Letter from Managing Director:

My sincere regards to all,

I am presenting 8th Annual Report of your Company for the Financial Year 2024-25. This is the Eighth Annual Report of your Company, company is listed at NSE Emerge SME Platform.

It has truly been a year of much learning. As always, we worked relentlessly to offer solutions that deliver enhanced value to a wide cross section of consumers, communities and citizens. The world has been fighting the Covid-19 pandemic for more than a two year now, and the struggle has had deleterious economic effects. The global economy contracted by the largest contraction. On positive side, various Government initiatives and were quick to respond to the crisis.

Details of our growth Strategies and your company' performances during Financial Year 2024-25 have been elaborated in the Directors' Report and Management Discussion Analysis Report Section of this Annual Report.

We are committed towards growth and various measures have been implemented towards this. We are constantly working on digitization of the business for ease of doing business and improve our customer database. We are expanding our network to reach large number of customers.

I complement each and every member of the VASA family for their valuable contribution at all levels during the year. I also take this opportunity to thank all the stakeholders – employees, bankers, investors, customers, suppliers, government authorities, regulators and the management team for their support & association with VASA and I look forward to a positive interaction with all in the days to come.

Yours Sincerely,

Mr. Hardik Bhupendra Vasa
Chairman & Managing Director

ANNEXURE – III – TO DIRECTOR’S REPORT

MANAGEMENT’S DISCUSSION AND ANALYSIS REPORT

1. Industry Structure and Developments:

The stationery industry continues to remain an essential sector driven by demand from schools, colleges, and offices. However, in recent years, the sector has faced headwinds due to increased adoption of digital alternatives, rising input costs, and intense competition from unorganized players. The demand from corporate customers has also been muted with reduced office activities and cost-cutting initiatives.

2. Opportunities and Threats:

- **Opportunities:**

- Scope for diversification into eco-friendly, recyclable, and customized stationery.
- Growing demand for institutional and bulk supplies in the education sector.
- E-commerce platforms offering wider reach to newer customer segments.

- **Threats:**

- Declining consumption of traditional stationery due to digitalization.
- Fluctuations in raw material costs, particularly paper and ink.
- Margin pressures due to competition from low-cost, unorganized sector players.
- Reduced discretionary spending by corporates and retail customers.

3. Segment-wise or Product-wise Performance:

During the year, the Company witnessed lower demand across retail and institutional segments, resulting in a slowdown in sales. Traditional products such as notebooks and writing instruments recorded subdued performance. The Company has initiated steps to explore newer product lines and cost efficiency measures to maintain competitiveness.

4. Outlook:

Given the current market environment, the Company expects demand to remain subdued in the short term. The management is focused on optimizing costs, improving operational efficiency, and exploring newer revenue streams such as customized and eco-friendly products. The outlook for the industry remains cautious, but opportunities exist in niche categories and digital integration.

5. Risks and Concerns:

The major concerns for the Company include sustained slowdown in demand, rising input costs, and increasing competition from digital tools. The Company is actively reviewing its business model and is adopting strategies to mitigate these risks, including rationalization of product portfolio and strengthening its distribution network.

6. Internal Control Systems and Their Adequacy:

The Company has in place adequate internal control systems, commensurate with the size of operations. These systems are periodically reviewed and strengthened to ensure reliability of financial reporting and compliance with applicable laws.

7. Financial Performance with Respect to Operational Performance:

The details of Company performance is as follows, further the decline was mainly attributable to reduced demand and price pressure in the market. Profitability was impacted due to lower sales volumes and higher input costs, though the Company has initiated measures to control overheads and improve efficiency, also company doesnot have any income during the year.

(Rs. In Lakhs except EPS)

Particular	As on 31 st March, 2025	As on 31 st March, 2024

8. Human Resources and Industrial Relations:

The Company continues to focus on skill development, employee productivity, and efficient deployment of resources. Industrial relations remained cordial throughout the year.

Independent Auditor's Report

To The Members of Vasa Retail and Overseas Limited

Report on the audit of the Standalone Annual Financial Statements Qualified

Opinion

We have audited the accompanying standalone financial results (the "Statement") of **Vasa Retail and Overseas Limited** ('the Company') which comprise the balance sheet as at March 31, 2025, and statement of Profit and loss, and Statement of Cash flows for the year then ended, and notes to the financial statement including summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements")

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in the Basis for Qualified Opinion section of our report, these annual standalone annual financial results:-

- (a) are presented in accordance with the 7 requirements of Regulation 33 of the SEBI LODR of the Listing Regulations in this regard; and
- (b) give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Accounting Standards, and other accounting principles generally accepted in India, of the net loss and other financial information for the year ended 31 March 2025.

