME:

Interest income from a financial asset is recognized when it is probable that the economic benefit will flow to the company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective rate applicable, which is the rate that discounts

RAJASTHAN TUBE MANUFACTURING COMPANY LIMITED

CIN: L27107RJ1985PLC003370

estimated future cash receipts through the expected life of the financial assets to that asset's net carrying amount on initial recognition.

JOB WORK INCOME:

Revenue from job work services is recognized based on the services rendered in accordance with the terms of contracts.

Dividend income:

Dividend income is recognized at the time when right to receive the payment is established, which is Generally, when the shareholders approve the dividend.

(G) RECENT ACCOUNTING PRONOUNCEMENTS

The ministry of corporate affairs (mca) notifies new standards or amendments to the existing standards under companies (indian accounting standards) rules as issued from time to time. On march 31, 2024, mca amended the companies (indian accounting standards) amendment rules, 2023, as below:

Ind as 1, presentation of financial statements – this amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after april 1, 2023. The company has evaluated the amendment and the impact of the amendment is insignificant in the standalone financial statements.

Ind as 8, accounting policies, changes in accounting estimates and errors – this amendment has introduced a definition of accounting estimates' and included amendments to ind as 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after april 1, 2023. The company has evaluated the amendment and there is no impact on its standalone financial statements.

Ind as 12, income taxes – this amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. the effective date for adoption of this amendment is annual periods beginning on or after april 1, 2023.

The company has evaluated the amendment and there is no impact on its standalone financial statements.

(H) BORROWING COSTS:

Borrowing costs specifically relating to the acquisition or construction of qualifying assets that necessarily takes a substantial period of time to get ready for its intended use are capitalized (net of income on temporarily deployment of funds) as part of the cost of such assets. Borrowing costs consist of interest and other costs that the company incurs in connection with the borrowing of funds.

for general borrowing used for the purpose of obtaining a qualifying asset, the amount of borrowing costs eligible for capitalization is determined by applying a capitalization rate to the expenditures on that asset. The capitalization rate is the weighted average of the borrowing costs applicable to the borrowings of the company that are outstanding during the period, other than borrowings made specifically for the purpose of obtaining a qualifying asset. The amount of borrowing costs capitalized during a period does not exceed the amount of borrowing cost incurred during that period.

all other borrowing costs are expensed in the period in which they occur.

RAJASTHAN TUBE MANUFACTURING COMPANY LIMITED

CIN: L27107RJ1985PLC003370

(I) EMPLOYEE BENEFITS:

1. Short term employee benefits are recognized as an expense at the undiscounted amount in the profit and loss accounted of the year in which the related services are rendered. Benefits such as salaries, bonus, incentives etc. Are recognized in the period in which employees rendered services. Employee benefit such as pf, family pension, esi etc. Are treated as defined contribution plan and such contributions are charged to p&l account when contribution to the respective funds are applicable and due.

2. The company's liability on account of gratuity are determined at each financial year on the basis of actuarial valuation in respect of eligible employees.

(J) ACCOUNTING FOR TAXES ON INCOME:

I)provision for current tax is made on the basis of estimated tax liability as per the applicable provisions of tax laws.

ii)deferred tax is recognized, subject to the consideration of prudence, on timing differences, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets and liabilities are measured at the applicable tax rates. Deferred tax assets and deferred tax liabilities are off set, and presented as net. The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilized.

(K) CASH FLOW STATEMENT:

Cash flows are reported using the indirect method, whereby profit/ loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the company are segregated. Cash and cash equivalents presented in the cash flow statement consist of cash on hand and cash at bank and demand deposits with bank.

(L) Earning per share:

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

(M) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions involving substantial degree of estimation in measurement are recognized when there is present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognized but are disclosed in the notes. Contingent assets are not recognized. However, when the realization of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognized as an asset.

(N) CASH AND CASH EQUIVALENTS

Cash and cash equivalent in the balance sheet comprise cash at bank and on hand and short-term deposit with an original maturity of three months or less, which are subject to insignificant risk of changes in value.

(O) FINANCIAL INSTRUMENTS AND INVESTMENTS

RAJASTHAN TUBE MANUFACTURING COMPANY LIMITED

CIN: L27107RJ1985PLC003370

The company recognizes the financial assets and financial liabilities when the recognition criteria of financial instrument as specified under **ind as 109** is met.

FINANCIALS ASSET

INITIAL RECOGNITION AND MEASUREMENT

All financial assets are recognized initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset except in the case of financial assets not recorded at fair value through profit or loss. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

SUBSEQUENT MEASUREMENT

For purposes of subsequent measurement, financial assets are classified in three categories:

FINANCIAL ASSET AT AMORTIZED COST

a 'financial asset' is measured at the amortized cost if both the following conditions are met:

a) the asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

b) contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest ("spci") on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate ("eir") method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the eir. The eir amortization is included in finance income in the profit or loss.

Financial asset at fair value through other comprehensive income("fvoci")

a 'financial asset' is classified as at the fvoci if both of the following criteria are met:

a) the objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and

b) the asset's contractual cash flows represent spci. Financial asset included within the fvoci category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income ("oci")

FINANCIAL ASSET AT FAIR VALUE THROUGH PROFIT & LOSS ("FVTPL")

fvtp is a residual category for financial assets. Any financial asset, which does not meet the criteria for categorization as at amortized cost or as fvoci, is classified as at fvtp. In addition, the group may elect to designate a financial asset, which otherwise meets amortized cost or fvoci criteria, as at fvtp. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

DEROGNITION OF FINANCIAL ASSET

A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial assets) is primarily derecognized when the rights to receive cash flows from the asset have expired.

