Notes:

- 1. A member entitled to attend and vote at the annual general meeting (“AGM”) is entitled to appoint a proxy or proxies to attend and on a poll, to vote on his/her behalf and a proxy need not be a member. The instrument appointing the proxy, in order to be effective, must be deposited at the company’s registered office, duly completed and signed, not less than 48 (Forty-Eight) hours before the AGM. Proxies submitted on behalf of limited companies, societies, etc. must be supported by appropriate resolutions or authority, as applicable.**

A person can act as a proxy on behalf of Members not exceeding 50 (Fifty) and holding in the aggregate not more than 10% (ten percent) of the total share capital of the Company carrying voting rights. In case a proxy is proposed to be appointed by a Member holding more than 10% (ten percent) of the total share capital of the Company carrying voting rights, then such proxy shall not act as a proxy for any other person or Member.

2. Corporate Members intending to send their Authorized Representatives to attend the meeting are requested to send a Certified True Copy of the Board Resolution authorizing their Representative to attend and vote on their behalf at the Meeting.
3. Members, Proxies and Authorized Representatives are requested to bring the duly completed Attendance Slip enclosed herewith to attend the AGM.
4. The explanatory statement pursuant to Section 102 of the Companies Act, 2013 (the “Act”) setting out material facts concerning the business under Item No. 4,5 & 6 of the Notice is annexed hereto. The relevant details pursuant to Regulations 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI LODR”) and Secretarial Standards on General Meetings issued by the Institute of Company Secretaries of India, in respect of Directors seeking appointment/re-appointment at this AGM are also annexed.
5. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from April 1, 2022. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrars and Transfer Agents for assistance in this regard.
6. Members who still hold share certificates in physical form are advised to dematerialize their shareholding to avail the benefits of dematerialization, which include easy liquidity, since trading is permitted in dematerialized form only, electronic transfer, savings in stamp duty and elimination of any possibility of loss of documents and bad deliveries.
7. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. Members are requested to submit the said form to their DP in case the shares are held in electronic form and to RTA in case the shares are held in physical form.
8. The notice of AGM is being sent to those members/beneficial owners whose name will appear in the register of members/list of beneficiaries received from the depositories as on Friday, October 31, 2025.
9. The copy of Annual Report, notice of 38th Annual General Meeting, notice of e-voting etc. are being sent to the members through e-mail who have registered their e-mail ids with the Company/Depository Participant (DPs)/ Company's Registrar and Transfer Agent (RTA). Members are requested to update

their preferred e-mail ids with the Company/ Depository Participant (DPs)/ Company's Registrar and Transfer Agent (RTA), which will be used for the purpose of future communications.

10. Members whose e-mail ids are registered with the Company and who wish to receive printed copy of the Annual Report may send their request to the Company for the same at its registered office before the annual general meeting.
11. All the documents referred in the Notice, Annual Report and Register of Director's Shareholding are open for inspection, during the business hours, at the registered office of the Company up to and including the date of Annual General Meeting.
12. The register of Members and Share Transfer books of the Company shall remain closed during the Book Closure period i.e. November 22, 2025 to December 01, 2025, both days inclusive.
13. The members holding shares in the same name of same order of names under different folios are requested to send the share certificates for consolidation of such shares to the Company.
14. Shareholder seeking any information with regard to the accounts is requested to write to the Company at an early date but not later than 10 days before the scheduled date of holding of Annual General Meeting.
15. SEBI has mandated the submission of copy of Permanent Account Number (PAN) card by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the copy of PAN card to their DPs
16. Members are requested to register their E-mail address with the Company/Registrar & Transfer Agents so as to receive the Annual Report and other communication electronically
17. In case of joint holders attending the meeting, only such joint holder who is higher in the order of names will be entitled to vote.
18. To support the 'Green Initiative', Members who have not yet registered their email addresses are requested to register the same with their Depository Participants ("DPs") in case the shares are held by them in electronic form and with RTA in case the shares are held by them in physical form.
19. The notice of the 38th Annual General Meeting and Annual Report for the Financial Year 2024-25 of the Company is also been uploaded on the website of the Company i.e., <https://supremesteels.com>
20. In compliance with the provisions of section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as substituted by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to provide its members facility to exercise their right to vote on resolutions proposed to be transacted at the AGM. The facility of casting votes by a member using remote e-voting system as well as voting on the day of the AGM will be provided by Bigshare i-vote on e-voting system. The members may cast their votes using an electronic voting system from a place other than the venue of the Meeting ("remote e-voting").
21. The remote e-voting period begins on Friday, November 28, 2025, at 9:00 a.m. and ends on, November 30, 2025, at 5:00 p.m. The remote e-voting module shall be disabled by M/s. Bigshare Services Private Limited for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. Monday, November 24, 2025, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date.

- 22.** In terms of provisions of Section 107 of the Companies Act, 2013, since the Company is providing the facility of remote e-voting to the shareholders, there shall be no voting by show of hands at the AGM. The facility for ballot / polling paper shall be made available at the Meeting and the members attending the Meeting who have not cast their vote by remote e-voting shall be able to vote at the Meeting through ballot / polling paper.
- 23.** The shareholders can opt for only one mode of voting i.e. remote e-voting or physical polling at the meeting. In case of voting by both the modes, vote casted through remote e-voting will be considered final and voting through physical ballot will not be considered. The members who have cast their vote by remote e-voting may also attend the Meeting.

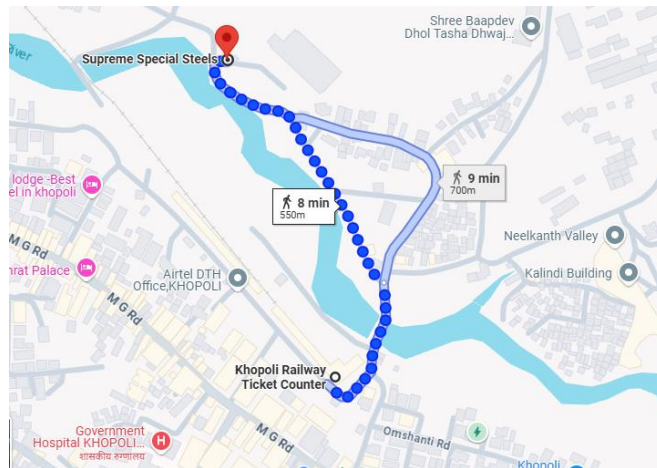

24. Scrutinizer's Report :

- a) The Company has appointed Mr. Rinkesh Gala proprietor of Rinkesh Gala & Associates (ACS 42486 and COP No.20128), to act as the Scrutinizer, to scrutinize the e-voting process in a fair and transparent manner.
- b) The Scrutinizer shall, immediately after the conclusion of voting at the AGM, unblock the votes cast through remote e-Voting (votes cast during the AGM and votes cast through remote e-Voting) and issue, not later than two working days of conclusion of the AGM, a consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, to the Chairman or a person authorized by him in writing, who shall countersign the same.
- c) The result declared along with the Scrutinizer's Report shall be placed on the Company's website at <https://supremesteels.com> and on the website of RTA <https://www.bigshareonline.com>.