Basis for Qualified Opinion

We draw attention to Note 35 of the Statement, regarding the expiry of license agreement between Oxford Limited ("Oxford") and the Company ("Vasa") during the year due to permanent discontinuance of business operations and activities by Oxford due to Covid-19 impact. Due to expiry of the agreement and as a contractual obligation, company has to either return the goods to Oxford or dispose the stock as the contractual terms. Since the company has not performed any of the disposal activity, we are unable to comment on the recovery and realisability of the reported stock.

Further, pending impairment review by the Company of all the assets and liabilities as at March 31, 2025, no provision in the books of account has been made by the Company. In the at impairment by the Company & pending confirmation, we are unable to comment on the Recoverable / payable amount with regards to said terms and consequential impact, if any, on the Statement.

We conducted our audit in accordance with the Standards on Auditing ("SAs")

specified under Section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Standalone Annual Financial Results* section of our report. We are independent of the Company, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone annual financial results.

Key Audit Matters

Key Audit Matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended March 31, 2025. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the AS financial statements. The results of audit procedures performed by us, including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone financial statements.

Key Audit Matters	How our audit addressed the key audit matter
1. Revenue Recognition	
<ul style="list-style-type: none"> • Revenue is measured net of discounts, rebates and incentives earned by customers on the Company's sales. • Revenue is recognized when the control of the underlying products has been transferred to the customer. There is a risk of revenue being overstated due to fraud resulting from the pressure on management to achieve performance targets at the reporting period end. 	<p>Our audit procedures included:</p> <ul style="list-style-type: none"> • Assessing the appropriateness of the revenue recognition accounting policies, including those relating to exports, discounts, rebates and incentives by comparing with applicable accounting standards. • Performing substantive testing (including year-end cutoff testing) by selecting samples of revenue transactions recorded during the year by verifying the

Considered the adequacy of the Company's disclosures in respect of revenue.
<p>2. Inventory Valuation</p>	
<ul style="list-style-type: none"> Inventories are held at the lower of cost and net realizable value (NRV). Due to high volume and nature of products, the company is dealing with and the absence of adequate records, valuation of inventory may be misstated. Also, NRV is being based on the assumptions / judgment of the management. Inappropriate assumptions of NRV can impact the assessment of the carrying value of inventories. 	<p>Our audit procedures included:</p> <ul style="list-style-type: none"> Assessing the appropriateness of the inventory valuation method followed by the management and by comparing with applicable accounting standards. Performing substantive testing (including year – end cutoff testing) by selecting samples of inward and outward movement of inventory during the year by verifying the underlying documents, which included sales invoices/purchase invoice and bill of entry. Evaluating the design and implementation of the Company's internal controls over the Net Realizable Value (NRV) assessment.
<p>3. Recoverability of Indirect Tax Receivables</p>	
<ul style="list-style-type: none"> As at March 31, 2025, other current assets in respect of balance with revenue authorities include GST Refund (incl. TRAN 1 Balance) and MVAT Refund amounting to INR 36.83 Lakhs which are pending adjudication. 	<ul style="list-style-type: none"> We have involved our internal experts to review the nature of the amounts recoverable, the sustainability and the likelihood of recoverability upon final resolution.
<p>4. Litigations & Claims</p>	
	<p>Our procedures included:</p>

