Chepur Ratnakar Rao

Chairman,
Silly Monks Entertainment Limited

Dear Esteemed Shareholders

I'm extremely pleased to welcome you all to this 12th Annual General Meeting of shareholders of Silly Monks Entertainment Limited.

The Annual Accounts and related financial documents have been circulated per mandate and with your permission I shall presume you've gone through them.

I trust you and your families continue to keep good health and cheerful living.

We all must feel encouraged about the state of Indian Economy as it continues to surge ahead despite a not so encouraging picture worldwide. A growth rate of over 6.5% makes us the fastest growing economy in the short and medium term. We may jump to the third largest economy in the world in the near foreseeable future.

A growing youth population and an overall median age of 28 gives us a distinct demographic advantage in Human Resources. Our emphasis on education supported by enhanced GDP/capita is making India an important source of human capital for the world!

Digital media is among the key drivers of our digital economy with a 16% CAGR over the next few years. The size of Indian digital media was USD 21.85 billion in 2023 and should cross USD 61 billion by 2030.

India boasts of 806 million internet users today which represents over 55% of the population. Another significant parameter is that we have over 302 million active e-commerce shoppers with about 60% making weekly purchases online.

Video Content leads in revenue generation with Interactive Media (immersive ads, gaming, AR/VR etc) as the fastest growing segment making it a powerful driving force. Advertising spends during FY 2025 crossed INR 1 lakh crore with digital media claiming 46% share.

This should give us a sound perspective of our business prospects in the coming years. In short, there's no looking back by any measure!

We now come to the most significant factor that will lead our life, lifestyle and our business - AI.

If Content is King, AI will make it The Emperor!

Gen AI is probably the single most powerful tool at our disposal today that can revolutionise our business process and prospects.

Try and visualise Hyper-local, multilingual content at scale:

AI will translate/dub films, shows, serials, podcasts into any Indian language in a fraction of the time without ballooning costs. It can mimic any artist's voice or acting with lip sync and actions accurately. You can effectively hire talent for a single episode and produce other episodes using AI. Your content will reach all language speakers in any part of India. See the reach you get in tier 2 and 3 cities/towns with access to internet and smart phones!

Imagine the economies of scale, time and costs that can boost your performance and earnings! AI classifies scenes, moods and content so that ads can be placed in the relevant context and to the segmented audience. This enormously enhances ad efficiency and viewership for higher ROAS (return on ad spends).

We could go on endlessly on the positive impact of AI.

SillyMonks is therefore looking at leveraging the power of AI as a major initiative. We've already embarked on an ambitious plan to rewrite our business orientation and build a future of promise.

The team is capable, committed and excited to bring this new opportunity on board. I'm confident that the results will start rolling in to make our future brighter.

I take this opportunity to wish you and your families a happy and enjoyable festive season as well as an eventful New Year!

Warm regards

C Ratnakar Rao.

Sanjay Reddy

Managing Director
Silly Monks Entertainment Limited

My Dear Shareholders,

It's been 12 years since we embarked on this journey as a digital-first media and entertainment company. From humble beginnings, we've grown into a recognizable force in the digital entertainment landscape, proudly listed on the **National Stock Exchange (NSE)**. Today, we stand not just as content creators but as storytellers, culture curators, and digital entrepreneurs.

The financial year gone by has been both **challenging and transformative**. The ever-evolving digital space, changing consumer behaviour, and fierce competition have kept us on our toes—but also opened up new possibilities.

- Our **digital content monetization** business remained resilient. We clocked steady growth on platforms like YouTube & Facebook, working with Snapchat to grow our creator ecosystem.
- Our subscriber base across networks grew by over **13% YoY (March 2024 – 109 Mn Vs Mar 2025 – 126 Mn)**, with a significant rise in **regional language content** consumption with growth in viewership at 15%.
- We also expanded our footprint in **branded content, in film brand integration** and offering 360-degree digital media solutions.

We remain committed to enhancing shareholder value while building a sustainable, scalable, and innovative business model.

Looking ahead, we're investing in **short-form storytelling**, regional cinema partnerships, and **IP development**. Our aim is to create original content that resonates across platforms and borders.

Our achievements would not be possible without the passionate and talented team behind Silly Monks. We continue to foster a culture of **creativity, agility, and inclusion**. As always, our creators, partners, and employees remain at the heart of everything we do.

Thank you for believing in our vision. Your support fuels our ambition to be more than just a media company—we aim to be a movement that redefines digital entertainment in India and beyond.

"We're not just building a media company – we're building cultural impact. As we enter our 13th year, we do so with clarity, courage, and creativity. The best is yet to come."

Let's keep telling stories that matter.

Thank you.

Sanjay Reddy.

Anil Pallala

Co-Founder | Whole Time Director
Silly Monks Entertainment Limited

Dear Shareholders,

Season's Greetings from the Silly Monks Squad!

First and foremost, I thank you for your unwavering belief in our vision and your continued support. While the past few quarters have reflected some financial strain, we stand at the threshold of exciting times. With new developments in partnerships, dedicated Brand Partnership teams in Mumbai and Delhi, and fresh content productions brewing, the coming years promise growth and transformation.

As promised, we are now achieving 1+ Billion YouTube views per month, a milestone that seemed ambitious just a year ago when we closed March 2024 at 800 million views. As mentioned earlier, we have fully automated our standard YouTube services and scaled further and have successfully onboarded many creators and enterprises, reinforcing our position as a trusted partner in the digital ecosystem.

In cinema, our Studio Division is progressing steadily with multiple projects at different stages of production. Soon, we will be announcing their launch timelines. We are instilling accountability and process into the movie business, positioning Silly Monks as a gateway for HNIs and corporates to confidently venture into cinema. From story identification and development to production, marketing, distribution, sales, and perpetual copyright management, we provide a true 360° solution for the entire value chain.

Our credibility as a movie marketing partner continues to grow with major production houses across South India entrusting us after our remarkable contributions to films such as Kalki 2898 AD, Sundaram Master and Salaar Cease fire.

This year, we are especially proud of the strides made by our Brand Partnerships Division. With teams in Mumbai and Delhi, we are strategically positioned at the epicenter of India's brand and agency ecosystem, collaborating with industry leaders like GroupM and Havas Play. Beyond connecting brands with films, we design end-to-end solutions from in-film integrations to sponsorships and marketing collaborations. Our close partnerships with Hombale Films and Vyjayanthi Movies have enabled marquee projects like Kantara, Kalki, Salaar, and Champion, along with an exciting slate of upcoming films including Mirai, Telusu Kadha, Mowgli, and Chiru 157.

It is our conviction that brand partnerships will emerge as a vital revenue stream for the film industry, standing alongside OTT and satellite rights. Silly Monks is proud to lead this transformation, generating substantial value for both our partners and our growth story. Looking ahead, our upcoming marketing projects include Kalki 2, Kantara Chapter 1, Salaar 2, Paradha, Champion, Mahavatar Narsimha and many more.

On the music front, Silly Monks Music is now a proud member of the IPRS Society and is forging partnerships with leading international music bodies. We are also laying the foundation for India's entry into the global independent music scene. Just as K-Pop reshaped global music and contributed to Korea's economy, we believe Indian independent music with the right strategy has the power to disrupt the global stage.

Silly Monks remains a forward-thinking entertainment company, committed to strengthening our operations and showcasing the true essence of our presence in the entertainment industry. We move ahead with optimism, resilience, and a deep sense of purpose, confident that the best is yet to come.

With gratitude and hope,

Sincerely,

Anil Kumar Pallala.

If Member casts vote through Remote E-voting and also at the AGM, then voting done through Remote E-voting shall prevail and voting done at the AGM shall be treated as invalid.

7.1 VOTING THROUGH ELECTRONIC MEANS:

Details of E-Voting:

The business as set out in the Notice may be transacted through electronic voting system and the Company is providing facility for voting by electronic means. Pursuant to the provisions of Section 108 of the Companies Act, 2013, read with the Companies (Management and Administration) Rules, 2014, the Company is pleased to offer e-voting facility as an alternate to its members to cast their votes electronically on all resolutions set forth in the Notice convening the 12th Annual General Meeting.

The Company has engaged the services of Central Depository Services India Limited (CDSL) to provide the E-voting facility.

The e-voting period will commence on Saturday, 27th September 2025 at 09:00 a.m. (IST) and will end on Monday, 29th September, 2025 at 05:00 p.m. (IST). During this period, members of the company, holding shares either in Physical form or in Dematerialized form, as on **Cut-Off Date i.e., Tuesday, 23rd September 2025**, may cast their vote electronically. The Remote E-Voting shall not be allowed beyond **29th September 2025 at 05:00 p.m. (IST)** and the e-voting module shall be disabled by CDSL for voting thereafter.