The Company shall simultaneously forward the results to National Stock Exchange of India Limited, where the shares of the Company are listed.

- 25.** A Route map showing directions to reach the venue of Annual General Meeting is given at the end of the this Notice as per requirement of the Secretarial Standard – 2 on “General Meeting” as prescribed by the Institute of Company Secretaries of India, as mandated by the provisions of Section 118(10) of the Act

**ROAD MAP TO THE ANNUAL GENERAL MEETING VENUE:
Supreme Engineering Limited, Village Vihari, Opp. Khopoli Railway station, Khopoli - 410 203**

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- i. The voting period begins on November 28, 2025 at 9.00 a.m. and ends on November 30, 2025 at 5.00 p.m. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of November 24,2025 may cast their vote electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and

Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Explanatory Statement

{Pursuant to Section 102 of the Companies Act, 2013 (“The Act”)}

As required by Section 102 of the Companies Act, 2013 ("the Act"), the following explanatory statement sets out all material facts relating to the business mentioned under Item No. 4,5&6 of the accompanying Notice:

Item 4: Ratification of remuneration of M/s Dinesh Jain & Company (Firm Registration Number 000572), Cost Auditor of the Company for Financial year 2025-26.

The Board of Directors at its meeting held on October 29, 2025, based on the recommendations of the Audit Committee, had approved the appointment and remuneration of M/s. Dinesh Jain & Company, Cost Accountants (Firm Registration Number 000572), as the Cost Auditor for audit of the cost accounting records of the Company for the financial year ending March 31, 2025, at a remuneration not exceeding Rs. 50,000/- (Rupees Fifty Thousand only) excluding taxes and reimbursement of out-of pocket expenses at actuals, if any, in connection with the audit. The overall remuneration proposed to be paid to the Cost Auditor for the financial year ending March 31, 2025, is commensurate to the scope of the audit to be carried out by the Cost Auditors. M/s. M/s. Dinesh Jain, Cost Accountants have confirmed that they hold a valid certificate of practice under Sub-section (1) of Section 6 of the Cost and Works Accountants Act, 1959.

In accordance with the provisions of Section 148(3) of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014 and the Companies (Cost Records and Audit) Rules, 2014 (including any statutory modification(s) and/or re-enactment(s) for the time being in force), the remuneration payable to Cost Auditor has to be ratified by the members of the Company.

Accordingly, ratification by the members is sought to the remuneration payable to the Cost Auditor for conducting the audit of the cost records of the Company for the financial year ending March 31, 2025.

None of the Directors, Key Managerial Personnel or their relatives are in any way, concerned or interested, financially or otherwise, in the resolution, except to the extent of their respective shareholding, if any, in the Company.

The Board recommends the Ordinary Resolution set out at Item No. 4 of the Notice for approval by the members.

Item No-5: To appoint Mr. Sanjeev Khandelval DIN (08780152) as Independent Director of the Company for a term of five Years

Mr. Sanjeev Khandelval (DIN: 08780152) is currently working as an Independent Director of the Company. Mr. Sanjeev Khandelval was appointed as an Independent Director of the Company w.e.f August 06, 2020 and approved by the Members at the Annual General Meeting of the Company held on December 24, 2020 for a period of 5 (five) consecutive years and is eligible for re-appointment for a second term on the Board of the Company. Based on the recommendation of the Nomination & Remuneration Committee the Resolution passed on 02nd July, 2025, proposed the re-appointment of Mr. Sanjeev Khandelval an Independent Director of the Company for a second term of 5 (five) consecutive years commencing from August 06, 2025 to August 05, 2030. Considering Mr. Sanjeev Khandelwal's diverse industry experience in varied products from Special Steel (Alloys and Nickel) to financial and advisory services of more than 33 years the Board of Directors is of the opinion that it would be in the interest of the Company to re-appoint him as an Independent Director for a period of five years with effect from August 06, 2025.

The Company has received a declaration from Mr. Sanjeev Khandelval confirming that he continues to meet the criteria of independence as prescribed under Section 149(6) of the Act, read with the rules framed thereunder and Regulation 16(1)(b) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'). In terms of Regulation 25(8) of the SEBI Listing Regulations, Mr. Sanjeev Khandelval has confirmed that he is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact his ability to discharge his duties and also confirmed that he is not debarred from holding the office of Director by virtue of any SEBI Order or any such authority pursuant to circulars dated June 20, 2018 issued by BSE Limited and the National Stock Exchange of India Limited pertaining to enforcement of SEBI Orders regarding appointment of Directors by the listed companies.

Further, Mr. Sanjeev Khandelval has confirmed that he is not disqualified from being appointed as Director in terms of Section 164 of the Act and has given his consent to act as Director in terms of Section 152 of the Act, subject to re-appointment by the Members and has also confirmed that he is in compliance with Rules 6(1) and 6(2) of the Companies (Appointment and Qualifications of Directors) Rules, 2014, with respect to his registration with the data bank of Independent Directors maintained by the Indian Institute of Corporate Affairs ('IICA'). and fulfils the conditions specified in the Act, rules thereunder and the SEBI Listing Regulations for reappointment as an Independent Director and that he is independent of the Management.

A brief profile of Mr. Sanjeev Khandelval, including nature of her expertise, is provided as Annexure-II of this Notice. In compliance with the provisions of Section 149 read with Schedule IV to the Act, Regulation 17 of the SEBI Listing Regulations and other applicable provisions of the Act and SEBI Listing Regulations, the reappointment of Mr. Sanjeev Khandelval as an Independent Director is now placed for the approval of the Members by a Special Resolution. Accordingly, the approval of Members of the Company is being sought by way of a Special Resolution. The Board commends the Special Resolution set out in Item No. 5 of the accompanying Notice for approval of the Members.

None of the Directors or Key Managerial Personnel ('KMP') of the Company or their respective relatives, except Mr. Sanjeev Khandelval and his relatives, are concerned or interested, financially or otherwise, in the resolution set out at Item No. 5 of the accompanying Notice.

Item No-6: To appoint M/s. HRU & Associates, Practising Company Secretaries, Practising Company Secretaries, as Secretarial Auditors of the Company.