IMPAIRMENT OF FINANCIAL ASSETS

The company assesses on a forward-looking basis the expected credit loss associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables only, the company applies the simplified approach permitted by ind as 109 financial

RAJASTHAN TUBE MANUFACTURING COMPANY LIMITED

CIN: L27107RJ1985PLC003370

instruments, which requires expected lifetime losses to be recognized from initial recognition of the receivables.

FINANCIAL LIABILITIES

INITIAL RECOGNITION AND MEASUREMENT

all financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

SUBSEQUENT MEASUREMENT

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognized in the profit or loss.

FINANCIAL LIABILITIES AT AMORTIZED COST

after initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the eir method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the eir amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the eir. The eir amortization is included as finance costs in the statement of profit and loss.

(P) SEGMENT REPORTING:

The company at present is engaged in the business of manufacturing of erw steel tubes, which constitutes a single business segment.

(Q) FAIR VALUE MEASUREMENT:

The company measures some of its financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- I. Level 1 – quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Ii. Level 2 – valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Iii. Level 3 – valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

(R) CLASSIFICATION OF CURRENT /NON-CURRENT ASSETS AND LIABILITIES

RAJASTHAN TUBE MANUFACTURING COMPANY LIMITED

CIN: L27107RJ1985PLC003370

All assets and liabilities are presented as current or non-current as per the company's normal operating cycle and other criteria set out in schedule iii of the companies act, 2013 and ind as 1 presentation of financial statements. Based on the nature of products and the time between the acquisition of assets for processing and their realisation, the company has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities.

(S) CRITICAL ACCOUNTING ESTIMATES, ASSUMPTIONS AND JUDGEMENTS

In the process of applying the company's accounting policies, management has made the following estimates, assumptions and judgments, which have significant effect on the amounts recognised in the financial statement:

(a) PROPERTY, PLANT AND EQUIPMENT

External adviser or internal technical team assess the remaining useful lives and residual value of property, plant and equipment. Management believes that the assigned useful lives and residual value are reasonable, the estimates and assumptions made to determine depreciation are critical to the company's financial position and performance.

(b) INCOME TAXES

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the standalone financial statements.

(c) CONTINGENCIES

Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the company as it is not possible to predict the outcome of pending matters with accuracy.

(d) ALLOWANCE FOR UNCOLLECTED ACCOUNTS RECEIVABLE AND ADVANCES

Trade receivables do not carry any interest and are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables are written off when management deems them not to be collectible. Impairment is made on the expected credit losses, which are the present value of the cash shortfall over the expected life of the financial assets.

33. EMPLOYEE BENEFITS:

(a) DEFINED CONTRIBUTION PLANS

The company operates defined contribution retirement benefit plans for all qualifying employees. Contribution to provident fund and esi of rs. Lakhs (previous year rs. Lakhs) is recognised as an expense and included in "employee benefit expenses" in statement of profit and loss.

(b) POST EMPLOYMENT BENEFITS :

(1) THE COMPANY HAS A DEFINED BENEFIT GRATUITY PLAN :

The company has defined benefit gratuity plan for its employees. It is governed by the payment of gratuity act, 1972. Under the act, employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the member's length of service and salary at retirement age. Vesting occurs upon completion of five years of service. The management of the company is responsible for the administration of the plan assets including investment of the funds in accordance with the norms prescribed by the government of India.

(2) THESE PLANS TYPICALLY EXPOSE THE GROUP TO ACTUARIAL RISKS SUCH AS INVESTMENT RISK, INTEREST RATE RISK AND SALARY RISK. INVESTMENT RISK

RAJASTHAN TUBE MANUFACTURING COMPANY LIMITED**CIN: L27107RJ1985PLC003370**

The present value of the defined benefit plan liability (denominated in indian rupee) is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on GOVERNMENT BONDS.

INTEREST RISK : a decrease in the bond interest rate will increase the plan liability.

SALARY RISK :

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants.

As such, any variation in the expected rate of salary increase of the plan participants will change the plan liability.

(3) THE PRINCIPAL ASSUMPTIONS USED FOR THE PURPOSES OF THE ACTUARIAL VALUATIONS OF GRATUITY ARE AS FOLLOWS.

S.N O.	PARTICULARS	AS AT 31.03.2025	AS AT 31.03.2024

(5) SENSITIVITY ANALYSIS :

Significant actuarial assumptions for the determination of defined obligation are discount rate and expected salary increase. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

(RS. IN LACS)

PARTICULARS	FOR THE YEAR ENDED 31.03.2025	FOR THE YEAR ENDED 31.03.2024
IMPACT ON PRESENT VALUE OF DEFINED BENEFIT OBLIGATION IF DISCOUNT RATE INCREASED BY 1%	(0.34)	(1.36)
IMPACT ON PRESENT VALUE OF DEFINED BENEFIT OBLIGATION IF DISCOUNT RATE DECREASED BY 1%	0.39	1.58

RAJASTHAN TUBE MANUFACTURING COMPANY LIMITED

CIN: L27107RJ1985PLC003370

trade and other receivables, and cash and short-term deposits that arise directly from its operations. The company's activities expose it to a variety of financial risks:

(A) **Market risk:-** market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments, and derivative financial instruments. Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Credit risk credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

(B) **liquidity risk:-** liquidity risk is the risk that the company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

The company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the company's financial performance. The company uses derivative financial instruments to hedge certain risk exposures. The company does not acquire or issue derivative financial instruments for trading or speculative purposes.

Risk management is carried out by the treasury department under policies approved by the board of directors. The treasury team identifies, evaluates and hedges financial risks in close co-operation with the company's operating units. The board provides principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, and credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity.