INSTRUCTIONS TO SHAREHOLDERS FOR E-VOTING

- (i) **The e-voting period will commence on Saturday, 27th September 2025 at 09:00 a.m. (IST) and will end on Monday, 29th September 2025 at 05:00 p.m. (IST).** During this period, members of the company or in the Register of beneficial owners maintained by the Depositories, holding shares either in Physical form or in Dematerialized form, as on **Cut-Off Date i.e., Tuesday, 23rd September 2025**, may cast their vote electronically. The Remote E-Voting shall not be allowed beyond 29th September, 2025 at 05:00 p.m. (IST) and the e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders’ resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.
Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.
In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.
- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

Item No. 3

Pursuant to the amended provisions of Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI LODR Regulations') vide SEBI Notification dated December 12, 2024 and provisions of Section 204 of the Companies Act, 2013 ('Act') and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Audit Committee and the Board of Directors at their respective meetings held on 03.09.2025, have approved and recommended the appointment of M/s. PS Rao & Associates, Peer Reviewed Firm of Company Secretaries in Practice as Secretarial Auditors of the Company for a term of 5 (Five) consecutive years to hold office from the conclusion of this Annual General Meeting ('AGM') till the conclusion of 17th AGM of the Company to be held in the Year 2030 on following terms and conditions:

- a. Term of appointment: 5 (Five) consecutive years from the conclusion of this AGM till the conclusion of 17th AGM.

b. Proposed Fees: At such fee plus applicable taxes and other out-of-pocket expenses in connection with the secretarial audit as determined by the Board of Directors from time to time.

c. Basis of recommendations: The recommendations are based on the fulfilment of the eligibility criteria & qualification prescribed under the Act & Rules made thereunder and SEBI LODR Regulations with regard to the full time partners, secretarial audit, experience of the firm, capability, independent assessment, audit experience and also based on the evaluation of the quality of audit work done by them in the past.

d. Credentials: M/s. PS Rao & Associates ('Secretarial Audit Firm'), established in the year 1994, is a reputed firm of Company Secretaries in Practice specialized in Secretarial Audit and other corporate law matters. The firm is registered with the Institute of Company Secretaries of India and has an experience of more than 30 years in providing various corporate law services. The Firm also holds a valid Peer Review Certificate.

M/s. PS Rao & Associates have given their consent to act as Secretarial Auditors of the Company and confirmed that their aforesaid appointment (if made) would be within the prescribed limits under the Act & Rules made thereunder and SEBI LODR Regulations. They have also confirmed that they are not disqualified to be appointed as Secretarial Auditors in terms of the provisions of the Act & Rules made thereunder and SEBI LODR Regulations. None of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution except to the extent of their shareholding, if any, in the Company.

The Board of Directors of the Company recommends the resolution set out at Item No.3 for approval of the Members as an Ordinary Resolution.

Item No. 4

The members of the Company are apprised that upon the recommendation of Audit Committee, the Board of Directors of the Company ("Board") in its meeting held on 03rd September 2025 has approved the disinvestment of Company's entire investment (i.e. 100 Common Stock representing 100% stake, each share having nominal value of US\$10/- each) in Dream Boat Entertainment LLC, USA ("DREAMBOAT"), a material wholly owned subsidiary of the Company, subject to necessary regulatory, statutory and other approvals and fulfilment of other conditions precedent.

The Board, keeping in view the long-term objectives and repositioning of the group to achieve fiscal prudence, higher productivity and desired performance goals, consider that, it is prudent to disinvest from the overseas wholly owned Subsidiary and contemplates the proposed disinvestment in the best interest of the Company. Board of directors have been authorised to look for an appropriate investor in the best interest of the group.

As per Regulation 24(5) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), prior approval of the shareholders is required for the disposal of shares in its material subsidiary and pursuant to provision of Section 180(1)(a) of the Companies Act, 2013 it mandates that the Board of Directors of the company shall exercise the power to sell, lease or otherwise dispose-off the whole or substantially the whole of any undertaking(s) of the company, only with the approval of the members of the Company by way of a special resolution.

Hence, in terms of the Regulation 24 (5) and (6) of the SEBI Listing Regulations, shareholders' approval is being sought to enable the Company to sell its entire investment.

The Board accordingly recommends the Special Resolutions set out at Item No. 4 of this Notice for approval by the members by way of special resolution.

None of the Directors / Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in the said Special Resolution.

MANAGEMENT DISCUSSION ANALYSIS

a) COMPANY OVERVIEW

We are a ‘South India’ based entertainment & media with a focus of being a recognized & fast-growing player in areas such as video creators/influencers/movie/series/music/other content production, content distribution, content marketing on digital and traditional mediums and movie/celebrity brand partnerships.

Our business lines / model is illustrated below:

Our primary focus currently is Content production, marketing and distribution on Digital media and traditional mediums. We publish content on various digital platforms such as YouTube, Facebook, Amazon, Netflix etc. We also distribute or syndicate the content on satellite channels, cinema theatres, airborne and other offline platforms.

All the said content is either created by us, i.e. by our in-house production or acquired through outright purchase or aggregated on a revenue share method. Produced or acquired Content 100% rights, all revenues generated from such content is fully accrued to us.

When we aggregate content from third parties content partners for distribution, we share the revenue with the content partner.

Through YouTube, Facebook, Instagram and other social media channels we are building communities in various genres like music, food, wellness, devotional etc., We distribute and monetise all the content produced by the creators in all possible publishing mediums to maximise the revenue. The more the fan base, the more branded content revenue opportunities will unlock.

Silly Monks Studios (Movie/Series Production): We have co-produced Telugu Movies like Maa Vintha Gadhaa Vinuma, George Reddy, 24 Kisses, Happy Ending and few movies co-produced with Vaaraahi Chalana Chitram like Oohalu Gusagusalade’

‘Dikkulu Choodaku Ramayya’, & Tungabhadra.

Upcoming release in 2025

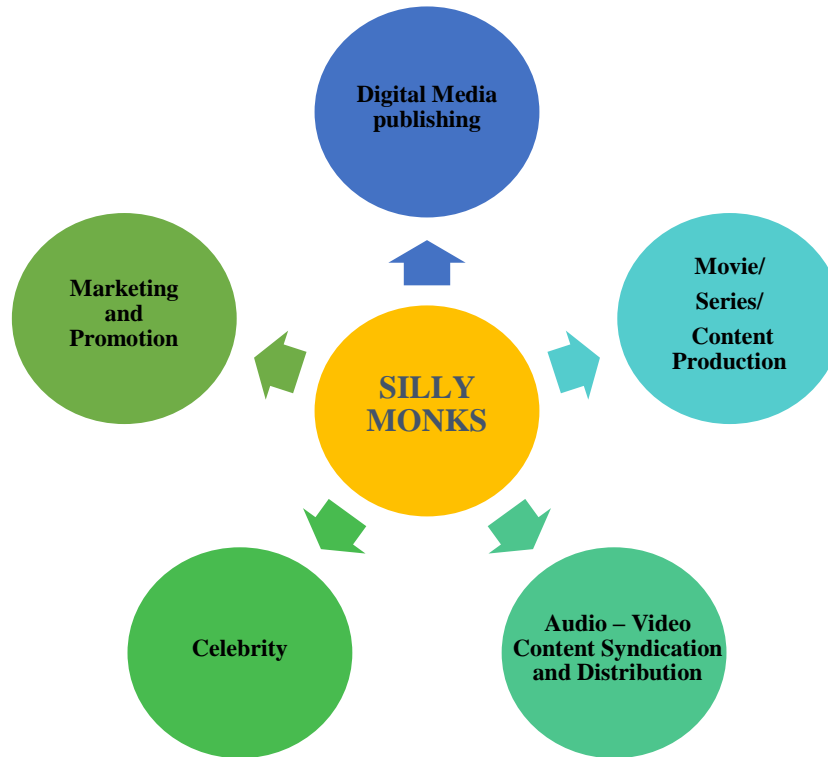

In our studio division, we identify stories, develop, pitch and onboard project independent investors, produce, market and distribute/sell the project on various mediums. With our expertise, we are bridging between film directors/writers, investors & the platforms and making it a viable and profitable business. In this model SillyMonks retains 20-30% asset holding in each project that we are developing. One film project is ready to release and 7+ projects are under development stage and pitching stage. We bring content production and distribution expertise. We are currently developing many movie concepts in south India along with potential film directors and setting up the complete project end-to-end. We will be collaborating with potential project investors to execute the plans and maximize the film business.

Apart from our promoters Mr. Tekulapalli Sanjay Reddy & Mr. Anil Kumar Pallala, our Company has got angel investment from well-renowned personalities such as;

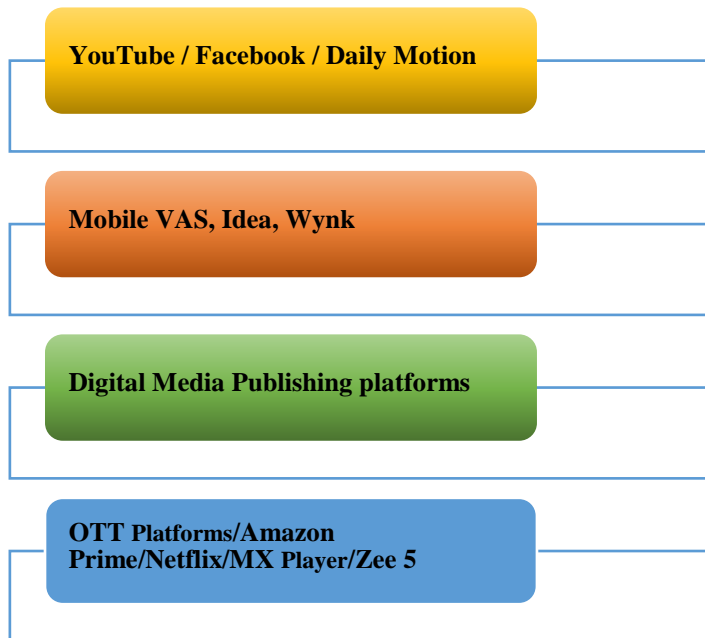

- 1) Mr. Ranganathasai Korrapati, who is a Telugu film [Producer](#) and distributor known for his works predominantly in [Telugu cinema](#).
- 2) Mr. Sreenivasa Reddy Musani who is chairman and MD of Hyderabad-based Ektha Group which operates in Information Technology, Engineering, Business Process, Data Processing, Multimedia & Real Estate.