Pursuant to the provision of Section 204 and other applicable provision, if any of the Companies Act, 2013 read with rules made thereunder and Regulation 24A of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), every listed entity shall undertake Secretarial Audit by a Secretarial Auditor who shall be a peer reviewed Company Secretary and shall annex a Secretarial Audit Report in such form as specified, with the annual report of the listed entity. M/s. HRU & ASSOCIATES, (ICSI is a prominent Practicing Company Secretaries Firm, having expertise to provide quality and informative services to Indian and Global Corporate clients in Corporate Acts (Companies Act, LLP Act, SEBI), R.B.I. (Including NBFC), Listing, Finance, Taxation and Secretarial Matters. Complete business solution under One Roof to various Corporate Matters. M/s. HRU & ASSOCIATES have confirmed that they satisfy the requirements as set out under Companies Act, 2013 and Rules made

thereunder and the SEBI Listing Regulations and that they are not disqualified to be appointed as the Secretarial Auditor of the Company. They are a peer reviewed firm as required by the applicable regulations. (Peer Review Certificate No.) Further, M/s. HRU & ASSOCIATES have provided their consent and confirmed their eligibility for appointment as the Secretarial Auditor of the Company.

Further, the Board, shall approve revisions in the remuneration of the Secretarial Auditor for the remaining part of the tenure in such manner and to such extent as may be mutually agreed with the Secretarial Auditor. Besides the secretarial audit, the Company would also obtain certifications from the Secretarial Auditor under various statutory regulations and certifications required by Lenders, statutory authorities and other permissible services in compliance with regulation 24A(1B) of SEBI Listing Regulations read with SEBI circulars as may be issued in this regard, as required from time to time, for which they will be remunerated separately on mutually agreed terms, as approved by the Board .

None of the Directors, Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise in the Resolution.

Considering their past performance, experience and expertise, the Board recommends passing of Ordinary Resolution as set out in Item No. 6 of the notice for the approval of the Members.

REPORT ON CORPORATE GOVERNANCE

The Directors present the Company's Report on Corporate Governance for the year ended March 31, 2025, in terms of Regulation 34(3) read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (The "Listing Regulations").

1. COMPANY'S PHILOSOPHY ON CODE OF CORPORATE GOVERNANCE:

The ethical values are the foundation of Company's governance philosophy which has become a part of its culture. We feel proud to belong to a Company whose visionary founders laid the foundation stone for good governance long back and made it an integral principle of the business. We strongly believe that in business, there is something more important than just top line and bottom line and hence, each of us needs to strive towards producing our very best in all we do, so that, we not only fulfill the needs of each and every consumer, but also far exceed their expectations. This is what has set us apart and this may be the very reason that we have been able to enjoy a very special relationship with our consumers. After all, when you strive, with every sinew to be the best you can be, it will show.

Corporate Governance is about commitment to values and ethical business conduct. Our actions are governed by our values and principles, which are reinforced at all levels within the Company. We are committed to doing things the right way which means taking business decisions and acting in a way that is ethical and is in compliance with applicable legislations.

The Company emphasizes on the need for complete transparency and accountability in all its dealings to protect stakeholder's interests. The governance framework encourages the efficient utilization of resources and accountability for stewardship. The Board considers itself as the custodian of trust and acknowledges its responsibilities towards stakeholders for wealth creation sustainably and responsibly.

2. GOVERNANCE STRUCTURE:

The Corporate Governance structure of the Company is as follows:

Board of Directors: The Board is entrusted with an ultimate responsibility of the management, directions and performance of the Company. As its primary role is fiduciary in nature, the Board provides leadership, strategic guidance, objective and independent view to the Company's management while discharging its responsibilities, thus ensuring that the management adheres to ethics, transparency and disclosures.

Committees of the Board: The Board has constituted the following Committees viz, Audit Committee, Nomination and Remuneration Committee, Stakeholders' Relationship Committee. Each of the aforesaid Committees has been mandated to operate within a given framework.

Chairman: The primary role of the Chairman is to provide leadership to the Board in achieving goals of the Company. He is responsible, inter-alia, for the working of the Board and for ensuring that all relevant issues are placed before the Board and that all Directors are encouraged to provide their expert guidance on the relevant issues raised in the meetings of the Board. He is also responsible for formulating the corporate strategy along with other members of the Board.

Executive Directors: The Executive Directors, as members of the Board and Core Management Committees, contribute to the strategic management of the Company's businesses within Board approved direction and framework. They assume overall responsibility for strategic management of business and corporate functions including its governance processes and top management effectiveness.

Non-Executive Directors including Independent Directors: Non- Executive Directors play a critical role in balancing the functioning of the Board by providing independent judgments on various issues raised in the Board meetings like formulation of business strategies, monitoring of performances, etc.

3. BOARD OF DIRECTORS:

The Company's Board comprises people of eminence and repute who bring the required skills, competence and expertise that allow them to make an effective contribution to the Board and its Committees. The composition and strength of the Board is reviewed from time to time for ensuring that it remains aligned with statutory as well as business requirements.

The Board of Directors as at the end of March 31, 2025, comprised of Six (6) Directors viz. 1 Non-Executive Non-Independent Director, 2 Executive Directors and 3 Non-Executive Independent Directors including women Director.

The Chairman of the Board is an Executive Director.

None of the Directors on the Board is a Director in more than 7 listed entities. None of the Independent Director is an Independent Director in more than 7 listed entities as required under the Listing Regulations.

Further, the Managing Director and the Executive Directors do not serve as Independent Directors in any listed company. None of the Directors hold Directorships in more than 20 Indian companies, with more than 10 public limited companies. None of the Directors on the Board is a member of more than 10 Committees or Chairman of 5 Committees (i.e. Audit Committee and Stakeholders Relationship Committee) across all Public Companies in India, in which he/she is a Director. Requisite disclosures of their committee positions have been received from all the Directors. All Directors are in compliance with the provisions for limit on Directorships/Independent Directorships of listed companies as envisaged under Regulation

17A of the Listing Regulations. The Company has received declarations on criteria of independence as provided in Section 149(6) of the Act and Regulation 16(1)(b) of the Listing Regulations from the Independent Directors of the Company.

Commodity Price Risk/Foreign Exchange Risk and Hedging Activities

Price risk

Price risk is the risk that the profits and cashflows will fluctuate because of changes in the market prices. The Company is exposed in the ordinary course of its business to risks related to commodity prices.

The Company seeks to minimize the effects of these risks by continuous monitoring and using derivative financial instruments to hedge risk exposures, wherever permissible and cost effective. The Company does not enter into or trade financial instruments, including derivatives for speculative purposes.

Foreign currency risk management

The Company's functional currency is Indian Rupees (Rs.). The Company undertakes transactions denominated in foreign currencies; consequently, exposure to exchange rate fluctuations arise. Volatility in exchange rates affects the Company's revenue from export markets and the costs of imports, primarily in relation to raw materials.