<ul style="list-style-type: none"> • The Company operates in complex regulatory environment, exposing it to a variety of different central and state laws, regulations and interpretations thereof. In this regulatory environment, there is an inherent risk of litigations and claims. • Consequently, provisions and contingent liability disclosures may arise from direct and indirect tax proceedings, legal proceedings, including regulatory and other government/department proceedings, as well as investigations by authorities and commercial claims. • Management applies significant judgment in estimating the likelihood of the future outcome in each case when considering whether, and how much, to provide or in determining the required disclosure for the potential exposure of each matter. • These estimates could change substantially over time as new facts emerge as each legal case progress. • Given the inherent complexity and magnitude of potential exposures across the Company and the judgment necessary to estimate the amount of provisions required or to determine required disclosures, this is a key audit matter. 	<ul style="list-style-type: none"> • Reviewing the outstanding litigations against the Company for consistency with the previous years. Enquire and obtain explanations for movement during the year. • Discussing the status of significantly known actual and potential litigations with the senior management personnel who have knowledge of these matters and assessing their responses. • Reading the latest correspondence between the Company and the various tax/legal authorities and review of correspondence with / legal opinions obtained by the management, from external legal advisors, where applicable, for significant matters and considering the same in evaluating the appropriateness of the Company's provisions or disclosures on such matters. • Examining the Company's legal expenses and reading the minutes of the board meetings, in order to ensure that all cases have been identified. • With respect to tax matters, involving our tax specialists, and discussing with the Company's tax officers, their views and strategies on significant cases, as well as the related technical grounds relating to their conclusions based on applicable tax laws. • Assessing the decisions and rationale for provisions held or for decisions not to record provisions or make disclosures. • For those matters where management concluded that no provisions should be recorded, considered the adequacy and completeness of the Company's disclosures.
---	--

We have determined that there are no other key audit matters to communicate in our report.

Material Uncertainty Relating to Going Concern & Subsequent Events

We draw attention to Note 4 & 5 of the Statement in view of potential impact of Covid-19 pandemic and nationwide lockdown on business, the outcome of which cannot be

presently ascertained and other matters mentioned above. The Company continues to incur losses and its current liabilities exceed current assets, its manufacturing operations haven temporarily suspended and there is considerable decline in the level of operations. Further, the Company has defaulted in repayment of its borrowings and payment of statutory dues during the financial year 2024-25 and the lenders have turned the account as Non-performing Assets (“NPA”).

These events raise significant doubt on the ability of the Company to continue as a "Going Concern". These events or conditions, along with other matters indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern.

Our opinion is not modified in respect of the above matter.

Information Other than the Standalone Financial Statements and Auditor’s Report Thereon:

The Company’s Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor’s report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Managements and Board of Directors' Responsibilities for the Standalone Annual Financial Statements

The Company’s Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (AS) prescribed under section 133 of the Act, read with Companies (Accounts) Rules, 2014, as amended and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in

accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone annual financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial results made by the Management and Board of Directors.

- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's reports:

However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone annual financial results, including the disclosures, and whether the standalone annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the Standalone Financial Results of the Company to express an opinion on the Standalone Financial Results.

Materiality is the magnitude of misstatements in the Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse

consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section 11 of section 143 of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this report are in agreement with the books of account;

d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Accounts) Rules, 2014, as amended;

e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act;

f) With respect to the adequacy of the internal financial controls with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses a qualified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;

g) No managerial remuneration was paid during the FY 2024-25. In our opinion, the managerial remuneration for the year ended March 31, 2025 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;

h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations as at 31 March 2025 on its financial position in its standalone financial statements.

ii. The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

iii. There were no amounts which were required to be to the Investor Education and Protection Fund by the Company during the year ended March 31, 2025;

iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. The Company has neither declared nor paid any dividend during the year.

Other Matters

The standalone annual financial results include the results for the half year ended 31st March, 2025 being the balancing figure between the audited figures in respect of full financial year and the published unaudited year to date figures up to the half year of

the current financial year which were subject to limited review by us.

ANNEXURE “A” TO THE INDEPENDENT AUDITORS’ REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF VASA RETAIL AND OVERSEAS LIMITED

With reference to the Annexure “A” referred to in Paragraph 1 under the hearing “Report on other legal and regulatory requirements” of our report of even date:

In terms of the information and explanations sought by us and given by the company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

1. In respect of Property, Plant and Equipment’s

(a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and investment properties.

(b) We are informed that the Company physically verifies its assets over a three year period. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this policy, the Company has physically verified some of the fixed assets on sample basis during the year and no material discrepancies were identified on such physical verification. However, the record relating to physical verification has not been maintained by the Company.

(c) There are no immovable properties in the name of the company. Accordingly, provisions of clauses 3(i)(c) of the Order are not applicable to the Company.

(d) The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended March 31, 2025.