Range of our Products & Services

Our products and services can be summarized as illustrated below:

Content Publishing

Our primary focus is on Video Creators, Influencers, Content production, marketing and distribution. Content which we publish over various platforms is Movies, music, short films, short videos, web Series and a creator video. Income from content publishing on YouTube constitute a significant portion of Digital Media Publishing. We have published over 100+ movies like Act 1978, Bombhaat, Trail and many more on Amazon Prime. We extending our distribution partnership with more OTT platforms and also dubbing the content into multi-lingual.

Amir Khan’s Sitare Zameer Par has pioneered a new path for the film industry by premiering directly on YouTube, the world’s largest OTT platform by user base. The YouTube TVOD model is set to be a disruptive force in movie distribution and with Dreamboat already partnered with YouTube, we are at the forefront of this transformation.

YouTube

Dream Boat Entertainment LLC is one of the top enterprise partners (MCN - Multi-Channel Network) with YouTube. On YouTube, Income generates through monetization of content. Monetization of content means, enabling YouTube to place an advertisement and generate revenue.

YouTube enables every content creator to publish his/her content to monetize. We own a few channels and we also aggregate 3rd party channels into our network (MCN).

When a 3rd party YouTube channel connects his/her channel to Dream Boat MCN network, we bring together the advantages of professional tools like copyright management, collaborations, brand associations, cross-promotions for better monetization. A state of the art ‘Audio/video studio’ to help indigenous, but popular, YouTubers.

Dream Boat shares an agreed revenue share generated with content partners. This amount varies contractually.

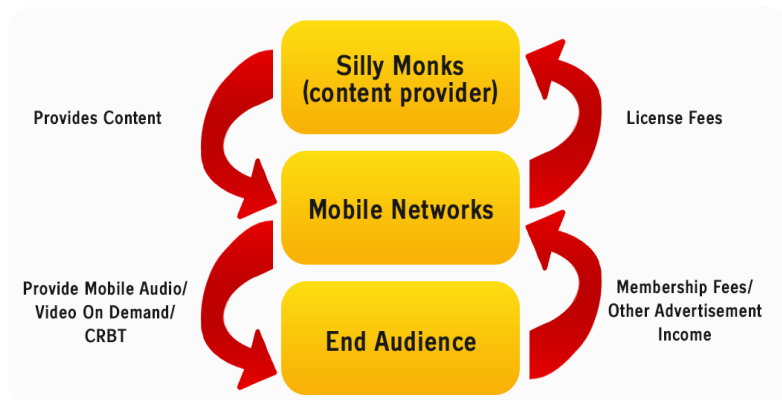

Branded content is another stream of revenue that we generate when we collaborate with brands to promote their products.

OTT Platforms:

We produce content, acquire content and aggregate content (Movies, Series, short films etc.,) to distribute on a revenue share or a fixed license fee. We also distribute the content produced for YouTube on OTT platforms.

Mobile VAS & Audio streaming /distribution:

Mobile VAS (Value added services) is another medium for our digital content publishing. With the increase in number of smartphone users in India, this is one of the rapidly growing platforms for Digital Media Publishing. We have entered into an alliance with Idea cellular, PDL for Content License & Distribution on various streaming platforms like Apple music, spotify etc.,

Silly Monks earns the revenue in the form of License Fees from mobile networks and streaming platforms which was agreed in the agreement between two & when content is being published by Mobile VAS and streaming platforms, the end user subscribes for the service by paying subscription fees. This is the revenue source to Mobile networks.

Silly Monks has an alliance with music apps such as ‘Saavn’ / Gaana / PDL and various mobile networks to publish songs to stream and CRBT’s (Caller ring back tones), wherein we provide the audio content to Saavn, which is then published through Saavn. We have started acquiring film music and independent music aggressively in South India.

We also publish the same content on YouTube Music.

Content Life Cycle

Celebrity Digital Management:

Social Media

We make strategies for movie production houses and creators to create content for social media and YouTube to engage the followers and subscribers of the celebrity. We generate revenue from monetizing the content on the said platforms and also collaborate with various brands for brand endorsements and generate revenue.

Facebook, Instagram, Twitter, YouTube are the top platforms for celebrities, quickly gaining importance in terms of total users and traffic. These platforms present a unique marketing opportunity for businesses through the creation of verified accounts for celebrities. As more people explore social media, social networking sites have become some of the critical online sources they use to learn more about products, organizations, artists and world events. We manage celebrities over social media platforms. Income will be generated through these platforms by monetizing

the content and brand associations. No. of followers and subscribers with good engagement on the platforms decides the revenues.

Production House Management and film Content Digital marketing and Advertising:

Movie Marketing/Promotions:

We are associated as a digital partner with top movie production houses like Hombale Films, Vyjayanthi Movies, Vaaraahi Chalana Chitram, Gunaa TeamWorks, Vibri Media, Sukumar Writings, Prakash Raj Productions, Swapna Cinemas and many more, working on movies like KALKI 1 & 2, Salaar, Kantara, Pradha and many more where we give 360 degree solutions in marketing and promotions, produce exclusive promotions content around the film story to create momentum for the films and drive audience to the theatres. We generate revenue by providing marketing strategy, creative services, advertising, influencer promotions & creator collaborations.

We manage the majority of the movie production house in South India. Our role is to manage the brand of the production house on digital platforms, market their films, monetise the content produced by the production house on digital platforms like OTT platforms (Amazon Prime), YouTube branded channel

We also do online advertising for films with Google AdWords. Google AdWords is one of the most effective ways to reach new customers and grow your business. Google AdWords is the online advertising platform owned and operated by Google. AdWords is also the largest and most widely used online advertising network in the world, and millions of businesses advertise online using AdWords to reach new customers and grow their business. Advertisers who choose to use Google AdWords can target users across two main networks – the search network, and the Display network.

Brand Partnerships Division

At Silly Monks, we have built a robust Brand Partnerships division with dedicated teams in Mumbai and Delhi — the hubs of India’s leading brands and agencies. We work closely with top media agencies such as GroupM and Havas Play, ensuring seamless collaborations between brands and the entertainment industry.

Our expertise goes beyond traditional brand tie-ups. We design comprehensive brand solutions including in-film integrations, sponsorships, and marketing collateral associations, creating impactful partnerships that deliver value for both brands and films.

With strong associations as marketing partners to prestigious production houses like Hombale Films and Vyjayanthi Movies, we are driving brand partnerships for marquee titles such as Kantara, Kalki, Salaar, and Champion, alongside a growing slate including Mirai, Telusu Kadha, Mowgli, Chiru 157, and many more.

By positioning brand partnerships as a significant revenue stream — alongside traditional OTT and satellite rights — we are reshaping how films unlock value beyond box office. Each collaboration facilitated by Silly Monks generates substantial revenue share, strengthening both our partners’ projects and our own growth trajectory.

INDIAN MEDIA AND ENTERTAINMENT INDUSTRY

Introduction

The Indian Media and Entertainment (M&E) industry is a sunrise sector for the economy and is making significant strides. The increasing availability of fast and cheap internet, rising incomes, and increasing purchases of consumer durables have significantly aided the industry. India's media and entertainment industry are unique as compared to other markets. The industry is well known for its extremely high volumes and rising Average Revenue Per User (ARPU). This significantly aided the country's industry and made India leading in terms of digital adoption and provided companies with uninterrupted rich data to understand their customers better.

India has also experienced growing opportunities in the VFX sector as the focus shifted globally to India as a preferred content creator.

Proving its resilience to the world, Indian M&E industry is on the cusp of a strong phase of growth, backed by rising consumer demand and improving advertising revenue. According to a FICCI-EY report, the advertising to GDP ratio is expected to reach 0.4% by 2025 from 0.38% in 2019.

Market Size

As per PWC Entertainment & Media Outlook 2023 - 2027 - India Perspective.

<https://www.pwc.in/assets/pdfs/industries/entertainment-and-media/global-entertainment-and-media-outlook-2023-2027-india-perspective-v1.pdf>

Evolving consumer preferences, increased internet access, and emerging technologies are fast reshaping the entertainment and media (E&M) industry. For the industry, 2022 marked an important inflection point. The total global E&M revenue of USD 2.32 trillion witnessed a sharp drop from the 10.6% growth rate in 2021 to 5.4% in 2022. This sluggish E&M growth comes on the back of a decline in consumer spending.

For some key sectors, the surge in uptake and revenues experienced during COVID-19 ran out of steam – for example, podcasts, which were among the industry’s major success stories in the pandemic, fell by an estimated 80% in 2022. The global slowdown was further pronounced in advertising, as the internet advertising segment – by far the single largest contributor to overall advertising revenues – saw sluggish growth in 2022.

In India, though, the picture is more promising. E&M revenue in the country witnessed 15.9% growth to USD 46,207 million in 2022 compared to 2021. In fact, the Indian market is poised to grow at a compound annual growth rate (CAGR) of 9.7% in the forecast period to reach USD 73,560 million in 2027.

OTT

There is huge long-term potential for the OTT and connected TV (CTV) market in India, courtesy the size and diversity of the country’s population. OTT video will continue to get its boost from regional play. 5G and broadband infrastructure, if improved further in the country, will open an even bigger market for OTT players. Efforts made to digitalise the Indian economy will only hasten this segment’s growth. While the global growth rate for the OTT segment is 8.4%, India is way ahead with a CAGR of 14.32%.

5G rollout presents a huge opportunity in India’s mobile-first market

Content streaming is growing most rapidly in emerging pockets, where the combination of large historically underserved rural population and strong demand for local and sports content present major opportunities. The growth opportunity in India is high with the country’s biggest telecommunication operators forecasting that the nationwide rollout of 5G capability will be complete by the end of 2024.