The Company seeks to minimize the effects of these risks by continuous monitoring and using derivative financial instruments to hedge risk exposures, wherever permissible and cost effective. The Company does not enter into or trade financial instruments, including derivatives for speculative purposes.

INDEPENDENT AUDITOR'S REPORT

To the Members of SUPREME ENGINEERING LIMITED (Formerly Known as Supreme Heatreaters Private Limited)

Report on the Audit of the Standalone Ind AS Financial Statements

We have audited the accompanying Ind AS Financial Statement of **Supreme Engineering Limited** (Formerly known as **Supreme Heatreaters Private Limited**) ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including the Statement of Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended and notes to the Ind AS Financial Statement, including a summary of significant accounting policies and other explanatory information.

Qualified Opinion

We have conducted our audit of the Ind AS Financial Statement in accordance with the Standards on Auditing ("SAs") as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Ind AS Financial Statement' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS Financial Statement under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS Financial Statement. We believe that the audit evidence obtained is sufficient and appropriate to provide a basis for our Qualified Opinion.

Basis for Qualified Opinion (Matters)

1. Non-Compliance with Laws & Regulations:
 - a. The company is required to file Audit report under income tax act 1961 and file income tax return under the same act: however, the same has not filed for the two financial years i.e. FY 2019-20, FY 2020-21
 - b. The company has not paid/short paid the statutory dues such as TDS, PF, Professional Tax etc., that have become overdue and remained unpaid. Interest, penalties in respect of the same remained unascertained and unaccounted for.
 - c. The Company is liable to appointment Company Secretary as per section 203 of Companies Act 2013 read with rules thereof. However, currently there is no Company Secretary on board of the Company and accordingly the Financials are not being signed by all the Key Managerial Persons as required under section 134(1) of Companies Act 2013.
 - d. The Secretarial Report of Independent Company Secretary has highlighted various delays and non-compliances, the effect of the same is presented as a part of Contingent Liability.

2. The Company has long-outstanding trade receivables, trade payables, recoverable advances, and borrowings, including cash credit accounts, which have remained unsettled for a substantial period. The consequential impact, if any, on the financial statements remains unascertained since very few ledger confirmations has been provided. However, the Management on conservative basis and as per IND AS has provided for Expected Credit Losses on such Assets.
3. The classification of trade payables between MSME and other parties as at March 31, 2025, could not be verified due to non-availability of adequate records and documentary evidence.
4. The inventory is valued and verified by the management. We have not conducted physical verification of inventory as at March 31, 2025, due to our late appointment as statutory auditors of the Company. We also faced a further limitation due to non-availability of the stock movement register or supporting documentation to cross-verify the accuracy of valuation. Accordingly, we are unable to comment on the correctness of the quantities and valuation of inventory as reported by the management.
5. The Company is required to get cost audit conducted as per the requirement of section 148 of the Companies Act, 2013. However, the same has not been conducted from the financial year 2020-21 and onwards.
6. The Company is required to conduct an internal audit under the provisions of the Companies Act, 2013. However, no internal audit has been carried out for the previous financial year. Further, no records or evidence were provided to substantiate whether internal audits were conducted for years prior to the previous year.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in the *Basis for Qualified Opinion* paragraph above, the accompanying Statement:

- presents financial results in accordance with the recognition and measurement principles laid down in the **Indian Accounting Standards (Ind AS)** prescribed under Section 133 of the Act, read with relevant rules issued thereunder; and
- gives a true and fair view, in conformity with the accounting principles generally accepted in India, of the **net loss, total comprehensive income/(loss)**, and other financial information of the Company for the quarter and year ended **March 31, 2025**.

EMPHASIS OF MATTER PARA

We draw your attention to the notes mentioned in the Results declared by the company as follows:

1. The Company had a secured loan account which was classified as NPA on August 19, 2021, and has since stopped repayment of principal and interest. The Company has been incurring losses continuously and incurred a loss for the quarter ended March 31, 2025. The Company's current liabilities exceed its total assets, resulting in negative net worth. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern. However, management has prepared the financial results on a going concern basis, as they are in the process of loan restructuring and exploring fund infusion, preferential allotment, and asset monetization options. The Company has deposited a preliminary deposit of 10% with the bankers and submitted an application for One Time Settlement Plan with the bank. The appropriateness of the going concern assumption depends upon successful implementation of these plans, which are yet to be concluded.

2. The company has not provided accrued interest, charges, penalties or any other charges from the date of being classified as Non-performing Assets and the impact of the same on the financial results and statement remains unaccounted for.
3. The Company has ongoing litigations before the Hon'ble Supreme Court and other forums under Income Tax and GST laws, the impact of which is contingent upon the outcome of such proceedings.

Information Other than the financial statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Board of Directors' Report, but does not include the Ind AS Financial Statement and our Auditor's report thereon.

Our opinion on the Ind AS Financial Statement does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS Financial Statement, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Ind AS Financial Statement or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Ind AS Financial Statement

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation, and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion but it is not a guarantee that an audit conducted in accordance with the Standards on Auditing (SAs) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. **As required by Section 143(3) of the Companies Act, 2013, we report that:**
 - a) We have sought and obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.
 - b) *Except for matters stated in the Qualification Para*, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books..
 - c) *Except for matters stated in the Qualification Para*, The Balance Sheet, the Statement of Profit and Loss (including the Statement of Other Comprehensive Income), the Statement of Cash Flows, and the Statement of Changes in Equity dealt with by this report are in agreement with the books of account.
 - d) *Except for matters stated in the Qualification Para*, In our opinion, the aforesaid Ind AS Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. However, since the Company has been classified as a Non-Performing Asset (NPA), Ind AS 23 on *Borrowing Costs* has not been applied.
 - e) On the basis of written representations received from the directors as on **31st March 2025**, and taken on record by the Board of Directors, none of the directors is disqualified as on **31st March 2025** from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**" to this report.
 - g) In our opinion, the managerial remuneration for the year ended **31st March 2025** has been provided by the Company to its directors in accordance with the provisions of Section 197 read with Schedule V of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company does not have any pending litigations which would impact its financial position.
 - ii) The Company did not have any long-term contracts, including derivative contracts, for which there were any material foreseeable losses.
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv) (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the financial statements, no funds have been advanced, loaned, or invested (either from borrowed funds, share premium, or any other

source or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security, or the like on behalf of the Ultimate Beneficiaries.

(b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties (“Ultimate Beneficiaries”) or provide any guarantee, security, or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures performed that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clauses (a) and (b) above contain any material misstatement.

v) The Company has not declared or paid any dividend during the year and has not proposed a final dividend for the year.

vi) Based on the audit tests and procedures performed in respect of the financial year ended **31st March 2025**, the Company has maintained its books of account using *Tally Edit Log (Gold)* accounting software. The audit trail feature, however, had not been enabled at the database level in the said software to keep a log of any direct data changes, and therefore, it did not operate throughout the year.