(e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

2. In respect of Inventories

(a) As per information and explanation provided to us, the management has conducted physical verification of inventory at reasonable intervals during the year. In our opinion the coverage and the procedure of such verification by the management is appropriate. Discrepancies on such physical verification were less than 10% in aggregate for each class of inventory and have been properly dealt with in the books of account. In our opinion, the company does not maintain adequate inventory records; therefore we are unable to give our opinion on discrepancies between book records and physical inventory. We have relied upon the certificate provided by the management of the company for the quantity as well as the amount of inventory and accordingly the same has been considered by us.

(b) As disclosed in the standalone financial statements, the Company has been sanctioned working capital limits in excess of Rs. Five crores in aggregate from banks during the year on the basis of security of current assets of the Company. Based on the records examined by us in the normal course of audit of the standalone financial statements, the quarterly returns / statements filed by the Company with such banks and financial institutions are not in agreement with the books of accounts of the Company.

3. Compliance under section 189 of the Companies Act, 2013

(a) The Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnership or any other parties during the year. The Company has not made any investments in firms and limited liability partnership.

(b) According to the information and explanations given to us and based on the audit procedures conducted by us, we are of the opinion that the investments made during the year are, prima facie, not prejudicial to the interest of the Company.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not given any loans and advances in the nature of loans to any party during the year. Accordingly, provisions of clauses 3(iii)(c) to (f) of the Order are not applicable to the Company.

4. Compliance under section 185 and 186 of the Companies Act, 2013

The company has not granted any loans or provided any guarantees or given any security or made any investments to which the provision of section 185 and 186 of the Companies Act, 2013. Accordingly, paragraph 3 (iv) of the order is not applicable.

5. Compliance under section 73 to 76 of the Companies Act, 2013 and Rules framed thereunder while accepting deposits

The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.

6. Maintenance of cost records: As informed to us, the Central Government has not prescribed maintenance of cost records under Section 148 (1) of the Act.

7. Deposit of Statutory Dues

(a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, we observed that there were delays in amounts deposited with appropriate authorities for amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Provident Fund, Income Tax, Goods and Services Tax, Customs Duty, Sales Tax, Value Added Tax (VAT), Employees' State Insurance, Cess and other material statutory dues. As explained to us, the Company did not have any dues on account of wealth tax.

(b) According to the information and explanations given to us, undisputed amount payable which were outstanding as on March 31, 2025 for a period of more than six months from the due date consist of:

Sr No.	Tax Payable	Amount In Rs. (lacs)
1	GST Payable	19.99
2	TDS Payable	6.87
3	Provident Fund Payable	1.04
4	ESIC Payable	0.17
5	Profession Tax	0.90
6	Income Tax	19.88

(c) According to the information and explanations given to us, there are no dues of income tax, sales tax, service tax, value added tax, custom duty and goods and service tax as at 31st March, 2025 which have not been deposited with the appropriate authorities on account of any dispute.

8. Reporting on Undisclosed Income:

The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.

9. Repayment of Loans

(a) The Company has defaulted in repayment of loans and borrowing or in the payment of interest thereon to the banks and financial institutions as follows:

Sr No.	Nature of Borrowing including deb securities	Amount not paid on due date. (Rs. in Lakhs)	Whether principal or interest	No. of days delay or unpaid	Remarks, if any

12	Federal Bank PCFC	157.62	Both	1460	

Note: No. of days delay is calculated from last repayment date till March 31, 2025.

(b) The Company has not been declared willful defaulter by any bank or financial institution or government or government authority.

(c) In our opinion and according to the information and explanations given to us by the management, term loans were applied for the purpose for which the loans were obtained.

(d) On an overall examination of the standalone financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.

(e) On an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures as defined under the Act.

(f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries.

Hence, the requirement to report on clause (ix)(f) of the Order is not applicable to the Company.

10. Utilization of money raised by public offers and term loan for which they raised

(a) The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any

preferential allotment or private placement of shares or fully or partly or optionally convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.

11. Reporting of fraud during the period

(a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the management.

(b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by cost auditor/ secretarial auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

(c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.

12. Compliance by Nidhi Company regarding Net Owned Fund to Deposits Ratio

The Company is not a Nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii)(a), (b) and (c) of the Order is not applicable to the Company.

13. Related Party compliance with Section 177 and 188 of Companies Act, 2013

In our opinion and according to the information and explanations given to us, the Company has

entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the standalone financial statements, as required by the applicable accounting standards.