Smartphone ownership in India is set to grow by 125 million across the forecast period to 888 million, which is 62.52% of India’s population.

Regional language content can secure wins for content players In an overcrowded and competitive market, Regional content that caters to the country’s linguistic diversity will stand out.

Internet advertisements

The India internet advertising market will clinch double-digit growth, although global figures are subdued

Global internet advertising market growth fell from 30.8% in 2021 to 8.1% in 2022, leading to a total market value of USD 484 billion for the year. In contrast, India’s internet advertising market – among the fastest-growing in the world – grew 35.3%, from USD 3.3 billion in 2021 to USD 4.4 billion in 2022. Overall global revenue is expected to grow at a CAGR of 6.5% to USD 663 billion in 2027, while India’s internet advertising market is expected to grow at a CAGR of 12.3% and see the total revenue climb to USD 7.9 billion by 2027.

Recent development/investments

Recent Developments in the Media and Entertainment Industry are:

The India B2B market has been buoyant and is set to become the fastest-growing market globally. The ongoing adoption of digital channels for purchasing goods and services, and the rising middle class in India (globally the second largest) will underpin growth and emergent consumption trends on which B2B market growth relies.

India bucked the global trends again this year and has emerged as the fastest-growing newspaper market, with both print and digital segments registering a CAGR of 3.212%. Compared to 2021, newspaper revenue declined in 2022. India is also the second fastest growing consumer book market in the Asia Pacific region (China being the first), with non-fiction books the clear choice for Indian readers.

Deals will continue to be a means of gaining scale. In February 2023, the Competition Commission of India (CCI) conditionally approved the USD 10 billion merger between two large media conglomerates, paving the way for the creation of one of India's largest conglomerates spanning television channels, digital platforms and content production.

Road Ahead

The Indian M&E industry is on an impressive growth path. The industry is expected to grow at a much faster rate than the global average rate. This can be majorly credited to rising incomes, increasing internet penetration and a growing push toward digital adoption.

In the long run, growth in the M&E industry is expected in retail advertisement on the back of several players entering the food and beverages segment, E-commerce gaining more popularity in the country, and domestic companies testing out the waters. India's rural regions are expected to be the next regions for growth.

India has also gotten on board with 5G and is already planning for 6G well ahead of the future. This push towards digital adoption especially in the rural regions will provide advertisers and publishers with an immense opportunity to capture untapped markets and help grow India's media and entertainment industry forward.

By 2025, the healthcare industry is expected to reach US\$ 372 billion. India's digital economy is estimated to reach US\$ 1 trillion by 2025. By the end of 2023, India's IT and business services sector is expected to reach US\$ 14.3 billion with 8% growth.

Note: Conversion rate used for March 2025 is Rs. 1 = US\$ 0.012

SEGMENT-WISE OR PRODUCT WISE PE

The segment wise performance of the company can be analyzed on the basis of the Audited Financial Statements for the financial year 2024-25 annexed with this report.

a) OPPORTUNITIES AND THREATS:

In line with global trends, the Indian consumer is increasingly consuming the content on digital platforms. This trend is observed for all type of content including news (text), music (audio), or video. Increasing internet penetration and mobile device proliferation and convenience of consuming the content anytime, anywhere are the key drivers for this trend.

Growth opportunities/ parameters for SMEL are based on the following:

- Rapidly increasing number of internet users
- Higher spend on entertainment services by youth
- Rising data consumption with smartphone penetration
- Ever growing need for unique content for various segments
- Increasing pan-India presence to garner more visibility and which helps in acquisition of quality content

Only threats beyond our control could stop the juggernaut from its path. That is what we like to believe as we continue to grow.

b) OUTLOOK

The team continues to rely on the core strengths of experience and a strategically qualified team of professionals, but more so with a strong focus on quality content we believe that we have become a well-known brand name in the business of Digital Media Marketing. The growing market in that space gives us a larger playing field.

The digital media entertainment space is as yet a niche space and yet with the foreseen growth, it can only get more interesting in the days ahead. Our main strategy is to continually build on the diverse content library and strong fiscal planning and growth projections.

c) RISKS AND CONCERNS

Risks are a part of every growing entity and especially when it concerns businesses that are in a sunrise industry as ours. There are always risks and concerns and the only way to deal with them are to plan strategically. To be aware always of every risk potential is the only thumb rule we follow.

However, the main risks that would be incomparable in terms of our growth would probably be:

- Force Majeure – superior or overpowering force beyond control of mankind
- Collapse of the Internet/ shutting down of Google / Facebook servers
- Facebook monetising content that may reduce YouTube viewership

INDEPENDENT AUDITOR'S REPORT

To the Members of Silly Monks Entertainment Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying financial statements of Silly Monks Entertainment Limited (“the Company”), which comprise the Balance Sheet as at 31 March 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), and the Statement of Cash Flows and the Statement of changes in equity for the year ended on that date, and notes to the financial statements, including a summary of the Material accounting policies and other explanatory information (hereinafter referred to as “standalone financial statements”)

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 as amended (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (“Ind AS”) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its profit including comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below as the Key audit matters to be communicated in our report.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor’s responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

S. No	Key Audit Matter	How the Matter was addressed in Audit
1	<p>Recognition of Revenue The recognition of revenue from digital marketing, branding & promotions, multi-channel network & syndication of content has been considered to be critical since the company has entered not multiple contracts with the customers. The complexity of these contractual terms also requires the company to make judgements in assigning fulfillment of its obligations under the contracts to recognise the revenue in line with the accounting policy adopted and Indian accounting standard 115</p>	<p>Our audit procedures amongst others included the following:</p> <ul style="list-style-type: none"> • Considered the revenue recognition policies of the company in respect of those contracts and assessed the consistent application of these policies in light of the requirements of relevant accounting standards • Tested the transactions close to the year end to check the recognition of revenue in the correct period. • Performed substantive procedures with regard to revenue from digital marketing, syndication, multi-channel network by agreeing to third party information, information received from the customers and other relevant information on a sample basis.

Other Matter

We draw attention to the fact that the previous year financial statements of the Silly Monks Entertainment Limited, have been audited by the other auditor dated May 27, 2024, and opinion expressed by previous auditor is unmodified opinion

Information other than the standalone financial statements and Auditor’s report thereon

- The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexure to Board’s Report, Business Responsibility Report, Corporate Governance and Shareholder’s Information, but does not include the financial statements and our auditor’s report there on.

- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report on in this regard.

Responsibilities of management and those charged with governance for the standalone financial statement

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive Income, cash flows and statement of changes of equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) referred to in Section 133 of Companies Act 2013 read with Companies (Indian Accounting Standards) Rules 2015 as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company’s Board of Directors are responsible for overseeing the Company’s financial reporting process.

Auditor’s Responsibilities for the Audit of the standalone financial statements

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We are also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to

the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the benefits of public interest such communication.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Companies Act 2013, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.

 - (b) The management has represented, to the best of their knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on the audit procedures performed by us, which have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of rule 11(e) as provided under (a) and (b), contain any material mis-statement.
 - v. The company hasn’t declared any Dividend for the current year and hence the provisions of section 123 of the Companies Act 2013 are not applicable.
-

- vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of accounts for the financial year ended March 31, 2024, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail features being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2025.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to standalone financial statements of Silly Monks Entertainment Limited (“the Company”) as of 31 March 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act,2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standard on Auditing prescribed underSection143(10) of theCompaniesAct,2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedure selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of internal financial Controls over Financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statement for external purpose in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of management and directors of the company; and(3)provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report even date

- (i) a) A) The Company has maintained proper records showing full particulars, including quantitative details and the situation of Property, Plant and Equipment.
- B) The Company has maintained proper records showing full particulars of intangible assets.
- b) The Company has a regular programme of physical verification of its Property, Plant and Equipment by which all Property, Plant and Equipment are verified once every year. Pursuant to this programme, all Property, Plant and Equipment were physically verified by the management during the year. According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company.

- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- (ix) a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans and borrowing or in the payment of interest thereon to any lender.
b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a willful defaulter by any bank or financial institution or government or government authority
c) In our opinion and according to the information and explanations given to us by the management, term loans were applied for the purpose for which the loans were obtained. There are no unutilized term loans at the beginning of the year.
d) On an overall examination of the financial statements of the Company, funds raised on a short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its

subsidiaries.

f) The company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies (as defined under the Act) and hence reporting on clause (ix)(f) of the order is not applicable.

(x) a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) and hence reporting under clause 3(x)(a) of the Order is not applicable.

b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year) and hence reporting under clause 3(x)(b) of the Order is not applicable.

(xi) a) Based on examination of the books and records of the Company and according to the information and explanations given to us, no material fraud by the Company or on the Company has been noticed or reported during the course of the audit.

b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.

c) We have taken into consideration the whistle blower complaints received by the Company during the year while determining the nature, timing and extent of audit procedures.

(xii) According to the information and explanations given to us, the Company is not a Nidhi Company) and hence reporting under clause 3(xii) of the Order is not applicable.

(xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Section 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.

(xiv) a) In our opinion and based on the information and explanations provided to us, the company has an adequate internal audit system commensurate with the size and the nature of its business.

b) We have considered the internal audit reports for the year under audit, issued to the Company during the year, in determining the nature, timing and extent of our audit procedures.

(xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.

(xvi) a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and hence reporting under clause 3(xvi)(a),(b) and (c) of the Order is not applicable.

b) The Company is not part of any group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016 as amended) and hence reporting under clause 3(xvi)(d) of the Order is not applicable.