**ANNEXURE “A” REPORT UNDER THE COMPANIES (AUDITORS’S REPORT)
ORDER, 2020**

Referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date on the accounts of **Supreme Engineering Limited** (Formerly known as **Supreme Heatreaters Private Limited**) (the “Company”) for the year ended March 31, 2025, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

(i) According to the information & explanation given to us and on the basis of our examination of the records of the Company, in respect of property, plant & equipment and intangible assets:

(a) (A) The Company has proper records related to full particulars including quantitative details and situation of Property, Plant and Equipment.

(B) The Company has maintained proper records showing full particulars of Intangible assets.

(b) According to the information and explanation given to us and on the basis of our examination of the records of the company, the company has regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified on regular interval. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the company and the nature of its assets. No material discrepancies were noticed on such verification.

(c) The title deeds of all the immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company

(d) According to information and explanation given to us and on the basis our examination of the records of the company, there are no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Therefore, reporting under clause 3(i)(e) of the order is not applicable.

(ii) The inventory has been physically verified by the management during the year. Since, we were appointed after 31st March 2025, we are unable to comment on the accuracy of the frequency of such verification is reasonable or not. The management has diminished inventory 2nd time in last 3 years, however, we have not been provided with the movement of inventory.

(iii) According to information and explanation given to us and on the basis our examination of the records of the Company has made investments in Companies during the year. Further, the Company has not made investments in Firms, Limited Liability Partnerships or any other entities during the year. Further, the Company has not provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to Companies, Firms, Limited Liability Partnerships or any other parties. In relation to the above, we report that:

- (a) The Company has not provided any loans or advances in the nature of loan or stood guarantee or provided security to any other entity during the year. Hence reporting under clause 3(iii)(a) of the Order is not applicable.
- (b) The Company has not made any investments neither provided any security during the year. Hence reporting under clause 3(iii)(b) of the Order is not applicable to that extent.
- (c) The Company has not provided any loans or advances in the nature of loan during the year. Hence reporting under clause 3(iii)(c) of the Order is not applicable.
- (d) The Company has not provided any loans or advances in the nature of loan or stood guarantee or provided security to any other entity during the year. Hence reporting under clause 3(iii)(d) of the Order is not applicable.
- (e) The Company has not provided any loans or advances in the nature of loan during the year. Hence reporting under clause 3(iii)(e) of the Order is not applicable.
- (f) The Company has not granted any loans or advances in the nature of loans during the year. Hence, reporting under clause 3(iii)(f) is not applicable.

(iv) According to information and explanation given to us and on the basis our examination of the records of the company, the company has not made any loans, investments, guarantees and security on which provisions of section 185 and 186 of the Companies Act 2013 are applicable. Therefore, the provisions of clause 3(iv) of the said Order are not applicable to the company.

(v) According to the information and explanation given to us, the Company has not accepted any deposits or amounts deemed to be deposits during the year and hence the directives issued by the Reserve Bank of India and the provisions of Section 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder are not applicable to the Company.

(vi) According to the information and explanations provided by the management, cost records have been prescribed under section 148(1) of the Companies Act, 2013 in respect of products of the Company. Those records have been properly maintained by the company. However, cost audit has not been conducted from FY 2020-21 onwards.

(vii)(a) According to the records of the company, undisputed statutory dues including Provident Fund, Investor Education and Protection Fund, Employees' State Insurance, Income-tax, Sales-tax, Service Tax, Goods and Service Tax, Custom Duty, Excise Duty, Cess to the extent applicable and any other statutory dues have not been regularly deposited with the appropriate authorities. According to the information and explanations given to us, there are following outstanding statutory dues as on 31 of March, 2025 for a period of more than six months from the date they became payable.

The unutilized IPO proceeds has been considered same as previous year. We have not been provided with any additional information in this regard during the year.

(b) During the year, the company has not raised funds by way of further preferential issue and hence, reporting under clause 3(x)(b) is not applicable to that extent.

(xi) (a) Based on examination of the books and records of the company and according to the information and explanation given to us, no fraud by the company or on the company has been noticed or reported during the course of audit.

(b) According to the information and explanation given to us, no report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2021 with the Central Government

(c) To the best of our knowledge, we have taken into consideration there is no whistle-blower complaints received by the Company during the year.

(xii) According to information and explanation given to us, the company is not a Nidhi Company. Accordingly, paragraph 3(xii) of Order is not applicable.

(xiii) According to the information and explanations given to us and based on our examination of the record of the Company, transactions with related parties are in compliance with the provisions of section 177 and 188 of the Companies Act where applicable and the details have been disclosed in the financial statements etc. as required by the applicable accounting standards.

(xiv) (a) In our opinion, the Company does not have internal audit system commensurate with the size and the nature of its business.

(b) According to the information and explanations given to us and based on our examination of the records of the Company, provisions of section 138 of the Companies Act, 2013 is applicable to the company. *However, no internal auditor has been appointed during the year under audit, and consequently, no internal audit reports have been provided to us for our review.*

(xv) According to the information and explanations given to us and based on our examination of the record of the Company, the company has not entered into any non-cash transactions with directors or persons connected with him and hence, provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

(xvi) a) The company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and hence, reporting under clause 3(xvi)(a) of the order is not applicable.

(b) The company has not conducted any non-banking financial or housing finance activities during the year and hence, the company is not required to obtain certificate of registration from the Reserve Bank of India as per the Reserve Bank of India Act, 1934. Accordingly, reporting under clause 3(xvi)(c) of the order is not applicable.

(c) The company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India and hence, reporting under clause 3(xvi)(c) of the order is not applicable.

(d) According to the information and explanations provided to us during the course of audit, the Group does not have any CIC. Accordingly, the requirements of clause 3(xvi)(d) are not applicable.

(xvii) The company has incurred cash loss in current financial year as well in immediately preceding financial year.

(xviii) During the year, there were two instances of resignation of statutory auditors. Initially, **M/s. S. R. Dhariwal & Co.**, the statutory auditors who had audited the financial statements for the year ended **31st March 2024**, tendered their resignation. Subsequently, **M/s. Rachna Patel & Co.** were appointed as statutory auditors and carried out the limited review for **Quarter 2 and Quarter 3** of the current financial year. Thereafter, they also resigned. As informed, the reasons for resignation were primarily due to pre-occupancy. We have not received any objections, issues, or concerns raised by the outgoing auditors in connection with their resignations.

(xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, it has come to our attention, which causes us to believe that material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a year of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) According to the information and explanations given to us and based on our examination of the relevant records of the Company, the provisions of Section 135 of the Companies Act, 2013 relating to Corporate Social Responsibility are applicable to the Company. However, the Company **has not spent the prescribed amount** towards CSR activities during the year, nor has it transferred the unspent amount to a Fund specified in Schedule VII or to a separate CSR Unspent Account as required under sub-sections (5) and (6) of Section 135 of the Act.

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph (f) under “Report on Other Legal and Regulatory Requirements” of our report)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Supreme Engineering Limited (Formerly known as Supreme Heatreaters Private Limited)** (“the Company”) as of **31st March 2025** in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the *Guidance Note on Audit of Internal Financial Controls Over Financial Reporting* issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation, and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company’s business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the *Guidance Note on Audit of Internal Financial Controls Over Financial Reporting* (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls includes obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Meaning of Internal Financial Controls Over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that:

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the Company does not have an adequate internal financial control system over financial reporting commensurate with the size and nature of its business. The Company has also not appointed an internal auditor as required under Section 138 of the Companies Act, 2013. In the absence of a proper internal audit system and documented internal control procedures, *we were unable to obtain sufficient and appropriate audit evidence to determine whether the Company had adequate internal financial controls over financial reporting and whether such controls were operating effectively as at 31st March 2025.*

Accordingly, in our opinion, the Company did not maintain an adequate and effective internal financial control system over financial reporting as required under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013.

The Company has used Tally Prime, an accounting software, for maintaining its books of account; however, the feature of recording audit trail (edit log) at the database level was not enabled during the year, and hence the system did not maintain logs of direct data modifications. The Company does not have formal written Standard Operating Manuals (SOPs) or documented procedures in place to ensure consistency, efficacy, and effectiveness of its internal financial controls.

Its shares are listed on National Stock Exchange in India. The registered office of the company is located at R.223, MIDC Complex, Thane, Belapur Road, Rabale, Navi Mumbai- 400701.

The Company is engaged in the business of manufacturing of steel products and heavy engineering.

The Financial Statements of the Company for the year ended March 31, 2025 were authorised for issue by the Board of Directors on

1 Significant Accounting Policies

1.1 Basis of preparation

(a) Compliance with Ind AS:

The Financial Statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, as amended and Companies (Indian Accounting Standards) Amendment Rules, 2016 (Ind AS). The Financial Statements comply in all material respects with Ind AS. The Company's first Ind AS Financial Statements and Ind AS 101, 'First-time Adoption of Indian Accounting Standards' has been applied for Financial Year ended 31 March 2021. The policies set out below have been consistently applied during the years presented.

These Financial Statements for the year ended 31 March 2023 are Financial Statements of the Company prepared in accordance with Ind AS.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act.

The accounting policies adopted in the preparation of the financial statements are consistent with those of the previous year.

The items are regrouped wherever required so as to give a better presentation of the financial statements. The figures of previous year are also changed to that effect.

(b) Historical cost convention

The Financial Statements have been prepared on a historical cost basis, except for the following:

- a. certain financial assets and liabilities that are measured at fair value;
- b. defined benefit plans - plan assets measured at fair value;

The Financial Statements are presented in Indian Rupees ('INR') which is the functional and presentational currency and all values are rounded to the nearest Lakh, except otherwise indicated.

Summary of significant accounting policies

1.2 Property, plant and equipment:

All items of property, plant and equipment are stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. The Company follows cost model for subsequent measurement for all classes and items of property, plant and equipment.

Subsequent costs are included in the carrying amount of asset or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred. Gains or losses arising on retirement or disposal of assets are recognised in the Profit or Loss.

SUPREME ENGINEERING LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31,2025

Spare parts, stand-by equipment and servicing equipment are recognised as property, plant and equipment if they meet the definition of property, plant and equipment.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as 'Capital work-in-progress'.

Depreciation on Tangible Fixed Assets is provided on Written Down Value (WDV) on the basis of useful life of assets specified in Part C of Schedule II of the Companies Act, 2013.

Property, plant and equipment which are added / disposed off during the year, depreciation is provided on pro-rata basis with reference to the day of addition / deletion.

Gains and losses on disposals are determined by comparing the proceeds with the carrying method.

The residual values are not more than 5% of the original cost of the asset, wherever applicable.

The residual values, useful lives and method of depreciation of property, plant and equipment are reviewed at each financial year end and any changes there-in are considered as change in estimate and accounted prospectively.

Depreciation and useful life

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

Derecognition

An item of PPE is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in Statement of Profit and Loss.

1.3 Investment properties:

Property that is held for long-term rental yields or for capital appreciation or both, and that is not in use by the Company, is classified as investment property. Land held for a currently undetermined future use is also classified as an investment property.

Investment property is measured initially at its acquisition cost, including related transaction costs and where applicable borrowing costs and are carried at cost less accumulated impairment losses.

Investment properties are subsequently measured at cost less depreciation. Investment properties are depreciated using the straight-line method over their estimated useful lives. Investment properties generally have a useful life of 35-50 years. The useful life has been determined based on technical evaluation performed by the management's expert.

1.4 Impairment of fixed assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. Impairment losses are recognised in statement of profit and loss.

1.5 Inventories:

Inventories are carried in the balance sheet as follows:

(i) Raw materials, components, stores and spares :

Raw materials, components, stores and spares are valued at lower of cost or net realisable value. The Raw material is valued at Net Realisable Value in the year under consideration.

SUPREME ENGINEERING LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31,2025

(ii) **Work-in-progress and Finished goods:**

Cost of work-in-progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure. Fixed overheads are allocated on the basis of normal operating capacity. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs are assigned to the individual items in a group of inventories on the basis of First in first out basis. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

The devaluation of the stock is due to the following factors and reasons and hence, Net Realisable Value is reported:

1. Cancellation of orders: There were various orders that were received from government companies during the COVID-19 pandemic period. Due to operational issues, the manufacturing of these orders got delayed, which resulted in cancellation of various high value orders from customers. These materials were made-to-order and hence once the chemical composition for the required customer is made, it cannot be diverted or sold to any other customer. Due to this reason, the valuation of the product has to be revalued as scrap.

2. Obsolete stock: There was various stock manufactured for supply of material to distributors. During the pandemic, these distributors had cash flow trouble due to which their payments to our company got very delayed. The company decided to stop this line of business in this financial year. Hence, the stock manufactured for these customers also need to be revalued accordingly.

The stock issues were discussed in the board meeting dated 13/12/22 and the revaluation was accepted by the board on 14/02/2023. The devaluation to net realisable value was implemented once the management was clear of the fact that there is no market otherwise for the products and the quality over the period has also depleted.

The diminished value of the inventory is reported under the exceptional item which has increased the loss of the company. The total value reduces is of Rs. 4,24.54 (in lakhs) which consists of Rs. 352.23 (in lakhs) in case of Raw Material and Rs. 72.31 (in lakhs) in case of Work in Progress.