14. Reporting on Internal Audit

(a) The Company has an internal audit system commensurate with the size and nature of its business.

(b) The internal audit reports of the Company were not available for the period under audit.

15. Reporting on Non cash Transactions with Directors

In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.

16. Reporting on Registration u/s 45-IA of RBI Act

(a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the

/Order is not applicable to the Company.

(b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.

(d) In our opinion, and according to the information and explanation given to us, the Group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016) does not have any CIC as part of the Group.

17. Reporting on Cash Losses

The Company has incurred cash losses amounting to INR 9.90 Lakhs in the current financial year as well as INR 24.78 Lakhs in the immediately preceding financial year.

18. Reporting on Auditor's Resignation

There is no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.

19. Reporting on Financial Position

On the basis of financial ratios disclosed in Note 39 to the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, it has come to our attention, which causes us to believe that material uncertainty exists as on the date of the audit report and that Company is not capable of meeting its liabilities existing at the date of balance sheet. Also, since the Company continues to incur loss, current liabilities exceed current assets and Company has defaulted in repayment of borrowings, payment of regulatory and statutory dues, these events indicate that material uncertainty exists that may cast significant doubt on Company's ability to continue as a going concern.

20. Reporting on CSR Compliance

The requirements as stipulated by the provisions of Section 135 are not applicable to the Company. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

21. Reporting on Consolidated Financial Statements

In our opinion and according to the information and explanations given to us, reporting on consolidated financial statements is not applicable to company.

ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF VASA RETAIL AND OVERSEAS LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to standalone financial statements of Vasa Retail and Overseas Limited (“the Company”) as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143 (10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these standalone financial statements.

Meaning of Internal Financial Controls with reference to these Standalone Financial Statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that -

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, misstatements due to error or fraud may occur and not detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis of Qualified Opinion

According to the information and explanation given to us and based on our audit, the following material weakness has been identified as at March 31, 2025:

- (a) The company has designed and implemented internal financial controls and the same are operating effectively. However, as informed, documentation of such control is not available and is still under progress as at year end.
- (b) Balances of Trade Receivables, Trade Payables, Other Liabilities and Loan & Advances are subject to confirmations.

A material weakness is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting; such that there is reasonable possibility that

a material misstatement of the company's annual financial statements will not be prevented or detected on a timely basis.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects / possible effects of the material weaknesses described above under Basis for Qualified Opinion paragraph on the achievement of the objectives of the control criteria, the Company has, in all material respects an adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

We have considered material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Company for the year ended March 31, 2025 and these material weaknesses affect our opinion on the financial statements of the Company for the year ended March 31, 2025 [our audit report dated May 29, 2025 which expressed a qualified opinion on those financial statements of the Company].

I. Company Overview

Vasa Retail and Overseas Limited (“the Company”) having CIN: L74110MH2017PLC301013 is a public listed company, incorporated and domiciled in India having its registered office at 23, Floor-5, Plot-76, Prabhat, Bhulabhai Desai Road, Cumballa Hill, Mumbai 400026, Maharashtra, India. The Company is engaged primarily in the business of trading in stationery items and raw material of paper i.e., pulp. The equity shares of the Company are listed on The National Stock Exchange of India Limited (NSE) – SME platform with Symbol – VASA & ISIN - INE068Z01016.

II. Summary of Significant Accounting Policies

(a) Basis of preparation and measurement

The financial statements of the Company have been prepared in accordance with the Accounting Standards (AS) to comply with the Section 133 of the Companies Act, 2013 (“the 2013 Act”) and the relevant provisions and amendments, as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. Accounting policies not specifically referred to otherwise, are consistent and in consonance with the generally accepted accounting policies.

The financial statements of the Company for the year ended March 31, 2025 were approved by the Board of Directors and authorized for issue on May 29, 2025.

(b) Operating cycle

All assets and liabilities have been classified as current and non-current as per the Company’s normal operating cycle. An operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. As set out in the Schedule III to the Companies Act, 2013, the normal operating cycle cannot be identified for the Company and hence it is assumed to have duration of twelve months. Accordingly, assets and liabilities have been classified into current and non- current based on a period of twelve months.

(c) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. The Company recognizes revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the company.

Sales are recognized when significant risk and rewards are transferred to the buyer, usually on delivery of the goods.