- (xvii) The Company has not incurred cash losses in the current and in the immediately preceding financial year.
- (xviii) According to the information and explanations provided to us, the previous statutory auditor resigned during the year. We have obtained and considered the relevant communications from the outgoing auditor and noted that no significant issues, objections, or concerns were raised.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.
- (xx) The Company did not have net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year and hence, provisions of Section 135 of the Act are not applicable to the Company during the year. Hence, reporting under clause (xx) of paragraph 3 of the Order is not applicable.

Notes to Financial Statements

For the year ended 31st March 2025

1. Corporate information

Silly Monks Entertainment Limited (“the Company”), was incorporated September 20, 2013, in accordance with the provisions of the Companies Act, 1956 (“the Act”). With effect from May 24, 2017 the company was converted from a Private Limited Company to a Public Limited Company and consequently, the name of the company changed from Silly Monks Entertainment Private Limited to Silly Monks Entertainment Limited.

The registered office of the Company is Survey No. 91, 3rd Floor, Technical Block, Sundarayya Vignana Kendram (SVK), Gachibowli, Hyderabad, Rangareddi, Telangana - 500032. The Company is primarily engaged in the business of motion picture, radio, television and other entertainment activities.

2. Material accounting policies

2.1 Statement of Compliance

The financial statements of the company have been prepared to comply with the Indian Accounting Standards (‘Ind AS’), notified under the relevant provisions of the Companies Act, 2013 (the Act).

2.2 Basis of accounting and preparation of financial statements

The financial statements have been prepared on the historical cost basis except for certain financial assets and liabilities which have been measured at fair value.

Company’s financial statements are presented in Indian Rupees (₹), which is its functional currency.

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

2.3 Use of estimates

The preparation of financial statements requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

2.4 Summary of Material Accounting Policies

(a) Property, Plant & Equipment

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset’s carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow the entity and the cost can be measured reliably.

Cost incurred on Property, Plant and Equipment not ready for their intended use is disclosed as Capital Work-in-Progress. Advances paid towards the acquisition of Property, Plant and Equipment outstanding at each

balance sheet date are classified as capital advances under other non-current assets. Unpaid amounts towards acquisition of Property, Plant and Equipment outstanding at each balance sheet date are classified under other current financial liabilities if due within one year from the date of these financial statements and under other non-current financial liabilities if due after a year from the date of these financial statements.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if deemed appropriate.

Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

(b) Intangible assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebate less accumulated amortisation/ depletion and impairment loss, if any. Such cost includes purchase price development costs, borrowing costs and any cost directly attributable to bringing the asset to its working condition for the intended use and net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Subsequent costs are included in the asset’s carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the items will flow to the Company and cost and cost can be measured reliably.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

(c) Depreciation and amortisation

Depreciation on property, plant and equipment is provided using straight-line basis using the rates arrived at based on the useful lives estimated by the management, or those prescribed under Part C of Schedule II of the Companies Act, 2013.

Depreciation for property, plant and equipment purchased/sold during a period is proportionately charged. Fixed Assets individually costing ₹ 5,000/- or less are fully depreciated in the year of acquisition. The Company has estimated the useful lives for the fixed assets as follows:

Asset	Useful life (in years)
Computers	3
Furniture and fixtures	10
Office equipment	5
Vehicles	10

* In case of office equipment, useful life is estimated to approximate their expected wear & tear, which is higher than the one prescribed under Part C of Schedule II.

(d) Borrowing Costs

Borrowing Cost includes interest expense calculated using the effective interest method under Ind AS 109 and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective asset.

All other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

(e) Impairment of non-financial assets - property, plant and equipment, investment property and intangible assets

The Company assesses at each reporting dates as to whether there is any indication that any property, plant and equipment and intangible assets may be impaired. If any such indication exists, the recoverable amount of an asset is estimated to determine the extent of impairment, if any.

If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than it's carrying amount, the carrying amount is reduced to its recoverable amount. An impairment loss is recognized in the Statement of the Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

(f) Investments

Investments are carried at cost.

(g) Inventories

The media content (copyrights) is stated at lower of cost/carrying cost or net realisable value. The Company evaluates the net realisable value and/or revenue potential of inventory based on management estimate of market conditions and future demand and appropriate impairment is made in cases where accelerated impairment is warranted.

The copyrights are valued at a percentage of cost based on the nature of rights, as estimated by the Management. The Company evaluates the net realisable value and/or revenue potential of inventory based on management estimate of market conditions and future demand and appropriate write down is made in cases where accelerated write down is warranted.

Inventories of Raw material Stock are valued at cost or estimated net realizable value whichever is lower.

Projects in progress and movies under production are stated at cost. Cost comprises the cost of materials, the cost of services, labour and other expenses, to the extent they are incurred for creating an asset.

Inventories of physical media which consists of DVDs, Blu-ray, Physical Equipment & Merchandising are valued on FIFO basis.

The borrowing costs directly attributable to a movie is capitalised as part of the cost.

(h) Trade receivables

Trade receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due or payments are already due but yet to be realized).

(i) Cash and cash equivalents

Cash comprises cash in hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

(j) Cash Flow Statement

Cash flows from operating activities are stated using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated in a manner which is most appropriate to the business.

(k) Financial Assets**A. Initial recognition and measurement:**

All financial assets are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. Subsequent measurement:**(a) Financial assets carried at amortised cost**

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(b) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(c) Financial assets carried at fair value through profit or loss (FVTPL)

A financial asset which is not classified in the above categories are fair valued through profit or loss.

C. Investment in subsidiaries, associates and joint ventures:

The Company has accounted for its investments in subsidiaries, associates and joint venture at cost.

D. Impairment of Financial assets:

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment assessment of financial assets other than those measured at fair value through profit and loss (FVTPL).

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. Every year, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed

l) Financial Liabilities**A. Initial recognition and measurements:**

All financial liabilities are recognized initially at fair value and in case of loans net of directly attributable cost. Fees of recurring nature are directly recognised in profit or loss as finance cost.

B. Subsequent measurement:

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(m) Leases

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset; (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease; and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset (“ROU”) and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that the option to extend will be exercised and the option to terminate will not be exercised.

The right-of use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e., the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cashflows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs to the lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment of whether it will exercise an extension or a termination option. Lease liability and ROU Asset are separately presented in the Balance Sheet and lease payments are classified as financing cash flows.

(n) Employee Benefits**Short Term Employee Benefits**

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Long Term Employee Benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the Balance Sheet date on the basis of actuarial valuation.

Post-employment Benefits

Defined Contribution Plans

A Defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions towards Provident Fund and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined Benefit Plans: -

Gratuity

The liability in respect of gratuity and other postemployment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employee's services.

Re-measurement of Defined benefit plans in respect of post-employment and other long-term benefits are charged to the Other Comprehensive Income.

(o) Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity.

Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance Sheet date.

Deferred Tax

Deferred Tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are recognised for all taxable temporary differences except to the extent they arise from the initial recognition of goodwill or from initial recognition of an asset or liability in a transaction which is not a business combination & at the time of the transaction affects neither accounting profit nor taxable profit (tax loss).

Deferred income tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax assets to be utilised.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

(p) Foreign currencies transactions and translation

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Exchange differences arising on settlement or translation of monetary item are recognised in Statement of Profit and Loss.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

(q) Revenue recognition

Revenue is recognised to the extent that it is probable that economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the transaction value.

1. Sale of Content, Content Production, Film Distribution and Syndication - Revenue is recognised, when the Company satisfies the performance obligation by transferring the control over the item in accordance with the agreed terms.

Contract assets - Unbilled Revenue

A contract asset is the right to consideration in exchange for services transferred to the customer. If the Company transfers services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional. Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled revenues (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

2. Broadcasting revenue - Advertisement revenue (net of discount and volume rebates) is recognised when the related advertisement or commercial appears before the public i.e. on telecast. Subscription revenue (net of share to broadcaster) is recognised on time basis on the provision of television / digital broadcasting service to subscribers.

3. Sale of goods

Revenue from sale of goods (ACDs/VCDs/ DVDs/ACS/BRDs) is recognised when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of goods measured at the transaction value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates and excluding taxes or duties collected on behalf of the government.

4. Subscription Revenue

A contract liability is the obligation to transfer services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers services to the customer, a contract liability is recognised when the payment is made, or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company satisfies its performance obligation under the contract. Unearned and deferred revenue is recognised when there are billings in excess of revenues

(r) Other income**(i) Interest Income**

Interest Income from a financial asset is recognised based on Effective Interest Rate (EIR). Interest Income is included under the head "other income" in the statement of profit and loss.

(ii) Dividend Income

Dividend income is recognised when the Group's right to receive the payment has been established, it is probable that the economic benefits associated with the dividend will flow to the company & the amount of dividend can be measured reliably.

(iii) Rent Income

Rent Income is recognised on accrual basis as per the agreed terms on straight line basis.

(s) Earnings per share

Basic earnings per share is computed by dividing the profit/(loss) attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For calculating diluted earnings per share, the profit or (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding are adjusted for the effects of all dilutive potential equity shares.

(t) Provisions, contingent liabilities & contingent assets

Provisions are recognised when the Company has a present obligation as a result of a past events; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a financial cost.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Provisions and contingent liabilities are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. Contingent assets are neither recognised nor disclosed in the financial statements.

(u) Investment property

Investment in buildings that is not intended to be occupied substantially for use by, or in the operations of the Company, are classified as investment property. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. All repairs and maintenance costs incurred for the investment properties are charged to statement of profit and loss account when incurred.