SUPREME ENGINEERING LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2025

1.6 Statement of Cash Flows:

Cash flows are reported using the "indirect method", whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

(i) Cash and cash equivalents:

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

The Balance with banks includes Rs. 1.67 Crores which has been appropriated by Bank of India during Holding On Operations. However, we are not able to determine the corresponding impact of the same and is therefore appearing as cash and cash equivalents.

1.7 Foreign currency transactions:

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in statement of profit and loss.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

1.8 Revenue recognition:

(i) Sale of goods

Revenue is measured at the fair value of the consideration received or receivable. The Company recognises revenues on sale of products, net of discounts, sales incentives, rebates granted, returns, sales taxes/GST and duties when the products are delivered to customer or when delivered to a carrier for export sale, which is when title and risk and rewards of ownership pass to the customer. Export incentives are recognised as income as per the terms of the scheme in respect of the exports made and included as part of export turnover.

Revenue from sales is recognised when control of the products has transferred, being when the products are delivered to the customer, the customer has full discretion over the channel and price to sell / consume the products, and there is no unfulfilled obligation that could affect the customer's acceptance of the products. Delivery occurs when the products have been shipped to the specific location, the risks of obsolescence and loss have been transferred to the customer, and either the customer has accepted the products in accordance with the sales contract or the acceptance provisions have lapsed.

(ii) Accounting for Claims

Claims are accounted as income in the period of receipt of arbitration award or acceptance by client or evidence of acceptance received.

(iii) Interest income

Interest income is recognised on a time proportion basis taking into account the amount outstanding using the effective interest rate method.

(iv) Dividend income

Revenue is recognised when the company's right to receive the payment is established.

(v) Rental Income

Revenue is recognised at the start of the period for which the property is rented. The company is receiving rent from Commercial property commencing from 21st Oct 2022. Taxes are levied over and above the rental which is charged.

1.9 Leases

The company has applied Ind AS 116 using the modified retrospective approach. Ind AS 116 is applicable for annual reporting period beginning on or after 1 April 2019. The Company has adopted Indian Accounting Standards (Ind AS) as notified by the Ministry of Corporate Affairs with effect from 1st April, 2020, with a transition date of 1st April, 2019. This lease ended as on 31st October 2021 and later again continued for further 3 years.

SUPREME ENGINEERING LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2025

(i) Company as a lessee:

The company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, company's incremental borrowing rate. Generally, the company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprise the following:

- Fixed payments, including in-substance fixed payments;
- Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- Amounts expected to be payable under a residual value guarantee; and
- The exercise price under a purchase option that the company is reasonably certain to exercise, lease payments in an optional renewal period if the company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the company is reasonably certain not to terminate early.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the company's estimate of the amount expected to be payable under a residual value guarantee, or if company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

(ii) Short-term leases and leases of low-value assets Company as a lessee:

The company has elected not to recognise right-of-use assets and lease liabilities for short term leases of real estate properties that have a lease term of 12 months. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

(iii) Company as a lessor:

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the company to the lessee. Amounts due from lessees under finance leases are recorded as receivables. Finance lease income is allocated to accounting periods to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

1.10 Employee Benefits

(i) Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

(ii) Post-Employment Benefits

The company operates the following post-employment schemes:

- (i) defined benefit plans and
- (ii) defined contribution plans

Defined benefit plans - Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit pension and gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

SUPREME ENGINEERING LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2025

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Defined contribution plans - Provident fund

The company pays provident fund contributions to publicly administered provident funds as per local regulations. The company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

1.11 Borrowing Costs:

Borrowing costs attributable to the acquisition or construction of qualifying assets. Borrowing costs are capitalized as part of the cost of such asset up to the date when the asset is ready for its intended use. All other borrowing costs are expensed as incurred. Borrowing costs consist of interest and other cost that an entity incurs in connection with the borrowing of funds. Borrowing cost includes exchange differences to the extent regarded as an adjustment to the borrowing costs. The company has not provided for accrued interest, charges, penalty or any other charges from the date of becoming classified as Non Performing Assets and the impact of the same on the financial result and statement remain unaccounted for.

1.12 Earnings Per Share:

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue; bonus element in a rights issue, share split; and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

1.13 Taxes on Income:

Income tax expense comprises current and deferred tax. It is recognised in the statement of profit and loss except to the extent that it relates to a business combination, or items recognised directly in equity or in OCI.

(i) Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the company operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI (Other Comprehensive Income) or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(ii) Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss

- Taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss

SUPREME ENGINEERING LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31,2025

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss. Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

1.14 Provisions, Contingent liabilities, Contingent assets and Commitments:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liability is disclosed in the case of:

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation
- a present obligation arising from past events, when no reliable estimate is possible
- a possible obligation arising from past events, unless the probability of outflow of resources is remote. Commitments include the amount of purchase order

1.15 Current and Non-current Classification:

The Company's presents assets and liabilities in the balance sheet are based on current/non-current classification.

An asset as current when it is:

- Expected to be realised or intended to sold or consumed in normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realised within twelve months after the reporting period, Or

- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

- 10% Recovery account is created by bank to recover the borrowings which have become NPA in the current financial year. The bank as a process to recover the outstanding dues, debits an amount of 10% of the credit received in the bank account of the company

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, Or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Deferred tax assets / liabilities are classified as non-current.

All other liabilities are classified as non-current.

SUPREME ENGINEERING LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2025

1.16 Fair Value Measurement:

The Company measures financial instruments of certain investments at fair value, at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the balance sheet on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

1.17 Financial instruments

Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Financial assets:

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

Initial recognition and measurement

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Statement of Profit and Loss.

SUPREME ENGINEERING LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31,2025

Subsequent measurement

After initial recognition, financial assets (other than investments in subsidiaries and joint ventures) are measured either at:

- i) fair value (either through other comprehensive income or through profit or loss) or,
- ii) amortized cost

Measured at amortized cost:

Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortized cost using the effective interest rate ('EIR') method less impairment, if any, the amortization of EIR and loss arising from impairment, if any is recognized in the Statement of Profit and Loss.

Measured at fair value through other comprehensive income (FVOCI):

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI) net of taxes.

Interest income measured using the EIR method and impairment losses, if any are recognized in Profit and Loss.

In case of investment in equity instruments classified as the FVOCI, the gains or losses on de-recognition are re-classified to retained earnings.

In case of Investments in debt instruments classified as the FVOCI, the gains or losses on de-recognition are reclassified to statement of Profit and Loss.

Measured at fair value through profit or loss (FVTPL):

A financial asset not classified as either amortized cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognized as 'other income' in the Statement of Profit and Loss.

The Company measures all its investments in equity (other than investments in subsidiaries and joint ventures) and mutual funds at FVTPL.