Rental income from operating leases is recognized on a straight-line basis over the lease term. Interest income is recognized on accrual basis at effective interest rate.

Dividend income is accounted when right to receive is established.

However, where the ultimate collection of the same is uncertain, revenue recognition is postponed to the extent of uncertainty.

(a) Property, Plant and Equipment: Recognition and measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment, if any. The cost of property, plant and equipment includes purchase price, including freight, duties, taxes and any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Property, plant and equipment are derecognized from financial statements, either on disposal or when no economic benefits are expected from its use or disposal. The gain or losses arising from disposal of property, plant and equipment are recognized in the Statement of Profit and Loss in the year of occurrence.

Assets under construction include the cost of property, plant and equipment that are not ready to use at the balance sheet date. Advances paid to acquire property, plant and equipment before the balance sheet date are disclosed under other non-current assets. Assets under construction are not depreciated as these assets are not yet available for use.

Subsequent expenditures

Subsequent expenditures related to an item of property, plant and equipment are added to its carrying value only when it is probable that the future economic benefits from the asset will flow to the Company and cost can be reliably measured. All other repair and maintenance costs are recognized in the Statement of Profit and Loss during the year in which they are incurred.

Depreciation and amortization

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost less

its estimated residual value.

Depreciation / Amortization on property, plant & equipment of the Company has been provided using the straight-line method based on the useful life specified in Schedule II to the Companies Act, 2013.

Assets costing less than INR 5,000 are depreciated at 100% in the year of acquisition.

Assets acquired on lease and leasehold improvements are amortized over the primary period of the lease on straight line basis.

The estimated useful lives and residual values of the property, plant & equipment and intangible assets are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

(b) Impairment of non-financial assets:

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceeds the estimated recoverable amount, an impairment loss is recognized for such excess amount. The impairment loss is recognized as an expense in the standalone statement of profit and loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a decrease to the extent a revaluation reserve is available for that asset.

When there is indication that an impairment loss recognized for an asset (other than a revalued asset) in earlier accounting periods which no longer exists or may have decreased, such reversal of impairment loss is recognized in the standalone statement of profit and loss, to the extent the amount was previously charged to the standalone statement of profit and loss. In case of revalued assets, such reversal is not recognized.

(c) Foreign currency transactions:

Transactions in foreign currencies are translated into the Company's functional currency at exchange rates at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into the functional currency at the exchange rate at that date.

Non-monetary items that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous standalone financial statements are recognized in the standalone statement of profit and loss in the period in which they arise.

(d) Inventories:

Inventories are valued at lower of cost and net realizable value.

Cost of traded goods comprises cost of purchases. Cost of inventories also includes all other costs incurred in bringing the inventories to their present location and condition. Costs are assigned to individual items of inventory on the weighted average basis. Net realizable value is the estimated selling price in the ordinary course of business less estimated costs necessary to make sale.

(e) Income Tax:

The tax expense comprises current and deferred tax. Tax is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity.

(f) Current Tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current tax assets and liabilities are offset only if, the Company:

- i) has a legally enforceable right to set off the recognized amounts; and
- ii) intends either to realize the asset and settle the liability on a net basis or simultaneously.

Deferred Tax

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent there is convincing evidence that sufficient taxable profit will be available against which such deferred tax asset can be realized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that

the related tax benefit will be realized; such reductions are reversed when the probability of future taxable profits improves.

Unrecognized deferred tax assets are reassessed at each reporting date and recognized to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if:

- i) The Company has a legally enforceable right to set off current tax assets against current tax liabilities; and
- ii) The deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

Minimum Alternative Tax (MAT)

MAT credit is recognized as a deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal tax during specified period. MAT credit is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

(i) Employee benefits:

Short term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized as an expense during the period when the employees render the services.

Defined contribution plans

The Company's contribution to Provident Fund, Pension, Superannuation Fund and Employees State Insurance Fund are considered as defined contribution plans, as the Company does not carry any further obligations apart from the contribution made to the

respective fund/scheme and are charged as an expense based on the amount of contribution required to be made.

Defined benefit plans

The liability recognized in the balance sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period. The defined benefits obligation is calculated annually by actuaries using the projected unit credit method.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation. This cost is included in employee benefits expense in the Statement of Profit and Loss. Re measurement gain and losses arising from experience adjustments, changes in actuarial assumptions are recognized in the period in which they occur.

Leave Entitlement

Leave entitlement are provided based on an actuarial valuation, similar to that of gratuity benefit. Re- measurement, comprising of actuarial gains and losses, in respect of leave entitlement are recognized in the Statement of Profit and Loss in the period in which they occur.

(j) Leases:

Finance Lease

Agreements are classified as finance leases, if substantially all the risks and rewards incidental to ownership of the leased asset is transferred to the lessee.

Operating Lease

Agreements which are not classified as finance leases are considered as operating lease.

Operating lease payments/income are recognized as an expense/income in the standalone statement of profit and loss on a straight-line basis over the lease term unless there is another systematic basis which is more representative of the time pattern of the lease.

(k) Investments:

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. Current investments are carried in the financial statements at lower of cost and fair value

determined on an individual investment basis.

Investment other than current investments, are classified as long-term investments and are stated at cost. Provision for diminution in value of long-term investments is made only if such a decline is other than temporary.

(l) Borrowing Costs:

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

All other borrowing costs are recognized as an expense in the period in which they are incurred.

(m) Earnings per share:

Basic earnings per share is calculated by dividing the profit / (loss) after tax by the weighted average number of equities shares outstanding during the year.

Diluted earnings per share is calculated by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

(n) Cash and cash equivalents:

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand, demand deposit and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

(o) Provisions and Contingent Liabilities:

The Company recognizes a provision when there is a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are neither recognized nor disclosed in the financial statements.

(p) Dividend:

Dividend to the equity shareholders is recognized as a liability in the Company's financial statements in the period in which the dividend is approved by the shareholders.

(q) Events after reporting date:

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted with the standalone financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

(r) Segment Reporting:

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker and as per the Accounting Standard (AS-17).

(s) Use of Estimates and Judgements

The preparation of the financial statements in conformity with AS requires the use of estimates, judgements and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/ materialize.

Estimates and underlying assumptions are reviewed at each reporting date. Any revision to accounting estimates and assumptions are recognised prospectively i.e., recognised in the period in which the estimate is revised and future periods affected.

Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are as follows:

i. Evaluation of Net Realisable Value (NRV) of Inventories

Inventories comprising of completed flats and construction-work-in progress are valued at lower of cost and net realisable value. Net Realisable value is based upon the estimates of the management. The effect of changes, if any, to the estimates is recognised in the standalone financial statements for the period in which such changes are determined.

ii. Recognition and measurement of defined benefit obligations

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation and attrition rate. The discount rate is determined by reference to market yields at the end of the reporting period on government securities. The period to maturity of the underlying securities correspond to the probable maturity of the post-employment benefit obligations. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

iii. Impairment losses on investment

The Company reviews its carrying value of investments carried at amortised cost annually or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

iv. Deferred taxes

Deferred tax is recorded on temporary differences between tax bases of assets and liabilities and their carrying amounts, at the rates that have been enacted or substantively enacted at the reporting date. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable profit during the periods in which those temporary differences and the tax loss carry forwards become deductible. The Company considers the expected reversal of deferred tax liabilities and projected future taxable income in making this assessment. The amount of deferred tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward periods are reduced.

v. Provisions and contingencies

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the balance sheet date. The actual outflow of resources at a future date may therefore vary from the amount included in other provisions.

(t) The above standalone financial results which are published in accordance with Regulation 33 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on May 30th 2025.

(u) The audited standalone financial results are prepared in accordance with the Companies (Accounts) Rules, 2014 and applicable accounting standards as prescribed under section 133 of the Companies Act, 2013. As per MCA Notification dated 16th February, 2015 Companies whose Shares are listed on SME Exchange as referred to in Chapter XB of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009, are exempted from the compulsory requirement of adoption of IND-AS.

(v) The figures for the half year ended 31 March 2025 and corresponding half year ended 31st March 2025 are the balancing figures between audited figures in respect of full financial year and published year to date figures up to the end of six months' period of the relevant financial year.

(w) The Company is primarily engaged in trading of stationery items and raw material of paper i.e., pulp. In the opinion of the management, this is the only segment as per Accounting Standard - 17 on Segment Reporting issued by the Institute of Chartered Accountants of India.

(x) It is hereby declared that the Auditors have issued audit reports with qualification on the annual audited financial result for the year ended March 31, 2025. Impact is not ascertainable as of now.