Investment properties are depreciated using the straight-line basis over its estimated useful lives. Useful life of the same is estimated as 58 years after considering estimated residual value as 5%.

Though the Company measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes (Refer Note 3(b)). Fair values are determined based on ready reckoner rates as specified by State Government. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical carrying value.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition.

38 Financial risk management objectives and policies

Financial Risk Management Framework

The Company is exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks include credit risk, market risk and liquidity risk. The Company’s risk management policies are established to identify and analyse the risks faced by the Company and seek to, where appropriate, minimize potential impact of the risk and to control and monitor such risks. There has been no change to the Company’s exposure to these financial risks or the manner in which it manages and measures the risks. The following sections provide details regarding the Company’s exposure to the financial risks associated with financial instruments held in the ordinary course of business and the objectives, policies and processes for management of these risks.

A. Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Credit risk arises primarily from financial assets such as trade receivables, balances with banks and loan and other receivables.

Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit. Financial instruments that are subject to concentrations of credit risk principally consist of trade receivables, cash and bank balances and loans. None of the financial instruments of the Company result in material concentration of credit risk.

Exposure to credit risk

At the end of the reporting period, the Company’s maximum exposure to credit risk is represented by the carrying amount of each class of financial assets recognised in the statement of financial position. No other financial assets carry a significant exposure to credit risk.

Financial assets that are neither past due nor impaired

None of the Company’s cash equivalents, loans and other financial assets were either past due or impaired as at the respective reporting period. The Company has diversified its portfolio of investment in cash and cash equivalents and term deposits with various banks which have secure credit ratings, hence the risk is reduced. Loans given to related parties and others are tested for impairment where there is an indicator and the assessed credit risk associated with such loans is relatively low. Other financial assets represent security deposits given to lessors and other assets. Credit risk associated with such deposits and other assets is relatively low.

The Company’s credit period for trade receivables from its customers generally ranges from 30 - 180 days. The ageing of trade receivables is given below:

	As at 31 March 2025	As at 31 March 2024
Neither past due nor impaired		
<i>Past due but not impaired:</i>		
Less than 365 days	65.15	80.10
More than 365 days	-	-

Less: Allowance for credit losses	-	-
	65.15	80.10

Ind AS requires expected credit losses to be measured through a loss allowance. The Company assesses at each balance sheet date whether a financial asset or a group of financial assets are impaired. Expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition. The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix if they past due. The provision matrix takes into account historical credit loss experience and is adjusted for forward-looking information.

39.Financial risk management objectives and policies (cont'd)

A.Liquidity risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company manages liquidity risk by maintaining cash and cash equivalents and the cash flows generated from operations.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

As at 31 March 2025	Up to 1 year	More than 1 year	Total
Borrowings	-	-	-
Lease liabilities	-	-	-
Trade payables	25.85	-	25.85
Other financial liabilities	-	6.30	-
	32.15	-	32.15

As at 31 March 2024	Up to 1 year	Up to 1 year	More than 1 year
Borrowings	-	-	-
Lease liabilities	-	-	-
Trade payables	95.97	-	95.97
Other financial liabilities	-	18.03	-
	114.00	-	114.00

B. Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates and interest rates will affect the Company's income. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

i. Foreign currency risk:

Foreign currency risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates. The majority of Company's revenue is generated in foreign currencies (primarily in United States Dollars), while a significant portion of its costs are in Indian rupees. As a result, as the rupee appreciates or depreciates against foreign currencies, the results of the entity's operations are impacted. The Company does not use financial derivatives such as foreign currency forward contracts.

- (a) Significant unhedged foreign currency risk exposure relating to financial assets and financial liabilities expressed in ₹ terms are as follows:

	31 March 2025	31 March 2024
Financial liabilities		
Trade payables	2.52	1.89
- USD	2.52	1.89

- (b) Foreign currency sensitivity:

The following table demonstrates the sensitivity to a reasonably possible change in foreign currencies ('FC'), with all other variables held constant:

	Impact on profit after tax / equity for the year ended			
	Appreciation in FC by 5%		Depreciation in FC by 5%	
	31 March 2025	31 March 2024	31 March 2025	31 March 2024
Foreign currency				
USD	0.13	0.09	(0.13)	(0.09)

ii Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Company and the Company's financial instruments will fluctuate because of changes in market interest rates. The Company's exposure to interest rate risk relates primarily to the floating interest rate borrowings. The Company's investment in deposits with banks and loans are fixed interest rates and therefore do not expose the Company to significant interest rate risk.

The Company's exposure to changes in interest rates relates primarily to the Company's outstanding floating rate borrowings. The exposure of the Company to variable rate borrowings at the end of the reporting period are as follows:

	31 March 2025	31 March 2024
Variable rate borrowings	-	-

Interest rate sensitivity

The Company noted that any reasonably possible change in interest rates on the variable rate instruments will not have any material impact on the Company's profit after tax and its equity.

40 Capital risk management

Capital includes equity capital and all reserves attributable to the equity holders of the Company. The primary objective of the capital management is to ensure that it maintain an efficient capital structure and healthy capital ratios in order to support its business and maximise shareholder’s value. The Company manages its capital structure and make adjustments to it, in light of changes in economic conditions or its business requirements. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders return capital to shareholders or issue new shares.

The Company monitors capital using a debt to capital employed ratio which is debt divided by total capital plus debt. The Company’s policy is to keep this ratio at an optimal level.

	31 March 2025	31 March 2024
Debt (includes lease liabilities)	29.69	55.01
Less: Cash and cash equivalents	3.73	165.88

Silly Monks employee stock option scheme 2023

The Company instituted the Silly Monks ESOP 2023 Plan for eligible employees pursuant to the special resolution approved by the shareholders in the Meeting held on July 29, 2023. The Silly Monks ESOP 2023 Plan covers eligible employees.

The Nomination, Governance and Compensation Committee of the Board of the company (the "Committee") administers the Silly Monks ESOP 2023 Plan and grants stock options to eligible employees. The Committee determines which eligible employees will receive options, the number of options to be granted, the exercise price, the vesting period and the exercise period. The vesting period is determined for all options issued on the date of grant. The options issued under the Silly Monks ESOP 2023 Plan vest in periods ranging between one and four years subject to a maximum period of four years from the date of grant of such options.

The company has established Silly Monks Employee Stock Option Scheme, 2023 (Silly Monks ESOP 2023 Plan) with 4,00,000 equity shares.

The exercise price of the options is INR 10 per share. The fair value of the share options is estimated at the grant date using a Black-Scholes Method, taking into account the terms and conditions upon which the share options were granted. However, the above performance condition is only considered in determining the number of instruments that will ultimately vest.

The carrying amount of the liability at 31 March 2025 was INR 10.70 lakhs (31 March 2024: INR 14.19 lakhs).

The expense recognised for employee services received during the year is shown in the following table:

	31 March 2025	31 March 2024
Expense arising from equity-settled share-based payment transactions	3.12	14.19
Total expense arising from share-based payment transactions	3.12	14.19

There were no cancellations or modifications to the awards in year ending 31 March 2025 and 31 March 2024.

INDEPENDENT AUDITOR'S REPORT

To the Members of Silly Monks Entertainment Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Silly Monks Entertainment Limited (“the Company”) and its subsidiaries, (“the Holding company and its subsidiaries together referred to as the “Group”), which comprise the Consolidated Balance Sheet as at 31 March 2025, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), and the Consolidated Statement of Cash Flows and the Consolidated Statement of changes in equity for the year ended on that date, and notes to the financial statements, including a summary of the Material accounting policies and other explanatory information (hereinafter referred to as “consolidated financial statements”)

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 as amended (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (“Ind AS”) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended (“Ind AS”) and other accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at March 31, 2025, and its consolidated profit including comprehensive income, its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the consolidated financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, we do not provide a separate opinion on these matters. We have determined the matters described below as the Key audit matters to be communicated in our report.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor’s responsibilities for the audit of the consolidated financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

Key audit matter	How the matter was addressed in our audit
<p>1) Recognition of Revenue</p> <p>The recognition of revenue from digital marketing, branding & promotions, multi-channel network & syndication of content has been considered to be critical since the company has entered not multiple contracts with the customers.</p> <p>The complexity of these contractual terms also requires the company to make judgements in assigning fulfillment of its obligations under the contracts to recognise the revenue in line with the accounting policy adopted and Indian accounting standard 115</p>	<ul style="list-style-type: none"> - Considered the revenue recognition policies of the company in respect of those contracts and assessed the consistent application of these policies in light of the requirements of relevant accounting standards. - Tested the transactions close to the year end to check the recognition of revenue in the correct period. - Performed substantive procedures with regard to revenue from digital marketing, syndication, multi-channel network by agreeing to third party information, information received from the customers and other relevant information on a sample basis.

Other Matter

- We draw attention to the fact that the previous year financial statements of the Silly Monks Entertainment Limited, have been audited by the other auditor dated May 27, 2024, and opinion expressed by previous auditor is unmodified opinion.
- We did not audit the financial statements and other financial information of one subsidiary included in the consolidated financial statements whose audited financial results and other financial information are as follows

Rs. in Lakhs		
S.No.	Particulars	Year ended 31st March 2025
1	Dream Boat Entertainment LLC	
	- Revenue from operations	2,419.04
	- Net profit/(loss)	0.08

These financial statements have been audited by the other auditor whose reports have been furnished to us by the company and our opinion on the statement, in so far as it relates to the amounts and disclosure included in respect of this subsidiary is based solely on the reports of other auditors and procedures performed by us as stated under Auditor’s responsibilities section above.