Changes in the fair value of financial assets measured at fair value through profit or loss are recognized in Profit and Loss.

Impairment losses (and reversal of impairment losses) on equity investments measured at FVTPL are recognised in Profit and Loss.

Impairment of financial assets:

The Company assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortized cost, FVTPL and FVOCI and debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivable only, the Company applies the simplified approach permitted by Ind AS - 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of such receivables.

- i) The Company has transferred the rights to receive cash flows from the financial asset or
- ii) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognized.

Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not de-recognized.

SUPREME ENGINEERING LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31,2025

1.18 Financial liabilities

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Initial recognition and measurement

Subsequent measurement

Financial liabilities other than those measured at fair value through profit and loss are subsequently measured at amortized cost using the effective interest rate method. The Company measures all debt instruments at amortised.

Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in Profit and Loss.

De-recognition.

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

Offsetting financial instruments:

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

1.19 Segment Reporting - Identification of Segments

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's chief operating decision maker to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the chief operating decision maker evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

SUPREME ENGINEERING LIMITED

2 SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the Company's Financial Statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Judgements, Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

2.1 Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount.

2.1 Estimation of Defined Benefit Obligations / Plans

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

2.3 Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the company and that are believed to be reasonable under the circumstances.

ii) ii. Fair Value Hierarchy

This section explains the judgements and estimates made in determining the fair value of the financial instruments that are recognised and measure at fair value. To provide an indication about the reliability of the inputs in determining fair value, the company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table

There have been no transfers among Level 1, Level 2, and Level 3 during the year

Level 1 - Level 1 hierarchy includes the financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV

Level 2 - The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 - If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3.

iii. Valuation technique used to determine fair value

Specific Valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of interest rate swaps is calculated as the present value of the estimated future cash flows based on observable yield curves
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis

iv. Valuation processes

The finance department of the company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the chief financial officer (CFO) and the audit committee. Discussions of valuation processes and results are held between the CFO, AC and the valuation team at least once every three months, in line with the company's quarterly reporting periods.

SUPREME ENGINEERING LIMITED**NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024****35. FINANCIAL RISK MANAGEMENT**

The company's activity expose it to market risk, liquidity risk and credit risk. The company's focus is to foresee the unpredictability of financial risk and to address the issue to minimize the potential adverse effects of its financial performance. In order to minimise any adverse effects on the financial performance of the company, derivative financial instruments, such as interest rate swaps to hedge variable interest rate exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact of hedge accounting in the financial statements.

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the company's management.

(A) Credit risk

Credit risk refers to the risk for a counter party default on its contractual obligation resulting a financial loss to the company. The maximum exposure of the financial assets represents trade receivables, work in progress and receivables.

The maximum exposure to the credit risk at the reporting date is primarily from trade receivables. Customer credit risk is managed centrally by the Company and subject to established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits defined in accordance with the assessment.

Credit risk on cash and cash equivalents is limited as the Company generally invest in deposits with banks and financial institutions with high credit ratings assigned by international and domestic credit rating agencies.

(B) Liquidity risk

Liquidity risk refers to the risk of financial distress or extraordinary high financing costs arising due to shortage of liquid funds in a situation where business conditions unexpectedly deteriorate and requiring financing. The Company requires funds both for short term operational needs as well as for long term capital expenditure growth projects. The Company generates sufficient cash flow for operations, which together with the available cash and cash equivalents and short term investments provide liquidity in the short-term and longterm. . The Company has established an appropriate liquidity risk management framework for the management of the Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods and its non-derivative financial assets. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

(C) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of change in market prices. Market risk comprises three types of risk: foreign currency risk, interest rate risk and other price risk such as equity price risk and commodity risk.

(i) Foreign currency risk

Foreign currency risk is the risk of impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the foreign receivables.

The company evaluates the exchange rate exposure arising from foreign currency transactions and follows established risk management policies and standard operating procedures to mitigate the risk.

(a) Foreign currency risk exposure (Amount in INR Lakhs)

Particulars

Net exposure to foreign currency risk	72.30
March 31, 2024	
Trade Receivables	51.03
Advance	21.27
Net exposure to foreign currency risk	72.30

(b) Foreign currency sensitivity

1% increase or decrease in foreign exchange rates will have the following impact on profit/(Loss) before tax:

Particulars	2024-25		2023-24	
	1% Increase	1% Decrease	1% Increase	1% Decrease
Foreign Currency	0.72	0.72	0.72	0.72
Net Increase/(decrease) in profit or loss	0.72	0.72	0.72	0.72

(ii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk because funds are borrowed at both fixed and floating interest rates. Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rate. The borrowings of the Company are principally denominated in rupees with a mix of fixed and floating rates of interest. The Company has exposure to interest rate risk, arising principally on changes in base lending rate. The Company uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements for its day-to-day operations. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowings.

(a) Interest rate risk exposure

The exposure of the company's borrowing to interest rate changes at the end of the reporting period are as follows:

(Amount in INR Lakhs)

Particulars	March 31, 2025	March 31, 2024
Variable rate borrowings		
Working capital loan	7,570.67	7,571.57

Fixed rate borrowings		
Total borrowings	9,012.22	9,013.12
% of borrowings at variable rate	84.00%	84.01%

(b) Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

Particulars	Impact on profit before tax	
	March 31, 2025	March 31, 2024
Interest rates - increase by 25 basis points*	18.93	19.42
Interest rates - decrease by 25 basis points*	(18.93)	(19.42)
Interest rates - increase by 70 basis points*	52.99	54.38
Interest rates - decrease by 70 basis points *	-52.99	-54.38

* holding all other variables constant

(iii) Price risk

Commodity price risk - The company is affected by the price volatility of certain commodities. Its operating activities require a continuous supply of Steel (goods-RM). Due to the significantly increased volatility of the price of the Steel (goods-RM), the company also entered into various purchase contracts for Steel (goods-RM) for which there is an active market.

The company's board of directors has developed and enacted a risk management strategy regarding commodity price risk and its mitigation. The company mitigates its commodity price risk by ordering as per the price fluctuations which is in the best interest of the company.

36. CAPITAL MANAGEMENT

The purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company's policy is to keep the gearing ratio between 60% and 80%. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents, excluding discontinued operations.

For the purpose of capital management, capital includes issued equity capital, securities premium and all other revenue reserves. Net debt includes all long and short-term borrowings as reduced by cash and cash equivalents and other bank balances.

Particulars	(Amount in INR Lakhs)	
	March 31, 2025	March 31, 2024
Borrowings	8,966.89	8,791.50
Trade payables	18.56	(573.84)

Capital and net debt	1,697.38	2,344.48
Gearing ratio	623.75%	428.75%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2024 and 31 March 2025.