(y) Information regarding the status and amounts payable to the suppliers under the "Micro, Small and Medium Enterprises Development Act, 2006", out of the total amounts payable to the Trade Payables is under compilation, hence the status of the same is yet to be updated.

(z) Previous period figures have been regrouped, re-arranged and re-classified wherever necessary to conform to current period's classification.

Note 24: Earnings Per Share

The Company has complied with the provisions of AS-20 on Earning per share as notified by the Companies (Accounting Standards) Rules, 2006.

Basic Earnings Per Share (EPS) amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year.

Particulars	(INR in Lakhs)	
	31 March 2025	31 March 2024
Profit attributable to equity shareholders of the Company	(9.90)	(24.78)
Weighted average number of equity shares	59.33	59.33

Note 27: Financial Risk Management Objectives and Policies

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Company's senior management oversees the management of these risks. The Company's senior management provides assurance that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

1. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument which fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Major financial instruments affected by market risk include loans and borrowings.

(a) Interest Rate Risk

Majority of the long-term borrowings of the Company bear fixed interest rate and thus interest rate risk is limited for the Company.

(b) Foreign Currency Risk

The Company is engaged in import / export of stationery items and paper pulp and generally the transactions made by the company are on advance basis for which hedging instruments are not required.

(c) Equity Price Risk

The Company's equity securities are not majorly susceptible to market price risk. However, the Company's Board of Directors reviews and approves all equity investment decisions after exercising due diligence which may affect the market related risk.

2. Credit Risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure of the financial assets is contributed by trade receivables, cash and cash equivalents and other receivables. Customer credit risk is managed by requiring customers to pay advances before transfer of ownership, thereby substantially eliminating the Company's credit risk in this respect.

3. Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Management monitors rolling forecasts of the Company's liquidity position on the basis of expected cash flows. This monitoring includes financial ratios and takes into account the accessibility of cash and cash equivalents.

The Company has access to funds from debt markets through loan from banks. The Company invests its surplus funds in bank fixed deposits and debt based mutual funds.

Note 33:

Previous period figures have been regrouped and reclassified wherever necessary, to confirm with current years' presentation.

Note 34: Micro, Small and Medium Enterprises Development Act, 2006

The Company is in the process of compiling information from its suppliers regarding the status and amount payable to the suppliers under the "Micro, Small and Medium Enterprises Development Act, 2006", out of the total amounts payable to the Trade Payables is under compilation, hence the status of the same is yet to be updated.

Note 35: Expiry of License Agreement with Oxford Limited

The Company has entered into an exclusive license agreement with Oxford Limited on 10th June, 2016 to obtain the right to use the Licensed Mark on and in connection with the manufacture, promotion and sale of products under the "Oxford Brand" for a period of 5 years till 31st December, 2021.

Due to disruption caused by the Covid 19 pandemic and closure of Oxford business since March 2020, Oxford Limited has decided to cease its global business operations and activities. Accordingly, due to expiry of the Oxford Agreement and non-payment of final royalty amounting to \$20,500, all the remaining stock of licensed products has to be disposed of the by Company.

Considering these developments, in particular, the present non-oxford stationery and paper business, the financial results continue to be prepared on going concern basis. However, since the Company continues to incur loss, current liabilities exceed current assets and Company has defaulted in repayment of borrowings, payment of regulatory and statutory dues, these events indicate that material uncertainty exists that may cast significant doubt on Company's ability to continue as a going concern. This matter has been referred to by the Auditors in their Audit Report.

Note 36: Covid-19 Impact

The Company is actively monitoring the impact of the global health pandemic on its financial condition, liquidity, operations, suppliers, industry, and workforce. The company has used the principles of prudence in applying judgments, estimates and assumptions based on the current estimates. In assessing the recoverability of assets such as inventories, financial assets and other assets, based on current indicators of future economic conditions, the company expects to recover the carrying amounts of its assets.

The extent to which COVID-19 impacts the operations will depend on future developments which remain uncertain. However, due to closure of schools, colleges and educational institutions for considerable period due to Covid-19 pandemic, there is direct severe business impact on the business operations of the company.

Management believes that it has taken into account all the possible impact of known events arising from COVID-19 pandemic in the preparation of the standalone financial results. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration. The company will continue to monitor any material changes to future economic conditions.