Information other than the consolidated financial statements and Auditor's report thereon

- The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report there on.
- Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report on in this regard.

Responsibilities of management and those charged with governance for the consolidated financial statement

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance including other comprehensive Income, cash flows and statement of changes of equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) referred to in Section 133 of Companies Act 2013 read with Companies (Indian Accounting Standards) Rules 2015 as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Holding Company's Board of Directors are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the consolidated financial statements

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We are also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern.

If we conclude that material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the benefits of public interest such communication.

Report on Other Legal and Regulatory Requirements

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to consolidated financial statements of Silly Monks Entertainment Limited (“the Company”) as of 31 March 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Holding & Subsidiary company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Group’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standard on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The

procedure selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of internal financial Controls over Financial reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statement for external purpose in accordance with generally accepted accounting principles. A company’s internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of management and directors of the company; and(3)provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Consolidated Financial Statements

for the year ended 31st March 2025

1. Corporate information

Silly Monks Entertainment Limited (“the Company”), was incorporated September 20, 2013, in accordance with the provisions of the Companies Act, 1956 (“the Act”). With effect from May 24, 2017 the company was converted from a Private Limited Company to a Public Limited Company and consequently, the name of the company changed from Silly Monks Entertainment Private Limited to Silly Monks Entertainment Limited.

The registered office of the Company is Survey No. 91, 3rd Floor, Technical Block, Sundarayya Vignana Kendram (SVK), Gachibowli, Hyderabad, Rangareddi, Telangana - 500032. The Company is primarily engaged in the business of motion picture, radio, television and other entertainment activities.

i) The Company has the following subsidiary Companies:

ii) Silly Monks Entertainment Limited (‘the Company’) and its subsidiaries are collectively referred to as ‘the Group’.

2.1 Basis of accounting and preparation of consolidated financial statements

The financial statements of the Group have been prepared to comply with the Indian Accounting Standards (‘Ind AS’), notified under the relevant provisions of the Companies Act, 2013 (the Act).

The consolidated financial statements have been prepared on the historical cost basis except for certain financial assets and liabilities which have been measured at fair value amount.

Group’s consolidated financial statements are presented in Indian Rupees (₹), which is its functional currency.

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

All assets and liabilities have been classified as current or non-current as per the Group’s normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

2.2 Principles of Consolidation

The Consolidated Financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible in the same manner as the Group’s separate financial statements.

The Consolidated Financial Statements have been prepared on the following basis:

- i) In respect of subsidiary companies, the financial statements have been consolidated on a line- by-line basis by adding together the book values of like item of assets, liabilities, incomes and expenses, after fully eliminating intra-group balances and unrealised profits/losses on intra- group transactions.
- ii) In case of foreign subsidiaries, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in foreign currency translation reserve.
- iii) Offset (eliminate) the carrying amount of the parent’s investment in each subsidiary and the parent’s portion of equity of each subsidiary.
- iv) Non Controlling Interest’s share of profit/loss of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Group.
- v) Associates are entities over which the Company has significant influence but not control. The financial statements have been consolidated as per Ind AS 28 - “Accounting for Investments in Associates & Joint venture” following the Equity Method for Consolidation of Associates. The investment is initially recognised at cost, and the carrying amount is increased or decreased to recognise the investor’s share of the profit or loss of the investee after the acquisition date. The Group’s investment in associates includes goodwill identified on acquisition.
- vi) The results of operations of a subsidiary are included in the Consolidated Financial Statements from the date on which the parent-subsidiary relationship comes into existence. The results of operation of a subsidiary with which the parent- subsidiary relationship ceases to exist are included in the consolidated statement of profit and loss until the date of cessation of the relationship. The difference between the proceeds from the disposal of investment in a subsidiary and the carrying amount of its assets less liabilities as on the date of disposal are recognised as profit or loss on disposal of investment in the subsidiary.
- vii) The Notes and material accounting policies to the consolidated financial statements are intended to serve as a guide for better understanding of the group’s position. In this respect, the group has disclosed such notes and policies, which represent the requisite disclosure.

2.3 Use of estimates

The preparation of financial statements requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known materialize.

2.4 Summary of Material Accounting Policies

(a) Property, Plant & Equipment

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net

charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Cost incurred on Property, Plant and Equipment not ready for their intended use is disclosed as Capital Work-in-Progress. Advances paid towards the acquisition of Property, Plant and Equipment outstanding at each balance sheet date are classified as capital advances under other non-current assets. Unpaid amounts towards acquisition of Property, Plant and Equipment outstanding at each balance sheet date are classified under other current financial liabilities if due within one year from the date of these financial statements and under other non-current financial liabilities if due after a year from the date of these financial statements.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognized.

(b) Intangible assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebate less accumulated amortisation/ depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use and net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and cost can be measured reliably.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognized.

(c) Depreciation and amortisation

Depreciation on property, plant and equipment is provided using straight-line basis using the rates arrived at based on the useful lives estimated by the management, or those prescribed under Part C of Schedule II of the Companies Act, 2013, whichever is lower.

Useful lives are derived after considering estimated residual value of 5 %.

Depreciation for property, plant and equipment purchased/sold during a period is proportionately charged.

Fixed Assets individually costing` 5,000/- or less are fully depreciated in the year of acquisition. The Group has estimated the useful lives for the fixed assets as follows:

Asset	Useful life (in years)
Computers	3
Furniture and fixtures	10
Office equipment	5
Vehicles	10

* In case of office equipments, useful life is estimated to approximate their expected wear & tear, which is higher than the one prescribed under Part C of Schedule II.

(d) Borrowing Costs

Borrowing Cost includes interest expense calculated using the effective interest method under Ind AS 109 and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective asset.

All other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

(e) Impairment of non-financial assets - property, plant and equipment and intangible assets

The Group assesses at each reporting dates as to whether there is any indication that any property, plant and equipment and intangible assets may be impaired. If any such indication exists the recoverable amount of an asset is estimated to determine the extent of impairment, if any.

If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. An impairment loss is recognized in the Statement of the Profit and Loss to the extent, asset’s carrying amount exceeds its recoverable amount.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

(f) Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as non-current investments.

On the initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or

partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

Current investments are carried in the financial statements at cost. Non-Current investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit or loss.

(g) Inventories

The media content (copyrights) are stated at lower of cost/carrying cost or realisable value. The Group evaluates the realisable value and/or revenue potential of inventory based on management estimate of market conditions and future demand and appropriate impairment is made in cases where accelerated impairment is warranted.

The copyrights are valued at a percentage of cost based on the nature of rights, as estimated by the Management. The Group evaluates the realisable value and/or revenue potential of inventory based on management estimate of market conditions and future demand and appropriate write down is made in cases where accelerated write down is warranted.

Inventories of Raw material Stock are valued at cost or estimated net realizable value whichever is lower.

Projects in progress and movies under production are stated at cost. Cost comprises the cost of materials, the cost of services, labour and other expenses, to the extent they are incurred for creating an asset.

Inventories of physical media which consists of DVDs, Blu-ray, Physical Equipments & Merchandising are valued on FIFO basis.

The borrowing costs directly attributable to a movie/game is capitalised as part of the cost.

(h) Cash and cash equivalents

Cash comprises cash in hand and demand deposits with banks. Cash equivalents are short- term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

(i) Cash Flow Statement

Cash flows from operating activities are stated using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated in a manner which is most appropriate to the business.

(j) Financial Assets**A. Initial recognition and measurement:**

All financial assets are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. Subsequent measurement:**a) Financial assets carried at amortised cost**

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets carried at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in the above categories are fair valued through profit or loss.

C. Equity Investments:

All equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Group has elected to present the value changes in 'Other Comprehensive Income'.

D. Investment in associates and joint ventures:

The Group has accounted for its investments in associates and joint venture at cost.

E. Impairment of Financial assets :

In accordance with Ind AS 109, the Group uses 'Expected Credit Loss' (ECL) model, for evaluating impairment assessment of financial assets other than those measured at fair value through profit and loss (FVTPL).

The Group measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a

significant increase in credit risk.

As a practical expedient, the Group uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. Every year, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

(k) Financial Liabilities

A. Initial recognition and measurements:

All financial liabilities are recognized initially at fair value and in case of loans net of directly attributable cost. Fees of recurring nature are directly recognised in profit or loss as finance cost.

B. Subsequent measurements:

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts are the approximate fair value due to the short maturity of these instruments.

(l) Leases

The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether:

- (i) the contract involves the use of an identified asset;
- (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease; and
- (iii) the Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes a right-of-use asset (“ROU”) and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that the option to extend will be exercised and the option to terminate will not be exercised.

The right-of use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cashflows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Group changes its assessment of whether it will exercise an extension or a termination option. Lease liability and ROU asset are separately presented in the Balance Sheet and lease payments are classified as financing cash flows.

(m) Employee Benefits

Short Term Employee Benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Long Term Employee Benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability as at the Balance Sheet date on the basis of actuarial valuation.

Defined Contribution Plans

A Defined contribution plan is a post-employment benefit plan under which the Group pays specified contributions towards Provident Fund, Employee State Insurance and Pension Scheme. The Group's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined Benefit Plans: - Gratuity

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employee's services.

Re-measurement of Defined benefit plans in respect of post-employment and other long-term benefits are charged to the Other Comprehensive Income.

(n) Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity.

Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance Sheet date.

Deferred Tax

Deferred Tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred income tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax assets to be utilised.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

(o) Foreign currencies transactions and translation

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Exchange differences arising on settlement of transactions are recognised in Statement of Profit and Loss.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

Assets and liabilities of entities with functional currency other than the functional currency of the Company have been translated using exchange rates prevailing on the balance sheet date. Statement of profit and loss of such entities has been translated using weighted average exchange rates. Translation adjustments have been recognised in Other Comprehensive Income in the statement of Profit and Loss and reported as foreign currency translation reserve in the statement of changes in equity.

(p) Revenue recognition

‘Ind AS 115 ‘Revenue from Contracts with Customers’

Revenue is recognised to the extent it is probable that economic benefits will flow to the Group and the revenue can be reliably measured. Revenue is measured at the transaction value.

1.Sales of Content, Content Production, Film Distribution and Syndication - Revenue is recognised, when the company satisfies the performance obligation by transferring the control over the item in accordance with the agreed terms.

Contract balances

Contract assets - Unbilled Revenue

A contract asset is the right to consideration in exchange for services transferred to the customer. If the Company transfers services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional. Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled revenues (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Trade receivables

A receivable represents the Company’s right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due or payments are already due but yet to be realized).

Contract Liability

A contract liability is the obligation to transfer services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers services to the customer, a contract liability is recognised when the payment is made, or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company satisfies its performance obligation under the contract. Unearned and deferred revenue is recognised when there are billings in excess of revenues.

2.Broadcasting revenue - Advertisement revenue (net of discount and volume rebates) is recognised when the related advertisement or commercial appears before the public i.e. on telecast. Subscription revenue (net of share to broadcaster) is recognised on time basis on the provision of television / digital broadcasting service to subscribers.

3.Sale of goods

Revenue from sale of goods (ACDs/VCDs/ DVDs/ACS/BRDs) is recognised when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of goods measured at the transaction value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates and excluding taxes or duties collected on behalf of the government.

4. Income from Services

Revenues from services are recognised when contractual commitments are delivered net of returns, trade discounts and rebates. The Group collects Indirect taxes, if and where applicable, on behalf of the government and, therefore, it is not an economic benefit flowing to the Group. Hence, it is excluded from revenue.

(q) Other income

i) Interest Income

Interest Income from a financial asset is recognised based on Effective Interest Rate (EIR). Interest Income is included under the head “other income” in the statement of profit and loss.

ii) Dividend Income

Dividend income is recognised when the Group’s right to receive the payment has been established, it is probable that the economic benefits associated with the dividend will flow to the company & the amount of dividend can be measured reliably.

iii) Rent Income is recognised on accrual basis as per the agreed terms on straight line basis.

(r) Income in relation to rights purchased

In respect of satellite rights: As per the terms and conditions of the agreement with producer/seller, with respect to the date of agreement of purchase and the existence of Censor Certificate.

In respect of other rights like Video and other rights: On the date of the agreement of purchase with producer/seller, provided the Censor Certificate is in existence.

(s) Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. For calculating diluted earnings per share, the profit or (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding are adjusted for the effects of all dilutive potential equity shares.

(t) Provisions, contingent liabilities & contingent assets

Provisions are recognised when the Group has a present obligation as a result of past events; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a financial cost.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Provisions and contingent liabilities are reviewed at the end of each reporting period and adjusted to reflect the current

best estimate. Contingent assets are neither recognised nor disclosed in the financial statements.

(u) Investment property

Investment in buildings that is not intended to be occupied substantially for use by, or in the operations of the Group, are classified as investment property. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. All repairs and maintenance costs incurred for the investment properties are charged to statement of profit and loss account when incurred.

Investment properties are depreciated using the straight-line basis over its estimated useful lives. Useful life of the same is estimated as 58 years after considering estimated residual value as 5%.

Though the Group measures investment property using cost-based measurement, the fair value of investment property is disclosed in the notes (Refer note 3b). Fair values are determined based on ready reckoner rate as specified by State Government. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical carrying value.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition.

38. Financial risk management objectives and policies

Financial Risk Management Framework

The Company is exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks include credit risk, market risk and liquidity risk. The Company’s risk management policies are established to identify and analyse the risks faced by the Company and seek to, where appropriate, minimize potential impact of the risk and to control and monitor such risks. There has been no change to the Company’s exposure to these financial risks or the manner in which it manages and measures the risks. The following sections provide details regarding the Company’s exposure to the financial risks associated with financial instruments held in the ordinary course of business and the objectives, policies and processes for management of these risks.

A. Credit Risk

'Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Credit risk arises primarily from financial assets such as trade receivables, balances with banks and loan and other receivables.

'Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit. Financial instruments that are subject to concentrations of credit risk principally consist of trade receivables, cash and bank balances and loans. None of the financial instruments of the Company result in material concentration of credit risk.

'At the end of the reporting period, the Company’s maximum exposure to credit risk is represented by the carrying amount of each class of financial assets recognised in the statement of financial position. No other financial assets carry a significant exposure to credit risk.

Financial assets that are neither past due nor impaired

'None of the Company’s cash equivalents, loans and other financial assets were either past due or impaired as at the respective reporting period. The Company has diversified its portfolio of investment in cash and cash equivalents and term deposits with various banks which have secure credit ratings, hence the risk is reduced. Loans given to related parties and others are tested for impairment where there is an indicator and the assessed credit risk associated with such loans is relatively low. Other financial assets represent security deposits given to lessors and other assets. Credit risk associated with such deposits and other assets is relatively low.

The Company’s credit period for trade receivables from its customers generally ranges from 30 - 180 days. The ageing of trade receivables is given below:

Particulars	As at 31 March 2025	As at 31 March 2024
Neither past due nor impaired		
<i>Past due but not impaired:</i>		
Less than 365 days	68.29	84.01
More than 365 days	-	-
Less: Allowance for credit losses	-	-
	68.29	84.01

Ind AS requires expected credit losses to be measured through a loss allowance. The Company assesses at each balance sheet date whether a financial asset or a group of financial assets are impaired. Expected credit

losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition. The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix if they past due. The provision matrix takes into account historical credit loss experience and is adjusted for forward-looking information.

39. Financial risk management objectives and policies (cont'd)

A. Liquidity risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company manages liquidity risk by maintaining cash and cash equivalents and the cash flows generated from operations.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

As at 31 March 2025	Up to 1 year	More than 1 year	Total
Borrowings	-	-	-
Lease liabilities	-	-	-
Trade payables	216.27	-	216.27

Trade payables	249.3	-	249.3
Other financial liabilities	18.03	-	18.03
	267.33	-	267.33

B. Market Risk

'Market risk is the risk that changes in market prices, such as foreign exchange rates and interest rates will affect the Company's income. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

i. Foreign currency risk:

'Foreign currency risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates. The majority of Company's revenue is generated in foreign currencies (primarily in United States Dollars), while a significant portion of its costs are in Indian rupees. As a result, as the rupee appreciates or depreciates against foreign currencies, the results of the entity's operations are impacted. The Company does not use financial derivatives such as foreign currency forward contracts.

a. Significant unhedged foreign currency risk exposure relating to financial assets and financial liabilities expressed in ₹ terms are as follows:

	Depreciation in FC by 5%	
	31-Mar-25	31-Mar-24
Foreign currency		
USD	-	-
EURO	-	-

ii. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Company and the Company's financial instruments will fluctuate because of changes in market interest rates. The Company's exposure to interest rate risk relates primarily to the floating interest rate borrowings. The Company's investment in deposits with banks and loans are fixed interest rates and therefore do not expose the Company to significant interest rate risk.

The Company's exposure to changes in interest rates relates primarily to the Company's outstanding floating rate borrowings. The exposure of the Company to variable rate borrowings at the end of the reporting period are as follows:

Particulars	31 March 2025	31 March 2024
Variable rate borrowings	-	-

Interest rate sensitivity

The Company noted that any reasonably possible change in interest rates on the variable rate instruments will not have any material impact on the Company's profit after tax and its equity.

40. Capital risk management

Capital includes equity capital and all reserves attributable to the equity holders of the Company. The primary objective of the capital management is to ensure that it maintain an efficient capital structure and healthy capital ratios in order to support its business and maximise shareholder's value. The Company manages its capital structure and make adjustments to it, in light of changes in economic conditions or its business requirements. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders return capital to shareholders or issue new shares.

The Company monitors capital using a debt to capital employed ratio which is debt divided by total capital plus debt. The Company's policy is to keep this ratio at an optimal level.

44. Employee stock incentive plans

Silly Monks employee stock option scheme 2023

The Company instituted the Silly Monks ESOP 2023 Plan for eligible employees pursuant to the special resolution approved by the shareholders in the Meeting held on July 29, 2023. The Silly Monks ESOP 2023 Plan covers eligible employees.

The Nomination, Governance and Compensation Committee of the Board of the company (the "Committee") administers the Silly Monks ESOP 2023 Plan and grants stock options to eligible employees. The Committee determines which eligible employees will receive options, the number of options to be granted, the exercise price, the vesting period and the exercise period. The vesting period is determined for all options issued on the date of grant. The options issued under the Silly Monks ESOP 2023 Plan vest in periods ranging between one and four years subject to a maximum period of four years from the date of grant of such options.

The company has established Silly Monks Employee Stock Option Scheme, 2023 (Silly Monks ESOP 2023 Plan) with 4,00,000 equity shares.

The exercise price of the options is INR 10 per share. The fair value of the share options is estimated at the grant date using a Black-Scholes Method, taking into account the terms and conditions upon which the share options were granted. However, the above performance condition is only considered in determining the number of instruments that will ultimately vest.

The carrying amount of the liability at 31 March 2025 was INR 10.70 lakhs (31 March 2024: INR 14.19 lakhs).

The expense recognised for employee services received during the year is shown in the following table:
